NUMBERS UP AS KEENELAND BOOK TWO CONCLUDES

Tension | *Keeneland*

by Jessica Martini & Brian DiDonato

LEXINGTON, KY - The second and final Book 2 session of the Keeneland November Breeding Stock concluded Friday in Lexington with numbers up across the board and the striking gray mare **Tension** (Tapit) leading the way when selling late in the day for $750,000 to Woodford Thoroughbreds.

"The figures were very positive today," said Keeneland's Director of Sales Operations Geoffrey Russell. "I think the best answer today was young, good-looking mares who were well covered. They sold very well. The whole day, from start to finish, had great buzz and good bidding all the way through."

The two sessions of Book 2 concluded with 459 horses sold for $60,101,000. The average of $130,939 rose 9.4% from last year's Book 2 figure, while the median was up 17.6% to $100,000. The top-priced offering of the book, the $1-million Fools in Love (Not For Love), was one of 29 to bring $300,000 or more. The buy-back rate for the book was 27.4%. It was 30.0% a year ago.

During last year's Book 2 section of the November sale, 442 horses sold for $52,914,500. The average was $119,716 and the median was $85,000. The top price was $850,000 and 31 head sold for $300,000 or over. ***Cont. p3***

TOP HARNESS BREEDER BOWDEN BRANCHING OUT INTO THOROUGHBREDS

By Bill Finley

Adam Bowden probably didn't turn many heads when he made the winning bid of $450,000 on a broodmare named **Fame and Fortune** (Unbridled's Song) (hip 50) on the opening day of the Keeneland November Breeding Sale. Bowden is young (36), quiet, unassuming and a relative unknown in the Thoroughbred business. That makes him a novice. It doesn't make him someone you should underestimate.

Bowden is among the most important and respected individuals in the Standardbred breeding business and his accomplishments are impressive. In 2005, Bowden and his father Chris started Diamond Creek Farm, buying property in Georgetown, K.Y., and concentrating on buying and breeding top-class mares. ***Cont. p15 (click here)***

"Looking at the figures from last year, this session definitely improved dramatically over last year's figures, which is very positive," Russell said. "I think Book 2 was a success and now on to Book 3."

Matt Lyons of Woodford Thoroughbreds struck late in Friday's session to secure the top-priced Tension, in foal to Curlin, from the Hill 'n' Dale Sales Agency consignment.

"A Tapit mare in foal to Curlin, you've got all the buzz words of the commercial market in one package right there," Russell said. "And she was obviously bought by a commercial breeder. We'll look forward to hopefully selling her foals in the future."

Scott and Evan Dilworth took home the day's top-priced weanling when going to $575,000 for a colt from the first crop of Triple Crown winner American Pharoah (hip 984).

"Obviously, the American Pharoah foal was of exceptional quality and was rewarded," Russell said.

The Keeneland November sale continues Saturday with the first of two Book 3 sessions beginning at 10 a.m. The sale continues through Nov. 18.

Sire Power Propels Tension to the Top

Tension (hip 1175), by top sire Tapit out of MGISW Tough Tiz's Sis and offered in foal to emerging super sire Curlin, provided some late fireworks during Friday's Book 2 closer as John and Susan Sykes's Woodford Thoroughbreds saw off stiff competition to land the day's top lot for $750,000. The winless 5-year-old was consigned by Hill 'n' Dale Sales Agency.

"There wasn't much not to like about her," said Woodford Vice President and General Manager Matt Lyons. "She was a beautiful mare--maybe one of the best-looking mares in the whole sale, really, and in foal to Curlin who has become a very important sire. Hopefully she can make babies who look like herself."

Despite her position in Book 2, Lyons admitted he wasn't surprised to have to pay that much.

"When the pretty ones walk in who look like that, and they're in foal to a top sire, you can't say you expect to pay that much, but you can't be surprised either," the Irishman said. "We knew sitting around here tonight that there were still people here waiting the same as we were, so we knew it was going to be competitive."

Matt Lyons | *Keeneland*

Woodford has been active as usual as both a buyer and seller. On the buyer side, they've picked up seven mares and one weanling so far for a combined $2,775,000. The priciest of those purchases was the $850,000 GSW/GISP Blingismything (Arch) during Book 1.

"The market's strong at the very top and the babies are bringing a lot of money," Lyons said. "There's a lot of confidence around here and I think people feel that the economy's going the right way and they're ready to spend money. It's good for our business and hopefully it continues into next year's sales and we can get on a bit of a roll here." ***Cont. p6***

Sire Power Propels Tension to the Top cont.

Tension was being offered by Hill 'n' Dale on behalf of her breeders, Karl Watson and Paul Weitman, who also campaigned Tough Tiz's Sis and Tension's Grade II-winning, Grade I-placed half-sister Tiz Midnight (Midnight Lute)

"It was kind of the perfect recipe--a young mare, first service, in foal to Curlin, by Tapit and absolutely gorgeous," consignor John Sikura said. "She's a standout mare and she exceeded expectations, but this week, when they're perfect, the best, when everything works, you get extra. That's the market reality and she was certainly on everybody's list."

Tension | *Keeneland*

While Tension would have fit in Book 1 on looks, pedigree and price, Sikura thought being in Book 2 helped her stand out.

"Book 2 was the perfect place for her to stand out... We'd thought she'd stand out in this [book]," Sikura said. "There's money here all week--Book 1, Book 2, Book 3. You're going to see foals selling three days from now for a couple hundred thousand. It's an educated and sophisticated group of people who buy horses here. Whether they buy on Monday or Wednesday or Friday it doesn't make a difference. They judge the value of the horse--not what day it is--they're here for the duration. There are good horses here through the week, and Keeneland does a great spreading the quality throughout the sale. We thought she'd be one of the standout mares here, and we were rewarded that way." --*@BDiDonatoTDN*

American Pharoah Colts In Demand

Hip 984 | *Keeneland*

American Pharoah's first crop of weanlings continued to produce strong returns in the sales ring Friday at Keeneland when a colt by the Triple Crown winner sold for $575,000 to Scott and Evan Dilworth.

"He's a very, very nice colt," Scott Dilworth said. "It's the first year for American Pharoah and we decided to take a shot. It's basically the same group we had last year when we had some success with a War Front."

The Dilworths and partners purchased a weanling colt by War Front for $560,000 at last year's Keeneland November sale. Returned to the sales ring at the September sale, the bay sold to bloodstock agent Kerri Radcliffe for $1.1 million.

"I thought he was the best American Pharoah weanling here," Dilworth said of the colt. "He has a great female family. It was just a good combination. We looked at nearly every American Pharoah. He was the most elegant and refined one we saw."

Consigned by Eaton Sales on behalf of breeder Grousemont Farm, hip 984 is a son of multiple stakes winner J Z Warrior (Harlan's Holiday), a half-sister to Grade I winner A Z Warrior (Bernardini) and graded winners Jojo Warrior (Pioneerof the Nile) and E Z Warrior (Exploit).

J Z Warrior was purchased for $1.125 million as a 3-year-old at the 2008 Keeneland November sale and continued her racing career for Grousemont Farm co-founder Ty Scheumann before retiring in 2011.

Dilworth said he wasn't surprised by the weanling's final price tag.

"When you have a first-class horse, he should bring a first-class price," he said.

American Pharoah Colts in Demand cont.

Some 50 hips after selling a son of American Pharoah for $575,000, Eaton Sales' Reiley McDonald was in action to acquire a son of the Triple Crown winner, going to $375,000 to purchase hip 1033 on behalf of a pinhooking partnership.

The weanling is out of the unraced Meerkat Miss (Giant's Causeway), a daughter of Beware of the Cat (Caveat), and a half to Hold That Tiger (Storm Cat) and Editor's Note (Forty Niner). He was bred by Gabriel Duignan, Windmill Manor Farm, Liam Duignan, and Tranquility Investments and was consigned by Paramount Sales.

"Everyone came in here looking for American Pharoahs just because he is American Pharoah," McDonald said. "But as we've seen them, we've all seen that he has thrown exactly what he is; the huge shoulder, big hip, good length, all the scope and a beautiful walk. And apparently, they all have his great temperament. Now that we've had a chance to look at these in the public format, he's more than just American Pharoah. He is throwing great foals. This horse is the real thing. I hope they run as good as they look."

Scott Dilworth | *Keeneland*

American Pharoah has had five weanlings sell at Keeneland this week for a total of $2,080,000 and an average of $416,000. He had five sell at Fasig-Tipton Monday--including a record-setting $1-million filly--for a total of $2,375,000 and an average of $475,000. @JessMartiniTDN

Spendthrift Buys Into Big Family cont.

Hip 804 | *Keeneland*

"You'd always be delighted to have that family--that's as good as they get--and in foal to a really good stallion, so we're really happy with it," said Spendthrift general manager Ned Toffey after he and Hughes shook hands with Airs's co-breeder Helen Alexander.

Asian Empress (Empire Maker) (hip 815), out of Airs's second dam, brought $280,000 from Olin Gentry shortly after Airs sold. She was also consigned by Gainesway and in foal to Nyquist.

Toffey noted that Spendthrift doesn't currently have anything else from the family of Airs, and hadn't decided yet on future mating plans for her.

Spendthrift has picked up seven mares so far for a combined $2,895,000 and led by $750,000 Singing Kitty (Ministers Wild Cat) (hip 329) Wednesday.

"It's been uphill--it's been tough," Toffey said of the market. "We've been outbid on a lot more than we've actually bought. It's easy to get carried away and overpay, but we've been happy with what we've bought so far." --*@BDiDonatoTDN*

Courtly Dee Family Continues to Prove Popular

The extremely productive family developed by Helen Groves, Helen Alexander and family and tracing back to Courtly Dee continued to light up the board throughout Friday's KEENOV session, both for broodmares and foals.

Signing as Fort Pierce Racing and acting on behalf of a partnership, agent John Moynihan went to $325,000 for hip 911, a daughter of More Than Ready consigned by Gainesway, Agent VIII.

"She's beautiful, she's a More Than Ready--real pretty," said Moynihan. "We may race her, we may resell her--we're just not sure at this point. She's really pretty, and More Than Ready's a great sire, so we'll take our shot."

More Than Ready comes off a big Breeders' Cup in which he was represented by GI Sprint winner Roy H and unbeaten GI Juvenile Fillies Turf heroine Rushing Fall.

Hip 911's Grade II-placed dam Duff One (Harlan's Holiday) was bought back for $160,000 at this year's Keeneland January sale carrying the More Than Ready miss.

"She is a beautiful physical specimen, well balanced," said Brian Graves of Gainesway, which was also listed as the filly's breeder. "More Than Ready is on fire right now and he has a lot of good horses out there. She made a good price. The family is beautiful; you can't beat it."

For more on hip 911's family's success on Friday, see *Spendthrift Buys Into Big Family* above. Other recent standouts from the family this year include '**TDN Rising Star**' and MGSW Timeline (Hard Spun), fellow '**Rising Star**' and impressive juvenile stakes winner Kowboy Karma (Kodiak Kowboy), and Japanese group winners Rabbit Run (Tapit) ($750K KEESEP yearling) and Asakusa Genki (Stormy Atlantic). A Hard Spun colt from the same family brought $900,000 at Keeneland September. --*@BDiDonatoTDN*

Columbine Buys Bernardini Mare

Claiborne Farm's Bernie Sams fended off all challengers to secure $425,000 **Indian Brava** (Bernardini) (hip 975) on behalf of Andrea Pollack's Columbine Stable Friday.

"She's in foal to Runhappy," said Sams. "He was fast---that's why he stands at Claiborne Farm."

Bernie Sams | *Keeneland*

Out of the stakes-winning and Grade I-placed track record breaker Indian Way (Indian Charlie), stakes-placed Indian Brava is a half to SW Way Striking (Smart Strike).

Lyn Burleson's Burleson Farm purchased Indian Brava for $400,000 in foal to Scat Daddy at KEENOV '15 on behalf of T. Wayne Sweezey's Fox Run Partners. The resulting Scat Daddy colt RNA'd for $240,000 at this year's September yearling sale. Burleson consigned Indian Brava on Friday. --*@BDiDonatoTDN*

Full Tap Joins Anderson Farms Band

Full Tap (Tapit--Miss Challenge, by More Than Ready) (hip 943), in foal to Empire Maker, will be joining the broodmare band of Anderson Farms after Canadian horseman David Anderson signed the ticket on the 5-year-old mare at $375,000.

"It was more than I wanted to spend, but I was shut out in the first few days--I typically don't buy in Book 1 anyway--but I thought she was one of the premium mares in this book," Anderson, who enjoyed his first $1-million transaction when he sold a colt by Scat Daddy at the September sale, said.

Full Tap topped the 2013 Fasig-Tipton New York-Bred Preferred Yearlings Sale with a final bid of $430,000. Racing for a partnership of Gainesway and Cobra Farm, the bay mare won three times in 12 starts for earnings of $149,305. ***Cont. p11***

"It was a partnership dissolution, there was no reserve in the stands and every bid was a good one," Gainesway's Michael Hernon said of the transaction. "She's been bought by a good horseman and I look forward to seeing her foals at Saratoga with him in the next few years."

Of Full Tap, Hernon said, "She is a beautiful mare, a daughter of Tapit, pregnant to Empire Maker on one cover. She could really run, she didn't have black-type of her own, but she'll throw black-type runners. They could very well get the purchase price back with the first foal."

Hernon congratulated Anderson after the purchase and gave the buyer a vote of confidence for the mare's expected Empire Maker filly.

"Michael Hernon just told me he is going to buy the filly at Saratoga from me next year, so I'm all set," Anderson said.

Of the market at the November sale, Anderson added, "I think it's very strong. I'm trying to buy. I don't need to buy, but I am trying. It's very difficult to find value, but it's healthy for everyone." @JessMartiniTDN

O'Neill Puts Himself on the Weanling Map

Bloodstock agent Dennis O'Neill, known as an astute buyer of 2-year-olds, got in on the weanling action Friday at Keeneland, going to $310,000 to secure a colt from the first crop of GI Breeders' Cup Dirt Mile winner Liam's Map (Unbridled's Song) on behalf of Vinnie Viola's St. Elias Stable.

"It was for Vinnie Viola, who is obviously in on Liam's Map," O'Neill said. "He really wanted to buy a really nice one and he did. He called this morning and I told him this was the best one I'd seen all week." ***Cont. p12***

O'Neill Puts Himself on the Weanling Map cont.

Liam's Map won the Breeders' Cup while racing for Viola's wife's Teresa Viola Racing Stables and West Point Thoroughbreds. He stands at Lane's End for $25,000.

Dennis O'Neill | *Courtney Stafford*

Hip 810 is out of graded stakes placed Aqua Regia (Pollard's Vision). St. Elias Stable and West Point Thoroughbreds purchased the mare for $80,000 at the 2013 OBS June Sale and she was third in the 2014 GIII Monmouth Oaks. St. Elias Stable and Peta Ryan co-bred the weanling in New York. He was consigned Friday by Trackside Farm.

"It's a great purchase," O'Neill said of the weanling. "He's a beautiful, beautiful colt, very well put together. And he had a great mind. He was really good in the back, which is a big thing for me."

The weanling is the second horse O'Neill has purchased on behalf of Viola. Along with Jim Crupi, he secured future '**TDN Rising Star**' Army Mule (Friesan Fire) for $825,000 at the 2016 Fasig-Tipton Midlantic 2-Year-Olds in Training Sale.

"Vinnie is kind of new to me," O'Neill said. "We've been friends for a while. We met at the Derby a couple of years ago and we bought one 2-year-old about two years ago. And we've kept in touch. Vinnie mentioned maybe a little bit of shopping at this sale and wanted to find some Liam's Maps, so we've been looking at a lot of those."

Liam's Map | *Brittlan Wall*

Of his unusual appearance at a bloodstock sale, O'Neill admitted, "I don't do a lot of shopping for weanlings, so when he said that, I was a little hesitant. It's something different. I feel like, not to be cocky, but I kind of feel like I know what a good horse looks like."

Can you **Sense** it too..?

Something big's happening with **Street Sense**.

Big winners. Big Beyers. Big prices.

His first post-Japan crop are now two and include G2 Nashua winner **Avery Island** and **McKinzie**, who's run the highest Beyer by a juvenile debutant for four years. It's an exceptional crop.

Plus: Yearlings sell for $750,000 and $700,000.

O'Neill Puts Himself on the Weanling Map cont.

He continued, "There is a big, big difference [between buying weanlings and 2-year-olds]. They change so much between now and even as a yearling and then going on. This is different in that you're trying to project what they are going to look like down the line. This guy looked like he is going to grow into a beautiful horse. He's very correct, he's already a good size and if he keeps going like he's going, he's going to be gorgeous."

O'Neill has liked what he has seen of the Liam's Maps.

"He's got some really nice babies that we've seen out here," O'Neill said. "In my opinion, Liam's Map has been in the top three or four [sire of] weanlings that I've seen around here. They are really nice-looking weanlings." @JessMartiniTDN

KEENELAND NOVEMBER FRIDAY – MARES

Hip	Name	Status	Price ($)
783	**Wealth Creation**	**i/f Into Mischief**	**230,000**

(5, Super Saver--Lunargal, by Yes It's True)
Consigned by Four Star Sales, agent
Purchased by Corrine C. Heiligbrodt

Carolyn McDonald's Hidden Springs Farm paid $45,000 for this mare right off the track 12 months ago following a season in which her juvenile full-brother Random Walk sold for $300,000 at OBSMAR, romped first out to '**TDN Rising Stardom**' and finished second in the GIII Sanford S. Bred to Into Mischief on an advertised fee of $75,000, she lived up to her name in the ring on Friday.

971 **If Not For Her** **i/f Frosted** **360,000**
(6, Not For Love--Formalities Aside, by Awesome Again)
Consigned by Four Star Sales, agent
Purchased by Three Chimneys Farm

A daughter of Not For Love topped Book 2 when selling for $1 million on Thursday, and this mare from the female family of this year's GI Maker's 46 Mile upsetter American Patriot (War Front) also proved popular. She was purchased by CRC Stable as a maiden mare for $135,000 here last year.

1153 **Spring Fling** **i/f Into Mischief** **$195,000**
(m, 7, Indian Charlie--Magical Illusion, by Pulpit)
Consigned by James B. Keogh (Grovendale), Agent VI
Purchased by Hunter Valley Farm

James Keogh seems to always do well claiming mares or purchasing them privately off the track and re-offering them at auction, and Friday was another profitable day. Momentary Magic was a $40,000 claim in late 2015, and Spring Fling was scooped up for the same price this March.

1181 **The Now Crowd** **i/f Malibu Moon** **$285,000**
(f, 4, Tiznow--Fun Crowd, by Easy Goer)
Consigned by Paramount Sales, Agent LXXIV
Purchased by Lane's End Bloodstock, agent

Shane Ryan's Castleton Lyons signed for The Now Crowd when she went for $65,000 here 12 months ago. The half-sister to GISW Funny Moon (Malibu Moon) was put in foal to that one's sire and a former Castleton Lyons resident since the last time she had been in the ring.

B-Spartan Team Investments, William Hart & H&H Farms (KY)
Consigned by Vinery Sales, Agent XXIII
Purchased by Fox Hill Farm

Unraced Merry Chip Us was scooped up for $32,000 here 12 months ago, and her Feb. 25 foal paid back her new owners many times over on the back of a strong first season at the races for Grade I winner Violence. Rick Porter's Fox Hill also picked up a Violence colt (hip 1025) for $235,000. That one's dam was acquired for $52,000 last season.

Bowden cont. from p1

Adam Bowden | *Barbara Livingston/Diamond Creek Farm*

The younger Bowden was 24 at the time, but his father put him fully in charge. Six years later, Diamond Creek opened a division in Pennsylvania, which opened the door for the Bowdens to start standing stallions. They now have eight, including 2016 Harness Horse of the Year Always B Miki.

His plans for his Thoroughbred operation are more modest. He would like to eventually have something in the neighborhood of 20 mares and says he has no interest in standing a stallion. Yet, he is confident he can use some of the same theories he employed to develop Diamond Creek into a leading Standardbred breeder to bring success to the Thoroughbred wing of the operation.

"I feel confident that we're buying the right horses and breeding them to the right stallions," Bowden said. "The individuals are what they are. If the market likes them they will pay for them. If they don't like them, they won't. Selling yearlings can be a pretty humbling thing. When we're buying mares we look at their pedigrees. We bought the same type of horses in the Standardbred game. Pedigree to me is important. [Fame and Fortune] is also a very nice physical individual and that's also something that's always been important to me."

Fame and Fortune is in foal to Honor Code.

The Bowdens have always enjoyed both sports, but they weren't ready to enter the Thoroughbred business until they knew that Diamond Creek Standardbreds was on solid footing and did not always need their day-to-day attention. In fact, Adam Bowden, opted to attend session 1 of the Keeneland sale even though it coincided with the largest Standardbred yearling sale in North America, one held annually in Harrisburg, Pa.

"About two years ago, we decided it was time to jump into the Thoroughbred game," Bowden said. "Over the last 18 months or so we have bought seven mares total, both here and in Europe. We want to make sure we get the right type of mares. I'm not looking to get the same numbers that I have in the Standardbred game, but I want to make sure I buy quality mares. With the ones we've purchased so far, we think we can hit some home runs."

Fame and Fortune is typical of the type of mares Bowden has been buying. He says his price range is between $300,000 and $500,000 and a good pedigree is essential. While Fame and Fortune won just one race, a maiden at Aqueduct, she is impeccably bred. Not only is she by Unbridled's Song, but her dam, Stop Traffic, was a two-time Grade I winner, and her full-brother Cross Traffic won the 2013 GI Whitney H.

Bowden said before he bought his first Thoroughbred broodmare, he picked out broodmares he liked at the Fasig-Tipton and Keeneland November sales and looked to see if his mythical purchases turned out be good buys. Once convinced that he had a feel for what type of broodmare he could turn a profit with he began buying for real. Making his first purchases last year, Bowden has now bought two mares privately in Europe and another was purchased at Tattersalls. Four mares have been purchased in the U.S.

Cont. p16

Bowden cont.

Diamond Creek has five Thoroughbred weanlings, and intends to sell each one at next year's yearling sales. The three in Europe, two by Frankel and one by Zoffany, will be sold overseas. The two American-bred horses will sell here. One is by Giants Causeway and the other is by Uncle Mo. Bowden's European mares are kept at Coolmore and his U.S. based mares call Brookdale Farm their home. He said he has no immediate plans to foal Thoroughbreds at his Kentucky Standardbred farm.

Cross Traffic | *Louise Reinegal*

"Eventually, we'd like to have a nice group of mares and I don't know what that number is, maybe 10 to 15," he said. "It could be as big as 20 at some point. But we're going to be methodical about our approach to buying these mares and not buy 10 or 12 a year. If we could add one or two good mares a year I think we'd be happy with that."

It took a while for Bowden to acquire stallions in the harness game, but, once he did, he showed he was willing to compete with anybody for any horse. He admits that probably wouldn't be a good strategy in the Thoroughbred game.

"It's a totally different animal in the Thoroughbred game and the guys who have been [standing stallions] have been doing it for a long time and are very good at what they do," he said. "I tend to stick to areas where I am confident I know as much as the next guy and I don't feel that way when it comes to having Thoroughbred stallions." ***(Click here to return to p1)***

Mourhino | *Benoit*

The Bob Baffert trainee came back Oct. 15 in the Speakeasy S. and tried to wire the field again, but got caught in the final sixteenth by fellow Bob Hope entrant **Beautiful Shot** (Trappe Shot). Baffert takes the blinkers off of Mourinho for this class hike.

Calumet Farm's Beautiful Shot has the complete opposite running style as Mourhino as both of his wins have come from the back of the pack. In his debut, the bay ran down another highly regarded Baffert juvenile Nero (Pioneerof the Nile) in the final strides to score by a nose over the Del Mar main track Aug. 27 prior to his victory in the Speakeasy.

The only graded stakes victor in the field is **Run Away** (Run Away and Hide), who is looking for his fourth stakes win overall. After graduating at first asking May 26 and following that with a success in the Santa Anita Juvenile S. July 3, the $325,000 BARMAR buy took the GII Best Pal S. at Del Mar Aug. 12. His lone loss came in the GI Del Mar Futurity behind GI Breeders' Cup Juvenile third Bolt d'Oro (Medaglia d'Oro) Sept. 4. He returned to winning ways in his latest Sept. 23 in the Barretts Juvenile S. at Los Alamitos, rating off the early speed for the first time and got his head down first at the wire.

BREEDERS' CUP COMPLETES PRE- AND POST-RACE TESTING

Breeders' Cup completed an unprecedented out of competition pre- and post-race testing program at this year's Breeders' Cup World Championships at Del Mar, Nov. 3-4, which included the testing of 195 horses.

Out of competition testing began in August with all Breeders' Cup Challenge winners and other targeted possible starters in both North America and overseas, and continued right up until the Championships at Del Mar.

Breeders' Cup engaged an OOC testing coordinator, Dr. William Farmer, who worked with regulatory associations and with testing laboratories around the world, including the British Horse Racing Authority's Lab LGC, France Galop's official Lab LCH and the Kenneth L. Maddy Equine Analytical Chemistry Laboratory at the University of California-Davis.

Through pre-race testing, 95 individual trainers had a representative horse sampled. A total of 75 trainers, representing 90% of the horses entered in the World Championships, had runners tested by the Breeders' Cup. Breeders' Cup, in conducting its own out of competition testing, had access to all results prior to race day. All post-race samples collected from 2017 Breeders' Cup horses were cleared by the Maddy Laboratory as was reported on Monday by the California Horse Racing Board.

All horses competing in Breeders' Cup races also underwent pre-race testing for total carbon dioxide (TCO2) levels in blood. The Maddy Laboratory then conducted post-race testing of both blood and urine samples for prohibited drugs, including cobalt, collected from the first four finishers in all Breeders' Cup races and any additional random horses selected by the stewards consistent with CHRB protocol. The program tested for anabolic steroids, blood doping agents and growth hormones, among others.

"The primary goal of the out of competition testing program is to ensure that there is a level playing field among all participants in the World Championships," said Dora Delgado, Breeders' Cup Senior Vice President of Racing and Nominations. "Our expansion in the OOC program, including more stringent rules on the use of anabolic steroids, are part of our continuing efforts to strengthen the overall safety and integrity of the event. We extend our highest praise for the level of cooperation we received from various racing jurisdictions in North America and overseas."

TAPIT COLT ROLLS TO RISING STARDOM AT CHURCHILL

Principe Guilherme | *Coady*

Principe Guilherme (Tapit) stamped himself as one to watch with an impressive debut victory beneath the Twin Spires Friday afternoon, good for '**TDN Rising Star**' honors.

The 7-1 chance was hustled from his outside draw by Ricardo Santana Jr. after breaking a bit tardy to lead through an opening quarter in :23.37. He had company on the far turn following a half mile in :47.18, but began to let it out a notch. The bay found another gear from there, and despite remaining on his left lead down the entire stretch, rolled home by a visually impressive 6 1/4 lengths. **Mustang Cat** (Tale of the Cat) was second.

The winner is the first foal out of 2013 GI Humana Distaff S. heroine Aubby K, a $2.4-million FTKNOV purchase by Summer Wind Farm in 2015. Aubby K, a half-sister to GSP Flying Pegasus (Fusaichi Pegasus) and Mythical Pegasus (Fusaichi Pegasus), had a colt by Tapit in 2016 and a filly by Medaglia d'Oro in 2017. She was bred back to Empire Maker.

NYTHA-FUNDED SPLIT SAMPLE PROGRAM LAUNCHED

New York's split sample program started on opening day at Aqueduct. Horsemen racing at the NYRA tracks are now assured that, in the event of a positive test, they will have the option of sending a referee sample to an independent lab to verify test results.

The split sample program is largely funded by NYTHA, which pays for the dedicated refrigerators for the storage of the referee samples at the three NYRA tracks, the extra tubes and labels required, and the service to dispose of the blood once tests for the initial sample have cleared.

Dr. Kyle Moyer of the New York State Gaming Commission, who oversees the testing barn at Aqueduct, explained the protocol for the collection of referee samples. "From our standpoint, the procedure is much the same as it has been. We collect an extra tube of blood, and we have developed labeling for the tubes for the referee samples, which is a change from what we had used. There is now a third card signed by the representative of the trainer, but it is the same as those for the urine and blood samples. There is no extra work for the horsemen."

Dr. Moyer added that there is a three-step system to ensure that the blood taken for testing and the referee sample, while remaining anonymous, are properly marked. The labels for the blood sample and its referee sample have the same tag number, and the same bar code.

The tag number is also noted on the card signed by the trainer's representative.

NYTHA President Rick Violette Jr. remarked, "A split sample program offers protection that should be available to all horsemen, and is something that NYTHA has advocated for some time. We are pleased that, through our partnership with the New York State Gaming Commission, the program is now a reality, and has launched without a hitch."

He was backed as the even-money favorite to go one better here off a Sept. 20 allowance attempt at Belmont. The dark bay vied for early command from the outside in this one and edged clear in the stretch to take it by a half-length. Forest Blue (Tale of Ekati) was second. Hammered down to 1-2 favoritism here, she chased on the outside in third, loomed up three deep on the far turn and kicked home in the stretch to an easy 3 1/4-length decision. Tony Dlugopolski

Former Jockey Dlugopolski Passes Away:

Former jockey Anthony Dlugopolski, a quadriplegic since a racing accident in 2002, died in a hospital near his home in Manchester, W.V., of an apparent heart attack early Thursday morning, his sister Theresa, who lived with and cared for Dlugopolski, reported. He was 60-years-old.

"It was sad," she said. "I can't believe it happened. But he hated sitting around the house all the time. He had a rough life. He had to take a lot of medicine, which was not easy. He hated it that someone had to take care of him all the time."

In a 25 year career, spent mainly in Ohio and West Virginia, Dlugopolski rode 25,428 races and won 3,425. For many years he exercised horses early mornings at Mountaineer drove to Pittsburg International Airport, where he loaded pallets onto airplanes until 5 p.m., then rushed back to ride races at night.

He suffered a myriad of injuries during the stretch drive of a race on a bitter cold December day at Mountaineer when a horse in front of him clipped heels and fell. His mount hit the horse's legs and also fell, driving his C3 vertebrae in his spinal cord and leaving him with little mobility below his neck.

Last June, he and Theresa traveled to Parx, where he joined five other permanently disabled former jockeys as honorees at a Jockeys and Jeans fundraising event to raise funds for the Permanently Disabled Jockeys Fund. Along with some 60 other permanently disabled former jockeys, the PDJF helped him with a $1,000 monthly stipend, which he used to pay for his van.

Divorced for six years from his wife Pam, he has two children Chad and Nichole and four grandchildren. A funeral Mass is set for Tuesday at noon at Arners Funeral Chapel. Viewing will be Sunday 2:00 to 4:00 p.m. and 6:00 to 8:00 p.m.

Lewisfield took a clear advantage at the top of the stretch and continued to widen his advantage through the straight to a 3 3/4-length victory. LAYLA NOOR (f, 2, Midnight Lute--Senada {SW & MGSP, $215,021}, by Pulpit), a debut fifth in an off-the-turfer at the Spa July 27, graduated stretching out to two turns on grass there Aug. 20. She was last seen finishing a respectable fourth at 27-1 in Keeneland's GIII JP Morgan Chase Jessamine S. Oct. 11. Supported as the even-money choice in this rained-off affair, the Lael homebred settled toward the rear after some early trouble, getting bumped from both sides after stumbling at the start. Layla Noor began to advance while saving ground entering the far turn, awaited racing room at the top of the stretch and shot through an inviting opening along the inside in the lane to register a 2 1/4-length victory. Vente to Go (El Padrino) was second. Senda produced a filly by Kitten's Joy this year and was bred back to Curlin. Lifetime Record: 4-2-0-0, $83,730. **Click for**

Millionaire G1 Travers Winner
From the highly successful
SMART STRIKE Sire Line

V. E. DAY

English Channel - California Sunset, by Deputy Minister
$6,500 live foal

"**V. E. DAY** displayed **G1** success at the classic distance defeating G1 winners Tonalist, Bayern, Wicked Strong and Mr. Speaker. He has as good a female family as you can find in the commercial marketplace--breeders have a chance with a pedigree like this."
- Doug Arnold, Buck Pond Farm

"**V. E. DAY** was a beautiful chestnut colt with a gorgeous shoulder and a stride that covered immense ground. He ascended the three-year-old ranks in early summer in leaps and bounds as was evident by his big wins in the Curlin and Travers. He was absolutely sound and had a mind to match. He will always be one of my favorites."
- Jimmy Jerkens, trainer

Backtalk to Stand at Goldmark in 2018:

MGSW **Backtalk** (Smarty Jones--Apasionata Sonata, by Affirmed) will now stand at GoldMark Farm in Ocala for the 2018 breeding season. Backtalk, who has 20 individual winners from 31 starters, will stand for $2,250 for the 2018 season.

"We strongly believe in Backtalk since two out of three of his starters are winners," GoldMark Farm owner Paul Bulmahn said. "His winners, including Florida Sire Stakes winner Soutache and 2-year-old filly Dixie Talk, recent winner by eight lengths at Gulfstream, shows he can produce precocious 2-year-olds for a lucrative racing program. Also at Gulfstream Park on October 4th, his colt Halfback won by 6 3/4 lengths."

Backtalk, MGSP **Mylute** (Midnight Lute) and "**TDN Rising Star**" **Young Brian** (Hard Spun) are all currently available to the public.

Ownership Seminar at Gulfstream Park:

The Thoroughbred Owners and Breeders Association is hosting an Ownership Seminar Saturday, Dec. 2 at Gulfstream Park. GRANDPA KNOWS BEST (c, 2, More Than Ready--Cocktail Cruise, by Hennessy) broke his maiden on his fourth try in gate-to-wire fashion last time out sprinting here Sept. 29. Stretching out to two turns, the $220,000 Fasig-Tipton July purchase settled into a perfect stalking position going into the first turn. The 9-5 shot shifted out from the rail into the three path on the far turn and sustained a long drive to get up in time for the half-length score. Lone Rock (Majestic Warrior) completed the exacta at odds of 22-1 and was 13 lengths clear of the third-place finisher. The winner's dam has a yearling colt named Tantalizing (Uncle Mo) and was bred to Bodemeister and Verrazano this season. AFLEET ASCENT (c, 2, Northern Afleet--Skip Queen, by Skip Away) showcased some early speed before fading to a well-beaten third in his debut Sept. 9 at Los Alamitos. Switching to the turf here, the $300,000 OBS April purchase pressed the pace on the outside. The 5-2 favorite had to remain three wide on the far turn and stayed in that path as he battled back under strong urging from Rafael Bejarano in deep stretch to get by pacesetter Jimmy Chila (Jimmy Creed) and hold off Beer Tap (Tapizar) to post a half-length win. INSIGHTS *ON THE AMERICAN RACING SCENE*

7th-CD, $60k, Msw, 2yo, f, 1mT, post time: 4:06 p.m. E.T.
A pair of nicely bred fillies will take to the grass for their career debuts at Churchill Downs Saturday.

Michael and Reiko Baum homebred **TAPITAI (Tapit)**'s second dam is Maryinsky (Sadler's Wells) was G1SP in Ireland as a juvenile and is a half-sister to bluehen mare Better Than Honour (Deputy Minister), who has produced Classic winners Jazil (Seeking The Gold) and Rags To Riches (A.P. Indy). Maryinsky has produced Peeping Fawn (Danehill), who was European Champion 3-Year-Old Filly in 2007 and G1SW, as well as, Thewayyouare (Kingmambo), winner of the G1 Criterium International in France. Tapitai is trained by George Arnold.

Whisper Hill Farms homebred **Pretty At War (War Front)** is the first foal to race out of Plum Pretty (Medaglia d'Oro), who won the GI Kentucky Oaks over the local main track in 2011 and came back the following year to capture the GI Apple Blossom S. at Oaklawn Park. Whisper Hill Farm's bought Plum Pretty at the Keeneland November Sale for $4.2 million in 2012. Pretty At War is trained by Mark Casse.

Zedan Racing Stables's **PITINO (Union Rags)** makes his debut for trainer Doug O'Neill in a tough juvenile sprint Saturday at Del Mar. The $135,000 KEESEP yearling brought $950,000 at OBS March after breezing a furlong in :10 1/5. He is out of the Alexandra Rylee (Afleet Alex), who broke her maiden at first asking and won a stakes as a juvenile.

Another high-priced firster to keep an eye on is **Keystone Field (Candy Ride {Arg})**. The $525,000 Keeneland September yearling pickup, owned by Ramona Bass and trained by Richard Mandella, is a full brother to Candy Boy, GSW, $786,800.

The main threat from the experienced juveniles is C R K Stable's **Cool Bobby (Shanghai Bobby)**. The $575,000 KEESEP yearling made a bold three-wide move, splitting horses on the far turn and led inside the eighth pole, but a game Bob Baffert firster Talent Scout (New Year's Day) fought back to his inside for the neck victory in his Oct. 9 Santa Anita debut.

DELAMAR (f, 2, Into Mischief--Delmarva {SP}, by Unbridled's Song) broke her maiden on the turf here Aug 25 before an eighth-place performance in the GI Natalma S. Sept. 17. She pressed the pace the entire way before giving way in the stretch to finish second on the local Tapeta track most recently Oct. 18. The even-money favorite stalked the pace in midpack down the backside and was forced to go five wide on the far turn. The homebred stayed in the clear and rallied to post a 1 1/4-length victory. Ladies Night (Eskendereya) finished well to complete the exacta. Getting first-time Lasix in this off-the-turfer, the 3-1 chance ducked in at the start from her rail draw. She quickly recovered to press the pace from the inside, gained command entering the far turn and kept on finding in the stretch to report home a one-length winner over Mo Flash (Uncle Mo). The victress is a full-sister to Woodsmoke, MSW, $198,157. Forest Flute produced colts by Langfuhr in 2016 and 2017 and was bred back to that stallion. Jockeys' Guild Annual Assembly to be Held Dec. 11-12:

The Jockeys' Guild Annual Assembly, sponsored by Betfair USA, will bring together Thoroughbred and Quarter Horse jockeys from around the country Dec. 11-12 at the MGM Grand in Las Vegas.

This year's assembly will feature panels that will benefit not only jockeys, but racetracks and horsemen's organizations as well as addressing safety concerns and raising awareness regarding concussions and head injuries.

The annual awards luncheon will be held Tuesday afternoon at the MGM Grand when the Eddie Arcaro Award will be presented to Belinda Stronach, the Laffit Pincay, Jr. Award to Mike Smith, the Jacky Martin Award to Ricky Ramirez, and the Ron Turcotte Courage Award to Tad Leggett and Jack Fires. A closed session for members only will take place after the luncheon.

"Betfair and TVG are excited to be extending our longstanding relationship with the Guild and supporting its annual meeting," said Jeff Lowich, Director of Industry Relations for Betfair/TVG. "The Guild and its members consistently work to grow the audience for our game. The riders are more accessible and welcoming to fans and media than any group of professional athletes. TVG is proud to both help raise awareness for and provide financial support for safety issues affecting riders. We appreciate the leadership position the Guild has taken on these issues and we look forward to working together to launch our PDJF Telethons beginning in the spring of next year."

Secretariat Memorabilia Auction Garners $215,000:

The Lelands' Master Auction, which closed Oct. 27 after 30 days, featured notable pieces from each of Secretariat's Triple Crown races, and sales from all Big Red-related items totaled more than $219,000. The blue presentation blanket that was donned by the champion after the Belmont Stakes and later became one of owner Penny Chenery's personal collection favorites fetched $88,810, setting the world record for a horse blanket sold at auction.

The original 1973 Preakness S. garland sold for $60,546 to benefit R.A.C.E. Fund Inc. Additionally, the iconic "1A" armband worn by Hall of Fame jockey Ron Turcotte during his historic ride aboard Big Red in the 1973 Kentucky Derby sold for $34,176.

"Mom had been planning for this auction for several months, wanting to ensure that these cherished pieces were available to Secretariat fans all over the world to appreciate and enjoy," said Kate Tweedy, the late Chenery's daughter. "We know she would have been thrilled with the results of this auction and to see how popular Secretariat remains today."

The auction also featured a single nail that exercise rider Jim Gaffney saved from Secretariat's shoes after the Belmont, selling for $28,558, as well as a bronze sculpture of the Triple Crown legend by Rene Williams that garnered $7,332.

"The likely world record prices established within several categories for racing memorabilia are testament that Secretariat's place in history is sealed as one of America's most celebrated athletes," said Mike Heffner, Lelands president. "When we talk with collectors, they covet anything directly connected to a handful of sports icons: Ruth, Mantle, Ali - and Secretariat. So we were especially proud to work with Penny Chenery and the Secretariat team to include these items in a landmark auction."

MARTYN MEADE RELOCATING TO MANTON

Trainer Martyn Meade following the Craven | *Racing Post photo*

Trainer Martyn Meade, who saddled the first Group 1 winner of his career when Aclaim (GB) (Acclamation {GB}) took out the Prix de la Foret at Chantilly last month, has purchased a majority of the historic Manton Estate in Marlborough. Meade will leave Newmarket towards the end of this year and is projected to begin training from the estate in the spring of 2018.

A part of British turf racing history for over a century and a half, Manton has been the home to better than 50 Classic winners, the first of which dates back to the 2000 Guineas of 1873 and the Alec Taylor, Sr.-trained Gang Taylor.

It has been a very successful season for Meade at his current base at Sefton Lodge, who also won the G2 Prix Guillaume d'Ornano and G3 Craven S. with Eminent (GB) (Frankel {GB}), who figures as one of the stable's big guns next season at Manton. Meade was also represented in 2017 by Cambridgeshire H. winner Dolphin Vista (Ire) (Zoffany {Ire}) and the promising 2-year-old dual winner Chilean (GB) (Iffraaj {GB}).

"Sefton Lodge has been a wonderful base for us since 2014, but we are obviously very excited about this new venture and hope to build on what has been a great season for the team," Meade said.

AMERICAN PATRIOT RETIRED TO DARLEY JAPAN

American Patriot (War Front--Life Well Lived, by Tiznow), winner of the 2017 GI Maker's 46 Mile at Keeneland Race Course, has been retired from racing and will enter stud for the 2018 breeding season at Darley Japan on the island of Hokkaido. He will stand for an introductory fee of ¥1.5 million (about US$13,208). He becomes the first Grade I-winning offspring of War Front to stand in Japan.

Bred and owned by WinStar Farm and trained by Todd Pletcher, American Patriot became one of the leading turf horses of his generation, winning the GIII Kent S. in course-record time before finishing third, beaten under one length, to Beach Patrol (Lemon Drop Kid)--recent runner-up in the GI Breeders' Cup Turf--in the GI Secretariat S. at Arlington Park.

AMERICAN PHAROAH COLT TOPS KEENOV FRIDAY

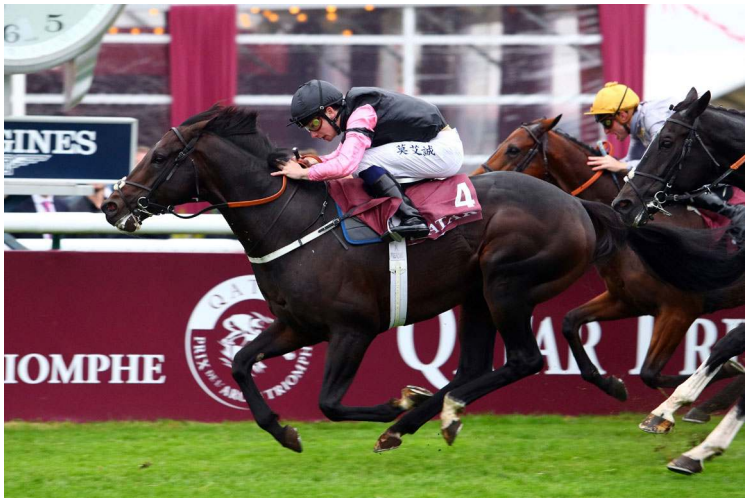
Meade Relocating to Manton cont. from p1

"There is a hugely positive feeling about the move and following Aclaim's Group 1 win at the end of this season we hope to build on the success and follow the legacy that Manton brings with it.

He continued, "Since returning to the training ranks, we have been committed to producing top-class racehorses and I can't think of a more ideal setting for us to continue this journey than Manton, which has long been associated with the very best horses."



Foret winner Aclaim | *ScoopDyga*

Brian Meehan, who trains out of the Astor Yard at Manton and has been at the estate since 2006, plans on remaining for the forseeable future.

"I'm delighted that Martyn Meade and his team are joining me here at Manton next year," Meehan said. "I came to Manton in 2006 and I still have to pinch myself on a daily basis to remind myself that my presence here is a reality. It is a wonderful place to live and train. Recently my fiancee Jax and I have agreed to purchase of both Manton Lodge and the Astor Yard and I am very grateful to Paul and Anne Clarke for giving me the opportunity to purchase my piece of racing's most powerful set-up.

Meehan continued, "Martyn has had a cracking year in 2017 and his operation is an exciting set-up to have as a neighbour.

"I've had so many incredible years here at Manton and I am looking forward to many more with an exciting and increased team of horses, owners and staff for next year. Manton allows a trainer to partake and contribute on the international scene and it is business as usual."

Other trainers to have plied their trade at Manton include Barry Hills, Peter Chapple-Hyam, John Gosden and George Baker.

GUTAIFAN FILLY TOPS AT TATTS IRELAND

A Castledillon Stud-consigned daughter (lot 194) of first-crop sire Gutaifan (Ire) (Dark Angel {Ire}) was hammered down for €58,000 to top Friday's Tattersalls Ireland Flat Foal and Breeding Stock Sale. The April foal, a half-sister to SW Newsletter (Ire) (Sir Percy {GB}) and hailing from the extended female family of Danehill, was purchased by Gay O'Callaghan, whose Yeomanstown Stud stands both Gutaifan and Dark Angel.

"She is a lovely, racey type of a filly and looks a real runner. I am looking forward to seeing more of Gutaifan's first foals over the coming weeks," said O'Callaghan of the highest-priced foal sold so far in the sale's two-year history.

Lot 194 is out of Payphone (GB) (Anabaa), a full-sister to G1SP Conference Call (GB) and the dam of a yearling Kodiac (GB) filly that fetched €105,000 at Goffs November last fall.

The day's trade concluded with a mares section and was topped by lot 242, the 3-year-old filly Star Catch (GB) (Cacique {Ire}). Offered as the property of Andrew Davis, the bay is a half-sister to the MSW Preferential (GB) (Dansili {GB}) and is out of a half-sister to G1SW Etoile Montante (Miswaki). This is also the female family of the talented turf mare Tates Creek (Rahy). She was purchased for €36,000 by Noel McDonnell.

Tattersalls Ireland Flat Foal & Breeding Stock Sale cont.

"The first edition of the Flat Foal and Breeding Stock Sale in 2016 reaped rewards at the 2017 yearling sales with some very eye-catching pinhooks and, on the back of this, today's sale attracted a notable number of purchasers looking to acquire commercial foals," Tattersalls Ireland Managing Director Roger Casey said. "We have witnessed reasonably solid trade throughout the day with predictably strong competition for the better stock and an improved clearance rate. It is satisfying to have surpassed last years' top price of €25,000, twice and to sell a foal for €58,000 proves that the sale can produce good prices when supported with better stock and we will endeavour to improve this sale even further in 2018."

Looming large in the straight, the 5-2 second choice quickened to the fore approaching the final eighth and powered clear under urging in the closing stages to easily best Pienta (Liaison) by 7 1/2 lengths. "He's a nice horse, but is still a bit on the weak side so we'll now put him away for the winter and he'll be a lovely horse to look forward to in the spring," explained trainer Michael Halford. "He was lame after his last run, but doesn't take a lot of work as he's light framed and we've just kept him ticking over. Cont. p4

ARQANA

BREEDING STOCK SALE

9-12 DECEMBER / DEAUVILLE

AGA KHAN STUDS

The Aga Khan Studs are offering a bumper 41 fillies and mares at the forthcoming ARQANA Breeding Stock Sale including representatives of all their best families - those that have produced the likes of Zarkava, Dolniya, Rosanara, Sarafina etc. Georges Rimaud talks us through their draft.

Can you tell us the reasoning behind the sale of these fillies and mares?

Georges Rimaud ©Zuzanna Lupa

For various reasons we didn't sell many mares in the past two years and found ourselves having to put more on the market in order to maintain our numbers. Our policy is to sell as many females as we produce in a year. This is a good opportunity for breeders as we are selling by obligation.

A very diverse sample of your families is represented in the catalogue.

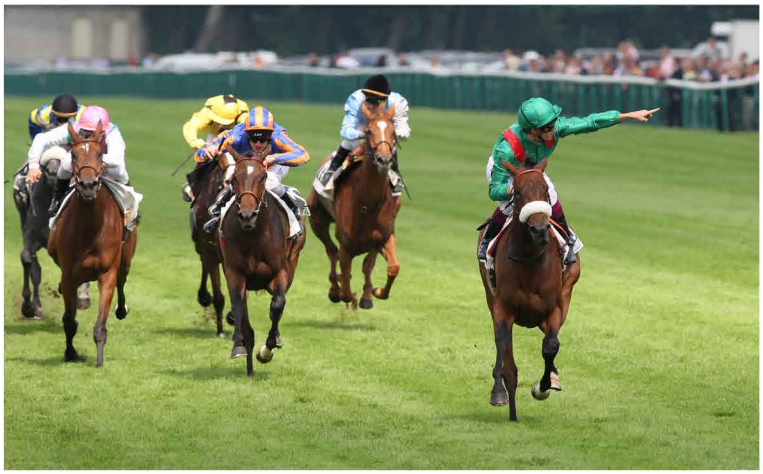
Indeed there are 9 different Group 1-producing families in the catalogue, including a half-sister to ZARKAVA (lot 197), a daughter of ROSANARA (lot 49), a half-sister to SAGAWARA (lot 50), a half-sister to VADAWINA and VAZIRA (lot 91), a half-sister to BEHKABAD (lot 148), a half-sister to DOLNIYA (lot 182), the dam of SARKIYLA (lot 57) etc. The family of LINAMIX is also there via a granddaughter of LUNADIX (lot 264), while MOURASKA (lot 562) hails from a family we have developed out of the few mares we have in America and that has produced Gr.1 Sydney Cup winner MOURAYAN. Any of them could be a foundation mare for someone who wanted to start off in the breeding game.

It is also important to stress that we are retaining members of all these female lines and will keep supporting them.

Many breeders who bought into our families have seen these mares produce Group winner for them or found their pedigrees being significantly upgraded. DARKOVA, a €16,000 buy who went on to foal ALMANZOR for Haras d'Etreham is a blatant example, as is DIALAFARA, who produced CAPRI for Camas Park Stud, and VADAWINA who gave birth to THE PENTAGON for Barronstown Stud. We also sold SHAMIYRA to Aliette and Gilles Forien when SHAKEEL was a foal, and he won the Gr.1 Grand Prix de Paris this year.

ZAKIA (lot 197), a half-sister to the superstar that was Zarkava, is not the kind of filly that is commonly found in a sales catalogue...

It was obviously a difficult decision to enter her but we operate on an economic model that forces us to try and balance our books. It is not strictly a culling process, we must sell a very good one once in a while as they make such a difference to our finances! We have three daughters out of ZARKAVA as well as two other sisters who have already produced fillies, and Zarkasha had a Charm Spirit filly foal this year. So we will have around 10 females from this direct family on the farm next year and needed to sell ZAKIA.



The unbeaten Zarkava has a half-sister in the catalogue ©APRH

Diversity is again the word that springs to mind when looking at the covering sires represented in your draft.

We decide on our matings based on several criteria but pedigree plays a major role and when I say « pedigree », I probably mean it in a slightly different way to other breeders as we go back six or seven generations. This is a trademark of our breeding program and has proved successful for us over the years.

Vadamos for instance has a fascinating pedigree that works extremely well with our families and we have used him a lot. We also have several mares in foal to Mukhadram, a beautiful horse who hails from the Giant's Causeway and Storm Cat sireline. which has been very lucky for us.

"He'll always want nice-ish ground and it's only starting to happen for him really. He's got a very easy way of doing everything and is just improving. You'd have to think he's a black-type horse as he's got the physique and pedigree so we'll dream away." The €200,000 GOFORB yearling, kin to a yearling filly by Australia (GB) and a filly foal by Galileo (Ire), is the first winner out of G2 Prix de Sandringham heroine and G1 Sun Chariot S. third Laugh Out Loud (GB) (Clodovil {Ire}), herself a half-sister to Listed Pinnacle S. and Listed Chalice S. victress Suzi's Decision (GB) (Act One {GB}). Against Rules, who bagged a July 3 claimer at Maisons-Laffitte, hit the board in a July 22 Dieppe conditions heat and annexed an Aug. 26 two-mile handicap at Deauville before running third in the Oct. 4 Listed Prix Scaramouche tackling 14 furlongs here last time. Off the tempo in rear for most of this marathon, she inched closer off the home turn to join the front rank at the two pole and stayed on strongly under a late drive to claim a career high with something to spare.

Against Rules is the leading performer out of Listed Criterium de Vitesse second Around Me (Ire) (Johannesburg), herself a half-sister to Australia's G2 Queen Elizabeth S. victor Fantastic Love (Peintre Celebre), and she is kin to the winning 2-year-old filly Sing For Me (Fr) (Siyouni {Fr}) and a yearling colt by George Vancouver named Aborigene (Fr). American Patriot to Darley Japan cont. from p1

An allowance winner at Gulfstream Park in Florida this past February, American Patriot stormed down the center of the track to take the Maker's 46 by a cosy neck. He retires with five wins from 14 starts and earnings of $487,272.

Harry Sweeney, President of Darley Japan, said, "War Front has established himself as one of the great turf sires in the world and his progeny have already won eight Grade/Group 1 races on turf this year alone. American Patriot is a great-looking horse and we are really excited to have a grandson of Danzig standing at Darley Japan."

A half-brother to MGSP Muqtaser (Distorted Humor), American Patriot is out of a full-sister to G1 Dubai World Cup hero Well Armed, while his third dam is a full-sister to Tee Kay (Gold Meridian), the dam of two-time Japanese Horse of the Year and perennial leading sire Symboli Kris S (Kris S.).
