ZITO GETS "EVEN" IN GALLERY

FURNITURE.COM Fired by Gallery Furniture boss Jim McIngvale just about a year ago, trainer Nick Zito exacted his revenge at Turfway Park yesterday, sending 7-1 **Stephen Got Even** (A.P. Indy) to a 2 1/2-length victory over 7-2 **K One King** (Apalachee) in the \$750,000 GII Gallery Furniture.com S. "He never ceases to amaze me, this horse," Zito said. "There's no question this is a top colt. This was only his fourth start and it was real impressive. I think when we go further he's going to get even better." The Brooklyn-bred horseman, with a pair of Kentucky Derby trophies already on the shelf, has the deck stacked in his favor for a third. Zito also has the fast-closing GI Florida Derby runner-up **Wondertross** waiting in the wings for the Apr. 10 GI Toyota Blue Grass S. "I've been trying all spring to get myself into position (for the Derby)," he said. "I really want to be strong in the Derby. Over the years, (Bob) Baffert and Wayne (Lukas) have had a pretty good hand, and I just want to be equal with them when I go in this year. I think I've got a pretty strong hand right now." It wasn't entirely a rocking chair ride, but jockey **Shane Sellers** had little more to do than sit back and relax as **Stephen Got Even**, forced to race six-wide around both turns, rallied from just off the pace in his stakes debut to make it three-for-three in route attempts. "I don't think we saw the best today out of this horse," Sellers insisted. "He ran through the lane really green. Every time I went to hit him, he hit another gear, but he ducked from the stick so I had to grab him. Believe me, I never got to the bottom of him and that's very encouraging." Trainer **Bob Baffert** flew in from Dubai to saddle 2-1 favorite **Straight Man** (Saint Ballado), but the bay, also taking on stakes company for the first time after winning his first two starts, tired badly after setting a pedestrian pace and finished fourth. "On the backstretch, I was getting my winner's speech ready, but that's horse racing," Baffert said. "They were just walking out there and he was relaxed. He was laying in perfect position, then he got tired. The track is a little loose and he's not used to that. He'll go to Churchill and he'll have plenty of time. He may run in something like the Lexington S. (GII, at Keeneland Apr. 18)."

Silver Charm (Silver Buck) is undefeated over this track, is coming off a very good third in the GI Santa Anita H. and also has a little bit of history on his side. The last time a Kentucky Derby winner met an Epsom Derby winner, the 1923 Kentucky Derby winner **Zev** defeated the English hope ***Papyrus** in a race at Belmont Park. Last year's Epsom Derby winner **High-Rise** (High Estate {Ire}) appears to be Godolphin's best hope for World Cup glory. The bay, last out seventh in the Oct. 4 G1 Prix de l'Arc de Triomphe, has reportedly taken to the surface very well. The other U.S. representatives are **Malek** (Mocito Guapo {Arg}), fourth in this race last year, and GI Belmont S. winner **Victory Gallop** (Cryptoclearance). While **Victory Gallop** has only a Gulfstream allowance prep for this event, **Malek** was second in the Jan. 10 GII San Pasqual H. and Feb. 7 GII San Antonio H. **Running Stag** (Cozzene), a live longshot who showed strong late runs in his four U.S. dirt starts, was fourth, beaten 1 1/2 lengths by **Silver Charm**, in Churchill's GII Clark H. Nov. 27 last out.

Stephen Got Even hasn't put a hoof wrong since making his two-turn debut in his second start. The bay broke his maiden at Gulfstream Jan. 30 and was sent onto the Triple Crown trail after adding an allowance score over the track Feb. 27. Breaking from the far outside in this eight-horse field, he was hung out to dry on both turns while sitting just off front-running favorite Straight Man (Saint Ballado) and second choice K One King, but overcame the lost ground, driving to the lead at midstretch and drawing away in the final furlong for a decisive score. Jockey Shane Sellers, the regular pilot for GI Florida Derby winner Vicar, picked up the mount from world traveler Jerry Bailey. "I didn't want to go that wide," Sellers admitted, "but I had been sitting on (K One King's) flank and he was hung out wide by (Straight Man). I had to play the hand that was dealt me. But when you're on the best horse, as I was today, you can overcome it. He ran a monster race." Trainer Nick Zito will put his head together with winning owner Stephen Hilbert's team before deciding if the colt will race again before his date in the May 1 Kentucky Derby. "That's a tough question...I will have to talk to Mr. (Tim) Sams, Mr. Hilbert's manager," he said. "(Stephen Got Even) ran pretty well fresh. We've got a ticket right now and, a lot of times, if you've got a ticket you take it...maybe I'll go to this Broadway show right from here. We'll see." Runner-up K One King likely will go straight to Churchill Downs. "It was a very good experience for him and he needed it," said trainer Akiko Gothard. "Right now I think we will train him right up to the Derby. I think he still has room to get better and I think this race will move him up."

The scratch of heavily favored Redoute's Choice (Danehill) three hours before the race due to a fever left the race wide open. Catbird, an Aus\$400,000 (\$253,800) yearling purchase at the Sydney sales last year, was forced to go around High Rolling (Snippets {Aus}), who had clipped heels with another horse a half-mile from home. From there, he had a clear path and charged home a neck winner over Align, with favored Shogun Lodge storming home for third. The top six were separated by less than two lengths. Catbird, Danehill's 90th stakes winner, becomes his fourth Slipper winner. Said trainer Frank Cleary, "This is not too bad for a boy from the bush." But not everyone was happy with the outcome. As always, the Slipper was a roughly run affair and High Rolling's jockey Glen Boss was livid returning to scale, fuming, "It is the roughest run race in the world and if something is not done then someone will be killed."

Potomac Bend was a winner of her first three starts, all at Laurel, including the Jan. 23 Jameela S. and, most recently, the Feb. 14 Marshua S. The 4-1 fourth choice stepping into graded company, she dueled for the lead on the outside, took over on the turn, dug in when challenged in upper stretch and drew off late. "This is a nice horse to be around," trainer Vinnie Blengs said. "She has shown us from Day One that she could run. Trainer Todd Pletcher spent most of last year using Maragold Princess's Maryland-bred status wisely; his campaign for the filly resulted in four restricted stakes victories. In her 1999 debut, she ran second, beaten 1 1/2 lengths in the Feb. 21 Conniver S. at Laurel. The odds-on favorite in her second start of the season, the bay raced close behind the pace, took over three furlongs out and cruised home to a popular tally.

BEST OF LUCK (c, 3, Broad Brush--Crowned {GSW, \$605,323}, by Chief's Crown) took seven tries to break his maiden, but the one-dimensional closer finally put it all together to win by 6 1/2 lengths last time at Gulfstream Mar. 13. The 4-1 shot was bumped at the start and assumed his usual position at the back of the pack. He moved four wide on the second turn and rallied in the final yards to score a half-length win. Trainer Allen Jerkens said that he will nominate the colt to the GII Wood Memorial S. to be run Apr. 10 at Aqueduct. "As for whether or not he'll run in the Wood, we'll just have to wait and see what happens," said the Hall of Fame horseman. Lifetime Record: 8-2-2-2, \$67,090.

Sent off at 4-1 for his new connections, the bay disputed the pace while in hand, took a short lead after six furlongs, was three wide on the turn, but gamely held on to a 3/4-length score. Longshot Harry's Halo, making his stakes debut after taking a Laurel allowance in his latest attempt Feb. 24, spoiled the return of last year's GIII Laurel Futurity winner Millions (Dehere). The bay saved ground while rated well off the early pace, came with a three-wide sweep at the quarter pole and just got up to best Seven Pipers at the wire. "I didn't think we'd be worse than third," said winning trainer Bud Delp. "I knew he could get the distance, it was only a matter of how fast he could run it. We're looking at the Tesio S. (Apr. 17) next. Depending on how he runs there, we'll probably go in the Preakness. I really don't want to ship the horse." Millions, off since finishing second by a neck in the Nov. 28 GII Remsen S., broke awkwardly, was hustled up to challenge after a half, drifted wide coming into the stretch and weakened to be seventh at 3-10. "It was a very bad trip right from the start," jockey Edgar Prado said. "He broke last and going into the first turn he got shuffled around. He made a nice move at the half-mile pole, but when we turned for the stretch he just flattened out. I just galloped him to the wire. He got real tired, but he'll improve off this."

Horse Chestnut Romps Again:

Following another awesome display in the second leg of the South African Triple Crown, Saturday's G1 Gosforth Park Classic over 1 1/8 miles on the turf in Johannesburg, Harry and Bridget Oppenheimer's three-year-old colt **Horse Chestnut (SAf)** (Fort Wood {Ire}) is now long odds-on to win the final leg, the G1 S. A. Derby over a 1 1/2 miles at Turffontein, also in Johannesburg, Apr. 24. Ridden as usual by Weichong Mawing and starting at odds of 1-2, Horse Chestnut simply toyed with the Classic field, including his stable companion Fort Defiance (SAf) (Fort Wood {Ire}), winner of the G2 Newmarket Guineas March 2. Taking the lead after a half-mile, the crowd's choice led the field into the straight, where Mawing allowed Fort Defiance to close the gap, then shook the reins at his mount who sauntered clear to win casually by four lengths. The two stable companions finished 11 lengths clear of third-placed **Hawthorn (SAf)** (Elliodor {Fr}). It was the winner's third straight Group 1 victory, following the G1 Cape Argus Guineas Jan. 16 and G1 J & B Met against older horses Feb. 6, and his seventh win from eight lifetime starts.
