### JEWEL PRINCESS REIGNS IN RETURN

Making her first start since capturing the older filly crown with her win in the GI Breeders' Cup Distaff last October 26, Eclipse Award winner **Jewel Princess** (Key to the Mint) was sent off the even-money choice in the GI Santa Maria H. at Santa Anita yesterday and rallied like a champion to win by a widening five lengths. The win gave Prince Ahmed Salman's The Thoroughbred Corp, which owns Jewel Princess in partnership with Richard and Martha Stephen, it's second Grade I win of the weekend, following Sharp Cat's score in the GI Las Virgenes Saturday. Said jockey Corey Nakatani, who rode both fillies, of Jewel Princess, "She worked really good the other day and I knew she would be ready for this. Sometimes you don't want to let the cat out of the bag and let people know that she really is ready...so we tried to be as quiet as possible. She's such a tremendous mare." Trainer Wally Dollase was also confident going into the race. "I thought I had her pretty darn good," he said. "I hate before a race to say I've never seen her better, but after the race I can say I've never seen her in better condition than she is right now. There's a lot of people to thank--the chiropractor who works on her, the veterinarian that does a terrific job, and my children, who love her to death. She's responding--she's a happy horse." Dollase added that his champ would likely make her next start in the GI Santa Margarita H. March 9.

**EASY BREEZE FOR SKIP AWAY** Last year's champion three-year-old **Skip Away** (Skip Trial), runner-up in the GI Donn H. in his four-year-old bow, worked six furlongs in an easy 1:15 2/5 in the slop at Gulfstream yesterday morning. "We went a slow three-quarters around the dogs with him," said trainer Sonny Hine. "He was crying out to breeze. He tried to run off (Saturday); he's so full of himself. He's doing everything great. So far, so good." The colt will make his next start in the GI Gulfstream Park H. March 1.

The reigning champion older mare Jewel Princess, winner of the GI Breeders' Cup Distaff last out October 26, jumped right back into Grade I competition in her seasonal debut and had an easy time of it. Allowed to settle off the pace of Cat's Cradle through honest opening fractions, the talented mare made her move three-wide around the far turn to glide past the pacesetter at the eighth pole and stride away to an impressive score. Looking for a way to beat the champ, trainer David Hofmans, who saddled the runner-up, said, "Maybe if we could have slowed it down a little--I don't know. On second thought, I don't think so."

Due to a computer error at Bloodstock Research Information Services, Inc., the second-place finisher and the also-rans were listed incorrectly in this chart yesterday. Flag Down, making his first start since running ninth in last year's G1 Japan Cup November 24, rallied to take the lead at the top of the stretch and just failed to hold off the late charge of Lassigny, missing by only a neck in his first start in nearly three months for trainer Christophe Clement. We regret the error.

**FLYING CHEVRON TO GLENCREST GISW Flying Chevron** (Carson City), winner of five of his 12 career starts and \$383,610, has been retired and will stand the 1997 breeding season at Glencrest Farm in Midway, Kentucky. The five-year-old had a stellar season at three, capturing the mile-and-a-sixteenth GII Pegasus H. over three-year-olds and the GI NYRA Mile over a top field of older horses; the Kentucky-bred was also second, beaten just a head by Lite The Fuse, in last year's GI Carter H. at seven furlongs. Flying Chevron will stand as the property of a syndicate for the fee of \$7,500, live foal.

**BIG 'CAP DEVELOPMENTS GISW Siphon (Brz)**

(Itajara {Brz}), an allowance winner at Santa Anita January 26, worked a mile in a bullet 1:36 4/5 Sunday at Hollywood as he gets ready for the GI Santa Anita H. March 2...trainer D. Wayne Lukas looks for improvement from last year's GI Belmont S. winner **Editor's Note** (Forty Niner), who ran ninth in the GI Strub February 2, his first start since the Breeders' Cup. "We're getting him a little tighter this time," said Lukas. "He should benefit from his last race, even though I'm throwing it out. He had his tongue over the bit and did some things that compromised him, but he's doing good now." Lukas will skip the Big 'Cap with Strub winner **Victory Speech** (Deputy Minister), and instead send the four-year-old to face Skip Away in the GI Gulfstream Park H. March 1....GSW **Chequer** (Mr. Prospector), who will be making his first start since running seventh in the GI NYRA Mile last November in the Big 'Cap, worked a bullet seven furlongs in 1:26 3/5 at Hollywood... **Zanferrier** (Lyphard), fourth in the Strub, worked five furlongs in 1:01 3/5 yesterday morning at Santa Anita.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a + will denote winners who are first-time starters, an (S) will be used for state-bred races and an (R) will be used for other restricted races.

**MOUAWAD CAPTURES AUSTRALIAN GUINEAS**

**Mouawad (NZ)** (Zabeel {NZ}, by \*Sir Tristram), the three-year-old full-brother to 1995/96 Australian Horse Of The Year Octagonal, captured Saturday's G1 Cadbury Australian Guineas over a mile at Flemington in Melbourne. Starting the 10-9 favourite after four wins from his five previous lifetime starts, Mouawad, an \$315,400 yearling purchase, led all the way to score by an easy two lengths from the previously unbeaten **O'Reilly (NZ)** (Last Tycoon {Ire}), bringing his lifetime earnings to \$264,987. Winning trainer Clarrie Conners said: "I didn't want Mouawad to lead, but I told his jockey Grant Cooksley to go forward and see what happens. He looked for a moment like he was finished when they got to him, but he found another gear. He's a beautiful horse to train and relaxes really well. He's a great horse, probably the best I've trained." Considering Conners trained former Horse Of The Year Research (Aus) and the two juvenile champions Tierce (Aus) and Burst (Aus), that is praise indeed. "The first day I let this horse go, I knew he was good," he said. Conners and Mouawad's part-owner and manager Rob McAnulty are reluctant to take on the Bart Cummings-trained **Saintly (Aus)** in the G1 Australian Cup at Flemington on March 10 and instead look set to send Mouawad for the G1 \$788,520 Doncaster H. over a mile on March 29, in which the colt has only 112 pounds to carry. "In the longer term, we will aim him for the Cox Plate, which his full-brother Octagonal won in 1995," said McAnulty.

**JUGGLER SET FOR DUBAI WORLD CUP**

**Octagonal (NZ)** (Zabeel {NZ}, by \*Sir Tristram) made his first start since last November when tackling the G2 Apollo S. over seven furlongs at Warwick Farm in Sydney Saturday, but he was beaten by three-quarters of a length by the Gai Waterhouse-trained 4-6 favourite **Juggler (Aus)** (Jugah, by Northern Dancer), who will start in the G1 Australian Cup March 10 before going to Dubai for the \$ 4 million Dubai World Cup March 29. But first Waterhouse plans to run Juggler in next Saturday's G1 Chipping Norton S. over a mile at Warwick Farm. "The horse is not fully fit yet, but he'll be fully fit by next week--and for Dubai," said the trainer.

Making his first start since taking third in the GIII Washington Park H. last May 26, 1995 GI Kentucky Derby runner-up Tejano Run had worked five-eighths in a speedy :57 3/5 February 4 for his return. The 1-2 favorite JULES (Forty Niner), winner of the GIII Nashua S. last November and making his first appearance since running second in the GII Remsen S. December 1, showed little in his return and finished fifth. "At the three-eighths pole, he just gave up," said his jockey, Jose Santos. "He lost interest--he quit running. ## Local News: Gulfstream Park

Last year's GI Moet Champagne winner **Ordway** (Salt Lake), eighth in the GI Danka Hutcheson S. to start his '97 campaign, breezed a mile in a slow 1:47 yesterday morning at Gulfstream with Pat Day in the saddle. "It was a lethargic work for him," said trainer Dave Donk. "It was also his first time on Lasix." The three-year-old bled after a morning gallop following the Hutcheson and will race on Lasix for the first time in his next start; the GI Fountain Of Youth S. February 22 is still a possibility for the colt. Donk added that **Awad** (Caveat), third in Saturday's GI Gulfstream Park Breeders' Cup H., will make his next appearance in the GI Pan American H. March 8.

**Diplomatic Jet** (Roman Diplomat), a disappointing eighth in the Gulfstream Park Breeders' Cup H., came out of the race in good order and will also run back in the Pan American. "I think probably the track was too hard for him," trainer Jimmy Picou said of the loss. "He has flat feet, typical grass feet, and I think the hard track may have interrupted his run. He did so well going into the race--I thought everything was in place. But I think his feet were stinging him."

Prophet's Warning had raced for a \$25,000 tag as recently as October, returning from a five-month layoff to finish fourth at that level at the Meadowlands. The well-bred miss had moved up off that effort to win every other start since before breaking through with a second straight here. The dark bay wired the field in an Aqueduct allowance last out January 24 and used similar tactics to get her first stakes win, outgaming Full and Fancy in the run to the wire to take the photo. "She was pretty gutsy today; she dug in today," said trainer Joe Orseno. "She's really responded to everything we've done with her. Since...we turned her out, she's been a changed filly. **TRAFFIC CIRCLE (c, 4, Cahill Road--With Penny's Luck, by What Luck),** 10th in the GI Belmont S. and then the GI Lexington S. on the grass, was off six months after those stakes efforts but had finished on the board in a pair of Aqueduct allowance tries since his return, most recently running third February 1. The 1/2 to Lucky Yoder (Mr. Redoy), SP, \$148,242, was the 2-1 second choice to return to the winner's circle here; the dark bay trailed early but kicked it into overdrive on the far turn to take the lead and gallop away to a six-length tally. The 9-5 favorite ATANAS (Wild Again), looking for his fourth in a row, set the pace but broke down midstretch. Lifetime Record: 13-4-3-2, \$112,260.

Trainer Noel Hickey has been elected president of the Greater Chicago Horsemen's Benevolent and Protective Association, which he was instrumental in organizing. The new horsemen's group is challenging the Illinois Thoroughbred Horsemen's Association for the right to serve as collective bargaining agent for Illinois owners and trainers. Marty Maline, executive director of the Kentucky HBPA, attended the organizational meeting to promise his group's support and that of the National HBPA. Hickey is also one of 15 members of the Board of Directors comprised equally of owners, trainers and breeders; also on the board are ex-Illinois Racing Board member Richard Balog, former Illinois Thoroughbred Owners and Breeders Foundation President Mike Frierdich and the Chicago circuit's all-time leading trainer Richard Hazelton.
