NEW YORK ENTRY RULE CHANGED

Due to the continued shortage of horses in New York, the State Racing and Wagering and Board yesterday approved a request by the New York Racing Association and the New York Horsemen's Benevolent and Protective Association to waive the rule requiring the coupling of entries from one trainer but different owners. Effective immediately, the approval covers stakes, maiden special weight, allowance and handicap races, but excludes claiming events. The rule has been changed on an experimental basis until April 30, 1995; if it is found to be unsatisfactory, it can be rescinded before that date. The stewards have been directed that, if they find that one of the uncoupled horses has interfered with the running of the race to the benefit of its stablemate, both will be disqualified. Horses owned by a trainer will, in all cases, run as an entry. In addition, if a trainer has three or more starters in a race other than a stakes, all starters will run coupled.

KEENELAND TWO-YEAR-OLD SALE SET FOR APRIL 18

Keeneland's third annual April Two-Year-Olds In Training Sale will be consolidated into one day, set for Tuesday, April 18, 1995. Explained Rogers Beasley, Keeneland's director of sales, "This will allow trainers to return to their out-of-state locations for live racing Wednesday." Officials expect to catalog approximately 210 horses; the sales session will begin at 1:30 p.m. Sales horses will be shown under tack, galloping or breezing over the Keeneland strip April 10 and 17.

THE WICKED NORTH SUFFERS SETBACK

Last year's champion Older Horse **The Wicked North** (Far North) has come down with a minor skin infection on his legs and body and could miss the Santa Anita H. as a result. "He should be fine in a couple of days," said his trainer, David Bernstein, "but we can't afford to miss any more time if we hope to make the Big 'Cap.'" The six-year-old has not raced since finishing fourth in the GI Hollywood Gold Cup last July 2.

Holy Bull (Great Above) blew out for the race yesterday, going three-eighths in :35 3/5. "It was just what I wanted. Everything he has done has been a plus since his last race. There have been no negatives. I feel fine going into this race," said owner/trainer Jimmy Croll. As for his Donn tactics, Croll said, "If I want to outrun them early, I can. I can't be taking him back, because of the post position. But if someone wants to be whipping and driving coming out of there, let them go ahead." Looking ahead, the veteran horseman added, "He is 95 percent ready and getting better. Hopefully, this race will give him the other 5 percent. It is his first time around two turns this year. He'll be at his top level by next time." The grey is scheduled to make his next start in the GI Santa Anita H. **Kissin Kris** (Kris S.), who has a tendency to wash out in the paddock, schooled yesterday before the first race and will wear his trademark earmuffs to be saddled this afternoon. "He has gotten much better," said trainer David Bell. "He gets a little warm the first time we school him, then he is fine the day of the race."

BELVOIR BOOTS HOME NUMBER 1,000 Jockey Vann Belvoir recorded his 1,000th career victory yesterday at Golden Gate Fields, guiding favored Lisa Mac to the win in the day's sixth race. The 21-year-old rider had gone 0-for-30 after notching win 999 February 1. "It feels great to get it done," he said after bringing home the 2-5 choice. "I usually don't get butterflies before a race, but I think I lost two pounds in the post parade. If I didn't get it done with her, I was going to quit."

The four-year-old filly captured last year's GI 1000 Guineas and finished second in the GI Irish 1000 Guineas; in her lone U.S. start, she was eighth, beaten 5 3/4 lengths after a troubled trip in the GI Matriarch November 27 at a mile and an eighth. **Wende** (Herat), on the board in six of nine turf starts, returns to the grass after running second to repeat winner Queens Court Queen in the GII San Gorgonio H. at nine furlongs. The versatile five-year-old mare took a Santa Anita turf allowance two starts back; she won at the Monrovia distance on the main track at Fairplex last September. **Changed Tune** (Tun-erup) bounced back from four straight off-the-board performances to take the Irish O'Brien H. at this distance over the Santa Anita grass last out; she has hit the board in 10 of 12 grass starts.
