RUSHING FALL NIPS MEAN MARY TO GIVE BROWN FIFTH STRAIGHT DIANA

Rushing Fall (neon cap) edges Mean Mary | *Sarah Andrew*

Star turf mare **Rushing Fall** (More Than Ready) avenged a loss as the favorite in last year's GI Diana S. Sunday at Saratoga, wearing down pacesetting Mean Mary (Scat Daddy) in a thrilling stretch duel to earn her sixth Grade I victory. The win also gave trainer Chad Brown a remarkable fifth consecutive score in the Diana and sixth overall.

Named a **'TDN Rising Star'** for her impressive debut victory at Belmont three seasons ago, the e Five Racing Thoroughbreds colorbearer backed that distinction up with a victory in the GI Breeders' Cup Juvenile Fillies Turf. Reeling off a trio of Grade I triumphs in the Queen Elizabeth II Challenge Cup S., Longines Just A Game S. and Coolmore Jenny Wiley S. from fall of 2018 to last spring, she couldn't quite go with champion stablemate Sistercharlie (Ire) (Myboycharlie {Ire}) when runner-up in last year's Diana. Producing her only dud thus far with a fourth in the GI First Lady S. to close out her 4-year-old campaign, the bay bounced back with a conquest of the GIII Beaugay S. in her seasonal bow before a successful, course-record-setting title defense in the Jenny Wiley last out.

Favored per usual, though not by a large margin as Mean Mary attracted robust interest as the close second choice, Rushing Fall broke sharply following a gate delay that resulted in the late scratch of longshot Secret Message (Hat Trick {Jpn}). ***Cont. p3***

NO MORE DOUBTS, MAXIMUM SECURITY IS BACK

The Week in Review, by Bill Finley

When **Maximum Security** (New Year's Day) had to fight his way to a narrow victory in the GII San Diego H., it was fair to question whether or not this was the same horse that had been so outstanding throughout his career for trainer Jason Servis. Yes, he won that day, but the dominance and brilliance he had shown on so many occasions for a trainer who was subsequently indicted for allegedly doping his horses was not there.

Then again, it seemed unwise to write him off after one race. His trip in the San Diego was not ideal as he broke on top, led and then was taken back off the pace to avoid a speed duel before coming on again in the stretch to narrowly prevail. It was also his first race in five months and trainer Bob Baffert said after the fact that he only had the horse 80% cranked. ***Cont. p6***

TIZ THE LAW DRILLS BULLET FIVE FURLONGS **12**

In his second-to-last breeze before heading to Louisville as a likely prohibitive GI Kentucky Derby favorite, Tiz the Law (Constitution) covered five furlongs in a bullet :59.47 (1/39) under cover of darkness Sunday morning at Saratoga.

MO FORZA COMES BACK RUNNING IN DEL MAR MILE **13**

Off since a ninth-place run in the GI Pegasus World Cup Turf Invitational S. Jan. 25, Grade I winner Mo Forza (Uncle Mo) returned with a dominant victory in Sunday's GII Del Mar Mile H.

Rushing Fall Gives Brown Fifth Straight Diana cont. from p1

Allowing her main rival to go on with it heading into the clubhouse turn under Javier Castellano, the multimillionaire traveled in a clear second up the backstretch behind modest fractions of :23.60 and :48.38. Moving up to the leader's flank as the quintet bunched up through three-quarters in 1:11.90, she drew on even terms nearing the lane and the top pair sped away from the other three soon after straightening for home. Sticking her nose in front for the first time at the sixteenth pole, Rushing Fall narrowly did the better work from there and struck the wire a neck to the good, securing her 11th success in 14 career trips to the post. It was 2 1/2 lengths back to Sistercharlie in third.

"She knows how to win. She's a remarkable horse," Brown said. "This is a horse that has won Grade Is in four straight years. This is very rare company to do this. She's a horse of a lifetime for anybody--for an owner, for a trainer, for racing. We're very fortunate that [e Five's] Bob Edwards put her back in training. Her last race of the year last year was not good, she's worth a lot of money and they could easily have sold her and bred her. They gave her the time off and we sent her down to Stonestreet in Ocala like we do every winter where they do a fantastic job and then my team got a hold of her and took it from there. They executed like they always have, and the filly really came through. She's special."

The final running time of 1:45.88 represented the third-fastest clocking in the 82-year history of the Diana, behind Hard Not to Like (Hard Spun)'s 1:45.22 in 2015 and Hall of Famer Waya (Fr) (Faraway Son)'s 1:45.40 in 1978.

"The plan was to go to the lead," Castellano said. "I broke out of the gate and tried to send to dictate the pace, but Mean Mary never took up and tried to take the lead."

"I tried to ride smart, it's a mile and an eighth and I thought it was smarter to save something for the end," he continued. "Today, we were very fortunate. I rode her like she was the best filly in the race. She's very tactical. She doesn't have to be on the lead, she can come from behind also, but I didn't see much other speed in the race, so we tracked the other filly every single step of the way and when I asked her, she responded. She knows how to win. I'm so lucky to ride her because she's one of the best fillies I've rode in my life."

"It means a lot," Brown added of his fifth straight Diana win. "This is a very important race that we point for every year and we've been fortunate through the years to have horses that really fit. She's a great horse and she ran a super race today."

Regarding Sistercharlie, who finished third for the third consecutive race, the first time she's gone three tries without a victory in her career, Brown said, "I thought she took a nice step forward towards the Breeders' Cup today. This course is very speed-favoring. It's hard to imagine a scenario, no matter what the pace is, where she is going to be able to make up that much ground. It's just the way it's played all meet. I thought she ran much better today than she did in the Ballston Spa and we can potentially run her one more prep before the Breeders' Cup. I can see her rounding into form right at the right time."

Pedigree Notes:

One of 203 stakes winners, 91 graded stakes winners and 24 Grade I winners for More Than Ready, Rushing Fall is the third black-type performer out of Autumnal, a $260,000 purchase at Keeneland November in 2007. The 18-year-old mare, a full-sister to GSP Sisti's Pride out of GSP Marie J, produced a full-brother to Rushing Fall Mar. 24. Week in Review cont. from p1

That's what made Saturday's GI TVG Pacific Classic at Del Mar such an important race for Maximum Security, maybe even the most important race of his career. The race was all but certain to answer all the questions that had surrounded the horse over the last three weeks. A defeat or even a hard-pressed victory would be seen as proof positive that he wasn't the same. An impressive win would be seen as affirmation that he's just as good now for Baffert as he was for Servis. This time, there would be no gray area.

Maximum Security | *Benoit Photo*

Maximum Security answered every question and quelled all the doubts. He went to the front, relaxed for jockey Abel Cedillo and drew off to win by three lengths in what was a markedly improved performance over the San Diego. It wasn't exactly the toughest field he has ever faced, but that didn't matter. He went out there and left no doubt that no matter who trains him this is a very good horse.

The Maximum Security who won the $20-million Saudi Cup, the GI Cigar Mile H., the GI TVG.com Haskell Invitational S., the GI Xpressbet Florida Derby and crossed the wire first in the GI Kentucky Derby was back.

"I felt pretty good about him," Baffert said Sunday. "It was a challenge but I knew down deep that he is a race horse, that he is a good horse. I was never worried that he wasn't going to run because he needed certain medications. When I got him I knew he was a runner."

Baffert said he saw noticeable improvement in Maximum Security from his prep for the Pacific Classic and the Pacific Classic itself.

"The San Diego woke him up and he was training great," he said. "We figured him out. I knew going in that he was going to run a big race and that he was the best horse. When I got him he was a very sound, healthy horse and he still is. Unfortunately, he's been through a lot."

Baffert's job from here is to continue to get the best out of Maximum Security through what will be his final year of racing. The major goal, of course, will be the GI Breeders' Cup Classic and Baffert said he may have one more start between then and now. He's predicting that Maximum Security will only get better.

"I can see that he is going to get stronger and stronger and better and better and by the Breeders' Cup he should be doing great," the trainer said.

Especially when considering the abilities of potential rivals like Tiz the Law (Constitution), Tom's d'Etat (Smart Strike) and Improbable (City Zip), Maximum Security will have to bring his A game in order to win. That shouldn't be a problem. The A game is back.

Gmax, It's Not Just the Turf

Equibase announced last week that the Gmax system will no longer be used on turf races at Del Mar during the summer meet. Instead, they will be hand timed. While admitting there was a problem timing the turf races, they maintained that everything is going just fine when it comes to dirt races.

"The times produced by the Equibase GPS System for dirt races have proven to be highly accurate and will continue to be provided," read a statement from Equibase.

Huh?

On one weekend alone at Del Mar, the Gmax system failed badly when it comes to recording dirt times. On the weekend of Aug. 1 and 2, there were six dirt races in which changes had to be made after the original time was posted on the infield board when the horses crossed the wire. The list includes the GI Bing Crosby S. Based on those races alone, how can Equibase claim that the system is "highly accurate?" ***Cont. p8***

Perhaps the problems are worse on the turf, but they have also been cropping up in dirt races and it's hard to believe that the problems have been limited to Aug. 1 and 2.

For the most part, Equibase has been reluctant to admit that there are any serious problems when it comes to the Gmax system, which relies on GPS technology. But there's more than enough evidence out there to conclude that Gmax has plenty of bugs and, in its current state, is an inferior way of timing races when compared to the teletimer system. Equibase should not be satisfied with a system that gets it right most of time.

Dirt races at Del Mar are being timed using the Gmax system
Benoit Photo

Equibase argues that Gmax is more than a timing system, that it can provide ample benefits for the industry, everything from timing workouts to creating slick looking graphics packages. But to the people whose bets provide the revenue structure that drives the sport, all that really matters is accurate times. Surely, Equibase and its parent company the Jockey Club, must understand that.

The solution to this problem seems obvious. Equibase doesn't have to throw its own product under the bus, but it should acknowledge that there are problems with Gmax. Do that and then go back to the teletimer system at the Gmax tracks with a promise that the GPS technology won't be put back in until its flaws can be fixed. At the same time, continue to use Gmax for all else that it does. Just not to time races.

In New Jersey, No Transparency

Not everyone agreed with NYRA's decision to let trainer Wayne Potts race at Saratoga on Sunday, but everyone should applaud them for how they handled the situation. Transparency matters, and they get that.

Potts was the subject of a recent story in the *Paulick Report*, which reported that he had been told to leave Laurel because of allegations that he was acting as a front for trainer Marcus Vitali.

NYRA got ahead of the story and released a statement that explained why Potts was allowed to race there. It was explained that since no regulatory body had taken action against Potts and since he was licensed in New York, NYRA did not feel there were any grounds for not allowing him to run.

Compare that to how New Jersey handled the same situation. On the same day that Potts competed at Saratoga and won with his lone starter on the card, he had two horses in on the program at Monmouth. One was scratched and one was not. Why was that the case and was Monmouth taking any action against Potts?

That question was directed by the *TDN* to steward Steve Pagano, who politely explained that the Monmouth stewards are not allowed to talk to the press. Pagano supplied a number for the New Jersey Racing Commission. Calls were made to that number but no one there even answered the phone.

Potts started one horse per day on both Saturday and Sunday at Monmouth, so he obviously hasn't been banned there, but the public has every right to know just what his status is and why one of his horses was scratched on Friday. Muzzling the stewards is ridiculous.

Cont. p9

This is the same racing commission that can't get it right when it comes to paying out purses at Monmouth. The payments have been on hold for a month and a half while waiting for Truesdail Laboratories to report back to the commission on the drug tests that have been administered.

The New Jersey Racing Commission needs to do a better job.

ART COLLECTOR TEAM AWAITING MANY 'FIRSTS' OF DERBY DAY

by Katie Ritz

On a cloudless August morning in Goshen, Kentucky, a steady stream of horses step on and off the synthetic track at Skylight Training Center. It's a tranquil, scenic drive along Liberty Road to get to Skylight, and quiet still upon pulling into the training center's drive.

But at a barn towards the far end of the property, there's a certain effervescence at Tom Drury's stable. The magnetic energy is palpable even in watching the staff go about their daily tasks.

"It's a lot busier around here lately," Drury said with a smile after giving instructions for a mid-morning set. "We aren't used to all this attention out here."

The rural training center has been in the limelight lately due to an imposing 3-year-old colt bound for the GI Kentucky Derby. Art Collector (Bernardini) is the star of the show at the Drury barn, his trainer noting that while the horse is perhaps a touch spoiled these days, the extra attention is all well deserved.

Tom Drury talks top Derby contender Art Collector

"I'm really happy for my staff," he said. "We've had a lot of good horses go through the barn that we've been associated with from afar. Now all of a sudden my staff gets the opportunity where they're the ones people see galloping the horse on TV, or leading the horse in the paddock. It's just special. All these guys work really hard, and it's a team effort. There's just an excitement on the whole farm right now."

Art Collector is special for Drury himself in many ways, one being that the colt provided him with his first-ever graded stakes victory.

"Who wins their first graded stakes in the Blue Grass?" Drury said. "That was an unbelievable day. My program is normally set up for us to go into Keeneland hoping to just win a race every year. That's our goal. To go in and win that one, it was pretty special."

After earning 100 points toward the Derby at Keeneland, it was initially uncertain if the son of Bernardini would see the starting gate again before the first Saturday in September.

"I felt like the Blue Grass was the first time this year he had gotten tested at all," his conditioner said. "And he certainly passed the test, but in the back of my mind, I was thinking if we're going to face some of the horses that are going to show up for the Derby, we needed one more to get to where we wanted to be."

When Art Collector streaked past the rest of the field to win the Aug. 9 Runhappy Ellis Park Derby by more than three lengths, Drury said it was exactly the final prep they were hoping for.

"It was storybook," he said. "We got what we were looking for out of it, but without having to do too much."

The win marked a monumental day for Ellis Park. Announcer Jimmy McNerney noted it as "the biggest day in the track's 98-year history." The victory had similar resonance with Drury, who has shipped many horses down to Henderson over his 38-year career, and remembers making his second career start there with the first horse he ever trained.

Art Collector has been back at his home base in Goshen for two weeks and is preparing for the 25-mile ship to Louisville any day now. On Friday, he worked an easy four furlongs over the all-weather track there in :49.10.

"[He's been on] just a maintenance schedule," Drury said of the colt's training regime following the return from Ellis. "He's fit and he should be ready to roll. I'm thinking sometime this week, we'll take him on into Churchill. The next work will probably be a little more serious, and hopefully everything will continue to go the way it's went so far."

Drury shared that the bay enjoys his fair share of grazing hours at his current residence under the watchful eye of long-time assistant trainer Jose Garcia.

"Jose doesn't like to let anyone get close to him," he said. "Whether you come in the morning or afternoon, there's a good chance you're going to see Jose grazing Art Collector somewhere on the farm. If there's anything that needs to be done to Art Collector, Jose does it himself--sometimes to a fault, because we've still got 60 other horses here." ***Cont. p11***

When asked what this thrilling ride has meant to him personally, Drury hesitated to respond for just a moment.

"I've told everybody, that's the one thing I struggle talking about. I mean, gosh, what do you say? A guy gives you an opportunity with this horse at this level, and you've never been in this situation before. I feel like Bruce [Lunsford, owner] has faith in me and my ability. I certainly have faith in my ability."

Art Collector romps in the GII Blue Grass S. | *Coady*

For both owner and trainer, it will be their first experience seeing their name listed on the Kentucky Derby race card.

"For all of us, it's our first trip down this road," Drury said. "So we're all excited and it means the world. It's why you get up every day, to try to get yourself in a situation like this."

While jockey Brian Hernandez Jr. is no stranger to major Grade I wins, a victory with Art Collector would mark his first trip to the Kentucky Derby winner's circle.

"Brian and I are good friends, and he called me last winter asking if I had him [Art Collector]," Drury recounted. "I figured at that point he must be pretty special. If the jockeys are trying to find him, then he must be alright."

Drury said he plans to leave the details of the trip over the Churchill Downs course in the hands of Hernandez.

"I would expect the perfect scenario would be for us to be somewhat forward," Drury noted. "But up to this point I've let Brian worry about that every race so far, and I'm going to let that be his problem. It's hard to make a plan for the Derby because there are so many factors that come into play that are out of your control–the field size, what everybody else is doing, your trip and things of that nature."

Despite the uncertainties, Drury said he gets butterflies of excitement, rather that nervousness, when thinking about the walkover to the paddock.

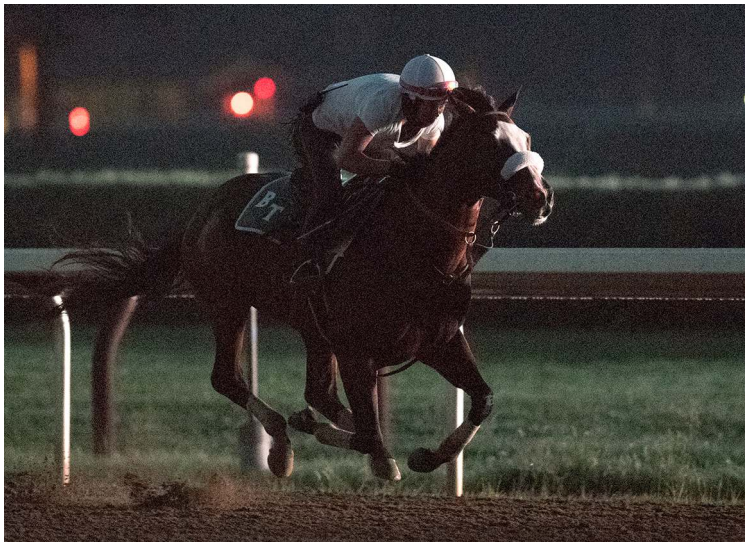
TIZ THE LAW DRILLS FIVE-FURLONG BULLET IN PENULTIMATE DERBY BREEZE



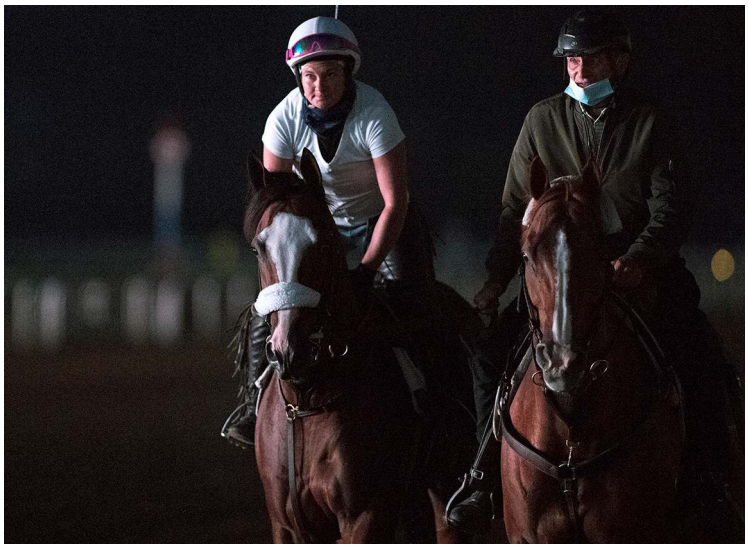
Tiz the Law works in the dark Sunday at Saratoga | *Sarah Andrew*

Sackatoga Stable's **Tiz the Law** (Constitution), a looming prohibitive favorite in the GI Kentucky Derby, recorded his second-to-last breeze before the Sept. 5 Run for the Roses when covering five furlongs in a bullet :59.47 (1/39) over the Saratoga main track Sunday morning. The Barclay Tagg trainee was scheduled to breeze Saturday at the Spa, but had his work pushed back a day after a sudden downpour drastically changed the track conditions.

Working under cover of darkness at 5:30 a.m. Sunday under exercise rider Heather Smullen, Tiz the Law clicked off his three-furlong split in :35 3/5 before galloping out six panels in 1:12 4/5 and up in 1:26 flat (XBTV video).

"It went fast enough, but not too fast," Tagg told the NYRA notes team. "It was a little quicker than usual, but it wasn't too quick for him. He's a pretty fast horse. I told Heather I wanted a good work in him. I didn't want to set any records out there. I wanted her to keep a good snug hold on him. I wanted a good work."

The breeze was Tiz the Law's first since romping with a career-best 109 Beyer in the GI Runhappy Travers S. Aug. 8. He is scheduled to breeze once more next weekend before shipping to Churchill Downs. ***Cont. p13***



Tiz the Law with Heather Smullen aboard | *Sarah Andrew*

"This is an important workout. In one way, I don't have any way to make up for it," Tagg said. "It's the first thing he has done in the last two or three weeks. That's why I needed a good work today. If he goes a little too slow going on top of the race, I wouldn't want that, but I don't want it too fast either. It's going to have to be almost perfect. If it's just like today, that would be fine. I can only work him two times before this race. To me, this work was more important."

Smullen added that the darkness affected Tiz the Law's focus in the early part of the work before the colt buckled down for the stretch run.

"It was a little dark and he wasn't quite as focused going down the backside," she said. "He was playing around. At the three-eighths pole, I took my stick out. He stayed nice and straight. I never had to ask him. At the eighth pole, he saw a horse. I didn't have to do anything. He finished up his work. Galloping out, he just kept going. He's good at what he does."

Elsewhere on the Derby contender worktab Sunday, John C. Oxley's **Enforceable** (Tapit) drilled six furlongs in 1:12.20 (1/2) Sunday morning at Churchill. Last seen running fourth in the GII Toyota Blue Grass S., the gray worked in the fog under Adam Beschizza in company with stablemate Ghost Fighter (Tapit) and got his final five-eighths in :59.20.

"He's doing extremely well," said trainer Mark Casse. "This was his last big breeze. They caught him in 12 and 1, but he probably went a little faster because we broke him off at the five and a half and we worked him a sixteenth past the wire, but it was so foggy. The time isn't as important as how well he did it. Adam said he couldn't get him pulled up until the three-eighths pole. He's doing very well and is holding his weight good. I told Mr. Oxley that I don't know where he fits with this group, but we couldn't ask him to be any better than he is right now."

Grade I winner Mo Forza, unseen since an off-the-board finish in the GI Pegasus World Cup Turf Invitational S., came back sharper than ever with a convincing victory in the GII Del Mar Mile H. Sunday.

Mo Forza | *Benoit*

Taking six tries to break his maiden, the bay earned his cap and gown Sept. 29 on the Santa Anita turf and repeated at 18-1 in the GII Twilight Derby. Scoring as the narrow favorite in the GI Hollywood Derby, he made it four in a row in the GII Mathis Brothers Mile S. before fading to ninth with a wide journey in the Jan. 25 Pegasus Turf.

Away a step slowly while removing blinkers as the heavy favorite, Mo Forza traveled in a distant sixth as two longshots went at through a :22.59 quarter and :45.84 half. Patiently handled by Flavien Prat while saving ground on the far turn, he crept up on the tiring leaders approaching the lane and split horses soon after straightening. Bursting to the fore, he opened up several lengths in just a few strides, slammed the door inside the eighth pole and powered past the wire a much-the-best winner. Restrainedvengence won a photo for the place.

“That gave me goose pimples,” said winning trainer Peter Miller. “I was just hoping I had him tight enough and ready to perform. This was a good group of horses, but he's exceptional. To see this horse back in the winner's circle is really exciting. He had a tendency to get rank in his races last year and wanted to run over horses, so we thought we didn't want that problem this year and we took the blinkers off. He's been working without them and I thought that if it doesn't work out I'm going to look like an idiot, but thank goodness it worked out. We think the Breeders' Cup will definitely be the end of the year with one race in between.”

Pedigree Notes:

One of 62 stakes winners, 34 graded stakes winners and eight Grade I winners for Uncle Mo, Mo Forza is the first foal out of Inflamed, who sold to Glen Hill Farm for $170,000 at Keeneland November after his Twilight Derby win and then resold to Shadai Farm for $525,000 at Keeneland January with his Hollywood Derby score in the rearview. A full-sister to Burns, who won the GII La Jolla H. over this course in 2011, Inflamed is responsible for a yearling Munnings colt and produced a filly by Tapiture May 1 before returning to Uncle Mo.

LUKAS RECOVERED FROM COVID-19, TESTS NEGATIVE

Hall of Fame trainer D. Wayne Lukas, who reportedly had tested positive for coronavirus last week and was in isolation, has recovered from the illness and received a negative COVID-19 test result, according to a tweet from his grandson Brady Wayne Lukas Sunday morning.

"Wayne has completed the isolation period and has received a negative test result," Lukas said. "He's back!"

The 84-year-old conditioner was first reported to be positive for COVID-19 Aug. 12. In a tweet, Brady Lukas said, "Wayne recently tested positive for COVID-19 and has since been isolating at home and following CDC and health care provider recommendations. Fortunately, he had not been at work for several days prior to the first symptom, so no one else at the barn is impacted."

LETTERS TO THE EDITOR

Editor's Note: Tuesday, the Kentucky Horse Racing Commission will hold a hearing before the Joint Committee on Licensing, Occupations, regarding the proposed amended regulation which would partially ban the use of Lasix at Kentucky tracks. The proposed ban would include all 2-year-old horses racing in Kentucky this year and be extended to stakes races in 2021, and is being advanced by a national coalition of racetracks and other racing organizations that includes all of Kentucky's racetrack operators. On June 1, Franklin (Ky) Circuit Court Judge Thomas Wingate denied a motion by the Kentucky Horsemen's Benevolent and Protective Association (KHBPA) that sought a temporary injunction that would have kept Churchill Downs and Keeneland from running Lasix-free 2-year-old races, ruling that the KHBPA had no standing in the case. He later vacated that ruling to give the organization time to address the issue of standing. Jerry Brown, the president of Thoro-Graph, will be called as one of the witnesses by the KHBPA to represent the interest of bettors. Brown provided the TDN with the opening statement he plans to make.

Mr. Chairman and other distinguished members of this Committee, thank you for the opportunity to address you in opposition to the proposed amendments to 810 KAR 8:010 Section 6 partially banning the use of furosemide (commonly called “Lasix”). I am the President of Thoro-Graph Inc., which publishes proprietary data used by high-end horseplayers and horsemen around the country. We currently have about 3,000 active customers who bet several times the national average. I personally bet seven figures annually, and some of our customers wager through a joint pari-mutuel venture we have with the New York Racing Association that will handle $25 million this year.

The first thing I need to make clear is that I am not pro-drug; in fact, just the opposite. No one has been fighting longer or harder than I have to stop the use of performance-enhancing drugs in our industry. That's why The Jockey Club invited me to assist them when they took on the issue with their Safety and Integrity Committee back in 2008, and in the next few weeks will be announcing a new project using our data to identify potential drug cheaters.

Cont. p15

Having said that: being pro-Lasix is not being pro-drug. Legal use of Lasix is an entirely separate issue from illegal use of Performance Enhancing Drugs (PEDs). There is no serious claim that Lasix causes unsoundness or other damage to racehorses, in fact, to the contrary, it helps the ones who need it stay healthy. There is also not, to my knowledge, even any claim of a benefit to the *business* of racing that would come from banning Lasix, let alone any evidence that would back up that claim.

The idea seems to be that they race without Lasix in Europe, so we should. Well, American dirt racing is much different than the grass racing they have over there. In those races they gallop along early and only run full out the last part of the race. Here, on dirt, they are going close to full blast the whole way--every horse in dirt races is tired and decelerating in the stretch, even the ones that make up ground. Running that way causes far more stress on the horses, and horsemen will tell you that bleeding is caused by stress.

The reason racing works as a business is because of wagering. Bettors pay directly for the purses the horses race for, and thus indirectly for the paychecks of everyone in the industry, including ultimately commercial breeders, who only have a market for their products because buyers have an opportunity to race for those purses. And the reason racing is so heavily regulated is those bettors have to be protected, so that they can have confidence the game they are playing is fair and will continue to provide the revenue stream for our industry.

If Lasix is banned, more horses will bleed during races, and it will cause them not to be able to run to their ability. That's a fact that nobody even disputes. As a result, there will be no way anyone handicapping races will have any idea when that will happen, or to which horses. And they also won't know whether a horse that ran poorly last time did so because he bled, unless he did so visibly, so there will be no way to know how that horse will run today. And there are only two possibilities--he will run again untreated for bleeding, which is bad not only for the horse but for the betting public, or he will be treated with something else, legal or illegal. But unlike with Lasix, which is listed in the program, the public won't know the horse's status, or how to evaluate him, in either case.

Do you know who will? There are people who pay for information like that, and bet accordingly. They will effectively be insider trading--which is exactly the kind of thing regulation of racing is meant to avoid, and instead we will be creating a market for it. Get ready for horses coming off a terrible performance and listed at 20-1 getting bet down to 2-1, and winning by 10 lengths. And get ready for the backlash when honest bettors get upset about it, and take their money elsewhere, to games where they think they get a fair shake.

When Lasix was first used to treat bleeders, those were the kind of jump-ups and betting coups we saw, and it's the reason Lasix quickly became the only drug listed in the program. For bettors, that's the Good Housekeeping Seal Of Approval--it tells them the horse will get every chance to run up to its natural level of ability that day. And that is why I have never heard a horseplayer say they will bet more if Lasix is banned--and many, like me, will bet less. As in business, uncertainty hinders investment--and in this case, that investment is wagering.

A point about "optics": Some people apparently think that banning Lasix will make our game look better to the public, and to PETA. Those people have never seen a horse bleed badly, like Demons Begone did on national TV in the 1987 Derby, when he came back to be unsaddled with blood all over him. If you saw it, you won't forget it. And in today's environment, all it takes is that happening once, at any track, on any day, if someone with a cell phone is nearby to take a picture. The photo would quickly be on the PETA calendar. And what happens if the horse in front in the Derby bleeds, chokes and stops, with 19 horses right behind him, on national TV? PETA won't be calling for the return of Lasix. They will be calling for a ban of racing.

Finally, I would like to say that the Lasix issue is being presented as a false choice--either everyone gets to race on it, or it gets banned. The goal should be to let the horses who need medicine have it, and to not have the others race on it. This can be done by having the state vets examine horses to certify they really are bleeders and therefore eligible for Lasix, which was the original rule, and by taking away the incentive to use Lasix if you don't need it, by having those that do use it carry a weight penalty. If this issue is dealt with sensibly, within a couple of years you can have the vast majority of horses racing without Lasix.

Gretzky the Great earned the first black-type win for his first-crop sire (by Uncle Mo) as he eventually wore down frontrunner Into the Sunrise to prevail in Woodbine's Soaring Free S. Sunday afternoon. Second to favored Ready to Repeat going five panels over the local lawn July 12, the bay broke through by daylight over a rained-off six furlongs Aug. 2. Away well from the outside five hole, Gretzky the Great skated along out in the clear in second as Into the Sunrise enjoyed a clear lead and Ready to Repeat traveled well held down on the fence in third. The pacesetter posted a :45.51 half and looked to have the race to himself at the top of the stretch, but Gretzky the Great and Kazushi Kimura kept chipping away to seize the lead in the waning moments.

Gretzy the Great | *Michael Burns*

"I was so satisfied the last time and today that was the best performance of his life," said Kimura.

David Anderson paid $310,000 for the winner's dam Pearl Turn while she was in foal to Pioneerof the Nile at KEENOV '16. Pearl Turn produced a Quality Road colt in 2019 and was bred to Uncle Mo for 2021. The Uncle Mo--Bernardini cross is a potent one, having produced Grade I winner Mo Town and Grade II winners Mopotism and Modernist. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

'**TDN Rising Star**' Alda got up in the shadow of the wire to take Sunday's Catch a Glimpse S. narrowly over a fellow granddaughter of Speightstown in Dreaming of Drew (Speightster). A fast-finishing third against the boys going five grassy furlongs at Belmont June 12, the chestnut broke through convincingly over an extra eighth of a mile there July 9.

Drifting up to 5-2 at the off after vying for favoritism early with big-figure second-out graduate Dreaming of Drew, the Wertheimer homebred dropped out the back early and a snug Steven Bahen hold. She scraped paint while advancing into the stretch, and drafted behind Dreaming of Drew at the head of the lane as that one tried desperately to get off the inside and reel in pacesetter Illegal Smile (Ire) (Camacho {GB}). Alda veered out wide as Dreaming of Drew struck the front, and she kept coming to get in a photo that to the naked eye seemed like it may have gone the other way.

"I had talked to [trainer Graham Motion] this morning and I watched her races yesterday," said Bahen. "She's got a real big kick and we discussed that we should just be off the pack, three or four off would be nice. I ended up being a little further back than I wanted to, and she gave me that run she has."

The consistent Archidust was third in the Mar. 7 Silks Run S. at Gulfstream in his final outing for Jorge Navarro and returned with a win over this course and trip in the July 18 Wolf Hill S. The chestnut colt sat just off the pace while racing along the rail. Angled out to the center of the course at the top of the stretch, he closed steadily to just get on top of a three-way photo finish.

"He's a pretty easy horse to ride," said winning jockey Hector Diaz, Jr. "He broke running. He has tactical speed to be right there early and he has a gear at the end. When you ask him, he responds. All you need to do is keep him out of trouble and have a nice trip and he is going to do the rest. I was able to save a little ground early because I knew as soon as I switched him to the outside, he was going to go. The other two horses hung in there gamely. My horse just ran them down. Also Ran: Sebastian's Boy, Greedy Creedy, Edge to Edge, Stage Door.

Bodenheimer earned a gaudy 82 Beyer Speed Figure for an 11 1/4-length drubbing over the Canterbury turf July 29, but was the slight second choice here to Chicks Dig Scars, winner of the Iowa Stallion Futurity S. here three weeks earlier. Able to clear from his wide draw with minimal effort, the dark bay cruised towards the stretch under a quiet ride as Chicks Dig Scars was pushed along to keep up. Chicks Digs Scars wouldn't give up in the stretch, and Bodenheimer was saved by the line. The winner has a yearling half-sister by Harbor the Gold. His dam produced a Mor Spirit colt this term before being bred back to that sire. **Click for Equibase.com chart. VIDEO, sponsored by Fasig-Tipton.**

QUERELLE (f, 4, Violence--Orbital Affair, by El Corredor), claimed for $40,000 out of a third-place effort at this course last November, was third in the one-mile GIII Wilshire S. at Santa Anita June 20 and was second in a course-and-trip optional claimer last time out July 24. The 6-5 favorite was taken in hand and settled off the pace as Watch Me Burn (Hold Me Back) opened up a clear advantage on the front end. The pacesetter was 2 1/2 lengths in front at the top of the lane, but Querelle and Fantasy Heat (Unusual Heat) stormed past the pacesetter in deep stretch with the favorite just getting the better of that foe in the final jumps to win by a head. The unraced Orbital Affair, in foal to California Chrome, sold for $16,000 at last year's Keeneland November sale and was exported to Saudi Arabia. The 2-1 favorite was well in hand while racing off the pace. He made rapid progress on the final bend and surged to the lead in the dying strides to win by 3/4 lengths over pacesetting My Silencer (Silent Name {Jpn}). Dismissed at 14-1, the dark bay colt broke alertly and was in front in the early strides, but found himself widest in a three-way battle for the lead. Facing minimal early resistance as she cruised along through splits of :25.25, :49.49 and 1:13.58, the bay had plenty left in the tank for the stretch drive, and widened at will to defeat fellow second timer Uptown Flirt (Speightster) by 6 3/4 lengths. Favored firster Black Sand (GB) (Dubawi {Ire}) advanced ominously heading for home but flattened out in the lane to settle for third. The winner is the second foal and first to race out of a mare who was stakes-placed on the Aqueduct inner track before being purchased for $160,000 by John Ed Anthony's Shortleaf Stable at the 2015 Keeneland November sale. Holiday's Jewel produced a Street Boss filly in 2019 and a Collected filly this term. She most recently visited Arkansas-based Double Irish. The dark bay filly prompted the pace through an opening quarter in :22.54 and a half in :46.13. The pacesetter began to tire into the stretch, but Fifth Risk was challenged by Jade Empress (Shanghai Bobby) and gamely outbattled that foe to the wire to win by a half-length. Fifth Risk, a $160,000 FTKJUL yearling, is a half-sister to Go On Mary (Broken Vow), SW, $225,303. The dark bay filly was away sharply and was soon at the head of affairs, setting fractions of :21.93 and :45.90. She extended her advantage down the lane without being asked and finished geared down and 3 1/4 lengths to the good of Ensley's Dream (Smiling Tiger). Harris Farms purchased Camille C, with Needless to Say in utero, for $25,000 at the 2017 Keeneland November sale. The mare, who was third in the 2010 GII Hollywood Oaks, produced a colt by Clubhouse Ride in 2019 and a filly by Mr. Big in 2020. She was bred back to Smiling Tiger.

Not This Time's daughter Princess Noor was tabbed a 'TDN Rising Star' after her sparkling debut at Del Mar Saturday. Sent off at 4-1, the dark bay filly was allowed to settle into stride and rated off the early pace. She strode into contention with a five-wide move into the lane and reeled pacesetting Acting Out (Blame) with a powerful late rush to win by 3/4 lengths. Favored As Time Goes By (American Pharoah), who tracked the pacesetters throughout, attempted to sneak through a narrow opening along the rail approaching the stretch, but hesitated and fell back slightly and wasn't able to re-rally when the rail opened up and finished a half-length back in third.

Classy Ruler is a half-sister to Balandeen (Bernardini), SW, $366,202. Mamma Kimbo, winner of the 2012 GII Fantasy S., produced a colt by Pioneerof the Nile in 2019 and a filly by Empire Maker this year. CAMPANELLE DOMINATES MORNY TEST

Campanelle | *Scoop Dyga*

Sent postward as the 17-10 favourite for Sunday's G1 Darley Prix Morny at Deauville, Stonestreet Stables' **Campanelle (Ire)** (Kodiac {GB}) added lustre to a banner season for Tally-Ho Stud with a dominant performance in her first outing beyond the five-furlong trip, good for a berth in the GII Breeders' Cup Juvenile Turf Sprint. She had opened up with an impressive 3 1/2-length score over five in her May 31 unveiling at Gulfstream Park, stepping up to garner Royal Ascot's June 20 G2 Queen Mary dash on black-type bow in her only other start, and the April-foaled bay went straight to the head of affairs in this straight six-furlong test. Campanelle was comfortable in front for the most part, but a battle looked in store when rivals stacked up in behind as she came under pressure approaching the final furlong. However, any concerns about stretching out to six on softened ground were quickly dismissed as she found more than enough under Frankie Dettori's urgings inside the final furlong to comfortably hold the vain bids of G2 Coventry S. victor **Nando Parrado (GB)** (Kodiac {GB}) and **Rhythm Master (Ire)** (Dark Angel {Ire}) by two lengths and a neck, respectively, and remain undefeated.

"The ground is bad, but she has a lot of class and overcame that," said Dettori. "She is much better on good ground and she is the best we had seen at Royal Ascot. She travelled nicely, pricked her ears and was relaxed throughout the race. She did it well today and there are great things to come from this filly."

NEW TATTERSALLS FIXTURE GETS UNDERWAY

There's nothing very familiar about this year, and in an ever-changing sales schedule, a new auction takes place this week at Tattersalls. The mixed August Sale was originally intended to take place over two days but, such was the demand for places, it has been extended to three, starting on Monday at Park Paddocks.

That a sale consisting largely of horses in training has attracted such a large entry so soon after the traditional Tattersalls July Sale is not necessarily a positive sign for British racing. But while some owners are clearly eager to move horses on, the sale was welcomed in some quarters for the fact that it takes place before the start of the yearling sales, thus giving people a chance to reinvest, and we must all hope that is indeed what happens. **Cont. p14**

G1 Darley Prix Morny Cont. from p1

"She's a big filly, but with a lot of speed as well and we saw that right from the start when we started training her down in Florida," said trainer Wesley Ward after securing a third renewal of the contest. "What really impressed me was that she went to [Royal] Ascot off a very short rest before she won the Queen Mary. My horses usually get a chance to acclimatise to the cooler weather over there and have good spacing between their races. Everything came close together for her and she still won.

"Now that she's had the time, I've really started to see her blossom at home. We had good spacing from Ascot to the Morny and she's grown as well as really thriving on the travel. She goes from A to B and when she gets to B she just picks right up. We're very lucky to have a filly like her, with that long stride she has, and she's a lot bigger horse than [previous Morny winners] No Nay Never (Scat Daddy) or Lady Aurelia (Scat Daddy), who were real sprinting types."

Added Ward, "The G1 Cheveley Park [S. on Sept. 26] closes on Tuesday and I've spoken with Adrian Beaumont [of the International Racing Bureau], so we'll nominate for that to keep her options open. With a filly like this, it suits to space her races out. We had Hootenanny (Quality Road) finish second in this race and he went on to win the Breeders' Cup Juvenile Turf. That would probably be more on the agenda, especially as the Breeders' Cup is on her home track at Keeneland. I think a two-turn mile will suit."

Christophe Soumillon, rider of runner-up Nando Parrado (Ire) (Kodiac {GB}), was never at ease with his mount and explained, "He never travelled comfortably and was shying away from the [stands' side] rail and hanging right the most of the race. I never had him straightened out in front of me, which is sad because if he had done so I feel we would have won." **Cont. p3**

Pedigree Notes

Campanelle is the latest of six foals and one of four scorers out of Listed Marygate S. winner Janina (GB) (Namid {GB}), herself the leading performer bred from G3 World Trophy victress Lady Dominatrix (Ire) (Danehill Dancer {Ire}). Tally-Ho purchased Janina, in foal to Exceed and Excel (Aus), for 39,000gns at the 2016 Tattersalls July sale. Descendants of Lady Dominatrix's third dam Lowna (GB) (Princely Gift {GB}), who annexed the pre-pattern Molecomb S., include G2 Lowther S. victress Miss Demure (Ire) (Shy Groom) and stakes-winning G1 Cheveley Park S. third Royal Shyness (GB) (Royal Academy).

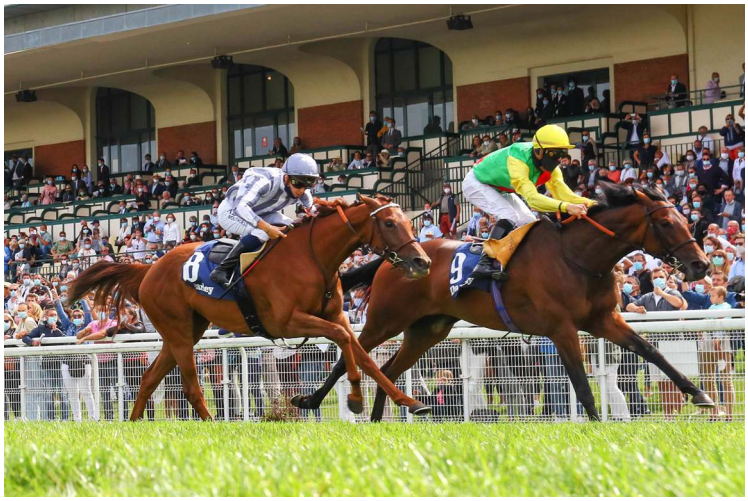
AUDARYA SURPRISES IN THE ROMANET

There was a surprise in store in Sunday's G1 Darley Prix Jean Romanet as the James Fanshawe-trained **Audarya (Fr)** (Wootton Bassett {GB}) took a significant jump in class to provide her trainer with a third renewal of this 10-furlong Deauville feature since 2014. Coming off a Newcastle handicap win over this trip Aug. 2, the 48-1 shot tracked the pace travelling easily and when committed by Ioritz Mendizabal grabbed the advantage before the furlong pole. Challenged by **Ambition (GB)** (Dubawi {Ire}) all the way to the line, the bay, who sports the silks of Alison Swinburn, held her at bay to score by a neck, with four lengths back to **Romanciere (Ire)** (Dansili {GB}) in third.

"I thought I was riding for a place, but this is a nice bonus," Mendizabal admitted. "The trainer asked me to get a good position, but more importantly to get her to relax. She wasn't supposed to like the ground, but she was very comfortable and travelled very well on it. I'm not sure how she won like that and it's a nice story that Francois Doumen bred her, as I know him very well."

Having saddled Ribbons (GB) (Manduro {Ger}) to win this six years ago and Speedy Boarding (GB) (Shamardal) to follow up two years later, it is safe to say that the Newmarket-based handler has previous form where this race is concerned but it took a leap of the imagination to suggest that Audarya could add to his tally. No great shakes at three, she took four starts to break her maiden and when she did it came at lowly Redcar in June before winning a mile Goodwood handicap and finishing runner-up in the Listed Prix Coronation at Saint-Cloud in two of her remaining outings last term.

Returning to finish an encouraging eighth behind this race's 7-10 favourite **Nazeef (GB)** (Invincible Spirit {Ire}) in Kempton's Listed Snowdrop Fillies' S. over a mile June 3, she backtracked when sixth in the Listed Pipalong S. also at that trip at Pontefract July 7 before enjoying a class drop to regain confidence on Newcastle's Tapeta.



Audarya | *Scoop Dyga*

With that performance confirming her stamina, Audarya was placed prominently as **Bolleville (Ire)** (Camelot {GB}) cut out the fractions with Romanciere acting as her lead. With the latter left in front upon straightening for home, she had the ideal target and quickly took her measure dragging Ambition with her approaching the furlong marker. Nazeef was paddling at this point and the first two had the race between them as they stayed on strongly to draw away from the remainder.

Pedigree Notes

Audarya's dam Green Bananas (Fr) (Green Tune) was a modest performer over middle distances for the Francois Doumen stable and did race at this meeting, finishing runner-up in a 12 1/2-furlong handicap in 2013. She is a daughter of the G3 Prix Minerve and G3 Prix d'Aumale-placed Anabaa Republic (Fr) (Anabaa). Things get more interesting under the fourth dam Jimka (Fr) (Jim French), whose son Jim and Tonic (Fr) (Double Bed {Fr}) proved one of the Doumens' finest flat performers when taking the G1 Hong Kong Cup, G2 Dubai Duty Free and G2 Hong Kong International Bowl as well as a clutch of Group 3 contests in his native France. Jim and Tonic's full-sister Jimkana (Fr) was responsible for Mauralakana (Fr) (Muhtathir {GB}), who captured the GI Beverly D. S., GII New York S. and GII Sheepshead Bay H. **Cont. p5**

G1 Darley Prix Jean Romanet Cont.

Jimkana also provided the dual listed scorer and G3 Prix de la Grotte runner-up Petit Calva (Fr) (Desert King {Ire}).

EBAIYRA TAKES THE POMONE

Underlining the strength of the G1 Prix de Diane, The Aga Khan's **Ebaiyra** (Distorted Humor) came back from a sixth placing in that July 5 Chantilly Classic to beat her elders in Sunday's G2 Darley Prix de Pomone at Deauville. Unlike when she was held up when winning the G3 Prix de Royaumont over a mile and a half at Chantilly June 10, the homebred was taken straight to the lead by Christophe Soumillon and enjoyed the change of plan to dictate a steady tempo. Under Pressure in the straight, the 5-2 second favourite kept finding to see off **Spirit of**

Appin (GB) (Champs Elysees {GB}) by 3/4 of a length, with the 19-10 favourite **Grand Glory (GB)** (Olympic Glory {Ire}) a length away in third.

"We definitely wanted to ride her closer than she was in the Diane, where she was left with too much to do, but we didn't necessarily want to be in front," trainer Alain de Royer-Dupre said. "Christophe did it well and timed it perfectly. She stays well and is an improving filly. We now have two nice fillies in her and Valia (Fr) (Sea the Stars {Ire}) and they are both possibles for the [G1 Prix] Vermeille and Royallieu."

Pedigree Notes

Ebaiyra is the second foal and second group winner out of the G2 Prix de Royallieu winner Ebiyza (Ire) (Rock of Gibraltar {Ire}), with the first being the Jockey Club Oaks Invitational winner and G2 Prix de Malleret and G2 Prix du Conseil de Paris runner-up Edisa (Kitten's Joy). Ebiyza is a granddaughter of the G1 Irish Oaks and G1 Prix Royal-Oak heroine Ebadiyla (Ire) (Sadler's Wells), who is a half to the G1 Ascot Gold Cup-winning pair of Estimate (Ire) (Monsun {Ger}) and Enzeli (Ire) (Kahyasi {Ire}) and the G1 Moyglare Stud S. heroine Edabiya (Ire) (Rainbow Quest). Ebiyza's unraced 2-year-old filly by More Than Ready is named Ebiyanza, while she also has a yearling filly by Medaglia d'Oro.

Call The Wind | *Scoop Dyga*

G2 Darley Prix Kergorlay Cont.

The veteran chestnut halted a seven-race winless streak, which stretched back to his career high, opening the campaign with tallies in Riyadh's valuable Feb. 29 Longines Turf H. and this venue's May 24 G3 Prix de Barbeville before running second in the June 14 G2 Prix Vicomtesse Vigier at Chantilly last time. Lobbing along in second behind the clear leader **Collide (GB)** (Frankel {GB}) after breaking on the lead, the 9-10 favourite swept by that fading rival approaching the final furlong and stayed on strongly under mild coaxing to comfortably hold the running-on German challenger **Ashrun (Fr)** (Authorized {Ire}) by 1 1/2 lengths. Gestut Rottgen's 2017 G1 Deutsches Derby hero **Windstoss (Ger)** (Shirocco {Ger) kept on well from the rear to finish 2 1/2 lengths further back in third.

"Many of the horses have been ill and are only now starting to recover so it has been a difficult year and it is nice to win this one," commented winning trainer Freddy Head. "Everything depends on the quality of horses you have in your yard, but that is a trainer's life, with ups and downs, and this has cheered us up no end. Call The Wind always runs his race, he has never let us down and won well as the good horse that he is. The season is not finished yet so we might bounce back in the [Oct. 3 G1 Prix du] Cadran [at ParisLongchamp]."

Pedigree Notes

Call The Wind, one of three Group 1 and five stakes winners for G3 Prix de Flore scorer In Clover (GB) (Inchinor {GB}), is kin to G1 Prix de l'Opera heroine We Are (Ire) (Dansili {GB}) and that distaffer's G1 Prix de Rothschild-winning full-sister With You (GB). The February-foaled homebred is also a half-brother to stakes-winning duo Incahoots (GB) (Oasis Dream {GB}) and Dream Clover (GB) (Oasis Dream {GB}), an as yet unraced 2-year-old colt by Dubawi (Ire) and a yearling colt by Invincible Spirit (Ire). Descendants of his G3 Prix de Royaumont-winning second dam Bellarida (Fr) (Bellypha {Ire}) include G1 Hong Kong Vase-winning Hong Kong champion Dominant (Ire) (Cacique {Ire}), G1 Poule d'Essai des Pouliches heroine Teppal (Fr) (Camacho {GB}) and GSW G1 Matron S. runner-up Lily's Angel (Ire) (Dark Angel {Ire}).

ETONIAN SCHOOLS SOLARIO RIVALS

Julie Wood's **Etonian (Ire)** (Olympic Glory {Ire}) caused a 28-1 shock when prevailing by 3 1/4 lengths at Sandown in his only prior start and the form of that seven-furlong maiden contest received a hefty boost when runner-up One Ruler (Ire) (Dubawi {Ire}) took the opening heat on the Esher track's Sunday card. He was sent postward at considerably shorter odds for the day's feature G3 Betway Solario S., over the same seven-furlong strip, and pounced late to ensure his perfect record remained intact. Etonian sought and found cover in sixth after an alert getaway from the outside gate. Making eyecatching headway on the bridle out wide in the straight, the 15-8 favourite was shaken up to seize control from the pacesetting **Apollo One (GB)** (Equiano {Fr}) with 100 yards remaining and kept on strongly from there to comfortably hold the late rally of **King Vega (GB)** (Lope de Vega {Ire}) by 1 1/4 lengths. Apollo One finished a half-length adrift in third.

Etonian | *Racingfotos.com*

"He's a horse that initially stood out, in the way he moved, but he got a bit bored in his work and was just doing his bit at home," said Richard Hannon. "I'd given him a lot of entries and we had to run him sooner or later so we came here for his debut, but I don't know how we allowed him to start at such long odds. He won very well that day, he was very professional in everything he did today and always looked like he was going better than all of them. He wasn't particularly fond of that ground, but I'd have been disappointed if he didn't win. It's lovely for [owner] Julie Wood to have a good one as it's been a fair while in between good horses for her."

Looking to both long-term and short-term targets, the trainer added, "I think he's a [G1 2000] Guineas horse for next year and maybe a [G1] Vertem Futurity horse this year. He'll have another one or two runs [this year] and we could look at the [G1 Prix Jean-Luc] Lagardere, a race his sire won, and the [G1] Dewhurst, but it all depends on what Julie wants to do."

Pedigree Notes

Etonian is the latest of three foals and lone winner produced by an unraced daughter of G3 Prix de Flore runner-up Wingspan (Silver Hawk), herself kin to MGSW GII Hall of Fame S. victor Interactif (Broken Vow) and stakes-winning GIII WinStar Distaff H. third Stretching (Red Ransom). Etonian's fourth dam Pennant Champion (Mr. Prospector), herself a daughter of unbeaten MGISW US champion Personal Ensign (Private Account), is a full-sister to GI Jockey Club Gold Cup-winning sire Miner's Mark and GI Oaklawn H.-winning sire Traditionally. She is also a half-sister to MGISW distaffer My Flag (Easy Goer), who in turn produced MGISW US champion Storm Flag Flying (Storm Cat).

PASSION MAKES STANERRA BREAKTHROUGH

On the premises when third in the G1 Irish Oaks at The Curragh July 18, **Passion (Ire)** (Galileo {Ire}) made her class tell from the front under a perfectly-judged ride from Seamie Heffernan in Sunday's G3 Irish Stallion Farms EBF Stanerra S. at Naas. Racing beyond a mile and a half for the first time, the 7-2 second favourite, who had also been third in the G2 Ribblesdale S. at Royal Ascot June 16 and in the G3 Give Thanks S. at Cork last time Aug. 8, had things her own way on the lead and stayed on strongly in the straight to score by 1 3/4 lengths from **Traisha (Ire)** (Invincible Spirit {Ire}), with 1 1/4 lengths back to the 6-5 market-leader **Kastasa (Ire)** (Rock of Gibraltar {Ire}) in third.

"She stays that trip and is probably maturing into her full strength now," Heffernan said. "She could run well in a Leger or the Park Hill."

Pedigree Notes

Passion, who was paying a tribute to her high-class Give Thanks conqueror Tarnawa (Ire) (Shamardal) here, becomes the third group winner by Galileo out of Dialafara (Fr) (Anabaa), whose current best is the G1 Irish Derby and G1 St Leger hero Capri (Ire).

MAAMORA TURNS BACK ATALANTA RIVALS

On a day when surprises were aplenty, Sandown saw a turn-up in the G3 Betway Atalanta S. as Sheikh Ahmed Al Maktoum's **Maamora (Ire)** (Dubawi {Ire}) made all for a career-best success. Last seen finishing third in the nine-furlong G2 Balanchine at Meydan Feb. 13, the 14-1 shot was where the bias was with Sunday's action favouring front-runners and she never looked likely to relinquish her advantage en route to a half-length verdict over **Billesdon Brook (GB)** (Champs Elysees {GB}), with 3/4 of a length back to **Lavender's Blue (Ire)** (Sea the Stars {Ire}) in third. '**TDN Rising Star**' **Quadrilateral (GB)** (Frankel {GB}) was again disappointing, fading out of contention late to be a neck further behind in fourth.

"We kept her in training to try to win a group race this year. It was a beautiful ride by William as he jumped her out and got his fractions right," Ed Crisford said. "There was some seriously good kit in behind, so she really toughed it out. She does love it from the front. This is a good front-runner's track and it suited her well."

Like the afternoon's G1 Prix Jean Romanet winner Audarya (Fr) (Wootton Bassett {GB}), Maamora proved a slow-burner and it was not until her sixth start at Ripon that things clicked as she got off the mark last June. Taking two handicaps over this trip, with one at this venue, the bay was second in the Listed Lanwades Stud S. at Bro Park in September before heading to Meydan.

"She ran well in Dubai and finished third in the Balanchine over a mile-one and we thought this would be a perfect target for her," Ed Crisford added. "She had to do quarantine after Meydan and the flight was delayed a little bit, so it just a took a little bit of time to get her back with all the travel restrictions but she has been training nicely at home. I think the [G1] Sun Chariot [at Newmarket] will be her big end-of-season target. Whether there is something before, a Group 2, I don't know, but that will be her race." **Cont. p12**

G3 Betway Atalanta S. Cont.

Richard Hannon is also looking at taking Billesdon Brook back for that contest, which she won last year, after another typically solid effort. "She ran a very good race, but they gifted the race to the one in front." he commented. "She looked like she was going to go past and she looked like she was travelling best, but they didn't go much of a gallop in front. All roads will lead back to Newmarket and there is not long to go now."

Maamora (far left) | *Racingfotos.com*

Roger Charlton was not giving up on last year's G1 Fillies' Mile winner Quadrilateral despite a third consecutive below-par run in 2020. "Ryan [Moore] was very happy with her. He said they went slowly and sprinted and she got tired," he explained. "I said 'any other problems' and he said no. She is 20 kilos heavier than last year and she has only been back in work four weeks. She should improve."

Pedigree Notes

Maamora is out of the Listed Radley S. winner Zoowraa (GB) (Azamour {Ire}), who is also the second dam of the G2 Sweet Embrace S. winner Hungry Heart (Aus) (Frankel {GB}). The second dam is the Listed Oak Tree S. winner and G3 Supreme S. runner-up Beraysim (GB) (Lion Cavern) from the family of the GI Belmont S. and GI Preakness S. hero Risen Star (Secretariat). Zoowraa's 3-year-old colt Boosala (Ire) (Dawn Approach {Ire}) is two-for-two for William Haggas, while she also has an unraced 2-year-old filly by Shamardal named Maajdah (Ire) and a filly foal by No Nay Never.

The July Sale performed remarkably well this year, with 330 of the 344 horses offered being sold at an extraordinary 96% clearance rate. Recent form always counts for plenty at such auctions and the well-related **Surf Dancer (Ire)** (Lope De Vega {Ire}), who sells as lot 706 from William Haggas's Somerville Lodge, has a York listed win to his credit this season among his three wins from eight starts.

Among five horses consigned by Ballydoyle is **Battle Of Liege** (War Front) (lot 386), a 3-year-old brother to Evie Stockwell's Group 1 winners Hit It A Bomb and Brave Anna who won a novice race last season and is currently rated 82.

Breeders on the lookout for a filly with a decent page will doubtless peruse the drafts from major breeders Juddmonte and Shadwell. Among the draft of 21 fillies, colts and geldings from Prince Khalid Abdullah's Juddmonte Farms is lot 445, **Sophistry (GB)** (Make Believe {GB}), an unraced half-sister to G1 Criterium de Saint-Cloud winner Epicuris (GB) (Rail Link {GB}) whose juvenile Frankel (GB) half-sister has been placed in France since the catalogue was printed. Also of dual-purpose or international interest is the 104-rated 5-year-old gelding **Crossed Baton (GB)** (Dansili {GB}) (lot 423), who was a listed winner at three and four over 10 furlongs.

There is also one wild-card entry, an 80-rated 2-year-old filly who will be sold on Monday as lot 199A. Named **Ocean Star (Ire)**, the daughter of Adaay (Ire) is trained by Archie Watson and won over seven furlongs at Chepstow on Aug. 14 after finishing runner-up in two of her three previous starts.

Tattersalls' Park Paddocks sales ground will be extra busy this year with the Ascot Yearling Sale having been relocated there on its new date of Sept. 7, followed by the Tattersalls Ireland September Yearling Sale, which is also being staged in Newmarket this year, from Sept. 21 to 23.

ENABLE ON COURSE FOR KEMPTON

Dual G1 Prix de l'Arc de Triomphe heroine **Enable (GB)** (Nathaniel {Ire}) is pleasing connections ahead of a start in the G3 September S. over the Kempton synthetic on Sept. 5. The 6-year-old Juddmonte silksbearer took the 2018 September S. in advance of her second Arc crown. Second in that ParisLongchamp showpiece in 2019, the John Gosden trainee was also runner-up in the G1 Coral-Eclipse S. to Godolphin's **Ghaiyyath (Ire)** (Dubawi {Ire}) this July, but was back in top form in the G1 King George Vi & Queen Elizabeth S. on July 25.

Enable's Arc opposition is arguably the stiffest yet, as since the Coral-Eclipse Ghaiyyath rolled by three lengths in the G1 Juddmonte International S. at York on Aug. 19 after taking the G1 Coronation Cup S. in June, his third Group 1 on the bounce. Standout Aidan O'Brien filly **Love (Ire)** (Galileo {Ire}) was also boosting her reputation recently with a victory in the Aug. 20 G1 Darley Yorkshire Oaks and looms a formidable rival in the Arc. Racing for the Coolmore partners, the sophomore miss claimed that Knavesmire contest by five lengths. In the G1 QIPCO 1000 Guineas, the blaze-faced chestnut had drawn off by 4 1/4 lengths and her margin of victory in Epsom's G1 Investec Oas was nine lengths.

Enable & Frankie Dettori before the 2019 Arc | *Scoop Dyga*

"What we saw from both was no great surprise, really," said Teddy Grimthorpe, racing manager for Prince Khalid Abdullah. "Both of them had very strong form going into their races--they were both favourites and both won well. Really they just proved what very good horses they are, but I think we already knew that--it wasn't a surprise.

"Enable is in good form, anyway, and still on course for Kempton. Come the Arc, what will be will be. It won't be just those two we'll have to worry about. The Arc is so well revered for a reason–all the opposition merits respect. No Arc is ever easy."

ST LEGER GAINS PYLEDRIVER, HUKUM ALSO POSSIBLE

MGSW **Pyledriver (GB)** (Harbour Watch {Ire}), who won the G2 Great Voltigeur S. on Aug. 19, has been confirmed for the G1 St Leger at Doncaster on Sept. 12, *Racing Post* reported on Sunday. Trainer William Muir confirmed the news, with the G1 Grand Prix de Paris at ParisLongchamp, also on Sept. 12, off the table.

The La Pyle Partnership, consisting of owner/breeders Roger Devlin and brothers Guy and Hugh Leach, raced Pyledriver to a listed success at two. The colt ran second in the G3 Unibet Classic Trial S. over the Kempton all-weather on June 3, before burnishing his G1 Investec Derby claims with a two-length victory in the G2 King Edward VII S. at Royal Ascot later that month. After a difficult run in the July 4 Derby, Pyledriver sped to a 3 1/2-length score in the Great Voltigeur.

"The plan at the moment is to look at the Leger as long as I'm happy with him–and he looks to be in superb form," Muir told *Racing Post*. "He's in the Grand Prix de Paris, but the Leger is for 3-year-olds only, it's a Classic and at this stage, that's where we're going. The owners said you only get one crack at a Classic and the worst that can happen is that he doesn't stay, he gets beaten and we put him away for the year."

Pyledriver's trainer William Muir | *Tattersalls*

Shadwell's **Hukum (Ire)** (Sea The Stars {Ire}), who won the G3 Geoffrey Freer S. at Newbury on Aug. 15, is another under consideration for the final Classic of the British season. A winner at second asking at Kempton last November, Hukum took the King George V S. at Royal Ascot on June 17 before his Geoffrey Freer success.

Trainer Owen Burrows said, "Touch wood, he's come out of the race very well, but nothing has been finalised as to where he'll go next. He certainly wasn't stopping at either Ascot or Newbury, so I can't see the trip being an issue, but I have to keep stressing he shows plenty of pace at home and is not simply a stayer.

"I thought William Muir's horse was very impressive in the Great Voltigeur, especially with a penalty, but you'd have to say Aidan [O'Brien] appears to hold all the cards with **Santiago (Ire)** (Authorized {Ire}) and a few others. But, this year more than any, if you think you might have a horse for it you'll be tempted to go. We'll speak to Sheikh Hamdan, but the Leger does look the logical next step."

DONJAH TARGETS ARC

German Group 1 winner **Donjah (Ger)** (Teofilo {Ire}), who won the G1 Preis von Europa at Cologne on Aug. 15, is pointing toward the G1 Qatar Prix de l'Arc de Triomphe as her season finale on Oct. 4. The Darius Racing colourbearer will first step forward in the G1 Grosser Preis von Baden on Sept. 13, but trainer Henk Grewe is pleased with how the 4-year-old filly has come out of her latest effort.

"Donjah is a horse apart," Grewe told the *France Galop* notes team. "She is fantastic. Our plan is to aim for the Qatar Prix de l'Arc de Triomphe. She has nothing to lose and everything to win. She has achieved everything that we have asked of her. We would like to her to run in the Grosser Preis von Baden, before heading to the big French race. 2020 is her final year of competition."

A winner of the G3 Grosser Preis Herzog von Ratibor Rennen as a juvenile, the bay was second in the Grosser Preis von Baden to Ghaiyyath (Ire) (Dubawi {Ire}), third in the G1 Preis von Europa and successful in Italy's G2 Gran Premio del Jockey Club at San Siro last term. She was fourth in the G2 Gross Hansa Preis in her 4-year-old bow at Hamburg on July 11.

A LA VOILE (GB) (f, 3, Invincible Spirit {Ire}--All At Sea {GB} {MSW-Fr, $133,622}, by Sea the Stars {Ire}), who was on a three-timer having scored over a mile at Bath July 2 and over this trip at Windsor July 20, took up front-running duties from the break. Sticking to her task resolutely on the climb to the line, the 2-1 favourite registered a 3/4-of-a-length verdict over Angel Fairy (Ire) (Dark Angel {Ire}) with something in hand. The winner is the first foal out of the dam, who was a triple listed scorer in France and who has the unraced 2-year-old filly A Legacy (GB) (Archipenko), a yearling colt by Dubawi (Ire) and a colt foal by Roaring Lion. A daughter of the triple German Group 1 winner Albanova (GB) (Alzao), she is therefore connected to the 3-year-old Alpinista (GB) (Frankel {GB}) who is the best of her sex to have emerged from this incredible family in years following her win in the Listed Upavon S. and second in the G1 Yorkshire Oaks in the space of a week. ONE RULER (IRE) (c, 2, Dubawi {Ire}--Fintry {Ire} {MGSW-Fr, GSW & G1SP-Eng, $327,127}, by Shamardal), a July 23 first-up second to subsequent G3 Solario S. victor Etonian (Ire) (Olympic Glory {Ire}) over this course and distance last time, was quickly into stride and led from the outset of a contest in which this term's G1 St James's Palace S. and G1 Prix Jacques Le Marois hero Palace Pier (GB) (Kingman {GB}) earned 'TDN Rising Star' status on debut last year. Holding sway throughout, the 2-1 second choice was nudged along passing the two pole and kept on strongly under whipless cajoling in the closing stages to comfortably hold Maximal (GB) (Galileo {Ire}) by 1 1/2 lengths. "One Ruler is a lot more streetwise and I think he's made that natural progression you want to see from the first start to the second," said William Buick. "It was a nice performance and I'm sure he'd get further. I don't know what plans are at this stage, but he looks like he'll develop into a lovely horse for next year. It looked a good maiden on paper and rode like a good maiden. He's a nice horse and I'm sure the second and third are as well." Half-brother to a weanling colt by Fastnet Rock (Aus), One Ruler becomes the first scorer for MGSW G1 Sun Chariot S. placegetter Fintry (Ire) (Shamardal), herself the leading performer produced by G3 Prix Vanteaux victrix Campsie Fells (UAE) (Indian Ridge {Ire}). Bounce The Blues, off the board in a pair of starts at Gowran Park last month, shed maiden status at the third attempt when defeating Friday's Listed Ruby S. victress So Wonderful (War Front)--scratched from this heat due to being off her feed--in an Aug. 3 maiden over seven furlongs at Naas and remained on an upward curve with a career high on black-type bow here. Racing at the tail of the field after departing the outside stall, she was nudged along passing the quarter-mile marker and displayed a powerful turn-of-foot once launching her challenge out wide at the eighth pole to win with something in hand.

"She has buckets of pace for seven furlongs, we could even drop her back to six and it's great that she won," said trainer Johnny Feane after collecting a personal best of his own. "It was a bit of a shot in the dark, but we thought she was very good at home. Her form has worked out well from the last day so we said we'd take a pop and it has all worked out great. That's my first stakes winner, I've had a good few placed, but that's the first stakes winner."

Bounce The Blues becomes the second black-type winner for the unraced Jazz Up (GB) (Cadeaux Genereux {GB}) and she is a half-sister to G3 Athasi S. and G3 Park S. victrix Jazz Princess (Ire) (Bahhare), Listed Jebel Ali Sprint third Sholaan (Ire) (Invincible Spirit {Ire}) and a yearling colt by Fulbright (GB). Morgan Treacy/INPHO

"He was one of our Ascot horses and was impressive at Navan. The last day at The Curragh he ran out past the line, so I was coming here fancying him today," jockey Seamie Heffernan said. "Today was his first try at six furlongs and he got it real well. There is a chance that he might get another furlong and, if he does, he's got loads of speed to travel right. Ballyhane Stud deserve a huge amount of praise not only for putting on this big race but also an €80,000 consolation race. It's massive." The winner is a son of the GI Matron S. heroine whose other stakes performers are the Giant's Causeway pair Bow Bells and Sloane Square. Drawing away late under Seamie Heffernan, the 50-1 shot scored by 3 1/4 lengths from Notoriously Risky (GB) (Starspangledbanner {Aus}). She did that very well and Seamie said she's well able for a step up in class and she felt like a group filly. We were a little bit worried about the ground, but he said she coped with it well." Second favourite at 5-2, Normcore rallied determinedly to take the G2 Sapporo Kinen at Sapporo on Sunday. Racing one off the fence behind the leading bunch, the grey relaxed behind splits of :23.80 for the first 400 metres and :48.10 for the half-mile. Tipped out for her run entering the final bend she fanned four deep and set her sights on the 4-5 favourite Lucky Lilac in upper stretch. Eating into that foe's advantage with every stride, she took control inside the final furlong and had just enough cushion to withstand the late charge of Persian Knight. The winning margin was a length, with 1 ½ lengths back to MG1SW Lucky Lilac in third.

A winner of the G1 Victoria Mile in May of 2019 and the G3 Fuji S. that October, Normcore went winless in her next four starts. Fourth in the G1 Longines Hong Kong Mile that December, she was off the board in the G1 Takamatsunomiya Kinen this March, third in the 2020 Victoria Mile in May and fourth last out in the G1 Yasuda Kinen in Tokyo on June 7.
