**BIG 'CAP UPDATE** *Isitingood* (Crusader Sword), who set a world record going a mile on the turf in 1:32.05 last time out winning The Bart S., worked seven furlongs in 1:29 2/5 on the turf yesterday for his engagement in the GI Santa Anita H. March 2. "The work was good, but I think the turf course was a little dry and hard this morning," said his trainer, Bob Baffert. "So it wasn't quite as good as I'd hoped." Baffert added that he is more concerned about the quality of the competition and the fitness of his Big 'Cap starter than the switch from turf to dirt. "It's going to be a tough race for my horse," he admitted. "It's a tough field. I'm just worried about his conditioning. This will be only his second start of the year." GI Donn H. winner **Formal Gold** (Black Tie Affair {Ire}) is scheduled to arrive Friday, February 28. The four-year-old worked a half in :48 at Gulfstream Tuesday and will breeze once more before he ships west. Two contenders worked at Santa Anita Wednesday, with MGISW **Marlin** (Sword Dance {Ire}) going six furlongs in a bullet 1:11 1/5 and **Just Java** (Java Gold), third in the event last year, zipping five-eighths in :59 1/5. Late nominations for the \$1 million Big 'Cap, first leg of the \$4.8 million MGM Grand Classic Crown, close today. The supplementary fee is \$25,000, with \$5,000 due today and an additional \$20,000 to be paid at the time of entry.

**CATALOGS AVAILABLE FOR OBS MARCH** The Ocala Breeders' Sales Company has catalogued 389 juveniles for its Ocala Annual Open Selected Sale of Two-Year-Olds in Training, to be held Tuesday and Wednesday, March 25-26. The sale is part of the Ocala Sales and Racing Festival, highlighted by the seven-race Day of Champions card, to be run Monday, March 24. Other activities include an art exhibit and cocktail parties hosted by OBS/Sun Trust Bank and the Farm Managers' Club. The 1997 catalog includes juveniles by Capote, Carson City, Gilded Time, Kris S., Marquetry, Miswaki, Mt. Livermore, Phone Trick, Rahy, Red Ransom, Strike the Gold, Valid Appeal and Woodman. Salt Lake and Diablo, the leading freshman sires of 1996, are also represented. Buyers can watch the horses in action on the OBS track during the Under Tack Preview, scheduled for 9:00 a.m. Saturday, March 15; the regular Under Tack show will be held Sunday, March 23 and Monday, March 24 from 8:00-11:00 a.m. All Under Tack shows will be videotaped and available for viewing at the sales pavilion.

### Saturday, Gulfstream Park

**FOUNTAIN OF YOUTH S.-GII**, \$200,000, 3yo, 8.5f

The field of nine, in post position order, will be: **Arthur L.** (Ocala Slew), 117; **Pulpit** (A.P. Indy), 112; **Acceptable** (Capote), 112; **Jack Flash** (Sovereign Dancer), 112; **Wrightwood** (Seattle Slew), 114; **Blazing Sword** (Sword Dance {Ire}), 117; **Captain Bodgit** (Saint Ballado), 117; **Frisk Me Now** (Mr. Frisky), 117; and **Confide** (Phone Trick), 114.

Explaining his decision to send Pulpit into the Triple Crown fray in this race, trainer Frank Brothers said, "I'm usually pretty conservative in my placing of horses. I think the worst thing you can do is to mismatch them. For a horse to take this step, having just two races--it's a huge step and I think it takes an exceptional horse to do it and do it right. It might be like going from high school to the pros. I would not do it if I didn't think he was a good horse. He's got to prove he belongs. He's done things right so far, won within himself and couldn't be training any better, so I'm betting he can do it." His connections have been betting on it since he was born. "He was probably considered the best colt (of his crop) at Claiborne," said Brothers. "Seth (Hancock) and everybody liked him. As a baby, as a weanling and as a yearling, he stood out as the man."

The Fountain of Youth will be televised on ESPN, starting at 4:30 p.m. EST.

**SILVER CHARM MAY MISS SAN RAFAEL** Silver Charm (Silver Buck), winner of the San Vicente S. February 8 in his first start of the season, has developed a temperature and may be forced to miss the San Rafael S. March 2. "He had a 102.4 degree fever Wednesday," said trainer Bob Baffert. "He's normal (Thursday), but it depends on how many days I'm going to rest him as far as running in the race. He looks bright, but his white blood cell count was a little elevated. With something like this, I'm taking no chances." If the grey colt does skip the San Rafael, Baffert said he would instead be pointed for the San Felipe S. March 16.

### HICKEY CASE TO ILLINOIS SUPREME COURT?

The First District Court of Appeals has dismissed the one-year suspension imposed by the Illinois Racing Board on owner/trainer Noel Hickey for six alleged medication violations at Arlington International Racecourse in July and August of 1994. But while the Board maintains the original six-month penalty handed down by the stewards after six of Hickey's horses tested positive for the bronchial dilator albuterol is still in effect and should be instituted immediately, Hickey and his attorney insist the latest ruling ends the case. The Court of Appeals found that the nine-member Board needed a majority ruling--five votes--in order to suspend a license; the six members present at Hickey's appeal hearing voted 4-2 to double the horseman's suspension, one shy of the required number. After the court's ruling was announced, IRB Executive Director Joe Sinopoli said, "The original six-month decision was unaltered by the court's decision and the Board will enforce that suspension immediately." But Art Engelland, Hickey's attorney, countered, "The Board has the right to appeal to the Illinois Supreme Court. It does not have the right to restore the stewards' original ruling. Once there is an appeal, the stewards' ruling becomes moot." Neither Hickey nor Engelland had received official notification of the Board's intention to enforce the original suspension as of Thursday evening. The Board is considering taking the case to State Supreme Court.

**SILVER GOBLIN RETIRED** According to a report in the *Daily Racing Form*, Silver Goblin (Silver Ghost), winner of 14 of his 21 career starts and \$1,025,395, has been retired. The six-year-old Oklahoma-bred gelding broke down after finishing ninth as the favorite in the GI Met Mile in May, 1995, but came back to the races last October and finished sixth in the Remington Park Sprint Championship H. in what would be his last start. The four-time graded stakes winner was also second to Cigar in the 1995 GI Oaklawn H. "He gave us plenty of thrills," trainer Kenny Smith told the *Form*, "but the one race we'll never forget was his second to Cigar in the Oaklawn H. I've never seen a horse show as much courage and determination as he did that day."

### ELMENDORF BROODMARES TO STONERSIDE

Robert and Janice McNair's Stonerside Farm in Paris, Kentucky has purchased the entire broodmare band from Jack Kent Cooke's Elmendorf Farm. John Adger, the McNair's racing and bloodstock manager, declined to disclose the price of the 35 mares and six sucklings, but said the deal was finalized February 14. Included in the purchase were **Continental Girl** (Transworld), dam of GISW and millionaire Flying Continental; **Devil's Flirt** (Devil's Bag), a half-sister to Classic winner Colonial Affair in foal to Pleasant Colony; and **Highland Tide** (Highland Blade), a half-sister to two graded stakes winners in foal to Storm Bird. The mares and their foals have been shipped to Stonerside. Approximately 10 of the former Elmendorf mares will be bred back to Strodes Creek, who finished second in the 1994 Kentucky Derby for the McNairs; in his second year at stud, the six-year-old stands at Stone Farm in Paris, Kentucky.

**LIVE FOAL REPORTS ISSUED** The Jockey Club has mailed preprinted Live Foal Reports to all owners of mares bred in 1996. This is the second step in the registration process for foals of 1997, and should be completed within 30 days after the birth of the foal. Owners with access to the Internet can file electronically using the new Jockey Club Interactive Registration software, which is being targeted for general release next month. Live Foal Reports submitted by mail should be addressed to The Jockey Club, 821 Corporate Drive, Lexington, Kentucky, 40503-2794.

### Local News: Florida

The National Horsemen's Benevolent and Protective Association, based in Aventura, Florida, has released a benevolence impact study detailing over \$20 million paid out over the last five years to provide medical and benevolent services for members and their families. "This study clearly and unequivocally emphasizes an aspect of horse racing which is not only positive, but also altruistic," said National HBPA President Bill Walmsley. "I'm proud when I see the numbers collected in this study. They give true meaning to our slogan 'Horsemen helping horsemen'."

Off from March to December last year, Sharekann (Ire) set the pace but tired in his first two starts back, most recently running fourth in a mile allowance affair January 30. Stretching out another furlong off that effort, the chestnut import once again sprinted to the lead at the start but this time held it all the way to the wire to post an uncontested win.

Four Southern California racing associations will pool resources with the Thoroughbred Owners of California to develop a collaborative program designed to promote Thoroughbred racehorse ownership in the state. The initiative, to be known as Southern California Owner Recruitment (SCOR) and based at Del Mar, will be sponsored jointly by Santa Anita, Oak Tree, Fairplex and Del Mar. "SCOR's primary focus is to bring prospective owners and their families into direct contact with racing's best ambassadors, the horses themselves," said Anne Palmer, the group's administrative director. Outings to racetracks, training facilities and breeding farms are scheduled, as well as seminars and social functions. Recently retired trainer Gary Jones will serve on the SCOR advisory committee with Gayle Van Leer, Gary Biszantz, Betty Mabee, Beverly Lewis, Greg Vela, Jenine Sahadi and Chris McCarron.
