THOROUGHBRED OWNERS OF CALIFORNIA AWAITING MGM DECISION The Thoroughbred Owners of California recently lured **Cigar** (Palace Music) away from the \$4 million Dubai Cup with promises of a bonus linking the 1996 Santa Anita H., Hollywood Gold Cup and Pacific Classic. Now the organizers are awaiting a commitment from the MGM Grand Hotel to provide \$3 million in bonus money for any horse who wins all three GI events. Drew Couto, Executive Director of the TOC, termed MGM's mood, "eager." However, the hotel has run into unforeseen difficulties in dealing with prospective insurance companies. "We had all figured on having a decision weeks ago, but dealing with the insurance end of the deal has proven to be more difficult than was first thought," Couto explained, adding that Cigar's win in the Breeders' Cup Classic made finding a reasonable insurance deal more difficult. "It has been a global effort, with an abundance of cautious inquiries in an effort to make the most prudent business decision," he added. The bonus will be in place regardless of MGM's final decision, but without the hotel's sponsorship, the amount of the bonus would have to be reassessed, Couto said.

HOLLYWOOD TURF CUP FIELD TAKES SHAPE

The field for the \$500,000 GI Hollywood Turf Cup, to be run Dec. 10 at 1½-miles over the Hollywood Park turf, could include the last two winners of the Breeders' Cup Turf--1995 winner **Northern Spur (Ire)** (Sadler's Wells) and 1994 winner **Tikkanen** (Cozzene). Tikkanen, who arrived in Southern California Nov. 24, breezed a mile in 1:41 4/5 on the Hollywood turf Thursday. The four-year-old, winless in five starts since taking the '94 Breeders' Cup Turf, is slated to stand the 1996 breeding season at JS Company's Arrow Stud near Shizunai, Japan. Early probables for the Hollywood Turf Cup also include **Earl of Barking (Ire)** (Common Grounds {GB}), winner of the GI Hollywood Turf H. in May; GIII Louisiana Downs H. winner **Party Season (GB)** (Shirley Heights {GB}); **Patio de Naranjos (Chi)** (Gallantsky), a multiple champion in Chile; French G2 winner **Privity** (Private Account); and **Talloires** (Tremolino). Considered possible for the race are **Hidden Source** (Mr. Prospector) and **The Key Rainbow (Ire)** (Rainbow Quest).

NYRA TO PULL PLUG ON "RACE DAY

AQUEDUCT" IN NEW YORK CITY With no solution reached last night between the New York Racing Association and New York City Off-Track-Betting in the ongoing impasse concerning the division of phone betting revenue, New Yorkers could be without in-home simulcasting today. NYRA has said it will "pull the plug" on the in-home telecast today unless NYC OTB agrees to its demand for a higher cut of the phone betting business. NYRA officials say they need the extra revenue to compensate for on-track losses since the inception of the in-home show. The absolute deadline is now set for 11:30 a.m. this morning when "Race Day Aqueduct" goes on the air. "We're really not going to go any further," said NYRA Vice President Steve Crist. "There comes a point when you have no credibility if you change your final offer. We have already come down. If someone moves the last inch, it will have to be them. When we are this close, it would be crazy not to reach an agreement, but crazy things happen in New York racing." NYC OTB President Allie Sherman commented, "You can't hurt yourself. No deal is worth anything unless both sides feel comfortable." The dispute does not concern the other OTB regions and the show will be telecast outside of New York City today no matter what is resolved between NYRA and NYC OTB. Neither side would divulge exact details, but it is believed NYRA is seeking about two percent of the handle from NYC OTB's phone betting business above and beyond what it already receives.

Local News, Louisiana Downs:

The fifth annual Louisiana Champions Day will be held Dec. 9 at the New Orleans Fair Grounds. "It's created a real interest in breeding Louisiana horses. I had hoped and dreamed it would be this big and I think it's becoming a focal point at the start of the Fair Grounds season," said Tom Early, secretary-treasurer of the Louisiana Thoroughbred Breeders' Association. The day, restricted to Louisiana-breds, features 11 races, including seven Thoroughbred races, three quarter horse races and for the second straight year, a match race between a quarter and a Thoroughbred at 870 yards. The total purses for 1995 Louisiana Champions Day will be a record \$765,000.
