SUNDAY RACING CANCELLATIONS Live racing at Aqueduct Racetrack, Turfway Park and Suffolk Downs was cancelled yesterday due to inclement weather. The closings marked the second straight day both Turfway and Suffolk were forced to call off racing. New York Racing Association officials cited heavy rains and high winds as the reason for cancelling the Aqueduct card. Seven-eighths of an inch of rain fell in a half-hour period during the morning, causing water to back up in the paddock and on the track. Cold temperatures and icy conditions kept the horses indoors at Turfway, while heavy sleet and freezing rain prevented Suffolk from staging a card.

MAGIC MILLIONS SALE STARTS FRIDAY A host of Northern Hemisphere shuttle stallions will be represented at the 1999 four-day Honda Magic Millions yearling sales on Australia's Gold Coast, beginning Friday, Jan. 8. Among the American-based sires with representatives at the 700-lot sale are: Brocco (12 yearlings), Cryptoclearance (1), Dehere (20), Eagle Eyed (9), Housebuster (7), Lure (2), Mister Frisky (1), Personal Hope (6), Prized (1), Quest for Fame (GB), Regal Classic (9), Rhythm (3), Sky Classic (1), Supremo (7) and Thunder Gulch (11). Graduates of the Magic Millions yearling sales qualify for two \$1 million races (US\$616,789), one for two-year-olds at six furlongs on the Gold Coast and the other for three-year-olds at 7 1/2 furlongs at Rosehill in Sydney, as well as for a \$500,000 (US\$308,394) all-aged race at seven furlongs in Queensland.

FRISCO VIEW RETIRED Frisco View (Mt. Livermore--Heaven's Nook {Great Above}) will enter stud at Hartley/de Renzo Stallions, LLC in Ocala, Fl. The six-year-old chestnut won the 1997 GIII Gulfstream Park Breeders' Cup Sprint and was third in the 1998 edition of the race. He retires with nine wins in 19 starts and earnings of \$324,440. In his final start, Frisco View captured a Churchill allowance race in April. He will stand as the property of a syndicate with his stud fee to be announced.

Behaviour, claimed for \$100,000 at Saratoga last August, started for four different trainers in 1998 and was making his second start for Marty Wolfson after finishing second in a Dec. 19 allowance over the Calder turf last time out. The bay wasn't bothered by the surface change--his last two wins had come over the main track. Last early, Behaviour rallied five wide into the stretch, wore down Notoriety and drew away late. "He's stepping up a little bit, but I think taking it off the turf put him right in the game with these horses," commented winning rider Shane Sellers. "He's a trier. He really likes an off track. Every time you ask him, he gives you 100 percent. We were back a little further than anticipated. But they went fast early." Wolfson added, "I was glad that the race came off the turf. I knew this horse could run on the dirt, but I didn't know if he could run with this kind on the turf. I don't know where we'll go next with him. I've only had him six or eight weeks."

Texas Glitter won at first asking last July at Belmont and quickly jumped up to stakes company with a third-place effort in the GIII Sanford S. July 30 at Saratoga before winning the Nov. 29 Huntington S. at Aqueduct in his last start. The even-money choice sprinted out to the early lead and extended his advantage down the stretch for an easy win. "He broke so good, we were in front from the gate," explained John Velazquez after the winning ride. "We were a little concerned about the track conditions, but he didn't mind. When I got to the quarter pole, I chirped a little bit and he gave me an instant response." Trainer Todd Pletcher is already looking ahead for his speedy charge. "We know that he is a gifted sprinter," Pletcher said. "We'll take the logical next step and go into the (GII) Hutcheson (Jan. 31), which is seven furlongs. We'll see where we are at after that. If he wants to go longer there is the (GII) Fountain of Youth (Feb. 20) and if not--there is the Swale S. at the end of the meet."

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a + will denote winners who are first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races.

The winner is a half brother to Afare (Meadowlake, MSW, \$162,550) and Eddie B Runs (Meadowlake, SW, \$128,230). Lifetime Record: 11-3-2-3, \$92,369.

Favored at 3-5 here, the New York-bred raced just off the pace before moving up three wide into the stretch to take control a furlong from home and was all out to hold off Mr. United States (Valid Appeal) by 3/4 lengths. The even-money favorite pressed the pace before taking charge along the rail on the turn and drew clear with authority to win in track-record time. "I predicted it (the track record)," said winning trainer Bruce Headley after the race. "This is definitely the 'now' horse." Headley said the Jan. 30 GII Palos Verdes H. would be next for Kona Gold.
