BET TWICE DEAD Bet Twice (Sportin' Life), winner of the 1987 GI Belmont S., died Friday at Muirfield East in Chesapeake City, Md of an apparent aneurism. The 15-year-old stallion was pensioned three years ago. From seven crops to race, Bet Twice sired graded stakes winners Mynameispanama and Doublethebetwice and stakes winners Turf Star, Bet Twice Princess, Angel in the Night and Bet Birdie. The bay Kentucky-bred won three graded events as a two-year-old and took the GII Fountain of Youth at three. He gained fame with runner-up finishes behind Alysheba in both the 1987 Kentucky Derby and Preakness, but turned the tables on his Triple Crown nemesis with a dominant win in the Belmont S. He again defeated Alysheba with a stirring victory in the GI Haskell S. Bet Twice retired from racing in 1988 with 10 wins in 26 starts and earnings of \$3,308,599. He was buried at Muirfield.

Punch Line Named Virginia Horse of the Year:

Punch Line (Two Punch) was honored for the second year in a row as Virginia Horse of the Year at Sunday's Virginia Thoroughbred Association awards banquet in Warrenton. VTA President Anne D. W. Poulson remembered the late Paul Mellon as his 1993 Kentucky Derby winner Sea Hero was inducted into the Virginia Equine Hall of Fame. The group also honored top older horse **Military** (Danzig) and top older filly or mare **Mossflower** (Affirmed).

Fair Grounds Sets Handle Record:

A crowd of 5,738, the second largest of the season, attended New Orleans H. Day at the Fair Grounds Sunday. For the second time this season, handle reached \$5.2 million and raised the season total from all sources over \$300 million for the first time in track history. Through Sunday, the overall mutuel handle is up 33.4 percent. A total of \$303,720,595 has been wagered compared to last year's figure of \$227,749,143. The on-track handle of \$22,067,368 is up 7.3 percent compared to last year's \$20,566,130.

◆ NEW YORK ◆

Tax Cut Proposed:

The New York Racing Association would get a \$20 million boost in purse funds under a plan proposed yesterday by Senate Majority Leader Joseph Bruno. The powerful state politician has proposed an 87-percent reduction in the parimutuel tax rates imposed on NYRA, which, if passed, would increase purses from an average of \$364,000 a day to \$453,000. "It is increasingly difficult for NYRA to compete effectively against the other major racing states," Senator Bruno said. "The NYRA's total available average daily purses are approximately 25 percent less than competing tracks in California and 32 percent less than those in Kentucky." The proposal would cut current tax rates on regular, multiple and exotic wagers effective May 12, 1999, opening day of the Belmont meet.

BY ANDREW CAULFIELD

SANTA ANITA H.-GI, \$1,000,000, SAX, 3-6, 4yo/up, 1 1/4m, 2:00 3/5, ft.

1--FREE HOUSE, 123, h, 5, by Smokester

1st Dam: Fountain Lake, by Vigors

2nd Dam: Hotsie Totsie, by Icecapade

3rd Dam: Justaguest, by Groton

Although the field for Saturday's Santa Anita H. contained Group 1 winners in England and Dubai as well as two Chilean-breds, it produced a highly appropriate winner in Free House, a California-bred with the status of local hero. This admirably consistent five-year-old has now won nine of his 21 starts and over \$3 million.

Free House's fascinating story could be said to have started not far from Santa Anita at Pomona, 45 miles east of Los Angeles, in 1990. The scene was the inaugural March sale of select two-year-olds at the Barretts pavilion at Fairplex Park. John A. Toffan was one of the busiest buyers at this sale, signing for four six-figure youngsters, but it was his two cheap purchases which have proved the biggest bargains. For only \$40,000 Toffan picked up Fountain Lake, who has found fame as the dam of Free House, and the next day he paid only \$35,000 for Smokester, a Never Tabled colt destined to become Free House's sire.

Toffan and his partner Trudy McCaffery have shown tremendous faith in Smokester. As the colt's price indicates, he was not bred in the height of fashion. He had been conceived at a fee of \$5,000 when his dam, the Transworld mare Small World, visited Never Tabled at River Edge Farm at Buellton. Perhaps the best thing about Smokester's pedigree was that Small World was a half sister to Small Loaf, a very successful broodmare whose visits to sons of Bold Ruler resulted in Small Raja (GI Monmouth Oaks) and Clever Secret (a Grade II winner on turf). The choice of Never Tabled as a mate for Small World

was no doubt influenced by his being inbred 2x4 to Nasrullah, the sire of Bold Ruler. The mating also produced two lines to Princequillo, a stallion whose name has gone hand in hand with Nasrullah's in the pedigrees of so many good horses.

Smokester showed considerable early speed to win a six-furlong maiden at Santa Anita in his debut in 1991, but he managed only three more starts and only one more win, in an allowance over 6 1/2 furlongs. Foot problems were the cause. By the time he covered his first mares at the age of five at Rio Vista Rancho, Smokester's name had been forgotten by nearly everyone except Toffan and McCaffery, who provided most of the limited support he received in his first season. What must the odds have been against this stallion standing at \$500 making the grade? Make the grade he has, though. In addition to Free House, the 10 named foals in his first crop contained Bagshot, a close second in last year's Santa Anita H. Smokester has only a handful of representatives in his second, third and fourth crops, so numbers are going to be a problem for him until next year, when his first full-sized crop, numbering at least 60 live foals, will be two years old.

That Free House has proved to be a durable individual is a little surprising. Smokester managed only four appearances and his sire, Never Tabled, had the unusual record of making his first start at the age of five, when he numbered the Triple Bend H. among his three wins from five starts. Perhaps Free House owes his toughness more to his dam, Fountain Lake, a winner of the Fleet Diver H. over a mile from 16 starts. Fountain Lake, appropriately, is a daughter of Vigors, the thrilling near-white performer who produced a devastating late run to win several of California's top races, including the 1978 Santa Anita H. under 127 pounds. Another Vigors mare produced the smart Old Trieste to A.P. Indy, sire also of Fountain Lake's 1998 filly which sold for \$460,000 at Keeneland last November.
