**TURFWAY'S HOLIDAY MEET SHOWS GAINS**  
Turfway Park's 20-day 1998 Holiday Meet, which ran from Nov. 29-Dec. 31, showed increases in on-track, out-of-state and total handle. Average on-track wagering was \$462,118, up 7.2 percent from 1997, while the total handle averaged \$3,886,727 daily, a gain of 8.8 percent over last year. The biggest increase came in out-of-state handle which averaged \$1,862,145 daily, up 15.4 percent. On-track attendance was also on the rise, averaging 1,677 a day, up 1.5 percent from '97. "Full fields (averaging 9.5 starters per race) and the lowest takeout in the country are selling with our customers," said Turfway President Mark Simendinger. "Our out-of-state increase is most gratifying as it shows we are being selected in the national marketplace. Our on-track handle increase in the face of severe riverboat competition in the Greater Cincinnati area is also a positive sign."

**INCURABLE OPTIMIST POINTS TO IRISH 2000 GUINEAS?** **Incurable Optimist** (Cure the Blues), the top three-year-old grass horse in the country, is being strongly considered for the May 22 Irish 2000 Guineas at The Curragh, trainer Dave Donk said yesterday. The same race was won by fellow New York-bred Fourstars Allstar in 1991. "The Irish 2000 Guineas could be his Kentucky Derby," Donk said. "It's a Group 1 race, and a win by him could enhance all of us involved. Everything would have to fall into place, but it's something we're going to give strong consideration to." Incurable Optimist has not started since winning the Nov. 28 Gill Generous S. at Hollywood Park, which improved his record on the grass to four-for-four. He had his first workout since that race yesterday, going three furlongs at Hialeah. According to Donk, he went in :38 3/5. Incurable Optimist is scheduled to have his three-year-old debut in the Everglades S. at Hialeah.

He'll run well, but I don't know if well means good enough to beat Silver Charm."

### On the Santa Anita Worktab:
