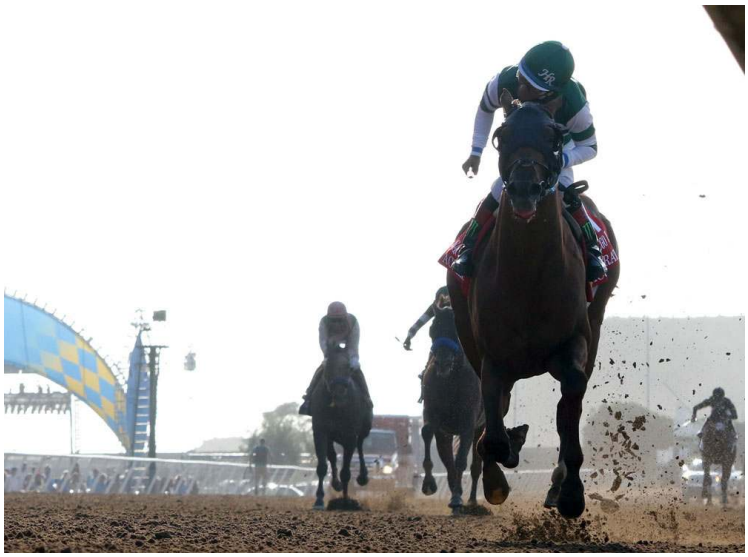
ACCELERATE WINS THE SAN DIEGO AS ARROGATE COMES UP EMPTY



Accelerate winning the San Diego H. as Arrogate toils home
Horsephotos

Saturday's GII San Diego H. was a fait accompli. A done deal. What was supposed to be a walk in the park for '**TDN Rising Star**' **Arrogate** (Unbridled's Song) quickly morphed into a nightmare, as the heretofore invincible grey colt looked in trouble a long ways out and Hronis Racing's **Accelerate** (Lookin at Lucky) streaked down the lane an 8 1/2-length winner. A stunned on-track crowd watched Arrogate cross the line a listless fourth, in no small way resembling the animal that had won seven in a row, including four straight million-dollar plus races and had bankrolled some $13 million in prize money alone in his last two races.

"He was just flat. I think he was just flat," offered trainer Bob Baffert. "I knew coming down here can be tough. Maybe I should have blown him out [down here]. [Jockey] Mike [Smith] said he was just flat and never in the race did he feel he had any horse. [Cat Burglar {Unbridled's Song}] was flat, too. I thought he'd run better than that, but he just didn't want to go. I think he [Arrogate] just laid an egg. I don't think it had anything to do with the track. He was just flat."

'TASMAN' LOOKS TOUGH IN CCA OAKS

Abel Tasman (Quality Road) looks for her third consecutive victory in a prestigious Grade I as she returns to the east coast for Sunday's Coaching Club American Oaks at Saratoga. A last-to-first winner of the GI Kentucky Oaks in her second start for Bob Baffert May 5, the China Horse Club and Clearsky Farms colorbearer hugged the rail and out-kicked **Salty** (Quality Road) by a length in the one-turn-mile GI Acorn S. on GI Belmont S. day June 10. Belmont Day represented a huge coup for Baffert and pilot Mike Smith, who partnered to win four of the day's stakes events. This would be California-based Baffert's first score in the historic CCA Oaks. Smith has won it four times previously, most recently with Songbird (Medaglia d'Oro) 12 months ago. Salty annexed the GII Gulfstream Park Oaks in April, but settled for fifth after enduring significant traffic trouble in the Kentucky Oaks. According to Trakus data, Salty did cover 14 ft. more than Abel Tasman in the Acorn, which equates to more than the length she was beaten. **Cont. p11 (click here)**

LADY ELI ALONG IN TIME IN THE DIANA 4

Fan favorite Lady Eli (Divine Park) engaged Quidura (GB) Dubawi {Ire}) inside the furlong pole and outfought that one to the wire for a thrilling victory in Saturday's GI Diana S. at Saratoga.

Accelerate Upsets Arrogate in San Diego Stunner cont.

Someone had to be the second choice to Arrogate and the betting public landed on Accelerate, who was best-backed into a surprisingly low 7-1 ahead of the off. The San Diego field was off to an uneventful start bar El Huerfano (Tannersmyman), who bobbled and caused apprentice Evin Roman to lose his irons. Accelerate, racing with blinkers on, made the most of his inside draw to head them off early chased by 'TDN Rising Star' Donworth. The uncontrollable El Huerfano raced in that first flight as well and the Baffert-trained Cat Burglar had his stablemate behind turning up the backside.

Bob Baffert talks about the defeat | *Benoit photo*

While the pacesetter was going along nicely up front, as early as 5 1/2 furlongs for home there were some ominous signs coming from Mike Smith, who was having to urge and niggle at the typically aggressive Arrogate to pick up. Accelerate took them into the turn and with about three-eighths of a mile to go, Arrogate seemed to be making a little bit of a run, though he was still being asked to do it, and when Accelerate spurted clear off the final corner, it was clear it was not Arrogate's day. With a pump of the fist, Victor Espinoza and Acclerate crossed the line much the best. Donworth chased from second throughout and completed the exacta. With better than $792,000 of the place pool of $839,000 and $1.3 million of the $1.4 million show pool on Arrogate's nose, Accelerate returned $32.60 to place and $22 to show. Donworth paid $119.80 to place and $67.40 to show, while Cat Burglar paid $38.20 to show.

"I was surprised by how far I won," Espinoza commented. "I wasn't surprised that I did; I was here to win. I thought I'd sit second or third, but when that speed horse [El Huerfano] stumbled at the start, I made an easy lead. He's a nice horse."

Winner of this track's Shared Belief S. last season, Accelerate went on to win the GII Los Alamitos Derby before running third to Tamarkuz (Speightstown) in the GI Breeders' Cup Dirt Mile. Competitive, though winless, in four runs this term, Accelerate was exiting a distant third to the Baffert-trained Collected (City Zip) and Cat Burglar in the June 24 GIII Precisionist S. at Santa Anita.

Pedigree Notes:

A half-brother to SW & GISP Daddy D T (Scat Daddy) and to SW & GSP Amarish (Scat Daddy), Accelerate is kin to the 2-year-old filly Daddy Issues (Scat Daddy), a $325,000 Keeneland September yearling purchase. The deeper female family includes former stars from the breeding operation of Joseph Shields Jr., including GISW Wagon Limit (Conquistador Cielo) and MGSW & MGISP Puzzlement (Pine Bluff). The stakes-placed Issues, a $450,000 buyback out of the 2014 FTKNOV sale, is the dam of a yearling colt by Bernardini, a colt foal by the Darley sire and was most recently bred to Uncle Mo.

The undisputed darling of the American turf, Lady Eli was back to her tenacious best in Saturday's Diana S.--the first of 17 Grade Is on the flat at Saratoga this summer--as she looked pacesetting Quidura in the eye with about 40 yards to race, pinned her ears and stuck her head across the wire first.

Lady Eli (left) up in time in the Diana | *Chelsea Durand*

The start of the Diana was delayed by a few minutes when Antonoe broke through gate two and jogged off some beneath Javier Castellano, while Lady Eli, drawn right to her stablemate's outside, pushed open her stall, but was held onto by her gate attendant. Once reloaded, Quidura jumped best of all and was kept company by Dickinson (Medaglia d'Oro), while Antonoe box-seated from third. Lady Eli raced in fifth in the wake of the Juddmonte runner and the pace up front was honest enough. Guided out into the clear down the backstretch, Lady Eli was patiently handled by her regular rider Irad Ortiz, Jr., but Quidura was enjoying a reasonably easy time of it on the engine through a half-mile in :47.51. With Antonoe, so impressive in winning the GI Just A Game S. last time, committed to an inside run and hoping for the gaps to come, Lady Eli went for an overland passage as the two chief protagonists made their moves simultaneously nearing the entrance to the stretch. Four wide at the top of the lane, Lady Eli kicked hard and was more or less on even terms with Quidura at the eighth pole. The German-owned runner was in for the fight as the two raced in lockstep for most of the final furlong, but Lady Eli proved the slightly more determined competitor on the day. **Cont. p5**

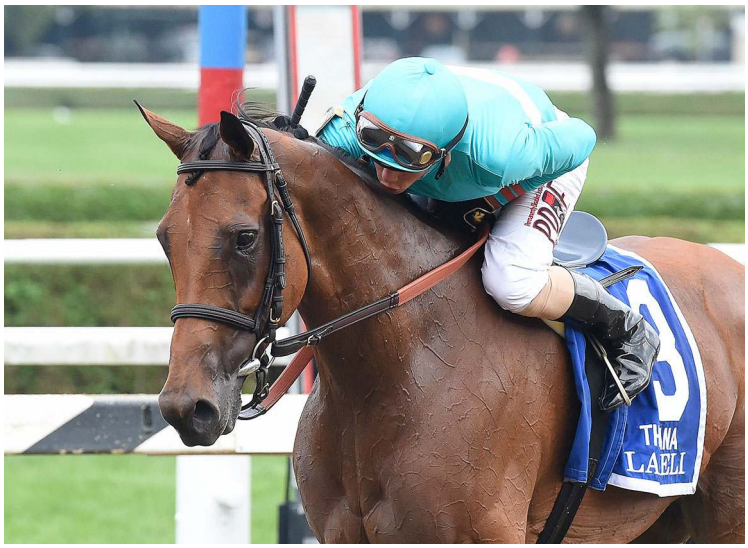
Antonoe had her chances up the fence, but did not quicken the same way she did last time and was checked short of room in deep stretch. The stewards looked into the incident, but the result was allowed to stand. Lady Eli gave Quidura eight pounds and covered an additional 23 feet per Trakus.



Irad Ortiz, Jr. shows his affection for Lady Eli
Sarah K Andrew photo

"Today was one of her greatest races to date, maybe her best," said trainer Chad Brown, winning the Diana for the second year in a row and third time overall. "Giving eight pounds to the horse she ran down late in the stretch after breaking through the gate, going a little wide, she just overcame everything. Today she proved she's one of the all-time greats. It was her determination. Proud she didn't hang there in the end. She's always drove past another horse as long as she can see them. She might have been undefeated, three times she's gotten beat late in the stretch from behind. That said, I think she's one of the all-time greats."

Winner of the GI Breeders' Cup Juvenile Fillies Turf at two and the GI Belmont Oaks at three, Lady Eli bravely fought a winning battle with laminitis, soothing any pain there may have been when she suffered her first career defeat in the GII Ballston Spa S. last August. Victorious in the GI Flower Bowl S. in her next appearance, she called it a season after a near-miss second in the GI Breeders' Cup Filly & Mare Turf in November.

Caught on the wire by Dickinson in Keeneland's GI Jenny Wiley S. on seasonal debut Apr. 15, she made it Grade I wins in four straight seasons, racing handy to a swift pace before taking the GI Gamely S. by a half-length May 27.

Pedigree Notes:

A half-sister to this breeder's MGSW Bizzy Caroline (Afleet Alex), Lady Eli is also a half-sister to the unplaced 3-year-old colt Electro (Ghostzapper), a $400,000 Keeneland September yearling acquisition by Juddmonte Farms. Sacre Coeur, a Catesby Clay homebred and winner of a grassy maiden special weight at Aqueduct from three career starts, did not produce foals in either 2015 or 2016, but is represented by a filly from the first crop of Triple Crown winner and Horse of the Year American Pharoah (Pioneerof the Nile). Lady Eli's second dam Kazadancoa (Fr) was purchased by Clay for $30,000 at the 1989 KEEJAN Sale. Her female family includes 1995 GI Kentucky Derby runner-up Tejano Run and the Nureyev sire Alwuhush. Divine Park was exported to Korea and covered 55 mares in his first year at stud in that country in 2016.

Hunt garnered a quartet of victories in 2016, including his sole black-type win in Santa Anita's 6 1/2-furlong Siren Lure S. in June. He failed to score in five subsequent starts--including his two most recent under Mike Smith--when fourth in the 8 1/2-furlong GII Seabiscuit H. at the oceanside oval in November followed by a fifth in his seasonal return in the GIII American S. July 4.

The well-supported second choice while sporting blinkers for the first time, the Irish bred–accompanied by Flavien Prat--was a tad slow off the blocks and was eased back into an stalking third, flanked by 3-5 choice Ashleyluvssugar as Kenjisstorm (Stormy Atlantic) led the way. Inching closer while pinned to the rail through a modest half, Hunt remained in the catbird seat heading into the final turn, and angled out two paths, searching for daylight. Determined to get through from where he was perched, Hunt finally found a seam between the fading leaders, ground his way to the front midstretch and drew clear late to post the workmanlike victory.

"I don't know if this was my best ride today," admitted Prat. "He had been training so well and I know how he can finish. I thought he'd run well here. I moved up inside and thought they'd leave a hole for me. But it wasn't happening there for a bit. I had to wait, but when we saw it (the hole) he was there. He finished strong."

Outlining what lies ahead, winning trainer Phil d'Amato added, "All along this was our plan, to use the American [mile at Santa Anita] as a prep race for this. He got in a little trouble in that race, through no one's fault and I think the mile and an eighth and adding blinkers helped this horse's focus. We'll put our heads together and decide on whether to run him back in the [GII] Del Mar Mile [Aug. 20] or stretch him out in the [1 3/8 mile GII] Del Mar H. [Aug. 19] One of the two."

Firenze Fire, a 3 1/2-length debut winner going five furlongs on the Jersey Shore June 18, stayed perfect with a 12-1 upset in the GIII Sanford S. He sat just behind the leaders in fourth through an opening quarter in :22.27. The bay began to roll with a nice move on the far turn and set his sights on the pacesetting Baffin (Justin Phillip) at the top of the stretch. Firenze Fire quickly dispatched that rival, braced for a challenge from the well-bet Free Drop Billy (Shackleford) and dug in nicely down the lane to get the money.

"The horse has always been very classy, but when he won the first time, I was a little surprised, I really was," winning trainer Jason Servis said. "He won going away and there really wasn't much around. We thought this is where we've got to take a shot and it all worked out, which is very exciting."

Servis continued, "I think he'll run long. I asked [jockey] Irad [Ortiz Jr.] and he thinks he'll run long. He's kind of laid back. I think he'll get seven-eighths [for the GI Hopeful S. Sept. 4]. I think he'll get a mile, mile and a quarter, really. He's that kind of horse."

"I'll get with Ron [Lombardi of Mr. Amore Stables]. I know he really wanted to come. I know he's bummed out [that] he couldn't make it, but I just talked to him and he's very excited."

Pedigree Notes:

Firenze Fire became freshman sire and 2012 GI Alfred G. Vanderbilt H. hero Poseidon's Warrior's first winner last month and added to his sire's resume here, becoming his first stakes winner. Firenze Fire's dam My Every Wish, second in both of her career attempts, was claimed out of her finale for $16,000 by Mr. Amore Stable and trainer Jason Servis at Aqueduct in April of 2012. Firenze Fire is her first foal.

"It's an interesting story, we claimed the filly [Firenze Fire's dam My Every Wish] and she didn't make it back to the races for whatever reasons and he decided that he was going to breed her," Servis said. "She didn't have much pedigree but, you know what, three years later, it's really something."

The $40,000 KEESEP yearling My Every Wish is also represented by an Istan filly of this year. Firenze Fire's second dam is a full-sister to 2011 Broodmare of the Year Oatsee (Unbridled), herself the dam of MGISW Shackleford (Forestry), GISW Lady Joanne (Orientate), MGSW Baghdaria (Royal Academy), MGSW Afleeting Lady (Afleet Alex) and SW & MGSP Stephanoatsee (A.P. Ontario Matron S. cont.

Sparingly raced over the course of three seasons at the track, Ivan Dalos homebred '**TDN Rising Star**' Ami's Mesa sat a perfect trip behind the early pacesetters and ran by them all for a first graded-stakes success in Saturday's GIII Ontario Matron S. at Woodbine.

Off at a tick less than 4-1, Ami's Mesa raced two-by-two out of the stretch and was able to slot into a tracking fourth when Ice Festival was clicked up by David Moran to force the pace outside of longshot Rattataptap (Tapit) through the middle stages. The Adena runner poked her head in front with a little less than three furlongs to travel, but Ami's Mesa was going well three away from the inside at the quarter pole and was poised to lay down a serious challenge. Ice Festival remained the clear leader entering the final furlong, but by then, Ami's Mesa was in full flight and gathered in Ice Princess in the final 50 yards before going on to a comfortable victory.

Ami's Mesa earned her Rising Star with an eight-length debut romp and followed with a first black-type score in the Glorious Song S., but went missing off a fifth in the grassy GIII Sweetest Chant S. at Gulfstream in January 2016. Runner-up in a local allowance on her Nov. 11 return to action, the dark bay was ninth in Gulfstream's South Beach S. Dec. 17. Put away thereafter, she resumed with a smart three-length allowance tally over seven furlongs at this track June 30.

Pedigree Notes:

A half-sister to GSW & 2014 Breeders' S. hero Ami's Holiday (Harlan's Holiday), Ami's Mesa is out of a stakes-winning full-sister to Galloping Ami (Victory Gallop), the dam of Sovereign Award-winning 3-year-old colt Ami's Gizmo (Giant Gizmo), GSW & GISP Ami's Flatter (Flatter) and to SW Aragorn Ami (Aragorn {Ire}). Victorious Ami, winner of the 2004 Princess Elizabeth S. and third in the following year's Labatt Woodbine Oaks and Labatt Bison City S., is the dam of an Ontario-bred yearling colt by Into Mischief that is consigned as hip 98 to the upcoming Fasig-Tipton Saratoga yearling sale. The mare foaled a colt by Flatter Mar. 10 and was bred back to Nyquist. Ami's Mesa is the 22nd graded winner for Three Chimneys' Sky Mesa.

TRIPLE CROWN TRIO WORK

All three winners of this year's Triple Crown worked at Saratoga Saturday morning, led by May 6 GI Kentucky Derby hero **Always Dreaming** (Bodemeister), who breezed five-furlongs in 1:01.71 over the Oklahoma training track in advance of the July 29 GII Jim Dandy S. With jockey John Velazquez aboard, the colt reeled off fractions of :25.86, and three furlongs in :37.52 before rounding out six panels in 1:14.79. **Cont. p9**

Triple Crown Workers cont.

"I thought Always Dreaming went real well, a good, steady five-eighths," said trainer Todd Pletcher. "It's the first time John Velazquez breezed him since the Derby. I thought he went well, he was relaxed. He started off easy, went :13 3/5 for the first eighth and gradually picked up from there. [He] went 1:01 and [change] [for five furlongs] and galloped out in 1:27 4/5, so it was what we wanted to do with him. We felt like he needed a good, solid breeze with a solid gallop out. I'm happy with the way he did it."

In regards to a last minute adjustment to the colt's work plan, Pletcher added, "Originally, we were going to go at 8:45 a.m. on the main track. As everyone can see, [Friday] the track seemed to change a little bit. It was pretty slow yesterday morning, and it was slow during yesterday's races. I worked a few horses on the main track early and was scheduled to go back over there. I guess there was a breakdown and the track was closed for a little while, so I took a set to the Oklahoma track while the main track was closed, and I thought those horses worked well. That surface was a little bit tighter. That's why I made the adjustment. I worked some other horses on the main track, and for whatever reason it's on the slow side, but I wanted to get an accurate line on where I was with Always Dreaming, especially from a fitness standpoint. I wanted to do it on a track where I felt like I knew how it was playing, which I felt a little more comfortable on the Oklahoma track."

Always Dreaming | *Sarah K Andrew photo*

Prior to Saturday's move, Always Dreaming's posted his first work at the Spa July 16, his third breeze since an eighth-place finish in the GI Preakness S.

"It's always a delicate balance when you're trying to freshen a horse up, and have him ready for a race like the Jim Dandy," Pletcher explained.

"You know you have to be fit and prepared for it, but you also want to, hopefully, have something to build on, and something left in the tank for the [GI] Travers [S. Aug. 26]. I think we've been able to accomplish that in the time off after the Preakness."

Also working for Pletcher at the Spa Saturday, **Tapwrit** (Tapit) worked four furlongs in :48.88 over the Oklahoma track with jockey Jose Ortiz in the irons. The winner of the GI Belmont S. worked in company with GI Maker's 46 Mile winner American Patriot (War Front).

"I was really pleased with Tapwrit," Pletcher confirmed. "I thought for his first work since the Belmont, he was very good. I was surprised how easily he worked, and how strong he galloped out. He really maintained his fitness level well which makes me feel good about the Travers."

Ortiz, who was aboard for the colt's 1 1/2-mile Classic victory June 10, was enthused about his reunion with the grey.

"He went very easy and comfortable," commented Ortiz. "He was very happy all the way around. He always works well, but today I felt [he was] happier. He wanted to do it today. I didn't even have to tap him on the shoulder. He just picked up really nicely. I was happy with the way he did it today."

Preakness Champ Marches on to 'Dandy'...

Also readying for his next start in the Jim Dandy, Klaravich Stables and William Lawrence's **Cloud Computing** (Maclean's Music) put in his final work ahead of the nine-furlong test. Accompanied by regular rider Peter Roman, the colt breezed four furlongs in :49.09 over Saratoga's main track. Shipped North from his Belmont based on Monday, Cloud Computing was recording his first move at the venue since his arrival in upstate New York. **Cont. p10**

Triple Crown Workers cont.

"He looked really good today," affirmed trainer Chad Brown. "I thought the horse breezed great and, coming off this work, remains on target for the Jim Dandy."

Since his Preakness score, Cloud Computing has now had six works, including a pair of bullet, five-furlong works at Belmont in July, the most recent completing the task in :59.01 July 9.

SPA OPENING DAY HANDLE INCREASE OVER '16

Opening Day of the 2017 season at Saratoga Race Course saw all-sources handle rise 14.47% to of $20,332,051 over the 2016 opening day figures. Paid attendance for Friday's card was 32,730. Among the day's highlights was the tour-de-force performance by Hoolie Racing Stable's **Dream It Is** (Shackleford), a nine-length winner of the GIII Schuylerville S. Included recent capital improvements at the historic property: technological enhancements, improving the facility's Wi-Fi capacity; the Saratoga debut of NYRA XP, the new all-in-one Saratoga mobile app; the opening of a newly-revitalized children's play area, Saratoga Family Zone; and the unveiling of a restored historic paddock mutuel building. Since 2013, the New York Racing Association has invested $29 million in capital improvements at Saratoga Race Course.

"Opening Day at Saratoga Race Course is truly one of the most special days of the year," said New York Racing Association CEO and President Chris Kay. "We are very pleased to welcome back the greatest fans in the world with new cutting-edge technology and outstanding capital improvements that will continue to enhance the guest experience. CCA Oaks cont. from p1

Daddys Lil Darling (Scat Daddy) was a fast-finishing second under the Twin Spires, and returned from running off and scratching before the June 2 G1 Investec Oaks at Epsom to check in fourth in the GI Belmont Oaks July 8. A prediction that **Elate** (Medaglia d'Oro) would win the Coaching Club immediately after her '**TDN Rising Star**'-garnering 12 1/2-length debut romp at Aqueduct Nov. 26 wouldn't have been over-the-top, but it would have in subsequent efforts. The Claiborne and Dilschneider homebred was beaten at short prices in Tampa's Suncoast S. in February and in the GIII Honeybee S. at Oaklawn in March, and was pulled up and vanned off at 11-10 in Keeneland's GI Ashland S. Apr. 8. Second, again at odds-on in a Churchill optional claimer May 5, she finally ran back to her debut Beyer Speed Figure of 88 with a 5 1/2-length score in Delaware Light Hearted S. June 15. With little pace signed on here and a rail draw, she figures to come out running from the bell. ***(Return to p1)***

SALLY'S STREAK ON LINE IN SAN CLEMENTE

Sircat Sally | *Benoit Photo*

Cal-bred speedster **Sircat Sally** (Surf Cat) faces possibly her toughest test to date as she looks to run her unblemished record to eight in Del Mar's GII San Clemente H. Sunday. The Joe Turner homebred was last seen annexing Santa Anita's nine-panel GII Honeymoon S. June 17, but is probably better suited to this one-mile distance. Among her challengers is New York invader **Lull** (War Front), who was beaten a nose by a next-out winner in Belmont's Soaring Softly S. May 20. She was a decent fourth after setting a solid pace in the GI Breeders' Cup Juvenile Fillies Turf out West last November, and her trainer Christophe Clement has had success in the past shipping to Southern California. **Noted and Quoted** (The Factor) annexed last October's GI Chandelier S. on the Santa Anita main track, but has gone winless in four subsequent efforts, most recently when eighth in the GII Summertime Oaks June 17. This will be the grey's first turf start for a barn that rarely runs horses on the infield. Many of her promising young sire's progeny have taken to the lawn, however, and if a best-of-nine breeze on this course July 17 is any indication, she might like it, too. **Cont. p12**

Several other runners have shown speed to keep Sircat Sally honest. **Kenda** (Bodemeister) bested two of these foes in box-to-wire fashion in the June 11 Special Goddess S. down the hill. **Blame It On Alphie** (Blame) was never headed in an Arcadia optional claimer going this trip. **Enthrall** (Bernardini) is an intriguing fresh face. She was transferred by her owner from Devin Henri-Francois to Brendan Walsh off a two-length score in a Chantilly conditions race June 23 (video replay).

TAPIT THREE WAYS IN JAPAN

by Alan Carasso

It was a productive Saturday afternoon by any measure for the all-conquering **Tapit** at the tracks of the Japan Racing Association. The Gainesway-based stallion was responsible for a sensational American-bred winner, another winner sired in the U.S., but foaled in Japan, and he also appeared as the broodmare sire of a fashionably bred third scorer on the day.

The Alexander-Groves-Matz-bred 3-year-old filly **Rabbit Run**, a $750,000 Keeneland September graduate, made an immediate impression in Japan by blasting home a seven-length winner of her debut at Kyoto last November, but was switching to the turf for the first time Saturday. Outposted in the field of 16, she was eased back to the tail and was quietly ridden before picking up some ground on the turn. Switched out in upper stretch, she unleashed a furious rally from a seemingly impossible position to be along late for a half-length success at odds of 7-1 (video). That Rabbit Run might take to the grass was not entirely surprising on pedigree, as half-siblings Kindergarden Kid (Dynaformer), Rainha da Bateria (Broken Vow) and Assateague (Stormy Atlantic) had each recorded important wins over the surface.

Tapit also featured as the sire of the Japanese-bred sophomore filly **Menuett (Jpn)**, who was sent off the 4-5 favorite to break her maiden in her seventh career trip to the post at Hakodate. The grey dipped at the break from the six hole, but recovered relatively quickly to sit in fifth for the run around the first turn. Asked for some speed with about three furlongs to travel, she came three wide into the stretch, bid three abreast at the 200m and was pushed out to score by a cozy half-length (video). Menuett is a daughter of Spinning Wildcat (Hard Spun), a $600,000 acquisition by K. I. Farm out of the 2013 Fasig-Tipton November sale. Spinning Wildcat's dam was Hollywood Wildcat (Kris S.), the Eclipse Award-winning 3-year-old filly of 1993, and dam of Spinning Wildcat's close relative, GI Breeders' Cup Mile hero War Chant (Danzig).

Laragh (El Prado {Ire}) was one of two U.S.-based Grade I winners from Tapit's first crop of runners in 2008, having annexed the Hollywood Starlet S., and was purchased by Shadai Farm for $850,000 out of the 2009 FTKNOV sale. **Glenmacnass (Jpn)** (Deep Impact {Jpn}) became the mare's first foal to win when proving 1 1/4 lengths too strong as the 3-5 favorite in an 1800m maiden at Hakodate. Allowed to settle midfield from post 10, Glenmacnass lobbed along three deep along the back and was five wide while moving into contention at the quarter pole. Put to a drive, the 3-year-old colt came calling for the lead at the furlong marker and edged away to score nicely (video).

The sire of 61 graded winners--including 22 top-level scorers--and 98 black-type winners overall, Tapit has now been represented by 23 horses (from 25 starters) which have annexed at least one race in Japan, including G1 February S. hero Testa Matta.

TAPIZAR'S MR. CROW EATS THEM UP IN 'RISING STAR' FASHION AT THE SPA

Mr. Crow | *Sarah K. Andrew*

Mr. Crow (Tapizar) broke sharply and never looked back with a front-running '**TDN Rising Star**' performance in the Saturday opener at Saratoga. The bay rallied to finish second after breaking a bit tardily in his six-furlong debut at Belmont June 24 and took solid support here as the 7-5 second choice. Sent straight to the front, he showed the way in the clear through splits of :22.20 and :45.11 with mild pressure from favored Marshall Plan (Speightstown) to his outside. He shook that rival off entering the turn, kicked clear despite racing a bit greenly and reported home a decisive winner. The colt stopped the clock in a sharp 1:09.44, with Distorted Admiral (Admiral Alex) crossing the wire 11 1/2 lengths back in second.

The winner's dam is a half-sister to GIII Lexington S. winner Sharp Impact (Siphon {Brz}) and stakes-placed Speed Hunter (Alydeed). She is responsible for an unraced 2-year-old colt by Uncle Mo named Shiitake who sold for $65,000 as a KEEJAN short yearling and is currently in training at Churchill Downs, as well as a yearling filly by To Honor and Serve. Mr. Crow was acquired by the Korean-based KRA Stud Farm for $150,000 as a 2016 OBS March juvenile after breezing a quarter-mile in :20 3/5. The farm was also represented by J. S. Choice (Congrats), runner-up in last year's GIII Pilgrim S. after breaking his maiden over the Saratoga sod last September.

UNTAMED DOMAIN POWERS TO 'RISING STAR'-WORTHY WIN

West Point Thoroughbreds' **Untamed Domain** (Animal Kingdom) charged to the lead late and surged clear to graduate by 1 1/2 lengths and become the second '**TDN Rising Star**' of the afternoon at Saratoga Saturday. Sent off at 6-5, the bay colt raced at the back of the field as Lindburgh's Kitten (Kitten's Joy) set the pace through fractions of :24.75 and :50.40. Untamed Domain inched closer along the rail down the backstretch, but was forced to take up sharply while in traffic into the final turn. Tipped out to the center of the course at the top of the lane, he stormed to the lead and completed the 1 1/16 miles over the firm turf in 1:44.21. Another (Soldat) was second and pacesetter Lindburgh's Kitten (Kitten's Joy) was third.

Untamed Domain, a $90,000 KEESEP yearling, became the second American winner for GI Kentucky Derby winner Animal Kingdom (Leroidesanimaux {Brz}), also trained by Graham Motion. The stallion has six Australian winners, including 'TDN Rising Star' Earth Angel (Aus).

Untamed Domain, out of stakes winner and graded stakes placed Ciao, overcame a troubled trip to be a closing fourth while sprinting 5 1/2 furlongs over the Laurel turf in his July 2 debut. Ciao was bred to Declaration of War in 2015 and 2016, with no reported foals. She was bred to Air Force Blue this year. The winner's third dam is French Group 1 winner Smuggly (Caro {Ire}).

SPORTING CHANCE GIVES THE COACH A 'RISING STAR' AT THE SPA

Sporting Chance | *Sarah K. Andrew*

Sporting Chance (Tiznow) set the pace and was caught late to finish second on debut going 5 1/2 furlongs at Churchill June 15, but finished strongly in his second go around Saturday at Saratoga, wiring the field in a 2 1/4-length romp and earning '**TDN Rising Star**' honors. Sent to the front, he showed the way through a quarter-mile in :22.12 with favored **Machismo** (More Than Ready) closely in tow. Opening up coming off the bend, he spurted clear and held sway over a rallying Givemeaminit (Star Guitar). The final time was 1:04.72.

Sporting Chance sold for $275,000 as a Keeneland November weanling and progressed to hammer for $575,000 as a Keeneland September yearling. The winner's stakes-winning dam, Wynning Ride (Candy Ride {Arg}), placed second in the 2008 GI Hollywood Starlet and third in the 2009 GI Coaching Club American Oaks. She is responsible for a yearling colt by Pioneerof the Nile named Fearless Mufasa and a weanling filly by Closing Argument. **Cont. p3**

BUILD TO SUIT (c, 3, Dominus--Aspen Mountain, by Chief Seattle) finished first in his Apr. 8 debut at Aqueduct, but was disqualified for interference and placed second. He made it official next out with a front-running 7 3/4-length romp at Belmont May 6 before checking in third when stretched to a mile at Belmont June 8. Sent off at 4-1, the chestnut colt settled in midpack behind a four-wide duel down the backstretch. He took closer order on the turn and rallied five wide into the stretch, garnered the lead with a furlong to run and stormed clear to score by five lengths. Pacesetting longshot Heavy Meddle (Medaglia d'Oro) was second. The winner, a $140,000 SARAUG yearling, is a half-brother to Bolo (Temple City, GSW & MGISP, $675,390); and to Let Me Go First (Paddy O'Prado, SP, $147,330). Australian Runner Injured in U.S. Debut:

Trainer Wesley Ward reports that Ron Gilbert's **Evacuation (Aus)** (More Than Ready), who was making his U.S. debut in Saturday's seventh race at Saratoga suffered suspected ligament damage to his right hind leg shortly after the start of the 5 1/2-furlong allowance/optional claiming test. The Southern Hemisphere 3-year-old was with the leaders through the opening exchanges, but became detached from the rest of the field, but was pulled up by jockey John Velazquez and was ultimately transferred via horse ambulance to the Ward barn.

"We think he might have torn a ligament a couple of jumps away from the gate," Ward said. "None of the vets that came to see the horse after the race had ever seen that kind of injury."

Evacuation | *Sarah K Andrew*

Ward added that Evacuation will undergo further testing to assess the damage at his barn Sunday morning.

"It's a very strange sort of injury. We took video of it. Until we take an ultrasound to see what kind of damage was done, it's kind of hard to say," he said when asked about the colt's future. "I wouldn't want to say anything until we have a full set of facts. Dr. [Johanna] Reimer is coming in from Rood & Riddle and Dr. [Robert] Landry will do the ultrasound to see what kind of damage there might be."

Trained in Australia by Gai Waterhouse, Evacuation broke his maiden at first asking and made it two-for-two in handicap company a few months later. He was unplaced in two subsequent tries and was having his first run since finishing 13th in the G1 Ladbrokes Caulfield Guineas last October.

Twisted Tom, last seen finishing a distant sixth in the GI Belmont S. June 10, found this softer spot to his liking to earn his third stakes victory in his last four tries. Reunited with Feargal Lynch, who was aboard for a pair of scores at Laurel, the chestnut gelding tracked splits of :24.71 and :48.28, asserted in between rivals turning for home and out-gamed lightly raced Broken Engagement for the victory. Twisted Tom broke his maiden second out the Belmont lawn last September for George Weaver and Tom Brockley before being acquired privately by Cobra Farm and RR Partners and transferred to Chad Brown. Sixth in a grassy state-bred optional claimer at Aqueduct Nov. 25, he improved markedly when switched to the dirt for a one-mile Big A inner-track heat Jan. 28. She ended 2016 with an easy score in the Dec. 30 East View S. and was fourth as the beaten even-money favorite while making her return at Monmouth Park in a June 24 optional claimer. Away awkwardly, Bonita Bianca trailed the field early behind pedestrian splits. She rallied stoutly nearing the stretch and reeled in Playinwiththeboys late. A neck third in the GIII Stonestreet Lexington S. at Keeneland two back Apr. 15 and second in Churchill's GIII Pat Day Mile S. May 6, the bay was adding blinkers for the first time for this confidence-building drop in class. Rushed up from the rail after a sluggish start to show the way, the bay was headed around the bend by Honor the Fleet, but fought back gamely at the top of the lane and spurted clear emphatically late. GLENVILLE GARDENS (g, 5, Street Cry {Ire}--Navy Gardens, by Storm Cat), winner of last year's GII Play the King S., ended 2016 with a dominant victory in the Nov. 6 Labeeb S. over this course and trip. He was a well-beaten seventh in the June 3 GII Connaught Cup in his only previous 2017 outing. The 8-5 favorite was unhurried early and raced near the back of a compact field. He pulled his way closer to the lead along the rail down the backstretch, split foes in upper stretch and grabbed the lead with a furlong to run en route to a 3/4 length tally over pacesetting Siding Spring (Warrior's Reward). Navy Gardens produced a filly by Curlin in 2017 and was bred back to Street Sense. Lifetime Record: GSW, 18-9-2-1, $442,160. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

AN EQUIX OPTIMATCH® MATING | WWW.EQUIXBIO.COM

3rd-WO, C$64,898, Msw, 7-22, 2yo, 6fT, 1:09.95, fm. **+MOONLIGHT RAIN (f, 2, Point of Entry--Sweet Sugaree {SP}, by Tiznow)** came from well off the pace with a flying finish to capture her debut over the Woodbine turf, becoming the second winner for her freshman sire (by Dynaformer). Let go at odds of 11-1 as one of two Casse-trained fillies taking on the boys, the Grossberg homebred lagged behind fractions of :24.06 and :47.03 and gathered steam as the field spun into the stretch. Left with significant work to do, she kicked it into high gear late, splitting horses to get up and score by an neck. Third timer Adios Muchacho (Adios Charlie), fifth last time behind well-regarded Casse runner Blueblood (City Zip) in the July 8 Victoria S. on the main track, was second. The winner's SP dam, who was acquired privately by Gabe Grossberg after a sophomore campaign that included a runner-up effort in the 2006 Martha Washington S. at Oaklawn, is herself a half to SW Interest Only (Crafty Prospector) and GSP Moon Over Prospect (Crafty Prospector). She produced a Quality Road filly this season. Lifetime Record: 1-1-0-0, $29,189. **Click for the Equibase.com chart or the VIDEO, sponsored by Fasig-Tipton.** O/B-Gabe Grossberg (KY); T-Mark E. MEMORY BACK ON TRACK IN HACKWOOD

Frankie Dettori and Magical Memory | *racingfotos.com*

Saturday's G3 Hackwood S. winner **Magical Memory (Ire)** (Zebedee {GB}) is a true Group 1 performer and proved that when less than a length behind Twilight Son (GB) (Kyllachy {GB}) in third in the 2015 G1 Haydock Sprint Cup and fourth in last year's G1 Diamond Jubilee S. at Royal Ascot. Successful in the G2 Duke of York S. on his favoured fast surface last May, the grey had taken some knocks to his ego of late with three of his four efforts prior to a latest conditions win at Haydock on July 8 resulting in unplaced efforts. Never far from the pace under Frankie Dettori at Newbury on Saturday, he was sent to the front approaching the furlong pole and stayed on strongly in the unfavourably testing ground to deny the 3-year-old filly Perfect Angel the upset. "We had a terrible run at Ascot and it's amazing what it does to get a horse's head back in front," trainer Charlie Hills said. "Ever since Haydock, he's shown us the right signs and he's back on an upward curve. We'll probably look at France [for the Aug. 6 G1 Prix Maurice de Gheest at Deauville], last year we thought we might drop him back to five and now, if anything, we're thinking he could do further."

Magical Memory emanates from a branch of one of Shadwell's finest families, with the dam being a half to the G2 Rockfel S. winner Sayedah (Ire) (Darshaan {GB}) descended from the G3 Princess Margaret S. scorer Muhbubh.

RACING NSW BUYS RETRAINING FACILITY

Racing NSW has purchased a 2600-acre facility at Capertree, 40 minutes north of Lithgow, that will be used for the rehabilitation, retraining and rehoming of Thoroughbreds after their racing careers.

The initiative is part of the Racing NSW Equine Welfare Fund, which was established in October 2015 and is funded by 1% of all prizemoney paid in NSW, totalling over A$2-million annually. The purpose of the fund is to ensure all NSW Thoroughbreds, including those that didn't make it to the racetrack, will be appropriately cared for outside their racing careers. Horses will be retrained to find new homes in equestrian sports, pony club, polo and as pleasure horses or paddock mates. The facility will also be used for industry training and for retired champions.

"This is a major investment, not only for the rehabilitation of racehorses, which is a paramount objective of the board, but also as an investment for the future as a land bank that could have a multitude of uses for the NSW Thoroughbred racing industry in the future," said Racing NSW Chairman Russell Balding.

The property will also serve as a weekend destination for those wanting to purchase a retrained Thoroughbred, with facilities including a bed and breakfast and shearer huts and eco-tourism activities like trout fishing, four wheel driving, organic pick-your-own cooking and trail riding.

Also connected to the sire Istintaj and G2 Cherry Hinton S. scorer and G1 Phoenix S. runner-up Asfurah (Dayjur), the dam has also has the once-raced 3-year-old filly Cherished (Ire) (Kodiac {GB}). **Click for the free Equineline.com catalogue-style pedigree**.

PREPARE FOR HEARTACHE

It is fair to say that Clive Cox is almost a household name in Britain after the exploits of Harry Angel (Ire) (Dark Angel {Ire}) last Saturday, but at Maisons-Laffitte he was already established in the consciousness of the PMU faithful with two wins in the last five runnings of the G2 Prix Robert Papin. On Sunday, he could make it a 50% strike rate since Reckless Abandon (GB) (Exchange Rate) provided the first in 2012 with the unbeaten filly **Heartache (GB)** (Kyllachy {GB}). Subduing Wesley Ward's big hope Happy Like a Fool (Distorted Humor) in the G2 Queen Mary S. over five furlongs at Royal Ascot on June 21, The Hot To Trot Syndicate's bay has plenty in hand on these rivals.

"This is a race we've been looking at since she won the Queen Mary," Cox commented. "Although she's taking on the boys, she does get a very handy sex allowance and also escapes a penalty for her Ascot win. Taking that into account, on the ratings she comes out very well and it just makes sense to run her in this without a penalty rather than take on fillies with one. Another bonus of running in this is that she's only stepping up in trip half a furlong rather than going up to six straight away. I'm not sure she'd ever want the ground too soft, but she is by Kyllachy. On what we've seen so far, though, she'll be at her best on quick ground."

Trainer Clive Cox | *Racing Post*

Her opponents include the June 22 G2 Norfolk S. fourth **Frozen Angel (Ire)** (Dark Angel {Ire}) and that form has subsequently been boosted by the G2 July S. success of the third Cardsharp (GB) (Lonhro {Aus}) and listed win of the also-ran Havana Grey (GB) (Havana Gold {Ire}). The usual Italian presence is provided by Il Cavallo In Testa's June 25 G3 Premio Primi Passi winner **Ipompieridiviggiu (Ity)** (Pastoral Pursuits {GB}), while Criquette Head-Maarek is looking for a seventh renewal courtesy of **High Dream Milena (Fr)** (Dabirsim {Fr}), who beat the subsequent winner Tantheem (GB) (Teofilo {Ire}) on debut over six furlongs at Chantilly on June 17.

JOCKEYS HONOUR YARBOROUGH

Jockeys across Britain on Saturday honoured Stephen Yarborough, the stalls handler who was killed at Haydock on Friday, by wearing black armbands. Many paid tribute to Yarborough, with Franny Norton saying from Ripon, "Those guys put their lives on the line for us every day. They are without doubt the unsung heroes of our game, they never get enough credit. It's very sad. I've needed their help on numerous occasions and they dive in to help without a thought for themselves. You know you are in safe hands with them and it's tragic this has happened. You can only send your condolences."

James Hutchinson, clerk of the course at Ripon, said, "The stalls handlers do an immense job and it is hugely important what they do. We simply wouldn't be able to function without them. Their role might not be celebrated but it is crucial. All we can do at this time is send our condolences to his family and friends. The stalls handlers deal with some very tricky horses on a daily basis."

Haydock's Friday card was abandoned after Yarborough's accident, which occurred before the fourth race, and the course ultimately decided to carry on with Saturday's card in his honour. Merseyside Police said an investigation into the circumstances of the death will be carried out by detectives and the Health and Safety Executive.

CATHY GANNON RETIRES

Jockey Cathy Gannon, who severely injured her foot in a starting stalls incident last May, told *Racing Post* she has called time on her race riding career as a result of complications from that injury. Ireland's champion apprentice in 2004, Gannon later relocated to Britain, where she rode 440 winners and earned three Lesters–in 2010, 2011 and 2015–as Lady Jockey of the Year.

"It's very hard, but I have to retire," Gannon told *Racing Post*. "I have to think of my family and look to the future. There are a lot of jockeys forced out far worse than me, so I'm lucky it's not severe."

Gannon said she plans to return to Ireland and work as a jockey coach and work rider.

"I'm just not going to be able to race-ride," she said. "My foot can't take the pressure of being on the balls of your feet, and I'd always be vulnerable to another knock in the stalls. I've been doing some jockey coaching and I'd like to continue that in Ireland, and hopefully I'll be able to do a few lots in the morning. It's just a case of keeping on top of it, I have plenty of other injuries from my time in racing, my shoulder's not great, and I'm getting older, so it makes sense."

Like many who are tried over hurdles, What About Carlo has come back to the flat with a renewed vigour and duly made his fourth effort since his winter stint over the obstacles his best yet to open his black-type account. Third in a valuable affair over this trip at Epsom on June 2, the bay was a neck second to King Bolete (Ire) (Cape Cross {Ire}) over an extended 11-furlong trip at Windsor at the start of this month and entered this looking for a third course-and-distance success on ground that suits. Always comfortable in second in this race which has sometimes punched above its weight but this year had cut up to be an average renewal, he struck for home with over two furlongs remaining and the race was soon in safe keeping.

What About Carlo is the only known foal out of a full-sister to the G2 Prix Robert Papin heroine Boccassini (Ger), who in turn is the dam of the Listed Premio Royal Mares winner Bastille (Ger) (Saddex {GB}). His fourth dam is the G3 German 1000 Guineas heroine Brigida (Ger) (Priamos {Ger}), whose descendants include the G2 Grosse Europcar-Meile and G3 Oettingen-Rennen scorer Bernardon (Ger) (Suave Dancer).

Breaking her maiden at the third attempt at Haydock last time on June 9, God Given--who is a half-sister to the G1 King George VI & Queen Elizabeth S., G1 Juddmonte International, G1 Coronation Cup and G1 Dubai Sheema Classic-winning heavyweight Postponed--took a stride forward here to get the better of some promising peers. Travelling enthusiastically behind the early leaders, the bay was committed two furlongs out and despite the attention of Isabel de Urbina against the fence stayed on strongly to secure the black-type win.

From the same family as Thursday's Epsom winner Doublet (Ire) (Epaulette {Aus}), Ever Rigg is, like the useful Pietra Dura (GB) (Cadeaux Genereux {GB}), a daughter of the G1 Moyglare Stud S. and G2 Lowther S. scorer Bianca Nera (GB) (Salse). Pietra Dura is in turn responsible for the GIII Beverly Hills H. winner and GI Yellow Ribbon S. runner-up Turning Top (Ire) (Pivotal {GB}), while the family also features the MG1SP Hotelgenie Dot Com (GB) (Selkirk) and her G1 Fillies Mile and G1 Falmouth S.-winning daughter Simply Perfect (GB) (Danehill). Ever Rigg also has an as-yet unnamed 2-year-old colt by Makfi (GB) and a yearling colt by Dubawi (Ire).

4th-NBY, £250,000, Cond, 7-22, 2yo, 5f 34yT, 1:04.05, sf. **BENGALI BOYS (IRE) (c, 2, Clodovil {Ire}--Caherassdotcom {GB}, by Compton Place {GB})** was an Apr. 19 debut scorer at Beverley and went postward for this Weatherbys Super Sprint, and fourth straight try at five furlongs, returning off runner-up finishes at Doncaster on May 6 and at Redcar last time on May 29. Handily placed behind the leaders through solid early fractions, the 12-1 chance was sent to the front soon after passing the quarter-mile marker and surged ever clear under mild rousting on the rain-softened turf in the closing stages to win this valuable pot by daylight. At the line, he had six lengths to spare over Declarationoflove (Ire) (Declaration of War) with Maggies Angel (Ire) (Dark Angel {Ire}) a further neck adrift in third. "It looks like he likes that [soft] ground," said trainer Richard Fahey. "He'd been working well at home and had some solid form. It's a race we target every year because it's for the sort of cheap horses that we like to buy and this fellow only cost €11,000. I said the day we bought him he'd win the Weatherbys Super Sprint and it's not often you can say that."

"It's a race we target every year because it's for the sort of cheap horses that we like to buy and this fellow only cost €11,000. I said the day we bought him he'd win the Weatherbys Super Sprint."

Winning rider Barry McHugh added, "He'd go and do it again and, to travel in that ground and win like he did, what a star he is. I was worried about Maggies Angel beforehand, but he has strengthened up a lot since his little break [after Redcar] and wasn't a no hoper. This is what it's all about for owners, to get one at a reasonable price and win a pot like this. It pays for his way and for a few others too." The €11,000 GOFSPT yearling is out of a half-sister to MGSP three-time stakes winner Dubai's Touch (GB) (Dr Fong), Listed HH The President Cup scorer Grantley Adams (GB) (Dansili {GB}), G3 Diomed S. third Wannabe Around (GB) (Primo Dominie {GB}) and G3 Prix de la Jonchere placegetter Nobelist (GB) (Bering). Half-brother to a yearling colt by Casamento (Ire), he hails from a family which includes G3 Fred Darling S.-winning G1 Irish 1000 Guineas runner-up Penkenna Princess (Ire) (Pivotal {GB}). Lifetime Record: 4-2-2-0, $167,104. **Video, sponsored by Fasig-Tipton.**

Stoked up to close passing the quarter-mile pole, the 14-1 chance led entering the final furlong and was ridden out to assert by 1 3/4 lengths from Arizona Mist (Ire) (Exceed and Excel {Aus}). Half-sister to a yearling filly by Sepoy (Aus), she becomes the second scorer from as many foals to race produced by a winning half to the dual stakes-placed Botanic Garden (GB) (Royal Applause {GB}), from a family which features G1 National S. third Mountain Song (GB) (Tirol {Ire}) and MG1SP sire Bold Arrangement (GB) (Persian Bold {Ire}), whose five top-level placings include runner-up finishes in the GI Kentucky Derby and G1 Grand Criterium. ALKHALIFA (IRE) (c, 2, Kodiac {GB}--Bridal Path {GB}, by Groom Dancer), who hit the board in his course-and-distance debut last time on July 6, was quickly into stride and led after the initial strides of this second go. Holding sway for the most part, the 4-1 chance came under pressure when strongly pressed by Oliver Reed (Ire) (Footstepsinthesand {GB}) with 1 1/2 furlongs to go and kept on resolutely for continued urging in the closing stages to deny that rival by a half length after a ding-dong tussle. The 110,000gns TAOCT yearling is the fourth scorer out of a winning half to five black-type performers headed by G3 Horris Hill S. victor Cupid's Glory (GB) (Pursuit of Love {GB}) and G3 Princess Elizabeth S. heroine Clinical (GB) (Motivator {GB}), who in turn produced G1 Goffs Vincent O'Brien National S. third and G2 German 2000 Guineas second Lockheed (GB) (Exceed and Excel {Aus}). INSAYSHABLE (IRE) (c, 3, Rajj {Ire}--Imitation {GB}, by Darshaan {GB}), last seen finishing fourth behind a trio of Ballydoyle colts, which included the subsequent G1 Irish Derby hero Capri (Ire) (Galileo {Ire}), in the G3 Derrinstown Stud Derby Trial S. over 10 furlongs at Leopardstown on May 7, was sent straight to the head of affairs. Never seriously threatened, the 8-13 market leader readily kept Aneen (Ire) (Lawman {Fr}) at bay to score by two lengths. DOUBLE FOR QATAR BLOODSTOCK

Sheikh Fahad's Qatar Bloodstock bagged a pair of wins at Flemington on Saturday. The first came with the 4-year-old mare **Dulverton (Aus)** (Commands {Aus}) in the second race on the card, a one mile benchmark 84 race. Trained by Robert Smerdon and ridden by Brandon Stockdale, Dulverton scored by 1 1/4 lengths and was earning her second straight win off a benchmark 78 score at Sandown-Lakeside on July 12. Dulverton was a A$180,000 purchase by David Redvers at the 2014 Inglis Easter yearling sale.

Two races later, the Qatar Bloodstock colours were back in the winner's enclosure when the 4-year-old gelding **Portman (Aus)** (Makfi {GB}) lifted a 1400 metre benchmark 84 race for trainer Danny O'Brien, who is a part-owner of the horse. Portman, a A$200,000 purchase from the same sale as Dulverton, was winning for the second time this year and fourth time overall.
