LONE STAR PARK BREAKS "SHARP" The crowd whooped, the gates snapped open and they were off and running under a cloudless sky yesterday at Lone Star Park at Grand Prairie. When the dust settled after the first race at Texas's newest Class 1 racetrack, it was 49-1 **I Are Sharp** (Timeless Moment) standing in the winner's circle for owners Henry White and Hugh Fitzsimmons, first in the aptly named Premier S. "I think we're going to have a lot of fun here," said K.C. Wojciechowski, the leading trainer after the first. "I know I am today." Full fields, compliments of a barn area boasting 1,358 inhabitants, a grandstand filled to capacity and racing fans overflowing with enthusiasm were the order of the day. Betting lines stood 12-deep at every window; the 48 luxury boxes were sold out long before opening day. There were five helicopters, not to mention a small plane or two, circling with the runners for the first race. "Sixty years ago, and less than five miles from this very location, racing fans in Texas enjoyed and supported the sport of major-league horse racing. Arlington Downs was considered to be one of the top tracks in the country. It's been a long wait, but we're back," said Lone Star President Bob Kaminski. "No one person or group can claim credit for the opening of this track today. It's truly a joint effort. But I can attest that it never would have happened if it had not been for a unified effort in search of a common goal." Total on-track handle, including betting on both the live card and simulcast signals, was over \$825,000 through the first three races. "I would have been disappointed if we hadn't done \$800,000 for the day--we've already done more than that," said General Manager Corey Johnsen. Voicing the prevailing opening-day opinion, he added, "This is exciting, it's gratifying and it's moving." Quick out of the gate, Lone Star Park is moving in the right direction.

OCALA TWO-YEAR-OLDS WORK A filly by Fight Over posted the fastest eighth-mile work of the session as the Ocala Breeders' Sales Company kicked off its four-day Under-Tack Show for their annual April Sale of Two-Year-Olds in Training at its Sales and Training Complex. The grey filly, selling Monday as hip number 213, is out of the Fire Dancer mare Dancin Dumplin and covered the distance in :10 3/5. Hip number 166, **Hooten Dooten** (Irish Tower--Charming Appeal, by Chumming), recorded the fastest quarter-mile of the session when he worked in :21 4/5. The fastest three-eighths mile work of the opening session was turned in by hip number 7. The chestnut filly by Heff out of the D'Accord mare According to Chic worked in :34 1/5, the fastest work by 3/5ths of a second. The Under-Tack Show's second session gets underway Friday morning at 9 a.m. and continues with sessions on Saturday and Sunday mornings. The OBS-April Sale is scheduled for Monday, April 21 through Thursday April 24, with continuous sessions beginning each day at 11 a.m.

BLACK TIE AFFAIR DRAWS JAPANESE

INTEREST Vinery has declined a "substantial" offer from a Japanese group for **Black Tie Affair (Ire)**, according to Ben Walden Jr., the owner of the Midway, Kentucky farm. Black Tie Affair, the leading third-crop sire and currently 10th on the general sire list, is owned by Vinery and Jeff Sullivan, who campaigned the 1991 Champion Older Horse and Horse of the Year. "We received a substantial offer," said Walden. "My understanding is that there are three major groups in Japan which have shown an interest in the horse, and we have received one offer from one group. We feel confident that we're going to keep the horse and march on. We feel strongly about Black Tie Affair's current stature within the industry as well as his potential position in the industry in the long run. We think it's pretty incredible he's the 10th-leading sire on the general list with just two crops and he's just beginning to make an impact on the whole as a stallion." But while Walden said they were "reluctant" to sell the stallion, "the numbers are getting steep enough to consider it. We are businessmen, and there is a point at which we would have to weaken. At this stage, however, we are bold enough to feel the horse is secure in this country. We're proud to have him at Vinery."

D.J. STABLE, REBA McENTIRE JOIN FORCES

Leonard and Jon Green's D.J. Stables and Reba McEntire's Starstruck Farms have formed a partnership, with each retaining a 50-percent interest in a two-year-old Deputy Minister filly purchased for \$220,000 during Wednesday's Keeneland April Two-Year-Olds in Training Sale. The chestnut filly, consigned by Niall Brennan, agent, is out of the Mr. Prospector mare Impetuous Image. She will be trained by D.J. Stable's regular conditioner Joe Orseno. "This is part of an incorporated business plan by which (Starstruck Farms) would purchase two-year-olds, older horses and broodmares to ensure profitability for the future," said Jon Green. "The purchase of this horse was the first step of many toward making them a winning outfit." Country-Western singer McEntire's most successful racehorse to date has been **Rich Man's Gold** (Forty Niner), who finished second in the GIII Rebel S. at Oaklawn in 1995.

ALLIANCE ANNOUNCES MISSION STATEMENT

A formal mission statement to "create a new organization, representing all of racing's diverse interests...to increase industry revenues and significantly broaden our customer base," was one of a series of announcements made Thursday by the recently announced as-yet unnamed Thoroughbred industry alliance funded by Breeders' Cup Ltd, The Jockey Club, the Keeneland Association and Oak Tree Racing Association. The announcement came during a media briefing at the offices of the Breeders' Cup Ltd. in Lexington, Ky. Ted Bassett III, Gary Bizsantz, Sherwood Chillingworth, Robert Clay, Douglas Donn, Will Farish, Hal Handel and Ogden Mills Phipps were named to the alliance's oversight committee. The group also released a formal summary of strategic goals, which include the creation of a centralized national structure and the implementation of a comprehensive marketing plan. Also formed were a facilitating committee, and plans to form a series of working groups, including finance and administration, interactive and technology, simulcast, and television and marketing, were announced.

Brilliance came through on the rails a quarter of a mile from home, found an opening and quickened up well for the victory. Darashandeh finished strongly for second after having traffic problems. Winning trainer Pascal Bary said: "This is a nice filly and she has won both her starts this year. I plan to run her next in the Prix Saint-Alary (G1) on May 18."

Craven S. results cont.

Desert Story, the 5-2 favorite for the Craven, is now a 14-1 shot for the 2000 Guineas with most bookmakers after a smooth, workmanlike rather than brilliant success, giving weight all round. He was trainer Michael Stoute's sixth winner of the Craven S. and two of them, Shadeed and Doyoun, have gone on to win the 2000 Guineas. Grapeshot set the early pace and a quarter mile out quickened, but Desert Story went after him and with a furlong to run took command. Grapeshot came back at him at the finish, but was 3/4 length short at the wire. Five lengths covered all eight runners. Michael Stoute said of Desert Story, who won the G3 Horris Hill S. at Newbury last October: "I think he'll run very well in the Guineas. He has done well through the winter. He's a lovely type of horse and is much more professional now and quickens better than he used to do. He was fit enough to do himself justice today, but he will improve for this run too."

GREENE KING FEILDEN S., \$26,981, Newmarket, England, 4-17, 3yo, 9fT, 1:50:57, gd-fm.

1--#**FAHRIS (IRE), 123, c, 3, Generous (Ire)--Janbiya (Ire), by Kris (GB).** O-Sheikh Hamdan al Maktoum; B-Shadwell Estate Co Ltd; T-Ben Hanbury; J-R Hills; \$16,283.

2--**Panama City, 123, c, 3, El Gran Senor--Obeah (Ire), by Cure The Blues.** \$6,018.

3--**Crimson Tide (Ire), 123, c, 3, Sadler's Wells--Sharata (Ire), by Darshaan (GB).** \$2,882.

Margins: 3, 1, 4.

Fahris emerged as a serious Epsom Derby candidate after this easy three-length win. Bookmakers have him at odds of between 16-1 to 25-1 for the Derby. He raced in third early, but just over a quarter mile out Fahris took command and was never threatened inside the final furlong. Trainer Ben Hanbury said: "I'm delighted and relieved. He's very big, probably 17 hands already. He wore bandages today because I wanted to protect his legs. But he handled the fast track very well and his jockey Richard Hills said he was always well balanced. So now I'll keep my fingers crossed until Derby Day in June. He might run in the Dante S. (May 14) but I'll have to talk it over with owner."
