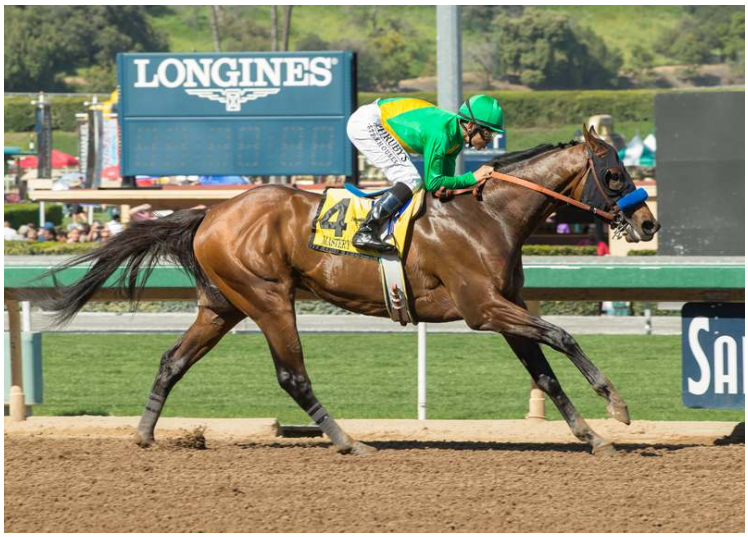
MASTERY INJURED IN SAN FELIPE ROMP



Mastery | *Benoit Photo*

In a matter of moments, Saturday's GII San Felipe S. and the immediate aftermath epitomized the highs and lows of Thoroughbred racing. '**TDN Rising Star**' **Mastery** (Candy Ride {Arg}) could not have been much more impressive romping away from talented GII San Vincente S. hero **Iliad** (Ghostzapper) in the stretch, but connections were never able to celebrate the victory. Hall of Famer Mike Smith quickly dismounted after the race.

"I felt it about 10 jumps after the wire," Smith said shortly after Mastery walked into a horse ambulance under his own power. "All of a sudden he just picked up his back leg. At that point I couldn't tell what it was."

Reports remained positive once Mastery returned to the barn, and assistant trainer Jimmy Barnes even phoned conditioner Bob Baffert to let him know that Everett Dobson's undefeated colt had walked off the van seemingly fine. But upon further examination, it was revealed that Mastery had suffered a condylar fracture to his left front that would require surgery and indefinite time off.

"It's a tough pill to swallow," Baffert told the *TDN* when reached for comment Saturday evening. "He's going to be okay, but he is going to need surgery. He's got a front left condylar fracture, so he's going to need two screws. Until they do the surgery, you don't know, but he is going to be okay. It's pretty frustrating to have a really good horse and then they get hurt like that." **Cont. p8**

TAPWRIT GIVES PLETCHER ANOTHER TAMPA BAY DERBY

The 11-10 chalk to improve on his runner-up effort behind undefeated '**TDN Rising Star**' McCraken (Ghostzapper) in the GIII Sam F. Davis S. Feb. 11, **Tapwrit** (Tapit) raced through the field of the GII Lambholm South Tampa Bay Derby like the proverbial hot knife through butter and rolled home an impressive 4 1/2-length winner. "We were looking for a big effort from him," trainer Todd Pletcher said from Gulfstream via telephone. "And this was everything we could hope for. He won pretty convincingly, and we're very pleased." Positioned slightly worse than centerfield as **State of Honor** (To Honor and Serve) set a searching pace up front, the $1.2-million Fasig-Tipton Saratoga yearling purchase took flight entering the second turn and the race was over, for all intents and purposes. He slingshot his way past rivals nearing the entrance to the lane and cruised home to win for fun. Tapwrit's final time of 1:42.36 is a new stakes record for the Tampa Bay Derby, bettering the mark of 1:42.82 set last year by Destin (Giant's Causeway). **Cont. p10**

Top Triple Crown prospect and GIII Sam F. Davis S. hero McCraken (Ghostzapper) might have been forced to skip a return to Oldsmar for Saturday's GII Tampa Bay Derby due to a strained ankle, but he was back on the worktab, breezing a half-mile in :50.20 (62/75) at Palm Meadows. | SV Photogrpahy

SHAMAN GHOST RAIDS FOR BIG 'CAP GLORY **3**

Front-running local hope Midnight Storm dug deep, but East Coast invader Shaman Ghost simply wouldn't quit, and wore down that foe late to provide racetrack owner Frank Stronach with his third Big 'Cap. Toting co-highweight of 122 lbs. with the aforementioned streaking GI Shoemaker Mile S. and GII San Pasqual S. winner, Shaman Ghost showed a bit more speed than usual from the gate before being squeezed out slightly in the scramble into the first bend. Champion pilot Javier Castellano maneuvered the favorite into a pocket spot, and he drafted in Midnight Storm's slipstream through splits of :23.54, :47.52 and 1:11.76 before coming under a somewhat inauspicious ride around the home turn. The leader tried to slip away at the quarter pole, but Shaman Ghost called on his deep stamina reserves, and ground out the victory despite drifting out a bit.

"I knew there wasn't a lot of speed in the race, so I just wanted to focus on the horse on the lead, Midnight Storm, and keep track of him," said Castellano. "[Shaman Ghost] was comfortable the whole way... I knew I had it won at the eighth pole. I asked him for full speed at the eighth pole, and he gave it to me, right away. I said 'Yes!'"

Jerkens added, "It didn't look on paper like there was much pace, so it didn't surprise me that he was placed where he was. He's been showing up in all of his races, so I think he should get some [respect] now."

Jerkens trainee Effinex (Mineshaft) was third in last year's Big 'Cap. *Click for recent feature Jerkens Back at Santa Anita with Shaman Ghost.*

A winner of the 2015 Queen's Plate under the tutelage of Brian Lynch, Shaman Ghost annexed the 12-panel GII Brooklyn Invitational S. at Belmont for this barn last June, but failed to fire when fifth in that venue's GII Suburban H. in July. He upended Frosted (Tapit) in the Spa's GI Woodward S. in September, and checked in third behind Gun Runner (Candy Ride {Arg}) in Churchill's GI Clark H. Nov. 25 after being scratched from the GI Breeders' Cup Classic due to a fever. The 5-year-old had last been seen running a good second in the GI Pegasus World Cup Invitational at Gulfstream Park, another The Stronach Group property.

Stronach leads Shaman Ghost into the winner's circle | *Benoit*

"This is my third win in the Big 'Cap," noted Stronach, who also took back-to-back runnings in 2002 and 2003 with Milwaukee Brew. "Of course any time you win a Grade I it is a thrill, especially this race... I was kind of sitting there quiet [watching the race]. He's had a lot of bad racing luck and he's better than what he has shown. Today it all worked out."

Pedigree Notes:

Claimed for $40,000 by trainer Rafael Becerra on behalf of Phil DeRenzis and Peter Vanderham here in 2006, Shaman Ghost's dam Getback Time proved a useful Cal-bred stakes horse over the next year-plus, but never quite broke through with a blacktype victory, having been DQ'd from first to second in an added-money event over the Hollywood synthetic the following year. Adena Springs acquired her privately some time after she was retired, and Shaman Ghost was her fourth foal.

Denman's Call, looking for his first victory since a sharp debut win over subsequent three-time graded winner Cupid (Tapit) at the Great Race Place last January, pulled off a shocker here at 16-1.

"We dreamt about this, but none of us would have thought it was possible to do what he just did," trainer Doug O'Neill said. "That was pretty incredible."

Cont. p6

Triple Bend cont.

Third behind subsequent Classic winners Nyquist (Uncle Mo) and Exaggerator (Curlin) in last year's GII San Vicente S., Denman's Call closed out his sophomore campaign with a fifth-place finish as the 8-5 favorite in the GIII Lazaro Barrera S. in May. He rolled a pair of threes in two start since versus optional claiming company at Santa Anita Jan. 21 and Feb. 18.

Drawn on the fence in this one, Denman's Call saved ground in third as heavily favored Masochistic, winner of this race in 2015, carved out fractions of :22.94 and :45.22. Denman's Call hit the gas on the far turn and punched through an inviting opening along the rail at the top of the lane. Masochistic quickly re-engaged, but couldn't keep pace with Denman's Call, who edged clear late to light up the tote board.

"I was going to run in an allowance, but it didn't fill," O'Neill continued. "Such a wacky game. Thankfully, the allowance race didn't go, and here we are. It's incredible. We were just talking about what an unbelievable opportunity and a dream it would be to have him for the [GI] Breeders' Cup Sprint down at Del Mar this year. That'll probably be a dream goal. We'll talk to the owners and put our heads together, but we're going to enjoy the heck out of this."

Pedigree Notes:

The California-bred Maggie McGowan, a debut winner for these connections in 2011 and a $5,000 BAROCT yearling purchase, counts Denman's Call as her first foal. The 9-year-old, a half-sister to MGISW Evening Jewel (Northern Afleet), has also produced a Graydar filly in 2015; a Goldencents colt in 2016; and was bred back to Bernardini.

Bal a Bali back to winning ways | *Zoe Metz photo*

A champion and Triple Crown winner who tasted defeat but once in his native Brazil, Bal a Bali had not won a race in this country since annexing an optional claiming test at Del Mar in October 2015. Acquired by Calumet Farm from his previous U.S. owners Fox Hill Farm and Siena Farm, the 7-year-old snapped the skid in style with a victory in Saturday's GI Kilroe Mile at Santa Anita. **Cont. p8**

Kilroe Mile cont.

Held up at the fence from about fourth spot behind the front-running defending champion What a View, Bal a Bali raced under a nice hold saving ground into the second turn. Pulled out and around Conquest Enforcer (Into Mischief) at the quarter pole, he swapped his leads on cue and set his sights on What a View, who looked like he was off and gone entering the final furlong. Ridden vigorously by visiting jockey Javier Castellano, Bal a Bali kept on coming and grabbed What a View in the final few strides. With the win, he pushed across the $1-million mark in career earnings.

"I feel great. I'm very lucky and fortunate to have been able to ride the horse," Castellano commented. "I give all the credit to Mr. Mandella and what he did; the way he trained the horse. He came from way back and gave a great performance. Richard kind of told me how to ride the horse a little bit. I did my homework, watched past races, handicapped the race. Everything turned out well, worked out great. I'm very fortunate and was very lucky to ride this horse."

'**TDN Rising Star**' Dortmund, the 3-1 second choice, detested the grass, according to his connections.

"He was not [comfortable] on the turf," his jockey Victor Espinoza explained. "I think he should go back to dirt again and recover, recuperate, and I think he's going to run big on the dirt. Big difference when you take them off the turf to the dirt. We'll be ready for the next one."

Third to What a View last year, Bal a Bali filled the same spot in the GIII San Francisco Mile in April, but was unplaced in the GII Charlie Whittingham Memorial S. the following month and eighth when trying the dirt for the first time in the GI Gold Cup at Santa Anita last June.

Hyped up for his six-panel unveiling here Oct. 22, Mastery ran to 3-10 odds to cruise to a convincing 4 1/4-length victory, good for a 93 Beyer Speed Figure. He doubled up in Del Mar's seven-furlong GIII Bob Hope S. Nov. 19, and took to two turns emphatically with a 7 1/4-length drubbing in the GI Los Alamitos Futurity Dec. 10, pairing up the 3 Thoro-Graph number he earned on debut.

Working up a storm over this strip, Mastery was crushed again in the wagering despite the presence of Iliad and Grade I winner Gormley (Malibu Moon), and the money proved spot on. Fastest into the first turn, Mastery seized a half-length advantage from a scrubbed-on Gormley with Iliad right off that one's right flank. Mastery's former stablemate Iliad loomed the only danger as he ranged up and tried to make a race of it past six panels in 1:10.48, but Mastery quickly shut the door required almost no encouragement from Smith to go about his business. **Cont. p10**

"The performance was just off the charts," Baffert later said. "He did it so easily. We were so excited, I didn't even watch [the gallop out]. When he hit the wire, I was thinking [2015 Triple Crown winner] American Pharoah (Pioneerof the Nile). That's the way he's been training. I really feel bad for Everett Dobson because we all saw they've been talking this horse up like he's the next coming and then that happens. It's tough, you know? But, he's going to be okay at least."

When asked about treatment and prognosis for Mastery, Baffert offered, "He will be healed up in 90 days, but right now we can't even think that far down. We are all so full of a disappointment that he got hurt after such a great performance, but we are very happy that he is going to be fine. Whatever he needs to get over this, he will have plenty of time. I'm just absorbing it as we speak. It's just tough. But what a performance."

Pedigree Notes:

Arthur B. Hancock III of Stone Farm acquired Mastery's dam for just $20,000 at the 2009 Keeneland November sale in foal to Yes It's True and before the mare's first foal Clear Sailing would become a stakes winner. Hancock had had limited success with Steady Course in subsequent breeding seasons before Mastery caught the eye of agent Gatewood Bell at the 2015 Keeneland September sale and brought a solid price of $425,000. Steady Course produced a First Samurai colt last term, but was unsuccessfully bred to Twirling Candy after that. Mastery's second dam is MGSP Steady Cat, who was responsible for GSW and sire Jump Start (A.P. Indy). He hails from the extended female family of Miswaki.

"He just exploded," Aron Wellman, president of co-owner Eclipse Thoroughbred Partners, said. "That was what we were hoping for, and he delivered."

A maiden winner at second asking and first time long at Gulfstream West Nov. 6, the gray saw most of a five-length lead evaporate in the final furlong when annexing the Pulpit S. in the Gulfstream slop Dec. 10. The recipient of an inside trip in the Davis, he was never all that far from the front and rallied, but was no match for McCraken.

Tapwrit | *Eclipse Sportswire*

Tapwrit's Tampa Bay Derby victory was the fourth in the last five runnings of the race for Pletcher.

"When I asked him between the half-mile and 3/8 poles, he let me know he was going to win the race right away," said jockey Jose Ortiz. "He's really scary, and I think he is going to keep improving." **Cont. 12**

Just a Monmouth maiden winner in eight tries on the main track to begin her career, Dickinson has become a turf tigress and scored her second straight graded win on the surface with a convincing defeat of favored Isabella Sings in Saturday's GIII Hillsborough S. at Tampa.

Away without incident, Dickinson made the most of her low draw and was able to secure a rail-skimming spot on the fence in a share of fourth, three back on the fence and chasing the pace of Isabella Sings, who nearly reigstered a stunning upset of champion Tepin (Bernstein) when opening up by as many as 18 lengths in the 2016 Hillsborough. The pacesetter had things very much her own way through the first half-mile in just :47.01, but the rail was open for Dickinson and she pinched ground from that spot as the quarter pole loomed. **Cont. p13**

Hillsborough S. cont.

Pulled away from the fence to launch her bid at the three-sixteenths marker, Dickinson had all the momentum in her favor, wrested command inside the final furlong and kept on strongly as Elysea's World took a run at her late. Isabella Sings was forced to settle for an alibi-free third.

"We've been patient with her, and we're starting to be rewarded," said Jimmy Bell, President and Racing Manager in the United States for Godolphin. "Paco [Lopez] fits her very well and he gave her a great ride today. We love her versatility, but the turf is where she has really started to flourish."

Dickinson's metamorphosis began with a facile allowance success in her turf bow at Parx last September and she doubled up at Belmont Oct. 20. A rallying fourth, one spot behind Isabella Sings, in the Jan. 14 GIII Marshua's River S. at Gulfstream, she most recently got over the hump with a 1 1/4-length defeat of Elysea's World in the GIII Suwannee River S. in Hallandale Feb. 11.

Pedigree Notes:

Dickinson is the first stakes winner produced by Little Belle, who won the 2008 GI Ashland S. and was second to Proud Spell (Proud Citizen) in that year's GI Kentucky Oaks. She was also placed in the GI CCA Oaks and GI Alabama S. A full-sister to the stakes-winning Dubai Dancer, Little Belle's third dam is European champion Flagbird (Nureyev), a half-sister to Grade I winners Prospectors Delite and Runup the Colors in addition to GSW Top Account.This is also the female family of Medaglia d'Oro's '**TDN Rising Star**' Bay of Plenty (SW & GSP). Southern States (GB), a full-brother to Dickinson, is the last listed produce for Little Belle.

In a race where a number of riders got a bit antsy and appeared to move too soon, Fifty Five waited patiently and mowed them all down under Jose Ortiz. The bay caboosed the field early, a spot or two behind heavily favored comebacker La Coronel as a longshot zipped away through impossible splits up front. The race complexion quickly changed around the home bend when La Coronel made a massive sweeping move to challenge for the lead, forcing those inside of her to also hit the gas, but Ortiz sat relatively chilly on Fifty Five and drafted in behind passing the quarter pole. La Coronel dug in to fend off Compelled up the fence, but couldn't muster enough to repel Fifty Five's surge over the top.

"The trainer [Tom Bush] just told me to keep patient and when you ask her, she is going to give you a big run," Ortiz said. "I just tried to follow [La Coronel] because I knew she was going to be tough, and as soon as we passed the eighth pole, I knew we had a decent chance to win."

Bush added, "The fractions [:22.83 and :46.90] helped us quite a bit, but she did move up on the backside with the rest of the field and was in pretty good shape. It's a terrific feeling. She just won a graded stakes and has improved every time we've run her, and you can't ask more from a horse than that."

Third over good ground in state-bred company at Belmont last October, the bay returned a month later at the Big A to don cap and gown with a far-back rally. She added a last-to-first triumph over '**TDN Rising Star**' Tamit (Ire) (Fastnet Rock {Aus})--who was scratched from this race--in an open optional claimer at Gulfstream Jan. 1, and was a good rallying third, beaten less than a length and only a nose by Compelled, in Gulfstream's Feb. 4 GIII Sweetest Chant.

Owner/breeders John and Sandy Crowe were on hand to enjoy their filly's victory.

"She's a heartthrob, because she always comes from behind like that," said John. Sandy added, "When [Ortiz] took her back early, I thought 'She's done this before. But when they turned for home, I said 'Get her moving, get her moving.'"

Pedigree Notes:

Fifty Five is a member of the first crop of MGISW turfer Get Stormy (Stormy Atlantic), who Bush also trained. His other standout runner Clyde's Image is campaigned by Get Stormy's owner Sullimar Stable and conditioned by Bush. That gelding was second in Gulfstream's GIII Dania Beach S. at 45-1 and filled the same slot at 32-1 in the Kitten's Joy S. Dam Soave, an Empire Equines homebred as well, has an unraced 2-year-old filly by Point of Entry.

Providing her stablemate and fellow '**TDN Rising Star**' Unique Bella (Tapit) with the ultimate endorsement, It Tiz Well took her show on the road for Saturday's GIII Honeybee S. and overcame her own relative inexperience to post a game victory.

With the resurgent Corey Nakatani in the boot for the first time, It Tiz Well broke on her wrong lead, but then settled in the one-out and one-back spot from fourth with cover behind Tapa Tapa Tapa (Tapit) down the backstretch. Rousted along with a little less than three furlongs to race, It Tiz Well continued to gain ground and poked her nose in front, her head cocked noticeably to the right, at the top of the lane. With Nakatani tugging hard against her right rein in an attempt to get her to switch leads and to keep her off of Tapa Tapa Tapa to her inside, It Tiz Well responded nicely under left-handed urging to fend off a game Benner Island for the victory. '**TDN Rising Star**' Elate, far back and off the track in the early going, found the line nicely to be third while no threat to the winner.

"[Trainer] Jerry [Hollendorfer] has had a lot of confidence in her obviously," assistant trainer Don Chatlos told the Oaklawn notes team. "He ran her against Unique Bella a couple starts back. He thought this would be a good spot to get her away from her and get her around two turns. We're getting closer to the [GI] Kentucky Oaks. She's not going to find any easy spots and obviously this wasn't. It was a good test for her."

Pedigree Notes:

It Tiz Well's dam, a half-sister to Sovereign Award-winning grass mare Solid Appeal (Successful Appeal), was a dual stakes winner on the Southern California circuit for trainer Mark Glatt. She is also kin to SP Meetmeinthewoods (General Meeting), the dam of SW Jimmy Bouncer (Square Eddie). It Tiz Well's stakes-winning third dam produced the stakes-winner Follow the Rainbow (Event of the Year). It Tiz is the dam of the 2-year-old filly End of Now (Ghostzapper), a $230,000 purchase by Jim and Susan Hill out of last year's Keeneland September sale, as well as a yearling filly by Scat Daddy. She was most recently bred to Ghostzapper's successful half-brother City Zip.

Spartiatis, sixth in this race last year, was seventh in the GIII Fall Highweight H. Nov. 24, then fourth in a local optional claimer Dec. 16. He earned a 99 Beyer Speed Figure in a $62,500 optional claiming victory over track and trip Jan. 21 and was given another shot verus stakes competition here. Drawn on the fence, he stalked the early leader Chief Lion while racing to his inside, then quickly dropped back to race in fourth entering the far turn. He had his work cut out for him as Chief Lion kicked for home well clear, but kept on coming on the outside in the stretch to win going away. "We're [GI] Carter-bound [Apr. 8]," winning trainer Leon Blusiewicz said. "He's really settled down a whole lot. He's a different horse, if you just give him a chance."

UNION RAGS FILLY DAZZLES AT SANTA ANITA TO 'TDN RISING STARDOM'

Hall of Fame trainer Richard Mandella told *TDN* that he still had "a lot of high hopes" for **Paradise Woods** (Union Rags) following her debut second behind '**TDN Rising Star**' Delitefull Lady (Dialed In) as the 6-5 chalk after setting a hot pace at Santa Anita Jan. 26. You can certainly see why now.

Favored at 4-5 in her comebacker on the GI Big 'Cap undercard, Paradise Woods showed a new dimension this time and settled nicely while racing in fifth while under a snug hold through an opening quarter in :21.86. She revved up while at least four wide off the turn for home and blew them away once sat down for the drive to score by 4 1/4 eye-catching lengths. True Testament (Hansen) was second.

The winner's unraced dam Wild Forest (Forest Wildcat), an $85,000 purchase by Damian and Braxton Lynch's Royal Oak Farm at the 2015 KEEJAN sale, has also produced the stakes winner Forest Chatter (Dixie Chatter) and a Blame filly in 2016. She was bred back to Palace Malice. Paradise Woods' second dam is a half-sister to the late top sprinter Mr. Greeley and this is also the extended female family of GI Kentucky Derby winner Street Sense.

Paradise Woods was featured on our inaugural Second Chances feature Feb. 24.

TAPIZAR COLT SIZZLES IN 'TDN RISING STAR' WORTHY DEBUT

American Pastime (Tapizar) burst on to the scene with an eye-catching 4 1/2-length victory at Santa Anita Saturday, covering six furlongs in a sizzling 1:09 flat to become the second "**TDN Rising Star**" of the day.

Bet down to 3-1 favoritism from a 9-2 morning-line quote, American Pastime broke on top from gate 11 and battled for control while three wide through a swift opening quarter in :21.61. Allowed to cruise into the lead with just three furlongs to race, the $135,000 KEESEP purchase floated out wide at the quarter-pole, with **Cascade Kid** (Smart Strike) poised to take advantage of the half-mile split in :44.64. Still under a hand ride from Kent Desormeaux, American Pastime swatted that challenger away and zipped home an ultra-impressive winner.

American Pastime | *Benoit*

American Pastime's dam Ryan's Inheritance (Valid Expectations), a half-sister to GSW and MGISP Victory U. S. A. (Victory Gallop), is responsible for a juvenile filly by Paynter and a yearling filly by Awesome Again. The winner also hails from the family of MGSW and GISP turfer Foresta (Alydar). ***Chart p2***

The fleet-footed Stanford ran the field off their feet in a new track record time in the Challenger. Adding blinkers for this test, the chalk assumed his preferred position at the head of affairs and ticked off early fractions of :23.66 and :47.06 while pressed along by Ami's Flatter. Showing the way into the lane with plenty left in the tank, the bay easily kicked clear of his pursuer to score a decisive victory. Winner of last term's GII Charles Town Classic, Stanford faded to eighth in Frosted (Tapit)'s record-setting GI Metropolitan H. June 11 and was subsequently shelved. He returned a winner in Gulfstream's GIII Harlan's Holiday S. Dec. 17 and missed by a head last time in the nine-furlong Poseidon S. on the GI Pegasus World Cup undercard Jan. 28. The winner's dam did not produce a foal in 2015 or 2016 and was most recently bred to Flatter. Pretty Perfection, fifth in the Lightning City S. at Tampa Dec. 17, has really caught fire at Gulfstream since. The bay followed a narrow local optional claiming tally Jan. 4 with a 13-1 upset in the Ladies' Turf Sprint S. Jan. 28. Looking for her third straight win here, she chased from fourth through an opening quarter in :21.13. The bay set her sights on the leader at the top of the stretch and dug down deep in the lane to outfinish Brandy's Girl to remain perfect on the Hallandale lawn. "She's surprised me," winning trainer Kelly Breen said. "I don't know if she just likes the turf here, but it's tough to go three-for-three at Gulfstream Park. This is the elite meet with tough horses." Suchaprettygirl produced a full-brother to the winner last year and was bred back to Include. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Returned to the dirt next out Dec. 29, he checked in a respectable second in a muddy renewal of the state-bred Damon Runyon S. run over the Aqueduct inner. Hammered down to even-money favoritism for this return to the lawn, the bay broke sharply and engaged in a three-horse duel for control entering the first turn. Settling in a stalking second through an opening quarter in :22.93, the $200,000 KEESEP buy swept past the pacesetter as they hit the half in :46.77 and cruised clear in the lane to win by 3 1/2 lengths. Sent off at 5-2, the $1-million KEESEP yearling kept a watchful eye on the leaders from a joint third through moderate early fractions. Ranging up two-wide on the turn for home, the dark bay seized control in the final furlong and skipped clear to win by 1 3/4 lengths over Lewis Vale (Flower Alley). Whitmore | *Coady*

Successfully reinvented as a sprinter this term, Whitmore reeled off his third straight victory in impressive fashion Saturday afternoon. Keeping close watch on the leaders from a ground-saving sixth through a swift first quarter in :21.60, the chestnut was right on pacesetting Holy Boss (Street Boss)'s tail as they hit the half in :44.83. Switched to the outside turning for home, the gelding swiftly disposed of the leader in the stretch and charged clear to win for fun. "We had confidence that our rider would make the right decision," said co-owner and trainer Ron Moquett, who named the GIII Count Fleet Spring H. Apr. 15 as a likely target. "I thought the race could unfold to where it would be better for us today to be a little farther off. It worked out. But he's got enough tactical speed that he can put us where we need to be." Runner-up in both the GIII Southwest S. and GII Rebel last term, Whitmore was third in the GI Arkansas Derby and finished second last when 19th in the GI Kentucky Derby last May. Sent to the sidelines, he resurfaced at Aqueduct Dec. 3, winning a 6 1/2-furlong optional claimer, and followed suit with a decisive score over this track and trip Jan. 15, good for a 102 Beyer Speed Figure. The winner's dam produced an Atreides filly last term and was bred back to that Hill 'n' Dale sire. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Favored at 1-5 to stretch her record to a perfect three for three in her young career, Stallionaire Enterprises' '**TDN Rising Star**' Stallion Heiress drew clear through the final eighth of a mile for a second black-type success in the Allen Lacombe Memorial S. Saturday afternoon at the Fair Grounds. The Ontario-bred miss, a $100,000 Keeneland September yearling acquisition, debuted with a four-length tally in a 5 1/2-furlong turf maiden Dec. 8 and toyed with her rivals by 7 3/4 lengths in the Joseph E 'Spanky' Broussard Memorial S. Feb. 11. Soon in front, but very eager beneath Mitchell Murrill, Stallion Heiress galloped them along at a decent clip, was shaken up to quicken approaching the eighth pole and had 3 1/2 lengths over Pure Michigan on the wire. Stallion Heiress, whose third dam was MGSW & GISP Trishyde (Nureyev), is kin to a yearling colt by Broken Vow and was returned to that Pin Oak stallion last term. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

CARE (f, 4, Trappe Shot--Staff Nurse, by Arch) failed to fire when eighth in her career bow at Churchill Downs June 25 and was sent to the bench. Resurfacing over this track and trip Feb. 16, she was a well-beaten third behind an impressive performance from Noble Freud (Freud), a half-sister to champion La Verdad (Yes It's True). The 5-2 chalk kept close tabs on the leaders from a ground-saving fourth through a sharp first quarter in :22.18 and advanced into second through a half in :45.76. Taking control in early stretch, the bay skipped clear while running wide in the lane to don cap and gown by 1 1/2 lengths over Never Hungover (Sky Mesa). The winner is a half-sister to Great Minds (Stroll), GSW, $399,048; and a juvenile colt named Momma's Gift (Algorithms). Care also hails from the female family of MGSW and GISP Commissioner (A.P. Indy) and his half-brother GSW and GISP Laugh Track (Distorted Humor). Sales history: $130,000 Ylg '14 KEESEP. +RAPID DIAL (c, 3, Dialed In--Cartia, by Empire Maker) had been working steadily over the local strip since mid-December and was sent off at 6-1 in this unveiling. The $75,000 OBSOPN 2-year-old flashed good early speed and kept a close eye on the leading pair perched well off the fence. He moved up to challenge after a :22.36 opening quarter and soon steamed clear. With daylight on the field in midstretch, Rapid Dial ended up 2 3/4 lengths in front of the rallying Lawton (Archarcharch) at the wire. Cartia, who is out of GII Humana Distaff H. heroine Zuppardo Ardo (Zuppardo's Prince), has visited Brethren every year since producing Rapid Dial, with her latest produce being a juvenile colt named Agassi and a yearling colt. She was covered once again by Brethren last spring. Sales history: $7,500 Ylg '15 OBSOCT. OBSOPN. O'SUGAR BEAR (f, 3, Paddy O'Prado--My Sugar Bear, by Giant's Causeway) could not overcome a wide trip and trailed in ninth over course and distance Dec. 23. She improved to fourth in a local off-the-turfer Jan. 19 and closed markedly to take third when returned to the grass Feb. 17. Trailing the field the first time past the post, the 11-1 shot saved ground for the backstretch run. Tipped out into the middle of the course, through three-quarters in 1:16.63, she dashed up the outside with an impressive turn of foot to win by three-quarters of a length over How (Ire) (Galileo {Ire}). My Sugar Bear, herself a daughter of SW and GSP Primetimevalentine (Affirmed), has a 2-year-old filly named Vevina (More Than Ready). She was most recently bred to Quality Road. The 4-1 shot stalked from second as She Is Gorgeous (Forest Attack) skipped through a :22.63 quarter. She hooked the leader after a half in :46.39, and the duo dueled the length of the stretch before Amazing Peyton edged past in the final strides to win by a head. Sircat Sally took her record to a perfect four-for-four with a gutsy victory in her first try against open company in the China Doll S. Away alertly, the favorite stalked from second as Miss Sunset (Into Mischief) zipped through an opening quarter in :22.29 while several lengths clear of the rest. Closing the gap as the pacesetter completed a half in :46.02, Sircat Sally swept past that foe on the far turn and skipped clear in the lane to score. Beau Recall came flying late for second. Wiring the field to earn her diploma by five lengths in her state-bred debut at Del Mar, Sircat Sally demolished her competition next out at Los Alamitos with a 12-length romp in the Cal-bred Soviet Problem S. Dec. 17. Switched to the turf for Santa Anita's restricted California Cup Oaks Jan. 28, she proved surface didn't matter with a decisive 2 1/4-length victory. The winner is a half-sister to the 2-year-old filly Madam Sophia (Vronsky) and the yearling filly Accomplishedsister (Acclamation). Her dam was bred back to Square Eddie. *Click here for a "Down the Shedrow" with winning trainer Jerry Hollendorfer.* **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Spectroscope, a dual winner in France last year and twice placed at group level, was making his Australian debut here for Godolphin. The bay traveled last, about seven lengths off the lead, and on the fence early. Moving off the rail for running room coming off the bend, he responded when put to pressure by William Buick at the top of the lane, using the length of the stretch to grind his way to the front. Spectroscope hit the lead inside the final 100 metres, with Buick wrapping up in the final strides to win by a length. Spectroscope is the second foal of the GI First Lady and GI Just A Game S. winner Diamondrella, who was later sold to Katsumi Yoshida's Northern Farm for $1.5-million at Keeneland November in 2013. ***Cont. p9*

On my list of top five things in the world (following my two children, of course), I am fairly certain that France, the beach and racing would run 3-4-5. So you can only imagine how exciting it is to present Jocelyn Targett's whimsical tale about a winter respite at Cagnes-sur-Mer, a race-track in France. On the beach. With wine (#6). Dive on in. We also give you a guide to the birthday celebration for Man o' War, who turns 100 this month; introduce you to McCracken, Kansas, population 190, which is about to become famous for its Kentucky Derby namesake and give 85-year-old Janis Whitham the thrill of a lifetime; show you what's new in Dubai (it's always something!) and let Australian trainer Chris Waller have the last word. Hint: we're all going to want that sleeping app of his…

"It was a good performance, he's a nice horse with a big future," Buick told *Racenet.com.au*. "He'll improve a lot off that. He's class. Physically he has real presence and the mile won't be a problem." Spectroscope holds an entry for the G1 Doncaster Mile at The Championships on Apr. 1, and trainer John O'Shea indicated he would have a prep at group level before a decision was made on that A$3-million race. NOBLE MISSION THRIVING IN THIRD YEAR AT STUD

Noble Mission at Lane's End Farm in Kentucky | *Matt Goins*

By Kelsey Riley

The imminent beginning of the flat season in Europe means the first crop of Frankel (GB) will soon get its chance at Classic success. Those first 2-year-olds by the peerless unbeaten champion could hardly have made a better first impression, and not only in Europe; he notched a Group 1 winner in Japan in the form of Classic hopeful Soul Stirring (Jpn), and he also has 'TDN Rising Star' and Group 3 winner Mi Suerte (Jpn) going for him in the same country.

All this bodes well for Frankel's year-younger full-brother Noble Mission (GB) who, across the Atlantic in Kentucky, is standing his third season at Lane's End Farm.

"We're very encouraged by Frankel's start over in Europe and how well he's started out with his first-crop 2-year-olds," said Lane's End's Bill Farish. "I don't think it surprises anyone that he would start off well, but a lot of times when horses start in that kind of stud fee range and with those kinds of expectations it's hard to live up to them, and he's certainly done that. That bodes well for Noble Mission, being a full-brother."

Farish noted that those same expectations placed on Frankel have almost become a burden for Noble Mission as well.

TEOFILO GELDING TOPS AUSTRALIAN CUP

Humidor (Aus) (Teofilo {Ire}) had missed the winner's enclosure by less than a length on his three prior starts this term, but he put it all together when it mattered most on Saturday, earning a first Group 1 win in the A$1.5-million Australian Cup at Flemington. The bay, who was purchased in part by his new ownership group from New Zealand in the spring, made a lone start in Australia last season, finishing ninth in the G1 Cantala S. He was beaten 3/4 of a length first-up over 1400 metres in the Listed John Dillon S. at Caulfield on Jan. 26, and shortened the margin to just a quarter-length when second in the G3 Carlyon Cup on Feb. 11 and the G2 Peter Young S. on Feb. 25. Traveling with just two behind down the backstretch on Saturday as **Ecuador (NZ)** (High Chaparral {Ire}) set the pace from **Awesome Rock (Aus)** (Fastnet Rock {Aus}) and **Jameka (Aus)** (Myboycharlie {Ire}) on his outside, Humidor began to gradually pick off rivals on the outside rounding the turn. Widest of all at the top of the lane as Jameka struck the front, Humidor worked his way down the middle of the track under Damian Lane, drawing even with the mare at the 50-metre mark and ultimately getting her measure by a neck.

Noble Mission Thriving in Third Year at Stud Cont. from p1

While he is best known as 'Frankel's little brother,' Noble Mission's qualifications stand on their own. A Group 3 winner at three and a listed winner at four, Noble Mission blossomed as a 5-year-old for trainer Lady Jane Cecil, winning five of seven starts and three Group 1s--the Tattersalls Gold Cup, Grand Prix de Saint-Cloud and QIPCO Champion S. He was named Cartier Champion Older Male of 2014 around the same time a deal was done to stand the horse at Lane's End, with breeder Juddmonte remaining in the ownership syndicate.

"It almost becomes a bit of a negative being Frankel's brother because he's overshadowed by him, but I think it was a very good move to stand him over here because American breeders have been incredibly supportive of him," said Farish. "It's gratifying to see that. There are 148 individual breeders that have supported him in only three seasons. He's had very widespread support."

In addition to Juddmonte and Lane's End, those breeders include Shell Evans, Flaxman Holdings, Richard Santulli, Courtlandt Farms, Dell Ridge Farm, Dixiana Farm, W.S. Kilroy, Earle Mack, G. Watts Humphrey, Green Lantern Stable, KatieRich Farms, Mt Brilliant Farm, Nursery Place, Zayat Stables and Vegso Racing Stable. Noble Mission's fee has remained at $25,000 through his first three seasons. He covered 146 mares in his first year in 2015, including 19 graded stakes performers, 29 siblings to Grade I winners and 63 siblings to graded winners.

Things didn't go quite as smoothly for Noble Mission last year, however; the bay suffered a colic attack that saw his book reduced to just 65 mares. Farish explained, "He colicked about a month into the breeding season and it knocked him out of action for two crucial months. As a result he only had a book of 65 mares. He was only able to breed very early ones and very late ones. It really had an effect after having a good book of 146 mares in his first year. He'll only have 65 in that second year so this year was very important, and luckily the breeders have been very supportive."

Noble Mission and trainer Lady Jane Cecil | *Racing Post*

Noble Mission has been in good health since his scare early last year, and his 2017 book currently sits at "well north of 100" mares.

"It was going to be crucial that we get another really good book to him this year," Farish added. "He's going to be well north of 100 mares and that's great to see in the third year when you're holding the stud fee steady for the first three years like he has."

With a strong syndicate behind him Noble Mission has enjoyed the support of some well-credentialed mares. Those include GII Honeymoon S. winner Sarah's Secret (Leroidesanimaux {Brz}); GIII Matchmaker S. winner Casual Smile (GB) (Sea The Stars {Ire}), a daughter of G1 Epsom Oaks winner Casual Look (Red Ransom); G3 Atalanta S. winner Waterhole (Ire) (Oasis Dream {GB}); GIII Thoroughbred Club of America S. winner and stakes producer Reunited (Dixie Union); three-time graded winner Ender's Sister (A.P. Indy), the dam of dual Grade I winner A.P. Indian (Indian Charlie) and GII Indiana Derby winner Tiz Shea D (Tiznow); Trappings (Seeking The Gold), the dam of champion She Be Wild (Offlee Wild); and Gateway (A.P. Indy), the last daughter of Juddmonte's blue hen producer Toussaud (El Gran Senor) and therefore a half-sister to Empire Maker (Unbridled).

Noble Mission Thriving in Third Year at Stud Cont.

Noble Mission was America's second-leading first-crop sire at last year's foal sales behind only Will Take Charge (Unbridled's Song). He had 11 sell of 16 offered for an average of $76,181 and a median of $60,000.

"He did very well, he had a very good year at the foal sales," said Farish. "His highest price was $210,000. We have 10 yearlings here at the farm by him that we're very excited about. I think he'll have a very good year at the yearling sales."

"He really does stamp them," Farish added. "He's a very good-looking horse and he's putting a little chrome on them, like he has. They're very flashy, attractive individuals with predictably very good walks."

If Noble Mission can keep the family tradition alive, his progeny should have no problem excelling in the years to come.

A LOOK AHEAD

WITH RICHARD FITZSIMONS

Horse you are most looking forward to seeing this season?

RF: Psychedelic Funk (GB) (Choisir {Aus})--hopefully he will return as a 3-year-old and live up to his reputation and reward Sean Jones, who is a great patron of Irish racing for the past number of years. **Cont. p3**

A Look Ahead w/Richard Fitzsimons Cont.

A stallion who could feature prominently (doesn't have to be first season)?

RF: Dawn Approach (Ire)--his toughness and consistency winning the top 2-year-old and 3-year-old races along with his father New Approach (Ire) siring three Royal Ascot winners (including Dawn Approach) in his first year at stud excites me.

Positive change you would like to see for the industry in 2017?

RF: For the racing powers to take a U-turn and amend the decision to run the Irish Derby and the second day of Irish Champions weekend at a reduced capacity.

TOP PRODUCERS RETURN TO GALILEO

Unsurprisingly, Coolmore's perennial leading sire **Galileo (Ire)** is set to cover another standout book of mares in 2017. The strength of his book was evidenced this week when, in the space of 36 hours, he covered five top-class mares: Kind (Ire) (Danehill), the dam of his Group 1 winners Frankel (GB) and Noble Mission (GB); You'resothrilling (Storm Cat), the dam of his Classic winners Gleneagles (Ire) and Marvellous (Ire);

The Gurkha has also attracted a quality book of mares, and breeders using both him and his sire this year include The Niarchos Family, Anita and James Wigan, John Gunther, Saleh Al Homaizi and Imad Al Sagar, Whisperview Trading, Newsells Park Stud and Ecurie de Monceaux.

The first foals by champion 2-year-old and Classic winner **Gleneagles** are hitting the ground this season, and breeders supporting him include Haras d'Etreham, Denford Stud, The Wertheimer Brothers, George Strawbridge, Saleh Al Homaizi and Imad Al Sagar, Bjorn Nielson, Airlie Stud, Juddmonte Farms, Moyglare Stud, Whisperview Trading and Newsells Parks Stud.

Dual Derby winner **Australia (Ire)** (Galileo {Ire}) has his first yearlings in 2017, and breeders supporting him in his third year include The Queen, The Wertheimer Brothers, Denford Stud, The Niarchos Family, Moyglare Stud, Newsells Park Stud, Gestut Fahrhof-Stiftung, Gestut Ammerland, Daylesford Stud, Juddmonte Farms, Whisperview Trading and Ballylinch Stud.

DISNEY TEAMS UP WITH RATHLIN SANDOWN

Afghan war veteran Captain Guy Disney--the first rider to win a race under rules in Britain with a prosthetic leg--pulled off a military Gold Cup double at Sandown as **Rathlin Rose (Ire)** (Bonbon Rose {Fr}) sprinted clear in the Grand Military version Friday. Having famously lifted the Royal Artillery Gold Cup last month, there was never a moment when he did not look like following up on David Pipe's charge.

Sent off the 7-4 favourite, Disney was always in the right position before taking up the running approaching the Pond Fence. **Renard (Fr)** (Discover D'Auteuil {Fr}) was some 12 lengths back in second, with **A Tail Of Intrigue (Ire)** (Tillerman {GB}) third.

Disney & Rathlin Rose in the Grand Military Gold Cup | *Racing Post*

Disney said, "I wouldn't be here if it wasn't for David Carey [person who helped get his riding licence back] and lot of other people. It is magical and what a lovely horse. This race went nicely. He shortened at a few of them and I probably asked him a bit too much. I started to fill him up and then we started pinging a few. Then coming up the hill I thought 'I can put the pressure on here'. He picked up beautifully and it was just sit tight and get him over them. He is class, to win with an amateur like me on he has got to be pretty decent and I just try not to get too busy on him. What a training performance as well, as he went wrong in May 2015. He had his first win back in January and if they keep him right he is just lovely."

Added Disney, "I'm not trying to be humble. It's not hard work out there and the leg doesn't make much difference. It's because of the work of the likes of David Carey, the Pipes, the lads who chucked my tourniquet on. It is because of their efforts I get the chance to do this. Tonight I will have some pints with a mate and kick on point-to-pointing. I love winning, like anyone else doing it. It's the most phenomenal sport. I loved my time in the army and the expeditions, but you don't replicate days like this very easily."

The Cheltenham Festival starts on Tuesday, and Disney quipped, "If anyone wants a one-legged jockey next week, I'll be kicking about."

Pipe added on Twitter: "A typically modest appraisal from an inspirational man. Well done Guy...beyond thrilled for you #RathlinRose."

Breaking well from the outside box to claim an early lead, he held sway thereafter and kept on well under a final-furlong drive to hold the closing pack for a career high. "Salateen seems to have two ways of running but, when he is in form, he is a very hard horse to get by," commented trainer David O'Meara. "He has not been back long from Dubai and, sometimes, running them quite soon after they return can work and it has obviously worked well today. Music Lover, who registered wins at Agen and Angers last term, closed her juvenile campaign with a second at Deauville Dec. 28 and lined up for this coming off a fourth in the Feb. 25 Listed Prix Policeman at Cagnes-sur-Mer. Restrained in mid division after breaking in the front rank, she made smooth headway in the straight and kept on strongly once angled off the rail approaching the final eighth to comfortably register a career high. "We decided to target this race after her win at Angers, but she did so well over the winter that we could not refrain from running her twice in between," explained trainer Antoine de Watrigant. "Both were all-weather races and, although she didn't run too badly in either, she showed she didn't like a synthetic surface on both occasions. The [heavy] ground was in her favour today and she was fit so we are delighted with that performance. I imagine she will now come back here for a Group race."

Kourkan posted a personal best when annexing last term's Oct. 7 Listed Prix Le Fabuleux at Maisons-Laffitte before hitting the board in the Oct. 30 G3 Prix Perth over this course and distance, and returned from his winter sabbatical to garner this seasonal bow for a second black-type score. Settled at the tail of the field from flagfall, he made headway in the straight to loom large with 300 metres remaining and was ridden out in the closing stages to assert superiority. "I was a little far back, but he didn't expend too much effort during the race so I knew he would finish well," insisted winning rider Christophe Soumillon. "He loves this [heavy] ground and has a very good turn of foot, but has a tendency to idle once hitting the front. He obviously needed the race and that will set him up perfectly for the [G3] Prix Edmond Blanc [back here Apr. 2]. I don't know plans after that because, when the ground dries out, it becomes more difficult for him."

Kourkan is out of G3 Prix de Saint-Georges and G3 Prix du Petit Couvert third Kourka (Fr) (Keos), and is thus a full-brother to stakes-winning G3 Blamey S. third Kourkam (Fr). Kourka is herself a half to G3 Prix Daphnis-winning sire Kouroun (Fr) (Kaldoun {Fr}), the pair produced by a winning half to G1 Prix du Cadran-winning sire Karkour (Fr) (Relko {GB}) and G2 Prix de Malleret victress and MG1SP French champion distaffer Kozana (GB) (Kris {GB}), who in turn is the dam of four black-type performers including MG1SP GI Oak Tree Turf Championship runner-up Khoraz (The Minstrel). The winner is also kin to the 3-year-old colt Kourkar (Fr) (Tin Horse {Ire}) and the 2-year-old filly Kourkale (Fr) (Silver Frost {Ire}). **Click for the Racing Post result. Teofilo Gelding Tops Australian Cup Cont. from p1

Exospheric, who formerly raced as Exosphere in Britain and won last year's G2 Jockey Club S. at Newmarket in the Juddmonte silks, came from a long last early to get up on the rail for third.

Trainer Darren Weir nominated the G1 The BMW over 1 1/2 miles in Sydney in two weeks' time as the next stop for Humidor, and Jameka's trainer Ciaron Maher said the mare is also set to head to Sydney.

Pedigree Notes...

Humidor becomes the 15th Group 1 winner worldwide for Teofilo and his fourth in Australia. He is the fifth produce of the three-time winner Zalika, who last year produced a colt by Makfi (GB). Humidor's third dam is the champion juvenile and champion sprinter Habibti (Ire) (Habitat), the winner of three Group 1 sprints in Europe. Appearing under the fourth dam is Australia's brilliant Horse of the Year Octagonal (NZ) (Zabeel {NZ}), whose 10 Group 1 wins included the Cox Plate, Australian Derby and Australian Cup. **Click for the free Equineline.com catalogue-style pedigree.**

'REDKIRK' ROLLS IN NEWMARKET

Redkirk | *Bronwen Healy*

Former Hong Kong runner **Redkirk (GB)** (Notnowcato {GB}), who races as Redkirk Warrior in Australia, delivered the goods for his initial top-shelf victory in the G1 Newmarket H. at Flemington Saturday. Dismissed at 30-1 come post time, Redkirk was placed in a handy fourth by Regan Bayliss, as **Star Turn (Aus)** (Star Witness) motored straight to the head of affairs with the crowd's pick **Extreme Choice (Aus)** (Not a Single Doubt {Aus}) applying some early pace pressure. Traveling sweetly throughout, Redkirk stormed up to even terms inside the final 300 metres and kept finding to dash clear and win by two lengths, while **Voodoo Lad (Aus)** (I Am Invincible {Aus}) lunged late to deny Star Turn place honours by a short head. Extreme Choice faded to sixth.

"I'm so pleased to have been involved with Regan's first Group 1 win, as I expect there will be many many more," co-trainer David Hayes, who was winning his first Newmarket H. since 1993 with Primacy (Aus) (Prego {Ire}), told *www.racing.com*. "He's got a good head on his shoulders and horses run for him. The first part is done. We've got the Newmarket and now it's onto the second part of the plan and that is to go into the [G1] Doncaster [Mile at Royal Randwick Apr. 1]. When the horse came to me the owner said that if you get his feet, he can race Winx (Aus) (Street Cry {Ire}). I thought he was dreaming, but now...."

Plagued throughout his career with feet problems, Redkirk's Hong Kong tenure was highlighted by a runner-up performance in the Listed Hong Kong Classic Cup in February of 2015, but he finished 11th as the favourite in the Listed Hong Kong Derby a month later. Spelled eight months and two weeks, Redkirk resurfaced with a fifth in a Sha Tin handicap that November, but that was his final Hong Kong start prior to a wind operation that benched him for almost a year and saw him transferred to the Hayes' Lindsay Park operation. He filled the second spot in a Moonee Valley handicap over 1200m in October of 2016 and then nabbed the G3 Sandown S. at Sandown-Hillside Nov. 12. Spelled three months and four weeks, Redkirk became the first horse to ever win the Newmarket H. first up.

Pedigree Notes...

The last foal out of his unraced dam, Redkirk is Notnowcato's first Group 1 winner. His second dam is a half-sister to Bold Arrangement (GB) (Persion Bold {Ire}), a champion juvenile in France, as well as runn-up in the GI Kentucky, while his third dam is a half-sister to English highweighted juvenile filly Lindsay (GB) (Dante {GB}).

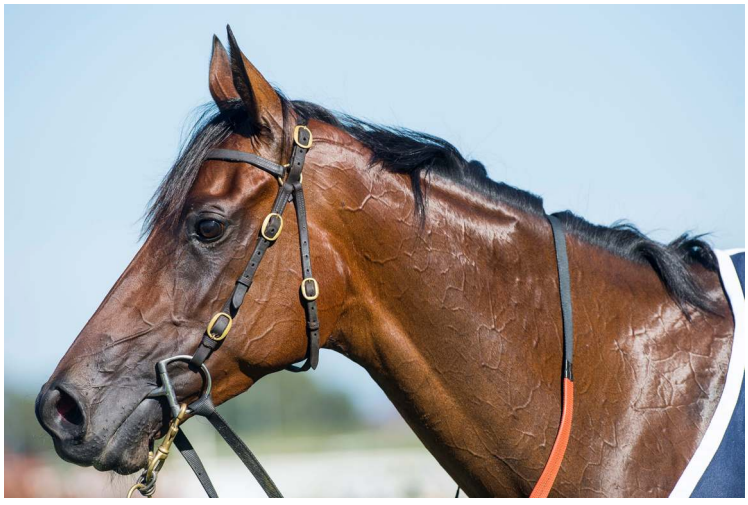
'HEAVENS' DELIVERS COOLMORE CLASSIC FOR STREET CRY



Heavens Above | *Bronwen Healy*

Heavens Above (Aus) (Street Cry {Ire}) earned her first tally at the highest level when she rallied in the shadow of the wire to defeat **Silent Sedition (Aus)** (War Chant) by a short head in the G1 Coolmore Classic over 1500m at Rosehill Saturday. **Danish Twist (Aus)** (Dane Shadow {Aus}) was the same distance back in third in a blanket finish, a length in front of **Daysee Doom (Aus)** (Domesday {Aus}).

Heavens Above (r) | *Bronwen Healy*

"I've always thought she was a Group 1 horse," trainer Tim Martin told *www.racingnsw.com.au*. "This mare has been there all the way through and probably the reason I didn't give training away. Full credit to the staff. She was behind the eight ball coming into the race. I thought she was a run behind."

Near the tail of the field racing one off the fence next to **Shillelagh (NZ)** (Savabeel {Aus}) through the early going, she began to weave her way up to the middle of the pack 600 metres out. Asked by Tye Angland shortly thereafter, the bay angled toward the middle of the course full of run and shoved her way in between rivals at the 300m. Quickening best of all late on, Heavens Above reached the line narrowly on top of Silent Sedition. Favored **Omei Sword (Aus)** (High Chaparral {Ire}) ran seventh.

"She is little, but she has got a big heart," said winning hoop Tye Angland. "That was a gutsy win. She had to make up a lot of ground. I did have to get her out of her comfort zone a little bit early which wasn't ideal, but that was my [only] option to have a good crack at them late and she let down strongly."

Heavens Above last visited the winner's circle in the 1200m G3 Sheraco S. over this course second up in September. A sixth in the G2 Golden Pendant going 1400 metres later that month was her best finish among her next four starts, and she entered the Coolmore with a ninth-place finish in the G2 Millie Fox S. behind **In Her Time (Aus)** (Time Thief {Aus}) here Feb. 18.

Added Martin, "She will run in the [1600m G1] Doncaster [Mile at Royal Randwick Apr. 1] probably."

Pedigree Notes...

The 19th Group 1 winner for her sire, the much-missed Street Cry (Ire), Heavens Above is out of Reggie, who won the 2200m G3 Amatil Premier's Cup H. in 2009.

FIRST STAKES WINNER FOR PIERRO

Tulip (Aus) became the first winner for her sire Pierro (Aus) with a 'TDN Rising Star' performance at Moonee Valley on New Year's Eve, and the bay filly--who was second in the G3 Blue Diamond Fillies' Preview and fourth in the G1 Blue Diamond S. thereafter--become Pierro's first stakes winner with a convincing score in the G3 Magic Night S. at Rosehill on Saturday for Coolmore and the Hayes/Dabernig training team, stamping her ticket to the G1 Golden Slipper over the same 1200-metre track and trip in a week's time. Traveling about six lengths off the lead and on the outside through the early stages of the Magic Night while racing clockwise for the first time, Tulip began to make up ground rounding the bend and was in the clear and full of petrol as they straightened for home. She responded under a confident Kerrin McEvoy when asked the question, working her way up to second approaching the 100-metre mark. A single crack of the whip allowed her to push past Godolphin's Alizee (Aus), and she ultimately won comfortably by 1 3/4 lengths. Tulip and Alizee brought up an exacta for Slipper-winning sires, with the latter being by Darley's 2011 Blue Diamond/Slipper winner Sepoy (Aus).

Owner Sophie Magnier leads Tulip in | *Bronwen Healy*

"She's done it nicely," McEvoy told *Breednet.com.au*. "She handled herself perfectly around this way of going for the first time. I always felt she was going to get the job done."

Tulip shortened to Sportsbet's $11 fourth choice for the Slipper after Saturday's win. That firm's top five choices for the world's richest juvenile race are fillies (Houtzen, She Will Reign, Catchy, Tulip and Frolic), with 'TDN Rising Star' Pariah (Aus) (Redoute's Choice {Aus}) sixth in the betting.

Pierro has 33 yearlings entered in next month's Inglis Easter yearling sale, including Tulip's full-brother (lot 251) in the Coolmore draft.

While the Magic Night was a showcase for the younger sires, the G3 Pago Pago S. for 2-year-old colts one race earlier proved successful for Redoute's Choice (Aus)'s proven sire sons, with **Single Bullet (Aus)** (Not A Single Doubt {Aus}) leading home **Ducimus (Aus)** (Snitzel {Aus}) by a head. Single Bullet has yet to finish off the board in four starts, and was third in the G2 Skyline S. at Randwick last out on Feb. 25.

Cont. p12

First Stakes Winner for Pierro Cont.

Ducimus, last-out winner of the Listed Talindert S. at Flemington on Feb. 18, rocketed to the lead from the break, but Single Bullet soon joined him on his outside, cutting his advantage down to a half-length. Single Bullet drew even with his rival coming off the turn and the pair threw down at the top of the lane, racing neck-and-neck through the stretch until Single Bullet at last stuck his head in front passing the 100-metre mark. Ducimus refused to fold, however, keeping the margin to a head on the line.

Single Bullet will now make it two Slipper starts for trainer Gary Portelli, who also saddles She Will Reign (Aus) (Manhattan Rain {Aus}). Portelli told *Racenet.com.au* that Single Bullet was bought with the Magic Millions 2YO Classic in mind.

"We bought him at the Magic Millions and actually made him a ladies' only syndicate, hoping that he would slip into the Magic Millions race but things didn't quite go the way we were hoping," Portelli said. "It's funny you know, I believe things happen for a reason. When he missed the start in his run at Wyong, he had a barrier attendant holding him by the bridle and he was being silly and missed the start. [Jockey] Tye [Angland] said to me after the race, 'that barrier attendant might have cost you the Magic Millions, but he might have won you the Golden Slipper', and here he is riding the horse today."

Portelli added, "I think [She Will Reign] is still superior, but he's honest and things can go wrong in the Slipper so I've got a plan B."

There was 2-year-old stakes action down south at Flemington as well, with **Sircconi (Aus)** (Nicconi {Aus}) earning a first black-type win in the G2 Sires' Produce S. Connections indicated the colt is a 2000-metre horse, and he could be aimed at the longer 2-year-old features like the G1 Sires' Produce S. (1400m) on Apr. 8 and the G1 Champagne S. (1600m) on Apr. 15.
