DELACOUR DUO SEEKING MORE MAGIC

Click here to watch Arnaud and Leigh Delacour speak on the path they've taken together to become a GI-winning stable.

By Katie Ritz

ELKTON, MD--On a bright fall morning in Maryland, Arnaud and Leigh Delacour are diligently at work at their Fair Hill-based stable. Arnaud is on the phone, talking logistics with various jockey agents while inspecting a youngster that just returned from a workout. Meanwhile, Leigh leads a troop of four exercise riders and their mounts out for a light jog through the rolling pastures of Fair Hill. When she returns, they'll compare notes and move on to the next set. It takes a special kind of relationship for a couple to successfully run a business together, but anyone that's trying should take notes from the Delacours. In just over a decade, they've taken hundreds of trips to the winner's circle and made several Grade I headlines. But if anyone asks, they will say they owe much of their success to a Frenchman and an Englishman who took the time to develop them into the horsemen they have become.

Arnaud grew up on a farm in Normandy and quickly realized his dream of one day becoming a successful trainer. He started out at Chantilly, becoming the assistant trainer to Alain de Royer Dupré. After testing the waters in France, England and Argentina, he eventually ended up in the States with fellow Frenchman Christophe Clement.

"Christophe was a very good teacher," Arnaud said. "He's very intense in the way he trains, but I guess that's the French way so it doesn't really bother me. He's really hands on, is there every day and really puts young people on the right path." **Cont. p3**

His fee will be announced upon retirement. **Cont. p6**

At the same time, Leigh was learning the tricks of the trade from British-born Graham Motion.

"I started out by loving horses as a child, and that took me to Graham Motion's barn at Laurel," she recalled. "Working with Graham was the epitome of horse racing childhood. It was the Harvard education of racing."

Leigh said that while she worked with Motion for over 10 years, the top-class trainer pushed her to graduate from college and take other opportunities in the industry, including a stint working under Barclay Tagg and with several other trainers. While working with Graham and Anita Motion, she was introduced to Clement's assistant trainer at the time--Arnaud Delacour.

"Graham and Anita set us up on our first date," Leigh said with a grin. "In fact, I give more of the credit to Anita. She's the one that said, 'That's the one you want. You should go there.' Graham would never say anything like that. He's too proper."

It was a match perhaps made by the racing gods, because while they were compatible on a personal level, their racing ideology aligned as well.

"When we compared notes and talked about how we wanted to train, we looked at our playbooks and laid them on top of each other and realized they were nearly identical," Leigh said.

When the duo went out on their own in 2007, they decided to base their operation at the picturesque Fair Hill Training Center in Elkton, Maryland.

"We chose Fair Hill because we thought it was a wonderful place," Arnaud said. "There's a lot of opportunity as far as horse placement. We're in the middle of a lot of racetracks, so it was a little easier to be less stuck and try to place horses well to win races."

Another major plus for planting roots at Fair Hill was the proximity to their matchmaking neighbors and close friends, Graham and Anita Motion.

"That was no small part of our decision to be here--my experience with them and wishing to emulate something like what they have," Leigh said.

Both Arnaud and Leigh said they strongly believe that the lessons they learned from Motion and Clement were essential in getting their stable on its feet.

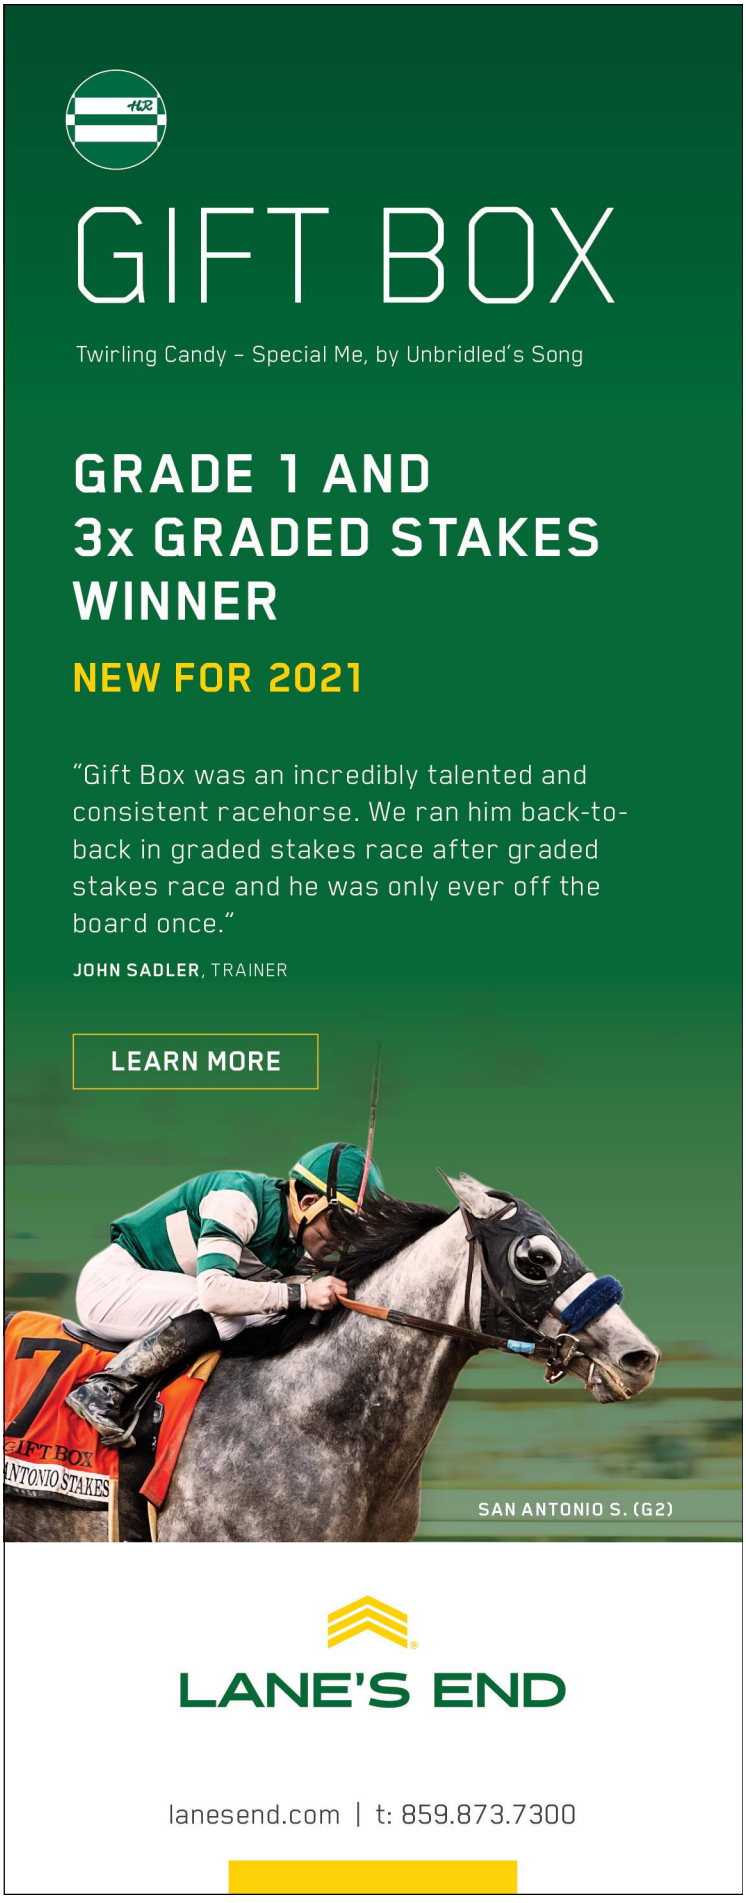
"Everything we do on a daily basis came from the methodology and thorough horsemanship that Arnaud and I learned from Graham and Clement," Leigh said. "Their methods and ethics were something that we wanted to make sure we were ambassadors of going forward, hoping to be the next generation of what they were able to do."

"When I first started with Clement I was at Payson Park, where it was the same kind of setup [as Fair Hill] with paddocks and round pens," Arnaud said. "So a lot of the things we do are in more of a farm setting than a racetrack. I got used to Christophe's methods and the way he does things, and Graham is really similar to Christophe."

Leigh continued, "We would do anything for them. They went out of their way to get us started and we're the competition. Of course, we weren't when we began. We weren't at that level then. But we still look up to them now."

Since first starting out, the Delacours have collected dozens of stakes win and developed several graded stakes winners--most notably A.P. Indian (Indian Charlie), who went on a six-race stakes-winning streak in 2016, raking in four graded stakes titles including two Grade I wins at Saratoga.

The Arnaud family enjoys the tranquil setting of Fair Hill | *Anita Motion*



Cont.

"Any win is important," Arnaud said. "But when A.P. Indian won the GI Forego S. that was pretty special. Actually, no, even when he won the GI Vanderbilt H., because winning a Grade I at Saratoga is great, but winning two in three weeks is even better."

A.P. Indian was reminiscent of many of the Delacour's trainees in that he raced at 11 different tracks over his six-year career.

Other top horses include GIII Lexington S. winner and 2015 Preakness S. third-place finisher Divining Rod (Tapit), three-time graded winner Hawksmoor (Ire) {Amamour (Ire)} and near-millionaire earner and Breeders' Cup runner-up Chalon (Dialed In).

Most recently, their sophomore filly Magic Attitude (GB) {Galileo {Ire}) made her Stateside debut a winning one with a late-running effort in the GI Belmont Oaks Invitational S. this September. In her next start, she ran in the money in the GI Queen Elizabeth II Challenge Cup S. at Keeneland. When Arnaud and Leigh are not busy tending to Grade I performers, they can be found entertaining their three young sons.

"They're all healthy and smart and funny," Leigh said. "With the pandemic, we're also homeschooling right now. Our goals are to raise our sons and enjoy horse racing, wherever and however that meshes together."

Leigh cited Fair Hill as the perfect setting for introducing their children to the horse world.

"It's kind of nice to stop by at night with the kids in their pajamas and walk down the shed row to give everyone peppermints," she said. "When we go home the kids smell like the barn and usually have dirty hands, but that's okay."

Both Arnaud and Leigh stressed the essentiality of their unwavering teamwork.

"It's a partnership," Arnaud explained. "She keeps me on the right path. We decide everything together pretty much. She's really good at what she does. So I think it's a great partnership that works really well."

"Arnaud and I working together has never been a problem," Leigh said. "I think Anita chose well for me. He seeks my opinion on a lot of things pertaining to the racehorses and I seek his about the children and the finance side of the barn. There's a joke with the staff that if we ever divorce, some of the guys are going to work for me and some are going to work for Arnaud. They've already chosen sides. But it's easy for us to work together and I realize it's not for some people, but the way our relationship works is very mellow."

For Leigh, she says that her greatest achievement has been helping Arnaud fulfill the dream he had as a young boy on a small farm in France.

"Arnaud's dream from childhood was to be a horse trainer," she said. "Every winner is rewarding for us, for the mentality of our barn employees and for all the time, money and energy that each of the owners invests in their horses and in us. We try to do our best every day and it's a privilege for us to get to come out every morning and do that."

"Breeders are the backbone of our industry, and the bottom line is that stud farms only go as breeders go. We are all in this together," said B. Wayne Hughes. "Our team recognizes the challenges of the times and how the entire breeding community has been affected this year. If we had room to lower a stud fee, we did it. We wish every participant in this great industry the best of luck and the best of health in 2021."

Multiple Grade I-winning juvenile **Bolt d'Oro** (Medaglia d'Oro), 2019 champion sprinter **Mitole** (Eskendereya), and the Northern Hemisphere's leading third-crop sire **Goldencents** (Into Mischief) will all stand for $15,000 S&N. All three stood for $25,000 in 2020.

NOT THIS TIME FILLY TOPS OBS OPENER

by Jessica Martini

The Ocala Breeders' Sales Company's October Sale opened its two-day run Tuesday with an offering of 2-year-olds and selected yearlings and the polarized demand that has come to define the market in recent years accentuated by all the uncertainties of the global pandemic. A filly by Not This Time brought the session's highest price when selling for $225,000 to Tonja Terranova from the consignment of Lisa McGreevy's Abbie Road Farm. The yearling was one of two to sell for $200,000 or over. Eight yearlings sold for six figures during the session.

In all, 80 of 170 catalogued yearlings sold Tuesday for a gross of $3,338,000. The average was $41,725 and the median was $29,000. Last year's selected yearlings portion of the October sale, which featured a catalogue of 225 head, saw 130 yearlings sell for $5,689,200. The average was $43,763 and the median was $30,000.

"It was about on par where it has been all year," Stuart Morris, the session's leading consignor, said of the market. "I've been at every venue so far east of the Mississippi River and it's been consistent. The ones that vet and make the cut, you get paid very well for. The ones that are nice, get sold fair."

Stuart Morris | *Fasig-Tipton photo*

He continued, "But if there is anything on the vetting at all, they seem to just walk away from them. Which is what happens in a year like we're in right now. It's a buyer's market. Everyone is on their heels, so they tighten up on the vetting and things of that nature."

From the 170 catalogued yearlings, 135 went through the sales ring and, following the close of business, 55 were reported not sold for a buy-back rate of 40.7%. But trade continued for several yearlings post-sale Tuesday.

"I've already got three of my RNAs sold," Morris said. "I think there are going to be a lot of RNAs sold tomorrow. I'm hoping."

Asked if sellers were adjusting their expectations, Morris said, "They are all adjusting their expectations, but at the same time, I'm not sure how much it is a desired or wanted adjustment of expectations."

Of the yearlings not getting sold, Morris said his clients are considering options.

"It's a mix," he said. "We will make plans from here to go on to the 2-year-old sales or go on to the racetrack or wherever we are headed."

A filly by freshman sire Not This Time attracted the day's highest bid of $225,000 when Tonja Terranova, acting on behalf of an undisclosed client, signed the ticket on hip 149.

"She is a big, beautiful filly," Terranova said of the yearling. "She had a great walk on her, very smooth. Every time we saw her, she just looked the part."

The dark bay filly is out of the unraced Midnight Magic (Midnight Lute), a half-sister to graded-winner Coalport (Kitten's Joy). The yearling was consigned to Tuesday's sale by Lisa McGreevy's Abbie Road Farm.

"We're delighted with the way she sold and even more delighted that Tonja Terranova bought her and they're going to the races with her," McGreevy said.

The yearling RNA'd for $14,000 at the OBS Winter Mixed Sale earlier this year and breeder Carolin Von Rosenberg reported she had sold the filly privately over the summer.

McGreevy consigned the youngster on behalf of an undisclosed client.

"The stallion has done so well since [the Winter sale]," McGreevy said. "It's enormous the way the Not This Time foals are running. He's on top of his game. I think the timing was perfect. The man who owns her is delighted and is excited he gets to buy some more horses."

Not This Time's early exploits at stud include the Bob Baffert-trained GI Del Mar Debutante and GII Chandelier S. winner Princess Noor, who topped the OBS Spring Sale when selling for $1.35 million.

Asked if she was surprised by the yearling's sale-topping price, Terranova said, "Not with Bob having that filly who is so magnificent. Not This Time has had a great year in his first year. And I thought this filly was the complete standout of the sale. So we knew we were going to have to pay for her. I think OBS put out a really nice catalogue of horses and there are some really nice individuals here. We really fell in love with her and we were lucky we were able to get her."

Terranova purchased a colt by Quality Road for $425,000 at the OBS June Sale. Racing in Eric Fein's colors and trained by John Terranova, the juvenile made his debut at Belmont Park Sunday.

Colt Pike made the day's second-highest bid, going to $200,000 to acquire a filly by Into Mischief (hip 248). Consigned by Morris on behalf of her breeder Pine Ridge Stables, the yearling is out of stakes-placed Indian Rush (Indian Charlie) and is a half-sister to stakes winners March X Press (Shanghai Bobby) and Harlan's Honor (Harlan's Holiday). The filly RNA'd for $140,000 at last month's Keeneland September Yearling Sale.

"It's kind of what I expected for where we are," Morris said of the result. "She's a nice filly. She is a touch immature, but she has a big future. She is from a quality family where fillies have run well and won early at two. I was hoping for a little more, of course, but it's a weird year. We are just trying to get things done and I'm very happy she's going to a great home with the Pike Racing outfit, Al and Salley and Colt do a really great job. We are very happy for the breeder."

The October sale opened with an offering of 2-year-olds with a colt by the late Empire Maker (hip 39) bringing the section's top price of $155,000 when selling to Zedan Racing Stables. The juvenile, who worked a co-fastest quarter-mile in :21 1/5 during Sunday's under-tack show, is out of multiple stakes winner and graded placed Tempus Fugit (Alphabet Soup). He is a half-brother to graded winner Majestic River (A.P. Indy).

Of the 59 catalogued 2-year-olds, 29 sold for $816,500. The average was $28,155 and the median was $16,000. Eight juveniles were reported not sold.

The OBS October sale continues Wednesday with an open session of yearlings. Bidding commences at 10:30 a.m.

GSW GUNNEVERA RETIRED

Gunnevera | *Sarah Andrew*

Salomon Del Valle's **Gunnevera** (Dialed In--Unbridled Rage, by Unbridled), a winner of a trio of graded stakes and runner-up in a quartet of Grade I/Group 1s through a career that spanned four seasons, has been retired from racing. Stud plans have yet to be determined. Victorious in three starts at two, including the 2016 GII Saratoga Special S. and the GIII Delta Downs Jackpot S., the Antonio Sano trainee took the next season's GII Xpressbet Fountain of Youth S. before finishing third in the GI Florida Derby. Later that summer, he won Gulfstream's Tangelo S. ahead of a runner-up effort behind West Coast (Flatter) in the GI Travers S. During his 4-year-old season, he was third in the GI Pegasus World Cup Invitational before collecting a win in a Gulfstream optional claimer later that summer.

Runner up in the GI Woodward, he filled the same position behind Accelerate (Lookin At Lucky) in the 2018 GI Breeders' Cup Classic. Third in his second attempt at the Pegasus World Cup last season, he made what would be his final start in the 2019 G1 Dubai World Cup, finishing third behind Thunder Snow (Ire) (Helmet {Aus}).

The 6-year-old, who has faced foot issues, throughout much of his career--including a fracture last summer--retires with six wins from 21 starts and earnings of $5,561,800.

RACETRACKER SHARON "SAM" MALONEY DIES

Sharon Ann Maloney, often known as "Sam" and a frequent presence on backsides for the past 50 years, passed away Thursday, Oct. 1, in Warrenton, Va., after a battle with cancer. She was 73.

Maloney worked as a groom and exercise rider in her twenties, particularly for trainer Willard Proctor in California, before returning to her home state of Virginia to concentrate on breaking yearlings. Maloney spent summers in Saratoga, including decades working at the barn of H. Allen Jerkens. In her home state, she worked for trainer Barbara Graham at the Middleburg Training Center. She also bred and owned a number of horses on her own before getting out of the business in 2015 and concentrating on rescuing donkeys.

President of the local SPCA at the time of her death, Maloney was the daughter of New York trainer John Maloney, whose twin brother, Jim Maloney, was also a trainer and is in the Hall of Fame. Maloney is survived by her brothers, John T. "Chip" Maloney, Jr. and Kevin Maloney, both of Warrenton, as well as nephews and other relatives. A memorial service will be scheduled at a later date. The family requests donations in her honor to be sent to Fauquier County SPCA, PO Box 733, Warrenton, Va. 20188.

THOROUGHBRED INCENTIVE PROGRAM TO ADD POLO AWARDS

A retired racehorse in action | *Zuzanna Lupa Photography*

The Jockey Club's Thoroughbred Incentive Program (T.I.P.), which recognizes the versatility of the Thoroughbred through sponsorship of classes, year-end performance awards, a recreational riding program, and non-competition awards, announced Tuesday jointly with the United States Polo Association (USPA) that Thoroughbreds excelling as polo horses will also be recognized. Six awards will be offered annually, starting this year.

"Polo is just one of many disciplines in which Thoroughbreds can succeed following their racing careers, and T.I.P. is pleased to partner with the USPA to honor the accomplishments of these horses at all levels of polo," said Kristin Werner, senior counsel of The Jockey Club and coordinator of T.I.P.

Applications will be open Nov. 1-30, with the winners announced in January and selected based on the application and an essay. For more information, visit tjctip.com.

Sponsor a Family for Christmas

The **NY Race Track Chaplaincy** is once again offering the opportunity to our supporters to participate in our **Sponsor-A-Family Program**. Our Program provides food and gifts to the neediest of our backstretch families during the Christmas season.

This year has been such a challenging one for us all and particularly for those we serve. Our goal is to provide sponsorships for every one of our families in need, which is something we have never been able to accomplish before so please, spread the word among your friends and help us to bless our families this year.

Family Sponsorships can be shared! Groups are encouraged to sponsor large families together.

How It Works

1. Click **HERE** to send an email, and write "Sponsor a Family" in the subject line. Let us know if you have a preference for the number of members in the family you would like to sponsor, or indicate any questions.
2. We will write back with the details of your family, including the total number of family members, gender of each child, ages and sizes.
3. Go Shopping! Purchase gifts for each child or members of the family as well as a grocery store gift card for their holiday meal.
4. Please wrap all gifts and clearly mark each gift according to each family member.
5. Place all Items into a large box or bag that is clearly marked with the family last name and assigned number. If there are large items that cannot fit into the family box (bike, comforter, etc) clearly mark the item with a tag. This ensures all of your gifts are delivered to your assigned family.
6. **Please deliver your gifts to our Belmont Park office, Gate 6, by December 11th.** Our office is open Monday- Friday, 10AM - 4PM.

Not a Shopper? No worries!

Please **click here** to make a financial contribution of your choice to be used toward sponsoring a family.

ROARING BOOK 2 TRADE BUCKS TREND AT TATTERSALLS

The current sale topper, lot 945, a son of Lope de Vega
Tattersalls

By Emma Berry

NEWMARKET, UK—Apparently there's a global pandemic in progress, but that didn't thwart the appetite for bloodstock at Tattersalls on Tuesday as the second session of Book 2 bucked trends in what has been a tricky sales season to date.

"Considering what else is going on in the world, we are very lucky this is going ahead," said David Cox of Baroda Stud after selling one of the day's most successful pinhooks.

It is a sentiment that has been repeated often in recent weeks as the yearling sales have continued while parts of Europe have been plunged back into strict local lockdowns. So far, East Anglia has avoided such restriction and business at Park Paddocks has progressed almost as normal. The fact that trade in Book 2 has so far been apparently immune to outside forces is nothing short of extraordinary. In fact, one buyer went as far as describing the market simply as "bonkers".

Not all pinhookers have fared well, of course, but that is always the case and at the top of the market on Tuesday there were some very encouraging results for those who had taken a chance on pricey foals last November and December.

The international array of breeders behind some of the yearlings on offer at Tattersalls also fared better than most might have hoped for several months ago, as Godolphin and Shadwell continued their support of the October Sale, along with King Power Racing and American interests including Peter Brant and Craig Bernick. **Cont. p2**

EARTHLIGHT RETIRED TO KILDANGAN

Godolphin's dual Group 1-winning juvenile **Earthlight (Ire)** (Shamardal–Winters Moon {Ire}, by New Approach {Ire}) has been retired from racing and will stand at Kildangan Stud in 2021.

Bred by Godolphin out of its G1 Fillies' Mile third Winters Moon–a half-sister to two Group 1 winners--Earthlight went unbeaten in five starts last year at two for trainer Andre Fabre. He took the G3 Prix de Cabourg at third asking before reeling off victories in the G1 Prix Morny and G1 Middle Park S., the latter over subsequent G1 Commonwealth Cup victor Golden Horde (Ire) (Lethal Force {Ire}) and was named France's champion 2-year-old. Earthlight won two of his four starts this year at three–the G3 Prix du Pin and Listed Prix Kistena over seven and six furlongs–and bows out after finishing second to One Master (GB) (Fastnet Rock {Aus}) in the G1 Prix de la Foret on Oct. 4.

Tattersalls October Yearling Sale Book 2 Day 2 Cont. from p1

As the near 12-hour session drew to a close, the comparative figures for both aggregate and average were up on last year. Turnover of 17,987,500gns marked a small improvement of 4%, while the average of 84,448gns was up 1%. The median showed a 20% decline at 52,000gns and the strength of demand was underlined by a clearance rate of 85%.

TDN EUROPE STATS FROM TATTS

- Shadwell is the leading buyer at Book 2 with 24 purchased for 3,292,000gns.
- Thirteen different sires were responsible for the 15 top-priced lots on Tuesday.
- Nathaniel (Ire) has had seven yearlings sell at Book 2 this week for an average of 116,143gns. They were bred off a £20,000 stud fee.
- After getting his second first-crop group winner last weekend, New Bay (GB) had colts sell for 400,000gns and 205,000gns on Tuesday.
- Demi O'Byrne has signed for four yearlings for Peter Brant's White Birch Farm for 970,000gns at Book 2.

Top Lot For Godolphin

Andrew Stone's St Albans Bloodstock has enjoyed notable success as the breeder of Postponed (Ire), who is now resident at Sheikh Mohammed's Dalham Hall Stud and the Godolphin supremo will be hoping for similar success for Stone's Lope De Vega (Ire) colt out of a Galileo (Ire) half-sister to dual Group 1 winner Simply Perfect (GB) (Danehill), who topped Tuesday's session at 675,000gns.

"We can't take the credit really, we just put the gloss on over the last nine weeks," said consignor Julian Dollar of Newsells Park Stud. "The credit must go to breeder Andrew Stone and the farm which foaled and raised the colt."

Sold as lot 945, the grey is a son of 3-year-old winner Loch Ma Naire (Ire) who has produced two dual winners from her first two runners. The colt also hails from the same family as Postponed, with whom he shares his third dam Birch Creek (GB).

Of the strong start to Book 2, Dollar added, "I actually think there was value to be found last week, but I'm not complaining. The sale seems to have taken off incredibly this week. It's fantastic, and thanks to all the people who are prepared to take their hands out of their pockets and spend big money on racehorses. Long may it continue." **Cont. p3**

Only one stallion from the Danzig line (our own Cape Cross) has ever had more Group or Listed two-year-olds from his first crop than

Territories.

With seven Stakes horses already — including a G1 filly — Territories is matching strides with his own sire, Invincible Spirit, and outdoing Showcasing and Kingman at the same stage of their careers.

Second-crop yearlings selling now.

To 12-10-20 of their first two-year-olds

Tattersalls October Yearling Sale Book 2 Day 2 Cont.

Late in the session, Anthony Stroud signed for a colt by another Ballylinch Stud stallion, New Bay (GB), whose runners have made an impressive start this season and who was represented by his second group winner on Saturday in Saffron Beach (Ire).

Lot 1037 was bred at Ballylinch from the Listed Radley S. winner Need You Now (Ire) (Kheleyf), who has already produced a dual winner to Lope De Vega in Peruvian Summer (Ire). New Bay has now had seven yearlings sold through Book 2 for an average of 160,143gns with this colt his most expensive to date at 400,000gns.

Commenting on the success of the Ballylinch stallions, stud director John O'Connor said, "We are delighted with the way the market is receiving them but the reason the they are selling well is that they are getting winners in the right places and the right types of tracks and the right stakes races. That is what it is all about in the end. Sales should be about racing."

Stroud also signed for another of the Newsells Park Stud draft on behalf of Godolphin. Lot 843, the Siyouni (Fr) colt out of the G3 Oh So Sharp S. winner Havant (GB) (Halling), was bred by James Wigan and sold for 300,000gns. **Cont. p4**

HARAS D'ETREHAM

Classic Prospect For Bernick

A major Australian breeder selling to a leading American owner-breeder highlights the international aspect of the October Sale which has continued into Book 2. There was no shortage of support from the other side of the Atlantic during Book 1, even though many American owners were unable to travel, and Irish agent Hubie de Burgh played a pivotal role in the transaction of lot 954 from John Camilleri to Craig Bernick of Glen Hill Farm.

Hubie du Burgh | *Tattersalls*

The Norelands Stud-consigned Frankel (GB) filly was full of beans during her prolonged spell in the ring, with the hammer finally coming down in de Burgh's favour at 460,000gns. She hails from a family to which the agent has already given his seal of approval, having bought her dam Love Is Blindness (Ire) (Sir Percy {GB}) for Camilleri at the 2016 Goffs November Sale for €380,000. It is also one rippled with Classic influences as the dam's half-brother is Sven and Carina Hanson's Prix du Jockey Club winner Reliable Man (GB) (Dalakhani {Ire}) and their granddam is the treble Oaks winner Fair Salinia (GB) (Petingo {GB}).

"She's by one of the great sires of the modern era and there are Classic winners in her page, she could be a Guineas or an Oaks filly," said de Burgh. "On top of that she is a beautiful filly from a top farm where I keep a lot of stock, and I've known her since she was a foal."

Florida-based Bernick has a select string of horses in training in Britain and Ireland, including the G1 Nassau S. runner-up One Voice (Ire) (Poet's Voice {GB}), who is entered for Saturday's G1 British Champions Fillies & Mares S. His latest acquisition will join maiden winner Sloane Peterson (Ire) (Kodiac {GB}) at Fozzy Stack's stable.

De Burgh added, "Craig is a great lover of the horse industry and is going to be a great breeder. He has some wonderful stock in Europe already and wants to collect this quality of bloodstock because he is thinking 20 years ahead." **Cont. p5**

Profitable: the best G1 sprinter by Kingman's sire — and rated superior to Invincible Spirit himself. His fast-looking yearlings are catching the eye of all the right people: Shadwell, Clive Cox, Karl Burke, Kevin Ryan have all bought one (or more) so far. More selling now.

He added, “Hopefully she will be one of the foundation mares in the broodmare band. Craig is developing an Australian operation, European and American; it is very exciting."

Arc-Winning Owner Still In Play

Peter Brant of White Birch Farm had already recruited 10 yearlings through the Goffs Orby and Tattersalls Book 1 sales and his agent Demi O’Byrne remained in action on Tuesday when signing for two of the day’s more expensive horses.

Fozzy Stack | *Tattersalls*

Lot 840, one of the great pinhooking successes of the sale, was offered by Gerry Ross of Kenilworth House Stud, who bought the Showcasing (GB) colt with “a bunch of mates” for 70,000gns in December. By the time O’Byrne had finished trading bids, his new valuation came in at 310,000gns.

“He is a great walker and Alastair Pim said he had one of the best walkers he had seen through the two weeks,” said Ross of the son of the unraced Harlequin Twist (GB) (Acclamation {GB}), a half-sister to Listed Magnolia S winner Miblish (GB) (Teofilo {Ire}). “A foal will never lose its walk. He was flat to the boards here all week and his last show was as good as his first. He has been a pro so far, hopefully he will continue."

Referring to the strong trade through the first two days of Book 2, he added, “Nobody can be confident at the minute and a week ago I would never have dreamt of that sort of money. Yesterday’s trade was the best it has been all year. No vendor is going into the ring with their chest out, but at least you have a bit more confidence.”

A little later O’Byrne went to 300,000gns for lot 853, from the first crop of Group 1-winning miler Ribchester (Ire) and out of an unraced Teofilo (Ire) half-sister to listed winner Pelerin (Ire) (Shamardal). Her dam, Hint Of Pink (Ire), was represented by her first winner when the Andre Fabre-trained Parchemin (Ire) (Lope De Vega {Ire}) struck on debut at Compiegne on Oct. 1. **Cont. p6**

The May-foaled filly was bred in partnership by Norelands Stud and Patrick Robinson, co-author of the book *Horse Trader*, which chronicles Robert Sangster's rise to prominence as an owner and breeder.

"Her half-brother winning in the last week or so that was big plus, timing is everything in this business," said Harry McCalmont of Norelands Stud. "A couple of years ago Patrick wrote a book called *Lone Survivor* which became a blockbuster movie. Patrick decided to retire and take up breeding horses, and gave me a few quid to spend on horses. I am delighted for him."

Shadwell Steps In

Sheikh Hamdan has had a terrific season on the racecourse and after a quiet start to the sales season, the operation has played a significant role in the buoyancy of Book 2. The sheikh's racing manager Angus Gold has signed for 24 yearlings over the last two days for almost 3.3 million gns, including Chasemore Farm's Kodiac (GB) colt out of the G3 Albany S.-placed Ilaunaglass (Ire) (Red Clubs {Ire}) at 280,000gns.

Gold's purchase of lot 878 brought a broad smile to the face of Henrietta Egan of Corduff Stud, who bred the son of Teofilo (Ire) from her sole mare Island Remede (GB) (Medicean {GB}).

"This is the mare's first foal and I wanted to send her to a proper stallion," she said. "He is beautiful yearling and I am so delighted he has gone to such a fabulous owner."

Egan bought the mare, a dual winner and G3 St Simon S. runner-up, for 43,000gns and sold her first offspring to Shadwell for 260,000gns.

Egan added, "She has a beautiful Camelot filly foal and is in foal to Phoenix Of Spain, but on the back of that we might have to go back to Teofilo."

Camelot Back-up Plan Works Out

Breeders Frank Antonacci and David Reid bought the 10-year-old Oratorio (Ire) mare Matorio (Fr) through Mick Flanagan for 125,000gns in 2017 and her first mating planned by the partners resulted in a good touch on Tuesday when her Camelot (GB) filly sold for 340,000gns to Simon Crisford. The trainer signed for lot 986 in the name of Gainsborough Thoroughbreds.

"The mare is at Baroda and she went to No Nay Never but didn't take and was transferred to Camelot," explained consignor David Cox, who boards the mare for her owners who also have a share in No Nay Never. Later attempts at getting the mare in foal to the sire of recent G1 Cheveley Park S. winner Alcohol Free (Ire) have resulted in a colt foal and she is now carrying again to No Nay Never.

Matorio was herself the winner of three races as well as finishing second in the G2 Prix du Muguet, and she enjoyed a decent update on the first day of racing in France following the coronavirus shutdown when her half-brother Batwan (Fr) (Kendargent {Fr}) won the G3 Prix de Saint-Georges.

Baroda Stud has sold eight Book 2 yearlings so far for an average of 118,125gns and they include the most expensive Bated Breath (GB) yearling sold at auction (lot 828). The half-brother to G3 Molecomb S winner and young Norman Court Stud stallion Rumble Inthejungle (Ire) was bred by Patrick Gleeson and was pinhooked by Baroda as a foal for €95,000. Returned to the ring at Tattersalls he was bought by Anthony Stroud for 280,000gns.

Ringfort Colt for HKJC

Ringfort Stud has enjoyed a tremendous season on the racecourse as the breeder of Group 2 winners Minzaal (Ire) (Mehmas {Ire}), Ubettabelieveit (Ire) (Kodiac {GB}) and Miss Amulet (Ire) (Sir Prancealot {Ire}), and a colt from its draft was the pick of the day for the Hong Kong Jockey Club.

Mick Kinane | *Tattersalls*

Lot 1006, a May-born son of Fastnet Rock (Aus) and the first foal of the well-bred Miss Liguria (GB) (Galileo {Ire}) fetched a bid of 240,000gns from Mick Kinane. The mare has a Hong Kong connection herself as she was bred by the late John Pearce, who resided there for much of his life. She is a half-sister to the listed winners Miss Cap Estel (GB) (Hernando {Fr}) and St Jean Cap Ferrat (GB) (Domedriver {Ire}) and a granddaughter of the G2 Sun Chariot S winner Miss Beaulieu (GB) (Northfields).

Earthlight Retired To Kildangan Cont. from p1

Sam Bullard, Darley's director of stallions, said, "We are delighted to be able to offer Earthlight to breeders in Ireland next year. During his unbeaten juvenile campaign, Earthlight's victories in the G1 Darley Prix Morny and G1 Middle Park were truly outstanding and his champion status at the end of that year was very well deserved.

"The loss of Shamardal in April left a big hole in the roster, but we are confident that his sons, Earthlight and Blue Point, will continue his legacy admirably in Ireland."

LOVE LIKELY DONE FOR THE YEAR

This season's dual Classic-winning filly **Love (Ire)** (Galileo {Ire}) is likely to bypass the Breeders' Cup and is probably done for the year, trainer Aidan O'Brien said on Tuesday. Love was scratched from her last intended target, the G1 Prix de l'Arc de Triomphe, when the ground came up soft.

"I don't think Love will go to the Breeders' Cup," O'Brien said. "At the moment we're thinking that she's had a busy enough time and we trained her hard for the Arc. Obviously that was her big target in the autumn and she was trained hard for it, and with a view to keeping her in training next year I think the lads are maybe leaving her for this year. So there's a strong possibility that she won't run anymore this year."

O'Brien also reported leading Derby candidate **High Definition (Ire)** (Galileo {Ire}) to be done for the year. Cont. p10

Dual Classic winner Love | *Scoop Dyga*

Love Cont.

"The plan always with High Definition was to give him two runs. That was his maiden and the Beresford, and we haven't changed off of that," the trainer said of the unbeaten colt. "The plan was then to bring him back and train him for the Classics next year. We're very happy with the way he has come out of his last race and that's the way we are looking with him next year."

Listed Chesham S. and G2 Vintage S. scorer **Battleground** (War Front), meanwhile, is likely headed to the GI Breeders' Cup Juvenile Turf at Keeneland. That is the same course over which his dam, the G1 Prix de l'Arc de Triomphe winner Found (Ire) (Galileo {Ire}), won the GI Breeders' Cup Turf in 2015.

"Obviously he didn't go to the Dewhurst, so the plan at the moment is we're thinking of going to the Breeders' Cup Juvenile Turf with him," O'Brien said. "He seems to be in good form at the moment."

OXX REFLECTS ON HIS BEST

One day after announcing his retirement from training, John Oxx opened up about the decision to *Sky Sports Racing* and reflected on a few of the best he has handled.

"It's not something you decide to do overnight--it's been on our mind for a few years," Oxx said. "Now seems the right time as we don't really have enough horses to justify keeping going. It was a pretty easy decision to make as you have to have a viable business.

"Trainers love to keep going, of course--we like what we do. We probably all keep going longer than we should, but it was pretty clear to us now is the right time to stop. I had a big stable at one stage and we did well, but stables are getting bigger and bigger now, which does make life harder for other trainers and smaller trainers."

Sea The Stars (Ire) was not only the greatest Oxx ever trained, but one of the best of all time.

"I was always happy to say he was one of the greats and that's good enough for me," Oxx said. "He is certainly one of the best ever on ratings--he was an incredible horse. I suppose the thing about Sea The Stars is you only ever saw 75 or 80% of what was in the tank. He always won comfortably and had plenty of gas left as he didn't exert himself too hard. He's one of those great horses that only comes along now and then--in a 100-year period you don't see many horses like him and Frankel and Mill Reef and Nijinsky."

Sea The Stars went a perfect six-for-six at three, all at Group 1 level, including the G1 2000 Guineas and G1 Derby and culminating in the G1 Prix de l'Arc de Triomphe.

"It was a terrific achievement for the horse, he had this tremendous energy and tremendous soundness and will to win. He had all the attributes you wanted," said Oxx. "You couldn't take on that sort of programme with every horse, but we knew this fellow had that unique constitution and would be able to do it if we didn't have any bad luck with ground or an injury along the way. We knew he had the capability to do it and we wanted him to prove himself one of the greats. It's no good talking about it, saying a horse is this good or that good, they have to go out and win. To finish up and pull it off in the Arc was fantastic and such a relief for us to get him there and have him fulfil his destiny."

Sea The Stars pulled off the Arc/Derby double nine years after Oxx had accomplished it for the first time with Sinndar (Ire), who also took the G1 Irish Derby that season.

"He was a great horse," Oxx said. "I thought coming into his 3-year-old season he might be a horse who would be placed in the Derby, but as soon as he ran his first race I knew there was a lot more there than was evident at home." **Cont. p11**

John Oxx and Skitter Scatter | *INPHO Photography*

Oxx Reflections Cont.

Oxx added, "He was a beautiful horse with a wonderful temperament and as tough as nails. Every time he ran he was five pounds better than the previous time and he just got sharper as he went through his 3-year-old year and stronger.

"Your grandmother would have ridden him out early in the year, but by the time it came to the Arc, you just had to watch him as he'd throw a jump and a kick--he wasn't anybody's ride in the end. He got stronger and more aggressive and more confident. That's the way with those great horses, they're never finished."

The best filly to pass through Oxx's hands was the globetrotting Ridgewood Pearl (GB), who won Group 1s in four countries.

"She was a really strong filly--masculine-looking with a terrific temperament," Oxx recalled. "She was very consistent and always the same in her work and ate all her feed--she was a bit of a machine really. Sometimes those fillies that are very good--you've seen it with Enable recently--they're just very tough and consistent and once they like racing they keep liking it. Ridgewood Pearl would go on any ground and nothing stopped her. She was a pleasure to train."

MGSW THREAT TO STAND IN FRANCE

MGSW **Threat (Ire)** (Footstepsinthesand {GB}–Flare of Firelight, by Birdstone) will stand at Haras du Mont Goubert, *Jour de Galop* reported on Tuesday. He will stand for €6,000,

The Richard Hannon trainee and 'TDN Rising Star' captured the G2 Gimcrack S. and the G2 Champagne S. and was runner-up in the G2 Richmond S. and G2 Coventry S., all as a juvenile. Bred by La Lumiere Partnership and a 100,000gns Tattersalls December foal, the Cheveley Park Stud colourbearer's record stands at 9-3-2-0 and $328,925 in earnings.

Threat | *Tattersalls*

"It is rare to see such a 2-year-old start at stud in France, especially afer winning such prestigious group races in England," Haras du Mont Goubert manager Victor Langlais told *JDG*. "He'll be supported by Haras du Mont Goubert, Haras d'Etreham and Coolmore, who are involved in his breeding career. They purchased the horse from Cheveley Park Stud. Twenty shares [of 60] are for sale at the rate of €20,000, with two seasons for life per share."

Out of a half-sister to French listed winner and G2 Prix Corrida bridesmaid That Which Is Not (Elusive Quality), Threat counts European highweight and G1 Tattersalls Gold Cup heroine Shiva (Jpn) (Hector Protector) as his second dam. She in turn is a half-sister to G1 Oaks heroine Light Shift (Kingmambo), who has thrown another European highweight in Ulysses (Ire) (Galileo {Ire}), a two-time Group 1 winner. This is also the female family of dual Eclipse Award winner Main Sequence (Aldebaran) and European champion Cloth of Stars (Ire) (Sea The Stars {Ire}).

DAUGHTER OF RIBBONS UNVEILED AT NOTTINGHAM

1.00 Nottingham, Mdn, £6,300, 2yo, 8f 75yT
IMPERIAL SUN (Sea the Stars {Ire}) is a half-brother to the 2016 G1 St Leger hero Harbour Law (GB) (Lawman {Fr}) who debuts for his owner-breeder Sheikh Isa Salman Al Khalifa and John Gosden. He is joined by the similarly-unraced stablemate **Patrolman (GB) (Golden Horn {GB})**, Godolphin's half-brother to their multiple Group 1-winning Haras du Logis resident Hunter's Light (Ire) (Dubawi {Ire}).

1.30 Nottingham, Mdn, £6,300, 2yo, f, 8f 75yT
MISSILE (GB) (Dubawi {Ire}) is another high-profile Gosden newcomer on the card, being Westerberg's 725,000gns Tattersalls October Book 1 purchase whose dam is the G1 Prix Jean Romanet winner Ribbons (GB) (Manduro {Ger}). She will have to be smart on debut to match Khalid Abdullah's **Noon Star (Galileo {Ire})**, the Sir Michael Stoute-trained daughter of Midday (GB) (Oasis Dream {GB}) and full-sister to the dual Group 3 scorer Midterm (GB) who was third on her racecourse bow at Salisbury last month.

TOP OF THE POPS (GB) (c, 2, Kingman {GB}--Whirly Bird {GB} {SP-Eng}, by Nashwan) was the sharpest of six into stride and seized immediate control of this first go. Rowed along when joined by Wallem (GB) (Sea The Moon {Ger}) at the quarter-mile marker, the 11-4 favourite was headed briefly approaching the final eighth and rallied gamely under a late drive to deny that rival by a neck after a ding-dong tussle. Top of the Pops becomes the sixth scorer for Listed Harvest S. third Whirly Bird (GB) (Nashwan), herself out of a winning half-sister to three black-type performers headed by MG1SP sire Inchinor (GB) (Ahonoora {GB}). He is a half-brother to MG1SW sire Poet's Word (Ire) (Poet's Voice {GB}), dual Group 3 winner Malabar (GB) (Raven's Pass) and the dam of MG1SP G2 Railway S. victor Beckford (GB) (Bated Breath {GB}). SPANGLER (IRE) (c, 2, Starspangledbanner {Aus}--Sixpenny Sweets {Ire}, by Dalakhani {Ire}), sent off the 10-3 second favourite, was tardy from the gates and bumped at the start but quickly able to recover and track the pace racing up the centre. In front approaching the two-furlong pole, the grey ran away from the whip but had plenty in hand as drew away to score by 3 1/4 lengths from Knowwhentorun (GB) (Mayson {GB}). The winner, who is catalogued in this month's Tattersalls Autumn Horses-in-Training Sale, is out of an unraced half-sister to the G3 Diamond S. winner Cosmo Meadow (Ire) (King's Best), the G2 Prix Guillaume d'Ornano winner Knight to Behold (Ire) (Sea the Stars {Ire}) and the G3 Blue Wind S. scorer Beauty O' Gwaun (Ire) (Rainbow Quest). Taking closer order once into the straight, the 5-4 favourite was rowed along with 2 1/2 furlongs remaining and kept on relentlessly under a final-quarter drive to deny Flying Visit (Ire) (Pride of Dubai {Aus}) by a neck in the dying strides. "He stayed at it well and, to be fair, we went a generous enough gallop for the race and he was as close as he could be the whole way around," said rider Colin Keane.

QUINTON REFLECTS ON TIME WITH OXX

Ron Quinton | *Bronwen Healy*

by Paul Vettise

Celebrated Irish trainer John Oxx has announced he will retire from training at the end of next month. Group 1-winning jockey and trainer Ron Quinton has the fondest of memories of his time as number one rider for the superb horseman.

Australian Hall of Famer Quinton became the first retained rider to the Irish training maestro Oxx when he accepted an offer in the late 1980s to leave Sydney behind and continue his career in Europe.

Oxx had begun his training career at Currabeg on the edge of The Curragh, taking over from his father John Snr for the start of the 1979/80 season and quickly made his way to the top of his profession with Quinton joining him just shy of a decade later.

"I rode for him in 1988, 1989 and 1990. John Oxx and his father had always been keen on Australian jockeys and I was recommended to John by Hilton Cope, who rode for John Snr in Ireland," Quinton told *TDN AusNZ*.

Quinton had served his apprenticeship with famed mentor and trainer Theo Green and become Sydney's leading apprentice in 1967. He won his first senior premiership in 1969/70, a second in 1976/77 and six in succession between 1978/79 and 1983/84.

"Something I had always wanted to do was to ride either in England or Ireland. I was always reluctant to go in my earlier years because I was leading jockey here and I wasn't going to walk away from that," he said.

"Later on it was the right time to go and at that stage Neville Begg was thinking about going to Hong Kong. It was a great opportunity for me to go to Ireland and learn more about horses.

"John was a qualified vet as well so I was able to learn from him. On a horse's back I thought I was pretty good, but from the other perspective I learned a lot about the horse in general!"

A New Way of Racing

Quinton said it was a culture shock when he first arrived, but was quickly made to feel at home.

"I really like the Irish people and they were always taking the mickey out of the Aussie bloke there, which was all good fun, and I had good success with John.

"The first two seasons we had a virus go through the yard, but we were able to win the G1 Moyglare Stud S., their best 2-year-old race, for Sheikh Mohammed on a filly called Flamenco Wave.

"The second year there I won the G1 Irish St Leger for John on a filly called Petite Ile. She went to England and was placed in the Yorkshire Oaks and the Irish Oaks and then won the Leger.

"The final season I was there we had more winners than the previous two seasons, but didn't win a Group 1."

After three years, Quinton decided to return to Australia to launch his own training career with the greatest of memories of his time with Oxx in Ireland.

Sea The Stars & John Oxx | *Scoop Dyga*

"John is such a well-respected man all around the world, he is one of the most decent gentlemen I have ever met in my life," he said. "I kept in touch with him a lot and was speaking to him one day after I'd been training for a little while.

"I said to him 'I think I've got a Group 1 horse' and he said 'what's it by?' I said 'Barathea' and he just said, 'ah well--good luck!'

"The day that horse, Easy Rocking, won the G1 Salinger S. at Flemington, John was on track because he'd brought a horse out for the G1 Melbourne Cup. That was a great thrill for me to have John there."

The horse Oxx had in Australia was Enzeli (Ire) (Kahyasi {Ire}), but he was unable to reproduce the form that had won him the G1 Royal Ascot Gold Cup the previous year and finished unplaced.

Perhaps the greatest of Oxx's star performers was the multiple Group 1 winner Sea The Stars (Ire).

"John told me he had a really good horse and I watched him win the G1 2000 Guineas in England. He said to me he might be a bit too brilliant for the G1 English Derby and no horse had won the Guineas and Derby in 19 years, and that was Nashwan," Quinton said.

"I said to him, 'well it's about time another one did it' and as history shows he did it alright and then went on to win the G1 Arc--what a horse. Mick Kinane rode him and I rode against Mick when I was in Ireland and got to know him pretty well.

"It was a wonderful experience for me to go to Ireland and particularly to ride for John. I picked his brain a lot about horses and their welfare. It was my privilege to be able to ride for such a fine man like him."

Winx Loses First Foal

by Georgie Dennis

Champion mare Winx (Street Cry {Ire}) tragically lost her first foal on Tuesday morning.

In a statement released by her connections, they said the health of Winx herself is now their number one priority but her foal, a filly by leading sire I Am Invincible, could not be saved.

"It is with great sadness that the Kepitis, Tighe and Treweeke families wish to inform everyone that unfortunately overnight Winx lost her foal," the statement read.

"There are so many people involved in the Winx story from owners, staff past and present to her many fans around the world.

"Our thoughts and attention at the moment are on Winx ensuring that she remains healthy, as anyone in this situation would respect.

"It is a traumatic time for a mother and those involved and Winx is now the centre of our attention following the loss of a beautiful filly this morning.

"We wish to thank everyone for their support and understanding, please respect the connections during this sad time and we will update you as soon as appropriate."

Formerly trained by Chris Waller, Winx won a record-breaking 25 Group 1s, including four G1 Cox Plates. She was bred by John Camilleri's Fairway Thoroughbreds, who purchased her dam Vegas Showgirl (NZ) (Al Akbar) for $455,000 at the 2008 Magic Millions Broodmare sale.

Five years later, her second foal, a filly by Street Cry (Ire) was sold for $230,000 to Peter Tighe's Magic Bloodstock at the Magic Millions Gold Coast Yearling Sale.
