QUADRILATERAL GETS UP IN MILE THRILLER

By Tom Frary

Nobody quite knew what to expect from Juddmonte’s 'TDN Rising Star' Quadrilateral (GB) (Frankel {GB}) in Friday’s G1 Fillies Mile at Newmarket and despite showing greenness, there was no shortage of spirit and class as she grasped victory from the jaws of defeat with a small amount of authority from Powerful Breeze (GB) (Iffraaj {GB}). Left behind and seemingly in trouble as that G2 May Hill S. winner went for the kill passing the two-furlong pole, the 9-4 favourite responded to Jason Watson’s driving to narrow the gap heading up the rising ground and reel her in close home for a head success, with Love (Ire) (Galileo {Ire}) 1 1/2 lengths back in third.

BSW, CROW ON THE BOARD AT TATTS

By Chris McGrath

NEWMARKET, UK—On the one hand, their advent in Newmarket this week represented an entirely new venture in the diversifying portfolio of Bradley Weisbord and Liz Crow. On the other, both partners see a seamless efficiency between the things that have worked for BSW Bloodstock in the U.S., through Crow’s domestic selection of young stock, and the novel challenge of the Tattersalls October Sale.

Because Crow has made her name in their homeland, at an accessible level of the market, by focusing on physicals and treating pedigrees just as a guide to cost. To that extent, she even views a lack of familiarity with European bloodlines as an advantage.

"To be totally honest, I don’t know a lot of these stallions that well," she admits. "But I actually think that’s really good, because I’m not biased. I’m just going in looking for a physical I really like, which is what I’ve done most of my career. I’ve kind of made a living off bad sires, or at least what people in the commercial market assume are bad sires."

The duo’s opening salvo, on behalf of a syndicate put together especially for this experiment, contributed to a conspicuous broadening of American investment during Book 1. BSW Euro Venture/Liz Crow signed for five yearlings during Book 1, beginning with a daughter of Acclamation (GB) (lot 58) at a cost of 70,000gns. Cont. p10

“She’s out of this world—it’s only her third run and she’s never gone a gallop like that before,” Watson said of the homebred relative of Three Valleys (Diesis {GB}) who was a nine-length winner of the “Dubai Duty Free Full of Surprises” Conditions S. at Newbury last time Sept. 20.

“Newmarket is not the easiest place to deal with and I couldn’t thank her enough for getting me out of trouble. She was tough and battled it out.”

Connections of Quadrilateral may have been in some ways in the dark when it came to how she would fare in such company, there was a powerful hint that they believed they were dealing with something special as they took the plunge to supplement alongside Powerful Breeze. As it turned out, the pair dominated the finish with the difference being the finishing kick that eluded the strong-staying Irish pair of Love and Cayenne Pepper (Ire) (Australia {GB}). It was the latter who was at the forefront of the “big four” early tracking West End Girl (GB) (Golden Horn {GB}), but she was in trouble approaching the two-furlong pole after Jason Watson had already applied a reminder to the favourite in behind.

With Ryan Moore still going strong on the G1 Moyglare Stud S. heroine Love, James Doyle was forced to commit early on Powerful Breeze and she responded with potent acceleration heading down into the “dip” to appear to settle the result. Quadrilateral had felt the whip again in the meantime, but it was when she met the climb to the line that she began to really engage against the far rail and the closing surge which had impressed all at Newbury came into play. Collaring Hugo Palmer’s stable star inside the last 50 yards, she had real momentum heading to the line and her unbeaten sequence was left intact.

Dubawi’s spectacular European Champion juvenile – and Timeform’s top-rated three-year-old, too. Won the G1 Dewhurst beating winners of the Commonwealth Cup and Derby – earning a higher race rating than Frankel.

Unbeaten at two, then won the G1 Sussex and G1 Jean Prat at three. Out of three-time G1 winner Dar Re Mi and the fastest in the stallion-making family of Darshaan.
Fillies’ Mile cont.

Trainer Roger Charlton said, “I don’t know if it was two out or even three out that I thought, ‘we’re not running well here. We’re coming off the bridle and it’s not going to happen’, but she kept responding and I thought she did really well to get there. I guess the gap was diminishing up the rail a bit, but she fought like a good one and handled the track. It was a great effort, really, as it was a proper race today.”

Reflecting on how far the winner had come in a short space of time, he added, “We don’t gallop the 2-year-olds that hard, so when she won first time out she needed the race and class won it for her. She then took us a bit by surprise when she won so easily last time. We didn’t learn that much and we hadn’t done much work since, but today was a proper test. The easier option was to go for the Oh So Sharp S. It is not often you get good fillies come along and I thought, ‘hopefully she can win that and keep the dream open for May’, rather than taking on the best but the management encouraged me to run her in this race and result was good.”

A return for the fillies’ mile Classic in May is first and foremost now. “I guess we’ll come back for the Guineas--I see no reason not to come back. I guess we would probably come straight here without a prep run. She looks like she might stay further, as she didn’t look like a short runner there today. I’ve not won a Guineas or a Group 1 with a 2-year-old until now, so she would be the best filly I’ve had.”

Hugo Palmer said of Powerful Breeze, “She has lost precious little in defeat. I think with any May Hill winner that runs in the Fillies’ Mile, you are already thinking of her as a Guineas prospect. She galloped here three weeks ago and handled the track well and she certainly handled it better than the winner. She ran great. I think she was in front for a very long time, but I don’t think she was in front too soon. You have to play the hand you are dealt. Quadrilateral was going nowhere in the dip. Hopefully she learnt to hate Newmarket and will never come again, rather than practice makes perfect!”

Pedigree Notes

Quadrilateral’s dam Nimble Thimble (Mizzen Mast), who also raced for this yard and won a maiden over an extended nine furlongs at Wolverhampton, is already responsible for the 3-year-old colt Boardman (GB) (Kingman {GB}) who was third in this year’s Listed Prix de Saint-Patrick. She is a half-sister to the aforementioned G3 Coventry S. and GII Del Mar Breeders’ Cup-winning sire Three Valleys and to the dam of the Australian stakes-winning sons of Redoute’s Choice (Aus) in Scissor Kick (Aus) and Sharkbite (Aus).

With the G2 City of York S. scorer Shine So Bright (GB) (Oasis Dream (GB)) blowing the start and over-racing, Jim Crowley was allowed an easy lead on Shadwell’s G1 Lockinge S. winner and

ultimately that proved decisive. With the dead surface drawing the sting from Limato, his pursuit was always going to be in vain with the Shadwell stalwart in commanding mood. At the line, there was 1 1/4 lengths between them as they drew 2 3/4 lengths away from Oh This Is Us (Ire) (Acclamation (GB)) in third.

“I was able do my own thing and he leads home at work, so I was happy to bowl along,” Crowley said of the winner, whose last two outings had seen him out of the frame in the G1 Queen Anne S. and G1 Eclipse. “He did that with a Group 1 penalty and is such a consistent horse from seven furlongs to a mile and a quarter. He loves fast ground and would be better for another furlong, but is so versatile and is a credit to his trainer and himself.”

The subject of splint issues during his formative period, Mustashry showed his talent when winning York’s G3 Strensall S. in August 2017 but it was not until the following September that he established himself as a class act when taking Doncaster’s G2 Park S. over this trip and this venue’s G2 Joel S. over a mile. Not disgraced when 11th in a bunch finish to the G1 Breeders’ Cup Mile at Churchill Downs in November, the homebred had returned to be third under a five-pound penalty in the G3 Earl of Sefton S. over nine furlongs here Apr. 18 before his Lockinge heroics at Newbury a month later. Off the beat when seventh in the Queen Anne at the Royal meeting June 18, he had probably found the 10-furlong trip of Sandown’s Eclipse beyond him last time July 6.

Sheikh Hamdan bin Rashid Al Maktoum’s racing manager Angus Gold commented, “After the Eclipse he came back very sore and Michael said it looked bad for a while. We thought he might have fractured his pelvis and weirdly they scanned him and there was nothing and he came sound surprisingly quickly. They eased their way back into work with him and he has been fine ever since.” Another tilt at the Breeders’ Cup Mile was always going to come into the debate if he negotiated this obstacle and Gold was playing the waiting game on that afterwards. “I’m sure the question will come up about the Breeders’ Cup, but I don’t know as we’ve not discussed it,” he added. “We had to see how he come back from his last injury and he has come back pretty good. Whether Sheikh Hamdan lets him go aboard or keeps him for next year is his decision. He is helped by a fantastic attitude. He loves his work and being back at the races. He is a lovely horse to have. He has had so many problems over his career, but when he is good he is good.”

Mustashry is a half-brother to Munaaser (GB) (New Approach (Ire)), who started out with this stable before heading to the Middle East and finishing runner-up in the G3 Abu Dhabi Championship. She produced the smart listed-winning sire Tazahum (Redoute’s Choice (Aus)), while the third dam Mathaayl (Shadeed) is a half to the G3 Princess Margaret S. winner Muhbubh (Blushing Groom (Fr)) and a close relative of the Australian champion sire Twig Moss (Fr). STRONG VIBES IN THE CORNWALLIS

Not far away at this level during the summer, Paul and Clare Rooney’s Good Vibes (GB) (Due Diligence) found everything clicking in Friday’s G3 Newmarket Academy Godolphin Beacon Project Cornwallis S. Third in the six-furlong G2 Lowther S. at York Aug. 22 before running below-par after the first two furlongs and stayed in the heat of battle before being attacked by Pistoletto (War Front) a furlong from home. Rallying gamely to work her way past Ballydoyle’s ‘TDN Rising Star’ with 100 yards remaining, she stayed on to secure a neck success, with Jouska (GB) (Cable Bay {Ire}) closing to be a half length away in third.

“She’s often done too much in the preliminaries, so today they took precautions to get her nice and relaxed and led us to the start and it made all the difference and paid dividends,” jockey Richard Kingscote said. “The ground is quite tacky and there is not too much feedback in it. She did lug left, as she has done a few times before but we once met Ryan’s horse she was always going straight after. She’s a good battling type who is quite a strong filly and has the potential there to keep going if her mind stays right.”

Good Vibes was targeted at Royal Ascot following her success in the Listed Marygate S. over this trip at York May 17, but had to miss the Queen Mary and may have been short of her best when fifth in the G3 Princess Margaret S. tackling six furlongs on Ascot’s King George card July 27. Disappointing when seventh in Newbury’s Listed St Hugh’s S. back at five Aug. 16, the bay was under two lengths behind Living In the Past (Ire) (Bungle Inthejungle {GB}) in the Lowther before failing to fire in the Dick Poole in which the subsequent G1 Cheveley Park S. heroine Millisle (Ire) (Starspangledbanner {Aus}) was in second.

Pedigree Notes

Having become the first black-type winner for her sire in the Marygate, Good Vibes is out of the Weatherbys Super Sprint runner-up Satsuma (GB) (Compton Place {GB}) who is a half to the G2 Flying Childers S. runner-up Astrophysics (GB) (Paco Boy {Ire}). From the family of the GI Hollywood Derby runner-up Sebastian Flyte (GB) (Observatory) and the G3 Ballyogan S. scorer Age of Chivalry (Ire) (Invincible Spirit {Ire}), her yearling filly by Adaay (Ire) sold for £100,000 to Clive Cox at the recent Goffs UK Premier Yearling Sale, while she also has a filly foal by Territories (Ire).

ROSE OF KILDARE TOO TOUGHC IN OH SO SHARP

Steadily scaling the heights during a laborious campaign, Rose of Kildare (Ire) (Make Believe {GB}) drew on all her experience and still-unexhausted reserves of talent to defy a penalty in Friday’s G3 Godolphin Lifetime Care Oh So Sharp S. at Newmarket. Handed an extra three pounds courtesy of her success in the six-furlong G3 Firth of Clyde S. at Ayr Sept. 21, the Kingsley Park syndicate’s bargain €3,000 purchase proved that her rate of progression under a constant workload remains hard to measure. Restrained early by Jo Fanning behind the leading trio, the bay made a strong move to the front two out and was tenacious as she held off the a pair of Jessie Harrington raiders on one side and Separate (Ire) (Cable Bay {Ire}) on the other. At the line, the 12-1 shot had a neck to spare over Valeria Messalina (Ire) (Holy Roman Emperor {Ire}), with the same margin back to Separate in a tight finish.

“She’s tough and tries and is getting better with racing,” the winning rider said. “She had run some good races this year, but I didn’t think she was the type to come and win two Group 3s. Every race, she’s given me a better feel and is a big filly so hopefully there is more to come next year.”

Prior to Friday, Rose of Kildare had tackled this seven-furlong trip only once when eighth behind Pinatubo (Ire) (Shamardal) in the Listed Chesham S. at Royal Ascot June 22 but had always given the impression she was capable of staying further than sprint trips. Dead-heating with Graceful Magic (GB) (Gutaifan {Ire}) giving her five pounds in a six-furlong nursery on the July Course here Aug. 3, she was beaten two necks by the useful Owney Madden (GB) (Oasis Dream {GB}) and Troubadour (Ire)
(Poet’s Voice {GB}) in another competitive nursery at York Aug. 21. Fourth in another of those at Goodwood Sept. 3, she beat Graceful Magic under another improved effort in the Firth of Clyde but the logical expectation was that the progression had to have found its ceiling.

Trainer Mark Johnston is well accustomed to seeing such stories evolve from his Middleham yard and said, “It’s the age old story and we have been here before with the likes of Masham Star. Is it the fact they are tough because they have run 12 times, or the fact that running 12 times has made her tough? There is nothing that keeps them sound and tough like regular racing. I have to admit if she wasn’t a €3,000 filly she would not have run so much earlier on. She just came there on the bridle two out and the further she went, the better she got. We will look at the English Guineas and something like the German Guineas as a fall-back.”

Pedigree Notes

Rose of Kildare’s dam Cruck Realta (GB) (Sixties Icon {GB}), whose yearling colt by Kingman (GB) is due to sell at the upcoming Tattersalls October Book 2 Sale and who has a foal full-sister to the winner, captured the Listed Ballymacoll Stud S. and hails from the family of the G1 Irish St Leger hero Ibn Bey (GB) (Mill Reef) and the G1 Yorkshire Oaks heroine Roseate Tern (GB) (Blakeney {GB}). The latter is in turn the dam of the Listed Pretty Polly S.-winning pair of Esloob (Diesis {GB}) and Siyadah (Mr. Prospector), while another half-sister Cerise Bouquet (GB) (Mummy’s Pet {GB}) threw the G3 Prestige S. winner and G1 Poule d’Essai des Pouliches third Red Camellia (GB) (Polar Falcon).

PINATUBO READY FOR CROWNING MOMENT

Newmarket’s Future Champions card on Saturday is suitably graced by Godolphin’s unbeaten headline-grabbing Pinatubo (Ire) (Shamardal) in the feature G1 Darley Dewhurst S. and there will be shockwaves emanating from this edge of Suffolk if the equilibrium is disturbed. Set tasks of varying degrees of difficulty demanding true versatility on Wolverhampton’s Tapeta, Epsom’s convoluted circuit, the hubbub of Royal Ascot Saturday and opposing tests of Goodwood and The Curragh, the homebreds who, like his French counterpart Earthlight (Ire) (Shamardal) is bred to be more of a middle-distance performer, has simply put his head down and succeeded with increased fervour each time. Already drawing comparisons with Frankel (GB), albeit only at this comparative stage of their careers, he does not need to replicate his latest effort when spreadeagling the G1 Goffs Vincent O’Brien National S. field to cap a momentous season for the operation whose distinguished royal blue he bears.

Cont. p9
Dewhurst S. cont.

Charlie Appleby deserves credit for not wrapping up Pinatubo already and is hoping to get the right result on the track he will have to conquer on his first real 3-year-old examination in May. “Pinatubo has been as straightforward as always in his preparation for this race. There is no such thing as an easy Group 1 and we are respectful of the opposition but, on the formbook, he is the one they all have to beat,” he said. “He has taken his races well and has strengthened up—he appears to be maturing with each run—while he is versatile in terms of ground. Newmarket can catch a few horses out. As much as we feel that Pinatubo has plenty of experience on undulating tracks, we won’t know if he will handle the dip at Newmarket until he races on it. He hasn’t put a foot wrong in all his starts to date and I am confident that he has the experience to cope with it.”

As ever, Aidan O’Brien is well-represented in the Dewhurst, a race he has won on six occasions and three times in the last four runnings. Interestingly, in 2017 he saddled a one-two-three without supplying the favourite and in 2016 he had the one-two with two of the five filling the frame priced at 50-1 and 66-1. It is usually the case that his juveniles are peaking only now and in Wichita (Ire) (No Nay Never) he is responsible for an impressive course-and-distance winner after Derrick Smith’s colour-bearer dominated the Sept. 26 G3 Tattersalls S. Arizona (Ire) (No Nay Never) is a G2 Coventry S. winner, ‘TDN Rising Star’ Monarch of Egypt (American Pharoah) is Group 1-placed and Year of the Tiger (Ire) (Galileo (Ire)) is almost certainly better than his last two starts trading at 100-1 in places.

It is also intriguing that Clive Cox feels the need to take on Pinatubo again with Alan Spence’s Positive (GB) (Dutch Art (GB)) despite being beaten five lengths by the Godolphin heavyweight in the G2 Vintage S. at Goodwood July 30. Subsequently successful in Sandown’s G3 Solaris S. Aug. 31, his presence adds crucial strength to the race which could easily have turned into a Pinatubo vs Ballydoyle affair. “Positive has done really well since he won the Solaris,” his trainer said. “He had a proper race that day and also impressed us very much when coming up against Pinatubo on his previous run. Like everyone else I have been extremely taken with Pinatubo, there’s no disputing his quality, but I am hopeful that Positive can show the necessary improvement to close the gap to him.” Cont. p10
Dewhurst S. cont.
Cox believes the rain may help bridge that deficit and added, “We have had a dry summer, so my opinion may be based more on theory than fact, but I would like to think that Positive will be at home on the type of easier ground he is likely to encounter on Saturday. The Dewhurst is a benchmark race which points forward to next year’s Classic contenders and, while I appreciate it is a hot contest again this year, I am very happy that I have a colt good enough to be in the line-up. My only two previous runners have both been placed [Kodi Bear was second in 2014 and Xtension third in 2009] and Positive is a nice horse who is still on an upward curve.”

Newmarket’s pattern-race action begins with the Zetland over 10 furlongs, a race that lost its listed status in the last decade before being revived and upgraded now as a Group 3. Again Godolphin show their appetite for success in this age group with Volkan Star (Ire) (Sea the Stars {Ire}), who scored by six lengths over a mile at Goodwood Aug. 23. Trainer Charlie Appleby commented, “Volkan Star had a good break after winning nicely at Goodwood and we are looking forward to stepping him up to this trip. His preparation has gone well and he looks a nice middle-distance horse for the future.”

In a fascinating edition of the race, John Gosden supplies Westerberg’s unbeaten filly Miss Yoda (Ger) also by Sea the Stars while Aidan O’Brien saddles the impressive Sept. 26 Gowran maiden winner Mythical (Fr) (Camelot {GB}). Also there is the McNeill Family and Ian Dale’s Tritonic (GB) by Sea the Stars’s son Sea the Moon (Ger) and he comes into this on the back of a win in Newbury’s prestigious Haynes, Hanson & Clark Conditions S. Sept. 20.

Next up is the G3 Dubai Autumn S., where Godolphin are double-handed with the Solario third Al Suhaib (GB) (Dubawi {Ire}) for Charlie Appleby and the Saeed bin Suroor-trained Military March (GB) (New Approach {Ire}). The latter took his sole start over seven furlongs on the July Course here July 27 and the form of that contest has worked out well. “We gave Military March a break following his win on the July Course and he has strengthened up,” his trainer explained. “This is a big step up, but he is in good form and this race will tell us about his future.”

Ballydoyle present the authoritative Sept. 17 Galway maiden scorer Persia (Ire) (Galileo {Ire}), while John Gosden saddles another in the Michael Tabor silks in the seven-furlong Ascot and Newbury novice winner Cherokee Trail (War Front). Sheikh Hamdan bin Rashid Al Maktoum’s Molatham (GB) (Night of Thunder {Ire}) beat Wichita in the Listed Flying Scotsman S. over seven furlongs at Doncaster Sept. 13 and trainer Roger Varian is happy he will stay the mile that his sire excelled over in the 2014 2000 Guineas.

“The horse is in great form and I think he’s improving,” he said. “He looks very well and his work has been very good. I think he’ll handle the forecast conditions. He’s got to prove he stays the mile, but he’s a very relaxed horse and I’d like to think he has every chance of doing so.”

BSW, Crow On The Board At Tatts cont. from p1

On day three they signaled their intentions by picking up the first filly through the ring, a 90,000gns daughter of Muhaarar (GB) (lot 369), and they rounded out the session with a filly by Sea The Moon (Ger) for 110,000gns (lot 428); a 280,000gns Lope de Vega (Ire) filly (lot 432); and a daughter of Zoffany (Ire) for 270,000gns (lot 486). The team intends to continue shopping at Book 2.

As Weisbord acknowledged, the trailblazers of the Tattersalls to America path have been the likes of Peter Brant and Klaravich Stables; and Chad Brown, trainer of Newspaperofrecord (Ire) (Lope De Vega {Ire}) among others. But he can himself testify to the transferability of European blood to the American theatre, having partnered with Nicolas de Watrigant to import older horses already in training--Uni (More Than Ready), being the latest to vindicate that strategy. “But when we started with Nic, in 2015-16, the average purchase was $200,000," Weisbord says. "It’s now closer to $450,000. A lot of people have caught onto it.”

So the purpose of this latest enterprise is to get into the market at an earlier and less expensive stage of the cycle, banking on the eye that found champion Monomoy Girl (Tapizar) for just $100,000.
BSW, Crow cont.

"With Liz's success, buying both grass and dirt horses, this was a pretty easy fit," Weisbord explains. "When Liz started in 2015, I wasn't buying many unproven horses: weanlings, yearlings, 2-year-olds. I was focusing generally on private horses, stallion syndication and racehorse management. She'd been honing her eye over the previous years and said: 'I can do this, we just need to find the clients.' So we put together a group and in the first year she came up with a champion. Some people could say: 'One time, you can get lucky.' But she's backed it up virtually every sale she has shopped at. These horses have limited to no pedigree, they cost $40,000-$100,000. There's no longer luck involved. That's given us confidence, so a few months ago I said: 'Hey, why don't we go to Tatts and buy some yearlings for grass, because these horses we're buying privately are now costing so much money.'"

The obvious question for Crow is how she might be altering her specifications, given the different demands awaiting yearlings exported from here over the next couple of weeks.

"I'm trying to find a physical that can stand up to dirt training and tight turns," she explains. "If they're going to have to do that every day, they've got to be pretty correct in their knees, and not too upright, with enough bone. Some of the physicals here wouldn't be able to withstand the training in America, so I'm eliminating those right away. But actually I've been impressed with a lot of them, I've seen a lot more quality here than you see with most of our turf stallions.

"Our clients in America want to win dirt races for the most part, and [for those types] you're still searching for the same quality here. But turf racing is really expanding in the U.S., with the [Turf Trinity and Turf Tiara] and a lot more money on turf than even three or four years ago. And we don't have many very good turf sires."

She and Weisbord naturally exempt Kitten's Joy, albeit even he has struggled to match his stock's terrific record on the track as a sales sire. And Weisbord notes that even a turf runner as outstanding as Bricks And Mortar (Giant's Causeway) will be emigrating to Japan for his stud career. (Shadai Farm's acquisition of breeding rights was reported in August.)

"Close to half the money in America, in races for $50,000 or more, is now on the turf," he remarks. "The breeding people are behind on this measure. If we can't retain a horse like Bricks And Mortar, with some dirt breeding, that's embarrassing. So we've come here to find the best turf pedigrees we can."

Weisbord is also scouting a niche in the local market, in that he won't be contesting precocious types. "We're not looking for Royal Ascot 2-year-olds," he stresses. "The money for turf horses in the U.S. is long, it's a mile plus." Cont. p12

**Tattersalls October Yearling Sale Book 1 (IN GuineaS)**

```
The Tattersalls October Book 1 turnover took a slight hit after eight years of growth, but the 102,429,000gns returned was nonetheless still the second-highest gross in the sale’s history. Unprecedented American participation was an aid to the middle market, while a few Coolmore/Godolphin clashes made dreams come true for sellers. Sheikh Mohammed’s spend of 17.575-million gns accounted for 17% of the Book 1 aggregate."

Crow had been heartened, before the sale, to find that her shortlist was not landing her on the obvious sires or families.

“I’ve enjoyed it a lot, especially being so ahead of the curve timing-wise,” she says. “I’ve never turned in a vet list a whole 48 hours before the sale begins. In America they sell 400 a day, there are so many horses shipping in and you’re always so rushed. I am used to moving at a very quick pace. Here I’m so relaxed I’m having tea four times a day.”

Weisbord is candid in his ambition, setting out his stall to become a national leader in sales consignment, and recognizes the value of spreading the BSW brand.

“I think it's important to get around the world, seeing familiar faces that have been clients, both sellers and buyers,” he says. “So what we're doing here plays a double role: we can find some runners, and try to branch out. We could be a seller here at Tattersalls, in a year’s time, or in France. Who knows? If we won a good race with something from this group of yearlings, we might return it to the sales grounds. That’s in the back of our minds too.

"Our owners have supported all our new ventures and been successful. They supported Liz, buying yearlings; they supported Elite, selling horses; they've supported buying European horses, to race over America. It can always change, but it seems to have great momentum at the moment."

WADDIESDON TO DISPERSE AT TATTS

The Rothschild Family’s Waddesdon Stud will disperse its stock at Tattersalls sales over the coming years, beginning with a 16-lot draft handled by The Castlebridge Consignment at the Tattersalls December Mares Sale from Dec. 2 to 5. Eight of the 14 mares on offer—the other two are fillies in training—are group or listed winners, while the other six are all daughters of or sisters to Group 1 winners.

Heading the initial group is Thistle Bird (GB) (Selkirk)—winner of the 2014 G1 Pretty Polly S. for Lady Rothschild—in foal to Kingman (GB). Thistle Bird won six stakes in total, and will be joined in the draft by her dam Dolma (Fr) (Marchand De Sable) in foal to Sea The Moon (Ger). Stakes producers Magical Romance and Spinning Queen will be offered in foal to Gleneagles (Ire) and Nathaniel (Ire), respectively, while mares from the immediate family of Nathaniel, Playful Act (Ire) and Great Heavens will be offered.

James Wigan said on behalf of the Rothschild family, “The 14 mares and two fillies going to this year’s Tattersalls December Mares sale will be followed in 2020 by the 2019 Waddesdon Stud foals, which will be sold at Tattersalls as yearlings. In addition, it is the plan that the remaining breeding stock, including Irish Oaks winner Great Heavens, and horses in training will also head to the appropriate Tattersalls sales next year, completing the Waddesdon Stud Dispersal.

“Lady Rothschild loved her racing and was a highly enthusiastic and successful breeder and the quality of the stock reflects her commitment to breeding the very best. She and her family have enjoyed a long association with Tattersalls and the uniquely international sales at Park Paddocks will provide the best possible showcase for the Waddesdon Stud Dispersal.”

Tattersalls Chairman Edmond Mahony added, “The late Lady Rothschild assembled an outstanding band of broodmares and enjoyed some wonderful successes in recent years, perhaps most notably with Enable’s sire Nathaniel, when he won the King George VI and Queen Elizabeth S. at Ascot and the Eclipse S. at Sandown in her famous colours. It is fitting that two of Nathaniel’s sisters will be amongst the highlights of this first stage of the Waddesdon Stud dispersal which we are proud to be conducting on behalf of the Rothschild family.”
Dubawi (Ire), a yearling filly by Dubawi (Ire) and a colt foal by half-sister to MGSP Listed Valiant S. victress Duneflower (Ire) G2 Rockfel S. third Desert Blossom (Ire) (Shamardal), she is a second winner from as many foals of racing age produced by Waliyak (Fr) (Le Havre {Ire}) by 1 1/4 lengths. The dam, who raced in Anne Marie O’Brien’s colours and was best on Dundalk’s Polytrack, has already produced the G3 Brownstown S. third Damselfly (Ire) (Power (GB)). Alexander James, who failed to score in three outings since snagging an Apr. 29 debut success at Southwell for Iain Jardine, lined up for this stakes bow returning off a Sept. 25 conditions score going one mile for new connections at Maisons-Laffitte.

Racing in a forward second from flagfall, he was nudged along passing the quarter-mile marker and kept on resolutely under a drive once locking horns with Rocquemont approaching the final eighth to secure a career high in a bobbing finish.

Alexander James is the lone scorer produced by a winning half-sister to MGSP G2 Flying Childers S. placegetter Kissing Lights (Ire) (Machiavellian) out of Listed National S. third Nasaieb (Ire) (Fairy King). The latter is, in turn, a half-sister to G3 Solario S.-winning sire Raise a Grand (Ire) (Grand Lodge) and the stakes-placed Royal Aty (Ire) (Royal Academy). He’s a big raw horse and was unsuited by a stiff mile on heavy ground. He won’t be a horse until next year and at home I’ve thought he’s a stakes horse. He looks a nice horse and we could aim him at the Guineas Trial here in the spring and make a plan after that. It’s a long way to a Guineas, but he’s the only one I have entered and that’s because I thought so much of him at home. YOUNG GUNS CLASH AT SHA TIN

by Alan Carasso

Saturday’s nominal feature at Sha Tin up the 1000-metre isn’t your average Class 2 handicap, as it has drawn a pair of upwardly mobile and lightly raced runners, each with designs on making an appearance in the G1 Longines Hong Kong Sprint a little less than two months down the road.

In this corner comes the John Moore-trained Aethero (Aus) (Sebring (Aus)), a romping winner of his three starts late during the 2018/2019 season, but who surrendered his perfect record when rolled into third as the $1.50 favourite in a 1200-metre test Oct. 1. Off only fairly from a low draw, the hulking chestnut was caught in traffic for a fair portion of the trip and refused to settle for Zac Purton. He offered a bit of a rally once into the clear with about 300m to travel, but the race was lost by then, as he was beaten four lengths.

Despite the outcome, trainer John Moore remains bullish on the 3-year-old, who reminds many of former stable star Able Friend (Aus) (Shamardal).

“Aasily is right with him,” Moore told the HKJC’s David Morgan Friday morning. “His work rider Romain [Clavreul] went around on him earlier this morning and said he’s raring to go, and his work leading into that has been good.

“This race wasn’t in the plans originally but when we found he’s still a work in process, as far as racing in among horses, this race was one to get a few more ratings points on the board.”
Young Guns Clash at Sha Tin cont.

In order to do so, Aethero will have to deal with Voyage Warrior (Aus) (Declaration of War), like his market rival a winner of three from four to date, but having his first run of the season Saturday. Heavily favored in each of his appearances, all at this minimum trip, the 4-year-old went down to defeat at the hands of Aethero’s stable companion Thanks Forever (Aus) (Duporth (Aus)) May 26, but closed his first preparation on a winning note as the $1.20 jolly June 23. Zac Purton has been aboard Aethero in all four of his starts, but had committed to Voyage Warrior long before Aethero was re-routed to this heat.

“John Moore’s horse is only three, they’re on a similar rating and I see my horse being a year older as an advantage. He’ll run a tremendously good race—that’s how I see it,” trainer Ricky Yiu said. “We have the tongue tie on to help him relax. He has tons of speed but he’s done it all so easily, he’s automatic. He’ll be up there where he’s happy, maybe roll to the outside rail. Zac is a champion jockey, he’s won on him before so he’ll know what to do.”

Winx (Street Cry {Ire}) has won the Australian Horse of the Year for an unprecedented fourth time.

She was also named the champion middle distance performer for the season at a ceremony in Hobart on Thursday, the same night she was honoured with the Spirit Of Sport award at the Sport Australia Hall of Fame in Melbourne.

Winx's trainer Chris Waller was again recognised at the Horse of the Year awards as the country's leading Group 1 trainer and her rider Hugh Bowman the leading jockey.

The 3-year-old winners were Sunlight (Zoustar) who was named best filly and The Autumn Sun (Redoute's Choice) best colt or gelding.

Godolphin Australia produced the top 2-year-old, G1 ATC Sires' Produce S. winner Microphone (Exceed And Excel).

Godolphin's Cross Counter (GB) (Teofilo {Ire}), the first English-trained horse to win the G1 Melbourne Cup, was the champion stayer and the champion sprinter award went to the Anthony Freedman-trained Santa Ana Lane (Lope De Vega {Ire}).

**McLean Suspended**

Group 1 winning trainer Jarrod McLean has been suspended by Racing Victoria stewards until police charges, including animal cruelty, are finalised in court.

McLean fronted RV stewards on Thursday after being charged a day earlier by the Victoria Police Sporting Integrity Intelligence Unit.

He is facing multiple counts of engaging in torturing, abusing, overworking and terrifying a thoroughbred racehorse; and causing unreasonable pain or suffering to a thoroughbred racehorse.

McLean is facing 16 charges, which also include conduct that corrupts betting outcomes and possessing cocaine.

RV stewards on Thursday opened three separate inquiries involving McLean, registered stable employee Tyson Kermond and licensed jockey agent and registered stable employee William Hernan.

Kermond was charged by police with six animal cruelty offences and one count of conspiracy to defraud Racing Victoria with Hernan facing one charge of corrupt conduct.

All four are due to appear in Melbourne Magistrates court on October 23.
BROWN TRIO LOOM LARGE IN QEII

Trainer Chad Brown will saddle three talented fillies, led by 8-5 morning-line favorite Cambier Parc (Medaglia d'Oro), in Saturday's GI Queen Elizabeth II Challenge Cup S. at Keeneland.

The bay, a $1.25-million KEESEP graduate, captured her third graded contest and first at the highest level with a powerful come-from-behind tally in the GI Del Mar Oaks last time Aug. 17. The OXO Equine colorbearer also has wins in the GIII Herecomesthebride S. and GIII Wonder Again S. on her resume.

Paul Pompa Jr.'s 'TDN Rising Star' homebred Regal Glory (Animal Kingdom) enters riding a three-race winning streak following her dead-heat victory with Varenka (Ghostzapper) in the GII Lake Placid S. at the Spa Aug. 17.

Cafe Americano (Medaglia d'Oro) rounds out the Brown trio. The Peter Brant colorbearer came from out of the clouds to capture the GIII Pucker Up S. at Arlington last time Aug. 10. Brown has won this race with Breeders' Cup winners Dayatthespa (City Zip) in 2012 and 'TDN Rising Star' Rushing Fall (More Than Ready) last year.

Godolphin homebred and French Classic heroine Castle Lady (Ire) (Shamardal) figures to attract plenty of attention at the windows in this first trip across the pond.

DENNIS’ MOMENT FIRES BULLET

'TDN Rising Star' Dennis' Moment (Tiznow) blazed five furlongs in bullet :58:80 (1/42) as he prepares for next month's GI Breeders’ Cup Juvenile.

“It gave me goose bumps watching him work today,” said trainer Dale Romans (click for video, courtesy KY HPBA). “He just went so easy... When [rider] Tammy [Fox] started off, I thought she was going too slow. I was starting to get a little aggravated, and Big John (Nichols, clocker) started clicking off the times. It just looked like he was galloping.”

The Albaugh Family Stables colobearer was last seen taking the GIII Iroquois S. under the Twin Spires Sept. 14. He galloped out Friday in 1:11 3/5 for six panels and went internal splits of :22 2/5 and :46 3/5.

**PENNSYLVANIA - INTEGRITY FIRST**

Leading the way in testing & aftercare.
Queen Elizabeth II Challenge Cup cont. from p1
The bay, from the family of GI Breeders’ Cup Classic winner Raven’s Pass (Elusive Quality), began her career with three straight victories, led by a narrow win in the prestigious G1 Emirates Poule d’Essai des Pouliches May 12. She adds Lasix for this first appearance since a fifth-place finish in the G1 Coronation S. at Royal Ascot June 21.

Dennis’ Moment Fires Bullet cont. from p1
“His rhythm, how smooth he is, it’s different than watching most horses,” Romans said. “You can tell how fast most horses are going. It just looks like he’s skipping over the ground, he’s so efficient. And you could tell, turning for home, he just picked it up again when he switched to the right lead. The last 100 yards, he just looked like he accelerated and didn’t want to slow down.”

Dennis’ Moment is scheduled to fly to California Oct. 20 and will have his final pre-race breeze at Santa Anita Oct. 25. He is expected to vie for favoritism with fellow ‘Rising Star’ and GI American Pharoah S. winner Eight Rings (Empire Maker), and last week’s impressive GI Claiborne Breeders’ Futurity hero Maxfield (Street Sense).

“I think we’ve got a great shot,” said Albaugh Family Stable racing manager Jason Loutsch. “Our horse is training tremendously, and we’re going with a tremendous amount of confidence. Obviously Mr. Baffert has a very talented one out in California [in Eight Rings], but we’re not backing away. The way he’s been training and his numbers from the races he’s been in, they all fit really well.”
DESERT ENCOUNTER SEEKS REPEAT IN PATTISON CANADIAN INTERNATIONAL
by Alan Carasso

European raiders have won nine of the last 10 runnings of the GI Pattison Canadian International S. at Woodbine and the visitors have strength in numbers as they look to add to that total this weekend.

Desert Encounter (Ire) (Halling) invaded from England for the always-dangerous David Simcock yard and walked out of town with a one-length victory in last year’s International. Still going strong as a 7-year-old, the bay enters his title defense in arguably better form than he did 12 months ago, with consecutive victories in the G3 Glorious S. at Goodwood Aug. 2, the G3 Winter Hill S. at Windsor Aug. 24 and a one-length defeat of Pivoine (Ire) (Redoute’s Choice {Aus}) in the Sept. 23 Legacy Cup at Newbury. Desert Encounter won the latter event before finishing a close third last season.

Pivoine defeated 20 rivals to scoop the John Smith’s Diamond Jubilee Cup H. at York in July, but was never dangerous when fifth, beaten over six lengths, by Bricks and Mortar (Giant’s Causeway) in the GI Arlington Million in August. The King Power runner was ninth in the G3 September S. over Kempton’s all-weather track before outrunning 14-1 odds to be second at Newbury.

The most recent North American-based horse to annex the International was the late Bullards Alley in 2017, and his full-brother Nessy (Flower Alley) will look to try to follow suit Saturday. A Keeneland allowance winner in April, the Sierra Farm homebred was a gaining third in the GII Louisville S. over this trip May 18. Seventh in the Kentucky Downs Preview Turf Cup Aug. 4, he gave a good account of himself in this track’s GI Northern Dancer S. Sept. 14, charging from last of six to finish second to the GI Breeders’ Cup Turf-bound Old Persian (GB) (Dubawi {Ire}).

Ziyad (GB) (Rock of Gibraltar {Ire}) is the even-money favorite on the morning line courtesy of his last-out, half-length success in the G2 Grand Prix de Deauville Aug. 24, his lone victory from six runs this term. Prior to that effort, the Wertheimer homebred finished second in the G1 Grand Prix de Saint-Cloud, a neck behind the talented Coronet (GB) (Dubawi {Ire}) and a nose ahead of Lah Ti Dar (Ire) (Dubawi {Ire}).

Si Que Es Buena | Susie Raisher

When last she was spotted at a racetrack, Takaya Shimakawa’s Si Que Es Buena (Arg) (Equal Stripes) was running her stateside record to two wins from three appearances with a 15-2 upset of favored Santa Monica (GB) (Mastercraftsman {Ire}) in the GIII La Prevoyante S. on the Pegasus World Cup undercard at Gulfstream Park Jan. 26. The 6-year-old makes her return to the races in Saturday’s GI E. P. Taylor S. at Woodbine, a move that can be viewed in a positive light under the circumstances.
E. P. Taylor cont.

A Group 3 winner in Peru in May 2018, Si Que Es Buena made a favorable impression in the 11-furlong GIII Long Island S. at Aqueduct last November, covering her final three furlongs in :35.11 to be beaten a length for all of it in fourth. The bay cut back to 9 1/2 furlongs and handed Holy Helena (Ghostzapper) a neck defeat in the Dec. 29 Via Borghese S. before getting through the soggy Gulfstream turf nicely to take the La Prevoyante by a length. Trainer Graham Motion has yet to win the E. P. Taylor, but strikes with 23% of his runners returning from a six-month or more absence, according to DRF Formulator.

Sheikh Mohammed Obaid al Maktoum took down last year’s E. P. Taylor with then 3-year-old filly Sheikha Reika (Fr) (Shamardal) and the owner is represented here by homebred Imperial Charm (GB) (Dubawi [Ire]). Just a maiden winner from eight trips to the post, the bay was a close fourth in the G1 Poule d’Essai des Pouliches May 12 and improved by one spot in the G1 Prix Saint Alary two weeks later. She was the beaten favorite when third in the June 29 G3 Prix Chloe and when trying her elders for the first time in the Listed Prix de la Cochere at ParisLongchamp Sept. 5. Andrea Atzeni, who was aboard Sheikha Reika last year, has the call.

Starship Jubilee (Indy Wind) has a local record of 12-5-1-1 and has recorded her two best career Beyers in winning back-to-back renewals of the GII Canadian S., including this year’s event Sept. 14. The former claimer was fourth to Sheikha Reika last year after setting the pace into the final quarter-mile.

Joseph O’Brien makes his Woodbine debut with Red Tea (GB) (Sakhee), the easy two-length winner of the G2 Kilboy Estate S. at the Curragh July 21 ahead of a longshot third to the aforementioned Coronet in the G1 Prix Jean Romanet at Deauville Aug. 18.

NOVEMBER WED. 6 - SUN. 17
GIII Buffalo Trace Franklin County S. cont.
Joel Rosario was able to guide Oleksandra in between those foes in the vicinity of the sixteenth pole, and she kicked away under a hammerlock from there.
“She just relaxed, and then she came with a big run,” said Rosario, who rode Animal Kingdom to victory in the 2013 G1 Dubai World Cup. “She had a tremendous turn of foot. It seemed like I had room to go through [an opening between rivals]. She was just rolling at the end.”

On the board in each of her three starts in her native Australia for Bjorn Baker, Oleksandra rallied to take her Stateside unveiling at Santa Anita last October, and cleared her first-level allowance condition there two starts later in January. Fifth back at that venue in February, she resurfaced to take a pair of optional claimers at Belmont in May and June, respectively, but settled for third as the favorite when making her graded stakes debut in Woodbine’s GII Royal North S. July 21. The homebred proved she could get up over this sharper 5 1/2-furlong trip when annexing Saratoga’s Smart N Fancy S. Aug. 17, and was most recently third behind Morticia in the GIII Spendthrift Farm Ladies Sprint S. over an additional furlong at Kentucky Downs Sept. 7.
“She had such a head of steam,” Barry Irwin said. “You knew she had the energy, but whether there was room ... Usually [Rosario] won’t go in a place where he’s not going to get out. I felt pretty confident he was on it.”

As for whether Oleksandra might be supplemented to the GI Breeders' Cup Turf Sprint, Irwin said, “If I look at it from an intellectual point of view, the answer would be 'No.' When emotions get involved and a horse wins like this, anything is possible.”

Pedigree Notes:
Oleksandra becomes the fourth graded/group winner for her sire (by Leroidesanimaux {Brz}), who was also campaigned by Team Valor, as was dam Alexandra Rose. Alexandra Rose produced an Olympic Glory {Ire} colt in 2017 and a full-brother to Oleksandra Down Under in 2018.

ANIMAL KINGDOM RELOCATING TO JAPAN

Animal Kingdom (Leroidesanimaux {Brz}--Dalicia {Ger}, by Acatenango {Ger}), the 2011 GI Kentucky Derby winner and Eclipse Award-winning 3-year-old and hero of the 2013 G1 Dubai World Cup, will be relocated from Darley’s Kentucky base to join the stallion ranks at the Japan Bloodhorse Breeders’ Association. Darley’s Darren Fox confirmed the news to the TDN.

The chestnut, bred and raced by Team Valor, was a gallant second to dual Horse of the Year Wise Dan (Wiseman’s Ferry) off an eight-month absence in the 2012 GI Breeders’ Cup Mile and the following month, it was announced that Arrowfield Stud had acquired a majority interest in the stallion, with an eye on beginning his stud career in September 2013. Following his victory in the World Cup, it was announced that Darley had acquired an interest in Animal Kingdom, enabling him to shuttle to Kentucky.

From three crops to race in each hemisphere, Animal Kingdom is the sire of 12 black-type winners and five at the group/graded level, including G1 Australian Derby victor Angel of Truth (Aus). His U.S. graded winners include Regal Glory, who is entered for Saturday’s GI Queen Elizabeth II Challenge Cup at Keeneland; Friday afternoon’s GIII Buffalo Trace Franklin County S. heroine Oleksandra (Aus); Untamed Domain, runner-up in the 2017 GI Breeders' Cup Juvenile Turf; and Elsa. Cont. p7
Animal Kingdom cont.

Shadai Farm acquired Animal Kingdom's dam Dalicia in 2010 and has bred four winners from her, including the mare's current 3-year-old filly Satono Damsel (Jpn) (Deep Impact {Jpn}), undefeated in three career starts and entered for this Sunday's G1 Shuka Sho (2000m) at Kyoto. Satono Damsel's 6-year-old full-brother Satono Kingdom (Jpn) has won five of his 21 starts and is approaching $1 million in career earnings, while the unraced 2-year-old colt Deep King (Jpn) (Deep Impact {Jpn}) fetched ¥80 million (about $724,000) as a yearling at the 2018 JRHA Select Sale.

A service fee has yet to be announced.

STUD FEE UNCHANGED FOR OSCAR PERFORMANCE

The 2020 stud fee for Amerman homebred Oscar Performance (Kitten's Joy--Devine Actress, by Theatrical {Ire}) will remain at $20,000 LFSN, or $15,000 for multiple mares, Mill Ridge Farm announced Friday. Racing Lasix free, the 'TDN Rising Star' won the GI Breeders’ Cup Juvenile Turf and captured Grade I stakes at two, three and four. "He is a bona fide racehorse with an extraordinary pedigree blend, an exceptional physical, and a world record at a mile—undoubtedly the best American turf horse of his generation," Headley Bell said. "We believe he’s one to be excited about. A truly successful sire will be competitive whether grass or dirt and buyers are looking for that horse. Considering the timing and the talent, we believe Oscar Performance offers the best opportunity for success. As well, he has proven outstanding fertility with 90% of 118 mares bred."

**PROLIFERATE** (c, 3, Declaration of War--Rich City Girl, by Carson City) opened his account with a win on the Gulfstream lawn Dec. 30 and missed by a neck next out over that course Jan. 19. A well-beaten 10th when trying the main track and cutting back to six panels at Churchill Downs Sept. 14, he was dispatched at 4-1 in this return to his preferred surface. Riding the rail in mid-pack through a first half-mile in :47.12, the homebred moved into third rounding the bend. The dark bay made a three-wide bid to take control in the final sixteenth and charged clear for a 2 3/4-length success over Chewing Gum (Candy Ride {Arg}). Lifetime Record: 4-2-1-0, $77,238. Dismissed at 20-1 here, the gelding engaged in a three-way battle for control through a :22.82 first quarter and a :46.50 half. A joint second at the top of the stretch as Tench (Majesticperfection) attempted to go on with it, the bay collared that rival with a sixteenth left to run and coasted clear to win by 1 1/2 lengths. Firster Executive Branch (Bernardini) rallied strongly from well back to overtake Tench late for second. The winner is a half to Miss Tizzynow (Tiznow), SW, $135,569. Saving ground in fourth through the early stages, the dark bay slipped up the fence to take control rounding the far turn and kicked clear in the lane to win by 1 3/4 lengths. Hammered down to even-money this time, the homebred bobbed at the break, but recovered to sit back off the pace in second last, cabossing the body of the field through moderate fractions. Saving ground on the backstretch run, the dark bay tipped out at the top of the lane and surged past Empressive Reward (Warrior’s Reward) late for a one-length score. U.S.-BRED/SIRED RUNNERS IN JAPAN

In this continuing series, Alan Carasso takes a look ahead at US-bred and/or conceived runners entered for the upcoming weekend at the tracks on the Japan Racing Association circuit, with a focus on pedigree and/or performance in the sales ring. With the postponement of racing Saturday and Sunday in Tokyo due to the pending arrival of a typhoon, here are the horses of interest Sunday at Kyoto and for Monday at both Toyko & Kyoto:

3rd-KYO, ¥9,550,000 ($88k), Maiden, 2yo, 1400mT

MOZU AUNT MO (f, 2, Uncle Mo--A Footstep Away, by Giant’s Causeway) turned in a very promising debut effort over this trip at Hanshin Sept. 14, finishing second by 1 1/4 lengths after leading late (video, gate 4). The $200K Keeneland September yearling, a half to SW Two Thirty Five (Stay Thirsty), is out of a daughter of GSW At The Half (Seeking the Gold), dam of MGStakes & MGISP Lu Ravi (A.P.
