SKIP AWAY TO LONE STAR Last year's Eclipse award winning three-year-old **Skip Away** (Skip Trial) will likely make his next start in the Texas Mile at Lone Star Park after officials at the Texas track announced the purse for the April 20 race had been increased from \$100,000 to \$250,000. Skip Away would become the first Eclipse champion to race in Texas. Explaining the purse increase, Lone Star Park Vice President and General Manager Corey Johnson said, "Our goal has always been to bring world class horse racing to North Texas. This purse increase just reinforces the strength of our racing program. We have received a tremendous amount of interest in the Texas Mile from the connections of the top horses around the country. With the opportunity to attract Skip Away and other top horses, we decided that this is the step that we needed to make." In his two previous 1997 starts, Skip Away finished second in both the GI Donn H. and GI Gulfstream Park H.

TWO-YEAR-OLDS WORK FOR KEENELAND

SALE Two-year-olds up for sale at Keeneland's 1997 April Two-Year-Olds in Training Sale worked Monday. The fastest one-furlong work on the dirt was turned in by Hip Number 221, a filly by Dixieland Band out of the Restless Native mare Velvet Touch. The gray filly, a half sister to GSW **Devilish Touch** (Devil's Bag), worked in :10 4/5. Three horses worked a quarter-mile in :21 4/5 on the dirt: Hip Number 14, a colt by Sheikh Albadou (GB)--Frozen Rope (Clever Trick); Hip Number 34, a colt by Copelan--Mepache (Iron Constitution) who is a half-brother to MGSW **Valid Expectations** (Valid Appeal); and Hip Number 126, a filly by Diablo--Cox's Miss (Cox's Ridge). The fastest three-furlong work on the dirt was turned in by Hip Number 38, a colt by Crafty Prospector--Music Row (Java Gold). Of horses working on the turf, Hip Numbers 118, a filly by Dynaformer out of Bolshoi Comedy (Sovereign Dancer), and 166, a filly by Kris S. out of the Miswaki mare Miss Waikiki, both worked the fastest one-eighth, covering the distance in :10 4/5. Two horses recorded the best time for one-quarter mile on the turf. Hip Number 167, a colt by Phone Trick--Najmah (Nijinsky II), and Hip Number 233, an Irish-bred filly by Caerleon--Belize Tropical (Ire) (Baillamont), both breezed in :22 1/5. The quickest three furlongs on the grass was turned in by Hip Number 180, a colt by Easy Goer out of the Lyphard mare Purusha. The Keeneland sale runs from April 15-April 16, with both sessions scheduled to start at 6:30 p.m.

Saturday, Keeneland:

TOYOTA BLUE GRASS-GII, \$700,000, 3yo, 9f

Pulpit (A.P. Indy) worked five furlongs handily in 1:00 2/5 on a fast track under regular jockey Shane Sellers. He galloped out six furlongs in 1:13 3/5 after recording a first quarter of :24. Pulpit's work was the second fastest of 19 at the distance and 1/5 of a second slower than the day's best. "We wanted to go nice and easy with him," Sellers said. "It was a great work for him." The workout was delayed nearly a half-hour by a training accident on the Churchill Downs stretch, not far from where Pulpit was standing. Two horses collided and an exercise rider was injured--but Sellers said Pulpit, who had developed a reputation for being high-strung in his training and races earlier in the year in Florida, was unruffled by the mishap or the sounding of a warning horn that followed.

Also turning in a sharp effort in training for the Blue Grass was Robert and Beverly Lewis's **Wrightwood** (Seattle Slew), who worked six furlongs handily in 1:12.

Jules (Forty Niner) worked a half-mile handily in :47 3/5 over a fast Keeneland track Tuesday. Afterwards, trainer Alan Goldberg said the colt's status for Saturday's race was still up in the air.

Stolen Gold (Conquistador Cielo) also worked Tuesday at Keeneland, going a half-mile in :48 2/5 breezing.

Celtic Warrior (Fast Play) breezed five furlongs in 1:01 3/5 Tuesday.

Royal Suzuka made a very impressive debut at two, but had performed disappointingly in graded stakes company at three. Trainer Mitsuru Hashida gave the colt six months rest and, in his return to the graded stakes ranks, Royal Suzuka finished second in the G2 Milers Cup at Hanshin in March last time out. The third choice of the bettors was settled in mid-field and accelerated brilliantly down the stretch to get up for the win. Winning rider Katsumi Minai said, "I was worried about the heavy-going track but it was not so bad as I expected. I felt my horse was still full of run at the final turn and thought we would win from there."

Local News, Churchill Downs:

Local News, River Downs:

Despite the worst flooding in thirty years, River Downs in Cincinnati, Ohio, will open as scheduled this Saturday. During the March flooding, water filled the grandstand to a level of seven feet and flooded the lower lever of the clubhouse RaceBook. Live racing will be conducted six days a week from April 12 through September 1. The track will be dark on Wednesdays. Post time will be 12:55 p.m.

Local News, Illinois:

Slot machines and video poker terminals for Illinois racetracks are a small part of a huge gambling expansion pitch that Representative Lou Lang, a Democrat from the Chicago suburb of Skokie, plans to make to the state legislature during the final weeks of its spring session. The proposal calls for 14 new riverboat casinos. Currently, Illinois has 10 riverboat casinos, six racetracks and a network of off-track betting parlors owned and operated by the tracks. Lang is projecting an increase of \$1.4 billion per year in revenue for state and local governments if his plan is adopted. In an attempt to appease Republican Governor Jim Edgar, who is dead-set against gambling expansion, Lang is proposing using the gambling funds to underwrite a \$10 billion bond issue for school construction.

SHIRLEY HEIGHTS: AN APPRECIATION

by *Bill Oppenheim*

"I grow old ... I grow old ...
I shall wear the bottoms of my trousers rolled."

--T.S. Eliot, "The Love Song of J. Alfred Prufrock"

I made my third trip to Newmarket for Tattersalls' Houghton yearling sale in the autumn of 1981, and I have one outstanding recollection from that trip--Shirley Heights' first yearlings. I had always been a big fan of Mr. Paul Mellon and his great champion Mill Reef, so I was naturally at least a bit interested in the first yearlings by his first top son, winner of the 1978 English-Irish Derby double; but I was in no way prepared to be so bowled over by the immense quality of the Shirley Heights yearlings. I just thought they oozed class. This I thought was amazing considering he hailed from what would at the time have politely been called a 'rough' female line, but I think this was very much the Mill Reef showing through.

That brought Shirley Heights to my attention, and by the time Slip Anchor led pillar-to-post in the 1985 Epsom Derby, following the victory of another son, Darshaan, in the previous year's French Derby, Shirley Heights was firmly established among the front rank of European sires. When he died earlier this week at the age of 22, Tony Morris noted in the Racing Post that Shirley Heights had sired a total of 30 Group or Graded SW (among 51 SW in all) in England, Ireland, France, and the U.S. in his first 13 crops, though he has no GSW yet among his 1996 3- or 2-year-olds.

Shirley Heights has always been a Classic sire, and in recent years many of his top horses have stayed at least 12f., sometimes even 2m+, such as the 1994 Ascot Gold Cup (2 1/2m) winner Arcadian Heights. They've always had a well-deserved reputation for temperament, too: his fillies are notorious tail-swishers, and while in many cases that signals unguine runners, in Shirley Heights' case it seemed to be more temperament than non-tries. One of his good colts, Head for Heights, a dual 12f G2 winner from his second crop, was so sav age he was reportedly eventually put down at stud.

For all that, Shirley Heights has continued to be an important Classic influence, both as a sire of sires and as a broodmare sire. His best son at stud has undoubtedly been Darshaan, who's been threatening to throw a real star for a few years now and certainly did in

Europe's top 3-year-old miler of 1996, Mark of Esteem, now ensconced at Sheikh Mohammed's Dalham Hall Stud, where he will get a major shot. Shirley Heights has been a good broodmare sire, too; his best producing daughter has been High Hawk, winner of the G2 Ribblesdale from his first crop and dam of three GSW by Sadler's Wells, including In the Wings, sire of 1995 Irish Derby winner Winged Love and 1996 globetrotter Sing-spiel in his first crop.

I've become increasingly cagey over the years about predicting long-term influences and trends as the numbers of the thoroughbred breed have exploded over the past twenty years--who would have thought then that the very survival of the Bold Ruler sire line might depend on just how good A.P. Indy and Capote turn out to be? Shirley Heights may or may not turn out to be a name seen much in pedigrees in years to come; but as a sire of racehorses, especially middle-distance runners and stayers, and at least as a first-generation influence, he's definitely been a Name in the 'Eighties and 'Nineties. I for one hope his influence will long survive in pedigrees: he sired class.
