

GALILEO RECOVERING FROM COLIC SURGERY

Galileo (Ire) (Sadler's Wells), the leading sire in Europe, underwent surgery Thursday after he was found to be suffering from a bout of colic at Coolmore Stud in Ireland. The 10-year-old son of Urban Sea was referred to Fethard Equine Hospital for evaluation, where he underwent the procedure. "Galileo had colic surgery yesterday evening," Coolmore General Manager Christy Grassick confirmed. "We are delighted with his progress overnight and his recovery has been uneventful. He is doing very well and we expect him to be returning back to Coolmore very shortly." Winner of the G1 Epsom and Irish Derbies and the G1 King George VI and Queen Elizabeth Diamond S. in 2001, Galileo entered stud the following season and has been a smashing success, siring no fewer than 15 Group 1/Grade I winners, including Epsom Derby hero New Approach (Ire); Lush Lashes (GB), a treble winner at the highest level this season; and GI Breeders' Cup Turf winner Red Rocks (Ire), who most recently outran Curlin by two lengths in the GI Man O' War S. in New York. From four crops to race, Galileo is the sire of 35 overall stakes winners with progeny earnings in excess of \$22 million.

UNDER HER SPELL

MGISW Proud Spell (Proud Citizen) is the class of the field in today's GII Fitz Dixon Cotillion S. at Philadelphia Park. Under the wire first in seven of her 11 career starts, the Brereton Jones homebred cruised by five lengths in the May 2 GI Kentucky Oaks. She had to settle for second behind Music Note (A.P. Indy) in the June 28 GI Mother Goose S., but followed up with a victory in the July 12 GII Delaware Oaks. Proud Spell turned the tables on Music Note in her latest. Narrowly in front as they turned for home in the Aug. 16 GI Alabama S. at the Spa, she looked certain to be overtaken by the Godolphin runner inside the eighth pole, but pinned her ears and turned back the challenge to win it by a head. If the bay filly doesn't bounce off that effort, she will be tough to beat today, but trainer Larry Jones does have one concern. His charge will give from five to 10 pounds to her rivals. "She's only a little bitty filly," Jones told *Daily Racing Form*. "Giving away 10 pounds to almost every horse in the field is a lot for her." Cotillion field, p6

HOME PRODUCTION

Foxwood Plantation's homebred **Star Production** (Run Production) carries the local hopes for today's GII Super Derby at Louisiana Downs. The son of Louisiana stakes winner Zarb's Star (Zarbyev), the dark bay gelding was second in three straight before galloping to an eight-length score over state-bred stakes foes Aug. 2. The 6-5 chalk in the Prelude S. two weeks later, he held on gamely to win it by a nose. He is likely to find himself on the lead again today. "Our horse likes the front end," trainer James Hodges told *Daily Racing Form*. "He started running 100 Beyers when we put him on the front end, so that's the way we kind of look at it." But it is unlikely that Star Production will have things his own way today. Lightly raced **Forest Command** (Monarchos) pressed the pace through a half in :44 4/5 before galloping away to a six-length tally in a seven-furlong Spa allowance Aug. 9. Cont. p2

Downs experience. One of the others is **Golden Yank**. Second in the May 26 USA S. at Lone Star and the June 14 GII Jefferson Cup at Churchill Downs, both on the grass, the bay gelding was carried out during the final drive of the Prelude S. Aug. 16 and still finished third, beaten just a head by Star Production and **Numismatist**. But they all have to beat favored **Macho Again**. The West Point Thoroughbreds colt, winner of the GII Jim Dandy S. July 27, clipped heels at the top of the lane in the Aug. 23 GI Travers S. and finished eighth. Of his

race in the Midsummer Derby, trainer Dallas Stewart said, "He had the worst of it. Fortunately, he came back healthy. He did hit himself on the back of his ankle and he was a little sore for a couple of days. We X-rayed him and it was all good. He got back to the track pretty quick." Stewart added, "He's a very tough horse, very game. He likes to run and likes to win."

OFF THE HOOK IS ON THE MARK

It has been a long but productive sale for Off The Hook, the collaboration of Venezuelan trainer Carlos Morales and entrepreneur Joe Appelbaum. In addition to advising one of their top clients, Jose Castro's Paula C Racing Stable, on the purchase of Sunday's session-topping Macho Uno colt, Off The Hook has signed the ticket on 15 yearlings at Keeneland September.

Joe Appelbaum (left) and Carlos Morales

They took home two of the three toppers in Lexington yesterday,

going to \$160,000 for hip 3731, a Holy Bull colt, and to \$170,000 for hip 3984, a Forest Danger colt. Both were consigned by Gracefield. "We're buying for our pinhooking partnership and for private racing clients like Mr. Castro," Appelbaum said from Lexington yesterday. "We break the horses for the individuals who race, we get them ready for the track and we help in selecting trainers." The New Yorker admitted that the Keeneland September grind is taking its toll. "It's been long and tiring," he said, but added, "We didn't really participate at [Fasig-Tipton] July and we bought very modestly at OBS August, so we are a little bit making up for lost time. And we've seen a lot of horses we like." But what you see is not always what you get. "We have found it very difficult to buy," Appelbaum said. "It seems that all the buyers coalesce around the same horses, especially later in the sale. The horses the last couple of days have brought more than we expected. You've had to step up and go after the ones you wanted. If there is a good horse over \$100,000, everybody is on it." The middle market is where Off The Hook tends to buy, although their KEESEP purchases include a couple from the lower end of the spectrum, such as a \$20,000 Yankee Gentleman colt and a \$47,000 Five Star Day colt that was bought for Paula C Racing. "We are in transition," Appelbaum explained. "We used to buy all over the lot, but now we generally like to stay between \$100,000 and \$200,000. We feel the residual value is greater and, if they do well, we can hopefully make some money." There are just four days left at Keeneland September, but the Off The Hook partners are about ready to go home. "We've just about used up all our money," Appelbaum quipped. The 15 lots signed for by Off The Hook (Paula C Racing was listed as the buyer of the \$400,000 Macho Uno) have totalled \$1,694,000, averaging \$112,933.

Exchange Rate

Breeders' Cup Bound Two-Year-Olds!

Exchange Rate's 1st 2YO graded stakes-winner of the year is **C KARMA** (06 f. o/o CB Carm, by Slick), winner of Woodbine's \$150,000 Natalma S. (G3T) on September 14. The race was a "Win and You're In" event for the Breeders' Cup and earned her a start in the **Breeders' Cup Juvenile Fillies Turf** this fall. (Chart, Video). The filly, who was third to Exchange Rate's undefeated multiple stakes winner, **JULIET'S SPIRIT**, has now earned \$153,810. Owner/Breeder: Pamela F. Edel.

Rate of Exchange (05 f. o/o Hannah's Ink, by Pentelicus) was second in Calder's \$55,000 Ravolia S. on September 13, beaten 2-1/2 lengths for the win. He has a record of 8-2-4-0 with \$67,160 in earnings. Owner: Desperado Stables, Inc. & Elite Racing. Breeder: Red Sunset Farm.

Sky Mesa

More Breeders' Cup Bound Two-Year-Olds!

Sky Mesa's first graded stakes-winning 2YO of the year **TERRAIN** (06 g. o/o Minery, by Forty Niner), was the recipient of such substantial stretch interference from two horses that finished ahead of him that the stewards decided to DQ both horses to second and third and deemed **TERRAIN** the victor in the \$200,000 Arlington-Washington S. at Arlington Park over the all-weather surface on September 13. The win makes the gelding a legitimate contender for the Breeders' Cup Juvenile and ups his perfect record to 3 for 3 with \$177,454. Owner/Breeder: Adele B. Dilschneider.

Sky Mesa's newest 2YO graded stakes horse is **Argyle Pink** (06 f. o/o Majesty's Crown, by Magesterial), who ran third in the \$250,000 Matron S. (G2) on September 13. The effort puts her earnings at \$62,200. Owner: John L. Wiczorek. Breeder: Avalon Farms.

Yes It's True

Yes It's True's 3rd stakes winner of 2008 is **OFF DUTY** (03 h. o/o Ms. North Carolina, by Honour and Glory), whose repeat performance on September 13 in Turfway's \$75,000 Marfa S. makes him a stakes winner for the **third year in a row**. A G3SW in 2007, **OFF DUTY** has now won 9 of 20 lifetime starts and has earned \$402,038 for his connections. Owner: John Pucek, Brett Setzer, and Robert Edwards. Breeder: Helen Marie Napolitano. Buck Pond Scores With Session Topper...

Douglas S. Arnold's Buck Pond Farm consigned the top seller at Keeneland yesterday. Going through the ring as hip 3803, the colt, by Bernstein out of Sparkler (Carson City), was bought by Gulf Coast

Farm for \$190,000. "I loved the colt," Arnold said. "Lance Robinson and Jerry Bailey [of Gulf Coast] are two of the best pinhookers in the business. They are very shrewd buyers and I really think they got a hell of a deal. This colt was back here in Book 6; the mare's first foal was in Book 2, and she brought \$290,000. Since then, a half-brother to the mare won a graded stake and set a new track record. Why they put us in Book 6, I don't know. He brought a lot of money for today, but I really thought he was a \$300,000 kind of colt." The bay is out of a half-sister to graded winners Softly (Binalong) and Coragil Cat (Forest Wildcat), who captured the May 24 GIII Hanshin Cup and the May 3 Timeless Native S., setting a new Arlington mark of 1:33 3/5 going a mile in that test. Arnold purchased Sparkler for \$65,000 at Keeneland January in 2005, and bred her to Johannesburg. The resulting foal, a filly named Innovative, broke her maiden in her second start, winning on the turf at Colonial Downs in August. Asked what caught his eye about the dam, Arnold said, "She's by Carson City, and I liked that." He also found the influence of champion two-year-old Crimson Satan in the pedigree to be a draw, and has paired the mare with Storm Cat-line stallions, adding a Crimson Satan cross to the mix. Sparkler has a weanling colt by Forest Wildcat, and is back in foal to Johannesburg. Buck Pond was established by Doug and wife Karen in 1994, and sits on 300 acres near Versailles. They currently stand 10 stallions, including Lost Soldier, sire of champion Lost in the Fog, and promising freshman Seattle Fitz (Arg).

New York-bred **By The Light** has been beaten just once in her career, finishing second to champion Indian Blessing in the July 5 GI Prioress S. on a muddy strip at Belmont Park. The bay rolled over state-bred competition in her first three starts at two, then made it four in a row with a 5 1/4-length romp in the Dec. 7 Delta Princess s. at Evangeline Downs. Out of action for more thanive months after that outing, she made her return in the May 24 Pearl City S. at Belmont, winning by

1 1/2 lengths, before stepping up to the graded ranks for the Prioress. The Jay Em Ess Stable colorbearer rebounded from that defeat with a rallying half-length score in the Aug. 18 Union Ave. S. at Saratoga. She stretches out off that six-furlong test, trying two turns and a trip beyond a mile for the first time here. Put **Seattle Smooth** on a fast conventional dirt track, and she is hard to beat. The \$340,000 FTKJUL purchase has had the chance to strut her stuff under those conditions twice in her nine-race career, and aired both times, taking the Apr. 12 Bay Meadows Oaks by six lengths and the Aug. 30 Go For Wand S. at Delaware Park by 7 1/4 last time out.

Three of the five runners in this field were judged **★ "TDN Rising Stars" ★** earlier in their careers, and have proved worthy of the tag. Champion **Indian Blessing** was perfect in three starts at two and has been first or second in all six tries this term. Dropped back to sprints after finishing as runner-up in the Mar. 8 GII Fair Grounds Oaks and June 7 GI Acorn S., the dark bay galloped to easy wins in the July 5 GI Prioress S. and Aug. 2 GI Test S. Her connections toyed with a return to routes, but scratched her from the GI Ruffian S. to await this spot. Peter Blum homebred **Elope** was under the radar when she broke her maiden at Turfway Park in her debut last September, but had all eyes on her when she ran away to an 11 3/4-length allowance score at Saratoga Aug. 3. She makes her stakes bow off that effort. "I think she deserves a chance," trainer Eddie Kenneally said. "Her race at Saratoga was spectacular. And winning the way she did off the 10-month layoff, I look for her to move forward off that." Godolphin's **Zada Belle**, purchased privately after a nine-length maiden victory at Oak Tree in 2006, missed her entire sophomore season, but is three-for-five this year. Second in the Aug. 1 GII Honorable Miss S. at the Spa, she enters this off a win in the restricted Bennington S. 19 days later.

Named after one of racing's greats, this has been win in recent times by subsequent Group 1 winners Zafeen (Fr), Excellent Art (GB) and Dark Angel (Ire). **Gallagher** has already gone close to scoring at that level and was only caught in the dying strides of the G1 Prix Morny by Bushranger (Ire) at Deauville Aug. 24. Previously, he found only Prolific (Ire) a neck too strong in the Aug. 1 G2 Richmond S. at Goodwood, and a win here would prove compensation for those reversals. He has the call over **Lord Shanakill**, who was third at Deauville following a third-place effort in the June 17 G2 Coventry S. at Royal Ascot and second to Orizaba (Ire) in Goodwood's G2 Vintage S. July 30. He may have found everything happening too quickly when fifth in the five-furlong G2 Flying Childers S. at Doncaster eight days ago and is set to give his customary consistent effort here. **Sayif** was a short-head second to Classic Blade (Ire) in the G2 July S. at Newmarket July 10 before finishing third in the Vintage S. but should be suited by a return to sprinting. **Masamah** has yet to tackle this company, but looked up to the challenge when defying a penalty to stretch his perfect record to two in a Lingfield conditions event last time Aug. 8.

PP HORSE SIRE JOCKEY ODDS
1 Beck and Call [Lemon Drop Kid](#) Piermarini 20-1
Is a nice, solid claimer that is over his head here.

2 Commentator [Distorted Humor](#) Velazquez 3-5
When he runs his race, this is the best horse in training--not Big Brown and not Curlin. Commentator ran a negative 5 in the Whitney last time, but here's the thing. Commentator has soundness problems. The huge efforts take their toll, and it's been three years since he's been able to put two top tries back-to-back. In fact, he's only been able to run his best one time in each of the last two years, and both times only when he was fresh and returning from layoffs. He did the same thing this year and although he did come back to that figure, it took him almost seven months to do it. It's extremely unlikely Commentator can now pair up that effort at age seven--which doesn't necessarily mean he'll lose here since he's a lot faster than most of these--but it makes him vulnerable.

3 Won Awesome Dude [Awesome Again](#) Lambert 8-1
Didn't race until he was four, and got a whole lot better this year at age five. In June he improved yet again, running a negative figure despite losing to Solar Flare in an allowance. Not surprisingly, he backed up for a couple of races, but not badly, and now he comes into this with good rest. He's the second fastest horse going in, and there's every reason to expect him to fire here.

4 Cuba Not For Love Cotto Jr 6-1
Was strong and sound at age four before falling apart, and it took him three years to get back to that level. He ran his best two back and almost as well last time only 13 days later--which might be a problem. Multiple big efforts with little rest can have a cumulative effect, even with good rest afterwards. It's hard to tell what this guy will do.

5 Volcanic Force Quaker Ridge Dooley 20-1
Is better than ever at age six, and ran the best race of his life two back. But even that effort won't do it here, and he probably won't run his best again this soon.

6 Dr. Pleasure [Thunder Gulch](#) Velasquez 7-2
Is another with soundness problems, as we can see from his history of short campaigns interspersed with layoffs. As we saw with Commentator, unsound horses often run their best off layoffs, and Dr. Pleasure did exactly that last time out, blowing away an allowance field at Saratoga. But he would have to run faster than he ever has to have any real shot here, and there is every reason to believe he ran his race last time, and won't improve now.

7 Riversrunrylee [Outflanker](#) Gonzalez 15-1
Has come a long way in a relatively short time from humble beginnings, and has run a top in every dirt route this year. He has a good chance to pair up or even go forward, but this is a tough spot.

Bottom Line: Dr. Pleasure will be overbet here, making the race bettable. Won Awesome Dude gets serious weight from Commentator, and can beat that one if he doesn't run his best. He's our play, but we'll also play an exacta under Commentator out of respect.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

PRETTY CARINA (f, 3, Seeking the Gold--Ile de France {GISP, \$125,300}, by Storm Cat) had just one outing last season for trainer Eduardo Caramori, finishing third to Keep the Peace (Touch Gold) in a Churchill maiden Nov. 9. The Stud TNT homebred resurfaced July 27 at Saratoga with an authoritative 7 1/2-length triumph for Bobby Frankel, and looked to be on her way to victory in a seven-furlong allowance Aug. 20 at the Spa when she ducked in and out, and wound

up losing by a nose ([video](#)). Bet down to 2-5 here, the seal brown filly jumped out in front, cruised through a half in :46.10 and maintained a straight course down the stretch to score by five lengths under a hand ride. Song of Love (Changeintheweather) came on to complete the exacta. Pretty Carina's dam, who ran third in the 2002 GI Santa Anita Oaks, is the first foal from 1995 GI Hollywood Starlet S. heroine Cara Rafaela (Quiet American). That mare was subsequently honored as Broodmare of the Year following the 2006 championship exploits of her son Bernardini (A.P. Indy). **Click for the [brisnet.com chart](#). Darley's **Florentino (Jpn) (Sweet Overboard)**, a ¥140-million purchase at the 2006 JRHA Select Foal Sale, deserves another chance after finishing a green fifth in his Aug. 23 Saratoga debut. Trying grass for the first time here, the 4-5 chance stalked through easy early fractions of :23.87 and :48.28 and fought her way to a one-length victory over Grand Obsession (Shore Breeze). Charlie's Moment was second in a \$50,000 maiden claimer in his Hollywood debut June 4 before finishing fourth in a special weight June 19. The dark bay earned his diploma by a nose at Del Mar July 26, then crossed the line fourth in the Aug. 10 GII Best Pal S., but was moved up to third via disqualification. Making his route debut here, the crowd's choice settled in fourth, made a quick move to grab the lead on the final turn and drove clear for a popular score.

EAGLE SET FOR RETURN Sheikh Mohammed Bin Khalifa Al Maktoum's **Eagle Mountain (GB)** (Rock of Gibraltar {Ire}) is due to run in Wednesday's Listed Foundation S., trainer Mike de Kock announced yesterday. Off the track through injury since finishing runner-up in last year's G1 Champion S. at Newmarket, the ex-Ballydoyle-trained four-year-old will be having his first start for new connections in the Goodwood contest. "We've entered Eagle Mountain in the Foundation S. and, at the moment, it is my gut feeling that he will go for the race," his conditioner commented. "He will also be entered for a race at Great Leighs, but I would prefer the Goodwood option. He had a gallop with Archipenko (SAf) at Newmarket the other day and it actually went very well. I am very happy with him and he's got several options open to him throughout the autumn. We've got him entered in a Group 1 race in Milan and there is also the possibility of the Breeders' Cup in America. He could also run in a couple of races at Newmarket next month, including the [Oct. 18] G1 Champion S., but we will see how he comes out of his next race before making any firm plans." The highweight three-year-old from 9.5-11 furlongs last year, two-time Group 2 winner Eagle Mountain was also second in the G1 Epsom Derby and third in the G1 Irish Derby. He has compiled a record of 13-3-5-1 for earnings of \$1,291,179.

FREE AGENT SIDELINED The Queen's Listed Chesham S. winner **Free Agent (GB)** (Dr Fong) has will miss the remainder of the season with an unspecified injury, connections reported yesterday. Saturday's G2 Juddmonte Royal Lodge S. had been pencilled in for the unbeaten Richard Hannon-trained juvenile before the setback and Racing Manager John Warren revealed in a statement to *PA Sport* yesterday, "Sadly, the colt sustained an injury yesterday and will be unable to run in the Royal Lodge Stakes at Ascot next week. It is hoped that he should make a full recovery for racing next year."

SADDEX OUT OF ARC Stall Avena's **Saddex (GB)** (Sadler's Wells) is set to miss the Oct. 5 G1 Prix de l'Arc de Triomphe, the *Racing Post* revealed. Last seen when winning the May 18 G1 Premio Presidente della Repubblica at the Capannelle, the five-year-old who was sixth in last year's renewal of the Longchamp showpiece had recently moved from Peter Rau's stable to Werner Baltromei and underwent surgery to remove a bone chip from his carpal joint on Monday.

All horses in the *TDN* are bred in North America, unless otherwise indicated

Sent the handicap route after a debut score at Salisbury June 10, Kalahari lined up for this stakes debut off a pair of Newmarket handicap wins Aug. 2 and Aug. 9 and duly obliged for a personal best. Settled behind the leaders until beyond halfway, he made headway under pressure inside the final quarter mile and found an extra gear under urging in the closing stages to comfortably assert superiority. "He's done nothing but improve and there's nothing to say he won't improve further," commented trainer Andrew Balding. "He's very smart and we'll now have a look at the G2 Challenge S. [at Newmarket Oct. 18]."

Roused into action passing the quarter-mile pole, the 20-1 outsider quickened smartly to challenge at the distance and was ridden out in the closing stages to impose a half-length superiority over Full Toss (GB) (Nayef). "I expected him to run extremely well because he's bred to stay and I think he's a very nice horse," commented trainer Marcus Tregoning. "He did a strong piece of work on Thursday which sharpened his mind a little bit and Hayley [Turner] gave him a very good ride. It has taken him time to get to grips with things, but I expect he will get some very nice entries for next year." DUNDALK SET UP CUP PREP

Dundalk racecourse yesterday stepped in to attract **Duke of Marmalade (Ire)** (Danehill) by inventing their own £30,000 Breeders' Cup Trial S. Prompted by the prospect of Susan Magnier and Michael Tabor's four-year-old shipping to Great Leighs for next Saturday's Cup Trials meeting, management at the Polytrack venue announced that the new race will be staged over 1 5/16miles on their Oct. 3 evening card. The "Duke's" trainer Aidan O'Brien was quick to lend his support yesterday. "It is a great initiative and the intention would be for Duke of Marmalade to run there if the ground turns out to be unsuitable at Longchamp [for the Arc]," he told *PA Sport*. On the same day, Great Leighs also announced that they are intending to start their four trials with a bell.

SHAMARDAL COLT AT THE FORE

Societa Gestione Aste (SGA)'s Select Yearling Sale got underway yesterday, with a colt from the first crop of Shamardal topping proceedings at €280,000. Out of the listed-placed Zafonic mare Rentless (GB), hip 98 from the dominant SARL Srl consignment hails from the extended family of the matriarch Riverqueen (Fr) and among his immediate relatives is the smart Godolphin runner Earl's Court (GB). Michael Buckley, part of the Darley Flying Start team, signed the ticket on behalf of Sheikh Mohammed bin Rashid Al Maktoum's operation. Six lots earlier, Anthony Stroud snapped up another prized member of that draft, paying €185,000 for a son of Galileo (Ire). From the family of the top-class Devil River Peak, the May foal will race in the colors of Earle Mack and be trained by Valfedo Valiani, like Mack's past star Electrocutationist. SARL made it a clean sweep by supplying the top-priced filly as hip 12. By Darley's in-demand freshman Dubawi (Ire), she is out of the listed stakes winner Windy Britain (GB) (Mark of Esteem {Ire}) and was knocked down to Sergio Scarpellini's la Nuova Sbarra for €130,000. That operation also paid €100,000 for Razza del Sole's hip 95, a Zamindar half-brother to this year's Listed Premio Vittorio Crespi winner Piperita (GB) (Observatory), who they bought from the same draft here 12 months ago. Bobby O'Ryan was on hand to buy Allevamento Mandorli's hip 28, a son of Invincible Spirit (Ire) whose dam is a half to the sire Marouble (Ire) and the 1998 G1 Irish 1000 Guineas and G1 Irish Oaks runner-up Kitzu (Ire), later the dam of Fort Dignity. After the agent had paid €120,000 for the blueblood, he revealed that he will be trained by Dermot Weld. Alongside Stroud and O'Ryan, other overseas patrons of the Settimo Milanese complex included Coolmore's John O'Byrne, Jamie Railton, Con Marnane, Swiss trainer Miroslav Weiss and Shadwell's Angus Gold, who paid €80,000 on his sole purchase of SARL's hip 60, a daughter of their homebred stallion Nayef whose page includes the top-class Ace (Ire), Danish (Ire) and Hawkeye (Ire). Despite the demand for the very top offerings, the middle market suffered, as did the clearance rate at 68 percent which saw the equivalent first-day average drop from €53,303 in 2007 to just €38,240 yesterday. Selling continues today at 2p.m. today. Full results can be viewed at www.sgasales.com.
