TEN CITY REMAINS PERFECT IN BASHFORD MANOR

Ten City (r) bests Copper Bullet in the Bashford Manor | *Coady*

Ten City (Run Away and Hide) made good on his **"TDN Rising Star"** tag and impressive debut with a solid score in the GIII Bashford Manor S. Friday evening beneath the Twin Spires. Romping by seven lengths in his Keeneland unveiling Apr. 19, he was hammered down to 1-2 favoritism to take his record to two-for-two while receiving Lasix for the first time here.

Away well, the dark bay raced in a three-wide fourth early as longshot **I'm Corfu** (Corfu) and fellow **"TDN Rising Star" Copper Bullet** (More Than Ready) exchanged blows through an opening quarter in :21.97. Tugging his way up to run in a joint second with Copper Bullet on the backstretch, Ten City seized command at the top of the lane and quickly rolled clear. Copper Bullet seemed to be backing off approaching the far turn, but re-rallied in the stretch and chased after the chalk. However, Ten City was always going the better of the two and held clear by 1 1/2 lengths at the wire. **Hardworkcleanlivin** (Colonel John) rounded out the trifecta.

"I was so proud to pick a horse this talented out of the auction for only $12,000," said trainer Ken McPeek, who also won the Debutante S. with Sunny Skies (Animal Kingdom). "This horse has shown a lot of talent throughout the early stages of his career. It's a horse that trainers dream to be around. I've sort of changed up my training over the last couple of years with these younger horses so there's a good chance we'll take it easy on him over the summer and wait to run him next in the [GIII] Iroquois [S. at Churchill Sept. 19]." ***Cont. p4***

NYRA LAUNCHES EXCLUSIVE PICK 5

by Steve Sherack

The New York Racing Association will be adding an "exclusive" late Pick 5 to its wagering menu at Belmont Park beginning Tuesday, July 4.

The 'NYRA Bets Late Pick 5' will be available *only* to NYRA Bets members across the country through NYRA's national advance deposit wagering (ADW) platform and also to bettors in New York wagering on-track or through a simulcast facility. NYRA's prestigious Saratoga meeting kicks off Friday, July 21.

"This is a very bold move on NYRA's part to do something like this," Tony Allevato, President of NYRA Bets and Executive Producer for NYRA TV, said when reached for comment Friday afternoon. "We're a late entrant into the national ADW space--we just launched nationally last year toward the end of the summer. In order to differentiate ourselves from our competitors, we thought we had to do something that was very bold. ***Cont. p3***

NYRA Launches Exclusive Pick 5 cont. from p1

Tony Allevato | *Adam Coglianese*

He continued, “The Pick 5 has become arguably the most popular bet in horse racing right now. There’s been a lot of demand for us to bring a late Pick 5 to our NYRA tracks. So we thought, ‘Why don’t we give something to our customers that they’re asking for?’ We made a decision to make it available to people all over the state--they’re not being punished for going to Belmont, Saratoga or Aqueduct or an OTB in New York--they can still make the wager. But from a national standpoint, if you want to play outside of New York, the only way to play it is on NYRA Bets.”

The ‘NYRA Bets Late Pick 5,' comprised of the last five races of the day’s card, will feature a 15% takeout rate and $0.50 bet minimum, the same as the existing early Pick 5. NYRA Bets members are also eligible for a guaranteed minimum $100,000 payout in the event that an account holder is the sole winner of the ‘NYRA Bets Late Pick 5.’ The $100,000 guaranteed payout will be available only to NYRA Bets members through the end of July. NYRA Bets is now currently available in 29 states, including New York. Last weekend’s early Pick 5 pools at Belmont averaged $360,416.

While Allevato expects a “positive response from our customers,” he understands that everyone isn’t going to be happy with the decision to create this exclusive wager.

“If you look at an ADW’s space and if you look at businesses in general, people are always doing things to try and differentiate their product or their service from their competitors,” he said. “It’s no different than buying concert tickets on a certain credit card to get the opportunity to buy tickets before anyone else or frequently flying on the same airline and getting to board the airplane before everyone else.

Allevato concluded, “This is something we’d like to try and we’ll see how it goes and evaluate after the first 30 days.”

Ten City | *Coady*

"Kenny [McPeek] has always been high on this colt," said winning rider Robby Albarado. "He told me once he gets his legs stretched out he'll come with a run. I saw the horse in front was stopping rather quickly so, I got my horse in a good position and everything worked out well today."

"It was just a tough trip," said Copper Bullet's rider Florent Geroux. "He worked his way up there on the inside and there was a lot of stuff going on in very a short field. He ran great. He was probably the best today, but the trip didn't help."

Pedigree Notes:

Ten City, a $12,000 FTKOCT yearling purchase, is the third graded stakes winner for his sire Run Away and Hide, who stands at breeder John Phillips's Darby Dan Farm. Phillips bred the winner's unraced dam Maiden America, as well as his second and third dams. A half-sister to MGISW millionaire Wonder Again (Silver Hawk), the 7-year-old mare produced one foal prior to Ten City, the now 3-year-old filly Full of Joy (Kitten's Joy), who broke her maiden for Phillips, his partners Kip & George Elser and trainer Tom Proctor at second asking at Delaware June 10. Maiden America is also responsible for a yearling colt by Shackleford and produced a Tapiture filly Feb. 25 of this year, which is, coincidentally, the same day she foaled the Shackleford colt in 2016.

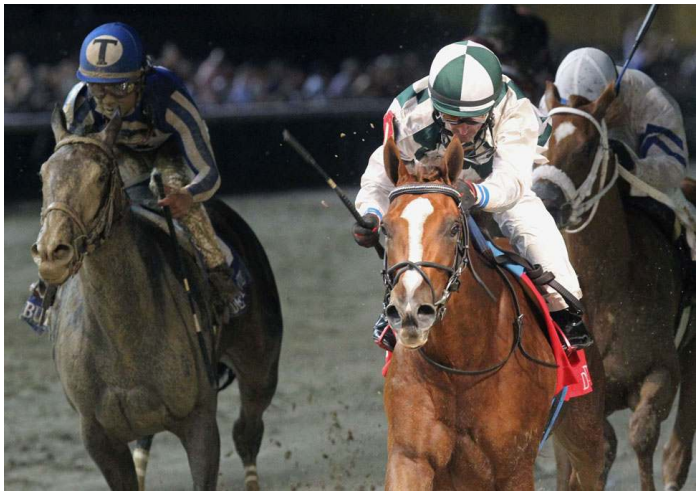
SUNNY SKIES BECOMES FIRST SW FOR ANIMAL KINGDOM

Sunny Skies (Animal Kingdom) became the first stakes winner for her freshman sire (by Leroidesanimaux {Brz}) and second juvenile stakes winner of the night for trainer Ken McPeek with a decisive score in the Debutante S. at Churchill Downs. The ironically named filly proved no worse for wear after a severe thunderstorm delayed the race, keeping the juveniles in the paddock for almost an hour, and quickly turned the track from fast to sloppy. The Normandy Farms homebred, who romped by nine lengths in her Keeneland unveiling Apr. 27 to become her sire's first North American winner, was sent postward as the 6-5 favorite while receiving Lasix for the first time here.



Sunny Skies splashes home in the Debutante | *Coady*

Away without incident from the one-hole, the chestnut quickly moved up to duel longshot **Rockin Royalty** (Early Flyer) on the front end through a sharp first quarter in :21.48. Edging away a bit as she hit the half in :46.09, Sunny Skies kept on finding in the lane, skipping clear to a 1 1/2-length victory. Maiden and 17-1 shot **Upset Brewing** (Justin Phillip) was second and 10-1 chance **Waki Patriot** (Awesome Patriot) checked in third.

McPeek and jockey Robby Albarado teamed up to win the GIII Bashford Manor S. two races earlier with "**TDN Rising Star**" Ten City (Run Away and Hide). The conditioner also won race seven with Harlan Strong (Arg) (Harlan's Holiday).

"A lot of credit goes to our staff at Keeneland," McPeek said. "This filly has been a bit of a handful to train. She doesn't like the stalls that are at Keeneland, so we were shipping her back and forth to my training center [Magdalena Racing], but would bring her back to the track to breeze. She's coming around very well."

He continued. "Robby [Albarado] did a great job to get her in position and to nurse her speed around the turn. We'll probably keep her here this summer and point towards the [GII] Pocahontas [S. Sept. 19]. I think you'll see her and Ten City as workmates this summer."

Owner/breeder Nancy Polk's Normandy Farm captured last year's Pocahontas with Daddy's Lil Darling (Scat Daddy), who was runner-up in the GI Kentucky Oaks May 5.

Sunny Skies is the first black-type winner for Darley's first-crop sire Animal Kingdom, who proved to be quite versatile with wins on dirt, turf and synthetic. Winner of the 2011 GIII Spiral S., the Graham Motion pupil scored a 20-1 upset in that year's Kentucky Derby, finished second in the 2012 GI Breeders' Cup Mile and won the 2013 G1 Dubai World Cup. Sunny Skies is a half-sister to GII La Jolla H. winner Sky Cape. Her now 22-year-old dam produced a Union Rags colt in 2016 and foaled an American Pharoah filly Apr. 25 of this year.

All too often, preserving history has been an afterthought in America. Historical landmarks are demolished to make way for modernization and progress. But look around at the towns and cities that have worked hard to preserve history—Colonial Williamsburg, Boston and Mackinaw Island come to mind—and you'll find that doing so has proven to be a boon to tourism. No racing town does that better—nor profits more from it—than Saratoga Springs, New York, where the recently renovated Adelphi Hotel, which originally opened in 1877, is scheduled to once again take its place as the grande dame of Saratoga hotels. We talk to general manager Michel Ducamp about the project. We also travel to another famous spa town, France's Vichy, where we take a peek at their summer racing festival; visit the new sustainable farm-to-table restaurant at Glorious Goodwood, Farmer Butcher Chef; and talk to Rick Pitino, whose yearly trips to Del Mar have proven both fun and profitable.

BEACH PATROL LOOMS LARGE IN U.N.

Beach Patrol | *Four-Footed Fotos*

By Joe Bianca

After capturing the GI Secretariat S. last summer, it looked as though **'TDN Rising Star' Beach Patrol** (Lemon Drop Kid) was on his way to big things in the male turf division. Three second-place finishes and two fourths later, however, the dark bay colt is looking to reestablish himself, and he'll have a good shot to do that as the favorite in Saturdays GI United Nations S. at Monmouth.

Runner-up in the GIII Hill Prince S. and GI Hollywood Derby, the $250,000 KEENOV buy was disqualified from second to fourth in the GI Gulfstream Park Turf H., ran second in the GI Woodford Reserve Turf Classic S. May 6 at Churchill and most recently filled out the superfecta in the GI Woodford Reserve Manhattan S. June 10 at Belmont. Rail-drawn and with no confirmed speed in this race, Beach Patrol should be able to work out a good trip under Florent Geroux. The 11-furlong U.N., however, will be the colt's first journey beyond 1 1/4 miles.

Chief among his rivals is one stall next-door in **Itsinthepost (Fr)** (American Post {GB}), winner of the GII San Luis Rey S. and GII Dixiana Elkhorn S. at 12 furlongs this spring. The bay gelding will look to rebound from a fifth-place finish as the favorite in the GII Charles Whittingham S. last out May 28 at Santa Anita.

Mike Maker saddles a pair of challengers in **Bigger Picture** (Badge of Silver) and **Oscar Nominated** (Kitten's Joy). The former, claimed for $32,000 in November of 2015, was eighth in last year's U.N., but comes into this renewal having not been out of the superfecta in his seven subsequent turf starts, including victories in the GIII Red Smith H. and GIII John B. Connally Turf Cup S. **Oscar Nominated**, a blowout winner of last summer's Dueling Grounds Derby at Kentucky Downs, has not found the winner's circle since, but comes in off a career high when closing from last to be third in the Woodford Reserve Turf Classic.

PLETCHER SEEKS SIXTH MOTHER GOOSE WIN

My Miss Tapit | *Kenny Martin*

By Christie DeBernardis

Todd Pletcher looks likely to take home his sixth victory in the recently downgraded GII Mother Goose S. with three strong entries in Saturday's renewal. Mathis Stable's undefeated **My Miss Tapit** (Tapit), who is entered in the Fasig-Tipton July Horses of Racing Age Sale July 10, will attempt two turns for the first time in this test. The chestnut followed her debut score going 5 1/2 furlongs at Gulfstream Mar. 10 with a victory in that venue's seven-panel Game Face S. Apr. 22. She was further flattered when Game Face runner-up Actress (Tapit) followed that effort with an upset score over the Pletcher-trained **Lights of Medina** (Eskendereya) in the GII Black-Eyed Susan S. May 19. ***Cont. p8***

Donning cap and gown by five lengths in her fourth attempt at Laurel Mar. 26, Lights of Medina followed suit with a victory in that venue's Weber City S. Apr. 22 prior to her narrow loss in the Black-Eyed Susan last time. Rounding out the Pletcher trio is **Moana** (Uncle Mo), who finished fifth in the Black-Eyed Susan after graduating at second asking at Keeneland Apr. 14.

The biggest threat to the Pletcher triumvirate is likely to come from Juddmonte Farms homebred **Lockdown** (First Defence), a full-sister to champion Close Hatches. Kicking off this term with a win in the Busanda S. Jan. 15, the bay checked in second behind a streaking Miss Sky Warrior (First Samurai) in the GII Gazelle S. there Apr. 8. She was last seen finishing a creditable third to subsequent GI Acorn S. victress Abel Tasman (Quality Road) in the GI Kentucky Oaks May 5. Also exiting the Oaks is fourth-place finisher **Vexatious** (Giant's Causeway), who was third in both the GII TwinSpires.com Fair Grounds Oaks and GII Fantasy S. in April.

INSIDE INFO TOP THREE RETURN IN 'ROONEY'

(L to R) Distinta, Wheatfield & Dearest | *Leslie Martin*

The top three finishers from Gulfstream's GII Inside Information S. Mar. 18, led by winner **Distinta** (Summer Bird), will face off once again as they battle for a spot in the starting gate for the GI Breeders' Cup F/M Sprint in the track-and-trip GII Princess Rooney S. Saturday. Third to the reopposing **Curlin's Approval** (Curlin), who was fifth in the Inside Information, in the GIII Hurricane Bertie S. Jan. 28, Distinta missed by a neck in the White Pearl S. Feb. 18 prior to her Inside Information win last time. The chestnut is scheduled to sell in the July 10 Fasig-Tipton July Horses of Racing Age Sale.

Inside Information runner-up **Wheatfield** (Lone Star Special) has failed to hit the board in her three attempts since, most recently finishing fifth in the GIII Bed O' Roses S. June 9. **Dearest** (Midshipman)--a three-time stakes winner at Gulfstream including the GIII Sugar Swirl S.--has not raced since finishing third in the Inside Information

Winner of the GIII Beamont S. and GII Raven Run S. last term, Lightstream has not been quite as sharp this term, finishing fifth in the GI Humana Distaff May 6 and third in the Bed o' Roses, but on her best day is a force to be reckoned with. Heroine of the 2015 GII Gulfstream Park Oaks and GI La Brea S., Birdatthewire missed by a head in the GII Chilukki S. (see Graded Stakes Entries)

"He's as good as ever," said trainer Jose Pinchin. "He's been knocking heads with the best horses this year. I think seven-eights is his ideal distance."

Todd Pletcher can never be counted out, especially at Gulfstream, and he saddles **Benefactor** (More Than Ready) and **Blind Ambition** (Tapit) in this test. Earning his diploma over the main track here May 13 after a failed effort on turf at Belmont last fall, the dark bay checked in second in the Ocala Flame H. here June 9. A third-out graduate over this track-and-trip Apr. 29, the bay followed suit with an optional claimer victory on the local turf May 28.

"They're both well-bred horses and good-looking horses, but we just weren't positive what their preferred surface would be," Pletcher said. "With Benefactor being a More Than Ready we thought he was one that could potentially go dirt or turf and same thing with Blind Ambition being a son of Tapit. It seemed like he could go either way, especially being out of Starfish Bay. That's why we ran him on the grass last time and it seemed like he handled it well, but I thought he was also impressive breaking his maiden going seven-eighths on the dirt."

HELLO DON JULIO (g, 5, Afleet Alex--Faithful, by Vindication) accounted for a pair of wins last term, including the most recently of the two recorded going 10 furlongs over this turf course in July. A well-beaten eighth while trying 11 panels under similar conditions at the Spa Aug. 5, the gelding was given the remainder of the season off. A good second in his return going 8 1/2 furlongs at the Elmont oval May 17, the bay came from off the pace to play the bridesmaid once again in a nine-furlong test June 10. Installed the 9-5 choice to go one better here, Hello Don Julio settled in a stalking third in the early going, swung out five wide for the stretch drive and made it up in time to post a 1/2-length victory over Infinite Wisdom (Smart Strike). BELLE OF THE SPA (f, 3, Pure Prize--Awakened Beauty, by Devil His Due), off the board in her career debut against fellow New York-breds on the dirt at Aqueduct Apr. 9, won her turf bow over this course and distance May 11 before wilting late to be third going a mile here June 4. Sent off the 3-1 choice in this competitive test, Belle of the Spa settled just off the early pace along the inside, closed the gap on the loose-on-the-lead frontrunner Alabama Bound (Proud Citizen) turning for home, moved off the rail and split horses midstretch before driving clear in the final sixteenth to score by 1 1/4 lengths over Lem Me Dance (Freud). HOMELAND SECURITY (f, 3, Smart Strike--Forever Beautiful, by Giant's Causeway), a close fifth in her unveiling over the Belmont lawn last September, fired fresh off the bench here. The 5-1 chance saved ground in a good spot in sixth through early fractions of :24.21 and :49.97. She made her move on the outside on the far turn and came charging down the center of the course to defeat Double Cast (Broken Vow) by a head. Homeland Security was produced by an unraced half-sister to champion 3-year-old filly and MGISW Farda Amiga (Broad Brush). Sales history: $240,000 Ylg '15 KEESEP. SURPRISE TWIST (c, 3, Elusive Quality--My Princess Jess {MGSW & MGISP, $557,015}, by Stormy Atlantic), third in his career debut at Pimlico May 29, was installed the 5-2 favorite this time. Settled in a tracking third through a half mile in :48.65, the homebred swung out two wide turning for home, was driven between horses in the stretch and was up late en route to a 1 1/2-length win over Shortlist (Congrats). The winner is

+IN THE LEE (f, 3, Tapit--Quiet Harbor {GSW, $274,670}, by Silver Deputy), let go at 10-1 for her career bow, settled just off the free-running 7-5 choice West Coast Bias (Unbridled's Song) as the leader rolled through opening splits of :23.66 and :47.58. Ready to take closer order approaching the homestretch, In The Lee lost some ground rounding the turn, but made it up in the final strides to graduate by a neck over the aforementioned Glen Hill runner and drew clear of that rival in the gallop out. Kitten Smitten (Medaglia d'Oro) was third. Graded stakes winner Quiet Harbor, who produced a colt by Orb in 2016 in addition to a filly by Speightstown this year, is a half sibling to a quartet of graded stakes winners, including Grade II scorers Ironicus (Distorted Humor) and On Leave (War Front). Ready to dispense of the favorite approaching the stretch, the bay drew off with authority late to score by an eye-catching 14 1/2-length margin over Dreamy Eyes. With several lengths still to make up and seemingly too much to do turning for home, the Arindel homebred gradually narrowed the divide between himself and leaders Green Mansions (Kantharos) and Forman the Foreman (Cool Coal Man) late, was rerouted to the outside for his final charge and was up in time to best Green Mansions by 3/4 of a length. PARLOR (c, 3, Lonhro {Aus}--My McIntosh, by Pulpit), tabbed a 'TDN Rising Star' off a powerful optional claiming win in his sophomore debut at Tampa Feb. 22, was fifth in the GII American Turf S. at Churchill May 6 and a well-beaten third in the GIII Arlington Classic May 27. Heavily favored to get back on track here, the 1-2 chalk trailed the field of six through fractions of :23.21 and :46.61 and enhaled the leaders once tipped out for his run en route to a 2 1/4-length decision. Chief Know It All (Flashy Bull) was second. Sales history: $60,000 Ylg '15 KEESEP. Lifetime Record: GSP, 7-3-1-1, $161,640. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

4th-CD, $52,693, Msw, 6-30, 3yo/up, f/m, 1mT, 1:37.07, fm. **PAULINE REVERE (f, 3, Distorted Humor--Mighty Renee, by Maria's Mon)** was favored at 1-2 and did not disappoint. On the engine from the start, the chestnut led comfortably through early splits of :24.07, :49.05 and 1:13.58. Asked for a little bit more through the stretch, the filly was two lengths clear of Bodie's Valentine (Bodemeister) at the wire. A non-factor in a pair of starts on the dirt at Gulfstream and Keeneland in March and April, respectively, Pauline Revere finished an improved fourth while trying the turf for the first time going nine furlongs here May 14. Back over course and trip June 10, the homebred came home a respectable second, beaten 3 1/4 lengths by Mark Casse runner La Sola Ranger (U.S. Ranger). The winner, who is from the extended family of dual Grade I winner Over All (Mr. Prospector), is a half to Mighty Caroline (Stormy Atlantic), GSW, $140,000; and Cyclogenisis (Stormy Atlantic), SW, $198,750. Carried a tad wide into the home stretch, the bay was green but game and asserted inside the final 100 yards to win by 2 1/4 lengths over Band of Thieves (Skylord). DOUBLE TOUCH (GB) (g, 3, Dutch Art {GB}--Classical Dancer {GB} {MSP-Eng}, by Dr Fong), let go at 10-1, was unhurried in the early going as Hall of Fame jockey Gary Stevens allowed the gelding to saunter along behind a moderate early pace. Ready to go while three-paths wide turning for home, the English-bred closed on the front rank with every stride and got up in time to record his first American victory. Bird Is the Word (Birdstone) was a half-length back in second. The winner of a single race from five starts in Europe, Double Touch marked his Stateside debut with a second-place finish going nine furlongs in a $75,000 optional claimer over this turf course Apr. 6 before tiring to ninth last time out in the Singletary S. here May 6. 2nd-SA, $54,345, Msw, 6-30, 3yo/up, f/m, 1m, 1:39.18, ft. **UTANA (f, 4, Curlin--Glitter Dancer, by Langfuhr)**, second in her first three trips to the post, including two starts back when 4 1/4 lengths behind subsequent GII Summertime Oaks and Angel Flight S. heroine Faypien (Ghostzapper) Apr. 23, and after a wide journey May 21, was tabbed the 4-5 favorite Friday. Slowly away for the third time in four starts, she adhered to the fence in midpack as the dueling leaders--one of them fellow Moss/Shirreffs representative Crayon (Hard Spun)--opened up on the strung-out field. Making inroads towards the front after a half-mile in :46.62, the $120,000 KEESEP yearling charged up three deep leaving the final bend and edged away down the straight to win by three lengths. Life of Illusion (Harlan's Holiday) got up for second at 24-1. Out of a half-sister to MGSW Deputy Glitters (Deputy Commander), Utana is a half to a juvenile colt named Ove (Munnings) and a yearling filly named Glitter N Bows (Oxbow). Glitter Dancer, who is out of MSP Glitters (Glitterman), was covered by Mr Speaker last spring. AMI'S MESA (f, 4, Sky Mesa--Victorious Ami {SW, $302,644}, by Victory Gallop), installed the 7-5 choice for her seasonal debut, enjoyed a smooth exit from her inside draw and was allowed to settle in a stalking position behind opening splits of :23.28 and :46.08. Eagerly pulling Luis Contreras up on the heels of the leading troupe leaving the quarter pole, the '**TDN Rising Star**' found a seam on the rail, shot through with a nice turn of foot and strode clear late to score by three widening lengths over Duchess of Duke (Successful Appeal). A winner of both starts during her juvenile season, including the seven-furlong Glorious Song S. over Woodbine's main track, the bay came home fifth--beaten 2 1/4 lengths--in her turf debut in Gulfstream's GIII Sweetest Chant S. in January of her 3-year-old year. A close-up second when returned to the synthetic in a $62,500 optional claimer here Nov. 11, Ami's Mesa failed to show up and trailed home ninth in her latest start in the 7 1/2-furlong South Beach S. at the Hallandale oval Dec. 17. The winner is a half to Victory Exchange (Exchange Rate), SP, $146,082; and Ami's Holiday (Harlan's Holiday), GSW, $817,773. 'EAGLES' SOARS INTO IRISH DERBY

Wings Of Eagles seeks a Derby double | *Racing Post*

Not even considered the stable's first string for the G3 Chester Vase less than two months ago, **Wings of Eagles (Fr)** (Pour Moi {Ire}) has forced his way into pole position among the Ballydoyle 3-year-old middle-distance colts and now bids to become the fifth from that stable to complete the most important Derby double in Saturday's G1 Dubai Duty Free Irish Derby at The Curragh. One of the biggest-priced winners in the history of the Epsom Classic but nevertheless clear-best on the day under Padraig Beggy, the surprise element of the current crop of Rosegreen sophomores now has to prove that result was no fluke. While he may have benefitted from a hold-up ride in the June 3 blue riband, there is no conclusive proof that the way the race was run suited him and he was stopped in his run at a crucial stage. Unlike the former English-Irish Derby heroes from his yard Galileo (Ire), High Chaparral (Ire), Camelot (GB) and Australia (GB), he has come from the clouds but will be a hard act to pass if he is in the same form as he was four weeks ago.

"We are very happy with Wings of Eagles and we've been happy with all the horses and their preparation for the Irish Derby on Saturday," Aidan O'Brien said. "In the Epsom Derby, we found out a lot about all the horses and we were very happy with them all really and they seem to be quite versatile."

TWENTY SET FOR AFRICA'S PREMIER RACE

by Liesl King

The R4.25-million *(US$324,620)* G1 Vodacom Durban July is the seventh race on Saturday's 12-race card at Greyville Racecourse in Durban, South Africa. Billed as the country's premier race, it is an open Grade 1 conditions race with a set top weight of 60kgs, a capped weight of 57kgs for 3-year-old colts and geldings and a capped weight of 56kgs for 3-year-old fillies. While the 3-year-olds have a weight advantage, only three have managed to return victorious in the last 10 years.

This year, two outstanding 3-year-old colts, **Edict Of Nantes (SAf)** (Count Dubois {GB}) and **Al Sahem (SAf)** (Silvano {Ger}), together with the 4-year-old gelding **Black Arthur (SAf)** (Silvano {Ger}), are the current joint favorites. The Brett Crawford-trained Edict Of Nantes is the only horse in the field to have won two qualifying races, the G1 Investec Cape Derby and the G1 Daily News 2000. He impressed with his 1 3/4-length victory in the Cape Derby in January, but it was his recent Daily News victory that saw him propelled to the top of the betting boards. After racing off the pace for most of the race, Anton Marcus made his move approaching the final turn, sending Edict Of Nantes around the field and into the lead. Al Sahem, under a driving ride by Anthony Delpech, chased hard, but could not make inroads into the winner's lead.

Trained by champion trainer Sean Tarry, Al Sahem also earned an automatic entry when winning the G1 SA Derby by 1 3/4-lengths. He would have to improve on his Daily News run in order to beat Edict Of Nantes, but Tarry is not champion trainer for nothing and that finishing order could well be reversed. Edict of Nantes (54kgs) has the services of master tactician Anton Marcus and jumps from barrier 13, while Al Sahem (53.5kgs) with S'Manga Khumalo in the saddle will jump from barrier one.

Of the older horses the standouts are **Marinaresco (SAf)** (Silvano {Ger}), Black Arthur, **It's My Turn (SAf)** (Dynasty {SAf}) and the filly **Nightingale (SAf)** (Silvano {Ger}).

O'Brien, who holds the record of 11 Irish Derby winners which have all come since 1997, is also responsible for the 1-2-3 on an even more remarkable five occasions since 2002. Five of his tally had been beaten at Epsom and given the open nature of this year's Derby prior to its running it would be no surprise to see the also-rans turn the form around. **Capri (Ire)** (Galileo {Ire}) finally gets his favoured easy ground on which he captured the G2 Beresford S. here in September and on which he filled third spot behind **Waldgeist (GB)** (Galileo {Ire}) in the G1 Criterium de Saint-Cloud in October. He was sixth at Epsom, a length and one place ahead of his far more aggressively ridden stablemate **Douglas Macarthur (Ire)** (Galileo {Ire}), who had previously beaten him into third in the G3 Derrinstown Stud Derby Trial S. at Leopardstown on May 7.

'**TDN Rising Star**' **Waldgeist** | *Scoop Dyga*

"Wings of Eagles is in good form and Capri ran very well at Epsom, as Seamus [Heffernan] expected he would," O'Brien added. "Colm [O'Donoghue] was happy with Douglas Macarthur at Epsom and we've also declared Taj Mahal, who ran well [when fourth in the June 22 G3 Hampton Court S.] at Ascot, and The Anvil. The Curragh is a very fair track and usually every horse, if they are good enough, they get a good clean shot at it. It's one of the fairest tracks in the world."

Recent betting movements suggest that it will be 'TDN Rising Star' Waldgeist who is more likely to upset the home-trained contingent than the Derby third **Cracksman (GB)** (Frankel {GB}), and the Andre Fabre trainee has already beaten Capri and Wings of Eagles in the Criterium de Saint-Cloud.

Irish Derby - Harzand (2016)

©Racing Post

Trained by Dermot Weld and ridden by Pat Smullen

'Eagles' Soars Into Irish Derby Cont.

Owned by Gestut Ammerland, Newsells Park Stud, Susan Magnier and Michael Tabor, he was runner-up on his return in the G2 Prix Greffulhe at Saint-Cloud on May 8 before finishing a short-head second to Brametot (Ire) (Rajsaman {Fr}) in the G1 Prix du Jockey Club at Chantilly on June 4. He looks the type who is crying out for a mile-and-a-half and bids to become the first French-trained colt to win this since another Ammerland-bred for the same stable, Hurricane Run (Ire), in 2005. Several others have tried, with the fellow Fabre-trained Winged Love (Ire) succeeding alongside Montjeu (Ire) and the likes of Suave Dancer and Dalakhani (Ire) finding one too good.

"He's going to run a good race. I think the extra distance will suit him and a bit of rain would help," Fabre commented. "As long as there is a good pace, which there should be, I think we're going to see a good performance from him. He is a very different horse to Hurricane Run. This is a light horse with very good acceleration. He stays well and he has a big heart as well as the ability he has already shown. I'm a great fan of The Curragh. It is a beautiful track, well designed, you cannot be unlucky as it is a very fair course. You never see a messy race at The Curragh."

Mill House LLC's June 8 Listed King George V Cup winner **Grandee (Ire)** (Lope de Vega {Ire}) is a live outsider based on his success in that Leopardstown contest over this trip and trainer Jessie Harrington is hopeful he can be in the shake-up.

"He stayed on really well at Leopardstown," she said. "It's a very big step up for Saturday, but he's been in good form and he's improved with each run this year. It's great to have a horse that's even good enough to run in the Irish Derby. If he could run into a place, I'd be delighted with him."

Jim Bolger's representatives are never to be ignored and although Godolphin's **Dubai Sand (Ire)** (Teofilo {Ire}) has a mountain to climb on his recent form, he is fitted with cheekpieces and has been freshened up since his fifth in the Derrinstown Stud Derby Trial.

"Recently, he has been working very well," Bolger said. "He's getting back to where he was last year in his attitude. Yes, he did lose his way in late spring and early summer. I had been looking at Epsom. So far, it looks an average year for 3-year-olds, but this Derby looks a competitive race. We have the winner and third from Epsom, plus the best from France."

BACK ON TRACK

Amazingly, Aidan O'Brien has enjoyed only one of his dozen winners of the G2 GAIN Railway S. in the past seven years, but looks to have a strong contender to regain the thread in Saturday's renewal at The Curragh. Derrick Smith's **Murillo** (Scat Daddy) was a staying-on third in the G2 Coventry S. at Royal Ascot on June 20 and offers the first real litmus test of the quality of that edition. Also joined by Sunday's Gowran Park maiden winner **Rostropovich (Ire)** (Frankel {GB}), he is met again by the Coventry eighth **De Bruyne Horse (GB)** (Showcasing {GB}). Like the 2014 Railway winner Kool Kompany (Ire) (Jeremy), the fellow Middleham Park Racing and Richard Hannon representative is looking to bounce back from a disappointing effort in that Royal Ascot juvenile highlight. "Going into the Coventry I would have been disappointed to finish third or fourth, to be honest, and he finished eighth, but at the end of the day he was beaten less than three lengths," Middleham Park's racing manager Tim Palin said. "We rode him like a proper horse on the day and held him up and maybe we would have been better riding him closer to the pace. When he won at Ripon and Epsom, he just ground them into submission and in many ways he reminds me of Kool Kompany. He came out of Ascot as well as can be expected and was as fresh as a daisy on Monday morning. He's travelled over to Ireland and travelled over well, so we're hopeful, but he does need to bounce back. The plan will be to go forward instead of giving him a push-button ride." Jim Bolger puts forward **Verbal Dexterity (Ire)** (Vocalised), who earned 'TDN Rising Star' status with his 9 1/2-length success over seven furlongs on soft ground here on June 10, while the Gordon Elliott-trained course-and-distance maiden winner **Beckford (GB)** (Bated Breath {GB}) has his first start for new owners Newtown Anner Stud Farm.

ROUND TWO

Saturday's G2 Grosser Hansa-Preis at Hamburg is a rematch between the G2 Grosser Preis der Badischen Wirtschaft one-two **Guignol (Ger)** (Cape Cross {Ire}) and **Iquitos (Ger)** (Adlerflug {Ger}), with the latter attempting to reverse a neck deficit with his compatriot from that May 28 Baden-Baden contest. The former, who represents Stall Ullmann, captured the G1 Grosser Preis von Bayern at Munich at the start of November, while Stall Mulligan's Iquitos was successful in the G1 Grosser Preis von Baden in August and they sit at the top of the country's pecking order of older horses. The sole 3-year-old is Rennstall Germanius's June 18 Listed Bremen Derby Trial third **Amigo (Ger)** (Lord of England {Ger}) and he receives 12 pounds from the two main protagonists.

BRINGING IT BACK HOME

Two-from-three at Newmarket with his sole defeat coming in the 2015 G1 2000 Guineas, Godolphin's **Home of the Brave (Ire)** (Starspangledbanner {Aus}) returns to his hometown for the first time subsequently as he takes in Saturday's G3 Betway Criterion S. A specialist at this seven-furlong trip, the chestnut was last seen winning the Listed King Richard III S. at Leicester on Apr. 29 and needs the weather to take a turn for the better. "I've been delighted with how Home of the Brave has trained since missing the opportunity to win back-to-back Jury [G3 John of Gaunt] S.," trainer Hugo Palmer said. "He has a very good record on both Newmarket tracks and, while he has twice finished first on ground softer than good, I'm hoping the ground will continue to dry for him as he has a very low action."

Richard Pankhurst | *Racing Post*

The royal blue is also sported by last year's G2 Hungerford S. winner **Richard Pankhurst (GB)** (Raven's Pass), who had Home of the Brave a length back in second in that Newbury contest last August, but he is another who needs a lively surface. "Richard Pankhurst has been off for a long time, so he will benefit for the run and is a better horse on fast ground," trainer John Gosden commented.

Charlie Appleby is hoping that the Mar. 25 G1 Al Quoz Sprint fourth **Jungle Cat (Ire)** (Iffraaj {GB}) lasts this extra trip and said, "I am looking forward to seeing how he gets on over seven furlongs, as it might open up a few options for him."

HOLDING COURT

Inns Of Court | *Scoop Dyga*

Were it not for a blip in the G1 Poule d'Essai des Poulains, Godolphin's **Inns of Court (Ire)** (Invincible Spirit {Ire}) would be taking an unbeaten record into Saturday's G3 Prix de la Porte Maillot at Deauville and he will be a warm order to continue a golden spell for the operation. Whether the saddle slip he encountered compromised his chances when sixth in that May 14 Deauville Classic is unknown, but he has since captured the seven-furlong G3 Prix du Palais-Royal at Maisons-Laffitte on June 3 and if he remains progressive should defy a penalty. "Inns of Court has to carry a penalty for his win at Maisons-Laffitte, but he is a horse on the upgrade and this distance suits him well," Godolphin's Lisa-Jane Graffard commented. "He is in very good form and hopefully he can run another good race. This will hopefully tell us where his programme lies for the rest of the year." The Wertheimers' **African Ride (GB)** (Candy Ride {Arg}) was three lengths adrift of Inns of Court when seventh in the Poulains last time, having finished third behind that rival's stablemate Al Wukair (Ire) (Dream Ahead) in the G3 Prix Djebel at this trip at Maisons-Laffitte on Apr. 10.

Deauville's card also includes the G3 Prix du Bois for the 2-year-olds, in which the Listed Prix la Fleche winner **Ardenode (Ire)** (Hellvelyn {GB}) lines up to defend his unbeaten record against a host of unexposed fillies. His battling success in that five-furlong contest at Maisons-Laffitte on June 10 marked him as a tough character and he will test the mettle of the likes of the Wertheimers' **Hergame (GB)** (Motivator {GB}). That half-sister to the G3 Prix d'Arenberg scorer Yakaba (Fr) (Medicean {GB}) was off the mark on debut at Chantilly on May 28 and makes up a strong cast of opponents to the gelding alongside Hat Creek Racing's Listed Windsor Castle S. sixth **Elizabeth Darcy (Ire)** (Camacho {GB}).

'PERSSE' TO PURSUE BAHRAIN TROPHY

Atty Persse (Ire) (Frankel {GB}) will put his G1 William Hill St Leger credentials on the line in the G3 Bahrain Trophy on July 13 at Newmarket next month. Roger Charlton's Frankel colt sprinted clear of his rivals in the King George V S. at Royal Ascot last week. Having been raised 9lb in the handicap, the Godolphin-owned youngster will need to go close to winning if he is to head to Town Moor in September.

"I think we're looking at the Bahrain Trophy, which is a one-mile-five Group 3 at the July meeting," said Charlton's son and assistant, Harry. "Godolphin have a few others in there. I think Secret Advisor might be heading that way as well, but that's the plan we had for him. If he's a St Leger horse he needs to be winning that type of race or something like the [G3] Gordon S. at Goodwood [on Aug. 5]."

RYAN HORSES IN 'GREAT FORM' FOLLOWING QUARANTINE

Kevin Ryan's horses are reported in "great form" after he secured a first winner since the British Horseracing Authority (BHA) lifted the quarantine restrictions at his North Yorkshire yard. Ryan was forced under BHA protocol to shut down his operation after one of his horses tested positive for Equine Herpes Virus-1. The BHA announced the temporary closure on June 1, but Ryan had his first runners since May 30 at Ayr last Saturday. And the Hambleton handler was on the mark at the 18th attempt since his return when **Company Asset (Ire)** (Fast Company {Ire}) won a fillies' handicap at Hamilton on Thursday evening.

Successful jockey Kevin Stott is attached to Ryan's yard and told *Racing UK*, "They're all in great form at home. They're bouncing and all ready to run, so I'm pretty sure we're going to have a good few months. It's one of those things. You can't predict it and I'm just glad the horses are all right."

Though Ryan had been allowed to have runners, two of the six barns in which the trainer has horses had still been in quarantine "purely as a precaution." But the BHA announced on Friday that the trainer is now free to run any of his horses from his Hambleton Lodge stables.

Kevin Ryan | *Racing Post*

David Sykes, BHA director of equine health and welfare, said, "Following continued assessment and monitoring, the remaining two barns at Kevin Ryan's yard have had their quarantine lifted, meaning all horses from the yard are now free to declare and race. As a precaution, all horses who are declared to run are being swabbed at the yard by a vet to ensure they are virus free before being allowed to travel to the racecourse. Providing no further cases of the neurological form of the virus are identified, the BHA will be satisfied that Mr. Ryan's yard no longer poses a risk of infection. Once again, we are grateful to Mr. Ryan for his continued patience and understanding during this time."

More Mischief | *Racing Post*

Listed Hoppings S. Cont.

A Cliveden Stud cast-off, More Mischief earned her first piece of black-type when second to the smart Northern filly Maleficent Queen (GB) (Mount Nelson {GB}) in Ayr's Listed Rothesay S. over this trip last May before filling the same spot behind the impressive Nezwaah (GB) (Dubawi {Ire}) in this race. Sixth in the G3 Give Thanks S. at Cork in August and seventh in the Listed Oyster S. at Galway in September over a mile and a half, the bay was staging her belated return here but shook off any cobwebs to register a career-high. Never letting the favourite Chain of Daisies off with an easy lead at any point, her hassling policy began to pay off from the two-furlong pole and she kept finding to hold that rival at bay as Very Dashing proved the only closer to take a hand. More Mischief is a half-sister to this year's Listed Pretty Polly S. scorer and G1 Epsom Oaks fourth Horseplay (GB) (Cape Cross {Ire}), who lines up in Sunday's G2 Prix de Malleret. The dam, who was second in the G3 Sagaro S., is a daughter of the GI E. P. Taylor S. heroine Fraulein (GB) (Acatenango {Ger}) who also threw the dual listed scorer That Is the Spirit (GB) (Invincible Spirit {Ire}) and this year's Listed Power S. winner Khukri (Ire) (Sepoy {Aus}). The winner is a granddaughter of the G2 Premio Ribot winner Oriental Fashion (Ire) (Marju {Ire}), whose five black-type performers are headed by the G3 City of Auckland Cup winner St Jean (Ire) (Teofilo {Ire}). HIGHCLERE CELEBRATES 500TH WINNER

Redgrave | *Racingfotos.com*

Highclere Thoroughbred Racing celebrated their 500th flat racing syndicate winner when Redgrave (Ire) (Lope de Vega {Ire}) saluted from the Charlie Hills barn at Newmarket Friday. A video commemorating a Highclere quintet was also released.

"The whole team at Highclere are thrilled," commented Harry Herbert, Chairman of HTR, of the syndicate that has raced six champions to date. "It is a fantastic achievement to reach 500 winners. I would like to thank all our share owners, as it would not have been possible without them, and the trainers who have cared for and produced each of these winners."

MUSSELBURGH LICENCE LAPSED

The Musselburgh Joint Racing Committee (MJRC) has not met the conditions set by the BHA for the renewal of its racecourse licence by the June 30 deadline and the BHA can confirm that the licence has lapsed, BHA announced Friday.

Discussions between MJRC and BHA began in late 2016, and the MJRC can reapply for a licence at any time, however the MJRC must meet the necessary licence conditions. A licence must be obtained by July 6 for the scheduled July 14 fixture to take place. Should the MJRC not provide unequivocal commitment to meeting the licence conditions by close of business on July 6, the BHA will confirm cancellation of the fixture. The next scheduled fixture at Musselburgh is on July 25, and if the MJRC has not made a successful application for its licence by close of business on July 14, the BHA will reallocate that fixture to ensure that there remain two afternoon fixtures on July 25.

Twenty Set For Africa's Richest Race Cont. from p1

Marinaresco, trained by Candice Bass-Robinson, followed his 2016 Durban July second place with victories in the G1 Champions Cup and the G2 Drill Hall S., but the top weight of 60kgs could hamper his chances. Bernard Fayd'Herbe has the ride and he jumps from barrier nine. Nightingale (55kgs), also trained by Bass-Robinson and a winner of the G1 Klawervlei Majorca S. in January, jumps from barrier six with the vastly experienced Anthony Delpech in the saddle.

Justin Snaith saddles the quartet of It's My Turn, Black Arthur, **Krambambuli (SAf)** (Black Minnaloushe) and the recently acquired **Master Sabina (SAf)** (Jet Master {SAf}). Master Sabina is an automatic qualifier due to his victory in the G1 Sansui Summer Cup, but a recent stable change may not count in his favour. It's My Turn has been winless since his runaway victory in the 2016 Cape Derby, but 55. 5kgs and the services of four-time July-winning jockey Piere Strydom could see him finish in the first four.

Black Arthur is a very popular entry, despite being winless for the entire season. Snaith is confident that a recent gelding operation has him back to his best and combined with a lightweight of 54.5kgs, he could just be the one they all have to beat.

Twenty Set For Africa's Richest Race Cont.

Black Arthur jumps from barrier eight and Grant van Niekerk has the ride.

The trackwork standout during the week however, was last year's winner **The Conglomerate (Aus)** (Lonhro {Aus}). With star newcomer Callan Murray fresh from a stint in Hong Kong in the saddle and 56kgs, he is best not ignored.

GOVERNMENT MODIFIES VISA PROGRAMME

The Australian federal government has modified its 457 visa occupations list to once again include categories vital to the Thoroughbred racing and breeding industries. The industries were faced with a shortage of skilled workers when categories were removed from the 457 visa's skilled migration occupation list that would allow foreign nationals to come to Australia to fill positions in stables and on stud farms. The categories added include 'jockey', 'horse breeder' and 'horse trainer'.

"Racing Australia commends Immigration Minister Peter Dutton's early acknowledgement of the potential problems faced by the Thoroughbred racing and breeding industry and his department's efforts to resolve them," said Racing Australia Chief Executive Officer Barry O'Farrell. "Mr Dutton was very clear: if we could demonstrate the proposed changes would damage Australia's $5-billion racing industry he would act. Working with all industry sectors, we prepared a strong case and we're delighted Mr Dutton has responded positively. We also acknowledge the strong support of Deputy Prime Minister and Agriculture Minister Barnaby Joyce."

"Our use of skilled migration visas is relatively small compared to other industries, but those who are employed fill roles that are critical to the ongoing operation of the horse racing and breeding sectors," O'Farrell added. "Today's decision provides the certainty required by those responsible for managing the operation of Australia's Thoroughbred studs, stables and racetracks."

Basil Nolan, president of Thoroughbred Breeders Australia, said, "On behalf of the TBA I'd like to thank the government for listening to us breeders, as well as the broader racing industry, on what our needs are. We don't employ big numbers of foreign workers, but those that are here are a vital part of the workforce and in a global business such as breeding we need to continue to have access to these highly skilled people. We also owe thanks to Deputy Prime Minister Barnaby Joyce, who met with us to discuss this issue face-to-face and gave us a commitment he would assist on our behalf. I should also point out that it is testament to the continued efforts of TBA under our Chief Executive Tom Reilly to improve our industry's standing in Canberra that we were able to have such a meeting and receive such a commitment. Finally, I would like to thank Barry O'Farrell at Racing Australia for his ongoing efforts on this issue as well as the Australian Trainers' Association and NSW Trainers' Association."

AUSTRALIAN THOROUGHBREDS ARRIVE IN CHINA

The first charter flight for Thoroughbreds from Australia to China, carrying 81 horses and conducted by Shanxi Yulong Horse Corporation, arrived at Taiyuan Wusu International Airport in Shanxi on June 27, according to Chinese horse racing media company *Daluma*. This comes less than six months after an Irish charter flight delivered 76 Thoroughbreds to the region.

"Our aim is at least two planes of horses each year and we have achieved that goal this year," Zhang Yuesheng, chairman of Yulong Horse Corporation, told *Daluma.com*.

Yan Yufang, director of the animal inspection office and inspection and quarantine bureau, added, "These 81 Thoroughbreds from Melbourne came [directly] to Wusu International Airport for the first time. We offered Yulong Horse Corporation one-stop service for customs clearance to make sure the 81 horses got into customs and arrived at the specified isolation space quickly. The import of the horses is of great significance in promoting the transformation of the Shanxi industry."

Yuesheng said the horses would be ready to race in September, and Wang Weidong, chairman of China Horse Owner League and president of Hebei Dongxing Horse Club, told *Daluma.com* nearly 20 racehorse owners met the horses at the airport to select their favourites.
