ULYSSES AND CHURCHILL SIDESTEP CHAMPION

Ulysses will skip Saturday's G1 Champion S. | *racingfotos.com*

Saturday's G1 QIPCO Champion S. at Ascot will be without two big names after **Ulysses (Ire)** (Galileo {Ire}) and **Churchill (Ire)** (Galileo {Ire}) were removed from the equation by connections on Thursday. The former is set to head straight to Del Mar for the GI Breeders' Cup Turf that has long been the target of the Niarchos Family's G1 Eclipse S. and G1 Juddmonte International hero. With heavy rain a distinct possibility, connections of the G1 English and Irish 2000 Guineas winner Churchill have opted to go back to a mile for the G1 Queen Elizabeth II S. on the card, leaving Anthony Oppenheimer's Group 1-seeking colt **Cracksman (GB)** (Frankel {GB}) likely to occupy favouritism on the back of dominant wins in the G2 Great Voltigeur at York on Aug. 23 and G2 Prix Niel at Chantilly on Sept. 10. He is drawn in four, with the same stable's pacemaker **Maverick Wave** (Elusive Quality) next door in five. He is there to ensure a solid pace for Godolphin's G1 St James's Palace S. scorer **Barney Roy (GB)** (Excelebration {Ire}), who will exit from stall two under regular pilot James Doyle. Last seen finishing third behind Ulysses and Churchill in the Juddmonte International at York on Aug. 23, Barney Roy was reported in fine shape by Doyle.

"I sat on him at Kempton last week and he did his usual spin round--like he usually does 10 or 12 days out from his race--and he seemed perfectly well," he said. **Cont. p2**

INTERNATIONALS KEY TO CAULFIELD CUP

With a field of 17 declared for Saturday's A$3-million G1 Caulfield Cup (2400m), it appears likely that the international raiders are the ones to take note of this year.

After a slashing first-up run in Australia when beaten narrowly by Gailo Chop (Fr) (Deportivo {GB}) in the G1 Caulfield S. on Oct. 14, race favourite **Johannes Vermeer (Ire)** (Galileo {Ire}) is out to give trainer Aidan O'Brien his first success in the staying contest. A Group 1 winner over 1400m as a juvenile in the Saint-Cloud Criterium International, the Ben Melham-ridden Johannes Vermeer has backed up twice within the space of 11 days in the past, winning both times, and with the quick turn-around of seven days being a major concern here, the 5-year-old is a worthy favourite, although many of the other internationals hold appeal. Impressive when capturing the G2 Prix Kergorlay on Aug. 20, Hugh Bowman's mount **Marmelo (GB)** (Duke Of Marmalade {Ire}) by all accounts has been working extremely well at Werribee. **Cont. in Worldwide News p10**

Ulysses and Churchill Sidestep Champion cont. from p1

"It was a nice leg stretch around there and he feels like he has physically improved a touch for his little break since the Juddmonte. I'm quite excited. He's gradually getting the hang of it with each run--he's quite a slow learner, as you saw in the Eclipse when he got a bit lost and hit all the ridges wrong. He's quite a long-striding horse. In the Eclipse they didn't go any kind of gallop and I was always gaining on the horses in front of me, so it can prove a little bit tricky. We had to ride him a little more aggressively in the Juddmonte from the draw we had and because of the lack of the pace. I suppose we'll just hope for a bit of pace and I'll ride him like I did in the St James's Palace."

Trainer Richard Hannon added, "Barney Roy comes into this race fresh and well, having had a nice break since he ran at York. I just hope that we don't get too much rain, but we are very pleased with Barney Roy's physical well-being and he looks in great nick. We are looking forward to the race."

"He looks like he's taken the Arc very well and I think a truly run mile and a quarter will really suit him. Everything points to a good performance."

Of the older brigade, Saeed Suhail's G1 Irish Champion S. runner-up **Poet's Word (Ire)** (Poet's Voice {GB})--who comes into the race with bullish reports behind him--and Ballydoyle's six-times Group 1 winner **Highland Reel (Ire)** (Galileo {Ire}) are the pick. The latter will be joined by his G1 Epsom Derby-placed stablemate **Cliffs of Moher (Ire)** (Galileo {Ire}), while France is represented by Al Shaqab Racing's G1 Poule d'Essai des Poulains and G1 Prix du Jockey Club hero **Brametot (Ire)** (Rajsaman {Fr}), who was last seen finishing fifth in the G1 Prix de l'Arc de Triomphe at Chantilly at the beginning of the month. Habitually a slow-starter, he broke on terms there and looked a genuine threat in the straight until his stamina ran out. Rupert Pritchard-Gordon, Racing Manager for Al Shaqab in France, is hoping for a bold show from the race's dark horse. "Brametot did his last piece of work on Monday morning in Deauville and all the signs are good," he explained. "He looks like he's taken the Arc very well and I think a truly run mile and a quarter will really suit him. He comes into the race relatively fresh having only run twice since June and everything points to a good performance. Whether he's good enough to beat the likes of Cracksman we don't know, but if he repeats his form then he has a solid chance. He's got such a fantastic turn of foot and is so tough and honest that we felt if he came out of the Arc well then this would be the ideal race. He's already a dual Classic winner, and we're hoping he can finish on another high."

ACLAIM TO STAND AT THE NATIONAL STUD

Aclaim winning the Prix de la Foret | *Scoop Dyga*

This year's G1 Prix de la Foret winner **Aclaim (Ire)** (Acclamation {GB}--Aris {Ire}, by Danroad {Aus}) will enter stud next year at the National Stud in Newmarket.

Trained by Martyn Meade, Aclaim won his lone start at two and at three became his sire's highest-rated 3-year-old with a win in the G2 Challenge S. Aclaim improved further this year, finishing second in the G1 Prix Maurice de Gheest before winning the G2 Park S. and the Foret. Aclaim is the first foal out of the juvenile stakes-placed Aris, a half-sister to the G1 Irish 1000 Guineas winner and multiple stakes producer Again (Ire) (Danehill Dancer {Ire}). The third dam is Floripedes (Top Ville {Ire}), who produced the great Montjeu (Ire). Aclaim's stud career will be managed by John Ferguson and Mark McStay in conjuction with National Stud manager Tim Lane.

Ben Sangster, chairman of the National Stud, said, "how exciting to have a new stallion of such obvious commercial appeal joining the National Stud. I'd like to thank Aclaim's owners for having faith in us." The Duke of Roxburghe, who succeeds Sangster in January, said, "Having Aclaim on the roster is marvellous news. The National Stud is delighted to be standing a fast young stallion with Classic bloodlines and a bona fide chance of being a big success."

ZHUKOVA, INTRICATELY SLATED FOR TATTS

Group 1 winners **Zhukova (Ire)** (Fastnet Rock {Aus}) and **Intricately (Ire)** (Fastnet Rock {Aus}), as well as Group 3 winner **Only Mine (Ire)** (Pour Moi {Ire}), will be offered at the Tattersalls December Mares Sale on Dec. 4 to 7. All three mares are owned and raced by John Murrell and Chantal Regalado-Gonzalez and will be offered through The Castlebridge Consignment. Zhukova and Intricately are catalogued as out of training, and Only Mine is catalogued as in training.

"John Murrell and Chantal Regalado-Gonzalez have been wonderful supporters of Tattersalls for many years and it is a pleasure and a privilege to be offering three such outstanding fillies at the Tattersalls December Sale on their behalf," said Tattersalls Chairman Edmond Mahony. "All three boast top-class race records and pedigrees of true quality; a rare combination which will undoubtedly attract the attention of the world's leading owner/breeders."

Zhukova (lot 1868) won this year's GI Man O'War S. for Dermot Weld as well as a pair of Group 3s in Ireland. She is out of the G1 Irish 1000 Guineas winner Nightime (Ire) (Galileo {Ire}), whose €1.1-million yearling Ghaiyyath (Ire) (Dubawi {Ire}) won the G3 Autumn S. last weekend.

Intricately (lot 1549) won last year's G1 Moyglare Stud S. for trainer Joseph O'Brien. She is out of Inner Realm (Ire) (Galileo {Ire}), a half-sister to champion Rock Of Gibraltar (Ire) (Danehill).

Only Mine (lot 1864) won last year's G3 Lacken S. and has picked up two additional listed wins this year. She has won or placed in 13 of 17 starts and is from the top-class family of Group 1 winners Cerulean Sky (Ire) and Moonstone (GB).

The entire catalogue will be available online next week.

DABIRSIM FILLY ON TOP AT ARQANA

As was the case during the opening session of the Arqana October Yearling Sale on Tuesday, a daughter of leading French-based first-season sire Dabirsim topped trade during the sale's third session on Thursday. The price of €105,000 paid by Willie Browne on behalf of George Mullins for Haras des Granges's lot 512 was well off Tuesday's top price of €500,000 while the sale winds down, but statistics remain on par with last year. A total of 151 yearlings changed hands on Thursday for €3,958,500 at a clearance rate of 81.2%. The day's average of €26,215 was down 2.7% from last year's corresponding session, while the median climbed 10% to €22,000. Cumulatively, 408 lots have been sold this week for €19,474,500. The average is up 3% to €47,732, and the median is down slightly (3%) to €32,000.

Session-topping Dabirsim filly | *APRH*

Thursday's session-topping filly was bred by Mathieu Daguzan-Garros of Granges in partnership with Frederic Bragato, and Browne said after signing the ticket, "I am keen on the sire but above all, the filly appealed to me. She is a very correct individual with a lovely walk and a nice head."

Agent Federico Barberini paid €95,000, the day's second-highest price, for a colt by another popular French sire, Kendargent (lot 542). The Haras d'Ommeel offering is out of the American stakes-placed Hunter Forward (Aus) (Galileo {Ire}).

Pedro The Great is another French-based first-season sire who is catching the eye, and Jean-Claude Rouget, who handles his stakes-winning daughter Feralia (Fr), will also train lot 499 after securing him for €90,000. The sale was a memorable moment for breeder Alain Clavier, who had bred the colt's dam, Double Mix (Fr), as a result of a free nomination to Sagamix (Fr) won at a breeders' benefit. Double Mix was later sold on, but Clavier and his neighbour Roger-Yves Simon of Haras du Saz were able to get her back for €7,000 at the 2014 Arqana December Breeding Stock Sale. **Cont. p4**

This colt was the result of another free nomination secured at the same breeders' benefit.

"Again we won a nomination at the ASSELCO raffle, to Pedro The Great who is a sire we wouldn't necessarily have used," said Clavier. "This colt has always been so straightforward and as we have only a couple of yearlings every year, he was the apple of our eyes since the beginning. It is a great achievement for small breeders like us to sell a yearling at that price and to go to such a successful stable."

Other highlights of the day included an Iffraaj (GB) colt bought by Johnny Collins of Brown Island Stables for €82,000 (lot 466). A pair of colts by exciting young sires each fetched €80,000: lot 431, a Camelot (GB) colt who is a half-brother to three stakes horses and will race for Gerard Augustin-Normand and partners, and lot 517, a son of leading second-crop sire Nathaniel (Ire) out of a half-sister to Lope de Vega (Ire) who was bought by Eastern European agent Chris Richner.

FACT OF THE WEEK

TRIPLE THREATS

By John Boyce

It's surely a remarkable feat to sire the first three home in a Group 1 race. But it's been happening relatively frequently in recent years to warrant a closer look: three times in 2016 and on three occasions again in 2017. The latest sire to join this exalted club is **Dubawi**, who sired the first three home--Bateel, Journey and Left Hand--in the Prix Vermeille this September. Prior to that it was **Galileo** in the Prince of Wales's S. at Royal Ascot, where Highland Reel defeated subsequent Group 1 winners Decorated Knight and Ulysses. Even earlier this year Australian's newest super sire **Snitzel** got in on the act, emulating the great Sir Tristram by siring Sires' Produce one-two-three Invader, Summer Passage and Trapeze Artist. Galileo's high summer feat has given him a clear advantage in this particular race, which is confined to racing in the Northern Hemisphere and Australasia since 1972. Now on a score of six--one ahead of his great sire Sadler's Wells--Galileo deserves to be top of this group if not for his own tally then certainly for the fact that he's managed a clean sweep in perhaps the two races that count most in the European calendar: the Prix de l'Arc de Triomphe and the Derby. Remarkably, in the past five years, a one-two-three in a Group 1 has been achieved on nine separate occasions.

Wootton was acquired by Godolphin from breeder Haras de Quetieville after plundering his Aug. 22 course-and-distance debut by six lengths in his sole prior outing and registered a career high with another wide-margin success in this contest hallmarked by luminaries such as Montjeu (Ire), Domedriver (Ire) and La Cressoniere (Fr). Positioned off the pace in fourth before slipping to fifth at halfway, he made smooth headway on the bridle in the straight to arrive on the front end with 300 metres remaining and powered clear for mild urging thereafter to easily outclass overmatched rivals by daylight.

Wootton is the leading performer and sole winner produced by G3 Prix du Calvados placegetter American Nizzy (Fr) (American Post {GB}) and is half-brother to the yearling colt Hot Summer (Fr) (Sommerabend {GB}). American Nizzy is a granddaughter of Listed Prix Isola Bella victress Quittance (Riverman), who in turn is out of a winning half-sister to GISP GII Del Mar Invitational Oaks heroine Suivi (Diesis {GB}). **Click for the Racing Post result. GYLLEN (c, 2, Medaglia d'Oro--Miss Halory, by Mr. Prospector) broke well and raced on the front end from the outset of this first go. Turning for home with a narrow advantage, the 39-10 chance was stoked up passing the two pole and ran on strongly under a final-furlong drive to hold the late thrust of Boomboom Kiss (Fr) (Kentucky Dynamite) by a half-length. He is a son of Miss Halory (Mr. Prospector), who is a winning sibling of seven black-type performers headed by GII Toyota Blue Grass S. victor and MGISP sire Halory Hunter (Jade Hunter), and G1 National S. runner-up and G2 Futurity S.-winning sire Van Nistelrooy (Storm Cat).

NEW REPLAY TECH FOR CHAMPIONS DAY

A new HD replay system for British stewards will be used for the first time on British Champions Day at Ascot on Saturday. The system, which has been used by officials on the British and Irish Lions Tour of New Zealand and at the Super Bowl, facilitates multiple screen views of continually synchronised content from up to 16 HD cameras. The playback footage is controlled via a touchscreen system. The system has been developed by Belgian company EVS and will gradually be rolled out at all of Britain's 59 racecourses from Apr. 1, 2018.

Paul Barton, Head of Stewarding at the BHA, said, "The new EVS system gives the stewards every possible angle at the touch of the button, and will make the post-race review quicker and more comprehensive than it has been previously. It will also allow for more footage to be called on in an enquiry, if required, and give stewards and participants clearer evidence on which to base their discussions and decisions."

Internationals Key To Caulfield Cup cont. from p1

Although he may be better suited by the 3200m of the G1 Melbourne Cup on the first Tuesday in November, the lightly raced entire could be the one at very good odds to take the prize. A winner first-up on Apr. 30 in the Prix de Barbeville, having not started since the October of the previous year, Marmelo's victory over 3000m at Group 3 level by 2 1/2 lengths indicates he is a galloper of quality and although he does have to carry second top weight of 55kgs, it is still a drop on the 59 he carried in his Prix Kergorlay performance.

Two mares have recorded victory in the race in the last six years and with four running on Saturday, all appear to have very good chances headed by dual Oaks winner **Bonneval (NZ)** (Makfi {GB}) and last-start G3 Bart Cummings S. winner **Amelie's Star (Aus)** (Testa Rossa {Aus}). Pulling up lame in last Saturday's G1 Caulfield S., but since cleared by the vet, Bonneval has been one of the leading players in the betting ahead of the race, and with two wins from two attempts at 2400m, the Murray Baker and Andrew Forsman-trained mare appears to have an undeniable chance, especially with the added bonus of the in-form Kerrin McEvoy in the saddle.

Bonneval looks to bounce back from defeat in last weekend's G1 Caulfield S. | *Bronwen Healy*

Darren Weir, Craig Williams and 51kgs--Amelie's Star has a lot of positives going for her leading into the race and with three starts at 2400m-plus, the mare has been victorious on each occasion, highlighting that if the top weights start to struggle when the whips are cracking, she will be more than capable of toughing it out.

A winner of the G1 ATC Derby in April, **Jon Snow (NZ)** (Iffraaj {GB}) gives the formidable Baker and Forsman team an outstanding 'second stringer' to Bonneval. Third in the G1 New Zealand Derby (2400m) behind Gingernuts (NZ) (Iffraaj {GB}), a victory in the G2 Tulloch S. (2000m) proceeded his ATC Derby win where he defeated **Hardham (Aus)** (Redoute's Choice {Aus}), who he will oppose on Saturday, into third. The entire is ready to show his best now up to the 2400m.

Having been racing in Australia since May, the David and Ben Hayes and Tom Dabernig-trained **Ventura Storm (Ire)** (Zoffany {Ire}) proved in the G1 Turnbull S. on Oct. 7 with his second to Winx (Aus) (Street Cry {Ire}) that he's crying out for the 2400m and with a Group 1 victory under his belt at the trip, a win by the 5-year-old would be the first for the Hayes family since Tawqeet (Kingmambo) took the prize in 2006.

FOURTEEN TRY TO PEAK IN VALLEY VIEW

Journey Home | *Benoit Photo*

by Joe Bianca

A full field of 14 sophomore turf fillies line up in Friday's GIII Pin Oak Valley View S., where the toughest task may be making a morning line in the wide-open event.

The horse given the slight favoritism nod at 5-1 is James M. Miller's **Lovely Bernadette** (Wilburn), who comes off a win in the Indiana Grand S. last out Sept. 6, beating several of today's rivals. Prior to that, she was third in a pair of stakes, both times behind a pair of re-opposing foes, finishing third in the GIII Pucker Up S. and Ta Wee S.

First in the Pucker Up was Agave Racing Stable's **Fault** (Blame), a $50,000 claim for Michelle Lovell earlier this year who came to hand over the summer. She followed her Arlington heroics with a good third at nearly 15-1 in the GII Sands Point S. Sept. 16 at Belmont.

Sam-Son Farm's **Journey Home** (War Front) started her career two-for-two, taking last November's GIII Jimmy Durante S. at Del Mar, but has gone just one-for-six since. **Sweeping Paddy** (Paddy O'Prado), a dominant winner of the GIII Regret S. June 17, tries to bounce back after finishing last of 10 in Saratoga's GIII Lake George S. July 21.

TDN Q&A: GONCALO BORGES TORREALBA

In 2016, Three Chimneys Farm and the Breeders' Cup paired to introduce and present the 'Breeders' Edition' of the Breeders' Cup trophy to the breeder of the winner of each World Championship race. With the farm continuing to recognize breeders in 2017, Ben Massam of the TDN sat down with Chairman Goncalo Borges Torrealba to discuss the importance of breeders to both Three Chimneys and the industry as a whole.

TDN: Three Chimneys is the presenting sponsor of the 'Breeders Edition' trophies at the Breeders' Cup. Why did you decide to recognize breeders this way?

GT: I come from Brazil, and in South America, we do not make a distinction between owners and breeders. When any horse wins a graded stakes, there are two exact replicas presented to the owner and breeder. To me, it was a bit difficult to adapt to the culture of only presenting a trophy to the winning owner. When I saw the opportunity at the Breeders' Cup, I thought it would be interesting to recognize the breeders. Not to take anything away from the owners, but we need breeders. **Cont. p4 (click here)**

MACPHERSON HAS FASIG 'SURRENDER' PLAN **5**

Jessica Martini talks to Canadian breeder Elaine Macpherson, who talks about her background and the success she's had with broodmare purchase Surrender (Stormy Atlantic).

NO JOKE: DISTORTED HUMOR COLT A RISING STAR **RR**

Stretching out to two turns for the first time, WinStar Farm's Quip (Distorted Humor) ran away from his rivals in the final furlong to become the newest 'TDN Rising Star' at Keeneland.

Michael House's **Fizzy Friday (GB)** (Royal Applause {GB}) is an intriguing longshot. Brought over from Ireland after taking the first two outings of her career, the bay is winless in four North American starts, but ran big when second in the Riskaverse S. Aug. 24 at Saratoga, getting her last quarter-mile in :21.84. Prior to that, she was fifth in the Lake George, coming home in :28.09 for her final five-sixteenths.

Defiant Honor (Speightstown) captured the Risakverse, but will need to rebound after checking in last of eight in the Sands Point.

Three Diamonds Farm's progressive **I'm Betty G** (Into Mischief) has a big chance. Off the board in three dirt starts to open her account, the $150,000 Fasig-Tipton Midlantic buy has been in the trifecta in all four starts since moving to turf, finishing second at 23-1 in the Indiana Grand and third at 10-1 last out in the GIII Commonwealth Oaks Sept. 30 at Laurel.

Finally, a pair of fillies with no stakes experience also merits looks. Clairborne Farm homebred **Chastise** (Blame) broke her maiden over this course last October and pulled off a 21-1 shocker Aug. 19 at Saratoga in her only start as a 3-year-old thus far. Don Alberto Stable's **Dolce Lili** (Scat Daddy) moved forward steadily in four turf starts this summer at Monmouth and stamped herself as a promising sort with a powerful allowance score there Sept. 10.

TDN Q&A

TDN: On a surface level, some who aren't as familiar with the game might define success solely as brilliance on the racetrack. Do you think that success can also be defined as a mastery of bloodlines or accomplishments in the breeding shed?

Goncalo Borges Torrealba | *Keeneland photo*

GT: There is not one without the other--we are all interlinked. Breeders, owners, trainers and jockeys are all part of a big family that loves horses and horse racing at the end of the day. Obviously, there is no racing without breeding. For me, personally, I love both the racing and breeding aspects. I started as an owner and became a breeder. Since then, I have loved coming to the farm and looking at my broodmares, the weanlings and the yearlings.

TDN: Perhaps the answer to this question is obvious, but why is the Breeders' Cup so important to breeders?

GT: The Kentucky Derby is a great event, but it is basically restricted to 3-year-old colts. The Breeders' Cup caters to all kinds of surfaces, distances, sexes and abilities. It's the total deal--it's where Horse of the Year is crowned and it's where Eclipse Awards are decided.

TDN: Will Take Charge and Strong Mandate are off to a fast start at the yearling sales. Are you pleased with the reception you've gotten to this point?

GT: We could not have been more pleased. I can tell you that we did not expect what we've seen through the year. The reception to the Will Take Charges was stellar and the Strong Mandates have been unbelievable. I think he averaged 10 times his stud fee, and as you know, it's a very competitive market.

Will Take Charge | *Louise Reinagel*

TDN: How meaningful is loyalty from breeders and returning clients when you think about a blueprint for long-term success at Three Chimneys?

GT: Loyalty is what we're aiming for. We're here trying to bring the best horses at reasonable prices, so that our clients will come back. So far, it's been very good. Three Chimneys has a long history, standing Seattle Slew, Dynaformer, Rahy--it's an endless list, really. What we're trying to do is keep on going. Breeding is where it all starts--you raise a horse, then you break him and everything else follows. That's how it starts.

TDN: What is your outlook for the immediate future?

GT: Next year, we have Palace Malice and Fast Anna's first foals as yearlings. So far, so good. We're keeping our fingers crossed. Hopefully we can give some of those breeders the trophies for the 2-year-old races. ***(Return to p1)***

MACPHERSON HAS FASIG SURRENDER PLAN

by Jessica Martini

Canadian breeder Elaine Macpherson admitted she decided to "bite the bullet" when purchasing the 5-year-old mare Surrender (Stormy Atlantic), in foal to Morning Line, for $40,000 at the 2014 Keeneland November Sale. The investment began to look shrewd two years later when the mare's Morning Line foal became impressive Landaluce S. winner Surrender Now. Through the Warrendale Sales consignment, Macpherson will offer her second foal out of the mare, a colt by first-crop sire Fed Biz, as hip 361 at next week's Fasig-Tipton October Fall Yearling Sale.

An accomplished equine artist, Macpherson admitted her love affair with racing started at a young age.

"The first thing I ever drew, when I was 4 1/2 years old, was a running horse," Macpherson said. "I actually still have the little crayon drawing. Neither one of my parents were interested in horses, but I was always in love with them. I grew up in Toronto and every day when I came home from school, I was eight years old, the radio station, CFRB, would have the 'Call to the Post' and they would announce the race results. I would say to my mom, 'My people are calling me.'" **Cont. p6**

Elaine Macpherson cont.

Macpherson attended Ontario College of Art and went directly from graduation to Woodbine.

"I met with Bruce Walker, who was the publicity director at the time, and I showed him my portfolio," Macpherson said. "A week later, I was at the advertising corporation that was doing the work for Woodbine and they hired me to do a bunch of drawings for horse racing ads for *The Globe and Mail* and *The Telegram*."

While plying her trade as an artist for 'horsey' clients like The Ontario Jockey Club and Barrington's Horse Store, Macpherson continued to keep an eye on the Thoroughbred world, acquiring racehorses and retraining them for dressage. Eventually, she decided it was time to take her dream full time.

Surrender Now | *Benoit*

"I had an advertising studio in Toronto and I kind of hit a mid-life crisis," she recalled. "I decided I wanted to move out west and realize my life's dream, which was to own a horse farm and breed Thoroughbreds. I moved out to Alberta--that was right after the 1989 Olympics. The Olympics had been in Calgary and I thought, 'Boy, everybody there looks like they are having a lot of fun.' I bought a horse farm with a cousin of a friend of mine that I had been in business with in Toronto. We built a little racetrack, so it was for legging up horses in the spring before they went to the track."

Macpherson had almost immediate success as a breeder. The first mare she acquired was Shy Beauty (Great Gladiator), who produced the hard-knocking sprinter Timely Ruckus (Bold Executive) in 1993. Sold for $10,000 at the CTHS Alberta Yearling sale, the dark bay gelding went on to win 17 stakes in western Canada. **Cont. p7**

Elaine Macpherson cont.

"I think he was sprint champion five years' running," Macpherson said of Timely Ruckus. "He raced until he was eight years old. When he was six, he broke the track record for 6 1/2 furlongs and it stood for 18 years.

"Then I started thinking I really knew what I was doing," Macpherson, who is also breeder of stakes placed Tidal Mist (Numaany), laughed. "I started picking away, buying a horse here, buying a horse there, selling some horses in the yearlings sale. As time went on and given the current market, I realized I was going to have to start buying better stock and breeding to better stallions and just move up the ranks that way."

Elaine Macpherson with stakes placed Tidal Mist as a yearling

Macpherson had the plan to upgrade her stock as she attended the 2014 Keeneland November sale and, with the help of bloodstock agent Gayle Van Leer, came home with Surrender.

"I was wandering around at Keeneland looking at this horse and that horse and this pedigree and that pedigree," Macpherson said. "I asked Gayle to look at her. I said, 'She has some sparkle about her that I really like.'"

Macpherson had one more request of her bloodstock agent.

"I said to Gayle, 'You have to bid,'" she explained. "I can't bid on horses. I just lose my mind--I thought, 'There goes my house, my farm.' When I bought Surrender, I really bit the bullet to buy her. I said the first foal should be named Don't Tell Harvey because he's my husband and I bought this horse without him knowing."

Surrender Now, the mare's second foal and first for Macpherson, became the breeder's highest-priced sale to date when selling to pinhooker Bruno DeBerdt for $40,000 at the 2016 Keeneland September Yearling Sale. The filly brought $220,000 from Gary Hartunian's Rockingham Ranch at this year's Barretts March Sale. A debut winner at Santa Anita in June, the bay filly romped home by eight lengths in the July 2 Landaluce S.

Asked what it was like to watch Surrender Now's Landaluce victory, Macpherson said, "Thrilling. It was thrilling like you couldn't believe. I was screaming at the computer so loud I couldn't talk for three days after that."

With the help of Van Leer, Macpherson chose multiple graded stakes winner Fed Biz for Surrender's next mating. The resulting yearling will head through the Fasig-Tipton sales ring during Monday's first session of the October sale.

"He is a big, lanky horse," Macpherson said of the yearling. "He's definitely going to be a two-turn horse--I don't see any sprint to him at all. He is huge. He is a strong-bodied, big-boned horse."

Macpherson's 'Young Turks' at Northlands Racetrack

While Surrender failed to get in foal last year, the mare is currently in foal to GI Breeders' Cup Dirt Mile winner Tamarkuz (Speightstown).

Macpherson maintains a commercial broodmare band of between five to 10.

"They are in Kentucky, they are in Ontario, they are in California and they are here in Alberta, so I pay a lot of trucking bills," she said of the band. **Cont. p8**

"I have a house in California, so I go down there in the winter. I do a lot of the bronzes for Woodbine for their stakes awards, so I go down to California to create in the winter time and then I'll bring a couple or three mares back for the summer and just look after them. They are kind of all over the place, that's why I don't want to have too many because it gets pretty expensive in board. But I've got about 15 mares picked out to look at at the November sale at Keeneland."

Macpherson has high hopes for the future.

"Gayle has become a real friend of mine and a really good asset when we are looking at horses to breed to and mares to buy," she said. "She introduced me to Kitty Taylor at Warrendale and she sells my horses. We have done quite well. I think we're going to get better and better as we go along here."

The Fasig-Tipton October sale gets underway Monday at Newtown Paddocks and continues through Thursday with sessions beginning daily at 10 a.m.

ANDERSON FARMS: QUALITY ON THE CLIMB

by Michael Adolphson

Canada's complex racing and breeding landscape is lush with history and established, accomplished operations. Few Ontario-based farms have ascended to such standards in the last few years more impressively than Anderson Farms, which has admirably managed to function as a boutique operation while leaving its fingerprints virtually all over the industry. Maxing out at just 25 broodmares, the breed-to-sell program--owned, managed and executed by David Anderson--has made its mark through decades of horsemanship and appears poised to leave even more.

The cherry on the 2017 season thus far for Anderson and his team, which includes bloodstock agent Marette Farrell, was the Keeneland September Sale. Taking 16 homebreds to Lexington, the enterprise sold 10 of those, including five for six figures or more and a $1.1 million Scat Daddy colt (hip 578) to Coolmore. Other highlights included a $500,000 Will Take Charge colt (hip 1824) to International Equities Holding of Sumaya U S Stable's Oussama Aboughazale, and hip 1727, a $400,000 Hard Spun half-sister to Gary Barber's impressive GIII Mazarine S. winner Wonder Gadot (Medaglia d'Oro), whom Anderson had sold for $80,000 at the 2016 sale and who may now be Breeders' Cup-bound.

"It's been an amazing year for us, obviously, and at Keeneland we had the most depth and best group of horses we have ever gone to a sale with," Anderson said.

The Anderson-consigned hip 578 at Keeneland September
Keeneland photo

"That Scat Daddy was probably the best horse we have ever bred off our farm, but I just didn't know how he would stack up against the best yearlings in the world. The Will Take Charge is an outstanding individual and we did not want him to get out-shined by the Scat Daddy, so we had him back in book three. We are really high on the Hard Spun filly, especially now after watching what Wonder Gadot did last week. As a breeder, that's all you can hope for, especially with the Scat Daddy being the first foal out of Orchard Beach (Tapit). Hopefully she's got a long career ahead of her with us. We knew we had quality horses to sell, so we wanted them to go to the right people and right trainers who would take care of them."

Seven years ago, David's father Robert passed away, leaving the operation of Anderson Farms in his control. Wanting to do the Anderson Thoroughbred legacy--established in 1969 by his father--justice, David, 48, decided to rebuild it from the ground up. That included trimming the proverbial fat and focusing on a quality-over-quantity execution. Anderson sold off all but one broodmare, stakes-producing Flawless Diamond, and then began studying the breeding stock sales, beginning with Keeneland January 2011.

"We are fully rebuilt up, but are always striving for better mares," Anderson explained. "I'm definitely looking forward to it getting even better. We are looking at Keeneland November now and we always try to look at every single animal at the sale and leave no stone unturned. I buy wherever I can if it's the right horse, no matter what sale it is. I can't afford to buy top-end mares off the track, so we really have to shop harder and look for value on a limited budget. We look for sisters and daughters of those Grade I winners we can't afford and we never compromise pedigree for confirmation. At the end of the day, 90% run to their pedigree in some way. **Cont. p9**

Anderson Farms cont.

Anderson added, "You may not get it first foal or first time out, but eventually you get there over the long haul."

Anderson's sales team is a quintet led by Farrell, whose successes have been impeccable in her own right over the last few years.

"Marette has an eye as good as anyone," he continued. "Her record speaks for itself and you could see it this past year with [Grade I winner] Zipessa (City Zip), [champion] Champagne Room (Broken Vow) and [Grade I winner] Collected (City Zip). She was with me at that first sale after my father died and we actually bought Wonder Gadot's mother and the grandmother to my Scat Daddy there. She finds the needle in the haystack."

David Anderson
twitter.com/@tipperary11

Anderson, who "grew up on the farm," also breeds prized Percherons and Clydesdales at said St. Thomas, Ontario, facility. While they often compete in the United States, his Thoroughbred operation sells and races all over the world. The proud Canadian is quick to point out, though, that their Ontario roots remain vital to this recent collective surge of success.

"It's kind of my hidden secret," he said. "There are so few horses comparably being foaled in Canada and I think we have a tremendous program here. Our purses are strong and we have an unbelievable facility at Woodbine, especially the E. P. Taylor turf course. It's a real advantage for anyone trying to produce the best horse they can."

In addition to its success with Wonder Gadot and through the sales ring this year, Anderson Farms also bred stakes winners Inflexibility (Scat Daddy) and Financial Recovery (Street Cry), as well as promising upstarts Mill Road (Quality Road), Fragrance (Malibu Moon) and Grace and Dignity (Animal Kingdom), who became a '**TDN Rising Star**' when dismantling a Woodbine allowance field by 5 1/4 lengths Oct. 18. The final four of those were all horses who failed to sell for Anderson and subsequently partially sold to race with trainer Catherine Day-Phillips, with no lack of fingers crossed, in their colors. The farm also bred and sold the dam of this summer's Prince of Wales S. winner Cool Catomine (Spring at Last).

"I am a commercial breeder and try to sell everything I breed," Anderson said. "If I don't sell them for one reason or another, I piece them up among friends and just try and have a little fun with them. This year we got really lucky with some of those misfits who turned out to be very nice horses and who knows how good that Animal Kingdom will be. I think that says a lot about our program.

"It's a lot of hard work and many people think you can walk in and spend $10 million and it happens overnight," Anderson concluded. "The absolute key to this game is--and I can't stress this enough--to be patient. I feel like for us, or at least hope, that it's only going to get better."

WINSTAR ANNOUNCES 2018 FEES

Officials at WinStar Farm have announced the 2018 service fees for its 22 stallions, led by its six-figure stalwarts **Pioneerof the Nile** (Empire Maker) and **Speightstown** (Gone West).

The sire of Triple Crown winner American Pharoah and Eclipse Award-winning juvenile Classic Empire, Pioneerof the Nile currently ranks number four among North American-based sires at this year's yearling sales with an average of $345,511. Pioneerof the Nile will once again command a fee of $110,000.

Speightstown is enjoying another typically strong season and is responsible for 11.3% black-type winners from starters, ranking him second only to WinStar's Distorted Humor among North American stallions with a minimum of 500 starters in 2017. He is eighth on the list of leading yearling sires with an average of $248,307. He will stand the 2018 breeding season for $100,000, same as 2017.

Bodemeister (Empire Maker) will see his stud fee raised to $40,000 following the exploits of 2017 GI Kentucky Derby hero Always Dreaming. The number one second-crop sire this season, Bodemeister is also responsible for GSW & GISP American Anthem and '**TDN Rising Star**' Zulfikhar.

"Over the course of the last 12 months, WinStar stallions have made as big of a mark as ever on our industry, especially on the biggest stages," said Elliott Walden, WinStar President & CEO. "On the track, our stallions have been responsible for three Breeders' Cup winners and another Kentucky Derby winner, among other Grade Is that everyone wants to win. In the sales ring, WinStar stallions continue to reward breeders unlike any other stud farm, with three active sires in the top 10 in North America by 2017 yearling average, and seven in the Top 30.

He added, "We've also had terrific response from breeders since launching our WinStar Incentive Network, or 'WIN', program nearly a year ago. The tremendous racing success since last year's Breeders' Cup has earned over 60 of our breeders more than $1.6 million in 'WIN' awards. The present and future at WinStar are both extremely bright, and our mission is to continue to offer breeders stallions of the highest quality, and reward those breeders for their success."

The fee for **Creative Cause** (Giant's Causeway), sire of four 2-year-old stakes winners in 2017, will be announced at the conclusion of the Breeders' Cup.

"These are very exciting times for us at Airdrie," commented Jones. "We really believe we have enormous potential with our young stallion roster and I don't believe we've ever had a first-year stallion ignite the marketplace the way that Cairo Prince has. We couldn't be more bullish on our future and we're proud that we feel we give our breeders as good a chance as anyone to profit both in the sales ring and on the racetrack."

Trying older stakes company for the first time, Big Bend was given a heads-up ride by California-based Drayden Van Dyke and managed to outstay his rivals in Thursday's GIII Sycamore S. at Keeneland.

Showing some early interest after breaking uneventfully from post 11, Big Bend--in receipt of between three and five pounds from the competition--took up a position slightly better than centerfield from fifth as the leaders laid down 25-second sectionals through the first half of the race. Three deep and facing the breeze nearing the end of the backstretch for the second time, Big Bend advanced leaving the home turn to challenge for the lead outside of Flashy Chelsey (Flashy Bull) at the three-sixteenths marker. Staying on nicely from there, Big Bend rolled into the final eighth of a mile with a clear lead and held sway as Nessy took a run at him late.

Runner-up in four tries over the main track to begin his career, Big Bend graduated in his first grass appearance at Tampa this past February. Consistent without finding the winner's circle in three tries thereafter, the bay--carrying the same silks as his sire--took a 12-furlong Delaware allowance by four lengths July 13 and most recently defeated his peers in the Dueling Grounds Derby over an extended mile and a quarter Sept. 10.

LADY ELI ANOTHER JEWEL IN HILL 'N' DALE CROWN *by Lucas Marquardt*

Before the Hammer is a series presented by Keeneland that spotlights consignors, their stories of success and their featured offerings at the upcoming Keeneland November Breeding Stock Sale.

With three sale toppers on the ledger, John G. Sikura's Hill 'n' Dale Sales has made a habit of trading in excellence at the Keeneland November Breeding Stock Sale. From the November-record $10.5 million **Playful Act (Ire)** ('07), to the $4.5 million **Pure Clan** ('12), to the $6 million **Take Charge Brandi** ('15), Hill 'n' Dale has sold some of the most prized breeding stock of recent times. On the second day of the 2017 renewal, Wednesday, Nov. 8, Hill 'n' Dale returns with another rare gem. That's when Sheep Pond Partners's **Lady Eli** (Divine Park) enters the ring as Hip 271, closing a chapter in a back-from-the-brink story that has captivated the racing world.

Lady Eli | *Sarah K. Andrew*

"If you wrote a script, you couldn't do better than Lady Eli's story," Sikura said earlier this week. "It's almost fiction, it's so good."

That story is well known but bears repeating. Lady Eli was a talking horse at Saratoga even before her debut, and when she soared to victory in the 2014 GI Breeders' Cup Juvenile Fillies Turf, she gave credence to those who were saying that this was a horse with special talent.

"I thought she was the best 2-year-old grass filly I've ever trained off [her first turf] breeze," trainer Chad Brown told the *Daily Racing Form* after the win.

Lady Eli was still undefeated nine months later when she aired in the GI Belmont Oaks in a manner that suggested we hadn't even seen her best yet. Then, on the way back from the test barn after the Oaks, she stepped on a nail in the horsepath. Within a day, she developed laminitis in her right front, and then her left. For weeks, her connections hoped their star filly would live. Which made her recovery and return to racing that much more remarkable.

By December 2015, Lady Eli was back jogging. She finally faced the starter 13 months after her injury in the 2016 GII Ballston Spa S., losing her unbeaten record but little else in a stirring comeback that saw her run second by 3/4 of a length. If doubters remained, her win in the GI Flower Bowl a start later put the official stamp of greatness on her.

John Sikura | *Keeneland photo*

"It's so rare for horses to come back to prior form from something like that," said Sikura. "There are rare examples--Personal Ensign, who had screws in her ankle, comes to mind--but it takes a special horse."

Lady Eli ran second in last year's GI Breeders' Cup Filly and Mare Turf, and was second again on seasonal return in the GI Coolmore Jenny Wiley S. in April. Since then, all marks have come in the win column: the GI Gamely S., the GI Diana S., and the GII Ballston Spa S.

"To see that full recovery, not only in health but performance…is a credit to the team around her, and to the endeavor of breeding horses," said Sikura. "You get a rare one like this and it's special. We're honored to have her."

Next up for Lady Eli: the Breeders' Cup Filly and Mare Turf once again, and a return to the Keeneland sales ring, where she's been twice before. She sold for $160,000 in 2013 as a September yearling to Bradley Thoroughbreds, and for the same amount at the 2014 April Sale to Jay Hanley. Sikura is confident buyers will appreciate this third go-round.

"Physically, she's a beautiful mare," he said. "She's big, strong and stout, but she's also elegant. From a pedigree perspective, she's wide open to breed to--War Front, Galileo (Ire), Medaglia d'Oro, Kitten's Joy--any of those elite turf sires. It goes back to a very deep Runnymede family. She's everything you look for in a mare."

Before the Hammer
Presented by KEENELAND

Hill 'n' Dale's November Sale draft goes deeper than Lady Eli, of course, and recently became much deeper when it was announced that the impeccably bred **Twirl (Ire)** (Galileo {Ire}) would be supplemented to the sale as Hip 366A. Twirl, in foal to Curlin, is a stakes-winning full-sister to champion and Classic heroine Misty For Me (Ire), who in turn is the dam of Roly Poly (War Front) and U S Navy Flag (War Front), triple and dual Group 1 winners in 2017, respectively.

Hill 'n' Dale has always had a strong weanling presence at November--six of the top 11 weanlings fillies ever to sell at the November Sale hailed from a Hill 'n' Dale consignment--but 2017 sees the Lexington-based nursery take a slightly different tack. Hill 'n' Dale is still packed with high-end weanlings, but has cut down significantly, by about half, the number brought to auction.

Twirl | *Racing Post photo*

"I think last year, our whole draft of weanlings was a bit intimidating," said Sikura. "I don't think the market could absorb all of them. We sold a Violence colt for $70,000 who brought $725,000 [at the Keeneland September Sale].. We handpicked horses to suit the sale, and with the strength of the September market, I'm glad we did. So we're selling many fewer weanlings, but they're elite prospects."

Moonlit Promise wins Woodbine's Sweet Briar Too S.
WEG/Michael Burns

One standout figures to be Hip 332, a colt by Tapit out of the Grade III winner Smart Surprise (Smart Strike).

"He's a fantastic horse," said Sikura. "and he's got a pedigree that's really improving. His 3-year-old Bernardini half-brother, Robusto, just won by 13 lengths [at Gulfstream Sept. 29 for trainer Todd Pletcher]. His 4-year-old half-sister, Moonlit Promise (Malibu Moon), just won another stakes, and the [unraced] 2-year-old half [Early Light, by Malibu Moon] just worked a bullet five furlongs. And it's the immediate family of A.P. Indy, so it's a stallion's pedigree."

Hill 'n' Dale was the leading consignor at Keeneland November in 2015, with 97 sold for receipts of $28,392,700, and is coming off a big 2016 November. Sikura and company sold Feathered (Indian Charlie) in foal to War Front for $2.35 million to Summer Wind Equine, and sold a pair of seven-figure weanlings. The War Front--Drifting Cube (Aus) colt went to M.V. Magnier for $1.45 million, and the Tapit--Serena's Cat half to Honor Code went to Baccari Bloodstock for $1.05 million. After a record-breaking September Yearling Sale, Sikura is optimistic 2017 could be ever better.

"I think the whole sale will be buoyed by the strength of September," he said. "That was the most electric atmosphere I've felt in an arena in 10 years. You had to jump through all the hoops, but if you did, you were rewarded in a way that you haven't been in many years. Those are the kind of sales years you need. It not only gives breeders the capital to reinvest, but also the confidence to do so. With everything that's being offered in November this year, I don't know how you could miss being here."

DISTORTED HUMOR'S QUIP ROMPS TO RISING STARDOM

Quip dominates the seventh race at Keeneland | *Coady*

Quip (Distorted Humor) kept his perfect record in tact with a coast-to-coast victory in his first try against winners, streaking home to become the newest "**TDN Rising Star**" and the first for trainer Rodolphe Brisset, who went out on his own in February after serving as an assistant for Hall of Famer Bill Mott.

Graduating by a head in his six-panel unveiling at Churchill Downs Sept. 23, Quip was installed as the 9-5 second-choice while navigating added real estate here. Jockey Florent Geroux acted quickly when Quip's inside neighbor began to float out going into the first turn, taking back and tucking his mount in towards the rail. Seizing command, Quip floated along through early fractions of :24.05 and :48.45 while displaying some greenness. Showing the way into the lane, the bay fought Geroux a bit about switching his leads, but kicked into another gear once he changed leads in mid-stretch. Drifting out a few paths in the lane, Quip was kept to task by Geroux and cruised home a much-the-best winner. It was 6 1/2 lengths back to runner-up Boxing Glove (Alternation).

Breeder and part owner WinStar Farm purchased the winner's dam Princess Ash (Indian Charlie), a half-sister to GISP Normandy Invasion (Tapit), for $200,000 at the 2013 Fasig-Tipton July Horses of Racing Age sale. Quip is her first foal and she has since produced a yearling filly by Speightstown and a weanling filly by Distorted Humor. The 8-year-old mare was bred back to MGISW and "**TDN Rising Star**" Constitution.

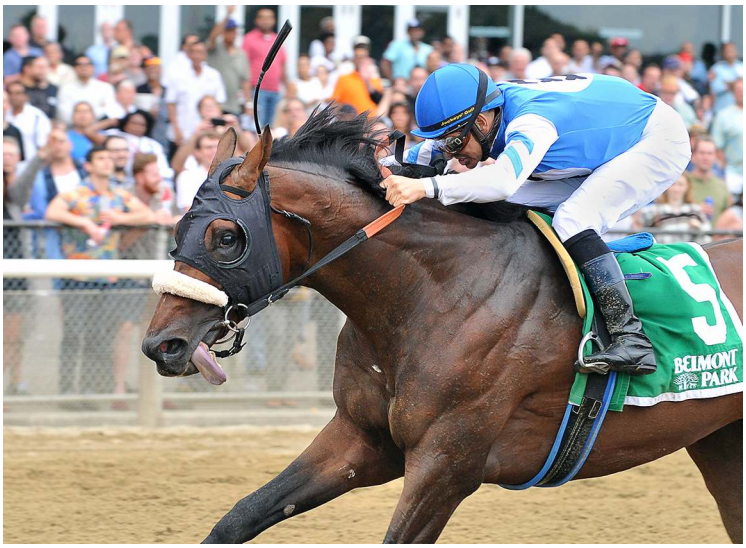
GRADE I WINNER EFFINEX DIES IN STALL



Effinex | *Sarah Andrew*

Multiple graded stakes winner **Effinex** (Mineshaft--What a Pear, by E Dubai), recently moved to McMahon of Saratoga Thoroughbreds to take up stud duty in 2018, died suddenly in his stall Wednesday. He was 6-years-old. An autopsy was performed by Rood and Riddle Veterinary Associates, which determined the cause of death was an acute rupture of the pulmonary artery.

"Effinex died very suddenly Wednesday evening in his stall from natural causes," said Joe McMahon, owner of McMahon of Saratoga Thoroughbreds. "This is a huge personal loss to his owner-breeder Dr. Russell Cohen. He truly loved his horse. The passing of Effinex is also a terrible loss to the New York Thoroughbred breeding community, as well as to all of us at McMahon of Saratoga."

Effinex won nine of 28 starts in his racing career for earnings of $3,312,950, highlighted by his victory in the GI Clark H. in 2015 and runner-up finish at 33-1 to Triple Crown winner American Pharoah (Pioneerof the Nile) in that year's GI Breeders' Cup Classic. He stood his first season at stud in 2017 at Questroyal North in New York.

DANZING CANDY TO STAND AT RANCHO SAN MIGUEL

Multiple graded stakes winning **'TDN Rising Star' Danzing Candy** (Twirling Candy--Talkin and Singing, by Songandaprayer) will be standing at Tom and Nancy Clark's Rancho San Miguel for the 2018 season at a fee of $5,000 LFSN, as property of a syndicate. The deal was brokered between Brett Lindenbaum and Checkmate Thoroughbreds.

Victor of the GII San Felipe S., GII San Carlos S. and GIII Lone Star Park H., the dark bay earned $700,930 with six wins from eleven starts and is the leading earner of his sire. Bred by Halo Farms, the colt raced for the partnership of Jim and Dianne Bashor and Halo Farms.

"Brilliant speed that carries over a mile and perfect conformation equals great stallion potential," trainer Bob Baffert said. "Danzing Candy has both."

UNLOCKTHEPOTENTIAL (c, 3, Crown of Thorns--Lyrique, by Rock Hard Ten) was exiting a fifth-place performance on the Saratoga main track Sept. 1 and the form of that race was flattered when the winner came back to capture an allowance at Keeneland and third-place finisher broke his maiden next out routing at Belmont. Hammered down to 2-5 favoritism for this surface switch, the bay settled near the rear of the field for the first half-mile and made his way to the rail to save ground on the far turn. Unlockthepotential angled out into the five path at the top of the stretch, ran by Hit the Diamond (Smart Strike) and Wage Acceleration (Quality Road) and pulled away for a 2 1/4 length victory. Hit the Diamond held off Wage Acceleration for the place spot. Unlockthepotential became the most expensive progeny of Crown of Thorns sold at auction when hammering for $220,000 at last term's OBS April Sale after breezing in :21 flat. The winner's dam has an unraced juvenile filly by Soldat named Soldat the Top, an unnamed yearling colt by Currency Swap and was bred to Upstart this year. Sales history: $14,000 RNA Ylg '15 OBSWIN. NEW YORK HERO (c, 2, Mineshaft--Party Silks, by Touch Gold), a $335,000 purchase at the Fasig-Tipton New York-bred sale last year, made a strong late run to be second when unveiled in a 5 1/2-furlong New York-bred test at Saratoga Aug. 31. Bet down to 6-5 favoritism for this extension in trip, the bay broke on top and settled to press from second as Dark Ops (Bernardini) clicked off opening splits of :22.62 and :45.61. Streaking well clear of the rest of the field as they entered the far turn, New York Hero and Dark Ops were in a race of their own in the stretch. A brief battled ensued, but it wasn't long before New York Hero disposed of that rival and rolled clear to a dominant nine-length victory. Dark Ops finished five lengths clear of third-place finisher Odin's Steed (Violence). The winner is a half-brother to Upstart (Flatter), MGSW & MGISP, $1,732,780. His unraced dam Party Silks did not produce a foal last term, but had an American Pharoah colt May 17 of this year. CARTOON (h, 5, Henrythenavigator--Debbie's Assault {MSP}, by Belong to Me) returned off an 11-month layoff after just missing the winner's circle in his last two starts, finishing second by a head when last seen at Arlington Park in August of 2016. The bay saved the all the ground going into the first turn tucked behind horses and continued to ride the rail down the backside and into the far turn. He found the opening he was looking for at the quarter-pole, split horses and held off the late charge of Fifth Title (Quality Road) and Turf Titan (Kitten's Joy) to pull off the 17-1 upset by a half-length. Fifth Title outfinished Turf Titan to take the runner-up spot by a nose. The winner's dam has a yearling filly by Shanghai Bobby. Sales history: $17,000 Ylg '13 KEESEP. AUNTIE'S THE ONE (f, 3, Exchange Rate--Deja Entendu, by Menifee), most recently fourth on the Churchill lawn June 10, returned to the main track for the first time since her debut when she finished third at Oaklawn Park Mar. 2. The $155,000 Keeneland September yearling purchase broke well and settled in fourth through the opening two panels. The 5-2 shot was bottled up on the rail behind the leaders Gull Island (Giant's Causeway) and favorite Marlinspike (Tapit) around the far turn, but was able angle out at the top of the stretch and split rivals to get into the clear. Auntie's The One and Marlinspike battled the length of the straightaway with the former getting the upper hand in the final strides to post a half-length win. Marlinspike was 4 1/2 lengths clear of third-place finisher Moonlit Garden (Malibu Moon). Deja Entendu has a juvenile colt by Stormberg named Wrestle. SUBTLE STEP (f, 2, Smart Strike--Understated, by First Samurai) stormed home to a dominant debut victory at Keeneland Thursday for Hall of Famer Shug McGaughey and longtime owner Stuart Janney. Let go at 13-1 for a trainer whose runners tend to need a start, the $280,000 KEESEP buy kept a close eye on the pacesetter from second through opening fractions of :24.09 and :48.73. Seizing control on the backstretch run, the bay powered clear in the lane under Jose Ortiz to don cap and gown by five lengths. Deadline (Flat Out) completed the exacta at odds of 27-1. The winner is a half to SP Pride of Stride (Candy Ride {Arg}) and a yearling filly by Orb. Her unraced dam, a half-sister to GSW Ask Me No Secrets (Seattle Slew), did not produce a foal this year, but was most recently bred to Lemon Drop Kid. Subtle Step hails from the family of GISW multimillionaire Albert the Great (Go for Gin) and undefeated "**TDN Rising Star**" and recent GIII Jessamine S. winner Rushing Fall (More Than Ready). Puerto Rico's Leading Jockey Diaz to Ride at Gulfstream:

Puerto Rico's legendary jockey Juan Carlos Diaz, the country's leading jockey the past 16 years and the all-time leader in stakes victories, will begin riding at Gulfstream Park West Friday.

With no racing being conducted at Puerto Rico's main racetrack, Camarero, due to the effects of Hurricane Maria, Diaz has decided to move his tack to South Florida. According to Diaz's agent, Charlie Benitez, Diaz will remain in Florida through the Clasico Internacional del Caribe, which will be held at Gulfstream Park as part of the Championship Meet Saturday, Dec. 9.

"I'm sure his numbers and experience will help him have a good response from trainers and owners," Benitez said.

Diaz has won 4,530 races. He has had the occasional mount in the U.S., but has never stayed for an extended period of time.
