### “VICTOR” VICTORIOUS IN VOSBURGH

Turning down the role of bridesmaid after finishing second in five straight, **Victor Cooley** (Cool Victor) came charging from just off the pace to headline in Saturday's GI Vosburgh S. at Belmont Park. The 6-1 third choice, he outfinished 23-1 **Score a Birdie** (Proud Birdie) to win by a length and a half. "I knew my horse was ready to run a winning race today," said jockey Jorge Chavez, who picked up the mount for the GII Forego H. at Saratoga last out September 1. "It was better today than when I rode him for the first time. I know him better now. He ran a big race." The winner of the 1996 GIC Queen's Plate at a mile and a quarter and last year's champion three-year-old in Canada, Victor Cooley showed his versatility with a win in the seven-furlong GII Commonwealth Breeders' Cup at Keeneland April 13. But the dark bay had failed to score in five subsequent starts while running second in graded stakes from seven furlongs to a mile and an eighth. Malcolm Pierce, assistant to trainer Mark Frostad, credited Chavez for the gelding's return to the winner's circle. "He needed somebody to make him finish strong," said Pierce. "He ran big in the Forego, and after the race Jorge said, 'put me back on him and I'll win.' He did what he promised us." As for what's next, Pierce said, "We may run him in the Ack Ack H. (October 26) at Churchill Downs, but right now we're going to go back home and think things over. The Breeders' Cup is not out of the question." Even-money favorite **Tale of the Cat** (Storm Cat), making his first appearance since Coolmore Stud purchased a half-interest in the colt for \$7.1 million, broke sharply, was rated just off the pace and dropped back going into the far turn, but rallied from between horses in the stretch to be third, a neck behind Score a Birdie. "When he got that first wave of dirt in his face, he reacted to it for about 30 yards," said trainer John Forbes. "That's when he lost ground and he didn't get it back. This is why we talk about seasoning. These are older, hardened sprinters and losing to them is not a disgrace." Forbes added he would likely still point the colt for the Breeders' Cup Sprint at Hollywood November 8. (*Vosburgh chart, p2*)

**QUEEN ELIZABETH II S.-G1**, \$485,588, Ascot, England, 9-27, 3yo/up, 1mT, 1:39.81 (hand-timed), gd.

1--**AIR EXPRESS (IRE)**, 123, c, 3, **Salse--Ibitsamm**, by **Caucasus**. O-Mohamed Obaida; B-Gainsborough Stud Management Ltd; T-C Brittain; J-O Peslier; \$298,301.

2--**Rebecca Sharp (GB)**, 120, f, 3, **Machiavellian--Nuryana (GB)**, by **Nureyev**. O-Anthony Oppenheimer; B-Hascombe and Valiant Stud; \$111,288.

3--**Faithful Son**, 123, g, 3, **Zilzal--Carduel**, by **Round Table**. O-Sheikh Maktoum al Maktoum; B-Gainsborough Farm Inc (Ky); \$53,163.

Margins: HD, 2, HD. Odds: 9.00, 16.00, 16.00.

Also ran: **Bahhare**, **Bijou D'Inde (GB)**, **Allied Forces**, **Entrepreneur (GB)**, **Revoque (Ire)**, **Centre Stalls (Ire)**.

Italian and German 2000 Guineas winner **Air Express (Ire)** upset the hotshots with a dramatic victory over the unlucky **Rebecca Sharp (GB)**, the only filly in the field, to gain his first Group One success. "I've always thought he was a Group One horse," said delighted trainer **Clive Brittain**. "Everything went according to plan and **Olivier Peslier** rode him perfectly. I thought he was outstanding odds for the race. If I had been a betting man, I would have had a big bet on him, too. He could go for the Breeders' Cup Mile, but I would prefer to send him to the Hong Kong Invitational in December--I fancy some Chinese!" **Godolphin's ALLIED FORCES (Miswaki)** set the early pace from **BIJOU D'INDE (GB) (Cadeaux Genereux {GB})**, with **Air Express** towards the rear. At the half-mile, **Bijou D'Inde** grabbed the lead and still held it well into the stretch, with **Faithful Son** challenging, but **Peslier** brought **Air Express** through smoothly on the outside and took command at the eighth pole. **Rebecca Sharp** could not find an opening and had to be switched to the outside in deep stretch; she failed by only a nose to catch the winner. Her rider **Michael Hills** was disconsolate afterwards, saying: "The gap just wasn't there when I wanted it, but as soon as I switched, it opened." **BAHHARE (Woodman)**, having only his second race of the year, just failed to catch **Faithful Son** for third. Said trainer **John Dunlop**, "That was a really good run. He was left on his haunches in the gate. Judging by the way he finished, he should get further and will probably run in the (G1) **Champion S.** at **Newmarket (Oct. 18)**." **ENTREPRENEUR (GB) (Sadler's Wells)**, seventh, was described as "rusty" by his rider **Michael Kinane**, while the favourite **REVOQUE (IRE) (Fairy King)** never showed with a chance and his rider **John Reid** was stunned. "He did not pick up at all. Nothing happened when I asked him," said **Reid**.

Also Ran: Partner's Hero, Basqueian, Diligence, Northern Afleet, Circle of Light, Kelly Kip, Elajjud, Cold Execution, Kid Katabatic.

Runner-up for the fifth consecutive time in the GII Forego H. in his latest September 1, Cool Victor turned the tables on Forego winner Score a Birdie with a strong closing kick that carried him clear in the final drive. Enjoying a seven-pound swing in the weights, the four-year-old pressed the pace through a half in :45.39, took command as they straightened into the stretch and outgamed his 23-1 rival for the victory. "This is just fantastic," said Malcolm Pierce, assistant to trainer Mark Frostad. "It's thrilling for us to be here and it's a bigger thrill that we won. It's good to finally win one." The even-money favorite after a spectacular performance winning the GII King's Bishop August 23 at Saratoga, three-year-old Tale of the Cat took on older horses in only his fifth career start. The dark bay was rated just off the pace and lost ground on the final turn but came again to just miss second in a photo. "I told Julie (jockey Krone) not to use him up, and she followed my directions," said trainer John Forbes. "She said that he broke well, but she felt in order to keep her position she would have had to ride him way, way too hard, which is what I told her not to do. We all tend to second-guess, but we couldn't keep going without letting this horse get dirt in his face. If you ask the question 'Can he rate?' the answer is 'I guess so'." The colt is expected to make his next start in the Breeders' Cup Sprint November 8.

The odds-on favorite in her graded-stakes debut, Silver Maiden had beaten the colts in her most recent trip to the post, taking the prep for the GII Arlington-Washington Futurity, the Honest Pleasure S., by a length and a half September 13. Stretching out another eighth off that seven-furlong affair, the Florida-bred bay showed her speed right from the start and had enough left in the tank to turn back the late bid of longshot Arctic Lady for a narrow score. "I just tried to get her to relax," said winning jockey Shane Laviolette. "About the three-sixteenths pole they really came at her, but she's a game filly. She fights as hard as any horse I've ever ridden." Trainer Britt McGehee is considering the GII Walmac Int'l Alcibiades S. at Keeneland October 11 for the winner, but added, "We'll wait a few days and see how she comes out of this race. That may be a little bit too soon."

Elnadim picked up his fourth win from five starts this year in impressive style, winning in a time only three one-hundredths of a second off the track record. Reviving memories of another son of Danzig, the top sprinter Dayjur who was an unlucky loser of the Breeders' Cup Sprint in 1990, the colt led from the gate at a fast pace, took total command of the race at the quarter-mile pole and went clear. Winning trainer John Dunlop said, "He showed much more speed than I expected. He's always rather lazy at home. He has such a big stride and now that we really let him stride out he has improved dramatically. He bounced out of the gate and took the race by the scruff of the neck. He will stay in training next year and what an exciting prospect he must be."

**KNEE SURGERY FOR KING OF KINGS** Top Irish two-year-old **King Of Kings (Ire)** (Sadler's Wells), four-for-five with a win in the G1 Aga Khan Studs National S. at The Curragh in his latest September 21, underwent surgery Friday to remove a chip from his right knee, according to the *Racing Post*. "King Of Kings was found to be slightly stiff in front after exercise on Tuesday morning," trainer Aidan O'Brien told the *Racing Post*. "He was operated on (Friday) morning, and the procedure went well. I expect him to make a full and complete recovery from the operation, and he remains on target for next year's 2000 Guineas."

### Local News: California

The California Horse Racing Board Friday authorized the funding of research to determine the most effective use of certain medications without altering the outcome of races or interfering with drug-screening procedures. The CHRB has allocated \$31,000 to the Equine Analytical Chemistry Laboratory at the University of California, Davis, for the study of methocarbamol, a mild muscle relaxant, and the two anti-ulcer medications ranitidine and cimetidine. The Board has already established authorized levels of eight therapeutic medications after determining that, at or below those levels, the medications do not effect athletic performance.
