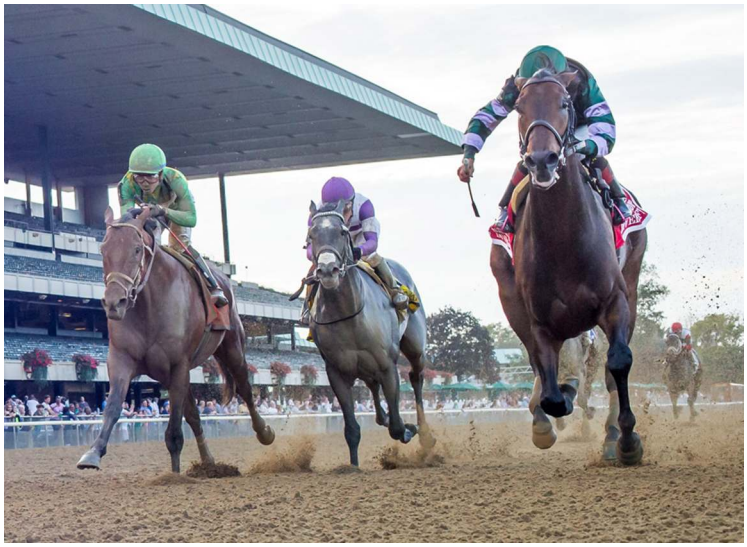
# DIVERSIFY WIRES JOCKEY CLUB GOLD CUP



**Diversify** | *Horsephotos*

New York-bred **'TDN Rising Star' Diversify** (Bellamy Road) streaked to his third-straight front-running victory and first in graded company in Saturday's GI Jockey Club Gold Cup at Belmont Park to earn a guaranteed spot in the GI Breeders' Cup Classic. It was a length back to favored **Keen Ice** (Curlin) in second. **'TDN Rising Star' Pavel** (Creative Cause) was third.

"We did pick up the 'Win and You're In' for the Classic today, but we're going to enjoy today's race and give it a couple of days," winning trainer Rick Violette said. "I talk it over with [owners] Lauren and Ralph Evans and we'll come up with a decision next week."

Diversify was backed as the 7-2 second-choice following wins in the Saginaw S. at Belmont July 2 and the 1 1/8-miles Evan Shipman S. at Saratoga Aug. 21, both for New York-breds. He earned a career-high 108 Beyer Speed Figure in the latter, an 11 1/2-length wire-to-wire romp.

Diversify was placed immediately on the lead from his rail draw here and showed the way through uncontested fractions of :24.17 and :47.74. He kicked for home in command, but Keen Ice and Pavel began breathing down his neck in the lane. That pair continued to chip away at Diversify's advantage while locked together, but the leader kept on finding more to register a career high. Fellow New York-bred Haynesfield also won this race in 2010. **Cont. p3**

## FREE TRIP TO THE JUVENILE FOR 'BILLY'

The highly regarded **Free Drop Billy** (Union Rags), a very close second in the seven-furlong GI Hopeful S. Sept. 4, posted a breakthrough four-length decision while negotiating two turns for the first time in Saturday's GI Claiborne Breeders' Futurity at Keeneland, a 'Win and You're In' for the GI Breeders' Cup Juvenile. Longshots **Bravazo** (Awesome Again) and **Lone Sailor** (Majestic Warrior) were second and third. The race was marred by the ultimately fatal injury of **'TDN Rising Star' Ten City** (Run Away and Hide), who was abruptly pulled up after seizing control with a quick move on the far turn and vanned off. "We always thought [two turns would suit him]," winning trainer Dale Romans said. "If you look at all his numbers on paper, every time they stretched a race a bit, he got a little bit better. Today, I think we saw what he is really capable of." **Cont. p5 (Click here)**

"We couldn't have dreamed of a better scenario," Violette said. "The first quarter, going in :24 was ideal. He's done nothing but get better from the early summer until now. He's always been a nice horse, but he's certainly jumped into the major leagues here today. [Keen Ice] might've moved a little earlier than he wanted to because we were always loose on the lead. The pace certainly made the race for us. My only instructions to Irad [Ortiz Jr.] was to ride him like he rode him in Saratoga."

Ortiz added, "He's a good horse and he's improving. He's growing up and he was that good today. He was ready to run today. He was challenged and responded. Before, he used to play a little bit and would wait for horses. He doesn't do that as much anymore, so he's getting better."

**Pedigree Notes**:

The winner's dam Rule One, winless in six career attempts for owner/breeder Earle Mack, was bred to More Than Ready this season. Her most recent produce is an unraced Data Link 2-year-old filly. Rule One brought $57,000 from Fred W. Hertrich III at the 2010 KEENOV Sale. Diversify, an impressive winner of his first two attempts for WinStar Farm and Rick Violette, was acquired by Ralph and Lauren Evans for $210,000 at the 2016 KEENOV Sale.

Racing in midpack under a snug hold behind fractions of :23.34 and :47.11, the 3-2 favorite hit the gas on the far turn as Ten City took a bad step on the front end. The blaze-faced chestnut kicked for home in complete command and romped home as a much-the-best winner.

"He's been inside basically in all of his starts," jockey Robby Albarado said. "He's been in a lot of trouble in all of his starts, and he's got a lot of hair on his chest for a young horse. When I got him outside, he ran home nicely. Once he got in front, he got a little lazy. I expected that. He's never run that far before."

Free Drop Billy, a flashy come-from-behind debut winner going 5 1/2 furlongs at Churchill June 15, completed the exacta behind Firenze Fire (Poseidon's Warrior), winner of Saturday's GI Champagne S., in the July 22 GIII Sanford S. at Saratoga. He rallied from last of eight to finish a neck short of '**TDN Rising Star**' Sporting Chance (Tiznow) in the Hopeful.

Ken McPeek, trainer of Ten City, later Tweeted, "Sorry to share Ten City won't survive this. I'm sick for the horse, my clients and

staff."

**Pedigree Notes**:

Free Drop Billy becomes the fourth Grade I winner, first colt, for Union Rags. He has sired a total of five graded stakes winners. In addition to the talented G1 Coral-Eclipse S. winner Hawkbill, Trensa, a half-sister to three-time graded winner Batique (Storm Cat), is also responsible for a Curlin colt of 2016 and a More Than Ready colt of this year. Trensa was bred back to Kitten's Joy. The graded stakes-placed Trensa, a homebred for Helen K. Groves, RNA'd for $265,000 at the 2008 KEENOV Sale. The Albaugh family secured Trensa's Curlin yearling colt for $800,000 at this year's KEESEP Sale.

**Firenze Fire** | *Viola Jasko*

Firenze Fire, upset winner of Saratoga's GIII Sanford S. July 22 and a punchless fourth in the GI Hopeful S. most recently Sept. 4, lined up as the only runner with previous graded stakes experience in this large field.

Away alertly from his wide draw, the Mr. Amore homebred was quickly outsprinted in 10th through sharp fractions of :22.90 and :45.94. The bay caught the eye as he began to wind up while saving ground on the far turn. He was tipped widest of all into the stretch and came charging over the top to punch his ticket to the GI Breeders' Cup Juvenile.

"I was really surprised on the turn," winning trainer Jason Servis said. "Irad [Ortiz Jr.] was loaded. He was flat [in the Hopeful]. The week before the race the horse was coughing, but sometimes you've got to run them. Everything's there, it's in the moment. You run them and you move on."

Ortiz added, "He broke in front, but I took him back like the way we've been working him and it worked out perfect for us. When I asked him, he exploded. He responded very good. Past the three-eighths pole, I still had some horse and he hadn't moved yet. He's been working good so I knew when I asked him, he was going to be there for me."

**Pedigree Notes**:

Firenze Fire became freshman sire and 2012 GI Alfred G. Vanderbilt H. hero Poseidon's Warrior's first winner when scoring at first asking at Monmouth in June and was also his first stakes winner following the Sanford. Firenze Fire's dam My Every Wish, second in both of her career attempts, was claimed out of her finale for $16,000 by Mr. Amore Stable and Servis at Aqueduct in April of 2012. Firenze Fire is her first foal. "What can I say? A Grade I homebred," Servis said. "We claimed the mare, she was no good, so we put her in the barn for two years, and then Ron [Lombardi, the owner] decided to breed her and he we are. It's a good story." The $40,000 KEESEP yearling My Every Wish is also represented by an Istan filly of this year. She was bred back to Fast Anna. Firenze Fire's second dam is a full-sister to 2011 Broodmare of the Year Oatsee (Unbridled), herself the dam of MGISW Shackleford (Forestry), GISW Lady Joanne (Orientate), MGSW Baghdaria (Royal Academy), MGSW Afleeting Lady (Afleet Alex) and SW & MGSP Stephanoatsee (A.P. **Suedois** | *Coady photography*

Unheralded Suedois, whose best European form had come over six and seven furlongs in England and France, proved he could mix it with Grade I milers in this country, coming from midfield to just nab pacesetting Heart To Heart in Saturday's GI Shadwell Turf Mile, a "Win and You're In" event for the GI Breeders Cup Mile Nov. 4.

Away neatly from gate three with stable first-call rider Danny Tudhope opting to ride him over the more accomplished Mondialiste (Ire) (Galileo {Ire}), Suedois settled in mid-division early on as Heart To Heart, beaten by American Patriot (War Front) in the waning strides of this track's GI Maker's 46 Mile in this spring, galloped them along through a half-mile in :48.17, at times looking as if he wanted to overrace. The favorite still traveled well around the far turn, and was the first to face the judge, but they were beginning to come after him. Defending champ Miss Temple City (Temple City) was the first to try, but peaked on her run, while Ballagh Rocks was also in with a fighting chance if good enough. Heart To Heart was clinging desperately to the lead deep inside the final furlong, but Suedois, who was pulled off the heels of Ballagh Rocks in upper stretch, quickened best of all for the victory.

"I thought I had a nice position [toward the rear of the pack]," said Tudhope, who guided Mondialiste to his runner-up effort behind Tepin (Bernstein) in the 2015 Breeders' Cup Mile at Keeneland. "He travels really well, and I didn't want to get [to the front] too soon. He finished really strong. He handled the track really well. I was happy with the way it went."

Three times placed at Group 1 level in some of Europe's top sprint races last year, including the G1 Prix de la Foret, Suedois failed to find the winner's circle in his first five runs this term, but righted that wrong with a half-length victory under 134 pounds in the one-mile G3 Boomerang S. at Leopardstown on Irish Champion weekend Sept. 9. Trainer David O'Meara opted for the Shadwell over a return trip to France for the Foret last weekend and the decision paid dividends Saturday.

**Pedigree Notes:**

Suedois is the third top-level winner for his promising young sire, who accounted for G1 Prix de Diane winners Avenir Certain (Fr) and La Cressioniere (Fr) from his first few crops. The sire's daughter Rymska (Fr) was victorious in last weekend's GIII Commonwealth Oaks at Laurel Park, while his son Auvray (Fr), like Suedois a graduate of the Arqana Arc Sale, was recently a Group 3 winner in Australia.

Consistent as the day is long, the hard-trying Zipessa, who had previously done all her best work from the front, was given a off-the-pace trip by Joe Bravo, took command a furlong from home and went on to an elusive first Grade I success in Saturday's GI First Lady S. at Keeneland. The victory earned Zipessa an expenses-paid berth into the GI Breeders' Cup Filly & Mare Turf Nov. 4.

**Zipessa** | *Coady*

Slightly on edge in gate five, Zipessa was perhaps a half-step slow to begin and was not asked for speed early, allowing Hawksmoor, who ducked to the outside from gate seven, to burn some fuel to get across the field to lead approaching the first turn. Zipessa, rank for a stride or two passing under the line, covered ground three wide and facing the breeze and was allowed to roll forward to assume second position with 4 1/2 furlongs to travel. Hawksmoor had switched off nicely for Julien Leparoux and controlled the pace, getting the six furlongs in a modest 1:14.30, but Zipessa was clocking that one's every move and went up to challenge at the three-sixteenths. Roused to stick a head in front at the eighth pole, Zipessa edged clear to register the upset as Hawksmoor held for second. Roca Roja was four wide into the lane and stayed on well while no threat to the top pair.

Bravo suggested that he had carte blanche where it came to his ride.

"That's the great thing about [trainer] Michael [Stidham] and his team," he said. "He let me go out there and ride with an open mind. This filly, she can relax. She's gotten bigger, smarter, with age she's just gotten to be a better horse."

A respectable fifth in last year's Filly & Mare Turf at Santa Anita, Zipessa was third to Sunday's GI Flower Bowl S. entrant Grand Jete (GB) (Dansili {GB}) in the GIII Eatontown S. in June before missing by a nose in the 11-furlong GIII Robert G. Dick S. at Delaware Park July 8. Ninth after setting leisurely fractions in the GI Beverly D. S. Aug. 12, she was exiting a narrow defeat at the hands of Miss Temple City (Temple City) in the GIII Ladies' Turf S. at Kentucky Downs Sept. 9.

**Pedigree Notes:**

Zipessa is the ninth Grade I winner for City Zip, who passed away this past July, and although the chestnut did his best work sprinting on the main, four of his top-level scorers–all fillies–have done so at a mile or further on the turf. Zipessa's yearling half-brother by Cairo Prince fetched $350,000 from Mike Ryan at the recently concluded Keeneland September sale, while Precious Princess aborted to Street Sense this year. She was most recently bred to Honor Code. This is also the female family of GSW Dearest (Midshipman) and SW & GISP Stopshoppingmaria (More Than Ready).

Roy H had a much easier journey this time around, scoring his first Grade I victory in style. Tracking from a two-wide third through a first quarter in :22.07, the bay drew even with the leading duo as they hit the half in :45.03 and drew clear in the final sixteenth to score.

"He always had this ability," trainer Peter Miller said. " As a colt, as a younger horse, he just never seemed to put it together. Once we gelded him and gave him some time off, he just blossomed into a different horse. He's all business and just a very, very good horse. Hopefully we get to see this horse again in the Breeders' Cup."

Roy H opened his 2017 account with a trio of victories, starting with a pair of decisive optional claimer scores in California this spring--the first of which was on turf--and followed by his first stakes success in Belmont's GII True North S. June 11. He was last seen finishing second in a roughly run renewal of Del Mar's GI Bing Crosby S. after champon Drefong (Gio Ponti) dumped rider Mike Smith at the start and interfered with the field in the stretch run.

**Pedigree Notes:**

Roy H, the 20th GISW for sire More Than Ready, is a son of the talented and versatile racemare Elusive Diva, a graded stakes winner on both turf and dirt. She sold for $1.6 million at the 2006 Keeneland November sale carrying her first foal by Distorted Humor, and was acquired by Roy H's breeder for $825,000 at Keeneland January three years later in foal to Giant's Causeway. Finley'sluckycharm was taken out of her comfort zone in more ways than one, but in the end, her class shined through as the speedy 4-year-old rallied to capture Saturday's GII TCA S., a "Win and You're In" qualifier for the GI Breeders' Cup Filly and Mare Sprint.

**Finley'sluckycharm** | *Coady photo*

The dark bay has done little wrong in her career, particularly at her home base of Churchill Downs, where she sports a perfect six-for-six record. Making her first appearance at Keeneland, the typically front-running Finley'sluckycharm was somewhat surprisingly allowed to cede the lead in the early stages of this affair, racing in a tight spot between horses and behind the pacesetters through a quarter-mile in a mild :23.05. Put to a drive by Brian Hernandez, Jr. on the turn, she responded entering the lane and gradually reeled in pacesetting longshot True Romance to earn the victory. Chalon closed up the rail to complete the exacta, and True Romance held third.

"It wasn't planned," winning trainer Bret Calhoun said of the change in tactics. "Obviously, I left it in Brian's hands. She's been a very consistent filly. In the mornings, she's gotten where she turns off a little bit more as she's gotten older. Brian said she just didn't get away good today. Those horses got in front of her quick, and he just decided to try something different."

Hernandez added, "She changed our game plan on us today. She's a good filly and I guess you can do that with these good fillies. I was really proud of her that last eighth of a mile, how fast she came home."

Finley'sluckycharm capped off a strong sophomore campaign with a narrowly beaten runner-up finish behind 'TDN Rising Star' Constellation (Bellamy Road) in the GI La Brea S. at Santa Anita in December. Returned to action in Kentucky in the spring, she reeled off a trio of wins beneath the Twin Spires in the Apr. 29 Roxelana S., May 27 GIII Winning Colors S. and June 24 GIII Chicago H. The 4-year-old was last seen finishing a game second behind Paula'ssilverlining (Ghostzapper) in Saratoga's GII Honorable Miss H. July 26.

**Bucchero's happy connections** | *Coady*

Bucchero scored his first graded victory with a double-digit upset in the Woodford. The chestnut sat back to stalk from second off the rail as Latent Revenge (Latent Heat) ticked off opening splits of :22.13 and :44.97. Bearing down on the leader in mid-stretch, he collared that foe in the final furlong and spurted clear to score. Hogy came running late for second.

"[It was] mainly the timing between races, and he was doing really, really well," winning trainer Tim Glyshaw said on the decision to return to turf in the Woodford. "[Bucchero ran in this race last year] and it wasn't nearly as bad as it seemed [finishing 11th]. Today we made to a plan to sit off of Greg [Foley]'s horse [Latent Revenge] and everything just worked."

Bucchero kicked off this term with a state-bred allowance victory on the dirt at Indiana in May and checked in second in the Karl Boyes Memorial S. over the Presque Isle synthetic June 19. Off the board in the Michael Schaefer Memorial S. a month later on the main track, he was a neck second in Mountaineer's Senator Robert Byrd Memorial S. Aug. 5 on dirt and returned to winning ways in the state-bred Brickyard S. over the Indiana main Sept. 13.

**Pedigree Notes:**

Bucchero's dam Meetmeontime, a daughter of GSW Parlay (Mt. Livermore), produced the juvenile filly Meetmeontime (Line of David) and a yearling filly by Kantharos. She was most recently bred to Uncaptured. Bucchero is the fourth graded stakes winner for Kantharos.

**Yoshida** | *Horsephotos*

Yoshida has been knocking at the door of graded success in his last two starts and broke through Saturday in the Hill Prince. Tracking from third through opening fractions of :24.21 and :49.11, the bay maintained that position on the backstretch, but was shuffled a bit and boxed in in the lane. With plenty left in the tank, the "**TDN Rising Star**" squeezed between rivals late and edged clear to score.

"We got the benefit of saving the ground today and that didn't hurt him," Hall of Famer Bill Mott said. "The horse and rider both showed good courage. The rider showed good patience and when he asked him he had enough horse to get in there. It looks like Bricks and Mortar went for the same hole and we were able to get there first. Actually, it looked like Frostmourne (Speightstown) came over a little bit and crowded both of us."

Yoshida graduated at second asking with a "**TDN Rising Star**"-worthy performance at Keeneland in April and followed suit with an equally impressive victory in Pimlico's James W. Murphy S. a month later. Fifth in the GI Belmont Derby July 8, he was second in both Saratoga's GII Hall of Fame S. at Saratoga Aug. 4 and GIII Saranac S. Sept. 2.

**Pedigree Notes:**

Yoshida's dam Hilda's Passion closed out her career for trainer Todd Pletcher with a victory in the 2011 GI Ballerina S. and sold to Katsumi Yoshida for $1.225 million at that year's Fasig-Tipton November sale. Yoshida has a 2-year-old half-brother named Weltherrschaft (Jpn) (Deep Impact {Jpn}), a yearling half-brother by Orfevre (Jpn) (Stay Gold) and a weanling half-sister by Deep Impact (Jpn).

**Wonder Gadot** | *Michael Burns*

Named a "**TDN Rising Star**" off an impressive debut victory in a Woodbine turf allowance Aug. 26, Wonder Gadot finished a close third as the favorite in the GI Natalma S. over that course Sept. 17 and was hammered down to even-money to earn her black-type badge in this switch to the polytrack. Seizing the early advantage, the $325,000 OBSAPR buy clocked early fractions of :24.87 and :49.86 while running two wide. Her stakes-winning stablemate Shamrock Rose closed the gap in the stretch, but Wonder Gadot still had plenty left in the tank and easily skipped clear to win for fun.

"The two turf races taught her a lot how to relax because anytime you work on the 'Poly', we put horses in front about five to 15 lengths and in two jumps she's past them," said winning rider Patrick Husbands. "On the turf, she's a more relaxed filly, but on the 'Poly', she's the real deal."

**Pedigree Notes:**

Wonder Gadot is a full-sister to SW & GSP Solemn Tribute. Their dam Loving Vindication, a daughter of GSW & GISP Chimichurri (Elusive Quality), is also responsible for a yearling filly by Hard Spun, who summoned $400,000 at the Keeneland September sale; and a weanling colt by Bodemeister. She was bred back to 2016 GI Kentucky Derby hero Nyquist.

## ADVANTAGE ZHUKOVA IN FLOWER BOWL

*by Alan Carasso*

Sunday's GI Flower Bowl S. at Belmont Park, a Breeders' Cup "Win and You're In" race for the GI Filly & Mare Turf a month from now, is missing pro-tem divisional leader Lady Eli (Divine Park), but features the Chad Brown-trained duo that ran the quinella in the GI Beverly D. S. last time and a European raider for the always-dangerous Dermot Weld barn.

That would be **Zhukova (Ire)** (Fastnet Rock {Aus}) who makes her second trans-Atlantic journey of the year, though she will square off with her peers this time around. That previous trip to Long Island resulted in a six-length demolition of a group of males in the GI Man O'War S. in May, the strength of which looks that much better in the aftermath of third-placed Sadler's Joy (Kitten's Joy)'s subsequent win later in the summer in the GI Sword Dancer Invitational S. To be fair, the Man O'War was run at a farcical pace over extremely soft turf, but Zhukova raced prominently and bolted away late. It will undoubtedly be firmer underfoot Sunday, but it looks another paceless renewal that could suit a sit-sprint sort of animal. The Flower Bowl will represent serious class relief for Zhukova, who exits an eighth in the G1 Irish Champion S. Sept. 9.

**FLOWER BOWL INVITATIONAL S.-GI**, 3yo/up, f/m, 1 1/4mT

**(see Graded Stakes Entries)**

"It's nice to have won here before," commented the legendary conditioner, who sent out Dimitrova (Swain {Ire}) to win the 2003 Flower Bowl. "It gives us confidence, that's why we're back there with her. The Flower Bowl is a prestigious race and we look forward to competing."

Brown has sent out the winner of this event in three straight years, including Lady Eli's success 12 months back, and is

double-handed here. **Dacita (Chi)** (Scat Daddy) is clearly the more accomplished of the duo, with her five Group 1/Grade I tallies in Chile and this country. Runner-up to Hawksmoor (Ire) (Azamour {Ire}) in the GIII Beaugay S. and sixth to that one in defense of her title in the GII New York S. June 9, Dacita came with a stinging late rally to outfinish Dona Bruja (Arg) (Storm Embrujado {Arg}) in the GI Beverly D. S. in Chicago Aug. 13.

But it is **Grand Jete (GB)** (Dansili {GB}) who will likely receive more pari-mutuel attention Sunday afternoon and with good reason. Showing a tremendous turn of foot in annexing her first two starts in the U.S., the Juddmonte homebred was all dressed up, but had nowhere to go in the Beverly D. and by the time she was able to get through, Dacita had crossed the wire first.

"She had a nightmare of a trip down on the inside but ran well. She's a tough filly," said Brown.

The extra sixteenth of a mile will not inconvenience Grand Jete, who will try to give her owner and breeder their first win in the Flower Bowl since the Henry Cecil-trained Yashmak (Danzig) scooped the prize in 1997.

Stephanie's Kitten (Kitten's Joy) parlayed a win in the 2015 Flower Bowl into victory in the Filly & Mare Turf at Keeneland.

## CHAD HAS THE 'POWER' IN THE FRIZETTE

'TDN Rising Star' **Separationofpowers** (Candy Ride {Arg}), a jaw-dropping debut winner at the Spa July 30, is the one to beat in Sunday's GI Frizette S. at Belmont Park, a 'Win and You're In' for the GI Breeders' Cup Juvenile Fillies. The bay dueled through a scorching early pace and had to settle for third in the GI Spinaway S. Sept. 2.

"She's been training particularly well here at Belmont," trainer Chad Brown said. "She recovered from that grueling effort in the Spinaway. She's come out of it well and she's going to appreciate going longer. I never felt that she was a sprinter. She trains very kind in the morning."

**Critique** (Midnight Lute) romped by 16 lengths to earn her diploma in style at second asking in an off-the-turfer at Saratoga Sept. 4. Trainer Todd Pletcher has won this race three times, most recently with Dreaming of Julia in 2012.

"She's a filly where we always felt like she'd appreciate more distance so that's why we entered her in the turf at Saratoga," Pletcher said. "Both times the races came off [the turf] and we thought she performed well. We're looking forward to getting her stretched out a little bit more, so I think the mile distance should be a step in the right direction."

**Maya Malibu** (Malibu Moon), a runaway debut winner at Delaware Aug. 5, took advantage of that aforementioned hot early pace in the Spinaway and rallied to finish a close second.

## WIDE-OPEN SPINSTER IS ANYBODY'S GUESS

A full field of 13 with only three previous graded stakes winners will enter the gate with a chance of making a statement in the 'Win and You're In' GI Juddmonte Spinster S. at Keeneland Sunday.

The top four finishers of the GIII Locust Grove S. Sept. 16 return to face each other with **Romantic Vision** (Lemon Drop Kid) looking to get the best of her rivals once more after recording her first stakes win there. Her lone try in Grade I company came on the GI Kentucky Oaks undercard in the La Troienne S., where she finished second at 15-1 behind MGSW Big World (Custom for Carlos).

The other three who are trying to turn the tables on Romantic Vision include: Locust Grove runner-up **Blue Prize (Arg)** (Pure Prize), who was a Group 1 winner in her native Argentina prior to coming to the States; Locust Grove third **Tiger Moth** (Street Sense), the GIII Groupie Doll S. winner at Ellis Park Aug. 13; and Locust Grove fourth **Mo d'Amour** (Uncle Mo), whose most recent win came in the 2016 Busher S. at Aqueduct.

Juddmonte Farms' **Lockdown** (First Defence) has been the most consistent in the field, earning placings in the GI Kentucky Oaks May 5 and the GII Mother Goose S. July 1 and she was most recently third after setting the pace in the GI Cotillion S. Sept. 23.

The closest any entrant in the field has come to a Grade I win on the resume is **Martini Glass** (Kitalpha), who almost pulled off the upset of the year at her home track when a close second to champion Songbird (Medaglia d'Oro) in the GI Delaware H. in July.

A full, competitive field of juveniles is set to vie for a Breeders' Cup "Win and You're In" berth in Keeneland's GIII Bourbon S. Sunday. Morning line favorite and Steve Asmussen trainee **Tap Daddy** (Scat Daddy) enters off an impressive maiden win at Kentucky Downs Sept. 14, looking to follow in the footsteps of Heavenly Love (Malibu Moon), who parlayed a maiden win at the Franklin, KY oval into a success in Friday's GI Darley Alcibiades S. Tap Daddy is one of seven entrants who made their previous start at Kentucky Downs, including Fasig-Tipton Turf Showcase Juvenile S. runner-up **John Tippmann** (Tiz Wonderful). The Coolmore

Jerry Durant's **Budro Talking** (Tale of Ekati) brings an undefeated record into the Bourbon, having followed up his debut win at Evangeline Downs with a score in the Sunday Silence S. at Louisiana Downs Sept. 9. He is one of two stakes winners in the field along with **Flameaway** (Scat Daddy), who captured Saratoga's off-the-turf Skidmore S. Aug. 18 before recently finishing a non-factor sixth in the GIII Iroquois S. at Churchill Sept. 16. Lothenbach Stable homebred **Captivating Moon** (Malibu Moon) could make some noise from off the pace, entering off a fast-closing runner-up finish in the Arlington-Washington Futurity Sept. 9. The colt previously annexed his career debut over the turf at Arlington with another strong late rally. **Admiralty Pier** (English Channel) was third, beaten less than a length, in the Sept. 17 GII Summer S. at Woodbine.

## UNIQUE BELLA RETURNS IN L.A. WOMAN

Streaking **'TDN Rising Star' Unique Bella** (Tapit) will make her highly anticipated return to the races as the 1-5 morning-line favorite against six overmatched rivals while prepping for the GI Breeders' Cup Filly & Mare Sprint in the GIII L.A. Woman S. at Santa Anita Sunday.

The $400,000 Keeneland September purchase has been sidelined by a sore shin (TDN APBs) since rattling off four straight victories between November and March, including an easy victory over division leader and subsequent three-time Grade I heroine Abel Tasman (Quality Road) when last seen in the GIII Santa Ysabel S. Mar. 4. She has returned to the worktab in fine form, posting five straight bullets, including a sparkling four-furlong move in :45 3/5 (1/33) in Arcadia Oct. 4.

Only two other previous stakes winners will enter the starting gate. **Cuddle Alert** (Bedford Falls) took home the Spring Fever H. for California-breds back in February while **Princess Karen** (Stay Thirsty) went gate-to-wire in the Beverly J. Lewis S. at Los Alamitos last time Sept. 9.

## RETIRED RACEHORSE PROJECT CONCLUDES

*By Jen Roytz*

The Retired Racehorse Project's $100,000 Thoroughbred Makeover, presented by TCA, concluded Saturday afternoon with Charlie Caldwell and his 3-year-old filly Old Tavern (Peak Dancer) taking top honors as America's Most Wanted Thoroughbred in front of a packed crowd.

The audience in attendance and those watching the livestream texted to vote on one of 10 finalists, with Caldwell and Old Tavern taking the top honors, thanks in large part to the polo community promoting the event throughout their website and social media channels. Caldwell earned $15,500 for his efforts ($500 for being the top-placed amateur in his division, $5,000 for winning his division and $10,000 for winning the championship).

**Charlie Caldwell & Old Tavern** | *Jen Roytz*

"I'm very happy with her, so pleased," said 17-year-old Caldwell, whose twin brother, Harry, competed in the Makeover as well. "For the finale, I just sped everything up. I've never ridden a Thoroughbred that was as balanced as her, and she handled everything--the crowd and the noise--incredibly well."

Bred by Larry F. Curtis, Old Tavern is an unraced daughter of Peak Dancer, a well-bred son of Mt. Livermore who sold for $650,000 at the Keeneland July Sale in 1998 and now stands at stud at Householder Farm in West Virginia. Old Tavern is out of the Blushing Groom mare, Blushing Madame. Caldwell said he has received several offers on the West Virginia-bred filly, including one from one of the judges of their division, but said he is going to let the excitement of his win sink in before making any decisions.

Throughout the day the top five finishers in each division (barrel racing, competitive trail, dressage, eventing, field hunter, freeestyle, polo, show hunter, show jumper and Western ranch) returned to compete for one of 10 berths in the finale, with the ultimate winner decided by text voting.

Included in the divisional winners was Late Night Mark (Ire) (Marju {Ire}) ridden by 16-year-old Isabella de Sousa, who won the show jumping division for the third year in a row. The daughter of Hidden Brook Far managing partner Sergio de Sousa, Isabella beat out 74 other competitors in the show jumping division, including CCI**** Kentucky Three-Day Event winner Nick Larkin, Olympian and World Equestrian Games veteran Ian Roberts and many other international competitors, as well as top amateurs and juniors. Bred by Swordlestown Little, Late Night Mark (IRE) began his career in Europe before being imported to the U.S. to run in the colors of Jim and Susan Hill, finishing his career with two wins from 14 starts and $74,299 in earnings.

Chapter Two (More Than Ready) also advanced into the finale after winning the dressage division. Rider Alison Wilaby said it was a team effort that helped her acquire the horse, and that team has been a big part of his training.

"I saw him in Andrew McKeever's barn and said I would love to have him when he retired. Several of my friends ride for him and know him, and I feel like I pestered all of them until I got him," said Wilaby. "On the track he could apparently get pretty strong, so one of his exercise riders was actually the first one to school him on cross country. It's amazing to have worked so hard for so long toward a goal and have it realized."

Out of the Sadler's Wells mare Winds of March (Ire), Chapter Two won three of 15 lifetime starts for owner/breeder My Meadowview Stable and retired early in 2017 with $71,925 in earnings.

## CHIPS ALL IN "MORE THAN FINE"

The Tuesday, Oct. 3 edition of the *TDN* included a column that reported that former GI Breeders' Cup Turf Sprint competitor **Chips All In** (North Light {Ire}) pulled up "with an undisclosed injury" in a Sept. 30 allowance race at Sandy Downs in Idaho, but the horse's connections have clarified that his failure to finish the race was merely the result of a precautionary measure over a slippery track. Michelle Yu, who is married to one of Chips All In's co-owners, Ryan Hanson, said Chips All In was never injured, and simply did not handle the footing on the racetrack.

"He's more than fine," Yu said. "The girl that was riding him said that he had taken two slippy steps coming around the turn when it started to rain over there. The chart said it was fast, but it was raining and pretty muddy on top. She didn't want to risk anything, so she pulled him up...He's turned out now at our farm. He's got a nice little acre paddock."

As for the future, Yu said Chips All in will likely have the winter off before returning to action in the spring. She explained that the 8-year-old is competing in Idaho because the Hanson family has close sentimental ties to racing in the state. Chips All In is currently trained by Ryan Hanson's brother, Mark.

"We're going to go ahead and probably keep him turned out for the winter and then bring him back at the fair next year," Yu said. "The Idaho racing circuit is Ryan's family's home. I think there was a big deal made about us running at Black Foot, but there's a race at Black Foot named after Ryan's grandfather. It's not like we were trying to take him somewhere and hide him. He just needed a little bit of a confidence booster. He was trying hard [in California]."

Yu added that should Chips All In get his confidence back in the spring, a return to racing in Southern California could be in the cards later in 2018.

## MEDAGLIA D'ORO'S MONTAUK LIVES UP TO HYPE, BECOMES 'RISING STAR'

**Montauk** (Medaglia d'Oro) came into this unveiling with a serious reputation already, and he did not disappoint, turning in one of the best juvenile debuts of the season while earning the '**TDN Rising Star**' nod. Hustled a bit from his outside post to track third perched in the clear, the even-money shot took over after a half in :45.10 while pilot John Velazquez exuded confidence. From there it was just a question of how far, and Montauk high-stepped his way to the line to run up the score by 11 1/4 lengths. Allured (Flatter), a $600,000 OBS March grad who was second on debut at Saratoga for Chad Brown Aug. 19, was best of the rest.

**Montauk** | *Viola Jasko*

A $300,000 KEESEP yearling purchase by Bluewater, Montauk blossomed into an $850,000 OBS March juvenile after a :10 1/5 breeze. Montauk's dam Indian Vale won four graded stakes events and placed in both the GI Beldame S. and GI Personal Ensign S. Second dam Marley Vale won the GI Test S. This is the same female family of Eugene Melnyk's that has produced GSW Glenville Gardens (Street Cry {Ire}).

The gray was asked to navigate a two-turn mile at Saratoga and could do no better than fourth over a yielding course in the Aug. 12 GI Fourstardave S. Racing off the pace toward the outside, he gathered momentum entering the stretch and rallied to forge past Ready for Rye and notch a convincing score in another fast final time. Lulu's Number produced a colt by First Samurai this spring and was bred back to Into Mischief.

"He's fast," said winning trainer Christophe Clement. "Irad [Ortiz, Jr.] said he was always in control. He's a fine horse. He loves Belmont, he loves training here. Right to the front, the 8-5 second choice doled out splits of :23.50 and :46 flat with even-money Patternrecognition (Adios Charlie) in hot pursuit. Shrugging off that one's advances spinning for home, he was ridden out by John Velazquez to cross the wire some six lengths to the good in 1:41.08. Patternrecognition, a debut winner at Aqueduct in April, has now finished second to '**Rising Stars**' in each of his next four tries: MGSW Coal Front (Stay Thirsty), last week's GI Vosburgh Invitational S. hero Takaful (Bernardini) and Copper Town's stablemate Mr. Crow (Tapizar). Copper Town, meanwhile, was second to the since unseen '**Rising Star**' Blue Buff (Unbridled's Song) at Gulfstream Feb. 25. He resurfaced to cruise by 3 3/4 lengths with a 91 Beyer Speed Figure going a flat mile here Sept. 10. A grandson of GSW Broad Dynamite (Broad Brush), Dynazaper's half-brother by Pioneerof the Nile brought $825,000 from Stonestreet Stables. Angled out in search of clear sailing, he found a seam and rallied to win by 1 1/4 lengths over Minsky Moment (Flatter), who dealt him his debut defeat on dirt. The winner is a half to Macagone (Artie Schiller), MSW, $530,817, and has an unraced juvenile half-brother by Colonel John named Jaye Jaye and a yearling half-sister by Freud. The seven-length winner of the Cleveland Juvenile S. at Thistledown Aug. 5, Awaken gave a good account of himself when third in the one-mile Sapling S. at Monmouth Park Sept. 2 and was favored in this rich event. Trapped out three wide the trip, the fashionably bred chestnut poked his head in front at the three-eighths, but soon had company from chief market rival Tiz a Rush. The latter eyeballed Awaken and perhaps even got his head in front inside the final furlong, but the favorite boxed back gamely inside for the victory. Awaken, from the family of GISW Any Given Saturday (Distorted Humor), is the last listed produce for his dam. **Click for the Equibase.com chart.**

Blackjackcat proved too classy for his five rivals in this prep for the GI Breeders' Cup Mile at Del Mar in a month's time. First to break the line, the long odds-on favorite was content to allow longshot Mach One Rules (Harbor the Gold) to make the running, but always held a spot at the inside rail. Sent through to challenge for the lead at the entrance to the far turn, Blackjackcat dueled briefly with a resurgent Mach One Rules before putting that one away en route to a workmanlike success. **Cont. p7**

Insta Erma was a neck second in the Lady Canterbury S. for her breeder Zayat Stables and trainer Bill Mott in June before being sent through the Fasig-Tipton Summer Selected Horses of Racing Age Sale and scooped up by this group of owners for $290,000. She closed well for fourth in Del Mar's GII John C. Mabee S. over nine panels last out Sept. 2. Tracking three deep in the second flight around the first turn, the bay shadowed the moved of Belvoir Bay into the stretch. That foe opened up, but Insta Erma kept on and out-kicked Madame Stripes late for a first stakes score. **AMERICANIZE (g, 4, Concord Point--American Story {GSP, $189,200}, by Ghostzapper)** has been knocking on the door at this level, notching four runner-up finishes from five tries since graduating from the maiden ranks last December. Last seen filling out that familiar position in a one-mile optional claimer at Los Al Sept. 10, the gray went to the front and disputed the pace through a quarter-mile in :22.19. Engaged in a duel with City of Light (Quality Road) into the stretch, he found more late and edged clear to score by a length over that rival. The winner is a full to American Gal, GISW, $707,700. Never far back racing between horses through a quarter-mile in :22.04. Shifted out turning for home, the bay closed well and got up to tag Orageuse (Broken Vow) by a neck on the wire. **CATALINA CRUISER (c, 3, Union Rags--Sea Gull, by Mineshaft)** turned in a best-of-16 six furlongs from the gate in a race-like 1:12 1/5 Sept. 24 and was bet into lukewarm 7-2 favoritism from a morning line of 5-1. Beaten for speed and at the back early on, the $370,000 Keeneland September yearling tugged his way up from between juveniles to grab third on the turn. Able to sustain a run despite traveling about four deep on the bend, Catalina Cruiser came calling for the lead a sixteenth from home and went on to score by a professional 2 1/4 lengths. The equine Puig (Scat Daddy) was second best. The winner is a half to Eagle (Candy Ride {Arg}), GSW, $746,686, and has a 2-year-old half-brother named Shoreline (The Factor), a yearling half-sister by Candy Ride (Arg) and a weanling filly by War Front. She was last seen checking in fourth in the GIII Torrey Pines S. over that same track and trip Aug. 27. Off at 3-1, the homebred sat off the pace in between horses before shifting out and slicing through a seam crossing over the dirt. She kicked on nicely from there, and ran up the score to 2 3/4 lengths. Longshot Cash Prize (Pure Prize) was second. The winner is half to R Heat Lightning (Trippi), GISW, $925,800. # ROLY POLY TOUGHS OUT THIRD GROUP 1 WIN

**Roly Poly leaves Aidan O'Brien just two short of the world record number of Group 1 wins in a year** | Racingfotos.com

**Roly Poly** (War Front) has played an integral part in Ballydoyle's season of seasons and her third group 1 win in Saturday's G1 Kingdom Of Bahrain Sun Chariot S. was also a 23rd for Aidan O'Brien in 2017, making the stable's world-record bid for victories at the highest level very much within reach. Earning '**TDN Rising Star**' status as early as last April when successful on debut over five furlongs at Naas, the bay earned her first black-type wins in the G3 Grangecon Stud S. at The Curragh and G2 Duchess of Cambridge S. on the July Course here. Runner-up in the G2 Lowther S. at York and the G1 Cheveley Park S. here, she was ninth in the GI Breeders' Cup Juvenile Fillies Turf and seventh on her return when below-par in the seven-furlong G3 Nell Gwyn S. again at this track Apr. 19. Sixth in the G1 Poule d'Essai des Pouliches at Deauville May 13, she started to claw back her juvenile form when second to stablemate Winter (Ire) (Galileo {Ire}) in both the May 28 G1 Irish 1000 Guineas returning to The Curragh and in the June 23 G1 Coronation S. at Royal Ascot. G1 Tattersalls Falmouth S. at Newmarket. With Ryan Moore in positive mood, Roly Poly took the G1 Falmouth S. by the scruff of the neck on the July Course here July 14 and that brought about a deserved breakthrough in this category before she added a second in the G1 Prix Rothschild at Deauville 16 days later.

## NO WORRIES AS WINX WALTZES TO 21

The mighty **Winx (Aus)** (Street Cry {Ire}) made her first visit to Flemington Racecourse a memorable one when she sauntered home a facile winner of the G1 Seppelt Turnbull S. over 2000m. on Saturday. It was a 14th Group 1 victory for the 6-year-old mare who was extending her unbeaten streak to 21, and with 25 victories in total she now matches the tally achieved by Black Caviar (Aus) (Bel Esprit {Aus}), albeit she went unbeaten throughout her career. While Winx has given her legion of fans a scary moment or two in her previous runs this campaign there was never a moment of doubt about victory on Saturday as she broke smartly under Hugh Bowman with the rider content to rein her back to fifth as 200/1 outsider **Magicool (Aus)** (Fastnet Rock {Aus}) set the early fractions. **Sir Isaac Newton (Ire)** (Galileo {Ire}), one of two runners for Robert Hickmott and Lloyd Williams pulled hard early on and Damian Oliver had a job to keep him in second as last year's G1 St Leger runner up **Ventura Storm (Ire)** (Zoffany {Ire}) settled another four lengths back in third.

Magicool cried enough just under four furlongs from home as Sir Isaac Newton and stable-mate **Assign (Ire)** (Montjeu {Ire}) were left dueling for the lead but Hugh Bowman was sitting pretty on their tails just biding his time on the brilliant mare and it was clear it was only a matter of how far? Bowman gave Winx a nudge 300m from home and she began to power clear under minimal urging, ultimately crossing the line eight lengths clears of her pursuers. The two Hickmott runners weakened up the straight and it was left to the Hayes and Dabernig trained Ventura Storm to pick up the pieces with **Humidor (NZ)** (Teofilo {Ire}), Winx's chief market rival, running on late for third having never really gotten into the race.

One would think connections of Winx are running out of superlatives at this stage but such is the dominance of her performances that those close to her can still sum up the feeling she is bestowing on them after each win."

Making his first appearance in graded stakes company, 'TDN Rising Star' Diversify (Bellamy Road) led past every pole en route to a comfortable victory in the GI Jockey Club Gold Cup at Belmont Park.

**Roly Poly Toughs Out Third Group 1 Win cont.**

Only sixth in the G1 Matron S. at Leopardstown Sept. 9, she was again asked to go forward from the break before accepting a lead from Dawn of Hope (Ire) (Mastercraftsman {Ire}). Staying prominent, she took back control with a furlong remaining and stayed on strongly up the rising ground to deny the market-leader Persuasive a first group 1 win. "This is a big team effort and Ryan gave her a class ride," her trainer said. "She's a great filly--tactical and tough and is incredibly-bred. She's incredibly tough and genuine and she and Rhododendron could be trained for the Fillies & Mares at the Breeders' Cup."

Persuasive and Nathra's trainer John Gosden said of the placed fillies, "They both ran superbly well. The winner on this ground was too good for us. With a bit more juice in the ground, both of our fillies would have troubled the winner. They have run second and third and I could not be more thrilled with them. They have run true and honest right to the end of the season. I think that will probably be it for both of them and the breeding sheds beckon."

## Pedigree Notes...

Roly Poly's success comes just a week after her full-brother U S Navy Flag captured the G1 Middle Park S. for her relentlessly successful stable. They add to an already-remarkable broodmare record for Misty For Me, who was a top performer herself and won the G1 Irish 1000 Guineas before beating Midday (GB) (Oasis Dream {GB}) by six lengths in the 2011 G1 Pretty Polly S. Her first foal was the GIII Autumn Miss S. winner Cover Song (Fastnet Rock {Aus}), while she has a yearling filly and a colt foal by War Front to come. The second dam Butterfly Cove produced Ballydoyle (Ire) (Galileo {Ire}), who rewarded the braveness of connections by winning the G1 Prix Marcel Boussac and finishing runner-up in the G1 1000 Guineas. This is the family of the G1 Phoenix S. and G1 Prix Morny-winning sire Fasliyev who helped get the Aidan O'Brien ball rolling in his early days at Ballydoyle, with his dam Mr. P's Princess a half-sister to the multiple top-level scorers Desert Wine and Menifee. **Click for the free Equineline.com catalogue-style pedigree**.

'**TDN Rising Star**' Blue Point was the impressive winner of the G2 Gimcrack S. at York last August before running second in the G1 Middle Park S. at Newmarket in September, after which Charlie Appleby tried seven when he was third in the G1 Dewhurst S. also there the following month. Back at this trip on his return, he beat Harry Angel (Ire) (Dark Angel {Ire}) in the G3 Pavilion S. when receiving four pounds at this course May 3

before finishing third behind Caravaggio (Scat Daddy) and that rival in the G1 Commonwealth Cup at the Royal meeting here June 23. Needing time off, the bay was possibly a shade rusty when fourth on testing ground behind Harry Angel in the Sept. 9 G1 Haydock Sprint Cup and again had conditions against him in this prep for the G1 Qipco British Champions Sprint S. back over this track and trip in two weeks's time. Taking most of his rivals out of their comfort zone by the two-furlong pole, he began to feel the pinch out on his own and Projection was able to significantly narrow the gap as the line approached.

**Blue Point was a welcome return winner for William Buick**
*Racing Post*

Jockey William Buick, who was returning from a lengthy spell on the sidelines, was convinced Blue Point will be seen to much better effect on a quicker surface. "He's a better horse on fast ground, but he's shown today he's quite versatile making all the running on pretty slow ground," he explained. "He's a good horse and I believe he's staying in training, so we'll see more of him next year. It's nice to be back and thankfully I didn't make any mistakes. This year's three-year-old sprinters are a fantastic bunch and Charlie and everyone at home have had no qualms about him. We have always thought he was right up there with them and he's a horse that is going to be dining at the top table with all the others."

Appleby is keen to avoid taking on Harry Angel on testing ground and revealed that the Champions Sprint run hinges on the weather. "It's great to have William back on board and it was good for Blue Point to get his head back in front as well. They know each other well and William gave him a great ride," he said. "He just did not like that ground, so it was a brave performance. He'd been in front for long enough, but he was tiring in that ground.

We might put him away for the winter and take him out to Dubai for something like the Al Quoz Sprint and look forward to a four-year-old campaign with him. We'll speak to His Highness. If the ground is going to come up soft again we might give Champions Day a miss. Harry Angel is there for Godolphin and he's a worthy favourite."

Blue Point is one of two black-type winners out of Scarlett Rose after the G2 Railway S. scorer Formosina and she is herself a half-sister to the 10-times winning sire Tumbleweed Ridge (GB) whose five pattern-race successes include three editions of the G3 Ballycorus S. Scarlett Rose's half-sister Tumbleweed Pearl (GB) (Aragon {GB}) produced the G2 Queen Mary S. winner Gilded (Ire) (Redback {GB}), who is herself the dam of the multiple listed winner and G3 Ballyogan S. runner-up Fort Del Oro (Ire) (Lope de Vega {Ire}). **Click for the free Equineline.com catalogue-style pedigree**.

This was supposed to represent the ideal send-off for the G1 Prix du Jockey Club runner-up Waldgeist, but the French visitor was unable to subdue Danehill Kodiac in an upset. Successful in last year's Shergar Cup Classic H. here, the winner had registered an authoritative score in a handicap at Newmarket Aug. 19 before running fourth in the G3 September S. at Kempton Sept. 9 and second to Blakeney Point (GB) (Sir Percy {GB}) in a handicap over this trip at Newbury 13 days later. Sent to the front from the outset by Sean Levey, he was strongly pressed by Waldgeist in a spirited finale but proved marginally tougher to register a career-best.

Trainer Richard Hannon is looking forward to 2018 with Danehill Kodiac and said, "He had problems earlier in the year and that is why he missed a good section of the first part of the year. He's done very well and he will stay in training and hopefully will win some very nice races. He rarely runs a bad race and he sticks his head out and tries very hard. I thought he [Waldgeist] was coming to beat us, but then my horse is an older horse and he is only three. I will speak to the owner, but we might be thinking of going to Dubai. I'd like to think of something like the Coronation Cup next year for him, which we won with Pether's Moon."

## Pedigree Notes...

Danehill Kodiac becomes the first black-type winner for Meadow, who is a full-sister to the stakes-placed Green Line (GB) and a half to the Listed Sceptre S. winner Medley (GB) (Danehill Dancer {Ire}) who in turn is the dam of the Listed Radley S. winner and G3 Chartwell Fillies' S. runner-up Light Music (GB) (Elusive Quality). She is also responsible for Flower Market (GB) (Cadeaux Genereux {GB}), who produced the G1 Australian Cup hero Spillway (GB) (Rail Link {GB}), while Meadow's other half-sibling Fuaigh Mor (Ire) (Dubai Destination) was responsible for the Listed Spring Cup winner and G3 Solario S. third Lexington Times (Ire). The dam also has the winning 2-year-old filly Eden Beach (Ire) (Lilbourne Lad {Ire}), a yearling filly by Xtension (Ire) and a filly foal by Footstepsinthesand (GB). **Click for the free Equineline.com catalogue-style pedigree**.

The only filly in the line-up, Luminate stepped up markedly from her winning Deauville debut over a mile Aug. 22 to dominate the colts and suggest she can be a leading player in the 2018 Classics. Settled in a clear second early as the G3 Prix des Chenes winner Stage Magic (Ire) (Dark Angel {Ire}) set out to make it a test, the bay was able to brush him aside passing the 300-metre marker and readily assert under hand riding from Aurelien Lemaitre to register an impressive success as the colts finished strung out. “When she won at Deauville, I really thought she would stay well in the future and that is the case,” trainer Freddy Head said. “I expected a good run, but not for her to win so easily. She loved the trip and the very soft ground and I think we’ll put her away for the season now. I know there is the [G1] Criterium de Saint-Cloud, but I doubt she will run in that.”

## Pedigree Notes...

Luminate’s dam Kalandara is a half-sister to the GI Breeders’ Cup Turf and G1 Champion S.-winning sire Kalanisi (Ire), as well as the G2 Scottish Derby winner and G1 St. James’s Palace S. runner-up Kalaman (Ire) (Desert Prince {Ire}) and the Listed Prix Melisande scorer and G2 Prix de Malleret second Kaloura (Ire) (Sinndar {Ire}). The second dam Kalamba is a full-sister to the Listed Diamond S. winner Karaferya, as well as a half to the excellent producer Jeanetta Cochrane (Ire) (Sadler’s Wells) whose progeny list is headed by the G2 Queensland Guineas-winning sire Saxon (Aus). Kalandara also has a yearling filly by Lope de Vega (Ire), catalogued as lot 530 at Tattersalls next week and a colt full-brother to Luminate. **Click for the free Equineline.com catalogue-style pedigree**.

## FORTUNE BOWS OUT OF RIDING CAREER

Multiple Group 1 winning jockey Jimmy Fortune rode his last race on Saturday as the 45-year-old retired from the saddle after finishing third aboard Nathra (Ire) (Iffraaj {GB}) in the G1 Sun Chariot S. at Newmarket. Wexford native Fortune has enjoyed rewarding associations with a number of leading trainers throughout his career and he tasted Classic success aboard **Lucarno** (Dynaformer)in the 2007 G1 St Leger, one of a number of Group 1 winners Fortune rode for John Gosden. Fortune has endured a tough time with injuries in recent years and suffered a back injury earlier this year which has restricted opportunities throughout this season. "It's been a difficult decision,” Fortune told *Racing UK*. “I love my racing, love the weighing room. It's my life, so it's been a difficult decision, but we all have to go sometime. I am very grateful to John [Gosden] to put me up in a race of this stature and I felt it was a nice way to go out – riding in a Group 1." **Cont. p7**

**Jimmy Fortune cont.**

Looking back on a highly successful career that began in earnest in 1988 when he rode his first winner at Thirsk Fortune recalled, "There have been many good horses along the way. I've been fortunate and very lucky throughout to ride for some very good people. My best day in racing would probably have been at Ascot, in 2008, when I won the Fillies' Mile on Rainbow View and the QEII on Raven's Pass." Fortune has not revealed what plans he has for the future only to say, “I’ve got a few irons in the fire. I’ve got a few weeks and months to work out what I am going to do. Something will come along.”

Another trainer Fortune teamed up with for great success is Andrew Balding and upon hearing the news of his retirement he said, "Jimmy has been a fabulous jockey for a very long time. When I served my apprenticeships with the Ramsdens he was stable jockey. He was very strong, a very straightforward person to deal with and we'll miss him. All things have to come to an end. He's had a great career and I hope he has a very happy retirement."

Breaking her maiden over five furlongs on soft ground at Haydock June 8, Darkanna was beaten around five lengths when seventh in both the G2 Queen Mary S. at Royal Ascot June 21 and in Newmarket's G2 Duchess of Cambridge S. trying this trip July 14. Second in the G3 Prix de Cabourg at Deauville July 30, the bay was fifth in York's Goffs Premier Yearling S. Aug. 24 and was only four lengths away from Clemmie (Ire) (Galileo {Ire}) when in that same position in the G1 Cheveley Park S. at Newmarket last Saturday. Always prominent, she gained the advantage approaching the quarter pole and saw off the attentions of Flying Sparkle to register a deserved first black-type success. Darkanna is the first foal out of the dam, who was third in the G2 Cherry Hinton S. and descends from Refined who produced the G2 Mill Reef S. winner and G1 Golden Jubilee S. runner-up Galeota (Ire) (Mujadil). Also from the family of the group winners Brown Sugar (Ire) (Tamayuz {GB}) and Burnt Sugar (Ire) (Lope de Vega {Ire}), Jadanna has a yearling filly by Kodiac (GB).

Just Glamorous had beaten just four of 88 rivals in six outings since besting subsequent G1 Prix de l'Abbaye and G1 Nunthorpe heroine Marsha (Ire) (Acclamation {GB}) in last year's G3 Prix du Petit Couvert at Chantilly, and went postward as the outsider of eight for this test lining up off a 14th-of-17 effort in Newbury's Sept. 23 G3 World Trophy. Sharply into stride to lead from the outset, he was stoked up approaching the final furlong and kept on strongly under a late drive to register a first black-type score on home soil. "The team have clearly done a fantastic job with him at home and it's a credit to them," said winning rider Oisin Murphy. "I rode him a long time ago and felt then that he was a very good horse and a very fast horse. It was hard work in that last furlong and he's bounced back to a fair level today."

Third on debut over six furlongs at Doncaster Aug. 19, One Master stayed at that trip to score with authority at Yarmouth Sept. 19 and earn this tilt at black-type against some seasoned performers. Restrained in rear early, the homebred made stealthy progress to gain the lead with just under a furlong remaining and assert for a success earned with a degree of comfort. The dam Enticing was a smart performer in these silks for this stable, winning the G3 King George S. and G3 Molecomb S. at Goodwood. Her dam Superstar Leo was even better for the same connections, winning the G2 Flying Childers S. and G3 Norfolk S. and finishing runner-up in the G1 Phoenix S. and G1 Prix de l'Abbaye de Longchamp. She also produced the listed-winning and G3 Jersey S. runner-up Sentaril (GB) (Danehill Dancer {Ire}) and is a half-sister to Starship (Ire) (Galileo {Ire}), whose son Rivet (Ire) also by Fastnet Rock captured the G1 Racing Post Trophy and G2 Champagne S. Time and again, Jallota has proven that he can mix it with some of the best and had gained a thoroughly deserved first black-type win in the G3 Prix du Pin over this trip at Chantilly last September. Subsequently second in the G1 Premio Vittorio di Capua at the San Siro and third in the G2 Challenge S. at Newmarket at the end of last term, the bay had maintained his admirable consistency throughout his current campaign and entered this on the back of a third to Beat the Bank (GB) (Paco Boy {Ire}) in the G2 Joel S. at a mile at Newmarket Sept. 29. Delivering a sustained effort to gain the advantage in the final 150 yards, the 16-1 chance asserted to score by a half length from Lord Glitters (Fr) (Whipper). Trainer Eve Johnson Houghton said, "He was bred by my mum and was the first foal of one of her mares. We took him to the sales but could only get eight grand for him. We kept saying he was a good horse and we were so disappointed early doors, but he just outgrew his own strength. "This mare, she is taking all of us on this amazing ride and long may it live on," Hugh Bowman told Racing.com. "It was plain sailing as soon as she broke cleanly from the barriers. She is just a dream to ride and a dream to be a part of. This mare is taking all our lives to a new level and we're all very grateful.

'Winx Watch' now moves on to the prospect of an historic third G1 Cox Plate victory in three weeks time Oct. 28 and trainer Chris Waller was obviously proud but more so relieved to get through another race day unscathed with the mare. Waller's communication with the press is admirable but he did have one request when interviewed by *Racing.com* post race. "Give me a week to get over this, go easy on me the next week then you can have me for the last week," he said in jest, alluding to the build up to the Cox Plate.

Waller's expert handling of Winx should also not be underestimated and he admits he is often in unchartered territory as to how prepared he thinks the mare is, especially coming off the back of a break. "We're still learning about her, there is no training manual for a horse like Winx. She has gotten heavier every preparation and each time I scratch my head and wonder, 'are you still not ready, are you still too heavy'? But she just keeps delivering." Assuming and hoping Winx makes history and gets the job done in the Cox Plate, the agenda, from Europe anyway, will be a request to see Winx take on the best Europe has to offer. **Cont. p15**

**Turnbull S. cont.**

Waller has always made it clear a third Cox plate is the priority but he appears keen on a Northern Hemisphere trip next year and that is a prospect to keep racing fans warm over the winter. With the increased likelihood of Enable (GB) (Nathaniel {Ire}) staying in training as a 4-year-old, a clash of the two female titans in a race such as the G1 Juddmonte International at York next August could just be a nation stopping event. However Waller has a more immediate task at hand and one he appreciates the enormity of. "We understand our responsibilities and she's going to be very hard to beat [in the Cox Plate]. When she gets wound up and she lets go its pretty scintillating, he added.

## Pedigree Notes...

While Winx is making racing legends out of her trainer and rider one must never forget the most important piece of the whole puzzle and that is her dam, the dual New Zealand stakes winner Vegas Showgirl (NZ) (Al Akbar {Aus}). Winx's sire, the late Street Cry (Ire) has obviously played a major role too, especially when you consider he is also responsible for another 'Queen of Racing' in Zenyatta. While it is highly unlikely Vegas Showgirl will ever produce another as successful as Winx she will in all probability breed more high class runners. She is already the dam of the 'TDN Rising Star' and G3 Kindergarten S. winner El Divino (Aus) (Snitzel {Aus}) and a sale topping full brother to that horse called Boulder City (Aus) who is in training with Gai Waterhouse and Adrian Bott. She also recently foaled a Exceed And Excel (Aus) filly at Segenhoe Stud for breeder John Camilleri of Fairway Thoroughbreds to complement a Snitzel filly foaled last year. **Click for the free Arion.co.nz catalogue-style pedigree.**

Despite taking seven racecourse attempts to get his head in front Ace High has really found his groove of late and he put up a stout staying performance to just hold on to victory in the G1 Spring Champion S. at Randwick on Saturday. **Cont. p16**

**Spring Champion S. cont.**

Backed down to favouritism off a last start win in the G3 Gloaming S. at Rosehill Sept. 23, the David Payne trained colt was bounced out smartly by Tye Angland in the 2000m contest and he was determined to put his rivals to the sword from early on. Tracked for much of the race by **Coral Coast (Aus)** (So You Think {NZ}) Angland began to wind up his mount approaching the 600m mark and as they straightenened up he was able to poach another valuable length on the field as the well fancied Tangled began his challenge against the rail. Inside he last furlong Ace High began to paddle as Tanged closed with every stride but the winner was brave in front and he clung on for a short head victory with Sully doing decent late work in third. Trainer David Payne knows a good horse when he sees one and he said he thinks Ace High can be seen to even better advantage with different tactics. "I think he is going to be a better horse when he can follow something but today we had to make it a staying race. We always thought he was going to be up there. It's just circumstances that has worked out this way. There was no pace in the race," Payne told *Racing And Sports*.

Ace High is likely to be aimed at the G1 Victorian Derby at Flemington Nov. 4 and and it is a race the trainer has ad in mind for the colt for some time now. "I'm keen on the Derby. We always liked him. I said when he was a baby this was my Derby horse," Payne added.

Jockey Tye Angland had a heart wrenching decision to make as he ended up skipping his brother's wedding to take the ride on Ace High so it was a major relief to him to have that decision justified. "He just had a beautiful run and I thought I would make it a staying test. I was on empty late, but the easy early sectionals that I got right paid dividends. Not many people would know I missed my brother's wedding today for this fella."

As mentioned earlier Ace High broke his maiden on his seventh and final run as a 2-year-old when winning at Kembla Grange in July but he had been set some lofty targets before that including when finishing fourth to The Mission (Aus) (Choisir {Aus}) in the G1 Champagne S. at Randwick in April. This season, after a few respectable starts in Group races over trips short of a mile Ace High relished the step up to 1800m for the Gloaming S. and again coping admirably with the extra furlong on Saturday.

## Pedigree Notes...

Ace High's dam Come Sunday (Aus) (Redoute's Choice {Aus}) has had two winners from her four runners and she is an un-raced half-sister to the multiple stakes winners That's A Good Idea (Aus) (Flying Spur {Aus}) and Kneeling (Aus) (Encosta De Lago {Aus}). They hail from the stakes placed mare Sunday Service (Aus) (Sunday Silence) who in turn is a half sister to another stakes winner in Express Power (Aus) (Snitzel {Aus}).

Come Sunday foaled an as of yet unnamed full-sister to Ace High in 2015 and delivered a colt by Hallowed Crown (Aus) last year. **Click for the free Arion.co.nz catalogue-style pedigree.**

## PLANS FLUID FOR GINGERNUTS

Following the abandonment of Saturday's G1 Livamol Classic at Hastings in New Zealand the pre-race favourite **Gingernuts (NZ)** (Iffraaj {GB}) now looks unlikely to take up his engagement in the G1 Caulfield Cup Oct. 21. Trainers Stephen Autridge and Jamie Richards had planned to use Saturday's Group 1 as a prelude to Caulfield for the Te Akau Racing owned gelding but that plan is now up in the air with connections mulling options.

**Gingernuts** | *Racing And Sports*

"It's certainly not ideal as it puts us in a very tricky situation with Gingernuts and his Caulfield Cup bid," Stephen Autridge told *Racing.com*. "At this stage we are booked on a flight to Australia on Wednesday but would be heading over after missing a vital race. We're not sure if they are going to re-run the race but if it wasn't tomorrow [Sunday] or Monday then it's not an option for him. It would also mean he would have to travel to Australia, race on the Saturday and then back-up seven days later for the Cup. It's

not something we've done with him before and I just don't know if it is a viable option." Gingernuts is already a triple Group 1 winner with top level wins in both Australia and New Zealand on his CV and Autridge added, "All we can do is sit down with David [Ellis] and the owners and work out what our options are once we know what the future of the Livamol Classic is, so hopefully we will have a plan in place in the next 24 hours."

Making his first appearance since annexing an 1800-metre newcomers' event at Hanshin June 25 (video, gate 7), Danon Premium easily negotiated the hike into stakes company to give his sire a 100th career black-type winner while establishing a new track record.

Smoothly into stride from gate two, the second wagering favorite was rated along nicely from second by Yuga Kawada and was held together into the long Fuchu straight. Given his head with a little more than a furlong to travel, he surged to the lead, opened a daylight advantage and was always holding favoured Stelvio in the run to the wire, then galloped out with gusto.

Danon Premium could be on course to contest the G1 Asahi Hai Futurity, a race won by this owner's Danon Platina (Jpn) (Deep Impact {Jpn}) en route to being named Japan's champion 2-year-old male of 2014.

Danon Premium is a son of MSW & MGSP Indiana Gal and is one of three winners from four to race from the mare, who was purchased by K I Farm for 160,000gns out of the 2010 Tattersalls December mares sale. The dam of a yearling filly by Orfevre (Jpn), Indiana Gal most recently foaled a K I Farm's superstar sprinter and successful first-crop sire Lord Kanaloa (Jpn) (King Kamehameha {Jpn}). --*Alan Carasso*

## SOUL STIRRING TOPS LOADED MAINICHI OKAN *by Alan Carasso*

A field of 12 middle-distance horses, led by reigning champion Japanese 2-year-old filly **Soul Stirring (Jpn)** (Frankel {GB}), heads to the post for Sunday's G2 Mainichi Okan (1800m) at Tokyo which will serve as a prep for the 2000-metre G1 Tenno Sho (Autumn) to be held at the same track in three weeks' time.

Winner of her three appearances at two, including the G1 Hanshin Juvenile Filles, the daughter of US Eclipse Award winner Stacelita (Fr) (Monsun {Ger}) suffered a shock defeat in the G1 Oka Sho (Japanese 1000 Guineas) in April, but bounced back to win the G1 Yushun Himba (Japanese Oaks) when last seen May 21 (video gate 2). The mount of Christophe Lemaire, Soul Stirring is favoured ante-post at 6-5.

**Makahiki (Jpn)** (Deep Impact {Jpn}) won last year's G1 Tokyo Yushun (Japanese Derby) and G2 Prix Niel in France, but has yet to return to winning ways in 2017 despite a pair of credible efforts, including a close fourth to Kitasan Black (Jpn) (Black Tide {Jpn}) in the G1 Osaka Hai Apr. 2 (video, gate 14).

The 2016 G1 Dubai Turf winner **Real Steel (Jpn)** (Deep Impact {Jpn}) is winless since, but was a good second to Maurice (Jpn) (Screen Hero {Jpn}) in last year's Tenno Sho, while **Satono Aladdin (Jpn)** (Deep Impact {Jpn}) gets back to work for the first time since surging late to win the G1 Yasuda Kinen (1600m) at this track June 4 (video).
