KEENELAND TO BUY TURFWAY PARK

Keeneland Association, Inc. yesterday announced it has reached a tentative agreement to purchase Turfway Park and all of its related assets for \$37 million. Keeneland will manage the track on behalf of the newly formed Turfway Park LLC, which is controlled equally by Keeneland; Dreamport Inc., a wholly owned subsidiary of GTECH Corporation; and Dusty Corporation, a wholly owned subsidiary of Harrah's Entertainment Inc. Turfway has been owned and operated by a group led by Jerry Carroll for the past 13 years. "What we are announcing today is very much about the future of racing in Kentucky," said William Greely, president and CEO of Keeneland Association. "Keeneland exists to strengthen and promote Thoroughbred racing in our state. For that to be accomplished we must remain a strong racing circuit. Jerry Carroll and Mark Simendinger have ably managed Turfway Park for the past 13 years. Their contribution has been significant. As the current management moves on to pursue other interests, we felt it imperative that Turfway continue as a vital link in Kentucky's racing circuit." Turfway will continue to operate with a management team that includes most of the current personnel. The agreement is subject to financing, due diligence provisions and approval of the Kentucky Racing Commission.

CONCERTO RETIRED Five-year-old **Concerto** (Chief's Crown--Undeniably, by In Reality), winner of nine stakes and \$1,308,118, has been retired from racing and will stand the 1999 breeding season at Ocala Stud Farms near Ocala, Florida as property of owner/breeder Kinsman Stable. The Kentucky-bred won the Gill Brown & Williamson Kentucky Jockey Club S. at two and the Gill Jim Beam, Gill Clark H. and Gill Federico Tesio H. at three. A two-time stakes winner last season, he captured 10 of his 21 career outings with four seconds and two thirds. His 1999 stud fee has been set at \$3,500 live foal.

WINTER CANCELLATIONS CONTINUE Live racing was called off at Aqueduct Racetrack in New York and at Philadelphia Park in Pennsylvania yesterday after yet another winter storm hit the East Coast. Both tracks remained open for simulcasting and are expected to be back in action this afternoon.

7	Dixie Dot Com	Morey	Flores	8-1
8	Mail Coach (Chi)	Puype	Delahoussaye	20-1

Dixie Dot Com (Dixie Brass) will be no better than fourth choice this afternoon, but he appears primed to pull the upset over some big names here. The bay colt, laid off from February to September, finished a neck second in the Oct. 3 Indiana Derby in his second race back, then ran second in the Gill Lazaro Barrera H. at Hollywood Nov. 14. He most recently checked in a gutty second after setting the pace over a yielding turf course in the GI Hollywood Derby Nov. 29. Back on his preferred surface here, he has been preparing for this with local bullets in the morning. **Artax** (Marquetry), who finished second in the Dec. 26 GI Malibu last time, may use his speed to control this race if no one else decides to contest the pace with him. **Event of the Year** (Seattle Slew), who has recovered from a slab fracture of the knee which occurred just before the Kentucky Derby, ran a solid third in the Malibu in his comeback effort. He will be formidable if he can return to his top three-year-old form.

KEENELAND JANUARY WRAP-UP The six-year-old mare **Miss North Beach** (Northern Baby), selling as a racing or broodmare prospect, attracted a bid of \$182,000 to top yesterday's final session of the Keeneland January Horses of All Ages Sale in Lexington. Also consigned by James Keogh, agent, the chestnut was purchased for \$70,000 by **Tod Wojciechowski**.

BREEDERS' CUP RELEASES 1999 STAKES SCHEDULE

The first half of the 1999 Breeders' Cup stakes schedule offers 52 graded races and purses totaling \$16.25 million. The program kicks off with today's GII San Fernando Breeders' Cup S. at Santa Anita. Now in its fourth year, the Breeders' Cup National Stakes Program is a series of 91 stakes funded by Breeders' Cup Ltd. and the 46 participating race-tracks. A total of 26 races will receive \$100,000 supplements from Breeders' Cup this year, three more than last year. Five new stakes have been added to the program, one of which will be run during the first half of '99--the \$300,000 GII San Francisco Breeders' Cup Mile at Golden Gate Fields Apr. 25.

San Gorgonio H. cont.

GI Ramona H. winner **See You Soon** (Kaldoun {Fr}) finished second behind **Sonja's Faith** (Sharp Victor) in the GII Las Palmas H. over this distance and surface Oct. 12, then finished second, but was disqualified to fourth, behind probable champion **Fiji** (GB) in the GI Yellow Ribbon Nov. 8. She faded to last after setting the pace in her latest, the Nov. 29 GI Matriarch, which was run over a yielding course she didn't care for. She should be able to turn the tables on one-dimensional speedster **Sonja's Faith**, who had her own way on the lead in the Las Palmas. The five-year-old mare was most recently second in the GII Dahlia H. Dec. 13.

Vicar (Wild Again) won his first two races around one turn, then finished a close second behind Exploit in the Nov. 28 Gil Brown & Williamson Kentucky Jockey Club S. Although that colt looks to be a strong choice here, Doneraile Court (Seattle Slew) the winner of the Gil Nashua S., appears to be a little more cranked up for this race with a bullet five furlongs in :59 at Hialeah last Saturday. He set extremely fast early splits when most recently fifth in the Nov. 28 Gil Remsen S. Grits'n Hard Toast (Bates Motel) endured a terrible trip in the Kentucky Jockey Club S., going four wide on the first turn yet still having enough left to run third. He should enjoy a cleaner trip from the rail today.

Italian Strike to End?

After 15 days, the strike action afflicting Italian racing continues, but hopes are high that racing may resume within the next seven days. Thursday, General Domenico Pisani, the temporary President of the Italian racing authority U.N.I.R.E., resigned following a Wednesday meeting at Rome with the Ministers of Agriculture and Finance. In a brief statement, Pisani said, "I have resigned in the hope that it might improve the current situation affecting racing and trotting." Pisani's resignation was considered a welcome event by many sections of the racing and trotting industries. The situation appears to be improving slightly, but concerns still remain as to how the levels of prize money will be restructured together with solutions to the ambiguity currently surrounding the opening of betting shops and the rights for the broadcasting of live races. The picture is expected to come into sharper focus next week when U.N.I.R.E. appoints its new temporary President.
