KEENELAND NOVEMBER BOOK 2 CONCLUDES

LEXINGTON, KY - The Keeneland November Breeding Stock Sale concluded its Book 2 section Friday in Lexington and figures remained in line with the auction’s 2018 edition. Larry Best continued to make his presence felt, going to a session-topping $775,000 to acquire a weanling filly by Curlin from the Indian Creek consignment.

“The quality today was similar to the quality yesterday,” said Keeneland’s Director of Sales Operations Geoffrey Russell. “I thought we had a good cross-section of international and domestic buyers. The international buyers are still here, some Japanese, some Europeans. The foal market was very strong today, spread between end-users and pinhooking partnerships. Overall, I think Book 2 ended pretty well.”

During the two Book 2 sessions, 448 horses sold for $66,257,000. The average of $147,895 was off 2.5% from the 2018 Book 2 figure of $151,684 and the median was down 4% to $120,000 from $125,000.

In 2018, 453 Book 2 horses grossed $68,713,000. A pair of mares brought the book’s top price of $750,000 and 21 sold for $400,000 or over. Eighteen hit that mark during the 2019 Book 2.

FERNUNG AND JOURNEYMAN STUD LOOK TO HELP LOWELL PROGRAM AT STALLION SHOW by Diana Pikulski

This year, the Stallion Show at Crystal and Brent Fernung’s Journeyman Stud is scheduled for Dec. 14 and it will be more than a chance to see Khozan (Distorted Humor), who is the fourth leading first-crop sire worldwide, and their newest addition, St Patrick’s Day (Pioneerof the Nile), a full brother to American Pharoah, as well Fury Kapcori (Tiznow).

Journeyman’s co-owner Crystal Fernung looks to add a new purpose to the mostly social atmosphere of the typical modern stallion show. This year’s event is also a fundraiser for the Second Chances Farm at Lowell Correctional Center where incarcerated women care for retired racehorses and participate in an intensive vocational training program in horse care.

During this year’s Book 2, 224 weanlings grossed $37,675,000 for an average of $168,192 and a median of $127,500. In Book 2 a year ago, 232 weanlings sold for $31,527,500, an average of $135,894 and a median of $105,000.

Bloodstock agent Arthur Hoyeau purchased Friday’s top-priced mare, paying $585,000 to acquire the 15-year-old Slewfoundmoney (Seeking the Gold) who was consigned by Warrendale Sales on behalf of Charlotte Weber’s Live Oak Stud. Warrendale and Live Oak Stud also sold the day’s second highest-priced mare, with China Horse Club paying $550,000 for the 14-year-old Daveron (Ger) (Black Sam Bellamy {Ire}).

“They had a little bit of age on them, but they are good mares for stallions owners to take to a first-season sire,” Russell said of the Live Oak duo. “They are multiple stakes producers and we are very pleased Mrs. Weber offered them here. I think the market respected them greatly.”

Through three sessions of the November sale, Keeneland has sold 634 for a gross of $139,307,000. The cumulative average is up 0.96% to $219,727 and the median is unchanged at $150,000. The buy-back rate stands at 22.49%. It was 22.76% at this point in 2018.

“It’s very difficult to buy in this market,” said bloodstock agent Mike McMahon. “It is a good time to sell foals. There don’t seem to be as many on the market as usual. Breeders may be keeping some. Mares are difficult to find. I have only bought one so far and here we are on the second day of Book 2. It is hard.”

The Keeneland November sale continues through Nov. 17 with sessions beginning daily at 10 a.m.
Best Pounces For Curlin

O XO Equine’s Larry Best has been quite active throughout both November Sales this week and despite being noticeably absent at Keeneland Friday, he still made his presence felt, going to a session-topping $775,000 for a weanling filly by Curlin (Hip 1039). Taylor Made’s Mark Taylor did the bidding with Best on the phone and Stonestreet’s John Moynihan was the underbidder.

“[Best] had already looked at her before he left,” Taylor said after signing the ticket. “She is a nice filly. We loved her. She had a great walk.”

Indian Creek raised and sold the chestnut filly on behalf of breeder Peter Redekop and the operation’s president Shack Parrish said she had always been a standout.

“She has always been very nice and straight forward,” said Parrish. “Up here, she has been an angel. She showed in the rain all day [Thursday] and it didn’t affect her.”

The horseman continued, “Special thanks to Alistair Roden, who represents Mr. Redekop and the operation’s president Shack Parrish said she had always been a standout.

“She was an early foal and they do such a wonderful job at Indian Creek,” Roden said. “She has been a superstar right from day one. She has been fantastic.”

Roden liked Hip 1039’s dam Fly to the Stars (Giant’s Causeway) so much, he bought her twice. The first time he got her for Dr. Ben Anderson for just $21,000 in foal to Street Boss at the 2017 Keeneland January Sale.

She was re-offered later that year at the Fasig-Tipton November sale, where Roden bought her on Redekop’s behalf for $125,000. The 16-year-old mare RNA’d for $300,000 carrying Hip 1039 at last year’s Keeneland November Sale, but sold to Springhouse Farm for $175,000 (Hip 1040) in foal to Street Sense Friday.

A half to two stakes winners, Fly to the Stars is also responsible for GSW The Tabulator (Dialed In) and SP Star Via Strada (Street Boss). Her now 3-year-old Annie Go Lightly (Take Charge Indy) brought $200,000 at the 2017 Fasig-Tipton October Sale and broke her maiden by almost 20 lengths earlier this summer. The chestnut also has a juvenile filly named Fly Away (Street Boss).

Live Oak Mare a Hot Commodity

It is not often breeders have the chance to purchase a producer of four black-type horses in foal to one of the hottest stallions in the country, but Keeneland buyers had just that in Slewfoundmoney (Seeking the Gold) (Hip 826), who was offered pregnant to Into Mischief. Many flocked to her, but it was Arthur Hoyeau left holding the ticket on a final bid of $585,000 for the 15-year-old mare from the Warrendale Sales consignment.

“She will stay in Kentucky,” said Hoyeau. “She was bought for a new client. She is already in foal to a very hot sire and has been a good and consistent producer. She ticks all of the boxes.”

Charlotte Weber’s operation purchased Slewfoundmoney’s MGSW dam Borodislew (Seattle Slew) for $750,000 at this auction 19 years ago. That mare also produced GSWs Seeking Slew (Seeking the Gold) and Canadian Frontier (Gone West).

A MSW & MGSP herself, Slewfoundmoney proved to be just as talented in the breeding shed, producing GSP Souper Lucky (Giant’s Causeway) right off the bat. Her next foal was MGSW & MGISP millionaire Awesome Slew (Awesome Again). The dark bay produced MSW He’s Bankable (Arch) two years later and is also responsible for the SP 3-year-old Souper Jackpot (Ghostzapper). She had a Tapit filly in 2018 and an Into Mischief filly this year. --@CDeBernardisTDN

Daveron Joins China Horse Club Band

China Horse Club concluded its broodmare purchases for the year with the acquisition of Daveron (Ger) (Black Sam Bellamy {Ire}) (hip 989) for $550,000 at Keeneland Friday. The 14-year-old mare, in foal to Uncle Mo, was consigned by Warrendale Sales on behalf of Live Oak Stud.

“She’ll stay here in the States,” China Horse Club’s Michael Wallace said after signing the ticket on the mare. “No mating decided as yet. She’ll probably finish us up for buying this year, so we’ll sit down and work out these last few matings for these American mares.”

China Horse Club purchased seven mares at the Keeneland November sale, led by the $1.1-million Hourglass (Ire) (Galileo (Ire)) (hip 256). Also Friday, the operation purchased Taperge (Tapit) (hip 865) for $325,000.

Charlotte Weber’s Live Oak Plantation purchased Daveron for $750,000 at the 2011 Keeneland November sale, following a season in which the German-bred had won the GII Ballston Spa S. and Gilli Beaugay S. and was third in the GI First Lady S. Retired after making one start in the Live Oak colors, she produced GII Wise Dan S. winner March to the Arch (Arch) and Gill Marine S. winner Global Access (Giant’s Causeway. She has a yearling colt by Kitten’s Joy and a weanling filly by Quality Road.

“She’s off to a great start,” Wallace said. “She obviously ran herself and she’s done the job already. There wasn’t much not to like really. If she puts out a good foal, you’re out in one hit.”

Warrendale Sales consigned the two top-priced mares of Friday’s session. Also on behalf of Live Oak, the operation consigned Slewfoundmoney (Seeking the Gold) (hip 826) who sold for $585,000 to Arthur Hoyeau.

“We’re very happy with those results,” said Warrendale’s Hunter Simms. “We appraised them right around that number right around entry deadline for the sale when Live Oak asked us to appraise them. They are such great producers and they were both good race mares. What they have produced and who they were in foal to sold them. They were both very nice offerings.”

Multilingual Heads Back to Europe

Multilingual (GB) (Dansili {GB}), a half-sister to multiple Group 1 winner and hot young sire Kingman (GB) (Invincible Spirit {Ire}), will be returning to Europe after Oliver Sangster signed the ticket on the 7-year-old mare at $525,000 early in Friday’s session of the Keeneland November sale. In foal to Noble Mission (GB), Multilingual (hip 734) was consigned by Mill Ridge Sales on behalf of breeder Juddmonte Farms.

“The page, of course,” Sangster said of the mare's appeal. “Her half-brother is making waves back in Europe and looking like the real business as a sire. It’s a beautiful Juddmonte family.”

Sangster, who said he was making the purchase on behalf of his father Ben Sangster, is the grandson of the legendary late owner-breeder Robert Sangster.

“To be honest, we thought she would make a bit more,” he said. “You are never too sure how to value these massive pages. Time will tell whether it’s a good price or not, but it’s nice to get on the sheets.”

Multilingual made only one racetrack start. She has produced three colts to date; a First Defence 2-year-old; an English Channel yearling; and a Kitten’s Joy weanling.

Multilingual is out of multiple Group 1 placed Zenda (GB) (Zamindar), a half-sister to Oasis Dream (GB) (Green Desert). In addition to Kingman, Zenda has produced group winner Remote (Dansili {GB}) and group placed First Eleven (GB) (Frankel {GB}).

“It’s Juddmonte. To get into that kind of family is truly a gift,” said Mill Ridge’s Headley Bell. “Those guys consider it an opportunity and it is. We had had a couple of foals, people think they are exposed, but the fact is that she had a fantastic Kitten’s Joy foal. It was opportunity. Juddmonte is magic and people like to be a part of it.”

Also Friday, Sangster signed for Elandess (Scat Daddy) (hip 1013) for $300,000. @JessMartiniTDN
**Arrogate Filly to Return to the Sales Ring**

Hip 704, a daughter of champion Arrogate (Unbridled’s Song), proved quite popular early in Thursday’s session, hammering for $425,000. However, buyers will have another opportunity to acquire the filly, as she was purchased by McMahon and Hill Bloodstock on behalf of their Spruce Lane pinhooking partnership.

“Jamie Hill and I organize a pinhook group every year for high-end fillies and colts and she certainly fit the bill,” said Mike McMahon. “We have been getting shut out, so it is nice to get a high-quality one early on today.”

When asked what he liked about the filly, McMahon said, “Everything. The farm manager John Durr told us what an aggressive horse she was in the field and how on top of everything she was. That is my kind of horse, I love that.”

Consigned by Gainesway on behalf of Bonne Chance Farm, Hip 704 is a daughter of MSP Lucas Street (Silver Deputy), who RNA’d for $335,000 while carrying this foal at last year’s Keeneland November Sale. The mare is also responsible for G1 Breeders’ Cup F/M Sprint victress Wavell Avenue (Harlington).

The gray filly is a member of the first crop of Eclipse winner, four-time Grade I scorer and over $17-million earner Arrogate.

“We have tried to buy three Arrogates,” McMahon said. “I am really impressed by them. I think he has a very real chance to be a super sire.” --@CDeBernardisTDN

"I was trying to figure something out for the stallion show and then I ran into Tammy Gaant from FTBOA and she was talking about what FTBOA was doing to commemorate Lowell’s 20th anniversary and a light bulb went off," said Crystal Fernung. "The main focus of the stallion show will be Khozan, who was so popular and successful last year, and now we have a new partnership with Climax Stallions and Stonehedge to stand St Patricks Day. The benefit of this excitement will be a way to help the women and the horses at Lowell."

A lifelong horsewoman, Fernung has been active in the Florida Thoroughbred industry for more than 40 years. In 1989, she and her husband Brent established Journeyman Bloodstock Services Inc. and she has served as vice president of that company since that time. Fernung also serves the on the board of the Marion Cultural Alliance for Ocala/Marion County.

"Arts and Cultures is really exploding in Ocala," said Fernung. "I sit on the local board and we are always looking for ways to tie the Thoroughbred industry into the local community and all the great stuff that is happening.

"This year’s Stallion Show commemorates our 12th year and Lowell’s 20th and it’s also a way to do something nice for the local businesses that have supported us all of these years. We could not do business without this community. Connecting everyone with the program at Lowell caring for the horses and also rehabilitating people who need a second chance, works in perfectly."

Getting local support and generating enthusiasm for the idea proved to be an easy sell.

"I started to put the feelers out and the response was incredible," said Fernung. "Local government officials are coming to the event, art work has been donated to the auction, and all of the businesses who support us are donating baskets and services for the silent auction.

"It’s also a celebration of the many successful business women in Ocala. One of the neatest things will be the food. I have a friend named Kim Smith and she came to Ocala to play polo. She started off with a food truck and turned that into farm-to-table dining at her farm, Vintage Farm 1848. It’s very popular and she is bringing her food truck to the event. It will be a great event all driven by our stallions.

"I drive by the prison farm every day at least twice and I see the women working all day," said Fernung. "I see how spotless the place is. I see them out there during the holidays. I think about them. And, I thought it was important to bring them to the attention of more people.

"When you’ve been around long enough, meet enough people, share enough glasses of wine, you realize that there have to be some women over there who don’t deserve to be there. But things happen. So, they get a second chance and the horses open up all the right parts of their hearts and minds so that they can get out and get on the right road. They find their heart again.

"The program works. There is only 3% recidivism rate of the women who go through the program. It is much better than average.

"I also feel that the more business women and philanthropists who know about Second Chances at Lowell, the better," said Fernung. "My ultimate goal for this event would be that a woman who had the means could really make an impact- maybe in her will. You never know. But if you put it out with a strong heart and good intentions, something good will happen."

For more information about the Dec. 14, 2019, Stallion Show at Journeyman Stud, contact Crystal Fernung at 352-629-1200.

VINO ROSSO CARRIES ANDERSON TO BCBC TITLE
Brad Anderson, who recently relocated to Sarasota, Florida, following a career in technology while residing in the Chicago suburb of Libertyville, went all in with his 25,900 points to win on Vino Rosso (Curlin) in the GI Longines Breeders’ Cup Classic and emerged with 145,040 points to best fellow Floridian Bill Chenvert, who finished with 137,750 points. Combined with first-place money of $343,000, Anderson walked away with a total of $488,040. Dick Jerardi, the former turf writer for the Philadelphia Daily News, took the lead into the final race after cashing a cold $2,000 exacta on the GI Longines Breeders’ Cup Turf exacta of Bricks and Mortar (Giant’s Causeway) and United (Giant’s Causeway).

“I’m overwhelmed and just speechless without a voice, and to triumph with my wager on Vino Rosso at the end of the day, just brought me to tears,” said Anderson afterward. “You go into a contest like this, against these horse-playing legends, and beating the best of the best, well it makes me shake my head, for a simple horse player like me to win, this is just amazing.

“I needed about $140,000 to win the tournament,” Anderson strategized. “I wanted to go to McKinzie (in the Classic), but his odds dropped to 5-2, and I would not have been able to overcome the leader. After strategizing on possible bets I could make to overtake the leaders, I decided on a simple win bet for $25,900 on Vino Rosso and let it go. With all that money on one horse—and I’ve never done that before—and to see Vino Rosso run a race that spectacular was unbelievable.”

CALENDAR CELEBRATES LAST LIVING PROGENY OF SECRETARIAT

The last living sons and daughters of Secretariat are featured in a new calendar for 2020. It is the third in a series of fund-raising calendars celebrating the 1973 Triple Crown winner’s legacy.

“I am very grateful for the support of the industry and of the racing fans—especially Secretariat fans—who have embraced these calendars,” said writer/photographer Patricia McQueen, who created the calendar series as part of her research work on Secretariat as a sire. “The first two calendars have raised more than $11,000 for the designated charities, funds sorely needed to provide homes and special care for horses in need.”

The broodmare Ball Chairman and gelding Border Run, each 31 years old this year, grace the cover of the calendar. The former is the dam of of GISW and sire Perfect Soul (Ire), while Border Run is a full-brother to Terlingua—dam of Storm Cat—as well as Pancho Villa.

The Living Legends Class of 2020 also includes six grandsons of Secretariat, including the legendary A.P. Indy and jumps star Istabraq. Additionally, Secretariat himself appears in the 2020 calendar, thanks to the generosity of The Tony Leonard Collection.

All profits from the sale of the calendar are allocated to two organizations, each of which has previously been a caretaker of one of the last-known Secretariats. They are Bright Futures Farm, an equine rescue and sanctuary accredited by the Thoroughbred Aftercare Alliance, and Victory Alliance Ranch, an equine rescue and sanctuary supporting veterans and special needs children.

Calendars are $25 each and may be ordered online at www.SecretariatsLegacy.com. Free shipping in the U.S. is included.

WOODBINE’S LAWSON SUPPORTING LONGRUN

Jim Lawson, a long-time Thoroughbred owner and current CEO of Woodbine Entertainment, has pledged to personally match all donations, up to $15,000, as part of the “Join Jim” Christmas donation drive, which will kick off on LongRun Day at the Races at Woodbine Saturday and run through Dec. 31. Donations can also be made online at www.longrunretirement.com.

"I have long been an admirer of the work that LongRun does to look after retired racehorses," said Lawson. “LongRun started a successful matching campaign last year and hopefully it will serve as a good kick-starter again this season to get them the funding they need and deserve."

Racegoers can learn more about LongRun and its retired racehorses at their booth located on the second floor of the grandstand Saturday.

"Please think of donating in someone's name as a holiday gift—LongRun will provide your loved one or friend with a gift letter and a colourful LongRun 2020 graduate calendar," said Vicki Pappas, board chair and founding member of LongRun. "With over 50 retired racehorses currently under LongRun’s care, we can’t tell you how much we appreciate Jim Lawson’s incredible gesture and how much LongRun will appreciate any help you might care to give us as well."

LongRun will also be selling Christmas cards, hoodies, t-shirts and baseball caps with proceeds going to help Ontario's retired Thoroughbreds.

### TURTLE TRAX (f, 2, Cairo Prince--Great Family, by Harlan’s Holiday), a debut fifth at Churchill Downs Sept. 19, broke through with a 3 1/4-length maiden win at Keeneland Oct. 12.

Off at 3-1 here, the dark bay raced on the outside in seventh through fractions of :22.83 and :46.60. The favored Beau (Bernardini), meanwhile, stumbled and tossed her rider shortly after the start and rushed up along the inside to lead the field heading into the far turn. Kept into the clear, Turtle Trax launched a sweeping move out in at least the seven path on the far turn and came rolling down the center of the track with jockey Julien Leparoux keeping an eye on the riderless horse en route to a 2 3/4-length decision. Indy Takes Charge (Take Charge Indy) was second. Turtle Trax is a half-sister to Backtohisroots (Mark Valeski), SW, $122,380; Dona Mussetta (Haynesfield), MSW-Pan; and Alcindoro (Istan), MGSP-Per. Great Family, a half-sister to GSW Cash Included (Include), had a Cairo Prince filly in 2018 and an Upstart filly this year. She was bred back to McCraken. Lifetime Record: 3-2-0-0, $101,010. #### 6th-Laurel, $54,450, Alw, 11-8, 3yo/up, f/m, 6f, 1:10.19, ft.

**MINIT TO STARDOM (f, 4, Star Guitar--Wild About Marie {MSW, $328,629}, by Wildcat Heir), a 20-1 upset winner of Saratoga’s GI Honorable Miss H. July 24, was second best behind Come Dancing (Malibu Moon) in Belmont’s GI Gallant Bloom H. last time Sept. 22. Towering over her four rivals here, the rail-drawn 3-5 chance backed off to race in third behind a pair of dueling leaders through an opening quarter in :22.50. She shot through an inviting opening along the rail at the top of the stretch and was confidently handled down the lane en route to a 3 3/4-length decision over Baby Boss (Frost Giant). “She’s getting better and better and we take care of her and keep her happy,” winning trainer Jose Camejo said. The winner is a full sister to Wild About Star, SW, $190,200. Wild About Marie had colts by Star Guitar the past three seasons. Lifetime Record: GSW, 12-7-4-0, $416,180. JOY OF LEARNING (f, 3, Kitten’s Joy—Miss Chapin, by Royal Academy) showed little interest while last of 12 in her unveiling going long over the Keeneland turf Oct. 12. She worked a bullet four furlongs in :46 4/5 (1/23) in Lexington Oct. 21 and was adding Lasix for this rained-off turnback in distance. The 13-1 chance, outsprinted in seventh early, was locked and loaded beneath Julien Leparoux at the top of the stretch. She was guided into the four path off the turn and came charging down the lane to earn her diploma by a length. Cobra Casablanca (Tizway) was second. The winner is a half-sister to Coffee Clique (Medaglia d’Oro), GISW, $1,063,988; Royal Fury (Langfuhr), MGSP, $313,377; Admission Office (Point of Entry), MGSP, $263,272; and Schoolofhardrocks (Rock Hard Ten), SP, $225,054. Miss Chapin is also represented by the unraced graduate by a half-length. Alhucema, a half-sister to GI Breeders’ Cup Mile winner and young sire Karakontie (Jpn) (Bernstein), is also represented by a Verrazano yearling filly and a War Correspondent weanling colt. Sales history: $220,000 Ylg ’18 KEESEP. Lifetime Record: 2:1-1-0, $53,500. Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.

PREDATOR (c, 2, Into Mischief—Bialy, by Distorted Humor) showed some early foot and reported home a well-beaten third as the 4-5 favorite behind subsequent Street Sense S. third Silver Prospector (Declaration of War) in his Keeneland unveiling Oct. 13. In for a $150,000 tag here, the 1-2 chalk broke on top and never looked back. It was five lengths back to 23-1 Digital Star (The Factor) in second. The winner’s dam Bialy is also represented by a Tourist colt of 2018 and a Speightster colt of this year. Sales history: $175,000 Ylg ’18 KEESEP. Lifetime Record: 2:1-0-1, $40,700. MORAL REASONING (f, 2, More Than Ready—Alhucema, by Aldebaran) came running from the back to finish second behind the promising unbeaten subsequent Gill Matron S. heroine Alms (City Zip) in her Belmont unveiling sprinting on the lawn Sept. 19. Drawn on the fence here, the even-money favorite was under a snug hold in eighth entering the far turn. Tipped out five wide, she came rolling off the bend, and, after luging in down the stretch, impressively moved down Stunning (Daredevil) to graduate by a half-length. Alhucema, a half-sister to GI Breeders’ Cup Mile winner and young sire Karakontie (Jpn) (Bernstein), is also represented by a Verrazano yearling filly and a War Correspondent weanling colt. JARA (f, 2, Constitution—Our Jenny B (SP), by Tale of the Cat) reported home a non-threatening third on debut going six furlongs at Laurel Oct. 4. Given a 5-2 chance adding some real estate this time, she raced close to the early leaders on the rail in third. The gray gamely split horses in the stretch to take a narrow advantage, but after getting bumped late by Etana (Super Saver), just got tagged by a nose. The stewards, however, reversed the order of finish for the infractions. Jara is the 20th winner for her freshman sire (by Tapit). Our Jenny B produced a filly by Mineshaft in 2018 and a filly by Mastery in 2019. Sales history: $45,000 RNA Ylg ’18 KEESEP; $240,000 2yo ’19 OBSAPR. Lifetime Record: 2:1-0-1, $27,200. Siyouni (Fr) (Pivotal {GB}) heads the Aga Khan’s French roster at Haras de Bonneval, and he stays at €100,000 next year. He continued to go from strength to strength in 2019, his runners headed by the G1 Prix du Jockey Club winner Sottsass (Fr), currently the joint highest-rated 3-year-old in Europe. Siyouni stands alongside Dariyan (Fr) (Shamardal) (€8,000), who has his first yearlings this year, and Zarak (Fr) (Dubawi {Ire}) (€12,000), who will be represented by his first foal at this year’s breeding stock sales.

**PHOENIX OF SPAIN TO STAND FOR €15,000**

G1 Irish 2000 Guineas winner Phoenix of Spain (Ire) (Lope de Vega {Ire}--Lucky Clio {Ire}, by Key of Luck) will stand his introductory season at the Irish National Stud for €15,000 in 2020. Carrying the silks of Tony Wechsler and Ann Plummer, the Charlie Hills charge won the G3 Acomb S. at two and was Group 1-placed behind Too Darn Hot (GB) (Dubawi {Ire}) and Magna Grecia (Ire) (Invincible Spirit {Ire}). He won the Irish Guineas on seasonal debut this year, besting his old rival Too Darn Hot by three lengths.

“We expect breeders to be bowled over by Phoenix of Spain’s physicality,” said the Irish National Stud’s Cathal Beale. “He’s a strong, correct horse with an amazing walk.”

FEES FOR NATHANIEL, EQUIANO REMAIN THE SAME

After a year in which Enable (GB) won three Group 1 races and dominated the European conversation with a try for her third G1 Prix de l’Arc de Triomphe, her sire, Nathaniel (Ire)’s fee will remain at £25,000 for 2020, Newsells Park Stud has announced. Equiano (Fr), who capped his year off with a GI Breeders’ Cup Turf Sprint win with Belvoir Bay (GB), will remain at £6,000, the stud said.

Reflecting on the stud fees, Newsells Park Stud’s General Manager, Julian Dollar, said, “Both stallions have enjoyed another fantastic year. In particular, Nathaniel has solidified his position as one of Europe’s leading young stallions with another five group winners and 13 group/stakes performers in 2019, led by the phenomenon that is Enable, undoubtedly one of the greatest ever race fillies to grace a racecourse.

“A second Classic winner in Channel (Ire), winner of the Group 1 Prix de Diane, as well as two further Group 2 winners, Amorella (Ire) [who was also Group 1 second] and Royal Ascot scorer Dashing Willoughby (GB) show that Nathaniel is one of Europe’s best middle-distance sires.

“With the consistent volume of group winners and performers he is producing, Nathaniel must be regarded as the best son of Galileo, after Frankel, and exceptionally good value compared to his peers,” Dollar continued.

“Equiano has enjoyed a great year. His reputation for siring tough, consistent sprinters, could not have been better exemplified than Belvoir Bay’s wire-to-wire success in last weekend’s GI Breeders’ Cup Turf Sprint. Now the winner of nine group and stakes races, this incredibly tough filly only gets better and better. With multiple Group 1-winning sprinter The Tin Man (GB) once again placed in Group 1 company and other group and stakes winners this year including Gustavus Weston (Ire), Equilateral (GB) and the ultra-tough Dakota Gold (GB), Equiano’s stock continue to mark him out as a stallion that should appeal to breeders looking for speed as well as great value.”

IRISH NATIONAL STUD BETTING ON BLAME

By Kelsey Riley

LEXINGTON, KY—Irish National Stud Chief Executive Officer Cathal Beale was in Lexington this week on the hunt for broodmare prospects for the Kildare nursery, and he goes home a happy man having secured a pair of 4-year-old maiden mares.

First up was American Frolic (hip 158), bought privately after being bought back for $195,000 in the ring. She is a listed winner and her first three dams are all stakes winners, but Beale said one of the main appeals was her sire, Blame.

“I just love Blame,” Beale said of the stallion that stands at Claiborne for $35,000. “He’s had very limited opportunity in Europe and produced a Classic winner. He has a good opportunity to be a really nice cross in Europe as a decent turf influence as well as the success he’s had on dirt. That was really the attractive thing.”

Blame won three Grade Is on the dirt as a 4-year-old in 2010, culminating in a win over the popular Zenyatta (Street Cry {Ire}) in the GI Breeders’ Cup Classic, and his success thus far as a sire has been split nearly down the middle between dirt and turf. He has four Grade/Group 1 winners, with two of those having won at the highest level on the grass: his aforementioned Classic winner Senga, winner of the 2017 Prix de Diane, and Abscond, the winner of this year’s GI Natalma S. Fault won last year’s GI Buena Vista S. on the turf before winning the GI Santa Margarita S. on dirt on her next start.

Blame has had 302 starters on the dirt versus 252 on the turf, with 176 dirt winners and 112 turf winners. He has 3% black-type winners from foals of racing age on each surface, with 12 dirt stakes winners and 15 turf stakes winners. His progeny have earned $15,323,347 on the dirt and $11,395,647 on the grass. Blame’s other standout turf performers include the multiple graded stakes winning Maraud and Mrs. Sippy, a listed winner in France and Grade II winner and Grade I-placed in the U.S.

Despite having eye-catching stats in Europe—19 winners and two stakes winners from 30 starters and two stakes-placed horses—Blame is likely still flying under the radar in Europe because of limited opportunity.

“Not many stallions produce a Classic winner with 500 runners,” Beale said. “We just thought it was worth a chance because we like the stallion. He’s a cracker, a lovely horse. He probably didn’t get the credit he deserved for beating Zenyatta but it was an incredible run that day, and he was a bloody good horse; a top, top-class horse. We’ve always followed him and quite liked him but never really had the opportunity to get any of his stock to date.”

Beale is also able to take home for the Irish National Stud Mihrab (Tiznow) (hip 314), who was signed for by BBA Ireland at $200,000. She is a daughter of the dual Grade II-winning and dual Grade I-placed sprinter Bsharpsonata (Pulpit) whose first three dams are also all stakes winners. Beale pointed out that Bsharpsonata has every chance to provide the family with further updates.

“Bsharpsonata was a hard-knocking, good race mare, a Grade II winner whose yearling [last year, by American Pharoah now named Kittansett] made $1.4-million [from Larry Best] and I think Chad Brown thinks a whole lot of him. He didn’t run great first time out but I think they think he’s going to be a really nice 3-year-old. Bsharpsonata was sent back to Arrogate and I hear the foal is an absolute belter. She’s back in foal to Uncle Mo so she’s got a huge opportunity and she’s already produced three stakes horses. Mihrab was a good racehorse; she was third in a stake and was just a really nice, quality filly. She made a lot of sense for us.”

Beale said the two mares would spend about a month at Brendan and Olive Gallagher’s Frankfort Park Farm in Lexington before shipping to Ireland, and he said breeding plans had not yet been discussed. Beale noted the Irish National Stud team has been making the Keeneland November pilgrimage since well before his time.

“We try to come over and buy a couple each year,” he said. “We’ve been doing it for years, John [Osborne] before me; we’ve always had a bit of luck coming over to Keeneland. It’s such a lively market. We bought Lethal Quality [Elusive Quality] over here who has been one of our very good mares; she’s the dam of Lethal Promise, our Invincible Spirit stakes winner from this year [for INS Racing], so it’s a happy hunting ground for us.”
THUNDER SNOW TO STAND IN JAPAN

Dual G1 Dubai World Cup winner Thunder Snow (Ire) (Helmet {Aus}–Eastern Joy {GB}, by Dubai Destination) has been retired from racing and will stand at Darley Japan in 2020.

A first out winner at two, Thunder Snow concluded his juvenile campaign by taking the G1 Criterium International, earning the distinction as the highest rated juvenile colt in France of 2016. At three, he won a trio of group races, including the G1 Prix Jean Prat at Chantilly. He won the Dubai World Cup and the G2 Al Maktoum Challenge R2 in 2018 before rounding out the year with a runner-up effort in the GI Jockey Club Gold Cup and a third in the GI Breeders Cup Classic at Churchill Downs. At five, Thunder Snow was second in the G1 Al Maktoum Challenge R3 before successfully defending his title in the World Cup in March. In what would be his final race, the half-brother to group winners Ihtimal (Shamardal) and First Victory (Teofilo) finished third in the GI Runhappy Metropolitan H. at Belmont June 8.

“Thunder Snow created history by winning the Dubai World Cup twice and provided us with two brilliant results in France, capturing the Criterium International and the Prix Jean Prat,” said trainer Saeed bin Suroor. “He ran great races on dirt and turf at some of the world’s top meetings and was a superstar for us. He was a class horse, who was very professional and easy to train. He was extremely tough and always tried his hardest in everything he did. He was one of the best horses to ever race for Godolphin and it was a privilege to train him.”

“We will all miss him at Godolphin Stables but he retires at the top and we can look forward to seeing his progeny. I am sure that he will become a top stallion over the coming years.”

Added Harry Sweeney, President of Darley Japan, “We are enormously excited for many reasons that Thunder Snow is coming to Japan. In Japan, entry into the Classics is largely based on racetrack earnings and Thunder Snow being a Group 1 winner on turf as a 2-year-old will impress breeders. Furthermore, he was very consistent and won a Group 1 at two, three, four and five, another trait valued in Japan. And in the JRA, 50% of races are actually on dirt, so Thunder Snow’s prowess on that surface in addition to turf is another great advantage. He ticks many boxes indeed.”

JAPAN CUP DATE FOR PRINCE OF ARRAN

Prince of Arran (GB) (Shirocco {Ger}), second in Tuesday’s G1 Melbourne Cup and on the board in that feature for the second straight year, will line up next in the Nov. 24 G1 Japan Cup, trainer Charlie Fellowes revealed on Twitter on Friday.

"Looks like Prince Of Arran is going to get a new stamp in his passport," Fellowes tweeted. "His next start will be in the Japan Cup on Sunday Nov. 24. He has come through the Melbourne Cup perfectly and will fly to Tokyo on Monday."

A 6-year-old gelding, Prince of Arran is well-traveled; he has won in Britain, Dubai and Australia and has also traveled to Hong Kong and the U.S., where he was third in last year’s GII Belmont Gold Cup Invitational.

CAPRI JOINS NATIONAL HUNT RANKS

Capri (Ire) (Galileo {Ire}--Dialafara {Fr}, by Anabaa), winner of the 2017 G1 Irish Derby and G1 St Leger for the Coolmore partners, has been retired to the National Hunt ranks at Grange Stud. Capri also won the G2 Beresford S. at two.

"Capri is a fine, big horse with a good head and a great walk," Albert Sherwood of Grange Stud said. "He was a very high-class 2-year-old and defeated all the best middle-distance colts of his generation as a 3-year-old before again showing high-class form at four. We couldn't be more delighted that he's coming to Grange."

The ability to attract individuals of Cathy's calibre clearly shows the immense prestige of working in British racing," said Brant Dunshea, Chief Regulatory Officer for the BHA. "She brings significant experience to the role and is an extremely versatile and well-regarded operator. Having worked closely with horses throughout her life, including as a trainer, Cathy brings a great balance of experience to this role. This experience should stand her in good stead for the role, which will include significant collaboration with the sport's stakeholders and participants in order to help further develop our raceday officiating standards and procedures."

O'Meara, who holds a Master of Business Administration from Sullivan University along with an Animal Science bachelor's degree from Virginia Tech University, joined The Jockey Club, in 2006 followed by ROAP 2010. O'Meara, who spent time as a Thoroughbred trainer, exercise rider and farm/office manager in Lexington, served a stint at Kildangan Stud in County Kildare, Ireland.

The Head of Raceday Officials, which is a newly-created position, will have management responsibility of the BHA’s team of raceday officials, with a key focus on improving and controlling policy and operating procedures. The role will focus on the development and delivery of competency-based training for all racing officials in Britain. It is a role that will involve significant cross-industry collaboration, both domestically and internationally.

THE BRITISH HORSERACING AUTHORITY has appointed Cathy O'Meara to the new role of Head of Raceday Officials.

O’Meara, who serves as The Jockey Club’s (U.S.) Manager of Industry Initiatives, is responsible for managing numerous initiatives including the Welfare and Safety of the Racehorse Summit and Thoroughbred Safety Committee. She also represents The Jockey Club on the IFHA International Harmonisation of Racing Rules Committee and is involved in various other U.S. bodies relating to integrity, racing surfaces and medication and testing. Additionally, O’Meara is an accredited steward for the National Steeplechase Association based in Fair Hill, Maryland and serves as manager of the Racing Officials Accreditation Program (ROAP).

IFHA TAKES ZERO-TOLERANCE STANCE ON ALTRENOGEST

On the basis of a detailed report from technical committees that the altrenogest-containing products trenbione, trenbolone and epitenbolone (anabolic androgenic steroids) are not endogenous substances, the International Federation of Horseracing Authorities has taken a zero-tolerance stance against these substances “irrespective of the potential cause of their presence.”

The IFHA stated in a Nov. 8 release that, should these “major doping agents" be detected in a sample at any level, it must be counted as a prohibited substance violation and acted upon accordingly by the respective racing authority.
