**SWAPS WORTH \$1 MILLION?** The battle for the best three-year-olds escalated Saturday. Hollywood Park officials and the Thoroughbred Owners of California announced that if the first three finishers in this year's GI Belmont S., **Touch Gold** (Deputy Minister), **Silver Charm** (Silver Buck) and **Free House** (Smokester), start in the GII Swaps S. at Hollywood July 13, the race will receive a \$500,000 purse supplement. Already offering a purse of \$500,000, the bonus would make the mile-and-an-eighth event worth \$1,000,000--but trainer Bob Baffert has indicated he would rather give Derby and Preakness winner Silver Charm an extra three weeks' rest and await the GI \$1,000,000 Buick Haskell Invitational at Monmouth August 3. Undaunted, TOC President and General Counsel John Van de Kamp said, "We believe (the Swaps supplement) is in the best interest of racing. These are the finest horses to come out of the Triple Crown in 20 years. The added purse money will be compensated for by the increase in handle as a result of these three great horses continuing their rivalry." The proposal calls for \$300,000 of the additional purse money to be funded by the purse pool and \$200,000 to come from Hollywood Park. The winner of the race would receive the entire supplement as well as the \$300,000 winner's share of the purse, bringing the payday to \$800,000. "These are very talented, highly competitive horses with an incredible will to win," said Hollywood Park President R.D. Hubbard. "We'd be thrilled to give California fans an opportunity to see them meet in their own backyard."

Fifth in the Dubai World Cup April 3, **Formal Gold** proved he had rebounded from the trip to the Middle East with a game second-place finish behind champion **Skip Away** in the GIII MassCap last out May 31. Bet down to 4-5 off that performance, the Canadian-bred colt rewarded his backers, coming from fourth with a three-wide sweep on the final turn and striding away from the field down the lane. "We hadn't planned on the Brooklyn at first, but he came out of his last race in such great shape that I had to run him in here," said winning trainer William Perry. "I really don't know what's next for him...(the Hollywood Gold Cup June 29) is doubtful. I wouldn't say the Whitney (GI at Saratoga August 2) was out of the question. Our goal is the Breeders' Cup. I don't know where **Formal Gold** figures in the mix right now, but I do know he is going to have to improve to compete with those California horses. But we do have a lot of time to get ready."

Last after a half in :46 4/5, the bay began her bid on the far turn, came wide into the stretch and ran down favored Really Happy in the final yards. "I'm in shock," said trainer Carla Gaines. "When they went off so slow in the first part of the race, I didn't like her chances. She made a run at the speed, but I never thought she'd get there." Jockey Kent Desormeaux, aboard the runner-up, felt his filly had an excuse. "She was really gasping for air, making a terrible noise through the lane," he said. "She stopped really bad the last eighth of a mile."

Only Toto Le Moko prevents this Italian Group One from being an all-English affair. Shantou won last September's Doncaster St. Leger and then was fourth to Pilsudski (Ire) and Singspiel (Ire) in the Breeders' Cup Turf at Woodbine in his last start. Strategic Choice and Luso ran 1-2 in this event last year; the former went on to win G1 Gran Premio del Jockey Club at this track in October before dead-heating for third with Helissio (Fr) in the Japan Cup in November, but he was a well-beaten fifth to Helissio in the Prix Ganay at the end of April. Jockey Gary Stevens partners Luso, who won the G2 Premio Ellington May 24, beating Toto Le Moko.

Winner of the GII Lexington S. in April, 1996, City by Night had started just twice since, running eighth in the GII National Museum and Hall of Fame S. at Saratoga last August and then returning from a nine-month absence to win a Churchill allowance May 9. Making his second start back over a sloppy strip, the bay added to trainer Patrick Byrne's unbelievable record, closing from midpack to take a clear lead into the stretch and maintaining it to the wire to run his conditioner's record to 12-for-13 at the meet. The 2-1 favorite Victor Cooley made a run at the top of the lane but couldn't close any ground on the winner while easily second best.

Tansit put together back-to-back allowance wins at Gulfstream last winter, but then was overmatched in the GIII Louisiana Derby and the Rushaway S. at Turfway, finishing ninth in both races. Back after a two-month break, the bay tried the turf and tired to be sixth after pressing the pace in that May 18 allowance at Churchill. Fitter for that tightener, he was let go at generous odds in his second start back but closed from just off the pace to edge fellow longshot Hope for the Best in a three-way photo for the win. Odds-on Mystic Knight (GB), a Group winner in England still looking for his first U.S. score, grabbed the lead at the top of the stretch but couldn't hold on.

Looking for her first win since taking the Jim Hill S. over the Hollywood turf last November and off the board in her first four starts this year, Montecito improved to be third in the GII Railbird S. at Hollywood in her most recent effort May 18. Shipping east in search of the winner's circle, the dark bay miss shadowed the pace for six furlongs in her Churchill and off-track debut, stuck her head in front as they straightened for home and drew clear in the stretch under jockey Pat Day.

Second by a neck in a nine-furlong allowance on the Arlington main track last out June 1, the bay switched to the turf and stretched it out to a mile and a half for the first time in his career. In front after a quarter, he gave up the lead down the stretch the first time but came back to regain command on the far turn and pull away in the drive for a five-length tally as the 7-5 favorite. GI Kentucky Oaks winner **Blushing K.D.** (Blushing John), scheduled to breeze for the first time since finishing a disappointing fourth in the GI Black-Eyed Susan last out May 16, had the work postponed yesterday. The filly, diagnosed with unusually low potassium levels in her blood following the Black-Eyed Susan, will get a few more days of jogging and galloping before stretching it out over the Churchill strip. "Her potassium level is up, but we're going to wait a few days before we work her," said trainer Sam David Jr. "She'll probably breeze next Friday. She's back to where we want her to be, but we just want to give her a few more days. Now that we know the potassium is the problem, we can monitor it and keep it up where it needs to be." David blamed a negative reaction to Lasix at Pimlico with aggravating the filly's problem. "We use a lot of Lasix and we've never had that reaction," he said. "But maybe it's just because she runs and works so hard. Maybe she just tries harder than she should."

Eighth in last September's GII Rare Perfume H. in her lone previous graded stakes try and only 2-for-14 on the turf coming into this race, Fleur de Nuit was the second-longest shot on the board but came through for her connections, staging a strong rally from fifth to take over the lead in deep stretch and draw away to her first black-type victory. Third in a Monmouth allowance test last out off a three-month vacation, the chestnut filly dropped six pounds but picked up a sixteenth of a mile off that effort; she showed her appreciation for the added distance to run her record at a mile and an eighth to two-for-four. The 7-5 favorite Flame Valley, off since running second in a stakes at the Fair Grounds in March, took the lead as they came off the far turn but tired in the final furlong and had to settle for second.
