TATTERSALLS DECEMBER MARES SALE 30 Nov – 2 Dec 2026
SCEPTRE SESSIONS for ELITE FILLIES & BROODMARES

GODOLPHIN LAND 1 MILLION GNS FRANKEL FILLY AT TATTERSALLS

By Brian Sheerin

TATTERSALLS, UK--Godolphin adjusted its buying strategy during Friday's session of the December Foal Sale by spending 2,550,000gns on three foals solely online, headed by the 1,000,000gns sale-topping Frankel filly from Kellsgrange Stud.

The Frankel filly was bred by Brendan Hayes of Cotton House Bloodstock and became only the 10th foal in the history of this sale to clear seven figures. She hails from the hugely influential Kilfrush Stud family of Mill Princess, which Hayes has successfully nurtured for generations. A spotlight was once again cast onto the family this season when Ten Bob Tony (Night Of Thunder) landed the G1 Queen Anne Stakes at Royal Ascot.

Tattersalls report cont. from p1

Ten Bob Tony is out of Hug (Dark Angel), a half-sister to this filly's dam Besotted (Dutch Art). Hug's colt foal by Little Big Bear was the preceding lot in the ring [970] and sold for 120,000gns to Tally-Ho Stud, capping a memorable day all round for the Hayes family.

Hayes said, "It's a lot of money. We've never [sold a seven-figure foal] before and we've had some nice foals here. But that was phenomenal. We had so many players there. There was [Ibrahim] Araci, Juddmonte, Mark McStay--I don't want to forget anybody now. We've had this family forever. We bought [third dam] Mill Princess in 1977. It's amazing."

Hayes and his wife Anne-Marie have three daughters of granddam Tender Is Thenight at their farm, with Besotted being joined by the aforementioned Hug as well as Lights Out (Make Believe).

He continued, "The filly was very like her mother. And her mother is a little different to the others because she's by Dutch Art and a lot of them are dark bays and browns in that family, and she's a chestnut, which is a little unusual in the family. But she's establishing a new wing in the pedigree, if you like, because Immortal Verse and Beauty Is Truth have been the big ones on the racetrack to date. So, we'll see. Hopefully, we can get one of them to move up and take a place like that."

Reflecting on a stellar year on the track as the breeder of Blue Bolt (Blue Point), as well as Ten Bob Tony, he added, "Why does it happen? You just don't know, do you? It just happens. You just keep throwing darts at the wall and sometimes they stick."

Andy Lloyd (left) of Hunscote Stud | *Tattersalls*

Tattersalls report cont.

Godolphin's clicking was completed on a Wootton Bassett colt from Jenny Norris for 850,000gns and a Night Of Thunder colt from Brian O'Rourke for 700,000gns.

The Wootton Bassett became the fifth offspring of Archangel Gabriel (Arch) to fetch six figures in the ring at the Tattersalls Foal Sale, with the others including the Frankel filly Pearlington, who sold for 700,000gns two years ago. She is now in training with Ralph Beckett.

Andy Lloyd, who manages Hunscote Stud for breeder Steven Smith, said, "We're thrilled to bits with that. He's a cracking colt. We've loved him from day one. There's not been a blip with him all the way through and I'm very confident that he'll be a good racehorse when that time comes."

He added of the 13-year-old Archangel Gabriel, who is in foal to Sioux Nation and believed to be carrying a filly, "She's an amazing broodmare. We've obviously had a lot of success with her down the years. It's a big statement but I think this is probably the best one."

The colt was consigned for Hunscote Stud by Norris, who was also responsible for selling his half-sister, the Group 3 winner Ville De Grace (Le Havre), for 2 million gns at the December Mares Sale four years ago.

Lloyd said, "Jenny's done a great job for us all the way through, on all the horses that she's had, and this one I think she particularly liked. She does a great job and I wouldn't swap her for anyone."

All told, there were 21 horses sold for 300,000gns or more on Friday as the top remained stronger than ever. While all of the major figures were up on the day, trade wasn't entirely straightforward, which was illustrated by the 28% rise in withdrawn horses [74]. For six more horses offered compared to 12 months ago, a turnover of 27,110,000gns was recorded, which represented a good 16% jump. The median was up a massive 44% to 115,000gns, while the average climbed 25% to 154,914gns. The clearance rate was down 8% to 79%.

O'Rourke provides perfect tonic for Nielsen

Brian O'Rourke marked his debut consigning at this sale by netting 1,160,000gns for three foals--including 1,070,000gns on colts by Blue Point and Night Of Thunder, who were bred by Bjorn Nielsen. The Night Of Thunder colt is a half-brother to Group 1 scorer El Cordobes (Frankel) and sold to Godolphin for 700,000gns, while Dynasty Bloodstock signed for the Blue Point.

O'Rourke said, "The pair are both bred by Bjorn Nielsen and from branches of the same family. There's a lot of work involved in producing these horses--a lot of people. We just get to prep them for the last six weeks and it is a huge team effort. The Night Of Thunder colt is a May foal so the mare is empty--I think the plan is to go back to Frankel."

O'Rourke added, "Sadly, Bjorn is not here--he had some oysters last night and they have not settled too well on his stomach!"

Frankel colt to Fellowes and Douglass for 650k

Trainer Charlie Fellowes has a well-bred Frankel colt to look forward to further down the line after bloodstock agent Will Douglass went to 650,000gns on lot 886 from West Blagdon Stud. The Frankel colt, a son of dual Listed scorer Doom (Dubawi), was bought on behalf of British owner Paul Hickman.

Douglas explained, "We just thought he is an outstanding horse, by an outstanding stallion, from an outstanding breeder. He is for a guy who is building a boutique operation of really nice colts and fillies--the racehorses are in training with Charlie, which is exciting."

Charlie Fellowes added, "Paul has been a big supporter of mine for a long time and we had a winner at Wolverhampton a couple of days ago--a nice one by Starspangledbanner. We tried to buy a few Frankels at the yearling sales, but the market was so strong we couldn't get near them, so he said, 'Let's have a look at some foals.' We had a pretty small shortlist, but he was pretty much number one on it."

Araci adds two well-bred foals to the team

Off the back of a dream year on the track with Group 1 heroine Libertango (No Nay Never) and GI Saratoga Derby scorer Glacius (Too Darn Hot), Ibrahim Araci returned to the foal market to spend 620,000gns on two foals. The Turkish-born owner will be hoping to have sniffed out the next Glacius after going to 450,000gns on a Too Darn Hot half-brother to G1 Middle Park Stakes winner Orthodox from Whitsbury Manor Stud. Meanwhile, his spend was completed on a No Nay Never filly for 170,000gns.

"The Too Darn Hot colt is from a wonderful family and, obviously, Orthodox is a pretty substantial update to the page this year," said Araci's agent, Rob Speers. **Cont. p6**

Tattersalls report cont.

He continued, "We liked him right from the off. We actually tried to buy a couple of other foals earlier, but we just fell short and this horse was one of the last ones left on the list. Mr Araci was very keen to secure him. Too Darn Hot has been successful for us this year with our homebred Glacius winning the Saratoga Derby and he will become a stallion for us at some point in time."

Speers added, "Hopefully this horse, being a brother to this year's Middle Park winner, can follow in the footsteps in a couple of years' time. This foal has everything ahead of him. He's been bought to race and that gives us maybe an extra couple of bids over the pinhookers. The mare has proven she can do it. The colt will come back to Old Mill Stud from here."

Araci went on to play a big part in the bidding of the top lot. In actual fact, he bid 1 million gns to the auctioneer in the ring. However, the winning bid had been placed fractionally ahead of Araci's 1 million gns bid, and he decided against going again.

Subplots

The clue is in the name: an air of mystique surrounds the identity of the people or person behind WT Bloodstock, with that unnamed entity responsible for a 1,875,000gns spend on seven foals so far this week. Similar to Godolphin, all of WT Bloodstock's business was done online. The outfit spent 1,675,000gns on six foals on Friday, headed by the 500,000gns Frankel filly from Branton Court Stud. The clue, of course, could well be in the name. It shouldn't take the clever people in the class long to figure out what WT could stand for. **Cont. p7**

Lot 901, the Sioux Nation filly from Plantation Stud | *Tattersalls*

Collector's item for Lascelles: Henry Lascelles, who buys mostly at the top level for Lady Bamford, spent 925,000gns on two well-bred fillies. The 475,000gns Sioux Nation filly, in particular, has collector's item written all over her given her granddam, Date With Destiny, is by George Washington and has already produced a classy performer in 2,000 Guineas third Distant Storm (Night Of Thunder). She was sold by Plantation Stud, while the 450,000gns Lope De Vega filly was offered by Ballylinch Stud.

Ace Stud return to proven path to glory: Ace Stud enjoyed huge success with the sadly ill-fated Night Of Thunder colt Gewan, who was crowned champion two-year-old last year. The powerful outfit returned to the source of that success by spending 525,000gns on a colt by the sire-on-fire from Barton Stud.

The outfit's Paul Curran said, "Lovely colt. Thought he was as good a mover as we've seen all week. What else can you say about the sire that hasn't already been said? This colt has a very deep Aga Khan pedigree and we thought he made a lot of sense. There is a premium on these Night Of Thunders and to be able to buy such a nice model by the sire is very pleasing. Delighted to get him and, please God, he will race in our colours in time."

Sweeney as strong as ever for Japan: Harry Sweeney was the leading buyer at this sale last year when spending 1,585,000gns on 12 foals--and the Japanese-based Irishman has been similarly strong this week by spending 1,137,000gns on 10 foals. Sweeney has mostly added colts to his team and the spend was headed by a 250,000gns Too Darn Hot colt from Ballybin Stud. **Cont. p8**

Thought for the Day

The rumour mill was running riot on Friday about the identity of the person or people behind WT Bloodstock. Although nothing was confirmed, the suggestion is that the buyer has the potential to be very big, which could be good news for the industry.

Japan Cup preview cont. from p1

With the addition of **Ombudsman** (Night Of Thunder), however, recently crowned Europe's Horse of the Year at the Cartier Racing Awards, having won three Group 1 races already this season, the 2026 Japan Cup has gained another layer of intrigue, such is the alien test that it provides the Godolphin heavyweight.

Ombudsman: heads an 18-strong field for the Japan Cup
Racingfotos.com

Supreme over 2,000 metres, Ombudsman must now demonstrate that he possesses the versatility to go with his irrepressible talent when he steps up to 2,400 metres for the first time on Sunday, the final start of his illustrious career.

With 17 top-class rivals standing in his way, make no mistake, Ombudsman will need to be at his very best if he's to bow out in style.

"Of course, it's an unknown for him," jockey William Buick said of the new distance that the partnership must negotiate in its search for a sixth top-level success together. "But I think it's a good track for him. Tokyo Racecourse is a beautiful, fair track. The ground should be firm, which will suit him, and I think he's the kind of horse who could stay. He relaxes very well in his races, so he should give himself every chance to stay the extra distance."

For John Gosden, who trains Ombudsman in partnership with son Thady, there was a sense of regret when speaking to the media earlier this week that this was his first time experiencing the delights of Tokyo in person. **Cont. p10**

He added, "I am so impressed with the quarantine facilities and the track. I think it's the best I've ever seen in the world, so I should have come here earlier than at this stage of my life."

As for the man responsible for training potentially the biggest danger to Ombudsman on Sunday, Francis Graffard is following a tried-and-tested path with his beloved **Calandagan** (Gleneagles), who was named Longines World's Best Racehorse for 2025 after his victory 12 months ago when becoming the first European-trained winner of the Japan Cup for 20 years.

In 2026, Calandagan has followed an identical race programme to that which led him to that famous Tokyo triumph, albeit the returns this season haven't been quite so bountiful as when crowned Cartier Horse of the Year himself in 2025. Crucially, he was comprehensively beaten by Ombudsman when trying to defend his Champion Stakes title last time.

The previous year, following Calandagan's two-and-a-quarter-length defeat of Ombudsman at Ascot, the Champion Stakes was named alongside the Japan Cup as the Longines World's Best Horse Race Award was shared for the first time in its history.

"Obviously, he knows the place very well," said Graffard, who also saddles the three-time Group 1 winner **Goliath** (Adlerflug). "We have been very happy with the condition of the horse since he arrived. I think he's ready, mentally and physically, for Sunday. He's in very good shape and he will defend his title as best he can.

Calandagan winning last year's Japan Cup from Masquerade Ball
Japan Racing Association

"Last year was just incredible--we were over the moon. It has always been in the back of our minds to come back to Japan to try and do it again. It was very hard last year and I think this year is going to be very hard, too. But it's very good for the racing fans to be able to see him again this year. We'll try to do something that is nearly impossible to do."

Calandagan will attempt to become the third dual winner of the Japan Cup after Gentildonna (2012 and 2013) and Almond Eye (2018 and 2020), with his thrilling victory last year being achieved by a head from **Masquerade Ball** (Duramente).

This has so far been a season to forget for Masquerade Ball, who finished well held when becoming a rare Japanese-trained runner in the King George VI and Queen Elizabeth Stakes at Ascot in July, before having no luck when finishing 11th in the Tenno Sho (Autumn) at this course last time.

"In the Tenno Sho, he was calm and in good shape, but he couldn't get a good trip," said trainer Takahisa Tezuka. "In the home straight, he had a wall in front. He came out of the race well and has been getting regular work. I can't say I'm confident but, if the race favours late speed, I think he has a chance."

Calandagan and Masquerade Ball were followed home last year by **Danon Decile** (Epiphaneia) and **Croix du Nord** (Kitasan Black), the winners of the Tokyo Yushun (Japanese Derby) in 2024 and 2025, respectively.

Danon Decile, who also beat Calandagan when winning last year's Dubai Sheema Classic at Meydan, is arguably the form pick among the 12 locally-trained runners scheduled to go to post on Sunday, having rediscovering the winning thread with a decisive victory in the Tenno Sho (Autumn).

"I think it was a very good race [the Tenno Sho] and he came out of the race well," said trainer Shogo Yasuda. "There was some fatigue afterwards, but nothing that required much care, so we turned our sights here. Again, I want to focus on keeping him in a good frame of mind. This time the starting gate will be in front of the grandstand. The warm-up canter to the holding area could cause him to get worked up."

Croix du Nord, meanwhile, passed the post four and a half lengths behind Danon Decile when finishing fifth in the Tenno Sho (Autumn) last time. The son of Kitasan Black had been a model of consistency in three previous starts in 2026, notably winning the Osaka Hai and Tenno Sho (Spring), before being beaten just a neck behind **Meisho Tabaru** (Gold Ship) in the Takarazuka Kinen.

He is trained by Takashi Saito, who said, "His inside draw in the Tenno Sho (Autumn) worked against him and he wasn't able to make a move when needed. It was a very difficult race for any horse running from further back than 10th position. He came out of the race well, so we set our sights on here. It's a privilege to be competing against the world's best while here in Japan. We don't want to be outdone, so we're going to give it our all."

Meisho Tabaru needs to bounce back on his return to home soil, having finished only 14th in the Prix de l'Arc de Triomphe when last seen. Similarly underwhelming at ParisLongchamp was **Minnie Hauk** (Frankel), but she showed that running to be all wrong when turned out just 13 days later to win the British Champions Fillies & Mares Stakes at Ascot. **Cont. p11**

Japan Cup preview cont.

A four-time Group 1 heroine, the daughter of Frankel will become trainer Aidan O'Brien's 29th Group/Grade 1 winner of 2026 if successful on Sunday, breaking the record he first set himself in 2017.

Minnie Hauk has been joined on the journey from Ireland by last year's Breeders' Cup Turf scorer **Ethical Diamond** (Awtaad) while, as if there wasn't enough international intrigue, **Teao** (Ya Primo) is also in there flying the Chilean flag. A four-time Group 1 winner in South America, the four-year-old will be having his first start for American trainer John Sadler. Certainly, this is no ordinary year.

So, for viewers in Britain and Ireland, be sure to tune in to *Racing TV* on Sunday morning, with the 18 runners for the Japan Cup set to do battle against that wonderful backdrop at around 6.40am.

FRANKEL FOAL SHARE AND BLUE POINT NOMINATION AMONG AUCTION LOTS TO SUPPORT MILLIE PLUMMER

Millie Plummer

A foal share opportunity to Juddmonte's Frankel and a nomination to Darley stallion Blue Point are among the lots to be auctioned as the bloodstock community rallies around a fundraising drive for Millie Plummer, who suffered life-changing injuries following an accident on holiday in September.

The 21-year-old daughter of leading pre-trainer and breeze-up consignor Malcolm Bastard and Fiona Plummer remains in the Chelsea and Westminster Hospital in London having been repatriated from Ibiza after fracturing her C5 vertebra, which has left her quadriplegic.

Uniquely, the foal share to Frankel will entitle the successful bidder to 70% ownership of the resultant foal, with Juddmonte owning the other 30%. The mare must be presented to the stallion in the 2027 Northern Hemisphere covering season, and the resultant offspring will be sold either as a foal or a yearling at public auction in Britain, Ireland or France, with the net proceeds of the sale to be divided 70% to the breeder and 30% to Juddmonte.

William Haggas, in association with Ted and Gaynor Voute, Simon Marsh, Andrew Bedford, Chris and Annie Richardson, John Gosden and Rachel Hood, is helping to coordinate the fundraising initiative.

This will include a week-long Tattersalls Online auction of nominations, while the Blue Point nomination and Frankel foal share are to be auctioned separately in the ring at Tattersalls ahead of the start of the Sceptre Sessions at the December Mares Sale on Tuesday.

"We decided to get together to try to raise some money and stallion owners are always very generous," said Haggas.

"The breeding experts among our committee think that the Frankel foal share opportunity is a very appealing deal for somebody. The online auction of nominations will run through the whole week from Monday, November 30 to 5pm on Monday, December 7 to cover the breeding stock sales at Tattersalls and Arqana."

Further details of the Tattersalls Online auction will be announced in the coming days, but nominations already confirmed include the stallions Baaeed, Too Darn Hot, Vandeek, Showcasing, Nathaniel, Kind Of Blue, Mehmas, Mishriff, Make Believe, Sajir and Space Blues.

Full terms and conditions of the Frankel foal share agreement are available on request through the Juddmonte nominations team on +44 (0)1638 731115 or email nominations@juddmonte.co.uk.

LAMBOURN SOLD TO CONTINUE RACING CAREER IN SCANDINAVIA

Dual Derby winner **Lambourn** arrived at the Fredensborg base of prominent Danish owner Flemming Velin on Friday, with Coolmore confirming to *TDN Europe* that the son of Australia has been sold in a private deal.

Last seen finishing fourth in the G1 Bahrain International Trophy, Lambourn departs Ballydoyle as the winner of six of his 16 starts, notably having won last year's Derby at Epsom by nearly four lengths, before following up in the Irish equivalent at the Curragh. At four, he returned to Chester May's Festival to win the G2 Huxley Stakes, having also won the G3 Chester Vase at that meeting 12 months earlier, while his other efforts at the top level included a fourth-place finish in July's King George VI and Queen Elizabeth Stakes at Ascot.

Velin told *GalopSport* on Friday, "Many people will probably wonder how it is possible to buy a dual Derby winner for Denmark, but I think it is probably because Coolmore already has so many stallions with pedigrees that are easier to market internationally than a son of Australia."

"He undoubtedly has an interesting dam line," Velin added of Lambourn, who is out of the G2 Queen Mary Stakes runner-up Gossamer Wings (Scat Daddy).

"Lambourn, his sire Australia and his grandsire Galileo are members of an exclusive club of only 20 horses that have won both the Derby and the Irish Derby since 1907. It makes you quite dizzy when you look at that list."

Velin is set to stand the former Ballydoyle inmates Delano Roosevelt and Courage Under Fire at York Stutteri in Horsholm for the 2027 breeding season. It was reported that Lambourn will continue racing in Scandinavia next year, with a decision about his future stallion career to be made at a later date.

CLASSY JUVENILE VIGNELLI JOINS CAST FOR ARQANA VENTE D'ELEVAGE

Vignelli | *Scoop Dyga*

The Listed-winning two-year-old **Vignelli** has been added to the catalogue for the Arqana Vente d'Elevage. The son of Siyouni will be consigned by Francis-Henri Graffard during the opening evening of the sale on Saturday, December 5.

A debut winner over 1,200 metres at Saint-Cloud back in May, Vignelli later doubled his career tally over the same course and distance in September, before finishing fourth in the G2 Criterium de Maisons-Laffitte at Chantilly the following month. He was last seen making his black-type breakthrough with a narrow win in the Prix Zeddaan at Deauville later in October, digging deep to get the verdict by a nose from Roszal (Zelzal).

Rated 99, Vignelli is out of the Galileo mare C'Est Ca, a full-sister to the Listed Naas Oaks Trial scorer Key To My Heart. His second dam is the GI Frizette Stakes heroine A Z Warrior (Bernardini), a half-sister to the GII Summertime Oaks winner Jojo Warrior (Pioneerof the Nile).

LAWS OF INDICES TO STAND IN FRANCE IN 2027

G1 Prix Jean Prat winner **Laws Of Indices** has been relocated ahead of the 2027 covering season to stand in France at Haras du Taillis. The son of Power will be under the management of Bernhard Wenger in a deal facilitated by Richard Venn and Paola Beacco.

Laws Of Indices, who stood his first two seasons at Kiltown Stud in County Kilkenny and was trained initially in Ireland by Ken Condon before racing on in Australia, ran in 16 Group 1 contests. In addition to his Prix Jean Prat success, he also won the G2 Railway Stakes at two. **Cont. p13**

Laws Of Indices cont.

Representing the Laws Of Indices Syndicate, Fearghal Hogan said, "There is no doubt that Laws Of Indices has passed his exceptional looks and physical attributes on to his progeny, which were very well received at the recent Goffs foal sale.

"We are very much looking forward to the 2027 season, confident that his stock will tick all the boxes for French breeders. We will continue our support as owners, both in the sales ring and when his progeny hit the racetrack in 2028."

Bernhard Wenger added, "I am very much looking forward to standing Laws Of Indices for his enthusiastic syndicate. He was a good winner of the Jean Prat and also finished third in the Prix Jean-Luc Lagardere as a two-year-old. He is a good-looking horse, which he seems to be passing on to his progeny."

Laws Of Indices will stand at a fee of €3,000 on Live Foal terms, with a limited number of breeding rights also available.

Last term's G3 Cornwallis victor Beckford's Folly had failed to fire in two starts this term but rediscovered his old sparkle to secure a second stakes victory here.

Chasing the leaders in fourth through halfway, the 5-1 chance made headway in the straight to gain an advantage approaching the final furlong and was driven out in the closing stages to hold the late threat of Montassib by 1 1/4 lengths.

Beckford's Folly, one of his sire's 75 black-type winners, is the second of five foals and one of two scorers produced by G3 Prix Bertrand de Tarragon victrix Fonthill Abbey (Dubawi), herself out of an unraced three-parts sister to the dual Group 1-winning sire Teofilo (Galileo).

GRACIOUS GIFT (GB) (f, 2, Dubawi {Ire}--Pure Diamond {GB} {SW-UAE}, by Street Cry {Ire}), second at Great Yarmouth and sixth at Newmarket in July, tracked the leaders in fourth for the most part here. Gracious Gift is the sixth of seven foals and fifth scorer from as many runners produced by Listed Meydan Classic victrix Pure Diamond (Street Cry), herself a daughter of G3 Prix Miesque-winning G1 Preis der Diana and G2 German 1,000 Guineas runner-up White Rose (Platini).

RAZIYYA (IRE) (f, 2, Kodiac {GB}--Star Of Kings {GB}, by Sea The Stars {Ire}) tracked the leader in second after the initial strides of this debut. Scrubbed along in early straight, the 9-1 chance slipped to third approaching the final furlong and found plenty under a late rally to deny Bedouin Star (Starman) by a half-length in the dying strides.

"Robson [De Aguiar] said Raziyya might be slowly away, which she was, but she was quickly into stride and I was able to get a good pitch on her," explained winning rider Donagh O'Connor. "I filled her all the way into the straight and, while it took a little while for the penny to drop, I really liked the way she hit the line. She has a bit of scope. I think she will improve and seven [furlongs] could definitely be an option."

DETECTIVES RECOVER PART OF MELBOURNE CUP TROPHY FOLLOWING FLEMINGTON THEFT

Following the search of a property in Elsternwick, Melbourne on Thursday, detectives have recovered part of the 2003 Melbourne Cup won by Makybe Diva, one of three such trophies reported as stolen from Flemington Racecourse on Monday, November 16.

Victoria Police also seized approximately two kilograms of melted gold from the property, which will now be analysed as part of the ongoing investigation.

Meanwhile, a separate discovery of melted gold at an address in inner Melbourne is believed to be the stolen 1948 Caulfield Cup, which went missing from Caulfield Racecourse between November 4 and 11. The trophy had allegedly been sold to a third party.

The Melbourne Racing Club (MRC), which manages Caulfield Racecourse, said that it was "devastated" by the news that the trophies--including each of the three Melbourne Cups won by Makybe Diva between 2003 and 2005--had potentially been damaged or destroyed.

"This is terrible news," read a statement issued by the MRC on Friday. "Those trophies are an important part of Australia's sporting history and are irreplaceable. Their loss will be felt across the Australian sporting and racing communities."

Two men were charged by police last week and will appear in court early next year following the alleged heists that took place during Melbourne's Spring Carnival.

MCPEEK'S 'RISING STARS' COULD RULE CHURCHILL ON GRADED SATURDAY

Coach Pope with Danny Ramsey at Keeneland | *Sarah Andrew*

by J.N. Campbell

Saturday's graded racing offers a diverse number of options from dirt to turf across the U.S., but juveniles are the ones who will take center stage in the GII Kentucky Jockey Club Stakes and in the GII Fasig-Tipton Golden Rod Stakes at Churchill Downs--both offer respective points on the Derby and Oaks trails.

In the Kentucky Jockey Club, 'TDN Rising Star, presented by Hagyard,' **Coach Pope** (Tapit) has the look of a deserving favorite after the blue chip--named for the UK Basketball coach--won the GI Claiborne Breeders' Futurity and finished fourth in the recent GI FanDuel Breeders' Cup Juvenile at Keeneland.

The last time trainer Kenny McPeek put the colt on the dirt under the TwinSpires the bay responded with a 12 1/2-length romp in what was his second career race Sept. 12.

“He’s [Coach Pope] still learning. He seems to do his best running in the middle of the race right now,” McPeek said. “Manny’s [Esquivel] been getting him in behind horses in the mornings so he can get used to taking dirt and learn to relax. He’s one for one at Churchill. This is a good race to win but it’s also a good opportunity to get him ready for some of the big races next year.”

BETTER START, BETTER FINISH: BRACKET BUSTER RUNS DOWN CALDERA TO WIN THE CLARK *by Stefanie Grimm*

After losing all chance at the gate when he missed the break in last month's GI Breeders' Cup Dirt Mile, Bracket Buster (Vekoma) got things back on track Friday, running down pacesetter Caldera (Liam's Map) to win the GII Clark Handicap at Churchill Downs.

Drawn outside here for trainer Vicki Oliver, the 6-1 shot came into the Breeders' Cup off a dominating 15-length win in the West Virginia Governor's Stakes at Mountaineer in August and a second in the Parx Dirt Mile in September. Away in much better order Friday, Bracket Buster had enough early speed to sprint with the top half of the field but none faster than Caldera who rocketed out of stall 7 to assume the front with a lap to run.

Graded Preview cont.

The speedy **Staunch** (Liam's Map) has the trapping skills to make things interesting. The Brendan Walsh trainee posted a 90 Beyer when he missed by a neck in the GIII Street Sense Stakes.

In what looks to be a capacity field, other colts who will need to raise their class games are: SW **Just for Pipa** (Justify), **Fools Rush In** (Into Mischief) and **Showa** (Constitution).

McPeek could celebrate a graded Churchill double on Saturday if newly minted 'TDN Rising Star, presented by Hagyard,' **Tiger Baby** (Plainsman) or **Juana Margarita** (Greatest Honour) takes the Golden Rod.

According to Shortleaf Stable, Tiger Baby will be a game-time decision. Wheeling her back a week after she broke her maiden over the local course is not out of the question. If she scratches, then she will ship to Oaklawn to begin preparations for the filly version of the Arkansas series.

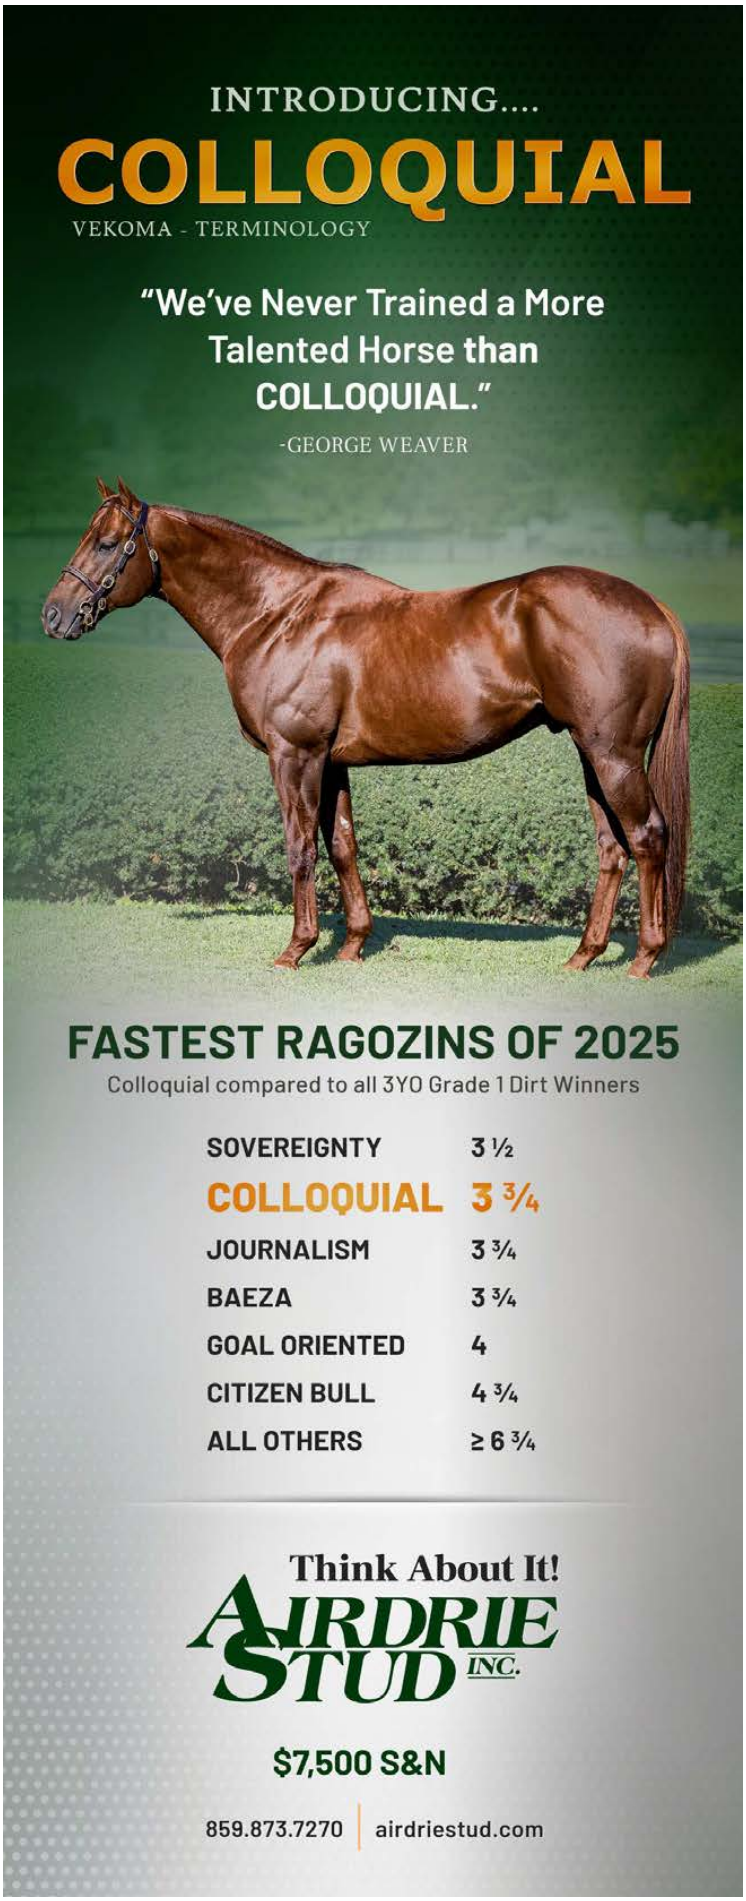
"She's a lovely filly," McPeek said in a Wednesday Oaklawn press release. "As long as everything goes right between now and the weekend, we're planning on running her there [Golden Rod]. I'd love to think she's a filly for the Fantasy before the season's out."

Wheeling back: Tiger Baby | *Coady Media*

As for Juana Margarita, the chestnut is seeking some redemption after **Wharfie** (Essential Quality) spoiled her upset bid in the Rags To Riches Stakes at Churchill Downs Oct. 25. Wharfie--a Godolphin homebred and Bill Mott trainee--was made the 9-5 morning-line favorite for the Golden Rod.

Swinging over the Belmont Park, the GII Jockey Club Derby attracts a pair of European turf invaders in **Maho Bay (GB)** (Dubawi {Ire}) and **Venetian Prince (GB)** (St Mark's Basilica {Fr}). The pair finished 1-2 over the grass in the G3 Winter Hill Stakes at Windsor in early September.

American power here is represented by **Third Coast** (Uncle Mo) and **Caroline St. Beat** (Tiz the Law), who did battle last out in the GIII Hill Prince Stakes. **Cont.**



New York graded racing also includes the GII Man o' War Stakes, the GIII Jockey Club Oaks and the GIII Long Island Stakes, which appear to all be wide-open affairs.

The lone Grade I on the Saturday docket will break from the gate at Del Mar. The annual renewal of the Hollywood Derby--a turf race at nine panels for 3-year-olds--has **Title Role (GB)** (Too Darn Hot {GB}) as the main betting interest. Since coming over to Brendan Walsh's barn in the summer, the colt won the GI Belmont Derby July 4, then was third in the GI Saratoga Derby Aug. 8 and in the GI Coolmore Turf Mile at Keeneland Oct. 3.

Proletariat (Raging Bull {Fr}) has three wins over the seaside course and **The Big Con (GB)** (Dark Angel {Ire}) is used to shipping for trainer Miguel Clement--four different tracks in as many races.

Del Mar's grass contribution isn't done though. The club also has the GII Seabiscuit Handicap and the GIII Jimmy Durante Stakes on the card.

The field strung out as Caldera worked through fractions of :23.36 and :47.05 with the top three beginning to bunch around the far turn and Bracket Buster needing to do more as Dragoon Guard (Arrogate) was also making up ground from the back.

Swung out four off the rail, Alvarado got to work as Caldera hit the final furlong still in front. And though hanging on his left lead, Bracket Buster closed the gap, surging past Caldera in plenty of time to earn the win with Dragoon Guard rounding out the trifecta in a final time of 1:49.91. The win gave Alvarado the graded double as he also took down Friday's GII Mrs. Revere aboard Tam Tam (Medaglia d'Oro).

The lightly-raced Leading Change wound up fifth off the layoff.

"I was having a beautiful trip the entire way around there," said Alvarado. "By the three-eighths pole I could feel like he was just waiting for me to give him the cue to go. I knew I had a lot of horse underneath me at that point. Vicki Oliver had done such an amazing job with this horse to keep him in top form. Last time in the Breeders' Cup Dirt Mile, he was a little bit unlucky with how he broke. He missed by about five lengths and gave about 15 lengths at the break. He showed today he can compete with those big guys."

"Last time over an off track he didn't run that well but I think I might've ran him back too quick that time," Oliver added. "He ran really well over an off track at Monmouth. This was a different track than when he ran over it before. This track was more sealed and tighter where before it was more soupy. I was happy I ran. I was questioning this morning if we were going to run if the track hadn't dried out. We'll see how he matures out of this. He never wants to switch leads down the lane. He does in the morning but never wants to in the afternoon. I think he just gets to running so hard and forgets about it. He's going to have to mature a little bit to go further. I think between a mile and a mile-and-an-eighth is his best distance." **Cont.**

Bracket Buster leads in the Clark field | *Coady Media*

Pedigree Note:

One of 28 stakes winners for Vekoma, Bracket Buster is out of a stakes-winning Dance With Ravens mare who has a perfect five-for-five strike rate of winners from runners. That mare, Spring Dance, failed to meet her reserve at $115,000 in last year's Fasig-Tipton October Digital Sale but Bracket Buster himself fared better, bringing $425,000 as a racing or stallion prospect at the Keeneland Championship Sale shortly after. Spring Dance is herself a half-sister to MSW Power of Snunner (Power by Far) with the page also including MGSW and millionaire Page McKenney (Eavesdropper).

Spring Dance has a yearling Pappacap filly and a weanling Blofeld filly. She is due next season to Flightline.

THE MRS. REVERE EASY WORK FOR TAM TAM *by Stefanie Grimm*

Already a two-time Grade I winner, Tam Tam (Medaglia d'Oro) made easy work Friday of the GII Mrs. Revere at Churchill Downs.

Entered off of easy wins in both the 1 1/8-mile GI Del Mar Oaks and the 1 1/8-mile GI Queen Elizabeth II Challenge Cup, the Rigney Racing-owned filly took all the money on the slight cutback to 1 1/16 miles, breaking at odds of 3-5.

Sent along to the front by regular pilot Junior Alvarado over a track listed as good, the favorite was already in command and cleared down to the rail by the time the field hit the wire with a lap to run. Deep Learning (Cairo Prince) stayed tucked against the rail just behind her in second while Define (Ire) (Lope de Vega {Ire}) was outside that runner in third. The fillies stayed tightly bunched up the backstretch with the exception of Turner's Charm (Not This Time) who missed the break and spotted the field open lengths.

Going along easily through fractions of :23.64 and :47.66, Tam Tam never looked to be in any trouble and began to get away around the far turn even as Sister Troienne (Munnings) tried to make a quarter-pole run at her. It was to no avail as once Alvarado let his filly loose, the rest were running for second as Tam Tam quickly opened up on this over-matched group, coming home geared down by a comfortable margin. Deep Learning was up for second ahead of Soloist (Into Mischief).

Tam Tam has now won her last four. Friday's win was the first of a graded double for Alvarado who also took down the feature, the GII Clark Handicap, aboard Bracket Buster (Vekoma). **Cont.**

Tam Tam | *Coady Media*

"She's an incredible filly and we're so lucky to have her in the barn for Mr. Rigney," said winning trainer Phil Bauer. "She has an incredibly high cruising speed, and we've learned that Junior just needs to let her do her thing, whether she makes the lead or sits right off of it. Today she got an easy lead and just cruised all the way around there and had plenty left down the lane. I grew up coming here. Any race you win here is special, but there's so much history behind those names like the Mrs. Revere, and to be associated with it now is incredibly special."

"She took me right to the lead and got into a nice rhythm," added Alvarado. "I still had plenty of horse turning for home. When I asked her to go, she kicked clear and just kept going. She made it look easy."

Tam Tam was an easy winner of the Mrs. Revere | *Coady Media*

Pedigree Note:

One of 31 top-level winners for the late Medaglia d'Oro, who passed Oct. 16, Tam Tam continues her sire's legacy of producing exceptional fillies.

A $975,000 Fasig-Tipton Saratoga graduate in 2024, she is out of the Distorted Humor mare Princess Julia, who Stonestreet purchased as a yearling at Keeneland September for $400,000 in 2015. Princess Julia is herself a daughter of Champion 2-year-old Filly Folklore (Tiznow) and therefore a half to the dam of three-time Japanese champion and sire Contrail (Jpn) (Deep Impact {Jpn}). This is also the family of two-time champion and stallion Essential Quality (Tapit).

Tam Tam is one of three winners for her dam from as many to race. She has a weanling filly by Twirling Candy and was covered by Omaha Beach for 2027.

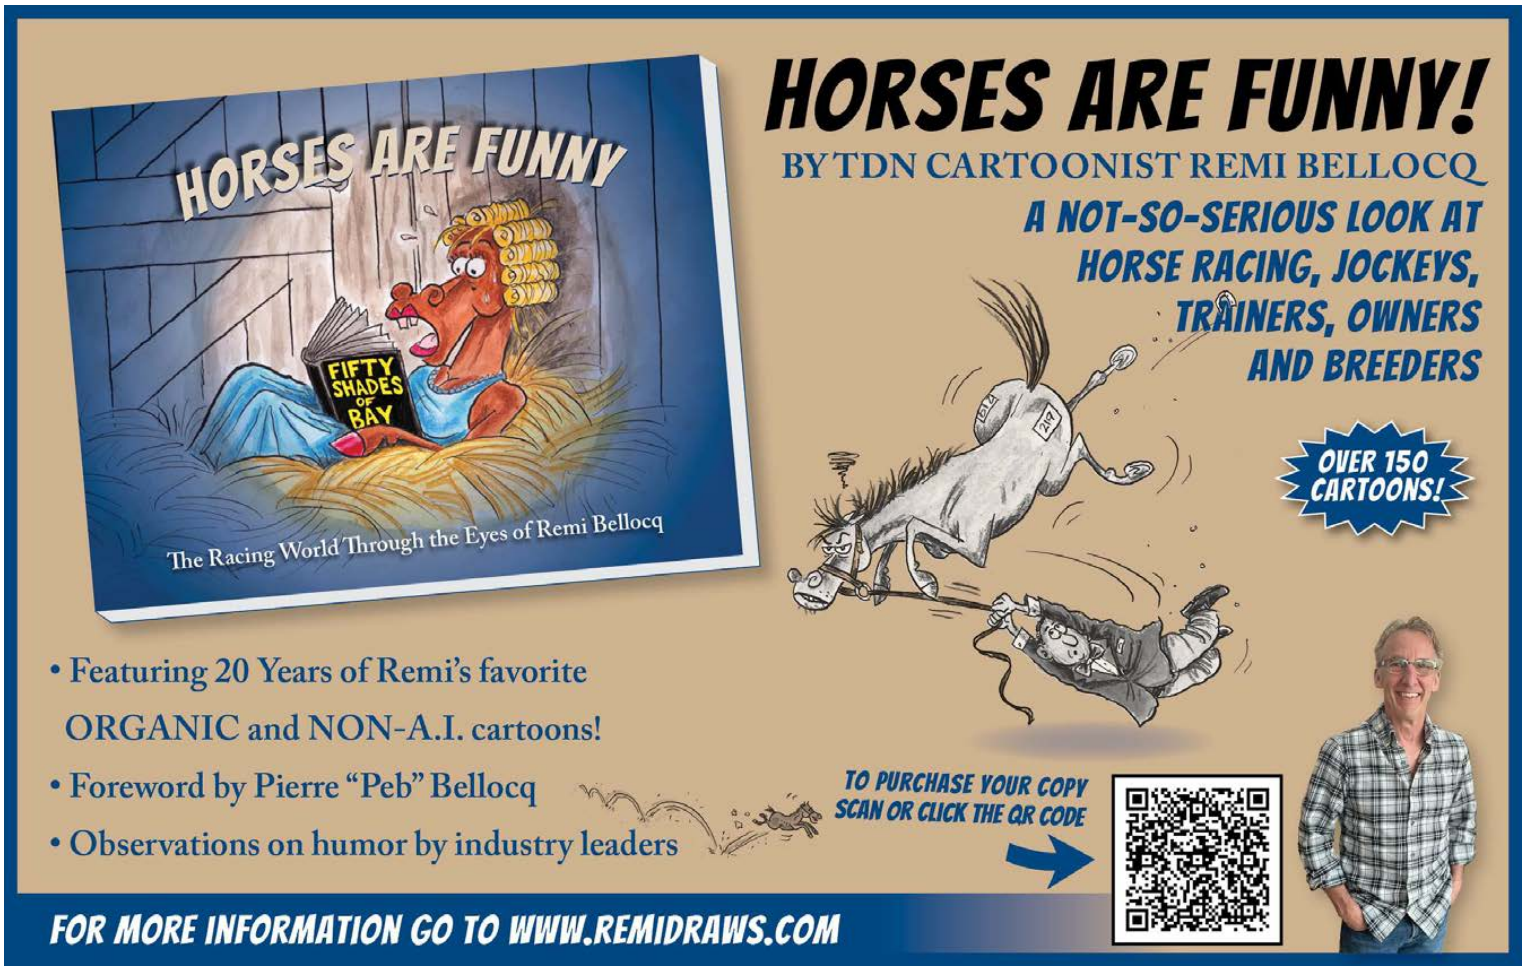
Consequent | *Coady Media*



Consequent | *Coady Media*

Juddmonte homebred Consequent validated odds-on favoritism to run her unbeaten streak to five wins from five runs in the traditional Thanksgiving Day feature at a rainswept Churchill Downs.

First to break the line, Consequent--racing without blinkers for the first time in her career--was a somewhat reluctant early leader, but So There She Was and Regaled moved up as a team to head off their rivals, leaving Consequent to enjoy the run of the race from a ground-saving third.

The pacesetter called it a day with better than three furlongs to travel, Regaled inheriting the lead, but 'TDN Rising Star' presented by Hagyard Chasten (Into Mischief) went with her, while Consequent was niggled at by Flavien Prat in the wet conditions.

Regaled, who defeated Chasten to defend her GIII Delaware Handicap crown before finishing an even fifth in the GI Breeders' Cup Distaff last time, took the Falls City field into the final furlong and a half, but Consequent was back into the bridle, went to her chief market rival and edged past for a convincing victory. Yes It Tiz took a photo for third over Chasten.

“I think the blinkers off helped her settle today, especially going a longer distance then her previous starts,” said Prat. “She’s undefeated and no matter the circumstances--longer distance, sloppy track, older horses--she always seems to handle it.”

Perfect in two starts at two, including a modestly rated renewal of the GII Starlet Stakes at Los Alamitos, Consequent resumed with a 1 1/4-length success in a one-mile Ellis allowance July 24 and was last seen dominating this venue's Seneca Overnight Stakes Sept. 19.

Pedigree Notes:

Juddmonte paid $500,000 for Consequent's dam Cognitive at the 2016 Fasig-Tipton Saratoga Sale and while she was just a minor winner at the races, she has excelled in her second career.

Her two-time stakes-winning daughter Show Card is now also part of the broodmare band at Juddmonte, having produced a colt by Kingman (GB) for her first foal this year, and she is also responsible for Repole Stables' Whitethorn, third in this year's GIII Waya Stakes at Saratoga.

Cognitive is a maternal granddaughter of Turbo Dream, whose three winners includes MGISW Dream Rush (Wild Rush), the dam of GISW Dreaming of Julia (A.P. Indy), MGSW Dream Pauline (Tapit) and SW sire Atreides (Medaglia d'Oro).

Cognitive's youngest produce include the 2-year-old filly Lillianna (Constitution), a $450,000 Keeneland September purchase in 2025 who breezed a half-mile in :48.31 (4/13) at Belmont Park on Nov. 24. After producing a full-sister to Lillianna in 2025, the mare was sold to Repole for $500,000 at KEENOV and foaled an Elite Power filly this term.

Cognitive is due to produce a full-sibling to Consequent and Show Card in 2027.

After failing to draw in off the also-eligible list for what would have been his fifth-straight Breeders' Cup, the old-timer **Gold Phoenix (Ire)** (Belardo {Ire}) continued to prove to the world that he hadn't lost a step even as a coming 9-year-old, stepping up Friday to win the 1 1/2-mile GII Hollywood Turf Cup Stakes at Del Mar.

Beautifully campaigned by Phillip D'Amato, the Irish-bred gelding made the seventh start of his 2026 campaign, a season which also saw him win the GIII San Juan Capistrano Stakes at Santa Anita and the GII Eddie Read Stakes at Del Mar in a career which has his earnings now pushing $3 million.

Sent away in this field of five at odds of 6-5, Gold Phoenix was in no hurry in this marathon contest (though short by his own lofty standards), settling fifth and well off the pace as Mondego (GB) (Lope de Vega {Ire}) went out to lead through the half in :48.72.

Continuing to whip-in this quintet, the favorite finally began to pick things up under Hector Berrios around the far turn, coming with a strong move between the leaders at the top of the lane and opening up with energy of a much-younger runner to clear off by 3 3/4 lengths.

"We were just going along there easy," Berrios said. "Then when we turned for home I asked him a little, but there wasn't much hole to go between. Then the hold opened wider and I asked him more and he went. He really went. Yes, he's one of the best horses I've ever been on."

"I really liked how he was traveling at the three-eighths pole," added D'Amato. "Hector (Berrios) looked loaded and confident. I always tell Hector 'Whatever you do, try to get to the outside with him. Don't get him stopped.' But he was adamant along on the inside. When I saw him trying to split horses and doing it with such conviction my heart stopped for second but then I just watched in awe. This was the performance he was sitting on since the Breeders' Cup."

Gold Phoenix | *Benoit*

Pedigree Note:

Picked up as a 6-year-old for $125,000 by Agave Racing Stable at the 2024 Keeneland Championship Sale shortly before his fourth-place finish in the GI Breeders' Cup Turf that year, Gold Phoenix is out of the Mizzen Mast mare Magnifica, who is a full-sister to both G1SW Sea Defence and MGSW/GISP Jibboom, the latter of which has gone on to produce a pair of graded stakes runners herself.

Magnifica, purchased by Jim Ryan for $70,000 at the 2014 Keeneland November Sale, has a yearling Phoenix of Spain (Ire) filly who brought €32,000 out of Book 1 at this year's Goffs Orby Sale from Joseph O'Brien. She also has a weanling Mill Stream (Ire) filly.

GULFSTREAM'S GII INSIDE INFORMATION ADDED TO '27 BREEDERS' CUP CHALLENGE SERIES

The $200,000 GII Inside Information Stakes, a seven-furlong stakes set for Pegasus World Cup Day on Saturday, January 30, 2027 at Gulfstream Park, has been added to the Breeders' Cup Challenge Series, the track announced Friday. The race will serve as a 'Win and You're In' qualifier for the $1 million GI Breeders' Cup Filly & Mare Sprint at Belmont Park on October 30, 2027.

A Breeders' Cup-nominated winner will receive an automatic starting berth in the Breeders' Cup F/M Sprint, waived pre-entry and entry fees (or an equivalent fee credit toward another Breeders' Cup race), a $10,000 nominator award, and travel allowances ($10,000 within North America outside Kentucky; $40,000 internationally) for World Championships starters.

On the card, the Inside Information joins the $2 million GI Pegasus World Cup Invitational as a Breeders' Cup Challenge Series 'Win and You're In' race. The Pegasus remains a 'Win and You're In' for the $7 million GI Breeders' Cup Classic.

The 48th running of the Inside Information will be part of the 11th Pegasus World Cup Day along with the Pegasus World Cup, $750,000 GI Pegasus World Cup Turf Invitational, and $500,000 GII Pegasus Filly Mare & Turf Invitational. Total purses on Pegasus World Cup Day will be approximately $4.5 million.

Title Role (GB) more than held his own against older horses when third in the GI Turf Mile at Keeneland. Is back with easier company and with three-year-olds. A repeat of his last effort should get the job done. **Proletariat** (Raging Bull ({Fr}) was a big disappointment when fifth in the GII Twilight Derby as the 2-5 choice. But he was pressed early and might get the kind of uncontested lead in here that he likes. Trainer Leonard Powell will try to beat the boys here with **Green Carrera (GB)**, who is coming off a game win in the Let It Ride Stakes and has the type of Beyer figs that make her a contender here. *--Bill Finley*

Jockey Club Derby cont.

Sticking with what has been a common theme this year, the Europeans should have an edge in here against their American foes. The best of the European shippers appears to be **Maho Bay (GB)** (Dubawi {Ire}) who arrives here after a win in a Group 2 race at Windsor for Charlie Appleby. There have been six runnings of this race and Appleby has won it twice. **Third Coast** (Uncle Mo) looks like the top American threat off of his win in the GIII Hill Prince. There's not a lot of speed in this race, which could work to his advantage. **Venetian Prince (GB)** (St Mark's Basilica {Fr}) was second behind the top pick in September and followed that up with a creditable effort in a Group 2 race in Italy. Not out of it. --*Bill Finley*

Facteur Cheval (Ire) (Ribchester ({Ire}) put in a solid effort when fourth in the GI Breeders' Cup Mile and now faces much easier competition. The distance shift is the main question, but he did run second at 10 furlongs in a Group 3 race in Italy. The mare **Miss Justice (GB)** (Justify) has won two straight, including a Group 3 race in France. Is in top form and is 3-for-5 at the distance. May prefer soft going, which she's unlikely to get Saturday. **Hateem (Ire)** showed little last out at Newmarket, but did win the GIII Mint Millions Invitational at Kentucky Downs two starts back. Another who has to answer questions about the distance. --*Bill Finley*

Why not? **Souper Forces** (Laoban) tries graded company for the first time, but might be up for the challenge. Tiger Baby (Plainsman) comes back in eight days after an impressive debut win for Kenny McPeek, who doesn't normally push his first-time starters. That she's already won at a mile is another plus. Note that jockey Emmanuel Esquivel sticks with this one over stablemate **Juana Margarita** (Greatest Humor). **Wharfie** (Essential Quality) looks like the horse to beat for Bill Mott and Junior Alvarado. Is already a stakes winner over this track and, like most Mott-trained juveniles, is likely to continue to improve. There's nothing wrong with Juana Margarita who just missed to Wharfie in the Rags to Riches Stakes. *--Bill Finley*

Staunch (Liam's Map) ran a much improved race when stretched out to a mile-and-a-sixteenth in the GIII Street Sense, losing by just a neck to the highly regarded Jas (Justify). **Coach Pope** (Tapit) has not lived up to the hype since his sizzling 12 1/2-length maiden win at Saratoga. But this is certainly an easier spot than the GI Breeders' Cup Juvenile and you can argue that he is the horse to beat. **Full Access** (By My Standards) will be tested after facing much softer in his first two starts. Being a daughter of Golden Pal, you would think that **Extravaganzoo** (Golden Pal) would be better sprinting, but she was much improved when stretching out to a mile to win her last. All her victories have come against New York-breds, but it doesn't look like the competition is any tougher here. **Deluge** (Maximus Mischief) is the rare Bob Baffert horse that is better on the grass than the dirt. A lot depends on whether or not she can handle the added distance. **Trouble Maker** (Into Mischief) was impressive when breaking her maiden at Churchill. Must prove that she can win at a mile after debuting at five furlongs. *--Bill Finley*

Jockey Club Oaks cont.

This looks like a rematch of the GIII Sands Point Stakes in which **Americathegreat** (Curlin) proved best over **Bless Her** (Twirling Candy). This race is a furlong longer, but no reason to think that will make a difference. Look for Americathegreat to win one again over Bless Her. **Vauntingly (Ire)** (Night of Thunder (Ire) was off slowly in the Sands Point and never really recovered. Moves into the Miguel Clement barn. Deserves another chance. --*Bill Finley*

Malibu Smart (English Channel) is your prototypical Mike Maker horse. He claimed her for $30,000, switched her over to longer distance turf races and has gotten results. She's now won three straight and is getting better with every start. She's 3-for-3 at a mile and a half on the turf, so this distance will be right up her alley. Seemingly out of nowhere, **Ontario** (Ghostzapper) ran a career-best to win the Athenia Stakes last out. Can she repeat that effort for a hot barn? **Vronti (GB)** (Night of Thunder ({Ire}) has been consistent at this level. Is a contender. --*Bill Finley*

Warming (Global Campaign) is still another shipper looking to make good at Del Mar for Graham Motion. Filly has already won the GII Yellow Ribbon Stakes over this course and looks like one of the best closers in a race loaded with early speed. At 15-1 in the line, **Deep Satin** (American Pharoah) deserves a look. She's lost eight straight, but has been competitive at this level and should get a good trip from off the pace. Chad Brown has won this race seven times and in five of the last six years. He returns with last year's winner, **Segesta** (Ghostzapper). She's obviously a threat, but was in better form last year and it's notable that Flavien Prat will not be boarding a plane to ride her. -- *Bill Finley*

This will be by far the biggest test to date for **Takethemoneyhoney** (Golden Lad), who has been racing primarily against Maryland-breds. But she's won eight of 11 starts, has never been worse than second and did beat open company in 2025 in the Serena's Song Stakes at Monmouth. She loves to win. **Conceit** (Not This Time) will likely win if running back to her best efforts. But what happened to her in the GII Raven Run Stakes, where she was a non-threatening fourth? **Pronghorn** (Justify) didn't show up when well-beaten at 9-10 last out at Parx. She's thrown in a bullet work in preparation for this spot, so maybe she's ready to return to top form. *--Bill Finley*

did not come up tough. Trainer Graham Motion has had a lot of success this year shipping his turf horses to Del Mar. He's got a big shot of notching another Del Mar win with **Coast Highway** (Corniche), the winner of the Laurel Futurity. **Mitzman** (Cross Traffic) has run well on the Tapeta surface at Gulfstream and will try to duplicate his best efforts here on the grass. --*Bill Finley*

This is a wide-open race, so why not shoot for a price? The pick will be **Our Moonlight** (Tapit). She's coming off a win, via disqualification, is the GIII Chillingsworth Stakes at 6 1/2 furlongs and should have no problem stretching out to a distance she's handled before. **Rabeeba** (Curlin) was just OK when third in the GII Zenyatta Stakes, which is where she suffered her first career defeat. But she lands in an easy spot for Bob Baffert and can very easily get back on track. **Om N Joy** (Om) didn't show up in the Zenyatta but can easily win this if returning to her best form. --*Bill Finley*

EARLY VOTING COLT JUSTGETTINSTARTED DAZZLES ON OAKLAWN DEBUT *by Alan Carasso*

Justgettinstarted | *Coady Media*

Bet nearly in half from a 10-1 morning line into 11-2 at the off, Mag Racing Stable LLCs **Justgettinstarted (c, 2, Early Voting--Cara Dura, by War Front)** jumped straight into the lead for Ramon Vasquez and nicely went through his gears in the final furlong and a half to graduate by a 7 1/2 lengths en route to 'TDN Rising Star' presented by Hagyard honors.

Drawn gate eight in a field reduced to 10 by the program scratching of **Lindenborg** (Charlatan), the $52,000 Fasig-Tipton October yearling turned $410,000 OBS June breezer (under-tack video) hit the ground running and set the pace off the inside, getting his opening couple of furlongs in a strong :21.96 while holding a clear advantage over the chasing pack.

Slipped some rein approaching three furlongs out, Justgettinstarted was full of run and was going clearly better than anything else behind him. Vasquez took a look under left shoulder approaching the quarter pole to see the well-meant favorite **Rock Havoc** (Rock Your World) coming with a bit of a run up the fence, but Justgettinstarted responded when asked to win his race--despite drifting a fraction wide into the stretch--felt three cracks of the crop to keep his mind on business at midstretch and was merely shown the stick in the final sixteenth of a mile. He covered his final quarter mile in a very strong :24.23, his last eighth of a mile in :12 flat.

Rock Havoc was a sound second in his first start in nearly six months and the newly gelded **Mitole Joe** (Mitole) rounded out the trifecta.

A 17th winner from the first crop of his sadly departed stallion (by Gun Runner), Justgettinstarted hails from the deeper female family of Exchange Rate. His dam foaled a filly by Tacitus earlier this year and was bred back to that stallion prior to his export to Korea.

SATURDAY'S INSIGHTS: POWERLINE RETURNS ON STARS OF TOMORROW CARD

3rd-Churchill Downs, $120k, 2yo, f, 7f, 1:56 p.m.

Flying Dutchmen's **LET LOVE REIGN (Not This Time)**, a $1-million Keeneland September yearling purchase, opens her career for trainer Brian Lynch. The bay filly is a daughter of graded winner Road to Victory (Quality Road) and is a half-sister to graded winner Corporate Power (Curlin). **TJCIS PPS**

6th-Churchill Downs, $120k, Msw, 2yo, 7f, 3:25 p.m.

Steve Asmussen saddles firster **DISMANTLE (Corniche)** for Leland Ackerley Racing. The colt, out of Secret Union (Dixie Union), was a $1-million purchase at the Fasig-Tipton Midlantic May sale.

"I am really excited to finally see him run," Lee Ackerley said of Dismantle. "He went right from the sale to Steve's barn and he's been working steadily since then. He's filled out and looks like a million bucks. I hope he runs well and comes back good."

Powerline | *Mathea Kelley*

Also debuting is **Extreme Candy (Twirling Candy)**. Trained by Eddie Kenneally for Twin Oaks Bloodstock and Blazing Forest Stables, the dark bay colt is a son of multiple graded winner Kitten's Point (Kitten's Joy) and a full-brother to stakes winner Twirling Point. **TJCIS PPS**

7th-Churchill Downs, $127k, OC 100k/N1X, 2yo, 1m, 3:55 p.m.

West Point Thoroughbreds, John Oxley, Summer Wind Equine and Bee Zee's **POWERLINE (Flightline)**, tabbed a 'TDN Rising Star presented by Hagyard' following his maiden victory on the Breeders' Cup undercard at Keeneland Oct. 31, is even-money going an extra furlong Saturday.

The Steve Asmussen-trained colt, a $1.8-million Fasig-Tipton Saratoga yearling purchase, is the first foal out of graded-placed Park Avenue (Quality Road).

"Steve Asmussen has been very happy with Powerline since the Breeders' Cup Saturday maiden win," reported West Point's Terry Finley.

Powerline has already gained a reputation for being slow from the gate in his first three lifetime starts, but Finley is expecting to see improvement as the colt gains more experience.

"Steve and [assistant] Scott Blasi think the gate issues they've dealt with are simply a maturity issue and they think this colt has a chance to be a top-level horse," Finley said. "All the partners are pumped to see him take the next step in his career. For us, it's very captivating to be involved with a horse with this kind of raw ability."

Brad Cox saddles Resolute Racing and Stonestreet Stables' **Lord Mischief** (Into Mischief), a son of Grade I-placed Lady Kate (Bernardini). The $3-million Fasig-Tipton Saratoga yearling purchase was a first-out winner going six furlongs of the Churchill strip Oct. 25. **TJCIS PPS**

4th-Del Mar, $65k, Msw, 2yo, 6f, 5:00 p.m.

Michael Tabor, Derrick Smith, Susan Magnier, Jonathan Poulin and Westerberg's **MINNEAPOLIS (Gun Runner)**, a son of champion Gamine (Into Mischief), makes his first trip to the post for trainer Bob Baffert. The colt comes into his debut off a pair of bullet five-furlong works from the gate.

Gamine, named champion female sprinter in 2020, sold to Coolmore's M.V. Magnier for $7 million at the 2022 Fasig-Tipton November sale. Minneapolis is her second foal.

Baffert also saddles Baoma Corp's homebred first-time starter **Jiliang (Gun Runner)**. The colt is the first foal out of multiple graded winner Private Mission (Into Mischief). The mare is a half-sister to the dam of Grade I winner Dunbar Road (Quality Road). Jiliang shared the five-furlong bullet of 1:00.60 with Minneapolis last Saturday.

"It's just a starting point for both, but they are showing promise," Baffert said of the duo. "This is a great starting point." **TJCIS PPS**

Solitude Dude | *Hodges Photography*

Making the switch to Joe Sharp's shedrow in August, Solitude Dude's only start was in the GIII Perryville Stakes at Keeneland Oct. 17.

The 2-1 choice here kept close watch from the second position up the backstretch and began to get jazzed for a run around the far turn. The son of Yaupon shot to the lead before turning for home and the race was his for the taking.

The first foal for his dam, the winner has a weanling half-brother by Volatile. After the Party visited Maclean's Music for next term.

Golden Siren was produced wide into the stretch by Javier Castellano and just managed to peg back late-leading longshot Glycogen to take a rained-off renewal of the Chelsey Flower Stakes at Belmont Park Friday afternoon.

Settled in mid-division and a few paths off the inside through the opening exchanges, the gray filly wanted to overrace fractionally down the backstretch, but traveled well enough into the final four furlongs.

Forced to cover a bit of ground, but racing with some cover as the field raced around the second turn, Golden Siren was pulled out for a four-wide bid, but Glycogen had enjoyed a cushy inside trip for David Egan and split horses to lead with a furlong to travel. Castellano was able to keep Golden Siren up to her task and shoved the 6-1 gamble across the line in the nick of time.

Runner-up in a mile grass maiden at Saratoga on July 10, the $135,000 Fasig-Tipton July purchase went one better Aug. 21, drawing clear by four lengths as the public pick. The filly did not have the cleanest of trips when third in the Oct. 3 GII Miss Grillo Stakes, but she had trained with promise over this synthetic surface and ran to those works to cause a mild surprise here.

"[Assistant trainer Shane Tripp] told me she's light-mouthed and don't like to take too much of a hold--be kind with the horse," Castellano said. "I have been working the horse three times in the mornings, three weeks in a row. I think it's a big plus when you're working horses in the morning to get used to the horse, and she's very light-mouthed. [I knew] she's going to be tough to beat [when the race was moved to Tapeta]."

The 26th stakes winner for her Spendthrift-based sire, Golden Siren is out of a half-sister to this year's GIII Charles Town Oaks heroine Niche (Yaupon) and to SW & MGSP Proven Strategies (Sky Mesa).

Sea Song, who was unsold on a bid of $160,000 at Keeneland November in 2023 while carrying this filly, is also the dam of a yearling colt by Forte that sold for $300,000 as a Keeneland November weanling before hammering to St. Elias Stables and partners for $600,000 at Fasig-Tipton Saratoga this past summer. After foaling an Oscar Performance filly this term, Sea Song was bred back to Bolt d'Oro. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel Racing.**

Willis Horton Racing's Circle Tap missed by a neck in an allowance race at Ellis Park in late July, then cleared the condition at Churchill Downs Sept. 12. The colt was last seen hitting the board versus optional claimers under the Twin Spires Nov. 8.

Ready for only his second crack at stakes competition, the bay went off as a 4-1 shot here. The Dallas Stewart trainee initially raced between runners after the bell, but was taken in hand to sit third into the first turn.

Circle Tap relaxed up the backstretch and waited for his chance to make his move heading into the far turn. The 3-year-old fanned three wide, turned up the heat by grabbing the lead inside the final sixteenth and held on by a whisker to earn a trip to the Larry Snyder enclosure.

“He was waiting a little bit (on horses in the stretch),” said trainer Dallas Stewart. “I was like: ‘Come on wire.’ I’m glad it was a short wire. He ran pretty good last time. He got into a little bit of trouble and didn’t get to run his race. We kind of felt like that would set him up good for today. He needed to stretch out.”

The winner's dam is responsible for a yearling colt by Omaha Beach and a weanling filly by Curlin. A full-sister to both SW My Miss Tapit and GSP I'll Wrap It Up, Rattataptap was not reported as bred for next season.

As a 7-1 shot here, the 2-year-old raced at the rear as the field made for the first turn. ***Cont.***

Golden Palm | *Ryan Thompson*

Moving up a few spots up the backstretch, the hooded Golden Palm showed good energy fanning wide around the far turn. The OBS found more gears down the center of the course, struck the front inside the final furlong and got paid.

The winner's dam is responsible for a yearling filly by Tiz the Law. West Palm Beach was entered for the third time in a row into the ledger of that same Coolmore America sire.

HITHERTO (f, 4, Street Boss--Carella, by Tapit) remained unbeaten in two starts with this allowance score at Churchill. Entered as an also eligible and leaving from the far outside stall, the gray tracked 51-1 Hard Champ (Upstart) early from second at 9-2, collared that one on the turn, and took the controls just in time to register :45.57 for the half.

Leading into the stretch about four paths off the rail, Hitherto extended her advantage late to win by four lengths over Star Actress (Justify). Hitherto's only previous start was a six-furlong maiden special weight victory at Horseshoe Indianapolis Nov. 10, where she led pillar to post for an 8 1/4-length score and an 87 Beyer Speed Figure. KEATS (g, 2, Munnings--Romantic Pursuit {MGSP, $292,804}, by Medaglia d'Oro) took to the Presque Isle all-weather for his unveiling Oct. 12 and the gelding graduated by 6 1/4 lengths. The 6-5 choice here assumed a tracking spot in third heading into the first turn. Waiting for the opportune moment to pounce up the backstretch and around the far turn, the Brendan Walsh trainee tipped to the outside, cleared before the final furlong marker and went on to win the day by 3 1/4 lengths. My Boy Gary (Girvin) placed. The winner's dam is responsible for a yearling colt by Cody's Wish. Romantic Pursuit visited Munnings for next foaling season. Keats's second dam is champion 3-year-old filly & MGISW Questing (GB) (Hard Spun), who was also responsible for GSW Adventuring (Pioneerof the Nile). 5th-Churchill Downs, $118,112, Msw, 11-27, 2yo, 5 1/2f (off turf), 1:04.95, sy, 1 length.
MCKEONVILLE (c, 2, Olympiad--My Lady Emma, by Lord Nelson) became the 22nd winner for his freshman sire (by Speightstown) with this score in the slop at Churchill Friday. Second choice at 3-1, the chestnut hustled out of the gate to show the way through :22.27 and :46.22 fractions.

Drifting out off the turn and wider still down the lane, McKeonville held sway to win by a length over Take Charge Beach (Omaha Beach) with third-place finisher Kalapaki Point (Charlatan) nearly six lengths farther back. The 'Insighted' Caesar (Justify) finished fifth. McKeonville's only previous start was a fifth on the grass at Churchill Nov. 1. ***Cont.***

MADISON'S CHARM (f, 4, Vekoma--Truckstop Diamond, by Flat Out) debuted as the favorite over a year ago in September and finished as the runner-up. Coming off the shelf here, the 3-5 choice did not break well, but she quickly made up ground to race behind the speed. The hooded 4-year-old went after the leader with an outside move around the far turn. Taking control inside the final furlong, Madison's Charm had enough in the tank to get to the wire first. Bisclavret (Not This Time) splashed home for second.

The winner has a younger, 3-year-old brother in-training named Celestian (Bolt d'Oro), who was sent to Saudi Arabia last year. Truckstop Diamond foaled a colt by Drain the Clock back in the spring, but was not reported as bred for next term. Madison's Charm counts GSW Gold Medal Dancer (Medaglia d'Oro) and MSW Bron and Brow (Gormley) among her extended female family. Sales History: $215,000 Wlg '22 KEENOV. EMMAS PEARL (f, 2, Yaupon--Cara's Dreamer {MSP, $259,280}, by The Factor), a chasing sixth on debut going this distance at Churchill Oct. 25, went to the lead Friday. Whether it was the new tactics, the race under her belt, or something else, she looked a different horse. While it took her much of the first quarter to find the lead, Emmas Pearl was in front by the :22.20 split and simply stayed there, setting a pressured :46.88 half as Turtle Creek (Connect) pestered to her outside. The two rounded the final turn nearly in lockstep before Emmas Pearl shook free of her rival in the lane to win by a resounding 3 3/4 lengths as the 7-5 favorite. A $70,000 in utero purchase by JRita Thoroughbreds at the 2023 Keeneland November sale, Emmas Pearl has a yearling half-sister named We Must B Dreaming (American Freedom), who sold to David Bunn at this year's Texas Yearling Sale, and a weanling half-brother by Zandon. RULER OF LAW (c, 3, Tiz the Law--Zorally {SP, $158,368}, by Wiseman's Ferry) was the runner-up both on debut over the turf sprinting at Santa Anita in mid-January, and next out at course and distance Sept. 25. The chestnut was last seen running a well-beaten sixth going a mile on the turf at 'The Great Race Place' Oct. 11. ***Cont.***

A 4-1 shot here, the 3-year-old was on the pace as he traded blows with Cactus Charlie (Independence Hall) up the backstretch. Ruler of Law was not about to let his rival get the best of him, so at the top of the lane the game was afoot. Sporting a stronger turn of foot, the colt outlasted Cactus Charlie to get graduate by a head. The first to the races and last registered foal for his dam, the winner is part of an extended female family which includes MSW Love For Not (Not For Love). Sales History: $50,000 Ylg '24 KEESEP. GOLDEN BEE (f, 2, Bolt d'Oro--Honey's Sox Appeal {MSW, $437,898}, by Successful Appeal) gave a good account of herself when second to future Grade III winner Vanta (Greatest Honour) on course-and-distance unveiling July 31 and was a warm item at 2-5 in her first appearance since. Queenofthewild (Ire) (Bungle Inthejungle {GB}) stepped away quickest from the outside, but in dropping down to the inside, caused Golden Bee to steady slightly, impeding Janie Not Jeanie (Mandaloun) in the process. Queenofthewild led them along as Golden Bee took the trail from the box seat and held the call past midstretch, but the favorite was switched out and powered home to take it by a length. Janie Not Jeanie ran on admirably for third. A stewards' inquiry was launchedinto the incident on the backstretch, but in a majority decision, the 'culpability of Golden Bee and Queenofthewild was inconclusive' and the result was allowed to stand as is. Honey's Sox Appeal is also represented by a yearling Cairo Prince filly and was most recently bred to Maclean's Music. Sales history: $90,000 Ylg '25 KEESEP. WE BE MISCHIEF (g, 3, Into Mischief--Elfin Queen, by American Pharoah) made a pair of starts against decidedly softer competition in Kentucky this fall, finishing a well-backed second on Keeneland debut Oct. 11 before ballooning to a distant eighth at Churchill Oct. 29. Drawn the rail as the 1-5 mortal for this dip into restricted company, the $575,000 Fasig-Tipton Saratoga yearling vied heads apart for the lead while glued to the fence, carried a slender advantage into the stretch and burst away from his overmatched rivals to graduate by 7 1/2 handy lengths. The winner's dam was acquired by Coteau Grove for $550,000 at Keeneland November in 2021 and the in-utero purchase became Supa Speed (Justify, $177,975), runner-up in last year's GIII Santa Ysabel Stakes. Elfin Queen is kin to nine other winners out of the GSP Pretty 'n Smart (Beau Genius), including GISW Cupid (Tapit); GSW Ashley's Kitten (Tale of the Cat); and MGSW Heart Ashley (Lion Heart), responsible for dual Japanese group winner Fiano Romano (Aus) (Fastnet Rock {Aus}) and the Australian Group 3-placed Ameristralia (Aus) (Fastnet Rock {Aus}). Elfin Queen's youngest produce include a yearling colt by Justify and a weanling filly by Louisiana standout Star Guitar. She was most recently covered by Mindframe. The Al Stall trainee fired out of the blocks from the outside with intent and proceeded to make every pole a winning one through the far turn. Moving like a winner, Dreamaboutit extended his lead down the lane and got his picture taken by three lengths over Lone Pine (Pinehurst). The winner is his dam's last registered foal on record. Dream Dance was bred once again to Arcangelo for next term. Sales History: $40,000 Ylg '25 KEESEP; $140,000 2yo '26 OBSMAR. CREDIT (c, 2, Curlin--Sapphire Pendant {Ire} {GSP-Ire}, by Danehill Dancer {Ire}), who debuted for trainer Todd Pletcher, was well-beaten at Gulfstream Park Oct. 24. Fitted with blinkers, but overlooked as a 17-1 longshot here, the homebred settled into the sixth position as the field headed for the first turn and he remained fixed in the same position up the backstretch. Spinning into the turn with a flanking maneuver, Credit unfurled his flag, found his best stride and got the better of heavy favorite Seminal (Candy Ride {Arg}). The winner is a half-brother to Ecrivain (Fr) (Lope de Vega {Ire}), MGSW-Fr, $214,922 and Green Spirit (Kingman {GB}), MGSW & MG1SP-Fr, $348,464. Herself a half-sister to the Canadian stakes placed dam of GSW America (A.P. Indy), Sapphire Pendant produced a filly in 2025 named Hollow (Good Magic), who was sent to France this year. Older Mare-Ger- at 9 1/2 - 11 f., GSW-Ger, GISP-Can, MSP-Fr, $225,868}, by Dubawi {Ire}) switched to the turf after two off-the-board finishes on the main track, including in a seven-furlong maiden special weight at Keeneland Oct. 3, and brought home a first win. The bay left from the outside post, broke sharply, and settled into a stalking midpack spot just a few lengths off the :24.39 and :50.46 pace set up front by 17-1 Steel Golden (Gun Runner). Looming menacingly on the turn, Mayfield quickened while several paths wide to barrel down the stretch. Despite swapping to his wrong lead just under a furlong from home, Mayfield held off a closing Royal's Pride (GB) (Dubawi {Ire}) by a neck on the line as the even-money favorite. Mayfield's dam is a granddaughter of U.S. and European champion Dahlia (Vaguely Noble {Ire}) and has also produced White Moonlight (Medaglia d'Oro), MSW-Eng, GSP-UAE, $197,748; and Golden Sunshine (Medaglia d'Oro), MGSP, $717,309.
