PRAT IN A NEW YORK STATE OF MIND

Flavien Prat | *Sarah Andrew*

by Steve Sherack

ELMONT, NY – There will be a capped crowd of 50,000 on hand for Saturday's blockbuster GI Belmont S. program. Nobody will have a better seat in the house all day than jockey Flavien Prat.

The 29-year-old Frenchman will be aboard 2-1 morning-line favorite and **'TDN Rising Star' We the People** (Constitution) in the final leg of the Triple Crown. He will also pilot unbeaten sensation and fellow **'Rising Star' Flightline** (Tapit) in the prestigious GI Hill 'N' Dale Metropolitan H. Both will exit from post one.

WinStar Farm, Bobby Flay, CMNWLTH and Siena Farm's We the People will take on seven rivals--including GI Kentucky Derby upsetter **Rich Strike** (Keen Ice), Derby fifth-place finisher **Mo Donegal** (Uncle Mo) and the filly **Nest** (Curlin)--in the 1 1/2-mile Classic. He's clearly the one to catch off his 10 1/4-length, front-running romp for trainer Rodolphe Brisset in the Belmont slop in the GIII Peter Pan S.

With Saturday's forecast calling for cloudy skies and temperatures nearing 80 degrees, he'll have a fast main track to work with this time.

“I think the talent is there,” Prat said. “His Peter Pan was a really good race. It's just a question mark with the distance, but it seems like we are all in the same boat.” **Cont. p3**

JACKIE'S WARRIOR WINS FOR FUN IN TRUE NORTH

Fleet-footed champion **Jackie's Warrior** (Maclean's Music) was fittingly hammered down to 1-5 favoritism against an overmatched field in Belmont's GII True North S. Friday and he more than ran to that backing with a dominant victory.

Hustling up to take his preferred position at the head of affairs, Jackie's Warrior was confronted by 12-1 shot **Mr Phil** (Mr Speaker), but he easily shook that foe off as the opening quarter went up in :22.83. Loping along on a loose rein under Joel Rosario, the bay clocked a half-mile in :45.52. Two wide turning for home, Jackie's Warrior was still on cruise control in the lane, sailing home to a facile five-length victory. **Sound Money** (Flatter) was best of the rest in second.

We the People (left) & Flightline (right) training at Belmont earlier this week | *Sarah Andrew*

The unbeaten Flightline, pound-for-pound the most exciting horse in training, has won his first three starts in Southern California for trainer John Sadler by a combined margin of a whopping 37 1/2 lengths, led by his last out jaw-dropping score with a gaudy 118 Beyer Speed Figure in the GI Runhappy Malibu S. Dec. 26. He will face off against the ultra-talented GI Carter H. winner **Speaker's Corner** (Street Sense) as well as last year's GI Breeders' Cup Sprint winner **Aloha West** (Hard Spun) in the highly coveted stallion-making race. The $1-million Fasig-Tipton Saratoga yearling and 3-5 morning-line choice is campaigned in partnership by Hronis Racing, Siena Farm, breeder Summer Wind Equine, West Point Thoroughbreds and Woodford Racing.

"He feels like a special horse," Prat said. "He's been responding really well to everything we ask him to do. He could be any type of horse."

Some of Prat's other high-profile mounts on the absolutely loaded 13-race card include:

- **Matareya** (Pioneerof the Nile) (GI Acorn S.) (Brad Cox) (6-5)
- **Speak of the Devil (Fr)** (Wootton Bassett {GB}) (GI Longines Just a Game S.) (Chad Brown) (even-money)
- **Adhamo (Ire)** (Intello {Ger}) (GI Resorts World Casino Manhattan S.) (Chad Brown) (4-1)
- **Bonny South** (Munnings) (GI Ogden Phipps S.) (Brad Cox) (8-1)
- **Pappacap** (Gun Runner) (GI Woody Stephens S.) (Mark Casse) (10-1)
- **Warrant** (Constitution) (GII Brooklyn S.) (Brad Cox) (3-1)

Prat's rapidly growing resume already includes wins in the first two legs of the Triple Crown and a trio of Breeders' Cup victories. **Cont. p4**

LANE'S END

Prat cont.

In the irons aboard promoted 2019 GI Kentucky Derby upsetter Country House (Lookin At Lucky) as well as last year's GI Preakness S. hero Rombauer (Twirling Candy), he looks to go one better in the Belmont following a huge second-place finish aboard Hot Rod Charlie (Oxbow) in 2021. Prat won last year's GI Manhattan S. on the Belmont undercard aboard Domestic Spending (GB) (Kingman {GB}).

Pappacap | *Sarah Andrew*

"Whether it's the Belmont, Preakness, Derby or Breeders' Cup weekends, this is the goal when you're a jockey," Prat said. "You want to ride the best horses and face the best riders. That's the main goal. When you have the chance to ride and participate in these types of weekends, I'm obviously really grateful."

After dominating the scene in Southern California for the past few years, Prat, somewhat surprisingly, shifted his tack to Belmont--home of the deepest jockey colony in the country--earlier this spring. His goal for the remainder of the year is simple: win an Eclipse Award as the nation's outstanding jockey.

"I was doing really well out there, but if I ever wanted to try New York, I felt like it was the right time to do it," Prat said of relocating to Long Island along with his wife and two young children. "Try to keep improving my riding style and see what we can do out here."

It's no coincidence that recent Eclipse Award winners Joel Rosario (2021), Irad Ortiz, Jr. (2018-20), Jose Ortiz (2017) and Javier Castellano (2013-16) all call the Big Apple home. Prat, represented by agent Brad Pegram, was an Eclipse finalist last year while boasting a career-high in victories (246) and earnings ($23,214,813). Prat's first full season riding in North America was 2015.

"That's the whole point, to ride with the best riders in the country and also to try to keep improving," Prat said.

He concluded, "I'm really happy here."

Stars Come Out on Belmont Stakes Day...

Quality over quantity.

In addition to an intriguing renewal of the GI Belmont S. and a showdown for the ages in the five-deep GI Hill 'n' Dale Met Mile, there will be *six* other Grade I events, albeit with some short fields, held on Saturday's star-studded program.

Champion and **'TDN Rising Star' Echo Zulu** (Gun Runner) will cut back in distance to a one-turn mile in the GI Acorn S. after suffering the first defeat of her brilliant career while tiring to fourth in the GI Kentucky Oaks. She will meet just four rivals in the Acorn, led by the streaking **Matareya** (Pioneerof the Nile), a good-looking winner of the GII Eight Belles S. on the Oaks undercard.

Jack Christopher | *Sarah Andrew*

The undefeated **'TDN Rising Star' Jack Christopher** (Munnings), a dominating return winner in the GII Pat Day Mile S., puts his unblemished three-for-three record on the line against five fellow sophomores in the GI Woody Stephens S. The 1-2 morning-line favorite won last year's GI Champagne S. at Belmont in the fall before scratching from the GI Breeders' Cup Juvenile with a stress fracture in his left shin. The seven-furlong contest is named in honor of the legendary late trainer Woody Stephens, who won five consecutive renewals of the Belmont S. from 1982-86.

Letruska & trainer Fausto Gutierrez | *Sarah Andrew*

Champions **Letruska** (Super Saver) and **'TDN Rising Star' Malathaat** (Curlin) will clash in a highly anticipated GI Ogden Phipps S. The former has five top-level wins to her credit, including a wire-to-wire tally in this race last year, and is perfect in two attempts since a forgettable performance in the GI Breeders' Cup Distaff. Last term's GI Kentucky Oaks heroine Malathaat, a good third in the Distaff, kicked off her 4-year-old campaign with a well-timed win in Keeneland's GIII Baird Doubledogdare S. **Cont. p6**

Belmont Day cont.

The best wagering opportunities of the day will likely come in two of the grass stakes.

Casa Creed (Jimmy Creed) returns for the 13-deep GI Jaipur S. after pulling off a 10-1 upset last year. **Arrest Me Red** (Pioneerof the Nile), a last out winner of the GII Twin Spires Turf Sprint S., is the 5-2 morning-line favorite.

A field of 10, led by GI Old Forester Bourbon Turf Classic S. winner **Santin** (Distorted Humor), MGISW **Gufo** (Declaration of War) and GI Man o' War S. upsetter **Highland Chief (Ire)** (Gleneagles {Ire}), will line up for the GI Resorts World Casino Manhattan S. Trainer Chad Brown has won the Manhattan a record seven times, and will send out a trio--**Adhamo (Ire)** (Intello {Ger}), **L'Imperator (Fr)** (Holy Roman Emperor {Ire}) and **Rockemperor (Ire)** (Holy Roman Emperor {Ire})--seeking a fourth straight.

Speaking of Brown, he will also saddle the three top choices--**Speak of the Devil (Fr)** (Wootton Bassett {GB}), a visually impressive heroine of the GII Longines Churchill Distaff Turf Mile S. in her U.S. debut, MGISW **'TDN Rising Star' Regal Glory** (Animal Kingdom) and **'TDN Rising Star' In Italian (GB)** (Dubawi {Ire})--in the five-horse GI Longines Just a Game S. He won this race four straight years between 2017-20.

First post for the 13-race program, featuring a trio of Breeders' Cup 'Win and You're In' events (Met Mile, Ogden Phipps and Jaipur), is 11:20 a.m. ET. Post time for the Belmont S. is 6:44 p.m.

National television coverage of Belmont Stakes Day will begin on FS2, where America's Day at the Races will air from 11:30 a.m. to 2 p.m. Coverage shifts to CNBC from 3 p.m. to 5 p.m. and NBC from 5 p.m. to 7 p.m.

We the People Pedigree Notes: Trying to become the second Belmont winner in three years for WinStar's star fourth-crop sire (Tiz the Law in 2020), We the People is the second foal to race out of Letchworth, a $40,000 Keeneland January purchase by Henley Farms at Keeneland January in 2019. Letchworth is a daughter of Harmony Lodge (Hennessy), a five-time graded stakes winner whose crowning achievement came when capturing the 2003 GI Ballerina H. at Saratoga. The producer of GSW turf sprinter Stratford Hill (A.P. Indy) and SW/MGSP Armistice Day (Declaration of War), Harmony Lodge is herself a daughter of GSW Win Crafty Lady (Crafty Prospector), making her a half-sister to MGSW/GISP sire Graeme Hall (Dehere) and GSW Win McCool (Giant's Causeway). This is also the female family of last year's GI Runhappy Del Mar Futurity winner Pinehurst (Twirling Candy) and ill-fated 2018 GI Arkansas Derby hero Magnum Moon (Malibu Moon). Letchworth has a 2-year-old Always Dreaming colt, who sold for $220,000 at OBS April, as well as a yearling colt by Audible.

Trainer: Saffie A. Joseph, Jr.
Sales History: $15,000 KEESEP yearling turned $37,000 OBSAPR 2-year-old
Pedigree Notes: Dam Twinkling has quietly been making a name for herself as a broodmare with both foals to race becoming black-type earners from four total; half-sibling Moonlite Strike (Liam's Map) claimed graded-stakes placing as her first to the races. Second dam Unhurried (Out of Place) is a stakes-placed runner and producer who claims course record-setting stakes-winner Libor Lady (Exchange Rate) as a half. That one produced GSW Allibor (Aus) (All Too Hard {Aus}) and the family also claims 19-time winner and course record-setter Thrillin Discovery (Alaskan Frost). Skippylongstocking has a 2-year-old half-sister by Mshawish--who sold June 8 for $230,000 at OBSOPN to G. Chris Coleman--and a yearling half-sister by Take Charge Indy.

Owner: Repole Stable, Eclipse Thoroughbred Partners & Michael House
Breeder: Ashview Farm & Colts Neck Stables (KY)

Sales History: Nest summoned a price tag worthy of her pedigree and talent, bringing $350,000 from these partners at the 2020 Keeneland September Sale.
Pedigree Notes: Nest is out of stakes winner Marion Ravenwood, a daughter of GI Belmont S. winner A.P. Indy. The 14-year-old mare is also responsible for GI Santa Anita H. hero Idol (Curlin) and MSP Dr Jack (Pioneerof the Nile). Nest is bred top and bottom for Classic distances and her sire Curlin fell short at the hooves of a filly in his Belmont bid, missing by a head to Rags to Riches in 2007. 4) RICH STRIKE, c, Keen Ice--Gold Strike, by Smart Strike
Owner: RED TR-Racing, LLC
Breeder: Calumet Farm (KY)
Trainer: Eric Reed
Pedigree Notes: Like his first-crop son, Rich Strike, Keen Ice set the racing world abuzz with a shocking win defeating Triple Crown winner American Pharoah in the GI Travers S. Rich Strike, claimed for just $30,000 off breeder Calumet Farm, became Keen Ice's first graded winner with his monumental 80-1 upset in the GI Kentucky Derby. Rich Strike is inbred 3×2 to Smart Strike and is one of 57 graded winners for Smart Strike as a broodmare sire.

Rich Strike's 20-year-old dam was Canada's champion 3-year-old filly in 2005. She raced as a homebred for Richard A. N. Bonnycastle's Harlequin Ranches. **Cont. p9**

Rich Strike cont.

Bonnycastle, who has a long family history in Canadian racing, has bred several of Gold Strike's foals in the Cavendish name. His last foal out of the mare was the unraced Stoney Miss (Birdstone) in 2015, soon after her Llanarmon (Sky Mesa) was a graded stakes winner for him, and he sold Gold Strike for $230,000 at Keeneland November that year while in foal to Llanarmon's sire. Calumet Farm was the purchaser.

Calumet is the breeder on record for the mare's 2016 foal, J and J O'Shea (Sky Mesa), who was unraced, and Gold Strike was subsequently sent to Calumet stallions. She got My Blonde Mary (Oxbow) in 2017--who was claimed for $5,000 after finishing third at Tampa Apr. 6--and Rich Strike in 2019. Bred to another Calumet sire, Ransom the Moon, Gold Strike was returned to the Keeneland November sale in 2019 and sold to Tommy Wente for $1,700. The Manitoba-bred mare has not produced a foal since.

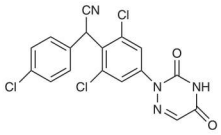
Diclazuril, (±)-2,6-dichloro- -(4-chlorophenyl)-4-(4,5-dihydro-3,5-dioxo-1,2,4-triazin-2(3H)-yl)benzeneacetonitrile, has a molecular formula of C17H9Cl3N4O2, a molecular weight of 407.64, and a molecular structure as follows:



Diclazuril is an anticoccidial (antiprotozoal) compound with activity against several genera of the phylum Apicomplexa. PROTAZIL® (diclazuril) is supplied as oral pellets containing 1.56% diclazuril to be mixed as a top-dress in feed. Inert ingredients include dehydrated alfalfa meal, wheat middlings, cane molasses and propionic acid (preservative).

INDICATIONS
PROTAZIL® (1.56% diclazuril) Antiprotozoal Pellets are indicated for the treatment of equine protozoal myeloencephalitis (EPM) caused by Sarcocystis neurona in horses.

DOSAGE AND ADMINISTRATION
Dosage: PROTAZIL® (1.56% diclazuril) is administered as a top dress in the horse's daily grain ration at a rate of 1 mg diclazuril per kg (0.45 mg diclazuril/lb) of body weight for 28 days. The quantity of PROTAZIL® necessary to deliver this dose is 64 mg pellets per kg (29 mg pellets/lb) of body weight.

Administration: To achieve this dose, weigh the horse (or use a weigh tape)). Scoop up PROTAZIL® to the level (cup mark) corresponding to the dose for the horse's body weight using the following chart:

Weight Range of Horse (lb)	mLs of Pellets	Weight Range of Horse (lb)	mLs of Pellets
275 - 524	20	1275 - 1524	60
525 - 774	30	1525 - 1774	70
775 - 1024	40	1775 - 2074	80
1025 - 1274	50	-	-

One 2.4-lb bucket of PROTAZIL® will treat one 1274-lb horse for 28 days. One 10-lb bucket of PROTAZIL® will treat five 1100-lb horses for 28 days.

CONTRAINDICATIONS
Use of PROTAZIL® (1.56% diclazuril) Antiprotozoal Pellets is contraindicated in horses with known hypersensitivity to diclazuril.

WARNINGS
For use in horses only. Do not use in horses intended for human consumption. Not for human use. Keep out of reach of children.

PRECAUTIONS
The safe use of PROTAZIL® (1.56% diclazuril) Antiprotozoal Pellets in horses used for breeding purposes, during pregnancy, or in lactating mares has not been evaluated. The safety of PROTAZIL® (1.56% diclazuril) Antiprotozoal Pellets with concomitant therapies in horses has not been evaluated.

ADVERSE REACTIONS
There were no adverse effects noted in the field study which could be ascribed to diclazuril. To report suspected adverse reactions, to obtain a MSDS, or for technical assistance call **1-800-224-5318**.

CLINICAL PHARMACOLOGY
The effectiveness of diclazuril in inhibiting merozoite production of Sarcocystis neurona and S. falcatula in bovine turbinate cell cultures was studied by Lindsay and Dubey (2000).[1] Diclazuril inhibited merozoite production by more than 80% in cultures of S. neurona or S. falcatula treated with 0.1 ng/mL diclazuril and greater than 95% inhibition of merozoite production (IC95) was observed when infected cultures were treated with 1.0 ng/mL diclazuril. The clinical relevance of the in vitro cell culture data has not been determined.

PHARMACOKINETICS IN THE HORSE
The oral bioavailability of diclazuril from the PROTAZIL® (1.56% diclazuril) Antiprotozoal Pellets at a 5 mg/kg dose rate is approximately 5%. Related diclazuril concentrations in the cerebrospinal fluid (CSF) range between 1% and 5% of the concentrations observed in the plasma. Nevertheless, based upon equine pilot study data, CSF concentrations are expected to substantially exceed the in vitro IC95 estimates for merozoite production (Dirikolu et al., 1999)[2]. Due to its long terminal elimination half-life in horses (approximately 43-65 hours), diclazuril accumulation occurs with once-daily dosing. Corresponding steady state blood levels are achieved by approximately Day 10 of administration.

EFFECTIVENESS
Two hundred and fourteen mares, stallions, and geldings of various breeds, ranging in age from 9.6 months to 30 years, were enrolled in a multi-center field study. All horses were confirmed EPM-positive based on the results of clinical examinations and laboratory testing, including CSF Western Blot analyses. Horses were administered PROTAZIL® (1.56% diclazuril) Antiprotozoal Pellets at doses of 1, 5, or 10 mg diclazuril/kg body weight as a top-dress on their daily grain ration for 28 days. The horses were then evaluated for clinical changes via a modified Mayhew neurological scale on Day 48 as follows:

0. Normal, neurological deficits not detected.
1. Neurological deficits may be detectable at normal gaits; signs exacerbated with manipulative procedures (e.g., backing, turning in tight circles, walking with head elevation, truncal swaying, etc.).
2. Neurological deficit obvious at normal gaits or posture; signs exacerbated with manipulative procedures.
3. Neurological deficit very prominent at normal gaits: horses give the impression they may fall (but do not) and buckle or fall with manipulative procedures.
4. Neurological deficit is profound at normal gait: horse frequently stumbles or trips and may fall at normal gaits or when manipulative procedures were utilized.
5. Horse is recumbent, unable to rise.

Each horse's response to treatment was compared to its pre-treatment values. Successful response to treatment was defined as clinical improvement of at least one grade by Day 48 ± conversion of CSF to Western Blot-negative status for S. neurona or achievement of Western Blot-negative CSF status without improvement of 1 ataxia grade.

Forty-two horses were initially evaluated for effectiveness and 214 horses were evaluated for safety. Clinical condition was evaluated by the clinical investigator's subjective scoring and then corroborated by evaluation of the neurological examination videotapes by a masked panel of three equine veterinarians. Although 42 horses were evaluated for clinical effectiveness, corroboration of clinical effectiveness via videotape evaluation was not possible for one horse due to missing neurologic examination videotapes. Therefore, this horse was not included in the success rate calculation.
Based on the numbers of horses that seroconverted to negative Western Blot status, and the numbers of horses classified as successes by the clinical investigators, 28 of 42 horses (67%) at 1 mg/kg were considered successes. With regard to independent expert masked videotape assessments, 10 of 24 horses (42%) at 1 mg/kg were considered successes. There was no clinical difference in effectiveness among the 1, 5, and 10 mg/kg treatment group results.
Adverse events were reported for two of the 214 horses evaluated for safety. In the first case, a horse was enrolled showing severe neurologic signs. Within 24 hours of dosing, the horse was recumbent, biting, and exhibiting signs of dementia. The horse died, and no cause of death was determined. In the second case, the horse began walking stiffly approximately 13 days after the start of dosing. The referring veterinarian reported that the horse had been fed grass clippings and possibly had laminitis.

ANIMAL SAFETY
PROTAZIL® (1.56% diclazuril) Antiprotozoal Pellets were administered to 30 horses (15 males and 15 females, ranging from 5 to 9 months of age) in a target animal safety study. Five groups of 6 horses each (3 males and 3 females) received 0, 5 (5X), 15 (15X), 25 (25X) or 50 (50X) mg diclazuril/kg (2.27mg/lb) body weight/day for 42 consecutive days as a top-dress on the grain ration of the horse. The variables measured during the study included: clinical and physical observations, body weights, food and water consumption, hematology, serum chemistry, urinalysis, fecal analysis, necropsy, organ weights, gross and histopathologic examinations.
The safety of diclazuril top-dress administered to horses at 1 mg/kg once daily cannot be determined based solely on this study because of the lack of an adequate control group (control horses tested positive for the test drug in plasma and CSF). However, possible findings associated with the drug were limited to elevations in BUN, creatinine, and SDH and less than anticipated weight gain. Definitive test article-related effects were decreased grain/top-dress consumption in horses in the 50 mg/kg group. In a second target animal safety study, PROTAZIL® (1.56% diclazuril) Antiprotozoal Pellets were administered to 24 horses (12 males and 12 females, ranging from 2 to 8 years of age). Three groups of 4 horses/sex/group received 0, 1, or 5 mg diclazuril/kg body weight/day for 42 days as a top-dress on the grain ration of the horse. The variables measured during the study included physical examinations, body weights, food and water consumption, hematology, and serum chemistry. There were no test article-related findings seen during the study.

6) MO DONEGAL, c, Uncle Mo--Callingmissbrown, by Pulpit
Owner: Donegal Racing & Repole Stable
Breeder: Ashview Farm & Colts Neck Stables (KY)
Trainer: Todd Pletcher
Sales History: Mo Donegal was a $250,000 yearling purchase by Donegal Racing at the 2020 Keeneland September sale and earlier this term Mike Repole's Repole Stable purchased a minority interest.
Pedigree Notes: Mo Donegal is one of 43 graded winners for Uncle Mo. The colt is out of Callingmissbrown, who won half of four starts during her only season to race at four. The My Meadowview homebred is a daughter of millionaire Island Sand (Tabasco Cat), winner of the GI Acorn and runner-up in the GI Kentucky Oaks. A daughter of Sue's Last Dance (Forty Niner), who is a half-sister to Queen's Plate hero Niigon (Unbridled), Island Sand is also responsible for MGISP Maya Malibu (Malibu Moon). Mo Donegal, one of three foals produced by his dam, also has a year-older sister by Speightstown, named Bluegrass Belle, and a juvenile brother by Into Mischief, who realized $500,000 at Keeneland last September. The 10-year-old mare has failed to produce a live foal in each of the past two seasons.

For a brief few moments in the stretch it looked like Chad Brown, represented by odds-on Rougir (Fr) (Territories {Ire}); six-for-six second choice Bleecker Street; and 9-2 third choice Virginia Joy (Ger) (Soldier Hollow {GB})--not to mention pacesetter Flighty Lady (Ire)--might not actually get his record-tying fourth New York S. trophy. But depth like that, and all for Peter Brant, is nearly impossible to beat, and Bleecker Street, perhaps the most unsung unbeaten horse in the country, flew home in last-to-first fashion to reach a new high.

Bleecker Street | *Sarah Andrew*

Stretching out to 10 furlongs for the first time off of consecutive nine-furlong scores in the GII Hillsborough S. at Tampa Mar. 12 and as part of a productive weekend for Brown and Brant at Churchill in the May 6 GIII Modesty S., Bleecker Street was content to trail early as Flighty Lady was hard ridden to the first turn, but then only posted somewhat un-rabbit-like fractions of :24.54, :50.76 and 1:16.48. **Cont. p12**

Family Way tracked a couple lengths behind that one and further clear of the rest of the field. Family Way took over heading for home, and Irad Ortiz, Jr. had a fistful of horse on Bleecker Street as he guided his mount to the far outside for clear sailing. Family Way still looked like a winner to midstretch as nobody near her really kicked it in, but Bleecker Street--sporting a red cap to distinguish herself from her three stablemates--zoomed home to be up in time.

"Her closing kick, especially with those slow fractions, was nice," said Ortiz, who had also piloted newly named **'TDN Rising Star'** Artorius (Arrogate) as well as GII True North S. runner-up Sound Money (Flatter) for Brown on the card. "Not too many horses can go around a slow pace, slow fractions, like that. I made a wide move to go around and she still got there. She gave me a good kick. She's very nice. They were backing up into me a little bit and they were a little slow and then everybody was sprinting home, so it was hard to catch them. But she got the job done."

This was Ortiz's first time riding the winner--Flavien Prat hopped off her for Rougir.

"I had never ridden her before so I talked to Flavien and he gave me some tips, like she's pretty easy to ride and she's not too fast out of the gate," Ortiz said. "I tried to find out everything I can about her. She was undefeated and I wanted to keep going with her. Now she's 7-for-7 and everything worked out perfect. Thank God."

Brown, whose three prior wins in this event also include a 2019 score for Brant, said of the winner, "What a remarkable horse. I wasn't sure about a mile and a quarter. She finished her races like she would get it, but as you know, handicapping doesn't always work out that way. Just because they're closing and you keep on stretching them out, sometimes it has to do with pace, when they make their move and how long their move is. This filly does everything we put at her. What a remarkable horse--where she started and where she came from. She's moving up in the ranks of one of the better ones I've had."

Bleecker Street began her career as a member of Brown's perceived "B team," winning first out at Monmouth and clearing her first-level allowance condition at The Meadowlands. She was entered and withdrawn from last year's Keeneland November sale.

As for Rougir, last year's G1 Prix de l'Opera winner and most recently an impressive victress of the G3 Beaugay S. going shorter here, Brown said, "She just didn't fire today. She was in a good spot, always ahead of Bleecker Street. We didn't have any excuse. We'll go back to the drawing board. Maybe the softer ground in her form suggested [she prefers softer turf], but she certainly trained really well at Belmont." **Cont. p13**

Peter Brant (right) leads in his latest Grade I winner
Sarah Andrew

Pedigree Notes:

Bleecker Street becomes the 14th Grade I winner for Quality Road, and second for Brown and Brant, following in the hoofsteps of Dunbar Road. This is the first highest-level winner in North America out of a mare by Danzig's son Exchange Rate (he has three in South America).

Dam Lemon Liqueur (Exchange Rate) was a debut winner and stakes-placed juvenile for owner/breeder My Meadowview Farm and the late Rick Violette. She was acquired by Ben Berger's Branch Equine for $75,000 in foal to Honor Code at the 2016 Keeneland November sale and RNA'd at that auction two years later for just $19,000 after not being bred back following the foaling of Bleecker Street. Bleecker Street has a 2-year-old half-sister named Red Lemonade (Always Dreaming) who was bred by Delia Nash, a yearling filly by Flatter and an Apr. 6 foal colt by Not This Time.

"It took a little time to get him going, but he was just doing his thing after that," Rosario said. "He's a special horse. I just sat and let him do his thing and he's unbelievable. He means everything. So many great memories. He's very smart and fast and he's on my list as one of the top horses [I've ridden]. I looked back and was so far in front and decided to save some for the next one. You can see I never showed the stick. He did it all on his own."

"It's as simple as he's very fast," said trainer Steve Asmussen. "It's a race and he's a very fast horse that has a tremendous amount of poise and confidence about himself. How he's handling races and all three of his runs this year, he's eased up late [with] good separation from them."

Jackie's Warrior | *Sarah Andrew*

As for what's next, the Hall of Famer said, "We're very excited to be able to go to Saratoga with him with the success there. I expect to run him in the [GI] Vanderbilt [July 30], the [GI] Forego [Aug. 27] and the Breeders' Cup [Sprint]."

A two-time Grade I winner in New York at two, Jackie's Warrior captured the GII Pat Day Mile last year and missed by just a neck in the GI Woody Stephens S. on this weekend in 2021. Rebounding with a 7 1/4-length tour de force in Saratoga's GII Amsterdam S., he won a knock-down, drag out battle with MGISW Life is Good (Into Mischief) in that venue's GI H. Allen Jerkens Memorial S. four weeks later. The chestnut ran a career-best Beyer Speed Figure of 110 when romping in the GII Gallant Bob S. at Parx in September, but faded to sixth as the heavy favorite in the GI Breeders' Cup Sprint S. at Del Mar Nov. 6. Jackie's Warrior is two-for-two so far this year with effortless scores in the GIII Count Fleet Sprint H. at Oaklawn Apr. 16 and the GI Churchill Downs S. May 7.

Sarah Andrew

Pedigree Notes:

A future Spendthrift stallion, Jackie's Warrior is one of four Grade I winners for Maclean's Music. His dam Unicorn Girl summoned $850,000 from bloodstock agent Arthur Hoyeau at the 2020 Keeneland November Sale. Her then-weanling colt by American Pharoah preceded her into the ring, bringing $600,000 from Coolmore's M.V. Magnier. She failed to get in foal to Into Mischief for 2021, but had a filly by that super sire Mar. 18 of this year. She also has a 3-year-old daughter named Lenni Girl (Candy Ride {Arg}), who has been retained by her breeders.

European invaders had won each of the last four renewals of the GII Belmont Gold Cup, and German runner Loft called on the stamina his country so famously produces to make it five. Only off the board twice in his career, the bay stretched out to this two-mile trip on seasonal debut May 15 to annex the G2 Oleander-Rennen at Hoppegarten.

Loft | *Sarah Andrew*

Loft traveled sweetly in second last early under Andrasch Starke as favored Abaan (Will Take Charge) showed the way while taking some pressure. He briefly looked like he might find some traffic trouble heading into the final bend as British Royalty snuck inside of him, but Starke continued to sit chilly at the caboose.

The pilot soon dropped his hands and gave his cue, and Loft quickly picked off rivals out in the clear as British Royalty followed suit along the fence. Strong Tide had taken over from Abaan as they straightened for home, but that lead was short lived as the diminutive Loft powered past and clear.

“Amazing. If we have the chance, we will come back," said trainer Marcel Weiss, who was saddling his first North American starter.

Starke, who won the 2015 GIII American St. Leger S. at Arlington Park, said, “I saw there was a lot of space and the front horses were already under pressure. I didn’t want to go so wide, but I still waited during the last turn and moved to the outside. He was making up ground well.

“There was a lot of pace during the race and I trusted my horse. I didn’t want to get in a hurry. I was traveling well around the bend. I had a horse in front of me and I had to shift out. He made no consequences and he ran a good race.”

Starke, Weiss & Loft | *Sarah Andrew*

Pedigree Notes:

Loft appears to be just the second Stateside winner for the late 2007 G1 German Derby romper Adlerflug--his first came May 12 when Kygo (Ger) aired in a $50,000 seller going nine panels on the Churchill turf. Adlerflug, who died last year, sired the one-two finishers in the 2020 German Derby, led by G1 Prix de l'Arc de Triomphe runner-up In Swoop (Ire); and went one better in the Arc the following year with the Weiss-trained Torquator Tasso (Ger), who had been second to In Swoop in that German Derby. He has been represented by 17 group winners, including six at the highest level.

A neck away from being a Group 3 winner over 11 panels, dam Labrice is out of a full-sister to 1993 German Derby winner Lando (Ger) and half-sister to 1994 German Derby winner Laroche (Ger) (Nebos {Ger}). Loft has a year-younger full-brother.

Rail-drawn Obligatory was entering off her third-straight victory, having zoomed home from out of the clouds to annex Churchill's GI Derby City Distaff May 7; former claimer Glass Ceiling was a head away from having won her last six, and most recently romped by five lengths in Aqueduct's Apr. 9 GIII Distaff H.; and race favorite Bella Sofia had kicked off her 4-year-old season with a nose success in the GIII Vagrancy H. The dark bay had won four of six last season, including a 4 1/4-length tally in the GI Longines Test S. at Saratoga followed by a similarly facile victory in the GII Gallant Bloom H. here in late September. She finished off 2021 by softening up heavy chalk Gamine (Into Mischief) before fading to fourth in the Nov. 6 GI Breeders' Cup F/M Sprint at Del Mar.

Immediately in front as expected here, fleet-footed Bella Sophia had her rivals in scramble mode as they tried to keep her honest through splits of :23.62 and :46.18. Pilot Luis Saez took a confident peek under his arm past the quarter pole, and stepped on the gas to try and open up at the top of the lane. Bella Sofia edged away while on her wrong lead, and always looked a winner despite Obligatory cutting the margin down significantly late.

Bella Sofia (inside) fends off Obligatory | *Sarah Andrew*

"She's pretty quick," Saez said. "Today, we just let her be happy. She ran from there pretty quick and was comfortable. I was a little worried about [Obligatory]. I know she's coming flying at the end, but I had plenty of horse. That was easy for her. She finished like nothing. She came back like she didn't race. A lot of credit to [trainer] Rudy [Rodriguez]. Last time, she was a little tired at the end off a layoff, but today, she won easy."

Rodriguez had a slightly different view of things late: "She looks like she got a little tired in the end and didn't switch leads. I know in the back of my mind we ran her back quickly, but she's just so special. I'm just going to enjoy this one right now. There's a couple races in the program for her. I just want to see how she comes back.

"When she broke very clean, and Luis went :23 [for the first quarter-mile], I said 'OK, now we're good.' Most of her races she finishes in 11 and change, so it's going to take a really good horse to get her. She's once in a lifetime and a dream come true."

The filly's namesake and co-owner Sofia Soares noted that she has added to her stable since buying into the modestly priced Bella Sofia: "This whole experience has been great. Since this, I've gotten two more horses. We'll see how that goes."

Bella Sofia is led into the winner's circle | *Sarah Andrew*

Pedigree Notes:

Bella Sofia was the only 2-year-old by now Chilean-based Awesome Patriot (Awesome Again) to sell in 2020 when she fetched $20,000. The :10 2/5 OBSJUN breezer is the stakes-winning full-brother to Classic winner Oxbow's lone Northern Hemisphere graded winner (to go with two Chilean Group winners, including one at the highest level).

Bella Sofia is one of four graded winners out of mares by the Storm Cat stallion Consolidator. Her dam was just a $3,000 yearling who was claimed for $25,000 ahead of a pair of stakes placings. Love Contract RNA'd for $4,000 at the 2019 Keeneland January sale. Her last reported produce is a 2-year-old colt named War Empire (V. E. Day).

Caravel (second from right) | *Sarah Andrew*

Trying sex-restricted company for just the second time in her last six trips to the races, Caravel was the recipient of an assertive ride from the in-form Tyler Gaffalione and made all the running in Friday's GIII Intercontinental S. at Belmont Park.

With the exception of **'TDN Rising Star'** Toby's Heart (Jack Milton), the Intercontinental field jumped on terms, with as many as a half-dozen vying for early supremacy, before Caravel poked her gray head in front and led through an opening quarter in :22.58. Prompted two and three wide, respectively, by Illegal Smile (Ire) (Camacho {GB}) and Nevisian Sunrise (War Front) as they raced into the final three furlongs, Caravel remained the boss and cut the corner for home through a half in :44.75. Put to a vigorous drive while clinging to a narrow lead over Illegal Smile at the eighth pole, the Pennsylvania-bred responded gamely and kicked home determinedly for the victory. **'Rising Star'** Star Devine saved ground throughout and fought on bravely at the rail, just holding off a late surge from fellow **'Rising Star'** Jouster to complete the exacta.

Caravel won six of her first eight starts for her breeder, including four in black-type company, before adding last year's GIII Caress S. at Saratoga after Bobby Flay acquired a controlling interest. Transferred from Merryman to Graham Motion, the gray took on the boys in her final three starts of the campaign, finishing third in the GI Highlander S. at Woodbine, sixth in unsuitably easy ground in the GIII Turf Monster S. at Parx and 12th to Golden Pal (Uncle Mo) in the GI Breeders' Cup Turf Sprint at Del Mar.

Sold for $500,000 at last year's Fasig-Tipton November Sale, Caravel had made two appearances for these connections, a romping defeat of her peers in the Mar. 19 Queen S. on the Turfway synthetic ahead of a sixth behind GI Jaipur S. favorite Arrest Me Red (Pioneerof the Nile) in the GII Turf Sprint S. at Churchill May 6.

Pedigree Notes:

Produced by a daughter of two-time stakes winner and twice graded-placed Zee Zee (Exchange Rate), Caravel--who was also RNAd for $330,000 during the Wanamaker's online auction in October 2020--has a 2-year-old half-brother named Mission Man (Holy Boss) and a yearling half-brother by Great Notion. Zeezee Zoomzoom was most recently bred back to Street Boss.

THIS SIDE UP: PASSPORT TO VICTORY

by Chris McGrath

Heritage, as a substitute for internationally adequate prize money, is literally priceless to the nation that cradled the Thoroughbred. Nowhere is this more apparent than at Royal Ascot, where prestige and pageant will next week again draw not just global attention but also global participation. As a result, this most definitively English of occasions has in recent years become ever more cosmopolitan.

It's a pretty precarious arrangement for British racing, in that the economic model harnessed to its cultural assets-namely, an export market for yearlings and horses-in-training-threatens ultimately to erode the caliber of the product, and so may contain the seeds of its own demise. Because the one thing that keeps it viable is a reliable capacity to identify stallions, such that the Derby would arguably not lose a single runner if they were to run it for a rosette.

The ancillary, breeding-oriented economy that sustains the sport will be obviously be strongest if it can operate on a truly international scale. It's vital, then, that the Thoroughbred itself is allowed to demonstrate international functionality, through precisely the kind of adventure that is summoning horsemen to Ascot from the United States or Australia or Japan. Far too many horsemen and breeders, however, remain culpably insular. Year after year, European trainers fail to make a single dirt entry at the Breeders' Cup; year after year, the American yearling sales make it seem virtually impossible to stand a turf stallion in Kentucky.

We must count ourselves blessed, then, that perhaps the most influential commercial stud in history maintains a longer view. Right back to the days when the Maryland-bred sprinter Godswalk became a pioneer shuttler, from Ireland to Australia, Coolmore has always grasped the virtuous circle initiated by connecting different markets, racing environments and gene pools. This, indeed, was how John Magnier and his partners revolutionized European racing and breeding, importing speed-carrying capacity in sons of Northern Dancer; and also how Danehill became a patriarch in two hemispheres.

Sure enough, three horses in Coolmore's Ascot team--respectively flying in from Ireland, Australia and Kentucky--remind us how there can be no reward without risk; and how it's actually the boldest, most sporting strategies that contain most commercial potential.

Golden Pal | *Breeders' Cup/Eclipse Sportswire*

Even Uncle Mo could be said to have advanced his reputation should he pair up the GI Belmont S., through Mo Donegal on Saturday, with the G1 King's Stand S. over five furlongs of turf just three days later. Admittedly **Golden Pal** has been beaten on both previous transatlantic starts, though I remember saying at the time that people need to be a bit less prescriptive about pedigrees when a raw colt by Uncle Mo can boss a field of precocious turf sprinters, on rain-softened ground, the way he did for all but the last couple of steps in the G2 Norfolk S. As such, it's intriguing that just about the only local runner given any hope against Golden Pal and the Australian flyer Nature Trail (Aus) (Nicconi {Aus}) is Man Of Promise, one of very few sons of Into Mischief to have been given a chance on grass in Europe. As so often, the stereotyping of Thoroughbreds tends to be self-fulfilling.

Another of Coolmore's Ascot globetrotters, Home Affairs (Aus) (I Am Invincible {Aus}), will contest the G1 Platinum Jubilee S. prior to becoming the most expensive stallion ever to start his career in the Hunter Valley. As a genetic package he combines the two great conduits of Danzig, extending the Green Desert sire-line with a mare by Danehill's son Flying Spur (Aus), whose third dam, the Canadian matriarch Fanfreluche, also happens to be the fifth dam of Home Affairs. Despite his name, then, this is a pedigree of many flags and, once again, the object of the Ascot exercise is to prove its universal efficacy.

But perhaps the most significant experiment of all concerns a filly trained at Coolmore's home stable of Ballydoyle. For as we prepare for this 154th running of the Belmont, the horse who

completed his Triple Crown in the 150th has already laid down a most intriguing marker regarding his potential to transcend boundaries. Though Justify was famously unraced at two, his daughter Statuette will take all the beating in the G2 Albany S. judged on her brilliant debut at Navan in May.

Justify | *Coady*

Justify, as a specimen, has all the brawn and timber we prescribe for dirt, and obviously reached a historic pinnacle of that trade. Yet he was allocated the brilliant turf miler Immortal Verse (Ire) (Pivotal {GB}) in his debut book, proving that when Coolmore have resorted to extraneous influences, such as Deep Impact (Jpn) or War Front, they have not merely been casting about for a way to avoid saturation with Galileo (Ire) blood.

Magnier and his team have stayed ever faithful to the principles of "hybrid vigor" espoused by Bull Hancock. Justify's sire Scat Daddy gained his reputation as a turf stallion, remember, simply because they gave him an opportunity in the European theater. Much the same might be said of War Front, while it's fascinating to see how quickly American Pharoah has established an aptitude for turf-to the extent that I must repeat the wish that he could someday be given a season in Co. Tipperary.

Even Coolmore, of course, must sometimes respond to markets rather than shape them. Australian breeders, remarkably, can get to Justify for just Aus$55,000, exactly half what they will be asked to pay for Home Affairs. But that just shows how we can all share the trickledown; can all benefit from the gambles Magnier and friends are prepared to embrace with a breed already so fraught with uncertainty that many who avow "commercial" priorities actually display a chronic dread of risk.

Much of the recent debate about the Triple Crown schedule, for instance, has referred to trainers wishing to look after a horse's "best interests." It seldom feels terribly clear when that expression denotes his physical wellbeing, as opposed to the reputation he needs to preserve for a stud career. But people need to remember that the best commercial dividends come from audacity. He who dares, wins. Who would still think the same of Justify, had he sat out the Preakness?

In testing the transferability of genetic prowess, everyone can be a winner. The bloodstock market, most obviously, will be bigger and more competitive if it trades a truly international breed. But the fans gain hugely, too, from seeing exotic raiders like Golden Pal and Home Affairs at Ascot.

First and foremost, unlike one or two of their biggest rivals over the years, it has always been imperative for Coolmore to function profitably. That has made the firm alert to opportunity. Veterinary advances, for instance, not only allowed the opening of new frontiers with shuttle sires, but also permitted the expansion of book sizes. But the Thoroughbred, as a commercial entity, is ultimately served best by having its capacity and versatility tested as boldly as possible. And that's something we will never do enough, so long as most horsemen-albeit thankfully not all-persist in viewing "opportunity" merely as "hazard."

DELL HANCOCK ACCEPTS DINNY PHIPPS AWARD

Dell Hancock is presented with the Dinny Phipps Award
Here With You Photography

Claiborne Farm's Dell Hancock, longtime chairman of Grayson-Jockey Club Research Foundation, accepted the Dinny Phipps Award at the Belmont Stakes Charity Celebration Thursday, June 9, at Tavern on the Green in New York. Plans to honor Hancock with the award and details about the nature of the award had been previously announced.

"Our families have always shared a common bond and common dedication to the horse, and I think that is what has kept us striving in that same direction toward equine health over all those generations and years," said Ogden Phipps II, who presented the award. "[Dell's] work has resulted in innumerable contributions, not just to Grayson and the Thoroughbred industry, but to the entire equine industry."

The Belmont Stakes Charity Celebration is traditionally one of Grayson's largest fundraisers. This year's event featured entertainment by Kentucky's Wolfpen Branch, a bluegrass band co-founded by Arthur Hancock IV, who is the recipient's brother.

"It was taught to my brothers, my sister, and me to give back to the horses who give us so much and give us such a lovely life," said Hancock. "No one lived up to this mantra better than Dinny Phipps, which makes this recognition even more meaningful."

NY RACE TRACK CHAPLAINCY SEEKS SUPPORT FOR SUMMER ENRICHMENT

NY Race Track Chaplaincy's Summer Enrichment program
Courtesy NYRTC

The New York Race Track Chaplaincy is seeking support for their Summer Enrichment Program for children of backstretch workers in order to help keep families together during the Saratoga season, and to give children an opportunity to experience something they may have never had before: a summer away from the city and from the track.

No child is turned away from the program, which meets critical needs for the families that the Chaplaincy serves. The program is solely supported by contributions from the public.

Those interested may click here to donate any amount, or click here to sponsor a child for one day, one week, one month, or the entire summer.

Humberto Chavez, Lead Chaplain and Executive Director of the NY Chaplaincy, said the program is very close to his heart.

"Thanks to the Saratoga Summer Enrichment Program, members of the backstretch community who are parents are able to keep their families together and know their children are well-cared-for while they are at work. The peace of mind this provides is something every parent can appreciate and support. We turn away no one and are very grateful to everyone who makes this program possible."

Over 3,500 people make up the community of workers on the backstretches of the thoroughbred racing industry at Belmont Park, Aqueduct Racetrack, and Saratoga Race Course. The New York Race Track Chaplaincy ministers to that community with children's enrichment, social service, and recreational programs, educational opportunities, and non-denominational religious services. The Chaplaincy provides these extensive services with the intent of satisfying not only spiritual needs but also basic human necessities, and its unique population is served without regard to race, creed, religion, background, or social status.

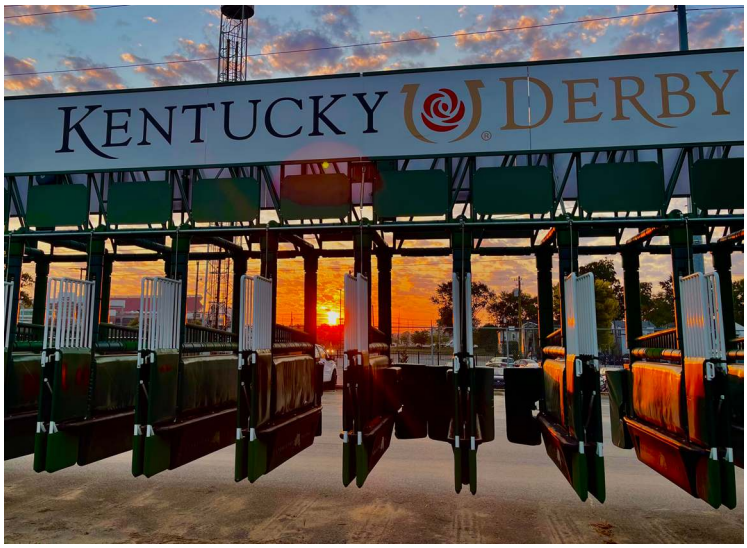
CHURCHILL SEEKING DERBY/OAKS LOGO PROPOSALS



Churchill Downs | *Horsephotos*

Churchill Downs Racetrack is looking for a new agency to develop Kentucky Derby and Oaks logos for the next three years, beginning with and including the upcoming 150th runnings of the historic events, which will take place in 2024. Churchill has officially issued a Request For Proposal (RFP) in the search for a qualified creative agency for the conception, development, and execution of event marks and style guides.

"The event marks must further establish the Derby and Oaks as must-see global events, commemorate and celebrate the storied history of those races, and visually reinforce the Derby and Oaks brand with each mark appropriately suited for their event," said Casey C. Ramage, Vice President of Marketing and Partnerships for Churchill Downs Racetrack. "We want the event marks to elevate and drive collectability for the Derby and Oaks licensed goods and merchandise."

The RFP is open to all qualified, reputable design firms. For more information, including what proposals entail and the scope of the project, contact Emily Shepard, Churchill's Director of Design and Creative, at Emily.Shepard@KyDerby.com or (502) 635-4741. All proposals should be submitted no later than Friday, July 1 at 4 p.m. ET.

IMMACULATELY BRED ARROGATE COLT BECOMES A 'RISING STAR' *by Alan Carasso*

Artorius (pink cap) | *Sarah Andrew*

Juddmonte's **Artorius** (c, 3, Arrogate--Paulassilverlining, by Ghostzapper) backed up his highly impressive runner-up effort on his six-furlong debut behind **'TDN Rising Star'** Under Oath (Speightstown) at Keeneland Apr. 16 with a similarly promising performance when stretched to a mile Friday at Belmont. His deceptively easy 3/4-length success over big-figure maiden **Gasoline** (Curlin x Yellow Agate) earns him the **'Rising Star'** designation.

With the vanguard early, the dark bay eased back to sit third and on the fence behind a sharp opening quarter-mile in :22.98. Shuffled back one position to sit midfield past the half in :46.61, Artorius was back into the bit and ready to roll, but in need of running room as the field hit the top of the stretch. The gap came one off the inside with a bit more than a furlong to travel, and Artorius took it professionally, but wanted to run around a bit at the eighth pole. The colt received a few reminders from Irad Ortiz, Jr. and held sway to win narrowly, albeit comfortably, in racehorse time. Gasoline, who finished a neck behind subsequent Texas Derby winner King Ottoman (Curlin) in a May 7 Churchill maiden going this one-turn mile configuration, prompted the pace throughout and boxed on gamely once passed in another high-class outing.

Artorius is the first foal out of Paulassilverlining, a four-time graded winner and third in the 2016 GI Breeders' Cup Filly and Mare Sprint for her breeder Vince Scuderi, then was acquired privately by Juddmonte prior to her 5-year-old season in 2017, with an eye on a future mating with Arrogate.

The plan paid immediate dividends when Paulassilverlining won the GI Madison S. and GI Humana Distaff S. in her first two appearances in the legendary Juddmonte green-and-pink before her retirement at the end of that campaign.

A half-sister to dual GI Carter H. hero Dads Caps (Discreet Cat) and to the dams of SWs Long Weekend (Majesticperfection) and Miss Interpret (Street Sense), Paulassilverlining has a 2-year-old half-sister named Parameter (Into Mischief) and a foal half-sister by Tapit. Artorius carries 3 x 4 inbreeding to Unbridled.

Read more on Artorius in Steve Sherack's 'Second Chances' column.

UNCLE MO COLT ROMPS TO 'TDN RISING STAR'-DOM *by Alan Carasso*

Bill and Corinne Heiligbrodt and partners appear to have another potential monster on their hands, as **Gulfport** (c, 2, Uncle Mo--Fame and Fortune, by Unbridled's Song) ran away from his rivals to graduate by seven lengths at first asking at Churchill Downs to become the afternoon's second **'TDN Rising Star'** and the 10th overall for his successful stallion.

Pounded into 1-2 favoritism with a best-of-63 half-mile from the gate in :46 flat at Keeneland on display, the $275,000 Fasig-Tipton July acquisition by Joe Pickerell and Courtney Roberts's Pick View LLC bounced well and improved from his wide draw to prompt the pace of 12-1 overlay Mataro (Maclean's Music x Lady Tak) to that one's outside through the opening quarter-mile in :22.35. **Cont. p2**

6th-Churchill, cont.

Asked to claim that front-runner as they cornered into the stretch, Gulfport surged past and was ridden mostly hands and heels for the remainder, pulling clear with every one of his powerful strides while covering his final furlong in a strong :11.84. The Heiligbrodts also campaigned this sire's GI Forego S.-winning son Yaupon. The colt was cataloged as hip 2 for this year's Fasig-Tipton Florida Sale, but was scratched from the event.

Gulfport is out of Fame and Fortune, a winning full-sister to GISW Cross Traffic, who was purchased by Gainesway Farm in foal to Uncle Mo's late son Laoban for $320,000 at this year's Keeneland January Sale. That produce sadly passed away. Fame and Fortune is also a half-sister to SW Thirteen Arrows (Indian Charlie) and SW Exodus (Medaglia d'Oro). Breeder Adam Bowden of Diamond Creek Farm was represented in last Saturday's G1 Cazoo Derby by Onesto (Ire) (Frankel {GB}).

A half-brother to this year's GII TwinSpires.com Fair Grounds Oaks third-place finisher Favor (Pioneerof the Nile), GSP, $116,500, Gulfport has a yearling full-sister.

He found a new lease on life since leaving the grass for the one-turn main track contests, and the $335,000 KEESEP alumnus put on a master class going a mile Feb. 5, running away by over six lengths at Aqueduct, and won under confident handling last out Apr. 30 at Belmont over a sixteenth farther. Taking up his customary position near the rear of the field, Southern District caboosed the field into the turn, shifted four wide for his rally and produced a powerful kick in the final furlong to drive past clear leader Supremacy (Constitution) for a two-length score. A talented racemare in her own right, dam Open Water produced GSP Chelsey Flower S. winner Raucous (Speightstown) and five-time winner Baffin Bay (Pioneerof the Nile). Southern District is the third to have his picture taken from three to survive, and he has an unnamed 3-year-old full-brother in the States. Purchased by Katsumi Yoshida for $800,000 at the 2018 Fasig-Tipton November Sale, Open Water is represented by a 2-year-old colt by Deep Impact (Jpn)'s brother Black Tide (Jpn), a yearling colt by Daiwa Major (Jpn) and a 2022 foal by Japanese Triple Crown hero Orfevre (Jpn). MISCHIEVOUS DIANE (f, 3, Practical Joke--Lioness Lahr, by Lion Heart) posted back-to-back close seconds to begin her career last fall in New York, including just a head defeat by future MGSW Kathleen O. (Upstart). She returned to break her maiden Dec. 11 over a sloppy six furlongs at Aqueduct before going to the bench. With the addition of Lasix for her 3-year-old debut, Mischievous Diane, off at 2-1, was sent for the early lead with Jane Grey (Into Mischief) to her inside. Given her cue at the quarter-pole, Mischievous Diane raced away under right-handed urging to hit the wire 3 1/2 lengths in front of Jane Grey, who held on for second. The winner has a 2year-old half-sister by Ransom the Moon who is her dam's last reported foal. Sales History: $67,000 Ylg '20 KEEJAN. A MO REAY (f, 3, Uncle Mo--Margaret Reay {GSP, $133,455}, by Pioneerof the Nile), third last year behind champion Echo Zulu (Gun Runner) Oct. 3 in the GI Frizette S., progressed up the placings until she broke her maiden Dec. 3 in her final start as a juvenile at Aqueduct. Returning to the races Apr. 8 at Keeneland in her first try at 1 1/16 miles and her first-time with Lasix, she failed to finish the contest after being eased and walked off the track as the 2-1 favorite.

Back here after time away, the $400,000 KEESEP buy was heavily supported at 3-5 and ran to her price, engaging Baby Man (Bird Song) early from the inside leaving the chute. On a short lead leaving the far turn, she briefly ceded the advantage to a pair of rivals but gamely fought back to retake command by the eighth pole and hit the wire 2 1/4 lengths best. Baby Man held on for second. The second to the races for her dam, A Mo Reay is the most recent winner. She has a 2-year-old half-brother by Flatter and a 2022 half-sister by Gun Runner. Dam Margaret Reay (Pioneerof the Nile) is half to Cicada S. winner Lezendary (Zensational) and Panamanian stakes-placed Cessnow (Paynter). FOREVER SOUPER (c, 3, American Pharoah--Mighty Souper {MSP, $122,866}, by War Front) made a single start as a juvenile, finishing fourth in June of last year over five furlongs at Gulfstream. Returned Mar. 6 on the grass over a mile, he showed improvement, leading throughout before fading to third in the stretch. Last seen Apr. 9 at 1 1/16 miles, he took the field gate-to-wire to graduate by a length. Off at 9-5 for his first race against winners and on Gulfstream's all-weather track, he took back off the early pace to let Cash in a Flash (Uncle Mo) set the tempo. He bid in upper stretch with a four-wide rally and raced clear down the lane, winning by 1 3/4 lengths over Backchat (Will Take Charge). The first winner for his dam, Forever Souper has a 2-year-old half-sister named Mighty Gin Gin (More Than Ready) and a yearling half-sister named Souper Gin Can Win (Lookin At Lucky). Mighty Souper was bred back to Lookin At Lucky for 2022. Lifetime Record: 4-2-0-1, $66,550. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

EMPIRE OF MY OWN (f, 2, Classic Empire--In a Jif {SW, $203,382}, by Saintly Look) tired late to third last out May 5 in a promising debut going this track and distance. Rebounding from that effort here and off as the 9-5 second choice, the $170,000 OBSMAR purchase (:10 flat) pressed favored pacesetter Free Drop Maddy (Free Drop Billy)--the second most-expensive purchase from 2022 TTAAPR at $200,000-- through :22.25 and :45.22 fractions through the turn. Three wide on the homeward drive, Empire of My Own fought off a stubborn leader in the stretch and edged clear by 1 3/4 lengths over the front-runner. A half to GIII Chick Lang S. placed Cogburn (Not This Time) and another winner from three to the races, the victress has a yearling half-sister by Tapiture. In a Jif was bred to Promises Fulfilled for this season. Sales history: $110,000 Ylg '21 KEESEP; $170,000 2yo '22 OBSMAR. SELL THE DREAM (f, 2, Munnings--Enayat Alsalam, by Run Away and Hide) may not have especially wowed in the mornings--her most recent work May 29 was five panels in 1:03 3/5 (32/38)--but she did impress in the afternoon. Off at 4-1 in this unveiling, the chestnut gave a little hop out of the gate, immediately went up to engage the front lines, and blazed through fractions in :21.58 and :44.91. A bit green off the turn and down the lane, Sell the Dream let her 4 1/2-length lead shrink to just a length on the wire, but she maintained the advantage to win over fellow firster Quarantella (More Than Ready). The winner's dam, a half to MGISW Melatonin (Kodiak Kowboy) from the family of MGISW Twice the Vice (Vice Regent), has a yearling colt by Smiling Tiger and last visited Cairo Prince. Lifetime Record: 1-1-0-0, $52,260. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

SHARP AZA TACK (c, 2, Sharp Azteca--Que Chulo, by Bernardini) was ridden hard from his outside gate to content for the early lead outside of Kid Azteca (Sharp Azteca) and Zookeeper (Good Samaritan). The $100,000 OBSMAR purchase (:10) shook free of those rivals midway around the far turn, slowly drew away down the stretch, and--still under a drive--won by 2 1/4 lengths over Park City (Street Sense) who closed from fourth to be runner up. The second winner in as many days from the initial crop of his sire (by Freud), Sharp Aza Tack has a yearling half-sister by Jimmy Creed and a newborn half-brother by Good Magic. Sales History: $72,000 Ylg '21 KEESEP; $100,000 2yo '22 OBSMAR. Lifetime Record: 1-1-0-0, $40,200. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

KINGDOM HEART (c, 2, Goldencents--Take Charge Card, by Will Take Charge), off at 9-1 for his career debut after RNA'ing for $37,000 at OBSAPR (:10), showed good speed from the inside gate, surging to the lead with Keanu (Brethren) pressuring to his outside. His rivals were already being asked around the far turn, but Kingdom Heart hadn't made his move yet, patiently ridden even as Boris (The Big Beast) came alongside at the quarter

pole. As the field straightened up, Kingdom Heart shifted off the rail and drew away over the slop, quickly opening up daylight and hitting the wire 6 3/4 lengths ahead of Keanu who closed past Boris for second. The first foal from his dam, Kingdom Heart has a newborn half-brother by Cajun Breeze. Sales History: $19,000 Ylg '21 OBSOCT; $37,000 RNA 2yo '22 OBSAPR. 8th-Delaware, $41,225, Msw, 6-10, 3yo, 6f, 1:10.88, ft, 2 3/4 lengths.

DUMI KNIFE (c, 3, Daredevil--Nature's Beauty, by Bernardini) missed by a neck on debut at Indiana Aug. 9 of last year and faded to sixth next out going nine furlongs at Saratoga three weeks later. Away well from his rail draw, the 9-2 shot battled through early splits of :22.27 and :45.34. Shaking off his foe in the lane, the bay skipped clear to win by 2 3/4 lengths. The winner's dam is also responsible for a juvenile filly named High Donna (Noble Mission {GB}) and a yearling filly by Klimt. She was bred back to Noble Bird. FIRST WINNER FOR FRESHMAN SIRE

7th-Lone Star, $33,000, Msw, 6-9, 2yo, f, 5f, :59.65, ft, 3 3/4 lengths.

REALITOS (f, 2, Sharp Azteca--Moonlit Bayou, by Mr. Greeley), well-supported at 9-2 with first-time Lasix, broke in a line with the group but that was the closest they got to her. Leading up the backstretch and through the final turn after a :22.94 quarter, and hitting a half in :46.68, the striking dark bay had full command in the lane. Striding out a bit greenly, she cruised home 3 3/4 lengths to the good, a much-improved effort from her debut May 20 at Churchill Downs where she was bothered at the start and slow to get going to finish fourth. Post-time favorite Pivosky (Connect) had to settle for second. Realitos is the first winner for her freshman sire (by Freud). The $115,000 OBSMAR grad (:10 flat) has a yearling half-sister by El Deal and their dam was bred to Spun to Run for this season. Sales history: $26,000 Ylg '21 OBSOCT; $115,000 2yo '22 OBSMAR. WALLER UPBEAT ABOUT HOME AFFAIRS AND NATURE STRIP

Nature Strip goes out for a spin at Ascot on Friday morning
Francesca Altoft

Chris Waller, trainer of **Home Affairs (Aus)** (I Am Invincible {Aus}) and **Nature Strip (Aus)** (Nicconi {Aus}), two of the fastest horses in the world, provided an upbeat bulletin on his Royal Ascot hopefuls after they had their first experience of the track on Friday morning.

Home Affairs is on course to run in the G1 Platinum Jubilee S. while Nature Strip is a leading fancy for the G1 King's Stand S. for Waller, who will forever be remembered for his handling of Australian legend Winx (Aus) (Street Cry {Ire}) and, more recently, last year's G1 Melbourne Cup winner Verry Elleegant (NZ) (Zed {NZ}).

Nature Strip, one of the most decorated sprinters in the world with eight Group 1 wins to his name, and Home Affairs, twice successful at the highest level, were reported to have come through their breeze at Ascot racecourse with flying colours, according to the trainer.

Waller said, "It was pretty much a perfect trip--they had two stopovers, one in Singapore and one in Dubai.

"Collectively they drank 120 litres of water on the flight and I think that's the key for anyone travelling, just making sure they're well hydrated." **Cont. p2**

COLIN KEANE SNAPPED UP TO PARTNER US RAIDERS AT ROYAL ASCOT *By Brian Sheerin*

However unlikely it seemed back in the autumn when the syndicate was formed, the members of the Dew Sweepers LLC have been provided with reason to believe their dream of securing a Royal Ascot winner can become a reality with the news that Irish Champion Jockey Colin Keane has committed to riding both of their runners next week.

It makes sense, too. The Dew Sweepers LLC, formed and managed by Jack Goldthorpe, features a number of Irish ex-patriots and they will be cheering on Keane as he gets the leg over **Late September** (Munnings) in the G2 Coventry S. and **Grand Oak** (Speightstown) in the G2 Queen Mary S.

Both 2-year-olds are trained by Rusty Arnold and Keane, who will be bidding to make his own Royal Ascot breakthrough, views the fact that connections are willing to come halfway around the world to run as a massive vote of confidence. **Cont. p4**

BELMONT S. RACING FESTIVAL KICKED OFF FRIDAY

The GI Belmont S. Racing Festival began its two-day stand on Friday. Saturday marks the GI Belmont S. **Click or tap here to go straight to TDN America.**

Nature Strip & Home Affairs Cont. from p1

He added, "They put on a couple of kilos on the flight but now they're back to their normal weights, so they needed to do a little bit of work this morning.

"Today was their first piece of fast work for two weeks, they just needed a little bit of stimulation and I was pretty happy with what they did."

A handful of international raiders have based themselves in Newmarket while American handler Wesley Ward has taken his team to Chelmsford racecourse in the build-up to next week's royal meeting.

Waller was full of praise for the facilities in Lambourn, a racing centre more celebrated for its jumps inhabitants, as well as his European training colleagues.

He said, "It's been great, a lovely relaxed environment. It's amazing, the facilities over here, it's awesome--the horses just enjoy themselves and are very relaxed.

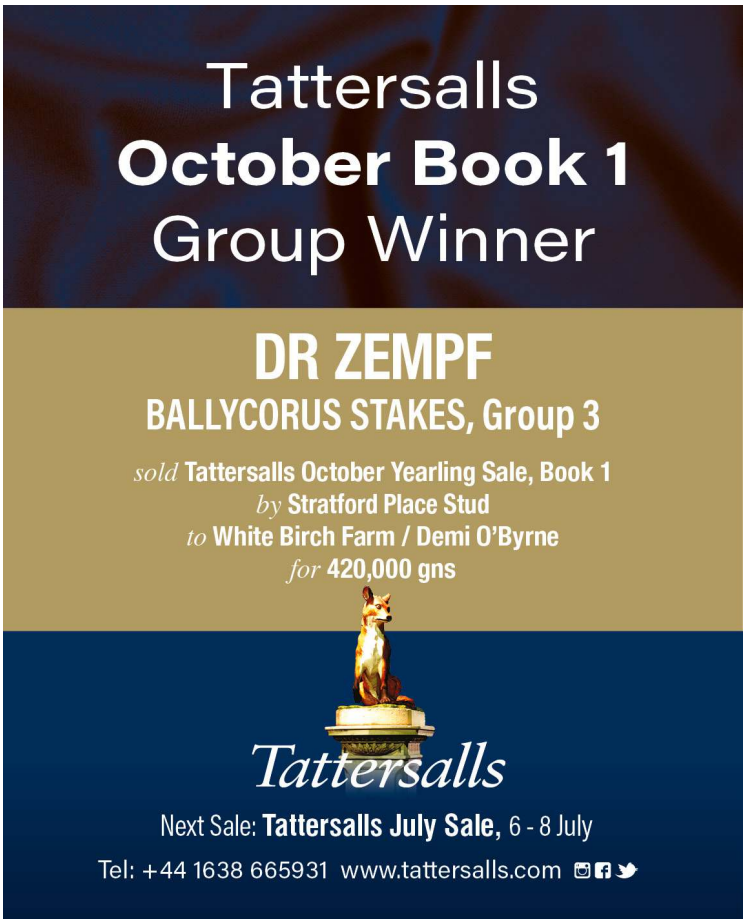
"Like a lot of training centres around the world, we train in the city and everything is a rush. There's a lot of horses in a small area, but not here, it's all about the horse and it's no wonder the English, Irish and French turn up so many good winners."

He added, "You train to your own environment, we know what works in Australia. I have the utmost respect for how hard it must be to train a horse here.

"In particular they've got to have their horses right for six months of the year, we have 12 months to get things right. If you miss a carnival, you've got another one two or three months later--but there's only one Royal Ascot.

"The way the English and Irish trainers, and the French as well, the way they prepare them for their races is quite unique. We have prep runs, we don't get them ready for a 2000 metre race first time."

Chris Waller & Home Affairs | *Francesca Altoft*



While Winx never made the trip to Ascot that so many fans hoped for, Waller is not a total stranger to Royal Ascot having sent Brazen Beau (Aus) (I Am Invincible {Aus}) to race in 2015.

The son of I Am Invincible came close to victory in the then Diamond Jubilee S., finding only the Ward-trained Undrafted (Purim) half a length too good.

Asked what he learnt from his experience with Brazen Beau, Waller said, "That it would be achievable to win a race here one day.

"He ran very well and he was a good Australian sprinter, a young horse with a similar profile to Home Affairs. You've got to have a horse with a good temperament, they've got to be quick, they've got to be able to cope with good tracks or perhaps a bit of rain on the day as well.

"We almost pulled it off, so not much has changed really, we almost got it right and we'll try to get it right this time."

Keane To Partner US Raiders Cont. from p1

Keane told *TDN Europe*, "They are two nice rides to get and they wouldn't be coming all the way to Ascot if they didn't think they had a chance so I'm looking forward to riding them.

"I won't pretend to be an expert on American form but I thought the filly [Grand Oak] appeared to have solid claims in the Queen Mary and the colt [Late September] looks a nice type for the Coventry."

The go-to man in Irish racing having been crowned champion jockey three times in his native land, Keane has ridden at Ascot 31 times without success, but doesn't feel too many opportunities were missed.

Colin Keane, "They are two nice rides to get." | *Racingfotos.com*

He explained, "I am not too surprised by that as Ascot is extremely competitive and we [his boss Ger Lyons] hasn't had many fancied horses there in recent years. I think the closest we got to winning at Ascot was when Psychedelic Funk (GB) (Choisir {Aus}) was third in the Coventry.

"It looks as though I have a few nice rides to look forward to this year, which is exciting, as some of them appear to have solid each-way chances. If I could get one, it'd be brilliant."

Late September can be backed at 25-1 for the Coventry while odds of just 16-1 are available on Grand Oak in the Queen Mary. According to Goldthorpe, a couple of zeros could have been added to such odds about securing a horse good enough to run at the royal meeting, never mind two.

Goldthorpe explained, "There are a few Paddies in the syndicate. Ciaran Dunne, Spider Duignan and some local friends are a part of the syndicate and we set it up on a whim with the aim of going to Royal Ascot. Everyone said it would be too hard but I wanted to give it a try. It turned out to be a lot easier than we thought." **Cont. p4**

"THE TEAM AT ASCOT HAVE TREATED US LIKE WE OWN SECRETARIAT. THEY COULDN'T BE MORE HELPFUL AND HAVE MADE US FEEL VERY WELCOME."

– Dew Sweepers, LLC's Jack Goldthorpe

Keane To Partner US Raiders Cont.

"It's a pinhooking plan to buy yearlings with the aim of running at Royal Ascot and these horses will all be sold in July. We bought seven horses, six of them are in training with two of them going to Royal Ascot. Four of the remaining five will have run by the time they are sold."

He added, "It's a reinvention of an operation that me and Ciaran have been doing for years. We pinhooked as partners in France for years. Ciaran went to Royal Ascot last year and, when he came back, he said, 'Jack, I had such a good time. You've got to come do this.' I said, 'alright, I'm in.'

"I've told the partners involved that this will never happen again. To buy seven horses on a poor man's budget and for two of them to run at Royal Ascot. It's impossible. The average spend was $75,000. Don't tell The Queen that!"

Grand Oak was an impressive winner of a fillies' maiden special weight at Churchill Downs last month, while Late September also got off the mark at the second attempt at that track. Goldthorpe shares Keane's opinion that Grand Oak boasts marginally the better chance of the two.

He said, "I think Grand Oak fits in this group well and is there on her merits. Ben McElroy has a filly in there, Love Reigns (Ire) (US Navy Flag), and she looks the one to beat.

"Late September is an unproven commodity on the grass. He worked on the grass at Keeneland last week and seemed to handle it very well. I think he'll go longer distances in future and may even prefer the dirt."

He added, "The team at Ascot have treated us like we own Secretariat. They couldn't be more helpful and have made us feel very welcome.

"Credit where credit is due, all of this is down to two of the best husband-and-wife teams in racing, Ciaran and Amy Dunne and Rusty and Sarah Arnold. They are two of the best husband and wife teams in America at preparing and training racehorses and it's fun to see them do it together."

Keane has also been booked to partner **Rebel Territory (GB)** (Territories {GB}) for Amanda Perrett in the Royal Hunt Cup and revealed that Sacred Bride (GB) (Bated Breath {GB}) is likely to be one of only a handful of runners for Lyons next week.

He said, "I picked up the ride on Rebel Territory this [Friday] morning. He has some good form and looks progressive so it is a nice ride to get. It's the place every jockey wants to be so it's nice to be picking up a few nice rides." **Cont. p5**

Grand Oak | *Coady Photography*

Keane To Partner US Raiders Cont.

Keane added, "I think **Sacred Bridge (GB)** (Bated Breath {GB}) is our [Lyons's] only realistic runner. He might go for the G1 Commonwealth Cup. **Mutasarref (GB)** (Dark Angel {Ire}) is in a couple of handicaps but I'm not sure what the plan is exactly.

"I'd say one, or maybe two runners we could end up with, and there are some exciting spares there. If you're not in, you can't win."

COROEBUS PLEASES APPLEBY AHEAD OF ST JAMES'S PALACE RUN

Classic winner **Coroebus (Ire)** (Dubawi {Ire}) is in good form according to trainer Charlie Appleby a few days in advance of a start in the G1 St James's Palace S. at Royal Ascot on Tuesday. The bay son of First Victory (Ire) (Teofilo {Ire) led home a Godolphin/Charlie Appleby one-two in the G1 QIPCO 2000 Guineas with **Native Trail (GB)** (Oasis Dream {GB}) second at the end of April. His final workout will take place on Saturday.

"Royal Ascot is the Olympics of the equestrian field in Europe and I'm very much looking forward to it," Appleby said. "Coroebus is our star horse on day one and it was always the plan to come here straight from the Guineas.

"His work has been more than pleasing us of late and he's got his final piece of work to do on Saturday, then all being well we'll be there on Tuesday and he'll be the horse they've all got to beat. Native Trail came out and won the [G1] Irish Guineas and won it well, it's rock-solid form and as it stands it looks another good Guineas this year."

Also a winner of the G3 Autumn S. last year, the colt is one of 13 still in the one-mile race on the first day of the five-day stand. He must contend with Group 1 winner **Angel Bleu (Fr)** (Dark Angel {Ire}), the unbeaten G2 German 2000 Guineas hero **Maljoom (Ire)** (Caravaggio), G2 Coventry S. victor **Berkshire Shadow (GB)** (Dark Angel {Ire}), G1 Tattersalls Irish 2000 Guineas second **New Energy (Ire)** (New Bay {GB}), G2 Champagne S. winner and dual Group 1-placed Bayside Boy (Ire) (New Bay {GB}), and group winners **Light Infantry (Fr)** (Fast Company {Ire}); and **Lusail (Ire)** (Mehmas {Ire}), among others.

WELD ON ROYAL ASCOT WEATHER WATCH FOR HOMELESS SONGS

Dermot Weld has warned that **Homeless Songs (Ire)** (Frankel {GB}) will only run in next week's G1 Coronation S. at Royal Ascot if the ground is suitable.

A hugely impressive winner of the G1 Irish 1000 Guineas, Homeless Songs side-stepped the French equivalent because of quick ground, and Weld has warned that she will only run at the royal meeting if conditions are to suit.

Newmarket Guineas winner **Cachet (Ire)** (Aclaim {Ire}), French Guineas heroine **Mangoustine (Fr)** (Dark Angel {Ire}) and last year's champion juvenile filly **Inspiral (GB)** (Frankel {GB}) are all set to be in opposition, but Weld has reiterated Homeless Songs will not run at Ascot if the ground is too fast.

"Anything she has done since the Curragh she has done nicely and we are all set for next week provided the ground is suitable," said Weld. "I wouldn't like to see the word firm strongly mentioned in the going."

Last year's Chester Cup winner **Falcon Eight (Ire)** (Galileo {Ire}) was unplaced in the Queen Alexandra S. in 2021 but Weld is hoping for better next week with the talented staying handicapper.

"Falcon Eight will run in the Queen Alexandra on the Saturday. He ran in it last year but the ground had come up very testing by the last race. He looks just as good a horse this year and I thought he ran an excellent race this year in the Chester Cup (fifth) with 9st 12lb on his back. I think he's all set to run a very good race."

ITBF CONFERENCE IN NEWMARKET A SUCCESS

The International Thoroughbred Breeders' Federation (ITBF)'s successful biennial four-day General Meeting concluded on Thursday in Newmarket. Attended by 23 of its 25 member countries, the programme included visits to all the leading Newmarket stallion studs, as well as two equine veterinary hospitals. Over 40 delegates had earlier attended the ITBF Derby Experience, provided by The Jockey Club, over the past weekend.

A half-day veterinary meeting plus an all-day General Meeting; covered areas of worldwide interest and included presentations on varying subjects from, amongst others, the JRA (Japan Racing Association), Weatherbys, SITA (Society of International Thoroughbred Auctioneers), the Thoroughbred Breeders' Association (TBA), The TBA of Chile and Thoroughbred Breeders Australia. Members also voted unanimously to continue to stand resolute against the use of artificial breeding methods (artificial insemination, embryo transfer, cloning, sexing of sperm, genetic engineering/manipulation, and other possible methods yet to be defined).

The ITBF will continue working to advance and protect the interests of Thoroughbred breeders' interests; throughout the world. Its next General Meeting will be hosted by Japan in 2024.

Cutting a dash with two mile handicap successes at Meydan in the early part of the year, Valiant Prince was unable to live up to that promise when last of four in Ascot's Apr. 27 Listed Paradise S. and had questions to answer here. Positioned in third early, the bay was driven to the front approaching the furlong pole and stayed on strongly and lead home a stable one-two. In doing so, he was becoming the second black-type winner for his G1 Matron S. and G2 Lennox S.-winning dam Chachamaidee after the G3 Pinnacle S. scorer and G2 Lancashire Oaks and G2 Prix de Pomone third Klassique. A full-sister to the G3 Fred Darling S. and G3 Oak Tree S. winner J Wonder (Footstepsinthesand {GB}) and a half to the G3 Premier Cup scorer Chief Whip (Giant's Causeway), she has the unraced 3-year-old filly Stars Are Born (Ire) (Sea the Stars {Ire}) and the unraced 2-year-old colt Capitano (GB) also by that sire who sold to SackvilleDonald for 160,000gns at the Tattersalls October Yearling Sale Book 1.
