CIGAR WORKS FOR BREEDERS' CUP Leading Horse of the Year candidate **Cigar** (Palace Music), looking to cap an extraordinary season by extending his 1995 record to a perfect 10-for-10 with a victory in the Oct. 28 Breeders' Cup Classic, worked six furlongs in 1:15.41 Thursday morning at Belmont. "He went well," said trainer Bill Mott. "Our job is to get him to the starting gate as good as we can get him there. At this point we can afford to be a little conservative with him, mostly because of his race in the Jockey Club Gold Cup. He doesn't need any serious breezes and we can afford to get some rainy weather and still have him fit enough. We've had enough experience with him by this time so it's not much of a guessing game with what we need to do."

INSIDE INFORMATION TO DISTAFF Ogden Mills Phipps' **Inside Information** (Private Account) will definitely start in the Breeders' Cup Distaff and skip the Classic, trainer Shug McGaughey said Thursday morning. Both **Inside Information** and her stablemate **Heavenly Prize** (Seeking the Gold) had been cross-entered in both races. "Most likely, (Heavenly Prize) will run in the Distaff too, unless there is some big change in the make-up of the Classic," McGaughey said. The two four-year-old fillies have won a combined 13 Grade I stakes, but have never raced against each other. In other Distaff news, **Lakeway** (Seattle Slew), third to **Serena's Song** (Rahy) and **Heavenly Prize** in the GI Beldame S. Oct. 7, breezed a half-mile in :46.37 yesterday at Belmont. "I was looking for her to tell me where she was, and I was really pleased with what I saw," said trainer Gary Jones. Jones added that Kent Desormeaux, who rode **Lakeway** throughout her successful three-year-old campaign last year, will replace Eddie Delahoussaye on the filly for the Breeders' Cup.

FAIR GROUNDS TO OFFER RECORD PURSES Fair Grounds Director of Racing and Racing Secretary Mervin Munoz has announced a record purse distribution of over \$165,000 daily for the track's upcoming 88-day meeting. The track, which averaged \$156,162 for the '94-'95 season, was able to offer the raise in part due to over \$5 million accrued in the Fair Grounds purse account based on the track's simulcast handle from its OTBs over the summer. The '95-'96 meet begins November 23.
