FIVE FOR FOREVER YOUNG AS THE FAVORITE IN BREEDERS' CUP CLASSIC

by Alan Carasso

Susumu Fujita's **Forever Young (Jpn)** (Real Steel {Jpn}) will look to become just the second horse in the 43-year history of the GI Breeders' Cup Classic to record multiple victories and the Yoshito Yahagi trainee will jump from gate five with Ryusei Sakai up against seven classy rivals.

What the Classic may lack in numbers, it makes up for in intrigue.

Forever Young, who has averaged better than $2 million in each of his 16 times he's taken to a racetrack, was made the 2-1 favorite to win the $7-million feature. Like he did when third to Sierra Leone (Gun Runner) in 2024 and again when turning the tables on that close familial relation at Del Mar last year, the bay turned in a successful prep, this time away from Japan, as he ran out a 3 1/4-length winner of a **Sovereignty** (Into Mischief)-free GI Jockey Club Gold Cup at the shiny new Belmont Park Sept. 18.

For his part, Sovereignty gets his chance to put pay to the bad taste from last year when he was unfortunately withdrawn from the Classic early in the week. After returning to something approaching his best in the GI Whitney Stakes in August, the homebred was forced to miss the Gold Cup due to a minor setback. He was in one of those proverbial 'everything needs to go right' positions over the last six weeks, but that it has, and the reigning Horse of the Year will once again have Junior Alvarado in the irons from the two as the 5-2 second choice.

Trainer Bill Mott, who won the Classic in 1995 with Cigar and again in 2011 with Drosselmeyer, confirmed Monday morning that 'TDN Rising Star' presented by Hagyard **Knightsbridge** (Nyquist) had been green-lighted by the Godolphin braintrust to take his spot in the Classic.

THOROUGHBRED DAILY NEWS

Tuesay, October 27, 2026

Knightsbridge exits the track with trainer Bill Mott after galloping at Keeneland Monday morning. Mott announced Monday that Godolphin's GI-winning son of Nyquist will join stablemate Sovereignty (Into Mischief) in Saturday's GI Breeders' Cup Classic. | Sarah Andrew

9 | FASIG-TIPTON EASTERN FALL YEARLINGS SALE ON TAP

Reverting to its previous name, the Fasig-Tipton Eastern Fall Yearlings Sale features 265 youngsters set to go under the hammer beginning Tuesday morning at the Maryland State Fairgrounds in Timonium. The majority of horses were bred in eastern states, including Massachusetts, Maryland, New Jersey, Virginia and West Virginia. TDN Editor In Chief Jessica Martini will provide on-site coverage and files our preview.

14 | U. S. S. VALOR TOP INDIVIDUAL INTEREST IN FIRST KDFW

U. S. S. Valor (War of Will), who misses this weekend's GI Breeders' Cup Juvenile, is the 8-1 top individual betting interest in the initial Kentucky Derby Future Wager for 2027.

Breeders' Cup Draw cont. from p1

Though he would have been a clear-cut favorite had he remained in the GI Breeders' Cup Dirt Mile, connections are happy to take their chances with a very formidable duo. When last seen, Knightsbridge was an overwhelming winner of the GI Pacific Classic, his first attempt over the mile and a quarter.

Forever Young galloping beneath Yuki Araki | *Sarah Andrew*

"I'm fine with it," said Mott. "I think it's a great opportunity to have two horses in the Breeders' Cup Classic. We vacillated over separating them. We always like to have a chance to win two races, but I think they both fit and they both deserve their spot in the Classic.

"Sovereignty is coming up to this very good right now, he had a good work over the racetrack. Both horses we have are doing well, and knock on wood, hopefully everything remains good until Saturday. They have different running styles and are not going to hinder each other."

For the first time in a race of any variety since 1991, two winners of the GI Kentucky Derby face off. 'TDN Rising Star' **Golden Tempo** (Curlin) takes on his elders for the first time and will break from gate three with Jose Ortiz, looking to improve on a better-than-it-looked third in the GI DraftKings Travers Stakes at Saratoga Aug. 29. Prior to that, the homebred took out the GI Belmont Stakes at 10 furlongs and he is giving trainer Cherie DeVaux all the right signs coming into the Classic.

"Ultra-confident," DeVaux said after safely negotiating the steps up into the ring in the Keeneland sales pavilion. "Obviously we understand that he has to do some progressing, but he hasn't done much wrong. He's on the same trajectory with how he looks and how he trains, so we're pretty confident he's going to put in a top effort." **Cont. p4**

BC Draw cont.

Napoleon Solo (Liam's Map) was victorious in the middle jewel of the Triple Crown in the GI Preakness Stakes and was just beaten into second in the GI Haskell Stakes and the Travers. He, too, had an option for the Dirt Mile, but opts for the more shark-infested waters of the Classic.

The grey has drawn widest in the field of eight and will have some speed underneath him in the form of **Magnitude** (Not This Time), who claimed the scalp of Forever Young in this year's G1 Dubai World Cup. He tacked on a smart tally in the GI Stephen Foster Stakes in his next appearance, but was below his best behind Sovereignty in the GI Whitney Stakes. He is likely to be ridden forward by Flavien Prat, who takes over for Ortiz.

The Puma (Essential Quality), fourth in the Haskell and again in the Travers, put it all together last time with a visually impressive victory over the Dirt Mile-bound 'Rising Star' Further Ado (Gun Runner) in the GI Pennsylvania Derby. His connections made their intentions known earlier this week, and The Puma could be coming at them late if the pace is on.

T O Password (Jpn) (Copano Rickey {Jpn}) draws the rail as he swings for the fences in the Classic over the Dirt Mile, where his chances appeared much more favorable. A creditable fifth to Mystik Dan (Goldencents) in the 2024 Derby, the bay was a latest third to 2025 Derby also-ran Luxor Cafe (American Pharoah) in the G3 Elm Stakes at Sapporo in early August.

Previous Winners Line Up For Turf Races

Ethical Diamond (Ire) (Awtaad {Ire}) caused the boilover to stop all boilovers at Del Mar last fall, coming with a barnstorming stretch rally to run past the three-peat seeking and recently retired Rebel's Romance (Ire) (Dubawi {Ire}) for legendary jumps trainer Willie Mullins. The 6-year-old took the G3 Ballyroan Stakes at Leopardstown in August and suggested that he arrives here in top form with a strong runner-up effort to the Tattersalls Sceptre Sessions-bound **Tiffany (Ire)** (Farhh {GB}) in the GII Kentucky Turf Cup Sept. 5.

The Euro challenge is fortified by G1 Prix de l'Arc de Triomphe third and 'TDN Rising Star' presented by Hagyard **Diamond Necklace (Ire)** (St Mark's Basilica {Fr}), while just four domestic middle-distance gallopers contest the turf, headed by **Minaret Station** (Instilled Regard) and 'TDN Rising Star' presented by Hagyard **Far Bridge** (English Channel), first and second, respectively, in the GI Joe Hirsch Turf Classic at Belmont Oct. 1.

Godolphin, trainer Charlie Appleby and jockey William Buick have won the GI Breeders' Cup Mile four out of the last five years and 'TDN Rising Star' presented by Hagyard **Notable Speech (GB)** (Dubawi {Ire}) can extend that remarkable streak on Saturday in defense of his title against the filly **True Love (Ire)** (No Nay Never), who beat the boys in the oft-productive G1 Prix de la Foret at ParisLongchamp Oct. 4. **Rhetorical** (Not This Time), fourth after leading late last year, and runner-up **Formidable Man** (City of Light) are among America's top hopes.

Juddmonte's **Blue Bolt (Ire)** (Blue Point {Ire}) has been absolutely dominant over a mile against her peers this season, with victories in four consecutive Group 1 events, and she'd have been a handful for Notable Speech had they gone in that direction. **Cont. p5**

Instead, she stretches out to 9 1/2 furlongs for the GI Breeders' Cup Filly and Mare Turf and although her pedigree doesn't exactly scream distance, these horses routinely stay this sort of trip. The connections of G1 Coronation Stakes heroine **Precise (Ire)** (Starspangledbanner {Aus}) will hope the trip sees out Blue Bolt, whom they have finished behind three times. Top-level scorers **Gimme A Nother (SAf)** (Gimmethegreenlight {Aus}) and **Kathynmarissa** (American Pharoah) are among the best stateside chances.

Kathynmarissa | *Sarah Andrew*

Starlust (Ire) (Zoustar {Aus}) took a rough-and-tumble renewal of the GI Breeders' Cup Turf Sprint at Del Mar in 2024 and is back from a stint at stud to try this once more against defending champion 'TDN Rising Star' presented by Hagyard **Shisospicy** (Mitole), who figures to be part of a wicked early pace with speed types occupying the inside gates. **Bacio** (Maclean's Music) will be the idea of the favorite in many circles after shipping to York to take the G1 Coolmore Nunthorpe Stakes, while Keeneland Championship Sale offering **Miss Yechance (Ire)** (Cotai Glory {GB}), a latest winner of the G1 Prix de l'Abbaye, will need to work out a trip from the 14.

Other BC Dirt Races Could Be On the Chalky Side

The next-richest of Saturday's races to be contested over the main track are the $2-million GI Breeders' Cup Distaff and GI Breeders' Cup Sprint.

The Distaff has lured a field of eight and on paper, D J Stable's **Nitrogen** (Medaglia d'Oro) will be a strong choice to go one better than her performance at Del Mar last year. A very game runner-up behind Sovereignty in the Whitney, she made light work of the GII Beldame Stakes last time and is strictly the one to beat. **Cont. p6**

Fully Subscribed (Tiz the Law) looks a different proposition than the one that finished a dozen lengths behind Nitrogen in the GI Ogden Phipps Stakes and goes out for the Chad Brown barn which has finished second three times in the Distaff, but is still looking for its first win.

Englishman looms a heavy favorite in the Sprint | *Sarah Andrew*

'TDN Rising Star' presented by Hagyard **Englishman** (Maxfield) will be the clear-cut choice as he faces older horses in the Sprint, but he'll have to be at his very best from barrier 13 in the field of 13. **Dark Saffron** (Flameaway) won the G1 Dubai Golden Shaheen for the second year running in late March and is the first UAE-based runner to come across for the Breeders' Cup. Contention runs deep with Grade I winners **Hymn** (McKinzie) and **Listenupshance** (Shancelot) among the competition.

The GI Breeders' Cup Filly & Mare Sprint is first up on Saturday, and in the form of 'TDN Rising Star' **Ways and Means** (Practical Joke), the seven-furlong affair also looks to have a prohibitive favorite. There will be those willing to take her on, reasoning that she is a horse that clearly delivers her best at Saratoga, and Grade I winner **R Disaster** (Awesome Slew), defending champ **Splendora** (Audible) and **Kilwin** (Twirling Candy) are capable foes if the chalk stubs her toe.

The GI Breeders' Cup Dirt Mile might just be the most appealing race on the program from a pari-mutuel perspective. The defection of Knightsbridge and the Monday addition of 'TDN Rising Star' presented by Hagyard **Further Ado** (Gun Runner)--a Grade I winner at Keeneland--opens things up a bit.

The Spendthrift colt may have to be asked early from the rail and the pace appears to be very much on, setting things up for the sweepers. **Coal Battle** (Coal Front) has been solid without winning, but may get the Dirt Mile run to suit and **Owen Almighty** (Speightstown) is not impossible if patient tactics are put into play by Brian Lynch. **Cont. p7**

Future Stars Friday To Provide Classic Clues

While 'TDN Rising Star' presented by Hagyard U. S. S. Valor (War of Will) stays in the Shug McGaughey barn this weekend, a field of eight juvenile colts is set to contest the GI Breeders' Cup Juvenile.

Bob Baffert has saddled six winners of the Juvenile and looks set to tack on another with 'TDN Rising Star' presented by Hagyard **Hughes** (Into Mischief) looming the one they all have to beat after dominating the GI American Pharoah Stakes with a race-fastest 100 Beyer

American History is one of three 'TDN Rising Stars' among the field of eight for the Juvenile | *Sarah Andrew*

Stablemate **Salahudin** (Uncle Mo) is three-for-three, including a hard-fought win in the GIII Iroquois Stakes, while 'TDN Rising Stars' **American History** (Constitution) and **Coach Pope** (Tapit) meet again after running 1-2 in the GI Claiborne Breeders' Futurity over course and distance Oct. 3.

In the fillies' equivalent, GI Darley Alcibiades Stakes victress **Emphatic** (Nyquist) will vie for favoritism with 'TDN Rising Star' presented by Hagyard **Miss Monica** (Early Voting), who won the GI Del Mar Debutante looking a filly that wants every bit of a trip like the one she gets here.

Gstaad (GB) (Starspangledbanner {Aus}) overcame the 14 hole to take out last year's GI Breeders' Cup Juvenile Turf and G2 Coventry Stakes hero **Great Barrier Reef (Ire)** (No Nay Never) will need another masterclass from Ryan Moore if he is to repeat the dose. It is noteworthy that Moore rode Hit It a Bomb (War Front) to win the 2015 Juvenile Turf at Keeneland from just this side of the burgoo vendors.

Not quite as awkwardly drawn in nine in the GI Breeders' Cup Juvenile Fillies Turf is 'TDN Rising Star' presented by Hagyard **Sun Goddess (Ire)** (Sioux Nation), whose current five-race tear includes the G1 Moyglare Stud Stakes in yielding Curragh ground and the G1 Cheveley Park Stakes at Newmarket 13 days hence. Fellow 'Rising Star' **Curracloe** (Baaeed {GB}) exits a facile success in the G3 Darley Fillies Stakes at the Curragh and has a low gate to her advantage. **Domestic Agenda** (American Pharoah) and **Vanta** (Greatest Honour), each an undefeated graded winner, fly the flag for the U.S.

Who wins the GI Breeders' Cup Juvenile Turf Sprint is anybody's guess, but favoritism could fall to the filly **Libertango (Ire)** (No Nay Never), winner of York's G2 Lowther Stakes Aug. 20 ahead of a runner-up effort to Sun Goddess in the Cheveley Park. Flavien Prat takes the call for George Boughey from gate three. **Primetime Emmy (Aus)** (Extreme Choice {Aus}) won the G3 Prix Eclipse at Chantilly Sept. 19 and races 48 hours after going through the Keeneland Championship Sale.

KNIGHTSBRIDGE, NAPOLEON SOLO TO RUN IN CLASSIC, FURTHER ADO TO MILE

"They are both running in the Classic," trainer Bill Mott said Monday morning, ending speculation on whether Godolphin's GI Pacific Classic winner **Knightsbridge** (Nyquist) would join stablemate **Sovereignty** (Into Mischief) in GI Breeders' Cup Classic or instead start in the GI Breeders' Cup Dirt Mile Saturday at Keeneland.

Knightsbridge | *Sarah Andrew*

Connections of **Napoleon Solo** (Liam's Map) also confirmed Monday that the GI Preakness Stakes winner would line up for the Classic instead of the Dirt Mile.

"It was a team effort and a team discussion," Mott said of the decision. "It's something we've been talking about this week. We have gone back and forth and I think we've made a great case for running Knightsbridge in either race. We had a whole list of reasons why to run in the Mile, why to run in the Classic. Probably one of the things it boils down to is Godolphin would really love to win the Classic and I think we've probably got a better chance having two horses in there than just one."

Sovereignty will be making his first start Saturday since winning the Aug. 8 GI Whitney Stakes, while Knightsbridge was last seen winning the Aug. 22 Pacific Classic.

Junior Alvarado will retain the mount on Sovereignty, while Mott confirmed that Luis Saez will ride Knightsbridge. **Cont. p9**

BC Race Decisions cont.

For trainer Chad Summers, the decision to send Napoleon Solo to the Classic came down to giving the Preakness winner another opportunity at the 1 1/4-mile distance following his runner-up effort in the GI Travers Stakes.

"We were waiting on what Godolphin wanted to do, but we made the decision to go to the Breeders' Cup Classic," Summers said. "To me, it was a conversation with the team about who he is and what his resume has been up to this stage. We thought he was very brave in defeat going the 10-furlong distance the last time out in the Travers. We felt like he deserved another opportunity at 10 furlongs here. He'll be wearing the yellow saddle towel the rest of the week."

While Napoleon Solo and Knightsbridge opted for the Classic, Spendthrift Farm's GI Toyota Blue Grass Stakes winner **Further Ado** (Gun Runner) will instead take his chances in the Dirt Mile.

Trainer Brad Cox said the decision was made with the colt's best chance of success in mind.

"We just think that this gives him the best opportunity to win a race," Cox said.

NEW (OLD) NAME, NEW DATE, AND NEW FORMAT: FASIG-TIPTON EASTERN FALL YEARLING SALE TUESDAY

by Jessica Martini

The Fasig-Tipton Eastern Fall Yearlings Sale, reverting to its former name, will be held Tuesday at the Maryland State Fairgrounds in Timonium under a new format and weeks later than its traditional spot on the calendar. The one-day auction's catalogue has been structured to give each of the region's state-bred programs its own section. The catalogue of 265 yearlings will open 34 offerings bred in non-Eastern states and will continue with offerings of Massachusetts-breds (hips 5, 30 and 31); Maryland-breds (hips 35-130); New Jersey-breds (hips 131-138); New York-breds (hips 139-172); Pennsylvania-breds (hips 173-214); Virginia-breds (hips 215-230); and West Virginia-breds (hips 231-239).

"I think the new format will help," said consignor Chris Gracie, whose Gracie Bloodstock will offer 42 yearlings at the sale. "There are a lot of state-breds and I think this will help people separate the different regions of the Midatlantic that they are in. As a consignor, it also makes it easier to put trainers and buyers from those different racetracks on the right horses."

FTMOCT Preview cont.

Consignor Clovis Crane also said he was supportive of the sale's new format.

"It makes it simple for those buyers that are buying specifically for the region they are in," Crane said. "It makes it simple for them to pay attention at that specific time that those horses are selling. Fasig makes a lot of changes to try to adjust and get better all the time. I hope this is just another improvement."

Fasig-Tipton Midlantic sales grounds | *Fasig-Tipton*

While the revamped auction highlights its regional buying base, the sale will still offer plenty to pinhookers and other buyers from outside the regional market, according to Crane.

"You still have your Kentucky horses in there, you have some RNAs from Keeneland," Crane said. "There are a bunch of good horses in there. And it has been proven time and time again, there are some really good horses that come out of this sale. There is always going to be a demand for those regional horses because they've been so successful over the years."

The Midlantic yearling sale has typically been held at the end of September or early October and now finds itself placed at the end of the month as the final yearling sale of the season and just a week before Fasig-Tipton's November sale opens the bloodstock sales. The later date places the auction two days after Jim McKay Maryland Million Day at Laurel Park.

"I like the later date," Crane said. "And I think the regional people will like it better, too. The Kentucky horses, because of the bluegrass, they are a little earlier developing than our horses. So it gives a little more time to develop those horses and bring them along."

The Eastern Fall Yearlings Sale will also highlight the various state-bred programs, as well as the certified programs of Delaware, Virginia, and West Virginia which offer incentives to horses bred anywhere who have resided in that state for a period of time. **Cont. p11**

Gracie, based in Middleburg, Virginia, will offer several yearlings who are Virginia certified at the auction.

"I think the Virginia certified program has picked up a lot of momentum," Gracie said. "A lot of people are starting to realize the value in it. And a lot of trainers are starting to use Colonial to get more stalls at racetracks. It's good money. You are starting to see these guys target these horses, whether they are Kentucky-bred, Virginia certified or bred in the Midatlantic and Virginia certified."

Bidding on the one-session auction begins at 11 a.m.

LEGENDARY WASHINGTON TRAINER HOWARD BELVOIR PASSES AWAY

Howard Belvoir | *Emerald Downs photo*

Trainer Howard Belvoir, for six decades a fixture in horse racing in the Pacific Northwest, died Oct. 23 from heart failure at the age of 82, according to a post on the Emerald Downs website.

Based mainly in Washington, but having also done stints in California, Oregon and British Columbia, Belvoir won 2,192 races in a career dating back to 1963, per Equibase stats, and included his induction into the Washington Racing Hall of Fame.

Born in Iola, Kansas, and raised in Payette, Idaho, Belvoir honed his skills under the tutelage of trainers Roy and Troy Taylor before taking out his license.

"Racing is in my blood," Belvoir said in 2018. "Once you get in you, you can never get it out of you."

Belvoir ranks third in the history of Emerald Downs by wins (830), second in earnings ($9,514,704) and sixth in stakes wins (49).

Belvoir bred and trained Washington Horse of the Year Wasserman to victory in the GIII Longacres Mile Handicap in 2008 and won the marquee race on the calendar on two other occasions with Assessment (2009) and fan-favorite Barkley (2018).

The Emerald Downs race office honored Belvoir with its 2010 Martin Durkan Award for sportsmanship and excellence on and off the track, and in 2013 Belvoir was recognized with the state's top racing honor by being voted into the Washington Racing Hall of Fame. In his acceptance speech, Belvoir recognized owners, assistant trainers, exercise riders, grooms and hotwalkers for making it all possible.

"I've been fortunate and lucky to have a lot of good horses, but you're only as good as your help," he said. "That's the truth."

Belvoir is survived by longtime partner Vicki Potter and sons Heath, Clay and Vann, the latter a former Emerald Downs riding champion and currently a trainer in California.

Per Belvoir's request, no services are planned. The family plans to honor him with a race at Emerald Downs in the 2027 season.

HISA EXPANDS NUTRITION AND HYDRATION RESOURCES FOR JOCKEYS

Edited Press Release

Under the direction of HISA National Medical Director Dr. Pete Hester, the Horseracing Integrity and Safety Authority (HISA) has launched a nutrition program designed to address the high-performance needs of jockeys.

HISA brought together nutrition experts, jockeys and racetrack hospitality professionals for the HISA Nutrition Task Force. This group has developed a practical nutrition program that has been implemented at Keeneland, Santa Anita Park and Parx Racing, with additional racetracks continuing to onboard. Santa Anita Park also recently unveiled its new Jockey Diner and nutrition-focused menu, developed with guidance from the HISA Nutrition Task Force.

"Jockeys face some of the most demanding physical and nutritional challenges in professional sport," said HISA CEO Lisa Lazarus. "This initiative is about giving them access to food that supports performance, recovery and long-term health, while respecting the realities of weight management. Providing clear nutritional information alongside thoughtfully designed meals empowers jockeys to make informed choices that work for their bodies and careers."

Menus include detailed nutritional information, including calories, protein and fat content, to help jockeys better understand their dietary needs and make informed choices. The program is designed to complement, rather than replace, existing racetrack food offerings, giving jockeys additional options based on their individual needs and preferences.

Building on the efforts of HISA Jockey Wellness Consultant Trevor McCarthy and Syracuse University Athletics Director of Performance Nutrition Alyson Onyon, HISA and Jockeys' Guild have also partnered on the roll-out of fueling stations that provide convenient and healthy food and hydration options for jockeys between races. Saratoga Race Course and Belmont Park debuted the first two fueling stations, with additional locations planned. **Cont. p13**

HISA Expands Nutrition, Hydration Resources cont.

The full HISA Nutrition Task Force brings together jockeys and experts in sports nutrition and medicine. Members include: Donna Barton Brothers, retired jockey and former NBC Sports analyst; Aaron Gryder, retired jockey and Senior Vice President at 1/ST Racing; Jeff Johnston, HISA Rider Safety & Welfare Manager; Dr. Brenda McBride, Chief Medical Officer and Director of Nutrition at Onrise, Trevor McCarthy, HISA Jockey Wellness Consultant; Alyson Onyon, Director of Performance Nutrition at Syracuse University and Jockeys' Guild consultant Marc Thierren, Keeneland's Managing Director of Hospitality; and Jodie Vella-Gregory, Vice President of Industry Relations for 1/ST Racing.

To further support the program's implementation, HISA and experts from the HISA Nutrition Task Force hosted a webinar on nutrition for jockeys, track management and racetrack kitchen staff. A copy of the webinar is available upon request.

This nutrition initiative builds on HISA's announcement last October that it had expanded its wellness program to include nutrition coaching for jockeys through its partnership with Onrise, which provides a suite of confidential wellness services to licensed jockeys at HISA racetracks. Led by Dr. McBride, whose extensive expertise in nutrition, athletic performance and psychology has shaped the program, Onrise's nutrition coaching is designed to help riders optimize both their performance and well-being.

For more information or to access services, riders can contact Onrise confidentially through their website, by emailing support@onrisecare.com or by calling its toll-free crisis line at (833) 998-7985.

7th-Finger Lakes, $24,600, Alw, 10-26, (C), 3yo/up, 1m, 1:38.83, ft, 2 3/4 lengths.

PALPABLE (c, 3, McKinzie--Mir Cat, by Tale of the Cat) was seeking his third straight win after taking a one-mile-and-70-yard allowance at this oval Sept. 9 and returned to score at this same track and trip Oct. 12. The 5-2 shot settled off the pace while racing three wide behind fractions of :24.82 and :48.90. He darted up into contention entering the far turn, grabbed the lead approaching the stretch and pulled clear down the lane to win by 2 3/4 lengths. Favored Valentinian (Into Mischief) was second. A $270,000 KEESEP yearling, Palpable is a half-sister to Life's a Parlay (Uncle Mo), GSW, $248,720 and to Declassify (Orientate), GISW, $261,740. **Click for the Equibase.com chart**. CUCURELLA (f, 2, Maximus Mischief--Fox Alert, by Tizway), let go at 8-1, zipped right out to the early lead and was prompted in turns by favored Holly Blue (Munnings) and Dixieland (Street Sense) through a quarter in :22.83 and a half in :46.36. She put those rivals away at midstretch and pulled clear to score by 2 3/4 lengths. Cheeriness (War Front), the half-sister to multiple Grade I winner Elate (Medaglia d'Oro), was never a factor and came home fifth. Cucurella was a $25,000 KEESEP yearling and $42,000 OBSOPN juvenile. Fox Alert has a weanling filly by Gufo and was bred back to Jonathan's Way. **Click for the Equibase.com chart**. Lifetime Record: 1-1-0-0, $19,200.

AMERICAN FRIENDS (c, 2, Into Mischief--Jilted Bride {SW & MGSP, $519,922}, by Wicked Strong) had his fair share of admirers as the 19-5 third choice on debut and treated his rivals to a front-running display. A $300,000 purchase out of last year's Keeneland September Sale, the bay colt had his red blinkers in front right from the opening bell and galloped them along comfortably from the front. Held together for the long run in at Tokyo, the Mar. 12 foal was asked for his best entering the final furlong and held sway by a length. Arkansas-bred Danon Iconic (Army Mule), a $57,000 purchase at the TTA Yearling Sale last year turned $750,000 OBS March graduate, closed well on his wrong lead to finish runner-up. Iowa Distaff winner Jilted Bride, who also `placed in a pair of Grade III routes, did not produce a foal in either of the last two seasons and is due to Not This Time for 2027. This owner is set to be represented by Into Mischief's globetrotting son American Stage at the Breeders' Cup this weekend. American Friends is a 42nd Japanese winner from 48 starters for his all-conquering stallion. Sales history: $300,000 Ylg '25 KEESEP. Lifetime Record: 1-1-0-0, $49,731.

STAR FLASH (c, 2, Yaupon--Shanghai Starlet {MSW, $166,598}, by Shanghai Bobby) was second as the long odds-on favorite in his first two trips to the post, but made no mistakes this time around at 30 cents on the dollar. Beaten for speed and settled nicely in midfield for Christophe Lemaire, the $110,000 Keeneland November weanling and $400,000 Keeneland September yearling was always going well while covering a bit of ground on the turn.

Cruising into the race five wide off the final corner, Star Flash loomed at the furlong grounds and finished with good energy to take it by a length. Mulholland Springs acquired the dual stakes-winning Shanghai Starlet for $43,000 at the 2019 Keeneland November Sale and the mare's youngest produce includes a yearling colt by Forte and a weanling filly by Arabian Knight. She was most recently covered by Goal Oriented. Later Saturday afternoon, Weho took out the Santa Anita finale to become the 100th winner (20th 2yo winner) from the two crops to the races for Yaupon. INITIAL POINT (f, 2, Flightline--Farrell {MGSW, $1,098,777}, by Malibu Moon), second on 1200-meter dirt debut July 25, was only fifth in her first go on the grass over a mile Sept. 19, but improved for that effort to be runner-up over this course and distance Oct. 4. A well-backed 3-1 third choice, the $475,000 Keeneland September purchase broke running and took the sit from second, clocking pacesetting Sainte Chapelle (Jpn) (Admire Mars {Jpn}) from up close in what was becoming a sit-sprint affair. In hand entering the final 400 meters, Initial Point quickened up nicely, surged past the front-runner and edged away to score by 1 1/2 lengths. At the time, Initial Point was the 12th first-crop winner for her sire (by Tapit)--it became a baker's dozen when Joyful Flight earned 'TDN Rising Star' presented by Hagyard honors at Keeneland later that afternoon. Flightline is now the sire of five Japanese winners from seven runners, including GSW Shonan Galleon (Jpn). A graded winner at two, three and four and second in the GI La Troienne Stakes, Farrell is a daughter of SW & GSP Rebridled Dreams (Unbridled's Song), also the dam of two-time Grade I winner Carpe Diem (Giant's Causeway); GISW J. B.'s Thunder (Thunder Gulch); and European MSW & MGSP Doncaster Rover (War Chant). Farrell was most recently bred to Quality Road. Sales history: $475,000 Ylg '25 KEESEP. WILD SHACHO (c, 2, Twirling Candy--You Asked {MGSP, $245,934}, by Yes It's True) was making his first trip to the races for the Hideyuki Mori barn, which has a strong strike rate with its imported US-bred runners.

Off as the 63-10 fourth pick, the May 19 foal caught a flyer from gate two and was at the head of affairs after the first few strides. Comfortably in front as the field approached the 400-meter marker, the bay was a bit tardy switching his leads and looked like he was there for the taking as a rival raced up to him, but Wild Shacho found that little bit extra and was home by 1 1/2 lengths. The winner is closely related to Do Share (Candy Ride {Arg}), GSW, $740,682; and is also a half-brother to Dalton (Kantharos), MSP, $245,810; and Perfect Magic (Maclean's Music), MSP, $331,466. Another half-sister produced MSW Complexity Jane (Complexity). This is the deeper female family of Private Terms. Wild Shacho is the last listed produce for his dam. Twirling Candy has been represented by eight winners from his nine starters in Japan. Sales history: $200,000 2yo '26 OBSAPR. Lifetime Record: 1-1-0-0, $49,731. **VIDEO (#2)**

SOLID START TO TATTERSALLS AS HONG KONG AND AUSTRALIA DOMINATE

The opening session of the Autumn Horses-In-Training Sale was topped by the 390,000gns Arctic Tsar | *Tattersalls*

By Brian Sheerin

NEWMARKET, UK - As opening acts go, Monday's curtain-raiser to the Tattersalls Autumn Horses-In-Training Sale wasn't bad at all - the solid trade was topped by the Imperium Sales-drafted three-time winner Arctic Tsar (Kodiac) at 390,000gns to Hong Kong while the Ado McGuinness-trained Cambridgeshire winner Pierre Royal (Kingman) is heading Down Under after selling for 375,000gns to Astute Bloodstock.

Both horses wouldn't have looked out of place in Tuesday's eagerly-anticipated session. However, they played an important role Monday's 7,651,000 gns turnover that was up marginally [1%] on the 7,559,000 gns traded on the corresponding day last year. The 16,000 gns median was the same while the 30,851 gns average dropped by 4%. The appetite for horses was good with the clearance rate dropping by only 1% to 83%.

Trained by Clive Cox, Arctic Tsar has hit form at exactly the right time, as far as this sale is concerned. After opening his account off 65, he recorded his third win on the bounce at Kempton earlier this month, bolstering his rating to 89. **Con., p3**

SECOND GROUP WINNER FOR BAAEED AS COAXED STRIKES AT CHANTILLY *by Sean Cronin*

Cheveley Park Stud's **Coaxed** (Baaeed) made a breakthrough for her freshman sire when shedding maiden status at Kempton in August and joined G3 Weld Park victrix Curracloe on the Beech House Stud resident's roll of honour with a pillar-to-post success in Monday's G3 Darley Prix des Reservoirs at Chantilly.

"She relished the soft ground and loved being in front, but that will be that for the season now," said Cheveley Park Stud's Chris Richardson. "When she won first time out she went from the front, but she had her ears pricked here and enjoyed herself. Now we can maybe dream of going back to France for the French Guineas or the French Oaks in due course. We have a full-brother to Coaxed who we took to the sales, but didn't sell, and he goes into training now which is quite exciting."

Ardo McGuiness | *Tattersalls*

Tattersalls Autumn HIT, cont. from p1

The Valmont-owned colt will continue his career in Hong Kong now after being sourced by bloodstock agents Will Douglas and Billy Jackson-Stops on behalf of trainer David Eustace.

Douglas said, "We bought a nice horse off Clive a couple of years ago called Riding Together and he's done well in Hong Kong for David. Clive has been a good source of horses for us. This horse has won three on the spin and just looks a very nice and straightforward type. Physically, he should suit the racing and training in Hong Kong, which is key."

Arctic Tsar is yet another high-profile success story for Alex Elliott's Valmont vehicle, after the agent sourced the colt for €90,000 from Ballygallon Stud at the Goffs Orby Sale last year.

Bittersweet Success For McGuinness With Massive Money-Spinner Pierre Royal

He may not have held onto top lot status, but in many ways the story of the day was the massive touch achieved by Irish trainer McGuinness and BBA Ireland bloodstock agent Adam Potts with Pierre Royal.

Sourced at this sale almost exactly 12 months ago for 48,000gns, Pierre Royal has sky-rocketed through the ranks for his new connections. His near £200,000 in career earnings is largely supplemented by a last-time-out success in the Cambridgeshire at Newmarket, where he became the first Irish victor in the race this century.

For all that his sale represented a massive boon for his owners, the A Twist Of Fate Syndicate, the man that masterminded the success story was left somewhat philosophical over the loss of the best horse in his stable, summarising that he now needed to "find another one". Easier said than done. **Cont.**

McGuinness said, "A horse like this, you don't like to lose [him]. He wasn't a dear horse here last year. Adam picked him out and he has done very well for us. I don't chase Listed or Group races with a horse like Pierre Royal - I always go for the money, so he has won two premier handicaps, second in one and third in another. He's a very easy horse to train. Best of luck to the boys who bought him, I think he will do very well for them. He's lightly-raced and I do think he will go places and win plenty of races in Australia. It will really suit him down there - fast ground, I think he'll love it."

The trainer added, "It's great for the guys who own him. This horse is probably after tuning 600 grand this year. He's won over 200 grand in prize-money and then today's sale as well. It's a lot of money to turn for a fun horse. He would have been a real Royal Ascot horse for next year. I would have been dreaming of a Royal Hunt Cup with him if he was still with me next year. Now to go and find the next one!"

Pierre Royal was bought by Louis Le Metayer of Astute Bloodstock, with the agent saying the Cambridgeshire success was too impressive to ignore.

"It was a big field, a £200,000 race here at Newmarket, and he's a beautiful horse," Metayer said. "He's got a good pedigree, he's fast, and he seemed to go on every ground."

"So I'm very happy to get him. We like to give them a very easy first six months so they can acclimatise as there are many changes - new feed, new weather, new everything. We will probably focus on the next southern hemisphere spring, this time next year. He'll probably have a first run over a mile and then we will see where we progress. I selected the horse and am syndicating him through Astute Bloodstock, and there is a lot of interest in him already." **Cont.**

Scythe, Lot 332, will continue racing in America | *Tattersalls*

Hotazhell's Owners Help Raise The Temperature

American owners Bonnie and Tommy Hamilton, who are riding the crest of a wave with the Jessica Harrington-trained Hotazhell (Too Darn Hot), swooped for the Group 2-placed Scythe (Victor Ludorum) through agent Darren O'Dwyer at 250,000gns.

"He's got some serious form," said O'Dwyer. "He's been bought for Bonnie and Tommy Hamilton of Silverton Hill Stables, so he's going to America. It's undecided which trainer he'll go to at the minute, but his profile suggests he'll do well out there."

He added, "To try and buy a horse like that in America would cost you way more, probably over half a million, so I thought we got good value. We'll see where we go with him but he's only two, so fingers crossed. He's not an overly big horse but he's all there in proportion and his form speaks volumes."

Buys of the day

Charlie Longsdon has a very nice dual-purpose type to look forward to in Adel (Alson), the 79-rated 1m4f winner who has to be deemed value at 47,000gns. Quite a good-looking gelding, he looks just the type to take to the jumping game and he clearly stays well. He was bought through Highflyer and is probably one for the tracker over the winter.

Then there was the 87-rated Bint Archarge (Ubettabelieveit), who landed the Listed Coral Dragon Stakes at Sandown, who can also be described as value to bloodstock agent Hamish Macauley for 50,000gns. Presumably bought with a breeding career in mind, she would suit any amount of speed-favouring stallions and has the form and pedigree to make a decent broodmare.

Thought for the day

There are surely too many sales left in the year for people to be going bleary-eyed already? At the same table in the green room during lunch, we had one man who had left his iPad at home in Ireland, another who came to the sales with his jumper back to front and a lady who rocked up to the Newmarket Premier Inn Hotel brandishing a reservation from Book 1 not realising she had no accommodation sorted for one of the busiest weeks of the year. Safe to say there are a few people in a muddle and it's not even November yet. It's gonna be a long home stretch...

Coaxed, cont. from p1

The 23-10 second favourite, a last-out third in Goodwood's G3 Prestige, was swiftly into stride and seized immediate control of the one-mile contest.

Shaken up in front with a quarter-mile remaining, she refused to relinquish her advantage and stayed on in determined fashion to defeat **Malikat Al Remal** (Ten Sovereigns) and **Rymskhaya** (Mehmas) by 3/4-of-a-length and the same.

Pedigree Notes

Coaxed is the sixth of eight foals and one of four scorers out of G1 Queen Elizabeth II heroine Persuasive (Dark Angel), herself a daughter of the dual Group-placed Choose Me (Choisir).

Persuasive is a half-sister to G1 British Champions Sprint hero Creative Force (Dubawi), the multiple Group-placed Listed Coral Distaff victrix Tisbutadream (Dream Ahead) and to the dam of Listed Fleur de Lys runner-up Improvista (Frankel).

The winner is full to a yearling colt and a half to Listed October victrix Cajole (Dubawi), G3 Greenham third Theoryofeverything (Frankel) and a weanling filly by Blue Point.

VALASARA TO THE FORE AT CHANTILLY

by Tom Frary

Valasara | *Scoop Dyga*

While the story of The Aga Khan Studs and Francis Graffard is of general success in 2026 as it had been the year before, one of the more intriguing chapters is their efficacy in the sprints and **Valasara** (Hello Youmzain) continued the trend in Monday's G3 Prix de Seine-et-Oise at Chantilly.

A Listed winner at two, the homebred had added this track's Prix de Bonneval to her tally last month but was in deeper here with quality as well as numbers in opposition in the six-furlong contest. Tacked on to the stand's side group from the break, the 8-1 shot was prominent under Mickael Barzalona whose quick decision from the stalls proved decisive. The German raider **Pershing** (Areion) was pushing the pace against that rail and while it took until inside the final furlong to master that 76-1 shot, Valasara was firmly on top at the line for a neck success.

"She is progressing--we lost a bit of time at the beginning of the year due to an injury, but she is making up for lost time," Graffard explained. "I think the 1,200 metres suits her well and she is a beautiful mare. It may be worth continuing next season."

Pedigree Notes

Valasara's dam Valima (Linamix), who won the Prix Imprudence, produced four Stakes performers including the Prix de Diane heroine Valyra (Azamour) and Nayef's Prix Chaudenay-winning sire Valirann. Her Listed-placed daughter Valasyra (Sinndar) is the third dam of this year's Prix Niel winner Varandir (Zarak) who promises to be one of the stable's leading lights in 2027.

This is the "V" family which features Royal Academy's Breeders' Cup Mile-winning sire Val Royal, Trempolino's Queen Anne and Prix d'Ispahan-winning sire Valixir and several other top-notchers including the Prix du Jockey Club and Eclipse hero Vadeni (Churchill). Valdaya, who was sold to Ecurie X for €100,000 at the 2024 Arqana December, also has the unraced two-year-old filly Vallalina (Showcasing), a yearling filly by Sioux Nation named Val Gardena who was a €170,000 purchase by Peter and Ross Doyle Bloodstock at this year's Arqana Deauville August and a filly foal by Ace Impact.

TOM GOFF APPOINTED NEW INDEPENDENT CHAIR OF THE THOROUGHBRED GROUP

Tom Goff will take over the independent Chair role from Julian Richmond-Watson, whose three-year term comes to an end following his appointment in October 2023, The Thoroughbred Group announced Monday.

The appointment will see Goff step down from the Racehorse Owners Association Board to ensure independence of the Thoroughbred Group's membership. Goff had been serving on said board since 2019.

"I am very much looking forward to taking on the role of Chair of the Thoroughbred Group," said Goff. "Racing and breeding obviously face significant challenges, and I believe we need to focus on our shared priorities going forward."

"The Thoroughbred Group needs to provide strong and united leadership. Alongside Britain's racecourses and the BHA, we must work together to find practical ways to help our great sport grow."

Goff brings decades of commercial experience to the Thoroughbred Group. As well as being a founding partner in bloodstock consultancy Blandford Bloodstock, he served on the Epsom Race Committee from 2004 to 2012 and was a director of The National Stud between 2012 and 2018.

The Thoroughbred Group membership comprises the Racehorse Owners Association (ROA), National Trainers Federation (NTF), Professional Jockeys Association (PJA), National Association of Racing Staff (NARS), and The Thoroughbred Breeders' Association (TBA). SEDGEFIELD RACECOURSE FINED AFTER JOCKEY TAKEN TO HOSPITAL IN HORSEBOX

Getty Images

Sedgefield Racecourse has been fined £6,500 after a jockey was taken to the hospital in a horsebox due to a lack of ambulance cover last March.

The unnamed rider suffered a fall in the fifth race at a meeting Mar. 19 that resulted in the jockey initially complaining of pain in his left collarbone. After assessment by the racecourse doctor, he was cleared to ride the following race, the final on the card, but afterwards reported increased pain and was given an analgesic.

The doctor later decided the best course of action was to send the rider to A&E, but all ambulance crews had left the track. The jockey reportedly was in too much pain to get into a car, and thus was taken to a hospital in the horsebox.

A British Horseracing Authority disciplinary panel found that Sedgefield had failed to comply with five "general instructions" which all racecourses need to meet under the rules of racing. Other breaches included a telephone line not working and "tired worn rooms not conveying of a clean clinical area".

After acknowledging its shortcomings that spring, an inspection of the venue the following April revealed noted improvements.

RUBAIYAT'S STUD FEE RAISED TO €8,500 FOR 2027

Rubaiyat | *Gestut Ohlerweiherhof*

The son of Areion has made an impressive start with his first crop of runners, recording a 45% winners-to-starters strike rate in Germany. His progeny have earned €234,200 in prize-money.

His first crop is headed by Mahasti (Ger), winner of the Listed Junioren-Preis at Hannover and a BBAG auction race at Baden-Baden. She subsequently finished runner-up in the G3 Preis der Winterkonigin. COMANCHE BRAVE LOOKS TO ADD TO DONNACHA O'BRIEN'S BREEDERS' CUP GLORY

Comanche Brave (centre) | *Alamy*

Globetrotting **Comanche Brave (Ire)** (Wootton Bassett {GB}) is set for a tilt at the GI Breeders' Cup Turf Sprint Saturday, Oct. 31 with trainer Donnacha O'Brien reportedly looking forward to the challenge of taking on G1 Nunthorpe Stakes hero Bacio (Maclean's Music) in his own backyard.

"Fair play to Wesley [Ward] for what he has achieved with Bacio in the summer," said O'Brien. "He's never afraid to travel them and him and his team have done a great job bringing the horse over to Europe and seeing what he did to the five-furlong horses over here was very impressive."

"Now it's our turn though to go over to his home turf and take him on, so we're looking forward to it."

A winner of back-to-back Group 1 contests in the lead-up to this Saturday's Turf Sprint, Comanche Brave's 2026 also included taking on Hong Kong superstar Ka Ying Rising at Sha Tin, where he finished fifth, and an unsuccessful attempt at the G1 Queen Elizabeth II Jubilee Stakes at Royal Ascot. He enters the World Championship race having soundly defeated a quality field in the G1 Betting Flying Five Stakes.

"It's been the plan to go to the Breeders' Cup since he won at the Curragh [in the Flying Five Stakes] and Billy [Loughnane] is going to ride him," said O'Brien. "We thought about running him in the Prix de l'Abbaye but in the end we decided to go straight to America. Everything has gone to plan, there has been no hold-ups and this has been his main target for a while."

"[The Breeders' Cup is] one of our big targets towards the end of the year and anything we have that we think can be competitive over there, we certainly try to plan towards it.

"It was nice to get the winner last year [with Balantina in the Juvenile Fillies Turf] and I have plenty of owners with horses in the yard who are based in America, so it was nice to show we can bring horses over to their big meetings and compete. It's an important meeting for us and we do focus on it quite a bit."

Illustriously-bred, the winner is out of a Listed-placed daughter of the Beverly D and Matriarch heroine Heat Haze (Green Desert). One of the plethora of stars produced by the operation's standard-setting broodmare Hasili (Kahyasi), she is responsible for the Group 1 winner Mirage Dancer by Nathaniel's rival and fellow Galileo-sired Frankel.

Julian Schnabel followed up victories at this venue and Dieppe with a fourth in this month's G3 Prix de Conde at Saint-Cloud and stepped forward to claim a career high in impressive style here.

Positioned back in fourth after breaking to the fore from the outside stall, the odds-on favourite was shaken up to join the front rank with a quarter-mile remaining and surged clear under urging inside the final furlong to easily outclass Coral Cove by daylight.

Julian Schnabel | *Scoop Dyga*

Julian Schnabel, who becomes his sire's 200th stakes winner, is the third of five foals and one of two scorers produced by the multiple Graded-winning GII Goldikova victrix Toinette (Scat Daddy).

Toinette, a daughter of the stakes-winning I Bet Toni Knows (Sunriver), is a half-sister to the dam of Listed Chelsey Flower runner-up Bella Knows (Kantharos), while I Bet Toni Knows is a half-sister to the dual stakes scorer Possessed (Posse).

The winner is half to a yearling colt by Paddington and a weanling filly by Siyouni.

Astonishingly, only one male was in the 13-strong line-up for this speed test and that was Karakoum (Thunder Moon) who beat only one of the fillies present led home by the maiden Amnesia. Runner-up to the Prix Eclipse-winning TDN Rising Star Primetime Emmy on debut at Deauville in July, the winner had been second again there in August before finishing sixth at Saint-Cloud last month.

Detached from the far-side group with the early pace proving hot, she stayed on strongly to deny the stand's-side "winner" Love A Giggle in the dying strides. "I trusted in her, we knew the quality she has had from the beginning," Yann Lerner said. "I wasn't really happy with the way it went last time and so today I told Ronan [Thomas] to leave her alone and let her accelerate."

Cont.

Amnesia and Thomas Ronan | *Scoop Dyga*

"She tends to do things a little too hastily and if we had let her gallop, we might as well have put it in the bin--she must be taught to race properly," he added. "She learned something again today and showed that she has talent. She'll leave for the stud on Tuesday to rest and we will try to prepare her for the Prix Sigy and Prix Texanita in the spring."

The winner is the second black-type performer for the dam alongside Bolshkinov (Camacho), who was second in this card's Prix Isonomy in 2022 before filling the same spot in the Prix Francois Boutin. A half to Camacho's Poule d'Essai des Pouliches heroine Teppal and the multiple Group-placed Another Party (Pomellato), she hails from the illustrious George Strawbridge family of Friendly Soul (Kingman) et al.

Gonzeville's yearling filly by Persian King was unsurprisingly bought by the Lerners for €40,000 at last week's Arqana Deauville October, while she also has a foal full-brother to the winner.

Darzakir, successful in two of four prior outings, backed up a wide-margin handicap triumph at Saint-Cloud earlier this month with a stakes breakthrough here.

Comfortable in a handy fifth until shuffled back to race last of eight rounding the home turn, he made smooth headway in the straight to launch his bid out wide approaching the final furlong and quickened smartly in the closing stages to deny the dead-heaters Blackclover and Lefteye in ultimately snug fashion.

Darzakir is the latest of six foals and one of five winners from as many runners produced by a daughter of G1 Prix de Diane and G1 Prix Vermeille heroine Daryaba (Night Shift).

Daryaba's quartet of black-type performers includes G1 Hong Kong Vase victrix Daryakana (Selkirk), herself the dam of seven black-type performers headed by the recently-retired dual G1 Arc hero Daryz (Sea The Stars) and G1 Prix Ganay-winning sire Dariyan (Shamardal).

BRODIE'S WISH (IRE) (f, 2, Dark Angel {Ire}--Tanita {GB}, by Frankel {GB}) settled fourth after breaking to the fore in this first go. Nudged along turning for home, the 12-5 second favourite made headway in the straight to gain an advantage passing the furlong pole and was pushed out to assert by 3/4-of-a-length from Capbeard Fal (Blackbeard).

Brodie's Wish is the second foal and scorer produced by a daughter of Shoal (Oasis Dream), herself a full-sister to six-time Group/Grade 1 heroine Midday.
