$2,500 BARGAIN YEARLING NOW GRINDING AWAY AT HIS NEXT MILLION

Chunk of Gold | *Coady Media*

The Week in Review, by T.D. Thornton

Chunk of Gold (Preservationist), who hammered for the bargain price of $2,500 as a FTKOCT yearling, is an easy horse to root for. On Saturday, the overachieving gray edged his lifetime earnings over the million-dollar mark with a runner-up finish in the GII Lukas Classic Stakes at Churchill Downs.

Those earnings of $1,051,511 over a 13-3-8-1 race record represent 420 times what Chris Melton paid when he selected the colt out of an Airdrie Stud consignment three years ago.

"I'm thrilled with Chunk. I'll never be disappointed in him. He owes us absolutely nothing," trainer Ethan West said after the 4-year-old established a blistering pace but did not quit, persevering to hold second behind 3 1/4-length winner Dragoon Guard (Arrogate), who also earned millionaire status Sept. 26.

Current owner Terry Stephens initially bought in for a half-share. Then, after Chunk of Gold broke his maiden on Dec. 19, 2024, in a maiden special weight at Turfway Park restricted to horses who had sold or RNA'd for $50,000 or less, he acquired full ownership.

Although Chunk of Gold--a May 11 foal--initially seemed immature, by age three he had emerged as one of the more intelligent and composed horses in West's Kentucky-based stable. ***Cont. p3***

REPORT: OWNER-TRAINER MICK RUIS FACING FEDERAL CHARGES THAT HE DEFRAUDED THE U.S. NAVY

by Bill Finley

According to a report in the San Diego Union-Tribune, Mick Ruis, best known in horse racing circles as the owner and trainer of multiple Grade I winner Bolt d'Oro (Medaglia d'Oro), is among three scaffolding executives who have been indicted on charges that they conspired to defraud the U.S. Navy through a scheme that allegedly involved lies and trickery to secure construction-related contracts with the U.S. Navy.

Ruis is the lead defendant in the case.

Ruis left the sport in 2007 only to return in 2017. During his hiatus, he founded a company named American Scaffolding. He told the TDN that he sold the company and used the money from the sale to get back into racing. He had immediate success and went on to win the 2017 GI Del Mar Futurity and the GI FrontRunner Stakes with Bolt d'Oro as a 2-year-old. ***Cont. p3***

A filly by Vino Rosso was the final horse through the ring as the Keeneland September sale drew to a close Saturday. TDN Editor in Chief Jessica Martini's comprehensive wrap-up *continues on page 3* | *Keeneland photo*

Due to severe storms in the Northeast, the TDN office is currently experiencing a power outage, which has impacted our systems.

As a result, the September 28 edition of the TDN was published on a delayed schedule. We appreciate your understanding and patience and hope to have full capacity restored soon.

The Week in Review *(cont. from p1)*

Chunk of Gold parlayed his maiden win into three consecutive second-place finishes in stakes in the winter/spring of 2025, rallying from off the pace in the one-mile Leonatus Stakes, the nine-furlong GII Risen Star Stakes and 1 3/16-mile GII Louisiana Derby.

Even though he had never won beyond six furlongs or on the dirt, Chunk of Gold racked up enough qualifying points to earn a berth in last year's GI Kentucky Derby. He went off at 29-1, had his heels clipped from behind shortly after the start, and finished ninth in the slop behind Sovereignty (Into Mischief).

Chunk of Gold was then second in the GIII Ohio Derby as the beaten 6-5 favorite, prompting West to add blinkers for the colt's next start in the GIII West Virginia Derby.

The result was a newfound turn of early foot, a 4 1/4-length wiring of the field, and a then-best 97 Beyer Speed Figure.

Pressing the pace, Chunk of Gold then ran second in the Bourbon Flight Stakes at Churchill, wired an allowance/optional claimer at Keeneland, and was loose on the lead in the GIII Clark Stakes before getting reeled in and finishing third, beaten half a length.

After a seven-month layoff, Chunk of Gold was second in a June 28, 2026 allowance/optional claimer at Churchill. An Aug. 15 trip to Monmouth for the GIII Iselin Stakes yielded another second-place finish, behind Bishops Bay (Uncle Mo). That 'TDN Rising Star, presented by Hagyard' was also in action Saturday at Churchill, coming out of the Iselin to take the GIII Ack Ack Stakes.

Chunk of Gold was entered in but withdrawn from the Sept. 18 GI Jockey Club Gold Cup at Belmont Park because of "logistical issues" related to getting there, West had said at the time of the scratch.

The colt went in the Lukas Classic instead, and the stretch run ended up featuring the winners of the past two West Virginia Derbies, with neither Dragoon Guard (3.47-1 odds) nor Chunk of Gold (2.60-1) having won any other stakes in the interim.

Jockey Jaime Torres, aboard for the second consecutive start, was intent on making the lead from the outermost five post, with Banishing (Ghostzapper) denying him both the top spot and a ground-saving position at the fence.

"That horse on the inside of him, he wasn't going to go away into that first turn," West said in a post-race video interview posted by the Kentucky Horsemen's Benevolent and Protective Association.

The riders of both frontrunners attempted to dial down the tempo on the backstretch, and Chunk of Gold was able to crack Banishing before the entrance to the far turn.

But he had to immediately brace for the challenge of the advancing Dragoon Guard.

Although Chunk of Gold stubbornly wouldn't let Dragoon Guard get by between the five-sixteenths and quarter poles, he was spent by upper stretch and had no spark left to stay with the shifting and drifting Dragoon Guard, who was opening up while wandering late in the lane.

Chunk of Gold did have enough oomph left to hold off the third-place foe, This Is Uscar (Oscar Performance), by a length.

Dragoon Guard got a 107 Beyer for the 1:48.35 win, while Chunk of Gold was assigned 101 (four points below his career-best 105 in the Iselin).

"We put up [opening fractions of :22.59 and :46.64] going a mile and an eighth, and Jaime said the track's pretty deep today. So, you can't fault this horse at all. [Jaime] said he ran his ass off and got beat by a nice horse, [and] he never quit on us," West said.

No next start was confirmed for the bargain buy of the 2022 foal crop. But West did say that he might have to consider some tactical tweak that will allow Chunk of Gold to find the style that suits him best after starting his career as a confirmed closer and then switching to being all-out on the lead.

"We put the blinkers on him to get him forward. Now it looks like we've got to do something to kind of find him a happy medium," West said.

Ruis Facing Charges *(cont. from p1)*

He purchased the horse for $630,000 at the 2016 Fasig-Tipton Saratoga sale.

According to the Union-Tribune, Ruis, Isaiah Levi Diehl and Shawn Peilun Huang allegedly conspired to use a scaffolding company owned by Huang that qualified as a small business to apply for and win contracts the Navy had specifically set aside for small businesses, but they allegedly planned all along to use larger companies to actually complete the work. Ruis was indicted alongside his two co-defendants on federal charges of conspiracy to commit wire fraud and major fraud against the United States. All three have entered not guilty pleas.

According to the indictment, the three defendants engaged in two separate fraud schemes throughout parts of 2020 and 2021 involving contracts awarded by Navy Sea Systems Command, or NAVSEA," the Union-Tribune has reported. The first scheme allegedly targeted NAVSEA's Southwest Regional Maintenance Center in San Diego and involved intermingling the names of two companies in order to confuse contracting personnel at the Southwest Regional Maintenance Center into awarding a contract to a company ineligible for that specific contract.

The indictment does not name the companies, but government records indicated one was Vertical Horizon Scaffold, which was allegedly a small business based in Santee owned by Huang that was eligible for certain contracts the Navy

set aside for small businesses. Government records indicated the other company was called Vertical Horizon Marine. The indictment alleged Ruis was the majority owner of that second company.

The purported scheme, involving a contract with a ceiling of $17.6 million, was allegedly successful when government personnel in 2021 awarded the contract to Vertical Horizon Marine, which was not a small business eligible to win the contract, instead of Vertical Horizon Scaffold, the small business that initially bid on the contract.

Mich Ruis | *Horsephotos*

The second scheme allegedly targeted NAVSEA's Southeast Regional Maintenance Center in Florida. The indictment alleged the conspirators again applied in the name of Huang's Vertical Horizon Scaffold for a contract set aside for small business that was worth up to $7 million. But this time, the defendants allegedly intended to simply win the contract using the small business and then complete the work using two larger companies that were ineligible.

Ruis did not respond to a text message from the TDN asking for a comment.

His attorney, Jan Ronis, told the Union-Tribune the following: "My only response at this time is that Mr. Ruis has only been given a copy of the indictment and has made an appearance in court in which a plea of not guilty has been entered. Keeping in mind the American tradition that an indictment is not evidence, and a person charged is presumed to be innocent, it would be inappropriate to comment further in this very early stage of the proceedings."

Ruis was in the headlines when he fought a successful battle to have the results of the GI Santa Anita Derby overturned. Bolt d'Oro finished second behind Justify (Scat Daddy). Justify tested positive for scopolamine, but was not disqualified by the California Horse Racing Board. A Los Angeles County Superior Court ruled in favor of Ruis, and Bolt d'Oro. Justify was subsequently disqualified and placed last and Bolt d'Oro was officially declared the winner. In his next start, he finished 12th in the GI Kentucky Derby.

Ruis last started a horse on Sept. 6 at Del Mar.

According to the Union-Tribune, Ruis's son, Alvin McDonald Ruis III, recently went on trial for murder in San Diego Superior Court for allegedly killing his cellmate at the downtown San Diego Central Jail. Alvin Ruis III, who also goes by Mick, testified at trial that he tortured and killed Brandon Yates while in the throes of a psychotic break. The jury eventually deadlocked on the murder charge, and a judge declared a mistrial. The younger Ruis had a brief career as a jockey, winning 454 races from 2003 to 2008.

SUPER CORREDORA RETURNS WITH WIRE-TO-WIRE 'WAYI' ZENYATTA WIN *by Jill Williams*

Super Corredora leads them home | *Benoit*

Sometimes a vacation is just the thing.

Off for the past six months after struggling to find her footing early this year following her GI Breeders' Cup Juvenile Fillies score last October, **Super Corredora** (Gun Runner) came roaring back Sunday with a powerhouse win in the GII Zenyatta Stakes at Santa Anita. The 1 1/16-mile contest offers a fees-paid 'Win and You're In' berth to the GI Breeders' Cup Distaff Oct. 31 at Keeneland.

A return trip to the Breeders' Cup is on Super Corredora's dance card, as is a 4-year-old campaign, according to trainer John Sadler.

"She is going to have a good year next year also," said Sadler. "She is a nice filly. What more can you say."

Named champion 2-year-old filly in January, Super Corredora kicked off her 3-year-old campaign with two inexplicable off-the-board losses in the Las Virgenes Stakes Feb. 8 and the GIII Santa Ysabel Stakes Mar. 8. Rather than push her, connections gave the bay a freshening. She first appeared back on the worktab July 30 at Del Mar.

The Zenyatta winner's circle | *Benoit*

Despite tossing her head and rearing in the gate, Super Corredora went straight to the front Sunday in the Zenyatta and simply stayed there. Facing older fillies and mares for the first time, she found a cozy spot a path or two off the rail and, with ears pricked, merrily showed the way through a :23.12 first quarter and a :46.44 half. Previously unbeaten GIII Torrey Pines Stakes winner **Rabeeba** (Curlin) and Torrey Pines runner-up **She's No Quant** (Pavel) tracked in second and third while GII Azeri Stakes winner **Majestic Oops** (Majestic Harbor) sat midpack and MGSW **Om N Joy** (Om)--fourth against the boys in the GI Pacific Classic last month--caboosed the field.

Aboard Super Corredora, Joel Rosario let out a notch on the far turn as Rabeeba threatened to make a race of it, but the winner was just too good. Despite swapping to her wrong lead down the lane, she proved home free and never let anyone close enough to challenge as she cruised under the line 2 3/4 lengths over Majestic Oops. Rabeeba stayed for third.

"John (Sadler) told me not to play around too much and go to the lead. She did unbelievable," said Rosario.

"She's pretty nice. She broke well out of there. John said just go on and let her do her thing. She put in a good race."

Sadler agreed, "It's first time against older and there were some nice horses in there, so I was really thrilled with her effort. She trained very well."

Racing for the partnership of Spartan Equine Racing, West Point Thoroughbreds, Robert C. Gardiner, and Michael W. Olszewski, Super Corredora was a $400,000 purchase by West Point at the 2024 Keeneland September sale. She broke her maiden by 8 1/4 lengths at Santa Anita last October just 20 days before her Breeders' Cup triumph at Del Mar.

Pedigree Notes:

Gun Runner, the darling of both the Keeneland and Fasig-Tipton yearling sales with multiple session toppers, is the sire of Super Corredora and 40 other graded winners with his sixth crop of 2-year-olds racing now. Among his 63 black-type winners are Eclipse champions Sierra Leone, Echo Zulu, and Super Corredora. The Three Chimneys stallion, currently third on the North American leading sire list, stood for $250,000 this year.

Super Simple, a $300,000 Keeneland November purchase by Woodford Thoroughbreds in 2021, saw her fortunes rise with Super Corredora's Breeders' Cup score. Supplemented to Keeneland November as part of the Woodford dispersal following the Breeders' Cup last year, Super Simple was picked up by Summer Wind Equine for $2.3 million with a Gunite filly in utero, making that filly foaled March 3 inbred 3x2 to Super Simple's dam, Simplify (Pulpit). The family has an affinity for Gun Runner as two of Super Simple's half-siblings, MSW Optionality and GSP Counterspy, are by the stallion, and another half-sister has produced MGISW Gunite and GSW Spice Runner, also both by Gun Runner. Super Simple's 2025 colt is by Taiba, a three-time Grade I-winning son of Gun Runner whose first foals are yearlings. She has been bred back to Gun Runner for 2027.

LISTENUPSHANCE MAKES IT TWO IN A ROW, WINS 'WAYI' SANTA ANITA SPRINT CHAMPIONSHIP *by Jill Williams*

Listenupshance | *Benoit*

In a GI Bing Crosby Stakes redux, Great Friends Stables and Run Fast Racing's **Listenupshance** (Shancelot) outfinished **Maximum Bourbon** (Maximum Security) Sunday in the GII Santa Anita Sprint Championship Stakes. Contested over six furlongs at Santa Anita, the Sprint Championship is a 'Win and You're In' for the GI Breeders' Cup Sprint, which will be held Oct. 31 at Keeneland.

"It's incredible," said Run Fast Racing's Adam Kluger. "Power is in the people, not in the pockets. We are going to show everybody that this sport is beautiful and people need to feel like a participant, not just a spectator. That's what makes everything work."

With the race scratched down to just three horses, Maximum Bourbon bounced out on top from his outside post and quickly angled over to the rail. An instant later, Listenupshance found his stride from the inside, tipped outside of Maximum Bourbon, and rushed to the front, taking command with **March of Time** (Justify) to his outside in second and Maximum Bourbon down inside in third. The trio stayed that way--in a polite line of one, two, three--through blistering :21.98 and :43.86 splits, with Listenupshance kicking clear in the lane despite hanging on his wrong lead for much of the stretch drive. Maximum Bourbon went after him off the turn and tried valiantly to catch him, but Listenupshance was just too good, holding three-quarters of a length in front at the wire. March of Time finished another 2 1/4 lengths behind Maximum Bourbon in third. Listenupshance stopped the clock for the six furlongs in 1:08.70.

"He's been behaving badly in the gate and giving the other horses one or two lengths at the start," said winning rider

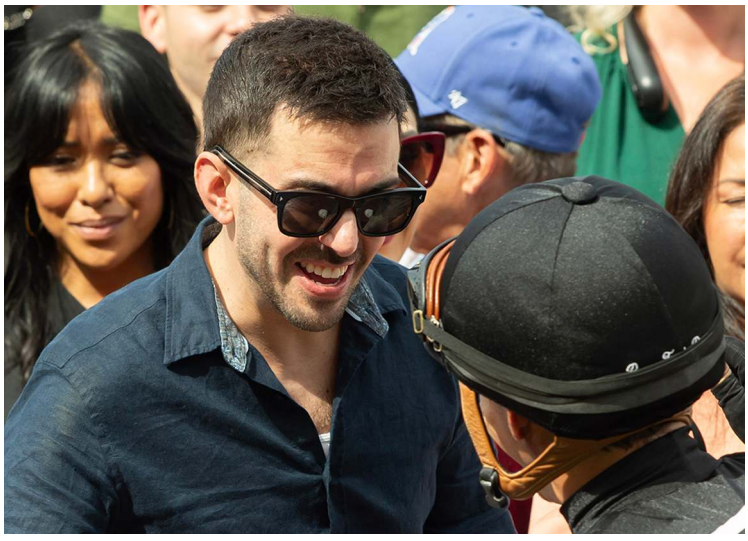
Emisael Jaramillo. “But he has the ability in about two jumps to get where he wants to be. I had to use him a little bit to get to the front.

“He wasn’t 100 percent for this race. This was preparation for the Breeders’ Cup. After (the Bing Crosby), we wanted to keep him fresh and happy. Now he’ll be 100 percent for the Breeders’ Cup and will be tough.”

Last seen in his Bing Crosby win July 25 at Del Mar, Listenupshance won the first race of his 2026 campaign that day while registering a 104 Beyer Speed Figure. The Bing Crosby also marked his first black-type score after knocking on the door with placings in this year's GIII True North Stakes at Saratoga behind stars Book'em Danno (Bucchero) and Bentornato (Valiant Minister), as well as in Santa Anita's GIII San Carlos Stakes and Palos Verdes Stakes.

Purchased by Fredricktown Farms for $10,000 at the Fasig-Tipton Kentucky October yearling sale in 2023, Listenupshance spent time in both Luis Gonzalez and Kent Sweezey's barns before moving to Doug O'Neill's shedrow in the summer of 2025. O'Neill shared how, through a series of circumstances, Listenupshance ended up in tougher company than intended after his private acquisition by his current connections.

“So there was an allowance short on the turf,” said O'Neill. “We put him in and it worked out great. That tells you about the inexact science of horse racing. A lot of blind luck. A good horse will do well despite who’s around him and making dumb decisions.”



Run Fast Racing's Adam Kluger greets Emisael Jaramillo after the Sprint Championship | *Benoit*

Pedigree Notes:

Shancelot, who stood for a private fee at Rockridge Stud in New York this year, finished second in the 2019 Santa Anita Sprint Championship and followed it up with another second in that year's Breeders' Cup Sprint. Listenupshance has already gone one better than his sire with Sunday's win; in less than five weeks, he'll try and do the same in the Breeders' Cup.

Listenupshance is the only black-type winner for his sire, who originally stood at Buck Pond Farm in Central Kentucky and whose three small crops of racing age number just 82. The Shanghai Bobby stallion's three additional stakes performers include last year's GI Malibu Stakes runner-up Midland Money and Japanese Group 3 placer Ecoro Azel.

The Sprint Championship winner is from the same extended family as current MGISW Burnham Square (Liam's Map), with the two both descending from daughters of Listen Well (Secretariat). The winning Listenupnow (Hard Spun), a half-sister to 2017 GI Queen Elizabeth II Challenge Cup Stakes winner La Coronel (Colonel John) and most recently a $9,000 RNA at the 2023 Keeneland January sale, has a 2-year-old filly by Galilean and was bred back to Shancelot for 2027. The current juvenile was a $4,500 Green Valley Farm buy at last fall's Fasig-Tipton Midlantic Yearling Sale.

SILENT TACTIC SCORES IN OKLAHOMA DERBY *by Jill Williams*

John C. Oxley and Victoriam Farm's **Silent Tactic** (Tacitus), never worse than third until he was eased in the Aug. 29 GI Travers Stakes, showed why his connections are willing to draw a line through that race. The Mark Casse trainee got back to his winning ways with a battle to the wire in Sunday night's $400,000 GIII Oklahoma Derby at Remington Park.

Silent Tactic, right, triumphs over Zihnal | *Coady Media*

Doug O'Neill shipper **Pavlovian** (Pavel) stumbled badly at the start, going to his knees and nose as rider David Cabrera somersaulted over his head. Fortunately, Pavlovian was caught and Cabrera walked off under his own power before the runners made their way around the oval.

In the meantime, recent Albany Stakes winner **Tricky Business** (Vekoma) showed the way as first **J J Grey** (Street Boss) from the inside and then **Vintage Cowboy** (Essential Quality) from the outside pestered him. Silent Tactic took up position second from last while two or three paths off the rail and looked well in hand under Jose Ortiz. The Oklahoma Derby field bunched up following Tricky Business's :23.35 and :48.21 splits as Silent Tactic drew within range. Between horses going into the far turn, Silent Tactic split horses as he advanced, then found a seam on the inside, gliding up on the rail to take command as a four-wide **Zihnal** (Quality Road), scratched out of last week's GI Pennsylvania Derby in favor of this spot, challenged from the outside. The two hooked up a sixteenth from home, battling desperately down the lane with neither giving an inch. The game pair crossed the wire in lockstep, but Silent Tactic's head was always in front. He got the nine furlongs in 1:50.31, officially by a neck, as Zihnal, who took the GIII West Virginia Derby by 6 1/4 lengths in his last out, just missed in second and Senor Buscador (Mineshaft)'s half-brother **The Hell We Did** (Authentic) got up for third.

"We broke clean in the race and I was able to cut the corner at the quarter pole," said Ortiz. "That was a game changer."

Winner of the GIII Southwest Stakes at Oaklawn this spring, Silent Tactic was firmly on the 2026 GI Kentucky Derby trail with runner-up efforts in both the GI Arkansas Derby and the GII Rebel Stakes. Scratched from the Derby with an untimely foot bruise, he returned to the races with a solid third and a 94 Beyer Figure in the GII Jim Dandy Stakes at Saratoga Aug. 1 behind Renegade (Into Mischief) and Commandment (Into Mischief) prior to his uncharacteristic non-effort in the Travers.

"You just have to cross a line through that last race," said Casse assistant Caden Arthur. "Jose (Ortiz) gave him a great ride (in the Oklahoma Derby)."

Pedigree Notes:

Former Taylor Made stallion Tacitus is the sire of Silent Tactic and Chilean Group 1 winner Sulis (Chi) with his second crop of 2-year-olds racing now. A MGSW whose six Grade I placings included the Kentucky Derby, the Belmont Stakes, and the Travers Stakes, Tacitus was sold to a private farm in South Korea and arrived in that country just two weeks ago.

Silent Tactic is the first stakes winner produced by a daughter of Gun Runner. The unplaced Magical Sign is also the dam of 2-year-old filly Gun Magic (Mitole), who finished third in Sunday's Scissortail Stakes earlier on the Oklahoma Derby card at Remington. The mare has a yearling filly by Epicenter and a 2026 filly by Golden Pal, but did not catch in foal for 2027. A granddaughter of French Group 1 winner Macoumba (Mr. Prospector), Magical Sign hails from the same extended family as sire Temple City (Dynaformer).

SHISOSPICY TARGETING BREEDERS' CUP RETURN

Eclipse champion female sprinter **Shisospicy** (Mitole), a 'TDN Rising Star, presented by Hagyard' and winner over the boys last year in the GI Breeders' Cup Turf Sprint, is targeting the Breeders' Cup in just under five weeks for her return to racing. The Morplay Racing colorbearer has been afflicted by minor ailments this year and made only one start since last year's Breeders' Cup, resulting in an off-the-board finish in the May 1 Unbridled Sidney Stakes at Churchill Downs.

Gulfstream Park-based trainer Jose D'Angelo has breezed Shisospicy six times at Saratoga, including a bullet half-mile move in :46.93 (1/133) Saturday. It was her first work in three weeks.

Shisospicy | *Sarah Andrew*

"She had a very good work at Saratoga," said D'Angelo. "It was the first workout since she was out for a little bit with a little temperature. That's why we skipped the race we were supposed to run at Belmont. Now we are pointing to the Breeders' Cup. It's the only race we have now going forward. She's been training very good."

This year's Breeders' Cup Turf Sprint will be run Oct. 31 at Keeneland.

D'Angelo's other Breeders' Cup winner, Bentornato (Valiant Minister), won the GI Sprint in the race following Shisospicy's victory. After running second in both the G1 Dubai Golden Shaheen and GIII True North this year, he was sidelined with a small sesamoid fracture following a workout in early July.

"He's at the farm. I saw him when I went to Keeneland for the sale and he looks pretty good," said D'Angelo. "We are waiting 30 more days to recheck him and probably back to training."

Bishops Bay | *Coady Media*

KAS Stables' **Bishops Bay** is headed to the GI Breeders' Cup Dirt Mile following his victory in Saturday's GIII Ack Ack Stakes at Churchill Downs, according to Pedro Lanz, agent for KAS Stables, who announced the Breeders' Cup plans Saturday night on X.

Santa Anita Graded Winners Also Eyeing Breeders' Cup

Following their graded stakes wins at Santa Anita on Saturday, both **Cabo Spirit** (Pioneerof the Nile) and **Sorrento Sky (Ire)** (Prince of Lir {Ire}) are likely to move on to the Breeders' Cup in six weeks at Keeneland, their respective trainers said Sunday morning.

Cabo Spirit, trained by George Papaprodromou, showed the way in Saturday's GII City of Hope Mile and gamely held off a late challenge from favorite El Potente to win by a head. As part of the Breeders' Cup Challenge series, the City of Hope Mile provided the winner a fees-paid berth to the $2-million GI Breeders' Cup Mile on Oct. 31.

"He's doing well," Papaprodromou reported. "We'll see how things go here the next few days, but yes I think we'll go."

A 7-year-old gelding, Cabo Spirit was making his 45th start in the City of Hope Mile. He collected his sixth graded stakes win and seventh stakes win overall. His first stakes win came on Jan. 2 of his 3-year-old year in 2022 when winning the Eddie Logan at Santa Anita. The City of Hope was Cabo Spirit's first stakes win since December when he took down the GIII San Gabriel going 1 1/8 miles at Santa Anita.

Cabo Spirit | *Benoit*

Cabo Spirit has made one previous appearance at the Breeders' Cup. In 2024, after winning the GII John Henry Turf Championship going 1 ¼ miles at Santa Anita, Cabo Spirit went on to finish 12th in the Breeders' Cup Turf at Del Mar.

Sorrento Sky, trained by Phil D'Amato, earned his second straight Grade II win Saturday when rallying from off the pace to win the 6 1/2-furlong GII Eddie D. Stakes. Sorrento Sky won last month's GII Green Flash going five furlongs on turf at Del Mar, which was a "Win and You're In" for the $2-million Turf Sprint on Oct. 31. Both wins have come since the Irish-bred was gelded prior to the Del Mar meet, a move D'Amato noted has been a key to his recent success.

"He came out of the race in really good shape," D'Amato said. "We'll kind of weigh our options, but if he continues to do well, we'll try to get him to the GI Breeders' Cup Turf Sprint."

Bred in Ireland, Sorrento Sky is a 5-year-old who made two starts in his native country as 2-year-old before being imported and sent to D'Amato.

Atitlan | *Benoit*

Atitlan (War Front), trained by Richard Mandella, scored an authoritative 2 ¼-length victory in Saturday's GII John Henry Turf Championship. It was his first stakes win since May of 2025 when he prevailed in the GII Charles Whittingam, also going 1 ¼ miles at Santa Anita, when trained by the late John Shirreffs.

The 5-year-old may now move on to the $5-million GI Breeders' Cup Turf, Mandella said.

"I thought it was a really good race. We're going to look at it," he said of the Turf.

Pre-entries for this year's Breeders' Cup are due on Oct. 19.

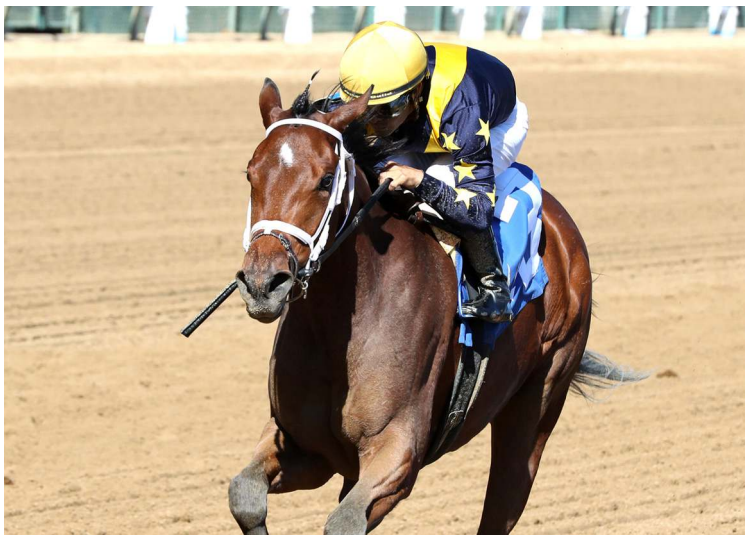
FOXIEST, DAUGHTER OF CHAMPION COVFEFE, EARNS 'RISING STAR' HONORS AT CHURCHILL *by Patrycja Szpyra*



Foxiest | *Coady Media*

A stumble took her out of contention on debut, but there was no such trouble for **Foxiest** (Gun Runner) this time, and the daughter of champion Covfefe strolled home at second-asking to win as easily as she pleased to earn 'TDN Rising Star, presented by Hagyard' honors at Churchill.

Losing precious lengths in that aforementioned Aug. 29 unveiling at Saratoga, a meeting which proved to be loaded with high-quality juvenile racing all summer, Foxiest still managed to close stoutly in the lane despite going six wide and come within 2 1/2 lengths of taking home the win. The minors in that contest were all decided by a pair of noses.

Breaking well and traveling comfortably in the opening stages here as the 3-5 favorite, the Brad Cox trainee tracked the action from fifth as the pacesetter posted an opening quarter in :23.17. On the two path through the bend behind a half in :46.68, she made herself known as the danger turning for home, and muscled her way to running room to take command in upper stretch.

Swiftly opening up on the field, she won with air to spare while never really being asked for much effort. **Dantini** (Good Magic) tried hard, but could not keep pace with this winner and had to settle for second. It was over seven lengths back to the third-place finisher. The final time was 1:29.78.

Foxiest is the third consecutive winner to the races for the two-time champion Covfefe, following her half-sister SW & GSP Ellen Jay (Constitution) and two-time winner Rothko (Tapit). The most recent of to come of age, the victress has a yearling half-sister by Olympiad--the stallion also campaigned in the LNJ Foxwoods colors. Covfefe missed her 2026 covering to Not This Time, and we back to him for 2027.

The dam needs little introduction as a two-time Grade I winner with two Eclipse Award honors to her credit. She's a half-sister to MGSW & MG1SP-Jpn Albiano (Harlan's Holiday), who has also gone on in her broodmare career to produce a black type runner as the mother of GSW-Jpn Avverare (Jpn) (Duramente {Jpn}). That pair also claims SP-Fr Going Day (Daylami {Ire}), the dam of SP Daylight Ride. Another sister produced MSW Mischief in Motion (Into Mischief). This is the immediate female family of GISW Acoma (Empire Maker), the granddam of SW & GISP Golden Afternoon (Goldencents).

Foxiest is the 27th 'Rising Star' for Gun Runner, who continues his sensational stallion career fresh off a historic Keeneland September sale where he led all stallions by million-dollar yearlings (or higher) sold with 15. He also led by average and claimed 15 of the 70 seven-figure yearlings.

SEPT. 28 INSIGHTS: UPSTART FILLY FROM FEMALE FAMILY OF MAXFIELD, GRANDSON OF HAVRE DE GRACE DEBUT AT HORSESHOE

A filly from the female family of Maxfield will carry Godolphin colors to post at Horseshoe | *Sarah Andrew*

2nd-IND, $43k, Msw, 2yo, f, 1m, 2:41p.m. ET

Horseshoe Indianapolis is known for occasionally having debuting racehorses from heavy-hitting outfits, and this second contest on the card is packed with fillies from classy families.

Lining up against a field of expensive auction purchases--with more experience than her to boot--will be **FIRST LAUGH** (Upstart) along the rail for owner/breeder Godolphin. Trained by Brad Cox, she hails from the female line of Caress (Storm Cat), most famous as the mother of GISW Sky Mesa (Pulpit) and MGSW & GISP Golden Velvet (Seeking the Gold)--the latter is the third dam.

First Laugh is out of an Into Mischief-sired winning full-sister to SW & MGSP Nelson Avenue, and she is the broodmare's first foal. Second dam Via Strata (Street Cry {Ire}) is a daughter of the aforementioned Golden Velvet, making her a half to the mother of MGISW Matareya (Pioneerof the Nile). Golden Velvet, in turn, is herself a half to the mare who later produced MGISW Maxfield (Street Sense). **TJCIS PPs**

8th-IND, $43k, Msw, 3yo/up, 1mT, 5:47p.m. ET

Prince of Grace (Into Mischief) will debut on the lawn for owner/breeder Whisper Hill Farm and trainer Brad Cox. The grandson of Horse of the Year Havre de Grace (Saint Liam) is out of the mare's only black type winning offspring, namely GSW Graceful Princess (Tapit). Through fourth dam Toll Fee (Topsider), this is the immediate female family of MGISW Riskaverse; MGISW Tonalist; and three other graded winners. Toll Fee is herself a half-sister to a champion sprinter and a fleet of accomplished racehorses, broodmares, and sires. **TJCIS PPs**

Unable to withstand the brilliance of Luster (Knicks Go) in the King's Plate, and only able to watch as Plate runner-up Military Time (Gun Runner) won the Prince of Wales Stakes, it was finally his time to shine. Fire and Wine claimed the third leg of the Canadian Triple Crown with a frontrunning masterclass in the Breeders' Stakes Sunday at Woodbine.

Sent away as an 11-1 shot with blinkers off for this jump, Fire and Wine went right to the front to set the pace through six panels in 1:15.10 and a mile in 1:40.73 on a largely uncontested lead. A challenger tried to make the race interesting on the backside but the son of Lexitonian turned that one away on the far turn and opened up again in upper stretch. Pulling away from Bond Market as that rival tried to reel him in, Fire and Wine kicked in to win by four lengths. Buium closed the trifecta in third.

Trainer Zeljko Krcmar tried his charge against stakes company at the end of 2025 when Fire and Wine broke his maiden by 13 lengths, and was rewarded with a stakes win in the Coronation Futurity over Military Time to close his '25 season. He has been facing black type company since that effort, but only collected his second stakes victory here.

The victor is the first winner and stakes horse for his dam, whose last registered offspring is a yearling filly by Goldencents. A half-sister to Double Latte is Panamanian champion juvenile filly Pancha Mancha (Cowboy Cal), who later produced another Panamanian champion juvenile filly named Cumbia Pa Ti (Pan) (Indiano). Employing a stalk-and-pounce trip, she cleared her early rival on the bend and widened her advantage over Queen's Standard in the lane to a 4 1/2-length margin. Ladyville held on for third.

Three Two Flue is the first winner and black type horse for her dam. She has a 2026 half-sister named Soda Pop (Pinehurst) in the wings and the mare was sent to Senor Buscador for 2027. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel Racing**.

Glengarry collected his latest black type hardware with a frontrunning score in the Dan Johnson Sprint Stakes.

The grey began his career with a string of performances as a juvenile that saw him jump from the Iowa ranks to the Keeneland ones, and he won two stakes at the venue--the Bowman Mill in 2023 and the Lafayette Stakes the following spring that was good for a 94 Beyer.

He's acquired travel miles since then, and was a frequent face in the winner's enclosure at Prairie while in the barn of Doug Anderson. Moved to Tanner Tracy two back after he made his final start for Anderson last November in the Bet On Sunshine Stakes at Churchill, he was on the sidelines until Aug. 1 this season. He missed the board in two following starts, but righted the ship here.

The 4-1 shot was pressured through an opening quarter in :21.97, but quickly put that would-be challenger away on the turn, and came in to win by a length over Lil Screecher under confident handling. Wearacap, who tried to match strides with Glengarry early, held on to third. Four wide but closing the gap on the leaders relentlessly, he gamely ran them all down to win by 1 1/4 lengths. NBS SUCCESS

3rd-Churchill Downs, $122,503, Alw, 9-27, (NW2L), 2yo, 1mT, 1:36.77, fm, neck.

MAJIK MOONEY (c, 2, Audible--Play Our Song, by Maclean's Music) was unveiled during the lucrative Kentucky Downs meet, and broke his maiden at first-asking by a half-length in that Sept. 5 seven-furlong race. A 3-1 shot for this second start, he overcame briefly early contact coming out of the gate to track from fifth as Bearamour (Vekoma) stepped out to lead. With work to do, but rallying from five wide in upper stretch, Majik Mooney muscled his way to racing room to run down the longtime leader in the final strides and win by a neck.

Sir Hansen (Olympiad), who stumbled very badly coming out of the gate, was pulled up around the first bend and walked off under his own power.

The victor is the first to the races for Play Our Song, a daughter of MSW & GSP Bella Medaglia (Medaglia d'Oro). He has a yearling half-brother by Rock Your World as well as a 2026 half-sister by Mystic Guide. Their dam went to Blame for 2027. This is the immediate female family of 14-time winner GSW Coastal Mission (Great Notion) and his full-brother, 9-time winner MSW Lewisfield. Settled in a stalking second behind 9-1 chance Scary Speedy (Shaman Ghost) through :21.96 and :44.62, the 4-year-old took over late to score by 3/4 of a length. In stalking position early this time, the gelding overtook early pacesetter Laysen (Maclean's Music) late and drew off to score by 8 1/2 lengths as the 3-1 second choice. DON'S WINNER (c, 3, Game Winner--Map Maker, by Liam's Map)'s May 17 unveiling at this venue was against a field topped by GSW & GISP Deep Flame (Into Mischief); the June 7 jump was won by 'TDN Rising Star, presented by Hagyard' GISW Leading Change (Gun Runner); and his most recent two starts both resulted in off-the-board finishes, including last out Aug. 29 at Kentucky Downs trying the grass for the first time.
Jumping here as the 7-2 third choice, he tracked the top flight from midpack and launched a rally on the far bend that he sustained down to the line to score in his fifth try. It was 1 1/4 lengths back to Cromwell (Quality Road) in second. The victor is the first to the races for a half-sister to MGISW McKinzie (Street Sense). He is the only offspring she's managed to produce thus far and the mare has no breeding on record after last year. Sales history: $150,000 Ylg '24 KEESEP. YACHT MASTER (c, 2, Into Mischief--Pathetique, by Uncle Mo) was outfooted to the lead on this debut, but set up shop from just off the early scramble as the leader posted an opening quarter in :22.24 and a half-mile in :45.51 with Hazy Horizon (Midshipman) never far off the action either. Chasing a lead trio through the bend, and cutting the corner into the stretch, the Bob Baffert trainee got to the front but was not alone for long as Hazy Horizon ranged up on his outside riding a determined second wind. Gamely fighting back but steadily losing ground late, Yacht Master just got his head down to win the photo.

SHE'S OUR GIRL (f, 3, Curlin--Covenant, by Speightstown)'s last three races have proven to be highly productive ones as the May 22 maiden at this venue yielded GI Cotillion victress Bodacious Bay (Not This Time) and the July 10 Ellis Park maiden saw next-out winners Ile de La Cite (City of Light) and Lady Law (Tiz the Law) finishing ahead of She's Our Girl--the latter breaking her maiden in the Aug. 16 jump at Ellis that served as the spring board for this race. Breaking as the 2-1 third choice, she watched the race unfold from third as Al Ghadeer (Gun Runner) stepped up to keep the pace honest. She's Our Girl launched a four-wide rally coming off the bend and heading into the furlong grounds before she overhauled the longtime leaders to win by 1 3/4 lengths.

The victress is a half-sister to Squire Creek (Uncle Mo), MSP, $271,414 and is the second winner from four on the ground for Covenant, herself a half to MGSW & GISP Commissioner (A.P. Indy) and GSW & GISP Laugh Track (Distorted Humor). The mare has had a run of poor breeding luck since this daughter of Curlin, with no offspring in three years following, but she was bred to Flightline for 2027. Covenant's half-sister Mythical Bride (Street Cry {Ire}) is the mother of champion MGISW Vino Rosso (Curlin). Sales history: $550,000 Ylg '24 KEESEP. SHE'S TOASTY (f, 2, Army Mule--Upsetter, by Strong Hope) bumped with a rival coming out of the gate, but recovered well enough to put herself squarely in the mix of the early rush for the lead. Taking a narrow advantage late on the turn, but with Flaming Verdict (Speaker's Corner) trying hard to keep pace, She's Toasty extended her command passing the five-sixteenths marker and made the margin 6 3/4 lengths on the wire.

The victress is the most recent of five to the races for Upsetter, and extended the dam's 100% strike rate with her trip to the winner's enclosure here. Barring 3-year-old half-brother Top Level (Upstart), all of her older siblings were multiple winners in their career.

DREAM WEEKEND FOR STAR GRADUATES SETS PERFECT SCENE FOR GOFFS ORBY SALE

Trean and Hi Corbett Court: connections of the Goffs Million one-two are said to be reloading at the Orby Sale | *Racingfotos.com*

By Brian Sheerin

Connections of the first two horses home in Saturday's Goffs Million will reinvest some of their big-race riches in this week's Orby Sale, according to trainer Paddy Twomey, who was the mastermind behind one of the buying and training performances of the season with Trean and Hi Corbett Court.

Both horses were sourced by the trainer for a combined sum of €105,000 at the Orby Sale last year, with the winner costing just €20,000. To put Saturday's achievements into context, the Twomey-trained colts took home a cool €700,000 of the €1 million in prize-money on offer for the race, leading Goffs chief Henry Beeby to label such scenes that played out in the Curragh winners' enclosure on Saturday as the perfect advertisement for the Orby Sale.

Beeby said, "We're in the business of selling the dream and a €20,000 horse from Orby Book 1 winning the Goffs Million--not to mention a €50,000 bonus when they won their maiden--is a dream result. The joy they all experienced was just fantastic to witness."

GOLIATH DOMINATES THE PREIS VON EUROPA, GLOBAL TARGETS AWAIT *By Tom Frary*

Returning to his native land for only the second time in his career on Sunday, **Goliath** (Adlerflug) showed his class to dominate Cologne's G1 Mehl-Mulhens-Stiftung Preis von Europa.

As he had in last year's Grosser Preis von Baden, Resolute Bloodstock and Philip Baron Von Ullmann's flagbearer lorded it over **Dubai Honour** (Pride Of Dubai) to register a seventh Group success and a third at this level with the 2024 King George his magnum opus. Always tanking in Christophe Soumillon's hands in front, the 1-2 favourite even ran off the home bend to give his rivals a glimmer of hope before dashing that with his trademark surge to score by 1 3/4 lengths. William Haggas's similarly-decorated globetrotter was in turn half a length ahead of last year's Deutsches Derby hero **Hochkonig** (Polish Vulcano) in third. Cont. p5

Goffs preview cont. from p1

Beeby added, "Paddy Twomey has done exceptionally well out of this sale. He won the Million with One Look a few seasons ago and he is just a very shrewd operator."

Beeby will be telling us the sky is blue next. The secret has long been out that Twomey is a bit special. "A different beast" is how Brian Riordan, who heads up the Red Lily Racing Syndicate that owns Trean, described the handler the morning after the day that was.

"It's a fairytale, to be honest," Riordan said, still high on excitement from the whole experience. "It just goes to show the power of racing and the power of a horse, really. You could say Trean has become a bit of a people's horse because we have syndicate members from all over the country and they all backed him yesterday. We're good at beating ourselves up over various things in this game, including prize-money, but at the end of the day, this sport is man and beast and it can be done. Trean probably showed a few people out there that they can have success without spending a huge amount of money. We have 27 people involved in the syndicate and 20 of those were never involved in a horse before. That bit is key. They've all had an unbelievable experience with a horse who cost only €20,000 and has now won well over €600,000, so it really is unbelievable."

The syndicate manager added, "On top of everything else, he is a proper horse to look forward to next year--that is if he is still with us, as he is worth a lot of money and we will have to consider everything going forward. I have been knocking around with Paddy for 20 years now. He's just a different beast. That's the easiest way to put it. We will try to reinvest with Paddy this week, but we won't go mad, either. We have a €10,000 IRE incentive from when Trean won his maiden at Galway. We can use that against the purchase as well, so hopefully we can get something."

Of course, the good news stories, certainly from a Goffs perspective, didn't just start and finish with the Million. Premier Yearling Sale graduate Sun Goddess (Sioux Nation) confirmed herself one of the most special juvenile fillies in modern times with a scintillating performance in the G1 Cheveley Park Stakes. Half an hour later, Orthodox (Havana Grey) led home Force Noir (Persian Force) in the G1 Middle Park Stakes. Again, both horses could have been bought at Kildare Paddocks 12 months previously for €175,000 and €130,000 respectively. When you add all of that to the fact Johanna Walsh (Sea The Stars) had already flown the flag for the sale in the Irish Oaks, it is no wonder that footfall at Goffs this weekend has been strong. Buyers are voting with their feet.

Beeby said, "If Carlsberg did weekends? Sun Goddess winning the Cheveley Park was great for the Premier Yearling connection and then to have a one-two in the Middle Park Stakes with Orthodox and Force Noir for the Orby Sale was just fantastic. Just what you want. And then the result of the Million, that was just fantastic. The celebrations from the syndicate members of the winner Trean, along with the second, Hi Corbett Court, was just amazing. Superb. And a great advert for Goffs. We've had Royal Ascot winners, Classic winners and then yesterday's results to top it all off."

Paddy Twomey, left, pictured at Kildare Paddocks on Sunday | *Goffs*

He added, "What I like is that, since the catalogue came out, the number of people who said to me in Deauville, York, Doncaster or wherever I may have been, that we assembled a hell of a catalogue has been vast. They usually followed up with the question, 'Do the physicals match up?' I have looked at a great number of the horses on offer and I feel that we have got great support--consignors have really rowed in behind us. All we have ever asked of Irish breeders is to send us a share of their best, and I think we have that."

Perhaps it's fitting to leave the last word to Twomey. Along with Trean and Hi Corbett Court, last year's Orby haul for the trainer featured the Breeders' Cup-bound Velozee and the Weld Park Stakes runner-up Alpine Wedding among others. So, what should be on our shopping list this year?

"You just have to turn up at the sale and go through the horses, see what you find and get lucky with what you buy," Twomey replied. "Trean was an inexpensive horse bought in Book 1 and Bayside Boy has obviously clicked." **Cont. p5**

Goffs preview cont.

Twomey continued, "He's a lucky horse, but he's also a sound horse and a good horse, which is important. Trean and Hi Corbett Court are owned by syndicates and they got a huge amount of enjoyment out of Saturday. In actual fact, Hi Corbett Court is owned by the Corbett family, who had a horse finish out the back in the race last year. After that, they said, 'Will we try and go better next year?' They set out to buy a horse at this sale last year to have another go at the race and picked up €200,000 in prize-money on Saturday. What's brilliant is that the connections of both horses are probably going to reinvest again."

Twomey added, "The Goffs Million is a great pot and a massive incentive. So, too, are the €50,000 bonuses that are attached to certain maidens, and we have been lucky enough to have won some of those this season as well. When you're asking people to spend money on yearlings, it's a great incentive. There's a €2 million fund there, and you can chisel away into it and get as much of it as you can. It's a good carrot. I'm sure people can find plenty of other things to spend their money on than yearlings but, when you put this carrot in front of them, it's a huge incentive. This sale has been lucky for us and being a trainer, you have to be brave--you have to speculate. If you want to train winners, you're going to have to go up and buy the horses first before you worry about getting owners afterwards. Trean, for example, was advertised for sale on our website before his current owners bought him."

The challenge now for everyone is to find the next one.

Preis von Europa cont. from p1

"He loved the track and conditions were perfect for him," Soumillon said. "I let him go to the front and he changed leads quickly on the turns, apart from being a bit out on the last one. When I asked him to quicken, he responded really strongly. I don't know what is next, but with him you never know--you can dream."

Francis Graffard added, "He is such a lovely horse--the pet of the stable. Everybody loves him and he is world-famous now. It was very nice to see him win so easily today. He doesn't like being dictated to and, when I saw him with his ears pricked in front, I thought he was going to run a nice race, like when he won the King George two years ago. It's good for his mind that he has won again. He has lots of options around the world and will travel either East or West, so we'll see how he is. He did well in Hong Kong last year, so that's a possibility." **Cont. p6**

Pedigree Notes

Goliath's Listed-winning dam Gouache (Shamardal) is a half-sister to the triple Group winner Guardini (Dalakhani) and granddaughter of the Oaks d'Italia heroine Guadalupe (Monsun), who produced the Group 1 winners Guignol (Cape Cross) and Guiliani (Tertullian) and is the ancestress of this year's Diana Trial winner Gua Lipa (Cloth Of Stars).

Connected to Monsun's dual Group 1-winning sire Getaway and the Gold Cup hero Royal Rebel (Robellino), Gouache also has the unraced two-year-old filly Glory Of Legend (Blackbeard) and a yearling filly by Baaeed who sells on Monday at Goffs Orby Book 1.

BAAEED'S FIRST STAKES WINNER CURRACLOE DAZZLES AT THE CURRAGH

By Tom Frary

Having flaunted her considerable talent at Gowran Park, Qatar Racing's TDN Rising Star **Curracloe** (Baaeed) had to back it up in contrasting conditions in deeper waters on Sunday but proved the real deal to become the Shadwell luminary's landmark first stakes winner.

Tackling ground far more testing than on debut in the Curragh's G3 Darley Fillies' Stakes, registered as the Weld Park Stakes, the 13-8 joint-favourite was able to follow **Alpine Wedding** (Sioux Nation) without any trouble and when given the command by Ben Coen brushed her aside as she had first time out to win by 2 3/4 lengths. The Flame of Tara third **Damsel In Distress** (Minzaal) was another 2 1/4 lengths away in third.

Curracloe | *Racingfotos.com*

"She's a lovely, straightforward filly and ours don't usually win first time out," Coen said of the Johnny Murtagh-trained daughter of the American Oaks and Just a Game runner-up Sassy Little Lila (Artie Schiller) who cost 240,000gns at Tattersalls October Book 2. "We were worried about the ground, but she handled it and has a temperament to die for."

Coen continued, "She went to sleep on me following Billy [Lee] and isn't there until you ask her for it. She galloped out to the line very well and will definitely get a mile next year and will get further, but she has a bit of pace."

Johnny Murtagh added, "For ours to win first time out the way she did, she's a bit special and Ben has liked her from the word go. I was a bit worried about the ground this morning, but he said, 'The good ones go on any ground and I think she's a good one.' He was right.

"She quickened up really well when she got there--she was a little bit unbalanced on the ground, but she's just probably good. She was able to cope today, but I think you'll see a much better filly on faster ground. She has a very good temperament and that's a big factor to her--she doesn't get upset about anything and you wouldn't notice her around the place.

"I know by his body language Ben likes this one and he said last week that he thought she had come on from her maiden. Hopefully, she'll go on. She has the size and scope to improve and be a really exciting three-year-old. I'm not sure what the plan is. Today was a big step, so we'll sit down and make a plan. She strikes me as a Guineas filly and the cold winter nights will be a bit shorter now that we have her to look forward to."

Pedigree Notes

Curracloe is the second of three foals out of the aforementioned Sassy Little Lila (Artie Schiller), who was graded stakes-placed on four occasions in total, with her first foal being the Selima Stakes third Sweet Little Lila (Palace Pier). Among the dam's half-siblings is the Lancashire Oaks winner and Prix Vermeille runner-up Pomology (Arch) who, in turn, produced the Zetland scorer and Criterium de Saint-Cloud third Goldspur (Dubawi).

Also a half to the Listed-winning sprinter Tommy Taylor (Mizzen Mast) and to the dam of Oscar Performance's Saratoga Derby winner World Beater and dual graded stakes-placed Heeere's Johnny, Sassy Little Lila was covered by the latter sire this year. She also has a yearling filly by Nyquist to come.

SOUL LOVE EARNS CHAMPIONS DAY TILT IN THE RENAISSANCE *By Tom Frary*

Still unexposed as a sprinter, David Ward's **Soul Love** (Starman) moved up another rung on the ladder in Sunday's G3 Qatar Racing and Equestrian Club Renaissance Stakes at the Curragh to put herself in the picture for Ascot's Champions Day.

Having her third consecutive start in Ireland this term, the homebred, who had taken the Yeomanstown Stud Irish EBF Stakes and been runner-up in the Ballyogan at Naas, was tackling heavy ground for the first time and proved undeterred as she built a decisive early advantage against the stands' rail. Applying the pressure throughout, the 5-2 joint-favourite had only the course specialist **Big Gossey** (Gutaifan) to concern her in the closing stages but kept producing to score by 3/4-of-a-length, with last year's Phoenix Stakes hero **Power Blue** (Space Blues) four lengths away in third.

"We didn't know if she'd handle the ground so heavy, but we were here and we had what we thought was a good draw up the stands' rail, which I think you need here on the soft ground, so we decided to take our chance," said Karl Burke. Cont. p10

Starman, the sire of Soul Love | *Alice Fitzgerald*

Renaissance Stakes cont.

He continued, "Pierre [Jamin] is very good from the front and we were very comfortable from a long way out. I believe she has a date at the December Mares Sale in Newmarket, but it might be a bit of a no-brainer now to throw her hat into the ring for [the Qatar Racing British Champions Sprint Stakes at] Champions Day at Ascot. We'd have no qualms now if it came up soft and it's a discussion to be had. The prize-money she's won today would help with the supplementary fee, so we'll see."

Pedigree Notes

Soul Love, who becomes the fifth Group winner for her second-crop sire, is out of the Ripon Champion Two Year Old Trophy runner-up Lambeth Walk (Charm Spirit), whose first foal was the Superior Mile runner-up Excellent Believe (Make Believe). A half to the Listed-placed Spinning Lizzie (Kameko), she hails from the family of the Prix Morny runner-up Gallagher (Bahamian Bounty), the Queen Anne hero Accidental Agent (Delegator), Showcasing's Sussex Stakes-winning sire Mohaather and the Coronation Stakes heroine Cercene (Australia).

Mohaather's four-time graded stakes-winning full-sister Prize Exhibit is the dam of Saturday's Beresford Stakes winner Noble Exhibit (Frankel) and the Group winner History by Frankel's sire Galileo. Lambeth Walk's winning two-year-old full-sister to Soul Love is named Lady Rosalind, while her yearling colt by Pinatubo sells at the upcoming Tattersalls October Book 1. GODOLPHIN'S FORTUNA DIAMOND TOO GOOD FOR SPRINT TROPHY RIVALS AT COLOGNE *By Sean Cronin*

Godolphin's former Charlie Appleby trainee **Fortuna Diamond** (Night Of Thunder) added to her win in June's Listed Prix Volterra with a Pattern-race breakthrough for Alex Pantall in Sunday's G3 Dinger's Gartencenter Koln Sprint Trophy on Cologne's G1 Preis von Europa undercard.

"It was a fast pace from the start, which suited her, and she was very strong in the finish," said rider Martin Protti after collecting a career first Group win. "She is a very good filly and I am very happy with the result."

The well-backed 24-5 chance, who had earlier hit the board in the G3 Hamburger Stuten Meile and G3 Prix de Lieurey, received maximum weight allowances here as the lone sophomore filly in a field of nine.

Shuffled back to race several lengths off the pace in sixth after a slick getaway, she made headway in the straight to go third with a quarter-mile remaining and kept on relentlessly in the closing stages to prevail by 3/4-of-a-length and a head from G2 Oettingen-Rennen victor **Loucas** (Best Solution) and G3 Goldene Peitsche runner-up **Bacarda** (Areion).

Pedigree Notes

Fortuna Diamond, who becomes the 55th Group winner for her sire, is the fifth of seven foals and one of four scorers from as many runners produced by Listed Meydan Classic victrix Pure Diamond (Street Cry), herself out of Group 3-winning G1 Preis der Diana (German Oaks) and G2 German 1,000 Guineas runner-up White Rose (Platini).

White Rose is also the dam of the Listed-winning duo Promesse De L'Aube (Galileo) and Elite Army (Authorized), as well as the dual stakes-placed Champagnelifestyle (Montjeu). Promesse De L'Aube is the dam of G3 Furstenberg Rennen victor Padre Palou (Mastercraftsman).

The winner is a half-sister to the stakes-winning G2 Balanchine second Sapphire Seas (Frankel) and G3 Dubai Millennium runner-up Arabian Light (Kingman). She is also kin to the twice-placed two-year-old filly Gracious Gift (Dubawi) and a yearling filly by Frankel.

RALPH BECKETT: 'WAIT UNTIL YOU'RE THE OTHER SIDE OF 30' *By Gary King*

Ralph Beckett | *Scoop Dyga*

One of Britain's leading trainers, Ralph Beckett has enjoyed success at the highest level with horses including Bluestocking, Westover and Look Here during a career spanning more than a quarter of a century.

In the latest instalment of Words to Live By, TDN's Gary King speaks to Beckett about the counsel he still values 27 years after starting out, a memorable piece of advice from Rupert Nuttall and why patience matters for aspiring trainers.

TDN: Outside of family, who has been the most important mentor in your career, and why?

Ralph Beckett: David Oldrey. His counsel is as valuable now as it was when I started training 27 years ago.

Cont. p12

Ralph Beckett cont.

TDN: What is the best piece of advice you've ever received, and who gave it to you?

RB: I don't know if it's the best, but it's certainly my favourite: "Never jump a gate leaning towards you, nor kiss a girl leaning away from you."

Rupert Nuttall, on getting up, miraculously, after a fall that saw him land underneath his horse and a gate.

TDN: What advice would you give to a young person starting out in the Thoroughbred industry today?

RB: It's a long game. If you want to train racehorses, wait until you're the other side of 30.

QUITE CHEEKY (IRE) (c, 2, Teofilo {Ire}--Examinee {Ger}, by Monsun {Ger}), off the mark on debut over seven furlongs here earlier this month, tracked the leader Sword Salute (Masar) under cover from the outset of this Derby Wild Card Conditions Stakes. Earning the lead a furlong from home, the 7-2 joint-second favourite asserted to beat that rival by 1 3/4 lengths. Success here guarantees the winner, owned by British brewing company Greene King chairman Tim Bridge, an automatic entry at the initial stage for next year's Derby.

"We will see what the horse tells us regarding the future, but it is great to have another nice two-year-old on our hands," William Haggas's representative Andrew Tinkler said. "He did well on his debut here and it was nice to come back. This was a slightly deeper race, but he has coped with conditions well and proved that he copes with the track.

"The step up in trip looked to be within his compass after winning on his debut and, being by Teofilo, it is something he has taken in his stride. Of course, it is great for Mr Bridge as he is an enthusiastic gentleman and he is a great friend of the boss, so to have a really nice horse for him is fantastic."

The unraced dam is also responsible for the dual Group winner Azteco (Fastnet Rock) and the Zetland Stakes runner-up Blanchland (Farhh). A full-sister to the Tercentenary Stakes winner Energizer and granddaughter of the Lowther scorer Enthused (Seeking The Gold), from the family of Joshua Tree (Montjeu) and the South African champion Inara (Trippi), Examinee's yearling filly by Paddington is due to sell at the upcoming Tattersalls October Book 2. Gaining an outright advantage approaching the quarter-mile pole, the 1-2 favourite was tackled by Overhead Drive (Ghaiyyath) with 1 1/2 furlongs remaining and kept on resolutely under a late drive to deny that rival by a head after a ding-dong tussle, with the pair six lengths clear of the remainder.

"He's a fast ground horse and Ryan [Moore] said he was very worried going to the start on him," revealed Aidan O'Brien. "He has a big engine, he's tough and very genuine, and he's going to be lovely. Himself and the second pulled a long way clear and he has the makings of a very smart horse. Ryan said he'd rather have taken his time on him instead of being handy all the way. It wasn't the way to ride him, he hated the ground, and that could be it for the season now."

Raging Bull is the seventh of nine foals and fourth scorer out of a full-sister to the stakes-winning G1 Irish Derby and G1 Gold Cup second Kingfisher, G3 Killavullan third Cocoon and G3 Gallinule third Finn McCool.

His Listed Ruby Stakes-winning second dam Mystical Lady (Halling), who ran third in the G3 Solonaway, is kin to a trio of black-type winners, headed by G3 Leopardstown 2,000 Guineas Trial victor and G1 Poule d'Essai des Poulains third Furner's Green (Dylan Thomas).

The winner is a full-brother to yearling and weanling fillies, with the yearling catalogued in next month's Tattersalls October Book 1. Focus | *Scoop Dyga*

Focus, last seen running fourth in June's G2 Prix Eugene Adam at Saint-Cloud, made his sixth black-type start a winning one and claimed a career high in determined fashion. Positioned off the pace in rear until taking closer order on the home turn, he made headway out wide in the straight to launch his challenge passing the furlong pole and was ridden out in the closing stages to defeat Colin The Brave by an ultimately snug 1 1/2 lengths.

Focus is the first of four foals produced by a winning daughter of the dual stakes-winning G3 Prix de Psyche third Royalmania (Elusive Quality), herself out of dual Group 1-winning Argentinian champion Safari Queen (Lode).

Royalmania is a half-sister to G1 Prix Saint-Alary heroine Queen's Jewel (Pivotal) and Listed Prix Frederic de Lagrange runner-up Flywire (Frankel). The winner is kin to the two-year-old filly Obscure (Dark Angel), a yearling filly by Wootton Bassett and a weanling colt by Sioux Nation.

Second straightening for home, the 37-10 chance eased to the front with 350 metres remaining and was ridden out inside the final furlong to assert by 1 3/4 lengths from Citta Nova (City Light).

Dribble is the third foal and scorer produced by the three-time Listed-placed Gwendola (Oasis Dream), herself a daughter of G3 Prix du Bois victrix Gwenseb (Green Tune).

Gwendola is kin to four black-type winners, headed by G1 Criterium International third and multiple Group-winning sire Attendu (Acclamation), while descendants of Gwenseb include GI United Nations hero Adhamo (Intello). The winner is half to a weanling colt by Blue Point. Lifetime Record: 2-1-0-1, €13,440. O/B-Wertheimer & Frere; T-Yann Barberot.

Coronet, the dam of Martinet | *Scoop Dyga*

Racing on the front end throughout, she kicked clear off the home turn and was ridden out inside the final quarter-mile to easily outclass Gipsy Princess for a career high.

"She enjoys a fast surface and once she got to the front I was always confident she would keep galloping on," explained rider Luke Morris. "She's a nice filly and she's a filly with a beautiful pedigree, so it is very important that we build up a black-type portfolio for her."

Martinet, who becomes the 194th stakes winner for her sire, is the fourth of five foals and lone scorer produced by G1 Prix Jean Romanet and G1 Grand Prix de Saint-Cloud heroine Coronet (Dubawi), herself the leading performer out of the Listed-winning G2 Galaxy Stakes and G3 May Hill runner-up Approach (Darshaan).

Coronet, who has a yearling colt by Wootton Bassett to come, is a half-sister to the multiple Group 1-placed G2 Derrinstown Stud Derby Trial-winning sire Midas Touch (Galileo) and G3 Ballyroan Stakes third Streetcar To Stars (Sea The Stars).

PURO MAGIC CASTS A SPELL OVER SPRINTERS STAKES RIVALS

Puro Magic (left) | *Horsephotos*

The thriving **Puro Magic** (Asia Express) led from pillar to post to cause a mild upset when making her Group 1 breakthrough in Sunday's Sprinters Stakes at Nakayama, with Classic heroine **Star Anise** (Drefong) running a race full of promise on her return from a four-month absence to finish on the heels of the leaders.

Cont. p18

Sprinters Stakes cont.

Breaking widest of all in gate 16, Puro Magic was sent straight to the front by Mirai Iwata and soon established a three-length lead over her 15 rivals. Though challenged by **World's End** (Lord Kanaloa) and **Sound Moryana** (Mikki Isle) inside the final furlong, the five-year-old kept responding to get the verdict by a neck, with Sound Moryana just a nose further back in third.

Star Anise, the winner of the G1 Oka Sho (Japanese 1,000 Guineas), before seemingly failing to stay in the G1 Yushun Himba (Japanese Oaks), made rapid late headway to pass the post just a length and a half behind the winner in fourth.

"I was a bit worried about the ground conditions but, thanks to her ability and speed, we were able to take the lead. She was more composed than in her last race and managed to hang on in the stretch," said Iwata, who was registering his second top-level win in Japan after that of Arma Veloce in the 2024 Hanshin Juvenile Fillies. It was also a second for trainer Shogo Yasuda, who previously struck in the 2024 Tokyo Yushun (Japanese Derby) with Danon Decile.

Puro Magic, meanwhile, arrived at Nakayama as a five-time Group winner, notably having won June's G3 Hakodate Sprint Stakes, before following up at Niigata in August when winning the G3 Ibis Summer Dash for the second consecutive year. She posted another creditable effort earlier this month when filling the runner-up spot in the G2 Centaur Stakes behind **Flicker Jab** (Saturnalia), who was among the market leaders for this Group 1 but could manage only 12th.

Pedigree Notes

Puro Magic becomes the first top-level winner for her sire, Asia Express, who enjoyed his finest hour on the racecourse when winning the G1 Asahi Hai Futurity Stakes in 2013. He is based at the Yushun Stallion Station, with the G3 Leopard Stakes hero Don In The Mood featuring among his other notable progeny.

The dam, Medjerda (Deep Impact), who ran her best race when finishing second in the G3 Fantasy Stakes, has produced three winners from five runners thus far, with Puro Magic the first to gain black type. This is also the family of the Canadian Horse of the Year and sire Peteski.

Used as a pacemaker for most of the season, it is easy to forget that **Action** was a close second in the Futurity Trophy last year and a repeat of that kind of form would make him hard to beat over his ideal trip. The unexposed maiden winners **Back Straight** and **Magnum Cor** have a lot to find to get near the principals, but it's that time of year when results can be more unpredictable than the norm. *[Tom Frary]*.
