### COLONIAL DOWNS OPENS TODAY

For the first time in 150 years, Thoroughbred racing returns to the state of Virginia when Colonial Downs opens for its inaugural meeting this afternoon. Located between Richmond and Williamsburg in New Kent County, the sport's newest showcase features a five-level colonial brick grandstand which seats 6,000, stabling for more than 750 horses, a 1 1/4-mile dirt track and a 1 1/8-mile turf course. The turf, at 180 feet the widest course in the country, is expected to be ready for racing during the second half of the track's 30-day season. A total of 85 horses were entered for the 10-race opening-day card, which includes the Daniel G. Van Clief S. and New Kent S. It was estimated that 75 percent of the entries had been based in Maryland, which will be dark during the Colonial Downs meet. Daily purse distribution is projected to average \$167,000 for the inaugural season. The track will offer live racing Wednesdays through Sundays, with first post at 1 p.m. weekends, 3 p.m. Wednesdays and Thursdays and 6 p.m. Fridays. Gates open at 10 a.m. today; a ribbon-cutting ceremony is set for 12:50 p.m. and the track's very first race will break from the starting gate at 1 p.m. Colonial Downs will race through October 12. The track's first-ever harness meet is scheduled to begin next April.

### PLANS SET FOR BYRNE TRIO

Trainer Pat Byrne yesterday mapped out a fall campaign for GI Spinaway winner **Countess Diana** (Deerhound), GI Hopeful victor **Favorite Trick** (Phone Trick) and GIII Sanford S. winner **Polished Brass** (Dixie Brass), who between them accounted for five of the six juvenile stakes at Saratoga this summer. All three will ship to Belmont Park, but Countess Diana will get a short break before making her next start in the GII Walmac International Alcibiades at Keeneland October 11 and Favorite Trick will make his next appearance in the GII Lane's End Breeders' Futurity at that track October 18. Polished Brass will remain in New York and point for the GI Futurity at Belmont September 21. As for ending the Saratoga meet with back-to-back Grade I wins, Byrne said, "This last weekend was very special. We don't have the depth with our two-year-olds that some others have, but the three we have are really good horses. They stayed healthy and made the stakes we pointed for. You don't plan to have meets like this. You don't go in dreaming, you just go with the flow...and hope things work out. You don't stop to think about it, but when the dust settles you can reflect on a great meet."

Margins: NK, HF, NK. Odds: 3.70, 21.90, 26.20.

Also Ran: Chile Chatte, Real Connection, Toda Una Dama (Arg). Scratched: Ocean View, Traces Of Gold.

A winner in three of her last four outings, Radu Cool had taken three non-graded events but had to settle for third in the GII A Gleam H. when she took the step up three starts back at Hollywood. Undefeated over the Del Mar main track, the chestnut tried her luck in the graded ranks once again here but this time made the grade. Forced to race on the far outside early, she closed from fourth to take the lead at the top of the stretch and dug down for the drive to take the photo from longshot Supercilious. "She loves Del Mar," said trainer John Shirreffs. "She comes down here and she eats better and she trains better. I knew she was going to run her race." Jockey Chris McCarron was winning the Chula Vista for the fourth year in a row. "With my horse and her tactical style, I could live with being parked out there two wide," said McCarron. "But today I had to live with being pushed five or six wide. I didn't know if my mare was enough horse to deal with that, but my fears turned out to be unfounded. She's as game as Dick Tracy. No, she's a mare--make that game as Jane Tracy." As for the future, Shirreffs said, "We'll be looking at the Breeders' Cup (November 8, Hollywood Park), but I don't know whether I'll run again before that. She runs well fresh." Favored **TODA UNA DAMA (ARG)** (Cipayo {Arg}), riding a three-race winning streak against allowance company coming into this race, pressed the pace but faded late to finish last. "She bled through the nostrils," said her jockey, Alex Solis. "At the quarter pole I thought we were going to win it. But all of a sudden she just foiled up. She had a reason."

Rumpipumpy (GB) started twice at Gulfstream this winter, running second in the GIII Suwanee River H. February 5, then was out of action until finishing third in an allowance race in July and the GIII Ballston Spa Breeders' Cup H. at Saratoga in her latest August 10. The British-bred bay, devoid of early speed, rallied along the rail leaving the turn, slipping through midstretch to get the lead and edging clear near the wire. "She had a great trip," winning jockey Jose Santos said. "I had a good position at the rail. The inside was beautiful today. We took that chance; she went up and won at the wire." Winning trainer Christophe Clement listed the GI Flower Bowl H. October 4 or the Oct. 13 GIII Athenia H. as possible targets for the winner.

**Grand Prix de Deauville Lancel cont.**

Relishing the soft ground, the consistent and deserving Taipan (Ire) scored for the first time in four starts this year. With the track cut up by the weekend's racing, the field raced on the extreme outside of the course; Lord Of Men (GB) led early from Taipan (Ire) and Camporese (Ire). On the turn, all three were abreast, but spread right across the track. Taipan quickened well and hit the front at the quarter-pole, running on gamely for the victory over a determined Camporese. Winning trainer John Dunlop said, "He's a really nice horse and the key to him is the soft ground, which he found for the first time this year. He's the first foal of Alidiva and he has now made up some ground on his more famous brother and sister (Ali-Royal {Ire} and Sleepytime {Ire}). His form always looked solid and he deserved to win a good race. One of his obvious targets is the (G1) Preis Von Europa in Germany (Cologne, Sept. 28) and he might go for one of the Group One races in Italy at the end of the season." Favorite Lord Of Men was finally beaten after six straight wins and his trainer John Gosden said, "He simply ran out of stamina. This was his first start over the trip; going wide all the way was too much of a test for him and he was off the bridle at the turn. It was also too gluey for him. We might bring him back for the (G2) Prix Dollar at Longchamp (Oct. 4)."

Desert Waves, winner of this race last year, captured an Aug. 3 allowance race going a mile in his previous start after finishing third in the July 19 Seagram Cup H. two starts back. Let go at long odds despite his recent success, the veteran stalked a pedestrian early pace before putting a head in front with two furlongs to go and holding off the late surge of favored Down the Aisle. "I actually had a perfect trip," said winning jockey Sandy Hawley. "He relaxed beautifully the whole way...then, when I asked him to run, he just kicked in beautifully. Three Fanfares finished off the board in two turf allowance races and then added blinkers and switched back to the dirt to win a June 25 Churchill allowance event at 45-1 last time out. The second-longest price on the board climbing the ladder to stakes competition, the gray trailed the field of seven early while saving ground, came out to rally in the stretch, took the lead in the final sixteenth, and lasted over Gold N Delicious at the wire. The 4-5 favorite BRUSH WITH THE LAW (Broad Brush), a winner of three straight stakes at Monmouth Park, stalked the pace, went to the front at the top of the lane but tired in the drive and finished fifth.

Off the board in four straight allowance attempts in 1996, Puissant (GB) was dropped into claiming races for his final start last year and could do no better than ninth. Given a 5 1/2-month vacation following that start, the bay came back in May and finished fifth on the Hollywood turf, then tried the dirt and was a well-beaten seventh; he woke up with a return to the turf. The six-year-old reeled off two straight claiming wins, most recently taking one for a \$62,500 tag August 9, and handled the jump to allowance company to make it three in a row. Unhurried early, he came flying at the finish to catch Really Sovereign and Barricade in the final strides.

Back on the main track after the freshening, the dark bay sat in striking position to the stretch drive and finished full of run to win going away by 1 1/4 lengths. The bay shadowed the leaders through a half in :44 4/5, turned it up a notch to get to the front in midstretch and edged away to a 1 1/4-length triumph at 5-1. A seven-length maiden winner at first asking August 10, Bay Street Blues stretched out to a mile and jumped right into the stakes fray in his second start. Getting the services of Hall of Famer jockey Laffit Pincay Jr. this time, the crowd's 2-1 choice waited just off the pace to the final turn, charged to the lead as they straightened for home and then held off the resurgent I. M. Bzy to take the photo. The colt will make his next start in the \$100,000 Gottstein Futurity at Emerald Downs September 28. "I would like to come back and ride him in the Gottstein," said Pincay. "He could actually be better next time. He was getting a little tired, but he will be a little more seasoned next time."

An impressive return to form by Pas De Reponse after more than three months off the track following her disappointing fourth-place finish in the English 1000 Guineas at Newmarket May 4, but it was no cakewalk for the favorite. Third in the early going, Pas De Reponse had nowhere to go as Hever Golf Rose (GB) grabbed the lead at the quarter-pole. But jockey Olivier Doleuze did not panic, and at the eighth-pole found a gap between horses; his mount quickened brilliantly through the hole to take command and win impressively. Winning trainer Criquette Head was relieved afterwards, saying, "This sort of race can give you a heart attack. She finally proved her point with a terrific finish." The G1 Prix de l'Abbaye at five furlongs at Longchamp Oct. 5 could be next for the winner.

Woodland Melody maintained her unbeaten record, which now stands at three-for-three, with an impressive victory on ground she relished. She disputed the lead from the start with Sainte Marine (Ire), followed by the previously unbeaten Seralia (GB), but at the quarter-mile pole she cruised clear and took off, proving much the best. Trainer Peter Chapple-Hyam said, "The first time she ran I didn't expect her to win so well, as she had not shown much at home. When she won by only a head the second time (July 24), she struggled and we knew that she didn't like the firm ground. She needs cut in the ground and had it today." The filly could go next in the G1 Prix Marcel Boussac at Longchamp Oct. 5.
