LAFFINA THE LATEST SUCCESS FOR BLACKRIDGE

Click on the photo to watch our video

by Bill Finley

As they have been in the racing and breeding business for only a bit more then three years and are dealing with a limited number of horses, BlackRidge Partners has operated under the radar. Who are they? The short answer is, a group of investors specializing in the oil and gas businesses, who, so far, can't seem to do anything wrong.

Their first-ever racing investment was to buy into **California Chrome** (Lucky Pulpit) shortly before his win in the 2016 G1 Dubai World Cup. Their second was to snag a piece of **Cathryn Sophia** (Street Boss) right before her win in the GI Kentucky Oaks in 2016. They bought into two proven horses and did so before their value peaked. But they've also shown a knack for finding talent on their own.

The first broodmare ever purchased by the BlackRidge team is named **Laffina** (Arch). They bought her privately after she RNA'd for $290,000 at the 2016 Keeneland November sale. Laffina wasn't a notable runner during a brief career in Ireland. But no one is looking at her racing record right now, not after her first foal has turned out to be two-time Grade I winner **Bast** (Uncle Mo).

Now it is time for BlackRidge to cash in. Laffina will sell at the Fasig-Tipton November sale, where she is among the more attractive mares in the catalogue. ***Cont. p3***

SWEET MELANIA EARNS BREEDERS' CUP BERTH WITH JESSAMINE WIN

Robert and Lawana Low's **Sweet Melania** (American Pharoah), a narrow runner-up in the P.G. Johnson S. at Saratoga in August, became the second graded stakes winner of the week for her Triple Crown-winning sire with a 5 1/4-length victory in the GII JPMorgan Chase Jessamine S. at Keeneland Wednesday. The eye-catching performance earned the filly a berth in the Nov. 1 GI Breeders' Cup Juvenile Fillies Turf. Four Wheel Drive (American Pharoah) earned a spot in the GII Breeders' Cup Juvenile Turf Sprint with his victory in Sunday's GIII Futurity S. at Belmont Park.

"To win any kind of stakes race, a "Win and You're In" race [at Keeneland] is fantastic, so we're looking forward to going to California [for the Breeders' Cup]," said Robert Low.

Laffina the Latest Success for BlackRidge

(cont. from p1)

"We can't afford to keep her," said Bill Daugherty, one of the partners in BlackRidge. "She's become too valuable. She needs now to go to the right farm."

Daugherty runs BlackRidge along with his son, Will, and their business partner, Bill Barr. For them, racing is a side business. The main business is BlackRidge Resource Partners, an investment firm specializing in the oil and gas industries.

"Coming from the oil and gas business, we're used to analyzing deals," Daugherty said. "Basically, we use the same philosophies we apply to our main business that we do to the horses. I look at a mare or horse prospect the same way I look at an oil prospect and try to project what the results will be."

BlackRidge Resource Partners was formed in 2011, five years before the company decided to branch off into racing. For people who live in Lexington and had already enjoyed the sport on a causal basis, racing was a natural path to follow.

"If you live in Lexington, you feel like you're part of the racing industry every day because it's such a big part of the community," Barr said. "Both Bill and I have been interested in horse racing for years and spent a lot of time going to Keeneland. In 2016, we decided it was a good time and we had a good opportunity to get started in the racing business."

That was because the BlackRidge group knew the team at Taylor Made and when Taylor Made presented them with the opportunity to become part of the group that was buying into California Chrome in 2016, they accepted. They enjoyed his 2016 racing campaign in which he won not only the Dubai World Cup, but the GI Awesome Again S. and the GI Pacific Classic, important wins that led to a Horse of the Year title and increased his value as a sire.

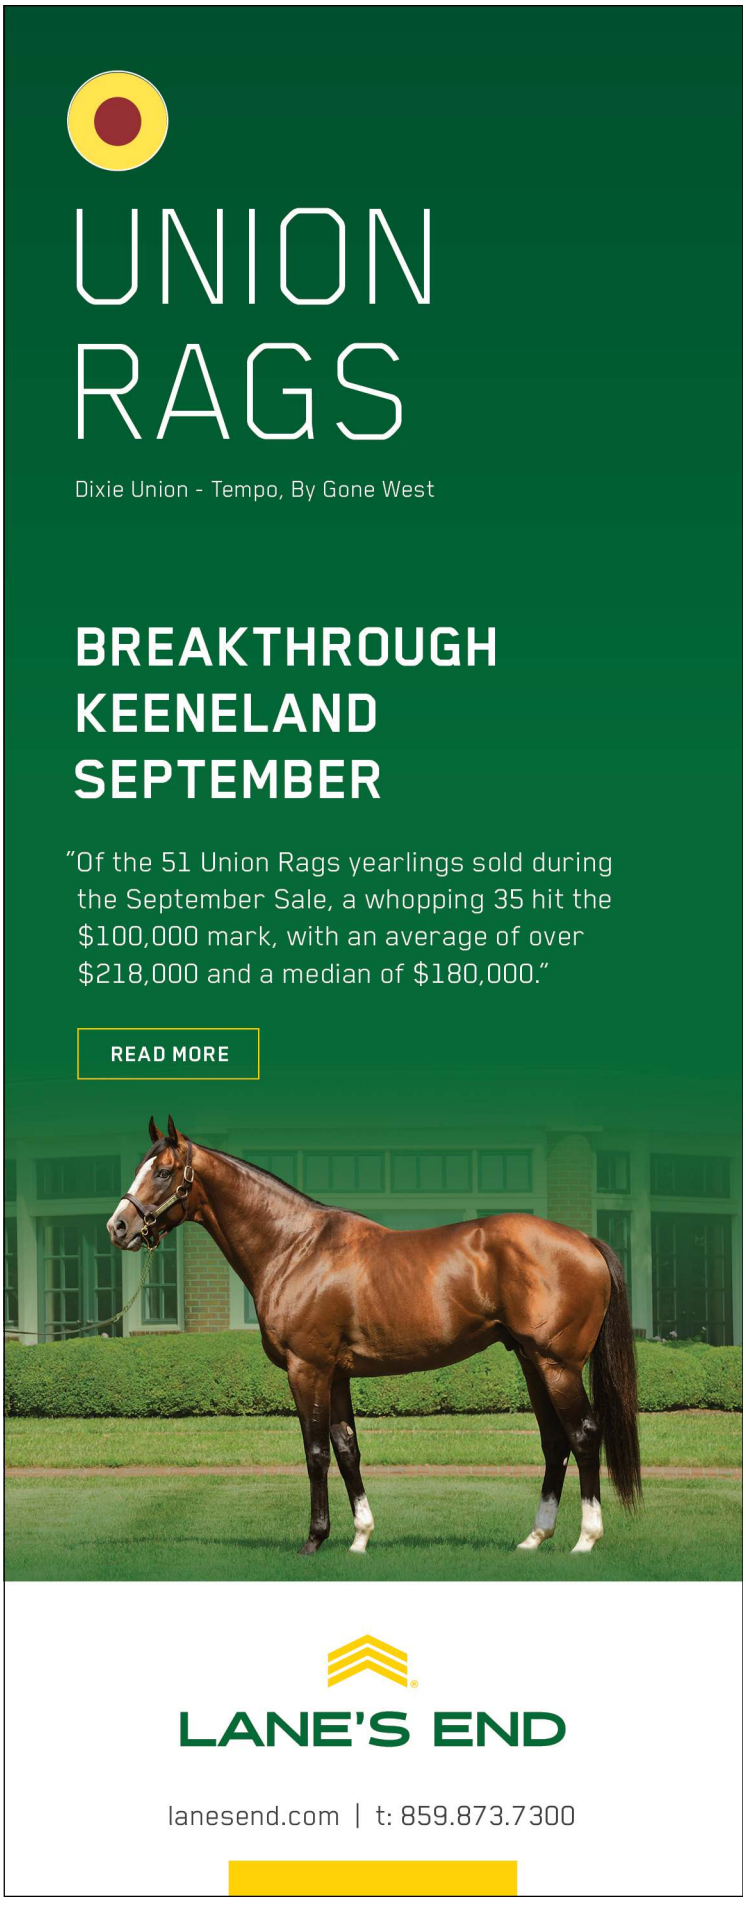
From the start, BlackRidge has leaned on Taylor Made Senior Account Manager Jeff Hayslett.

"What's cool about Laffina is that BlackRidge is a new entity in the business," said Taylor Made Vice President Mark Taylor. "Jeff Hayslett is one of the longest-standing employees that Taylor Made has. He's like family. He was the one counseling BlackRidge when they got into the business. He helped them pick out [Laffina], and the rest is history."

Wanting to support California Chrome as a sire, the BlackRidge partners started shopping the fall mixed sales. The idea was to find mares that would be the building blocks for a broodmare band. Today, they have nine.

"We wanted our broodmare band to start out with a bang," Barr said.

They had Laffina on a short list of horses they might want to buy, but they thought the asking price at $290,000 was a bit too high. Still, they didn't give up on acquiring her.



Daugherty, with the help of Hayslett, kept talking to the consignor, Four Star Sales, and eventually they were able to work out a deal.

"What did we like about her? Everything," Barr said. "She had the looks. We really liked how she was built. She was by Arch. I really liked her pedigree. We've had three babies out of her and they are all beautiful."

The first was Bast, who sold for $500,000 at the Fasig-Tipton Saratoga yearling sale in 2018.

The long wait to see what Laffina could do as a broodmare ended when Bast won the GI Del Mar Debutante in her second career start. She followed that up with a win in the GI Chandelier S. Next up is the GI Breeders' Cup Juvenile Fillies, where Bast may be favored.

As much as she has done for BlackRidge, the team is putting business ahead of sentiment. They know that with the emergence of Bast, this is the perfect time to sell Laffina.

The idea is to put the profits back into the business and build up their broodmare band.

"We have the nine mares," Bill Daugherty said. "By selling her, that gives us a greater financial basis to continue growing that band at a greater rate than we had planned on."

After being bred to Uncle Mo, Laffina was bred back to California Chrome and then Pioneerof the Nile. The California Chrome colt sold for $325,000--the stallion's highest-priced yearling--at this year's Keeneland September sale and was bought by Baoma Corp, also the owners of Bast.

As part of the Taylor Made consignment, Laffina will be in foal to Ghostzapper when stepping into the auction ring at Fasig-Tipton next month. Her Pioneerof the Nile foal will be offered as well.

"With Laffina, it's very simple," said Taylor. "You don't have to do a lot of selling. It's three sentences. By Arch. Only seven years old. First foal is a multiple Grade I winner. Come look at her yourself and you can determine whether you want her or not. I can't imagine any breeder in the world not wanting to add her into their broodmare band."

Fasig-Tipton President Boyd Browning also believes that Laffina presents a rare opportunity, the type of mare who checks every box.

"Laffina is a very special offering," he said. "Rarely do you find a 7-year-old mare that's a dam of a multiple Grade I winner in her first foal. She has an exceptional pedigree, and there's depth to her pedigree. She's really accomplished a great deal already with a Grade I winner. And you still have 10, 12, maybe 15 years of production left in the pipeline. It's quite a unique offering and really an amazing opportunity for somebody."

Sweet Melania Earns Breeders' Cup Berth with Jessamine Win *(cont. from p1)*

Sent off at 3-1 in the Jessamine, Sweet Melania forced the issue from second as **Jezebel's Kitten** (Kitten's Joy) had the lead through an opening quarter in :23.29. She took over and began to edge clear down the backstretch and ran away and hid from them in the stretch to score by 5 1/2 lengths. **Witez** (More Than Ready) was second; **Ask Bailey** (Run Away and Hide) was third.

"The way she broke today, I knew she was going to be there," said winning rider Jose Ortiz. "On the first turn, I had Florent [Geroux on Jezebel's Kitten] trail me, and Sweet Melania was a little keen. As soon as I completely got the lead, she relaxed well and I cruised to the quarter pole. When I asked her to go, she switched leads and gave me a great turn of foot."

Sweet Melania opened her career with a pair of third-place efforts sprinting over the main tracks at Belmont May 2 and at Monmouth Park June 1. She graduated when switched to the turf and stretched out to 1 1/16 miles at Saratoga July 14 and missed by just a neck when second behind Crystalle (Palace Malice) in the Aug. 29 P.G. Johnson S. over that same course and trip last time out.

Sweet Melania is the fourth stakes winner and third graded stakes winner for American Pharoah, following GIII Futurity S. winner Four Wheel Drive and G3 Prix du Bois winner Maven.

The late J J Crupi signed for the 4-year-old Sweet N Discreet (Discreet Cat) on behalf of Vinnie Viola's St. Elias Stables for $1.1 million at the 2014 Fasig-Tipton November sale. Sweet Melania is the stakes-winning and graded-placed mare's second foal. A half-sister to graded-stakes winner Travelin Man (Trippi) and a full to graded-stakes winner Discreet Dancer, she produced a filly by Carpe Diem this year and was bred back to Liam's Map.

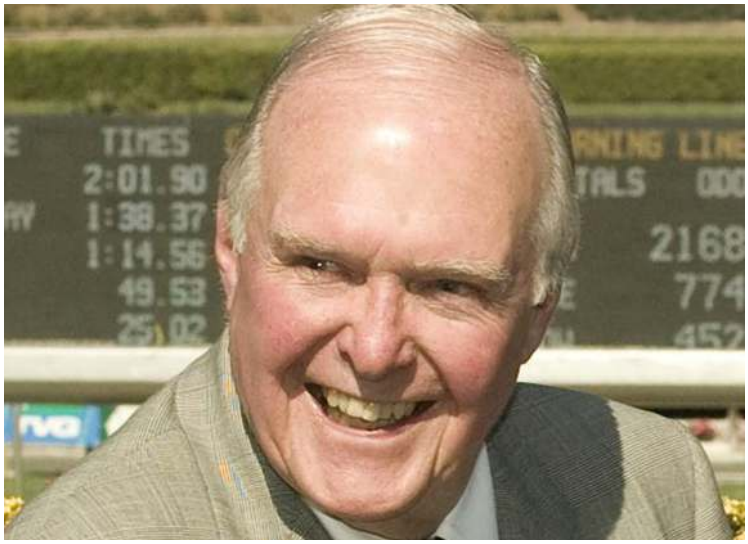
OAK TREE EXEC CHILLINGWORTH DIES AT 93

Sherwood C. Chillingworth, a longtime director and executive vice president of the Oak Tree Racing Association, died Tuesday at the age of 93. Known affectionately as "Chilly" to all who knew him, the native of Honolulu, Hawaii, was named an Oak Tree director in 1989, and later Executive Vice President in 1993. Chiilingworth was advocate for the many causes that the not-for-profit Oak Tree Racing Association funded since its inception at Santa Anita in October, 1969.

"He was a great man who was a very big part of the Oak Tree Racing Association for many years," said Hall of Fame trainer and fellow Oak Tree Board member Richard Mandella on Wednesday morning at Santa Anita. "He lived a full life and from what I knew, he loved every minute of it. He had a great sense of humor, he loved to bet and he loved our game."



Sherwood Chillingworth | *Benoit*

Still active in funding various charitable causes, the Oak Tree Racing Association, which conducted its final fall meeting at Santa Anita in 2009, operated for one year at Hollywood Park in 2010, and then conducted fall meetings at the Alameda County Fair Grounds in Pleasanton through 2018.

A former real estate developer, Chillingworth, who served as Vice Chairman and CEO of Santa Anita Realty Enterprises from 1994-1996, owned and raced Thoroughbreds beginning in the early 1970s under the nom de course Paniolo Ranch.

In partnership, Chillingworth campaigned Grade I stakes winners Swing Till Dawn (1983 Strub and Widener S.), Yashgan (1985 Oak Tree Invitational and 1986 San Gabriel H.), Forzando (1985 Metropolitan, Ft. Marcy and Sierra Madre H.) and Valley Victory (1986 Coaching Club American Oaks).

"He was a first class guy," said Hall of Fame conditioner Ron McAnally. "Doc Robbins [original Oak Tree Director and John Henry's attending veterinarian] admired him so much, and was so appreciative of everything he meant to Oak Tree and our racing here. Chilly was good for the horses and he was good for the business."

Chillingworth also served as a past Steward of The Jockey Club, Secretary of the Board of the Thoroughbred Racing Associations (TRA), director of the Thoroughbred Racing and Protective Bureau (TRPB) and member of the Equibase Management Committee.

"Chilly was one of the kindest and most gracious executives in racing," said George Haines, former Santa Anita General Manager. "He treated the employees with great respect and was universally loved by all. His wit and humor will be missed but not forgotten."

Chillingworth is survived by his wife Sandra, four sons and two daughters, as well as several grandchildren. Services are pending.

CHANCE IT TO SKIP BREEDERS' CUP

Leading Florida-based juvenile **Chance It** (Currency Swap) will bypass the GI Breeders' Cup Juvenile in favor of the GII Kentucky Jockey Club S. at Churchill Downs Nov. 30, owner Shooting Star Thoroughbreds announced late Tuesday evening. The Saffie Joseph, Jr. trainee boasts three wins and two seconds from five tries, including a last-out romp in the FTBOA Florida Sire In Reality S. at Gulfstream Sept. 28.

"He's run five times in four months, which is a lot for a 2-year-old," said Shooting Star manager Mary Lightner. "Going to Churchill will give him 60 days between races rather than 30. Ultimately, the well-being of the horse is what is most important."

MOSLER FILLY TOPS OBS OCTOBER OPEN SALE *by Christie DeBernardis*

A filly from the first crop of Mosler topped a long day of trade at the Ocala Breeders' Sales Company's October Open Yearling Sale Wednesday when selling to Patti Miller for $75,000 (Hip 401). She was part of the first consignment for Sandi Dorr of Sennebec South Farm.

The highest-priced colt of the day was a son of California Chrome, who brought $52,000 from Blue River Bloodstock.

A total of 263 horses sold for $3,332,400 with an average of $12,671 and a median of $8,000. Last year's Open Sale, which took place over two sessions, saw 296 head gross $3,874,750 with an average of $13,090 and a median of $7,000.

During Tuesday's Select session, 121 yearlings changed hands for a total of $5,605,200. The average was $46,324 and the median was $35,000. The session was topped by a $230,000 colt by Liam's Map, who was purchased by Nick de Meric and sold by Carrie Brogden's Machmer Hall through Select Sales.

Dorr Scores with Initial OBSOCT Consignment

Sandi Dorr and Hip 401 | *Courtesy of Sandi Dorr*

Sandi Dorr has been in the Thoroughbred business a long time, breezing for 2-year-old pinhookers and trainers Eddie Woods and Steve Venosa. The horsewoman made her first foray into the weanling-to-yearling pinhooking market at OBS and hit a homerun, selling a Mosler filly (Hip 401) for a session-topping $75,000 to Patti Miller of EQB, Inc. during Wednesday's Open session.

"I've been breezing for Eddie for 13 years and I have been working for Steve for 18 years," Dorr said. "I have done some small pinhooking with 2-year-olds with partners and stuff. I just felt like trying out the weanling-to-yearling thing and it happened to work out. I have a little extra time in the summer to sale prep the yearlings now. That is the only downtime I have so I decided to give it a shot and I had fun doing it."

Dorr picked up the Maryland-bred filly from the first crop of Mosler (War Front) for just $11,000 at last term's Keeneland November Sale.

"When they pulled her out of the barn, she just strutted," Dorr said. "She had a huge walk on her. She was not very big because she was a late foal. She was so fuzzy and hairy. She did not look like she was prepped really well, but she just had an attitude about her like she was something special. Like I said, she just walked awesome and had a really strong forearm, hip and hind leg. I vetted her and everything was good there. When she went through the ring up at Keeneland, she just walked through the ring like she owned it. I love that kind of attitude, especially from a filly. I felt like I needed to have her. I feel like I stole her for what I got her for, especially now!"

Though Dorr was always fond of the filly, she said she did not expect her to bring quite that much money Wednesday.

"I was surprised," Dorr said. "I knew she was a beautiful individual. She kept getting better and better. She kept growing and developing into a nice-looking filly. She has never given me any problems and just showed so much class at my farm. She was a filly that I wouldn't just give away because I think she is going to be a racehorse at the end of the day. She showed beautifully and caught everyone's eye. She did her job for me."

Dorr offered a total of four yearlings at Wednesday's sale, all of whom she owned, picked and prepped herself at her farm. Hip 401 and Hip 684, a filly from the first crop of Anchor Down (Tapit), who brought $42,000 from English Range Farm, were both purchased at Keeneland November. Meanwhile, Hip 662, an Archarcharch colt and Hip 321, a filly from the initial crop of Brody's Cause, were private purchases.

When asked if she was specifically targeting freshman sires, Dorr said, "I think they were viable. I didn't have a lot of money to spend. New sires are a little more reasonable and they are easier to sell as yearlings because pinhookers are willing to take a chance on new sires. Basically, I was just picking out individuals, a horse that showed some athletic ability."

She continued, "I bought the Mosler and Anchor Down at Keeneland. They are both April foals, so they weren't big babies and they kind of got lost in the mix up there. I felt like they had a lot of room to mature and grow and that is why I opted for this October sale to give them as much time to grow and develop into pretty fillies."

MEMORIAL AT THISTLEDOWN FOR CHERYL WHITE, FIRST BLACK FEMALE JOCKEY

by T.D. Thornton

A memorial to celebrate the life of Cheryl White, the nation's first black female jockey, will be held at Thistledown Oct. 18.

White died Sep. 20 at age 65 at her Ohio home after a brief illness, according to published obituaries.

Cheryl White

On June 15, 1971, at age 17, White made history as the first African-American female jockey in America when she rode Ace Reward at Thistledown. She rode her first winner September 2, 1971, at Waterford Park on Jetolara, becoming the first black woman in the country to win a race.

Her breakthrough rides made newspaper headlines in her home state of Ohio, and White graced the cover of *Jet* magazine, the most influential African-American publication of its time.

White was born into a horse racing family. Her father, Raymond White, Sr., was an accomplished Thoroughbred trainer, and her mother, Doris, owned racehorses.

White earned an academic scholarship to attend Bowling Green State University and was planning on becoming a math teacher. But she decided to pursue her equine passion for a little while, and then attend college. That "little while" ended up lasting 21 years in the saddle.

In a profile published six months ago on the website BetChicago, White said her parents' initial support for her career choice was mixed.

"They encouraged me, but with my father being in the horse business, he wasn't exactly in favor of female riders," White said. "My dad was just old school and didn't believe, like many old timers, that women belonged around the racetrack. There was a time when women weren't even allowed on the backstretch after five o'clock. But my parents didn't try to talk me out of it, either."

White moved her tack west in 1974, but had difficulty breaking into California's ultra-competitive Thoroughbred circuit. She stayed, though, after finding success as an in-demand rider for Quarter Horses, Paints and Appaloosas at the state's county fairs. According to the BetChicago story, she topped the rider standings and earned the Appaloosa Horse Club's Jockey of the Year in 1977, 1983, 1984 and 1985, and was inducted into the Appaloosa Hall of Fame in 2011.

White won the final race she rode on July 25, 1992, at Los Alamitos Race Course, and then became accredited as a racing official. She worked at various tracks in Ohio until shortly before her death.

White is survived by her brother, Raymond White, Jr., plus a number of nieces and nephews.

"Cheryl was never a great self-promoter, and wasn't concerned with the politics of racing," said Raymond White, Jr. "She just did her thing. She didn't understand what she had accomplished. I don't know that she understood her significance, or place in history."

White's family is creating a permanent memorial foundation in her honor to help inspire and introduce horses, riding, and other aspects of the racing industry to children who are underprivileged and at risk. You can donate to it here.

SPORTS LEAGUES OBJECT TO SEPT. DAMAGES RULING THAT FAVORED NJTHA *by T.D. Thornton*

A collective of pro and college sports leagues on Oct. 8 asked the United States Court of Appeals (Third Circuit) for an "en banc review" into the precedent-setting ruling last month that apparently cleared the way for the New Jersey Thoroughbred Horsemen's Association (NJTHA) to collect at least $3.4 million in damages escrowed when the leagues tried to block Monmouth Park's initial attempts at getting sports betting up and running earlier this decade.

According to the website Law 360, the four major U.S. pro sports leagues and one college sports regulatory body (NFL, MLB, NBA, NHL and NCAA) are now arguing that because the federal law known as the Professional and Amateur Sports Protection Act (PASPA) was considered constitutionally valid in 2014 when the case began, it was erroneous for a panel of judges to declare in a Sep. 24, 2019, ruling that the NJTHA had the right all along to take sports bets.

NTRA HORSE PAC®

Horse PAC® is the Political Action Committee of the National Thoroughbred Racing Association. The PAC supports federal candidates who:

- Serve on Congressional committess that oversee livestock and agricultural issues, Internet gambling, taxation, immigration and the Interstate Horseracing Act
- Are established Congressional leaders
- Understand horse racing's issues
- Have racetracks, OTBs, ADW facilities, breeding farms, training centers or other equine venues in their district
- Are part of the Congressional Horse Caucus
- Are emerging leaders meriting "early support"

NTRA REPORT FROM CAPITOL HILL

In May 2018, the U.S. Supreme Court struck down PASPA, which had prohibited betting in all but a few grandfathered states.

That Supreme Court decision could not have been anticipated at the time the initial injunction was issued to prohibit the NJTHA from taking sports bets at Monmouth, the leagues argued in their Tuesday court filing.

In its Sep. 24 decision, the Third Circuit panel of judges found that because Monmouth had been unlawfully subjected to the no-sports-betting injunction for 28 days, that it was "wrongfully enjoined," which the ruling defined as when a party "had a right all along to do what is was enjoined from doing."

When *TDN* last reported on this case after the Third Circuit ruling that favored the NJTHA, the issue was how much the horsemen might be able to collect above and beyond the $3.4-million bond amount in alleged damages. The NJTHA had argued in the past that they are entitled to far more in damages.

Now it appears as if the en banc review must be adjudicated first. In law, an en banc session refers to a case being heard before all the judges of a court and not just a panel of judges selected from that court.

CELLINESI HONORED WITH JOE KELLY AWARD

Heather Cellinesi, who rescued 18 horses from a barn fire at Anchor and Hope Farm in August, has been selected to receive the 2019 Joe Kelly Maryland Million Unsung Hero Award. Presented annually by the board of directors of the Maryland Million Ltd., the award honors the memory of Joe Kelly and recognizes honesty, hard work and humility.

Cellinesi spent four years in various roles on the racetrack and working as an assistant to trainer Miguel Vera. This February, she began working for Louis and Grace Merryman's Anchor and Hope Farm in Port Deposit, Md., as the barn manager.

"I wanted to get back to the farm life, the pace of life on the farm, but still be involved with the racing industry. I wanted to be there bringing foals into the world and helping them get that great start, leading them into being the racehorses they were meant to be," said Cellinesi.

On Aug. 12, Cellinesi single-handedly saved 18 horses, including stallions Imagining and Bourbon Courage, from a fire which destroyed Anchor and Hope's main barn. Despite the structural loss, no lives were lost.

"She's irreplaceable. I don't have enough good things to say about her. She is very important to us," Louis Merryman said of Cellinesi. "Without her quick action there would have been a much different outcome."

Opinions: The time for horse racing has passed. It's time to outlaw it. *Horse racing might be a nuisance to many track owners, but it is a menace to the animals it depends on. As the staggering toll in dead horses becomes clear, Americans should consider asking their state and federal legislators to outlaw a cruel pastime whose time has passed.* **Patrick Battuello, *Washington Post***

Albert Park | *Coady*

Albert Park was the heavy favorite here off a popular come-from-behind debut win going six furlongs at Arlington Park Sept. 19. He sat an outside trip in a midpack fourth through an opening quarter in :22.70. The bay ranged up three wide at the top of the stretch, and, after veering in on rivals shortly thereafter, forged clear late to stay perfect. He survived an inquiry and a pair of objections. The winner's dam, a full-sister to bluehen mare Delta Princess, had a filly by Cairo Prince this year and was bred back to Hard Spun. Indy Five Hundred brought $3 million from John Ferguson on behalf of Godolphin at the 2007 FTKNOV Sale. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

runaway maiden win at Keeneland this spring, was sixth as the 2-1 favorite in the GI Woody Stephens S. at Belmont June 8. He was last seen finishing a distant third in the GII Amsterdam S. at Saratoga July 28. Pounded into 1-2 favoritism here, he was a midpack fifth through fractions of :22.24 and :45.87. The Juddmonte homebred hit the gas at the top of the stretch and came rumbling home to a four-length decision over Airtouch (Tapit). Gelded in the interim, he went off at 11-1 while routing on the grass for the first time here. Far back in ninth through solid early fractions, the bay gradually worked his way up into contention. Several paths wide turning for home, he took dead aim on the front down the center of the lane, picked off rivals through the stretch and blew by favored Hard Count (Run Away and Hide) in the final strides to score by 3 1/4 lengths, covering his final quarter-mile in :22.97. The winner is a half to Ransom the Moon (Malibu Moon), MGISW, $884,829. Count to Three, a daughter of GISW Countus In (Dancing Count), produced a colt by Dynamic Sky last year followed by a filly by Pioneerof the Nile this term. She was bred back to Malibu Moon. The race was marred when Triggerman (Cairo Prince) broke down nearing the wire and was euthanized. Keeneland Medical Director Dr. Barry Schumer said in a statement: "[Jockey] Adam Beschizza suffered an injury to his left clavicle. He was stable upon discharge from Keeneland's First Aid station and transported to the University of Kentucky Chandler Hospital in Lexington for further evaluation." FRANKEL COLT TURNS TO GOLD AT TATTERSALLS

Lot 288, Wednesday's session-topping Frankel colt | *Tattersalls*

By Emma Berry and Kelsey Riley

NEWMARKET, UK—A Frankel (GB) half-brother to Derby and Arc hero Golden Horn (GB) (Cape Cross {Ire}) provided the star turn during the second session of Tattersalls October Book 1 when selling for 3.1 million gns. The colt (lot 288) will race for the man who now stands his illustrious sibling at Dalham Hall Stud, with Sheikh Mohammed once again coming out on top after a ringside tussle with MV Magnier. The colt becomes the second-highest priced yearling colt in the world thus far in 2019, bettered only by Tuesday's session-topping 3.6-million gns Dubawi (Ire) colt. While day one was all about Dubawi on the sire front, the spoils were better spread around during the second session, with Frankel, Kingman (GB), Siyouni (Fr) and Galileo (Ire) each responsible for a millionaire.

Set against an exceptionally strong second session at Book 1 last year, Wednesday's trade could not reach that previous high bar. But the average was still 242,106gns (-23%) and the median 150,000gns (-21%), figures which would be the envy of most other sales companies. The most significant adjustment came in the clearance rate, which in 2018 reached 91% but this time dropped to 84% following the sale of 132 yearlings for a total of 31,958,000gns (-22%). **Cont. p2**

TONY WILLIAMS APPOINTED AQUIS STUD FARM CEO

Tony Williams has been appointed as the CEO of Aquis Stud Farm as of Jan. 1, 2020, after Aquis's Board of Directors decided to separate the stud farm operations across three Australian states from Aquis's Australian and international racing businesses. Previously the Managing Director of Goffs UK since late in 2016, Williams brings over 40 years of experience to the role. He also spent time working with Magic Millions and Newgate Farm, as well as an agent for the Hong Kong Jockey Club.

"I'm extremely honoured to be joining the Aquis Farm team," said Williams. "Their foresight and ingenuity at becoming a market leader is second to none, and I can't wait to ensure the vision of the Fung family comes to fruition. Having been in the UK for the past few years, I'd like to thank Goffs for the opportunities presented to me, while I am looking forward to heading back to Australia and being located in Queensland."

Tattersalls October Book 1 Cont. from p1

Lot 288's dam Fleche d'Or (GB) (Dubai Destination) has provided many high days for her breeder Anthony Oppenheimer, especially through Golden Horn, who also won the G1 Eclipse S. and G1 Irish Champion S. in a brilliant 3-year-old season before being sold to Darley. But the mare herself had been considered surplus to requirements at Hascombe & Valiant Studs when her future star was just a foal and she was sold at the December Sale for 62,000gns to a three-strong partnership which includes Harry McCalmont whose Norelands Stud consigned the colt.

While Oppenheimer looked on from the stairs, it proved to be a red-letter day for McCalmont and Norelands, who had already breached the seven-figure barrier when selling a Siyouni colt during the morning for 1.3 million gns to Coolmore on behalf of his longstanding client Bob Scarborough.

He said, "I normally don't have a problem talking but we've never sold anything quite like this before. The previous highest price for us came only a few hours ago. We knew they were a couple of lovely colts coming here but you put them into the ring and ask people to value them." Cont. p3

Tattersalls October Book 1 Cont.

He added, "We knew some serious people were interested in him but in the cold light of day it can be a lonely place. Thankfully today we weren't lonely."

McCalmont added that Fleche d'Or has a weanling full-sister to the colt back at Norelands, who will be retained by the partnership, and she is now in foal to Sea The Stars (Ire).

Anthony Stroud, who has signed for 14 yearlings on Godolphin's behalf in the last two days, including Tuesday's session-topping 3.6-million gns Dubawi (Ire) colt, said of the colt, "He has an outstanding pedigree and what can you say? He's a very good individual. We stand Golden Horn and he's looking a promising stallion. This one is by a wonderful horse in Frankel. He seemed to meet the right credentials, so we're very happy."

Favour Fortunes

Nicholas and Cherry Jones keep seven mares at their 60-acre Coln Valley Stud which enjoyed its biggest sale result by a wide margin with the sale of lot 326, a Kingman (GB) colt from a family which includes a decent selection of recent top-flight winners, including Legatissimo (Ire) and Farhh (GB).

At 2.3-million gns, the son of Grace And Favour (GB) (Montjeu {Ire}), herself a sister to five-time Group 1 winner Fame And Glory (GB), joined the Godolphin fray as his breeders left the ring to be congratulated by a huddle of well-wishers.

"This was the only colt we had to sell this year," said Nicholas Jones, who enjoyed success in his own colours last season with a member of this family when Give And Take (GB) (Cityscape {GB}), out of another sister to Fame And Glory, won the G3 Tattersalls Musidora S.

He continued, "We had a fantastic result last year when we sold a Showcasing (GB) colt for 600,000gns but this is another level and you can never imagine a horse is going to make this much.

"My stud groom of 16 years, Ian Emes, foaled him and has done everything with him. I really am very lucky to have Ian."

Jones revealed that Give And Take is now in foal for the first time to Kingman while Grace And Favour has a Pivotal (GB) filly foal and is in foal to Sea The Moon (Ger).

"This is a Lord Howard de Walden family," he added. "And Gillian Howard de Walden told me when I bought the grandam Gryada (GB) that I had to name them all starting with G. We keep the fillies and we have Good And Proper (GB), a Dansili (GB) filly, to go into training."

Anthony Stroud ensured that the day's top three lots would wear the Godolphin blue when outlasting MV Magnier and later Phoenix Thoroughbreds to secure Christopher Hanbury's Galileo (Ire) colt out of Jacqueline Quest (Ire) (Rock of Gibraltar {Ire}) (lot 357) for 1.1-million gns late in the session. **Cont. p4**

Tattersalls October Book 1 Cont.

It is a family Sheikh Mohammed is very familiar with, as he campaigns Jacqueline Quest's 3-year-old Line of Duty (Ire), a full-brother to this colt and the winner of last year's GI Breeders' Cup Juvenile Turf. Jacqueline Quest, who was herself a €60,000 yearling and crossed the line first in the G1 1000 Guineas but was placed second for interference, has also produced the listed-placed Hibiscus (Ire) to Galileo.

The Galileo colt was born and raised at Trillium Hall Stud in Ireland and entrusted to New England Stud to sell. That farm's principal Peter Stanley commented, "We're very happy, and naturally the mare has been great for Trillium Hall Stud. They've grown some very good horses on the farm and this is yet another great one out of Jacqueline Quest, and we're very happy–whenever you make over 1-million, you're absolutely delighted. It was a lot more than the mare cost and she's been a little goldmine, but better still than being a goldmine she's delivered the goods; she's delivering top-class horses and we very much hope that this one is lucky for Sheikh Mohammed."

The Galileo colt was the second seven-figure sale yearling for Jacqueline Quest; another full-brother, later named World War (Ire), was a 1.2-million gns purchase by China Horse Club in 2015. Line of Duty was a 400,000gns yearling, while Hibiscus cost 625,000gns.

Godolphin, with Sheikh Mohammed present each of the first two days, is leading buyer thus far with a total spend of 14.58-million gns–more than double the 6.065-million gns thus far laid out by the second-top purchaser, Sheikh Mohammed's brother Sheikh Hamdan. Godolphin's day two purchases also included lot 315, breeder Castlefarm Stud's Dubawi (Ire) half-brother to exciting first-season sire Shalaa (Ire) who cost 700,000gns, as well as lot 268, Oneliner Stables's Sea The Stars (Ire) half-brother to two stakes performers from a good Aga Khan family. That colt represented an excellent pinhook, having been bought for 330,000gns in this ring last December.

Siyouni Reaches New Heights

A half-brother to the QIPCO 2000 Guineas winner Magna Grecia (Ire) (Invincible Spirit {Ire}) and bred on the same cross as another of this season's European Classic winners, Sottsass (Fr) (Siyouni {Fr}), made an early splash during the second Book 1 session when selling to Coolmore for 1.3 million gns.

Lot 208, consigned by Harry McCalmont's Norelands Stud, is a son of the G3 Silver Flash S. winner Cabaret (Ire) (Galileo {Ire}), whose Classic-winning son was sold in the same ring as a foal for 340,000gns.

"He was bred by Bob Scarborough and we hoped he'd make the seven-figure mark but it's fantastic to get up there. It's emotional," said McCalmont. **Cont. p5**

Tattersalls October Book 1 Cont.

He continued, "We've had the mare for some years and we sold Magna Grecia here as a foal. Both horses had very good temperaments. This colt was very well behaved the whole way through and he is an exceptionally athletic mover. This is a huge credit to my team."

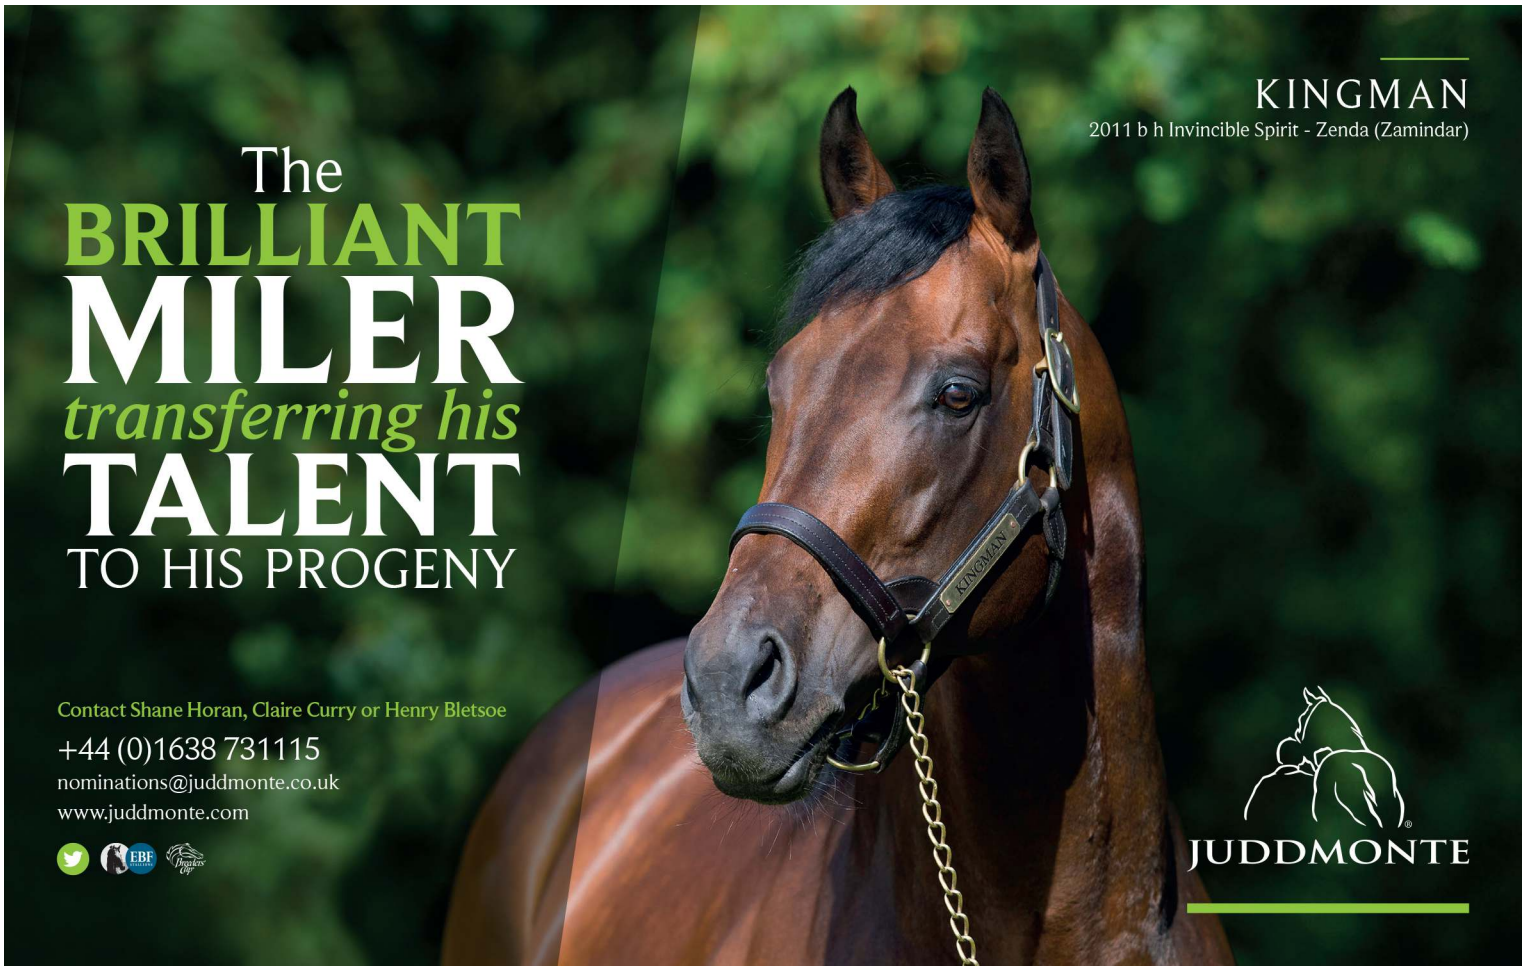
MV Magnier, who outbid David Redvers for the colt who is now the highest-priced yearling for his upwardly mobile sire, said, "It's great for Bob Scarborough, he bred a lovely horse. He's by Siyouni, he's by a very good sire and obviously out of a Galileo mare, like Sottsass, and he seems to be going from strength to strength in that department. And of course he's a brother to Magna Grecia, who was a very good 2-year-old and a Guineas winner. Hopefully Aidan is going to run him next weekend in the [G1 Queen Elizabeth II S.]. He's going very well at the moment and he's a very special horse, so let's hope this fellow is as good."

Lot 208, the 1.3-million gns Siyouni colt | *Tattersalls*

Siyouni had already been represented by the first lot through the ring on Wednesday (lot 185), a 180,000gns pinhook by Philipp Stauffenberg who had benefitted from a Group 1 update to a page already heavily laced with black type. In July, his half-brother Danceteria (Fr) won the G1 Grosser Dallmayr-Preis in Munich and on Saturday he will become the first Australian runner for his trainer David Menuisier when he lines up in the G1 Ladbrokes S. at Caulfield.

The colt's dam, Group 3 winner Bal De La Rose (Ire) (Cadeaux Genereux {Ire}) had already produced listed winner Blossomtime (GB), who is by Shamardal, a stallion who has worked well with this particular family as the mare is a half-sister to his dual Classic-winning son and fellow leading sire Lope De Vega (Ire).

Richard Brown of Blandford Bloodstock signed for the colt at 450,000gns on behalf of Saeed Suhail. **Cont. p6**



Ballyphilip Bonanza

Paul and Marie McCartan of Ballyphilip Stud could hardly have started Book 1 in more ebullient fashion when their first lot through the ring on Monday, the full-sister to Group 1-winning sprinter Battaash (Ire) (Dark Angel {Ire}), fetched 800,000gns. The good run continued on Wednesday with lot 198, a Lope De Vega (Ire) colt out of the listed-placed Bikini Babe (Ire) (Montjeu {Ire}), making the Godolphin list of purchases at 750,000gns. Anthony Stroud faced opposition from underbidder Shane McGrath of Aquis Farm for the colt bred by Brendan and Anne Marie Hayes of Knocktoran Stud. The couple enjoyed a Classic victory two years ago with homebred Precieuse (Ire) (Tamayuz {GB}), who features in the yearling's pedigree under his grandam Zeiting (Ire) (Zieten), whose 10 winners include five stakes performers.

"I bought him privately from Brendan Hayes and we've loved him every day we've had him on the farm," said Paul McCartan of Ballyphilip Stud, whose most successful graduates include Tiggy Wiggy (Ire) (Kodiac {GB}), Harry Angel (Ire) (Dark Angel {Ire}) and his half-brother Pierre Lapin (Ire) (Cappella Sansevero {GB}). "He's out of a great mare from a great family and he has huge presence, he's just a really athletic horse. We've had a hell of a start—it makes it a lot easier."

The McCartans later enjoyed another good result with a Knocktoran Stud-bred colt (lot 320), a son of Muhaarar (GB) out of a winning sister to the brilliant Immortal Verse (Ire) (Pivotal {GB}) from the Kilfrush Stud family of Mill Princess (GB) (Mill Reef). Alex Elliott bought the half-brother to the stakes-placed duo of Roseman (Ire) (Kingman {GB}) and Game Zone (Ire) (Hurricane Run {Ire}) for 260,000gns.

Dark Angel Double For Ballyhimikin

The breeding venture of James Hanly, Trevor Stewart and Anthony Stroud enjoyed a pair of good results with the progeny of Dark Angel (Ire) through the first two days of Book 1. On day one, their colt out of Stellar Path (Fr) (Astronomer Royal) (lot 52) fetched 400,000gns from Peter and Ross Doyle, and on Wednesday their filly out of Future Generation (Ire) (Hurricane Run {Ire}) (lot 302) outdid him when bringing a final winning bid of 700,000gns from Charlie Gordon-Watson.

Both were consigned by Hanly's Ballyhimikin Stud, and the family of lot 302 is one that Stewart has already reaped plenty of success from; he bought the G2 King's Stand S. and G2 Temple S. winner and Group 1-placed Cassandra Go (Ire) (Indian Ridge {Ire}) for 200,000gns in 1997 and she went on to produce the likes of Theann (GB) (Rock of Gibraltar {Ire}), subsequently the dam of multiple Grade I winner Photo Call (Ire) (Galileo {Ire}); and Classic winner Halfway To Heaven (Ire) (Pivotal {GB}), the dam of recent G1 Irish Champion S. winner Magical (Ire) (Galileo {Ire}) and G1 Fillies' Mile, G1 Lockinge S. and G1 Prix de l'Opera victress Rhododendron (Ire) (Galileo {Ire}).

"She was an absolutely lovely filly, and we had hoped she might make 500,000gns, so we're delighted with that," said Stewart of lot 302. "We had two Dark Angels to sell and they both sold very well."

After signing for the Dark Angel filly, Gordon-Watson revealed he too was familiar with the family, having sold Future Generation privately to the U.S. after she had won Leopardstown's G3 Desmond S. at three.

Racing in the U.S. for George Bolton and Peter Leidel–now best known for campaigning Lady Aurelia (Scat Daddy) with Stonestreet–Future Generation won a listed stake at Belmont Park and was fourth in the GI Matriarch S., after which she produced the G2 Prix Chaudenay and G2 Prix Niel winner Brundtland (Ire) (Dubawi {Ire}) as her first foal. Gordon-Watson said the Dark Angel filly was bought for an undisclosed owner/breeder and would stay in Britain.

American Participation Continues

Chad Brown and Mike Ryan, working primarily on behalf of Peter Brant's White Birch Farm and Seth Klarman's Klaravich Stables, started strong on Tuesday and that momentum continued during Book 1's second session. **Cont. p8**

Tattersalls October Book 1 Cont.

Ryan signed for 10 yearlings in total on Wednesday, including a 475,000gns Dubawi (Ire) filly (lot 289) from Hazelwood Bloodstock on behalf of Brant, and a 450,000gns filly by the same sire (lot 319) from Haras de Saint Pair. Brown signed for a colt and a filly (193 and 276) apiece by one of the sires of the day, Siyouni, in the name of White Birch Farm, while Alan Quartucci's Northshore Bloodstock also stepped in for Brant when signing for a colt by Fast Company (Ire) for 200,000gns (lot 223).

TATTERSALLS OCTOBER YEARLING SALE BOOK 1 DAY 2

LOT	SEX	SIRE | DAM	PRICE (g)
185	c	**Siyouni (Fr)--Bal de la Rose (Ire)**	**450,000**

Bred by Berend Van Dalfsen (Fr)
Consigned by Stauffenberg Bloodstock
Purchased by Blandford Bloodstock

The first lot into the ring on Wednesday saw Philip Stauffenberg again come out the right side of an expensive pinhook. This colt was bought by Stauffenberg for €180,000 at Arqana last December. At that stage his half-brother Danceteria (Fr) (Redoute's Choice {Aus}) had the profile of a progressive handicapper with the potential to make his mark in pattern company. That certainly proved the case with the David Menuisier-trained gelding winning the G1 Grosser Dallmayr Preis in Munich in July providing just the kind of update every pinhooker dreams of. The continued success of his sire Siyouni (Fr) this year and the colt's physical development also played leading roles in a huge return for connections.

221 f Belardo (Ire)--Chanter (GB) 52,000

Bred by Ennistown Stud (Ire)
Consigned by Glidawn Stud
Purchased by William Haggas

Gerry Burke of Glidawn Stud had a good result on Tuesday when he turned an 11,500gns Air Force Blue filly foal into a 70,000gns yearling and he enjoyed a similarly sweet result on Wednesday with another modestly bought foal. Burke bought the above Belardo (Ire) filly for €14,000 at Goffs last November and despite the absence of any pedigree updates her value rose significantly to the 52,000gns bid of William Haggas.

239 c Awtaad (Ire)--Dame Hester (Ire) 350,000

Bred by Dame Hester Partnership (Ire)
Consigned by Rathbarry Stud
Purchased by SackvilleDonald

Former jump jockey Frannie Woods, a key part of the Rathbarry Stud operation, dug deep to acquire this son of first crop sire Awtaad (Ire) for €170,000 at Goffs last November. The half-brother to MGSW Donnerschlag (GB) (Bahamian Bounty {GB}) and listed winner Izzy Bizu (Ire) (Kodiac {GB}) rewarded Woods with a €350,000 sale to SackvilleDonald.

263 f Mehmas (Ire)--Elkmait (GB) 110,000

Bred by Tally-Ho Stud (Ire)
Consigned by Tally-Ho Stud
Purchased by Karl Burke/Carl Waters

Tally-Ho's history with the 11-year-old mare Elkmait (GB) (Trade Fair {GB}) stretches back to 2008 when the farm bought her as a foal for 16,000gns. They resold her the following year for 20,000gns and finally bought her back two years later through Bobby O'Ryan for 7,000gns. Mated exclusively with Tally-Ho stallions since then, she has more than paid her way up to this and with the emergence of her high achieving third produce The Mackem Bullet (Ire) (Society Rock {Ire}), it looks like her best days are ahead of her. After selling this filly for 110,000gns the farm can look forward to offering a filly foal by Vadamos (Fr) with the mare covered this year by Kodiac (GB).

287 f Slade Power (Ire)--Flare Of Firelight 160,000

Bred by La Lumiere Partnership (Ire)
Consigned by Ringfort Stud
Purchased by Shadwell Esate Company

When Derek Veitch purchased Flare of Firelight (Birdstone) for 9,000gns at Tattersalls five years ago, it would prove one of the best bloodstock decisions in his successful career as a breeder and seller of Thoroughbreds. Her first cover to Garswood (GB) yielded a sale of €80,000 for that resulting colt foal. Then along came this year's dual Group 2 winning juvenile Threat (Ire) (Footstepsinthesand {GB}) who sold for 100,000gns as a foal. His exploits this year stamped Flare Of Firelight as a producer of note and the mare's success in the sales ring continued when the above Slade Power (Ire) filly was knocked down to Shadwell for 160,000gns. Veitch can look forward to offering a filly foal by Galileo Gold (GB) and the mare was shrewdly covered again by Footstepsinthesand (GB) this year.

337 f Awtaad (Ire)--Hi Katriona (Ire) 200,000

Bred by Mr John Webb (Ire)
Consigned by Baroda Stud
Purchased by Phoenix Thoroughbreds

Plenty will be expected from the first cop of Awtaad (Ire) when they hit racecourses next year based on some of the yearlings that have been representing the Derrinstown stallion this autumn. This filly, offered by David Cox's Baroda Stud, was bought by Rosetown Bloodstock for €64,000 as a foal in Goffs last year and the half-sister to eight winners provided a significant return to connections when selling to Phoenix Thoroughbreds for 200,000gns.

DESERT PEACE (c, 2, Curlin--Stoweshoe {SW-US}, by Flatter), who cost Godolphin $1.3million at the Keeneland September Sale, raced behind the leading duo throughout the early stages. Staying on to gain the advantage in the final 150 yards, the 7-4 favourite asserted for a 1 3/4-length success from Nugget (GB) (Siyouni {Fr}). The winner is out of a full-sister to the high-class GI Humana Distaff S., GII Lexus Raven Run S. and GII La Canada S. heroine Taris and a half to the dual graded stakes-placed Theatre Star (War Front). PEGUM BUYS MUSTAJEER SHARE

Mustajeer and Colin Keane | *Racing Post photo*

by Bren O'Brien

Richard Pegum has secured a 25 per cent share in leading Caulfield and Melbourne Cups hope **Mustajeer (GB)** (Medicean {GB}), paying $320,000 through the Inglis Digital Online Sale platform.

The quarter share in the last-start Ebor H. winner was offered by Gaelic Bloodstock and the online auction went for two days before Pegum placed the winning bid on the 7-year-old.

“To purchase an in-form horse for a big race this close to the race, it’s very exciting,’’ Pegum said. “I’ve been able to buy many horses before, but this is one of the most well-credentialled imports I’ve ever bought."

Gaelic Bloodstock's Phil Burns was also rapt with the outcome of the auction.

“Thanks to Inglis for getting the job done. The initiative, opportunity and professionalism involved in the entire process has been outstanding," he said.

“It’s been a seamless process as a vendor and we’re absolutely delighted with the result."

“I'd like to wish the new owner all the best in this new investment. Mustajeer has provided us with so many amazing memories and I sincerely hope he can come out and win the two big Cups in Australia in coming weeks so they can enjoy the thrills we have enjoyed with him.’’

Mustajeer, who was bred and initially raced by Shadwell, won one of his first seven starts before being purchased for £50,000 by Gaelic Bloodstock at the 2017 Tattersalls July Sale after which he transferred to Irish trainer Ger Lyons.

Having won easily at Naas on debut for his new connections, he then proved competitive in stakes company before running fourth in last year's Ebor H. and then broke his black-type duck with a 6.5l win in the Listed Finale S., at Naas.

He showed his continued improvement when he split leading European stayers **Master Of Reality (Ire)** (Frankel {GB}) and **Southern France (Ire)** (Galileo {Ire}) in the G3 Vintage Crop S. in April before running third in the G1 Tattersalls Gold Cup at The Curragh in May.

Australian Bloodstock negotiated to buy a significant share in him after he finished fifth in the G2 Curragh Cup in June, while Gaelic Bloodstock remained involved.

He then returned to York in August, where he proved the superior stayer in winning the £1 million Ebor, defeating **Red Galileo (GB)** (Dubawi {Ire}).

Now trained by Kris Lees, Mustajeer holds entries for the two major spring handicaps in Melbourne, including the G1 Caulfield Cup in 10 days' time, a race for which he is currently rated $13 to win.

THANKS TO INGLIS FOR GETTING THE JOB DONE. THE INITIATIVE, OPPORTUNITY AND PROFESSIONALISM INVOLVED IN THE ENTIRE PROCESS HAS BEEN OUTSTANDING. –Phil Burns

He joins a number of high-profile sales through the Inglis online platform in recent months including **Manaya** (Hinchinbrook) for $400,000 and **Set Goals** (Snitzel) for $321,000.

Inglis Digital Business Manager Nick Melmeth was thrilled with the outcome of the Mustajeer auction.

“This was new territory for Thoroughbred sales in this part of the world, to be selling a quarter share in a genuine Caulfield and Melbourne Cups contender, in early October, online," Melmeth said. **Cont. p2**

Mustajeer cont.

"The sale received significant international media coverage and I think that alerted a lot of people to it and as a result, there was widespread interest in the auction.

"Congratulations to Richard on the purchase and thank you to Phil Burns for entrusting Inglis Digital with the sale. We wish Richard and the existing connections all the best with Mustajeer in the Caulfield Cup and beyond."

Weir And Three Others Charged

by Bren O'Brien

Disqualified trainer Darren Weir has been charged by Victoria Police on nine counts of alleged animal cruelty and conspiracy offences.

Trainer Darren Weir

The case against Weir, a winner of 36 Group 1 races and one of Australia's leading trainers over the past decade before his disqualification in February, includes charges of conspiracy to defraud Racing Victoria, engaging in the torturing, abusing, overworking and terrifying of a Thoroughbred racehorse, and causing unreasonable pain or suffering to a Thoroughbred racehorse.

He was one of four men charged on Wednesday, with a hearing to take place at the Melbourne Magistrates Court on October 23.

The others charged include Jarrod McLean, who faces 16 charges; former Weir employee Tyson Kermond, who faces seven charges; and licensed rider agent Willie Hernan, who was issued with one charge.

Weir, his assistant McLean and Kermond were arrested and released without charge following raids by police and stewards on several properties around Ballarat and Warrnambool on January 30.

Those raids precipitated Racing Victoria taking action against Weir, who was then disqualified for four years by the Racing Appeals and Disciplinary Board after pleading no contest to four charges, three of them in relation to the possession of an electronic apparatus on his licensed premises and the other for conduct prejudicial to the image of racing.

Racing Victoria issued a statement in response to the charges.

"Racing Victoria confirms that it has been advised by Victoria Police's Sporting Integrity Intelligence Unit that it has today issued charges against four persons in relation to its investigation into the activities of licensed or registered persons in the Warrnambool and Ballarat areas following the execution of warrants at properties on 30 January 2019," said the written statement from RV.

"RV (Racing Victoria) Stewards are giving these matters careful consideration and will provide a further update in due course."

While Weir has begun his disqualification, McLean remains eligible to train as he fights the charges issued against him by Racing Victoria. He has been asked to attend a Racing Victoria inquiry on Thursday along with Kermond and Hernan to answer questions about the charges.
