

ON THE ENGINE

By Steve Sherack

After just failing to reach his reserve when the bidding stalled at \$145,000 at this year's Barretts March Sale, the brain trust at Pegasus Training Center decided to hold on to **Prime Engine** (Northern Afleet) and prepare him for a late summer/early fall campaign.

Mike Puhich

With a pair of daylight wins by a combined margin of 15 3/4 lengths—including Emerald's Gottstein Futurity Sept. 28--the Dr. Mark DeDomenico colorbearer will put his unblemished record on the line in Saturday's \$1-million GIII Delta Downs Jackpot.

"We liked him and weren't going to give him

away and just decided to bring him back home and give him some time," said Mike Puhich, trainer/director of horse operations at Pegasus.

The chestnut received the ultimate compliment from the chart caller earning an "In hand, eye catching" comment line after airing by 10 1/4 lengths as the even-money favorite in his Emerald debut Sept. 13, then returned on quick notice to easily capture his two-turn debut against five overmatched rivals in the Futurity. Subsequently transferred to Hall of Famer Jerry Hollendorfer, Prime Engine has been lighting up the worktab at Santa Anita since, including a six-furlong bullet in 1:11 Nov. 2. Scratched from last weekend's GIII Bob Hope S. at Del Mar, the \$110,000 KEESEP graduate is listed at 8-1 on the morning-line for the Jackpot. Russell Baze has the mount.

"You're coming from Emerald Downs, so you don't know what he beat," Puhich admitted. "We do have some nice horses up here, though. Looking at all of the other horses in Jackpot, I don't know what they beat either. I think he's a really good horse and fits with those guys. Jerry [Hollendorfer] wouldn't be saying, 'Let's go,' if he wasn't. We're all pretty excited about him."

Prime Engine was also under consideration for the GI Breeders' Cup Juvenile, but time wasn't exactly on his side, Puhich reports.

"He had two quick races and already had experience going two turns and we thought, 'Do we want to go to the Breeders' Cup?' It was probably a couple of weeks sooner than we liked, especially if you're going to throw him to the wolves. If we had a couple more weeks with him, though, we definitely would've tried him in there. He was training that good." *Cont. p3*

LOPE DE VEGA A FIRM FAVORITE AT GOFFS

By Emma Berry

Few stallions will make such a stellar start at stud as **Lope De Vega** (Ire) (Shamardal), and the success of his first crop on the track this season has had positive repercussions for his foals on sale at Goffs this week, with four of the top six sold yesterday being by the Ballylinch Stud resident.

Six weanlings returned six-figure sums for their vendors, helping the aggregate to soar by 53% to €7,384,300. The theme now common to business at Kildare Paddocks in the last few days is double-digit rises across the board, and that was once again true for the average, which rose 39% to €35,673, and the median, which gained 36% when settling at €30,000. The

clearance rate was again at a very healthy level, with 207 of the 232 foals offered finding new homes (89%).

Leading the third session of the November Foal Sale was Richard Ahern's colt out of the listed-placed Penelope Star (Ger) (Acatenango {Ger}) ([lot 762](#)), who was knocked down to Eamon O'Reilly of BBA Ireland for €175,000. *Cont. p4*

Louisiana for the GIII Delta Downs Princess S. on the undercard. A smart maiden winner at Del Mar Aug. 13, she ran a better-than-it-looked fourth with a wide trip in the GI Chandelier S. Sept. 27, then never fired when ninth in a tricky renewal of the GI Breeders' Cup Juvenile Fillies Nov. 1. Training sharply for Hollendorfer in Arcadia in

the interim, Majestic Presence adds blinkers for the Princess. Baze will ride.

"I was down there last week when she worked with blinkers [in 1:00 4/5 Nov. 15] and it just looked like she was galloping around there," Puhich commented. "We're giving her another shot and tossing her last race out. If she runs to what our expectations are, she should get a good piece of it."

It's been a fantastic 2014 season for Pegasus graduates on the racetrack. Millionaire Belle Gallantey (After Market)--a \$30,000 purchase from the now-defunct Pegasus February 2-year-old Sale--posted wins in this term's GI Delaware H. and GI Beldame S. before switching hands for \$750,000 at the FTKNOV sale. Broken Sword (Broken Vow), a \$60,000 PEGFEB graduate, came within a half-length when second-best in the GI Clement L. Hirsch S. at Del Mar Aug. 2. Champion She's a Tiger (Tale of the Cat); GISWs Shakin It Up (Midnight Lute) and Sweet Lulu (Mr. Greeley); graded winners Fury Kapcori (Tiznow); Hear the Ghost (Ghostzapper); Scherzinger (Tiz Wonderful); and Via Villaggio (Bernardini); and the promising Sam's Sister (Brother Derek) are other standouts that have trained at DeDomenico's state-of-the-art Redmond, Washington facility.

While the aforementioned She's a Tiger brought \$2.5 million to dissolve a partnership at the FTKNOV sale, Puhich was an active shopper on behalf of the preeminent heart surgeon and partners a few months earlier at Keeneland September, purchasing a total of 15 yearlings for \$1,138,000.

"We kind of broke tradition [with our consignment at Barretts March] and our horse's first breeze was their preview," Puhich said. "We probably won't send any to the [2-year-old] sales next year. We even talked about doing another one up here [at Pegasus], but we may wait until the following year--we've had three Grade I caliber horses come out of our sale with Belle Gallantey, Broken Sword and [2012 GI Hollywood Starlet S. runner-up and \$95,000 PEGFEB graduate] Blonde Fog (Divine Park). We've got some really nice 2-year-olds out there right now too that are just getting ready to make some serious noise, so that should be some fun."

With two live chances on the Jackpot card, the fun just might begin this weekend.

Lope De Vega A Firm Favorite at Goffs cont. from p1

The half-brother to Group 3 winner Papagena Star (Ire) (Amadeus Wolf {GB}) wasn't the only son of Lope De Vega in demand, however. The top three lots of the day were all colts by the leading first-season sire, with a Knockainey Stud offering ([lot 719](#)) selling for €170,000 to Yeomanstown Stud. Like the top lot, he is likely to be brought back for resale as a yearling.

"The stallion has done so well and he's a horse who has been good to us," said David O'Callaghan, who signed the ticket in company with his brothers Peter and Robert.

"Endless Drama (Ire) (Lope De Vega) won a Naas maiden very well recently for us and we thought this was the nicest horse in the sale today."

The chestnut colt is the first foal of the Mizzen Mast mare Let It Be Me, a half-sister to Chesham S. winner Zaidan (Street Cry {Ire}).

Earlier in the session, Aisling Kinane and Mark Gittins of CFS Bloodstock went to €160,000 to purchase [lot 620](#), another Lope De Vega pinhook, this one a half-brother to unbeaten 2-year-old Irish Rookie (Ire) (Azamour {Ire}), recent winner of the Listed Montrose Fillies' S. at Newmarket. **Cont. p5**

Lope De Vega A Firm Favorite at Goffs cont.

“We’re delighted to get a foal by the stallion--we sold one by him earlier this year and there’s already been a nice update for this horse with Irish Rookie. Hopefully there’s more to come,” said Kinane.

Other fans of Lope De Vega were Amanda Skiffington, who bought the most expensive filly of the day, [lot 673](#), a daughter of the G1 AJC Oaks-placed French Lady (NZ) (Entrepreneur) for €100,000, while Jimmy Murphy of Redpender Stud spent €88,000 for [lot 690](#), a February-foaled colt out of lamfine (Ire), a daughter of the listed winner Cheyenne Spirit (GB) (Indian Ridge {GB}).

Fame and Fortune...

In 38 races, Pat Smullen only missed riding Famous Name (GB) (Dansili {GB}) once when he partnered his stablemate Casual Conquest (Ire) to beat him into second in the 2009 G1 Tattersalls Gold Cup. Together, Smullen and Famous Name triumphed on 21 occasions --13 of those at group level--and jockey and stallion were reunited again in a sense through [lot 539](#), a first-crop foal of the Irish National Stud resident who was bred by Smullen from his Brief Truce mare Saying Grace (Ire).

Offered by Ringfort Stud, the Famous Name colt was high on the list of favorites for agent Bobby O’Ryan, who signed for him at €105,000 and was effusive in his praise for the April-born half-brother to black-type performers Ghetto Gospel (Ire) (Celtic Swing {GB}) and Bobbi Grace (Ire) (Big Bad Bob {Ire}).

“I saw him three months ago and then again recently and I think he’s one of the best-looking foals I’ve seen in an awful long time,” said O’Ryan. “He’s been bought to sell again next year.”

Racing Post

[Lot 571](#) is another son of Casamento (Ire) who will be joining Yeomanstown Stud’s draft of yearlings for next year after Robert O’Callaghan signed for the chestnut colt from Ballinacurra Stud at €105,000. The third foal of the Bahamian Bounty (GB) mare Three Times (GB), a half-sister to French listed winner Trinity Joy (GB) (Vettori {Ire}), the colt’s family also includes the Queen’s G1

Another Darley stallion, Poet’s Voice (GB), proved popular at the recent yearling sales and one of his weanlings, [lot 553](#), the first foal of the listed-placed Sonning Rose (Ire) (Hawk Wing), will be heading to England having been bought by Anthony Stroud Bloodstock on behalf of Jeffrey and Phoebe Hobby’s Brightwalton Stud for €85,000.

GOFFS NOVEMBER FOAL SALE DAY FOUR

787, f, Galileo (Ire)--Saoire (GB), by Pivotal (GB)
Consigned by Cahermorris Stables

Any time a Galileo out of a Classic winner steps into a sales ring, heads are sure to turn, and the one who fits that profile today is this April-foaled daughter of G1 Irish 1000 Guineas heroine Saoire. What's more, Saoire has already proven herself as a producer, with four winners from four to race headed by the stakes-winning and group-placed Requisition (Ire) (Invincible Spirit {Ire}).

800, f, Frankel (GB)--Song (Ire), by Sadler's Wells
Consigned by Friarstown Stud

Friarstown went to €1 million to secure Song, an unraced full-sister to Classic winner Yesterday (Ire) and champion Quarter Moon (Ire), carrying this filly from the Paulyn Dispersal 12 months ago, and they have a chance to earn back a good portion of that outlay when they send the resulting foal through the ring today. "She has all the residual value in the world," said Friarstown's John Egan. "It will be very exciting."

826, f, Galileo (Ire)--Wana Doo, by Grand Slam
Consigned by Jockey Hall Stud

While the first progeny of Frankel are guaranteed to spark excitement, his sire, Galileo, still stands alone atop the European stallion rankings, and this three-quarter sister to multiple champion and dual Group 1-winning miler Toronado (Ire) (High Chaparral {Ire}) will not be overlooked. Her dam, Wana Doo, is a half-sister to G1 Racing Post Trophy winner Casamento (Ire), who has made plenty of waves with his first foals selling this week.

834, c, Zebedee (GB)--Absolutely Cool (Ire), by Indian Ridge (GB)
Consigned by Grennanstown Stud

Another first-season sire to have enjoyed a standout year is Zebedee, who leads all European freshman with 38 wins. The Tally-Ho Stud resident is represented here by this grey half-brother to G2 Railway S. and G2 Prix Robert Papin victor Kool Kompany (Ire) (Jeremy). Absolutely Cool has also produced the stakes-placed Ridge City (Ire) (Elusive City).

855, f, Sea the Stars (Ire)--Behkiyra (Ire), by Entrepreneur (GB)
Consigned by Roundhill Stud

Galileo's half-brother Sea the Stars was the headline-making 'new kid on the block' at this sale three years ago, and he has quickly evolved from kid to man with two first-crop Classic winners. Sea the Stars is represented by members of another strong crop today, including this daughter of the stakes-winning Behkiyra, a daughter of champion and prolific producer Behera (Ire) (Mill Reef). **Cont. p8**

885, f, Frankel (GB)--Discreet Brief (Ire), by Darshaan (GB)

Consigned by Airlie Stud

G3 Park Hill S. winner Discreet Brief has already proven herself as a producer, with G2 Royal Lodge S. winner Steeler (Ire) (Raven's Pass) and stakes-placed Doggerbank (Ire) (Oasis Dream {GB}) to her credit. Her 2-year-old colt Secret Brief (Ire) (Shamardal), now a two-time winner, cost Sheikh Mohammed's bloodstock agent John Ferguson 150,000gns at last year's Tattersalls October Yearling Sale.

897, f, Frankel (GB)--Finsceal Beo (Ire), by Mr. Greeley

Consigned by Al-Eile Stud

Given her pedigree, this March-foaled chestnut has every chance to be any kind of horse both in the sales ring and on the racetrack. Her dam, the multiple champion and dual Guineas heroine Finsceal Beo, has already produced a pair of sales standouts in Too The Stars (Ire) (Sea the Stars {Ire}), a winning filly who realized €800,000 at this sale three years ago, and Ol' Man River (Ire) (Montjeu {Ire}), last year's recording-breaking €2.85-million Goffs Orby topper. Ol' Man River is already proving his worth on the racetrack, having won the G2 Beresford S. to cap a two-race unbeaten juvenile campaign, and he is one of the favorites for next year's G1 Investec Derby. "She's a lovely, racy type," said Al-Eile's Micheal Ryan. "She's a very similar makeup to the Montjeu [Ol' Man River], but looks a bit more like the mother. She has a lovely temperament."

938, c, Frankel (GB)--Lahaleeb (Ire), by Redback (GB)

Consigned by Friarstown Stud

This February-foaled bay is the third foal out of the G1 E.P. Taylor S. winner Lahaleeb. Her first two foals, a Galileo 2-year-old colt and a Sea the Stars yearling filly, were both bought back by Friarstown at Tattersalls October, for 1.2-million guineas and 300,000gns, respectively. "I think the colt will really turn heads," said Friarstown's John Egan said. "He's outstanding."

963, f, Intense Focus--Night Visit (GB), by Sinndar (Ire)

Consigned by Redmondstown Stud

Night Visit and her progeny have been extremely popular in the Goffs ring this year, so this half-sister to G1 Irish Derby winner Trading Leather (Ire) (Teofilo {Ire}) is destined to turn heads. Night Visit herself was sold for €975,000 at Goffs February, while her yearling Teofilo filly made €950,000 at Goffs Orby.

Open Letter to the Industry cont.

In 2013/14, the cost of numerous legal battles, regional and national political lobbying, environmental expertises and overall mediatic awareness was very high (€1,000,000) and borne collectively.

The 2013 Arqana fundraiser helped raise €372,000, hence 75% of the money necessary to pay for all costs for this year. But 2015 will be a pivotal year, as many battles have been already won, but the "Goliath" (Guy Dauphin Environnement, a subsidiary of recycling giant Ecore Group) faced here has strong financial means and is not giving in without a fight, despite blatant evidence of wrongdoing.

"David" needs the help of its community more than ever, to end this raging war in 2015.

Derek Icton, Chairman of the International Thoroughbred Breeders Federation, said the federation "condemns the massacre of the agricultural economy, which is regarded as a historical equine hub renowned on a global scale."

Please consider giving generously to our cause, be it by way of nominations to your stallions for the auction sale or direct donations to the Association.

The auction sale that we are organising targets nominations of a value of 15 to €20,000 or more. All nominations will be guaranteed by Le Centaure insurance agent. Of course, other value prizes are also accepted for the auction; last year, a luxury safari holiday went for €10,000 to one generous donator! Please contact us directly to fix the terms of your donation.

Unable to attend the auction sale yet willing to participate in this worthy cause? Personal donations are equally more than welcome and can be arranged by contacting the Association directly on +33 6 48 31 67 53, or emailing sybillie.gibson@wanadoo.fr.

SANTA ANITA UNVEILS WINTER SCHEDULE

Santa Anita unveiled its 2014-15 winter meet stakes schedule yesterday which features a total of 37 graded stakes, eight of which are Grade I events.

The GI Malibu S. and GI La Brea S. kick things off on opening day Dec. 26 and other highlights include the GI Santa Anita Derby and GI Santa Anita H., which had its purse increased from \$750,000 to \$1 million this year. Also seeing a purse increase this term is the GII San Antonio S., which is now worth \$500,000. It carried a 300,000 purse in 2014.

“With the increases, these three races will now offer a total of \$1.7 million in graded purse money leading into and including the Santa Anita H.,” said Santa Anita Vice President of Racing Rick Hammerle. “Additionally, we’ve added a [6 1/2-furlong] sprint stakes on Dec. 27, the [GIII] Midnight Lute [S.], which was run from 1981 through last year at Hollywood Park as the Vernon O. Underwood. The Midnight Lute is a welcome addition to our stakes schedule and the purse increases help to provide solid graded stakes options to our horsemen.”

Other name changes include the GII Mathis Brothers Mile, formerly run as the Sir Beaufort, and the GII Kona Gold S., previously known as the Potrero Grande S.

Another big day on the winter meet calendar is Sunshine Millions/California Cup Day Jan. 24, which features five stakes for California bred or sired horses worth a total of \$975,000.

“We combined what had formerly been Cal Cup Day with the Sunshine Millions program last year and it was very well received,” said Hammerle. “This is a perfect time of the year for these races and with the Golden State Series incentive program in play, it provides our local breeders and owners with outstanding opportunities and allows them to plan accordingly for the remainder of the calendar year.”

Santa Anita will also host its usual series of Kentucky Derby preps worth a total of 170 qualifying points. The Road to the Derby kicks off with the GIII Sham S. Jan. 10 and is followed by the GII Robert B. Lewis S. Feb. 7, the GII San Felipe S. Mar.7 and the Santa Anita Derby Apr. 4.

Irish Whisper finished fourth to Rub Dubb Dubb (Harlington) over this inner track Mar. 3 and was third to that rival Mar. 21 before clearing her second state-bred allowance condition on the main track Apr. 11. Sidelined six months, Irish Whisper picked a near-impossible spot for her return against La Verdad (Yes It's True) in the Oct. 18 Iroquois S. at Belmont and flashed some early foot before tailing off to finish last of eight. Trying open-company allowance foes for the first time, Irish Whisper was sent for the lead by Irad Ortiz Jr. over a track which seemed to play increasingly kind to inside speed as the day progressed. The chesnut clicked off her opening half-mile in a solid :45.62, widened into the final furlong and proved an easy victress. FREUDIE ANNE (f, 2, Freud--Lake Toccet, by Toccet) landed her six-furlong bow over the Belmont turf by a neck Sept. 7, but a quick turnaround and switch to the main track worked against her in a last-of-five effort in the Joseph A. Gimma S. over a muddy main track in Elmont two weeks later. She entered this with some promising dirt works in tow and was sent off the well-backed 3-1 second choice while in for the tag. Bounced away from the stalls by Jose Lezcano, Freddie Anne clicked off lively fractions of :22.65 and :46.01. Still going well nearing the lane, she forgot to stop and gave her rivals the--ehem--slip to score by 4 1/2 lengths. Favored Building Permit (Bellamy Road) chased her home in second. Despite hailing from a Flaxman family peppered with outstanding turf runners, the bay--bred just like dirt GISW Any Given Saturday--was allowed to take his spot in this field even though the race came off the grass. High Noon Rider was

outsprinted to the front by Battle Red (Kitten's Joy), but Irad Ortiz Jr. asked just enough of his mount to prevent that Todd Pletcher runner from dropping down onto the fence. The two pulled well clear of their rivals and had the race between them at the furlong pole. The two raced, saddle towels flapping against one another, into the final 100 yards, with High Noon Rider prevailing gamely by a head while stuck down inside. Aikenite to Bridlewood:

Dogwood Stable's MGSW **Aikenite** (Yes It's True--Silverlado, by Saint Ballado) will stand at Bridlewood Farm in Ocala, FL. for the 2015 breeding season. Trained by Todd Pletcher, the Florida-bred won five of his 24 starts, including the 2011 GII Commonwealth S. and GII Churchill Downs S., and earned a total of \$875,385. He was bred by BryLynn Farm.

"Aikenite is that rare blend of brilliance and soundness so needed in our industry, and he's a gorgeous horse to look at," said Bridlewood General Manager George G. Isaacs. "He was precocious enough to win his debut at Saratoga, and had enough stamina to place in a nine-furlong Grade II on the Triple Crown trail. He won two important seven-furlong stakes at four, and finished his career with 24 starts from coast to coast. He is also an excellent outcross for Northern Dancer and Mr. Prospector, and with his strong Florida ties I feel he makes a great addition to the Bridlewood stallion ranks."

The homebred, racing without Lasix, jumped on terms and switched off nicely for Sheldon Russell, settled along the inside and just off the speed. Full of run turning for home, Whimsicality was initially shifted down to the inside of horses to challenge up the fence, but was snatched up and moved out to the three path when the rail run didn't materialize. But she responded all the same to defeat Candida H. (Lemon Drop Kid) by a comfortable 1 1/2-length margin. The winner's dam took the GIII Iowa Oaks back in 2005. Lifetime Record: 1-1-0-0, \$22,800. Adding Lasix, stretching out and switching to the dirt here, the Niarchos homebred was the 7-2 third choice from a morning line over four times that number in a race originally carded for the turf. Euphonic was sent along to argue the pace from between rivals and was forced to sit that two-path trip for most of the opening three-quarters of a mile. Whisper Hill Farm's **HOLLYWOOD IDOL ([Smart Strike](#))** will try to live up to his lofty pricetag as he makes his first start in 11 months and first for the Jimmy Jerkens barn. A son of two-time Grade I winner Hollywood Story (Wild Rush), the dark bay colt was purchased for \$650K as a KEESEP yearling in 2012--the third most-expensive of his sire's 37 youngsters to go under the hammer that year--and made one appearance for trainer Todd Pletcher, finishing an even seventh in a seven-furlong Gulfstream maiden Dec. 19. **Street Babe ([Street Boss](#))**, a half-brother to Grade III-winning 2-year-old filly Richwoman (Successful Appeal), gets his career started from the outside stall. The Anstu Stable runner cost \$210K as a Fasig-Tipton Midlantic yearling in 2012, second-best price of that auction. **Click for [Brisnet.com PPs](#).**

This has all the makings of a key heat, providing the recent streak of wintry weather does not shift it to the main track. Should it remain on the turf, there are any number of fillies possessed of pedigrees to excel over the surface. Stone Farm homebred **CHAPEL ([Pulpit](#))** debuts for the always-dangerous Christophe Clement barn, and her dam Owsley (Harlan) was productive on this circuit, with victories in the GII New York H. and GIII Glens Falls H. among four overall graded scores. Owsley has made a nice name for herself as a broodmare, dropping Chapel's SW & MGSP full-sister Senada as well as GISP Arthur's Tale (Bernardini) from the same A.P. Indy sire line. **Strict Compliance ([Intro Mischief](#))** belied overlaid odds of 20-1 to miss by a neck at Belmont Park Oct. 19, while fellow longshot **Mozambique Gold ([Northern Afleet](#))** ran on to be fourth after finding some traffic. They'll all have to beat Phipps Stables' **Complicated ([Blame](#))**, who was just caught by subsequent GI Breeders' Cup Juvenile Fillies Turf winner Lady Eli (Divine Park) in their Aug. 25 debuts at Saratoga. **Click for [brisnet.com PPs](#).**

Spendthrift Farm & Stonestreet Stables' **CYRUS ALEXANDER ([Medaglia d'Oro](#))** stretches out to two turns and switches to this synthetic track as he makes career start number two at the seaside. The half-brother to GI Kentucky Derby hero and top young sire Super Saver (Maria's Mon) cost his connections a cool \$1.7 million at last year's KEESEP sale, but things didn't go especially well in the colt's Oct. 18 debut at Santa Anita. Drawn widest in that field of 10, he could not get in on the track, but remained in contention into the final furlong before finishing five lengths adrift of Unblunted (Sharp Humor) as the 6-5 chalk. Trainer Jerry Hollendorfer takes the blinkers off this afternoon, and the colt has trained magnificently since. His stablemate **Madiba ([Candy Ride \(Arg\)](#))** bookends this seven-horse gathering. The dark bay placed behind **"TDN Rising Stars"** **Conquest Panthera** (Kitten's Joy) and Punctuate (Distorted Humor) in his first two starts, but the \$700K KEESEP yearling exits a seventh going two turns over the Santa Anita main track Oct. 26. **Click for [Brisnet.com PPs](#).**

TCA to Honor Motions & CANTER USA:

Edited Press Release

Thoroughbred Charities of America will honor Graham & Anita Motion with the Allaire duPont Leadership Award, and will honor the Communication Alliance to Network Thoroughbred Ex-Racehorses (CANTER) with the TCA Industry Service Award at the 25th Annual Select Stallion Season Auction Saturday, Jan. 10 at the Keeneland Entertainment Center in Lexington, KY.

"We are pleased to honor Graham and Anita [Motion] and CANTER for their tremendous work on behalf of Thoroughbreds," said Dan Rosenberg, president of TCA. "Their efforts are at the heart of the mission of Thoroughbred Charities of America and for that we thank them."

The Allaire duPont Leadership Award, named for one of TCA's founders, is presented annually to an organization or individual whose philanthropic endeavors are consistent with TCA's mission.

Graham and Anita Motion are advocates of Thoroughbred aftercare and work to bring awareness to the success Thoroughbreds can find in second careers. Last year, they purchased former trainee, Icabad Crane, and sent him to Olympian Phillip Dutton for retraining as a three-day event horse. Icabad Crane has shown great promise to be a top level eventer and was recently named America's Most Wanted Thoroughbred. The Motion's are long-time supporters of TCA as well as other aftercare groups.

"We are both extremely humbled to be considered for this honor," said Graham and Anita Motion. "Like so many of our contemporaries who are dedicating similar levels of effort to Thoroughbred placement and aftercare, we feel we play a very small part in a large group of advocates for these equine athletes."

The TCA Industry Service Award is presented annually to a current TCA grantee that exemplifies TCA's mission.

Founded in 1997, CANTER USA was created as a solution to help retiring racehorses find new homes by connecting buyers and sellers via the internet. CANTER currently has 13 affiliate organizations throughout the country whose volunteers canvass racetracks educating owners and trainers about their options for Thoroughbreds' post-race track careers. Over the last 17 years, due to CANTER's collective efforts, over 20,000 Thoroughbreds have been rehomed.

"We are honored to receive this prestigious award," said Nancy Koch, executive director of CANTER USA. "On behalf of all our dedicated volunteers, we thank the TCA for their continued support and recognition."

ARQANA AUTUMN WRAPS WITH GAINS

By *Alix Choppin*

Young sires Kendargent (Fr) and Siyouni (Fr), who both enjoyed a banner season on the racetrack and are set to occupy the top two places on the list of French sires of juveniles, dominated the market on the final day of Arqana's Autumn Sale, with two of their yearlings fetching the session's highest prices.

Overall, 80% of the 155 yearlings offered on the day found new homes at an average price of €8,864, grossing €1.1 million. No comparative figures are

Kendargent
Haras de Colleville

available for this extra day dedicated to yearlings, yet the cumulative average for Tuesday and Wednesday is in excess of €12,000, against €9,845 for last year's lone yearling session. The overall turnover for the three-day sale reached a record-setting €7,598,500, a 38% leap from last year's

buoyant renewal. The €18,025 average price (up 88%) and 80% clearance rate also represent significant gains, despite the addition of a second day of yearlings. The median rounded out with a 19% rise at €9,500.

[Lot 585](#), a Kendargent colt, topped the session when commanding a final bid of €37,000 from Agence FIPS's Herve Bunel, who said of the Jedburgh Stud offering, "He is a beautiful colt from a farm that has a proven track record. I have bought him on behalf of Mr. Pariente [owner of Kendargent], who is always happy to support his sire, especially as the breeders of this colt [Mrs. Isabelle Corbani and Jedburgh Stud] are shareholders in Kendargent."

The May foal is out of the winning Sadler's Wells mare Memoire (Fr), a daughter of the Group 1 winner Moonlight Dance (Alysheba) and half-sister to three stakes scorers.

Chris Richner signed at €32,000 for [lot 452](#), a colt from the second crop of Siyouni. Consigned by Haras du Logis, he is out of a half-sister to the group-winning juvenile Summertime Legacy (GB), whose progeny include the Group 1 scorers Mandaeon (GB) (Manduro {Ger}) and Wavering (Ire) (Refuse To Bend {Ire}). Richner was joined by trainer Jean-Michel Lefebvre upon signing the docket, and he commented, "This colt is for a Slovakian owner who races under the name UMC and he will follow the same circuit that has proved so successful with [triple listed winner] My Old Husband--we will start him off in Slovakia, with the plan to send him to Jean-Michel [in France] at a later stage. We were looking for a horse that could run at two and stay a mile and beyond later on, and this fellow ticked all the boxes."

Eric Libaud has been particularly lucky with Arqana's final yearling auction, having picked subsequent G1 Prix du Jockey Club, G1 Prince of Wales's S. and G1 Hong Kong Cup hero Vision d'Etat (Fr) for €39,000 from this catalogue back in 2006. He will be hoping that [lot 456](#) embarks on a similar career after outbidding Paul Nataf at €25,000 for the son of Myboycharlie (Ire). Offered by Haras de Grandcamp, who also consigned Vision d'Etat, the colt is out of Adjira (Ire) (Montjeu {Ire}), a three-parts sister to the stakes winner Saturnine (Ire) (Galileo {Ire}) and daughter of the dual listed scorer Katchina Quest (Fr) (Highest Honor {Fr}).

"He was one of my two picks in the sale," a delighted Libaud declared. "The other one was the Lawman colt [lot 298], on which I was underbidder yesterday. He is a very powerful horse who has taken a lot more from the Montjeu influence than from Myboycharlie. This is the third tier of the yearling market and it is not easy to unearth the gems so I am delighted to have secured this colt."

Despite having become a major breeder to support his pride and joy Le Havre (Ire), Gerard Augustin-Normand still keeps an eye for attractive yearling propositions, particularly when they are fillies with a nice page. [Lot 573](#) from Haras du Logis filled such criteria and Sylvain Vidal forked out €32,000 for this daughter of former Logis resident Country Reel (Fr). A February foal, she is from a precocious family as her dam is the stakes-placed juvenile Maka (Fr) (Slickly {Fr}), whose first foal, also by Country Reel, won last year's Listed Prix Yacowlef--the inaugural stakes event for 2-year-olds on the calendar. **Cont. p7**

Arqana Autumn cont.

Vidal explained of his sole purchase on the day, "She is a beautiful filly who looks like an early type, as her pedigree suggests. The dam has done well with her first foal so we'll just hope this one follows the same path."

[Lot 448](#) will become yet another yearling from this sale to join a French-based Italian trainer after being knocked down for €23,000 to International Bloodstock Management. The son of leading sire Le Havre hails from a family that was bound to appeal to Italian investors as his dam, Woman's Magazine (Ire) (Danehill Dancer {Ire}), won seven races there and is a half-sister to Italian stakes victors Charming Woman (Ire) (Invincible Spirit {Ire}) and Men's Magazine (Ity) (Dr Devious {Ire}).

"I have bought him for Razza della Silla," said Guido Berardelli. "He will be broken in Italy before returning to France to be trained, probably by Gianluca Bietolini."

The cumulative figures for the August, October and November yearling sales reveal that 1077 youngsters changed hands on the Deauville market this year--a record when last year's total was just shy of 1000--for a total turnover of €62.5 million, up 15% from 2013. The overall clearance rate for yearlings was 81%.

HORSEZONE LAUNCHES IN UK & IRELAND

Horsezone, a leading Australian equestrian site that serves as an online classifieds platform for horses, is expanding to the UK and Ireland at www.horsezone.co.uk in association with Tattersalls. Horsezone utilizes effective and innovative technology to streamline the buying and selling process. Horsezone also offers a Club Contribution scheme that enables advertisers to choose a club or charity at checkout, to which 10% of their listing fee is automatically donated.

Gabrielle Barrett, Marketing and Business Manager of Horsezone, said, "We are delighted to be finally launching Horsezone in the UK and Ireland. We feel there has been a gap in the market, especially in Ireland, for a premium equine classified site focused on quality. Our stringent moderation process ensures that we only have quality and up-to-date listings at all times on the site. With the support of Tattersalls we hope to reinvent online equestrian buying and selling for the UK and Ireland, connecting buyers and sellers more effectively."

Tattersalls Chairman Edmond Mahony added, "In 1766 Richard Tattersall founded a company that brought horsemen together to buy and sell horses from all sectors of equestrian sport, and in many ways the launch of Horsezone is Tattersalls returning to these roots, but in a 21st century manner with a sophisticated online platform. Horsezone has been developed by our Australian counterparts, William Inglis and Son, and in four years has established itself as the country's leading online equestrian marketplace. Tattersalls is delighted to partner with Inglis in launching Horsezone UK and we look forward to making Horsezone the preeminent online marketplace for horse people of all disciplines throughout Britain, Ireland and further afield."

Positioned in rear until angled to the outside for his bid approaching the final quarter mile in this European return, he laid down the gauntlet passing the eighth pole and kept on in determined fashion in the closing stages to hold the late thrust of Cladocera for a first black-type score.

New Zealand

FAST START TO READY TO RUN SALE

New Zealand Bloodstock's two-day Ready to Run Sale got off to a promising start yesterday, with 116 horses changing hands for NZ\$8,658,000, a figure that was down only 1.5% despite 10% fewer horses catalogued. Demand was highlighted by a buyback rate that dropped 11 points to 32%, and while the average was down 9% to NZ\$74,638, the median climbed by

Lot 178, session-topping Fastnet Rock colt NZB

the same margin to NZ\$60,000. Highlighting the strength of international trade, 17 of the top 20 lots were purchased by international buyers, with a total of 94 horses heading offshore.

The top price of NZ\$320,000, paid by Hong Kong-based buyer

William Tai for a colt by Fastnet Rock (Aus), matched last year's session-topping transaction. [Lot 178](#) was consigned by James Chapman's Jamieson Park, and he worked in :10.65 ([video](#)). The leggy bay is out of the stakes-placed Sweet Emotion (Ire) (Bering {GB}), a half-sister to Hoity Toity (GB), the dam of dual European Group 1-winning filly Lillie Langtry (Ire) (Danehill Dancer {Ire}) and stakes winner Count of Limonade (Ire) (Duke of Marmalade (Ire). Sweet Emotion is also a stakes producer, being responsible for the Newbury stakes winner and G1 Racing Post Trophy second Winged Cupid (Ire) (In The Wings {GB}).

"We have been coming to the Ready to Run Sale for a number of years now and have purchased many good horses from the sale," commented Tai. "We purchased Champion Griffin All You Wish three years ago at this sale. We have had some luck with Fastnet Rock in Hong Kong so that helped draw us to him and I think this horse will go very well up there too."

Tai added, "I just liked the horse, he breezed very well. He will go to Hong Kong next July and I hope he can be the next All You Wish."

The second-highest price of the day was NZ\$300,000, paid by Rogerson Bloodstock for [lot 100](#), a Savabeel (Aus) colt out of the South African mare Pin Oak (SAf) (Fort Wood), a half-sister to Slumdogmillionaire (SAf) (Strike Smartly), a dual Group 1 winner in that country. He breezed in :10.41 ([video](#)). Savabeel was also represented by [lot 135](#), a colt picked up by Mr DC Ellis and Mr J Richards for NZ\$250,000.

[Lot 149](#), a colt by the recently deceased Darley Australia sire Commands (Aus), is bound for Singapore after being picked up by trainer Michael Clements after breezing in :10.45 ([video](#)). From Prima Park, the September foal is out of She's Perfect (Aus) (Quest For Fame {GB}), a half-sister to stakes winner My Middi (Aus) (Belong To Me). **Cont. p9**

The first half-hour of the sale saw two horses reach NZ\$200,000. The first was [lot 5](#), a Denman (Aus) colt out of Kate of Clonmel (Aus) (Bianconi), a half-sister to Group 2 winner and Group 1 producer Khaptivaan (Aus) (Adraan {Fr}). The bay, who breezed in :10.65 ([video](#)), was consigned by Jamieson Park and is bound for Hong Kong after being purchased by Francis Lui. [Lot 8](#), a colt by Tavistock (NZ) who breezed in :10.61 ([video](#)), will also head to Hong Kong after being purchased by Chris McAnulty from the Kiltannon Stables draft. Out of the Keeper (Aus) mare Keep Alight (Aus), the colt is a full-brother to the stakes-placed Midnitemagicman (NZ).

A pair of Darley shuttle sires also features prominently on the leaderboard. Teofilo (Ire) is the sire of [lot 166](#), a three-quarter brother to the stakes-placed Devise (Aus) (Galileo {Ire}), who was picked up by Mr. PL Ho for NZ\$230,000. He also went to NZ\$210,000 to secure [lot 189](#), a colt by Iffraaj (GB).

New Zealand Bloodstock and the Macau Jockey Club joined forces to stream the sale live into Macau, and the initiative reaped dividends, as the Macau Jockey

was the leading individual buyer on the day, purchasing 15 horses for a total of NZ\$562,000. By comparison, Macau buyers bought just five horses in total last year.

Mike Kneebone, Director of New Zealand Bloodstock Asia, was the driving force behind the Macau concept, and he

said, "The Macau Jockey Club is very happy with the day's proceedings. Being our first time, I thought the team here and in Macau did a brilliant job and it is something to build on for the future. It was amazing to have them as the leading buyers after the first day and they have expressed interest in further lots tomorrow so we are excited to see how that develops."
