NUMBERS DON'T LIE. BUT THEY CAN BE PERPLEXING

Essential Quality overtakes Midnight Bourbon | *Sarah Andrew*

The Week in Review, by T.D. Thornton

If you like to sift through numbers, a few stand out from Saturday's GI Runhappy Travers S. card at Saratoga Race Course.

How about six Grade I stakes, whose winners all earned triple-digit Beyer Speed Figures? They weren't big-figure blowouts either. Five of those ultra-competitive races were decided by a half-length or less at the wire.

Nine winning favorites from 13 races also catches the eye. As does the four-win performance by jockey Joel Rosario.

But the most mind-boggling numeric notation from the summer's biggest day of racing appeared in superscript type for the chart for the Travers itself: The final quarter-mile of the length-of-stretch slugfest between 'TDN Rising Star' **Essential Quality** (Tapit) and runner-up **Midnight Bourbon** (Tiznow) was clocked in an astoundingly fast :23.15.

Midnight Bourbon broke fluidly from the rail and immediately claimed the top spot. Yet it was Essential Quality, even after a slight stumble and bump at the break, who really seemed to be in control of the pace while stalking in second. Midnight Bourbon got away with relatively soft back-to-back opening quarters in :24.18 and :24.78--but only because the juvenile champ and GI Belmont S. winner allowed him to.

MEDINA SPIRIT RETURNS A WINNER IN SHARED BELIEF

Zedan Racing Stable's **Medina Spirit** (Protonico), whose GI Kentucky Derby title still remains in limbo due to a betamethasone positive, returned to the winner's circle with a wire-to-wire victory in the Shared Belief S. at Del Mar Sunday. The dark bay colt, sent off the 4-5 favorite, went quickly to the lead and was tracked by second choice **Rock Your World** (Candy Ride {Arg}) through a quarter in :22.52 and a half in :46.92. The two favorites were swarmed by longshots nearing the stretch as GI Santa Anita Derby winner Rock Your World drifted out slightly in upper stretch and **Team Merchants** (Nyquist) and **Stilleto Boy** (Shackleford) exchanged bumps, but Medina Spirit ran straight and true and powered home a one-length winner over the resurgent Rock Your World. Following an inquiry into the infractions in upper stretch, the stewards determined Team Merchants, who finished fourth, was responsible for the interference with third-place finisher Stilleto Boy and allowed the order of finish to stand. ***Cont. p9***

Round two. *The morning after a wild stretch battle in the GI Forego S. at Saratoga, Firenze Fire plays with John Attfield, Apolinario Perez, Joanny Avila, Ramiro Fernandez, and Firenze the kitten.* | *Sarah Andrew*

WHITMORE RETIRED **4**
Whitmore (Pleasantly Perfect), last year's Eclipse champion sprinter, has been retired from racing after suffering an injury in Saturday's GI Forego S.

AMERICA'S JOY DIES AFTER TRAINING ACCIDENT **8**
America's Joy (American Pharoah), a half-sister to Into Mischief and Beholder, died following a training accident at Saratoga Sunday.

The Week in Review *(cont. from p1)*

With Essential Quality on the prowl in ever-dangerous stalk mode under Luis Saez, Midnight Bourbon and Ricardo Santana, Jr. were permitted to milk the third quarter mile of the Travers even slower, to :25.53.

This equated to a six-furlong split of 1:14.49, which theoretically should have afforded tactical advantage to the pacemaking Midnight Bourbon. Yet Essential Quality began to reliably uncoil a half-mile from home, and Saez never appeared rushed or panicked, engaging on the gray favorite's own terms by incrementally eroding Midnight Bourbon's open-length margin through a far-turn fourth quarter clocked in :24.32.

After a 1:38.31 mile, Essential Quality pulled even outside of Midnight Bourbon upon cresting the quarter pole, and they brushed and battled in determined lockstep. Midnight Bourbon drifted slightly--the first sign that Essential Quality's overdriven torque was getting to him--yet Midnight Bourbon admirably remained engaged and briefly re-seized the lead a furlong from the wire.

This is the type of deep-stretch fight that Essential Quality relishes and excels at though, and he purposely powered past Midnight Bourbon within the final 100 yards to prevail by a tenacious neck in 2:01.96 for 10 furlongs.

Of Essential Quality's eight wins, five have now come by margins of a length or less. His 107 Beyer seems about right (two points off his career-best 109 earned in the Belmont S.).

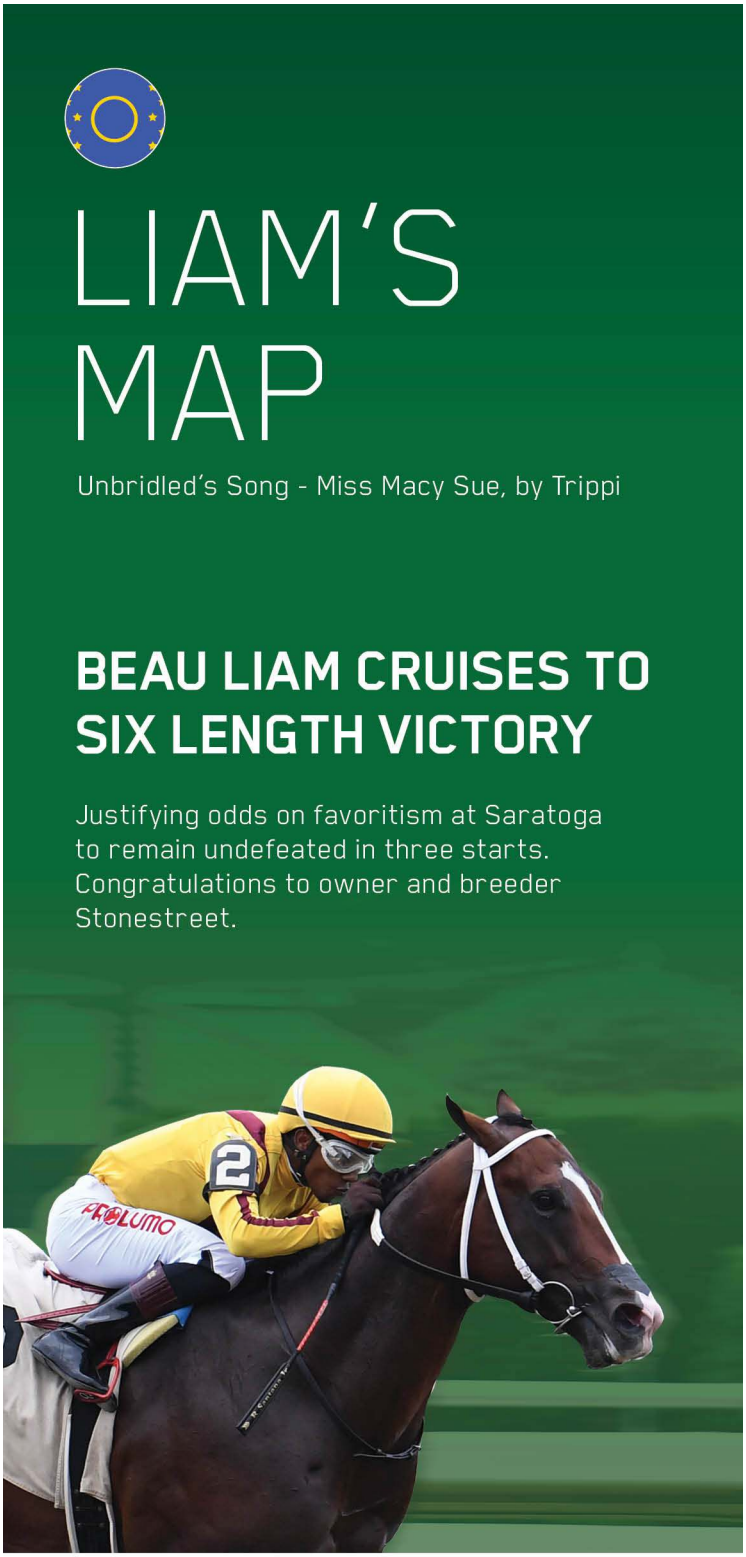
But to throttle up the tempo to :23.15 for the final two furlongs of the Travers borders on other-worldly. Was the first mile of that race really so relatively untaxing that Essential Quality and Midnight Bourbon could both uncork such a swift stretch kick? (The five Travers also-rans were non-factors throughout the race.)

For perspective, know that no final furlong of the Travers has been run faster in the last three decades (Equibase maintains Travers charts dating only to 1991; *TDN* would welcome a deeper dive by anyone who has access to a more complete set of data).

Between 1991 and 2015, only two editions of the Travers featured sub-:25 final quarters: In 1993, Sea Hero's off-the-pace score (aided by a too-fast-to-last speed duel) finished up in :24.90. In 2000, Unshaded's length-of-stretch reeling-in of Albert the Great went in :24.93.

Quite a few elite horses won the Travers during that same time frame--Holy Bull, Point Given, Medaglia d'Oro and Bernardini among them. Yet the final quarters of all of their Travers victories ranged between :25.09 and :27.20.

Something shifted in 2016, though. That's when Arrogate burst onto the scene with a 13 1/2-length Travers annihilation. He established a Saratoga track record for 1 1/4 miles in 1:59.36, and even though he had zero competition while drawing clear late in the lane, his final quarter mile was a blistering :23.84.



LANE'S END

$30,000

lanesend.com | t: 859.873.7300

In 2017, West Coast won the Travers while on the lead throughout, and he too joined the under-:25 club with a :24.37 final-quarter clocking. In 2020, Tiz the Law followed suit with a :24.53 Travers stretch run.

Does Essential Quality's winning run, with its gaudy :23.15 final quarter, suggest the outer limits of a Travers trend that has been in the making? And what does it mean when only two horses in a quarter-century manage sub-:25 final quarters in the Travers, then all of a sudden, within a six year span, four horses accomplish that feat?

Prior to Arrogate, General Assembly owned the Spa track record for 10 furlongs. When he established that mark in the 1979 Travers, the *New York Times* made it a point to report that "His last quarter, when he increased his lead from four lengths to the final 15, was particularly impressing. He ran it in :24 1/5 seconds."

Arrogate | *Horsephotos*

Although it can be dicey to broaden the scope of comparison away from Saratoga and the Travers, it has to be stated that the ultimate benchmark for final quarter-mile proficiency in a 10-furlong dirt race is Secretariat's 1973 GI Kentucky Derby. He established a 1:59 2/5 track record that still stands, punctuating a tour-de-force stretch bid with a :23 1/5 final quarter (back when fifth-of-a-second timing was the standard).

So did Essential Quality (and Midnight Bourbon, for that matter) unleash performances in the Travers that truly deserve to be mentioned in the same breath as Secretariat's lofty standard?

"Time will tell," could be a possible answer to that question. But raw clockings aren't always as straightforward as they seem when trying to understand the overall intricacies of any given race.

SPRINT CHAMPION WHITMORE RETIRED

by Mike Kane

SARATOGA SPRINGS, NY–Some 15 hours after he suffered a career-ending injury, **Whitmore** (Pleasantly Perfect) was being Whitmore Sunday morning. Acting like he was quite ready to run in another Grade I at Saratoga Race Course, the 8-year-old was positioned in the front of this stall, alert, active and on the prowl for a carrot or a piece of candy.

During the gallop-out past the wire of the GI Forego S. Saturday afternoon, jockey Joel Rosario noticed something didn't feel right and pulled the champion up.

As a precaution, he was vanned off, taken back to trainer Ron Moquett's barn and examined. The X-rays showed a minor injury, an apical fracture in his lower left foreleg. Moquett promptly decided that the Forego, the 43rd race of Whitmore's distinguished career, would be his last.

Laura Moquett and Whitmore Sunday | *Mike Kane photo*

"He would easily come back and run," said Laura Moquett, who trains the stable with her husband and is Whitmore's exercise rider. "The vet that took the pictures last night was basically like, 'He'll come back and run like a 100%.' But Ron immediately said, 'No, he won't. We're not doing this.'"

About 100 yards away from where Essential Quality was being saddled for his victory in the 152nd GI Runhappy Travers S., the Moquetts were in the midst of the bittersweet period. Their life-changing horse, a fan favorite who won the GI Breeders' Cup Sprint and an Eclipse Award last year and earned over $4.4 million, was finished with competition. But he was safe.

Ron Moquett checked on his ornery gelding before dawn Sunday and headed back to Kentucky and then on to Arkansas, as planned. Laura Moquett was at the barn, handling interviews and welcoming people who wanted to stop by, see Whitmore and thank him for the memories. She said her husband was dealing with the injury and retirement.

"He's sad, but he's really also relieved and happy that he's fine. That's the key," she said. "We love racing, but we love horses before we love racing. As long as they're fine, we don't get too worried about whether they run again or not. That's the key to racing right? It's a very short window."

Laura Moquett said she was distracted by the incident in the stretch of the Forego when Firenze Fire savaged eventual winner Yaupon and took her eyes off Whitmore. As she began running down the track to where Whitmore was being tended to in the first turn, she realized he was not in serious trouble.

"I saw him walk like two steps," she said. "When they were trying to hose him off he was kind of walking in a circle. As soon as I saw him take the two steps, I was like, 'We're good. He's injured, but it's nothing catastrophic."

Her long-distance analysis was correct. The X-rays showed the fracture at the top of the sesamoid.

"It's just like a little piece, where his suspensory attaches," she said. "It's not in the ankle. It's the two bones on the backside. It's where the suspensory is attached, so when they stand they've got structure. It's connecting his foot to his back of his leg."

> "[Ron Moquett] is sad, but he's really also relieved and happy that he's fine. That's the key. We love racing, but we love horses before we love racing. As long as they're fine, we don't get too worried about whether they run again or not. That's the key to racing right? It's a very short window."
> LAURA MOQUETT

The X-rays were sent to Dr. Larry Bramlage at Rood and Riddle in Lexington for review and the champion will likely return to Kentucky next week and will undergo surgery.

Regardless, Laura Moquett said that when Whitmore's recovery is complete she will enter him in the Retired Racehorse Project (RRP) to be retrained. She expects he will learn to be a jumper in the show ring. She said she was not sad Sunday morning, "because I'm going to have him. Now it's just the next career, right? He's going to have a little layoff and then he's going to start his new job. So that's just a different structure."

While Whitmore will stay with the Moquetts, his disposition may preclude him from working in the stable.

"He kicks a lot, so I don't think he'll be a pony," Laura Moquett said. "He's not a biter, but he is nasty with his hind end. I don't know if he'll be able to do pony work. We'll see. I would love to have him on the track every morning. It would be so fun. If he goes on to be a jumper, I'm basically the only one that'll be around him instead of having all the guys keep tabs on him and stuff. They'd like to keep him around, so it would be cool to have him be a pony."

Ron Moquett purchased the unraced 2-year-old named Pleasant Mel in a private sale for $37,000 and renamed him Whitmore after one of his high school teammates.

Whitmore did run in the 2016 GI Kentucky Derby, but came out of the race with an injury. Since his return to racing several months later, he has been a sprinter.

Whitmore won 15 times and finished in the money 33 times. His victory in last year's Breeders' Cup Sprint at 18-1 carried him to the Eclipse Award.

Laura Moquett said that when her husband announced Whitmore's retirement Saturday night on social media, the reaction was immediate and intense with fans wishing him well.

"That's so cool," she said. "They love him because he's just a hard-knocking guy that tries hard every time. He hurt himself and finished fifth and a Grade I, his last one. That's kind of incredible."

ESSENTIAL QUALITY IN FINE SHAPE AFTER TRAVERS WIN

Godolphin's **Essential Quality** (Tapit) exited his win in Saturday's GI Runhappy Travers S. in fine shape, and, while his next start is up in the air, his ultimate target will be the Nov. 6 GI Breeders' Cup Classic, trainer Brad Cox confirmed Sunday.

"He looked great this morning. He's in good shape," Cox said. "[Godolphin USA President] Jimmy Bell and I spoke about [his next start] this morning, there's no pressure to make a decision right now. We'll just let the dust settle and enjoy this victory for a little bit. I think that's the right thing to do. We'll make a decision in a week or two weeks. The most important thing is watching him and how he trains."

Brad Cox talks Essential Quality and Travers victory

Also looking ahead after a Grade I win at Saratoga Saturday are the connections of **Gufo** (Declaration of War), who captured the GI Resorts World Casino Sword Dancer S. for Otter Bend stables.

"He came out of his race in very good shape and I was very proud of him. He looks very good this morning," trainer Christophe Clement said.

Clement said the colt would now be pointed towards the Oct. 9 GI Joe Hirsch Turf Classic at Belmont Park.

Trainer Chad Brown reported that GII Ballston Spa S. winner **Viadera (GB)** (Bated Breath {GB}) will likely make her next start in the Oct. 9 GI First Lady S. at Keeneland.

Also Saturday at Saratoga, Brown saddled **Jack Christopher** (Munnings), who was tabbed a 'TDN Rising Star' following his 8 3/4-length debut victory.

"I was very pleased," Brown said of the effort. "The word was out. He had worked well and he ran to his works, which is always a relief for a trainer."

Brown said Jack Christopher will point to the Oct. 2 GI Champagne S. at Belmont, a one-turn mile offering a "Win and You're In" berth to the GI Breeders' Cup Juvenile.

SPINSTER LIKELY NEXT FOR LETRUSKA

by Mike Kane

SARATOGA SPRINGS, NY – Though he quickly conceded that things could change, trainer Fausto Gutierrez said Sunday that GI Personal Ensign winner **Letruska** (Super Saver) is headed to the GI Breeders' Distaff, not the GI Breeders' Cup Classic.

"I think it will be with the mares. I think this is the correct decision," he said. "I think there is a group where she is the leader. Anyway, this can change in any moment. You never know."

The Personal Ensign was Letruska's fourth-straight graded stakes victory, three of them Grade Is, and earned her a "Win and You're In" berth in the Distaff. Gutierrez said she needs to be supplemented to the Breeders' Cup.

Letruska led from gate to wire and completed the nine-furlong Personal Ensign in 1:49.15 and edged **Bonny South** (Munnings) by a half-length. **Royal Flag** (Candy Ride) was another head back in third

"She's a good horse. She runs fast," Gutierrez said. "Yesterday was one of the most complete races she has had. For the track. For the competition. To fight with the frontrunners to the half-mile in :46 was very fast. The other ones go back and the three horses that are last come again. You check yesterday and all of the stakes were decided by a nose, a neck, just Gamine won by a length and a half. It tells you how competitive the races are at this level."

Bred and raced by the Mexican billionaire German Larrea Mota-Velasco, who operates as St. George Stable, the 5-year-old mare further strengthened her position as the top older female in the country with her fifth victory in six starts this season. It was her 16th career victory in 21 races in Mexico and the U.S.

Gutierrez said that the 5-year-old mare came out the race well.

"She likes to run and she likes to come back and three days after that she wants to go again," he said.

Letruska will be shipped to Monmouth Park Monday. She will stay there for about a month, Gutierrez said, then move to Keeneland for the GI Juddmonte Spinster S. Oct. 10.

TEAM ASMUSSEN CELEBRATES BIG DAY

While Steve Asmussen was on the road to the Texas yearling sales Sunday morning, his team was still celebrating a pair of Grade I victories at Saratoga Saturday. **Yaupon** (Uncle Mo) captured the GI Forego S. in a dramatic stretch run shortly before stablemate **Jackie's Warrior** (Maclean's Music) battled to a determined victory in the GI H. Allen Jerkens Memorial S. Asmussen also saddled **Midnight Bourbon** (Tiznow) to a runner-up effort in the GI Runhappy Travers S.

Asmussen barn at Saratoga Sunday morning | *Sarah Andrew*

"I was so proud of how our horses ran yesterday. It was a great day of racing," said Scott Blasi, Asmussen's longtime assistant. "To win two Grade Is in a row at Saratoga on Travers Day is a great feeling. There are certain days of the year that are incredibly competitive. There's Derby Day, Preakness Day, Belmont Day, Travers Day, Breeders' Cup. With that level of quality racing, it's the best of the best. On those kinds of days to do well, it's a special feeling."

As Yaupon, under Ricardo Santana, Jr., battled in deep stretch, **Firenze Fire** (Poseidon's Warrior) bared his teeth, turned his head to the left, and tried to savage his rival with no fewer than seven attempts. Afterward, Asmussen said that Firenze Fire was even trying to grab Santana.

"[Yaupon] came out of it unscathed," Blasi said Sunday. "No marks or anything. Luckily, Ricardo was able to continue to encourage him, although he was getting pretty close to the inside rail, which I was more worried about than the horse getting bit. I think it was a really hard thing for him [Jose Ortiz, up on Firenze Fire] to correct. The thing about it is those guys are riding hard, so they were going forward and it's not like you have the bit in their mouth. They're trying to persevere, and that's a hard to thing to correct when you're in that position. I've seen pictures of horses being savaged, and I've seen horses savage, or try to bite, but I've never seen any horse do it for that long. I've never seen it go on for that long."

Blasi continued, "Yaupon is a special horse. It was a great win for him. Jackie's Warrior gave another game effort. He's a special talent. The horse he beat [Life is Good] is as well. You saw how they separated themselves from the rest of the field, and that just goes to show you the class and the quality of those two horses. It was a great race. Jackie is so consistent. At one turn he's back to doing what he wants to do."

Midnight Bourbon came back from a near-fall in the GI Haskell S. to just miss to champion Essential Quality (Tapit) in the Travers.

"It was by far the best race of his career," Blasi said. "We were a little bit unlucky to lose, but that horse [Essential Quality] is a champion. Once that horse gets by you, he's not going to let anybody pass him, and he proved that time and time again. Hats off to the winner, but our horse is definitely improving. I think with the time that they ran and how they came home in the last quarter, you have to have quality to be able to do that."

HALF-SISTER TO INTO MISCHIEF DIES IN SARATOGA TRAINING ACCIDENT *by Bill Finley*

The unraced 3-year-old filly **America's Joy** (American Pharoah), a half-sister to Into Mischief (Harlan's Holiday), Beholder (Henny Hughes) and Mendelssohn (Scat Daddy), out of the 2016 Broodmare of the year Leslie's Lady suffered a fatal injury Sunday morning during a workout at Saratoga, according to Mandy Pope's Whisper Hill Farm.

Pope purchased the filly for a record $8.2 million at the 2019 Keeneland September sale.

The news was a severe blow to her connections, who were anxiously awaiting the debut of a filly who appeared to have unlimited potential.

America's Joy and breeder Fred Mitchell | *Jon Siegal*

Trainer Todd Pletcher sent her out for what was supposed to be her last workout before beginning her career early next month at Belmont. Pletcher told Pope that America's Joy went down just after the work had been concluded and that by the time he reached her she was dead. It appears, Pope said, that the filly fractured her left front sesamoid, which caused her to fall and break her neck.

"She brought a lot of joy to everybody's life," Pope said. "She was just a perfect horse in every way. She was so sweet and so kind. She was just such a classy, classy horse. I'm sorry that the racing world will never get to see all of the accomplishments she was about to make on the track and as a mama. May she rest in peace."

Pope said that the filly was given some time off as a 2-year-old because of some growing issues. She had her first work for Pletcher July 5 and had a steady stream of works leading into Sunday's, which clockers recorded as a half-mile breeze in :47.80 over the main track. In an indication of what Pletcher thought of America's Joy, he had, on at least two occasions, sent her out to work in company with 2020 GI Jockey Club Gold Cup winner Happy Saver (Super Saver).

"She took to training early and right away did everything great," Pope said. "We brought her along slowly and then sent her to Todd. He was very excited about her. He was working her with graded stakes horses because she was just playing with other horses. She could even outwork the stakes horses."

America's Joy was consigned by her breeder, Clarkland Farm. Sheikh Mohammed of Godolphin and B. Wayne Hughes of Spendthrift Farm were also bidding on the filly, but Pope prevailed.

"You can't fault her," she told the *TDN* after the Keeneland purchase. "She's perfectly balanced, she's gorgeous, she's not too big, not too small. Obviously, we're hoping that Beholder hits it as a broodmare. She certainly has tremendous value should she not get to the races for whatever reason. Like everything else, it's a big gamble; fingers crossed, lots of prayers and wish us well."

Leslie's Lady was pensioned from breeding duties this spring. She has also produced a 2-year-old filly by Not This Time and a yearling filly by Kantharos.

"There are a lot of people to whom I'd like to express my gratitude for having taken such good care of her," Pope said. "There's Todd Quast, Lynda and her crew at Whisper Hill Farm. There's Lee and his crew at Whisper Hill Training Center and Dr. Greg Bonen Clark. I'd like to thank Fred Mitchell and Clarkland Farm, Todd Pletcher and her fan club."

Medina Spirit Returns a Winner *(cont. from p1)*

"It's a relief. A Shared Belief relief," winning trainer Bob Baffert admitted.

Winning rider John Velazquez said, "It went the way we wanted it. Once I made the lead into the first turn, I felt better. He was moving well. When he got on the backside, his ears went up and he was really cruising. When a horse would come to him, he'd pick it up on his own. When we got to the quarter pole, I said, 'Let's go; time to pick it up.' And he was right into it. He finished strong and the gallop-out was strong, too. He can build off this race."

Medina Spirit, who was supplemented to the Shared Belief last week, was making his first start since finishing third in the May 15 GI Preakness S. Just a week after he upset the May 1 Kentucky Derby with a wire-to-wire victory at 12-1, trainer Bob Baffert announced the colt had tested positive for the regulated anti-inflammatory betamethasone. His victory remains a question mark as connections argue the positive was the result of a skin ointment.

"I did not have any intention of running him in this race until a couple weeks ago," Baffert said. "I started thinking about it, figuring it couldn't come up that tough. Then [son] Bode said, 'You know Rock Your World's running there?' For what this horse has gone through, he's such a game horse and I wanted to run him here and see if he likes Del Mar. I've never had a Derby winner come back and win here so that's a first. He looks good and John said he feels better than ever. There's still some good racing for him out there. We're waiting for the process to happen."

Medina Spirit | *Benoit*

Prior to his Derby, Medina Spirit was second behind Life is Good (Into Mischief) in the Jan. 2 GIII Sham S. and won the Jan. 30 GIII Robert B. Lewis S. He was second again to then-stablemate Life Is Good in the Mar. 6 GII San Felipe S. and entered the Derby off a runner-up effort behind Rock Your World in the Apr. 3 GI Santa Anita Derby.

DEL MAR SHIFTS POST TIMES

Del Mar has moved up first post for next weekend's races, which will now start at 1:30 p.m. to make sure its entire card is conducted in complete daylight.

"We need to be sure that we've got plenty of daylight to keep our horses and riders safe," said DMTC vice president and racing secretary David Jerkens.

A winner of the Golden Circle S. sprinting at Prairie Meadows in May, Flashy Mischief was beaten a neck by Gagetown in the Prairie Mile the following month before finishing one better than that foe when second in the July 2 Iowa Derby. He was last seen cutting back to finish fourth in the Saratoga slop in the Aug. 1 GII Amsterdam S. behind Saturday's game GI H. Allen Jerkens S. hero Jackie's Warrior (Maclean's Music).

Perched just off of Jackie's Warrior's well-bred stablemate Irish Unity early here, Flash of Mischief cranked up the heat heading for home and out-slugged his rival in the stretch.

The winner, who hails from the important family of Sea Hero, Eastern Echo, et al, has a 2-year-old half-brother named War Campaign (Declaration of War), a yearling half-brother by Gun Runner and a foal half-brother by Arrogate. His dam was bred to Constitution for 2022. **Click for the Equibase.com chart.**

Baksheesh broke her maiden and gained a first black-type rosette with a daylight win in the Muskoka S. at Woodbine Sunday.

Third sprinting over the all-weather here July 17, she made up some ground in the waning stages of another Woodbine maiden special weight to take second Aug. 14 in her final start for owner Mary Biamonte. Changing hands prior to her third start Sunday, the 6-5 chalk and Eclipse Thoroughbred Partners/Gary Barber colorbearer raced near the tail of the field after a slow beginning. Diving through a gap at the fence after the first quarter in :22.86, she continued her rally past a :46.23 half and swept to the outside turning into the lane. Relentless once hitting the front, the grey quickly separated herself from her rivals to win as much the best.

The third winner from three foals of racing age out of the winning Spider Dust, Baksheesh has a yearling full-brother and a weanling half-brother by Frosted. Spider Dust, herself a daughter of SW and GIII Natalma S. third Quiet Action (Forest Wildcat), was paired with Mo Town for 2022. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Ironstone earned his diploma and black-type badge all in one fell swoop as maidens took both stakes divisions for juveniles Sunday. Run down late after showing the way going two furlongs shorter here in an open MSW June 20, the colt was fifth last out at the same level July 18. In receipt of first-time Lasix and well supported to vie for favoritism from a 9-2 morning line, the grey eventually made the lead under a quiet ride and was then asked to quicken around the bend and blow the race apart. Where's Neal and Chairman Bob gave their all into the stretch, but Ironstone slammed the door and dashed dominantly away.

The winner, who hails from the female family of two-time Eclipse-winning sprinter Housebuster, has a yearling half-brother by Sky Mesa and a foal half-sister by Yoshida (Jpn).

The latest in a long line of Europeans imported by the team of Chad Brown and Peter Brant, Sifting Sands captured his first black-type win in the Better Talk Now S. at Saratoga. Breaking from the outside post, the bay settled fourth and clear through a first quarter of :23.79. He remained parked in that spot through a half in :47.14, began picking up his feet on the turn, and steadily reeled in the frontrunner down the lane. His strong kick was belied by pacesetter Dreamer's Disease, who wasn't relenting, but in the last strides Sifting Sands got up to register a head victory.

“He’s starting to figure things out and really mature,” said trainer Brown. “Given his pedigree, you would have to think he would be better at three anyway. We’ll see where he goes from here. I think by the end of this year, I could get this horse out to a mile and an eighth in the [GI] Hollywood Derby [at Del Mar]. We’ll see between now and then what we do."

Sifting Sands finished sixth on debut last September at the Spa, then sat out six months before reappearing with a maiden win at Tampa Bay this spring. An April start in Aqueduct's Woodhaven S. yielded a last-place finish before he resurfaced again with a win over 8 1/2 furlongs over this course July 24.

Better Talk Now S. cont.

"I really have to compliment [rider] Manny [Franco]," said Brown. "In his last two rides they really worked as a team. He had a disastrous race down at Aqueduct, but we stuck with Manny because we thought we learned something with him and I learned a lot as well. He's really executed these last two races perfectly by just letting him run. He can be a headstrong horse. He let him run into the first turn freely and get into position in his last two starts and that has made the difference."

A half to MG1SW Legatissimo (Ire) (Danehill Dancer {Ire}), Sifting Sands has a 2-year-old full-sister named Yummylicious (GB), who debuted unplaced for the Gosdens in England Aug. 27. Cynergy's Star made it two in a row when he got his first stakes win in the Timonium Juvenile S. The bay settled midpack early while under a loose rein through the :24.07 quarter, had engaged the leaders by the :48.98 half, and took command on the turn. He never switched to his correct lead and lugged in down the lane, but had one ear pricked for much of the stretch drive as he barreled home a two-length victor.

After a career debut Aug. 2 on the Colonial Downs grass went nowhere, Cynergy's Star tried again 12 days later and broke his maiden sprinting at Pimlico. The Timonium Juvenile marked his second consecutive win in a 15-day span.

The winner's granddam, GSW Gin Talking, produced GSW Dixie Talking (Dixieland Band), who in turn produced GSW Done Talking (Broken Vow). Smooth Talking, now the dam of two SWs, has a yearling filly by Madefromlucky. **Click for the Equibase.com chart.**

The New Jersey Breeders H. was the first stakes win for Pickin' Time since a 2 1/4-length score in the GIII Nashua S. last November. He had been keeping tough company and dropped four straight, including the July 17 GI Betfair.com Haskell S. in his last appearance. Elevated to fourth that day as a 71-1 shot after the disqualification of Hot Rod Charlie (Oxbow), Pickin' Time did well over this surface as a juvenile, taking the Smoke Glacken S. and finishing second in the Sapling S.

The only 3-year-old in the field, Pickin' Time sat in a tracking spot through a :22.13 first quarter, then engaged the leader and was in command by the time the half clicked in :45.23. He looked green down the stretch, drifting in and out, as well as switching briefly to his wrong lead, but the dark bay won by a comfortable 1 3/4 lengths.

Pickin' Time marked the second son of Born to Royalty to win the New Jersey Breeders H., as her Royal Urn took this race last year. The mare, a half-sister to GSW Smart N Classy (Smart Strike)--in turn the dam of GSW Valedictorian (Temple City)--has the yearling colt Steel Drivin Man (Tonalist) and was bred back to Oscar Performance for next term. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Eighth at less than 3-1 in the Aug. 1 Woodbine Oaks, Lorena cut back here and returned to her best to stay unbeaten around one turn. The bay got her first stakes win in the track-and-trip Fury S. July 10, and was a heavy favorite here as anything close to her best would easily handle this bunch. Keen to go early before Gary Boulanger wrestled her back to third, Lorena appeared beat by freewheeling Owen's Tour Guide (Tourist) at the top of the stretch, but kept plugging away to collar that one down the lane and hold off the rest. Secret Reserve scored by daylight in a maiden optional claimer here last September, but checked in fifth behind a pair of next-out winners when trying to turf sprint July 11. He wheeled back just 13 days later in a main-track optional claimer, and rolled to a 4 1/4-length victory that earned him a strong 83 Beyer Speed Figure. Away well from the rail, the dark bay drafted in a perfect spot behind Mason's Gamble and Jelgo through a :45.85 half. He ranged up three deep at the top of the lane, hit another gear in midstretch when given his cue and proved too good for them from there. BREAKING THE RULES (h, 6, War Front--Protesting {GSP, $213,050}, by A.P. Indy), a winner in a similar spot last July, was fourth in both the restricted Lure S. and GII Knickerbocker S. before a third-place run in the GII Fort Lauderdale S. at Gulfstream Dec. 12. He had been off since a ninth-place run in the GI Pegasus World Cup Turf Invitational S. Jan. 23 and was 2-1 to successfully shake off the cobwebs. Caboosing his four foes early, the Phipps homebred was very far back heading for home as two runners opened up many lengths on the competition. The frontrunners came back to them as expected in the lane, and Breaking the Rules flew home resolutely up the fence to pass MGSW Analyze It (Point of Entry) and then out-kick SW Sacred Life (Fr) (Siyouni {Fr}) by a half-length. The winner is half to Performer (Speightstown), MGSW & GISP, $420,475 and hails from the typically deep female family of My Flag, Storm Flag Flying, etc. Lifetime Record: SW & MGSP, 18-7-2-2, $436,627. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

BEAU LIAM (c, 3, Liam's Map--Belle of Perintown {GSW, $265,465}, by Dehere) showed Sunday just how well-stacked the Steve Asmussen barn is with top sprinters, as he zipped away to his third win from as many tries a day after stablemates Jackie's Warrior (Maclean's Music) and Yaupon (Uncle Mo) annexed the GI H. Allen Jerkens Memorial S. and GI Forego S., respectively. A shoe-in for **'TDN Rising Star'**-dom off a 7 1/2-length debut drubbing at Churchill May 29, the bay was even-money in one of the toughest first-level allowances here in recent memory July 17 and out-nosed promising Chad Brown pupil Witsel (Nyquist) to earn a gaudy 106 Beyer Speed Figure. Looking like a lock on paper here, the 2-5 favorite was pursued by Night Time (Majesticperfection) through swift splits of :22.14 and :44.92. Asked to quicken after straightening for home, Beau Liam hit another gear and quickly scampered away from his competition to air by six lengths. The victory was the third straight on the card for Ricardo Santana, Jr., who also rode both of Asmussen's Grade I winners Saturday, along with his GI Runhappy Travers S. runner-up Midnight Bourbon (Tiznow). Asmussen trained Liam's Map's first two Grade I winners, Basin and Wicked Whisper, and was represented Friday at Monmouth by the very impressive debut-winning turf sprinter Cheeky Chaps (Liam's Map). The winner is half to Tomlin (Distorted Humor), MSW & MGSP, $251,895; and Strike It Rich (Unbridled's Song), GSW, $193,966, plus unraced 2-year-old filly Ari Oakley (Gun Runner) and a yearling filly by Good Magic. BELLA VITA (f, 4, Bayern--Queenie Cat, by Storm Cat) has been knocking heads with some fierce competition, including champion, MGISW, and **'TDN Rising Star'** Gamine (Into Mischief), MGISW Ce Ce (Elusive Quality), and MGSW & GISP Warren's Showtime (Clubhouse Ride). Bella Vita has just one black-type victory in her own win column--the Spring Fever S. at Santa Anita from her 2021 campaign debut--but has also racked up placings in the GII Great Lady M. S., the Evening Jewel S., the Irish O'Brien S., and the China Doll S. Last seen weakening late after breaking through the gate going a sixteenth shorter July 29 over this surface, the bay broke well Sunday at 6-5 but was quickly shuffled back. Closer to the back than the front at the :22.70 quarter mark, Bella Vita began moving up with ease with about three-eighths to go. She blew by the midpack runners, loomed menacingly on the outside of the frontrunners while several paths out, and sauntered by with authority.

Flavien Plat eased her up late and stood up right before the wire as she registered a 4 1/2-length win over Livingmybestlife (The Big Beast). Bella Vita is the last offspring out of unraced Queenie Cat, who sold for $1.7 million as a yearling, was unraced, and died in 2018. THE ARCADIAN WAY (f, 2, Astern {Aus}--Indian Love Call, by Cherokee Run) sported a steady worktab here and sped five furlongs in 1:01 2/5 (5/68) Aug. 22 in preparation for this debut. Sent off at 5-2, the bay filly zipped straight to the head of affairs and held a 1 1/2-length advantage down the backstretch. Still under only mild pressure with 1 1/2 furlongs left, she began to get leg weary after blitzing five furlongs in :57.63 and clung on to win by a head over the late-on-the-scene favorite Code Ribbon (Desert Code). COLLECTIVE FORCE (g, 3, Tiznow--Finn's Girl {SP}, by Bernardini) failed to rally when making his racecourse bow and finished ninth over the local sod June 13, but improved markedly switched to the synthetic to roll a pair of twos--going 1 1/16 miles over this strip July 4 and stepped up to 1 1/8 miles here July 31. The 3-1 shot was due to start on turf again, but the race was moved to the main track for his first try at 10 furlongs. Well covered up while glued to the fence past the winning post the first time, the gelding enjoyed a ground-saving trip through a half-mile in :48.92. Shifted off the rail to race in fourth outside a rival approaching the final bend, he gradually made inroads toward the front. At the head of the lane, he changed into another gear, burst to the front inside the final 200 yards and kicked away to win by 2 1/4 lengths from the closing pair of Enchant Me (Magician {Ire}) and Free Shipping (Temple City). Only a neck separated the second and third-place horses. The first foal from his winning dam, who was placed at listed level, Collective Force has a half-sister named Maccool's Girl (Candy Ride {Arg}), who has yet to race, a yearling half-brother by Uncle Mo and a weanling half-sister by American Pharoah. GERRYMANDER (f, 2, Into Mischief--Ruby Lips {GSP}, by Hard Spun), a distant second to Velvet Sister (Bernardini) when unveiled sprinting over the Belmont dirt June 10, had been working steadily at Saratoga for this return. Sent off at 10-1, the bay kept a close eye on the 3-2 favorite Mommasgottarun (Maclean's Music) and eventually perched in fourth a few lengths off the lead and one off the rail. Asked for more wheeling into the home straight, she set sail for the frontrunners with a quarter mile remaining.

Charging up the center of the track, Gerrymander claimed the advantage with a furlong to run and just held off the fast-closing duo of Distinctlypossible (Curlin) by a half-length, with A Mo Reay (Uncle Mo) another head back in third. Mommasgottarun tired to fifth. The winner, out of a mare who was third in the GIII Tempted S., is a half to GII Brooklyn S. hero Lone Rock (Majestic Warrior), GSW, $814,921; a yearling colt by More Than Ready and a weanling filly by Tapit. HAIL TO (f, 2, Kitten's Joy--Dynaire, by Dynaformer) got a do-over after her course-and-distance debut July 22 netted an educational fifth-place finish. Off at 20-1 this time, the chestnut broke straight and true, then settled midpack in the strung-out field. Position unchanged through a :23.87 quarter and a :48.06 half, Hail To went extremely wide on the turn, lengthened her stride, and forged to the front. Despite switching to her wrong lead late, Hail To won by three-quarters of a length over first-timer Kinchen (Ire) (Lope de Vega {Ire}).

DANCIN IN DA'NILE (c, 2, Pioneerof the Nile--Dance Again {SW-Can, GSP-USA, $270,604}, by Awesome Again) was let go at 9-1 despite a strong pedigree and his trainer's solid debut stats. Away alertly before dropping back briefly, the dark bay moved up to press around the turn before seeming beaten approaching the stretch as favored Luckman (Empire Maker) made his move inside. Pacesetter Be Like Clint (Point of Entry) slipped away at the top of the lane, but Dancin in Da'nile wouldn't completely go away as he and Luckman continued to grind it out. GLYCON MASTERS GRAND PRIX RIVALS

Glycon is one of 46 stakes winners (18 group) for Le Havre
Scoop Dyga

Capping Deauville's August festival on Sunday, Haras de Saint Pair's **Glycon (Fr)** (Le Havre {Ire}) justified 9-10 favouritism to prove a popular winner of the feature G2 Lucien Barriere Grand Prix de Deauville.

Asked to go beyond a mile and a quarter for the first time when taking the G3 Prix de Reux over this track and 12 1/2-furlong trip on his latest outing Aug. 8, the Jean-Claude Rouget-trained homebred was patiently ridden in rear early by Cristian Demuro. Launched to take command 300 metres from the finish, the 9-10 favourite saw off **The Good Man (Fr)** (Manduro {Ger}) to score by half a length, with **Sublimis (Ire)** (Shamardal) a short neck away in third.

"It was a truly-run race which helped and although the horse on the inside gave a good fight in the end he won very nicely," Rouget said. "We finally found out his best trip and we'll keep him around that now and see where we go next."

Pedigree Notes

Glycon, who had taken the G3 La Coupe de Maisons-Laffitte in September and was sent up in trip after finishing sixth in the G3 La Coupe at ParisLongchamp June 13, is a son of Glorious Sight (Ire) (Singspiel {Ire}) who sold for €1.7million at the 2011 Arqana Arc Sale. **Cont. p2**

CLASSIC-PLACED LONE EAGLE OUT FOR SEASON WITH INJURY

Ballylinch Stud and Aquis Farm's **Lone Eagle (Ire)** (Galileo {Ire}), who placed second in the G1 Dubai Duty Free Irish Derby, will miss the rest of the season after sustaining an injury in the July 24 G1 King George VI and Queen Elizabeth S. according to trainer Martyn Meade.

"I'm afraid he suffered an injury after his run in the King George," said trainer Martyn Meade. "It's an injury that will take careful management--he's certainly out for the rest of this season, and the rest of his career is under doubt.

"He's obviously going to have the best recuperation. Unfortunately that's why he was a bit disappointing in the King George. He was found afterwards to have sustained an injury. Hence, the reason he's not run since.

"Hopefully, he might come back next season--but he's got to make a full recovery." **Cont. p7**

TORO STRIKE REIGNS SUPREME AT GOODWOOD

Runner-up to Happy Power (Ire) (Dark Angel {Ire}) in the G3 Weatherbys Hamilton Supreme S. in 2020, Al Shaqab Racing's **Toro Strike** (Toronado {Ire}) came back to Goodwood to go one better in Sunday's renewal.

Last seen finishing sixth in the G2 Lennox S. over this seven-furlong trip here July 27, the 7-2 second favourite who had won a course-and-distance handicap at last year's Goodwood Festival raced with one behind early. Wound up out wide by Ryan Moore, the bay cut down **Double Or Bubble (Ire)** (Exceed and Excel {Aus}) a furlong from home en route to a two-length success from that 85-40 market-leader.

"Toro Strike just loves fast ground," trainer Richard Fahey commented. "We've been a bit unlucky with him. Sometimes we've entered him and it's not worked out. On his day he's pretty smart--when he gets everything right and comes off a strong pace it always seems to suit him."

Toro Strike is the seventh group winner and 15th black-type winner for his sire | *Racingfotos.com*

Toro Strike is a son of the GIII Providencia S. winner Scarlet Strike (Smart Strike), who was placed in the GI Chandelier S., GI Hollywood Starlet S. and GI Las Virgenes S. on dirt. Fahey is thinking of some Stateside action for the talented winner and said, "The Breeders' Cup has been discussed. I've been talking about it with Alison [Begley, Al Shaqab's racing manager], but we needed a good performance to get in it. We think it would suit him well. Regarding the [Oct. 3 G1 Prix de la] Foret [at ParisLongchamp], you imagine the ground would be too slow for him. He loves quick ground and he seems to want a bit of time between his races."

DILAWAR SHINES IN THE QUINCEY

Having started his career over 12 furlongs, The Aga Khan's **Dilawar (Ire)** (Dubawi {Ire}) made his black-type debut at a mile at Deauville on Sunday and showed why when surging to an impressive success in the G3 Barriere Prix Quincey.

Last seen winning a 10-furlong conditions event at this meeting Aug. 5, the son of the G1 Dubai Sheema Classic heroine Dolniya (Fr) (Azamour {Ire}) was anchored in last early by a confident Christophe Soumillon. Following the right rival in the eventual runner-up **Now We Know (Fr)** (Kendargent {Fr}) down the outside, the 22-5 shot brushed him aside passing the furlong pole and with Soumillon animated in the run to the line carved out a 2 1/2-length success.

"I had dinner with friends yesterday and told everyone that this was the banker of the day," the winning rider said. "He gave me the feel that he was a top-class horse and I was very keen to see him run over shorter than he had as I felt he was a miler. He'd won over further because he has class. He had a tendency to hang right early on and I took him back for cover and used Stephane Pasquier [on Now We Know] to take me into the race. He really took off when I asked him and I think you'll see much more of him in the future."

Dilawar gave his sire Dubawi his 211th stakes winner and 136th group winner at Deauville on Sunday | *Scoop Dyga*

Pedigree Notes

Dilawar is the first foal out of the aforementioned Dolniya, who also captured the G2 Prix de Malleret and was placed in the G1 Coronation Cup, G1 Grand Prix de Saint-Cloud and G1 Prix Vermeille. Her second is the 'TDN Rising Star' Dolia (Fr) (Invincible Spirit {Ire}), who was runner-up in the recent Listed Prix Volterra while she has an as-yet unnamed 2-year-old colt by Siyouni (Fr) to come. Dilawar shares his second dam Daltama (Ire) (Indian Ridge {Ire}) with Ballydoyle's recent Listed Vinnie Roe S. winner Interpretation (Ire) (Galileo {Ire}), who could be G1 St Leger-bound. Daltama is kin to the seven-times Group 1-winning dual champion and European Horse of the Year Daylami (Ire), as well as the G1 Prix de l'Arc de Triomphe and G1 Prix du Jockey Club hero Dalakhani (Ire) who shared those same titles. Daylami's full-sister Daltaiyma (Ire) is the second dam of the G1 Prix de l'Opera heroine Dalkala (Giant's Causeway).

GARRUS ON A HIGH IN THE MEAUTRY

Susan Roy's **Garrus (Ire)** (Acclamation {GB}) annexed the 2019 Listed Westow S. for Jeremy Noseda and twice flirted with group-race success later that year. Close up at the business end when finishing off the board in both G1 Diamond Jubilee S. and G1 July Cup earlier in the summer, the 5-year-old Charles Hills trainee took straight aim at Sunday's G3 Barriere Prix de Meautry over Deauville's six-furlong strip and came home with a career-high in his 11th outing at stakes level.

Smartly into stride from the inside stall and under cover behind the front rank through halfway, the 31-5 chance eased to the stands' side fence for a clear passage soon after passing the quarter-mile marker and kept on strongly under late rousting to assert by 1 1/4 lengths from the wide-drawn G1 Sussex S. fourth **Duhail (Ire)** (Lope de Vega {Ire}).

"The trainer [Charles Hills] seemed pretty confident when I talked to him beforehand and he told me the horse was in great form and had run some good races at the top level," said winning rider Ioritz Mendizabal. "I watched his previous races and had the feeling he would prefer a flatter course better than the undulations at [Royal] Ascot or Newmarket. I had the most perfect trip and, as the trainer said, he was in great form indeed and capable of delivering in very good style. I am not surpised he won so well."

Reflecting on the performance of runner-up Duhail, Al Shaqab's representative Rupert Pritchard Gordon added, "Duhail ran a great race considering he had a bad draw and was giving weight away over a trip short of his optimum. It was a prep for the [Oct. 3 G1] Prix de la Foret and we liked what we saw. Later, if the horse remains in good form, we have always kept in our mind that he could be one for the [GI] Breeders' Cup mile. He is five, he is tough and he stays one mile well. If Sheikh Johan wants to go, and if Mr. Fabre is happy with the horse, why not?"

Already one of 59 stakes winner for his sire, Garrus became the 28th group winner for Acclamation (GB) | *Scoop Dyga*

Pedigree Notes

Garrus is the first of six foals and one of three winners from as many runners produced by a winning half-sister to the dam of last month's G2 Richmond S. third Gubbass (Ire) (Mehmas {Ire}). He is a full-brother to the unraced 2-year-old colt Universally (Ire) and half to a yearling filly by New Bay (GB) and a weanling filly by Waldgeist (GB). Descendants of the January-foaled grey's third dam Nuit Chaud (Woodman), herself kin to the dam of MG1SW sire Danehill Dancer (Ire) (Danehill), include stakes-winning G1 New Zealand 1000 Guineas runner-up Darci's Dream (NZ) (Darci Brahma {NZ}), GSP dual stakes scorer Windborne (NZ) (Darci Brahma {NZ}) and Listed Fairway S. second Hallhoo (Ire) (Indian Ridge {Ire}).

TABERA BACK ON TOP IN GERMANY

Litex Commerce's 4-year-old filly **Tabera (GB)** (Gleneagles {Ire}) finished fifth of sixth in Munich's July 25 G1 Grosser Dallmayr-Preis (Bayerisches Zuchtrennen) when last seen and rebounded in taking fashion to snag Sunday's G3 66th Preis der Sparkassen Finanzgruppe (Spreti-Rennen) over the same 10-furlong trip at Baden-Baden.

She had been off the board in all three starts since annexing Hoppegarten's Oct. 3 G3 Preis der Deutschen Einheit, falling short when attempting 12 furlongs for the only time in Munich's Nov. 8 G1 Grosser Preis von Bayern and again when back down in trip for Hannover's May 16 Listed Hannoverscher Stutenpreis on seasonal return in her penultimate outing.

Tabera was sharpest from the gates, seizing an immediate lead, and accepted a tow in second when headed along the backstraight. Regaining control on the turn for home, the 91-10 chance was ridden clear approaching the final furlong and kept on strongly underneath the stands' side rail to open up a 3 3/4-length margin on her opponents, headed by **Only The Brave (Fr)** (Iffraaj {GB}).

"I was at the starting gates and then had to be driven back to the track where, thankfully, I was able to watch the closing stages," explained trainer Miltcho Mintchev. "My driver told me not to worry as we had the right car, a Mercedes, for the job. Tabera had prepared very well for the race, everything worked out fine on the day and we are now heading for the [Oct 3 G1] Prix de l'Opera on the first Sunday of October in Paris."

Winning rider Maxim Pecheur added, "I already know her inside-out and that is my highlight of the year so far. I took her forward from the outset, which was an advantage, and she pulled it off perfectly."

Tabera claimed her second career Group 3 | *Marc Ruhl*

Lone Eagle Cont. from p1

Successful in the G3 Zetland S. at Newmarket to end his 2-year-old season on Oct. 10, the colt resurfaced with a fourth in the G3 bet365 Classic Trial at Sandown on Apr. 23. A classy winner of the Listed Cocked Hat S. at Goodwood on May 21, Lone Eagle was only a neck behind Hurricane Lane (Ire) (Frankel {GB}) in the Irish Derby after leading for the majority of the 1 1/2-mile trip in June. He was last of five in the King George VI and Queen Elizabeth S. and was under consideration for September's G1 Cazoo St Leger.

SUESA POINTS TO PRIX DE L'ABBAYE

Triple group winner **Suesa (Ire)** (Night of Thunder {Ire}), who most recently ran fourth in the G1 Coolmore Wootton Bassett Nunthorpe S. at York on Aug. 20, will make her next start in the Oct. 3 G1 Qatar Prix de l'Abbaye at ParisLongchamp.

"She, all being well, will run in the Prix de l'Abbaye," said James Wigan, racing manager to owner George Strawbridge. "I think that she ran a very good race, she was probably on the wrong side of the course."

"All the speed was on the other side and she had to race on her own, but she was making up ground. I think had she been on the other side she'd have been very close."

A winner of both her juvenile starts including a French listed race for Georgiana Cabrero and trainer Carlos Laffon-Parias, Suesa was purchased privately by prominent owner/breeder George Strawbridge and transferred to the yard of Francois Rohaut. She added the G3 Prix Sigy at Chantilly on Apr. 20, her 3-year-old bow, and then the G3 Prix Texanita there on May 17. Only eighth in the G1 Commonwealth Cup at Royal Ascot, the 3-year-old filly returned to the winner's circle in the G2 King George Qatar S. at Goodwood on July 30, her final start before the Nunthorpe.

Successful when unveiled at Chukyo in a newcomers' heat in June, Serifos made it two on the bounce with a first black-type and group score in the G3 Niigata Nisai S. on Sunday.

Sent off as the 7-2 third choice, the Oiwake Farm-bred took advantage of his rail draw and saved every inch of ground against the fence in midpack through the early going as Otaru Ever showed the way. After a half in :48.50, he was sitting sixth as that rival continued to lead.

Dashing up the rail with three furlongs remaining down the long Niigata straight, he gradually subdued Otaru Ever, and appeared to be home free. The 9-5 favourite, Arrival, made a late run, but finished 1 1/4 lengths back on the line. It was three-quarters of a length back to Otaru Ever in third.

Pedigree Notes

By one of the increasingly rare active sire sons of Sunday Silence, Serifos is the 38th black-type winner and 18th group winner for the 2004 Japanese 2000 Guineas hero Daiwa Major, who stood at Shadai Stallion Station this season for a private fee.

Serifos's broodmare sire Le Havre already has a pair of black-type winners in that sphere, this season's progressive G1 Coronation Cup winner Pyledriver (GB) (Harbour Watch {Ire}) and Des Ailes (Jpn), a Japanese Group 2 victress who is by the late Deep Impact (Jpn) (Sunday Silence).

The winner is the second foal and scorer for his dam, who won the Listed Prix Maurice Zilber at four and placed in the G3 Prix Bertrand du Breuil Longines at five. Serifos is the last reported foal for Sea Front, who was purchased for €135,000 out of the Arqana December Breeding Stock Sale in 2016 and sent to Japan.

Although Sea Front is the only black-type winner for her unraced dam, Freedom Herself (Fr) (Freedom Cry {GB}), the latter's half-sister Mediation (Ire) (Caerleon) won at the listed level in Ireland and placed at the group level there and Stateside. As a broodmare, Mediation has foaled GI Pacific Classic S. hero Go Between (Point Given), stakes winner Go Around (Medaglia d'Oro), the G2 Cherry Hinton S. third Extreme Beauty (Rahy) and the winning dam of GI Chandelier S. and GI Starlet S. third K P Dreamin (Union Rags).

PATTERN SITS AT HEART OF INVESTMENT

John Moynihan | *Fasig-Tipton*

by Bren O'Brien

TDN AusNZ caught up with American-based bloodstock agent John Moynihan to talk about the importance of the international racing Pattern to his business, the similarities and differences between the Australian and American thoroughbred industries, and Stonestreet Stables' investments in this part of the world.

As an international bloodstock agent purchasing mainly fillies and mares for Barbara Banke's Stonestreet Stables across the world, John Moynihan has a few methods for ensuring he's buying the best of the best, and one of the most crucial is the international Pattern of races.

Operating commercially across jurisdictions and moving mares and fillies between hemispheres requires a common 'currency', which can value bloodstock, and the race record of these horses and the others that feature on their pedigree page are something Moynihan has come to rely upon.

"It's the international currency of what we trade. When we see a graded placing or a graded win after the name of a colt or a mare that has produced a yearling, it's really what adds and creates the value of what we are purchasing," Moynihan said.

"When you win these races (black type), it makes a big difference in the residual value of your bloodstock. When you are buying untried horses such as yearlings and weanlings in the future, which are out of these horses that have graded stakes wins, it just validates the money people are willing to give for these horses. It's so important to have that."

The future direction of The Pattern in Australia is a point of considerable debate within the Australian thoroughbred industry at the moment and one that has been covered in depth by *TDN AusNZ*.

Interstate rivalries between New South Wales and Victoria have brought evolution of The Pattern, which is the domain of Racing Australia, to a halt, leaving many of the new races which have emerged over the past few years outside of the traditional structure.

For someone coordinating international investment such as Moynihan, the situation creates complexity, especially when it comes to buying fillies and mares from the Australian market.

"We just retired a filly down there, Stellar Pauline. She is a full sister to a Group 1 winner (Secret Agenda) and those Group 1s and graded stakes races that her sister won were highly instrumental and the reason we bought that filly," he said.

"Had her sister won races that were worth a great deal of money and not graded, it's not really the same. When you have those grades, it becomes a reflection of the international involvement and international participation to validate what these international investors want to do when they come to your country and want to buy horses."

The Power of an Elite Race

What The Pattern creates for Moynihan around the world is a recognisable schedule, which puts the elite races at the top and allows them to become iconic racing events, which resonate with racing fans, but also create a structure for the residual value of the horses which compete in them.

"People come to the United States to buy speed and when you see major races like the Test S., the Ballerina S., and the Prioress S., those races carry so much mystique, so much power. When I see horses that win those races, it carries," he said.

"In Australia, when I see horses that have placed or win in graded races as 2-year-olds, I know they are top fillies and often they have had to compete against colts. To compete at that level successfully, that's what validates me bidding on a mare like Sunlight."

Moynihan and Stonestreet were the underbidders on triple Group 1 winner Sunlight (Zoustar) when she sold for $4.2 million to Tom Magnier at the 2020 Magic Millions National Broodmare Sale. For the American investors, it was her Graded stakes record that made her such an appealing prospect.

"The kind of money we tried to buy her for, and what made the Magniers buy her, was that record. For her to win at that level in Australia, and there is a grade associated with it, you know immediately that that horse is the elite of the elite," he said.

Moynihan said he felt it was important that these new races were incorporated into The Pattern when the level of performance in them warranted it.

"For you to put on these big new races such as The Everest, to get them at a category where they are graded stakes eligible or become graded stakes races, based on the level of the horses that have run in them, I think it's extremely important on the international stage."

Envy of the World

The current impasse over The Pattern aside, Moynihan sees Australian racing as the envy of the world in many regards.

"Whatever you are doing, you are doing right. The big difference you have is that you have a coordinated effort, for the most part, between governments, your racing product, your owners and your racetracks," he said.

"That's the one thing we do not have in the United States, which has been extremely detrimental to us over here. We are so dysfunctional and fragmented.

"Everyone has a common and concerted effort for everything to run well. The way you market the sport, the way the racetrack put on the programs is very important."

Moynihan says the quality of sponsors of races and racetracks in Australia is another great sign of thoroughbred racing's status within broader Australian society, something which stands in contrast to other places in the world.

"People grow up loving horses in Australia. It is such an integral part of your society and it takes years and years to develop and advance that and now you are seeing the fruits of your labours. The infrastructure of the sport and your country is extremely, extremely strong; that's not the case in the United States.," he said.

Seeking Out Speed

It is the similarities between Australia and the United States in other regards which have given Moynihan and Stonestreet the confidence to invest in Australia. Across the 2019 and 2020 Magic Millions Gold Coast Yearling Sales, Moynihan spent over $3 million buying five fillies.

He has also sourced several elite mares in Australia, including Group 1 winner Bounding (Lonhro), who cost $1.9 million on the Gold Coast in 2016, and whose colt by Curlin (USA) subsequently sold for US$4.1 million (AU$5.6 million) at the 2019 Keeneland September Yearling Sale.

"We don't buy a lot of horses in Australia, but we try and buy what we perceive as the real quality offerings down there. We made a big run at Sunlight last year when she was offered. There were a couple of good mares that we made good runs at," he said.

"I think there is such a similarity with what you do down there and what we do here in America. We see it in 2-year-old racing. We find a lot of times our interests align and we've been very, very happy with what we have purchased down there."

Stellar Pauline (Not A Single Doubt), originally an $875,000 Magic Millions Gold Coast Sale purchase, was twice a winner and three times placed in her career. She will kick off her breeding career in Australia with a visit to I Am Invincible this spring.

Stonestreet also features in several colts purchased as part of the Newgate/China Horse Club partnership.

"We own a few horses with Henry Field's group. We usually involve ourselves in that if we are able to get down there for the Magic Millions Sale. We can't get down there a lot, so we rely on people like Henry to help us manage what we have down there as well as Peter Snowden," he said.

Positive Start to 2021 Sales Season

Meanwhile, Moynihan is about to enter the thick of the American sales season, which began brightly at the recent Fasig-Tipton Saratoga Sale. He said the signs are that much like Australia, the local market is rebounding well from the initial shock of COVID-19 during 2020.

"The market is good over here. We are looking forward to our upcoming September Sale and that's kind of the barometer of our business here," he said.

"All the sales that have led up to this point have been extremely promising. The Saratoga Sale that just concluded about a week ago, the numbers were really, really strong. We kind of expect the same thing to carry forward in September.

"The big question is around how much foreign involvement is going to actually be here in person, with the COVID situation and people not being able to travel as freely. But with online bidding and people having representatives on the ground, it should be a bit better than last year."
