**OJC ASKS HORSEMEN FOR HELP** The Ontario Jockey Club, which is carrying a debt load of over \$71 million, will seek to lessen some of its financial burden in the next couple of days. The OJC, which owns and operates Woodbine, Fort Erie and Mohawk Racetracks, is hoping to receive a total of five million dollars from the purse accounts of its separate Thoroughbred and harness horsemen associations. The amount of \$2.8 million is being sought from the harness horsemen due to the higher level of wagering on Standardbred racing, while \$2.2 million is being asked from the Thoroughbred horsemen. The OJC is seeking the money to help pay for its teletheater network, which has 24 outlets and is expected to cost \$10 million this year. The Thoroughbred horsemen are meeting Thursday night to vote. The Executive Committee of the Thoroughbred horsemen have already voted in favor of giving the OJC the money, however there has been some resistance from the membership in the form of a petition. The OJC is also seeking an additional \$2.4 million, in separate payments of \$600,000 a year from 1993 to '96, from the Thoroughbred horsemen to pay for the ongoing costs of Fort Erie racetrack. In another effort to raise funds, it is expected that by Friday the OJC will enter into a contract with the Toronto area land development group Marel Contracting to sell Greenwood Racetrack for about \$25 million. The OJC closed Greenwood for live racing in 1993; the track is currently the key site of the OJC's teletheater network. The developers are hoping to build a new teletheater on the site.

**OBS CONTINUES ON UPWARD SWING** The second session of the Ocala Breeders' Sales Company's Annual Spring Sale of Two-Year-Olds in Training, held Tuesday in Ocala, Florida, saw 151 juveniles sell for a gross of \$2,217,600 and an average of \$14,686, up 30 percent over last year's second session average of \$11,267. The session's highest price of \$77,000 was paid by Linda Rice, agent, for a bay filly by Fortunate Prospect--Ancient Rule (Delta Judge). Consigned by Farnsworth Farms, agent, the Florida-bred filly is a half-sister to two stakes winners. The sale concludes today.

**THE FORT HARROD S.-GIII**, \$85,800, KEE, 4-26, 4yo/up, 1mT, 1:35 4/5, fm.

Margins: 1/2, 1 1/2, 1/2. Odds: 5.00, 30.80, 48.70. Also Ran: Milt's Overture, Camptown Dancer, Rare Reason, Mighty Forum (GB), Bon Point (GB), Islefaxyou, Little Bro Lantis.

Dove Hunt, a MGSW at two, was winless in 2 starts at three but has already gotten off to a good start in '95 with two turf allowance victories at Gulfstream and Keeneland. Ridden by regular jockey Jose Santos, he closed from mid-pack to take the lead at the top of the stretch, then held off a late rush from GSW Road Of War for the victory. "At the eighth pole it looked like another horse from the outside was going to get him, but he really put his head down and was digging in again," said Santos, who celebrated his 34th birthday yesterday. "He ran a helluva race today. He's coming along real good right now, and Neil (Howard) had this horse very sharp today." 6-5 favorite BON POINT (GB) (Soviet Star), who hadn't raced since taking the GII Col. Koester H. at Santa Anita Oct. 16, pressed the pace, gained a slim lead nearing the stretch then had little left, fading to be 8th. "It was his first race back and he got a little tired," said jockey Corey Nakatani. The winner is 1/2 to Lieutenant's Lark (GI, \$681,783, by Lt. Stevens), Rio's Lark (MSW, \$263,656, by Rio Carmelo {FR}) and Down the Flag (G3-Eng, GSP-Ger, by Stalwart).

### KENTUCKY DERBY NOTES:

Santa Anita Derby third-place finisher **Jumron (GB)** (Sharpo {GB}) worked seven furlongs in 1:29 2/5 yesterday at Churchill Downs. "He worked super, real easy," said trainer Gary Lewis. "I told (rider) Aaron (Gryder) not to let him run too much, especially away from there. He's real fit and doesn't need too much."

Wood Memorial runner-up **Knockadoon** (Dixieland Band) worked a half-mile in :48 3/5 yesterday at Churchill and the way he comes out of the work will help trainer Tony Reinstedler to determine whether or not to make a Derby start. The trainer set Friday or Saturday as his deadline.

Flamingo winner **Pyramid Peak** (Mt. Livermore) worked five furlongs in 1:03 after being steadied at the top of the stretch by Donna Ward, wife of trainer John Ward. "The ground was breaking out from under him and I took him up just enough to let him settle," she said.

Blue Grass winner **Wild Syn** (Wild Again) worked five-eighths in 1:01 2/5. "That was quicker than normal," said trainer Tom Arnemann. "Before the Blue Grass, a maiden outworked him. He knows the difference between morning and afternoon."

Trainer Richard Mandella indicated that you won't find **Afternoon Deelites** (Private Terms) on the front end come Derby Day. "I'd like him to be off the frontrunners," said Mandella. "I don't expect him to be like Concern, to be 25 lengths back. We're not looking for any drastic changes, but a lot of my horses do better by easing them back and asking them later." Mandella said that they have been working on the changes during the colt's morning works. "We're doing things to try to settle him down, to respond to us better. We're not going to send him off. In his works, we're going to let him work the way he wants, and we are going to try to restrain him to get him to finish."

**Jambalaya Jazz** (Dixieland Band), winner of last year's GIII Kentucky Jockey Club S. at Churchill Downs and most recently fifth in the GII Blue Grass S., galloped Wed. at Keeneland and is slated to be shipped to Churchill Downs today. As far as the Derby is concerned, trainer John T. Ward said, "He's still on the fence, but he's probably leaning toward falling on the side of the Derby."

**DUFFY CALLS FOR CONSOLIDATION OF CHICAGO TRACKS** Ed Duffy, Chief Operating Officer of Sportsman's Park and former president of Arlington International Racecourse, is calling for the Chicago area's five racetracks to consolidate into two or three to reduce overhead and introduce higher quality racing. The most logical tracks to consolidate would be Sportsman's and Hawthorne Race Course, which are located only one block apart and conduct both Thoroughbred and harness meetings. Sportsman's is principally owned by Charles (Stormy) Bidwill Jr. and his family while Hawthorne is solely owned by the Carey family. Arlington, the state's number one Thoroughbred track, would continue racing under Duffy's proposal. But either Maywood Park harness track or Balmoral Park, which has held Thoroughbred meetings in the past but now offers only harness racing, would have to go out of business. The principal owners of Maywood and Balmoral are the families of Billy Johnston and New York Yankee owner George Steinbrenner. Johnston also is president of the Sportsman's harness meeting and a major stockholder in the track that Bidwill controls. However, Johnston and the Steinbrenner group are opposed to consolidation. Duffy suggests that consolidation be part of the revisions in the racing statute recently recommended by Governor Jim Edgar's task force. He contends that the advent of riverboat casinos, proliferation of the lottery and off-track betting expansion dictate downsizing as the only avenue to long-range viability.

### SPANISH-SPEAKING ANNOUNCER AT HIALEAH

Hialeah will break new ground in Florida racing this weekend by hiring the state's first Spanish-speaking announcer and handicapper. Carlos R. Pittella, a native of Buenos Aires, Argentina, will begin calling the races at Hialeah Saturday. On-track fans will be able to hear Pittella in specified areas of the grandstand and clubhouse. He will also conduct a brief audio handicapping show prior to each race. If successful, Pittella will be at Hialeah weekends for the remainder of the meet. "This is a great way to get closer to Spanish speaking fans here in South Florida," Pittella said. "Hialeah has great racing and it is the track that the Spanish American community associates most with." Regular announcer Vic Stauffer will continue to be heard over most of the track and throughout the simulcasting network.

## Local News, Illinois:

Illinois House Speaker Lee Daniels (R-Elmhurst) has expressed reservation about the Senate's passage of the measure supported by Republican Governor Jim Edgar that would give the state's citizens the opportunity to vote on casino gambling expansion in an advisory referendum. "That's why you have an elected legislature," responded Daniels, suggesting that lawmakers, rather than the people, should decide if that statute needs to be changed to provide more riverboat casino licenses than the present ten.
