HOLLENDORFER ‘NO LONGER WELCOME’ AT SANTA ANITA

Hall of Fame trainer Jerry Hollendorfer is “no longer welcome to stable, race or train his horses at any of our facilities,” read a statement published by The Stronach Group Saturday afternoon. The track said that the decision was “effective immediately.”

The news came after a fourth of Hollendorfer’s horses broke down and was euthanized. American Currency, a 4-year-old gelding was breezing on the training track Saturday morning when he broke down. He was eased, beaten 28 1/2 lengths, in his last start in a claiming race on May 17. Claimed at Golden Gate two starts back by Hollendorfer for $20,000, American Currency was listed as a vet scratch out of a $12,500 starter allowance at Santa Anita June 16.

“Individuals who do not embrace the new rules and safety measures that put horse and rider safety above all else, will have no place at any Stronach Group racetrack,” the statement continued. “We regret that Mr. Hollendorfer’s record in recent months at both Santa Anita and Golden Gate Fields has become increasingly challenging and does not match the level of safety and accountability we demand.”

“I just got the news today, so I’m just trying to make things right,” said Hollendorfer, when reached by telephone Saturday evening.

OWENDALE ALONG LATE IN OHIO DERBY

by Alan Carasso

Rupp Racing’s Owendale (Into Mischief) continued his rich vein of form, rallying from last to peg back a game Math Wizard (Algorithms) and scoop the $300,000 first prize in Saturday’s GIII Ohio Derby at Thistledown. Long Range Toddy (Take Charge Indy), upset winner earlier this year in a division of the GII Rebel S., raced wide throughout and finished a distant third.

Owendale was immediately out the back door and raced in tandem with Math Wizard under the line for the first time as the undefeated and untested Ohio-bred Dare Day (Can the Man) set a strong pace up front. Patiently handled by Florent Geroux while still content to caboose the field while well off the rail on the backstretch, Owendale quietly crept into contention and was on the heels of the leading quartet as the quarter pole loomed. “I’ve been doing this a long time. I’ve started over 33,500 horses and I have been in horse racing for 40 years, and made it into the Hall of Fame. It hurts us whenever we lose a horse and we really don’t know what the problem was with this horse today, but he was working and he pulled up. You know, I’ve started a lot of horses here in California at Santa Anita and no one wants to let me train here any more. I thought that was a little premature. Maybe not quite so fair. I think it was extreme. I guess that’s all I have to say. I have to step away from horse racing.”

Asked if he had heard from Del Mar and Los Alamitos as to his status at those Southern California tracks, Hollendorfer said, “no, we’re working on that.”

Friday, CNN posted a report that named trainer Hollendorfer as a trainer under scrutiny by Santa Anita after three of his horses had lost their lives at the meet since it opened for the season Dec. 26.

Those losses included the most prominent horse of all of Santa Anita’s rash of breakdowns this winter and spring, Battle of Midway (Smart Strike), the 2017 GI Breeders’ Cup Dirt Mile winner.

The CNN report said that Hollendorfer had also lost two horses at Golden Gate Fields since December, and said he had been sanctioned 19 times by the CHRB since 2006 “for over-medication or use of illicit medications on horses.”

The Jockey Club’s Thoroughbred Regulatory Rulings website shows 15 violations going back to 2005, including seven for bute overages; one flunixin overage; five for the use of an unapproved substance, methocarbamol, a muscle relaxant; two for using more than one approved substance at a time—bute and flunixin; and one for a dexamethasone overage. He also was fined for possessing an unlabeled prescription medication.

Before Saturday’s incident, the chief veterinary officer for The Stronach Group, Dr. Dionne Benson, hinted that Hollendorfer may not be welcome back.

“We’ve just gotten some information about what he’s done and his violations,” Benson told CNN. “And so, we’re considering whether he will be, every trainer, we’re considering whether they will be welcome back to Santa Anita.”

Hollendorfer’s two Saturday entrants at Santa Anita were scratched by the stewards and his two intended Sunday runners at the Arcadia oval will also be scratched. His three Saturday entrants at Pleasanton—not affiliated with The Stronach Group—remained in their respective races.

Inducted into racing’s Hall of Fame in 2011, Hollendorfer has saddled 7,617 winners from 33,519 starters (22.7%), according to Equibase statistics, in a career spanning five decades. A three-time winner of the GI Kentucky Oaks (Lite Light, 1991; Pike Place Dancer, 1999; Blind Luck, 2010), Hollendorfer also has three Breeders’ Cup victories to his credit, the latest of which was the aforementioned Dirt Mile victory by Battle of Midway, who is also the lone Hollendorfer trainee to hit the board in a Triple Crown race when third in the 2017 GI Kentucky Derby.

Hollendorfer-trained Eclipse Award winners include Blind Luck, Shared Belief and Songbird.

People for the Ethical Treatment of Animals released a statement from Senior Vice President Kathy Guillermo which read, "Banning the infamous Hall of Fame trainer Jerry Hollendorfer from all Stronach tracks sends a message to every sleazy trainer that if your horses drop like flies, you will drop with them. Other trainers with multiple violations and the blood of dead horses on their hands should go the same way, pronto. PETA and Social Compassion in Legislation are working with the California Horse Racing Board and California legislators to enact rules and legislation to get to zero fatalities and this means that trainers with multiple violations must not be licensed in this state. Ending all racing cruelty would be the best, but nothing less than these conditions is acceptable."

Having recently announced that its stable star and ‘TDN Rising Star’ Hawkish (Artie Schiller) would be sidelined several months with a breathing issue, the Jimmy Toner barn received just the shot in the arm it needed when Hunter O’Riley raced over the top of his rivals and on to a narrow victory in Saturday’s GI United Nations S. at Monmouth Park.

Last to leave the machine, Hunter O’Riley settled second-last with only 3-1 Focus Group (Kitten’s Joy) behind as multiple Brazilian Group 1 winner Arrocha (Brz) (Pounced) galloped them along at a sedate pace tracked through by Monarchs Glen (GB) (Frankel {GB}). Checked off the heels of Bigger Picture (Badge of Silver)--the 2017 U.N. winner and making his fourth consecutive appearance in the race—passing under the line with a circuit to travel, Hunter O’Riley continued to bide his time near the rear as the tempo continued to be unremarkable. Still nursed along from seventh as the field bunched entering the final turn, Hunter O’Riley followed the moves of Zulu Alpha and Channel Cat on the bend, shifted out about six wide in upper stretch and ran down Zulu Alpha in the dying strides.

Cont. p6
United Nations S. cont.

“I thought he might have tipped out a little too far,” admitted Toner, whose last Grade I win came courtesy of Time and Motion (Tapit) in the 2016 QE II Challenge Cup and whose last top-level success with an older horse was the 2012 GI Diana S. with Winter Memories (El Prado {Ire}). “But once he tipped out he made a good run the last part of it. He rode a tremendous race on him. [The instructions were] save as much ground with him as you can all the way but when you get around tip outside. He runs better on the outside.”

Hunter O’Riley defeated Bigger Picture for his first graded win in the 2018 GII Bowling Green S. at Saratoga, but hadn’t finished in the top three in six runs since. Fourth to Zulu Alpha in the GIII W.L. McKnight S. on Pegasus day Jan. 26 and sixth to that foe in the GII Mac Diarmida S. Mar. 2, the bay was a latest seventh to Bigger Picture in Keeneland’s GII Elkhorn S. Apr. 20. He was scheduled to run in the GIII Belmont Gold Cup June 7, but was scratched from that event and rerouted to the Jersey Shore.

Pedigree Notes:

Hunter O’Riley is the third Grade I winner for his sire, who was exported to Korea, where he was the second-leading first-crop stallion in 2018. He is the fifth G1/GI winner produced by a daughter of Bernardini and the third this year alone, joining Kentucky Oaks victrix Serengeti Empress and Angel of Truth (Aus), winner of the G1 ATC Australian Derby. Out of a half-sister to SW Gangbuster (Langfuhr), SW & GSP Dreamcall (Midnight Lute), GSP Glorified (Honour and Glory) and MSP Anahuac (Henny Hughes), Hunter O’Riley hails from the deeper female family of GISW Diplomat Lady (Forestry) and GSW Dream Play (Henny Hughes). Oblige, sold for $150,000 in foal to Will Take Charge at KEENOV in 2015, is the dam of a yearling filly by Runhappy and a filly foal by Union Rags.
**Ohio Derby cont.**

Math Wizard, switched off the fence and into the two path by Edgard Zayas, grabbed command outside of the tiring Dare Day at the entry to the lane, but Owendale was now in full flight, split horses and had slightly the better finish in the final 100 yards. Long Range Toddy, four deep and under urging at the quarter pole, kept on while no menace to the top two.

“It worked out good,” said Geroux. “There was a lot of pace to run at today and I just sat back like he likes to do. I was able to squeeze by from the inside and get some room and he got the job done. He’s a horse who likes to sit back and make one run.”

Winner of a salty Fair Grounds allowance Jan. 17, Owendale could do no better than eighth to War of Will (War Front) in the GII Risen Star S., effectively derailing any Derby dreams. The $200,000 Keeneland September yearling belied odds of 12-1 to defeat the talented Anothertwistafate (Scat Daddy) in the GIII Stonestreet Lexington S. Apr. 13 and most recently closed well to round out the trifecta behind War of Will in the GI Preakness S. May 18.

**Pedigree Notes:**

One of 23 graded winners for his very successful sire, Owendale is out of an unraced daughter of GSW Zenith (Roy), dam of GSW Great Hunter (Aptitude) and the stakes-placed Glitzen Glory ( Honour and Glory). Owendale’s third dam Sequins accounted for MSW & GSP Im Out First (Allen’s Prospect), who became the dam of MSW & GSP Im A Dixie Girl (Dixie Union). Zenith’s half-sister Evening Star (Malibu Moon) produced Eclipse Award winner and six-time GSW Stellar Wind (Curlin), the $6-million topper at Keeneland November in 2017. Aspen Light was purchased by Korean interests for $25,000 at KEENOV in 2017 and produced a colt by Kantharos last Feb. 26. She was most recently covered by With Distinction.

Monongahela, on the board in five of eight starts last term, rounded out his tenure with trainer Kelly Rubley and Gunpoweder Farms with a pair of stakes seconds, including the most recent in the Queens County S. at Aqueduct Dec. 22. A close-up second when coming from off the pace in his debut for current connections in the nine-furlong John B. Campbell S. at Laurel Feb. 16, he found only Life's a Parlay (Uncle Mo) too tough when accompanied by Jose Lezcano in Aqueduct's GIII Excelsior S. over nine furlongs Apr. 6. Stretched out to 11 panels for his latest in the May 9 Flat Out S. at Belmont, Monongahela was an even fourth.

Cleanly away from his outside draw, Monongahela settled right behind Diamond King’s right flank as 2-1 chance Bal Harbour skimmed the paint in third. Carving out an initial quarter in :22.88, Diamond King continued to show the way over Monongahela, as Bal Harbour—who found himself in a bit tight—was passed on the outside by Runnin’toluvya (Fiber Sonde) as the leaders raced through a half in :46.79. The pacesetters continued to slug it out up front and the duo spurted away from the rest approaching the quarter pole with Monongahela wrestling the advantage. Clear at the head of the lane, the Jason Servis trainee drew away late as Bal Harbour rallied to pick up second over Diamond King.

“The one time I rode him before [in the Excelsior], we were farther back [early] and I felt like he didn’t want to go by horses even though I thought I had plenty of horse,” explained Lezcano. “Today, I tried to put him a lot closer, that way he can finish and do the job. He’s at his best at a mile, a mile and a sixteenth, so this race set up well for us. We were going a little fast, but I knew I had plenty of horse.”

In regards to changing up his running style, Servis added, “[Lezcano had] told me ‘I want to be forwardly placed. I think he prefers that instead of how he has been running.’ He also told me he didn’t like horses on the outside of him. I told him ‘Jose, you ride him however you want.’ He learned a lot when he rode him two races ago. This horse was a private purchase. He’s a big, good-looking horse. You noticed that right away. And he has always been steady. He was doing super coming into this race, but it was still a nice surprise to have him win this race.”

Pedigree Notes:

Monongahela is the second foal out of his dam Record High, a daughter of Touch Gold. His year older half sister Lucabunny (Silver Train), also a black-type winner, did her best running on the synthetic, earning $203,424 through her career. Record High is also responsible for an unraced full sister to Monongahela in 2017, and has not had a registered foal over the past two seasons.

Heavy favorite Tiz a Slam looked to have this race all to himself on paper, and that’s more or less how it went. Able to cruise through splits of :26.92, :53.52 and 1:18.57, it briefly appeared like he might face stern challenges from both Avie’s Mesa and Sir Sahib in the lane, but he proved resilient and kicked away again late to run to the public’s backing.

“It looked like there was no speed to contend with, and that’s how he likes to do it,” said winning rider Steven Bahen. “When he gets those easy fractions, he’s very tough down the lane.”

A graded winner both over this same course and distance and on the Tapeta last term, Tiz a Slam returned to winning ways on the front end in Churchill’s GIII Louisville S. May 18.

Pedigree Notes:

The winner’s dam is a half to GSW Essential Edge (Storm Cat) and to the dam of MGSw Flameaway (Scat Daddy). Simply Breathless aptly describes the week that was for Juddmonte stallion Bated Breath, as the filly capped a phenomenal stretch of results for the sire with a barnstorming victory in Saturday’s GIII Wilshire S. on the penultimate day of racing for the spring at Santa Anita.

Allowed to find her feet from her low draw, Simply Breathless settled in seventh position, just behind the leading sextet, and with plenty of galloping room while able to take up a ground-saving position at the fence. Switched off nicely through the middle stages, the former Clive Cox trainee continued to skim the fence and had advanced into a striking position, if good enough, entering the final two furlongs. Given a tap down of the whip by Flavien Prat, Simply Breathless switched out into about the four path at the three-sixteenths and finished up willingly for the victory. Ollie’s Candy, runner-up as the favorite in last year’s GI Del Mar Oaks, got through at the wood and led between calls, but was outfinished for the win.

“She traveled well the whole race,” said Prat. “We had to be patient around the turn, but once she got clear, she gave us a good kick. Since it rained here the past few days, it helped make the track softer so it was good for her running on a familiar surface. She probably won’t mind going a [longer] distance.”
Wilshire S. cont.

A four-time winner from her 13 starts overseas, including two victories against the boys, Simply Breathless was third in a Goodwood handicap over a mile Aug. 24 before closing out that portion of her career with a 3/4-length success over Ascot’s straight mile course Sept. 8. The dark bay made a successful U.S. debut Apr. 27, taking the Golden Poppy S. at Golden Gate Fields.

Pedigree Notes:
 Simply Breathless is the fifth graded/group winner for her up-and-coming sire, who just this week was responsible for G3 Albany S. winner Daayeh (GB), G3 Jersey S. hero Space Traveller (GB) and Britannia H. winner Biometric (GB) during the Royal Ascot meeting, as well as Ripon maiden winner Abate (GB). A maternal granddaughter of Lady Grace (Ire) (Orpen), dam of SW & GSP Penmaen (Ire) (Pivotal [GB]), Simply Breathless hails from the extended female family of G1SW Giofra (GB) (Dansili [GB]). Dam of the 2-year-old filly Grace Note (GB) (Swiss Spirit [GB]), Darling Grace produced a filly by GI Breeders’ Cup Juvenile Turf hero Outstrip (GB) in 2018.

COMPETITIVE EDGE FILLY ‘FIERCE’ IN FIRST START; NAMED RISING STAR

Fierce Lady (Competitive Edge), given a 9-2 chance facing fellow New York-bred maiden fillies Saturday at Belmont, became the third winner for her freshman sire (Super Saver) and a ‘TDN Rising Star’ to boot after blitzing her foes in head-turning fashion. Fastest away from her rail draw, the dark bay was scrubbed on to maintain the edge over favored fellow firster Violent Point (Violence) through a sharp opening quarter of :21.82. Looking like a lock as she headed for home with a clear advantage, Fierce Lady was never fully asked by Javier Castellano in the lane while streaking home six lengths to the good and stopping the clock in a swift :56.47. Munnings Muse (Munnings) was another nine lengths clear second, while Violence Point held on for third.

A $52,000 KEEJAN short yearling, Fierce Lady was acquired by her trainer Dermot Magner for $75,000 at last year’s Keeneland September sale. She RNA’d for $170,000 at OBS March after breezing an eighth in :10 flat.

("We knew she had speed from the way she worked at the sale," Magner told the TDN. "So once we got her into a routine, got her caught up on her gate work it was really no surprise. She is a quality filly and she’s been training the right way the entire time.

Fierce Lady is a half-sister to Bluegrass Jamboree (Bluegrass Cat), SP, $297,790; and a yearling filly by Brody’s Cause. Her dam, who was a debut winner herself as a juvenile at Saratoga and stakes-placed later that year, is half to New York-bred MSW Swag Daddy (Scat Daddy) and to GSP What a Tale (Tale of the Cat), who cost $750,000 at the 2006 Keeneland April 2-year-old sale. Second dam Mrs. Filio (Eastern Echo) was a second-out graduate at two, and third dam Mrs. Flagler (Hoist the Flag) was a first-out winner and GSP as a baby. Fourth dam Mrs. Warren (Hail to Reason) was a multiple Grade I winner in her juvenile season.

SUNDAY’S RACING INSIGHTS:
THE COACH UNVEILS PRICEY PHAROAH COLT

Sponsored by Alex Nichols Agency
by Christie DeBernardis

D. Wayne Lukas saddles Beth and Michael Harper’s $475,000 KEESEP buy PHAROAH CAT (American Pharoah) for his first trip to the post Sunday at Churchill Downs. The dark bay’s unraced dam Meerkat Miss (Giant’s Causeway) is a half-sister to European champion Hold That Tiger (Storm Cat), MGISW millionaire Editor’s Note (Forty Niner) and SW Catnip (Flying Paster), who produced MGSW & GISP Indescribable (Pleasant Tap) and GSW Micromanage (Medaglia d’Oro). This is also the family of Lukas-trained champion Family Style (State Dinner) and GISW sire Hennessy (Storm Cat).
Ian Wilkes sends out another well-bred first timer in Ghostlore (Ghostzapper). Out of SW Ornate (Gilded Time), the bay is a half to MGISW millionaire On Fire Baby (Smoke Glacken), GSW High Heels (E Dubai) and SW & GSP French Kiss (Hussonet).

Buttered Noodles, a member of the last crop of City Zip, makes his debut in this test as well. The $100,000 OBSMAR buy is out of a half-sister to GI Florida Derby hero and ‘TDN Rising Star’ Materiality (Afleet Alex) and GSW & MGISP My Miss Sophia (Unbridled’s Song), who was second to only champion Lady Eli (Divine Park) when selling for $4 million at last year’s Keeneland November carrying a foal by War Front. This is also the family of GISW Embellish the Lace (Super Saver) and MGSW Eye of the Tiger (American Chance). TJCIS PPs

In a race billed as a showdown between the May 4 GI Humana Distaff S. winner and ‘TDN Rising Star’ Mia Mischief and the May 17 GIII Miss Preakness S. winner Covfefe, who set a scintillating new track record of 1:07.70 for six furlongs at Pimlico, the Roxelana Overnight S. was anything but a typical overnight stakes. Two of the top females in training faced off and they didn’t disappoint, with the two never separated by
more than three-quarters of a length from the outset.

It was the speedy Covfefe, who recovered from a bump at the start, to set the fractions of :21.38 and :44.41. Classy Act (Into Mischief) was glued to her flank with Mia Mischief just to the outside. Leaving the backstretch, Classy Act couldn’t keep up with the top two, who quickly put distance on the field. Mia Mischief raced in tandem with Covfefe down the stretch with each refusing to yield until the closing strides, when Mia Mischief inched clear. Awestruck came flying at the end to separate the two favorites, with Mia Mischief three-quarters of length to the best and Covfefe a head behind Awestruck.

“It was very special to get this filly back to the winner’s circle and get ready for bigger races down the road,” winning Hall of Fame trainer Steve Asmussen said.

Mia Mischief, a $300,000 purchase at the 2017 Fasig-Tipton March 2-year-olds in training sale, has been a familiar sight in blacktype stakes for more than a year. In addition to her Humana Distaff score last out, her first Grade I victory, she had also won the Eight Belles S. and Purple Martin S. last year as well as placing in the GI Longines Test S. and GI Prioress S. Her record this year included a second in Oaklawn’s Carousel S. and an allowance/optional claiming victory before she moved back into the big leagues with these last two back-to-back scores.

The winner’s dam has a 2-year-old filly, Lady Tamara (Cross Traffic), as well as a yearling full-sister to Mia Mischief, and a 2019 filly by Goldencents. Granddam Roll Over Baby (Rollin On Over) was a six-time restricted stakes winner in Ohio, but made a big splash as a broodmare, selling for $1 million in foal to Unbridled’s Song at Keeneland January in 2002. Her five graded stakes performers included GSWs Sing Baby Sing (Unbridled’s Song), Majorbigtimesheet (Carson City), and Roll Hennessy Roll (Hennessy), while her stakes-winning Value Plus (Unbridled’s Song) was MGISP and Werblin (Unbridled’s Song) was MGSP.

Mia Mischief was one of two stakes winners for Into Mischief on Saturday with Owendale taking the GIII Ohio Derby within about 15 minutes of Mia Mischief’s Roxelana win. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

Sent off the 4-5 choice in this off-turf stakes debut, he settled in a stalking third behind Kelli’s Smile who carved out opening splits of :23.78 and :48.76. Moving to the front with little encouragement in early stretch, he lengthened his advantage with every stride, scoring by 12 lengths over Wrong Color. Kelli’s Smile was a clear third.

MEADOW DANCE (f, 3, Jimmy Creed--Meadowbound, by Broken Vow) scored at first asking going five panels at Ellis Park last August before finishing third in her next two, including the most recent in Keeneland’s GI Darley Alcibiades S. Oct. 5. Favored against optional claiming company at Churchill Downs Nov. 24, the dark bay was a distant second over the sloppy surface. Prompting the early pace through sharp opening fractions, Meadow Dance swung wide into the home turn, took over in the stretch and rolled home a 3 3/4-length winner over Sworn Silence (Greeley’s Conquest). Meadowbound is a half-sister to GSP Bachata, dam of GSW and GISP Gold Medal Dancer (Medaglia d’Oro). Sales history: $7,000 Wlg ’16 KEENOV; $110,000 2yo ’18 EASMAY. ISTAN COUNCIL (f, 3, Istan--Tribal Council, by Indian Charlie) earned an 80 Beyer Speed Figure when soundly defeating a $62,500 optional claimer field at Oaklawn Feb. 21. After checking in fourth behind subsequent GII Eight Belles S. victress Break Even (Country Day) in the Mar. 30 Purple Martin S., she suffered narrow defeats in consecutive optional claimers, including a last-out second here in a May 25 contest. Sent away at 9-2 odds in an evenly matched group of fillies, the bay was slow out of the gates and bided her time at the back of the pack as the leaders rolled through splits of :22.47 and :45.39. Shifted into the three-path around the turn, the homebred pushed past horses with a strong rally down the middle of the lane, sweeping by the long-term leader Free Cover (Congrats) in the final sixteenth for a length tally. The winner is a half-sister to a juvenile filly by Creative Cause and a yearling filly by Majesticperfection. Sales history: $15,000 RNA Ylg ’17 KEESEP. Lifetime Record: 10-3-3-0, $205,933. DIVINE QUEEN (f, 4, Divine Park--Town Queen (SW, $241,964), by Williamstown) pulled off a 51-1 shocker in the Dogwood S. here in September, but failed to make any impact in a pair of graded events thereafter. She bounced back in a six-panel, sloppy Fair Grounds optional claimer Dec. 13, but was seventh in Oaklawn’s American Beauty S. Jan. 6. Runner-up back at the
optional claiming level in New Orleans Mar. 5, she was sixth in the GI Madison S. at Keeneland Apr. 6 and most recently fourth from far back behind hard-knocking Honey Bunny (Tapizar) in the GIII Winning Colors S. over six local panels May 25. Attempting the longest trip she’d ever gone on dirt here, the 9-2 shot showed increased speed to force the issue before holding off favored Boxwood (English Channel) by a neck. The winner is half to Queen’s Award (Medaglia d’Oro), SW & GSP, $244,420; an unraced 2-year-old named Decision Maker (Court Vision); a yearling colt and filly foal each by Dominus; and to the dam of these connections’ MGSW The Player (Street Hero). WINANDYOURIN GIN (f, 3, Into Mischief--Anna Sun, by Trippi) graduated last time out over the Woodbine turf on June 1 following a six-month layoff. Off at 7-2 to put them back to back, the $290,000 OBSMAR purchase broke outward then sped to the front, leading the field through a :22.68 first quarter. Challenged by Charmaine’s Mia (The Factor) at the top of the stretch, the bay turned back that rival before outlasting the fast closing Double Medal (Medaglia d’Oro) by a length. She is a half-sister to a juvenile filly by Majesticperfection and a yearling colt by Daredevil. Sales history: $185,000 Ylg ’17 KEEJAN; $240,000 Ylg ’17 FTSAUG; $290,000 2yo ’18 OBSMAR. NOLDE (c, 3, Pioneerof the Nile--Sister Moon [GSP, $107,350], by Dixie Union) showed a liking for the turf breaking his maiden here by 3 1/4 lengths May 3 after failing to reach the winner’s circle in four previous tries on the dirt, including a well-beaten third in the slop behind Omaha Beach (War Front) Feb. 2. The 6-5 favorite bobbed at the start, but steadily picked up momentum after fractions of :24.50 and :49.40. Swung four-wide into the stretch, the dark bay grinded his way to the front, winning by a determined three-quarters of a length over Contagion (Fed Biz). Nolde is the first winner produced by his graded stakes-placed dam, who is the mother of a yearling filly by Empire Maker and a colt by Quality Road born this year. Lifetime Record: 6-2-1-1, $97,490. RISKY MANDATE (f, 3, Strong Mandate--Paying Off [SW, $192,380], by Malibu Moon) went to the post in her debut as the 5-2 second-choice in a contentious field of maidens. The dark bay was away a step slow and raced mid-pack, content to sit behind a pace of :22.59 and :46.03. Fanned into the five-path turning for home, the Ghost Hollow Farms homebred drew off with authority while under a hand ride, besting Proudly Pacific (Proud Citizen) by a widening 6 1/4 lengths. The victress is a half-sister to Joint Custody (Outflanker), MSW, $274,530; an unraced juvenile named Carpe Victoriam (Carpe Diem) and a colt by Hard Spun born this year. HALLADAY (c, 3, War Front--Hightap [MGSW, $300,345], by Tapit) finished third in a pair of off-turf events going 5 1/2-furlongs at Saratoga last summer before just failing to hold on and settling for second after leading early going 8 1/2 furlongs over the yielding Belmont turf in September. Sent off the 3-1 second choice behind the favored Shadwell entry Sayyaaf (Sepoy {Aus}) and Muntahez (Blame), Halladay kindly settled behind as the Chad Brown-trained Sayyaaf skipped to the lead as Muntahez hesitated at the start, and caboosed the field early. Sayyaaf was a length in front of Halladay, who was stationed to the outside of Duncaste (Dunkirk), through an initial quarter in :22.75 followed by a half in :45.30. Halladay started to narrow the gap to the leader’s outside shoulder as they turned for
home, however, it appeared Sayyaaf would have enough left to fend off his oncoming rival. Despite the pacesetter’s best effort, it was Halladay who carried the most momentum late, posting a length victory over Sayyaaf. Duncastle held on for third. Hightap aborted in 2018 before producing a filly by Gun Runner this season. Sales history: $225,000 RNA Ylg ’17 KEESEP. **HOLYANNA (f, 3, Point of Entry--Holy Grace, by Holy Bull),** installed the 7-2 second choice behind 8-5 choice Sport’n Forty (Scat Daddy), broke sharply and was eased back into fifth behind a modest early pace set by longshot Bobbi’s Legacy (North Light (Ire)). A two-wide fifth through a half in :47.44, Holyanna dragged Eurico da Silva past Niigon’s Spin (Hard Spun) and a weakening Bobbi’s Legacy turning for home, turned on all boosters late and strode home 4 1/4 lengths ahead of Sport’n Forty while under a hand ride. Strikingly Lovely (Smart Strike) was third. The winner is a half to Holy Helena (Ghostzapper), Ch. 3yo Filly-Can, MGSw, $1,211,578; and Holy Boss (Street Boss), GSW & GISP, $771,527. **SUNSET PROMISE (f, 2, Broken Vow--Destine, by War Front) was claimed for $50,000 from the Wesley Ward barn out of a third-place finish on debut May 3. Switched to the Hallandale turf course and tested in a maiden special weight, she was narrowly beaten as the 9-5 favorite to finish second after a rough start. Bet down to 4-5 here, the bay broke keenly and spurted to the lead with Key Biscayne (Brethen) breathing down her neck as the two raced through fractions of :25.04 and :50.38. Repelling her early rival with two furlongs to go, Sunset Promise surged to the wire to win by 4 1/4 lengths. Key Biscayne held on for second. She hails from the family of champion sprinter and stallion Smoke Glacken (Two Punch). Her dam has also produced a yearling filly by Munnings and a Lea filly born this season. **MESSAGE (f, 3, Warrior’s Reward--Song’n Dance, by Carson City) was first seen at Del Mar more than nine months ago, weakening that day after a duel and fading to seventh. She had been on the bench ever since, but began working at Los Alamitos in February before transferring in early May to Santa Anita, where two of her last four works were bullets. Breaking from the outside at nearly 4-1 while wearing the familiar Bob Baffert blue shadow roll, Message loomed menacingly just off the leaders behind fractions of :22.15 and :45.27. She went wide off the turn and took command by the sixteenth pole, a facile 1 1/4-length victress. Stablemate Blue Moonrise (Malibu Moon) followed her home. From the family of MGISW Win (Barachois), the winner’s dam has produced two blacktype runners: Catsadiva (Tale of the Cat), SP, $175,715; and John’s Success (Colonel John), SP. The mare’s 2-year-old, Jet Max (Goldencents), sold at this year’s OBS March sale for $100,000 and has since been shipped to Japan. Message had also sold at an OBS sale as a 2-year-old in training last year for $300,000. Message’s latest reported half-sibling is a yearling filly by Tapizar, who sold at Fasig-Tipton Kentucky last October for $55,000. Sales History: $30,000 Wlg ’16 KEENOV; $300,000 2yo ’18 OBSAPR. Off at odds of 7-2, the dark bay broke alertly and was sent to the front, striding along comfortably as he ticked off fractions of :24.62 and :48.57. Riding the rail around the turn, the bay shifted into high gear, powering down the stretch to score by 3 1/4 lengths over Mantra (Violence). The winner’s stablemate Holy Meister**
(Bodemeister), favored at 9-5, completed the trifecta. Uncle Bull is a half-brother to Connect ( Curlin), G1SW, $1,370,000; and Tani Maru ( Cherokee Run), MSW, $223,515. BLUE POINT DOES THE ROYAL DOUBLE

Joining the ground-breaking Choisir (Aus) in following up triumph in Tuesday’s G1 King’s Stand S. with the same outcome in Saturday’s G1 Diamond Jubilee S., Godolphin’s ‘TDN Rising Star’ Blue Point (Ire) (Shamardal) was the latest to achieve Royal Ascot legend status and cap a week to savour. Arriving back in Berkshire with the same indomitable spirit and physical superiority that had ensured the first part of the double, the 6-4 favourite tanked along under James Doyle behind the rapid Kacy (GB) (Kyllachy (GB)) and the writing was already on the wall heading to two out. Allowed to gain command a furlong later, he was in the clear for precious seconds but in the end he needed the line desperately as Dream of Dreams (Ire) (Dream Ahead) lunged. When the winning post came, there was only a head between the bay and the flashy chestnut who had forged on a stride after. Luckily for the Godolphin team and Charlie Appleby, the Ascot gods who had gifted so much to Frankie Dettori on Thursday had some spare for this particular defining moment in the meeting’s history.

“That was special and he gave me an unbelievable feeling,” Doyle said. “We did what’s pretty much impossible. What an athlete he is. Kachy went a break-neck pace and I was trying to restrain him, but he wanted to chase him down a bit earlier than ideal.” Cont. p2

DEFOE ON TOP IN THE HARDWICKE

Springing back to the fore when winning the G1 Coronation Cup, Sheikh Mohammed Obaid Al Maktoum’s Defoe (Ire) (Dalakhani (Ire)) held off the Czech raider Nagano Gold (GB) (Sixties Icon (GB)) to provide the follow-up in Saturday’s G2 Hardwicke S. at Royal Ascot. Positioned in the last trio early by Andrea Atzeni, the 11-4 favourite was delivered with the same potent acceleration as he had been at Epsom to strike the front 1 1/2 furlongs out and deny the race’s surprise package by a half length. “He’s a very straightforward horse and since his gelding operation he’s improved and turned a corner this year,” Atzeni said. “He travelled well and picked up nicely and ground-wise, he’s versatile. If anything, I got there sooner than I’d have liked and that isn’t really his style. We actually thought he was a soft-ground horse but Sheikh Mohammed Obaid always said he was a fast-ground horse and he was right. It’s not fast out there, but it’s definitely on the quick side and he enjoyed it.”

One of the significant moments of this race came at the very start, with Godolphin’s Masar (Ire) (New Approach (Ire)) stumbling out of the stalls and Nagano Gold losing notable ground with Christophe Soumillon glancing behind. Cont. p4

“He’s hard to disappoint and he was electric on both days. It was a little bit smoother on Tuesday and he got a little bit lonely late. The petrol gauge was running a bit empty but I’ve not ridden many who want to win like he does.”

While there was no Battaash (Ire) (Dark Angel {Ire}) this time, Blue Point had to draw on reserves to see off a different type of sprinter over a trip that draws out his brilliance to the limit. He had proven himself over six on several occasions, including when setting the track record here in the 2017 G3 Pavilion S., and his record at Ascot is exemplary. His sole defeat at this venue came when third in the G1 Commonwealth Cup in that year, when Appleby viewed him as a work in progress who needed time to fulfil his true potential.

By the time he had seen out the six furlongs of the G1 Al Quoz Sprint best on the Dubai World Cup card, his trainer’s prediction was looking on the money and he returned to Europe in bullish mood. Although it was raining hard during the King’s Stand, he probably managed to escape the worst of the slow ground that blighted the first three days of this meeting as it had only just started to get in at that stage. With a warm summer wind transforming Ascot’s renowned quick-drying surface over the past 48 hours, the stage was set for the double attempt and Blue Point carried out his recovery to perfection in the interim period.

Few horses could come back just days after his gruelling effort when subduing Shadwell’s souped-up Battaash and reload in a race of this nature, but Blue Point is one of that minority and he duly lit up the finale of a week that has been even more emotive than normal. Charlie Appleby was feeling the gravity of the occasion.
Diamond Jubilee S. cont.

“What sets him apart is what we’ve seen today. He’s a class animal and from four to five he’s developed into the real deal. A week before the King’s Stand, he put in a piece of work which told us we had him where we wanted him and I thought about doing both races then. We were lucky enough to win on the first day and we thought we should allow him to take his chance.”

“His Highness rang me on Wednesday morning to ask me how he was and he had eaten up and was fine. Sheikh Mohammed made the call. I just gave him the information on the horse. This morning, he was 536 kilos which was bang-on his weight. If anything, he was a bit more relaxed when I was saddling him here and I jokingly said > hopefully Tuesday got the freshness out of him. We’ve had him since he was two, he won the Gimcrack and has been phenomenal. Full credit to the team at home, as they have done a fantastic job with him. He’s going to retire this year and he’s a superstar of a horse.”

Sir Michael Stoute said of Dream of Dreams, who would have won had Danny Tudhope found a gap a fraction earlier as he was held up behind a wall of horses passing halfway, “It would have been nicer if there’d been one more stride, but we are delighted with the performance. He has been progressing all year and is in a good place. He will go to the [July 13 G1] July Cup now. He was running very well in group races last year without winning one, but he has improved and has become calmer and is saving his energy.”

The trailblazing Kachy held on for third, 2 1/2 lengths away, showing outstanding speed once again to gain another place at the Royal meeting having been second in the 2016 G1 Commonwealth Cup. Trainer Tom Dascombe commented, “I’m delighted with him. He has been a super horse on the all-weather all winter. He is so fast into his stride and after a furlong he was four lengths clear. I think over six he has got that much early speed they let him go, but over five they are all with him. He is in the July Cup, we will have a look and see. I don’t think we will drop him back to five, we will keep him at six.”

Blue Point’s dam Scarlett Rose (GB) (Royal Applause {GB}), who also produced the G2 Railway S. scorer and G2 Mill Reef S. runner-up Formosina (Ire) (Footstepsinthesand {GB}), is a half-sister to Tumbleweed Ridge (GB) (Indian Ridge {Ire}) who was a seven-furlong specialist who captured the G3 Horris Hill S., G3 Prix de la Porte Maillot and three renewals of the G3 Ballycorus S. Her other half-sibling Tumbleweed Pearl (GB) (Aragon {GB}) was responsible for Gilded (Ire) (Redback {GB}), who captured the G2 Queen Mary S. at this meeting before throwing the triple listed scorer and group-placed Fort Del Oro (Ire) (Lope de Vega {Ire}). Scarlett Rose’s 2-year-old colt Desert Destination (Ire) (Night of Thunder {Ire}) has yet to race, while she also has a yearling filly by Invincible Spirit (Ire).

Defoe On Top in the Hardwicke cont. from p1
As Salouen (Ire) (Canford Cliffs {Ire}) cut out the running with Mirage Dancer (GB) (Frankel {GB}) in close attendance, the returning G1 Epsom Derby winner was adrift of the pace later reported by the jockeys as less-than-exacting but Defoe was always well within himself playing the waiting game.

Pat Dobbs committed Mirage Dancer on the turn into the straight, but the Juddmonte blueblood’s lead was short-lived with Defoe showing a dynamic turn of foot to mow him down and bring the Czech sensation in his wake. As they drove towards the line, it was the grey who was the stronger with the runner-up emerging from the contest with great credit.

With his defeat of Kew Gardens (Ire) (Galileo {Ire}) in the May 31 Coronation Cup, Defoe was raising a few eyebrows as he had spent the last year chasing a revival of the kind of form that had seen him win the 2018 G3 John Porter S. and G2 Jockey Club S. with ease. Runner-up to Communique (Ire) (Casamento {Ire}) in the latest edition of the latter Newmarket prize on May 4, he had lined up at Epsom an 11-1 shot which seemed fair given he had assumed a limited profile. His “Sliding Doors” moment may have come at the break there, as he missed it and gave Atzeni little choice than to sit in rear rather than assume the customary prominent position.

Trainer Roger Varian believes that extra maturity is the key to Defoe’s sudden emergence as a top-class runner. “He’s getting better with age and is a gentleman of a horse,” he said. “That was a strong performance today and he’s just a chilled-out dude who has got sounder and handles this ground better as he’s got older.”

“Some of his past wins had been very impressive, but as a younger horse he struggled to handle this fast ground and this year he’s doing that better and showing his true potential. Of course, the [July 27 G1] King George is on the agenda now. This is a special moment.”

Tomas Janda, representing Nagano Gold’s owner-trainer Vaclav Luka, said, “Christophe said he had a problem at the start and then again in the straight and he couldn’t really run and of course when you are so close you always think what might have been. We are happy with the run and a lot of people are watching the race at home, so it will help racing in Czech. Even people who don’t watch racing in Czech knew about this. Through the winter we came up with this plan after he had won a listed race in France. He needs a faster pace and we thought the style of racing in England would suit better.

We have entered him for a Group 1 in Germany in August, then we would like to run in the Arc.”

Teddy Grimthorpe said of Mirage Dancer, “He has run a really good race, he travelled very well in the race and we couldn’t have been happier turning for home. He just did not find enough to finish it off, but he has run a blinder.” Masar’s jockey James Doyle said of the returning Derby winner, who managed fifth after his eventful start, “I’m not really sure what happened, but his nose disappeared leaving the stalls and luckily when he came back up, he hit me in the chest and put me back in the saddle. It is not the start you want in a big race like that and we planned on being a bit handier, but that’s racing. They did not go that quick and we got caught for a bit of speed in the straight, but he ran good on his first start for over a year. Hopefully he’ll come out in one piece and we can move on.”

Charlie Appleby said of Masar, “I’m delighted to see him back. We had a little bit of a mishap with a bit of a stumble out of the gates and therefore it didn’t materialise quite how we wanted it to. They have gone a sensible gallop, but as you saw he was a bit fresh and over-raced in the first quarter of the race. Once he was travelling well into it, I was pleased how he came into the straight and James said he just got a little bit tired in the last half a furlong. As much as you want to do at home, there is no better thing than match fitness and he has got that match fitness now. Let’s hope he comes out of the race fit and well. Without speaking to His Highness yet, I’d imagine he could go for something potentially like the [G1] Juddmonte International [at York on Aug. 21], as I wouldn’t mind coming back in trip. For me, he has still got plenty of boot there.”

Pedigree Notes

Defoe’s dam Dulkashe (Ire) (Pivotal {GB}), who has an unraced 2-year-old colt by Shamardal named Ghanim and a yearling filly by Toronado (Ire), is a granddaughter of Close Comfort (Far North) who is kin to the G1 Prix Morny-winning champion and stakes-producing Ancient Regime (Olden Times) and her sire full-brother Cricket Ball with six group victories to his credit. Close Comfort was responsible for the G3 Scottish Classic and G3 Brigadier Gerard S. winner Husyan (Alleged), while her descendants include the GI Vosburgh S. hero Rock Fall (Speightstown) and the triple G2 Geoffrey Freer S. winner and Arc runner-up Mubtaker (Silver Hawk).
TRAVELLER WINS THE JERSEY SPACE RACE

Delivered in the nick of time by the week’s second jockey sensation Danny Tudhope, Clipper Logistics’ Space Traveller (GB) (Bated Breath {GB}) overhauled Space Blues (Ire) (Dubawi {Ire}) late on to land Saturday’s G3 Jersey S. and provide his rider with a fourth Royal Ascot success from only four days of action. Breaking slowly and held up in rear, the 25-1 shot benefitted from the fast pace and responded to some whip strokes to pass Godolphin’s ‘TDN Rising Star’ in the last 50 yards and win by a head, with Angel’s Hideaway (Ire) (Dark Angel {Ire}) 1 1/2 lengths away in third. “He’s been consistent and is very talented, but tricky to win with,” Tudhope said. “He has a tremendous amount of ability and I’m glad he’s done it on the big stage. He didn’t travel great and never felt like a horse who was going to pick up and go and win the race. He was a bit lazy at halfway, so I had to make his mind up and when he got out in the clear, he ran on nice. To win a race at Royal Ascot in these colours is amazing. It’s been an amazing week for me and I can’t describe it.”

Two-for-two before running seventh in York’s G2 Gimcrack S. in August, Space Traveller improved off that to be second in the G3 Prix Eclipse at Maisons-Laffitte before flopping in a first-time visor when eighth in the G1 Middle Park S. at Newmarket in September.

With blinkers on for the Listed Rockingham S. at York a fortnight later, the magic failed to come again and after finishing a non-threatening seventh he was given a winter break. On his return in the Listed European Free H. over this trip at Newmarket on Apr. 16, the bay split Shine So Bright (GB) (Oasis Dream {GB}) and Azano (GB) (Oasis Dream {GB}) before filling third spot in the six-furlong Listed Carnarvon S. at Newbury on May 18 and finishing an unlucky seventh in the 6 1/2-furlong Listed Prix de l’Office de Tourisme de Maisons-Laffitte on June 8. At the back after a tardy start, he was given a backhander before the two-furlong marker with Tudhope asking for a genuine response with the pressure beginning to tell on those who had raced near the teeth of the strong tempo. As he angled wide around rivals, Space Traveller picked up with a flourish to deny the smooth-travelling and perfectly-delivered Space Blues and upset the Godolphin momentum.

Trainer Richard Fahey revealed that owner Steve Parkin had given riding tips over the phone in the morning. “Steve never gets involved in instructions, but I had a long chat with him this morning and he wanted him ridden cold,” he said. “He said drop him right out and ride him for luck and it’s paid off.”

“It’s a shame he isn’t here, but he had a very important meeting and had to go home. When you win a race like this, the [G2] Lennox S. [at Goodwood on July 30] looks the obvious race, but I’ve got to sit down with Steve and the team at Clipper. “I really liked him early on and thought he’d win the Gimcrack, but he didn’t run a race at all and has had a few little blips in his life,” Fahey continued. “He’s a likeable rogue and has bounced back to what we thought he might be. He was very disappointing, but he’s got himself back on track now and I’m sure the seven furlongs has helped. He might even get a bit further.”

Charlie Appleby said of Space Blues, “I think we’ll end up coming back down in trip with Space Blues. He just has an abundance of pace. He quickened up there and I thought he was going to put the race to bed.

“We can take nothing away from the winner, as he has outbattled us. James said that Space Blues still galloped out to the line, but I think a drop back in trip will be the plan now. Something like the [G1] Prix Maurice de Gheest [at Deauville on Aug. 4] could be an option.”

Cheveley Park Stud’s racing manager Chris Richardson said of Angel’s Hideaway, “She is a filly that thrives on racing. She is her own character and she did everything right today. She jumped as she did in the 1000 Guineas and if she wants to do it, she’ll do it.”

Space Traveller’s dam Sky Crystal (Ger) (Galileo {Ire}), who also produced the G3 Dick Poole S. third Pellucid (GB) (Excelebration {Ire}), was sold by Watership Down Stud for 66,000gns at the 2013 Tattersalls December Mares Sale. She is a granddaughter of Crystal Spray (GB) (Beldale Flutter {GB}), whose four group winners are headed by the G1 Fillies’ Mile heroine and G1 Irish 1000 Guineas and G1 Coronation S. runner-up Crystal Music (Nureyev) and the G3 Lancashire Oaks scorer State Crystal (Ire) (High Estate {Ire}). The latter’s descendants include the G1 Prix Jean Prat-winning sire Zelzal (Fr) (Sea the Stars {Ire}) and the G2 Chairmans H. winner and G1 Sydney Cup runner-up Libran (Ire) (Lawman {Fr}). Sky Crystal also has Space Traveller’s full-sister Rubia Bella (GB), who was runner-up for the David Simcock stable a month ago, a yearling filly by Exceed and Excel (Aus) and a filly foal by Postponed (Ire).

Holding the distinction of being the only runner all week to break a track record, Godolphin’s Pinatubo marked himself as a colt with a bright future as he readily accounted for Ballydoyle’s ‘TDN Rising Star’ Lope Y Fernandez. Impressive when beating fellow Godolphin representative and subsequent Listed Windsor Castle S. runner-up Platinum Star (Ire) (Lope de Vega (Ire)) by 3 1/4 lengths on debut over six furlongs at Wolverhampton on May 10, Pinatubo had handled Epsom’s challenging terrain with aplomb when adding the Woodcote S. to his tally again over that trip on May 31.

“I was a little bit concerned about the form of the Epsom race, but he’s a very smart horse who travelled like clearly the best and once I got a bit of room he quickened up very well. He’s very straightforward and I’m sure up to a mile is well within his compass, but he’s pretty sharp at the minute.”

Charlie Appleby had to endure some disappointments with his juveniles during the week, but Pinatubo put matters right and he was impressed. “He came here with the right credentials,” he said. “He surprised me when he won first time, but he learned plenty and went to Epsom and showed an impressive turn of foot that day. He is one of those lovely horses who does himself well, he goes out there and does his job and you wouldn’t know he’s in the string. Going forward, a race such as the [July 30 G2] Vintage S. at Glorious Goodwood would suit him—he has the experience around Epsom and the undulations at Goodwood can catch these juveniles out, but he seems like a very professional horse.”

Given his pedigree, it is perhaps surprising that Pinatubo was able to show such speed over six furlongs with his dam being the 11-furlong Listed Prix de la Seine winner Lava Flow (Ire) (Dalakhani (Ire)). A half-sister to the G1 Gran Criterium runner-up Stroblus (GB) (Mark of Esteem (Ire)), she hails from the family of the G1 Pretty Polly S. winner Chinese White (Ire) who is by Lava Flow’s sire Dalakhani and the G1 Prix de Diane heroine Rafha (GB) (Kris (GB)). Her influence on the bloodstock world is renowned, with the G1 Haydock Sprint Cup hero and leading sire Invincible Spirit (Ire) (Green Desert) heading her progeny list. Lava Flow’s yearling filly is by Sea the Stars (Ire), while she also has a filly foal by Teofilo (Ire).

Relishing this extra stamina test, he arrived from behind under James Doyle to swoop on Ballydoyle’s much-vaunted favourite approaching the furlong pole and stayed on powerfully to put daylight between them. Hitting the line with vehemence, he smashed the 2-year-old track record by nearly a second in a show of power rarely seen in this race.

“He’s a horse who just goes up and down the gallop and shows up nicely in his work without setting the world alight,” jockey James Doyle said. “He’s just got better and better.
Cape Byron
Andrea Atzeni, after claiming a fifth career Royal winner, added, “We were very hopeful coming into the race and Cape Byron did it well. His homework was good and he has good form at Ascot having won a Victoria Cup over seven furlongs. He has lots of pace, but also stays very well. He’s probably a seven-furlong horse, but doesn’t always get a good pace over that trip whereas he is usually guaranteed the good gallop that he needs over six. These handicaps are tough to win, you need a good horse to win them and he is improving with every run.” Cape Byron, one of stakes performers produced by Listed Hoppings S. second Reem Three (GB) (Mark of Esteem {Ire}), is kin to G1 Prix Jean Romanet heroine Ajman Princess (Ire) (Teofilo {Ire}), G1 Prix Saint-Alary third Imperial Charm (GB) (Dubawi {Ire}) and last year’s G2 Prix Daniel Wildenstein victor Ostilio (GB) (New Approach {Ire}). He is also half to a yearling colt by Sea the Stars (Ire) and a 2019 colt by Frankel (GB). Reem Three, herself half to MG1SP G2 Celebration Mile victor Afsare (GB) (Dubawi {Ire}), is out of a winning half-sister to stakes-winning G3 Dubai City of Gold runner-up Lost Soldier Three (Ire) (Barathea {Ire}) from a family featuring GI Rothmans International-winning sire French Glory (Ire) (Sadler’s Wells) and last year’s G2 Derby Italiano hero Summer Festival (GB) (Poet’s Voice {GB}). Off the pace in seventh for the most part, the 7-2 second choice picked off rivals one-by-one inside the last half mile and stayed on resolutely under a drive once gaining an advantage approaching the final furlong to hit the line 1 1/4 lengths ahead of Pallasator (GB) (Motivator {GB}). “We had a lot of runners and a few hard-luck stories, but that’s just racing, you win and you lose,” said Britain’s champion jockey Silvestre de Sousa after registering his first Royal winner of 2019 in this, the meeting’s closing event, following four seconds during the week. “I’m just delighted to have a winner for King Power on the big stage. We’ve had a lot of winners this year, but these are the days that matter most. He hated the [soft] ground at Chester last time, he was the best horse in the race here and I rode him to win. I put everything in and wish it had come earlier in the week for all of the family here.” Oisin Murphy, rider of the enigmatic Pallasator, was gracious in defeat and added, “Nobody wants to finish second, but it was a great performance by Pallasator and I’m thrilled King Power have had a winner at last after hitting the crossbar a few times.” Cleonte, one of two winners out of an unraced half to five black-type performers headed by G1 Grand Prix de Paris-winning sire Zambezi Sun (GB) (Dansili {GB}), is kin to an unraced 2-year-old colt by Makfi (GB) and a yearling filly by Zoffany (Ire). Descendants of his third dam, GSW G1 1000 Guineas third Interval (Ire) (Habitat), include G1 July Cup hero Continent (GB) (Lake Coniston {Ire}), GSW G1 Easter H. second Fears Nothing (NZ) (Faltaat), stakes-winning GI Clement L Hirsch S. second Rintervall (Ire) (Desert Prince {Ire}) and South Africa’s G1 Cape Guineas runner-up White River (SAf) (Trippi). Having won handicaps over this trip at Windsor and Lingfield last spring, Rebecca Rocks went to the sidelines after a sixth when favourite for this race. Making light of the absence, the bay showed speed from the outset towards the far side and after seizing control with a furlong remaining held on as Glass Slippers lunged towards the stands. Rebecca Rocks is out of the Listed Gran Premio Citta=di Napoli winner and G3 Premio Omenoni runner-up Rebecca Rolfe, who is connected to the G2 Lockinge S. winner Emperor Jones and the G1 Futurity hero Bakharoff. Also from the family of the G2 Preis der Diana and G2 German 1000 Guineas heroine Que Belle (Seattle Dancer), who is in turn the dam of the GII Will Rogers H. scorer Osidy (Storm Cat) and the G3 Prix de Royaumont winner Quetsche (Gone West), the dam has a yearling colt by Dutch Art (GB).

Making his challenge at the quarter-mile marker, the 11-4 second choice seized control soon after and was ridden out up the hill to assert by 1 1/4 lengths from Wings of Time (GB) (Invincible Spirit (Ire)). Coming under pressure straightening for home, the crowd’s 9-10 pick was safely clear entering the final furlong and pushed out to easily account for St George’s Head (Ire) (Kingston Hill {GB}) by 1 3/4 lengths. “She had a great run first time and did that well,” said trainer Jessica Harrington. “The ground was probably a little bit slow for her, but I had to take that chance and Shane said she tried her heart out. She was always in control and is a speedy filly. If the ground was good, there’s a five-furlong stakes race in Tipperary coming up [July 4 Listed Tipperary S.] and she would love to hop off the quick ground. [Owner] Jon Kelly, based in California, has six 2-year-olds with me this year and we’ve had two winners and a second so far. He has got some nice ones.”

WALLER MAKES GROUP 1 HISTORY

By Paul Vettise

Champion trainer Chris Waller rewrote a chapter of Australian racing history at Eagle Farm where he landed a record Group 1 strike. Sharing in his success was another expatriate New Zealander in Jason Collett, who broke through at the top level for the first in his career.

The pair combined with the 5-year-old Invincibella (I Am Invincible) to triumph in the G1 Sky Racing Tattersall’s Tiara and success took Waller’s Group 1 tally for the season to 18 to surpass by one the mark set in 1979-80 by the late, great Tommy Smith.

Chief contributor in the record-breaking process has been the champion mare Winx (Street Cry {Ire}) with seven top-flight victories, while stablemate The Autumn Sun (Redoute’s Choice) chimed in with four and the filly Verry Elleegant (NZ) (Zed {NZ}) added a further two.

Invincibella got the team over the line at Eagle Farm and it was no surprise – she had won the G2 Dane Ripper S. at her previous appearance with a perfect dress rehearsal for the Tiara. If there was a down-side to such a momentous occasion, it was that Waller wasn’t on track to celebrate. He was overseas, but yet another Kiwi was on hand to give his thoughts – Paul Shailer who runs the Queensland arm of the champion trainer’s operation.

“It’s a magnificent achievement and I think it just goes down to how much a hard worker Chris is,” Shailer said. “It’s the dedication and time and effort he puts into it. No stone is left unturned so it’s thoroughly deserved.”

Invincibella has been an outstanding servant of the stable with four previous Group 2 wins and two rich Magic Millions contests before breaking through at the highest level.

“It’s eluded her for a long time and she bounced off her last run, which was very good. She’s so tough and no horse more deserving than her,” Shailer said.

He was also delighted to have played a part in providing Collett with his first Group 1 win.

“He comes from a great racing family in New Zealand,” Shailer said. “They’ve achieved a lot and Jason rides among the top echelon of jockeys in Sydney. It’s great for him to break his duck and congratulations to him.”

For the Waller team, it was also their first major strike of the Queensland carnival.

“There’s been a bit of pressure on and we’ve been all around the mark and couldn’t crack one until now. It’s a good way to keep to end.”

Racing runs deep in Collett’s blood as his father Richard is a successful trainer at Pukekohe while mother Judy is a former jockey.

Collett’s sister Alysha is a Group 1 winning rider and another sister Tasha formerly rode and is married to jockey Andrew Calder.

His uncle Jim was a former top jockey, who now too trains and he was formerly married to yet another Group 1 hoop Trudy and their daughter is premiership-winning jockey Samantha.

“It’s taken a while, it’s a very good feeling,” said Collett, who has enjoyed a rewarding association with Invincibella. “We’ve teamed up quite well with multiple placings and won Group 2s so I’m very happy.”

Collett had Invincibella travelling well off the fence and they came with a well-timed run to claim the prestigious weight-for-age feature.

“She may not have the best turn of foot in the race, but she was there three out with cover and peeled at the top of the straight,” Collett said. “Pohutukawa came up to me and I thought here we go again, but my mare’s so tough.”

The James Cummings-trained pair of Pohutukawa (Medaglia D’Oro {USA}) and the favourite Savatiano (Street Cry {Ire}) challenged hard, but Invincibella wasn’t to be denied.
“I copped a fair bump 150 metres out, but she picked herself up and it was a very good effort from Chris and his team. It’s awesome.”

Invincibella was purchased by Denise Martin’s Star Thoroughbreds for $185,000 at the Magic Millions Gold Coast Yearling Sale.

“It’s special in every way. Brett Howard from Randwick Bloodstock found her for me and at the time she was very big and I thought maybe too big,” Martin said. “He insisted I buy her and he’s been remarkable, an amazing mare.”
