DUCHOSSOIS HANDS OVER THE

REINS Arlington International Racecourse owner Dick Duchossois has decided to reduce his work load. Duchossois announced Friday the promotions of Scott Mordell, the former vice president of finance and accounting, to chief executive officer; and Bob Bork, formerly vice president and general manager, to chief operating officer. "I'm not going to run away," he said, making it clear he intends to stay closely involved with the track. "I'll still supervise overall. I set out to build the best track in the country, to bring quality racing to Chicago and make racing a family sport. I've done all those things, but doing them on a daily basis doesn't give you a chance to develop other things. I've been at this for a long time, and the time has come where we have two people who can do a very effective job. This isn't something sudden. We've been talking about this since last summer." Duchossois will remain Arlington's chairman.

KEENELAND CATALOGS 231 FOR RETAMA

SALE Two hundred and thirty-one horses, half of them Texas-breds, will be catalogued for the first-ever Retama Park Two-Year-Olds in Training Sale, to be conducted by Keeneland Tuesday, April 11. The sale will be held in the Retama Park paddock just four days after the Class I racing facility's opening card, April 7. Included in the sale will be 17 two-year-olds and nine three-year-olds from the estate of Harold V. Goodman; the Houston businessman, who campaigned Two Altazano last year, died in January.

TWO ADDITIONS TO NYRA BOARD

The Board of Trustees of the New York Racing Association has elected two new members, Paul F. Orefice, who retired as chairman of the board of Dow Chemical Co. in 1992; and Joseph V. Shields, chairman and CEO of Shields & Company, a brokerage firm.

Trainer Gary Jones, who saddled Stuka to win this race last year after The Wicked North was disqualified from first to fourth, sends out longshot **Puzar** (Herat). Making the decision to take a shot at the million-dollar event, Jones scratched the four-year-old from an allowance Thursday. "He's owned by some people (Allen Paulson and Prestonwood Farm) who are pretty game," said Jones. "We had paid our nomination fees...and who knows what the weather's going to do between now and then? **Best Pal** (*Habitony) has never been a great mud horse...I don't even know if my horse likes the mud. But I'd rather take a shot for a million than not." The colt, first or second in five of eight career starts, has never raced over a muddy track, never been beyond a mile and a sixteenth, and finished seventh in his only try against stakes horses in the GIII Lazaro S. Barrera H. last November. He makes his first start off a two-month break.

WEEKEND PREVIEW p1-2

RACING REPORTS p2-4

**Weekend Preview cont.****BRIS ANALYSIS--FLORIDA DERBY**

Four of the three-year-olds entered have earned a 100 or better BRIS Speed Rating in their previous effort, a mark we like to use in races like this to distinguish the true runners. Another factor we examine is class, as measured by our predictive Class Ratings. Another factor that merits weight in the Triple Crown preps is late Pace Ratings, a measure of who is running the fastest at the end of the race.

Using these criteria, we have narrowed this field down to four contenders (in order of preference).

Jambalaya Jazz (Dixieland Band) broke poorly in the Fountain of Youth, made a determined run midway through the race, then flattened out to finish third. Improving works point to a better race today--if he avoids trouble.

Thunder Gulch (Gulch) got a dream trip last time out and has proven he can win at this distance. He has the best late Pace Ratings in the field and should be full of run at the end.

Star Standard (Risen Star) owns a victory (via disqualification) over Jambalaya Jazz at this meet and has won at this distance. He has run on or near the lead in his last few starts, but his late Pace Ratings indicate he would adjust well in a closer's role.

Suave Prospect's (Fortunate Prospect) Speed Rating line reads 86-95-101-104-106, meaning he has improved from a good allowance-level competitor to a top-class stakes horse. We expect his bubble to burst soon, though, as the average winning distance for foals of Fortunate Prospect is only 6.6 furlongs.

Bloodstock Research Information Services, Inc., is America's No. 1 source for Thoroughbred information. For information about the Handicapper's database, BRIS' Speed, Pace and Class ratings, Pacegraph, or any other products referred to in the above analysis, contact BRIS at (800) 354-9206.

Making his first start since the Breeders' Cup, champion Cherokee Run was only the second choice of the crowd but proved to be best, pressing Evil Bear for a half before forging to the lead and a clear victory. "I was very nervous going into this," said his trainer, Frank Alexander. "I didn't know if I had him tight enough. I got him to the race with a minimal amount if training and hoped it was enough. The Met Mile and, of course, the Breeders' Cup, are our main objectives now." The favorite, CHIMES BAND (Dixieland Band), making his second start off a two-and-a-half month layoff after winning the Deputy Minister H. last out, finished fourth.
