

'PIONEER' COLT TOPS STRONG SESSION

By Lucas Marquardt

The last weanling to sell in 2014 by the red-hot Pioneerof the Nile topped yesterday's single-session Book 5 at Keeneland November, which saw healthy increases from last year's comparable session. In all, 242 horses sold Wednesday for \$4,165,200, an average of \$17,212 that was up 16.7% from last year's average of \$14,753. The median, \$12,000, was up 14.3% from \$10,500. The RNA rate was once again

much higher than last year--21.4% vs. 10.3%--but still came in at an acceptable percentage.

Cumulatively, 2,092 horses have sold at November for \$201,912,600. The average of \$96,517 is up 9.7%; the median of \$45,000 is up 12.5%. The cumulative RNA rate is 21.9%. Last year it was 14.9%.

Topping yesterday's session was a Pioneerof the Nile colt who went to C.J.E. Stable for \$85,000. The colt is the second foal from the Churchill maiden special winner **Aqualane Shores** (Friends Lake). Meg Levy's Bluewater Sales consigned the Feb. 7-foaled bay as [Hip 2964](#) on behalf of breeder David Clark's Iron Horse Racing. ([Click for ThoroStride video.](#))

"From the first time I saw him at the farm, I thought he was the bomb," said Levy. "We put him in this spot because we thought he might top the day. David Clark has been a client for a very long time, and we're thrilled for him. He usually breeds to race, but he got a magnificent individual here and decided to sell. The colt was very much like the Pioneerof the Niles, and the mare was absolutely stunning, so it was a great mating of breeding like to like. The colt was tall, leggy and correct with a great frame and a beautiful head."

C.J.E. Stable also purchased the colt's dam Aqualane Shores for \$12,000. The 7-year-old, who sold from Bluewater as [Hip 2965](#), is in foal to Colonel John.

Today's penultimate session of the November Sale begins at 10 a.m. For more, visit www.keeneland.com.

CHROME POSSIBLE FOR HOLLYWOOD DERBY

Dual Classic winner **California Chrome** (Lucky Pulpit) is being considered for a start in Del Mar's GI Hollywood Derby Nov. 29, which would be the chestnut's first try over the turf. In a phone interview with TVG Wednesday afternoon ([click here](#) for video), trainer Art Sherman said that GI Kentucky Derby and GI Preakness S. winner will work a half-mile over the Jimmy Durante Turf Course Nov. 23 in preparation for a potential start in that Grade I event six days later.

California Chrome

"[Jockey] Victor [Espinoza] will work him, and then I'll make my final decision whether to run him in the Hollywood Derby," said Sherman. "I want to first see

how he handles the grass."

Most recently third by a neck in the GI Breeders' Cup Classic, Sherman noted that his trainee exited the race in excellent condition. "I was over there Monday and he was bucking and playing." The trainer added, "I don't have to do too much with him. He came out of that race double fit."

Sherman said that co-owners Steven Coburn and Perry Martin's recent decision to leave the colt in training for 2015 played a major role in his thought process. **Cont. p9**

All Hansen All The Time At KEENOV...

Dr. Kendall Hansen, whose homebred Hansen (Tapit) earned champion juvenile honors in 2011 off his win in the GI Breeders' Cup Juvenile, figured heavily into yesterday's proceedings at November. Dr. Hansen sold the session's top two mares, and purchased the day's third-highest-priced weanling, a colt from Hansen's first crop. All three horses realized the same price: \$75,000.

The mare, [Hip 2910](#), is a half-sister to the Grade I performer She's Cheeky (Black Minnaloushe) and had been purchased by Dr. Hansen for \$32,000 at the 2013 Keeneland January Sale.

A little while later, the 6-year-old **Drumette** (Henny Hughes--Endless Parade, by Williamstown), in foal to Tapizar, went to Highfield Ranch. The winning Drumette, [Hip 3043](#), is a half to GSW Drum Major (Dynaformer) from the family of champion Heavenly Cause. Pope McLean's Crestwood Farm consigned both mares.

Dr. Hansen then put on his buyer's hat when going to \$75,000 for a Hansen son of the SP 12-year-old mare Airizon (Boston Harbor), who sold from the Taylor Made Sales Agency consignment as [Hip 2952](#).

"He had a huge overstep and a lot of presence," Dr. Hansen said of the colt. Dr. Hansen purchased two other Hansens at November, going to \$45,000 for a filly from the SP **Que Bonita** (Meadowlake) and to \$20,000 for a half-brother to SW & GSP **Frenchglen** (Forestry) and GSP **Dr. Nick** (Authenticate).

"They all had great heart scores and were great physicals," said Dr. Hansen. "It wasn't like I'm trying to push up his weanling prices; I really wanted those horses."

Dr. Hansen and the folks at Crestwood have been plenty busy at November. When Hansen was retired to Ashford Stud for the 2013 breeding season, Dr. Hansen pulled out all the stops to support him. He bred about 40 foals from Hansen's first crop and, poring over sale catalogues and consulting with advisors, had acquired some 60 mares to breed to the son of Tapit in his second year. "It was a lot of work matching up pedigrees and physicals, but it was also a lot of fun," he said.

Then last fall, Ashford received a substantial offer for Hansen from South Korean interests, and it was announced that he would be expatriated. That left Dr. Hansen with a few dozen mares and no stallion to send them to.

Thus far at Keeneland November, Dr. Hansen has offered 19 of those mares and sold 12 for an average of \$37,875. He has another 10 mares to go through the ring during Friday's finale. Crestwood consigns them all.

"The younger ones who look athletic have done really well," said Dr. Hansen. "I've been happy with the way they've sold."

Dr. Hansen said he plans to keep about 25 of the broodmares he purchased for Hansen and will continue to breed out of them.

Dr. Hansen and Crestwood also brought a bevy of weanlings from Hansen's first crop, and the results have been encouraging. Four of the seven they offered have sold for an average of \$76,250, led by a half-sister to SW **Miss Frost** (Curlin) who sold to Valparaiso Enterprises for \$90,000. Walnut Hill purchased a colt for \$85,000, Amy Boulton landed a colt for \$65,000, and James Delahooke, agent for Bobby Flay, purchased a filly for \$65,000. Dr. Hansen and Crestwood also sold a Hansen colt at Fasig-Tipton November to Wild Card Bloodstock for \$75,000. **cont. p6**

"I'm really excited about how the Hansens have done, and I'm exciting about who's buying them," Dr. Hansen said. "Peter O'Callaghan bought one, and he's a great judge of a horse. It was cool that Bobby Flay got one. And the manager of Ashford bought the one I sold at Fasig-Tipton. That horse and the one who brought \$85,000 were actually best buddies in the field growing up--the did everything together."

Hansen
L Marquardt photo

Dr. Hansen said the Hansens he's seen share some characteristics. "They

all have really big hips; big engines on them," he said. "It's interesting, too. Most people don't know that Hansen had a big white blaze. He was so white that you couldn't see it. But most of the Hansens have that blaze, and so it sort of looks like Shackleford or something snuck in on a few of those mares [laughs]."

He added, "I've also been working with Patti Miller at EQB, and with Jay Kilgore [at DataTrack], as well, doing heart scans on the Hansen babies. And almost all of them are in the top third--and many are in top 10%--of heart scores. A few were top 5%, and I actually adjusted my RNA prices because of it."

One that Dr. Hansen chose to take home was R Lady Hansen, a filly who RNA'd at \$140,000. "She was just a beautiful filly and had a great heart score," he said.

Dr. Hansen said he'll offer another big group of Hansens as yearlings next year, and will likely keep eight or 10 to race himself.

"I just want to give people a taste of the Hansens now, to let them know that they do look nice and so forth," he said. "But I still have several of my better ones still tucked away, and most of them will sell as yearlings."

And Dr. Hansen is still hopeful that we haven't seen the last of his namesake in America. "If they run like they look, I hope Ashford will be real quick to bring him back."

CLARIFICATION: In yesterday's story on Gainesway's new BreedSecure-like program, our story, taken from a Gainesway press release, read that the difference from Spendthrift's program was that with Gainesway, "if the breeder's sales weanling or yearling does not sell for the stud fee then no money is owed." That can be the case at Spendthrift as well, where the breeder receives first proceeds up to \$6,000 for a weanling and \$12,000 for a yearling. If the horse brings less than that at the sale, no fee is owed to Spendthrift at all. The difference is that Gainesway sets the benchmark at the stallion's stud fee. RATHASKER KEEPING GOOD COMPANY
By Aisling Crowe

A stockman's knowledge and understanding of land has helped turn the Burns family's Rathasker Stud into one of Ireland's leading independent stud farms, and with foals in its arsenal by the likes of its successful first-season sire Fast Company (Ire) (Danehill Dancer {Ire}) and the first crop of Born to Sea (Ire) (Invincible Spirit {Ire}), the Co. Kildare nursery has much to look forward to at next week's Goffs November sale.

When Paddy Burns--the father of current Rathasker master Maurice Burns as well as Lodge Park Stud's Seamus Burns and Newlands House Stud's Patrick Burns--moved from Northern Ireland to Kildare in search of a stud farm, he had strict criteria that any potential property would have to meet, and many farms were considered but very few fulfilled the brief. In 1984, he found what he was looking for in Rathasker.

That knowledge has informed the work of his sons, and the philosophies the breeder imparted to his children guides how they run their farms, explained Maurice Burns, who owns the 300-acre Rathasker Stud outside Naas, a stone's throw from Goffs' Kill Paddocks. **cont. p6**

Rathasker Keeping Good Company cont.

"My father taught us all not to be afraid to take risks and to be independent thinkers," he said. "Our family all have the same philosophy. We believe that you need class, speed and soundness to produce good racehorses. I'm a great believer in nicks and reasons for doing things that work."

Rathasker has been standing stallions for over 25 years, and the stud saw its efforts come to full fruition this year with leading first-season sire Fast Company. The 9-year-old is third on the first-season sire lists in Britain and Ireland by winners and prize money, and has a Royal Ascot winner in that crop--Baitha Alga (Ire), successful in the G2 Norfolk S.

The Burns family is intrinsically linked with influential sire Ahonoora (GB), the sire of the Paddy and Seamus Burns-owned Park Appeal and the damsire of Lodge Park-bred New Approach, and that lineage is expressed in Rathasker homebred Es Que Love (Ire), the son of Rathasker resident Clodovil (Ire), who through his damsire Inchinor (GB) traces back to

Ahonoora. The winner of this year's G2 Lennox S. at Goodwood, he will return home to join the Rathasker stallion roster for 2015.

Bungle Inthejungle (GB) (Exceed And Excel {Aus}), the second new recruit to the Rathasker team for next season, also has a connection with a famous Ascot race that the family has been lucky in. Like former Rathasker resident Mujadil, he won the G3 Cornwallis S.

Rathasker's draft at the Goffs Foal Sale next week is sure to attract plenty of attention. Not only will the farm send foals by its

successful first season sire, Fast Company, but it will also see the eagerly awaited debut of Born To Sea's first crop of foals.

With one of the best stallion pedigrees around, as a half-brother to multiple champion sire Galileo (Ire) (Sadler's Wells), champion 3-year-old and leading second-season sire Sea Sea The Stars (Ire) (Cape Cross {Ire}) and Group 1-winning sire Black Sam Bellamy (Ire) (Sadler's Wells), the 5-year-old--who won the Listed Blenheim S. on debut and was second to Camelot (GB) (Montjeu {Ire}) in the G1 Irish Derby--also has champion sire King's Best and Tamayuz (GB) in his immediate family.

Rathasker Keeping Good Company cont.

Born To Sea has a lot to live up to, and Burns will give him the best possible opportunity of adding to his family's unparalleled influence on the breed.

"A lot of good stallions weren't necessarily the best racehorses, and the best racehorses don't often turn out to be champion sires," Burns noted. "A lot of stallions do seem to come in families--if you look at Invincible Spirit and now his half-brother, Kodiak (GB), has come along. Similarly, Camacho (GB) (Danehill) sired plenty of stakes winners last year, and his half-brother Showcasing (GB) (Oasis Dream {GB}) is proving very successful with his first crop. Galileo is probably the best sire in the world and Sea The Stars is an emerging force, so there are a bunch of good genes there for Born To Sea and hopefully he will have the luck he needs."

Those genes will be on display next week, as eight of the 22 foals the farm will offer at Goffs are by Born To Sea, while 10 are by Fast Company. The farm's Classic winner Clodovil (Ire) (Danehill) is responsible for three of the draft, and only one is by an outside stallion--an Intense Focus filly. Burns picked out some of the standout lots from a bunch of foals he describes as a good, level group, beginning with [lot 86](#).

"On day one we have a Fast Company (Ire) colt out of Betty Fontaine (Ire) (Mujadil)," Burns said. "We raced the mare ourselves and she was rated 93, so she was a useful racemare. She won twice over six furlongs as a 2-year-old and was fourth in the G3 Princess Margaret S. at Ascot in 2011. It is a family we know well and this colt is her first foal. He is a fine, solid, good-walking individual and a nice commercial horse."

Burns went on to point out [lot 404](#), a Born to Sea colt.

"Lot 404 is by Born To Sea out of Eastern Glow (GB) (Cape Cross {Ire})," he said. "This is her second foal--she has a yearling filly by Dutch Art (GB). He is a youngish foal, being born in April, but already looks a scopey type. He is a nice correct model and looking at him, he has the size and scope to go on for next year," Burns added.

Both Eastern Glow and Betty Fontaine are catalogued to sell at Goffs a couple of days after their sons, along with the dam of another foal Burns has highlighted from the Rathasker draft. Betty Fontaine is in foal to Choisir (Aus) as [lot 1388](#), while Eastern Glow is believed to be carrying her second Born To Sea foal ([lot 1084](#)). Princess Banu (GB) was covered by seven-time Group 1 winner Rock Of Gibraltar (Ire) and is catalogued as [lot 1081](#) as part of a nine-strong mare draft from the farm for the Breeding Stock sale, which takes place Nov. 21 and 22.

"Another of our Born To Sea foals is among the pick of our draft," Burns added. "[Lot 578](#) is out of Undulant Way (GB) (Hurricane Run {Ire}), and his yearling half-brother by Makfi (GB) was bought as a foal by David Redvers. He is a lovely, powerful colt and very elegant-moving. He has a good shape to him and is a nice horse." **cont. p9**

Rathasker Keeping Good Company cont.

The final day of the sale sees Rathasker consign another colt by Fast Company ([lot 986](#)) out of an Oasis Dream (GB) mare who won as a 2-year-old.

"He is a really good, strong 2-year-old type with a bit of length about him," Burns explained. "He is the first foal of Princess Banu, who is a useful mare from a family that is blessed with speed. This is a pure five and six furlong pedigree that goes back to Tina's Pet (GB). It's a fast family and he looks to be the early maturing type. I like him, the lads like him and the farrier does too, so hopefully we will all be right."

"I always wanted to try him on the grass," continued Sherman. "Now that the owners made a decision to run him as a 4-year-old, it puts a whole different perspective on his future."

While the 77-year-old conditioner said he believes California Chrome could be successful on the turf next year, he also acknowledged that he wants to give his trainee another opportunity to bolster his credentials for 2014 Horse of the Year honors. "It would be a big feather in his cap if he could win a Grade I again on a different surface," Sherman remarked.

KAY: NYRA OUT OF THE RED

For the first time in 13 years, the New York Racing Association will show an operating profit in 2014, the organization's chief executive officer Christopher Kay told a meeting of the NYRA Board of Directors Wednesday afternoon at the offices of Governor Andrew Cuomo in midtown Manhattan. Pledging to position NYRA as a "well-run, responsible business" and announcing that they are "headed in the right direction,"

Christopher Kay
NYRA/Adam Coglianesse

Kay told the Board that while projections for 2014 called for an operating profit of a quarter-million dollars, the true figure--based on numbers through the month of October--would be closer to six times that amount.

"As you may recall, we called for an operating surplus of \$250,000, exclusive of the VLT funds, for our operating budget when we came to you last December," Kay stated to the Board. "I'm pleased to be able to report to you that we will do much better than that, perhaps six times better than that, with a projected surplus in the neighborhood of \$1.5 million for 2014."

NTRA REPORT FROM CAPITOL HILL

NTRA RECOGNIZES SUPPORTERS AMONG BREEDERS' CUP WINNERS & PARTICIPANTS

The NTRA congratulates the connections of all of the winners of Breeders' Cup World Championship races and offers special thanks to those listed below who contributed to the [NTRA Legislative Action Campaign](#) through the ¼% Check-off and/or Foal programs during the past year.*

- Steve Asmussen, Trainer of Untapable, winner of the Distaff
- Bob Baffert, Trainer of Bayern, winner of the Classic
- Ken and Sarah Ramsey, Owners and Breeders of Bobby's Kitten, winner of the Turf Sprint
- Stonestreet Thoroughbred Holdings, Breeder of Texas Red, winner of the Juvenile
- Winchell Thoroughbreds, Owner and Breeder of Untapable, winner of the Distaff

The NTRA also recognizes the 68 industry members, represented by 78 Breeders' Cup entrants, who contributed to the Campaign over the same time period. [Click here](#) for this list.

The NTRA Legislative Action Campaign funds the NTRA's federal legislative work on Capitol Hill. Buyers and sellers may contribute at all major sale companies by donating one quarter of one percent of a horse's sale price. Owners and breeders also may participate by contributing \$50 per foal in the NTRA Foal program.

*Participation July 2013 through Sept. 2014, not including the 2014 Keeneland September Yearling sale.

NYRA Chief Financial Officer Suzanne Stover, who was celebrating her birthday Wednesday, explained that losses over the winter at Aqueduct, owing to poor weather, were offset by an increase in the fees charged for simulcasting, reduced labor expenses and an uptick in revenue from the revamped Belmont Stakes Day, which featured the Triple Crown attempt of California Chrome and several other Grade I events in addition to expanded entertainment offerings.

Kay went on to suggest that based on the 2015 budget, which is to be approved at the Board's next meeting Dec. 3, operating profits are projected at \$2.1 million for next year, while expectations are that the corresponding figure for 2016 could be as high as \$3.2 million. Kay also announced that the 2015 budget would be structured on a six-day racing week at Saratoga from July 24 through Sept. 7, 2015, and that there would be an effort to expand advance deposit wagering beyond the state borders.

Board Chairman David Skorton and member and prominent owner Michael Dubb lauded Kay for leading NYRA into the black. Dubb deemed Kay's efforts "Herculean," adding that the state of New York is seeing increased foal crops and the tracks are staging bigger race days, including for horses bred in the Empire State. "If we stay where we are now, we'll open several lengths on the competition," Dubb commented.

NYRA Out of the Red cont.

In return, Kay praised the panel, stating, "I appreciate all of the contributions you've made, both individually and collectively. Governor Cuomo has elected a talented board." Not all of the board members were entirely enamored with the financial outlook. My Meadowview Farm's Leonard Riggio called into question the relatively narrow operating profits, labeling the \$1.5 million number "thin ice" relative to the overall budget. Seemingly unconcerned, Kay retorted, "We aren't a grocery store."

In the other major piece of news to emerge from the meeting, Kay reported that, after consultation with a variety of industry stakeholders, that the transitional board currently in place would not make any long-term decisions on real estate holdings--that the decision would "be the responsibility of the next board."

Kay reported on and showed a video of approximately \$14 million in renovations other capital improvements made at Aqueduct over the last 18 months.

The first portion of the meeting including a discussion of the legal and governance structure of a new NYRA when it emerges from re-organization. In his comments to the Board, Senior Vice President and General Counsel Joseph Lambert presented the requirements of the applicable statute as well as several thoughts on how NYRA should be structured and governed. This includes a smaller board than the current board which encompasses 17 members, the inclusion of the NYRA CEO to the new Board, consideration of term limits for Board members, in addition to possible frameworks for committees.

THE FUGUE TO DUBAWI

Four-time Group 1 winner **The Fugue (GB)** (Dansili {GB}) will visit leading sire Dubawi (Ire) in her first season at stud in 2015. Trained by John Gosden for Lord and Lady Lloyd-Webber, The Fugue won the 2012 G1 Nassau S. and last year added the G1 Yorkshire Oaks and G1 Irish Champion S. Her penultimate outing was a victory in this year's G1 Prince of Wales's S., and she was last seen finishing sixth in the G1 Coral-Eclipse in July before retiring prematurely due to injury.

"We are very pleased to be sending The Fugue to Dubawi," said Simon Marsh, general

manager of Lord and Lady Lloyd-Webber's Watership Down Stud. "He is a tremendous stallion who has an outstanding record both on the racetrack and in the sales ring, and we feel he will suit The Fugue. We have been delighted with how she has let down since returning to the stud.

The Breeders' Cup World Championships had both increased attendance and television ratings for this past edition. The total two-day attendance was 98,319, up 4% from last year. The combined coverage on NBC and NBCSN averaged 599,000 viewers, up 33% from last year, with the Breeders' Cup Classic averaging 2.6 million viewers, up 24% from the 2013 figure. AL SHAQAB TO SPONSOR LOCKINGE DAY

Sheikh Joaan's Al Shaqab Racing has entered into a five-year sponsorship deal of G1 Lockinge S. day at Newbury Racecourse, which will take place May 16 next year. Total prize money on the day will increase 125% next year, and the Al Shaqab Lockinge S. will be worth £350,000, up from £214,000 this year.

The Lockinge card will feature seven races, including the £100,000 Listed Al Shaqab S. (formerly the Aston Park S.), as well as the Al Shaqab Fillies Trial S. and the Al Shaqab Carnarvon S., previously run the day before the Lockinge. Those will both be worth £70,000. A conditions race for 2-year-olds worth £50,000 and a mile handicap worth £40,000 have also been added to the card.

Harry Herbert, Racing Advisor to Al Shaqab, commented, "Al Shaqab Racing is delighted to be sponsoring such a prestigious race day, which includes a race very close to our hearts, the Al Shaqab Lockinge S. It is very appropriate as we won the race [this year] with Olympic Glory, and in doing so kick-started the Jack Berry House fundraising campaign, which has raised a staggering £500,000 for this fantastic cause."

AUSTRALIAN TURF CLUB REPORTS PROFIT

For the first time since the merger of the Australian Jockey Club and the Sydney Turf Club to form the Australian Turf Club in 2011, that organization has recorded a profit and further reduced its legacy in the past financial year, according to *Racing and Sports*. The Australian Turf Club turned a profit of A\$3.78 million in the last year while crowds across Sydney's four metropolitan racecourses increased by almost 20%. The Club has revealed intentions to move forward with further investments in each of its racecourses that will include further prize money investments.

"This result is very pleasing, and is a turnaround in underlying profit of \$8.65 million, but it's only the start," Australian Turf Club Chief Executive Darren Pearce told *Racing and Sports*. "It also shows that the tough decisions we took and the Club's strategic focus over the past four years since merger are now returning dividends. Since merger we have gone through the construction phase of Royal Randwick, followed by financial consolidation, and we are now in a good position to enter a growth and investment phase as the business returns to growing profitability, and legacy debt is being repaid. We will soon begin work on the Rosehill Gardens refurbishment and we are also looking at developing land that we own around the fringes at Canterbury Park, whilst continuing to maintain full racing operations."

KODIAC EUROPE'S BUSIEST STALLION

Tally-Ho Stud's **Kodiac (GB)** (Danehill), sire of Cartier champion 2-year-old filly Tiggly Wiggy (Ire), was Britain and Ireland's busiest flat stallion of 2014 covering 234 mares, according to figures released by Weatherbys and published in *Racing Post*. Now the sire of five crops, Kodiac stood for €10,000 in 2014.

Coolmore was responsible for the next six busiest stallions:

Mastercraftsman (Ire) (221 mares), **Camelot (GB)** (195), **Footstepsinthesand (GB)** (184), **Galileo (Ire)** (179), **Thewayyouare** (174) and **Declaration of**

War (172). Rounding out the top 10 are Banstead Manor's **Champs Elysees (GB)** with 169 and the Kildangan Stud duo of **Dawn Approach (Ire)** and **Casamento (Ire)**, each with 166 mares.

Camelot, Declaration of War and Dawn Approach filled the top three slots on the busiest first-season stallion stable, and Thewayyouare, sire of this year's G2 UAE Derby winner and GI Pacific Classic and GI Breeders' Cup Classic runner-up Toast of New York, was the flat sire with the biggest book increase in 2014, up 287% from the 45 mares he covered in 2013.

trainer Jean-Claude Rouget. Turned over to McCreery for her 4-year-old campaign, Fiesolana won a trio of Group 3s in that country for a new ownership group and closed out her season with a victory in the G2 Dubai Challenge S. in Newmarket prior to selling to Flaxman Stables

for 960,000gns at Tattersalls December last year. Fiesolana recorded a career high in the Sept. 13 Matron, and after finishing seventh in the G1 Prix de la Foret Oct. 5, she closed out her career with an eighth-place finish in the GI Breeders' Cup Filly & Mare Turf at Santa Anita Nov. 1.

"She's been great for me the last couple of years and I hope she's as good a mummy as she was a racehorse," McCreery said. "She won the four group races last year and it was great of the Niarchos family to put faith in me by buying her before bringing her back this season. For her to win the Group 1 in Leopardstown was fantastic, and her last four races have all been at Group 1 level. She's been a pleasure to train and took me to Royal Ascot and the Breeders' Cup."

McCreery quipped, "She'll be sadly missed as I'll have to pay for my own holidays now."

ADELAIDE AUSTRALIAN PLANS CONFIRMED

Coolmore's G1 Cox Plate winner **Adelaide (Ire)** (Galileo {Ire}) will remain in Australia under the care of trainer Chris Waller as originally planned, Coolmore Australia spokesman James Bester confirmed to *Racing and Sports* yesterday. Trained by Aidan O'Brien through

Tom Magnier with Adelaide
Racing and Sports

an international campaign that included a win in Arlington's G1 Secretariat S. and group placings in England and France and finally the Oct. 25 Cox Plate, Adelaide will be aimed at the A\$4 million G1 Queen Elizabeth S. at The Championships in April. The 3-year-old is currently spelling at

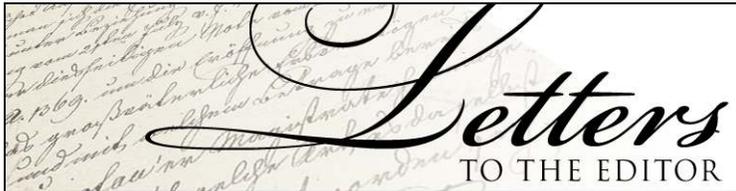

Coolmore's Hunter Valley property, and Waller noted he had already visited the colt.

"I've been up to see the horse. He's a fantastic individual," Waller told *Racing and Sports*. "They put him out into the paddock while I was there and he moved so effortlessly. He's a very athletic horse."

Waller said he plans to travel to Ireland to discuss Adelaide's training with O'Brien.

"I want to have a chat to Aidan to find out what we need to do to have him ready without over-racing him," Waller added.

Lisa Ford:

To The Members of the New York Thoroughbred Horsemen's Association:

I want you all to know how profoundly grateful I am to Rick Violette. He not only championed my idea to start educational programs for backstretch workers he made certain it would succeed. He gave an enormous amount of his time to help implement our initiatives. The Backstretch Education Fund grew out of the early classes in ESL and vocational training that he, as a director at NYTHA, helped me set up.

Our programs, The Groom Development Program, ESL (English as a Second Language), and our language lab and computer center--La Escuelita, have served literally thousands of backstretch workers at Aqueduct and Belmont and still continue to be a vital part of backstretch life.

From the start in 2002 until today Rick has made certain that we have NYTHA's financial support and also his own insight and guidance. I know that I have grown tremendously as a leader as well because of his partnership in our work.

I would like to include a quote from Rick that he gave me to use for one of our brochures. It reflects upon what is significant about the Backstretch Education Fund but also says something about him. "Intellectually the vocational training and ESL are not only perfectly logical but a necessity on the backstretch. But all you have to do is attend one class and see the sparkle in the students' eyes and the intensity of their enthusiasm and know that this is far more important than just vocational training or ESL."

Rick sees what needs to be done and makes sure it is accomplished. But more importantly he wants things to be better for others. We are very fortunate to have him as part of the racing community.

On behalf of the Backstretch Education Fund thank you for your support of his leadership.

SOMETIMES RETIREMENT IS A SECOND CAREER.

Former racehorses can become jumpers, police horses, eventers and dressage horses. But too many horses who come off the track are comfortably pasture sound, but not sound enough to be ridden.

At 10 correctional facilities around the country, these pasture-sound horses help train inmates in the Thoroughbred Retirement Foundation's Second Chances Groom Elite program and they, in turn, provide compassionate care for the TRF's herd.

FULMER (c, 2, Kitten's Joy--Gdansk King, by Langfuhr) was second on debut to the runaway Kerjillion (Freud) going this distance over the Belmont lawn Oct. 2. Continuing to run without Lasix, he was hammered down to even-money favoritism to go one better here. The chestnut got off to a stumbling beginning, but soon settled into stride near the back of the pack. Advancing to mid-field after a half in :49.26, he was a three-wide third turning for home, instantly assumed command at the top of the lane and cruised clear to register a 1 3/4-length victory. Memories of Peter (Disco Rico) determinedly pursued the chalk in the lane, but was forced to settle for second. Hailing from the family of champion and multi-millionaire Victory Gallop (Cryptoclearance), the winner is a half to Blue Pidgeon (Mizzen Mast), SP, \$150,950. Cool Cowboy, wire-to-wire winner of the Inaugural S. at Tampa Bay last December and the Golden Circle S. at Prairie Meadows May 2 going six furlongs, was second when stretched to seven panels in an Arlington allowance behind GSP Myositis Dan (Istan) July 12. Second to MSW I Got It All (Tiz Wonderful) in a seven-furlong Keeneland allowance Oct. 25, Cool Cowboy was sent off as the prohibitive favorite for his return to stakes company Tuesday night. Displaying his typical early speed, the well-traveled chestnut took pressure from longshot Stunt Double to his outside through a quarter-mile in :22.25, dispatched that rival around the far turn and drew clear to an authoritative score. **Click for the [brisnet.com chart](#).**

CD Incorporated to Acquire Big Fish Games:

Edited Press Release

Churchill Downs Incorporated (NASDAQ: CHDN) (CDI) and Big Fish Games, Inc. (Big Fish), a producer and distributor of mobile and online games, today announced they have entered into a definitive merger agreement under which CDI will acquire all of the outstanding stock and equity interests of the privately held Big Fish.

The transaction is structured on a cash-free/debt-free basis and is valued at up to \$885 million, including a base consideration of \$485 million and a potential earn-out payment of up to \$350 million based on 2015 Adjusted EBITDA, and a potential bonus payment to the founder and current Chief Executive Officer of Big Fish, Paul Thelen, of \$50 million based on 2016 bookings. The purchase price will be paid in cash, except for approximately \$15 million paid in CDI common stock to Paul Thelen.

The merger, which has been approved by the Boards of Directors of both companies, is conditioned upon receipt of required regulatory approvals and other customary closing conditions. Subject to the satisfaction of these conditions, the transaction is expected to close by the end of the year.

"The acquisition of Big Fish and our entry into the rapidly growing mobile and online games industry gives us new products, new customers, new geographies and new sizeable growth opportunities," said Bill Carstanjen, Chief Executive Officer of CDI. "While many will view this transaction as a logical extension to what we currently do with Twinspires.com, what is most important to us are the strong team and the processes and capabilities that have been built by Big Fish in Seattle, Oakland, and Luxembourg. We are excited to announce this transaction and believe we will do great things together."
