**TABASCO CAT RETIRED** Owners William T. Young and David P. Reynolds yesterday announced that their Classic winner **Tabasco Cat** (Storm Cat) has been retired. The decision was made after it was learned the four-year-old sustained a slight tendon injury during a morning workout. The winner of last year's Preakness and Belmont S. will stand stud at Young's Overbrook Farm in Lexington, Kentucky.

**CALDER POSTPONES SIMULCAST TEST** Officials of AmTote (American Totalisator), the totalisator provider for Calder Race Course and the three tracks originally to be included in a full-card simulcasting experiment at Calder later this month, have revealed that AmTote cannot conduct net pool pricing as had been expected, resulting in a postponement of the experiment. Net pool pricing would have allocated the same percentage of each dollar wagered on full-card simulcasts as on live races to fund purses and operating capital. The experiment was set up to benefit Calder's purse structure in the event of a decline in the on-track handle of Calder's live racing. "This experiment could have been one of the answers to providing our fans with what they wanted and...increasing the purses for our horsemen," said Calder President Ken Dunn. "However, I want to emphasize that we are actively pursuing a way to go forward with full-card simulcasting."

**FLORIDA HORSEMEN HEADED TO COURT** The Florida Horsemen's Benevolent and Protective Association expects to go into Federal Court next week to sue the more than 80 racetracks that they charge violated the 1978 Interstate Horse Racing Act; the tracks named in the suit had taken the simulcast signal from Hialeah this season despite an FHBPA boycott. "We would have filed sooner, but we are still counting the number of tracks that took the signal," said FHBPA President Kent Sterling. "We've found that some tracks rebroadcast the simulcast signal to other tracks, who then rebroadcast the signal. We want to be sure we get every track, but we also want to be sure we don't name a track and find out later they weren't taking the signal." The FHBPA tried to pull the plug on Hialeah simulcasting May 9 after repeated efforts to get the track to live up to the purse levels agreed upon in their contract failed, but an ad hoc horsemen's group, the Florida Owners' and Horsemen's Association, signed a contract with the track for simulcasting purposes.

**Weekend Preview cont.**

**Today, Churchill Downs:**

STEPHEN FOSTER S.-GII, \$150,000a, 3yo/up, 1 1/8m	PP	HORSE	TRAINER	JOCKEY	WT
	1	Meadow Flight	Ryerson	Bravo	116
	2a	Mahogany Hall	Baker	Perret	112
	3	Powerful Punch	Vanier	Walls	114
	4	Bull inthe Heather	Tesher	Hebert	110
	5	Tyus	Jacobs	Borel	112
	6	Polar Expedition	Robertson	Albarado	116
	7	Level Sands	Kessinger	Sellers	113
	8	Recoup the Cash	J. Smith Sr.	Gryder	119
	9	Come On Flip	Goldfine	Guidry	114
	10a	Wildly Joyous	Baker	Vasquez	115
	11	Danville	Huffman	Fires	117

**Level Sands** (Storm Cat), a four-year-old who began his career in Europe, has won three of five since shipping to the States; his lone loss this year came when he finished second in the GIII Churchill Downs H. The Kentucky-bred tried a distance beyond a mile for the first time last out and took a Churchill allowance at a mile and a sixteenth by a nose. **Danville** (Demons Begone), third in that race, has been on the board in 14 of 16 lifetime; he has three stakes wins, including last year's GIII Round Table S., to his credit.

**Sunday, Belmont Park:**

HEMPSTEAD H.-GI, \$150,000, 3yo/up, f/m, 1 1/16m	PP	HORSE	TRAINER	JOCKEY	WT
	1	Sky Beauty	Jerkens	Smith	124
	2	Vinista	Mott	Bailey	113
	3	Sapor	Badgett	Krone	109
	4	Little Buckles	DeStefano Jr.	Davis	111
	5	Heavenly Prize	McGaughey	Day	122

**Heavenly Prize** (Seeking the Gold) will try to follow the lead of stablemate Inside Information, who ended **Sky Beauty's** (Blushing Groom {Fr}) Belmont winning streak at 12 in the GI Shuvee H. last time out. "I hate to compare them," said trainer Shug McGaughey. "Inside Information is doing wonderful this spring. The one thing she has over Heavenly Prize is that she's fast early; she was able to go out there and control the pace (in the Shuvee)." Heavenly Prize, the Eclipse winner as top three-year-old filly last year, makes only her third start of '95. Runner-up in her seasonal debut, she captured the GI Apple Blossom H. at Oaklawn in her most recent start. "She could have run between the Apple Blossom and this, but that would have meant shipping or (cutting back to) a mile, neither of which I wanted to do," said McGaughey, adding, "With the Breeders' Cup here in our own backyard this year, I don't want to look up in September and have her worn out." The four-year-old was second in the Breeders' Cup Distaff last year.

◆ **MIDWEST** ◆

**Local News: Illinois**

The Illinois Racing Board has repealed a rule stipulating that a claimed horse had to be raised a minimum of 25 percent of its price in order to race within 30 days. Representatives of the Chicago HBPA and Arlington International Racecourse spoke on behalf of the rule change, which is designed to encourage claims and bring more new owners into racing.

**Local News: Churchill Downs**

**Potentiality** (Relaunch), winner of Thursday's feature at Churchill, broke down after the finish line in that race but is resting comfortably as he awaits surgery. The nine-year-old fractured the sesamoids of his left front leg; trainer Robert Holthus said the next two days will be critical to the gelding's survival. Dr. Alex Harthill, the attending veterinarian, is treating Potentiality with antibiotics; the plan is to have Dr. Douglas Herthel of Los Angeles perform the surgery--placing a titanium rod in the horse's leg--once he is stabilized.
