CLAIMING CROWN HISTORY COULD BE ETCHED IN 'CONCRETE'

Concrete Glory | *Ryan Thompson*

The Week in Review by T.D. Thornton

When entries for the Nov. 14 Claiming Crown came out this past weekend, one name stood out: Concrete Glory, who will be starting in his fourth consecutive edition of the $100,000 Ready's Rocket Express.

Should the 7-year-old gelding win that six-furlong sprint, he'll be the first Thoroughbred in the 28-year history of the "blue-collar Breeders' Cup" to notch three wins in three separate years of the series.

Four other horses have won two Claiming Crown races each. Only two others have made four starts in the series.

Although the Ready's Rocket Express isn't slotted as the feature and it doesn't carry the highest purse among the nine Claiming Crown races next Saturday at Churchill Downs, Concrete Glory, who will try to outjump the field from post 10, might as well be the poster child for the 2026 event.

This 18-6-2 sprinter with earnings of $598,884 gets in because he once--and only once--ran beneath the lifetime $8,000 claiming tag cutoff for that race (just one other Claiming Crown contest goes that low for eligibility).

Unlike many Claiming Crown entrants who have changed barns frequently via the selling ranks, that was the only time Concrete Glory was claimed in his 45-race career. ***Cont. p3***

TED NOFFEY FINE AFTER DWYER RETURN

Spendthrift Farm's **Ted Noffey** (Into Mischief) was reported to be in fine shape a day after suffering his first career loss in the Dwyer Stakes at Belmont Saturday. Last year's champion 2-year-old colt was making his first start since completing a four-for-four 2-year-old campaign with a win in the GI Breeders' Cup Juvenile last October.

"He came out of it great, no complaints this morning, ate up yesterday," said Stu Hampson, assistant to trainer Todd Pletcher. "He kind of ran like that [evenly], but then he galloped out in front of everybody and didn't want to get pulled up. Obviously, a lot of horses in there were in mid-season form. Tough race, some horses could really run in there, including Sea Strike and Stimulate, that's a salty group off a 13-month layoff. It was always going to be a tall task, but this morning he looked great and we are happy with the way he came out of it."

The Keeneland November Breeding Stock Sale continued with the first of two Book 4 sessions Sunday. A recap of the session begins on page 5. | *Keeneland*

5 | BLAME MARE LEADS KEENELAND NOVEMBER SUNDAY

Claiborne Farm made the highest bid of Sunday's sixth session of the Keeneland November Breeding Stock Sale, going to $240,000 for two-time stakes winner Hypersport (Blame).

1RR | DAUGHTER OF UNCLE MO TABBED 'RISING STAR' AT BELMONT

Klaravich Stable's Inflect (Uncle Mo) stormed to a 5 1/4-length maiden victory at Belmont Park Sunday, earning 'TDN Rising Star presented by Hagyard' status in her second trip to the post.

The Week in Review *(cont. from p1)*

When Saffie Joseph Jr. dropped the slip for $6,250 on behalf of Big Frank Stable at Gulfstream Park on Dec. 9, 2022, little did the trainer or owner know the all-or-nothing gelding who wired the field by 7 3/4 lengths that afternoon would turn out to be--nearly four years later--the bargain-priced gift that keeps on giving.

Concrete Glory's pedigree is a Classics-heavy paternal line (Bodemeister-Empire Maker-Unbridled) topping a more modest, speed-centric female family.

He definitely takes after his momma's lineage in terms of gun-from-the-gate grit and resiliency.

His dam, Take It Inside, was a New York-bred who compiled a durable record of 10-9-10 from 71 starts, competing for eight seasons in the 2010s.

She plugged along for nearly three years between her first and second victories on the mid-Atlantic circuit.

But later in her career, after she learned to find the winner's circle with a bit more regularity, Take It Inside won at Saratoga, stealing a state-bred turf allowance at 18-1 odds on closing weekend of the 2015 meet.

Big Frank Stables celebrates Concrete Glory's win in 2025 Ready's Rocket Express | *Coady Media*

Concrete Glory's maternal grandsire is Disco Rico, a blitzingly consistent Maryland-bred from 2 1/2 decades ago who won nine sprints (seven of them stakes) and finished out of the money only twice from 17 starts.

It's hard to say which was Disco Rico's more remarkable feat: that he cracked triple digits on the Beyer Speed Figure scale seven times (including a scorching 115 in a $54,000 stakes at Laurel in the winter of 2001), yet never won beyond the Grade III level, or that in every single one of his 17 sprints, he never failed to blast to the front by the backstretch point of call.

Bred by Bodemeister Syndicate and Kyle Horlacher, the Disco Rico--Take It Inside weanling hammered for $14,000 when consigned by Northview Stallion Station at the Fasig-Tipton Mid-Atlantic December Mixed Sale in 2019.

Even the moniker that original owner Carl Hess Jr. picked out sounded more workmanlike than regal: The word “concrete” connotes more of an overachieving claimer than a name that might get etched alongside those of legendary GI Kentucky Derby winners on a souvenir mint julep glass.

Racing at Arlington Park and Presque Isle Downs in the summer of 2021, the Pennsylvania-bred lost his first four races by a combined 72 3/4 lengths.

Concrete Glory ran last or next to it in three of those races, but theoretically, at least, was keeping good company. One of the maidens who dusted him at Presque Isle was Nobals (Noble Mission {GB}), who would go on to win the 2023 GI Breeders' Cup Turf Sprint.

Concrete Glory then began a pattern that has continued through his career: following up abysmal races with stunning form reversals.

In successive starts, he broke his maiden by 4 3/4 lengths at 23-1 odds when dropped in for a $20,000 tag at Presque Isle on Sept. 21, 2021, demolished an open allowance crew at Thistledown by 7 3/4 lengths, then crushed a Gulfstream optional claiming/starter-allowance field by 7 1/2 lengths.

Over the next year, Concrete Glory hit the road, alternating good and bad outings against minor stakes and allowance company, leading the field for as long as he could straight from the gate.

Concrete Glory had raced at Hawthorne, Mountaineer, Presque Isle, Penn National, Timonium and Pimlico, winning twice by the time he resurfaced back at Gulfstream for a $6,250 tag in December 2022.

The day Big Frank Stable claimed him out of his $6,250 claiming win, Concrete Glory was coming off a last-place drubbing against allowance sprinters in Baltimore in his only lifetime try on the turf.

Cont. p4

Following up that victory--and, more importantly, having become newly eligible for easy-pickings conditions--Concrete Glory looted the starter-allowance ranks at Gulfstream, Fair Grounds and Churchill, stockpiling nine wins in a span of two years for his new connections.

One of those scores was the 2024 edition of the Ready's Rocket Express, a 7 1/2-length wiring in which he earned a career-best 97 Beyer.

After that, Concrete Glory was tasked with tougher assignments.

He ran second in the $125,000 Gulfstream Park Sprint Stakes on Feb. 25, 2025, leading by four lengths deep into the stretch before getting collared by three-quarters of a length at the wire.

Then, after three months off, he was unprepared for the start, ducked in and was pulled up in the GIII Maryland Sprint Stakes on the GI Preakness Stakes undercard.

Three weeks later, in the GIII True North Stakes at Saratoga, Concrete Glory led under pressure to the quarter pole. He folded, finishing last behind Book'em Danno (Bucchero), who was on his way to being voted North America's champion male sprinter for 2025.

Underscoring that form fluctuation is the norm for him, Concrete Glory reverted to his winning ways.

On July 9, 2025, he took down a $100,000 optional claimer at Saratoga, leading at every call at 11-1 odds and earning a 96 Beyer.

Concrete Glory then parlayed that score into his second Claiming Crown tally, wiring the Nov. 15, 2025 running of the Ready's Rocket Express by a head as the .88-1 favorite.

Now it's nearly a year later and Concrete Glory will have handicappers wondering if he's lost a step at age seven as he attempts to win his third straight Claiming Crown race.

He started 2026 by wiring the $100,000 Pelican Stakes at Tampa Bay Downs, then running fourth, beaten only a length, in the $150,000 Army Mule Stakes at Gulfstream.

But his form has tailed off badly since then. He gave way to fourth in a restricted overnight stakes at Churchill Apr. 30 and ran seventh and last in a Gulfstream handicap on June 6.

Then, in an easier spot intended to be his prep for the Claiming Crown, Concrete Glory was eighth and last in an optional claimer/starter-allowance at Parx Sept. 19 on the GI Pennsylvania Derby undercard.

He lost those last three races by an aggregate 78 1/4 lengths.

Still, Concrete Glory will go into the gate on Saturday having won more races--18--than any other horse on the Claiming Crown card.

And at the time entries came out, the rugged gelding with the catch-me-if-you-can style also had the rare distinction of having more lifetime starts (45) than the 17-year-old apprentice jockey, Yomar Ortiz Jr., who will ride him (43).

Ted Noffey Fine After Dwyer Return

(cont. from p1)

Stimulate (Tapit) earned a 107 Beyer Speed Figure for his 7 1/2-length romp in the Dwyer--the first stakes win of his five-race career.

"That's pretty good," trainer Bill Mott said of the figure. "He looked pretty good this morning and I'm happy with him. I'm glad he did [perform like that] because I thought he might do that. I always thought he had that in him."

Mott said Stimulate will ship to Florida for the winter and aim for a 4-year-old campaign, bypassing late-season targets like the GII Cigar Mile and GI Malibu Stakes.

"I'm not going to California," Mott said. "He's going to Florida and has done enough. I think the [Cigar Mile] would be a lot for a 3-year-old to wheel back against [elders]. It's not necessary and we've got all next year."

Also doing well Sunday morning was **Sea Strike** (Midshipman), who closed from last to second in the Dwyer. The colt romped by 8 1/4 lengths in the Curlin Stakes at Saratoga and was making his first start since finishing sixth in the Aug. 29 GI Travers Stakes.

"He's doing good," Lee Vickers, assistant trainer to Chad Brown, said of Sea Strike Sunday. "I thought he ran a good race. I thought speed was holding well yesterday. I thought the winner had a better trip being closer to the pace, speed was really dominant yesterday. We were second best. I think being close to the pace was more in your favor yesterday."

$240K BLAME MARE ON TOP AS BOOK 4 OPENS AT KEENELAND NOVEMBER

by Jessica Martini

The Keeneland November Breeding Stock Sale entered its Book 4 section with the auction's sixth session Sunday. For the session, 264 horses grossed $9,962,200 for an average of $37,736 and a median of $29,000. With 65 horses reported not sold, the buy-back rate for the session was 19.76%.

"The market was good," said Walker Hancock of Claiborne Farm, which sold all 14 horses it sent through the ring Sunday and also purchased the session topper. "It's the same song and dance, if you had a young mare that wasn't exposed, with an early cover, you were going to do very well. We know how the market perceives these older mares that have had a few foals and maybe haven't hit the mark. Late covers are tough, as well. But the young mares with attractive covering sires sold very well."

The average (-7.88%) and median (-3.33) for Sunday's sixth session were down from the corresponding session at the record-setting 2025 auction and the buy-back rate was up. A year ago, 267 horses sold for $10,937,500. The average was $40,964 and the median was $30,000. The session's buy-back rate was 17.85%.

The sixth session in 2025 produced double-digit gains from the corresponding 2024 session, with the average up 14.7% and the median up 20.00%. The 2026 session average and median were both slightly ahead of the 2024 figures, when the session average was $35,713 and the median was $25,000.

"It's hard to have a record sale on top of a record sale," Hancock said. "To me, this is more in line with where the market should be. I think it's a very fair market. I think horses are bringing what they should, whereas last year, you could probably say horses were at a premium for whatever reason. Maybe it was the market dynamics at the time, but I think this is more of a fair market that we are working with this year."

Claiborne Farm made the highest purchase of Sunday's session, going to $240,000 to acquire the 7-year-old mare Hypersport (hip 2150), a daughter of the historic nursery's leading broodmare sire Blame. A two-time stakes winner, Hypersport sold in foal to Fierceness and was consigned by Taylor Made Sales Agency.

"Obviously, we are very partial to Blame," Hancock said. "I don't think you can have too many of them and we will continue to collect them when we see an opportunity. She's a Blame mare with some speed and black-type. That's what drew us to her."

Of the mare's price tag, Hancock said, "If she was in a different book, I don't know that she'd bring that much. But she was well spotted and, to me, she stood out today as a mare that had quality in this book. When you are spotted well, you usually get paid. It was probably a very fair price for her."

A colt by Yaupon was the highest-priced weanling at Sunday's session when selling for $180,000 to Clover Creek Racing.

Hypersport leaves the ring Sunday | *Keeneland*

Bred by Deann and Greg Baer and consigned by Scott Mallory, the weanling is out of War Tap (Tapit), a full-sister to stakes winner Siem Riep and a half to stakes winner Please Advise (Palace Malice).

Eighteen horses sold for six figures during Sunday's session. There were 20 who hit that mark a year ago.

Cumulatively, Keeneland has sold 1,302 horses through the ring at the November sale for a gross of $227,705,900, for an average of $174,889 and a median of $90,000. The average is up 7.81% from $162,219 a year ago and the median is down 10% from last year's figure of $100,000.

The Keeneland November sale continues through Wednesday with sessions beginning each day at 10 a.m. Keeneland will conduct a one-session November Horses of Racing Age Sale beginning at noon on Thursday.

INFLECT RUNS UP A STYLISH WIN AT SECOND-ASKING, EARNS 'RISING STAR' NOD

Inflect | *Coglianese*

Inflect (Uncle Mo) put on a show to break her maiden in the sixth race at Belmont Park and top a Klaravich Stables/Chad Brown exacta over her stablemate **Sellonthenews (GB)** (Lope de Vega {Ire}) en route to 'TDN Rising Star, presented by Hagyard' honors.

In no early rush on this stretch-out to a mile, she watched the action unfold from the back of the pack as a firster stepped out to lead the procession. Positions remained largely unchanged after a half-mile in :XX.XX, and Inflect steadily improved her position on the long final turn, poised to strike by the time they arrived at the head of affairs. Kicking into another gear midstretch as the cavalry charge got going behind her, she quickly distanced herself from the field to win with air to spare as the even-money favorite. Sellonthenews closed good ground late but there was no catching the victress. It was 51-1 longshot **Kindness Wins** (American Pharoah) who rounded out the trifecta.

Inflect debuted at this venue Sept. 18 and closed from 10th to claim third but beaten barely a length for it all going 6 1/2 furlongs. The winner that afternoon, Fiora (Into Mischief), turned around a race later to contest the 'Win and You're In' GII Miss Grillo Stakes.

The victress is out of a winning half-sister to MGISW Charlatan (Speightstown) and SW Hanalei Moon (Malibu Moon). She is the first to the races for Marceline (Into Mischief), whose youngest is a yearling filly by Munnings. She was bred to Twirling Candy for 2027. The second dam is MGSW & MGISP Authenticity (Quiet American), who ran third in the 2013 GI Breeders' Cup Distaff for trainer Todd Pletcher. She sold to Stonestreet for $1.2-million that year in the Fasig-Tipton November Sale.

7th-IND, $43.5k, Msw, 3yo/up, 1mT, 4:30p.m. ET

It isn't often that offspring from prized European families claim a Japanese sire while being foaled in Kentucky, but such is the situation for **Oh My Good Lord** (Lord Kanaloa {Jpn}) in this turf maiden at Horseshoe Indianapolis.

Out of Madonna (Ire) (Galileo {Ire}), a full-sister to European champion juvenile filly Maybe (Ire), the colt was a $375,000 pick-up at Keeneland September two years ago by West Point Thoroughbreds and has found himself in the barn of Cherie DeVaux.

His dam's aforementioned sister is the mother of dual Group 1 winner Saxon Warrior (Jpn) (Deep Impact {Jpn}) as well as G1SP-Fr Capability Brown (Ire) (Dubawi {Ire}).

Another full-sister to that pair is multiple Group 1-placed Promise to Be True (Ire). This is the immediate female family of G1 Epsom and G1 German Oaks victress Dancing Rain (Ire) and a host of elite-level performers in no less than four countries.

Oh My Good Lord is one of two firsters in this field, and will also face his experienced stablemate on the far outside--**Shuggy** (Twirling Candy), the grandson of Zenyatta via her daughter Zellda (Medaglia d'Oro). **TJCIS PPs**

Despite being the architect of his own gate issues, Jack Carson made his third trip to post against stakes company the luck one as he cruised to an easy victory over a short field.

A winner at first asking July 24 at this venue, he'd jumped in the local stakes scene on his second start and hit the board twice--Sept. 19 (running third) in the Henry Mercer Memorial Stakes behind returning Call Me Micky J, and last out Oct. 10 in the West Virginia Vincent Moscarelli Memorial Breeders' Classic. The trifecta here finished in the top three that afternoon, led once again by Call Me Micky J and with Dry Martini Again running third behind Jack Carson.

Despite being unable to get by Call Me Micky J on two prior occasions, the betting public's money went to the eventual winner to the tune of 3-5 favoritism. He gave them several moments to sweat behind the gate as he proved extremely reluctant to load and then broke outwardly into the middle of the track before quickly correcting himself in the run to the first turn. From there, the rivals locked horns and did not give each other peace until they swung off the bend with Jack Carson wrestling away the advantage. He widened his margin from there to win geared down by 9 1/2 lengths. Call Me Mickey J was well clear of Dry Martini Again in third.

The victor is the half-brother to Penn Oaks runner-up Alasaayil, who is a two-time winner producer as a broodmare. Jack Carson is the last registered offspring for their dam, who herself is out of a half to Group 1 winner Mujahid. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel Racing**.

ARRIVAL TIME (c, 2, Not This Time--Look Me Over, by Hard Spun) collected his second consecutive win here as an 8-1 shot via a track and pounce trip that gave him just enough distance on late closer Jaded (Olympiad) to win by a diminishing half-length. The Winchell Thoroughbreds colorbearer was last seen Oct. 18 breaking his maiden at Keeneland on the main after the race came off the turf. Before that he'd debuted Sept. 3 at Kentucky Downs and finished fifth.

The victor is the second winner to the races for Look me Over, a daughter of MGSW & GISP Wasted Tears (Najran)--thus making her a half-sister to champion juvenile colt MGISW Corniche (Quality Road). Arrival Time has a yearling half-sister by Into Mischief in the wings that is the last registered thus far. The dam was bred to Justify for 2027. JUST DEEDS (g, 3, Liam's Map--Pretty Greeley {SW & GSP, $306,695}, by Greeley's Conquest), a dominant debut winner at Horseshoe Indianapolis in August 2025, went to the sidelines following a runner-up effort in a Churchill allowance the following month. He returned nearly a year later to win a Charles Town allowance Aug. 28. The 10-1 shot zipped out to the early lead and was pressed through a quarter in :22.38 and a half in :45.96. The gray gelding determinedly held off Creole Chrome (Volatile) down the lane to win by one length. Pretty Greeley has a yearling colt by Maclean's Music and was bred back to Vekoma this year. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.** Lifetime Record: 4-3-1-0, $142,104.

SNEAKY GOOD (f, 3, Into Mischief--Gale {SW, $102,412}, by Tonalist), despite placing in three graded stakes this year, had not visited the winner's circle since kicking off her career with a 'TDN Rising Star, presented by Hagyard' nod on debut at Keeneland and a follow-up Sandpiper Stakes win at Tampa Bay last year at two. That changed Sunday.

Off at even money from the inside post, Sneaky Good took back well off the first quartet while in the clear behind :22.40 and :45.36 fractions up front. The bay edged closer along the rail on the turn, found a seam in the lane, and took command from the inside after hooking up briefly with Unfaithful Rose (Vino Rosso), who held for second, 1 1/4 lengths back at the wire.

HULLABALOO RAY RAY (c, 2, Jackie's Warrior--Applauding, by Congrats) is one of those hard-to-miss horses and there was no mistaking that face in the Sunday opener at Belmont Park.

Bet like he couldn't lose, the 'TDN Rising Star, presented by Hagyard' left the gates as the overwhelming 1-9 favorite for his third jump and made it look a gift.

Content to stalk the early pace set by **Its Saturday Night** (Mandaloun), the eye-catching chestnut was asked to improve his position after four panels in :46.81, and by the time they arrived at the head of affairs, he'd swept by the longtime leader to take command. Opening up with little urging from his pilot, Hullabaloo Ray Ray distanced himself from the short field to win with air to spare. Its Saturday Night held on for second.

The victor earned his 'Rising Star' moniker Oct. 10 when breaking his maiden over this main track. He'd previously debuted Sept. 7 at Saratoga and finished a well-beaten second to well-regarded Linda Rice firster Dargham (Army Mule). That first-time out performance was the subject of discussion in Steve Sherack's 'Second Chances' Series.

Hullabaloo Ray Ray is a half to Laughing Boy (Distorted Humor), SW, $586,642 and four other horses to get their picture taken. Their dam, a track-record setter at Keeneland in her own right, is herself a full-sister to the mother of MGISW Shedaresthedevil (Daredevil) and GISW Leading Change (Gun Runner) as well as SW-KSA & GSP Star of Wonder (Uncle Mo), all of whom were also named 'Rising Stars'. Applauding has produced six winners from seven to the races and the winner is her most recent to come of age. She has a 2026 full-sister to this winner in the wings and was bred to Golden Pal for 2027.

This is the immediate female family of MGISP Crafty C T (Crafty Prospector) as well as SW & MGSP Carmen's Baby (Iam the Iceman) and MGSP Starbase (Tale of the Cat). Drawing away from her competition, Dont Worry Bout It won by 10 3/4 lengths over Texas Splendor (Tapiture). Ears pricked on the turn as Might Could (Instagrand) drew close, Shelley B kicked clear down the lane as Just Peachy (Golden Pal) arrived on the scene and tried to reel her in, but the bay held sway over Just Peachy by a neck on the line at 4-1. FIFTH PEG (f, 2, Cairo Prince--Swap Shop, by Creative Cause) got the job done at fourth asking as an 11-1 shot here. Breaking well and immediately out to control the pace, the grey posted an opening quarter in :23.31 and a half in :48.35 while enjoying a clear advantage on her rivals. Still at the head of affairs as they spun into the lane, Fifth Peg had successfully denied the rally of one rival, but had to brace for fast-closing 44-1 longshot Smash the Tote (Volatile) late in the lane. Despite swapping back to her left lead in the final 50 yards, she held off that firster by a half-length on the wire. **Cont.**

The victress is a half to Bust Out (Complexity), SW & GSP, $186,981--the first to the races for Swap Shop, herself a half-sibling to GSW Dean martini (Cairo Prince). FLYING HAWLEY (f, 3, Curlin--Vault {GSW, $491,914}, by Jump Start) found no success in her three prior starts over the main track, but got the job done here on the synthetic as a 6-1 shot. Overcoming a slightly slow jump, she was content to watch the action from midpack as Hypnotica (Charlatan) led the tempo through :24.13 and a half-mile in :49.01. Four-wide turning for home, Flying Hawley steadily reeled in the leader and kicked on with it to win by 1 1/2 lengths. The victress is the first to the races for a graded winning dam that is a half-sister to GISW Mirth (Colonel John) and MSP Call Me Andy (Midshipman). Vault has a pair of colts in the wings--a yearling Into Mischief and a 2026 Nyquist. She went to McKinzie for 2027. This is the immediate female family of MSW & MGISP Copper State (Jump Start). MOTION N MISCHIEF (c, 2, Highly Motivated--Malaspina, by Speightstown) became the 13th winner for his freshman sire (by Into Mischief) with this debut Sunday. Fifth choice in the field of six at 5-1, Motion N Mischief broke sharpest of all before settling into a tracking spot off of Sign the Papers (Signature Red)'s :22.59 and :45.81 splits. Jockey Fraser Aebly shook the bay's reins a little leaving the turn and Motion N Mischief took command with ease before kicking clear for a 6 3/4-length triumph. Tailgate (McKinzie) passed Sign the Papers for second, 5 1/4 lengths better than the rest.

Motion N Mischief's dam hails from the same extended family as 2007 Canadian champion 3-year-old colt Alezzandro (High Yield). Her most recent foal is a yearling Point of Entry colt named Reckless Entry who sold at September's CTHS Yearling Sale, Ontario division, for C$8,000 to A. Gust/Bellwoods Farm. FOREVER YOUNG'S FINAL START TO BE THE TOKYO DAISHOTEN; WILL STAND AT SHADAI

Forever Young | *Sarah Andrew*

The final start for reigning Japanese Horse of the Year **Forever Young** will be the G1 Tokyo Daishoten on December 29, *NetKeiba* reported on Sunday. He will stand at Shadai Stallion Station next year.

A winner of his second G1 Saudi Cup and the GI Jockey Club Gold Cup this term, the son of Real Steel ran fifth defending his GI Breeders' Cup Classic title on Halloween.

Trainer Yoshito Yahagi told the publication, "He's still quarantined at Shirai, so we're just checking his condition after being released, but we're aiming for the Tokyo Daishoten. Then he'll be retired. If his condition doesn't improve even a little in the middle, or if I feel even a slight concern about his legs at any point, he will be retired.

"The owner's desire to show Japanese fans [the horse], and so are we and the stable. With all those earnings, it's not about money. If you want to use it with that feeling, that's the place [the Grand Prix]."

Just hours after it was revealed that the G1 Tokyo Daishoten will be the final race for the Japanese superstar, news emerged that Fujita revealed to *Sankei Sports* that Forever Young would stand at Shadai next year. **Cont. p3**

REPOLE RUNNER TAKES ROME GROUP RACE

American owner Mike Repole was represented by new group winner **Endo Ferrari** (Masar) during Champions Day in Rome on Sunday.

The homebred juvenile colt, trained by Endo Botti, delivered a four-length beating to his rivals in the €110,000 G3 Premio Guido e Alessandro Berardelli. **Livius** (Make Believe) was second, three lengths to the good of **Flower Of Cotay** (Cotai Glory) in the 1800-metre affair.

Repole picked up the winner's dam Ickworth (Iffraaj), carrying Endo Ferrari, for 40,000gns out of the Godolphin draft of the 2023 Tattersalls December Mares Sale. In the royal blue, she won her first two starts at two, including the Listed First Flier Stakes in Ireland.

A six-length winner at Milan in September, Endo Ferrari doubled up there to take the Listed Premio Campobello in October. He is now three-for-three in his young career. **Cont. p4**

Forever Young Cont. from p1

The five-year-old attracted interest from overseas breeders, Fujita noted, but he decided to stand the horse where his sire, Real Steel, grandsire, Deep Impact and great grandsire, Sunday Silence, were based.

Besides the G1 Tokyo Daishoten, the G1 Arima Kinen on turf was also under consideration for Fujita's star, but he, alongside Yahagi decided a finale on dirt better suited Forever Young.

"In the end, we had to choose between retiring or the Tokyo Daishoten," Fujita told *Sankei Sports*. "The details are as announced by Yahagi-sensei, but I hope Japanese fans will see Forever Young's final run."

A Horse of the Year, Champion Dirt Horse and Champion Older Horse in Japan, Forever Young was also the American champion older dirt male last year. Of his 17 starts so far, he has won 12 of them with one second and three thirds. The 2026 GI Breeders' Cup Classic was his first, and to date only, off-the-board performance.

The dual G1 Saudi Cup hero, Breeders' Cup Classic winner, GI Jockey Club Gold Cup victor and 2024 Tokyo Daishoten scorer has earned $32,523,590 from Japan to Dubai and beyond. Placed in the 2024 GI Kentucky Derby/Breeders' Cup Classic, he has also hit the board twice in the G1 Dubai World Cup.

Out of Forever Darling (Congrats), who won the GII Santa Ynez Stakes, the ¥98,000,000 JRHA Select Sale yearling is a half-brother to G3 Artemis Stakes heroine Brown Ratchet (Kizuna). Forever Darling is a half-sister to GI Alcibiades Stakes winner Heavenly Love (Malibu Moon), herself the dam of American champion Sierra Leone (Gun Runner).

GREEN IS THE COLOUR AT DEL MAR

In this series, the TDN takes a look at notable successes of European-based sires in North America. This week's column is highlighted by the win of Green Carrera in California. Cont. p5

Green Carrera | *Benoit Photo*

Lope De Vega Filly Lets It Ride

Green Carrera (Lope De Vega) dashed home to win the Let It Ride Stakes at Del Mar by a neck for trainer Leonard Powell on November 6 (video). In her American debut, she ran fourth in the GI Del Mar Oaks for former trainer Joseph O'Brien.

A silksbearer for Chivalry Thoroughbred Racing, Farfellow Farms and Rancho Temescal Thoroughbred Partners, the three-year-old filly was earning her first stakes victory. She had placed second in the Cairne Rouge Stakes at Killarney in July.

By Ballylinch's Lope De Vega, Green Carrera is one of 24 2026 stakes winners for the son of Shamardal through November 7. A staggering 59 of his progeny are stakes horses this year.

Of the stallion's 13 2026 group/graded scorers, three have arrived at the highest level in G1 Fillies' Mile heroine Musical Times, GI Jenny Wiley Stakes victress Expensive Queen, and the G1 Tattersalls Gold Cup hero Almaqam.

Like the G3 Al Kahil Trophy second and G2 Yorkshire Cup third Epic Poet, Green Carrera is out of a Lawman mare. Looking at Lope De Vega's entire stallion career, there are four stakes winners on that cross.

LAKE FOREST TO TAKE UP HONG KONG TEST

Lake Forest winning the Lennox Stakes | *Racingfotos.com*

Lake Forest, who ran with credit in the U.S. in his last two starts, will continue his international expedition in Hong Kong in December, according to trainer William Haggas. **Cont. p6**

Lake Forest Cont.

The son of No Nay Never, second in the GI Coolmore Turf Mile at Keeneland in October, ran third in the GI Breeders' Cup Mile on Halloween. Connections have circled the G1 Longines Hong Kong Mile at Sha Tin in December as his next target.

"He's back and cantered on Friday morning and we're looking at going to Hong Kong," Haggas said of the Golden Eagle winner. "He ran really well, he ran well in both races [in America]."

Owned by Ian McAleavy and Tony Boom, the chestnut is still hunting for his first Group 1 win.

Bloom's racing manager Sean Graham said, "He's finished third at a Breeders' Cup and shown he definitely gets a mile around a bend, even if a shorter trip might be best for him on a stiff, straighter track. He definitely deserves his place in these big races.

"He's a tough horse who has only been out of the prize-money once in seven runs this year. He always picks up a pay-cheque and is just a fabulous horse. As long as he comes out of America fine we'll take him to the Far East."

DEREK O'CONNOR RETIRES AT 43

Derek O'Connor | *Racingfotos.com*

Talented amateur rider Derek O'Connor has announced his retirement from the saddle at Naas on Sunday.

Willie Mullins led the tributes to O'Connor, who won the point-to-point championship in Ireland 12 times including his final title in May of this year.

The 43-year-old rode over 1,400 winners between the flags and also was aboard six Cheltenham Festival winners between 2011 and 2024. He also rode Edwulf (Kayf Tara) to victory in the Irish Gold Cup for Joseph O'Brien.

Mullins, a leading amateur rider himself, said, "He's a legend in the game. It's a fantastic achievement to retire in one piece and still riding at the top of his game. He'll be missed in point-to-points. He's a tremendous rider, a tremendous horseman and a jockey when he needed to be.

"Watching round Derek go round a point-to-point field or in a chase, where horses needed to be guided around and presented at fences, any young rider should be watching him. Sadly they won't be able to watch him any more, but he's had a tremendous innings and I congratulate him on a huge number of winners."

O'Connor rode four Cheltenham Festival winners for NH owner JP McManus--Corbetts Cross (Gamut) and Minella Rocco (Shirocco) in the National Hunt Chase, and Inothewayurthinkin (Walk In The Park) and Any Second Now (Oscar) in the Kim Muir. In addition, he rode another National Hunt Chase winner in Chicago Grey (Luso), with Zemsky (Presenting) in the Hunters' Chase completing the six.

Added Ruby Walsh on Racing TV, "He [O'Connor] was a phenomenal amateur but he made riding horses look really easy and it is not easy.

"He rode plenty of big winners. He was an incredible horseman and for me he made everything look incredibly easy and that is what made him so good to watch.

"An incredible jockey and it was great to see him last so long but stop when he wanted to stop and do what he wants to do."

O'Connor will continue to expand his training business, having taken out a licence this season with a focus on pointers and runners under Rules.
