KEENELAND APRIL SALE SET FOR

TODAY Tom Van Meter, a top bloodstock agent and partner in the Eaton Sales Agency, set a record when he purchased a Mr. Prospector filly out of the mare Shufflin n Seattle (Seattle Slew) for \$500,000 last year. It was the highest price ever paid for a filly at the Keeneland April Two-Year-Olds in Training Sale, which celebrates its seventh edition today in Lexington. This year, Van Meter plays a different role, selling a Wild Again juvenile, half-sister to last year's record purchase. The filly, Hip 118, is consigned to the sale by M. W. Miller III, agent. "I think it's going to be a great sale," said Van Meter. "There are a lot of good horses in the sale and there are always runners coming out of it. I hope we have one in there again." The sale, which begins at 1:30 p.m., offers 225 two-year-olds. Said Geoffrey Russell, Keeneland's assistant director of sales, "We've worked awfully hard to make sure we took the right horses and that we had quality. Last year, we didn't have the big numbers, but we had good horses and I think it showed. I think time has proven the sale to be successful. This year, we've got 60 more horses than we had a year ago, but we haven't compromised one thing. They're by some of the top sire lines. They have good, solid pedigrees. And, they look the part. We're very happy with the horses that we have entered for this year's sale." The list of sires that will be represented may be one of the most impressive groups ever. There are juveniles by Sadler's Wells, Nureyev, Seattle Slew, Deputy Minister, Storm Cat, Seeking the Gold, Woodman, A. P. Indy and Gone West. "The sire power in this sale is very impressive," said Van Meter, whose record purchase a year ago turned out to be Here I Go. The filly broke her maiden at Saratoga by an impressive nine lengths and ran second to the grand Silverbulletday in the GIII Golden Rod S. last year. The 1997 sale produced the Grade I-winning fillies Beautiful Pleasure, Keeper Hill and Vivid Angel, as well as Halory Hunter, who captured the 1998 GII Blue Grass S. and ran fourth in the Kentucky Derby before being injured. "When you look at how the sale has produced, I think you have to be impressed," said Russell. "The sale ranks as one of the best in the world at producing Grade I stakes winners. I think that says a lot about the quality of the horses being offered here in April. It's a good sale and I think more and more people are beginning to recognize that."

Wondertross Update:

Wondertross (Chief's Crown) is expected to return to Nick Zito's Keeneland barn tomorrow after a stay in the Haygard-Davis-McGee equine hospital due to a bout with colic, the trainer reported. Zito has not ruled out a start in the Kentucky Derby for the colt, but knows everything would have to go perfectly between now and Derby Day to make the race. "The last thing I want to do is something silly with him," Zito said. "Once he comes back, we'll do light training and monitor that. If we can get real lucky, there's a possibility we could make it. We'll take it one day at a time. We have a shot of making it." Wondertross ran perhaps the poorest race of his career when sixth as the 9-5 favorite in Saturday's GI Toyota Blue Grass at Keeneland. He came down with colic Sunday morning. Zito said the recovery has gone smoothly and he is pleased with the reports he has gotten from Haygard-Davis-McGee.

Derby Possibles on Churchill Work Tab:

Silverbulletday (Silver Deputy), who will make her next start in either the May 1 Kentucky Derby or the Apr. 30 Kentucky Oaks, worked a half in :48 2/5 under jockey Robby Albarado yesterday morning. "I thought it was an awesome work," Albarado said. "They wanted to go easy with her. She gets over this track awesome, she loves it here."...Gil Gallery Furniture.com runner-up K One King (Apalachee) also breezed yesterday, going six furlongs in 1:15.

John Velazquez Makes Derby Choice

Barry K. Schwartz, owner of Three Ring (Notebook), confirmed yesterday that he has a commitment from jockey John Velazquez to ride the GI Bonnie Miss heroine in the May 1 Kentucky Derby. "(Velazquez' agent) Angel Cordero called (trainer) Eddie Plesa yesterday and told us that we have the call. John rode her in her last two starts, both impressive victories, so naturally we are excited about the decision," said Schwartz. The decision had been in doubt, as Velazquez was also the regular rider of Lemon Drop Kid (Kingmambo), whom he partnered to a fifth-place finish in the GI Toyota Blue Grass S. Schwartz also confirmed that the decision to run in the Derby is unconditional and that his filly has not been entered for the GI Kentucky Oaks.

TOYOTA BLUE GRASS S.-GI, \$750,000, KEE, 4-10, 3yo, 1 1/8m, 1:48 3/5, ft.

1--#@MENIFEE, 123, c, 3, by Harlan

1st Dam: Anne Campbell (SW), by Never Bend

2nd Dam: Repercussion, by *Tatan

3rd Dam: Tomina, by Tom Fool

Arthur Hancock III is no stranger to the peaks and troughs which are part and parcel of the Thoroughbred game. In February, Hancock suffered a setback when Harlan, a horse he bred and raced in conjunction with W. T. Young, died from a ruptured aorta in the Stone Farm breeding shed. But less than two months later Hancock was back on a high, so much so that he told the media, "Emotionally this is one of the most wonderful days of my life." The reason for this elation was the exciting victory in the GI Blue Grass S. of Meniffee, a Harlan colt bred by Hancock and owned by the partnership of Hancock and James H. Stone.

Hancock's links with Harlan began roughly 20 years ago, when he acquired an interest in Harlan's dam, the Canadian Grade II winner Country Romance, but it was at the 1986 Keeneland November Sales that he became the mare's outright owner--for only \$45,000. A daughter of Stone Farm's champion sire Halo, Country Romance was carrying a filly by Gato del Sol, another Stone Farm resident. That filly, Romanticat, became the dam of Things Change, winner of last year's GI Spinaway S. at Saratoga, and Harlan was her next foal. Although Harlan didn't become a stakes winner until he was five, he chose a very good moment to do so, defeating American Chance and Cherokee Run in a tight finish to the GI Vosburgh S.

Meniffee is a member of Harlan's first crop and breeders must now be wishing they had made fuller use of this Stone Farm sire, who attracted only 26 mares in his second season and 35 in his third. Harlan's Grade I success with Meniffee came a day before Mountain Cat's son Classic Cat took the GII San Bernardino H., so it was a good weekend for Storm Cat's stallion sons. Storm Cat himself supplied the Blue Grass second Cat Thief and also has Aljabr to represent him at Churchill Downs.

When Meniffee appeared at the Keeneland September Sales, the bidding rose no higher than \$35,000. Perhaps would-be purchasers were deterred by the fact that he was out of an old mare--albeit a very good old mare. His dam, Anne Campbell, was 23 years old when she foaled him and had first found fame in the early 1980s, when her son Desert Wine ranked among the best of his age at two, three and four. Anne Campbell's subsequent winners include Excavate, a Grade II-placed Mr Prospector colt bought for \$1.1 million as a yearling, and Arsaan, a \$700,000 Nureyev filly who won a stakes race over a mile in England.

The way Meniffee finished at Keeneland didn't suggest any shortage of stamina and he is a half-brother to Desert Wine, who followed up his second in the 1983 Blue Grass by finishing runner-up to Sunny's Halo in the Kentucky Derby and to Deputed Testamony in the Preakness. However, Desert Wine was sired by Damascus, a winner of the Belmont S. and the two-mile Jockey Club Gold Cup, whereas Meniffee is by a fast son of Storm Cat. Perhaps the significant name in Harlan's pedigree, in this instance, will prove to be his broodmare sire Halo, sire of the Derby heroes Sunny's Halo and Sunday Silence.

Anne Campbell gained her main win in the six-furlong Old Hat S. as a three-year-old, but stayed further and ranked alongside the speedy fillies Royal North and Repercutionist as one of four stakes winners produced by Repercussion, a runner-up in the Schuylerville S. over 5 1/2 furlongs. On the plus side, Anne Campbell was sired by Never Bend, who stayed 1 1/4 miles well enough to finish second to Chateaugay in the Kentucky Derby.

English 2000 Guineas Update:

Auction House (Exbourne), second in the 1998 G1 Saudi Arabian Airlines Dewhurst S., is one of 13 entries for Saturday's G3 Tripleprint S., a seven-furlong trial for the Sagitta 2000 Guineas at Newbury. "Auction House has done very well over the winter and he'll be declared for Newbury, but if he doesn't run he'll be working after racing there on Saturday," said trainer Barry Hills. The Henry Cecil-trained **Enrique (GB)** (Barathea {Ire}), a length and a quarter behind Auction House in the Dewhurst, will also run in the Newbury race. Bob Michaelson, managing director of Sagitta, announced yesterday that the May 1 2000 Guineas will again be simulcast to Churchill Downs as part of the Kentucky Derby Day program.

English 1000 Guineas Report:

Golden Silca (GB) (Inchiner {GB}), successful four times at Newbury last season including a win in the G2 Mill Reef S., will make her three-year-old bow in Friday's seven-furlong G3 Dubai Duty Free S. Trainer Mick Channon said yesterday, "She's in great form. If she runs all right then she'll go for the Sagitta 1000 Guineas. I think she'll get the trip. She loves Newbury and deserves a crack." **Wannabe Grand (Ire)** (Danehill), a Group 1 winner at two and unraced yet this season, will go to the 1000 Guineas at Newmarket May 2 without a prep race. Trainer Jeremy Nosedá said, "She is in good form and will go straight for the Guineas--that is the only race that matters to me."

1999 FRESHMAN SIRE PREVIEW

Once again, the *TDN* has found a group of horsemen willing to put their opinions in print about who they think will emerge as this year's leading freshman sire. Last year's champion, End Sweep, who sired a record 33 winners, was not picked on top by any of our selectors. However, Bob Baffert, Sid Fernando and John Kimmel must be given credit for picking him third. Seven of the eight horsemen surveyed picked Dehere in the top two and, to no one's surprise, he finished the year strongly to place second. Here is what our horsemen said this year:

BOB BAFFERT, *Trainer*

1. Cherokee Run--They will run early.
 2. Go For Gin--Will get better with age.
 3. Mr. Greeley--They will also run early.
- BEST VALUE:** Cherokee Run--I've been very impressed by them at the two-year-old sales.

MICHAEL S. BROWN, *Publisher, Racing Update*

1. Pembroke--Got best-looking foals of any of these.
 2. Tabasco Cat--Got second-best looking foals and will be supported by owner.
 3. French Deputy--Classic two-turn types.
- BEST VALUE:** Pembroke--For reasons above.

JAMES DELAHOKE, *Bloodstock Agent*

1. Distant View--Because I paid too much for his dam and would like to see Juddmonte recoup the investment.
 2. Eagle Eyed--Because I paid too little for his dam and feel very good about it.
 3. Thunder Gulch--A classy first crop. They may not be precocious, but I am sure they will run given time.
- BEST VALUE:** Mister Baileys (GB)--A serious racehorse siring good lookers.

JOHN C. KIMMEL, *Trainer*

1. Mr. Greeley--I have been very impressed with the group at the two-year-old sales as well as some of my own.
 2. Tabasco Cat--May not be early, but will come running by the end of the year.
 3. Cherokee Run--Will have many two-year-old winners.
- BEST VALUE:** Mr. Greeley--Very reasonable to breed to.

BILL OPPENHEIM, *Freelance Bloodstock Consultant*

1. Thunder Gulch.
 2. Tabasco Cat.
 3. French Deputy.
- BEST VALUE:** Distant View--Great form in Europe. Great support from Juddmonte. Longer shots who could do well: Mr. Greeley, Cherokee Run, Eagle Eyed.

ALAN PORTER, *Alan Porter Pedigree Research*

1. Mr. Greeley--Gone West could be a sire of sires. They sold extremely well and there is a positive buzz about the way they are working.
 2. French Deputy--By Deputy Minister, whose faster sons seem to be the ones which make sires. Tons of ability, out of a really good racemare and they sold well.
 3. Cherokee Run--Champion sprinter was another to sell really well last year. Like the Mr. Greeleys, the word from the training centers is very positive.
- BEST VALUE:** Defrere & Pembroke--Dehere's little brother could make a big splash. Pembroke had world-record speed and is another by Gone West.

JACK WERK, *President, Werk Thoroughbred Consultants, Inc.*

- *These are my selections to lead the freshman list in 1999, although not necessarily the long term.
1. Cherokee Run--With 56 two-year-olds, this champion sprinter should produce early and develop juveniles with a touch of class.
 2. Tabasco Cat--He is a class act, stands at the right farm and his runners should improve with age.
 3. French Deputy--By emerging sire-of-sires Deputy Minister, this stallion has the right stuff to excel early on and auction buyers seem to agree.
- BEST VALUE:** Distant View--For \$10,000, you get a son of Mr. Prospector who was England's Champion Three-Year-Old Colt of 1994 after setting a new course record winning the G1 Sussex S., defeating six Group 1 winners in the process!

INDEX OF SIRES MENTIONED (with 1999 stud fees):
