### “WORLD CHAMPIONSHIP OF RACING”

**ANNOUNCED** According to Friday's *Hong Kong Standard*, a "World Championship of Racing" involving eight races in seven countries could be a reality as soon as March 2000, if a sponsor for the event can be found. Eight organizations have signed on to participate in the series, which would begin with the Dubai World Cup, followed by the King George VI & Queen Elizabeth Diamond S. in England, Ireland's Champion S., Australia's Cox Plate, Woodbine's Canadian International, the Arlington Million and Breeders' Cup Mile in the U.S., and finally the Hong Kong International Cup in December. With Arlington International currently on hiatus, the Million could be moved to another venue until racing returns to the Chicago track. The distance of the Hong Kong race, the only stakes in the series which is not a Group/Grade I, would be extended from 1,800 to 2,000 meters and could be changed as soon as the year. A point system would determine the champion at the end of the series. Hong Kong Jockey Club chief executive Lawrence Wong told the *Standard* that the championship could be expanded to include other countries on the approval of 75 percent of the founding members, with Japan and France most likely to join. "It's an exciting idea, but it all depends on getting a global sponsor," Wong was quoted in the *Standard*. "Without one, we will have to return to the drawing boards."

**SILVER CHARM TOPS DONN WEIGHTS** Silver Charm (Silver Buck) will give from six to 16 pounds to his rivals in the \$500,000 GI Donn H. at Gulfstream Jan. 30. The five-year-old has been assigned 126 pounds for the race, six more than Puerto Madero (Chi) (Gallantsky) and Sir Bear (Sir Leon), who are also pointing for the 1 1/8-mile race. The expected field of 10 also includes Frisk Me Now (Mister Frisky), 117; Crypto Star (Cryptoclearance), 114; Behrens (Pleasant Colony), 113; Unriled (Notebook) and Early Warning (Summer Squall), 112; Truluck (Conquistador Cielo), 111; and Hanarsaan (Hansel), 110. Trainer Richard Mandella confirmed he is sending R. D. Hubbard's Puerto Madero east for the race. "He worked this morning, going seven-eighths in 1:27 1/5," said Mandella from Santa Anita. "It was an easy work. We didn't want to blow his tires off before the big race. We called for a plane and we're leaving on Tuesday." Silver Charm arrives from California on the same plane.

Seven-length winner of last year's seven-furlong GI Ballerina H., Stop Traffic had her '98 campaign interrupted by no less than five short layoffs. Third in the Sept. 19 GI Ruffian H. going a mile and a sixteenth after her Ballerina triumph, she was then off for seven weeks before running third in Churchill's Abrogate H. Nov. 7 and most recently finishing second in the Safely Kept H. over the Hollywood turf Dec. 19. Looking to make amends for an uncharacteristic seventh-place finish in this event last year, the co-highweight in the field kept the leaders in her sights through solid early fractions, got caught behind horses at the quarter pole, but found running room in midstretch and came on to catch favored Belle's Flag in the final yards and inch clear. "She's better than ever," said trainer Richard Mandella. "We might just keep her around all year." The mare will go next in the mile-and-a-sixteenth GI Santa Maria H. Feb. 14.

**CANADIAN CHAMP TO STONERSIDE STABLE**

Primaly (Alydeed), Canada's champion two-year-old filly of 1997 and runner-up in last year's Canadian Oaks, heads of trio of horses purchased by Robert and Janice McNair's Stonerside Stable in three separate transactions last week. Primaly, who was purchased from breeder Kinghaven Farms and came back after a six-month layoff to take a Gulfstream allowance test by 5 1/4 lengths Jan. 1, and **Delivery (Arg)** (Political Ambition), a four-year-old filly who has won three of five starts--including a pair of Grade 1 races--in her native country, will join the Stonerside racing stable. Primaly runs in today's GIII Sabin H. for trainer Roger Attfield, and then transfers to the barn of trainer Pat Byrne. Delivery is scheduled to ship from South America to trainer Bob Baffert's barn in California today. Stonerside has also acquired the four-year-old filly **Star Of Broadway** (Broad Brush--Meteor Miner, by Mr. Prospector), who has been retired and likely will be bred to Seattle Slew. She won four of her 11 career starts, numbering the '98 GII Beaumont S. at Keeneland among her successes, and earned \$229,377.

**Canadian Turf H. cont.**

In 1997, trainer Lou Goldfine sent out a then unknown allowance horse named Wild Event to win the GI Arlington H. in his first-ever stakes appearance. Lightning struck again in the Canadian Turf H. Federal Trial, bred along the same lines as Skip Away, broke his maiden Aug. 22 on the main track in Chicago, then returned from a layoff to contest three grassy allowances, with a pair of second-place finishes and a convincing victory in his most recent effort, a front-running 5 3/4-length tally at Churchill Downs Nov. 26. Still, a victory in this race would be asking a lot, considering the presence of GI Hollywood Derby winner Vergennes (Dynaformer) and a host of other proven turf veterans. Federal Trial broke alertly and forced the early pace, eventually gaining a short lead with about a 1/2 mile to run. As the field rounded into the stretch, the gelding maintained a narrow margin, was able to withstand a fresh challenge from Vergennes at the eighth pole and inched clear to the final margin of victory. Deep Dive, bumped at the outset, closed ground late to be second. "I had him entered in an allowance race last Saturday, but when it rained and they took the race off the turf, I scratched him," said Goldfine. The winner could resurface in the GI Gulfstream Park Breeders' Cup H. Feb. 6, although Goldfine indicated he would prefer to run Wild Event in that spot.

Catching a fast track this time, the 1/2 to Future Pretense (Fappiano), MGISP, \$234,262, battled on the front end for six furlongs before opening up a clear lead on the turn and galloping home a 5 1/4-length winner as the even-money chalk. Turning back to a sprint for this engagement, the colt was wrestled back off a speed duel to run in third, engaged front-running Deputy Mac (Dehere) at the eighth pole and wore that one down to win by three-parts of a length as the 9-2 co-third choice. North East Bound finished last of 10 in an off-the-turf event here Jan. 3, but rebounded from that effort with a solid breeze Jan. 13. He was sent for the lead and sprinted clear down the backside, while Monkey Puzzle, who tried turf for the first time in his last Dec. 31 and broke his maiden by two lengths, was reserved in midpack. North East Bound still maintained a short lead at the eighth pole and raced on gamely, but was caught in the final jump by Monkey Puzzle, who came wide into the lane and finished determinedly to dead heat for the win.

**Sonny Hine Loses King Horses:**

Trainer Sonny Hine had to lay off 10 grooms and hot walkers Friday after losing more than half of his stable. "(Owner) Roger (King) told me the day before he was taking his horses away from me," Hine said. "Two were sold to Vinny Blengs and the other eight went to (trainer) Steve Young, who took them to Hialeah. I understand some are going back on the plane with Sliver Charm when he goes back to California (after the Donn)." Hine, who has trained for King for several years, believed he had a solid relationship with the owner of King World Productions. "I didn't even see it coming," he said. "I guess he was unhappy." Among the horses Hine trained for King were \$780,000 two-year-old purchase **Gen**. **Stormin'norman** (Storm Cat), second in last year's GIII Lamplighter S., and allowance winner **Teddy Boy** (Cox's Ridge).

**Gulfstream Work Tab:**

The five-year-old came back after nearly 16 months on the sidelines to take a Gulfstream allowance by 9 1/4 lengths Jan. 4. "It's still early in the year and he's not ready to take on those horses," trainer Scotty Schulhofer said. "He still has a lot of conditions left, and I think he is a better turf horse anyway." Also breezing Saturday, **The Groom Is Red** (Runaway Groom), winner of the GI Champagne S. last year, went six furlongs in 1:14. The colt could make his three-year-old bow in the Feb. 20 GI Fountain Of Youth S.

**3rd-SAX cont.**

Reality Road scored back-to-back graded stakes victories last winter, but his victory in the GII San Carlos H. last March 7 at this trip and over this surface was his last. The veteran tired to be fifth after pressing the pace in a turf allowance Jan. 2, his second start back after a seven-month layoff. The slight favorite to get back into the win column in this start, the dark bay forced the early pace from just outside The Barking Shark, put a head in front of that rival a furlong from home and prevailed after a long drive.

Door Bell, who notched her first three victories facing maiden claimers, starter allowance foes and state-bred allowance horses, hit the jackpot in her fourth score. Off the board in her last three starts, the Cal-bred returned after a four-month respite to be ninth after showing good early speed in the restricted Survive S. Jan. 8. A longshot in open allowance company, the chestnut raced head-and-head with Excessive Theresa until the top of the stretch, then put that one away and drew clear.
