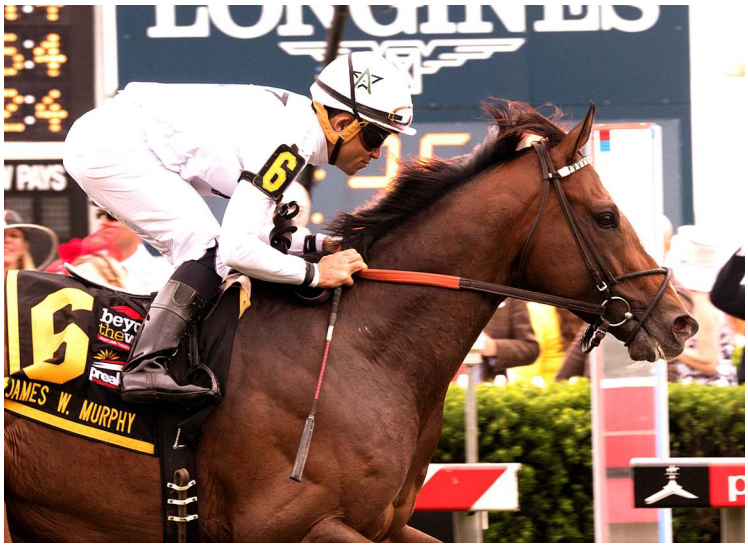
YOSHIDA ON THE RISE IN BELMONT DERBY



Yoshida | *MJC photo*

Yoshida (Jpn) (Heart's Cry {Jpn}), tabbed a **'TDN Rising Star'** after an easy four-length graduation going nine furlongs over the lawn at Keeneland Apr. 9, looks to continue his ascension in Saturday's $1.2-million GI Belmont Derby. The lightly raced sophomore, who went wire-to-wire in his maiden score, came from well out of it to capture the May 20 James W. Murphy S. over the Pimlico turf in his most recent start. He faces 10 foes while making his fourth trip to the post and stretching out to the Derby's 1 1/4-mile distance for Hall of Fame trainer Bill Mott.

Mott will also saddle **Good Samaritan** (Harlan's Holiday). Third in last year's GI Breeders' Cup Juvenile Turf, the bay colt is coming off runner-up efforts behind a pair of foes he will face again Saturday. He was a length short of **Arklow** (Arch) in the May 6 GII American Turf S. at Churchill Downs and 1 1/2 lengths adrift of **Oscar Performance** (Kitten's Joy) in the June 3 GIII Pennine Ridge S.

"My horses are doing well," Mott said. "I really haven't looked at the others yet, but my horses have worked well. Yoshida has run a couple of good races, and looked good doing it, like the race at Pimlico. He's just short on seasoning."

Of Good Samaritan, Mott added, "He's had two good races, but he'll have to move forward to win this one."

"TDN Rising Star" Oscar Performance, who capped 2016 with a win in the Breeders' Cup Juvenile Turf, started his sophomore campaign with a pair of dull efforts, but rebounded with a strong showing in the Pennine Ridge. ***Cont. p5***

WINSTAR ENTERS THE JULY MARKETPLACE

by Ben Massam

WinStar Farm played a major role in spearheading the growth of the horses of racing age section of the Keeneland November Sale in the past two decades, and the farm is poised to once again enter new territory by offering its first-ever seven-horse consignment at the Fasig-Tipton July Selected Horses of Racing Age sale Monday. According to WinStar President/C.E.O. and Racing Manager Elliott Walden, a recent overflow of productive racing stock necessitated a reevaluation of the farm's usual year-end selling schedule.

"We have more horses [than usual] in the range that we typically sell [at November], and I think that is part of it," Walden said. "When we first did the November Sale, we were the first ones who sold racehorses. Now it's gotten a little overpopulated, so we're looking for a different market and a different opportunity." ***Cont. p3***

WinStar Enters the July Marketplace cont. from p1

WinStar President/CEO Elliott Walden (left) and General Manager David Hanley (right) | *Fasig-Tipton photo*

Walden said he believes the unique opportunity of the July Sale is largely due to its position on the calendar, which places it squarely in the middle of the racing season. While the November sales have become a year-end staple for barns to shift breeding stock, July provides buyers with the chance to attain fit-and-ready racing prospects.

"With it being in the middle of the year, it lends itself to creating a little bit more of a quicker return on buying a racehorse at this sale," Walden said. "In November, they might have run all year and need a little bit of a break before freshening for the next year."

Walden pointed toward the 3-year-old colt **Benefactor** (More Than Ready) [Hip 409], owned in partnership with China Horse Club, as a prime example of a horse in sharp form. The dark bay broke his maiden at second asking May 13 at Gulfstream and added a runner-up finish in the June 9 Ocala Flame H. before crossing the wire third in last Saturday's GIII Carry Back S.

"Benefactor has only had four starts," Walden said. "He's placed in a graded stake and has all his conditions. I also think his first race on the grass was a sneaky kind of race. So he has that option as well, being by More Than Ready."

The WinStar consignment is augmented by the presence of 5-year-old **Closing Bell** (Tapit) [Hip 419], who posted a career-best Beyer Speed Figure of 99 when finishing a close sixth in the GI United Nations S. last Saturday. Winner of the 2015 Dueling Grounds Derby, the turf marathoner was also second in the GI Secretariat S. earlier that year before splitting his 2016 season between the States and Australia. ***Cont. p4***

Closing Bell | *Sarah K. Andrew*

WinStar Enters the July Marketplace cont.

Back in America with Hall of Famer Bill Mott, Closing Bell captured a 12-furlong optional claimer over the Belmont sod prior to his effort in the U.N. Closing Bell is a half-brother to GISW Mani Bhavan (Storm Boot) and GSW Hear the Ghost (Ghostzapper).

"Closing Bell is just a really nice horse that can give a buyer a lot of fun on a Saturday afternoon," Walden noted. "He always shows up--and he ran his career best in the United Nations. I also think he could wind up in someone's stallion program, as well, being by Tapit out of a really good mare that's thrown some very good horses."

Walden explained that the decision to part ways with Closing Bell and Benefactor is not a commentary on their overall quality--but rather an acknowledgment that the horses will not stand as stallions at WinStar following the conclusion of their racing careers. Such a dynamic highlights the potential for smaller-scale operations to land productive racehorses at the July Sale.

"I think the market is positioned to people who have different goals and objectives," he said. "You have the bigger racing stables that have a need for cash-flow and turnover. And then you have smaller racing stables that are in demand of 'now' type horses...As training expenses have increased over the past decade, [the July Sale] creates a better opportunity. It used to be done in the claiming ranks, where you would recommend a new owner to go ahead and claim a horse because you get that chance to start earning back right away. But with these type of horses, just because they don't fit our program--which is typically geared toward the stallion barn--it doesn't mean they're bad horses or we're trying to unload them. We've actually had a lot of success giving people the opportunity to buy horses that go on to win graded stakes and have big careers. It's a win-win."

Yoshida on the Rise in Belmont Derby cont. from p1

"He's going into the race in very good order," said Brian Lynch, trainer of Oscar Performance. "We've had no hiccups. The prep was obviously the Pennine Ridge, and he fired a big one in there, so it gives us the confidence to go forward with him, and there's no reason to say he shouldn't run big here this weekend."

The Derby field includes a trio of European invaders, including two from the barn of trainer Aidan O'Brien, who won the race last year with Deauville (Ire) (Galileo {Ire}). This year, O'Brien saddles **Whitecliffsofdover** (War Front), coming off a well-beaten finish in the June 21 G3 Jersey S. at Royal Ascot, and **Homesman** (War Front), winner of the May 28 G3 Gallinule S. and most recently fifth in the June 22 King George V S.

BROWN, UNSURPRISINGLY, HAS STRONG HAND FOR OAKS

by Brian DiDonato

Chad Brown won the first two runnings of the GI Belmont Oaks in 2014 and 2015--and took the two prior renewals of its predecessor, the GI Garden City S.--so it should come as no surprise that he'll saddle another strong group of fillies in Saturday's $1-million affair. Last year's Eclipse Award winner for outstanding trainer has four runners in the Oaks, including 2016 GI Breeders' Cup Juvenile Fillies Turf heroine **New Money Honey** (Medaglia d'Oro), who defeated stablemate **Fifty Five** (Get Stormy) in the local prep for this, the June 8 GIII Wonder Again S. ***Cont. p6***

Belmont Oaks cont.

Brown also brings in a pair of overseas invaders with strong credentials. Peter Brant's **Sistercharlie (Ire)** (Myboycharlie {Ire}) annexed April's G3 Prix Penelope Apr. 23 at Saint-Cloud, and flew home for second despite a terrible trip in the G1 Prix de Diane at Chantilly June 18 in her final try for Henri-Alex Pantall. Brown's other French shipper **Uni (GB)** (More Than Ready) has had a bit more time to acclimate to local surroundings. Owners Michael Dubb and Sol Kumin (as his Head of Plains Partners) had acquired an interest in the filly earlier this term from breeder Haras D'Etreham, and she was last seen annexing a listed stakes race at Maisons-Laffitte for Fabrice Chappet May 11.

Brown trained Minorette (Smart Strike) to a win in the inaugural Belmont Oaks in 2014 for the Coolmore contingent, and Aidan O'Brien teamed up with that ownership group to annex last year's GI Belmont Derby with Deauville (Ire) (Galileo {Ire}). O'Brien and the Coolmore partners will be represented here by **Key to My Heart (Ire)** (Galileo {Ire}), a daughter of Grade I-winning '**TDN Rising Star**' A Z Warrior (Bernardini) who comes off a score in the Naas Oaks Trial in Ireland just last Wednesday. ***Cont. p7***

"She only won last week. Now she's in this. She's very impressive," O'Brien's assistant T. J. Comerford told the NYRA press office. "She always looked like a winner as well. We had another favorite in the race, and this one went well."

GI Ashland S. and GI Kentucky Oaks heroine **Daddys Lil Darling** (Scat Daddy) was also recently overseas, but she hasn't made an official start outside of this country. HARD TO SEE PAST 'GHOST' IN SUBURBAN

Shaman Ghost | *Horsephotos*

by Brian DiDonato

Shaman Ghost (Ghostzapper), in the conversation for second-best handicap horse in the country, looks likely to increase his win streak to three in Belmont's $750,000 GII Suburban H. Saturday. Second to Arrogate (Unbridled's Song) in the $12-million GI Pegasus World Cup Invitational at Gulfstream Jan. 28, the Stronach homebred relished the 10 panels of the GI Santa Anita H. Mar. 11 to run down versatile locally based GISW Midnight Storm (Pioneerof the Nile). He overcame a slow pace to get up in the GIII Pimlico Special H. last time and will look to atone for a fifth-place run in this event last year in which he traveled on a dead rail and hadn't quite gotten over a cold, according to trainer Jimmy Jerkens.

Matt King Coal (Cool Coal Man) figures to show the way early, and could prove tough to collar if he can see out this 1 1/4-mile journey. The bay kicked off his 4-year-old season with a clear-cut optional claiming victory at Laurel Feb. 19, and added a nine-panel stakes victory there a month later. A narrow second to horse-for-course Imperative (Bernardini) and ahead of subsequent GII Brooklyn S. winner War Story (Northern Afleet) in the GII Charles Town Classic S. Apr. 22, he ran away with Penn National's Mountainview S. last out June 3 in a track record-setting performance.

"He's coming into the race well," said trainer Linda Rice. "We know it's going to be a tough race, but he's won a stakes at Laurel and Penn National. I like the distance and we don't have to ship, so we're going to take a shot at it."

West Coast invader **Follow Me Crev** (Quality Road) was third behind Shaman Ghost in the Big 'Cap, and second to recent Precisionist S. romper Collected (City Zip) in the GII Californian S. Apr. 22. He proved second-best to another Bob Baffert trainee in Cupid (Tapit) in the GI Gold Cup at Santa Anita May 27, for which he earned a career-best 104 Beyer Speed Figure.

'BISCUITS' BACK STATESIDE FOR BEL SPRINT

by Brian DiDonato

Impressive G1 Dubai Golden Shaheen winner **Mind Your Biscuits** (Posse) makes his first start back in the States in Saturday's GII Belmont Sprint Championship, a "Win and You're In" for the GI Breeders' Cup Sprint. Third across the wire but awarded second purse money for last year's BC Sprint, the chestnut defeated speedy Sharp Azteca (Freud) in Santa Anita's GI Malibu S. Dec. 26 in his final start for trainer Robert Falcone, Jr. Co-owner Chad Summers took over training duties after that, and saddled the newly turned 4-year-old to a neck second behind '**TDN Rising Star**' **Unified** (Candy Ride {Arg}) in the Feb. 25 GIII Gulfstream Park Sprint. The Mar. 25 Golden Shaheen was the first victory for Summers as a trainer.

CONSTELLATION SET TO STAR AGAIN

LNJ Foxwoods' **Constellation** (Bellamy Road), who earned the first graded tally of her career with a half-length victory in the GI La Brea S. at Santa Anita last December, enters Saturday's GIII Great Lady M. S. at Los Alamitos off a pair of hard-fought runner-up efforts. The "**TDN Rising Star**" closed too late when 1 3/4 lengths adrift of the reopposing **Pretty N Cool** (Scat Daddy) in the six-furlong GIII Las Flores S. Mar. 5 and was just a neck short of Paulassilverlining (Ghostzapper) in the Apr. 8 GI Madison S. at Keeneland last time out.

Finest City (City Zip) won last year's Great Lady M. en route to a victory in the GI Breeders' Cup F/M Sprint and the Eclipse title as champion female sprinter. The 5-year-old mare, who opened 2017 with a win in the GII Santa Monica S. in January, was a valiant second behind Vale Dori (Arg) (Asiatic Boy {Arg}) when stretched out to nine furlongs in the Mar. 18 GI Santa Margarita S. She closed well to miss catching Paulassilverlining by a neck in the seven-furlong GI Humana Distaff May 6 and cuts back to 6 1/2 furlongs after chasing Stellar Wind (Curlin) and Vale Dori home in the GI Beholder Mile last time out.

Since winning the Las Flores, Pretty N Cool shipped east for a second-place finish in the May 5 GIII Vagrancy H. at Belmont Park and was most recently third in the June 18 GIII Desert Stormer S. at Santa Anita.

PRACTICAL JOKE BACK TO ONE TURN FOR DWYER

Practical Joke | *A Coglianese*

by Brian DiDonato

Klaravich Stables and William H. Lawrence's **Practical Joke** (Into Mischief) returns to the track and trip of his GI Champagne S. triumph last October in Saturday's GIII Dwyer S. at Belmont Park. The Chad Brown trainee also annexed the GI Hopeful S. going seven panels at Saratoga in August, but was a well-beaten third in the GI Sentient Jet Breeders' Cup Juvenile Nov. 5 in his first attempt around two turns. He resurfaced to be second in Gulfstream's GII Xpressbet Fountain of Youth S. and again settled for that slot in Keeneland's GII Toyota Blue Grass Apr. 8, both times seeming like a slight cutback might prove to his liking. The bay stayed on reasonably well to be fifth last out in the GI Kentucky Derby May 6 over a wet surface. ***Cont. p10***

Lightly raced '**TDN Rising Star**' **Battalion Runner** (Unbridled's Song) could have started in the Derby, but his connections opted to bypass it and instead took home the roses with Always Dreaming (Bodemeister). The $700,000 KEESEP acquisition was a second-out romper at Gulfstream on New Year's Eve, and added a two-turn optional claimer there Feb. 3 before proving second best to fellow "**TDN Rising Star**" Irish War Cry (Curlin) after setting an honest pace in the Apr. 8 GII Wood Memorial S. "He's doing well," trainer Todd Pletcher told the NYRA notes team. "I think a one-turn mile is a good place to get him back started again and hopefully build from there. He's got good tactical speed and is versatile enough that, depending on how the race unfolds; he can be prominent without being on the lead."

Giuseppe the Great (Lookin At Lucky) gave eventual MGSW Timeline (Hard Spun) a run for his money second out in Florida May 4 before breaking through at Keeneland Apr. 8. He was second at 30-1 in the GII Woody Stephens S. over a furlong shorter here June 10.

"TDN Rising Star" **It Tiz Well** (Arch) ships east for trainer Jerry Hollendorfer and Tommy Town Thoroughbreds. The dark bay filly, winner of the Mar. 11 GIII Honeybee S. at Oaklawn, was third in the Apr. 8 GI Santa Anita Oaks. She was promoted to fourth after finishing fifth in the June 17 GII Summertime Oaks last time out.

Berned (Bernardini), second in last year's GIII Tempted S., took a May 20 optional claimer at Monmouth while making her first start for trainer Graham Motion in her only previous 2017 outing.

SONIC BOOM POISED TO MAKE NOISE

Sonic Boom | *Coady*

Lothenbach Stables' **Sonic Boom** (More Than Ready) will take on six rivals in Saturday's GIII American Derby at Arlington Park. The chestnut colt, a stakes winner over the Tampa Bay turf in March, faltered to seventh in the Apr. 7 GIII Transylvania S., but returns to the graded ranks off a sparkling front-running victory in a May 29 allowance at Churchill Downs. His three lifetime wins have all come at a mile or shorter and he looks to stretch out to nine furlongs Saturday.

Ramsey homebred **Gorgeous Kitten** (Kitten's Joy) , a maiden winner over Turfway's synthetic surface in February, added a nine-furlong turf allowance at Keeneland Apr. 26 and closed to be second over 1 1/16 miles over the Arlington turf course in the May 27 GIII Arlington Classic.

The Ramsey colors will also be carried by **Hembree** (Proud Citizen), who returns to the turf after fifth-place efforts over Churchill's main track May 6 and June 4. The dark bay graduated on debut sprinting 5 1/2 furlongs over the Saratoga turf last August.

Shane's Girlfriend, freshened since a fifth-place finish as the favorite in the Feb. 25 GII Rachel Alexandra S. at Fair Grounds, returned in sharp form to annex the GIII Iowa Oaks Thursday night at Prairie Meadows. Sent postward as the 9-5 second choice, the Doug O'Neill trainee broke alertly and was in a bit tight as stretch-out sprinter Swing and Sway (Maclean's Music) crossed over to set the pace through fractions of :24.12 and :48.01. Settling patiently as Iowa-bred Chanel's Legacy (Dominus) went on the attack, she angled out turning for home and rallied to score comfortably over longshot Babybluesbdancing, who overhauled the tiring pacesetters to complete the exacta.

Shane's Girlfriend captured her first two starts, including a powerhouse 13 1/4-length triumph in the GIII Delta Princess S. last November. A respectable third behind the Jerry Hollendorfer-trained '**TDN Rising Star**' duo of Unique Bella (Tapit) and It Tiz Well (Arch) in the GII Santa Ynez S. in January, she never truly got involved in the Rachel Alexandra and was sent to the sidelines for the spring.

Shane's Girlfriend's second dam Critical Cat is a half-sister to MGISW Critical Eye (Dynaformer). Her dam Western Tornado produced a filly by Uncaptured in 2016 and was bred back to that sire. Shane's Girlfriend became the first graded stakes winner for her sire with her win in the Delta Princess last term and she remains his only graded winner thus far.

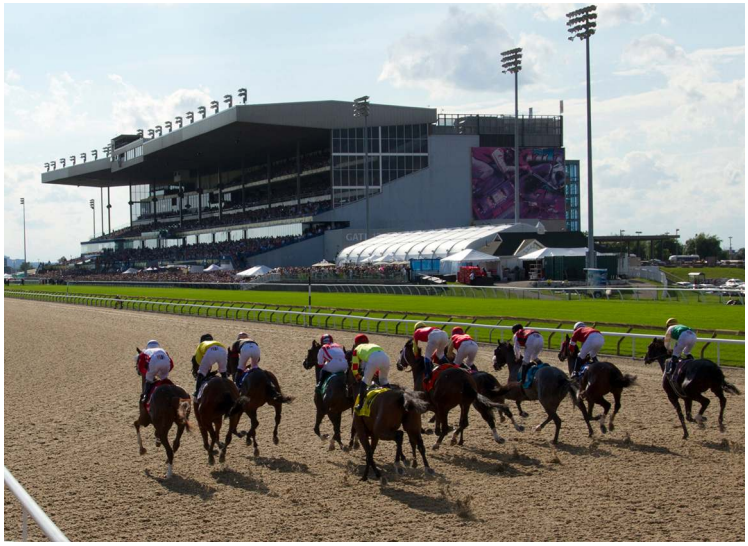
WOODBINE AMENDS SHIPPING RULE



Woodbine | *Michael Burns/WEG*

By Perry Lefko

Horse people stabled at Woodbine will now be able to race horses at other tracks two times instead of just once in races with a purse under $20,000 following an amendment of a rule Woodbine Entertainment Group instituted this year that drew criticism from provincial politicians because of the impact on neighboring markets in Ontario, including Fort Erie Racetrack.

Jonathan Zammit, Woodbine Entertainment Group's vice president of thoroughbred racing operations, issued an e-mail statement this week with an amendment to the stall procedures. The new rule goes into effect July 15. Any horses that raced under the old guidelines will have their tally of 'shipouts' reset to zero.

Addressing Woodbine's local horsemen and women, Zammit said the change was made after consulting with many of its "loyal horse people on the backstretch" who were forced to leave in order to find other opportunities to race on the grass following a wet spring.

"The wet spring, coupled with a limited number of grass races we are able to card in a week hampers our ability to make up for those lost grass racing opportunities," Zammit said in the e-mail. "Rest assured we are working hard to meet your needs and in doing so, have examined all options to ensure our horse people are provided with ample opportunities to race on the grass. Thank you for your support. We will continue to work on your behalf to ensure Woodbine remains one of the best racetracks to stable and race at in North America."

Woodbine Chief Executive Officer Jim Lawson told *Thoroughbred Daily News* in an interview last week that patrons prefer full fields, in particular for grass races. Beginning in 2019, Woodbine will revert back to a Thoroughbred-only track after tearing up the inner grass course to create a Standardbred track following the closure of Greenwood Racetrack in 1993. The harness track will be turned into a second turf course, augmenting the 1 1/2-mile E.P Taylor Turf Course, which is considered one of the best of its kind in North America.

Peripheral Effects of Rule Change..

One of the venues likely to benefit from the rule amendment is Fort Erie Racetrack–located about 100 miles south of Woodbine. The original policy limiting horsemen to a maximum of only one race out of town prompted Wayne Gates, the Member of Provincial Parliament for Niagara Falls, to conference with other local politicians and horsemen. In an article in the *Fort Erie Times* June 14, Gates claimed the policy is another attempt by Woodbine to create a monopoly.

Gates told the *Thoroughbred Daily News* he is not satisfied with the recent amendment and will continue to exert political pressure through the Mayor of Fort Erie, the General Manager of the Fort Erie Live Racing Consortium, the Finance Minister of the Liberal Party of Ontario, and the President of the Ontario Lottery and Gaming Consortium, which is the umbrella for racing in Ontario.

"They've been shipping horses and vice-versa from Fort Erie to Woodbine for over 30 years, so there's no reason to [implement any] policy at all," Gates stated. "So if you ask me, if I'm pleased at the resolve, the answer is 'no.'"

Gates continued, "We should never have had to go through this. Racing in the province of Ontario shouldn't be in a situation of a monopoly. This is certainly a short-term fix, but at the end of the day, we need a long-term fix for our track. I'm hoping we can get the long-term fix as quick as possible, knowing the reality that the horse people need Fort Erie just as much as they need Woodbine."

Gates indicated the goal is for Fort Erie Racetrack to receive a share of offtrack revenue for its races and a seat on the Horse People's Alliance of Ontario, which was put in place in 2014 to unite all tracks as a common entity working together instead of under the domain of the Ontario Racing Commission.

Cont. p13

Woodbine Amends Shipping Rules cont.

This was all done after the Premier of Ontario announced a five-year, $500 million plan to save horse racing in the province. Fort Erie Racetrack, where the Prince Of Wales Stakes, has been subsidized by the town since 2010 and has also received provincial support.

"There's lots of stuff that we have to fix here and, hopefully, we'll be able to work with OLG, the Provincial Government and Woodbine," said Gates. "Obviously, Fort Erie and the Mayor and get a long-term solution so that our track will survive another 120 years."

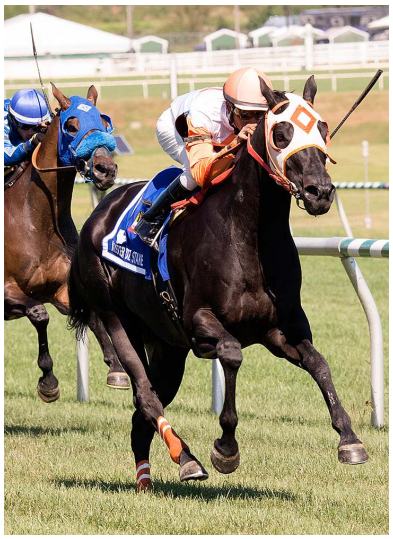
BEN'S CAT UNDERGOES COLIC SURGERY

Maryland Horse of the Year **Ben's Cat** (Parker's Storm Cat) underwent colic surgery July 6 to repair an epiploic foramen entrapment.

The surgery was performed by Dr. True Baker at the Hagyard Equine Medical Institute in Lexington, K.Y. He is currently recovering in the McGee Medicine Center under the care of Dr. Rana Bozorgmanesh.



Ben's Cat | *MJC/Jim McCue*

Owned, bred and trained by Hall of Famer King Leatherbury, the 11-year-old gelding retired to Christina Welker's Spring Ridge Farm in Versailles, K.Y., June 27 with 32 victories from 63 starts and $2,643,782 in earnings.

"In the short time Ben's Cat has been in KY he has endeared himself to all that have been around him and cared for him," said Welker. "His intelligence and demeanor are a true testament of his class as a racehorse. I can assure all his loyal fans that every effort will be made to see him through to a full recovery and we are fortunate to have such skilled and high levels of equine medical care in our area."

BODEMEISTER COLT ROLLS TO RISING STARDOM

Hall of Fame trainer Bob Baffert | *Benoit*

Zulfikhar (c, 2, Bodemeister--Pink Diamond, by Mineshaft), not much of a secret as the 3-5 favorite, earned his **'TDN Rising Star'** badge with a razor sharp debut score for Hall of Famer Bob Baffert at Los Alamitos Friday afternoon. The bay broke alertly from his inside draw and was immediately guided to the outside to force the issue from second through an opening quarter in :22.18. He gained a narrow advantage on the far turn, began to edge clear as they straightened for home and was never seriously asked for run while cruising to a 3 3/4-length length victory. **Almeria** (Into Mischief) was second.

Zulfikhar brought $750,000 earlier this spring after breezing in :10 at the Fasig-Tipton March Sale. The $190,000 KEESEP graduate was part of a highly successful group of pinhooks--which also included fellow 'TDN Rising Star' and $1.7-million OBS March topper Diamondsandpearls (Congrats)--for Zayat Stables this spring (Zayats Test Juvenile Market).

Zulfikhar's stakes-placed dam Pink Diamond brought $65,000 from Woods Edge Farm at the 2015 KEENOV sale. The half-sister to GI Hollywood Starlet S. runner-up Rahy Dolly (Rahy) had a Graydar colt in 2017.

Baffert also trains GI Santa Margarita S. heroine Vale Dori (Arg) (Asiatic Boy {Arg}) on behalf of owner Sheikh Mohammed bin Khalifa al Maktoum.

PENN. COMMISSION REVOKES ROJAS'S LICENSES *By T.D. Thornton*

Last week's 14-count federal felony conviction of trainer Murray Rojas for misbranding equine prescription drugs led to a Thursday notice of her banishment from Penn National Race Course, where the pattern of offenses was proven to have taken place over a multi-year period. Shortly thereafter, Penn National's banishment was backed by a higher authority, when Pennsylvania's Bureau of Thoroughbred Racing released a ruling that revoked "all licenses presently held" by Rojas. **Cont. p2**

PENN. COMMISSION cont.

While Penn National's private-property ban does not have to be recognized by other tracks and jurisdictions, the state's commission-level revocation is expected to be honored in reciprocal fashion by other licensing bureaus nationwide.

The Rojas conviction stemmed from an extensive Federal Bureau of Investigation probe into corruption and conspiracy at Penn National that has already resulted in the convictions of nine other Thoroughbred owners, trainers, racing officials, and veterinarians for various race-fixing and horse drugging schemes that occurred between 2002 and 2014.

On June 30, a jury in United States District Court in Harrisburg, Pennsylvania, found Rojas guilty on 13 counts of misbranding of prescription drugs and one related count of conspiracy. The 51-year-old Grantville resident was deemed not guilty on six counts of wire fraud and one count of related conspiracy. A former leading trainer at Penn National, Rojas is awaiting sentencing; her attorney has indicated in published reports that an appeal is forthcoming.

On Thursday, both the *Paulick Report* and *Blood-Horse* websites broke news that Murray Rojas and her husband, trainer Eduardo Rojas, would be barred from Penn National. Stephanie Beattie, another previously top-ranked Penn trainer who had testified at the Rojas trial that she and between "95 and 98%" of other horsemen treated entrants with illegal race-day medications, was also barred by track officials.

Although Murray Rojas's commission ruling was published by the *Paulick Report* Thursday, it was not listed as of late Friday on the public records database maintained by the Pennsylvania Horse Racing Commission.

It took a phone call to Jason Klouser, director of enforcement for the commission, to yield an emailed copy of the Rojas ruling. Klouser would not comment for the record when asked if similar license revocations might be pending for Eduardo Rojas and Beattie.

Ruling 17053C reads, in part, that "The evidence presented at trial revealed that Murray Rojas conspired with three veterinarians to have drugs administered to horses on race day, and to backdate the invoices for the sale and administration of those drugs with the intent to defraud the State Horse Racing Commission."

The *TDN* attempted to contact Eduardo and Murray Rojas and Stephanie Beattie, but was unable to reach them.

ROYAL INHERITANCE (f, 3, Regal Ransom--Grand Cocotte, by Corinthian) graduated at first asking against fellow New York breds Dec. 4 before getting the remainder of the winter off. Well supported for her return in a May 7 allowance here, she had to settle for second behind the uber-impressive Holiday Disguise (Harlan's Holiday), who came back next out to take the Bouwerie S. for New York breds. Sent off at 2-1 for her latest start, Royal Inheritance came home a comfortable winner and was given a 3-5 chance to make it two straight this time. Off to a good start, the chestnut needed a few strides to get her legs squarely under her, but once settled, she quickly rolled to the outside of 5-2 chance Zippity Zoom (City Zip).

Cont. p3

The pair maintained their advantage over Moondance Joy (Catienus), who loomed on the outside flank of Royal Inheritance as the dueling pair closed out a half in :46.52. Narrowly ahead turning for home, Royal Inheritance was all out to stave off the closing Moondance Joy by a head. Zippity Zoom held on for third. +WALL OF COMPASSION (f, 2, Jimmy Creed--Eastern Ruckus, by Eastern Echo) was given a 5-1 chance to begin her career with a win in this rained-off affair. She was last of five after hitting the gate at the start, but began to rocket past foes to race in second as third-time starter and 7-5 second choice Girl's Night (Dunkirk) led by five lengths through an opening quarter in :22.49. A very overconfident Joel Rosario was like a statue in the stretch aboard the pacesetter, who was still well clear late, but Wall of Compassion's rider Manny Franco never said die, and the latter just got up in the shadow of the wire to get there by a nose. Wall of Compassion becomes the fifth winner for her freshman sire (by Distorted Humor). The winner is a half-sister Ladyecho (Alphabet Soup), MSW & MGSP, $381,186; Whatdreamsrmadeof (Graeme Hall), GSP, $137,080--the dam of MGISW Curalina (Curlin); and a colt by Commissioner born earlier this year. Gentleman's Bet Retired to Journeyman:

Dual stakes winner **Gentleman's Bet** (Half Ours–Lady of Sun, by Gentleman) has been retired from racing and will stand the 2018 season at Brent and Crystal Fernung's Journeyman Stud in Ocala, Florida. His stud fee will be announced at a later date. From the family of GI Consolidator (Storm Cat), Gentleman's Bet--who was campaigned by Harry T. Rosenblum--won five of seven career starts, amassing $744,155 in earnings. Included among his victories are the Frank J. De Francis Memorial Dash S.; Hot Springs S.; and Iowa Sprint H. In addition, Gentlemen's Bet placed in the GI Breeder's Cup Sprint; GI Alfred G. Vanderbilt H. and GIII Count Fleet Sprint H.

"Gentlemen's Bet is the perfect horse for Florida," said Brent Fernung. "He is a big, beautiful, fast horse with a great pedigree. The Frank J. De Francis S. has made quite an impact in Florida in the past. Among the winners of that race to go to stud in Ocala are Wildcat Heir, Montbrook and Yes it's True, arguably the best three stallions to stand in Florida in the past 20 years."

+PONT DU GARD (c, 2, Liaison--Mi Isabella {MSW, $195,725}, by Twilight Agenda), let go at 31-1, was a touch flat-footed at the start and settled in along the rail in fourth through modest opening splits. With the leaders still in his sights approaching the quarter pole, Pont Du Gard responded instantly when asked heading into the turn and was driven between rivals in the four path to gain the advantage at the head of the lane. Under steady encouragement late, the dark bay was two lengths clear of his nearest pursuer, True Loyalty (Sidney's Candy). He becomes the second winner for his freshman sire (by Indian Charlie). Favored Sky Promise (Sky Mesa) was third. Sales history: $20,000 Wlg '15 KEENOV; $37,000 Ylg '16 OBSAUG. CLASSY MUSIC (f, 2, Maclean's Music--Class Above {MSW, $214,758}, by Quiet American), a distant third in her debut at Keeneland Apr. 20, was sent off at 3-5 for this off-turf affair. Unsteady at the break, the filly found herself at the rear after the first few strides, but was immediately rushed into contention by Channing Hill as Tiz B B N (Tizway) and Boom Pow Pow (Midnight Lute) closed out the opening quarter mile in :23.18. Moved over to the rail as the frontrunners continued to show the way through a half in :46.80, Classy Music almost rushed up on the leaders heels as the tightly bunched group continued down the backstretch. Willing to wait no more, the eager filly was swung out five wide by new leader Reality Queen (Pioneerof the Nile)--who took a very wide bearth turning for home--but Classy Music proved too good for that rival as she rolled home a 4 3/4-length winner. Class Above produced a colt by Atreides in 2016 and was bred back to Bayern.

Grade I Bonapaw Euthanized:

Grade I winner **Bonapaw** (Sabona–Pawlova, by Nijinsky II) was euthanized at Old Friends--the Thoroughbred retirement facility in Georgetown, Kentucky--July 7, according to a farm release. The decision was made to euthanize the 21-year-old after developing complications arising from the neurological disease Equine Protozoal Myeloencephalitis.

Purchased for $6,500 by Lousiana-based brothers James and Dennis Richard, the gelding won 18 of 49 career starts while earning over $1.1 million. Listed among his biggest victories are the GI Vosburgh S., GIII Count Fleet Sprint H. and GIII Hanshin Cup H. Retired from racing in 2005, he was donated to Old Friends in 2009 by James Richard, Jr.

"We are so grateful to have had these years with Bonapaw," said Old Friends president Michael Blowen. "He was a great race horse, and he meant so much to his owners as well as all of his many fans. Jamie even donated Bonapaw's Vosburgh Trophy to us, and we will cherish it always."

Buster & Teri Brown: Sequel New York Farm Managers

- "As sad as I was that departing farm manager, Brittany Belbeck and her new husband Ryan Bardin, chose to begin their lives in Kentucky, I am pleased to announce that Teri and Buster are joining our team," Sequel's Becky Thomas said. - "We have been very lucky to be involved with great clients, breeders and friends over the years and are very happy for this opportunity to continue to share a first-class experience," said Teri Brown.

In the mix of things while under her own power as the field formed a cavalry front down the backstretch, she easily powered away from the rest following a half in a crisp :21.89. Still cruising along as she closed out a half in :45.21, Precious Dixie made short work of her rivals when set down to the task late to win by an eye-catching 7 1/2-length margin over Ib Prospecting (Mineshaft). The $35,000 KEESEP yearling is a half-sister to Prince of Arabia (Mineshaft), GSP, $133,685. TOTAL ECLIPSE?

Cliffs of Moher | *Racing Post*

Sandown's G1 Coral-Eclipse is tagged the "first clash of the generations" and the betting seems to suggest it will be the 3-year-olds who prevail in Saturday's renewal. Heading the quintet from that age group is **'TDN Rising Star' Cliffs of Moher (Ire)** (Galileo {Ire}), who is the selected of several Ballydoyle possibles and who bids to emulate the stable's former luminary Hawk Wing in going one better here than in the G1 Epsom Derby. Caught close home by stablemate Wings of Eagles (Fr) (Pour Moi {Ire}) in the June 3 blue riband, the May 12 Listed Dee S. winner has been the subject of positive vibes from Rosegreen. "We've been very happy with him since Epsom," commented Aidan O'Brien, who has five wins to his name already. "It was a mile and a quarter when he won at Chester and then we went to the mile and a half at Epsom. Maybe the last 50 yards caught him between fitness and maybe getting the trip. We're looking forward to seeing him run over a mile and a quarter."

One of Ballydoyle's finest, Giant's Causeway, was the last colt to win this on the back of success in the G1 St James's Palace S. at Royal Ascot and Richard Hannon is happy that this year's hero of that mile feature **Barney Roy (GB)** (Excelebration {Ire}) is ready for the step up in trip. Runner-up to Churchill (Ire) (Galileo {Ire}) in the G1 2000 Guineas at Newmarket May 6, he was firing on all cylinders as that rival backtracked at the Royal meeting June 20 and is poised to provide Godolphin with a sixth edition and the Maktoum family with a 14th.

GINGERNUTS BEING PRIMED FOR OZ RETURN

G1 Rosehill Guineas winner **Gingernuts (NZ)** (Iffraaj {GB}) will be aimed towards a second trip across the Tasman Sea with the G1 Caulfield Cup as his Spring Carnival aim.

The New Zealand-trained gelding, who landed the G1 New Zealand Derby at Ellerslie prior to his successful Australian sortie, has recently returned from a spell at his owner's Te Akau Stud and is now back at the Matamata stable of Stephen Autridge and Jamie Richards.

"I don't think I've seen a horse improve as much as he did," Autridge told *nzracing.com*. "He was battling away at the easier race meetings, Stratford and Te Teko, but as soon as we stepped him up over ground he found his niche and his confidence grew with it. He's a horse that won the Avondale Guineas, our Derby and the Rosehill Guineas and wasn't under any stress to win them, so we wouldn't know what we've really got next season until we step him up against the best older horses."

The 3-year-old's co-trainer added, "He's put on 40 kilos with his spell at Te Akau Stud and since he came back into work in May he's been bouncing around like a 2-year-old. We're rapt with the way he's going and the way he looks--he has certainly improved."

Total Eclipse? Cont. from p1

"He's been in great form since Ascot. He came out of the race very well and very fresh," his trainer said. "He did a piece of work on Tuesday and Sean [Levey] said he felt as good as he's ever felt. He's relaxed and we're very pleased with him. A mile and a quarter looks to be well within his compass, but you don't know that until you've been there. You're also taking on older horses and the mile and a quarter round Sandown is not an easy mile and a quarter. He's going to have to get it well. He has always run to the line in his races which makes you think he would get the trip, and he gets a 10-pound pull off the older horses. It's a very difficult task, but we've been very pleased with him, we think he's a very good horse and hopefully he'll show that on Saturday."

Decorated Knight | *Racing Post*

Completing a high-class trio of sophomores is Sir Peter Vela's **Eminent (GB)** (Frankel {GB}), who has missed the mark in two tries at the Classics but who may be racing over an ideal distance now. Sixth in the 2000 Guineas and fourth in the Derby, his trainer Martyn Meade has been in confident mood in the lead-up to this showdown. "Certainly I think Sandown will suit him very well. He's only run at Newmarket and Epsom and I think Sandown and a stiff mile and a quarter will help him," he commented. "We think this is the right race for our horse. You can analyse it until you are blue in the face about the form and the going. It's a test, but we had to do what we have done with him. We had to run in the Guineas, even though it didn't prove a great success and we really had to run in the Derby where we were a bit unlucky. It sounds a terrible sob story, but this has to be the time for him. He has had that experience now. I was very happy with how he came out of Epsom. The Derby can be very hard on horses and can sometimes set them back, but he's raring to go."

Despite giving away 10 pounds to the 3-year-olds, the older horses have held sway recently with 13 of the last 20 renewals going their way. **Decorated Knight (GB)** (Galileo {Ire}) and **Ulysses (Ire)** (Galileo {Ire}) were separated by a short head when second and third respectively behind Highland Reel (Ire) (Galileo {Ire}) in the G1 Prince of Wales's S. at Royal Ascot June 21 and the former already has a Group 1 win on his resume having plundered The Curragh's Tattersalls Gold Cup May 28. "Every time Decorated Knight has run, he has produced a better performance. It was no disgrace to be beaten by Highland Reel," trainer Roger Charlton said. "He's a tough, sound, genuine racehorse suited by fast ground and a mile and a quarter. We've no need to look beyond that distance for him. He has come out of his run at Royal Ascot in very good shape, especially considering how hot it was. He got very sweaty that day, but that's just him and it does not affect his performance."

GIANT STRIDES

When it comes to size, **Abingdon** (Street Cry {Ire}) has plenty in hand on her peers and Ballymacoll's homebred bids to put that physical advantage to full effect in Saturday's G2 bet365 Lancashire Oaks at Haydock. Over-achieving for her stature at three, the homebred captured the Listed Lord Weinstock Memorial S. over 10 furlongs at Newbury in June and Listed Galtres S. at this trip at York in August but it was her comeback effort that confirmed her as potential top-drawer material. Successful by 10 lengths in the Listed Pontefract Castle Fillies' S. June 25, she has every chance at this stage of becoming the next big thing for her famed breeders and the stud's manager Peter Reynolds said, "She was impressive at Pontefract, but I'm not sure about what she beat. Ryan [Moore] said she was more ready than he expected that day, but you'd be hoping she'd improve from her first run to her second run. It was quick ground at Pontefract and her wins last year were on good-to-firm. I think she just wants genuine good ground. She won so easily the other day. It will be interesting to see how she goes on Saturday."

Abingdon | *Racing Post*

John Gosden has won this six times and looks to equal the late Sir Henry Cecil's record of seven with **The Black Princess (Fr)** (Iffraaj {GB}) and **Hertford Dancer (GB)** (Foxwedge {Aus}). The former beat the subsequent G1 Grand Prix de Saint-Cloud third Armande (Ire) (Sea the Stars {Ire}) in Chantilly's G3 Prix Allez France over 10 furlongs Apr. 30 before finishing second in the G2 Middleton S. at York May 18, while her stablemate collected the May 13 Listed Lingfield Oaks Trial prior to filling third spot in the G2 Ribblesdale S. at Royal Ascot 16 days ago.

Harry Herbert, racing manager for Hertford Dancer's owners, the Hertford Street Racing Club, commented, "She's in great form following Ascot. She's a remarkable individual. She's gone from a rating of 72 before she won the Lingfield Oaks Trial up to over 100 now and hopefully she's still heading north. Sir Michael's filly [Abingdon] will be a tough nut to crack, but Hertford Dancer is in good form and if she keeps on improving at the rate she has been then she'd have a chance of giving her hugely enthusiastic owners another big shout."

Sheikh Mohammed Obaid Al Maktoum's **Ajman Princess (Ire)** (Teofilo {Ire}) took the May 6 Listed Daisy Warwick S. at Goodwood before running third on testing ground in the G3 Pinnacle S. over this course and distance last time June 10. "Ajman Princess found the ground too soft on that occasion and these underfoot conditions will suit her much better," trainer Roger Varian said. "She's in fine form and this has always been the target."

FRONTIERSMAN HEADS GODOLPHIN TRIO FOR NEWMARKET

Charlie Appleby could saddle both **Frontiersman (GB)** (Dubawi {Ire}) and **Hawkbill** (Kitten's Joy) for next Thursday's G2 Princess of Wales's Arqana Racing Club S. on the opening day of Newmarket's July meeting.

The pair finished second and third to Highland Reel (Ire) (Galileo {Ire}) in the G1 Coronation Cup at Epsom, with Hawkbill then reappearing in the G1 Grand Prix de Saint-Cloud on July 2, in which he finished sixth. Frontiersman, a son of the seven-time Group 1 winner Ouija Board (GB) Cape Cross {Ire}), was ruled out of running in the G2 Hardwicke S. at Royal Ascot after scoping badly.

Completing a trio of nominees from Godolphin is the Saeed Bin Suroor trainee **Tamleek** (Hard Spun) and also featuring among the 10 entries for the 1 1/2-mile contest is the **Johannes Vermeer (Ire)** (Galileo {Ire}), winner of the G3 Curragh Cup on his most recent outing for Aidan O'Brien.

Set to return to action after his runner-up finish in the G3 Huxley S. at Chester's May meeting is the Sir Michael Stoute-trained **Poet's Word (GB)** (Poet's Voice {GB}). Cont. p5

DABIRSIM AND HAVANA GOLD SET FIERCE PACE

Haras de Grandcamp resident **Dabirsim (Fr)**, who was the only first-season stallion to sire a winner at Royal Ascot, is currently leading the European freshman table, with eight winners from just 14 runners giving him not only an impressive winning strike-rate but also a clear lead by prize-money.

Heading the list of his runners is the Matthieu Palussiere-trained Different League (Fr), winner of the G3 Albany S. for Theresa Marnane, who also races Dabirsim's dual winner Cead Mile Failte (Fr). Another two new winners this week means that the son of Hat Trick (Jpn) is also currently leading the table for all French-based sires of 2-year-olds.

Dabirsim's British-based counterpart **Havana Gold (Ire)** has also made a promising start to his stud career at Tweenhills and has been represented by 11 individual winners to date from 27 runners. The best of these is Karl Burke's representative Havana Grey (GB), who added a second listed victory to his CV on Friday when bouncing back from a disappointing run at Royal Ascot to land Sandown's Dragon S.

Havana Gold is also the sire of the Royal Ascot Racing Club's Headway (GB), who prompted a great roar from his syndicate of owners when second to Rajasinghe (Ire) (Choisir {Aus}) in the G2 Coventry S.

The late **Society Rock (Ire)** has also sired 11 winners so far this season and currently sits in third place in the European table, well clear of **Lethal Force (Ire)** in fourth, while Ballyhane Stud's **Red Jazz** takes lower order by prize-money but has been represented by eight winners.

Getting off the mark with a first winner on the board within the last week were **Camelot (GB)**, **Al Kazeem (GB)** and **Dawn Approach (Ire)**.

Spark Plug | *Racing Post*

Spark Plug, who garnered last term's Sept. 24 Cambridgeshire H. at Newmarket, opened this campaign with a third in the Apr. 19 G3 Earl of Sefton S. back at Headquarters and lined up here coming off a second in the May 27 Listed Festival S. at Goodwood and a fifth in the June 17 Listed Ganton S. at York. Settling off the pace in sixth after an alert exit, he was pushed along to close in early straight and kept on strongly under a drive up the hill once weaving a passage through rivals for his bid inside the two pole to claim a career high in decisive fashion. "It's nice to get the old horse's head in front and I am delighted for David Kent who looks after him," said trainer Brian Meehan. "He has been very loyal and you don't often see that bond between horse and lad nowadays. Ryan [Moore] took him on the inside and he got a bit of luck coming through, but he's given him a beautiful ride. There are no big plans and I'm pleased to win this, but I am not sure where we will go next. We might look at a similar race at Newbury in a couple of weeks [July 22 Listed Steventon S.], but he does pick up a penalty [for that]."

Spark Plug becomes the third stakes winner produced by G1 Triple Tiara heroine Kournikova (Saf) (Sportsworld) and follows in the hoofprints of Listed Glencairn S. and Listed Cooley S. victress Pearl of Africa (Ire) (Jeremy) and Listed Silbernes Band des Rheinlandes winner Slight Advantage (Ire) (Peintre Celebre). Havana Grey | *Crimbourne Bloodstock Ltd.*

Listed Allied World Dragon S. Cont.

Havana Grey, who annexed the May 25 Listed National S. over this course and distance after breaking through going five panels at Ayr May 8, was off the board in Royal Ascot's June 22 G2 Norfolk S. last time and resumed a winning theme, penalised three pounds for that earlier stakes success, to double his black-type tally in this return. Bustled from the boxes to claim control after the initial strides, he held sway thereafter and kept on pwerfully under a drive once stirred into action approaching the final eighth to win with something in hand. "He's a very good horse, he has a great cruising speed and can also quicken off it," said winning trainer Karl Burke. "He's just got that fantastic turn of foot and I'm really happy he's shown it again. I'm very keen that we go for the [Aug. 2 G3] Molecomb at Goodwood. The owners were thinking about the [Aug. 23 G2] Prix Robert Papin [at Maisons-Laffitte], but I think the five furlongs of the Molecomb is perfect, rather than travel all the way to France with him."

Havana Grey, full-brother to a yearling colt and half to a colt foal by Fast Company (Ire), became the first stakes scorer for his freshman sire (by Teofilo {Ire}) with his Listed National S. win here and was produced by a winning half-sister to G3 Molecomb S. runner-up Fast Act (Ire) (Fast Company {Ire}). He hails from a family which includes G1 Irish 1000 Guineas victress and G1 1000 Guineas runner-up Al Bahathri (Blushing Groom {Fr}), herself the dam of five black-type performers headed by G1 2000 Guineas-winning sire Haafhd (GB) (Alhaarth {Ire}) and G1 Coronation S. runner-up Hasbah (Ire) (Kris {GB}). **Click for the Racing Post result**. **Video, sponsored by Fasig-Tipton**.

Staying on when in the clear in the straight, the 15,000gns TATFOA foal wore down the long-time leader Barbarianatthegate (GB) (Lethal Force {Ire}) inside the final half-furlong en route to a 3/4-of-a-length success. The first foal out of a half to four black-type performers of Kirsten Rausing's headed by the G1 Oaks d'Italia third Souvenance (GB) (Hernando {Fr}), Watheer who also hails from the family of Petoski (GB) has a yearling full-sister and a foal half-brother by Archipenko to follow. Extending in the final furlong, the €21,000 TIRSEP yearling and £100,000 GOFBRE 2yo hit the line with 2 1/2 lengths to spare over Our Little Pony (GB) (Bated Breath {GB}). Angling into open runway with three furlongs remaining, the 10-3 chance came under pressure to close approaching the two pole and was ridden out in the closing stages to assert by 1 3/4 lengths from Barford (Ire) (Big Bad Bob {Ire}). He is the second scorer out of a winning half to four-time stakes placegetter Camrose (GB) (Zafonic). RACING TO RESUME AT MUSSELBURGH

Musselburgh Racecourse has been given the green light to resume racing on Friday, July 14. The British Horseracing Authority (BHA) has granted the Scottish track a temporary licence until Dec. 31 while its governance structure undergoes an independent review. Initial refusal by the Musselburgh Joint Racing Committee to participate in such a review had resulted in Musselburgh's licence being suspended on June 30.

A statement issued by the BHA on Friday read, "This follows agreement from the Musselburgh Joint Racing Committee and East Lothian Council that an independent governance review should take place, with a nine-month timeline for completion and implementation of recommendations. Having had the opportunity to clarify some issues with the MJRC, the BHA is satisfied that its licence condition has now been met."

SEAHENGE (Scat Daddy) cost Messrs Tabor, Magnier and Smith $750,000 at Keeneland September and debuts away from the madding crowd on a busy Saturday that has drawn connections to Sandown. Aidan O'Brien's representative is a half-brother to the GSP Urban Bourbon (City Zip) out of a half to the GII Risen Star S. and GII Louisiana Derby winner International Star (Fusaichi Pegasus) and faces eight here.

3.20 Naas, Cond, €15,500, 2yo, 7fT

ROSTROPOVICH (IRE) (Frankel {GB}) takes this easier option than last weekend's G2 Railway S. and bids to add to his maiden win at Gowran Park last month for Michael Tabor and Aidan O'Brien. The 1.1million gns TATOCT half-brother to the operation's G1 Phoenix S.-winning sire Zoffany (Ire) faces a tough task against three potentially smart rivals including Jim Bolger's Curragh maiden scorer **Strike For Freedom (Ire) (Dream Ahead)**.

Gingernuts Being Primed for OZ Return Cont. from p1

Autridge said that Gingernuts is likely to be seen in the first of two barrier trials before he resumes racing on Aug. 1 at Te Teko.

"We're thinking he could run on the last two days of the Hawke's Bay Carnival and then go for the Caulfield Cup," he said. "But at the same time we are at the stage of looking through Melbourne programs and we'll take into account the path that recent Caulfield Cup winners have taken."

A year after sending out Caorunn (NZ) (Showcasing {GB}) to a narrow runner-up effort, trainer Shane Baertschiger rolled the dice and entered Be Bee, a maiden winner over the local Polytrack on debut just 11 days prior, in Friday's valuable Aushorse Golden Horseshoe S. at Kranji. Despite the quick turnaround, the expensive bay made the decision look wise as he swept to the lead inside the furlong and on to a convincing success at longshot odds.

Drawn gate one in the overflow field, Be Bee jumped well enough beneath John Powell and was with the early speed before easing back into a position slightly better than midfield into the turn as Charger took them along at a moderate tempo. Powell was able to ease his mount out and around the pace-pressing Captain Jamie (Aus) (Captain Sonador {Aus}) at the top of the lane, came to tackle Charger with a little better than 100m to travel and skipped away to a smooth success while jumping into his incorrect lead in the final couple strides. His final quarter-mile was covered in a race-best :23.08. Bringer of War, one of two fillies in the field, was kept in a pocket by Captain Jamie off the home turn and finished well once clear to be third.

"He had a lovely run though the race and he sprinted nicely to draw clear in the straight," said the wining jockey. "It was his first time on grass and there were a lot of horses who got lost. But he ran away from them once he flattened out and won really well. I've worked this horse from Day 1 and he always showed good ability. He was well prepared by...the team."

Pedigree Notes...

A full-brother to the stakes-placed Platinum Express, Be Bee was consigned by Haunui Farm, the Southern Hemisphere home to Showcasing, to the 2016 NZB Select Yearling Sale and was hammered down to Glen Harvey Bloodstock for NZ$200,000. Baertschiger signed the ticket on the October foal at NZB's Ready 2 Run Sale last November, going to NZ$250,000 after watching Be Bee breeze a furlong in a slick :10.67. The winner's second dam swept the 1992 juvenile 'Triple Crown'--the G1 Golden Slipper S., G1 Sires' Produce S. and G1 Champagne S.--en route to champion 2-year-old honours in Australia. A full-sister to MG1SP Helene Honour (Aus), Burst was herself a daughter of Sudden, the 1985 Blue Diamond Prelude winner and third in the G1 Blue Diamond S. My Other Woman was most recently returned to Showcasing, who stands the Northern Hemisphere breeding season at Whitsbury Manor Stud. Be Bee is his sire's 16th black-type winner and seventh in the Southern Hemisphere.
