**ARAZI TO JAPAN** U.S. and European champion **Arazi** (Blushing Groom {Fr}), who swept to the forefront of American racing with a breathtaking stretch run to capture the 1991 GI Breeders' Cup Juvenile at Churchill Downs, has been sold to the Thoroughbred Breeders' Club of Japan and will ship to that country to stand in 1998. Now eight, the stallion began his stud career at Dalham Hall Stud in Newmarket, England, then moved to Three Chimneys Farm for the 1997 season, where he stood for a fee of \$30,000, live foal. "We are sorry to lose the horse," said Three Chimneys owner Robert N. Clay, "but we feel fortunate to have stood Arazi in 1997, and to be anticipating at least one North American crop by him." Arazi won nine of his 14 career starts and retired with earnings of \$1,300,206.

**KEENELAND OPENS TODAY** The GI Queen Elizabeth II Challenge Cup headlines this afternoon's opening-day card at historic Keeneland Racecourse in Lexington, Kentucky. The \$400,000 mile-and-an-eighth event for three-year-old turf fillies is the first of 17 stakes worth a total of nearly \$3 million scheduled for the 16-day meeting. Also on tap this season are the \$500,000-added GI Three Chimneys Spinster S. for fillies and mares October 12, the \$400,000-added GII Walmac International Alcibiades for two-year-old fillies October 11 and the \$400,000-added GII Lane's End Breeders' Futurity October 18 for two-year-olds, which is expected to draw the undefeated division leader, **Favorite Trick** (Phone Trick). "We're delighted to be in a position to offer the kind of purse structure that we've put together for this fall's meeting," said Keeneland President William C. Greely. "Obviously, the higher the purse structure, the better chance you have of attracting the top Thoroughbreds in the country and we certainly expect to have outstanding racing." In addition, Keeneland will showcase a list of improvements which includes the remodeling of the Blue Grass Room adjacent to the third floor of the grandstand, expanded parking, a new sprinkler system, and diaper changing tables in all restrooms--both ladies' and gentlemen's. The Keeneland Fall meet runs Wednesdays through Sundays until October 25. First post is 1:10 p.m.

The 4-5 favorite launched his late rally three-wide around the far turn before surging to the front in mid-stretch and edging clear late for a 1 1/4-length victory. Off from May of '96 to March of '97, I Ain't Bluffing had started only three times this year, taking a Santa Anita allowance by 10 in her return, coming back after a two-month layoff to win the GII Railbird S. at Hollywood in May, then taking nearly four more months off before running third in her latest, the restricted Torrey Pine S. at Del Mar September 7. Sent off the favorite making her turf debut, the bay grabbed the lead right out of the gate and never gave it up, just holding off the late-charging Idealistic Cause and Sister Queen, who had raced in second throughout. **GISW Swiss Yodeler** (Eastern Echo), who capped a six-for-nine two-year-old campaign with a win in the GI Hollywood Futurity, worked five furlongs in :59 at Hollywood Park yesterday with jockey Chris McCarron in the irons. Champion three-year-old of 1974 and older horse of 1975 in England, the stallion numbered the G1 St. Leger and G1 Coronation Cup among his five stakes wins. He was bred to 14 mares in 1997, and all 14 are reported in foal.
