### RECORD KEENELAND SEPTEMBER

**SALE ENDS** After reaching new highs for total sales, average price, top-priced colt and top-priced filly, the 10-day 1997 Keeneland September Yearling Sale ended Wednesday. Buyers from North America, Europe, the Far East, Middle East and South America combined to spend \$154,666,800 for 2,844 yearlings, eclipsing the previous mark of \$137,358,500 for 2,949 horses sold during last year's 11-day auction. The gross showed a 12.6 percent increase over 1996. The 1997 average was \$54,384, up 16.8 percent from last year's record figure of \$46,578. It was the fifth consecutive year the Keeneland September average has shown an increase. The 1997 median, \$26,000, was up 18 percent from the '96 figure of \$22,000. During Wednesday's final session, a total of 200 horses brought \$2,072,400 for an average of \$10,362; the median was \$7,500. A filly by Caller I.D. out of Last Chanz to Danz (Dynastic) topped the last session. Consigned by Summers End, the half-sister to stakes winner The Way It's Binn (Peterhof) sold for \$60,000 to David and Patricia Block. The sale started with a bang when Satish Sanan's Padua Stables paid a record \$2.3 million for a colt by Mr. Prospector out of Missy's Mirage (Stop the Music) on opening day, September 8; that marked the highest price paid for a yearling colt since July, 1991. The September Sale sold two seven-figure yearlings in the same year for the first time when Shadwell Estate Company went to \$1.7 million for a colt by Gone West out of My Song For You (Seattle Song) on the second day of the auction. A daughter of Danzig out of I'm Sweets (Alydar) set a record for a filly at the sale, attracting a bid of \$950,000 from Demi O'Byrne, agent for John Magnier and Michael Tabor. Eaton Sales, agent, consigned both the sale's top filly and top colt.

**SHARE IN TALE OF THE CAT SOLD** According to the *Blood-Horse On-Line*, the Coolmore-Ashford group has signed an agreement to purchase a 50-percent interest in GSW Tale of the Cat (Storm Cat) for a reported \$7.1 million. The three-year-old Phantom House Farm runner has won three of his four career starts, including the GII King's Bishop S. in his last start August 23 at Saratoga. His lone loss came when he finished fourth to Touch Gold in the GI Buick Haskell Invitational at Monmouth Park. A \$375,000 Keeneland September yearling, the colt is scheduled to make his next start against older horses in the GI Vosburgh September 27.

**TOUCH GOLD, FRISK ME NOW IN FINAL**

**PEGASUS TUNE-UPS** GI Buick Haskell Invitational and GI Belmont S. winner **Touch Gold** (Deputy Minister) zipped five furlongs in :58 4/5 at Hollywood Park Wednesday morning in his final tune-up for Saturday's GI Buick Pegasus H. at the Meadowlands. "He went in company and he did it nicely," said trainer David Hofmans. "He cooled out super. He is coming up to the Pegasus great and he should run a very good race." The colt ships to New Jersey this morning; he will be stabled with trainer Joe Orseno's string at the Meadowlands. GI Ohio Derby and GIII Pennsylvania Derby victor **Frisk Me Now** (Mister Frisky) also breezed yesterday, going five furlongs in 1:00 at the Meadowlands, galloping out the six furlongs in 1:14 2/5. "He handled the racetrack beautifully," said trainer Bob Durso. "He is the only horse to work over the track, the only horse to win over the track, and I need to take all the edge I can get with this field."

**ROBERT SCHAEDEL III NAMED TOBA'S AUGUST "OWNER OF THE MONTH"**

With Mid-America Triple winner **Honor Glide** (Honor Grades) leading his stable, owner Robert Schaedle III has been honored with the August "Owner of the Month" Award from the Thoroughbred Owners and Breeders Association. Honor Glide became the first horse since Buckpasser to sweep Arlington International's trio of three-year-old stakes, taking the GI Arlington Classic and GI American Derby before completing the series with a win in the GI Secretariat S. August 24. A resident of Franklin, Tennessee, Schaedle was introduced to racing through friends in the horse show world; the 42-year-old has been involved in racing for three years. He purchased Honor Glide as a yearling in partnership with trainer Jim Day, himself a former Olympic rider. The TOBA "Owner of the Month" Award is sponsored by Gainsborough Farm.

Ruby Hill won an Aug. 13 New York-bred maiden race by 2 1/2 lengths in his second career start last time out over a sloppy Saratoga main track and handled the jump in class and a fast track here. Making his stakes debut, the longshot winner bumped rivals at the start, hustled on the outside while going wide and got up in the final furlong to defeat favored Mellow Roll. "Stanley (winning trainer Hough) told me that this horse doesn't have much speed, but he has a strong kick at the end," winning jockey Jose Santos said. "In the paddock he was acting up a bit, but when he was on the track he was all business. I think that the added distance helped, and I believe that he's going to get better the farther he goes." Hough indicated the winner may run next in the Oct. 12 Sleepy Hollow S. for New York-breds.

Owner Richard Kumble, a partner with Michael Becker in Turfnpaddock Farm, died while undergoing heart surgery in Tallahassee, Florida, Wednesday. He was 63. A native of New York, Kumble created Turf And Paddock Inc., a registered stock corporation formed to race Thoroughbreds, with trainer Howie Tesher in 1961. The company was the first to offer over-the-counter trading in a race horse stable. A stockbroker, former handicapper for the *Miami News* and former racing commissioner for the state of Florida, Kumble raced GISW Influent with Becker. The turf specialist captured this year's GI Caesars International at Atlantic City and GI Bowling Green at Belmont Park; he makes his next start in the GI Man o'War S. at Belmont Sunday. Kumble is survived by his wife, Linda, and daughters Hilary and Allison. Services will be held Friday at 2 p.m. at Temple Menorah Chapel Garden in Miami, Florida.

The Kentucky Derby Museum has opened an exhibit in its lobby to commemorate the career of the late Jim Bolus, the veteran turf writer and Kentucky Derby historian who passed away in May. Bolus authored several books on the Derby and served as the museum's curator for the last two years of his life. The exhibit, which will be open through November 30, includes photos, documents and awards selected by Bolus' wife, Suzanne. "Jim Bolus death was a huge loss for all of us," said Angela Gauntner, the museum's communications coordinator. "This is a way to pay tribute to him."

**WEEKEND PEDIGREE PERSPECTIVES**

*by Alan Porter*

**PEDIGREE SHORTS**

It is remarkable how often the first stakes winner for a sire is the product of a pedigree with some notable inbreeding or linebreeding. It happened again in the case of freshman sire Senor Speedy, whose two-year-old daughter **Soft Seniorita (f, 2, Senor Speedy--Alysoft, by Alydar)** won the Joseph A. Gimma S. at Belmont last week. To begin with, Soft Seniorita is inbred 4x3 to Raise a Native through the similarly-bred Mr. Prospector and Alydar. Then, the pedigree has both a daughter of Raise a Native's sire Native Dancer and of Native Dancer's sire Polynesian. Most interesting of all, though, is the fact that Senor Speedy's granddam is by Forward Pass. Forward Pass is by On-and-On out of a daughter of the excellent tap-root mare Blue Delight. This makes him very closely related to Sweet Tooth (dam of Soft Seniorita's broodmare sire Alydar), as Sweet Tooth is by On-and-On out of a granddaughter to Blue Delight.

Ability often seems to skip a generation. Take, for example, the brilliant racemare Optimistic Gal. She bred eight winners from eight North American runners, but the nearest to a stakes winner was the GIII Riva Ridge S. runner-up Silent Generation. However, her first foal, the Secretariat colt Executive Order, has sired stakes winners, and two of her first three daughters--Headin' West and Grand Slam Gal--are the dams of stakes winners. Grand Slam Gal's daughter **Feasibility Study (m, 5, Lord Avie--Grand Slam Gal, by Spectacular Bid)** gained her first graded victory Saturday in the GII Turfway Breeders' Cup S. Apart from being a granddaughter of Optimistic Gal, Feasibility Study has plenty of interesting inbreeding and linebreeding. For example, she has daughters of Mahmoud on the zig-zag of both sire and dam, along with a son of Mahmoud and a strain of Mahmoud's three-parts sister Mah Iran. Menow and his three-parts sister Athenia both appear in the fifth generation, and in the sixth generation there is linebreeding to Bull Dog and his sister Marguerite de Valois. The closest inbreeding is to Sir Gaylord, who appears 3x4 through his sons Lord Gaylord and Sir Ivor. This is notable since Sir Gaylord is by Turn-to and Lord Gaylord is out of a mare by Ambiorix, a half-brother to Turn-to's dam.

During his stud career, Fappiano worked extremely well with mares carrying In Reality, the combination producing Unbridled, Cahill Road, Rubiano, Jeano, Se-rape and Tappiano. It's no surprise then that it works in reverse, and Fappiano is already broodmare sire of at least four stakes winners by sons of In Reality, the most recent score for the cross being the victory by **Fancy Freda (f, 3, Known Fact--Erzulie Freda, by Fappiano)** in the GIII Honey Bee Breeders' Cup H. Sept. 5 at the Meadowlands. The reason for the success of the combination? In Reality is out of Rough 'n Tumble's best daughter My Dear Girl, while Fappiano is out of a mare by Rough 'n Tumble's best son Dr. Fager.
