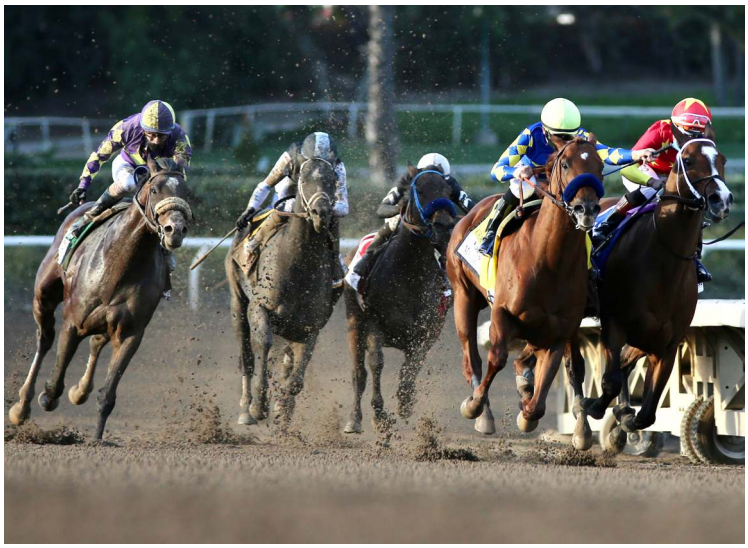
CHARLATAN TURNS RUNHAPPY MALIBU INTO ONE-HORSE AFFAIR



Charlatan (blue shadow roll) claims Nashville (right) turning for home in Saturday's GI Runhappy Malibu S. | *Benoit*

by Alan Carasso

A pair of Speightstown **'TDN Rising Stars'--Nashville** and **Charlatan**--looked to have their four rivals over a barrel in Saturday's GI Runhappy Malibu S., the traditional post-Christmas opening day feature at Santa Anita Park. The former had the benefit of recency, his three wins from as many starts coming by 24 3/4 lengths combined, while the latter was resurfacing for the first time since crossing the line best in the slightly slower of the two divisions of the GI Arkansas Derby May 2. Nashville was sent off the 13-10 favorite to continue his streak, but Charlatan belied his absence with a thoroughly dominating victory, treating those who maintained the faith to a relatively juicy $5.20 as the second betting choice. **Express Train** (Union Rags) and **Collusion Illusion** (Twirling Candy) filled out the minors, as Nashville struggled home a well-beaten fourth.

"They were rolling early, there was a really good horse he was chasing," said Baffert. "I'm just happy for the whole team and everybody involved, to show he is a really special horse. Hopefully, we will have a good year [2021] with him."

HARTY OUTDOES FORMER BOSS IN LA BREA

by Alan Carasso

For 14 years, Irishman Eoin Harty worked as the right-hand man to trainer Bob Baffert, helping oversee the careers of the dual Classic-winning duo of Silver Charm (1997) and Real Quiet (1998) among many other luminaries. For the last two decades, Harty has served as an American-based conditioner for Godolphin, having developed the likes of Street Cry (Ire), champion Tempera--whom he trained to a victory in the 2001 GI Breeders' Cup Juvenile Fillies--and Dubai Escapade. Now 58 and a decade removed from his most recent Grade I success, Harty was back in the spotlight following a 20-1 upset by **Fair Maiden** (Street Boss) in Saturday's GI La Brea S. at Santa Anita. **Golden Principal** (Constitution) and **Merneith** (American Pharoah) completed a 2-3 finish for the Baffert barn.

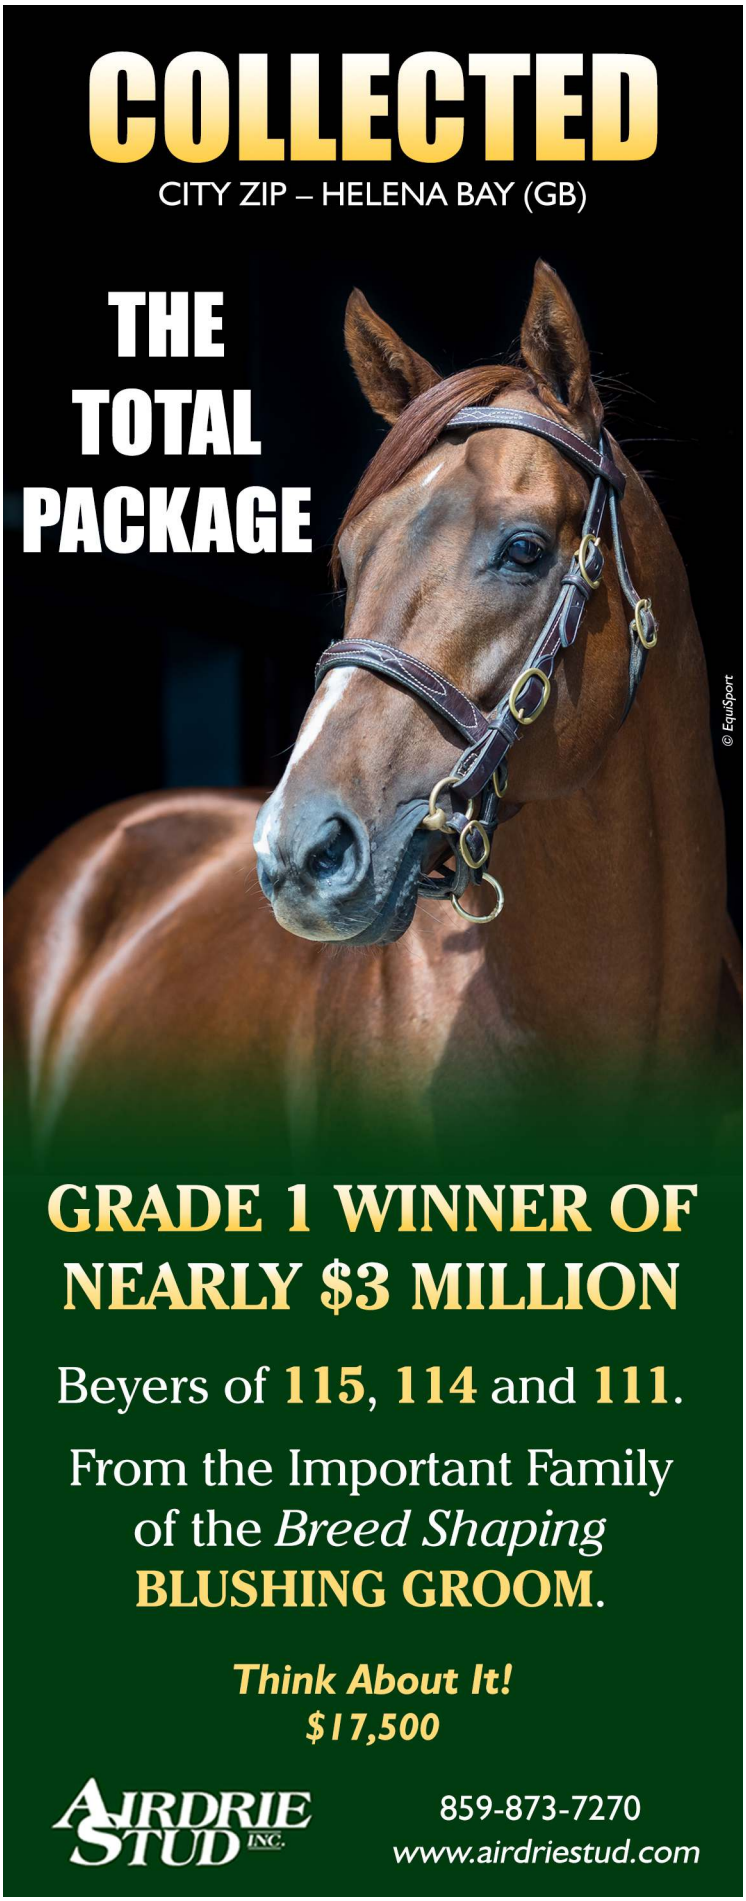
The early part of the Malibu played out as most pace handicappers had mapped it--Nashville was quickest out and made the lead with a minimum of fuss, and Charlatan--perhaps not quite as brilliantly fast--was content to chase from second beneath Hall of Famer Mike Smith. Nashville's opening couple of furlongs were covered in :21.81 and his half-mile split of :43.95 was in line with the :43.87 he'd clocked in winning his debut at Saratoga Sept. 2 and again in his Perryville S. romp Nov. 7. Comparisons with those two races ended right about the quarter pole. Nashville was confronted by Charlatan, but the colt offered little resistance, and Charlatan was off and gone, geared down by Smith in the final 100 yards to score with something left in the tank.

Horsephotos

"To run against these types of horses was a feat itself, but I always thought he was a special horse," said Smith, who won the Malibu aboard McKinzie (Street Sense) and Omaha Beach (War Front) in 2018 and 2019, respectively. "I've had the opportunity to watch him, California is his home base, so I've seen a lot of him and always wanted a chance to ride him. When Bob told me I got the call, man I've been kind of on cloud nine ever since. He is extremely special."

Charlatan was deemed a no-brainer **'Rising Star'** off a 5 3/4-length thrashing of the solid Shooters Shoot (Competitive Edge) on his Feb. 16 debut before treating future GSW Rushie (Liam's Map) to a 10 1/4-length beating in a one-mile allowance Mar. 14. Forced to ship out of town when coronavirus put a halt to racing locally shortly thereafter, Charlatan was 40 cents on the dollar and reported home six lengths to the good at Oaklawn in early May, only to be disqualified for a drug positive. Charlatan was being pointed for the first leg of the reconstituted Triple Crown--the June 20 GI Belmont S.--but suffered an ankle injury and had not been heard from since. **Cont. p4**



Pedigree Notes:

Charlatan is the 20th worldwide Grade I/Group 1 winner (19 NH/1 SH), 59th GSW and 120th black-type winner for Speightstown and the stallion's fourth top-level winner in 2020, joining Echo Town, Mozu Superflare and Lady Speightspeare. Quiet American is now the broodmare sire of 123 SWs and 43 GSWs and 15 at G1/GI level, including Horse of the Year Saint Liam (Saint Ballado), champion Bernardini (A.P. Indy) and Whywhywhy (Mr. Greeley) from the same Gone West sire line as Charlatan. Authenticity, who was second in the GI Zenyatta S. and third in the GI Breeders' Cup Distaff at Santa Anita, is the dam of the 2-year-old Bennyfromthebronx (Tapit), a $300,000 Keeneland September yearling who breezed five furlongs in 1:03.80 (6/10) at Payson Park Dec. 22, and a yearling Into Mischief filly.

La Brea S. cont.

The La Brea field was caught in a nice line and Fair Maiden raced prominently early before drifting back to the latter half of the field as **Biddy Duke** (Bayern) poked through to take up the running down the backstretch. Ridden quietly by Northern California import Ricky Gonzalez, while racing three or four off the rail in the slipstream of the Chad Brown-trained **Motivated Selller** (Into Mischief) around the turn, Fair Maiden edged into the four path to follow the move of Golden Principal into the stretch. Pulled out into the clear to lay down her challenge shortly thereafter, Fair Maiden hit high gear at the furlong grounds and raced away to a convincing success. Favored **Finite** (Munnings) settled well back in the field and made mild late progress into fourth. It was a first Grade I winner for jockey Ricky Gonzalez, who shifted his tack from up north for the winter.

"Eoin [Harty] said she was doing really, really well, to just put her in the race," he explained. "There were quite a few speeds. 'Just put her in the race, get her clear and get her to the outside.' We hit the stretch and as soon as we hit the stretch, she went on the outside and was just full of run."

It was the first Grade I for Harty since Victor's Cry, a son of the aforementioned Street Cry, took out the 2010 Shoemaker Mile.

Fair Maiden | *Benoit*

An Arlington maiden romper at second asking last season, Fair Maiden won the grassy Catch a Glimpse S. at Woodbine and was a narrowly beaten third in the GI Natalma S. before finishing well-beaten behind Sharing (Speightstown) in the GI Breeders' Cup Juvenile Fillies Turf. The chestnut resumed to post a 2 1/4-length allowance when trying dirt for the first time in her career at Churchill Sept. 19 and was a troubled fourth to Merneith and Motivated Seller in the Qatar Fort Springs S. on Breeders' Cup Saturday at Keeneland Nov. 7.

Pedigree Notes:

Fair Maiden is the seventh Group 1/Grade I winner for her sire and is one of two winners from three to race from her dam, an $875,000 graduate of the 2009 Fasig-Tipton Saratoga sale. Fair Maiden's third dam won the 2000 GI Kentucky Oaks and GI Mother Goose S. before going on to produce MGISP Dunkirk (Unbridled's Song). Shieldmaiden, the 10th daughter of the late Smart Strike to produce a top-level winner, was sold for $30,000 in foal to Animal Kingdom at Keeneland November in 2017 and produced colts by Passion For Action in each of the last two seasons before being covered by the same son of Speightstown last year.

DUOPOLY RUNS THEM RAGGED IN AMERICAN OAKS *by Alan Carasso*

Having sent out Klaravich Stable's Competitionofideas (Speightstown) to win his first GI American Oaks two years ago, trainer Chad Brown was back at it again Saturday afternoon, as Klaravich's **Duopoly** (Animal Kingdom) was given a beautifully rated ride from the front by Frenchman Flavien Prat and had plenty left late to post a mild upset at odds of 6-1. **Going to Vegas** (Goldencents) stayed on gamely for second ahead of favored **'TDN Rising Star' Sharing** (Speightstown), who just earned a photo for third.

Duopoly appeared the speed of the field and so it proved, as Prat kicked her straight into the lead as they raced down the hill, but John Velazquez was content on keeping Sharing closer to whatever pace eventuated. Duopoly switched off nicely through opening splits of :24.91 and :49.67, but the same could not be said for Sharing, who wanted to overrace and pulled hard through the middle stages. **Cont. p8**

Prat managed to slacken the pace further still over the next internal quarter-mile (:25.22) and looked to have the race at his mercy turning for home. Duopoly, unsurprisingly, had plenty left to give and sprinted her final two furlongs in :22.63 en route to a reasonably easy victory.

"I thought on the backside someone was going to hook up with me, but lucky enough nobody did," said Prat. "We had a pretty nice trip. She was full of herself and travelling perfect. When I asked her she really kicked in."

Duopoly wired a field of Monmouth maidens to graduate second time out July 2 and repeated the dose in Saratoga allowance company Aug. 21, but was unable to find the front as the favorite in the Oct. 16 GIII Pin Oak Valley View S. at Keeneland and weakened to be fifth. She was back to her pacesetting ways in the Nov. 15 Winter Memories S. at Aqueduct, defeating Saturday's Tropical Park Oaks winner Vigilantes Way (Medaglia d'Oro) into third.

Pedigree Notes:

Duopoly is the third top-level and seventh graded/group winner for the expatriated Animal Kingdom and the sire's second Grade I winner this term, joining Jaipur S. heroine Oleksandra (Aus). Justaroundmidnight is the dam of a 2-year-old colt by Quality Road and a yearling Kitten's Joy colt that fetched $275,000 at this year's Keeneland September sale that has since been exported to England. The mare was barren to Kitten's Joy's son Oscar Performance for 2020 and was returned to that stallion this past season.

An unlucky loser of the Nov. 28 GI Hollywood Derby down at Del Mar, Smooth Like Strait bounced back in no uncertain terms with an easier-than-it-looked victory in Saturday's GII Mathis Brothers Mile S. on opening day at Santa Anita.

The prohibitive favorite was away in good order for Umberto Rispoli and took the sit from second, allowing John Velazquez aboard champion Storm the Court to call the shots from the front. Always traveling sweetly off the leader's flank, Smooth Like Strait engaged the hard-ridden pacesetter after six furlongs in 1:10.12, showed in front when heads were turned from home and was punched out to score by a measured margin.

"We knew Storm the Court would be going for the lead, so I just wanted to sit back of him," the winning jockey said. "We got the perfect trip. When it came time to ask him in the stretch, he was ready to go."

Winner of the May 23 War Chant S. at Churchill--with Johnny V. up--Smooth Like Strait had Rispoli in boot for the first time when easily accounting for Storm the Court in the GIII La Jolla H. at Del Mar Aug. 9. Only fourth at 6-5 in the GII American Turf back in Louisville Sept. 5, the bay defeated Scarto (Paynter) and Field Pass (Lemon Drop Kid) in the GII Twilight Derby Oct. 18 and led deep into the final furlong at Del Mar last time, only to be tagged on the line by Domestic Spending (GB) (Kingman {GB}).

Smooth Like Strait (center) goes for home in the Mathis Brothers Mile
Horsephotos

Pedigree Notes:

One of 13 graded winners for his sire, Smooth Like Strait hails from the deeper female family of the versatile Dixie Dot Com (Dixie Brass), a four-time graded winner and second in the GI Pacific Classic on dirt and himself second to Vergennes (Dynaformer) in the 1998 Hollywood Derby. Smooth Like Strait has a yearling half-sister named Unusually Smooth (Temple City) and a weanling full-brother. Smooth as Usual is due to Nyquist for 2021.

John Sondereker's Kiss Today Goodbye swooped to the lead in the dying strides to upset the field in the GII San Antonio S. at Santa Anita Saturday. The 15-1 shot settled at the back of the pack as heavy favorite Mucho Gusto (Mucho Macho Man) shadowed Take the One O One through fractions of :23.83 and :47.81. Mucho Gusto moved up to challenge the pacesetter from the outside at the top of the lane as Idol put in his bid along the rail. The three looked set to battle it out to the wire, but Kiss Today Goodbye unleashed a powerful late rally down the center of the track to just get on top in the final strides. Mucho Gusto tired late and settled for fourth in his first start since a fourth-place effort in the Feb. 29 Saudi Cup.

"I was impressed with his last race and I wasn't even riding him," winning jockey Mike Smith said. "He ran by me in that last race. I thank [trainer] Eric Kruljac for the opportunity of riding him and for his great training job. The race was shaping up for him with the speed up front and when it came time to run, he took off. I just guided him around the track." **Cont. p11**

San Antonio S.

Third behind Thousand Words (Pioneerof the Nile) in the Aug. 1 Shared Belief S. at Del Mar, Kiss Today Goodbye moved to the lawn to finish fifth in the Sept. 6 GII Del Mar Derby and fourth in the Oct. 18 GII Twilight Derby. He returned to the main track to win a one-mile optional claimer at Del Mar last time out Nov. 14.

"He was always very immature early on," Kruljac said. "It just took him longer to get to where he is and I think he is really just beginning to mature. About four races back he got absolutely sandblasted and was basically eased in the race. I basically told Mike, 'He's better with the kickback, but it was a factor that day.' As you can see when Mike came back, he ate the dirt, the colt has put it all together and Mike gave him an absolutely perfect ride. The pace gods were on our side."

Sondereker began owning racehorses in the early 2000s after retiring from a 40-year career in the financial industry. Kruljac credited the owner with the decision to run in the San Antonio.

"John said his sheet numbers were going up and up, and he is a numbers guy," Kruljac said. "The horse has trained like that but as a trainer I look at the older horses and see what they have already done, I go, 'Oh my God, what are we doing?' But he was right. It sure set up well, and the two scratches helped."

With some 20 horses in training in California with Kruljac, the owner made a big splash at the Fasig-Tipton Selected Yearlings Showcase when he purchased a filly by War Front (hip 248) for $625,000.

Eres Tu | *MJC/Jim McCue*

Allaire du Pont Distaff S. cont.

Eres Tu broke her maiden at two and placed in both the GII Rachel Alexandra S. and the Silverbulletday S. at three while under the care of Steve Asmussen. She has come into her own at four, upping her Beyer figures and taking three straight after a 19-month break and a move to the barn of Arnaud Delacour. Last seen winning her first black-type event in the Nov. 28 Thirty Eight Go Go S., also at Laurel, she had commenced her comeback with a 2 1/4-length score in an Oct. 14 Keeneland allowance. The GIII Allaire DuPont S. marked her first visit to the graded ranks since the 2019 GII Fair Grounds Oaks, the last race before her long layoff.

The bay broke with the leaders in the DuPont, but was shuffled back to settle into a stalking third alongside Landing Zone (Morning Line) while under a firm hold through a quarter mile in :24.61 and a half in :48.34. Eres Tu inched up on the turn to engage leader Needs Supervision (Paynter) and Landing Zone, but only for a moment before sprinting right by into the lane. She stayed on her wrong lead all through the stretch, but held her position and crossed the wire a length the best.

Pedigree Notes:

The winner's dam has had two black-type winners prior to Eres Tu, both in the Midlantic region, but this filly marks her first graded win as a producer. The mare, a Midlantic stakes winner herself, has lost two foals in the last three years. She has been bred to Constitution for next term. Eres Tu's third dam is a full-sister to 1985 GI Preakness S. winner Tank's Prospect (Mr. Prospector). Eres Tu is also a half-sister to Pangburn, the dam of **'TDN Rising Star'** Caddo River (Hard Spun). **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

RECORD OPENING-DAY HANDLE AT SANTA ANITA

A total of $23,003,159 was wagered on the stakes-packed, 11-race program Saturday at Santa Anita, surpassing the previous record of $20.4 million for the same number of races Dec. 26, 2018, a Wednesday. With the exception of essential licensed personnel, which includes horse owners, the track remains closed to the public.

"We want to thank our fans, owners, trainers, jockeys and other stakeholders for supporting our racing program and contributing to a strong opening day," said Nate Newby, Santa Anita Senior Vice President and General Manager. "This has been a difficult year for a lot of people and we are happy to be able to provide world class racing for those watching and playing the races from home.

"We can't wait to welcome our fans and our employees back to The Great Race Place when protocols allow everyone to enjoy our tremendous sport in person. In the meantime, we are thankful to be able to operate as we are currently."

WILL'S WAY PASSES AWAY AT OLD FRIENDS CABIN CREEK

Will's Way (Easy Goer--Willamae, by Tentam), whose racing career was highlighted by a hard-fought victory in the 1996 GI Travers S., passed away Dec. 24 at Old Friends at Cabin Creek in Greenfield Center, NY. He was just over a week shy of celebrating his 28th birthday.

Campaigned by Rudlein Stable and trained by H. James Bond, Will's Way didn't begin his career until early in his sophomore season, but was a neck second to GI Preakness S. hero Louis Quatorze (Sovereign Dancer) in the GII Jim Dandy S. at Saratoga before turning the tables on that rival and Skip Away (Skip Trial) in the Midsummer Derby. Seventh to Old Friends Kentucky inmate Alphabet Soup (Cozzene) in the 1996 GI Breeders' Cup Classic, Will's Way was runner-up in the 1997 GII Suburban H. before besting Formal Gold (Black Tie Affair {Ire}) by a nose in the 1997 GI Whitney H., with Skip Away a distant third. Will's Way had a brief stud career, siring GI Cigar Mile H. hero Lion Tamer and GSW Willy O'The Valley. **Cont. p13**

Will's Way (1993-2020) | *Diana Pikulski*

"We all loved him so much," said Joann Pepper, owner and manager of Cabin Creek. "He would take our breath away when he decided to run. I will miss brushing his tail and kissing his star--I'll even miss letting him chew on me," Pepper added, referring to Will's sometimes cantankerous personality. "It was such an honor to care for him."

"He was such an exciting racehorse, and we were so thrilled to have him with us first in Kentucky and then in New York," said Old Friends founder and president Michael Blowen. "Our heart goes out to our friends at Cabin Creek. Joann and Will had a very special bond, and we know he will be sorely missed by everyone there."

No Cents | *MJC Photo*

No Cents graduated by 6 1/4 lengths while facing fellow Jersey-breds at Monmouth Park Sept. 27 and bested open allowance company at the Oceanport oval Oct. 21 before a win in the six-furlong James F. Lewis III S. at Laurel last time out Nov. 14. Favored to win his second stakes here, the bay colt raced near the back of the field early, but pulled his way to within striking distance after a quarter in :22.78. He rolled up three wide on the turn, took a slim lead in upper stretch and maintained his advantage to the wire despite lugging in near the sixteenth pole. Jevian Toledo, the rider of third-place finisher Singlino, lodged an objection against Alex Cintron and No Cents for drifting in and impeding his path in addition to a stewards' inquiry, but the complaint was dismissed after an extended review. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Miss Leslie, haltered for $25,000 off her breeder out of her maiden breaker at third asking Nov. 13, romped first off the claim for these connections in a local $62,5000 optional tagger Dec. 10. Backed as the second choice in this two-turn debut, she raced in tight quarters on the inside in fifth, began to get going after taken about four wide approaching the quarter pole and came with a sustained rally down the stretch to get the money

in a wild, three-horse photo finish. The winner's dam, also represented by a yearling colt by Run Away and Hide, was bred to Holy Boss for 2021. "We were talking about it in the paddock and she broke pretty good. I saved the most ground I could, and she was relaxed," winning jockey Roimes Chirinos said. "She wasn't scared at all. She was just fighting to take the lead and she fought pretty good." **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Harpers First Ride, winner of the GIII Pimlico Special S. Oct. 2, followed a second-place finish in the Oct. 24 Maryland Million Classic S. with a sharp score in the Richard W. Small S. Nov. 28. Not much of a secret in this one, he sat a stalking trip in second, turned up the heat on the far turn and kicked clear in the stretch to win going away. Progeny in the pipeline for the winner's dam include an unraced 2-year-old filly by Quality Road, a yearling colt by Practical Joke and a Bolt d'Oro colt of this year. Winning rider Angel Cruz said, "At the top of the stretch, I had so much horse, and when I asked 'Harper,' he responded very well. When Cordmaker came by me I just sat patient and waited a little bit. When I asked him, he responded for me. He's just a game horse. He fights to the end." **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Shackqueenking improved off a debut runner-up effort in the local slop Nov. 1 to graduate at long odds-on over track and trip Nov. 27 and was exiting a runner-up effort trying winners for the first time over a mile Dec. 13. Three wide into the first turn as Ain't Da Beer Cold took them along up front, Shackqueenking raced in a line of three down the backstretch before edging into a clear second at the half-mile marker. Appearing to be going better than the front runner as they hit the stretch, Shackqueenking looked like he might kick easily clear, but Ain't Da Beer Cold proved dead game while buried down on the inside and fought on bravely to just miss. The winner's dam, a half-sister to GSW Redaspen (Bianconi), was most recently bred to Dominus after missing to Bee Jersey for 2020. "I've run him pretty quick four times now in a short period of time but he seems to relish it," winning trainer Gary Capuano said. "I have to train him the morning of the race because he just gets wild, but he's not bad. He's just a good-feeling horse. Victor [Rosales] does a good job with him and it all worked out well. He ran game. It was tight." **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Dontletsweetfoolya inched closer to an appearance in a race like the GIII Barbara Fritchie S. in a few weeks' time with a fifth consecutive victory in Saturday's Willa On the Move S. Hustled along by Jevian Toledo from gate one, the heavy favorite took pace pressure from Malibu Mischief for the opening five panels, but put that one away at the eighth pole and was never in serious danger as Hibiscus Prince made belated progress. Dontletsweetfoolya won her maiden and first allowance condition at this track by a combined 18 1/4 lengths and added a three-length success at Pimlico ahead of a pillar-to-post victory in the Primonetta S. over this course and trip Nov. 28.

"Ever since we drew the one-hole we were kind of dreading it, especially with the weather coming in. The track guys did a fantastic job with working this rail all day," winning trainer Lacey Gaudet said. "We've had rain and cold weather and this rail is beautiful, so it did give us a little more confidence when we led her over here. [There was] a lot of speed; being on the inside we knew she was going to be pressed pretty hard and she just keeps coming back at them." **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Colonel Liam is all alone at the wire | *Lauren King*

Colonel Liam entered the Tropical Park Derby as the most lightly raced horse in the field with just four starts under his belt. The $1.2-million OBS April 2-year-old didn't debut until this April, finishing second in a Gulfstream maiden but was bumped and checked in the stretch and came away with the win via disqualification. Third in the slop in May, he made the trip north to annex a Saratoga allowance with a 100 Beyer on the lawn in July. His subsequent fourth in the Aug. 15 Saratoga Derby Invitational S.--his last start--was better than it looked, as he was beaten less than a length after some trouble and the first two home have since won Grade Is.

Five or six wide early on going into the first turn this time, Colonel Liam stayed midpack on the outside through fractions of :24.30 and :48.51. He made a strong move on the final turn, wrested away the lead while still wide, and skipped home a facile 3 1/4-length winner. It was no trouble, no drama, and a first black-type win for the son of Liam's Map.

"He's really taken to the turf," said trainer Todd Pletcher. "We saw that in his allowance at Saratoga. He got in a little trouble in the Saratoga Derby. He came back great. I thought it was an impressive race. He kind of made a little bit of an early move and kept on going."

Pletcher said the connections hope to earn a spot in the $1-million GI Pegasus World Cup Turf Jan. 23.

The unraced Amazement produced Colonel Liam and a yearling colt by Tapiture who brought $17,000 at the Fasig-Tipton Kentucky October sale. She also has a weanling colt by Arrogate and has been bred back to Copper Bullet. The mare is out of the early 2000s star Wonder Again, a MGISW on the grass. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Vigilantes Way has been knocking on the door of stakes success and finally got her first black-type victory in Saturday's Tropical Park Oaks. A daylight winner of two straight at Colonial and Laurel this summer, she was second in the Hilltop S. Oct. 3 and third in the Winter Memories S. Nov. 15.

In the Oaks, the bay broke on top and vied for the lead with 108-1 Blue Mistress (Handsome Mike) keeping her honest through fractions of :23.91 and :47.66. She took the lead for good leaving the final turn and never looked back to win with authority by 2 1/4 lengths. The Phipps homebred has not been off the board since moving to the lawn.

He's no stranger to stakes company with a win in the Central Park S. a year ago to go alongside placings in the GIII Kent S. and five other black-type events.

Looking to get back on track in the Woodchopper S., Pixelate didn't have speed out of the gate and settled midpack on the outside. The bay broke sharply and led the field with an easy confidence through a first quarter in :22.94 before opening up by about six lengths. Around a half in :46.20, Nasty began letting rivals closer, but she was just teasing. She took off again in the stretch before the tables turned with her opponents looming boldly. Nasty desperately held on as she was swamped on the outside and just lasted for a head triumph to secure her first stakes win.

Valiant Passion, third in the 2010 GI Spinaway S., didn't have another live foal after Nasty until delivering a colt by Good Magic this past spring. She was bred back to The Factor for next term. The mare hails from the immediate family of Skywalker (Relaunch), whose biggest moments also came at Santa Anita where he won the 1986 GI Breeders' Cup Classic and the 1985 GI Santa Anita Derby. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

GREATEST HONOUR (c, 2, Tapit--Tiffany's Honour, by Street Cry {Ire}) opened his career with third place efforts going seven furlongs at Saratoga (Sept. 5) and at Belmont (Oct. 11) before missing by just a head when second going nine furlongs at Aqueduct Nov. 8. The 1-2 favorite was unhurried early and tarried near the back of the pack and was impeded on the first turn when Dudes Got Game (Nyquist) checked hard in traffic and lost the rider. He made rapid progress on the farn turn and surged to the lead in deep stretch before striding clear to a 1 1/2-length victory. In foal to Medaglia d'Oro, Tiffany's Honour sold for $2.2 million to Katsumi Yoshida at the 2018 Keeneland November sale. The daughter of blue hen mare Better Than Honour (Deputy Minster) was exported to Japan and has a yearling filly by Medaglia d'Oro. Dudes Got Game suffered a heart attack and died, per *Daily Racing Form*'s Mike Welsch. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.** Lifetime Record: 4-1-1-2, $56,200.

DIAMOND ORE (f, 2, Tapit--Bubbler {MSW & GSP, $211,622}, by Distorted Humor), a half-sister to the ill-fated Arrogate (Unbridled's Song), Ch. 3yo Colt-US & Hwt. Older Horse at 9 1/2-11f-UAE, G1SW-UAE & MGISW-USA, $17,422,600; broke through at fourth asking in her dirt debut here. She made her first three career starts over the Woodbine synthetic, led by a runner-up finish going 1 1/16 miles last out Nov. 14. The 1-2 favorite raced in fifth through fractions of :25.13 and :49.70, made her move while three wide on the far turn and gutted out a half-length victory after a long drive. Purtiz (Tiznow) was second. Diamond Ore, a $750,000 KEENOV weanling, is also a half-sister to Osare (Medaglia d'Oro), SW, $234,605. Bubbler was bred back to Into Mischief after producing a Justify colt in 2020. John Sikura's Hill 'n' Dale Farm purchased a 50% interest in Bubbler in June 2017; she RNA'd for $4.7 million at the 2016 FTKNOV sale just days after Arrogate's GI Breeders' Cup Classic victory. DISTORTED LIMITS (c, 2, Distorted Humor--Off Limits {MSP, $127,675}, by Include), a well-beaten sixth going one mile at Gulfstream Park Oct. 7, tired to third after pressing the pace going one mile and 40 yards at this oval Nov. 27. The even-money favorite rated off the early pace through a quarter in :22.61 and inched closer through a half in :45.77. Tipped out a path at the top of the lane, the bay colt forged to the lead with a furlong to run and held off late-closing Carrobio (Pioneerof the Nile) to graduate by a half-length. Distorted Limits, a $400,000 KEESEP yearling, is a half-brother to last year's GI CCA Oaks third-place finisher Off Topic (Street Sense), GISP, $258,800. Off Limits' yearling colt by Speightster sold for $30,000 at this year's Keeneland September sale. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.** Lifetime: 3-1-0-1, $15,760.

NICENO (f, 3, Karakontie {Jpn}--Pleasant Laughter {MSP, $172,007}, by Coronado's Quest) was never a factor when seventh at this trip over the Aqueduct lawn in her Nov. 20 unveiling. Dismissed at 8-1, the bay filly settled well off the pace of a runaway early lead while tucked in along the rail. She inched closer down the backstretch and skimmed the rail to take over in upper stretch and determinedly held off favored Red Light Racer (Medaglia d'Oro) to the wire to win by a neck. Niceno is a half-sister to Hillhouse High (Exchange Rate), GSW-USA, SP-Can, $456,803. Pleasant Laughter's colt by Kitten's Joy sold for $20,000 at this year's Keeneland September Yearling Sale. SAY HELLO, WAVE GOODBYE

Haras d'Etreham's 2021 stallion roster if highlighted by Hello Youmzain and Persian King

By Emma Berry

It has been a year of change at Haras d'Etreham. In August it was announced that the farm's flagship stallion Wootton Bassett (GB) had been sold to Coolmore. The dominant Irish operation was wise to catch a rising tide but it is Etreham, and in particular Nicolas de Chambure, who must be credited with establishing the increasingly popular stallion.

If we accept the conservative estimate that only one in 10 stallions really make it, then it is clear that finding Wootton Bassett's replacement will be no easy task. Perhaps Etreham already has a worthy successor in his first-crop champion son Almanzor (Fr). Time will tell. And as back up, the farm welcomes two new stallions this year, both Group 1 winners, both by hugely popular sires, and one of them a Classic winner.

Most farms would welcome the chance to start the career of **Persian King (GB)** or **Hello Youmzain (Fr)**. Etreham has the golden opportunity of launching them both together, having kept the latter in training for 2020 after buying him the previous season in partnership with New Zealand's Cambridge Stud. Persian King, who was raced by Godolphin in partnership with his breeder Ballymore Thoroughbred, also raced on at four, adding the G1 Prix d'Ispahan and G1 Prix du Moulin to his victory in the Poule d'Essai des Poulains at three, as well as finishing an honourable third in the Prix de l'Arc de Triomphe as his parting shot before retirement.

DUBAI WORLD CUP PURSE REMAINS AT US$12M FOR 2021

Dubai Racing Club announced that the Dubai World Cup purse--sponsored by Emirates Airline--has been retained at US$12Million and that the deadline for free nominations to the 25th renewal of the race will be extended through Jan. 20, 2021. Hosted at Meydan Racecourse, the 2000-meter event, which will be run Mar. 27, 2021, includes six Group 1 and three Group 2 races. Last year a total of 1,774 nominations were accepted from 902 horses trained in 21 countries.

Purses for the remaining eight races are slightly reduced from prior renewals, however, purse structure will be modified to allow for payment all the way down an 8th-place finish in all races on the night.

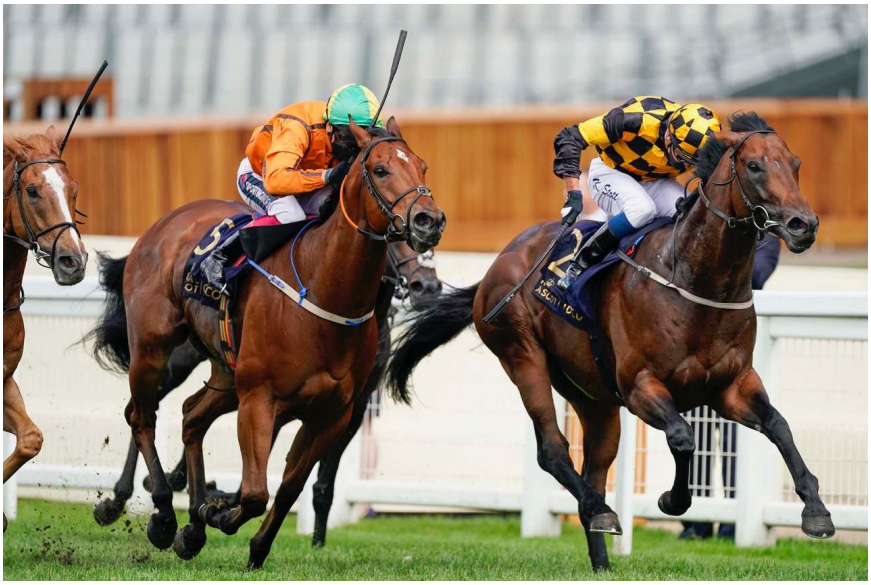
"Persian King is one of the best sons of Kingman so he was attractive to many studs around Europe," says de Chambure. "I think the dynamism of France recently helped us to be able to buy into him and for his owners to be happy about the idea of our partnership, and for the horse to stand in France."

Persian King was one of the early stars among Kingman's offspring, winning three of his four starts at two, including beating subsequent G1 2000 Guineas winner Magna Grecia (Ire) in the G3 Autumn S. at Newmarket. While that outing from his native France suggested that his trainer Andre Fabre may well target the 2000 Guineas with the imposing colt, Persian King stayed at home as a 3-year-old, winning the G3 Prix de Fontainebleau en route to his Classic success and then finishing second to Sottsass (Fr) in the G1 Prix du Jockey Club.



Hello Youmzain (inside) | *racingfotos.com*

"He came back better than ever this year as a 4-year-old," he said. "I think his run in the Arc was a bit special for the breeders. They saw something that they didn't think he was capable of doing. We don't see that much these days, trainers trying something a bit different with their horses. I think people like the fact that he tried and ran very well in the Arc."

He added, "When we buy a stallion prospect their sire is very important so the fact that he is by Kingman is a big plus. It gives French breeders access to that sireline."

Thanks to Haras d'Etreham and Cambridge Stud, French breeders now also have easy access to a son of Kodiac (GB) in the dual Group 1-winning sprinter Hello Youmzain. While there is a growing throng of Kodiac's stallion sons in Ireland and Britain, the former Kevin Ryan trainee is the first to retire to stud in France.

"There was never much of a culture of sprinters in France," de Chambure explained. "The last really good one to retire was Anabaa. This is something a little bit new, and when we found out that he could be bought last year as a 3-year-old it didn't take us too long to make up our minds. And we were very happy also to keep him in training this year because he won another Group 1 for us and was second in the Maurice de Gheest. So even though we couldn't go racing, it was a very good year for us and Kevin Ryan did a very good job with him."

Though sprinting was clearly his game, Hello Youmzain could well be multi-dimensional as a stallion prospect. His dam Spasha (GB) (Shamardal) has produced another two stakes winners on the Flat, including the G2 Gran Criterium winner and G1 Deutsches Derby place-getter Royal Youmzain (Fr) (Youmzain {Ire}), as well as that colt's full-brother, the Grade 2-winning hurdler Saglawy (Fr). Furthermore, though his first two dams are unraced, his third dam, the G3 Lancashire Oaks winner Sandy Island (GB), is a Mill Reef half-sister to Lord Howard de Walden's Derby winner Slip Anchor (GB) (Shirley Heights {GB}).

"For a sprinter he has a lot of scope," de Chambure said. "He's a good size for a Kodiac and a very good walker, so this, as well as the fact that he's out of a Shamardal mare with a bit of pedigree as well, I think he ticks a lot of the boxes. I'm sure he'll get some good 2-year-olds but I can see him getting good milers, and even 10-furlong horses, because he's got a great mind, and bred with mares with a just a little bit more stamina I'm sure he will be able to. And we hope for that because I always like a stallion who can produce horses that can stay a bit more."

The winner of the G2 Criterium de Maisons-Laffitte in his debut season, Hello Youmzain made two successful trips to Haydock at three to win the G2 Sandy Lane S. followed by the G1 Betfair Sprint Cup. For most stallion operations that would have been enough but, in announcing their purchase of him in October 2019, the partners also declared that he would remain in training at four.

"I think I'll always do that," said de Chambure of a decision which was not without its risks. "With Almanzor, we bought into him when he was three and he won the Champion S., and everybody through that we were going to retire him because it was the easy thing to do. But I feel we are all retiring horses too soon these days--stallions and mares. We are driven by the whole economy of the thing but we are all in the industry to have horses to win races, and for me that must be the most important thing rather than the economy around it. When you are lucky enough to own part of a Group 1 horse I think it is important to keep them in training, and horses still progress from three to four."

SUPER SEGENHOE A HOTBED OF EXCELLENCE

Segenhoe Stud looks to continue its success at the upcoming Magic Millions Gold Coast sale. **Click or tap here to go straight to TDN Aus/NZ.**

He continued, “We have enough stallions, we have enough mares, and I think we need to enjoy the sport more. Obviously, prize-money doesn't help in Europe but I still think we need to give the horses more exposure and keep them running more. So in the end, yes, it was a little bit of a risk, but we were happy to do it."

Of course, this investment in enticing stallion prospects would have been harder to do without the trading of Wootton Bassett. Now firmly established in the vanguard of European stallions, when he retired to stud in 2012 following a winless 3-year-old season he was no easy sell.

De Chambure reflected, "He was very hard work the first couple of years. He was the first stallion I bought when I took over the stud in 2011. I guess people didn't know me then and the horse wasn't perfect and there was a question mark over [his sire] Iffraaj (GB) at the time, and so all that together made him not that attractive for breeders."

Nicholas de Chambure | *Tattersalls*

"Everything he did was from very little opportunity but then he got bigger numbers of mares and he has just shown that he is an exceptional stallion,” he said. “It's good to see all the French breeders who used him at €4,000, €6,000, €20,000 doing well. He has helped them at the sales and with their families, and there were a lot of French people who bought into him over the years. It's really a success story for France and it was good to be able to share it with breeders."

Following a year in which Wootton Bassett has been represented by the Group 1 winners Audarya (Fr) and Wooded (Ire), the horse who was the first to score for him at the top level, Almanzor, will now be faced with another test as his first runners take to the track in 2021.

Persian King | *APRH*

Of his yearlings, de Chambure said, "It wasn't the easiest year to be launching a stallion with their first yearlings but I think they were well received. Obviously the reputation now of Wootton Bassett is different to a few years ago and that has given Almanzor even more credit.

"They have a bit of size and quality and there's a good vibe. Obviously we bred him and we raced him for a while so there's huge expectations for his first 2-year-olds but there's not a lot we can do now, we just have to wait and watch them run next spring."

Haras d'Etreham actually welcomes three new stallions for 2021 as its National Hunt wing, Haras de la Tuilerie, is the new home of the Irish Derby winner **Latrobe (Ire)** (Camelot {GB}). The operation has a history of standing top-class dual-purpose and jump sires, with Poliglote (GB) and Saint Des Saints (Fr) being two stand-outs in this division in recent years. Last year the stud recruited Goliath Du Berlais (Fr)--a relatively rare National Hunt stallion with jumping form himself--to stand alongside his sire Saint Des Saints and the St Leger winner Masked Marvel (GB).

"Goliath Du Berlais won over fences in France so I was kind of looking for a Flat horse who could bring something different. The Montjeu (Ire) sireline has done really well [in jump racing] and there's no reason that Camelot won't. Funnily enough, Latrobe is also out of a Shamardal mare, the same as Hello Youmzain. He is a beautiful horse with a lot of quality, and plenty of size and scope for the National Hunt mares."

With the size of modern-day stallion books being a bone of contention in the industry, breeders may take some comfort in the knowledge that the Etreham horses are limited to 140 mares in a season, including the newcomers.

"We do the same for all our stallions, the National Hunt stallions as well," de Chambure said. "We just feel it is creating a little bit of a rarity and it's a way to respect the breeders' investment in a share, or a nomination. They know they have a foal or a yearling that has a certain value because the market is not loaded with them. There are different ways to help breeders and I feel it is one of the good ways to help them to create value."

'GENESIS' HIGHLIGHTS ARIMA KINEN

Fan favorite **Chrono Genesis (Jpn)** (Bago {Fr}), who will attempt to add a victory in Sunday's G1 Arima Kinen at Nakayama after a win in the G1 Takarazuka Kinen earlier this season, aims to follow in the illustrious hoofprints of Lys Gracieux (Jpn) (Heart's Cry {Jpn}), who completed the double in 2019. The 2019 G1 Shuka Sho winner, Chrono Genesis kicked off 2020 with a score in the G2 Kyoto Kinen in February before finishing second to **Lucky Lilac (Jpn)** (Orfevre {Jpn}) in the 2,000-meter G1 Osaka Hai at Hanshin Apr. 5. Back in the winner's circle following the Takarazuka Kinen June 26, the 4-year-old filly finished a close-up third behind recently retired champion Almond Eye (Jpn) (Lord Kanaloa {Jpn}) and 2020 G1 Tenno Sho (Spring) hero **Fierement (Jpn)** (Deep Impact {Jpn}) in Tokyo's G1 Tenno Sho (Autumn) Nov. 1.

World Premiere (Jpn) (Deep Impact {Jpn}) recorded a career high win in last season's 3,000-meter G1 Kikura Sho (Japanese St. Leger) before rounding out the term with a third behind Lys Gracieux in the G1 Arima Kinen. Off for the next 11 months, the 4-year-old returned with a credible sixth behind Almond Eye in the Nov. 29 G1 Japan Cup.

Following her Osaka Hai win last spring, Lucky Lilac finished sixth in the Takarazuka Kinen prior to a third in the G2 Sapporo Kinen in August. Most recently, the 5-year-old mare won the G1 Queen Elizabeth II Cup at Hanshin Nov. 15.

DANON THE KID POSTS EMPHATIC HOPEFUL WIN

Danon the Kid | *JRA*

Undefeated in two prior starts, **Danon the Kid (Jpn)** (Just a Way {Jpn}) came from off the pace to record the first Group 1 victory for both himself and his champion sire, Just a Way (by Heart's Cry {Jpn}) in Saturday's 2,000-meter G1 Hopeful S. at Nakyama.

Land of Liberty (Jpn) (Deep Impact {Jpn}) went to the front soon after the start as **Titleholder (Jpn)** (Duramente [Jpn}), who was pursued by **Orthoclase (Jpn)** (Epiphaneia {Jpn}), prompted the issue through the first turn. Meanwhile, Danon the Kid advanced to third along the outside as the field continued down the backstretch. As the field approached the final bend, pacesetting Land of Liberty swerved suddenly, dislodging his rider, and the advantage quickly went to Danon the Kid, who carried the most momentum turning for home. In full flight late, the favorite kicked on in the final 100 meters, crossing the wire by 1 1/4 lengths ahead of Orthoclase with Yoho Lake (Jpn) (Deep Impact) third.

Winning rider Yuga Kawada commented following the race, "I'm just so happy that I have at last been able to win on one of my mentor and teacher, [trainer Takayuki] Yasuda. The stable staff did a great job in tuning up the colt and he ran much better than he did in his previous start but still, he couldn't find a good rhythm and was not steady in the last two corners today. There is still a lot of room for improvement and we intend to work hard so he can kick off a good 3-year-old campaign."

The 2-year-old kicked off his career with a victory going 1,800 meters at Hanshin in June before returning from a five-month break to collect his first graded stakes success in the 1,800m G3 Tokyo Sports Hai Nisai Stakes at Tokyo Nov. 23.

SUPER SEGENHOE A HOTBED OF EXCELLENCE

Magic Millions graduate King's Legacy | *Bronwen Healy*

by Paul Vettise

Black-type success is the ultimate measure of any breeding operation's standing and Segenhoe Stud's graduates continue to renew the Hunter Valley nursery's gold card membership in the elite farm club.

Year on year, Segenhoe produces high-class racehorses and particularly quality 2-year-old performers, which ensures its drafts to the Magic Millions Gold Coast Yearling Sale attract widespread interest.

That has indeed been the case ahead of the 2021 auction and again off the back of a steady stream of precocious graduates delivering sparkling results.

"It is quite exciting and from the Magic Millions two years ago we had King's Legacy, Holyfield and Barbaric who were all group winners," Segenhoe General Manager Peter O'Brien said.

"We also sold Vangelic, who is Group 1 placed, and the current up and coming horse Ellsberg. From this year we already have Pippa Charlotte, Fake Love, Zarastro and Jessica Rabbit."

O'Brien said the Segenhoe mission wasn't a total focus on juveniles, but simply producing the best-quality racehorses.

"We don't set out to breed 2-year-olds and all I can say is it's a testament to the farm that we produce sound, good-boned, precocious animals.

"We've had a horse in the (Magic Millions) 2YO Classic every year so anybody coming to buy off us at the Magic Millions looking to have a horse in the race can buy with confidence.

"We do breed 2-year-olds, but we've also had horses the like of Merchant Navy, who went on to perform on the world stage and is an exciting young sire.

"We generally rear around 80 yearlings a year and from a Magic Millions crop of 2019 we had 23 percent group performers."

Older graduates have also been to the fore this year and led by Bjorn Baker's Edison (Fastnet Rock), who has won six races, including his last two to be high in the market for next month's Magic Millions Cup.

Vamos Bebe (I Am Invincible) also struck on Boxing Day when the Jamie Richards-trained mare was successful in the Listed Hallmark Stud H. at Ellerslie in just her sixth appearance. She is a sister to the dual Group 3 winner Holyfield.

Segenhoe's yearling consignment for the Gold Coast Sale, to run from Jan. 12-18, has met with universal acclaim at parades.

"I am honestly delighted with our draft and we have been flat out showing them on the farm and it's great to get feedback," O'Brien said.

"When you're looking after your own children, you have your own views and they're all good so feedback from buyers has been that it's an incredibly consistent draft.

"I don't think there is any tail, which we have had in the past. This year, it is an ultra-consistent bunch of tough and precocious-looking animals and we couldn't be happier with them.

Segenhoe GM Peter O'Brien | *Bronwen Healy*

"For me, this is the most consistent draft we have ever had. We have proven stallions like Zoustar, Not A Single Doubt, I Am Invincible and Snitzel and we have two fantastic yearlings by Frankel and Kingman.

"Then we have four by Shalaa, a stallion I am a huge fan of, and then, obviously, young horses like Merchant Navy and no surprise I'm a fan of him."

When *TDN AusNZ* asked O'Brien about the possible star of the Segenhoe show, Lot 322 was top of the list.

"I think the absolute standout is the Kingman colt out of Florentina. Kingman needs no introduction, he had two very good 2-year-old winners last weekend in Japan and they love fast ground," he said.

"I think they are tailormade for Australian and Hong Kong and this horse has all the attributes. He has the quality of Kingman, but he's also got the toughness of his mother.

Kingman | *Juddmonte Farms*

"It's also the family of Dancing Show so he's got a stallion's pedigree with the looks to match. He's as good a horse as we have reared, he was bred by John Camilleri."

The colt's dam Florentina (Redoute's Choice) won the G3 Gold Coast Guineas and all three of her foals to race have been successful and includes stakes performers Villa Carlotta (Street Cry {Ire}) and Fasano (Lonhro).

"We've also got a Zoustar colt out of Miss Husson and he was the most expensive weanling in Australia this year. There's always a risk when you pay a lot of money for a weanling, but this colt has just improved and improved.

"He's one of the nicest Zoustars I've seen and particularly precocious looking and exudes quality."

He is Lot 550 and was purchased at the Gold Coast Weanling for $410,000 by Segenhoe out of Rothwell Park's draft.

His dam Miss Husson (Hussonet {USA}) won six races and was Group placed and from the family of Group 1 winners Hotel Grand (Grand Lodge {USA}) and Outback Prince (Desert Prince {Ire}).

"The daughter of I Am Invincible and Eloping is the standout filly for me. She has all the attributes of a good Vinnie filly and out of a brilliantly fast mare that we raced with Michael Christian," O'Brien said. "I think she will be one of the fillies of the Sale."

She will go through the ring as Lot 257 and her dam Eloping (Choisir) was twice successful at Group 3 level and a three-quarter sister to the G3 Blue Diamond Prelude winner Of The Brave (Starspangledbanner).

Firm Favourite

Merchant Navy is a horse close to O'Brien's heart and the draft features two sons and a daughter of the multiple Group 1-winning sprinter.

"The Merchant Navy filly bred by Sir Owen Glenn out of Thunder Lady is a low-slung, flying machine and the Merchant Navy out of That's How I Roll bred by Eric Lucas is just muscle on muscle," he said. "He's bred for speed on both sides of his pedigree."

The filly is Lot 890 and is out of the G2 Wakeful S. winner and G1 VRC Oaks runner-up Thunder Lady (NZ) (Mastercraftsman {Ire}) while the colt, Lot 876, is a son of the American stakes performer That's How I Roll (USA) (Speightstown {USA}) and the family of the multiple Group 1 winner I'm A Chatterbox (USA) (Munnings {USA}).

"I'm very bullish about the Sale and Magic Millions have done a terrific job and managed the situation impeccably. I am extremely confident it will be as strong as ever," O'Brien said.

CONCERT HALL TAKES GROUP 1 *by TDN AusNZ*

Concert Hall (NZ) (Savabeel) crowned an outstanding preparation when she came from last with a sustained finish to produce a career-best performance in the G1 Zabeel Classic at Ellerslie. She has won both the G2 Tauranga S. and G3 Thompson H. and was runner-up in the G1 Captain Cook S. in her lead-up appearance. The 6-year-old relished the step up to 2000 metres at Ellerslie to mow down Supera (NZ) (Savabeel) with In A Twinkling (Fastnet Rock) third ahead of Rock On Wood (NZ) (Redwood {GB}), who was blocked for a run in the straight.

Pedigree Notes:

Raced by breeder Joan Egan, Concert Hall and is the 21st individual Group 1 winner for Waikato Stud's Savabeel. The mare is a daughter of Classic Legacy (NZ) (Carnegie {Ire}), who won four races and is out of the juvenile winner and stakes performer Super Sound (NZ) (Sound Reason {Can}).

Cont.

She is a sister to the multiple black-type winner Super Sequel (NZ) and Ultra Sound (NZ), the dam of the two-time Group 1 winner Tartan Tights (NZ) (Tights {USA}), and a half-sister to the G1 South Australian Oaks winner Lee's Bid (NZ) (Tawfiq {USA}). She produced the dual Group 1 winner and sire Arena (NZ).
