

CATHOLIC BOY REWARDS CONNECTIONS' FAITH IN TRAVERS

Catholic Boy | Sarah K Andrew

By Christie DeBernardis

SARATOGA SPRINGS, N.Y.--Coming off a gutsy win in the grassy GI Belmont Derby last month, many thought **Catholic Boy** (More Than Ready) belonged on the turf despite his decisive win in the GII Remsen S. last year at Aqueduct. The bay silenced all doubters at Saratoga Saturday, surging past another many thought was better suited to grass, GI Breeders' Cup Juvenile Turf and G2 UAE Derby hero **Mendelssohn** (Scat Daddy), in the stretch to win the prestigious GI Travers S. by four lengths. It was the second Grade I win for Jonathan Thomas, who went out on his own just last year, and it was the sixth win in the Midsummer Derby for Hall of Famer Javier Castellano. The victory came just two races after Whitmore (Pleasantly Perfect) captured the GI Forego S. for Robert LaPenta and Sol Kumin, who also own Catholic Boy in partnership with Siena Farm and Twin Creeks Racing.

Away well from the outside post in this 10-horse affair at odds of 7-1, Catholic Boy was immediately sent up by Castellano--on a track that had been playing well to speed all day--to press the pacesetter Mendelssohn, remaining glued to that rival's outside hip through opening splits of :23.30 and :47.81. The filly **Wonder Gadot** (Medaglia d'Oro) tracked from third along the fence with GII Jim Dandy S. winner **Tenfold** (Curlin) right alongside, while favored champion **Good Magic** (Curlin) ran two-wide back off the pace in mid-pack. **Cont. p3**

ABEL TASMAN OUT-SLUGS ELATE IN PERSONAL ENSIGN *By Christie DeBernardis*

SARATOGA SPRINGS, N.Y.--It was deja vu all over again for champion **Abel Tasman** (Quality Road) and 'TDN Rising Star' **Elate** (Medaglia d'Oro) in the GI Personal Ensign S. at Saratoga Saturday, a "Win and You're In" event for the GI Breeders' Cup Distaff. Last year, the pair battled down the Saratoga stretch in a thrilling renewal of the GI CCA Oaks with Abel Tasman besting Elate by a head and surviving an objection by Elate's jockey Jose Ortiz. The Personal Ensign turned into a replay of the two talented fillies' last meeting, objection and all, with the China Horse Club and Clearsky Farm's Abel Tasman coming out on top yet again.

The filly and mare feature was billed as a match race between the best in the west and the best in the east and Abel Tasman, favored at 3-5, and Elate, 9-5 second-choice, put on the show everyone expected. **Cont. p6 (Click here)**

Catholic Boy inched just a bit closer on the backstretch run and the top two pulled away from their pursuers as Catholic Boy drew even with Mendelssohn entering the far turn. With no one else within striking distance at the top of the stretch, it was a two-horse race from there, but that didn't last long. Catholic Boy powered clear of Mendelssohn in mid-stretch and stormed home to a decisive victory. Mendelssohn held well for second and the hard-knocking GI Betfair.com Haskell S. runner-up **Bravazo** (Awesome Again) rallied for third. **King Zachary** (Curlin), who was last through the first mile, closed strongly to complete the superfecta. Haskell romper Good Magic never looked to be traveling comfortably and called it a day on the backstretch, beating only Queen's Plate victress Wonder Gadot, who faded to last in the stretch.

Travers cont.**Jonathan Thomas with Catholic Boy** | Sarah K Andrew

"It just doesn't get any better," said Thomas. "I'm just so proud of this horse, and Javier [Castellano] was incredible. We've always believed that he's a top talent despite the surface. He's a much stronger, mature horse and this really shows that patience helps. It means we can survive another year and hopefully train some more like him, but right now, I'm just going to soak this up."

When asked what's next, Thomas said, "He's going to get a bath and about nine quarts of feed in about two hours, and he's going to get a lot of pets when we get back. I don't know. We're just going to savor this moment and just see how he comes out of it. We've always been very methodical about our approach, and we'll just take it day by day and see where goes. The beauty of it is from a timing perspective, you can go dirt or turf now. Don't know if you go to the [GIII] Hill Prince [S. on the Belmont turf] and back into deeper waters after that."

"I had a lot of confidence. I went to pray every single Sunday because he's a Catholic Boy," joked Castellano. "I basically enjoyed the ride. I think Jonathan did a great job with the horse. I give all the credit to him. He's so good, that horse. I've never

seen a horse like that in my life. He can run on turf, dirt. I think he's amazing. He won Grade I on the turf and a Grade I on the dirt, he's only 3-years-old, you don't see too many like that. I've been blessed to be part of it."

"I can't put it into words," said LaPenta. "This has been a lifetime dream for me and to win it with a horse like Catholic Boy, I'm speechless. I didn't expect this to happen. I've been in the game starting in 2001 and I never thought this day would come, and I'm so glad it did today."

Bred in Kentucky by Fred Hertrich III and **John D. Fielding**, Catholic Boy was offered as a short yearling at the 2016 Keeneland January Sale and was originally led out unsold, but was purchased post-RNA from the Taylor Made consignment by Thomas, agent for LaPenta's Whitehorse Stable, for \$170,000. A debut winner sprinting on the Gulfstream lawn, he followed suit with a win in this venue's grassy 1 1/16-mile GIII With Anticipation S. and was a respectable fourth to Mendelssohn in the BC Juvenile Turf. Trying dirt for the first time at Aqueduct in December, the ridgling romped in the Remsen, setting himself on the GI Kentucky Derby trail. **Cont. p4**

Runner-up in Tampa's GIII Sam F. Davis S. Feb. 10, Catholic Boy faded to fourth in the Mar. 31 GI Florida Derby and connections later discovered he bled significantly. Given a breather, he returned to the turf in Belmont's GIII Pennine Ridge S. June 2 and looked beat by divisional leader Analyze It (Point of Entry), but clawed his way back to win and captured the Belmont Derby in the exact same fashion.

Catholic Boy | Sarah K Andrew

Pedigree Notes:

One of 83 graded winners for his sire, Catholic Boy is a maternal grandson of GSP Winner's Edge, the dam of SWs Return to Paradise (El Prado {Ire}) and Coya (Deputy Minister). Third dam Lucky Us was responsible for European highweight Lucky Song (Seattle Song), the dam of SW Heritage Hall (Ire) (Fairy King) and SW & GSP Lucky Di (Diesis {GB}). The dam of a 2-year-old colt by Super Saver, Song of Bernadette produced a filly by Carpe Diem in 2017 and foaled an Exaggerator filly Apr. 16.

What They're Saying...

"This was a big improvement. Aidan [O'Brien] planned on bringing him here, and he stuck to his guns. Aidan could have easily run him on the turf at home, but he stuck with it over here. It just shows he's coming back to his best. I'm sure he'll be back [in the United States] soon." —**Tim Comerford, assistant to Aidan O'Brien, on runner-up Mendelssohn**

"He's been through the whole series. He's keeping it honest. Nobody's stealing anything, and he's beaten some pretty good horses. I'd like to see it a jump or two longer, he might have gotten second. I liked the way he ran. He continues to add to his income and his resume." —**D. Wayne Lukas on Bravazo (3rd)**

What They're Saying cont.

"[Good Magic] didn't break well and from there he was in trouble. Given the way the track's playing, you've got to be very forwardly placed the last two days on both surfaces. I didn't feel good right away. We wanted him no worse than third early, that's his running style, and especially given the way the track bias has been. When he didn't get there, I didn't feel too good about it. I was hoping he could recover down the backside and he started to advance, and although he had a wide trip he was moving up a little bit. But [jockey] Jose [Ortiz] reported to me that at the half-mile pole he started to not feel good under him.

Gronkowski, this kind of trip on this track today was just not conducive for him to run a good race. [Jockey] Joel [Rosario] said he was pulling a little bit and I could see that down inside, and he was trying to get him to switch off a little bit, and then once he did he sort of ran into a horse that was stopping a little bit and he was trying to get inside of him. He said he just never had a clear run and never felt he could make up any ground on the track today." —Trainer Chad Brown on beaten favorite Good Magic (9th) & Gronkowski (8th)

Abel Tasman bests Elate in the Personal Ensign | Sarah K Andrew

Away well from her rail draw, Abel Tasman was rated in mid-pack under Mike Smith, saving ground in fourth as 55-1 longshot **She Takes Heart** (Wilburn) called the shots through a :23.31 opening quarter and Elate bided her time in second last. Abel Tasman made an early move to challenge the leader as they hit the half in :46.62, quickly dismissing the pacesetter and cruising clear, putting up three-quarters in 1:10.26.

Elate progressed up the rail on the backstretch run to sit second turning for home, tipped out to take on Abel Tasman at the top of the stretch and the stage was set. Abel Tasman kept her arch rival at bay until mid-stretch when Elate determinedly muscled her way closer to look the Eclipse winner in the eye.

The pair battled stride-for-stride in the final sixteenth with Abel Tasman summoning upon all her class to edge clear of the equally classy Elate at the wire for a neck success. Ortiz lodged an objection against the winner for some bumping between the two fillies in the stretch, but the stewards ruled that it did not interfere with Elate's momentum and the result stood.

"She's just phenomenal," said trainer Bob Baffert, who was winning his 12th Grade I at the Spa. "She's just getting better with age and she's brought us so much satisfaction. I didn't see that [contact] during the race. I thought [Elate] was going to get by us there, but I could tell by the way Mike [Smith] was riding he wasn't really worried. Abel, as soon as she saw her Mike said she just took off. She's an incredible mare. She was champion and she's one of the best I've ever trained, and she just keeps showing it."

Of the objection, Baffert said, "I didn't even know there would be an objection because I really didn't see it, and then I heard the crowd. I wasn't too worried because it wasn't like it was a nose or something pretty close. You don't like to see objections. I told Mike when he came back, 'Mike, you're killing me.' I'm just proud of the fact that we had her ready and brought her here and she ran really well."

"Down the stretch, we came together," said Smith. "[That was] the reason for the foul, but we didn't knock each other outside. We just came together nice and easy and then after that, we actually did the same thing again when she came down. It didn't cost either filly anything and the best filly won today. What a gallant race she ran today. It was a really big race she won today." **Cont. p9**

Personal Ensign S. cont.

“Abel Tasman has been a good ambassador for the American racing industry, introducing racing for many people around the world, especially members of the China Horse Club,” said China Horse Club Found Teo Ah Khing. “Our family has derived tremendous pleasure and enjoyment in watching her and seeing her develop and generating comradery between us and the trainer and jockey.”

Abel Tasman made her mark last year with a last-to-first victory in the mud at Churchill Downs in the GI Kentucky Oaks and followed suit with a decisive score in Belmont’s GI Acorn S. Besting Elate by a head in a similarly run renewal of the CCA Oaks, the bay was second in the GI Cotillion S. at Parx and came charging late to just miss behind champion older mare Forever Unbridled (Unbridled’s Song) in the GI Breeders’ Cup Distaff, sewing up the divisional championship. A surprising fourth as the favorite in the GI La Troienne S beneath the Twin Spires on seasonal bow May 4, the 4-year-old returned to winning ways with an ultra-impressive 7 1/2-length score in Belmont’s GI Ogden Phipps S. June 9, just hours before her part owners, the China Horse Club’s silks were carried to Triple Crown glory by Justify (Scat Daddy).

Pedigree Notes:

Abel Tasman’s dam Vargas Girl, a maiden of eight career starts, was purchased for \$130,000 at the 2010 Keeneland January Sale carrying her third foal by Sky Mesa, who turned out to be GIII Dogwood S. winner Sky Girl. Three years later, Vargas Girl produced another Sky Mesa filly in the stakes-placed Moonlight Sky, who brought \$675,000 from China Horse Club International at last year’s FTKNOV Sale. Vargas Girl is a half-sister to GISW Bevo (Prospectors Gamble) and GSW Moonlight Sonata (Carson City), herself the dam of GSWs Wilburn (Bernardini) and Beethoven (Sky Mesa), as well as SW La Appassionata (Bernardini). Abel Tasman is her dam’s most recent produce.

Glorious Empire pulled off the 22-1 upset in this venue's GII Bowling Green S. July 28, and fooled the bettors once again under another aggressive Julien Leparoux ride. Hard-sent from the fence to seize the early advantage, the well-traveled 7-year-old was on his own up front through an opening quarter in a swift :23.16. Able to slow it down from there while traveling with a low head carriage, he posted splits of :48.18, 1:13.88 and 1:38.82 with Channel Maker next in line. Channel Maker ranged up on even terms with the leader heading for home, but Glorious Empire hit another gear and quickly opened back again to win with room to spare.

"It was a rough race, like the last time. He obviously loves the track," Leparoux said. "We won two here this year and one last year. The first quarter was fast, but today he settled very nicely and picked the pace up pretty quickly."

Glorious Empire | Sarah K Andrew

Glorious Empire began his career in Great Britain, and was a winner from two starts in Hong Kong in 2015. He eventually made it to the States and into the Tom Morley barn, but was claimed by trainer Carlos Martin and Matthew Schera from owner P. K. Siu for \$62,500 last May. He promptly romped at 9-1 in a \$50,000 claimer here that July, but failed to lane a blow in two subsequent Grade II attempts. Resurfacing off the trainer change to be sixth in Laurel's Henry Clark S. Apr. 21, he dominated a Delaware optional claimer June 28 before returning to the Spa for the Bowling Green.

"I'm trying to get my voice back," said trainer James "Chuck" Lawrence, who was celebrating his first Grade I victory. "We knew this horse had this kind of talent, it was just a matter of getting it to come out, so here we go... I thought the 23[-second] quarter[-mile] got us, but then he really slowed it down for Julien [Leparoux], luckily... When he slowed it down, I was pretty happy and I just kept yelling throughout the turn, 'Julien, let him go, let him go.' I knew he was fit, it was just a matter of getting the wire to come fast enough. He responded at the top of the lane. That was really special."

Glorious Empire stamped his ticket to the GI Breeders' Cup Turf with Saturday's win, and Lawrence confirmed a trip to Churchill Downs would likely be the long-term goal going forward.

Pedigree Notes:

Glorious Empire is the 13th worldwide G1/GISW for Holy Roman Emperor, who has sired the winners of top-level races in 9 countries (Hong Kong, NZ, Australia, England, France, Ireland, Germany, Brazil, USA). He has an unraced 2-year-old full-brother named Thebeastfortheeast (Ire) who was a €16,000 Goffs Orby yearling and 70,000gns Tattersalls Craven Breeze-Up RNA.

Whitmore had looked at times during his career like one who might have a Grade I with his name on it, and he reached the highest level Saturday while securing a spot in the starting gate for the GI Breeders' Cup Dirt Mile this fall.

This race appeared very much to be odds-on favorite and MGISW City of Light's to lose, but The chalk was off perhaps a half-step slowly and was consigned therefore to a four-deep trip down the back as Whitmore drafted kindly in behind. City of Light was poised to go, but came very wide into the lane, and Whitmore took full advantage, driving through at the fence, opening a bit of a lead and then holding sway as City of Light made up inches late. Limousine Liberal, who defeated Whitmore in the GII Belmont Sprint Championship last month, was a late-on-the-scene third. According to Trakus data, City of Light covered 31 ft. (approx. 3 1/2 lengths) more than Whitmore.

Whitmore | Sarah K Andrew

"We got a perfect trip," confirmed rider Ricardo Santana, Jr. "That was the trip I wanted. We saved all the ground, and we got lucky that a whole opened on the turn for home. That's when I let him run and he was feeling good today. Last time we got in a little trouble and today we got a clean trip. Everything was perfect and we'll take the victory."

Whitmore capped a five-race win streak in last May's GIII Maryland Sprint S., and annexed last October's GII Phoenix S. at Keeneland before finishing eighth in the GI Breeders' Cup Sprint at Del Mar. He bounced back with victories in Oaklawn's Mar. 10 Hot Springs S. and Apr. 14 GIII Count Fleet Sprint H., but was fourth behind Limousine Liberal and two more of these rivals in the GII Churchill Downs S. May 5. The chestnut had been beaten a neck by subsequent GI Alfred G. Vanderbilt H. winner Imperial Hint (Imperialism) when second in the GII True North S. down state June 8, and a similar margin last time by Limousine Liberal July 7. **Cont. p13**

"To run that well here, he's as consistent as they come and he tries every time," said conditioner Ron Moquett, who was celebrating his second Grade I win, having also saddled Seek Gold (Touch Gold) to a 91-1 upset in the 2006 GI Stephen Foster H. "He's made a career out of outrunning his trainer and I just hope he keeps doing it. He's a cool dude. He's fun to be around. He's a challenge. He brings that same tenacity on the track."

Of the beaten favorite, City of Light's trainer Mike McCarthy said, "I thought the race kind of shaped up as we planned. It looked like leaving away from there the ground kind of broke out from him a little bit. He broke real hard and kind of went down half a step and then gathered himself up. I think had we drawn inside it might have been a lot different but he was traveling comfortably throughout, he cut the corner and put in a run but the other horse had already gotten away from him. He put in a super effort; I can't be upset with that."

Pedigree Notes:

Whitmore is the third Grade I winner for his sire and the second (first in the US) produced by a daughter of the late Scat Daddy. El Picaro (Chi) (Lookin At Lucky--La Sinverguenza) was recently named champion 2-year-old turf male in Chile. He has an 2-year-old half-sister who brought \$130,000 from Harlow Stables and William S. Sparks at this year's OBS June sale after a :21 flat move. That January foal recorded her seventh drill at Churchill Downs last Sunday, covering five furlongs in 1:02.20 (9/28). Unraced Melody's Spirit foaled a Liam's Map colt Mar. 6 before being bred back to Arrogate.

Promises Fulfilled, sired by one of Dale Romans's most accomplished runners in Shackleford, led home a one-two finish for the Eclipse Award-winning conditioner in this prestigious event for sophomore sprinters.

Right to the front from his rail draw as expected, Promises Fulfilled doled out splits of :22.66 and :44.34 and headed for home facing a stern challenge from Engage (Into Mischief) with longshot Seven Trumpets sneaking up the fence. Gamely re-breaking after getting a look at his competitors, the chestnut powered clear late with strides reminiscent of his sire.

"It was pretty nice," jockey Luis Saez said of the winner's trip. "I was the speed in the race and my plan was to break and run him from there and find out who was in the lead, so we can take it. He looked like he was very comfortable when he came to the stretch, he stretched the lead and took off."

Allen Jerkens cont.**Promises Fulfilled** | Sarah K Andrew

Promises Fulfilled took a Churchill maiden special weight last September and Keeneland allowance in October to kick off his career, and was third in a roughly run renewal of the GII Kentucky Jockey Club S. when stretched out under the Twin Spires Nov. 25. He resurfaced to upset the likes of Good Magic (Curlin) in the GII Xpressbet Fountain of Youth S. going two turns at Gulfstream Mar. 3, but faded to last after engaging in a textbook speed duel in the GI Xpressbet Florida Derby four weeks later. After checking in 15th in the GI Kentucky Derby after setting another fast pace, Promises Fulfilled's connections opted to cut him back and were well served. He was third in Belmont's GII Woody Stephens S. going this distance June 9 after taking part in another impossible early pace, but couldn't have been much more dominant when besting Engage by 3 1/4 lengths in the local GIII Amsterdam S. July 28. He earned a strong 108 Beyer Speed Figure for that effort.

**Dale Romans & life partner Tammy Fox** | Sarah K Andrew

"That was very special," said Romans. "Of course, most people in the game know that Allen [Jerkens] and I were very close. He was a good friend and mentor in life. Everybody knows what a great horse trainer he was, and he was a better person. It's an honor to win this race and I think to get up for second we might have had a little divine intervention... When they put the second quarter up, I wasn't worried, I thought that was slow for him. He's been going 43 [and change for the half] the last two races. He's special. It's just going to be who has the most stamina and we know the kind of stamina he has to win."

Pedigree Notes:

Promises Fulfilled is the first Grade I winner for the speedy Shackleford, who took the 2011 GI Preakness S. and 2012 GI Metropolitan H. and GI Clark H. He is the fourth Grade I/Group 1 winner out of a Marquetry mare (Presious Passion, Discreet Marq, Arctic Cosmos), but first on the dirt. His MSW/GSP half-sister Marquee Miss was a 3 1/2-length winner of an Indiana Grand optional claimer Friday. Promises Fulfilled has an unraced 2-year-old half-sister named Big Time Delivery (Gemologist) and a yearling half-brother by Tiznow who was a \$100,000 Fasig-Tipton November weanling. Dam Marquee Delivery, who was graded stakes-placed on both synthetic and dirt, was bred back to Shackleford this season.

Marley's Freedom has been nothing short of untouchable since joining the Bob Baffert barn this spring, and continued her dominance with an authoritative victory in the Ballerina Saturday. Shipping outside California for the second time in her career, the 4-year-old sat an outside trip and pounced in the stretch.

Away without incident, Marley's Freedom was perched outside a swarm of rivals as Finley'sluckycharm showed the way through modest splits of :23.11 and :45.44. Advancing willingly past the half-mile juncture, she ranged up four deep turning for home and powered clear to win going away. Still There bested Lewis Bay to complete the exacta.

**Marley's Freedom** | Sarah K Andrew

"Brilliant," jockey Mike Smith said of Marley's Freedom's performance. "I hadn't gotten to ride her in a while, but last time I rode her in Florida [sixth in the GIII Hurricane Bertie S. Jan. 27] she stumbled so bad and just never got up and got going, but today everything went brilliantly."

After a brief stint in the Richard Baltas barn, Marley's Freedom spent 2017 and the early part of this year under the care of Bob

Hess, Jr. Fourth in the GI La Brea S. at Santa Anita last December, she began rounding into sharper form this spring when second in the GII Santa Monica S. before winning a second-level optional claimer at Santa Anita Apr. 20. Transferred to Baffert's barn following that effort, she responded immediately with a resounding 7 1/4-length score in the GIII Desert Stormer S. at Santa Anita May 27. She followed with another comfortable win in the GII Great Lady M. S. at Los Alamitos July 7 before joining Baffert's summer string at Del Mar.

**The winning connections of Marley's Freedom** | Sarah K Andrew

"Winning her last two races was pretty impressive," Baffert said. "The quality is there and you have to come to Saratoga if you are looking for a championship. That is why I brought her, to see how she fits [and] this is a pretty good field. When I got her, she was in great shape. She just came off a very big impressive win and I really can't take a lot of credit for that. She came to me in great shape, and running really well and I just kept her in that form."

Marley's Freedom gave Cicero Farms of Ron and Barbara Perry the first Grade I success as owners. [Click here](#) to read more about the couple in Dan Ross's *TDN* feature from earlier this month. **Cont. p16**

Quidura | Sarah K Andrew

Speed had been an asset over the Saratoga sod in recent days, and that proved to be the case here as Quidura and Hawksmoor ran one-two around the track. The former began her career with Andreas Wohler in Germany before being sent by her breeder to Graham Motion Stateside. She annexed the GIII Valley View S. in 2016, and had a solid 2017 season, including a head second to Lady Eli (Divine Park) in last July's GI Diana S. here. The bay returned to winning ways in Woodbine's GII Canadian S. in September, but was sixth in the GI E. P. Taylor S. a month later before heading to the Fasig-Tipton November sale. Bringing \$3.6 million there--behind only future Hall of Famers Songbird (Medaglia d'Oro) and Tepin (Bernstein)--Quidura joined the barn of Lady Eli's trainer Chad Brown. She just missed in her first try for her new connections, finishing second to fellow Brant/Brown representative Fifty Five (Get Stormy) in a Belmont optional claimer July 15. Fifty Five finished third, beaten a neck, in the Yaddo S. for New York-breds Friday.

Allowed to cruise along unpressured as her odds-on stablemate A Raving Beauty (GB) (Mastercraftsman {Ire}) sat bottled up in midpack, Quidura still had plenty left as they straightened to maintain her advantage down to the line. A Raving Beauty, meanwhile, came up empty in the stretch.

"We bought [Quidura] at the sale last year and gave her plenty of time off," Brown said. "She's had two starts this year. In her last start, it was on really soft turf that she doesn't like and she still almost won. Coming off that race, she was training strong and got the firm ground she liked. The track helped her today. The other ones it hurt. It was very, very firm today. Very speed favoring." **Cont. p17**

TRIVERS DAY

Ballston Spa S. cont.

Brown also campaigns fifth-place finisher Off Limits (Ire) (Mastercraftsman {Ire}).

"It's a nice race to win, and I'm grateful for that," he said. "I had two other horses in the race that are really nice that didn't hit the board. I have to examine that. I have a feeling it is due to the turf course."

Pedigree Notes:

Quidura, a half to two other Group winners, is a granddaughter of German highweight Quebrada (Ire) (Devil's Bag) and great granddaughter of U.S. Grade I winner and Irish Classic-placed Queen to Conquer (King's Bishop). She has an unraced 3-year-old half-sister named Queimada (Ger) (Dansili {GB}) and an unraced 2-year-old half-sister named Quipara (GB) (Soldier Hollow {GB}).

Catalina Cruiser | Benoit photo

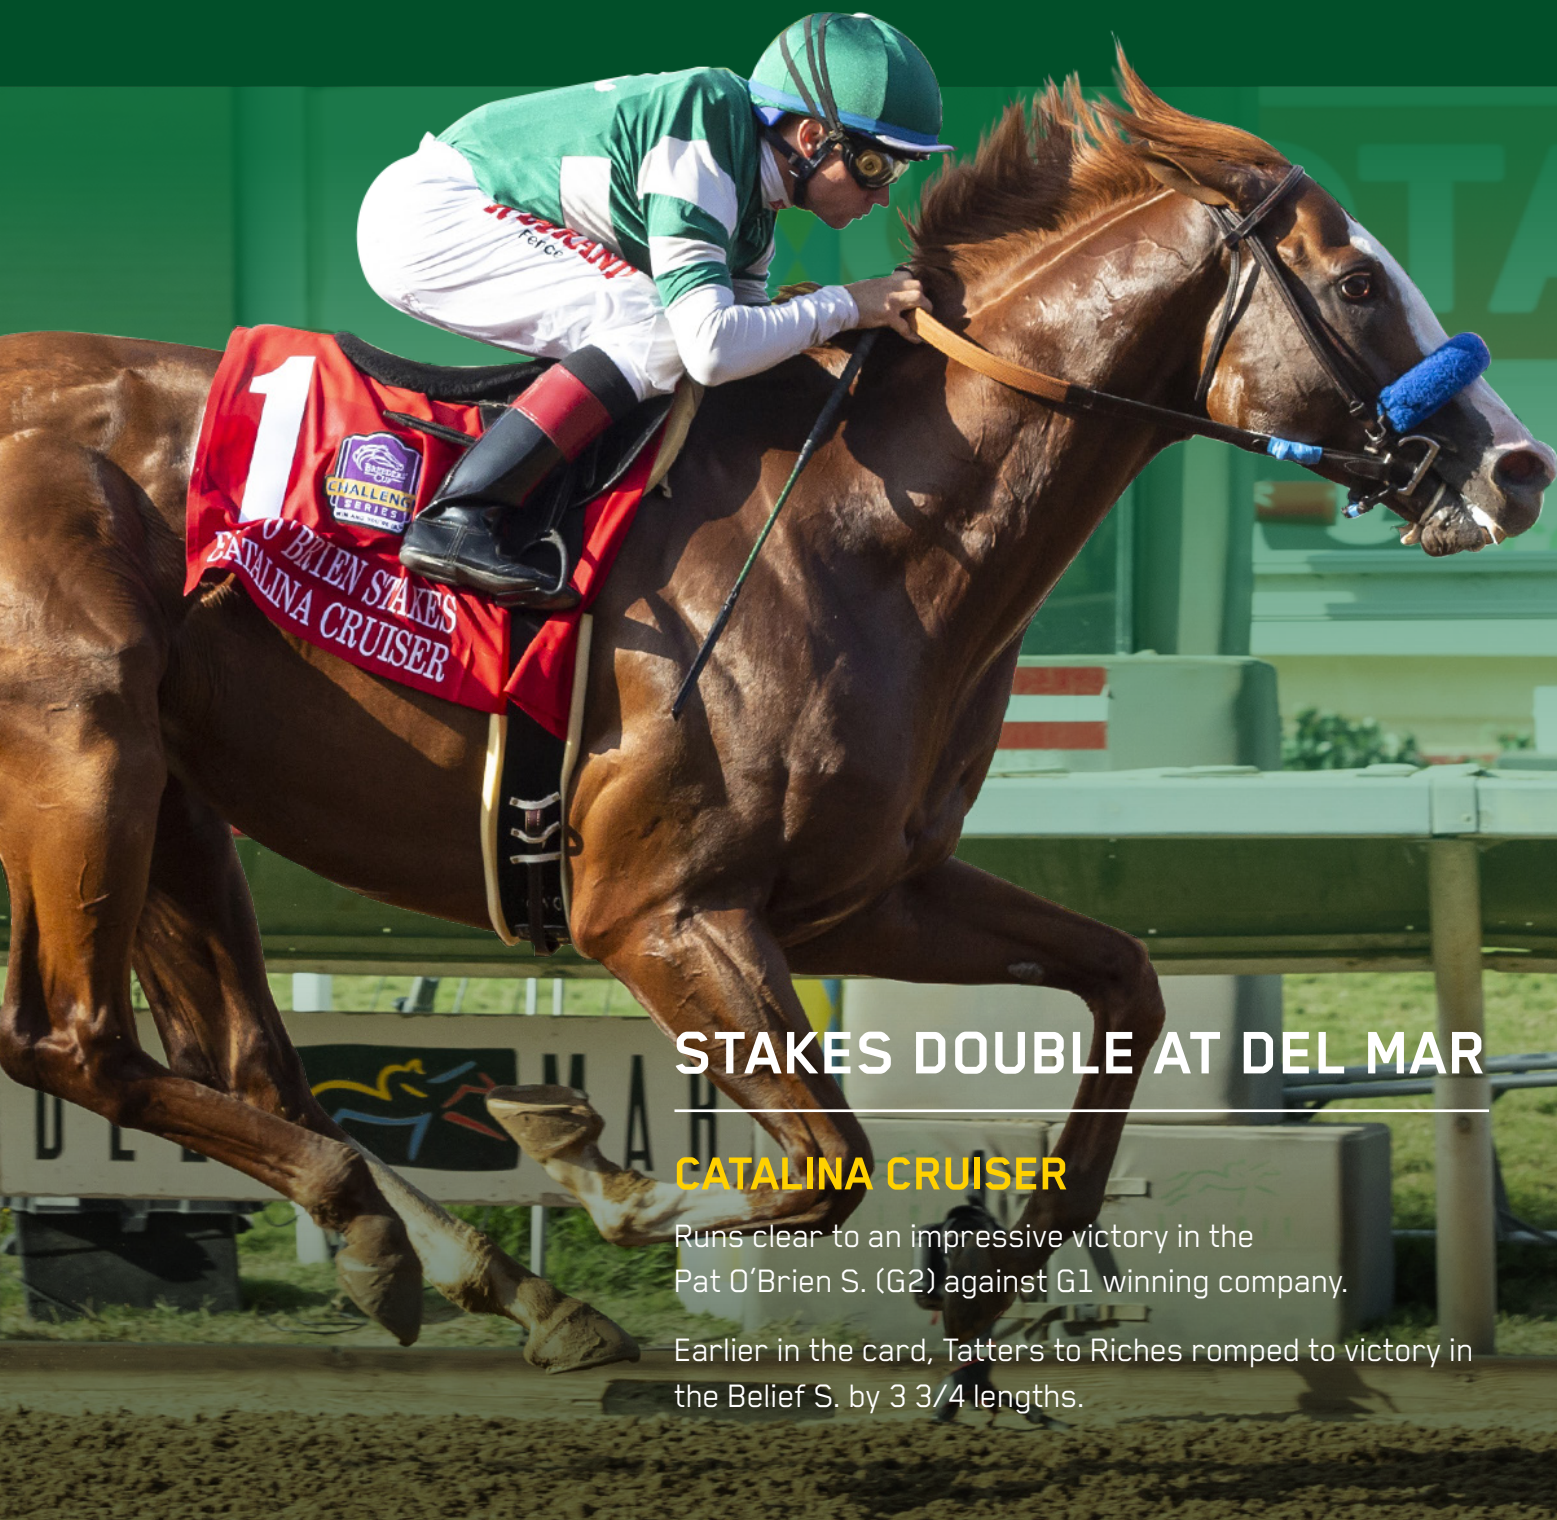

Even though Saturday's GII Pat O'Brien S. at Del Mar was decimated by the scratches of the likes of champion sprinter Roy H (More Than Ready) and last-out GI Bing Crosby S. hero Ransom The Moon (Malibu Moon), it did not lose its star attraction, and Hronis Racing's Catalina Cruiser did not disappoint, as he remained perfect in four career appearances with a thoroughly dominating performance.

Drawn inside in the field of four, the blaze-faced chestnut was coddled along to hold his spot from the fence as the transplanted Threefiveindia (Street Hero) led from between horses and the comebacking **'TDN Rising Star'** Battle of Midway stalked three deep. Given a bit of rein entering the turn, the \$370,000 Keeneland September purchase kicked further in front off the home corner and was the better part of five lengths clear under the wire. Battle of Midway, last year's GI Breeders' Cup Dirt Mile hero who was returned to the barn of Jerry Hollendorfer after proving subfertile at stud, was a bit slow into stride and stuck to his task as best as he could, but was no match for Catalina Cruiser, who has this year's Dirt Mile as his long-term objective.

UNION RAGS

STAKES DOUBLE AT DEL MAR

CATALINA CRUISER

Runs clear to an impressive victory in the Pat O'Brien S. (G2) against G1 winning company.

Earlier in the card, Tatters to Riches romped to victory in the Belief S. by 3 3/4 lengths.

A big-figure debut winner at Santa Anita last October, Catalina Cruiser went missing and resumed with a 2 1/4-length allowance victory sprinting in Arcadia on Preakness Day May 19. Favored at 13-10 for his two-turn debut in the GII San Diego H. July 21, he dictated the pace and sprinted clear to score by nearly seven lengths, pairing up 107 Beyer Speed Figures.

Catalina Cruiser is bred on the Union Rags cross over A.P. Indy that is responsible for SW & MGSP No Dosing, GISP Patch and Saturday's Shared Belief S. winner Tatters to Riches. Produced by a half-sister to SW & GSP Private Ryan (Quiet American), Catalina Cruiser is kin to the 2-year-old filly Royal Flag (Candy Ride {Arg}), who breezed a half-mile in :49.49 (28/79) Saturday at Belmont Park. Sea Gull produced a filly by War Front in 2017, was barren to that stallion for 2018 and was most recently bred to Candy Ride.

Mr Havercamp took his record over the Woodbine turf to a perfect four-for-four with a late-charging victory in the GII Play the King S. Saturday. The 4-5 favorite was well-held while racing near the back of the compact field as La Sardane (Fr) (Kingsalsa) took the field through fractions of :23.92 and :47.59. Crying out for running room at the top of the lane, Mr Havercamp found a seam late and powered to the lead for a confident tally.

"It was pretty tight," winning rider Eurico Rosa Da Silva of his move between horses. "When you have so much horse, you just have to wait for the opportunity to come and he just did everything himself. He's just a very, very nice horse and when you need him, he's there for you. He's a wonderful horse to ride."

Winning trainer Catherine Day Phillips added, "I knew he had a ton of horse and I just hoped he would get through. I felt he would get through and luckily, he did."

Day Phillips said Mr Havercamp will now be pointed towards the Sept. 15 GI Ricoh Woodbine Mile.

Mr Havercamp opened his career with a pair of wins at Woodbine last summer before suffering his first loss when fifth in the Sept. 2 GIII Saranac S. at Saratoga. Shipped back north of the border, he added turf wins in Sept. 23 Vice Regent S. and Oct. 21 Buntz Lawless S. before concluding the year with a second-place finish, disqualified to seventh, over the synthetic surface in the Dec. 2 Sir Barton S. The dark bay gelding made amends for that loss with a return victory over that same track and trip in the June 16 Steady Growth S. and was coming off a fourth-place effort in the July 14 Forbidden Apple S. at Belmont Park.

Pedigree Notes:

Mr Havercamp's dam Tennessee Lamb is a half-sister to graded stakes placed Mendocino Beano (Smart Strike), dam of stakes winner Stallion Heiress (Exchange Rate). Owner/breeder Sean Fitzhenry, who was celebrating both the graded victory and his birthday Saturday, purchased the winner's unraced second dam Trishyde Slew as an 8-year-old for \$45,000 at the 2010 Keeneland January sale. His third dam is multiple Grade I placed Trishyde (Nureyev).

Just minutes after trainer Mike McCarthy endured a tough defeat when City of Light (Quality Road) finished second as the 4-5 favorite in Saratoga's GI Forego S., his progressive sophomore Axelrod (Warrior's Reward) provided some redemption with a convincing victory in the GIII Smarty Jones S. at Parx. Once risked for a \$50,000 claiming tag as a juvenile, Axelrod has now captured consecutive graded stakes on the heels of his July 14 GIII Indiana Derby score.

Traveling in the three path around the opening bend, Axelrod secured an ideal spit beneath Joe Bravo as a trio of leaders sparred through fractions of :24.93 and :48.48. Tapping on the breaks into the far turn while forced to wait behind a wall of horses, he was guided to the outside turning for home and turned on the jets in the stretch, kicking away to score with something left in the tank. Diamond King held off First Mondays to round out the exacta.

Axelrod won two of his four starts in 2017 and came close when third and fourth in a pair of down-the-hill turf sprints at Santa Anita this spring. Switched back to a two-turn trip on the main track, he parlayed a runner-up finish in the GIII Affirmed S. June 10 into his success at Indiana Grand as a 12-1 chance.

Pedigree Notes:

Axelrod has a Kantharos half-brother who was a \$65,000 OBS Winter Mixed short yearling earlier this year and a weanling half-sister by Overanalyze.

JUST GRAZED ME STEPS UP IN TORREY PINES

Nick Alexander's **Just Grazed Me** (Grazen) will put her unbeaten record on the line when she tackles open company for the first time in Sunday's GIII Torrey Pines S. at Del Mar. The Phil D'Amato trainee romped home a 6 1/4-length debut winner over fellow Cal-breds going 6 1/2 furlongs at Santa Anita June 24. She returned to take the seven-furlong Fleet Treat S. at Del Mar July 29 and will be adding an extra furlong in the Torrey Pines off a best-of-63 drill in 1:00 flat Aug. 17.

Jay Em Ess Stable's **Aunt Lubie** (Uncle Mo), who opened her career with a pair of starts in Arcadia this spring, graduated at the Torrey Pines' track and distance when scoring by 1 3/4 lengths Aug. 10 for Richard Mandella. Also coming off a win over track and trip is Zayat Stables' **Lemoona** (Lemon Drop Kid), who graduated at Aqueduct last December for trainer Bill Mott, returned to take a July 27 optional claimer for Richard Baltas last time out.

TRAVERS DAY ALL-SOURCES HANDLE BREAKS RECORD

All-sources handle set a new record of \$52,086,597 on the Travers Day card at Saratoga, following Catholic Boy (More Than Ready)'s GI Runhappy Travers S. Presented by NYRA Bets victory. The all-sources handle was up by 4.9% compared to the previous high-water mark of \$49,668,754 set in 2015. It was also up 8.8% on last year's number of \$47,870,987 and was the first time the Saratoga Springs track exceeded the \$50-million benchmark on Travers Day. A total of 49,418 patrons generated on-track handle of \$11,466,264 (+5.6%) compared to the 2017 number of \$10,862,095, and just under 2015's \$11,472,451. Racing at Saratoga continues through Labor Day, Sept. 3.

PAGE MCKENNEY, CLAIMER TURNED MGSW, RETIRED

The immensely popular gelding **Page McKenney** (Eavesdropper) has been retired due a tendon injury in his left front. A fixture from Gulfstream to Saratoga and just about everywhere in between for seven consecutive years, the 8-year-old took 13 starts to break his maiden and was claimed for \$16,000 at Penn National in 2013. Under the tutelage of Mary Eppler, Page McKenney started moving up from the claiming ranks and eventually won 14 blacktype races. He closed out his career with earnings of \$1,905,940 with his biggest scores for owners Adam Staple and Jalin Stable being the 2016 General George S. and the 2018 Salvator Mile S., both Grade III events. With 22 victories from 58 career starts, the modern day iron horse's final race was a third in the GIII Monmouth Cup S. July 29. Staple said Page McKenney would be rehabilitated at a Virginia or Maryland farm and eventually could be transitioned into a track pony.

Tatters to Riches, who co-topped the 2017 OBS April sale when selling for \$1 million, was a debut winner over this track last July and, after a sixth-place effort in the Sept. 4 GI Del Mar Futurity, went to the sidelines with a chip in a rear ankle. He returned to take a 6 1/2-furlong optional claimer here Aug. 4. Trying two turns for the first time, the bay colt broke well from gate five and stalked the pace of Afleet Ascent for the opening 5 1/2 panels. With Tyler Baze riding high in the saddle, Tatters to Riches kicked away with a furlong to travel to become the 11th black-type winner for his sire.

Tatters to Riches | Benoit

"He's a big, long-striding horse and we always knew that sprinting wasn't going to be his game and two turns would be better for him," said winning trainer Jeff Mullins. "But we were excited about this race. I wish we would have had more time [between races], but it didn't work out that way. It's a feeling of accomplishment and relief, both. A horse coming off that long a layoff and running twice in 23 days is a little worrisome. But hopefully he comes out of it OK and we can map out his next spot."

Poco Mas, who produced a filly by Tiznow in 2017, sold to Calumet Farm while in foal to Street Sense for \$130,000 at last year's Keeneland November sale. She produced a colt by Street Sense this year and was bred back to English Channel. Poco Mas is a half-sister to Canadian champion Interpol (English Channel). Tatters to Riches's third dam, Prankstress (Foolish Pleasure), produced multiple graded stakes winner Del Mar Show (Theatrical {Ire}), as well as the dam of graded stakes winner Walkslikeaduck (Blushing John).

My Gal Betty | Michael Burns photo

But for a disqualification, My Gal Betty would have come into this race an undefeated stakes winner. After taking her May 20 debut on Woodbine's all-weather track at 4 1/2 furlongs by four lengths, she was best in Woodbine's My Dear S. at 5 1/2 furlongs July 7, but was demoted to third. Transferring to the turf for the first time, My Gal Betty got the outside post in the seven-horse field. Running wide while devoid of early speed, she made her

bid in early stretch and won going away. "I was quite upset when she got taken down the other day," winning trainer Roger Attfield said. "I knew that she was probably going to have to be [taken down], but it was unfortunate because I thought she was much the best. But anyway, I was so pleased with her today and because you're always anxious when the weather changes like this and you have no idea how they are going to handle that kind of going, but obviously she does." My Gal Betty is Gal of Mine's last reported foal. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Shenandoah Queen | Benoit Photo

Shenandoah Queen won this race last year and used it as a springboard to a useful graded stakes campaign that saw her finish a close second in the GIII Adoration S. at Santa Anita May 6. Eighth in a grassy optional claimer here July 21, she was last seen finishing a dull fifth in the wake of recently retired champion Unique Bella (Tapit) in the GI Clement Hirsch S. July 29. Receiving significant class relief in this event restricted to non-winners of a stakes race of \$50,000 or over since February, she pressed the pace through a half-mile in :46.75 and proved far too strong in the lane, pulling clear to win decisively. Heavily favored Grade I winner Vale Dori chased the winner home in second, narrowly in front of longshot Turkish Tabby. The winner's second dam is GSW & GISP Gold Fleece (Deputed Testamony), who also produced GSWs Stoney Fleece (Decarchy) and Golden Rahy (Rahy). Off as the 5-2 favorite, he sat in sixth through fractions of :24.27 and :49.26, and came charging through an opening along the hedge in the stretch to eke out a neck victory over the fast-finishing Classic Covey (Spring At Last). FLOSSIE (f, 3, Stay Thirsty--Ablaze, by Forest Camp) captured her career debut in the slop at Churchill June 10, but could not replicate that effort when fifth in a six-furlong allowance test over the main track here July 22. Trying turf for the first time here as a 9-1 chance, the chestnut broke well and set the pace through a measured half-mile in :48.96. She turned for home with something in reserve and kept digging in down the stretch to prevail by a head over Holly Go Lightly (Artie Schiller). JEAN ELIZABETH (f, 3, Adios Charlie--Rooney Doodle, by Lit de Justice) opened her career with four straight wins, including the Apr. 21 Pretty Jenny S. at Hawthorne, before suffering her first defeat when second in the June 16 Purple Violet S. at this oval. Second again in a July 14 optional claimer, the gray filly returned to the winner's circle with a front-running 2 1/4-length victory over track and trip Aug. 9. The 1-10 favorite, Jean Elizabeth recovered from an awkward start to take the early lead and was unchallenged through fractions of :21.98 and :44.79 before sailing home a 5 1/4-length victoress. Winner of a June 23 maiden race and an Aug. 3 allowance traveling a half-furlong longer than this trip, he overcame a sideways break to press the pace through a quarter-mile in :21.83 before edging clear to score by 1 1/4 lengths over Liberal Lunacy (The Factor). EXPERT EYE IN FOCUS AT YORK

Expert Eye | *Racing Post*

Exciting, disappointing and now re-established, **Expert Eye (GB)** (Acclamation {GB}) had little to gain and much to lose as he tackled Saturday's G3 Sky Bet City of York S. but in the end it was straightforward for Juddmonte's maturing class act.

Considered Britain's leading juvenile after his dynamic display when winning the G2 Vintage S. at Goodwood last August, the bay's Classic campaign went wayward but he had shown when taking Royal Ascot's G3 Jersey S. and finishing runner-up in the G1 Sussex S. at Goodwood that he was far from derailed. Lobbing in the hands of Frankie Dettori with two behind throughout the early stages of this second encounter with older horses, the even-money favourite made ground easily to collar **Arbalet (Ire)** (Dark Angel {Ire}) passing the two-furlong pole. Although he had to graft to see off the 2012 winner of this race **Gordon Lord Byron (Ire)** (Byron {GB}), the homebred had a class edge over the veteran and that equated to a 1 1/4-length margin at the line.

"He's very nice and relaxed now and the stalls situation has been resolved," Sir Michael Stoute said. "He seems in a good frame of mind. We just need to eke out a little more improvement. He's not too far off Group 1 now."

ANTONIA STARS FOR LOPE DE VEGA

Adding lustre to a stellar week for her Ballylinch Stud-based sire, **Antonia de Vega (Ire)** (Lope de Vega {GB}) backed up a July 14 debut win over six furlongs at Newmarket with an impressive closing burst to seal victory upped one panel in Saturday's G3 Ladbrokes Prestige S. at Goodwood. Employing patient tactics in fifth through the initial fractions, the 5-2 joint-favourite was under pressure with three furlongs remaining and, despite looking held in fourth passing the eighth pole, engaged turbo inside the final 100 yards to claim a career high going away by 1 1/4 lengths from **Accordance (GB)** (Archipenko), with **Chynna (GB)** (Gregorian {Ire}) a neck further adrift in third. "I wasn't 100% happy as we came down the hill, but they all started to get tired in front and she just finished very strongly," said rider Harry Bentley of the Sept. 16 G1 Moyglare Stud S. and Oct. 12 G1 Fillies' Mile entry.

Stoute is convinced Expert Eye has the requisite stamina for an extra furlong, but was keeping his options open. "He'll get a mile. I'm not worried," he stated. "I'd be looking at France for the next step--the [G1 Prix du] Moulin [at ParisLongchamp Sept. 9] or the [G1 Prix de la] Foret [at ParisLongchamp Oct. 7]."

Dettori was surprised at how he behaved in his hands for the first time. "I've been watching him and he's been very keen all the time, but he was so relaxed today I was a bit worried," he explained. "He picked the leaders up very quickly and is going the right way now and is beginning to learn to do it the right way round. This was a confidence boost and I'm sure he'll pick up a good one."

Expert Eye's dam's side is fast and a mile on turf is probably as far as the family members want to go, with his second dam Quest to Peak (Distant View) being a full-sister to the dual GI Beldame S. and GI Ogden Phipps H. heroine Sightseek, successful in seven Grade I races in total. Also a half to the GI Yellow Ribbon S. and GI Gamely Breeders' Cup H. winner Tates Creek (Rahy), she was responsible for Special Duty (GB) (Hennessy), who was Europe's champion 2-year-old filly after winning the G1 Cheveley Park S. and G2 Prix Robert Papin.

Antonia Stars For Lope De Vega Cont. from p1

"She is already crying out for a trip, she has done nothing wrong in both her starts and that will do her the world of good. There was a strong pace up front and it was good for her to be among horses. She is a very laid-back filly which makes my job easy and the Fillies' Mile looks an obvious target."

Pedigree Notes...

Antonia de Vega, kin to a yearling colt by Lawman (Fr) and a filly foal by Lope de Vega (Ire), is the first foal for Listed Platinum S. and Listed Knockaire S. placegetter Witches Brew (Ire) (Duke of Marmalade), herself a half-sister to G1 Prix Jacques le Marois hero Al Wukair (Ire) (Dream Ahead). **Cont. p4**

BANK CASHES IN THE CELEBRATION MILE

Beat the Bank (GB) (Paco Boy {Ire}) went unraced as a juvenile and enjoyed a fruitful sophomore campaign, bagging five of seven starts, and followed off-the-board efforts in the May 19 G1 Lockinge S. and June 19 G1 Queen Anne S. with a win in Ascot's July 14 G2 Summer Mile S. and a fifth in the Aug. 1 G1 Sussex S. over this Goodwood mile last time. Tracking the leading duo in third until shuffling back and forth when hitting a flat spot on the home turn, he was under pressure for the length of the straight and was driven out once bullying his way through a tight opening inside the final furlong to claim Saturday's G2 Ladbrokes Celebration Mile in a blanket finish back at the Sussex track.

"He was never comfortable throughout the race and it was a bit of a relief," said trainer Andrew Balding. "He didn't travel with his normal enthusiasm and ran wide on the bend, but all credit to Oisin [Murphy] as he did a fantastic job to get him home. I think he is better than that and we will look if there is something amiss. Credit to the horse and jockey that they got the job done. I think he deserves his place in a Group 1 field and it is tough going to Group 2 races with penalties. The [Oct. 20 G1] Queen Elizabeth II S. [at Ascot] is very much the target. The Woodbine Mile was a possibility, but we will stay closer to home and look at Hong Kong in December as the owner is keen to go there."

LORDING IT OVER

Mixing it with the great and the good over a mile of late, **Lord Glitters (Fr)** (Whipper) went up in trip and down in society for York's G3 Sky Bet and Symphony Group Strensall S. on Saturday and proved the true nobility in the field. Second in the G1 Queen Anne S. at Royal Ascot June 19 and the July 14 G2 Summer Mile back at that venue, the grey had snatched third late in the G1 Sussex S. at Goodwood at the start of the month so was entitled to the 2-1 favouritism he bore the responsibility of here. Switched off behind the leading quartet, he worked his way to the lead passing the furlong pole and asserted from last year's winner **Mustashry (GB)** (Tamayuz {GB}) to win by a half-length.

"He's a very good horse," trainer David O'Meara said. "There was a small concern about going up a little bit in trip whether firstly he'd settle and secondly would he stay, but he did it well and he was well on top at the end."

Lord Glitters, who was second in the 2016 Listed Grand Prix du Lion d'Angers over a mile and a quarter for the Christophe Lotoux stable, proved one of the shrewdest horses-in-training purchases of last year when snapped up at the Arqana Summer Sale.

On his first start in Britain, he was second to Accidental Agent (GB) (Delegator {GB}) in what would prove an eery omen of what was to come in Ascot's seven-furlong Challenge Cup heritage handicap in early October before going back there for Champions Day and winning the Balmoral H. at a mile. Second in the Listed Ben Marshall S. at Newmarket soon after, he returned to fill the same spot behind the subsequent G2 Sandown Mile winner Addeybb (Ire) (Pivotal {GB}) in the Lincoln H. at Doncaster Mar. 24 before replicating the positions of the Challenge Cup with Accidental Agent in the Queen Anne. In that race and the Summer Mile and Sussex, he was finishing off strongly and now that he has proven himself again over further than a mile the options are opened up.

O'Meara saddled Mondialiste (Ire) (Galileo {Ire}) to win this for the same owners before he plundered the GI Woodbine Mile three years ago and he is looking at more glory in that race now.

"He was grand for the first couple of furlongs, then it looked like they steadied up and he got a bit keen, but he saw it out well," he said. "He's been unlucky not to have won a Group 1 in this country. The Woodbine Mile next month is on his agenda and then after that we'll see. He's gone well at Ascot, so you'd like to think the QEII in the middle of October would suit him well."

MAID ON THE MARCH

Off the radar in both juvenile outings last term, **Maid Up (GB)** (Mastercraftsman {Ire}) stepped up from a pair of early-season thirds to register a handicap hat-trick--at Doncaster on June 1, at this track two weeks later and at Ascot July 13--and went postward for Saturday's G3 Ladbrokes March S. at Goodwood returning off a second in the Aug. 2 G2 Lillie Langtry S. over the same 14-furlong strip. Detached at the tail of the three-runner field for most of this marathon, she cruised into a challenging position approaching the two pole and stayed on strongly under whipless rousting in the closing stages for a first stakes rosette while also providing jockey Rob Hornby with a career high.

"It is lovely to win a race named in memory of John Dunlop, he was a fabulous trainer and a lovely man," commented trainer Andrew Balding. "She had a hard race last time, but this was more straightforward. I'm really pleased and she deserved that."

Looking to the future, owner Jeff Hobby added, "I wouldn't be keen on the [Sept. 13 G2] Park Hill [S. at Doncaster], but I would be keen to take her to [Ascot for] Champions Day [on Oct. 20]. She is of that class, we will talk about it later and see how she comes out of it. We would have to supplement her as she is not in anything, but she has won the money for that today."

Maid Up is one of three winners from as many runners and the leading representative out of Complexion (GB) (Hurricane Run {Ire}), who is a winning half-sister to G2 Celebration Mile victor Zacinto (GB) (Dansili {GB}) out of G3 Prestige S. runner-up Ithaca (Distant View). Her MG1SW third dam Reams of Verse (Nureyev), who annexed the G1 Fillies' Mile and G1 Epsom Oaks, is a half-sister to seven black-type winners headed by MG1SW sire Elmaamul (Diesis {GB}). GETTING THERE

There were some signs of the green shoots of recovery among the virus-hit Ballydoyle runners at York this week and Saturday's Curragh card painted an even rosier picture as **Flag of Honour (Ire)** (Galileo {Ire}) was the pick of the stable's four-timer in the G3 Comer Group International Irish St Leger Trial S. As he had when winning the G2 Curragh Cup over this course and distance last time July 1, the bay who had to defy a five-pound penalty was sent straight to the lead by Donnacha O'Brien. Pressed hard by **Twilight Payment (Ire)** (Teofilo {Ire}) in the straight, the 9-4 favourite dug deep against the rail to prevail by a neck, with fellow O'Brien trainees **Giuseppe Garibaldi (Ire)** (Galileo {Ire}) and **Southern France (Ire)** (Galileo {Ire}) 1 1/2 lengths and a half-length away in third and fourth respectively.

"They are all Leger horses that ran here and in York. We will divide up where they are going to go," commented the master of Ballydoyle, who was winning this for the fifth year in succession. "Flag of Honour is a hardy horse and he'll also handle an ease in the ground. He'll be happy whenever he gets a lead, too. He's just a little bit lazy in front."

Flag of Honour, who beat Giuseppe Garibaldi and Hazapour (Ire) (Shamardal) in the nine-furlong G3 Eyrefield S. at Leopardstown in October, was third on his return in the 10 1/2-furlong G3 Prix Noailles at ParisLongchamp Apr. 15 and fifth in the May 9 G3 Chester Vase over an extended mile and a half. Not disgraced when 10th from a wide draw in the G1 Prix du Jockey Club back at 10 1/2 furlongs at Chantilly June 3, he was more in his comfort zone in the Curragh Cup and is now unbeaten over the trip of the English and Irish St Legers. Again this year, they are separated by only 24 hours and O'Brien is waiting to see which of his 3-year-old colts go where.

"This horse [Flag of Honour] will handle an ease in the ground, so if it gets soft in either place [at The Curragh or Doncaster] he'll be happy to go there, even though he handles good ground as well," he added. "Seamus's horse [Southern France] will come on a lot from the run. Michael [Hussey] was delighted with his horse [Giuseppe Garibaldi]. He said he'd be way better with a better pace, he said he was very keen and said that for a horse that ran that keen he ran an unbelievable race."

Pedigree Notes...

Flag of Honour's dam Hawala (Ire) (Warning {GB}) is responsible for five black-type performers, with the previous four all effective at up to a mile. They include a speedy trio by Danehill Dancer (Ire) in this stable's G3 Minstrel S. scorer and G1 Phoenix S. runner-up Air Chief Marshal (Ire), the Listed European Free H.-winning fellow sire Misu Bond (Ire) and the G1 Irish 2000 Guineas runner-up Foxtrot Romeo (Ire).

HONESTY PAYS

Just as he did 12 months ago, The Queen's homebred **Fabricate (GB)** (Makfi {GB}) came to Royal Windsor on Saturday and revived his fortunes by winning the G3 Dom & Geri Personalised Banners Winter Hill S. In need of a break having finished 13th in Royal Ascot's Listed Wolferton S. June 19, the son of the reigning monarch's G1 Epsom Oaks runner-up Flight of Fancy (GB) (Sadler's Wells) was suitably refreshed as he glided around this circuit under James Doyle tracking the eventual third **Euro Nightmare (Ire)** (Kodiac {GB}). Hooking up with **Global Giant (GB)** (Shamardal) passing the two-furlong pole, the 11-10 favourite only got the better of that 3-year-old after they had bumped with 100 yards to race and he proved toughest by a neck at the line.

Fabricate's career-best came in defeat as he went down by only a short head to the subsequent G2 Hardwicke S. winner and G1 King George runner-up Crystal Ocean (GB) (Sea the Stars {Ire}) in Sandown's G3 Gordon Richards S. at this trip Apr. 27.

Pedigree Notes...

Flight of Fancy may have been a touch unlucky not to provide The Queen with another Classic in 2001 and she has inherited the latent class of her dam Phantom Gold (GB) (Machiavellian), who captured the G2 Ribblesdale S. and G2 Geoffrey Freer S. She also produced the listed-winning and group-placed Golden Stream (Ire) from another mating with Sadler's Wells and that smart and speedy mare is the dam of last week's G1 Winx S. runner-up Invictus Prince (GB) (Dansili {GB}), previously known as Mainstream in Europe. STAR BACK IN THE ASCENDANCY

Wai Key Star (Ger) (Soldier Hollow {GB}) was unsuccessful in six starts since plundering Hannover's 2016 G3 Furstenberg-Rennen and lined up for Saturday's G3 Spreti-Rennen at Baden-Baden returning off a confidence-boosting June 25 conditions win at Saint-Cloud and a sixth in Munich's July 29 G1 Grosser Dallmayr-Preis last time. The bay, who also annexed the 2016 G3 Derby-Trial over this 10-furlong course and distance, was anchored off the pace initially. Making headway when fanning wide of the pack off the home turn, he hooked up with **Va Bank (Ire)** (Archipenko) approaching the final furlong and was driven out to deny that rival in a thrilling to-and-fro bobber.

Pedigree Notes...

Wai Key Star is the leading performer bred from Wakytara (Ger) (Danehill) and kin to G3 Bavarian Classic runner-up Wheredreamsare (GB) (Monsun {Ger}), the unraced 2-year-old colt Wind (Ger) (Areion {Ger}) and a yearling filly by Soldier Hollow (GB). FUTURITY IS THE WORD IN KILDARE

There is abundant action across Europe on Sunday, but with eyes to the horizon it is The Curragh's card which intrigues the most as some budding Classic prospects are tested in the G2 Galileo Irish EBF Futurity S. and G2 Debutante S. In the former prize, **Anthony Van Dyck (Ire)** (Galileo {Ire}) is widely expected to provide Aidan O'Brien with a 12th renewal and follow in the steps of the likes of Giant's Causeway, Hawk Wing, Gleneagles (Ire) and Churchill (Ire). Off the mark by eight lengths over a mile at Killarney July 15, the half-brother to the G1 Railway S. winner Bounding (Aus) (Lonhro {Aus}) went back to this seven-furlong trip to annexe Leopardstown's G3 Tyros S. by 4 3/4 lengths 11 days later. Joined by the stable's Aug. 10 Listed Coolmore Caravaggio S. winner **Christmas (Ire)** (Galileo {Ire}) and June 17 Cork maiden scorer **Mohawk (Ire)** (Galileo {Ire}), he faces the July 1 course-and-distance maiden one-two **Klute (Ire)** (Kodiak {GB}) and **Guaranteed (Ire)** (Teofilo {Ire}).

Klute's trainer Jessica Harrington said, "He's in good form and the form of his maiden has worked out well. We've been happy with him since and we'll find out where he stands in the pecking order."

In the Debutante, **Lady Kaya (Ire)** (Dandy Man {Ire}) enjoys the limelight after her emphatic 10-length success in this venue's Loder Irish EBF Fillies Race at this seven-furlong trip on Aug. 12. Trainer Sheila Lavery is ready for the biggest day of her training career. "She's all set to go. We're very happy with her," she commented. "She's just been cantering away. We haven't done a whole lot with her since her last run, but she's in good form. We'll give it a go. There's no point waiting for anything easier while she's in good form." **Cont. p11**

Futurity is the Word in Kildare Cont.

Aidan O'Brien looks for a 13th edition with a trio of highly promising fillies headed by the authoritative Aug. 11 Cork maiden winner **Zagitova (Ire)** (Galileo {Ire}) and this looks one of the strongest renewals for some time. Joseph O'Brien saddles a live contender in the impressive July 17 Killarney maiden winner **Iridessa (Ire)** (Ruler of the World {Ire}), while proven pattern-race form is on show via the July 26 G3 Silver Flash S. scorer **Skitter Scatter** (Scat Daddy).

Sylvester Kirk may have found an ideal opportunity for stable star **Salouen (Ire)** (Canford Cliffs {Ire}) to gain a first black-type success in the G2 Lucien Barriere Grand Prix de Deauville, having finished runner-up to Cracksman (GB) (Frankel {GB}) in the June 1 G1 Coronation Cup at Epsom and third in the G1 Grand Prix de Saint-Cloud a month later. Standing in his way is last year's winner **Tiberian (Fr)** (Tiberius Caesar {Fr}) and Godolphin's Aug. 11 Listed Prix Nureyev winner **Loxley (Ire)** (New Approach {Ire}) and trainer Charlie Appleby is looking at continuing his purple patch at this meeting. "He goes into the Sunday's race in good order and this is a step up again for him," he said. "He ran well at Newmarket over a mile and five furlongs, so is pretty versatile as regards to distance."

In the G3 Prix de Meautry Barriere, Teruya Yoshida's **Coeur De Beaute (Fr)** (Dabirsim {Fr}) brings Classic form into focus having been second in the May 13 G1 Poule d'Essai des Pouliches at ParisLongchamp while Andre Fabre runs the unexposed Juddmonte blueblood **Vanbrugh** (First Defence) off a course-and-distance conditions success Aug. 3. Back at The Curragh, Jim Bolger reintroduces last year's G1 Goffs Vincent O'Brien National S. hero and '**TDN Rising Star**' **Verbal Dexterity (Ire)** (Vocalised) in the G3 Manguard Plus Royal Whip S.

FERRARIO AIMING AT ARC DREAM

by Chris McGrath

Fate put them together. Paolo Ferrario didn't even give the horse the name that now, as he lines up for the G2 Grand Prix de Deauville today, seems charged with a specific, personal destiny. **Way To Paris (GB)** (Champs Elysees) was so registered as a yearling, long before Ferrario assumed ownership. And he only did that after his trainer's original client had disappeared. But if he can run well today, Way To Paris will be eligible to satisfy a lifetime's ambition: to carry Ferrario's yellow and light blue silks, so closely associated with a better epoch for Italian racing, in the G1 Prix de l'Arc de Triomphe.

It is a dream commensurate with the long years of patience, respect and experience that have fed it. Ferrario, at 91, has been migrating from Milan to Deauville every summer for decades, just as his father did before him. He is the last custodian of a stable revered, in his homeland, all the way back to the era of Tesio himself. But Ferrario is still looking forward, even adding a couple of yearlings to his string at Arqana last Monday.

"I've been coming here every summer for many years," he reflects. "The first time in 1983, I think. Every day I go to the races, whether here or at Clairefontaine. Some days, I'll go and play at the casino. And some years I will buy a horse or two. One I bought here a couple of years ago looks good, he recently won a nice race on his debut at Saint-Cloud."

"So I pass very happy days here, among horses--a passion I owe to my father," he said. "I lost my wife 30 years ago. But I still have my children. And my horses."

His speech is measured but strong; his bearing dignified but charming; and his laughter speaks of a generous spirit. Within the Italian racing community, the prospect of Way To Paris making the Arc is a matter of universal glee. [Cont. p12](#)

Way To Paris | *Scoop Dyga*

Ferrario Aiming at Arc Dream Cont.

"Our stable [Scuderia Fert] was founded by my father in 1954," Ferrario said. "He bought his first horse in France, actually, and with his partners Signor [Nanni] Falck and Signor [Angelo] Tanzi would come here every summer. They had many very good horses. Probably the best was Bacuco, who was bought from the Scuderia Mantova. He won many races, including the Premio del Jockey Club, and he was third in [the] Washington DC International."

There is a connection to those days in Way To Paris. He is trained by Andrea Marcialis, whose father Antonio has long served the Ferrario cause—and learned his trade under the Scuderia Fert's longstanding master trainer, Mario Benetti. And it was Antonio who found Way To Paris as a yearling, for 50,000gns out of Tattersalls Book 2 in 2014.

He was consigned by Highclere Stud, but had been bred by the Vittadini family (of Grundy fame) from the very accomplished Grey Way (Cozzene), a Group 2 winner in Italy. Her maternal line, seeded by several Classic American influences, traces to the great La Troienne. Grey Way has already produced Distant Way (Distant View), a dual Group 1 winner in Italy.

"I knew it was a lovely family," Antonio Marcialis explains. "And the horse pleased me with his conformation, too. I knew this would certainly not be a precocious horse, by Champs Elysees, and the mother wanted a distance. Really the only possible owner for this horse was Signor Ferrario. Because these owners of the old school, they never rush their trainers. This gentleman will give the horse time to mature. Today they aren't like that, they don't have the same patience."

Sure enough, Way To Paris is better than ever at five, finishing very strongly for third in the G2 Grand Prix de Chantilly last time. Andrea Marcialis feels that he has developed mentally as much as physically; that "he was very hot before; now he's asleep."

Ferrario's string has always had an international flavour. Through agent Paolo Romanelli, he has for many years imported young horses from American sales. Several have returned terrific dividends: Haig Point (Dahar) (purchased for \$8,000, won \$312,309), Minarello (Blushing John) (an anagram of the agent's surname, cost \$4,500, won \$245,820) and Roman Forum (Open Forum) (cost \$15,000, won \$320,074).

But while the problems of Italian racing are well known, Ferrario retains great faith in the competitive worth of the

Italian horse, and Italian horsemen. Optimism by no means being a prerogative of youth, he believes that matters in his homeland can improve.

"These days nearly all my horses run in France," Ferrario said. "Seeing that the son of Signor Marcialis was starting a stable in France, I decided I would have some trained here. But I'm hopeful the situation in Italy will get better soon. The new Minister of Agriculture has already met with horsemen, after only two months in office, while his predecessor never met with them during his five years' tenure."

"And I still have some horses in training at San Siro, with young Gianluca Verricelli. I bought most of them in the U.S. through Signor Romanelli, my friend and agent for the past 23 years."

"It's difficult to see how things at home can improve. Once we had many group races at home. Now there is just one Group 1 race left, the Lydia Tesio. But as horsemen we are eternal optimists. The Italian horses that come to race in France can

almost always win. That shows that the production is still working, that Italian breeding remains very good."

A nonagenarian whose greatest virtues are patience and optimism? How wonderful, if Way To Paris could earn this venerable figure the thrill of a lifetime—and what a lifetime!—by contesting the Arc. Ferrario is, after all, a link to a golden age on the Italian Turf. He even remembers Federico Tesio, as "a fine man, and a genius, but a little distant—or shy, rather."

"There is only me left now, to

keep the stable going," Ferrario said. "The others are all dead. But I have been lucky. Signor Marcialis proposed this horse to me, this beautiful grey, and he saw it all, the way the horse would improve and improve. He was a backward horse, but now he's really thriving."

"He has had a break and the track here probably isn't ideal, so he doesn't have to win this race. I'll be delighted if he can finish second or third. He's not a speedy horse, so the faster the gallop the more his stamina can kick in."

"I am so pleased. For the first time in my life, I have a horse who could go for the Arc. Signora Vittadini named the horse, not me. But it's a good name, and could become a very apt one. Even if he's not good enough to win, it would delight me so much if he made it to the Arc. Because, at my age, it will surely be my last chance!"

'TEN' BUYS 'RISING STAR' CROWN

Ten Sovereigns (Ire) (No Nay Never) was sharply into stride and bounded along in a prominent third overall near the head of the far side group. Nudged along passing the quarter-mile marker, the 5-1 second choice quickened into a commanding advantage approaching the final eighth and powered even further clear in the closing stages to hit the line a hugely impressive seven lengths ahead of **Carbon Fibre (Ire)** (Helmet {Aus}), becoming the 19th winner for his freshman sire (by Scat Daddy).

"Seamus [Heffernan] rides him all the time in his work, he always thought he was a high-class horse and we're very happy with him," said trainer Aidan O'Brien. "Donnacha [O'Brien] said he gave him a great feel and was very impressed. Usually, the stands' side is best and that's where the pace was, but he came up the middle by himself and kept lengthening. Ours usually get beaten first time out and it's a hard place to come from where he did. He's a fast horse and maybe the [Sept. 29 G1] Middle Park [S. at Newmarket] will suit. Maybe he'll get a mile, but he's a No Nay and they have loads of speed. He's a big and powerful horse."

Full-brother to a yearling filly and a filly foal, he is the first winner produced by Listed Prix de la Seine runner-up Seeking Solace (GB) (Exceed and Excel {Aus}), herself a half-sister to

G2 Al Fahidi Fort runner-up Flash Fire (Ire) (Shamardal) out of G3 Derrinstown Stud 1000 Guineas Trial runner-up Flamelet (Theatrical {Ire}).

Despite carrying a 3-pound penalty here, the bay was able to track the fast early pace with comfort widest on the track and when brought to bear on the outsider Deia Glory two out, gamely asserted his superiority.

"That was a good effort," commented Alistair Donald who represents the owners King Power Racing. "He's a tough customer and we'll probably go to the [G2] Flying Childers [at Doncaster on Sept. 14]. He's got scope to make a nice horse next year, too."

After three unplaced efforts, one of the most impressive winners of this track's feature G1 July Cup Limato needed an ego boost and that came on this first run outside of Group 1 or Group 2 company since April 2015. So authoritative in that showcase in 2016, the bay had finished second to Harry Angel (Ire) (Dark Angel {Ire}) in it last year and signed off that campaign with a fifth pattern-race win in the G2 Challenge S. over seven furlongs on the Rowley Mile course here in October. The fact that he was so disappointing when 10th in the G1 Lockinge S. at Newbury May 19 and 13th in the G1 Queen Anne S. at Royal Ascot a month later may have been more a case of the Henry Candy stable being in poor form than the fact that a mile is beyond him, but even over this course and distance he

was only 11th in the latest renewal of the July Cup on July 14.

Always travelling strongly as the pace proved suitably strong courtesy of last year's winner and recent Stewards' Cup hero Gifted Master (Ire) (Kodiac {GB}) and the ultimately disappointing July Cup sixth Dreamfield (GB) (Oasis Dream {GB}), Limato who also boasts a G1 Prix de la Foret victory was delivered on the lead with over a furlong remaining and gradually asserted for a comfortable success. Limato's dam Come April, who has a yearling colt by Invincible Spirit (Ire) to follow, is a daughter of So Admirable (GB) (Suave Dancer) whose full-brother is the G1 Eclipse S. hero Compton Admiral (GB). This race featured last year's G2 Hardwicke S. runner-up Barsanti (Ire) (Champs Elysees {GB}) and G2 Dubai City of Gold winner Prize Money, as well as another from Godolphin in the much-vaunted Game Starter but it was last year's G1 Eclipse S. third Desert Encounter who had the class edge in a race that shaped stronger than the card's G3 Winter Hill S. Picking up the pieces behind Ulysses (Ire) (Galileo {Ire}) and Barney Roy (GB) (Excelebration {Ire}) in that Sandown feature last July, the bay went on to tackle five more Group 1 contests without making a similar impact. Elsewhere, he had captured the 11-furlong G3 Dubai Duty Free Legacy Cup at Newbury in September and finished third in the G3 Brigadier Gerard S. at Sandown on May 24 and second in Newbury's Listed Steventon S. on July 21 over a mile and a quarter. Held up last of the quintet by Harry Bentley as Game Starter led on his belated seasonal bow, Desert Encounter breezed by the Godolphin duo and into the lead approaching the furlong pole and did the rest on sheer enthusiasm with his rider sitting steady. **Cont. p17**

Desert Encounter is the first foal out of a full-sister to the G2 Grand Prix de Chantilly winner Allied Powers (Ire), with their respective dam Always Friendly (GB) (High Line {GB}) successful in the G3 Princess Royal S. and runner-up in the G1 Prix Royal-Oak. Always Friendly was also responsible for the G2 Premio Ribot scorer and G1 Premio Vittorio di Capua runner-up Dane Friendly (GB) (Danehill). La Chicana's as-yet unraced 2-year-old colt by Kodiak (GB) was purchased for 150,000gns by Rabbah Bloodstock at the Tattersalls October Sale and is now named Desert Land (Ire), while she also has a yearling filly by Slade Power (Ire) and a 2018 filly by Vadamos (Fr). **Click for the Racing Post result. 4th-York, £500,000, Hcp, 8-25, 4yo/up, 13f 188yT, 2:53.50, g/f. MUNTAHAA (IRE) (g, 5, Dansili {GB})--Qertaas {Ire} {SW-Fr}, by Linamix {Fr}), who was having his first start in a handicap in this Sky Bet Ebor, the week's key race which has been significantly boosted in prize money this year. Third in Royal Ascot's G2 King Edward VII S. and fourth in Doncaster's G1 St Leger at three, the imposing grey had won the G3 John Porter S. at Newbury last April but after some disappointments was gelded in the off-season. Third in the June 19 Listed Wolferton S. back at the Royal meeting and fourth in the G2 Princess of Wales's S. at Newmarket July 12, he was third from the top of this prestigious handicap carrying 135 pounds, with stablemate Weekender (GB) (Frankel {GB}) heading the weights with 138 and there was a major move for the Willie Mullins raider **Stratum (GB)** (Dansili {GB}). Kept wide and alone from the outset by Jim Crowley, the 11-1 shot eventually crossed over to race in mid-division until moving up with ease in early straight. Looming to Weekender approaching the furlong pole, he was asked to stretch soon after and duly romped to an impressive 3 1/4-length success to make a mockery of his handicap mark. "His ability was never in doubt. It was just a case of getting him in good form mentally," Sheikh Hamdan bin Rashid Al Maktoum's racing manager Angus Gold said. "John [Gosden] said to me last week he had never had this horse better." Jim Crowley added, "It was Mr. Gosden's plan to stay out wide, because he's quite a keen horse and he works very well on his own and prefers to have his own space. I was drawn out wide--he had a car park badge--but we managed to go forward and get into a nice rhythm. I was lucky to get in on the bend. It was a very easy race to ride, really. I was always confident in the race. My only concern was not to get there too soon. When he hit the front he got on with it. He's a classy horse

and is very well thought of." Muntahaa is the first of the listed-winning dam Qertaas's foals to race and his family includes the G1 1000 Guineas heroine Virginia Waters (Kingmambo), of the leading sire In the Wings (GB) (Sadler's Wells), the Group 1-placed Danehill sires Alexander of Hales and Chevalier (Ire) and the promoted G1 Matron S. winner Chachamaidee (Ire) (Footstepsinthesand {GB}). Qertaas also has the as-yet unraced colt Shamam (Ire) (Oasis Dream {GB}), a yearling filly by Shamardal and a colt foal by Dubawi (Ire). GHOSTWATCH (IRE) (g, 3, Dubawi {Ire})--Nature Spirits {Fr} {SW-Fr}, by Beat Hollow {GB}), who was the joint-third top-priced yearling at the 2016 Tattersalls October Book 1 Sale at 2.1million gns, came good in this historic Melrose H. to join the others among that auction's top five lots, Glorious Journey (GB) (Dubawi {Ire}, Emaraaty (GB) (Dubawi {Ire}), Hence (Ire) (Galileo {Ire}) and Elarqam (GB) (Frankel {GB}), in making his mark on the track. Gelded since his latest second in a 14-furlong Sandown handicap July 26, the bay travelled strongly in second early and moved to the front with two furlongs remaining. Staying on as the unexposed and well-regarded Supernova (GB) (Intello {Ger}) closed in late, the 10-1 shot had a half-length to spare at the line and gained an automatic entry into next year's £1million Ebor H. as a result. "He hasn't really done a lot wrong. He's just lugged in behind a couple of times and stuff like that, probably that was through greenness," jockey William Buick said. "He really concentrated today. From where we were, I was always going to have to commit some way out. He was there to be shot at, but he stuck at it well. He showed today he's a strong stayer and that's his forte. He's one to look forward to for next year." Nature Spirits, who took the Listed Derby de l'Ouest, is a half-sister to the G2 Beresford S. winner Curtain Call (Fr) (Sadler's Wells) and G2 Prix Maurice de Nieuil runner-up Launched (Ire) (Galileo {Ire}). From the family of this year's G1 Preis der Diana heroine Well Timed (Ger) (Holy Roman Emperor {Ire}) and Hernando (Fr) (Niniski), Nature Spirits also has an as-yet unraced 2-year-old colt by Invincible Spirit (Ire) named Double Esprit (GB) who cost Highflyer Bloodstock a mere 100,000gns in comparison to Ghostwatch at the most recent Tattersalls October Sale. Flashing his tail when the whip was applied but in total command after striking the front 1 1/2 furlongs out, the bay, who holds an entry in the G1 Middle Park S. on the Rowley Mile here on Sept. 29, drew away to register an impressive 4 1/2-length success from Dazzling Dan (Ire) (Dandy Man {Ire}).

Off the mark over six furlongs here on debut May 27, Indigo Balance beat only one of her 23 rivals in the G2 Coventry S. at Royal Ascot June 19 before running errantly when fourth of five in the G1 Phoenix S. also over six here last time Aug. 12. More professional here, the bay was delivered from rear by Colm O'Donoghue to brush aside Fantasy 100 yards from the line and stay on strongly as the G2 Queen Mary S. runner-up Gossamer Wings made headway.

"He's always shown a lot of ability, but was disappointing at Ascot for whatever reason and after the Phoenix [jockey] Colin Keane said he was green last time and suggested dropping back to five," his rider said. "He has plenty of pace and a lot of ability and jumps and travels, but he doesn't do a whole lot in front. I tried to let him enjoy it and he's going the right way."

Trainer Jessie Harrington added, "Ascot didn't happen for him at all and I was really quite confident before the Phoenix, but he threw the race away hanging left across the track." **Cont. p20**

GRAFF LIVING UP TO THE HYPE

Graff | Steve Hart

by Bren O'Brien

The lid is firmly off the hype around emerging 3-year-old star **Graff (Aus)** (Star Witness {Aus}) after his impressive victory in the G3 San Domenico S. at Rosehill on Saturday. Owner Alan Bell, who has had his fair share of good horses including Schillaci (Aus), Grand Armee (Aus), Primacy (Aus), Deep Field (Aus) and 2016 San Domenico winner Star Turn (Aus), let the cat out of the bag pre-race when he described Graff as 'something special'.

It was an opinion very much backed up by trainer Kris Lees post-race after Graff showed a superior turn of foot to win the San Domenico by a widening 2 1/2 lengths.

"He's the best colt I've had anything to do with--a really exciting horse," said Lees. "Really pleased with how he's come back and I think there's some nice races in store for him."

One of those races is the G1 Golden Rose S. at the same track in four weeks' time, a race for which he is now a pronounced favourite. Graff showed promise as a 2-year-old, winning both of his races in lesser company but he has clearly taken a huge step forward in his time off, after Lees abandoned the plan to send him to Brisbane.

More to Come...

The addition of blinkers have also made a big difference, and when he was presented with a run on the inside of **Neutrality (Aus)** (Sebring {Aus}), he quickened impressively.

"When he won at Hawkesbury he just thought about things and came off the bridle a touch but he's a pretty serious horse," Lees said on the use of blinkers. "He's got that type of attitude and he's quite relaxed in his work at home. He's got a very bright future."

It's an opinion backed up by his jockey Jason Collett, who felt that there was great improvement in the colt ahead of his next assignment in the G2 Run To The Rose (1200m) on Sept. 8.

"He's a bit of lad, physically there is still improvement to come with him, he only had the one trial going into today," Collett said. "He's won over 1300m, so 1400m will be fine, see it as no concern stepping him up in trip."

The honour roll of the San Domenico is full of colts who went on to be successful stallions, and the last two winners, Pariah (Aus) and Star Turn, are already at stud. This win has improved Graff's value significantly. It was little wonder Bell was so excited about his prospects pre-race. He purchased the colt for A\$200,000 at the 2017 Magic Millions Yearling Sale from the Widden Stud draft.

The Beaten Brigade...

Second-placed **Neutrality** showed his customary speed, but got a little lost down the straight and will no doubt benefit from the run. Jockey Kerrin McEvoy also questioned whether he handled the soft track.

Third-placed **Performer (Aus)** (Exceed and Excel {Aus}) pleased jockey Hugh Bowman greatly on his return to the track. He was trapped wide, and worked home late for third, but he would no doubt be suited over further this campaign.

The riders of fourth-placed **Jonker (Aus)** (Spirit of Boom {Aus}), fifth-placed **Tchaikovsky (Aus)** (Redoute's Choice {Aus}) and eighth-placed **Paquirri (Aus)** (I Am Invincible {Aus}) all reported that their horses didn't appreciate the ground. **Cont. p2**

HE'S THE BEST COLT I'VE HAD
ANYTHING TO DO WITH--A REALLY
EXCITING HORSE.

Trainer Kris Lees

Pedigree Notes...

Graff is out of Dinkum Diamond (Aus) (Keep The Faith {Aus}), who won the G3 The Jansz as a 2-year-old and has had four foals, three of them by Star Witness {Aus}. The first foal, a colt, sold for A\$100,000, before Graff went for A\$200,000 and then the younger sister went for A\$320,000 earlier this year. Dinkum Diamond has a yearling filly by Shamus Award {Aus}. Widden Stud bred Graff having brought Dinkum Diamond, whose dam Raja Lane (Aus) (Devaraja {NZ}) was also a Group 3 winner, for A\$95,000 in 2013.
