BELMONT STAKES WRAP-UP Belmont S. winner **Touch Gold** (Deputy Minister) came back from his three-quarter length victory in good order, according to trainer David Hofmans. The colt, fourth after stumbling badly at the start of the Preakness and suffering a grabbed left front quarter, raced with a patch on the injured hoof Saturday. "The hoof is doing real well," said Hofmans yesterday. "We took the patch off last night after the Belmont and we had to take some of the (hoof) wall off. That had me a little concerned last night, but this morning the foot is cold. I think we'll keep the patch off as long as he lets me not train him, which I'm hoping is about a week. But he's real tough and I'm not sure that is going to happen." As for future plans, the trainer said, "The Travers (August 23) is definitely in the picture, especially if **Silver Charm** (Silver Buck) and **Free House** (Smokester) go in there, too. I think it would be terrific to get those three horses together and get this whole thing rolling again. I can't wait for these three to meet again. Won't that be something?" And the outcome of a rematch? "With no trouble in the race, I think Touch Gold will beat Silver Charm every time," he said. "I think he's a little better horse. I think Touch Gold is ready to peak, that he's still coming up to his best. You won't see the best from this horse until the Breeders' Cup. As they say, you ain't seen nothing yet." Countered trainer Bob Baffert, whose Silver Charm took two-thirds of the Triple Crown before finishing a gallant second in the Belmont S., "He has a right to brag about his horse. I think these horses will take turns beating one another. It's whoever has the luck." As for his next target, Baffert is considering his options, which include the July 13 GII Swaps S. at Hollywood Park. The Swaps currently offers a purse of \$500,000, but Hollywood management has already said that they will raise it if they can get Touch Gold, Silver Charm and Free House, all based in California, back in the starting gate together. "I talked to the three trainers two weeks ago," Hollywood Park racing secretary Martin Panza said. "We're going to present the Thoroughbred Owners of California (which must approve changes in purses) with some options for the Swaps and we want to talk to the three trainers and see what's best for them. We're considering raising the purse." Touch Gold and Silver Charm shared a flight out of New York yesterday morning, with Silver Charm getting dropped off at Churchill Downs and Touch Gold continuing on to California.

Vereva (Ire) took her record to three wins from as many starts and gave owner His Highness the Aga Khan his second Classic success of the season. RYAFAN (Lear Fan) led the field through the opening fractions and had enough left to open up turning for home, but Vereva launched a rally on the far outside a furlong and a half from the wire to take command and draw away to win impressively from the fast-finishing Mousse Glacee (Fr). "This is a very talented filly," said winning trainer Alain de Royer-Dupre. "She had a late debut due to a cough, but we were very impressed with her win of the Prix de la Seine on May 25. She is a fast-improving filly with tremendous acceleration." Vereva will possibly run in England next; she was not entered in the Irish Oaks because her trainer is not confident she is ready for the mile-and-a-half distance. Mousse Glacee had difficulty finding a way through the field and had to quicken later than trainer Jean Lesbordes would have liked. "She did not have the best trip" he said. "She had no room to go but when she found a way she finished very strongly. She will definitely run in the Irish Oaks." Trainer Pascal Bary, who saddled favored Brilliance (Fr) to finish third, said: "If she has recovered from this, she will run in the Irish Oaks July 13 at the Curragh."

BELMONT HANDLE A NEW YORK RECORD

Belmont Park's total handle of \$46,719,629 on Saturday's Belmont S. card was an all-time record for New York, surpassing the old mark of \$40,909,598 set on Breeders' Cup Day, 1995. The largest previous Belmont S. Day handle was \$38,712,984, set last year. On-track handle at Belmont was \$9,215,728, the fourth-largest in track history and second largest for the Belmont S. "We're extremely grateful for the tremendous support shown by racing fans," said New York Racing Association President and Chief Operating Officer Terry Meyocks. "The excitement generated by Silver Charm's attempt for the Triple Crown, the building rivalry among the horses competing and outstanding coverage by the media led to one of the most exciting days in the history of Belmont Park. Visa has done a great job in helping promote Triple Crown events as well as Thoroughbred racing and we are very grateful to them. In addition, we would like to thank the connections of all of the Belmont S. horses for their great cooperation to build this day."

Memories of Silver, winner of last year's GI Queen Elizabeth II Challenge Cup at Keeneland, won four straight turf starts prior to running fifth in the Oct. 26 Breeders' Cup Mile and third in her most recent start, the Dec. 1 GI Matriarch S. at Hollywood. The favorite in her first outing since, she settled in good position early before advancing around the far turn to take the lead away from front-running Dynasty midstretch and draw clear. "Jimmy Toner did a really great job getting her ready for this," winning jockey Jerry Bailey said. "Winning a graded stake off of a layoff is really something. I really didn't have to do much out there, but when I did ask her for something, she responded."

Looking to make it four stakes wins on the year, the bay raced just off the early pace set by the crowd's choice, Chip, and Top Secret before taking the lead and drawing away as much the best. MGISW ANTESPEND (Spend a Buck), sold for \$900,000 at Keeneland in April, was making her first dirt start since running second in the GI Hollywood Oaks last July 13. Jockey Richard Grubb, the first rider and one of only two to record seven wins on a single card at Woodbine, is the 1997 recipient of the Avelino Gomez Memorial Award. Grubb, who rode his first winner in 1966 and went on to take more than 1,600 races during his 23-year career, retired from the saddle in 1989 and now serves as an Ontario Racing Commission steward. He was awarded this honor for the class he has displayed and the respect he has received both as a jockey and a steward from fellow horsemen as well as track officials. The Avelino Gomez Memorial Award, given each year to the Canadian-born, Canadian-raised or Canadian-based (for at least five years) rider who has made a significant contribution to the sport, will be presented on Canadian Oaks Day at Woodbine, Sunday, June 15.

Favored Darazari (Ire) led the field at a steady pace early and quickened coming into the home straight, but was challenged first by Surgeon (GB) and then, a furlong from home, by the winner, who came from the outside and went on to take the race with only two lengths between himself and the last of the five runners. Trainer Dominique Sepulchre indicated that Steward would run next in the Grand Prix de Saint Cloud June 29.

A seven-length maiden winner at first asking May 11 at Golden Gate, Bent Creek City stepped right into stakes company off that score and made it two in a row. The speedy bay sprinted to the lead soon after a stumbling start and opened up her advantage in the stretch to win easily. "She's a high-strung horse, but she's been 100 percent better than when we started," said trainer Jeff Bonde. "She's really started to settle down quite a bit." Hollywood Park and its satellite sites handled a Belmont S. Day record \$18,343,005 Saturday; it was also the fourth-highest single-day handle in track history. Wagering was up 25.3 percent from last year's corresponding card. A record \$2,520,321 was bet on the Belmont S. itself, up more than 80 percent from the 1996 edition of the race.

Irish Wings (Ire), a stakes winner in France, made his American debut when finishing fourth in an optional claiming allowance event March 30 at Golden Gate in his first start in 18 months. He then finished second in the May 4 GIII Inglewood H. and won a May 25 allowance race last time out, both at Hollywood. Reserved early, he moved up around the far turn to take command in the stretch. "What a cool little horse," said jockey Dennis Carr. "It was just a matter of sitting chilly. The way he travels you think you're on a giant--he covers so much ground." Said trainer Wally Dollase, "I bought him because he beat Labeeb (GB) fair and square in Europe. We didn't pay a lot of money for him, but my owners (all 10) have been very patient. He had a lung infection and breathing problems which we had to treat. Then, about five months ago, I was on my pony and this horse jumped up and scarred my back with his front hoof--the next day we castrated him." Irish Wings will head to the GII American H. at Hollywood July 4.
