**FREE HOUSE TO HASKELL?** Fresh from a dominant performance in Sunday's GII Swaps S., Triple Crown veteran **Free House** (Smokester) could make his next appearance in Monmouth Park's August 3 GI Buick Haskell Invitational, trainer Paco Gonzalez admitted yesterday. "The Haskell comes up pretty close, but my boss (owner John Toffan) said not to rule it out," Gonzalez said. "He came out of the Swaps really good. We'll take him to the track (today) and we'll decide from there. My boss told me to look at the horse and let him know." If Free House runs in the Haskell, he will not start in the August 23 GI Travers at Saratoga. GI Belmont S. victor **Touch Gold** (Deputy Minister), also heading for the Haskell, worked a mile in 1:44 yesterday morning at Hollywood Park. He will breeze again early next week and is scheduled to ship to Monmouth next Wednesday.

### HOLLYWOOD PARK SUMMER MEET ENDS

Hollywood Park concluded its 1997 spring/summer meeting Monday afternoon with slight declines in average handle and attendance, despite the loss of handle from Las Vegas. "We're very pleased with this meet," track chairman R.D. Hubbard said. "Our handle is down a bit overall, but that's from the out-of-state handle because we weren't sending our signal to Las Vegas. A lot of the dollars that were bet in Nevada have come back to California -- where we get a bigger percentage -- and the commission and purse money are up five percent over 1996. We're underpaid in purses by about \$700,000." Hollywood Park's daily average handle of \$10.1 million (all sources) at the 66-day meeting was down just 2.8 percent from 1996. On-track handle totaled \$2,295,740, a decrease of 3.3 percent from last year's figure. The on-track average attendance of 10,749 was off 3.9 percent.

**HALO AMERICA RETIRED** John Franks reported yesterday that his Grade I winning mare **Halo America** (Waquoit) has been retired from racing. "She has a chronic ankle problem that wasn't healing properly," Franks said. "In her last three races she had to be bled along. The ankle wasn't healing the way we thought it should, and she's too valuable to take any chances. She was telling us it was time to stop." The seven-year-old gray retires with three consecutive graded victories after winning her second GIII Oaklawn Breeders' Cup H. March 23, defeating champion Jewel Princess in the GI Apple Blossom April 11 and taking the GI Louisville Breeders' Cup H. May 2. During her racing career, the Florida-bred won 15 of 40 starts including six graded stakes for earnings of \$1,460,992. It has not been decided who Halo America will be bred to in 1998.

**PEINTRE CELEBRE TO COOLMORE** Daniel Wildenstein, on behalf of Dayton Investments, has completed an agreement with Coolmore Stud which will send his French Derby winning three-year-old **Peintre Celebre** (Nureyev) to Coolmore Stud in County Tipperary, Ireland, when his racing career is over. Dayton Investments rejected a \$16 million offer to buy the colt from Japanese interests. "Peintre Celebre is the best colt we have ever had and we wish to be able to breed our best mares to him and race the subsequent progeny," Wildenstein explained. "Because we board a lot of our mares at Coolmore and they are the number one stallion operation in the world right now, Coolmore are the obvious people to stand Peintre Celebre." Peintre Celebre is currently being pointed towards the Prix de l'Arc de Triomphe and the plan is for him to remain in training as a four-year-old.

**DISPERSAL EUTHANIZED** David E. Nowicki, general manager of Live Oak Stud in Ocala, Florida, has announced that multiple Grade I winning millionaire **Dispersal** (Sunny's Halo) was euthanized Tuesday due to a paddock injury. The property of Charlotte C. Weber's Live Oak Stud, Dispersal entered stud in 1992 and has sired three crops of racing age to date. His runners include 1997 GII Mervyn Leroy H. winner Hesabull (earnings \$520,255 to date) and Cold Snap, who won the Gilded Time S. at Monmouth as a two-year-old. Bred by Dr. John W. Backer in Kentucky, Dispersal raced for brothers Harry and Tom Meyerhoff and was trained by Grover G. Delp. He won 12 of 22 starts, including the GI Woodward H. and \$500,000 NYRA Mile, for earnings of \$1,461,137.

### FAIR GROUNDS STAKES SCHEDULE

**ANNOUNCED** Fair Grounds Director of Racing and Racing Secretary Mervin Muniz has announced the stakes schedule for the 1997-98 meeting. The stakes schedule, worth over \$4.6 million in purses, includes 58 Thoroughbred stakes, five Quarter Horse stakes and one match race. The upcoming 88-day meeting will mark the track's 126th anniversary and will begin on Thanksgiving Day November 27, 1997 and continue through March 30, 1998. Highlights from the stakes schedule include the \$500,000 GIII Louisiana Derby to be run March 15, the \$300,000 GIII New Orleans H. March 9, the \$200,000 GIII Fair Grounds Oaks March 14 and the \$150,000 GIII Explosive Bid H. March 29.

## WEEKEND PEDIGREE PERSPECTIVES

by Alan Porter

### TWICE THE VICE (m, 6, Vice Regent--Double Set, by Resurgent)

One of the unusual aspects of Northern Dancer's remarkable stallion career has been the influence of his sons who were not themselves stakes winners, but went on to achieve outstanding success as stallions. Among the most prominent examples are champion sire Danzig, Fairy King, Night Shift, Sovereign Dancer and Vice Regent.

Vice Regent, the younger brother of Champion Canadian Two-Year-Old Viceregal, demonstrated considerable ability, although injuries and accidents restricted him to only five starts, of which he won two. Viceregal and Vice Regent were both retired to the Ontario wing of the Windfields Farm operation and when it became clear that Vice Regent was getting a better type of foal, Viceregal was leased to France and later sold to Japan. Although Vice Regent struggled for mares in the early stages of his career, he went on to prove that the confidence placed in him was fully justified. In fact, he has sired nearly 100 stakes winners--including current leading sire Deputy Minister--and is maternal grandsire of over 60 more.

Twice the Vice, who captured the GI Vanity H. Sunday at Hollywood Park, comes from an historic female line, as her sixth dam is the Kentucky Oaks heroine Alcibiades. This outstanding runner and producer developed a highly successful relationship with the sire Pharamond II, producing champion two-year-old Menow, the top-class racemare Lithe and Hipparete, from whom descended Secret Hello, Silent Account and Hadif. Alcibiades' excellent daughter Salamina also worked well with Pharamond II, this combination producing stakes winner Athenia (the granddam of Sir Ivor, a horse who works extremely well with Menow) and stakes placed Pella, the fourth dam of Twice the Vice.

Pharamond II was by Phalaris--Selene (Chaucer) and this background is strongly reinforced in the pedigree of Twice the Vice's sire Vice Regent. His grandsire Nearctic is a grandson of Pharos (like Pharamond, by Phalaris out of a daughter of Chaucer) and is out of a mare by Pharamond II's half brother Hyperion. Vice Regent also carries Fair Copy, who is by Fairway (brother to Pharos, three-quarters relative to Pharamond II) out of a half sister to Selene.

The pedigree has another interesting feature. These days pedigree analysts often make much of the duplications of horses on what has become known as the "zig-zag" of the sire and dam. This is the line which is traced through the broodmare sire, his dam, her sire and so on. If we trace Vice Regent's "zig-zag" we find that he out of a mare by Menetrier, who in turn is out of a mare by the famous English sprinter Gold Bridge. This is a strain which is not frequently found in North American pedigrees. However, Twice the Vice is out of a mare by Resurgent, who in turn is out of a mare by Golden Cloud, a son of Gold Bridge. Oddly enough, Gold Bridge's dam is by Hainault, a half brother to Pharamond II's sire Phalaris.

### PEDIGREE SHORTS

Up-and-coming turf horse **Private Buck Trout** (c, 3, **Private Terms--Miss Buck Trout, by Spend a Buck**), winner of Sunday's GIII Lexington S., has a rather interesting pedigree. He is inbred 4x4 to Buckpasser through his daughter Numbered Account and his son Buckaroo. This pair are actually rather closely related as both are inbred to La Troienne, and while Numbered Account is by Buckpasser out of a mare by Swaps, Buckaroo is by Buckpasser out of a mare by Swaps's son No Robbery.

It isn't often that the same female line produces both a sire and his best son, but that is what has happened in the case of the G3 Tennent Caledonian Breweries Scottish Classic winner **Crystal Hearted (GB)** (c, 3, **Broken Hearted {Ire}--Crystal Fountain {GB}, by Great Nephew**). The sire Broken Hearted is by far and away the best son of the Irish 2000 Guineas winner Dara Monarch. Appropriately enough, Broken Hearted has a very special pedigree. His sire carries the great stayer Alycidon (by Donatello II out of Aurora) and his fourth dam Queen of Light is by Borealis (dam Aurora) out of a mare by Donatello II--the "inside out" cross to Alycidon. Crystal Hearted is inbred 4x2 to Queen of Light's daughter Crystal Palace (third dam of Broken Hearted). This gives the relatives Alycidon and Queen of Light 5x5x3. Crystal Hearted is the best son of Broken Hearted and it is surely not coincidence that the most talented runners by both the sire and grandsire should be bred the same way.

The game victory of **Honor Glide** (c, 3, **Honor Grades--Becky Branch, by Run the Gantlet**) in Sunday's GII PrimeCo American Derby took his tally to five wins in six starts. A son of Danzig out of a mare inbred to Somethingroyal, Honor Grades is a half brother to A.P. Indy and Summer Squall and bred along very similar lines to leading New Zealand freshman sire Volksraad, a grandson of Danzig who is inbred to Somethingroyal. One of the Somethingroyal strains appears through Sir Gaylord, a son of Turn-to. When we look at Honor Glide's broodmare sire Run the Gantlet, we find that he is out of First Feather, who is bred on very similar lines to Sir Gaylord as she is by a son of Turn-to out of a mare by Somethingroyal's sire Princequillo. Honor Glide also has a double of Petition and duplication seems to appear an unusual number of times in good winners by Danzig and his sons.
