# MCKULICK 'FRANKEL'-Y IMPRESSIVE IN BELMONT OAKS

**McKulick posts an poignant win in the Belmont Oaks** | *Sarah Andrew*

*by Alan Carasso*

Sent off the 27-5 fourth choice and only the second best-fancied of the three fillies in the race for trainer Chad Brown, Klaravich Stables' **McKulick (GB)** (Frankel {GB}) hit top gear with a furlong to race and ran out a facile winner of Saturday's GI Belmont Oaks Invitational S. to become the first American top-level winner for her all-conquering Banstead Manor-based stallion. **With The Moonlight (Ire)** completed a Frankel exacta, while the winner's commonly owned stablemate **Consumer Spending** (More Than Ready) finished with interest for third. It was a fourth Belmont Oaks for trainer Chad Brown since the event was lengthened to 10 furlongs in 2014 and his seventh dating back to the Garden City days.

McKulick is named in honor of Brown's first-ever employee, bookkeeper Mary McKulick. McKulick passed away in October 2020 at the age of 67 after losing a battle with cancer. Saturday was also meaningful for Brown for other reasons.

"It's an extra special win with it being [mentor] Bobby Frankel's birthday today. This horse is the first offspring of Frankel that I actually bought. Seth Klarman was nice enough to let me name this filly after my very first employee after I left Frankel, that's why I chose this horse being by Frankel. And wouldn't you know on his birthday she wins a Grade I. The irony and the importance of it today, on his birthday means everything to me personally."

## 'CLASSIC' UPSET IN BELMONT DERBY

*by Alan Carasso*

A season that has had more ups and downs than the Cyclone at nearby Coney Island reached new heights for **Classic Causeway** (Giant's Causeway), as the blaze-faced chestnut--making his first start on the grass--forgot to stop en route to a 3/4-length defeat of Godolphin's favored **Nations Pride (Ire)** (Teofilo {Ire}) in Saturday's $1-million GI Caesars Belmont Derby Invitational on Long Island. Peter Brant's **Stone Age (Ire)** (Galileo {Ire}), heretofore never worse than midfield in the early stages of any of his previous eight trips to the races, made steady progress to finish third after racing far back through the opening furlongs.

Classic Causeway was having his second start Saturday for trainer Ken McPeek, who saddled him to a third in the GIII Ohio Derby June 25, and who isn't afraid to think a bit outside the box.

"He came back good and was eating the bottom out of the feedbag," said co-owner Patrick McKeefe of Kentucky West Racing. "What Kenny says, I do." **Cont. p5**

*A week after his part-owned Shedaresthedevil (Daredevil) took the GII Fleur de Lis S., Staton Flurry's Interstatedaydream (Classic Empire) proved too strong in the GIII Indiana Oaks.*

**Belmont Oaks cont.**

Drawn pole position on the stretchout to the mile and two furlongs, McKulick was away smoothly and secured a cozy midfield and ground-saving berth as **'TDN Rising Star' Cairo Memories** (Cairo Prince) made the running in advance of Godolphin's Listed Pretty Polly S. heroine With The Moonlight. With all riders more or less content with their positions through the middle stages, McKulick was ridden quietly by Irad Ortiz, Jr. and was slipped a bit of rein at the three-furlong pole, shifting out three deep around last year's G1 Moyglare Stud S. runner-up **Agartha (Ire)** (Caravaggio) and stablemate and **'TDN Rising Star' Haughty** (Empire Maker) as they approached the entrance to the stretch. With The Moonlight wrested command from Cairo Memories at the quarter pole, but McKulick had dead aim on Frankie Dettori's mount, overtook that one a sixteenth from home and pulled clear.

Brown said, "She was really born to run a mile and a quarter. We were patiently waiting for a long time to get her to this distance, and my whole team did a super job with this horse in all divisions this filly has been in throughout this year."

**Concert Hall (Ire)** (Dubawi {Ire}), favored on the strength of a fourth in this year's G1 Cazoo Oaks at Epsom, raced in close attendance to the eventual winner down the backstretch, but lacked the needed stretch kick and could finish only fourth.

"It might have been quick enough [ground] for her, she was just lugging in down the straight," said her rider Ryan Moore. "They went hard and we had a nice run following the winner--just didn't keep up with them, but she ran respectably."

McKulick and Consumer Spending were a coupled entry favored at 95 cents on the dollar on Saratoga debut Aug. 8, with McKulick getting home 1 1/2 lengths best before checking in a troubled third in the GII Miss Grillo S. Oct. 2. The 180,000gns Tattersalls October purchase resumed with a sound runner-up effort behind **'TDN Rising Star' New Year's Eve** (Kitten's Joy) in the GII Edgewood S. at Churchill May 6 and was last seen running on to be second in the June 4 GIII Regret S. in Louisville.

"In both races, it didn't work out for her," said Brown. "She needed more ground and she was out of position a bit. But she ran well. We had this as a major target of the whole summer and stayed focused on this race and it paid off."

**Pedigree Notes:**

With her victory, McKulick becomes a 24th Group 1/Grade I winner for Frankel, who has now sired top-level winners in nine different jurisdictions (U.S., Canada, England, France, Ireland, Japan, Germany, UAE and Australia). She is his 98th SW and 66th GSW. McKulick is the first G1/GISW out of a mare by the excellent Makfi (GB). The cross of Frankel over mares by Makfi's sire Dubawi (Ire) has resulted in the likes of Group 1 winners Adayar (Ire) (Derby/King George), Dream Castle (GB) (Jebel Hatta) and Homeless Songs (Ire) (Irish 1000 Guineas), among other group-level scorers. With The Moonlight is also out of a Dubawi mare.

McKulick is the third full stakes winner from three to race for her Group 3-placed dam, a half-sister to Italian Group 2 winner Porsenna (Ire) (Dylan Thomas {Ire}), Italian MSW/MGSP Basileus (Ire) (Dream Ahead) and Candidate (Ire) (Camelot {GB}), Group 3-placed in Australia.

Astrelle is the dam of the 2-year-old colt Lieber Power (GB), by Frankel's successful first-season stallion son Cracksman (GB), and a yearling filly by Calyx (GB).

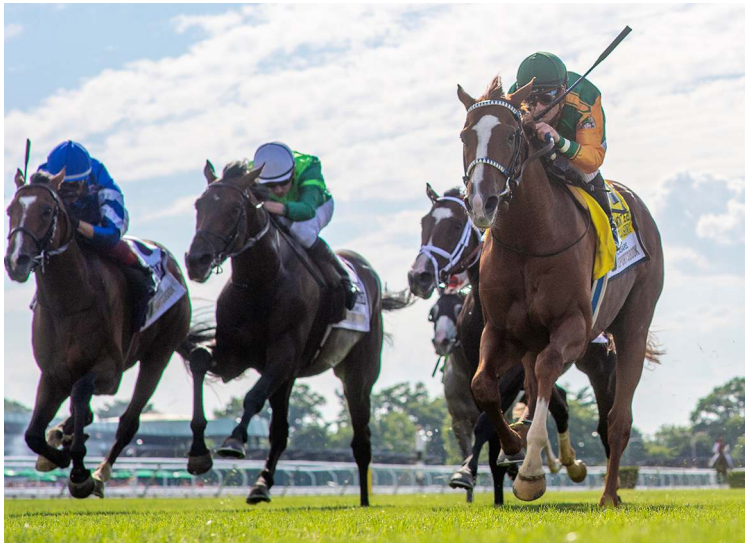
**Caesars Belmont Derby cont. from p1**

The early scratching of wire-to-wire GII Pennine Ridge S. winner **Emmanuel** (More Than Ready) left the pace scenario of the Belmont Derby somewhat murky, and that played right into the hands of Classic Causeway. Employing the same front-running tactics that won him the GIII Sam F. Davis S. and GII Lambholm South Tampa Bay Derby along the Triple Crown trail over the winter, the homebred colt jumped right into the bridle for Julien Leparoux, and while he had a bit of early company in the form of G2 Dante S. runner-up **Royal Patronage (Fr)** (Wootton Bassett {GB}), Classic Causeway was going along easily enough and was past the six-furlong peg in a manageable :48.02.

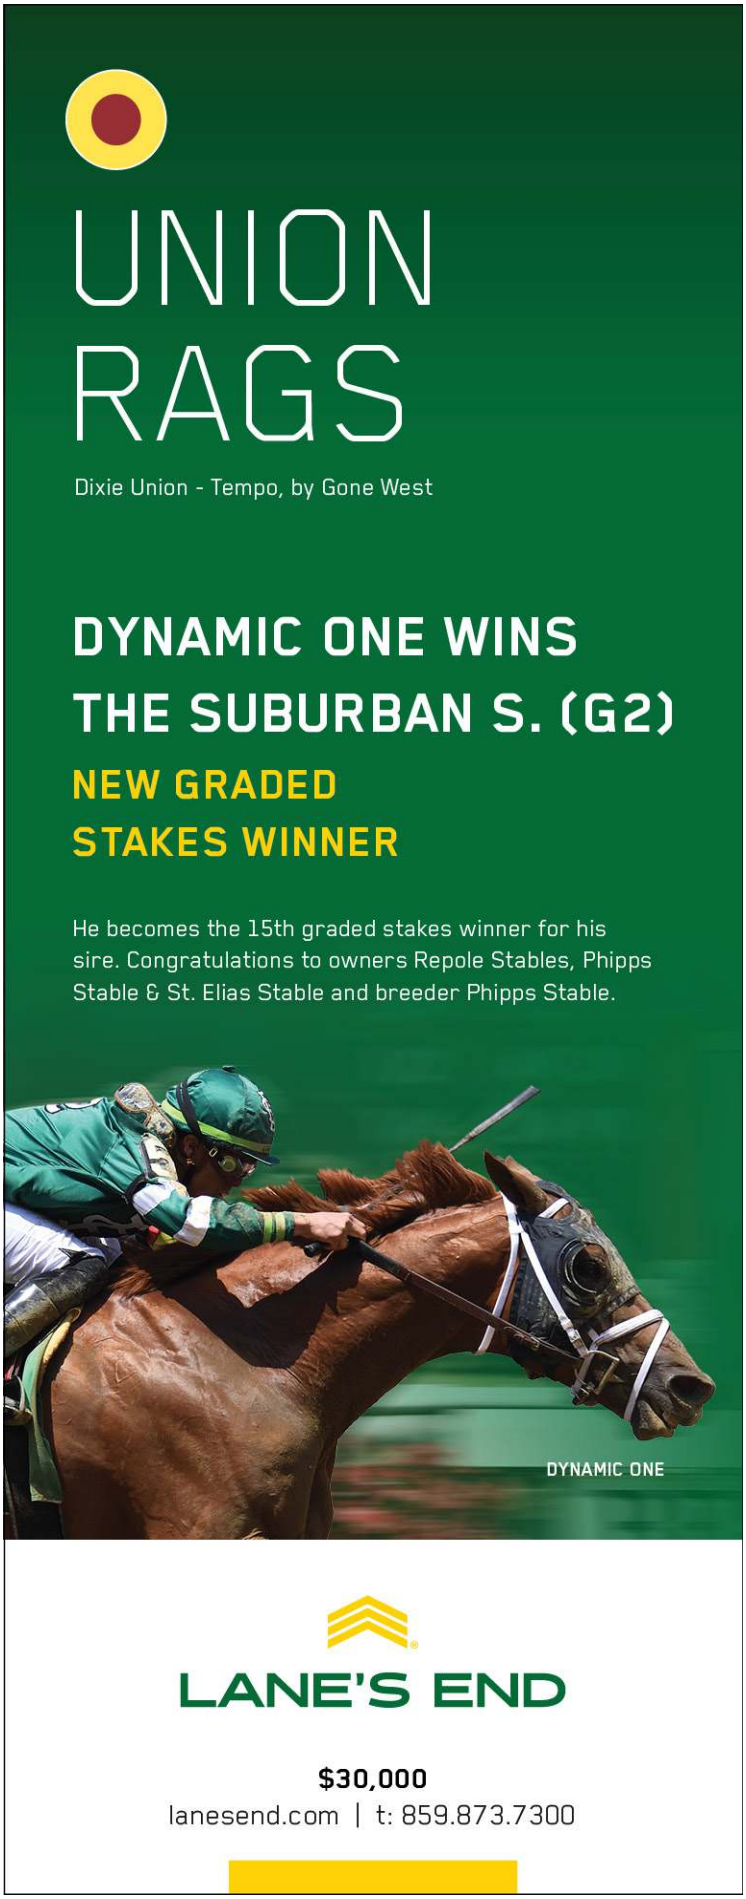


**Classic Causeway (right)** | *Sarah Andrew*

Allowed to lob them along and in a good rhythm through three-quarters of a mile in 1:12.33, he remained well within his comfort zone and maintained a safe advantage over Royal Patronage as they reached the quarter pole. Asked for a sprint by the Frenchman, Classic Causeway carried a two-length bulge into the ultimate eighth of a mile, and try as they might, the chasers ran out of real estate. Nations Pride, who defeated future G1 Cazoo Derby runner-up and £1.2-million Goffs London Sale topper Hoo Ya Mal (GB) (Territories {Ire}) by seven lengths in the Listed Newmarket S. Apr. 29, closed his final quarter-mile in a race-strongest :22.98 to just beat G3 Leopardstown Derby Trial romper Stone Age out of second.

"The plan was to go on the lead," confirmed Leparoux. "The only time I was a little worried was in the first turn when Joel [Rosario, aboard Royal Patronage] was kind of head-to-head with me. When he took back, my horse got to cruising and happy to be on the lead. I was getting him to relax nicely and switch off. It was a good run for him.

**Cont. p6**



*Sarah Andrew*

"He was actually feeling pretty fresh today," he added. "It was Kenny's idea to wheel him right back on the grass, and it paid off today for sure."

Early Saturday afternoon, the New York State Gaming Commission issued a brief statement on the scratching of Emmanuel, saying without elaborating further: "The Commission Steward ordered the scratch of Emmanuel, scheduled to run in today's Belmont Derby, due to issues relating to veterinary records. The matter remains under review."

Looking every bit a Classic contender off his two wins at Tampa, Classic Causeway was last of 11 as a 37-10 chance in the GI Curlin Florida Derby Apr. 2, casting a fair bit of doubt on his immediate future. After first expressing their intention to pass the GI Kentucky Derby, connections called an audible, and Classic Causeway did not disgrace, finishing 11th, albeit from off the pace. Sensibly spotted in the Ohio Derby after being transferred from Brian Lynch to McPeek, Classic Causeway was a clear third, beaten just over two lengths by Tawny Port (Pioneerof the Nile).

**Pedigree Notes:**

Classic Causeway is one of three foals--all colts--from the final crop of the 'Iron Horse' Giant's Causeway and is the late sire's 36th Grade I/Group 1 winner. His other two offspring born in 2019 are Giant Game, third in last year's GI Breeders' Cup Juvenile, and Shadwell homebred Monaadah, a winner of three of his five career starts and fourth in the Listed Sir Henry S. for Saeed bin Suroor at Newmarket July 7.

Private World is the dam of a 2-year-old filly by Lookin At Lucky, a yearling colt by Justify and a filly by the Triple Crown winner foaled May 15.

## A TRIUMPHANT RETURN FOR BOB BAFFERT

*by Bill Finley*

**Bob Baffert** | *Benoit*

Just like riding a bicycle.

Starting his first horses since serving a 90-day suspension issued by the Kentucky Horse Racing Commission, trainer Bob Baffert won the two races in which he had entered horses on the Saturday card at Los Alamitos. Baffert's victories included a win by **High Connection** (Connect) in the Los Alamitos Derby. It was Baffert's sixth straight win in the race that used to be known as the Swaps S. and his 12th overall in the mile-and-an-eighth contest.

Baffert had last started horses on Apr. 2. Afterward, he began serving a suspension, the result of Medina Spirit (Protonico) testing positive for the medication betamethasone in the 2021 GI Kentucky Derby.

Baffert began his afternoon with a win by **Rhetoric** (Quality Road) in the day's fifth race, a maiden special weight event for 3-year-olds. The Baffert-trained first-time-starter **Western Cape** (Curlin) finished third behind his stablemate.

"There's nothing like being back and here I am at Los Alamitos," Baffert said in an interview with TVG following the maiden win. "Everybody has been welcoming me. There have been a lot of well-wishers, people glad to see me back. I'm glad to be back because I really missed it. While I was gone, Sean McCarthy, Jimmy Barnes, the whole team, they did a fantastic job. They kept it together. Here I am and I'm looking forward. I'm getting ready for Del Mar. This is where it all started for me, training quarter horses, so it's always been a special place for me. I'm just glad to be back."

Despite Baffert's record in the Los Alamitos Derby, the betting public made **Slow Down Andy** (Nyquist) the favorite for trainer Doug O'Neill. But High Connection, ridden by Juan Hernandez, got past his rival in mid-stretch to prevail. He paid $5.40. ***Cont.***

Baffert also sent out **Doppelganger** (Into Mischief) in the race. He finished fourth.

Baffert will have one starter Sunday at Los Alamitos, **Spooky Lady** (Ghostzapper) in a maiden special weight race for fillies and mares.

Baffert remains ineligible for now to race at Churchill Downs, Churchill Downs-owned tracks and at the NYRA tracks. NYRA and Churchill suspended the trainer, a penalty separate from the Kentucky Racing Commission suspension.

Baffert returned to work on July 3, showing up at his barn at Santa Anita.

"It feels like the first day of school," Baffert told the Los Angeles *Times* after his first day back.

Baffert said Barnes, his longtime assistant, was the first to greet him.

"He came over and gave me a big ole hug," Baffert told the *Times*. "He said, 'Thank goodness, you're back.' I haven't talked to Jimmy since I left. Our whole barn is like a family, I've known them all for so long."

Baffert told the *Times* that most of his owners stood by him during his suspension. He did lose at least one important horse as 2021 2-year-old champ **'TDN Rising Star'** Corniche (Quality Road) was transferred to the Todd Pletcher barn.

"I lost some horses. Some owners are still waiting [to see what happens]," he told the *Times*. "I lost Corniche. That hurt. All in all, I've got great group of owners. They hung there in there with me, they know the truth and the facts."

Baffert has fought all the charges and allegations thrown his way, but did admit to the *Times* that he made at least one mistake along the way.

"If I had to do anything different, I wouldn't have had a press conference," Baffert told the paper. "But it was out there and [the media] was waiting....I was trying to get ahead of it. I was convinced after talking to my veterinarians, that [the positive] was impossible. Then it dawned on them 48 hours later, be careful with the [ointment] Otomax."

During his absence, most of his horses were trained by his former assistant Tim Yakteen and McCarthy. Racing for Yakteen, Taiba (Gun Runner) won the GI Runhappy Santa Anita Derby before finishing 12th in the GI Kentucky Derby. Taiba, along with stablemate Pinehurst (Twirling Candy), have been nominated to the GI TVG.com Haskell S. on July 23 at Monmouth Park. Baffert has won the Haskell nine times.

Baffert can also begin to focus on the upcoming Del Mar meet, where he normally unveils what is always a well-stocked arsenal of 2-year-old talent. Baffert had 20 winners at last year's summer meet at Del Mar, finishing second in the standings behind Peter Miller, who had 26 wins.

## ACTUATOR DELIVERS OFF PRIVATE PURCHASE IN INDIANA DERBY

**Actuator** | *Coady*

**Actuator** (Bodemeister), just a $2,200 FTKFEB yearling graduate, stayed perfect on dirt to capture a career high in Saturday's GIII Indiana Derby.

**Cont. p10**

**Indiana Derby cont.**

Third in his first two tries on grass for trainer Rodolphe Brisset at Horseshoe Indianapolis last term, including going a mile in his juvenile finale Oct. 6, he returned from the bench to air in his dirt debut going seven furlongs in his first try for trainer Michael McCarthy at Churchill Downs last time June 8.

With Black Type Thoroughbreds acquiring a 75-percent controlling interest since, 3-1 third-choice Actuator broke inward at the start from his outside draw here. Favored GISW **Rattle N Roll** (Connect), drawn two to his inside, took the worst of it at the break, clipping heels while getting bumped from both sides with rider Brian Hernandez, Jr. briefly losing the irons.

Actuator, meanwhile, raced in an outside fourth while rounding the clubhouse turn. Chasing from third while three deep heading down the backstretch, the bay was ridden to keep pace on the far turn, challenged from the outside while racing a bit greenly with his lead change as they straightened and dug down deep in the stretch to hold **Best Actor** (Flatter) safe by a half-length while brushing with that rival inside the sixteenth pole.

Actuator survived a steward's inquiry involving the start and also an objection lodged by jockey Florent Geroux aboard the runner-up alleging interference in deep stretch.

"I don't know where I interfered with him," winning jockey James Graham said. "He did break in a little bit, but his horse didn't break either. We kind of made contact. But that's the first jump. I grabbed him immediately and he actually came and leaned on me the last sixteenth. My horse ran his race. He showed a lot of grit and tenacity today, so I'm happy with that."

McCarthy added, "He didn't get away from there great, but James was able to go ahead and get us into a great spot going into the first turn. Up the backside, he was sitting right off the speed and around the turn. James asked him to pick it up, and he slowly got into a rhythm. He was game through the lane."

McCarthy continued, "Everybody was quietly confident. I thought his performance off the layoff was very, very good. The horse came back and trained well after his maiden score. Jake Ballis and his partners were very keen to get in on the horse. I thought there were bigger and better things to come with him."

**Pedigree Notes**:

Actuator is the 11th graded/26th stakes winner for former WinStar stallion and current Jockey Club of Turkey resident Bodemeister. Like Bodemeister's 2022 GII American Turf S. winner Stolen Base, Actuator is also out of an Indian Charlie mare. Indian Charlie is now responsible for 30 graded/90 stakes winners as a broodmare sire. The E. Paul Robsham-bred Indian Rocket, a winner of two of 16 career starts, was a $175,000 KEENOV weanling. The half-sister to GISW and GI Breeders' Cup Juvenile Fillies runner-up R Heat Lightning (Trippi) passed away in 2019. Actuator was her final produce.

**Miss Leslie** | *Hoofprints Inc*

Miss Leslie took her win streak to three Saturday, scoring her first graded victory in the GII Del 'Cap. Tugging her way up to third as the first quarter went up in :24.10, the chalk tracked from off the fence in a joint-third through a :48.49 half-mile. Overtaking the pacesetters with a half-mile left to run, the dark bay splashed clear in the lane to win as she pleased over Battle Bling.

A close second in Aqueduct's Ladies' S. to start the season in January, Miss Leslie was third next out in Laurel's Nellie Morse S. Feb. 19 and failed to fire next out when a well-beaten ninth in the Heavenly Cause S. there Apr. 16. She rebounded with a dominant win in Monmouth's Serena's Song S. May 8 and rallied to victory again last out in this venue's Obeah S. June 8.

**Pedigree Notes:**

Miss Leslie is the fifth graded winner for her sire Paynter and one of 23 black-type scorers for the WinStar stallion. The winner's dam Zeenut did not have a foal in 2020, but had a Holy Boss filly in 2021 and a Vino Rosso filly Apr. 13 of this year.

**Suburban S. cont.**

In a stretch-long battle reminiscent of the 2019 GI Jockey Club Gold Cup, in which the Todd Pletcher-trained Vino Rosso (Curlin) was controversially taken down for interfering with the Shug McGaughey-conditioned Code of Honor (Noble Mission {GB}), the former's Dynamic One outslugged McGaughey's **'TDN Rising Star'** First Captain to eke out the victory in Saturday's GII Suburban S. at Belmont Park.

The rail-drawn Untreated hit the ground running and enjoyed an easy time of things up front, as defending champion Max Player (Honor Code) applied only token pressure. First Captain punched the breeze out wide, while Dynamic One was guided down to the inside by Irad Ortiz, Jr. for the long run down the backstretch.

Untreated still had things very much his own way racing into the final half-mile, but First Captain was given his cue about three furlongs from home, with Dynamic One following that move and poised to strike. The favorite was steered out deepest into the lane and appeared to be ready to blow the race apart in upper stretch, but First Captain refused to lie down while racing tightly between rivals and the duo raced in near lockstep through the final stages, with Dynamic One prevailing by a short head. Untreated boxed on gamely for third to complete a 1-3 for the stable.

"He's getting better. His mind is much better," the winning jockey commented. "He's starting to figure out the game and he's changed a lot. He...switched up [leads] when I wanted to and he let me do my thing. Then he turned it on when I wanted to."

Pletcher indicated that Dynamic One would make his next start in the Jockey Club Gold Cup--a 'Win and You're In' qualifier for the GI Breeders' Cup Classic--on closing weekend at Saratoga Sept. 3.

**Dynamic One (left) guts it out** | *Sarah Andrew*

Outnodded for the victory in last year's GII Wood Memorial by barnmate Bourbonic (Bernardini), Dynamic One was well-beaten in the GI Kentucky Derby, but atoned with a defeat of Miles D (Curlin) and First Captain in the July 30 restricted Curlin S. at Saratoga. Rested off a seventh in the GI Runhappy Travers S. the next month, the $725,000 Keeneland September graduate was third to the in-form Scalding (Nyquist) in Tampa's GIII Challenger S. Mar. 12 and runner-up to the same foe in the GII Ben Ali S. at Keeneland Apr. 23 and was exiting a smart success in the June 4 Blame S. at Churchill.

**Pedigree Notes:**

Dynamic One is the 15th graded winner for his Lane's End-based stallion, whose finest hour as a racehorse came in the 2012 GI Belmont S. And he becomes yet another 2022 graded-stakes winner descending from a Phipps female family, as laid out by Sid Fernando in his July 6 Taking Stock column.

Dynamic One is the final Phipps-bred from his unplaced dam, a daughter of the Phippses 2002 champion 2-year-old filly Storm Flag Flying, who was also responsible for MGSP turfer Revved Up (Candy Ride {Arg}) and the dam of the Grade III-winning **'TDN Rising Star'** Jouster (Noble Mission {GB}), who added to her resume with a victory for Pletcher in the July 3 Perfect Sting S. over the local grass course.

Third dam My Flag was unlucky not to win an Eclipse statuette of her own, given her thrilling victory in the 1995 GI Breeders' Cup Juvenile Fillies at Big Sandy, Grade I tallies at three in the GI Ashland S., GI CCA Oaks and GI Gazelle H. and a third-place effort in that year's GI Belmont S. My Flag, a daughter of undefeated legend Personal Ensign (Private Account), was a half-sister to JCGC winner Miner's Mark and fellow GISW Traditionally and her daughter Sound the Trumpets (Bernardini) produced the aforementioned Miles D.

Beat the Drums was purchased by Riverbend Farm for $400,000 in foal to Honor Code at the 2018 Keeneland November Sale and produced the colt Videri, a $260,000 KEESEP purchase who remains unraced for Centennial Farms. She is also the dam of a yearling Ghostzapper colt and a filly foal by Street Sense.

Well-supported at 39-10, Butterbean completed a most productive Saturday for the Ken McPeek barn, accelerating sharply three furlongs out before cruising home to a handy success in Saturday's GIII Iowa Oaks at Prairie Meadows.

A convincing 5 3/4-length winner of the local Oaks prep in the June 11 Panthers S. over a mile, the chestnut was dragged back to last and dropped down onto the fence to caboose the field through an opening couple of furlongs in a solid :23.50. Content to bide her time in the rear, Butterbean had one beaten entering the turn, but made eyecatching progress inside at the three-eighths pole. Tipped out under a full head of steam by Glenn Corbett, Butterbean raced up to odds-on Falconet with a bit more than a furlong to travel and scampered clear to score impressively. Free Like a Girl made the running inside of Falconet and held gamely for third.

McPeek was also represented by GI Belmont Derby upsetter Classic Causeway (Giant's Causeway) and Runaway Wife (Gun Runner) and Silverleaf (Speightster), second and third, respectively, in the GIII Indiana Oaks.

Runner-up in auction-price-restricted maiden allowances at Churchill in October and November last year, Butterbean completed the exacta in an 'open' Gulfstream maiden Jan. 22, but was only sixth in a similar test at Keeneland Apr. 10. A neck second when in search of a confidence boost against $75,000 maiden claimers beneath the Twin Spires May 4, the $22,000 Keeneland September bargain graduated 23 days later and made it two straight when last seen in the Panthers.

**Pedigree Notes:**

The first graded winner for the expatriated Klimt, Butterbean is out of an unplaced half-sister to GSW Conquest Daddyo (Scat Daddy) and SW Hangingbyathread (Giant's Causeway). Her 2-year-old half-brother Fast Forward (Bolt d'Oro) was unplaced in a single start in Churchill maiden special weight company this past May and Letting Go produced a full-sister to Butterbean last season.

**Key Biscayne** | *Hoofprints Inc*

Key Biscayne failed to fire in her last two tries on turf, finishing ninth in a Gulfstream optional claimer Mar. 20 and fourth in that venue's Monroe S. May 8. She captured an off-the-turf event on the Hallandale oval's new synthetic course June 12, but was still dismissed at 36-1 in this step up to graded company Saturday at Delaware.

Away well from her rail draw, Key Biscayne settled in mid-pack through opening splits of :23.51 and :51.87. Inching up one spot on the backstretch run, the chestnut ranged up outside the pacesetter turning for home, put that foe away in early stretch and kicked clear to score.

Fresh off her GII Black-Eyed Susan S. win and having knocked heads with some of the 3-year-old filly division's heaviest hitters, Interstatedaydream transferred her form to the GIII Indiana Oaks for a clear-cut score. Off as the 1-5 choice, the bay broke alertly and was quickly on pace with the front lines. Florent Geroux stationed her in second early to put pressure on the leading Patna (Into Mischief), a fellow Brad Cox-trained stablemate. Patna's half-length lead at the :24.04 quarter had diminished to a tenuous head at the :48.26 half and it wasn't long before Interstatedaydream pounced while between horses.

**Indiana Oaks cont.**

She stuck her own head in front on the turn, but was almost immediately collared and passed by Runaway Wife to the outside. Unwilling to back down, Interstatedaydream looked reinvigorated by the challenge and pulled clear on the inside to repel Runaway Wife and notch a 2 1/4-length victory.

"She had to battle," said Cox. "I was a little concerned when we straightened up [for home] and [Corey] Lanerie [on Runaway Wife] looked like he had as much horse as he did. But she responded well. I think her class and her talent, how good she is, showed up late. She's a good filly. She looked like she was 1-5. At the sixteenth pole, maybe not, but it worked out."

Interstatedaydream is owned by Staton Flurry, who previously teamed up with Cox and Geroux to campaign Shedaresthedevil (Daredevil) to a win in the 2020 GI Longines Kentucky Oaks as well as that year's Indiana Oaks. Cox said a logical target for Interstatedaydream might be the GI Cotillion S., scheduled for Sept. 24 at Parx.

**Interstatedaydream, alone at the Indiana Oaks wire** | *Coady*

The Indiana Oaks winner broke her maiden on debut going 5 1/2 furlongs last June at Belmont, then jumped right into the GII Adirondack S. at Saratoga, finishing second. On the shelf until March of this year, she returned with a monster 8 1/4-length score in an optional allowance at Oaklawn, then finished third behind eventual GI Belmont S. runner-up Nest (Curlin) in Keeneland's GI Ashland S. A win in Pimlico's Black-Eyed Susan May 20 followed, giving Interstatedaydream two graded wins in her last two starts.

**Pedigree Notes:**

Interstatedaydream is the most accomplished of six stakes winners in the Northern Hemisphere by her sophomore sire. Classic Empire, the 2016 champion 2-year-old colt and a three-time Grade I winner, stands at Coolmore America and also had this year's GIII Gotham S. winner Morello. Interstatedaydream's damsire, Uncle Mo, was also champion 2-year-old (in 2010) and also stands at Coolmore America. His daughters have produced five black-type winners to date.

The unraced Babcock produced two foals in the U.S.--Interstatedaydream and MSP Emmeline--before being shipped to Saudi Arabia in 2019 after selling for $20,000 to YMT Farm at Keeneland November. She produced a now-2-year-old filly by Broken Vow there in 2020. Babcock is a half to two black-type winners, including 2012 Canadian Horse of the Year Uncaptured (Lion Heart).

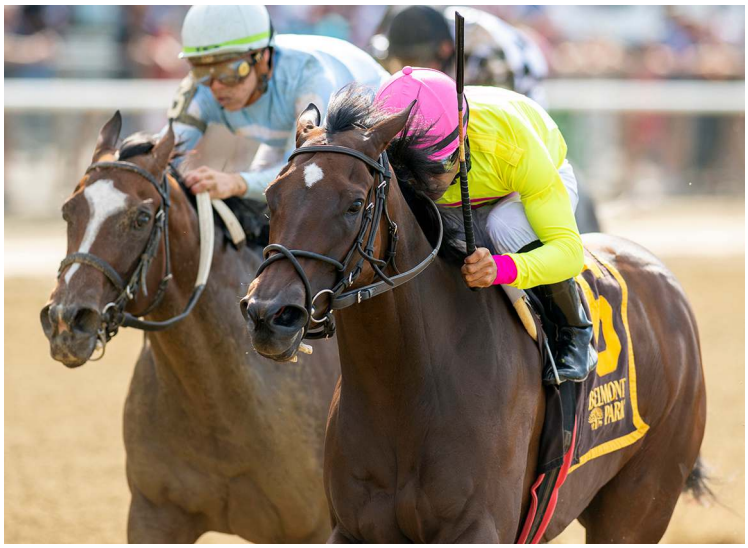
Hot Peppers made it two-for-two for the Rudy Rodriguez barn with a good-looking score in the Victory Ride S. Saturday. Away alertly, the 4-1 shot engaged in a three-way battle for control with favored Pretty Bridie (Bird Song) and Happy Soul (Runhappy) through a :22.10 first quarter. Pretty Birdie called it a day as the half went up in :45.52 and Half Is Enough joined the fray. Hot Peppers gained command from a tiring Happy Soul and forged clear in the final sixteenth with Half Is Enough making her work for it, but never a serious threat.

"She shows a lot of class and that's what you want to see in these kinds of races," Rodriguez said. "I know most of the time there will be a lot of challenges, especially with her speed. They went :21 [for the quarter] and :45 [for the half], and I was kind of worried about the distance a little, but she hung in there and she prevailed. She showed what she can do."



**Hot Peppers (right)** | *Sarah Andrew*

As for a potential start in Saratoga's GI Test S. Aug. 6, the conditioner said, "She's a 3-year-old and has all the indications. She passed this test, so hopefully we'll look forward to the Test."

"Today, she surprised me a lot because she went pretty fast and challenged the other ones," winning rider Luis Saez said. "But she proved she can really run. She beat some nice fillies and I'm pretty happy with her. She's that kind of filly that always fights. If she's in a fight, she's pretty tough to get by. She always gives you everything she has and she did that today."

Missing by a neck on debut over the Gulfstream synthetic in October, Hot Peppers romped by 14 1/4 lengths next out on dirt there in January and followed suit with a state-bred allowance win three weeks later and an open optional claimer score Feb. 20. A well-beaten seventh in the FL-bred Sophomore Fillies S. at Tampa Mar. 27, she was transferred from Ronald Spatz to Rodriguez and ran away to a 6 3/4-length victory in Belmont's Jersey Girl S. first out for that barn June 12.

**Pedigree Notes:**

Hot Peppers is the second North American graded winner and third worldwide for her young sire Khozan. She is the most recent foal out of her dam Friends Pro, a daughter of MSW Mama's Pro (Proper Reality).

**Late September** | *Coady*

*By Christie DeBernardis*

When Jack Goldthorpe and Ciaran Dunne came up with the Dew Sweepers partnership, the plan was always to buy yearlings, try and get them to Royal Ascot, and then sell them all in the Fasig-Tipton July Horses of All Ages Sale. On Monday, the final step of their plan will go into action when seven juveniles go through the ring in a complete dispersal through the Grovendale Sales consignment.

"Ciaran went to Royal Ascot last year and said, 'Goldie, this was some sort of fun. We've got to do it.' I said, 'Sounds good. How are we gonna do it," Goldthorpe said. "The plan was to buy yearlings and try our damnedest to get one to Royal Ascot and, at the end of Royal Ascot, take these horses to the sale. It was a different style pinhook. We were going to race them as opposed to blowing them down the lane [in a 2-year-old sale]. We were going to race them, show what we have and give them to a trainer that doesn't beat them up, Rusty Arnold. That way, there's a lot of meat left on the bones when somebody else wants to come by them."

Dew Sweepers not only got one horse to Royal Ascot, they got two, **Late September** (Munnings) (Hip 550) and **Grand Oak (Ire)** (Speightstown) (Hip 521). A well-beaten fourth after hopping at the start of his main track debut at Keeneland Apr. 20, Late September earned his diploma next out on dirt at Churchill exactly one month later. Sent across the pond, the $60,000 KEESEP buy failed to fire when trying the grass at Royal Ascot, finishing 17th in the G2 Coventry S. June 14. **Cont. p17**

Grand Oak checked in second when unveiled on the dirt at Keeneland Apr. 21 and wired the field for a 4 1/4-length graduation when switched to the lawn at Churchill May 20, the same day Late September broke his maiden. Unfortunately, the $105,000 KEESEP purchase did not fair much better than her stablemate at the Royal meeting, checking in 18th in the G2 Queen Mary S. June 15.

Despite those poor finishes, the Dew Sweepers thoroughly enjoyed their Royal Ascot experience, according to Goldthorpe.

"It was awesome, even though the horses ran like shit," the founder of Lexington Equine Insurance said. "We had a blast and we checked the box. The partners were like, 'Wow, what an experience.' We have to give a lot of credit to Royal Ascot. They treated us like we brought Secretariat over there. They rolled out to red carpet. They are so happy to have the Americans come over there and participate in their greatest show on Earth. It made us feel great."

The Dew Sweepers is comprised of six partners and they made a total investment of around $700,000. They acquired seven yearlings, four fillies and three colts, shopping at both Keeneland and Tattersalls.

**Grand Oak** | *Coady*

In addition to Late September and Grand Oak, their dispersal includes:

- **Tituba** (Good Magic) (Hip 437), filly, $125,000 KEESEP yrl, unraced
- **Alcazaba (Ire)** (Tamayuz {GB}) (Hip 455), colt, 40,000 gns TATOCT yrl, a maiden of two starts
- **Buttons** (Twirling Candy) (Hip 474), filly, $110,000 KEESEP yrl, won on debut on grass at Indiana June 28
- **Castle Rising (GB)** (Showcasing {GB}) (Hip 480), colt, 58,000 gns TATOCT yrl, unraced
- **Just a Care (Ire)** (Australia {GB}) (Hip 542), filly, 105,000 gns TATOCT yrl, fifth in lone start on turf at Belmont June 30

"These horse can take the new owner to Royal Ascot next year; to Kentucky Downs and run for all that money; or they can take them to the Breeders Cup," Goldthorpe said. "That gives them an opportunity and I think they will bring a pretty good bunch of money because of that."

As a complete dispersal, all seven juveniles will be there to sell, as per the partnership's contract.

"This was in a contract, that they will all disperse in July," Goldthorpe said. "This was the first time trying it. Some are regretting that we have the July end date and some are happy that we do and we completed the task as the contract set. Now will we adjust it for next year? We will probably tweak it a little bit. The success was giving us second thought. There are more races left in these horses and we knew there would be. I didn't know what kind of quality we would have, but we've got a quality bunch of horses going over there."

Just because this first class of purchases is set to sell, does not mean the Dew Sweepers are done. They plan to be active at the yearling sales again this fall.

"We will be buying horses, absolutely," said Goldthorpe. "Whether we buy them and point towards Ascot or something else. Maybe a few bottles of wine and a dinner will decide that. We're going to be invested in the game. The partners had so much fun. This not their last venture. There were some veterans in there that had to share, but for the most part, these were new people in an effort to get them excited about the game. And let me tell you, they are excited! We're not going to let them go. We're going to buy horses. We're going to sell horses. We're going to race horses, even may venture into a mare or two for the guys whose wives want to see babies being born. So it's just a very close-knit group of guys that are financially stable enough to play the game. We got lucky to put them all together and have success the first year. You won't see the end of the Dew Sweepers!"

The Fasig-Tipton Horses of All Ages Sale kicks off Monday at 3 p.m. and will include both racehorses and broodmares. It will be followed by the Fasig-Tipton July Yearling Sale Tuesday.

## REAL RIDER CUP MAKES SUCCESSFUL LEXINGTON DEBUT

*By Christie DeBernardis*

LEXINGTON, KY--With a rainy, cloudy afternoon turning into a perfect sunny and 72-degree evening, the racing industry was out in full force to support retired Thoroughbreds in the Real Rider Cup. Typically held in the fall at Fair Hill, it was the first time the event was being held in Lexington at New Vocations' Mereworth Farm and the rail was packed with familiar faces, such as Christian Black, Mike McMahon and Aidan and Leah O'Meara, to support this great cause initiated by Anita Motion.

Thirty-one riders completed a 2'6" jumper course Saturday evening, all sporting the racing silks of a sponsor stable and all riding off-track Thoroughbreds. Some of the human standouts were jockeys Rosie Napravnik and Aaron Gryder and the equine celebrities included Cozmic One (Bernardini), first foal out of Zenyatta, and GSW Stickstatelydude (First Dude).

The riders were split into nine teams and, in addition to their stable sponsorships, were tasked with garnering monetary donations, all of which went to aftercare organizations, such as New Vocations and the Retired Racehorse Project.

After 31 exciting rounds in the ring with Terence Collier on the mic, New Vocations' Anna Ford announced that over $89,000 had been raised so far and they were still counting.

**Rosie Napravnik on Banana Thief** | *Christie DeBernardis*

In the individual results, first place went to Jesslyn Woodall, who rode Lead Player (Posse), while sporting the WinStar silks.

Second went to Keira Nygaard, wearing the Thor-Bred silks aboard Judge Johnny (Empire Maker) and third was awarded to Tara Coombs, donning the silks of September Farm on the unraced Baptizo (Magical Eight).

The top team of the evening was team *Blood-Horse*, comprised of Woodall, trainer John Ennis on Sound Prospect (Eastern Echo) and Lauren Gash aboard Collaborator (Any Given Saturday). Second went to the Breeding and Bloodstock team, comprised of Sergio de Sousa and Cozmic One, Jocelyn Brooks on Perpetual Optimism (First Defence) and Nygaard. The third-place team was Off-Track Sporthorse, led by Napravnik on Banana Thief (Kitten's Joy), Emily Crow and Emily Swirsky, who both rode Old Ironsides (Rubiano), Anne Czerwonka on Subtle Hope (Dialed In) and Kelsey Buckberry on Docktarri (Preachinatthebar).

The Real Rider Cup returns to its traditional home at Fair Hill Sept. 16.

## BATISTA OUT THREE TO SIX WEEKS

Monmouth Park-based Jose Batista will be sidelined anywhere from three to six weeks after suffering fractures to his heel and ankle when his mount Sip 'n Dip broke down during the early stages of a mile-and-a-sixteenth turf race Friday, according to Dr. Angelo Chinnici, the track's medical director.

Batista was taken by ambulance to Monmouth Medical Center in nearby Long Branch for X-rays following the incident. Chinnici said that Batista is 'casted and resting' after being released from the hospital.

A 25-year-old native of Panama, Batista has ridden eight winners from 76 mounts during the current meeting. He has 41 winners from 298 rides overall in 2022.

## JOCKEYS VS. HORSEMEN BASKETBALL GAME IN SARATOGA AUG. 4 *Edited Press Release*

The 13th annual jockeys-versus-horsemen charity basketball game, which benefits the programs of the New York Race Track Chaplaincy (NYRTC), will be played Thursday, Aug. 4, 2022, at the Saratoga Springs Recreation Center at 6:30 p.m.

The game is one of the most popular events on the Saratoga social calendar and routinely attracts more than 300 fans. Admission is free.

The jockey team will once again be coached by Hall of Fame jockey Angel Cordero, Jr., with trainer Todd Pletcher and agent Kiaran McLaughlin coaching the horsemen team. Mitch Levites will serve as the announcer and provide lively commentary.

"This game is always immensely fun and beyond that, it raises much-needed funds to support our various programs," said Humberto Chavez, the New York Chaplaincy lead chaplain and executive director. "Saratogians and so many of the fans who spend time in Saratoga have been great supporters of those who take care of the horses behind the scenes."

Fans will be able to participate in raffles and one lucky fan will leave with a custom, autographed bobblehead of champion jockey Irad Ortiz, Jr.

NYRTC provides the backstretch community with children's enrichment, social service, and recreational programs, as well as educational opportunities, and non-denominational religious services.

Horsemen, individuals, or organizations who would like to sponsor the game may do so via the NY Chaplaincy website at www.rtcany.org or by contacting Eleanor Poppe at info@rtcany.org or 516-428-5267.

Margins: 1 3/4, 4, 5. Odds: 1.70, 1.00, 19.40.

It didn't take long for things to return to normal for trainer Bob Baffert. In his first day of runners after serving a 90-day suspension stemming from last year's GI Kentucky Derby Bethamethasone positive for Medina Spirit, the Hall of Famer saddled his first winner with one of his first two starters (in the same race), then added this event for good measure. High Connection was a 10-length debut romper for Baffert at Santa Anita Mar. 26 before joining the Sean McCarthy barn ahead of stretch-out seconds there in a May 8 optional claimer and the June 11 GIII Affirmed S. behind fellow Baffert to McCarthy transfer Hopper (Declaration of War).

Backed as the second choice behind Slow Down Andy--last seen annexing the GIII Sunland Derby Mar. 27--High Connection took it to the chalk from the outset and leveled off better in the long Los Al stretch as Slow Down Andy displayed some of the same greenness he did at Sunland.

"What a way to come back," said Baffert after his sixth-straight win in this race. "I love this place. The first time I came to Los Alamitos was when I was 14. Quarter Horses were my life and I knew if I could make it at Los Alamitos I knew this is it. When this horse broke his maiden, then he sort of fell back and we weren't really sure how far he wanted to go. The first two horses I worked when I came back Sunday were these two (High Connection and fourth finisher Doppelganger {Into Mischief}) and they really worked well. Doppelganger works so well in the morning and I don't know why he doesn't show more in the afternoon. I could tell in the paddock [High Connection] was ready and [jockey] Juan [Hernandez] said he really brought his A game today. He needed it because Slow Down Andy was relentless. I'm glad to be back.''

The winner's dam Forest Legend is out of Grade II-winning grasser Silver Comic (Silver Hawk), who also produced turf GSW and producer Silver Reunion (Harlan's Holiday). Forest Legend produced a Tonalist filly last year before selling to Sancal/Kurtel for $16,000 at Keeneland November while in foal to Summer Front. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Tyler's Tribe became the first black-type winner for his freshman sire (by Freud) with a daylight score in the Prairie Gold Juvenile S. Saturday at Prairie Meadows. Just like in his debut June 20 over this surface at a furlong shorter, the 2-year-old dark bay opened a clear lead early and stayed there. After capturing his unveiling by 16 3/4 lengths, he took Saturday's stakes event by 8 1/2 lengths. Tyler's Tribe broke from the rail Saturday, blazed to the front, set :22.07 and :45.16 fractions, and barreled home a sharp victor while never threatened.

Sharp Azteca, winner of the GI Cigar Mile H. in 2017, now has seven winners and one stakes winner in his nascent stallion career. He stands at Three Chimneys near Midway, Kentucky.

Tyler's Tribe topped the 2021 Iowa Thoroughbred Breeders and Owners Association Fall Sale at $34,000. His dam produced a Good Samaritan colt last year that sold as a short yearling at Keeneland January for $15,000 to Kentucky River Racing. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

In her first win since March, Majestic d'Oro finally got over the stakes hump with her victory in the Alywow S. Saturday at Woodbine. Since breaking her maiden at first asking last August, she's raced in stakes company in four of her last seven starts, but never finished better than fourth, including two fifth-place performances in last September's GIII Pocahontas S. at Churchill and Keeneland's GIII Beaumont S. Apr. 10 behind Matareya (Pioneerof the Nile). Last seen on the grass back at Churchill, Majestic d'Oro was fourth beaten just 1 1/2 lengths in the Mamzelle S. May 14.

Given a 5-1 chance here, she tucked in against the rail in second as Marie MacKay (Noble Mission {GB}) set the tempo out front. The lead was a length as a trio of runners chased behind, but Majestic d'Oro got the first jump, switching outside leaving the turn to challenge for command. She overtook Marie MacKay in upper stretch and powered home, holding off a bid from Gal in a Rush who closed strongly from off the pace. Tax (and his namesake) are true constants in this world, with the gelding getting his 6-year-old season started with a frontrunning score in the Battery Park S. after over a year and a half away.

Last seen finishing a distant 10th behind Knicks Go (Paynter) in the 2021 GI Pegasus World Invitational S. and winning the 2020 GIII Harlan's Holiday S. at Gulfstream Park two back, that victory was his first since he got his picture taken in the 2019 GII Jim Dandy S.

The long layoff did not scare the betting public, and they sent Tax off as the 9-5 favorite for his seasonal bow. Settling on the lead from the three path, he put up uncontested early fractions of :24.28, :48.80, and 1:12.80 before getting his cue on the final turn. Floating five wide at the top of the stretch, Tax skipped away from all challengers over the slop. Ridin With Biden tried to make a race of it, but had to settle for second.

Tax has a 2022 half-brother by Bee Jersey. His dam is out of MGISP Yell (A.P. Indy), making her a half to the dam of MGISW Elate (Medaglia d'Oro) and to GSP Chide (Blame). This is also the family of Roar (Forty Niner) and Congrats (A.P. Indy). **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Last year's GIII Indiana Derby winner returned to the scene for an encore in the Michael G. Schaefer Memorial S. at Horseshoe Indianapolis. The now-4-year-old broke from the inside and stayed on the rail early with his ears pricked until checking behind rivals. Shuffled back to fourth in traffic behind a :23.97 quarter and a :47.54 half, Mr. Wireless moved in tandem with Helium for the lead on the turn. With Mr. Wireless on the inside and Helium having to go around a horse on the outside, Mr. Wireless got the first jump and set sail for home to get the money.

"Things went well today," said winning trainer Bret Calhoun. "DeShawn [Parker] did a great job positioning him. The last race went a long ways toward getting him ready for this. I'm glad to see him come back. Sometimes you don't know from three to four if they're going to step up and be able to handle older horses. But this was a big step forward."

Parker agreed: "He did it pretty easy. He got in a little bit of trouble, but I got him straightened up and everything. He relaxed perfect, and when I asked him, he shot through that hole and just took off."

After two consecutive wins last spring, Mr. Wireless made his stakes debut with a second in the Texas Derby, then won the Indiana Derby in his graded debut. He followed that up with a victory in the GIII West Virginia Derby, then flattened out in the GIII Oklahoma Derby last September and went to the bench for eight months. He reappeared with an off-the-board finish in an optional allowance June 5.

The winner's dam produced dual graded performer Ain't No Elmers the year before Mr. Wireless and has since produced a yearling colt named Goldbrick (Goldencents). She lost her Gun Runner foal this year. **Click for the Equibase.com chart.**

After annexing an Oaklawn mile allowance contest by over seven lengths Mar. 18 on the back of a third-place effort in the Feb. 12 GIII Bayakoa S., Jilted Bride faced the toughest company of her career May 6 in the GI La Troienne S. with the likes of Shedaresthedevil (Daredevil) and Pauline's Pearl (Tapit) at the fore of a field that she finished sixth. Jilted Bride put in an improved effort last out in the local Jack Bishop S. to be third as the 3-2 favorite.

Breaking well here and content to track from third in midpack through the first turn, she tipped out into the two path and stalked the top flight of runners up the backstretch as a :47.22 half went by. Roused for her rally three furlongs out, she swung five wide into the stretch, and ran down long-time leader Graysonsmacho Gal in the final strides to secure her overdue first career black-type victory.

Macron powered home over a field of eight in the Iowa Sprint to come away with his first career black-type victory.

The grey started his year with two victories and two runner-up performances against Oaklawn allowance company before a slow start left him closing for third two back May 8. Shipped over to Lone Star for the Speightstown Sprint S. May 30, Macron flattened to fifth as the 3-2 favorite.

Sent away at more than 5-1 here, he was away in good order to track from the outside for the opening quarter, which sailed by in :22.02, and made his winning move midway on the turn. Challenging Minister of Soul coming into the lane, the pair exchanged brief eye contact before Macron kicked clear and powered home to a clear-cut victory.

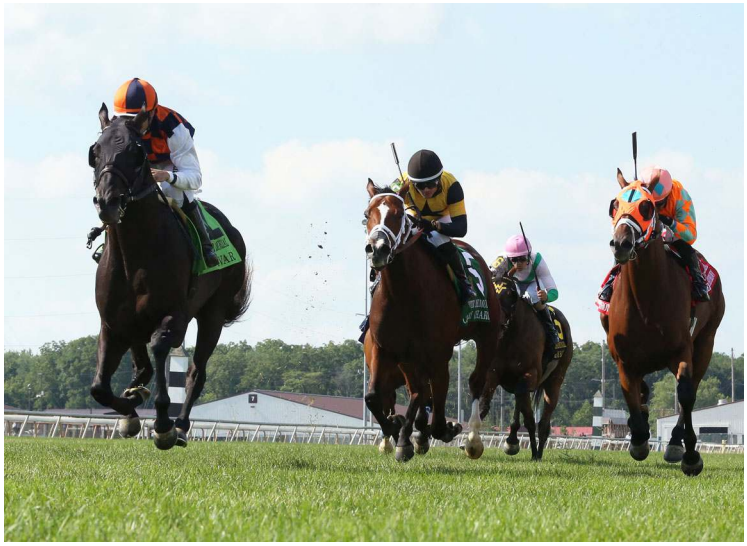
Making his first start since a third-place finish in the GI Breeders' Cup Mile at Del Mar last November, Ivar (Brz) edged to the front in a hand ride to take the Jonathan B. Schuster Memorial S. at Horseshoe Indianapolis Saturday. Sent off as the 6-5 favorite with his Grade I/Group 1 credentials on two continents, Ivar settled midpack and in the clear as the initial fractions ticked by in :22.39 and :45.50. The dark bay swept to the front with conviction while wide and left no doubt about the outcome while never feeling the whip.

"He's a very nice horse," said winning trainer Paulo Lobo. "This was not an easy race. I was very worried."

After going undefeated in three starts in Argentina, where he was trained to a championship and two Group 1 wins by Juan Manuel Etchechoury, Ivar came stateside to Lobo's barn for 2020. He won the 2020 GI Shadwell Turf Mile S. at Keeneland, earning a 104 Beyer Speed Figure, but struggled to find the winner's circle again while kept to just three starts last year. He was sidelined after the Breeders' Cup.



**Ivar (left) is fanned wide for the win** | *Coady*

"We were ready to run at Churchill Downs the day of the Derby," said Lobo. "He had a minor problem in the left front foot and we needed to stop on him a little bit. Then we were pointing for the GII Wise Dan [July 2] and then the grass at Churchill Downs, they canceled the race. I was glad we got some rain yesterday. He's a very good horse. He overcame a lot of things this year. He deserved this."

Ivar's dam was returned to the U.S. from Brazil in 2016, the same year her half-sister Al's Gal (English Channel) won the GI E. P. Taylor S. at Woodbine. May Be Now has most recently produced Navy Fleet (Hard Spun), who is an unraced 2-year-old filly, as well as a yearling filly by Yoshida (Jpn). **Click for the Equibase.com chart.**

Flippant and Hendy Woods could not be separated by the placing judge after the 1 1/16 miles of the Indiana General Assembly Distaff S.

Coming in, Hendy Woods had a perceived class advantage over most the field, having already been multiple graded stakes-placed, including two back when she ran third May 6 in the GIII Modesty S. at Churchill before coming up fifth in that venue's GIII Mint Julep S. June 5. Flippant was last seen closing for third in the May 30 Miss Liberty S. at Monmouth Park in her seasonal bow. She wrapped her 4-year-old season last year with an eighth-place effort in Keeneland's GI Queen Elizabeth II Challenge Cup S.

Neither runner was in any hurry leaving the gates as favorite Hendy Woods settled in fifth and Flippant watched the race unfold from last. The race was largely a carousel ride through the turns with little change in position early and midway through. Hendy Woods was the first to launch a challenge, taking the five path into the homeward run to catch the pacesetter despite drifting in.

The Doug O'Neill-trained Vegas Magic became the first black-type winner for freshman sire Good Magic (by Curlin) with a late-closing, nail-biting rush to the front in Pleasanton's Everett Nevin S. One of three fillies going up against colts, Vegas Magic bided her time near the back of the field early, content to let others duke it out up front as the fractions clicked by in :22.07 and :45.17. Still well back in sixth at the top of the stretch, Vegas Magic suddenly closed with a vengeance, splitting horses late and hurling toward the wire in a rush. She got up just in time, winning by a nose as the 6-5 favorite.

Trying starter/optional claiming company in his two starts since, he was third Apr. 30 and won last time out, beating the field home by 2 1/4 lengths going a local mile May 26.

Margins: 5, 2 3/4, HF. Odds: 2.20, 4.60, 6.30.
Also Ran: Devine Charger, Sunday Grace. Scratched: Little Mombo, Trobairitz.

Speedometer has gotten rolling this season, and could not be stopped here, garnering her fourth straight victory.

Starting her 3-year-old season with a 3 1/2-length maiden breaker Jan. 21 at Sam Houston, and following that effort up with a dominant 6 3/4-length allowance performance over track and trip, she was last seen taking the Goldfinch S. May 13 at Prairie Meadows.

Breaking well but unable to control the pace this time, Speedometer stalked Blazing Summer early from the rail and took command nearing the head of the stretch. Under a steady drive, the grey drew away from the tiring leader, and won by five on the wire in a brisk 1:02.95. Blazing Summer was vanned off after the race.

Speedometer is one of four full siblings, two others also being winners. The youngest is a yearling filly, and the dam visited Tapit again for next season. This is the female family of GISW Dawn of War (Catienus). **Click for the Equibase.com chart.**

Off at 4-1 for his second start back, Big Everest was patiently ridden from the gate and found himself on the lead, showing the way by a length. As Eyes On Target (Exaggerator) drew alongside around the far turn, Big Everest dug in to battle back and the pair dueled down the lane with Big Everest prevailing on the line by a half-length. **NOVEMBER REIN (f, 3, Street Boss--Ju Ju Eyeballs {MSW, $250,710}, by Gators N Bears)** made just her second start of the year with a hard-fought victory. Off as the 5-2 choice, the dark bay chased Baba (Uncle Mo) from an outside second before moving up to engage the leader through a half in :45.17.

**6th-BEL cont.**

The two exchanged head advantages throughout the stretch with neither willing to budge. After a prolonged battle, November Rein prevailed by just a head. The winner broke her maiden and took the Seeking the Ante S. last summer at the Spa, but "faltered badly then was placed under a protective hold to the wire" according to the chart in September's Joseph A. Gimma S. at Belmont. She went to the sidelines for eight months, reappearing with a third in Belmont's Bouwerie S. May 30. Starting his march early on the turn, he was three wide and eventually five wide coming out of it before rallying from almost eight off the fence in upper stretch. Continuing to float further out, the 10-1 shot kicked in gear outside the final furlong and closed fast to finish over the top by 1 3/4 lengths. Heymackit'sjack (Laoban) was originally second, but after a stewards' inquiry into the stretch run, he was disqualified from second to fourth for interference. Leaving the blocks at 8-5 here, Ice Cold Frosty took command early and, after an easy :48.12 half over the sloppy going, the $100,000

# ALCOHOL FREE ROARS BACK IN THE JULY CUP

**Rob Hornby's golden spell continues with a July Cup win aboard Alcohol Free** | *Racingfotos.com*

*by Tom Frary*

She wasn't supposed to like fast ground, but Jeff Smith's G1 Coronation S. and G1 Sussex S. heroine **Alcohol Free (Ire)** (No Nay Never) skipped the light fantastic on Newmarket's balmy July Course to stamp her class on Saturday's feature G1 Darley July Cup.

Back to this six-furlong trip for the first time since winning the G1 Cheveley Park S. as a juvenile when under three-lengths ninth in Royal Ascot's G1 Platinum Jubilee S., the 14-1 shot was drawn in the right place with that race's winner **Naval Crown (GB)** (Dubawi {Ire}) blazing the trail towards the far side. Delivered by Rob Hornby to subdue that rival inside the final furlong, the Andrew Balding-trained homebred asserted to beat the Godolphin runner by 1 1/2 lengths, with half a length back to **Artorius (Aus)** (Flying Artie {Aus}) in third as the Platinum Jubilee form of the older horses came to the fore.

"She's now won four Group 1s at two, three and four, which is a very unusual feat," trainer Andrew Balding said after greeting his first July Cup winner. "She's a very talented filly and this is her time of year as well, she's twice the horse she was in the spring and it's just lovely to have her back on song." **Cont. p3**

## NO DEEP IMPACT BUT JRHA SELECT SALE STILL SET TO MAKE ITS MARK *By Emma Berry*

There are bloodstock sales and then there's the JRHA Select Sale. The premier sale for Thoroughbreds in Japan, held at Hokkaido's Northern Horse Park, is truly out of the ordinary as far as these events go.

The yearling section of the sale, which this year features 234 entries taking into account withdrawals at the time of writing, follows a fairly traditional format (though the sale's website does include a document noting the yearlings' heights, girth and cannon bone measurements, vices, and any surgical intervention), but it is the following day's session of foals that gives the JRHA Select Sale its unique feel. The foals arrive with their dams at Northern Horse Park early on the morning of the sale, though potential buyers have already visited the individual consigning farms for yearling and foal shows prior to auction.

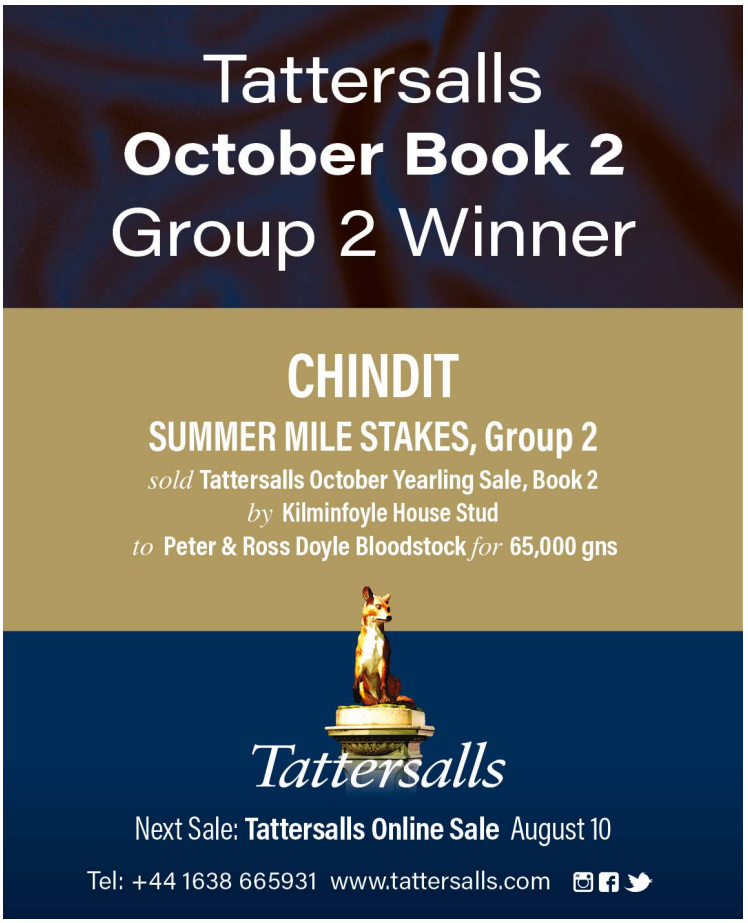
**G1 Darley July Cup Cont. from p1**

Since the failed attempt by connections to stretch her to an extended 10 furlongs in the G1 Juddmonte International last August, Alcohol Free's record of one placing in four subsequent starts seemed to tell a story but closer analysis afforded her leeway heading into the most extreme speed test she had yet to face. Apart from the re-entry to the sprinting world in the Platinum Jubilee, she had probably needed her seasonal return when third in the Apr. 22 G2 Sandown Mile and it was only her fourth in the May 14 G1 Lockinge S. at Newbury and eighth in the G1 Queen Elizabeth II S. that cast any doubt as to her retained ability. This represented a return to the pomp of her defeat of Poetic Flare (Ire) (Dawn Approach {Ire}) in the Goodwood feature last term, with her deadly acceleration the key in a deep contest full of sprinting talent proven in the international sphere.

As it turned out, the 2022 July Cup was a case of being in the right place with Naval Crown and James Doyle the one to target and Alcohol Free able to sit over two lengths off him with Artorius in her wake. Despite pace pressure from **Emaraaty Ana (GB)** (Shamardal), Naval Crown was able to fend off all bar the filly heading to two out and the rest never stood a chance with the front three following that straight path towards the far rail. As on Friday, it was Rob Hornby who was judging things to a tee and it is fitting that he was becoming the first to ride the winners of the Falmouth and this at the same meeting since Johnny Murtagh in 2004.

"It just goes to show her guts and bravery, because she has form on every bit of ground now," her rider commented. "Coming back to six furlongs, we were unsure if the ground was a bit quick and she was a bit disorganised in the first half of the race which she can sometimes be. From half way I felt her really kick in and she had a real fire in her belly today. It is a hell of a training performance from Andrew and everyone back at Park House. She is a fiery character and she has got a lot of personality. She has always shown lots of natural speed, but stamina as well."

> "It just goes to show her guts and bravery, because she has form on every bit of ground now...She is a fiery character and she has got a lot of personality. She has always shown lots of natural speed, but stamina as well."
> –Rob Hornby on Alcohol Free



Balding is intent on heading back to the Sussex now to add to a star-studded line-up. "We needed to run somewhere between Ascot and Goodwood really--the Sussex S. has always been her main target, having won the race last year and we were just trying to find the best plan to get her there," Balding added. "She's obviously a speed miler rather than an attritional miler, so Goodwood should suit her really well and we look forward to it."

Charlie Appleby was delighted with the performance of the runner-up and said, "Naval Crown has run a rock-solid race. The plan with him was to go and be forward. He set a good clip there and it was only the filly that has come and dived on us late. It was another solid performance at that level as well, and at sprinting more importantly. I think going forward we will probably head towards Haydock [for the Sprint Cup] with him, as the ground doesn't worry him at all."

Sam Freedman said of Artorius, "Frustrating is the wrong word, because he always runs very well and a frustrating horse is probably one who mixes his form. He's very honest and reliable in the sense he's always finishing his races off and the 1300 metres for his next target would suit him nicely. He needs them to come back to him a little bit and today it's probably not been the easiest thing to do to make up ground." **Cont. p4**

## G1 Darley July Cup Cont.

Christophe Soumillon reported that the seventh-placed 9-4 favourite **Perfect Power (Ire)** (Ardad {Ire}) was unlucky. "Unfortunately, when I asked him to come through horses I never had a clear run and we shifted from the left to the right. He finished well and it wasn't a bad run," he said.

### *Pedigree Notes*

Alcohol Free, who becomes her sire's second July Cup winner after Ten Sovereigns (Ire), is out of Plying (Hard Spun) who also produced the Listed Prix Le Fabuleux winner Alexander James (Ire) (Camelot {GB}). The second dam is the Listed National S.-placed Nasaieb (Ire) (Fairy King), who was responsible for the G2 Flying Childers S. and G3 Princess Margaret S.-placed Kissing Lights (Ire) (Machiavellian) and is a half to the G3 Solario S. scorer Raise A Grand (Ire) (Grand Lodge). From the family of the champion juvenile filly Numbered Account (Buckpasser), Plying's unraced 2-year-old colt by Dandy Man (Ire) is named Hidden Ambush (Ire) while she also has a yearling filly by Gleneagles (Ire).

## ISAAC SHELBY BATTLES TO SUPERLATIVE TRIUMPH *by Sean Cronin*

Manton Thoroughbreds' hitherto undefeated 2-year-old colt **Isaac Shelby (GB)** (Night Of Thunder {Ire}--Kentucky Belle {Ire}), by Heliostatic {Ire}) registered a taking 3 1/2-length success in his May 31 unveiling going 6 1/2 furlongs at Newbury, the chestnut's only prior start, and doubled up in game fashion after a ding-dong tussle with Godolphin's **Victory Dance (Ire)** (Dubawi {Ire}) throughout the closing stages of Saturday's seven-furlong G2 bet365 Superlative S. at Newmarket.

**Isaac Shelby (left) triumphs in the Superlative S.** | *Racingfotos.com*

The 3-1 chance was the sharpest of five into stride and accepted a tow from **Dark Thirty (Ire)** (Starspangledbanner {Aus}) in second after the early shuffling. Coming under pressure, as did all four rivals, passing the quarter-mile marker, he gained a narrow advantage approaching the final furlong and was driven out up the hill to withstand the persistent threat of Victory Dance by a head after a thrilling duel. Dark Thirty kept on once headed to finish 3 3/4 lengths back in third. **'TDN Rising Star' Lion Of War (GB)** (Roaring Lion) was unable to feature when it mattered and finished last of the five contenders. The local stewards were back in session to conduct another official post mortem. Looking specifically at interference passing the furlong marker, where Isaac Shelby drifted across Dark Thirty's lane, the placings were allowed stand without amendment. Winning jockey Sean Levey received a two-day ban for his troubles.

"You're always tempted to make predictions, but he's very nice and really is the business I think," commented Brian Meehan after annexing his first win in the contest. "He looks really special and could even be a [G1 2000] Guineas horse. He's got a good temperament and Sean [Levey] knows him well, so they're a good package. We'd stay at seven [furlongs] now, which I think is ideal, but we won't be in any hurry [to go up in trip]. I think we'd train him as a Guineas horse now. These horses are special and they're the reason you do it. You get the most enjoyment out of training winners of course, but when you get horses like him with serious potential it's exciting.

"All winter he's looked like a nice horse, he's straightforward with a lovely temperament and is very easy to deal with. We've got a great team at home with some very good judges and they've always liked him. It's easy to think that he was going to be nice, but this is high-end stuff and he's really proven himself. We'll take it step by step and won't rush into things, but he's a horse that we think is going to improve and physically there's still massive improvement there.

"We'll get him back and sit round the table and make a little plan after a week or so. Goodwood would come too soon, but the [G2] Champagne [at Doncaster in September] is a race I've thought about. I love the Breeders' Cup so the [GI] Juvenile Turf is one we'll definitely factor into our thoughts as well.

"I'm so pleased for Sam [Sangster], we do a lot together. He buys horses for me and my clients as a bloodstock agent and he runs these partnerships as well. It keeps the [Robert Sangster] colours alive which is really cool, he's a great guy and I can't thank him enough for his support." **Cont. p6**

## G2 Superlative S. Cont.

Charlie Appleby was not downcast after the narrow defeat of Victory Dance, who remains on target for the Curragh's G1 Vincent O'Brien National S., according to the trainer, despite the reversal. "The winner is a nice horse as he won that maiden at Newbury nicely and I feel we have more to go forward with as well," he said. "We saw him there on his first start only just getting the hang of it and, when he got into a battle, he did well for his inexperience. I think going forward we have got all the options now, but I won't take him to somewhere like the [G2] Vintage [at Goodwood]. If we seek significant improvement at home we will carry on with Plan A and head to the [G1 Vincent O'Brien] National."

Richard Hannon, a dual winner of this contest, was satisfied with the display of Dark Thirty and reflected, "It was a step up from his [Listed] Chesham run and I'm very happy with it. The interference wasn't ideal, but the best horse has won. We are delighted with our fellow as he has got home very well and he will get further in time. He would have finished closer, but I don't think he would have finished a position closer. He is a very nice horse and a class horse to look forward to the rest of the year. We wouldn't be far away in some of those seven-furlong Group 3s and he is definitely not average. There is the [G3] Prix Francois Boutin at Deauville, which would be ideal."

## *Pedigree Notes*

Isaac Shelby, who becomes the 17th pattern-race scorer for his sire (by Dubawi {Ire}), is the third of four foals and one of two winners produced by an unraced half-sister to GII Mac Diarmida H. victor Ramazotti (Honor Grades) and to the dam of dual stakes winner Vow To Recover (Broken Vow). The April-foaled chestnut is a half-brother to a yearling colt by Al Kazeem (GB). The April-foaled chestnut's dam Kentucky Belle (Ire) (Heliostatic {Ire}) is a daughter of Listed Prom S. placegetter Mine Inning (Mining), herself out of Listed Revidere S. runner-up Weed It Out (Clever Trick). Descendants of Weed It Out also include Listed Debutante S. victrix She's My Warrior (Warrior's Reward), Listed Minnesota Derby scorer Thealligatorhunter (Overanalyze), Listed Oak Tree Sprint S. heroine Annie's Candy (Twirling Candy) and the Puerto Rican champion juvenile Wicked Runner (Wicked Strong). Weed It Out's siblings include GI American Derby hero Pocket Zipper (Full Pocket).

## CHINDIT HAS HIS DAY

*by Tom Frary*

**Chindit, Pat Dobbs and Michael Pescod** | *Racingfotos.com*

Earning compensation for respectable efforts in the top league, Michael Pescod's **Chindit (Ire)** (Wootton Bassett {GB}) battled to a typically game success in Saturday's G2 Fred Cowley MBE Memorial Summer Mile at Ascot.

Third in the May 14 G1 Lockinge S. at Newbury and fourth in the G1 Queen Anne S. at Royal Ascot June 14, the 85-40 second favourite was in shallower waters here and took to the lead early to establish his presence. Looking likely to surrender as the 7-4 favourite **Mutasaabeq (GB)** (Invincible Spirit {Ire}) edged ahead over a furlong from home, the Richard Hannon trainee rallied for Pat Dobbs to wrest back the advantage late on and score by a head.

"He is relaxing a bit better and he is finishing his races off," the winning rider said. "He used to be a little bit headstrong. He kept plenty in the tank and I always thought he would get 10, so we'll see."

First coming to prominence at this venue when taking the Listed Pat Eddery S. as a juvenile, Chindit went on to win the G2 Champagne S. at Doncaster later that term and although he added the G3 Greenham S. to his tally the following spring he was unable to make a serious impact in four attempts at the highest level. Back with purpose in 2022 with a fluent score in the Listed Doncaster Mile Mar. 26, the bay had continued to provide honest service to connections by sticking as respectably close to Baaeed (GB) (Sea The Stars {Ire}) as possible at Newbury and Royal Ascot.

Pescod is keen to take on the Shadwell rocket once again. "I have a nose-bleed now," he quipped. "I am in territory I don't understand. I have never had a Group 1 winner and if you tell me where Baaeed is going to go, I will tell you if this is the horse who could be the first. We are entered at Goodwood and we have to do it really. We are not going to duck him. He is certainly one of the best horses I have owned."

### *Pedigree Notes*

Chindit is the first foal out of Always A Dream (GB) (Oasis Dream {GB}), a granddaughter of the famed Out West (Gone West) who produced the G1 Derby hero and successful sire Motivator (GB) and his G2 Hardwicke S.-winning full-brother Macarthur (GB). From the family of the GI Haskell Invitational H. and GI San Fernando S. hero and leading sire Wavering Monarch, her yearling filly is by Bated Breath (GB).

## TECHNICAL KO

*by Tom Frary*

There was an undeservedly poor turnout for Saturday's G3 John Smith's Silver Cup at York and when one of the trio failed to run his race, the way was clear for **Without A Fight (Ire)** (Teofilo {Ire}) to inflict another defeat on **John Leeper (Ire)** (Frankel {GB}). Already the 10-11 favourite before his chief market rival **Thunderous (Ire)** (Night Of Thunder {Ire}) blew the start, the Simon and Ed Crisford-trained 5-year-old who had beaten John Leeper with ease in the course-and-distance Listed Grand Cup June 11 provided Andrea Atzeni with one of the simplest pattern-race rides of his career. In control long before the reluctant Thunderous gave up the ghost, the final three furlongs were akin to a piece of exercise as he strolled to a 3 1/2-length verdict over Ed Dunlop's pride and joy. ### G3 Silver Cup Cont.

"I think at the end of the year we'll go for the Melbourne Cup and take him down to Australia, he'll have a summer break, run in September and then probably go there," Ed Crisford said of the progressive winner, whose best effort is probably his head second to the eventual G1 Coronation Cup hero Hukum (Ire) (Sea The Stars {Ire}) in Meydan's G2 Dubai City Of Gold Mar. 5.

## ADLERFLUG'S INDIA COLLECTS MAGDEBURG FEATURE *by Sean Cronin*

Gestut Ittlingen's 4-year-old filly **India (Ger)** (Adlerflug {Ger}--Ivory Coast {Fr}, by Peintre Celebre) had snagged just one of six starts prior to this campaign, but was unbeaten in 2022 after registering victories in Hannover's May 1 Listed Grosser Preis von Hannover and Dortmund's May 26 Listed Grosser Preis der Sparkasse Dortmund last time.

The homebred bay was let go as the 18-5 third favourite for Saturday's G3 Grosser Preis der Landeshauptstadt Magdeburg and returned home with a career high in the bag after posting a decisive victory in the extended 10-furlong contest. India was under a firm hold in fourth passing the judge first time. Comfortable behind the leaders for the most part, she came under pressure rounding the home turn and ran on strongly under mild coaxing once quickening for her challenge at the furlong marker to win going away.

### *Pedigree Notes*

India, a half-sister to G2 Prix Vicomtesse Vigier victor Ivory Land (Fr) (Lando {Ger}), becomes the 18th pattern-race winner for her sire and the second for Ivory Coast (Fr) (Peintre Celebre), herself an unraced daughter of Listed Ben Marshall S. runner-up Land Of Ivory (The Minstrel). # RACE PREVIEWS

## JEAN PRAT TEST FOR TENEBRISM

*by Tom Frary*

Things may not have clicked for **'TDN Rising Star' Tenebrism** (Caravaggio) so far this season, but there is plenty of road left and Sunday's G1 Haras d'Etreham Prix Jean Prat at Deauville represents an opportunity for a clean slate over a seven-furlong trip that could prove her optimum. So impressive in the G1 Cheveley Park S. at Newmarket in September, the daughter of Immortal Verse (Ire) (Pivotal {GB}) who had one of her finest hours here in the G1 Prix Jacques le Marois put a disappointing effort in the 1000 Guineas firmly behind her when fourth in the G1 Coronation S. at Royal Ascot last time June 17. "We had the option of the Falmouth S., but I think this race over seven furlongs is a good spot for her," Ryan Moore said. "She clearly saw the mile out very well in the Coronation, but she has plenty of pace and I can see stepping down in trip really suiting her."

### *Classic Convergence*

Unusually, the winners of the G1 Poule d'Essai des Poulains and Pouliches meet here, having failed in their respective attempts following their May 15 ParisLongchamp Classic victories. In retrospect, the Poulains hero **Modern Games (Ire)** (Dubawi {Ire}) had an impossible task trying to ward off Vadeni (Fr) (Churchill {Ire}) from stall 13 in the G1 Prix du Jockey Club at Chantilly June 5 and he was arguably ridden too aggressively to overcome that compromising draw.

"He's very genuine and he's got a lot of natural pace," Charlie Appleby said. "Hopefully it will be quick ground, which you can never be certain of in Deauville, but he's showing all the signs he was before the Guineas." Best in the Pouliches, **Mangoustine (Fr)** (Dark Angel {Ire}) was only ninth in the Coronation but this seven could be more her metier and she looked strong over it when beating the subsequent G2 German 1000 Guineas winner Txope (Fr) (Siyouni {Fr}) in the G3 Prix Miesque at Chantilly in October.

**Modern Games** | *Breeders' Cup/Eclipse Sportswire*

### *New Opportunity*

Sheila and John Lavery's **'TDN Rising Star' New Energy (Ire)** (New Bay {GB}) has looked a cast-iron seven-furlong performer in two efforts at the top level over a mile, with his second in the G1 Irish 2000 Guineas May 21 and eighth in the June 14 G1 St James's Palace S. marked by moments of genuine threat. "I'm hoping it is not too close to Ascot, we've just been keeping him ticking over at home, so until we run him we won't know, but he's a very good traveller," Sheila Lavery said. "I think seven will suit, he has such a high cruising speed. Ascot was a muddling race and I'm not overly sure whether he stayed the stiff mile."

Also at Deauville, the Listed Prix Roland de Chambure over the same seven-furlong trip of the Jean Prat sees the **'TDN Rising Star' Breizh Sky (Fr)** (Pedro The Great) bid to back up his eight-length debut success over six at Saint-Cloud May 17 racing in the Alain Jathiere silks for the first time.

Coming into Saturday's Listed John Smith's City Walls S. at York with just two starts under her belt, Sheikh Juma Dalmook Al Maktoum's **Royal Aclaim (Ire)** (Aclaim {Ire}) belied inexperience to put older rivals to the sword under Andrea Atzeni. Last seen winning a Bath novice over this five-furlong trip June 11, the James Tate-trained 3-year-old who had Perfect Power (Ire) (Ardad {Ire}) back in third on her sole juvenile start at Newcastle last May enjoyed an ideal lead from last year's G1 Nunthorpe S. heroine **Winter Power (Ire)** (Bungle Inthejungle {GB}). Let loose two out, the 11-4 joint-favourite drew away to score by two lengths from the respected sprinter **Mondammej (GB)** (Lope De Vega {Ire}).

"The Nunthorpe is the only race on my mind," Tate said. "We've no idea how good she is, but I'm looking forward to finding out."

"We spend all our lives looking for something a bit special and I knew I had it after she won at Newcastle last year, beating Perfect Power. She did a piece of work getting ready for the Queen Mary and I couldn't believe my eyes. I thought, 'oh my god. This is it'. Unfortunately she had a setback and she couldn't reappear until this year, but she's been worth waiting for. I think this is the fastest horse I've ever trained. She'd only been to little meetings, she had to walk across the course, she had to see all these people cheering, she's taken it all in her stride. She's just done it so well."

**Royal Aclaim** | *Racingfotos.com*

Royal Aclaim is out of the G3 Ballyogan S.-placed Knock Stars (Ire) (Soviet Star), a relative of the Listed Salsabil S. winner and multiple group-placed Indiana Gal (Ire) (Intikhab) who is in turn the dam of the G1 Asahi Hai Futurity S.-winning Japanese champion juvenile Danon Premium (Jpn) (Deep Impact {Jpn}). Knock Stars also has the unraced 2-year-old colt Pop Star (Ire) (Sioux Nation), a 215,000gns Book 2 purchase by M V Magnier who now resides at Ballydoyle, and a yearling colt by the same sire. **VIDEO.**

Laneqash, winless in seven outings since annexing his August 2020 debut at Ascot, lined up for this eighth consecutive black-type start coming back off a sixth-of-six effort in last month's G3 Criterion S. at Newmarket. Shuffled back to race at the tail of the seven-runner field through halfway, he was nudged along on the home turn and kept on strongly out wide in the short straight to deny Misty Grey for a career high.

Laneqash, who becomes the eighth black-type winner for his sire (by Invincible Spirit {Ire}), is the first of three foals produced by Bonhomie (GB) (Shamardal), herself a granddaughter of G2 Premio Umbria-winning champion Proskona (Mr. Prospector). Proskona's progeny list is headed by GII Canadian H. victrix Calista (GB) (Caerleon) and her descendants include this year's G1 Poule d'Essai des Poulains hero Modern Games (Ire) (Dubawi {Ire}), Listed Windsor S. victor Modern News (GB) (Shamardal) and Friday's G2 Duchess of Cambridge S. victrix Mawj (Ire) (Exceed And Excel {Aus}). Proskona is kin to G2 Goldene Peitsche hero Keos (Riverman) and G3 Prix Chloe-winning stellar producer Korveya (Riverman). Bonhomie has also thrown Laneqash's winning 3-year-old full-brother Open Mind (GB) and a yearling filly by Land Force (Ire). **VIDEO.**

**DEFENCE OF FORT (IRE) (c, 2, Starspangledbanner {Aus}--Signs And Signals {Ire}, by Kodiac {GB})** tracked the leaders in seventh through halfway in this debut. Stoked up to close approaching the quarter-mile marker, the 12-1 chance bounded to the fore underneath the stands' side rail with 1 1/2 furlongs remaining and was ridden clear in the latter stages to account for Berkshire Phantom (Ire) (Expert Eye GB}) by 4 3/4 lengths. "He's a nice sort and a big horse," said rider Jason Watson. "We thought he might be a bit immature for this first outing, but going down to start he took me down nicely and came alive when he hit the track. He is a nice horse going forward." Defence Of Fort, half to a yearling colt by Showcasing (GB), is the third of four foals and first scorer out of a half-sister to dual stakes-winning G1 Dubai Sheema Classic runner-up Razkalla (Caerleon) and Listed Glasgow S. third Western Adventure (Gone West). The February-foaled chestnut's multiple stakes-winning second dam Larrocha (Ire) (Sadler's Wells), who was Group 1 placed, is a half-sister to multiple Group 1-winning sire Ardross (Ire) (Run The Gantlet). **MARBAAN (GB) (c, 2, Oasis Dream {GB}--Zahoo {Ire} {SP-Eng}, by Nayef)**, carrying a seven-pound penalty for his emphatic Nottingham novice success June 9, raced behind the pace unlike on that occasion when he dominated from the front. In front approaching the furlong pole, the 10-11 favourite drifted left close home but pulled out extra to deny We Could Be Heroes (Ire) (Ribchester {Ire}) by half a length. "He's a nice horse and Charlie [Fellowes] is sweet on him," jockey Shane Kelly said. "His form is strong and he has a smart future--he was just dossing that last little bit and he'll get a mile." The winner's listed-placed dam, who produced the G3 Ballycorus S. winner Convergence (Ire) (Cape Cross {Ire}), GSW-Ire, $165,624, died after delivering her 2021 filly Shavasi (Ire) (Muhaarar {GB}). She is a half-sister to the group winners Bangkok (Ire) (Australia {GB}) and Matterhorn (Ire) (Raven's Pass) and to the dam of the G1 Queen Anne S., G1 Lockinge S., G1 Prix Jacques le Marois and G1 Prix du Moulin de Longchamp-winning sire Ribchester (Ire). **ALSEYOOB (IRE) (f, 2, Lope De Vega {Ire}--Stellar Glow {Ire} {GSP-Ire}, by Sea The Stars {Ire})** broke swiftly and led from the outset of this debut. In command throughout, the 9-1 chance came under pressure when threatened approaching the final quarter mile and was ridden out in the closing stages to comfortably hold Luckin Brew (Ire) (Lope De Vega {Ire}) by a half length. "She showed us at home that she was quality and she has run very well," said trainer Ismail Mohammed. "I was really confident beforehand, but I didn't want to talk up her chances too much. The plan was to hold on to her, but the others were very slow away. We started at seven [furlongs] and will stay further. We will see how she comes out of the race as regards to her next run. Sean [Levey] was very happy with her." Alseyoob is the third of four foals and second scorer produced by G3 Weld Park S. third Stellar Glow (Ire) (Sea The Stars {Ire}), herself a half-sister to G1 Phoenix S.-winning sire Alfred Nobel (Ire) (Danehill Dancer {Ire}). **JRHA Select Sale Preview Cont. from p1**

On sale morning, there is a two-hour window for further viewing, with several hundred foals and their usually fairly illustrious mothers standing in lot order among the trees in the park for the fanciest mass line-up of Thoroughbred stock in the world. They then proceed to the ring in tandem, and the foals, once sold, return to their original farm until they are weaned.

**JRHA Select Sale foal inspections on sale morning** | *Emma Berry*

from the then-record-breaking year of 2019, but by 2021, more records were set, with the highest turnover ever seen across the two-day sale of ¥22.5 billion *(€163m/£138m)* for 226 yearlings and 213 foals sold. Covid restrictions are now more relaxed in Japan and the JRHA's international representative Naohiro Goda says they they expect to have more trainers, owners, agents and media returning to the sale this year, with some American and Australian agents having already arrived in Hokkaido.

For the first time, and in a move which has proved highly effective in other jurisdictions, the JRHA will be accepting online bidding from international buyers.

Japanese bloodstock continues to advertise its merit on racecourses around the world, and inspection of the Select Sale catalogue demonstrates just how highly prized top-class international form is for Japanese breeders when it comes to assembling broodmare bands. Whatever your nationality, there will be mares throughout the pages who are instantly memorable, usually because of their Group/Grade 1 racing form.

For the first time since he arrived on the scene as a stallion of note, there will be no Deep Impact (Jpn) yearlings on offer in Hokkaido, the great sire having died in 2019, leaving a small final crop born in 2020. Poignantly, his 31-year-old dam Wind In Her Hair (Ire) (Alzao) still resides within sight of the sale at the Northern Horse Park with her pony companions.

Deep Impact does still have the edge in Japan's leading sires' table so far this season, but his lead over the former leading first-crop sire Lord Kanaloa (Jpn) is slim. The latter, also a Shadai stallion, is represented by 11 yearlings and nine foals in the JRHA Select catalogue, including a yearling filly (lot 14) out of the G1 Prix Marcel Boussac winner Lily's Candle (Fr) (Style Vendome {Fr}), who was bred in Normandy by Monique Lepeudry at Elevage de Tourgeville. **Cont. p16**

Her close family also includes the former Japanese Horse of the Year and G1 Cox Plate winner Lys Gracieux (Jpn) (Heart's Cry {Jpn}).

Homecoming Queen (Ire) (Holy Roman Emperor {Ire}) and Jet Setting (Ire) (Fast Company {Ire}), 1000 Guineas winners in England and Ireland respectively, are each represented by yearlings in the sale. The former, a half-sister to Arc winner Dylan Thomas (Ire) and champion 2-year-old filly Queen's Logic (Ire) (Grand Lodge), has a colt by Maurice (Jpn) catalogued as lot 55, while Jet Setting's Frankel (GB) colt is slated as lot 23.

Another close relation to a European Classic winner can be found as lot 16, who is the half-brother to Irish Oaks winner Covert Love (Ire) (Azamour {Ire}) and by the current first-crop sire Satono Diamond (Jpn).

G1 VRC Oaks winner Mosheen (Aus) (Fastnet Rock {Aus}), whose other top-class victories included the G1 Australian Guineas and G1 Royal Randwick Guineas, is another to have visited Maurice in 2020, and her yearling colt is consigned by Northern Farm as lot 76. The 14-year-old mare is already the dam of treble Group 3 winner Primo Scene (Jpn) (Deep Impact {Jpn}) and she is doubly represented in the sale as her Epiphaneia (Jpn) colt foal is due to sell on Tuesday as lot 367.

Yoshida is a name which will be oft-heard through the sale: the brothers Teruya and Katsumi are the most dominant breeders and consignors represented, each with sizeable drafts in both sectors, while another brother, Haruya, will also play a part via his Oiwake Farm. But Yoshida (Jpn) also appears on the sires' list through one of his first crop of American-conceived yearlings. The son of Hearts's Cry (Jpn) stands at Winstar Farm and is the sire of lot 77, a granddaughter of the GI Breeders' Cup Juvenile Fillies and GI Matron S. winner Folklore (Tiznow).

The dual Dubai World Cup winner Thunder Snow (Ire) is another with first yearlings and he has two catalogued, lots 192 and 203.

The foal section includes lot 314, an Epiphaneia half-brother to Japanese Derby winner Roger Barows (Jpn) (Deep Impact {Jpn}), whose dam Little Book (GB) (Librettist) is a half-sister to Group 1 winner Donna Blini (GB) (Bertolini), later better known as the dam of dual Japanese Horse of the Year Gentildonna (Jpn) (Deep Impact {Jpn}). Three of the first crop of foals of Juddmonte's G1 Irish 2000 Guineas winner Siskin will also make an appearance.

Looking ahead to the start of the sale on Monday, Naohiro Goda said, "The quality of the catalogue this year is the best I have seen. This is first JRHA catalogue which does not include Deep Impact, and we understand that it is impossible that one single stallion plays his role. Instead, however, the variation and depth of stallions we have in this year's catalogue is amazing, as there are so many young proven stallions, such as Lord Kanaloa, Epiphaneia, Duramente (Jpn), Maurice, Kizuna (Jpn), Drefong, and so on. In addition, hugely exciting unproven stallions will be represented by their young crops, such as Rey De Oro (Jpn), whose first foals made such a big splash last year, Bricks And Mortar, Suave Richard (Jpn), New Year's Day, Siskin, Nadal, Admire Mars (Jpn), Le Vent Se Leve (Jpn), and Saturnalia (Jpn)."

Goda added, "It will not be easy to break last year's new record but we hope the market at the 2022 Select Sale is as active as it was last year."

The JRHA Select Sale starts on Monday with the yearling session, followed on Tuesday by the foals.

## HK International Sale Cont.

"With significant increases in average and gross turnover, the Club is overall really happy with the outcome of the sale--the strong results are a reflection of the Hong Kong Jockey Club members' confidence in the horses that have been selected for the sale, the results of the graduates that have come out of the sale but most importantly the confidence and strength of Hong Kong racing and this is a reflection of the significant increases in prize-money for next season," said Danny Rolston, the Hong Kong Jockey Club's executive manager, international sale/owners advisory services.

"I think the two top lots were fairly obviously going to be the highlight horses, they breezed particularly well and they're both by stallions that are very popular. Beyond that it's really hard to predict what the horses are going to sell for and just how much the turnover will be but we're very happy to see such a significant increase in gross turnover."
