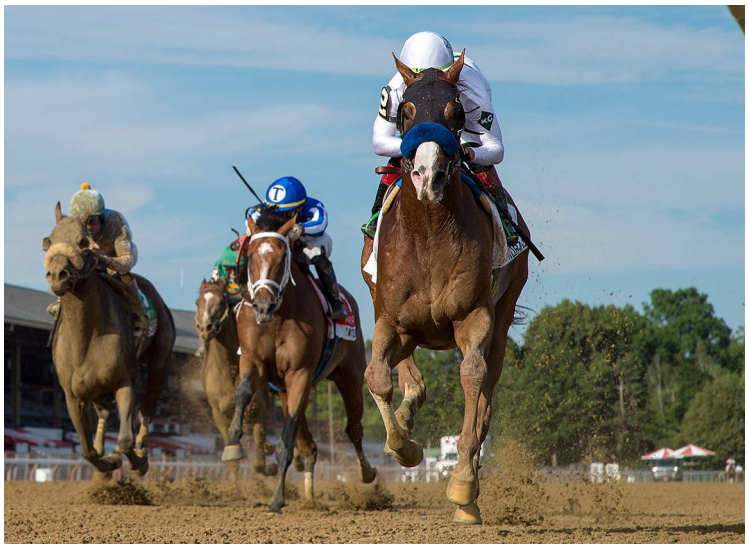
IMPROBABLE GIVES BAFFERT BACK-TO-BACK WHITNEY VICTORIES



Improbable | *Sarah Andrew*

'TDN Rising Star' Improbable (City Zip) scored back-to-back Grade I victories and provided his conditioner Bob Baffert with his second straight renewal of Saratoga's prestigious GI Whitney S. Saturday with a dominant score in this 'Win and You're In' event for the GI Breeders' Cup Classic. Baffert won last year's renewal with **McKinzie** (Street Sense), who was entered in Saturday's GI Bing Crosby S., but was scratched.

Heavily Favored **Tom's d'Etat** (Smart Strike) missed the break and was relegated to last early as native New Yorker **Mr. Buff** (Friend or Foe) took command, loping through early splits of :25.12 and :49.74 with 3-1 shot Improbable keeping close tabs from second. Improbable seized command from Mr Buff as three-quarters went in 1:13.36 with MGSW **By My Standards** (Goldencents) charging up behind him. Improbable powered clear at the top of the lane and it was all over from there as the flashy chestnut rolled home to a two-length victory. By My Standards held on for second over Tom's d'Etat. Last term's GI Runhappy Travers S. hero **Code of Honor** (Noble Mission {GB}) could only manage fourth over a tiring Mr. Buff.

"He got up really quick and he put me in the race," said winning pilot Irad Ortiz. "I just took a little hold because Mr Buff looked like the speed of the race. I put him in second in the clear, like we wanted and went from there." ***Cont. p3***

ECHO TOWN SCORES BREAKOUT WIN IN JERKENS

L & N Racing's **Echo Town** (Speightstown) registered his first win at the highest level with a 7-1 upset in Saratoga's GI H. Allen Jerkens Memorial S. Presented by Runhappy Saturday. The bay raced in mid-pack early as recent GI Woody Stephens S. Presented by Claiborne hero **No Parole** (Violence) doled out a first quarter in :22.67 with MGSW **Mischevious Alex** (Into Mischief) pressing from second. Mischevious Alex turned up the heat on No Parole as the half went in :45.31 and **Tap It to Win** (Tapit) ranged up menacingly on their outside turning for home. Echo Town swung out four wide at the top of the lane and swiftly inhaled the top three in mid-stretch, charging clear to a dominant 3 1/2-length victory. Tap It to Win held second and **'TDN Rising Star' Shoplifted** (Into Mischief) completed the trifecta. Favored No Parole faded to ninth. ***Cont. p5***

Whitney cont. from p1

Improbable | *Sarah Andrew*

Ortiz continued, “He was comfortable. By the backside, we felt pressure but by his own he started picking it up. I let him do his thing because they were going really slow so I let him go early. When I asked him turning for home, he responded really well.

“Big race. Big race,” said co-owner WinStar Farm’s Elliott Walden. “Obviously, we had to get over the gate [issues] a little bit and Irad and the gate crew did a wonderful job. He broke great, Irad had him in a super position and felt great all the way around there. Bob had him ready to go, as usual, when he comes East. When he got in the position that we had hoped for, which was kind of tracking Mr. Buff, we felt really good. Then they throw up kind of easy fractions. But, he's just a different horse this year. That's his second Grade I in a row. He got beat by Tom's d'Etat in his first start at Oaklawn, but he's set up for a big year and we're just excited to continue that.”

As for the beaten favorite, Tom d’Etat, jockey Joel Rosario said, "He stumbled coming out. There was a lot going on. He was standing fine, he just missed the break. It changed my plan because I had to really get riding from there. I couldn't take my time. I thought the pace was fine. Even after that, I was not too far from the lead. It looked like I was in a good spot. But stumbling coming out of the gate, I lost ground right away."

A perfect three-for-three as a juvenile, including his first top-level success in the GI Los Alamitos Futurity, Improbable faced his first defeat when second in last term’s GII Rebel S. and filled the same spot behind Omaha Beach (War Front) in the GI Arkansas Derby last term. Fifth, but promoted to fourth as the tepid favorite in the GI Kentucky Derby, the $200,000 KEESEP buy finished sixth in last year’s GI Preakness S., after which he was given a brief freshening. Making a successful comeback in the Shared Belief S. at Del Mar, he was fourth in the GI Pennsylvania Derby in September and could only manage fifth in the GI Breeders’ Cup Dirt Mile Nov. 2. Coming up just 3/4 of a length short of Tom’s d’Etat in the Oaklawn Mile Apr. 11, Improbable flashed signs of his impressive juvenile form when running off to a 3 1/4-length success in the GI Hollywood Gold Cup S. going 10 panels in Arcadia June 6. ***Cont. p4***

Jerkens cont. from p1

Echo Town runs away from the Allen Jerkens field | *Sarah Andrew*

"He ran an excellent race," winning trainer Steve Asmussen said. "It's extremely significant winning the Allen Jerkens. Ricardo [Santana] did a great job with him today. I think the timing for him was better going into today than the Woody Stephens, and he showed it today. I thought 22 and 3 was soft for this group. I thought Echo Town ran the race of his life and Shoplifted, who was second in the [GI] Hopeful last year here obviously likes this track." ***Cont. p6***

Steve Asmussen & Ricardo Santana | *Sarah Andrew*

The Hall of Famer continued, "It was great to see him put it all together when it matters so much on this stage. He ran solidly here. He ran really well into the Woody Stephens, but I thought the timing of this race was better."

"He broke really sharp today and when the dirt started hitting him in the face, he was jumping a little bit but he was really comfortable," Santana said. "I took him outside and he gave me a nice kick at the end. He was traveling really well. I knew there was plenty of speed today and I just wanted to sit behind the speed. I'm really happy with the horse."

A debut winner at the Fair Grounds Jan. 18, Echo Town was third next out at Oaklawn Feb. 23 and returned to winning ways in the slop there Mar. 13. Missing by a head in the Bachelor S. in Hot Springs Apr. 25, he captured a Churchill Downs sprint May 25 prior to his effort in the Woody June 20 at Belmont.

Pedigree Notes:

Echo Town is the 18th Grade I victory for his sire Speightstown, as well as the 56th graded winner and 113th black-type scorer for the WinStar stallion. Out of GSW Letgomyecho, the winner is a half to Grade III victor J Boys Echo and GSP Unbridled Outlaw (Unbridled's Song). The 18-year-old mare is also responsible for the 2-year-old colt Burrow (Candy Ride {Arg}), a $200,000 OBSAPR buy; a yearling filly by Gun Runner; and an American Pharoah filly born May 8 of this year.

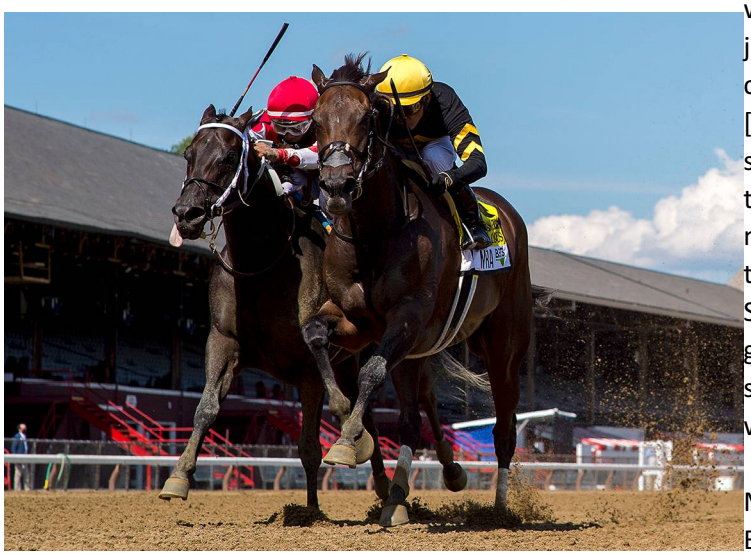
VEXATIOUS HOLDS OFF 'BISOU' IN PERSONAL ENSIGN

Champion **Midnight** Bisou (Midnight Lute) was bet like she could not lose Saturday's GI Personal Ensign S. at 1-5, but apparently no one told 9-1 shot **Vexatious** (Giant's Causeway). The Calumet runner refused to yield to the Eclipse winner in the final furlong of the Saratoga stretch to secure a spot in the starting gate for the GI Breeders' Cup Distaff.

Stakes winner **Motion Emotion** (Take Charge Indy) went straight to the front with Vexatious stalking in a close-up second and Midnight Bisou just off of them in third through opening splits of :24.15 and :48.36. Vexatious drew even with the pacesetter with three-eighths left to run and that rival called it quits as Midnight Bisou ranged up dangerously on the outside. The Eclipse winner was three-wide turning for home with Vexatious just to her inside as **Point of Honor** (Curlin) snuck up the fence and looked ready to tussle with the top two. Vexatious came out a bit on the chalk in early stretch, but was quickly righted by pilot Jose Lezcano. Point of Honor soon backed out of it on the rail, leaving Vexatious and Midnight Bisou to duke it out to the wire and that they did. The pair stormed clear of the rest of the field in a fierce battle to the finish, but Vexatious was always going the better of the two and held Midnight Bisou at bay for a neck success. There was a stewards' inquiry into the stretch run, as well as a claim of foul by Midnight Bisou's jockey Ricardo Santana, but the result was left as is. It was the first Grade I victory and first win at Saratoga for trainer Jack Sisterson.



Vexatious edges Midnight Bisou | *Sarah Andrew*

"We always thought she had a big win in her and all credit to the filly," said Sisterson. "I want to say thank you to [owner] Calumet Farm, and my employees for getting her in the best shape possible. We started off the year in allowance races and allowed her to improve, and she deserves it. It's a whole team effort and I have a lot of people to thank."

He continued, "We'll give her a well-deserved few days off and let her jump ahead a bit. Obviously, it's a Win and You're In.' We'll run her again before the Breeders' Cup and look forward to being home at Keeneland."

"I had a perfect trip," said Lezcano. "My filly broke well. She was relaxed the whole way and just sitting behind the leader. I could feel the other filly [Midnight Bisou] coming and I started asking my filly. Every time the other filly came close to her, my filly dug in. I showed her to the other filly and she kept going. She kept running. We could have gone around one more time and I still would have been in front with my filly."

As for the beaten favorite Midnight Bisou, co-owner Jeff Bloom said, "She ran a huge race. She barely lost the race. She's just a remarkable race mare. I think what happened in the race definitely caused a shift in momentum. Is it disappointing to lose? Of course it is. You want to win all of them. They don't give Grade I races away. You've got to go out there and do it. The filly that beat us is a really nice filly. She ran a huge race last out and is on the upswing, and that's what happens."

Vexatious last visited the winner's circle when promoted to first via DQ in the 2018 GIII Dowager S. at Keeneland for Neil Drysdale. Transferred to Sisterson last summer, she checked in second in the track-and-trip Summer Colony S. And was off the board in the GI Juddmonte Spinster S. next out. She kicked off 2020 with a fifth in a tough Oaklawn optional claimer Apr. 30 and was third next out in a turf test at Churchill June 6. The 6-year-old was runner-up to another Eclipse winner in Monomoy Girl (Tapizar) in Belmont's GII Ruffian S. July 11.

The Personal Ensign trophy presentation | *Sarah Andrew*

Pedigree Notes:

Vexatious is the 35th Grade I winner for the late Giant's Causeway and is one of the 114 graded winners and 192 stakes winners for the legendary sire. The winner's dam Dream of Summer captured the GI Apple Blossom H. and won over $1.19-million. ***Cont. p8***

Vexatious Pedigree note cont.

She took her talent from the racetrack to the breeding shed, producing the likes of Grade I-winning stallion Creative Cause (Giant's Causeway) and MGSW & GISP young sire Destin (Giant's Causeway). The 21-year-old mare is also responsible for the unraced juvenile filly Hippie Cowgirl (Not This Time), who was purchased by Casner Racing for $200,000 at KEESEP. Dream of Summer produced an Uncle Mo filly Jan. 25 of this year and was bred back to Justify.

COLLUSION ILLUSION BESTS HIS ELDERS IN BING CROSBY

Collusion Illusion | *Horsephotos*

Collusion Illusion (Twirling Candy) got the better of his elders and earned a spot in the gate for the GI Breeders' Cup Sprint, holding off a late rally from **Lexitonian** (Speightstown) to take Del Mar's GI Bing Crosby S. Settling near the back of the pack, the 9-5 chalk ran off the fence with only Lexitonian, who trailed the field by several lengths, beat as the remaining five scrambled for control through a sharp first quarter in :21.58. **Wildman Jack** (Goldencents) gained a very narrow advantage as the half went up in :44.73. Collusion Illusion wove his way between horses at the top of the stretch, pushing through at the fence to take control in the final sixteenth, and held off a powerful late rally from Lexitonian to win by a nose.

A debut winner at this venue last July, Collusion Illusion followed suit with a win in the GII Best Pal S. over track and trip a month later. Pulled up and walked off when trying two turns in the GI American Pharoah S. at Santa Anita last fall, he was subsequently shelved for the reason and returned a winner in an Arcadia sprint May 17. The $300,000 OBSAPR purchase captured the GIII Laz Barrera S. last time at Santa Anita June 20.

Pedigree Notes:

Collusion Illusion is the fourth Grade I winner for Twirling Candy and one of nine graded victors and 24 black-type scorers for the stallion. The winner's unraced dam Natalie Grace is a half-sister to GSW & GISP Bahamian Squall (Gone West) and Apriority (Grand Slam). Collusion Illusion is the only foal for his dam.

THOUSAND WORDS HANGS TOUGH IN SHARED BELIEF

Thousand Words (Pioneerof the Nile) returned to winning ways and improved his position on the GI Kentucky Derby trail with a gutsy score in Del Mar's Shared Belief S., which offered a total of 50 points towards the Run for the Roses. Breaking sharply from the inside post in this field scratched down to four, the 9-1 shot had all three rivals hot on his tail through a :23.89 opening quarter. GI Santa Anita Derby hero and heavy favorite **Honor A. P.** (Honor Code) was the first to break ranks, moving up onto the pacesetter's outside hip and was joined by $3.85-million FTFMAR topper **Cezanne** (Curlin) to his inside as the half-mile went up in :47.93. Cezanne drew even with his stablemate Thousand Words turning for home and Honor A. P. joined in on their outside. Thousand Words kept on finding in the stretch to maintain a safe margin on his pricey barnmate all the way to the line. Honor A. P. re-rallied in the final strides to be second, finishing 3/4 of a length behind Thousand Words and a half-length ahead of Cezanne. ***Cont. p10***

Thousand Words | *Benoit*

"I told Abel [Cedillo] to jump him out of there and I thought he and Cezanne would be 1-2," Baffert said. "Turning for home I could tell that Honor A.P. wasn't running like he usually does. Cezanne got really tired, but Thousand Words...I could tell when we got down here that he was a different horse from Los Alamitos and the real Thousand Words showed up today. His whole mind changed. His color has changed. He had soured out on me, but we got him going the right way. I think he earned his way to the Derby."

Opening his account with a trio of wins, including the GII Los Alamitos Futurity S. and GIII Robert B. Lewis S., Thousand Words checked in fourth behind recent GI Haskell Invitational S. winner and stablemate Authentic (Into Mischief) and Honor A.P. in the GII San Felipe S. at Santa Anita Mar. 7. A well-beaten 11th in the Oaklawn S. Apr. 11, the $1-million KEESEP buy was given a brief freshening and finished second in the GIII Los Alamitos Derby July 4 behind his barnmate and '**TDN Rising Star**' Uncle Chuck (Uncle Mo), who was scratched from this test in favor of next week's GI Runhappy Travers S.

Pedigree Notes:

Thousand Words is out of MGSW & MGISP Pomeroy's Pistol, who was purchased by bloodstock agent Mike Ryan earlier this year at the Keeneland January Sale for $475,000. Her 2018 foal by Pioneerof the Nile was born dead and she produced a Hard Spun colt last year. The 12-year-old mare was bred back to the late Arrogate last spring, but has no reported foal for 2020.

In a dramatic, jostling, finish, it was favored Sadler's Joy who got to the line first, but his victory was short-lived as he was disqualified for interference and veteran Cross Border was promoted to his first graded victory in the GII Bowling Green S. at Saratoga Saratoga Saturday. Cross Border settled in fourth as his stablemate Marzo (Medaglia d'Oro) loped along out on a loose lead in the marathon event. Marzo's advantage quickly evaporated heading into the stretch for the final time and he was swallowed up by a host of rivals. Cross Border was tipped out four wide into the lane and was shadowed by Sadler's Joy just to his outside. Sadler's Joy was grinding his way to the front, but drifted in slightly causing Cross Border over into the path of Channel Maker. Sadler's Joy straightened and strode clear, but his victory was soon overturned by the stewards, who placed him fourth behind Channel Maker.

Jockey Javier Castellano, aboard the disqualified favorite, felt the infraction was minor.

Cross Border (near) named the winner after the DQ of Sadler's Joy
Sarah Andrew

"You could see I hit the hole when it opened and I saw the [other] horse, but I never came over," Castellano said. "We were all on the same line and I think the inside horses was involved a little bit and we all ended up caught in an overreaction. Of course, that put everyone under pressure and they were going to blame the horse on the outside [Sadler's Joy]. It was a decision for the stewards."

The Wycoff family's Three Diamonds Farm purchased Cross Border for $100,000 at the 2018 Fasig-Tipton July Horses of Racing Age sale. He opened 2020 with a runner-up effort in the GIII W. L. McKnight S. at Gulfstream Park in January. Fifth in the July 4 GI Manhattan S., he was a 6 1/4-length winner of the July 22 Lubash S. over this Saratoga turf course just 10 days ago. The 6-year-old is now five for five at the Spa.

"This is just a gutsy New York-bred and it's good for the game that they can breed a New York-bred that can win a Grade II at Saratoga," said Kirk Wycoff. "We love the Bowling Green. We were second in it three years ago with Bigger Picture. It was a calculated risk to come back in 10 days and we weren't all in agreement, but [trainer] Mike Maker made the decision and obviously it was the right one."

Of the quick turnaround, Maker said, "He's got a high energy level. He held his weight well. It was just a mere workout the other day."

Three Diamonds was the leading buyer at this year's Fasig July sale, restocking its stable with nine purchases for $499,000.

Pedigree Notes:

Cross Border is the second of three foals produced by the unraced Empress Josephine, who died in 2015. The mare was a half-sister to multiple stakes winner Rhum (Go for Gin), who produced graded stakes winners Gantry (Pulpit) and Central Banker (Speightstown), as well as to 2002 GII Arkansas Derby winner Private Emblem (Our Emblem).

Cross Border is the 29 graded winner for his sire English Channel.

Hopeful Growth kicked off her career with a nose victory here 14 months ago, and returned to the shore to become the first graded winner for her sire Saturday. Monmouth Oaks cont.

Showing slightly more gate speed this time while back in the blinkers she sported for her first two outings, Hopeful Growth was in a bit tight into the first turn before settling into a pocket trip. She was asked for more to keep position into the home bend, and tipped wide for the stretch drive. Hopeful Growth took over despite struggling with her leads, and found another gear once she found her footing to run up the score late.

"Her last race was the first time she ran around two turns," said trainer Anthony Margotta, Jr. "We were hoping to hit the board there, but typically a horse going two turns for the first time in our program may need a race around two turns the first time. This was our bull's eye target. I took the blinkers off her last two races so she would learn a little. I put them back on so she would focus more after she learned a little bit. She's bred to go long and she has trained that way the whole time so I knew she would go longer. She has always wanted to stretch out. The Delaware Oaks was a race we needed to get in before this one for the two-turn experience and to learn. I loved the trip. She was patient on the rail. That's what we have been teaching her to do and it paid off."

Pedigree Notes:

Hopeful Growth, who led home a one-two for granddaughters of emerging sire of sires Tapit, is out of an unraced half-sister to MGISW turfer Wonder Again (Silver Hawk) and Japanese champion 2-year-old colt Grass Wonder (Silver Hawk). This is the Darby Dan family of GISW Tribulation (Danzig) and her GSW son Bold Hawk (Silver Hawk); MGSW Graceful Darby (Darby Creek Road), etc. Maiden America has an unraced 2-year-old son named Little Chief (Shackleford) and a yearling full-brother to the precocious GSW Ten City.

TRIO OF GRADE I WINNERS MEET IN CLEMENT HIRSCH

Ce Ce | *Coady*

A competitive field, highlighted by three top-level scorers, are set to face off Sunday in the GI Clement L. Hirsch S. at Del Mar, a "Win and You're In" for the GI Breeders' Cup Distaff. **Ce Ce** (Elusive Quality) scored back-to-back wins in the Mar. 14 GI Beholder Mile and Apr. 18 GI Apple Blossom H. Favored to repeat in the GII Santa Maria S. back at Santa Anita, she could only manage third behind the re-opposing **Fighting Mad** (New Year's Day) and '**TDN Rising Star**' **Hard Not to Love** (Hard Spun).

Victorious in the GI La Brea S. in December, Hard Not to Love followed suit with a win in the GII Santa Monica S. in February. The one-eyed bay finished second to Ce Ce after setting the pace in the Beholder Mile, but rallied from off the pace in the Santa Maria last time.

Last year's Hirsch winner **Ollie's Candy** (Candy Ride {Arg}) looks to successfully defend her title in this event. Third in the Beholder Mile, the dark bay came up just a head short in the Apple Blossom and finished a close third in a blanket finish in Belmont's GI Ogden Phipps S. June 13.

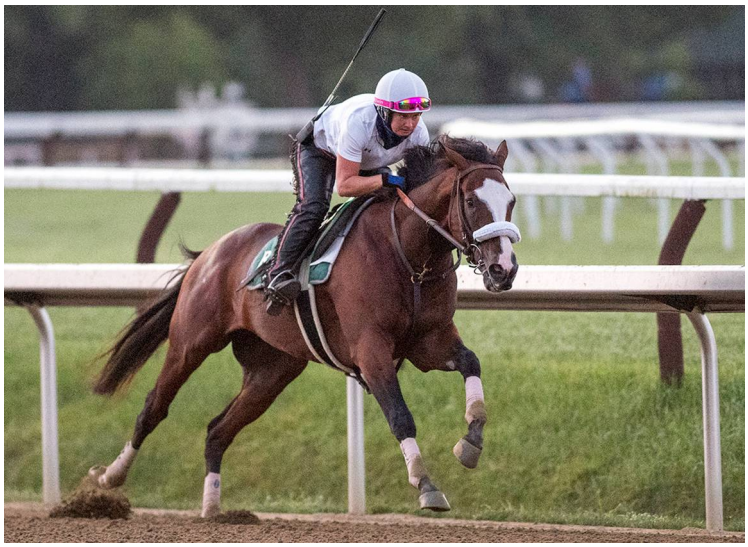
TIZ THE LAW 'PERFECT' IN SATURDAY DRILL



Tiz the Law | *Sarah Andrew*

Sackatoga Stable's **Tiz the Law** (Constitution) tuned up for next Saturday's GI Runhappy Travers S. with a five-furlong work in :59.44 (2/24) at Saratoga Saturday.

"I wanted to go in a minute and he went in a minute. It was perfect," trainer Barclay Tagg said of the work. "We couldn't have worked better. He came back good and he was breathing good. Everything was good. He's a gem to work with. He is doing perfectly as far as I'm concerned. I don't know what else we can do for him. I like this colt. Why wouldn't you? We've got a nice horse."

Sent out at 5:30 a.m., Tiz the Law recorded splits of :23 4/5, :36 and out in 1:13 2/5 over a fast main track with exercise rider Heather Smullen aboard.

"He's a little more relaxed in the morning," said Smullen. "He's nice and professional and does his job. There is always adversity. If he sees someone, he will get strong. He will get aggressive. He's a racehorse. Luckily, there was no one out there today. He went out there today and did what I told him to do. He was strong and consistent. It sure seems like [he's ready for the Travers]. He's done everything they have asked him to do."

Tiz the Law has won all three of his starts this season, opening his sophomore campaign with a win in the Feb. 1 GIII Holy Bull S. before adding the Mar. 28 GI Curlin Florida Derby. He is coming off a win in the June 20 GI Belmont S.

Sackatoga Stable will be seeking its second GI Kentucky Derby win next month at Churchill Downs. The operation, headed by Jack Knowlton, won the 2003 Derby with Funny Cide.

"I want to enjoy the next week because it is going to be a lot of fun," Knowlton said. "We will get to do a lot of things and we will enjoy the moment at Saratoga. Hopefully, everything will work out. We've got four weeks to hopefully win another Derby.

Knowlton continued, "It's exciting [to be here for the Travers]. My second biggest disappointment with the whole Funny Cide run was not being able to even run in the Travers. When he got sick, that was a bigger disappointment after not winning the Triple Crown. Now, we've got a second chance. It's not often you get second chances the way we have with this horse and to do things that we couldn't do. We checked one box by winning the Belmont. It would be wonderful to check this box to win the Travers. I have a lot of confidence that he's going to get the mile and a quarter."

Travers contenders **Country Grammer** (Tonalist), **Shivaree** (Awesome of Course) and **Caracaro** (Uncle Mo) also breezed over the main track at Saratoga Saturday, while possible Travers entrant **Mystic Guide** (Ghostzapper) breezed at Fair Hill Training Center in Elkton, Maryland.

Paul Pompa, Jr.'s Country Grammer worked four furlongs in :47.66 (6/50) for trainer Chad Brown. The bay colt is coming off a win in the July 16 GIII Peter Pan S.

Jacks or Better Farm's Shivaree, trained by Ralph Nicks, went five furlongs in 1:03.27 (24/24). The chestnut homebred was second in the Florida Derby and is coming off an 11th-place effort in the July 11 GII Toyota Blue Grass S.

"It looked like he went well. He's a tough horse and he handles everything fine," said Nicks. "He handled shipping up there fine. He seems to be in good form. It was a nice maintenance breeze on the bridle, just kind of cruising around there this morning, so all is well. We decided last week to take a shot, and everything's good."

Global Thoroughbred and Top Racing's Peter Pan runner-up Caracaro, trained by Gustavo Delgado, worked six furlongs under Hall of Fame jockey Javier Castellano in 1:15.99 Saturday.

A maiden winner second time out at Gulfstream Park in January, the bay colt was making just his third lifetime start in the Peter Pan.

Country Grammer (outside) | *Sarah Andrew*

"He's a good mover. Today, it wasn't about looking for time, it was more like a two-minute lick starting from the three-quarters and letting him gallop out," said Castellano. "He just ran three weeks ago, so today was a good maintenance work. He galloped out beautiful past the wire, but I didn't let him overdo it. He handled the track well. He did everything the right way today."

Godolphin homebred Mystic Guide, a late-running third in the Peter Pan for trainer Mike Stidham, added blinkers for his five-eighths work in 1:01 flat (1/5) Saturday at Fair Hill.

"We felt like he was a little more handy with the blinkers on," said Stidham. "He broke off three lengths behind another horse. We told the rider to stay even with the other horse down to the wire and he galloped out well. He went out in :13 and change. I was very happy with the addition of blinkers."

Stidham said he is considering the colt for either the Travers or the Sept. 5 GII Jim Dandy S.

ART COLLECTOR HEADS CHURCHILL WORKERS

Art Collector | *Coady*

Bruce Lundsford's **Art Collector** (Bernardini), winner of the GII Toyota Blue Grass S. in his latest start, worked over a muddy Churchill Downs track Saturday morning, going a half-mile in :48.80 (3/18). Trained by Tom Drury, the colt carved out fractions of :12.80 and :24.60 before galloping out five furlongs in 1:01.20 and six panels in 1:14.80.

"It's so nice to have a horse who is versatile and can really run over any surface," said Drury. "He did everything very easily this morning and it was really just a perfect work. We are still taking things one day at a time. We just have to get there and we're keeping our fingers crossed."

Drury indicated the colt remains on course to make his next start in Sunday's Runhappy Ellis Park Derby ahead of a tilt at the Sept. 5 GI Kentucky Derby. Also targeting Ellis's Derby next weekend, Jackie Rojas, Wayne Scherr and Raymond Daniels's **Necker Island** (Hard Spun) covered four furlongs in :47.80.

Other possible Kentucky Derby contenders that recorded breezes Saturday were John Oxley's GIII Lecomte S. winner **Enforceable** (Tapit) (five furlongs in 1:02.60) and Lloyd Madison Farm's GIII Indiana Derby runner-up **Major Fed** (Ghostzapper) (four furlongs in :50.20).

"I was very happy with how [Enforceable] worked this morning," said 21-year-old Declan Carroll, whose father, David, oversees trainer Mark Casse's Churchill Downs string. "He did everything in stride. I was just the pilot."

Highlighting the fairer set Saturday morning, Peter Callahan's **Swiss Skydiver** (Daredevil) worked five furlongs in 1:01 in preparation for the Aug. 15 GI Alabama S. at Saratoga. The chestnut, who was runner-up behind Art Collector in the Blue Grass last month, carved out intermediate fractions of :13.40, :26.40 and :38.20 before rounding out the move in 1:14.20 for six furlongs, according to Churchill Downs clocker John Nichols.

"She worked really good and handled the muddy surface well," Brian Hernandez Jr., who was aboard for the work. "She's a very talented filly as we saw in the Blue Grass how well she handled running against the boys. She cruised along out there this morning."

Trained by Kenny McPeek, Swiss Skydiver, who is automatically qualified for the Sept. 4 GI Kentucky Oaks with 350 points, annexed the GII Gulfstream Park Oaks, GIII Fantasy S. and GII Santa Anita Oaks earlier this spring.

DEL MAR BANS DESORMEAUX FROM RIDING

Hall of Fame jockey Kent Desormeaux was taken off his mount at Del Mar Friday by track management after an alleged altercation earlier in the week. The story was originally reported by the *Daily Racing Form*.

Del Mar officials did not provide specifics on the alleged incident, but Del Mar's Josh Rubinstein said, "Our action is not related to racing, but rather is as a result of conduct not consistent with our standards and values."

A California Horse Racing Board rule allows a racetrack to remove or deny "access for any reason deemed appropriate by the association." The CHRB's Mike Marten said, "The Del Mar Thoroughbred Club has provided the California Horse Racing Board with the information they relied upon. The CHRB is conducting its own investigation to determine if there were any rule violations that would require CHRB action with respect to Mr. Desormeaux's license.:

Desormeaux's agent J.R. Pegram declined to comment.

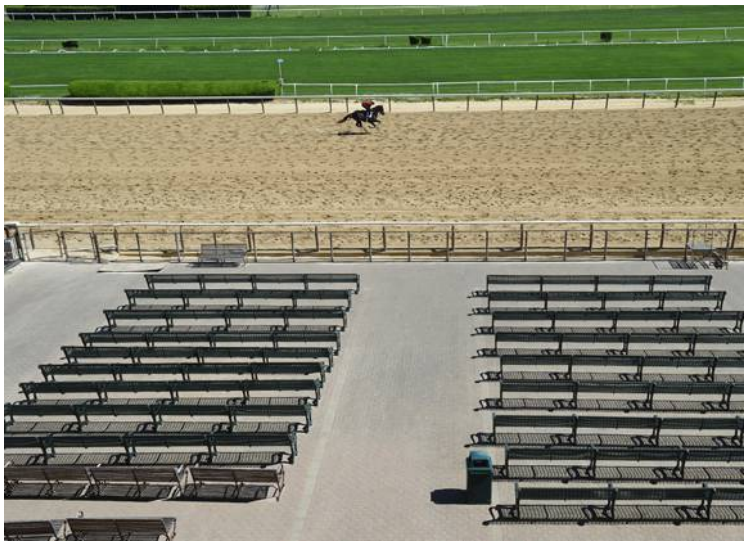
FILLY'S DEATH AT BELMONT LEADS TO ARREST



Belmont Park | *Coglianese*

According to a *Newsday* story, a 2-year-old filly let out of her stall Thursday at Belmont Park by a former employee resulted in a fall that led to the filly's death. The former employee, identified by the Nassau County Police Department as Ramzan Antooa, 38, of Elmont, had been spotted at approximately 7:45 p.m. by Belmont's security personnel releasing the filly. He was arrested at the scene and charged with burglary and reckless endangerment of property.

Newsday quoted New York's Gaming Commission's database as stating the horse "...ran loose and fell. Injuries sustained in fall subsequently necessitated euthanasia."

Arraigned Friday at First District Court, Antooa was freed without bail. The case is due back in court Sept. 21. Antooa's burglary charge is a felony, while the endangerment charge is a misdemeanor.

Patrick McKenna, New York Racing Association's director of communications and media relations, told *Newsday* the deceased horse was a filly named Pasta (Fr) (Frankel {GB}). There was an unraced filly by that name who last worked three furlongs at Belmont July 26. The owner and trainer's names were not immediately available, but the filly had gone through the Tattersalls October yearling sale last year as an 150,000gns RNA. She was bred by Al Asayl Bloodstock Ltd.

ELLIS CANCELS FINAL FIVE RACES SATURDAY

Ellis Park | *Coady*

Following the fourth race Saturday at Ellis Park, heavy rain swept into Henderson, Ky., forcing the track to cancel the final five races on the card. Rain the night before had already caused Saturday's turf races to be taken off the grass.

"In the best interest of safety for our jockeys and horses, we are calling off the remainder of the Saturday racing program," said Ellis Park general manager Jeff Inman. "The rain is supposed to let up this evening, and the forecast calls for beautiful weather for Sunday's Kentucky Downs Preview Day."

Sunday's card, which features five turf stakes for Kentucky Downs Preview Day, is scheduled to be held as planned.

FUND ESTABLISHED FOR CHILDREN OF KEENELAND'S McKEE

A fund has been established for the benefit of the children of Katherine McKee, who died July 27 after a three-year battle with melanoma. She was 40 years old.

McKee had worked at Keeneland for 15 years, most recently serving as the director of racing administration, where she was the company's primary contact for horsemen.

"For nearly three years, Katherine has battled advanced melanoma defying odds from the beginning," said Keeneland President and CEO Bill Thomason in a statement sent to Keeneland staff and trainers. ***Cont.***

"Besides her unwavering grace, commitment and eternal optimism, Katherine miraculously overcame medical hurdles that would cripple even the strongest. Her courage and determination are unmatched and a testament to the power of positivity.

"As Katherine's family grieves this tremendous loss, I know many of you want to celebrate her life and the impact she has made on all of us. Below are details on a memorial fund as well as the address for Katherine's parents as we support them through this unfathomable time."

For the benefit of her children, donations can be made to the McKee Memorial Trust c/o Keeneland Association, PO Box 1690, Lexington, KY 40588, or through Keeneland's website at www.keeneland.com/mckee

The daughter of Herb and Kass McKee, Katherine was born and raised in Henderson, Kentucky along with her brother Herbie McKee. Katherine found her home when she moved to Lexington to begin her degree at Transylvania University, where she graduated Summa Cum Laude.

McKee had recently been a part of a clinical trial at the University of Louisville, where she saw some initial success before facing complications.

She leaves behind two young children, Ava and Walker.

"Katherine had a way of touching everyone and no matter how long it had been since you last talked, you always picked up where you left off," Thomason's statement read. "Her ability to love, her authenticity, spirit, humor, openness and her forever caring and selfless heart create the legacy we will never forget. Second to her family, this team meant the most to her. With 15 years here, she loved Keeneland, the horsemen, her team and the entire Keeneland family. While she felt privileged to work at this great place, we are the ones who are truly privileged. It has been an honor to work alongside such an extraordinary person. She is a true inspiration."

A celebration of her life will be announced at a later date.

UPSTART COLT MUCH THE BEST IN HOT SPA MAIDEN; GARNERS RISING STARDOM

by Brian DiDonato

Reinvestment Risk | *Sarah Andrew*

The Saratoga opener Saturday was one of those vintage events in which virtually every firster was touted as a runner, and it was Klaravich Stables, Inc.'s **Reinvestment Risk** (Upstart) who emerged as the best of the bunch while becoming his freshman sire (by Flatter)'s third winner and first '**TDN Rising Star**'. A $140,000 FTKJUL yearling turned $280,000 OBS March acquisition off a strong :20 4/5 breeze, the bay joined the Chad Brown barn at Payson Park this spring before stints at Monmouth and, most recently, locally.

Off at 4-1, he broke in midpack and was pushed along by Irad Ortiz, Jr. to grab a foothold at the rail just off the pace. Second timer Windcracker (Super Saver) showed increased speed to seize a clear lead through an opening quarter of :22.79, but he left the rail open for Reinvestment Risk turning for home and the colt came through willingly to take over after a :46.14 half. The race was won at that point, and Reinvestment Risk poured it on in the stretch to run up the score to 7 3/4 lengths and stop the clock in1:09.95 after finishing up in a snappy :23.72. Windcracker held on for second over Olympiad (Speightstown--Tokyo Time), the seemingly less fancied half of a 7-5 entry with eighth-place finisher Outlier (Not This Time).

Upstart was a 5 1/2-length debut winner at Saratoga himself before adding the Funny Cide S. for New York-breds here nine days later for owner Ralph Evans and the late Rick Violette, Jr.--who at one point campaigned many of Klaravich's most precocious babies. Twice Grade I-placed to complete his juvenile season, Upstart added the GII Fountain of Youth S. at three and GIII Razorback H. at four before retiring to Airdrie Stud. In addition to his three winners, Upstart is responsible to Belterra's Hoover S. runner-up Uptown.

Reinvestment Risk was one of two Upstart colts purchased by agent Mike Ryan at OBS March--he also bought $600,000 Founder, who is training towards his own debut up at the Spa, for fellow Chad Brown clients Jeff Drown and Don Rachel. Reinvestment Risk is the second foal out of a four-time winning daughter of Candy Ride (Arg) who was acquired by breeder Gerry Aschinger for just $6,000 at the 2016 Keeneland January sale. Dam Ridingwiththedevil, who's out of a half-sister to MGSW My List (Banker's Gold), produced a Strong Mandate filly in 2019 and Stormy Atlantic colt earlier this term before being bred to Audible for 2021.

Cariba (gold cap) | *Sarah Andrew*

Cariba added to trainer Christophe Clement's red-hot start to the Saratoga meet while becoming the fourth winner on the card to be sired by a different Airdrie Stud stallion. Second by a nose over 7 1/2 panels in her final start for the now retired Kiaran McLaughlin at Gulfstream Mar. 7, Cariba was second in an Apr. 19 optional claimer there going an additional sixteenth. She successfully cut back to take a six-furlong, first-level Belmont allowance June 28, and was flattered when the runner-up from that heat returned to win well last weekend. Perched in a good stalking spot in fourth early, Cariba advanced willingly into the lane. She hit another gear when called upon for more by Irad Ortiz, Jr. in midstretch, and ran down pacesetter Jakarta in the shadow of the wire. It was also Ortiz's fourth win on the card--he piloted Improbable (City Zip) to victory in the GI Whitney S.

"This filly came from Kiaran McLaughlin, and Kiaran was very helpful when she came to us in the winter," Clement noted. "She came in great shape, and she keeps getting better. She's got black-type now. She belongs to a wonderful man, Everett Dobson of Cheyenne Stables. He is an owner-breeder, so this is very meaningful for him because down the line she is going to be expected to be a broodmare. As usual, we are delighted. Irad gave her a great ride, and life is good."

Cariba is out of a half-sister to GSW and GISP Hello Liberty (Forest Camp) and SW and GSP Pious Ashley (Include). Another half to the dam produced turf GSWs Significant Form (Creative Cause) and Hay Dakota (Haynesfield). Cariba has an unraced 2-year-old half-brother named Unspoken Memories (Summer Front), a yearling full-sister and a foal half-brother by Collected. Her dam was bred back to Divisidero for 2021. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Forester's Turn had been off the board just once in six prior tries--in his only previous stakes attempt--but his return to stakes company and first try on the turf resulted in a black-type win Saturday. Last seen taking an open money allowance against his elders on the local Tapeta July 19, the bay dueled inside of a foe to the top of the stretch. He briefly seemed beaten, but was extremely game in the run to the line to prevail in a one-two finish for sire Old Forester. The winner has an unraced 2-year-old half-brother by Silver Max and a foal half-brother by Souper Speedy. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

El Tigre Terrible, winner of the Speakeasy S. over the Santa Anita turf last October, doubled up on his stakes tally when he powered home an easy winner Friday night at Del Mar. The bay gelding was unhurried early and settled near the rear of the field. He inched closer down the backstretch, but his progress was stymied in traffic entering the far turn. Tipped out five wide at the top of the lane, El Tigre Terrible surged to the lead with a furlong to run and strode clear.

"He broke just a bit slowly today, so he put himself in behind the leaders and was comfortable there," said winning jockey Flavien Prat. "We had good pace to run at, so that was good. When it came time for him to perform, he performed."

El Tigre Terrible graduated versus $50,000 maiden claimers at Del Mar last July and added an optional claimer win to his resume two starts later before moving to the lawn to capture the Oct. 6 Speakeasy. Sidelined for eight months after that

effort, he overcame trouble to be second in his return in the June 6 Desert Code S. and was back on the main track and back to sprinting Friday following another troubled trip when 11th when stretched to one mile for the first time in the Oceanside S. last time out July 10.

"It was very frustrating, he's had two very bad trips the last two races and I thought he was getting in trouble again here," said winning trainer Peter Miller. "He had a horse to his outside and it looked like he was running up on heels again. But Flavien knew what he was doing and he was the best horse. I am very nervous in those moments. He's a hard-trying little horse with a lot of ability. He loves Del Mar and we hope we can get him in again before the end of meeting."

King City Kitty, who sold for $7,000 at the 2019 CTBA January Sale, produced a full-sister to El Tigre Terrible in 2019 and a full-brother this year. Miller purchased the mare's now 2-year-old filly, Uncaged Kitty (Smiling Tiger), for $72,000 at last year's inaugural Fasig-Tipton Caliornia Yearling Sale. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Joy's Rocket, a $47,000 OBS March bargain buy after a :10 flat breeze, continued an auspicious start to her career for a powerful barn that's been particularly dangerous with limited local starters in recent years. The bay graduated by a nose in the Churchill slop June 28, earning a field's-best 60 Beyer Speed Figure among her few foes who had earned figures previously. Flattered when two also-rans from that heat came back to graduate, Joy's Rocket was ridden for speed from the fence here and emerged with a narrow advantage as firster Rocket Reload (Reload) applied the pressure through splits of :21.94 and :45.444. Joy's Rocket shook free from that rival at the top of the lane, and kept on from there to win with room to spare. The winner's dam, who is a full to a multiple stakes winner, RNA'd for just $1500 at the 2016 OBS Winter Mixed Sale. She has a yearling filly by Valiant Minister and was bred to Bucchero for 2021. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Go Jo Jo Go | *Lauren King*

Go Jo Jo Go's career got off to an adventurous start when she clipped heels and lost her rider in the upper stretch of her May 14 debut and exchanged bumps with foes in both subsequent starts, finishing third going five furlongs May 29 and fifth going six furlongs July 11. Away without incident for the first time in her career, the chestnut filly trailed the field in the early going. She made rapid progress along the rail nearing the stretch, angled to the center of the track entering the lane and closed relentlessly to strike the lead late and streak home first.

Of the decision to race the maiden in the opening leg of the Florida Sire Stakes series, winning trainer Michael Yates said, "They don't move the calendar for the [sire] stakes. So if you have a horse who can run a bit, even if they're a maiden, it's worth taking a shot. It's a great series for the Florida sires. It has a lot of history to it and it's sort of what we aim for."

The Desert Vixen score was the 13th Sire Stakes win for Gilbert Campbell's Stonehedge Farm, which made it 14 a half hour later when Breeze On By (Cajun Breeze) won the Dr. Fager.

Flashy Flirt produced a filly by Cajun Breeze last year. In foal to Khozan, the mare sold for $3,000 at this year's OBS Winter Mixed Sale and was exported to South Korea. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Staying perfect in two starts, Breeze On By annexed the FTBOA Florida Sire Dr. Fager S. Saturday at Gulfstream. In the gelding's only previous start July 12, he had set all the pace to score by six lengths over the same track and distance.

Catching a sloppy surface for the Dr. Fager, Breeze On By again went to the front. He was collared by Gatsby on the turn just before getting the half in :45.68, but battled back and refused to be denied. Gatsby continued to dog him, but the winner finally edged away in the final strides in spite of staying on his left lead throughout the whole stretch run.

Miss Primetime delivered a filly this year by Handsome Mike and was bred to Khozan for 2021. She is a half-sister to 2004 GI Coaching Club American Oaks third-place finisher Magical Illusion (Pulpit), who is better known for producing GSP Stage Magic (Ghostzapper). The latter was named Broodmare of the Year in 2018 after producing Horse of the Year Justify (Scat Daddy), as well as GSW The Lieutenant (Street Sense). **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Saturday's win in the CTBA S. was not only the first stakes win for unbeaten Governor Goteven, it also marked the first winner at Del Mar for trainer Lisa Bernard. Two of her three 2020 victories as a conditioner have been courtesy of Governor Goteven, who scored by a neck at first asking May 29 in a 4 1/2-furlong Santa Anita maiden special weight.

In the CTBA, Governor Goteven briefly tracked early frontrunner Reign of Fire before scooting to her outside to contest the lead. The two hooked up for a battle of wills, leaving the rest several lengths back before Governor Goteven suddenly drew clear as Reign of Fire tired. Big Andy closed with a flourish but couldn't catch the winner.

The only foal to race out of her dam, Governor Goteven is also Time Linda Goteven's last reported produce. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

provided trainer Jack Sisterson with a rolling double after getting his first Grade I winner with Vexatious (Giant's Causeway) in the GI Personal Ensign S. The 8-5 favorite, seventh in the early stages, made a flashy move into third heading into the far turn, reached even terms as they straightened and powered clear in the stretch to score by 2 1/2 lengths over Cool Bobby (Shanghai Bobby). A good second at 28-1 behind MGSW Owendale (Into Mischief) in Churchill's one-turn mile Blame S. May 23, Everfast entered off a ninth-place finish in the grassy GI Maker's Mark Mile S. at Keeneland July 10. Awesome Surprise, a full-sister to GI Breeders' Cup Juvenile winner Wilko, is also represented by the unraced 2-year-old colt American Ruler (American Pharoah). She was bred to Mitole for 2021. MALIBEAUTY (f, 3, Malibu Moon--Jaramar Rain {SW & GSP, $292,660}, by Thunder Gulch), a debut winner sprinting six furlongs at Tampa Bay Downs Mar. 28, was second in an off-turf optional claimer at that oval Apr. 26. She was making her first start around two turns off a fourth-place effort in the June 6 Game Face S. at Gulfstream. Sent off at 7-2, the bay filly was taken in hand soon after the break and settled at the rear of the field. Still last with a quarter-mile to run, Malibeauty drove into contention in upper stretch, split foes late as favored Miss Peppina (Bayern) drifted out and just got up in the final strides to win by a half-length over Persisto (Orb). Malibeauty is a half-sister to Imperial Council (Empire Maker), MGSP, $258,465. A $215,000 FTKJUL yearling, she was purchased by the Hudson family's Hoolie Racing Stable for $235,000 at last year's OBS March sale. SERVE THE KING (GB) (c, 4, Kingman {GB}--Fallen In Love {GB} {GSP-Eng}, by Galileo {Ire}) opened his career with back-to-back wins going one mile over the Tampa turf, Dec. 14 and Feb. 22, and was fourth going 1 1/16 miles over the Belmont lawn July 4. The 4-5 favorite tugged his way along while racing on the rail and just in behind the early leaders. Angled out a path to avoid a

tiring pacesetter nearing the stretch, the bay colt was tipped out a farther two paths at the top of the lane and closed powerfully late to score by 1 1/4 lengths over Epic Bromance (Kitten's Joy). Rahy) checked in second in his Tampa debut May 6 before being transferred from Mike Stidham to Wayne Catalano, who conditioned Dreaming of Anna to 2006 champion 2-year-old filly honors thanks to a win in the GI Breeders' Cup Juvenile fillies sandwiched between five graded grass victories. Big Dreaming donned cap and gown by daylight first time for the new barn June 20, and was installed the 2-5 favorite to handle a short group of winners. Bobbling slightly and in tight early, Big Dreaming was shuffled back to second last around the first turn. He started to creep closer while full of run heading for home, but was completely stymied to midstretch. Finally finding a seam, he burst through and out-kicked late-running Quarterback Dak (Alternation) by a length. The winner is half to young sire Fast Anna (Medaglia d'Oro), GISP, $296,731; and to Dreamologist (Tapit), GSW, $203,710. He is his late dam's final foal. Let go at 6-1, the dark bay colt was content to trail the field early. He made eye-catching progress on the far turn and grabbed the lead with a furlong to run en route to a two-length victory over favored Belichick (Lemon Drop Kid). Olliemyboy RNA'd for $140,000 as a KEESEP yearling. Charming Thunder produced a colt by Society's Chairman this year. EASY FOR ENBIHAAR IN THE LILLIE LANGTRY

Enbihaar gets back to the winner's enclosure in the Lillie Langtry | *racingfotos.com*

With Manuela de Vega (Ire) (Lope de Vega {Ire}) ruled out of Saturday's G2 Qatar Lillie Langtry S. at Goodwood, the way was paved for last year's winner **Enbihaar (Ire)** (Redoute's Choice {Aus}) to enjoy a saunter around the Downs and she duly delivered with the minimum of fuss against two rivals. Last seen finishing fourth in the 12-furlong G2 Princess of Wales's S. on her seasonal bow at Newmarket on July 9, Shadwell's 1-2 favourite stayed close to the 3-year-old **Snow (Ire)** (Galileo {Ire}) throughout the early stages and once sent past that rival passing the two-furlong pole drew away strongly to score by 3 1/2 lengths from **Cabaletta (GB)** (Mastercraftsman {Ire}).

One of last term's most improved performers, Enbihaar proved a formidable runner when granted suitably lively conditions and a distance of ground and went from success in the G2 Lancashire Oaks to this win and another in Doncaster's G2 Park Hill S. in September. Third when undone by testing ground in the G1 Prix de Royallieu at ParisLongchamp in October, the same underfoot conditions meant that she was below-par on her return at the July meeting but everything fell perfectly into place for this repeat of 12 months ago. Despite giving away weight-for-age to a younger duo with smart form, the imposing bay never looked likely to become the subject of an upset and is primed for a potentially profitable remainder of the campaign.

CLASSIC WIN STILL A SUCCESS STORY FOR SELLERS

By Emma Berry

There are good reasons for smaller trainers, owners and breeders to do their equine shopping at the drafts of the major breeding operations at horses-in-training and breeding stock sales. If buying a filly or young broodmare there is the potential for updates from well-managed families, members of which likely remain in their breeders' broodmare bands. For the colts and geldings there is always the hope that a slower-maturing individual may well just have been deemed surplus to requirements and can go on to be a star in another stable over time. There are umpteen examples of this—the £2,800 purchase Sceptical (GB) (Exceed And Excel {Aus}) being just one who has made headlines since being bought from Godolphin and continuing his career for James McAuley and trainer Denis Hogan.

Easy For Enbihaar In The Lillie Langtry cont. from p1

That could come over excess of this trip according to the operation's Racing Manager Angus Gold. "It's unlike Sheikh Hamdan to keep an older mare in training and I'm glad to see that rewarded with another group win," he commented. "It's good to see her show her old enthusiasm and that amazing stride of hers. I'll talk to John and see what the options are, but Jim said she'll stay two miles any day. She doesn't want the ground too soft, but I would have thought the [G2 Qipco British Champions] Long Distance Cup [at Ascot on Oct. 17] would be an option."

Pedigree Notes

Enbihaar is a half-sister to Godolphin's G2 International Topkapi Trophy runner-up Silent Attack (GB) (Dream Ahead) and to the listed-placed King Bolete (Ire) (Cape Cross {Ire}). They are out of Chanterelle (Fr) (Trempolino), a full-sister to the G3 Prix du Calvados scorer Cox Orange who in turn produced the Listed Masaka S. winner and G1 1000 Guineas third Vista Bella (GB) (Diktat {GB}). Her dam is the G2 Prix Maurice de Gheest winner Spectacular Joke (Spectacular Bid), whose leading performer was the G1 Prix Marcel Boussac heroine Amonita (Anabaa). Chanterelle also has a yearling filly by Muhaarar (GB).

RAABIHAH BACK IN THE GROOVE

Sheikh Hamdan bin Rashid Al Maktoum's **Raabihah** (Sea the Stars {Ire}), who went untested as a juvenile, was up with the larks for a Jan. 23 debutantes' heat win at Cagnes-sur-Mer and doubled up with an impressive tally in ParisLongchamp's May 14 Listed Prix de la Seine before posting a commendable fourth, despite a troubled trip, pitched into Chantilly's rescheduled July 5 G1 Prix de Diane in her latest outing. Sent off as the 2-5 lock on a retrieval mission in Saturday's G3 Prix de Psyche Sky Sports Racing over 10 furlongs at Deauville, the homebred chestnut did not disappoint her legion of supporters and booked a ticket to France's end-of-season gala with a performance which simply oozed class. She was positioned several lengths off the pacesetting **Arriviste (GB)** (Sea The Moon {Ger}) in fourth until improving one spot as the field bunched on the home turn. Overpowering toiling rivals once quickening in style for control approaching the final furlong, Raabihah surged clear in hand to easily dismiss Listed Prix Finlande victress **Wangari (Ger)** (Soldier Hollow {GB}) by an impressive 3 1/2 lengths with Wangari's Andre Fabre-trained stablemate **Alkandora (GB)** (Nathaniel {Ire}) emerging best of the remainder, finishing 3/4-of-a-length farther back in third. "I think what we have seen here today is a Group 1 filly," said winning trainer Jean-Claude Rouget, who sent out Luna Kya (Fr) (Kendor {Fr}) to win this in 2001 and subsequent MGISW distaffer Zagora (Fr) (Green Tune) in 2010.

Rouget continued, “We knew that before, of course, but we missed the opportunity to win a big one in the Diane where she had an awful trip and didn’t have enough experience to get herself out of trouble. We have been in racing long enough to know that these things happen. The pace was good today and the further she was going the more she was opening up on the rest.”

Rouget is now zoning in on targets back at the highest level with October’s G1 Prix de l’Arc de Triomphe the ultimate goal this year. “For me, she is the best French filly around and she’s not even running over her distance. We know she is a genuine mile-and-a-half filly, with her second and third dams both being Oaks winners, and the plan is to now go straight to the [Sept. 13 G1 Prix] Vermeille and then the [Oct. 4 G1 Prix de l’] Arc [de Triomphe at ParisLongchamp].”

Pedigree Notes

Raabihah is one of two winners and the leading performer produced by Garmoosha (Kingmambo), who was bred to Noble Mission (GB) this year. The fourth of six foals, she is a half-sister to Listed Wait A While S. third Filfila (Kitten’s Joy), a yearling filly by Kitten’s Joy and a 2020 More Than Ready filly. Her dam is an unraced half to G1 Fillies’ Mile third Firdaws (Mr. Greeley) out of G1 Epsom Oaks heroine Eswarah (GB) (Unfuwain), who in turn is a daughter of MG1SW G1 1000 Guineas and G1 Epsom Oaks heroine Midway Lady (Alleged). The latter also produced G1 Irish 1000 Guineas third Umniyatee (GB) (Green Desert) and G3 Princess Royal S. victrix Itnab (GB) (Green Desert), who in turn is the dam of stakes-winning G3 Al Shindagha Sprint runner-up Alazeyab (El Prado {Ire}) and Peruvian Group 3 placegetter Madera de Guerrero (Street Cry {Ire}). Descendants of Umniyatee include Argentina’s G1 Presidente da Republica victor Maltes (Brz) (Red Runner).

ROSE IN BLOOM

See The Rose | *Scoop Dyga*

Andre Fabre incumbent **See The Rose (Ire)** (Kendargent {Fr}) got up late to prevail by a nose when posting a June 19 debut score tackling 5 1/2 furlongs at Chantilly, doubling up in a July 12 conditions heat over six at Deauville last time, and she made it a perfect three-for-three in Saturday's G3 Prix Six Perfections Sky Sports Racing back at the Normandy venue.

Stalking the pace set by **Wedding Dance (Ire)** (Invincible Spirit {Ire}) after an alert getaway in this first try at seven furlongs, the 7-5 favourite was nudged along to launch her challenge off the home turn and kept on well under mild coaxing once gaining a slender advantage at the eighth pole to deny that rival by 3/4-of-a-length for a first black-type rosette. **Coeursamba (Fr)** (The Wow Signal {Ire}) ran on well from off the pace to finish a neck adrift in third. "See The Rose is a lovely filly, she is sweet to be around and easy to train," said trainer Andre Fabre, who saddled stablemate and subsequent G1 Cheveley Park S. third Tropbeau (GB) (Showcasing {GB}) to win this event last year. "She has class and will return here in the [G2] Prix du Calvados. So far she is the carbon copy of [subsequent Calvados winner] Tropbeau."

Pedigree Notes

See The Rose, a daughter of the dual stakes-placed Xaarienne (GB) (Xaar {GB}), is the sixth of seven foals and one of four winners from as many runners for her dam. She hails from the family of MG1SW G1 Poule d'Essai des Poulains-winning champion L'Emigrant (The Minstrel) and G1SP G2 Great Voltigeur S. victor Zalazl (Roberto) and the February-foaled bay becomes the third stakes performer for Xaarienne. She is a full-sister to Listed Prix Francois Boutin victor Xaarino (Fr) and G3 Prix de Cabourg placegetter Mont Kiara (Fr) and half to a yearling filly by Lope de Vega (Ire).

Xaarienne in herself kin to Sablonniere (Fr) (Verglas {Ire}), who in turn produced G3 Prix de Ris-Orangis victor King Malpic (Fr) (King's Best) and last month's Listed Prix Ridgway winner Dream Works (Fr) (Wootton Bassett {GB}).

Classic Win Still A Success For Sellers cont. from p1

Juddmonte, Shadwell and Godolphin routinely have large drafts catalogued for formal sales as well as conducting private transactions for certain individuals and, while a number of Ballydoyle trainees will be offered at the Tattersalls Horses-in-Training Sale each autumn, many more will be sold privately throughout the season. It is not uncommon for there to be multiple runners from Ballydoyle in some of the top races in Europe. The best fillies naturally eventually retire to the Coolmore broodmare band, but only a handful of the very best colts will secure a berth in the stallion yard. Those below that level, however, can present some decent opportunities for other connections, as the recent G2 Derby Italiano victory of **Tuscan Gaze (Ire)** (Galileo {Ire}) highlighted. The colt, who was bred by Coolmore in partnership with Lady Bamford's Daylesford Stud, was previously unbeaten in two starts for John Gosden and was bought by jockey-turned-bloodstock agent Freddy Tylicki for Italian-based Mag Horse Racing SRL just weeks before his Classic success. Jamie Moriarty of Coolmore's racing office is in regular contact with agents and trainers on the lookout for such prospects. He says, "Some may be of the opinion that we wouldn't be overjoyed at selling winners like that but in fact nothing could be further from the truth. Results like this bolster the relationships we are continually seeking to develop and maintain, and of course there's also the pedigree update for the horse's dam and relatives at home. So all in all, we couldn't be happier for everyone concerned."

Jamie Moriarty | *Healy Racing Photographers*

He adds, "Tuscan Gaze's recent success in the Italian Derby has received some great coverage, and rightly so. I suppose it could be perceived as something of a fairytale, and for none more so than Freddy Tylicki, but in reality we would like to think that this fairytale is played out with increasing regularity."

There has long been a flow of horses from Ballydoyle to the Australian stable of leading owners Lloyd and Nick Williams, whose thirst to win the Melbourne Cup appears to be unquenchable. Rekindling (GB) (High Chaparral {Ire}) provided the father and son with their sixth victory in the Cup and was a memorable first for Joseph O'Brien, whose stable he has recently rejoined after a stint in Australia under the care of Liam Howley, who now trains the G2 Herbert Power S. winner Yucatan (Ire) (Galileo {Ire}). Last year's eye-catching third-place finisher Il Paradiso (Galileo {Ire}), who was just a neck behind the winner Vow And Declare (Aus) (Declaration Of War), has remained in Australia and has joined Chris Waller's stable after being sold to a syndicate which includes Ozzie Kheir. Among the other Ballydoyle graduates now in Australia are Galileo's sons Southern France (Ire), who won the G2 Zipping Classic for Ciaron Maher and David Eustace, and G1 Caulfied S. winner Cape Of Good Hope (Ire), who is now trained by David and Ben Hayes and Tom Dabernig.

"Many will remember Rekindling and Johannes Vermeer going head-to-head in the Melbourne Cup, two Coolmore horses that had been sold to Australians Lloyd and Nick Williams," says Moriarty. "The Melbourne Cup provides one of the best examples through the likes of Rekindling, Johannes Vermeer and Il Paradiso, a horse I suspect will be very much in the reckoning again this year."

He adds, "As we retire only two or three new stallions each year to Coolmore, there are plenty of horses for sale and this presents terrific opportunities for clients old and new to get involved.

"Our team here takes calls and enquiries every day from the most far-reaching countries about prospective sales of racehorses and breeding stock alike. If clients have races they would like to target, be it on turf or dirt, Northern or Southern Hemisphere we will have plenty of options for them. Freddy had a week to find an Italian Derby winner and we were able to work it out."

Cont. from p6

Hong Kong has also been a happy hunting ground for former Ballydoyle trainees, with River Dancer (Ire), the Sadler's Wells half-brother to Dar Re Mi (GB) (Singspiel {Ire}), having won the G1 Audemars Piguet QE II Cup for The Hon. Ronald Arculli following his export from Ireland. Four years later, Archipenko, now the sire of Group 1-winning brothers Time Warp (GB) and Glorious Forever (GB) in Hong Kong, won that same race after he was sold to Sheikh Mohammed Bin Khalifa Al Maktoum and joined Mike de Kock's team of globetrotters.

The same owner-trainer team also won the G1 Hong Kong Cup with Eagle Mountain (GB) (Rock Of Gibraltar {Ire}), who was runner-up to Authorized (Ire) in the Derby when trainer by Aidan O'Brien. A little closer to home, the one-time Derby fancy Amedeo Modigliani (Ire) (Galileo {Ire}) is now in the stable of Spain's champion trainer Guillermo Arizkorreta and has won his only start in Spain's premier mile race, the Gran Premio Claudio Carudel.

"If you look at any of the bigger races across the globe, you will note Coolmore graduates amongst the rolls of honour," says Moriarty. "Master of Hounds, Mikhail Glinka (GB), Stagelight (Ire) and Viscount Nelson went on to score at the highest levels in Dubai. Joshua Tree (Ire), Ballingarry (Ire), Frost Giant, Tannery (Ire), Heatseeker (Ire) and Brahms were all at the top of their game on the other side of the Atlantic. So whether it's a Canadian International, a Singapore, Hollywood, Hong Kong or Italian Derby winner you're looking for, we have been lucky enough to have them through our hands. Not to mention of course the Cheltenham and Group 1 winners over jumps."

Ah, yes. For an outfit so focused on winning Europe's top middle-distance races, there will be plenty among them with sufficient stamina to excel in the National Hunt division, such as G1 JCB Triumph Hurdle winner Ivanovich Gorbatov (Ire) (Montjeu {Ire}).

Watch Me aims for a second Group 1 in the Prix Rothschild | *Scoop Dyga*

"As the primary focus of Ballydoyle each year is to retire the next Sadler's Wells or Galileo we would rarely have a gelding in training there, although in plenty of instances there will be improvement to come from these animals when they are gelded," says Moriarty.

"We don't strictly sell colts only. The broodmare band takes continual management and, like the racehorse string, we can't keep them all. There are a number of fillies that are offered privately each year. In cases where we have the dam and maybe a sister or two at home we would offer some for sale. This is where some of the best opportunities lie."

One recent fortunate beneficiary of this is the new owner of Peach Tree (Ire) (Galileo {Ire}), who was already a Group 3 winner in her own right when sold less than 12 months ago. Since then, her full-sister Love (Ire) has announced herself as arguably the best 3-year-old filly in training.

Another daughter of Galileo was a similarly good purchase for Australian breeder Bob Scarborough, whose purchase of Cabaret (Ire) and her subsequent mating with Invincible Spirit (Ire) resulted in him breeding the 2000 Guineas winner Magna Grecia (Ire), who was bought by MV Magnier for 340,000gns.

Moriarty adds, "We have since gone back to buy a couple of her progeny, including Magna Grecia and the very promising St Mark's Basilica who looked a smart sort on his debut last week."

ROTHSCHILD CENTRE STAGE ON SUNDAY

Deauville stages the first of its August features on Sunday, with the fillies and mares granted the opportunity to strike at the highest level in the G1 Prix Rothschild. Alexander Tamagni-Bodmer and Regula Vannod's **Watch Me (Fr)** (Olympic Glory {Ire}) sets the standard, having won last year's G1 Coronation S. and finished third in the G1 Prix de l'Opera and she looked primed for another big effort when taking the course-and-distance Listed Prix de la Calonne on July 12. Trainer Francis-Henri Graffard is expecting a bold show. "She is in great form and has improved a lot since her seasonal comeback three weeks ago," he said. "It's a Group 1 and they are always hard to win, but I could not be happier with her condition."

Watch Me meets Godolphin's 'TDN Rising Star' **Summer Romance (Ire)** (Kingman {GB}), who put up a markedly-improved performance when taking Epsom's G3 Princess Elizabeth S. over an extended mile on July 4.

Prix Rothschild preview cont.

Enjoying the run of the race there, she still managed to beat three classy fillies in Cloak of Spirits (Ire) (Invincible Spirit {Ire}), Rose of Kildare (Ire) (Make Believe {GB}) and Onassis (Ire) (Dubawi {Ire}) and Charlie Appleby is hoping she can build on that confidence boost. "We were very pleased with the performance of Summer Romance at Epsom and she came out of the race well," he said. "She made the running there, but doesn't have to go from the front--it wasn't the plan to make it last time out but nobody else wanted to go on, so we took the bull by the horns. We feel that this is a good opportunity to hopefully step up to Group 1 level."

Another who is looking to make a jump forward is Qatar Racing Limited's July 1 G3 Derrinstown Stud Fillies S. scorer **Know It All (GB)** (Lord Kanaloa {Jpn}), but the manner of her success in that Leopardstown mile contest suggests she can make an impact. Trainer Johnny Murtagh said, "She's going there in great form, hopefully. Sheikh Fahad picked this race out and I'm glad he did because it's a fillies' only Group 1 with six runners. There are obviously some good ones in it." One of those is Rashit Shaykhutdinov's G1 Poule d'Essai des Pouliches runner-up **Speak of the Devil (Fr)** (Wootton Bassett {GB}), who is back over a mile having failed to stay the 10 1/2-furlong trip of the G1 Prix de Diane at Chantilly on July 5. She is probably still underestimated and this could be her chance to make amends for her unlucky defeat in the June 1 Classic here.

In the G3 Darley Prix de Cabourg, which has been won in recent times by Dabirsim (Fr) (Hat Trick {Jpn}), Ervedya (Fr) (Siyouni {Fr}) and Earthlight (Ire) (Shamardal), the 2-year-olds get a chance to prove worthy of a tilt at the upcoming G1 Prix Morny over the same six-furlong trip. There does not look to be an Earthlight among the domestic contingent this year and, as ever, there is a strong British challenge via the July 18 Listed Rose Bowl S. runner-up **Mighty Gurkha (Ire)** (Sepoy {Aus}) and the unbeaten **Cairn Gorm (GB)** (Bated Breath {GB}).

At Dusseldorf, there is Classic action with the 162nd renewal of the 11-furlong G1 Henkel-Preis der Diana seeing a formidable collection of foreign raiders. Francis-Henri Graffard has already taken one of Germany's Classics after In Swoop (Ire) (Adlerflug {Ger}) caused an upset in the G1 Deutsches Derby and is back again with another import from this country in **Tickle Me Green (Ger)** (Sea the Moon {Ger}). Third in the G3 Prix de la Grotte at ParisLongchamp on May 11 and ninth in the G1 Poule d'Essai des Pouliches at Deauville on June 1 when under the care of Andre Fabre, Gestut Gorlsdorf's homebred made her debut for Graffard a winning one in the Listed Prix Madame Jean Couturie over 10 furlongs at Vichy on July 20.

Gary Barber and Team Valor International's **Silence Please (Ire)** (Gleneagles {Ire}) beat her stablemate and subsequent G1 Nassau S. runner-up One Voice (Ire) (Poet's Voice {GB}) in the 10-furlong Listed Salsabil S. at Navan on June 10 before finishing third behind Even So (Ire) (Camelot {GB}) under a penalty in the July 4 Listed Naas Oaks Trial. That form may be good enough in this context with no stand-out among the German brigade. One of the least exposed of them is Gestut Wittekindshof's **Elle Memory (Ger)** (Maxios {GB}), the Peter Schiergen-trained daughter of the prolific Elle Danzig (Ger) (Roi Danzig) who captured this in 1998 when it was a Group 2. The second dam of Saturday's Listed Chalice S. winner Katara (Fr) (Deep Impact {Jpn}), her Shamardal filly Elle Shadow was second in this in 2010. Although it would make a nice story if Elle Memory is to go one better, she has to progress some way from her narrow defeat of **Sister Lulu (Ger)** (Jukebox Jury {Ire}) in the 10 1/2-furlong Listed Preis Dusseldorf on June 21.

THE LIR JET HEADED TO PHOENIX

The Lir Jet | *Scoop Dyga*

G2 Norfolk S. winner **The Lir Jet (Ire)** (Prince Of Lir {Ire}), beaten a head when second in the July 19 G2 Prix Robert Papin, is set for next Sunday's G1 Keeneland Phoenix S. at The Curragh. The Qatar Racing colourbearer was originally slated for the Aug. 21 Nunthorpe S. against elders, but trainer Michael Bell said that is likely off the table now.

Lir Jet to Phoenix cont.

"The Lir Jet worked well this morning," Bell said. "He is likely to go to Ireland now for the Phoenix S. as plans have been made to get him there. We were thinking of the Nunthorpe, but we thought while he is in great order we may as well give him another chance [at six furlongs]. He just got beat in France on the nod and it was a case of one having its head up and the other having its head down. We could end up dropping back down to five with him, but there are no Group 1 2-year-old-only five-furlong races around and with the penalty he would have to carry in other races we thought it was sensible to try him at six."

He added, "You can never rule anything out, but I would say it is highly unlikely he would run in the Nunthorpe as well, as he would have been to France and Ireland and then coming back for a Nunthorpe would be quite a lot for a 2-year-old. If he was to win we would rest on laurels for a bit, if he finished a good second or third we could then look at the Flying Childers."

FORMER JUMPS JOCKEY MELLOR DIES

Stan Mellor, who was the first jumps jockey to ride 1,000 winners, has died aged 83.

Mellor retired from the saddle in 1972 after riding 1,034 winners and went on to a successful training career with jumps and flat horses, training more than 700 winners.

Brough Scott, who started as an amateur rider when Mellor was in his prime and has since gone on to a career in sports writing and broadcasting, paid tribute to his former colleague, saying, "He was a pioneer and a mentor, and a worker for other people. But he was a brilliant, brilliant champion jockey--the ultimate brain over brawn. He could do things others couldn't--people have a particular shot they can play in cricket, or a move at football. Stan Mellor, wow. He was amazing.

"His particular thing, over fences--to do with his show-jumping background--he would wind a horse up and launch it at the last fence with a rhythm and power that would be a match-winning leap. They never missed--he had it down to a tee, and when he wound them up like that, he knew what he had beneath him, and he timed it for an unbelievable match-winning blow. It was absolutely extraordinary, a byword--no one else did it like that."

Scott said Mellor also enjoyed mentoring young riders and advocating for jockeys' welfare.

"He did more for jockeys than anyone else has ever done, or ever will," he said. "At the time when jockeys were only just getting themselves organised, he was the pioneer for everything; new helmets, backpads, concrete posts, insurance. The Jockeys' Association had only just started, but he'd be the brightest person at the meeting with the head of Levy Board and such.

Stan Mellor is presented with a bottle of champagne after winning his 1,000th race | *Getty Images*

"He was very, very good at training youngsters. He always wanted to share his knowledge--he was a tremendous person to go and talk to. I'll rejoice in his life, although it's infinitely sad to think of him not being there any more."

Winning her third start by five lengths on the Polytrack at Kempton at the start of last month, Katara continued her upward trajectory to register an impressive first black-type success. Tracking the early pace in mid-division, the homebred was sent to the front passing the two-furlong pole and stayed on strongly on the uphill climb to stamp her superiority on affairs. "Sir Michael liked her coming into the race and she is progressing," her rider commented. "Her dam stayed a mile and six, but this filly is not short of gears. We will see what Sir Michael wants to do, but she could stay at a mile and a half for the moment. I'm sure Sir Michael will go step by step with her. She could end up getting to a high level."

Katara is the first foal out of the G2 Park Hill S.-placed Asyad (Ire) (New Approach {Ire}), who is one of eight black-type performers produced by the excellent racemare Elle Danzig (Ger) (Roi Danzig). Her 12 victories from two to five included 11 at group level, with her big days coming in the G1 Grosser Dallmayr-Preis, twice in the G1 Premio Roma and also in the G2 Preis der Diana and G2 German 1000 Guineas.

Elle Danzig's leading performer was the triple group 3-winning Elle Shadow (Ire) (Shamardal), who was also runner-up in the Diana when it was a group 1, and she also has the Listed Preis von Dusseldorf winner Elle Memory (Ger) (Maxios {GB}) lining up in Sunday's Diana. Showing what a resolute stayer he is when recording an emphatic success in the Listed Rose Bowl S. on the Rowley Mile over two miles here in September, the 2017 Cesarewitch H. winner Withhold was a respectable fourth when punching above his weight in Ascot's G1 Gold Cup June 18 and the G3 Henry II S. at Sandown July 5. Sent on by Oisin Murphy from the outset here, the strapping bay saw off his three rivals one by one in another stamina-packed display. Assistant trainer Harry Charlton said, "We could go and have a look at the [G2] Lonsdale Cup at York, but the race at Doncaster which is over two and a quarter miles might be more suitable. We will have a discussion with the owner as he may want to go to Australia again afterwards."

The dam, who is kin to the stakes-winning To Sender (GB) (King's Best) and the G2 Derrinstown Stud Derby Trial runner-up Address Unknown (GB) (Oasis Dream {GB}), is a granddaughter of the G3 Fred Darling S. winner and outstanding producer Slightly Dangerous (Roberto). Her five stars were the G1 Epsom and Irish Derby hero and leading Japanese sire Commander In Chief (GB), the G1 Sussex S. and G1 Queen Elizabeth II S.-winning prolific sire Warning (GB) and the GI Flower Bowl Invitational H. heroine Yashmak (Danzig), who is in turn the dam of the G1 Prix Jean-Luc Lagardere winner Full Mast (Mizzen Mast). Next up from the dam is an as-yet unnamed 2-year-old colt by Dragon Pulse (Ire) and a yearling filly also by that sire.

Get Shirty, unraced as a juvenile, won one of eight sophomore starts last year and notched a May 18 Chantilly handicap score going 15 furlongs on seasonal return before running third back over that course and distance in the June 14 G2 Prix Vicomtesse Vigier on black-type bow last time. Stalking the leading duo in third for most of this marathon, he was angled to the far-side rail for his challenge with 350 metres remaining and was not for catching once seizing control soon after to claim a career high.

"He took a lot of time to mature and only now is able to give his best," commented winning trainer Christophe Ferland. "I think he won quite well today, even though he lost a shoe during the race, and the plan is to come back here for the [G2] Prix Kergorlay. If all goes well and he makes the race and we can travel, we'll then take him to Australia for the [G1] Melbourne Cup."

SILVANO STARS AGAIN AT NATIONAL SALE

Saturday's second and final session of the Bloodstock South Africa National Yearling sale saw seven additional seven-figure (Rand) lots added to the top of the price list. Maine Chance Farms's champion sire Silvano (Ger) had been the star of day one, responsible for the top four lots including the sale-leading R7-million colt (£313,406/€348,135), and he once again provided the top two on Saturday. The leading light was Maine Chance's colt (lot 329) bought by Anthony Beck for R2.3-million (£102,976/€114,387). He is the second foal out of the G1 SA Oaks winner Pine Princess (SAf) (Captain Al {SAf}), who has an as-yet unraced 2-year-old full-brother.

Wilgerbosdrift sold the sale's two highest-priced colts on Friday and they provided another highlight on Saturday in the form of lot 251, a Silvano half-brother to Group 3 winner Folk Dance (SAf) (Tiger Ridge) and the Classic-placed Capoeira (SAf) (Oratorio {Ire}). He was bought by Form Bloodstock for R1.6-million (£71,635/€79,573).

Young sire Gimmethegreenlight (Aus) was the one to break up Silvano's momentum on the leaderboard, with a colt (lot 366) sold for R1.4-million (£62,681/€69,627) to Form's Jehan Malherbe. Malherbe paid the same price for lot 453, a rare offering in this country by Uncle Mo. The colt is the second foal out of Ubiquitous Mantle (Ire) (Alhaarth {Ire}), a three-time winner in Ireland the U.S. and a granddaughter of the G1 Yorkshire Oaks winner Roseate Tern (GB) (Blakeney {GB}).

Unsurprisingly in the COVID era, figures were slightly off from last year's returns. From 478 yearlings catalogued over the two-day sale, 341 were offered and 294 sold for an aggregate of R86,915,000 (£3,891,393/€4,322,601). Last year, 438 had been sold over three days for R139,380,000 (£6,240,377/€6,931,877). The average dipped 7.2% to R295,629 (£13,236/€14,702), while the median was down 8.6% at R160,000 (£7,163/€7,957).
